Pete White Buried Here On Monday

H. P. Pete White, 74, a pioneer in the oil fields of Texas and Oklahoma, died at the family home here Saturday evening while eating his evening meal. He had been in poor health for the past eight years, having suffered a stroke that left him partially paralyzed in August 1964.

Funeral services were conducted at the First United Methodist Church here with Rev. Eddie Herrington, a former local pastor officiating, assisted by Rev. Luther Helm, present pastor of the church, at 2 p.m. Monday.

Burial was in Cross Plains Cemetery under direction of Higginbottom Funeral Home.

He had lived here since 1938 and was lease foreman for Amerasia in the Burkett community. He retired from the firm in October 1963 after 45 years which saw him working at all phases of the business, starting as a roustabout on the company's first lease near Duncan, Okla. in 1918.

Partial United Fund Drive Total \$2,435

Cross Plains Area United Fund drive which began last Friday with a door-to-door canvass, was \$864.75 short of the goal of \$3,300.00 at noon Tuesday, but hopes were to reach the mark this week.

In the canvass of the area last Friday, and other contributions gathered through the week end and first of this week, a total of \$2,435.25 had been tabulated.

Mrs. J. Peyton Smith, campaign chairman, said Tuesday morning, "The goal is in sight. It's just a matter of getting all cards in now, and it looks as though we might go over the goal."

It was pointed out by Mrs. Smith that all donations had not been turned in. More contacts are being made this week for donations and return calls are being made to persons who were not home when the volunteer called.

Mrs. Smith and Jimmie Lee Payne, UF president, have asked those persons who have not been contacted to please leave contributions at the Citizens State Bank.

In commenting on the total, the United Fund president said that he was delighted at the work that is being done and

the enthusiasm the campaign received. He added that reports we are getting reflect determination to reach the goal.

Payne continued that we are deeply indebted to the campaign chairman, Mrs. Smith, and all the volunteer workers. He noted "The drive's success means so much to so many people."

Forty-five area ladies are working in the drive.

It was noted that if a complete list of donors is available, names and amounts of gifts will be published in the Review next week.

Cottonwood Community Enters State Contest

The Cottonwood Community has entered the Texas Community Improvement Program striving to achieve better farms, better homes, economic opportunities and responsible citizenship.

A meeting was held Monday evening, Sept. 25, which was a covered dish supper and all present chose to enter the program and pledged to do their share. Greg Gernagous from Baird, of Texas Agricultural Extension Service helped outline the procedure.

Pop Whitaker of Baird brought two musicians and furnished after dinner music. The following were elected as officers: L. H. Mosley, chairman; B. A. Moore, vice-chairman; Dan Childress, secretary-treasurer; and Mrs. L. H. Mosley, reporter.

Another meeting was set for the third Monday in October, Oct. 16, at 7:00 p.m. Covered dish meal and the following committees will be established and discussed:

They are: Norman Coffey and Knox Waggoner, Improving the Community; Mr. and Mrs. R. T. Chambers, Community Services and Facilities; J. E. Blanton and Wendell Smith, Agricultural Communities; Ethel Anderson and O. S. Smith, Improving Family Living; Mr. and Mrs. O. Sandifer, Encourage Social Participation; Hazel Rees, Historical Committee; Community Director, Mr. and Mrs. W. H. Kelly.

All persons interested in the Cottonwood Community are urged to attend and take part.

New School Target Date Still Dec. 1

Date of completion for the new elementary school building in Cross Plains is still December 1, according to Nathan Armstrong, owner of Armstrong Construction Co. of Breckenridge, low bidder on the structure.

It was reported to the school board recently that the building is presently 35 to 40 per cent complete. Primary hold-up now is lack of metal frames for outside doors and windows. Brick laying is now progressing rapidly.

In a recent meeting board members were informed of interior details by the architect, Don Hampton, who made estimates on cost of certain facilities and suggestions on possible alternatives.

Bufs Renew Grid Wars Friday Against AA Cisco

After a week's rest the Buffaloes of Cross Plains High School will renew gridiron warfare. It will be against the Class AA Cisco Lobos Friday on the latter's home ground. Game time is 8 p.m.

The contest will be the last non-conference games for the end. Bufs will begin District 10-A skirmishes on Friday, Oct. 20, at De Leon.

The Class AA Lobos, thought to be also-rats before the season started, have come to life in the past few weeks, and are now rated a darkhorse in the rough District 5-A.

Friday's clash will mark the first time in many years that the two schools have clashed on the football field.

Cisco and Cross Plains have met no mutual foes this season. The Lobos held a strong hand over the Bufs in a rough contest over Wernick, a team the Buffaloes managed to tie in a scrimmage.

Cisco posted just a 1-4 mark last year, but 13 lettermen are back in the pack, eight of whom were 1971 regulars. The Lobos convincingly whipped Seymour last week, and one local fan who saw the game said that the Friday's look "exceedingly beautiful".

A new quarterback took over last week for Cisco after standout 195 pounder Billy Ervin had been injured. Other experienced ball carriers remaining include Fullback Dale Burns, 185; Ronnie Pence, 155; and Leonard Jernigan, 155, at halfback.

Experience is also available at the line. They include Barry Adams, 165; David Fears, 160; and Harold Prosser, 200, at ends; Eddie C. P. Ingram, 170; and Robert Nelson, 175, guards; Al Lopez, 190; and Don Proge, 185, centers; Gary Bennett, 200; and Hector Lopez, 205.

Lobos have shown a balanced passing and running attack thus far this season.

Analyses: Texas Amendments 5 And 6

Editor's Note: Here are analyses of Amendments No. 5 and No. 6, to the Texas Constitution, which will be voted on in the General Election November 7. These brief analyses are intended to be unbiased.

You will vote FOR or AGAINST.

Amendment No. 5, amending Article VIII, Section 2, relating to a tax exemption on certain property owned by a disabled veteran, to provide that exemptions, which would range from \$1,500 to \$1,000, be made on a graduated scale based on the percentage of the veteran's disability.

Proponents say that persons disabled in the military service of the U. S. deserve compensation for their sacrifice, and an exemption proposed in this amendment would be a token appreciation from the people of Texas.

They point out that the tax relief under the proposal is subject to strict limitations. Only property taxes are affected and in no case may the value exceed \$1,000, and they point out that the amendment is permissive, leaving necessary details to be spelled out by the legislature.

Opponents contend that compensation of disabled veterans is a federal responsibility and they say that generous benefits are already available to these veterans.

They feel that since school districts and local governments rely heavily on property taxes, granting of this proposal would further dry up this source of income. They say that granting tax exemptions like this would establish a bad precedent.

Amendment No. 6, amending Article VIII, Section 3-a, of the Texas Constitution to provide that the various political subdivisions of the state may exempt not more than \$1,000 of the value of residential homesteads of all persons 65 years of age or older from all valuations taxes under certain conditions.

Proponents say that of valuations tax is the basic form of taxation which cities, counties, school districts and other political subdivisions depend on for revenue, and the largest taxes on real estate are levied for local purposes by local governments. Therefore the present homestead exemption does not grant any of the relief needed from the most burdensome ad valorem tax existing in Texas today.

They feel that the senior citizen living on a fixed income is hurt and needs the relief which this proposal would allow.

Opponents say that this reduction of tax revenues would hinder local political subdivisions which perform essential services. They contend that a basic concept in Texas law demands that property taxes shall be equal and uniform.

They feel that the senior citizen living on a fixed income is hurt and needs the relief which this proposal would allow.

Insects Strike In County Grain Fields

Heavy infestation of fall army worms and greenbugs are being found in many small grain fields in Callahan County during the past week, according to Greg Gerngross, county agent.

Armyworms are foliage feeders and can be extremely destructive, especially on seeding stands. They range from light green to almost black in color with three yellowish-white lines down the back from the head to the tail. They are about one to one and one-half inches in length. They are night feeders preferring the cooler weather and hard to find during the day.

Greenbugs are a species of aphids that suck sap and inject toxins into small grain plants. Greenbugs, as the name implies, are green in color and may be found in fields during the warm part of the day.

Both of these insects can be controlled with proper use of insecticides. Insecticide recommendations are made in Bulletin MP-339, Texas Guide for Controlling Insects and Mites on Small Grain, available from the local County Extension Office in Baird, Gerngross stated.

Ricky Westerman At Home

Ricky Westerman has returned to Cross Plains after being hospitalized at Brownwood and Galveston since mid-July recovering from injuries suffered in a car-motorcycle accident.

He is reported doing nicely. Friends donated \$356 to help defray medical expenses at the

local bank, and nine other persons added \$85.03 to that amount, giving gifts to Ricky or his father, L. D. Westerman.

They are: Mr. and Mrs. F. C. Newton \$20, Mr. and Mrs. Howard Cox \$5, Mr. and Mrs. O. B. Edmondson \$5, Mrs. Ruby Copeland \$6, Mr. and Mrs. Garland

Arnold \$20, Mr. and Mrs. F. L. Merrill \$10, James McGoodwin \$5.58, Mr. and Mrs. W. T. Jones \$10 and a Mr. Allen \$3.45.

"Nod" Crowley of Winters was in Cross Plains on business last Monday.

Dry Weather Continues For Rowden Community

By Mrs. N. V. Gibbs

Dry weather continues all over the area. All small grain is needing moisture to keep it alive. We are hoping for rain soon.

Guests in the James Reynolds home last week were his mother, Mrs. Alyene Reynolds, of Tyler and his sister and husband, Mr. and Mrs. Charles Talbot of Houma, La.

Mr. and Mrs. S. A. Broadman of Coleman were guests of Mr. and Mrs. Tommie Harris Saturday night. Visitors in the home Sunday afternoon were Mrs. Don Harris, Terrell, Troy and Tonya.

Those visiting Mrs. Ruth Boen during the week were Mrs. Bill Lawrence and Mrs. Harvey Davis.

Mr. and Mrs. Tut Tabor of Clyde visited Mr. and Mrs. N. V. Gibbs one day last week. They were en route home from Austin where they visited their daughter and family.

Visiting Mrs. Leila Gibbs during the week and Sunday were Mrs. Geneva Beights of Loraine, Mrs. Hop Summers and Ethel Eastham and her sister, Bertie, of Abilene and Mrs. Elveda Sikes of Abilene.

Mrs. Leila Gibbs accompanied Mrs. Elveda Sikes to Cross Plains Monday to spend the day in the Walter Rose home.

Ellen Reynolds spent Sunday night with Vivian Franke in Cross Plains.

Visitors of Mr. and Mrs. Warren Price during the week and Sunday were Dale Gibbs of Abilene, Mr. and Mrs. Grayson Miller of Baird and Mr. and Mrs. Bob Dye and Julie.

Mr. and Mrs. Sterling Odom spent Saturday in Snyder with the Ralph Trevey family. It was a happy birthday for little David Trevey.

Jim Reynolds spent Saturday night with Nicky Harris.

Mr. and Mrs. Bill Lawrence were in San Saba Sunday and visited Jess Brown in a Brownwood hospital and also visited in the rest home at Cross Plains that afternoon.

Cottonwood Native Funeral Wed

Mrs. Frances C. Gilleland, 84, died in a Port Lavaca hospital last Monday, Oct. 9. Funeral will be at 2 p.m. Wednesday, at Higginbotham Chapel here. Burial will be in Cottonwood Cemetery with Rev. Wallace J. Bennett, a great-nephew, of Arlington, officiating.

Mrs. Gilleland was born at

Cottonwood, and her life there.

Survivors are Kelly, of Victoria; daughters; two and, numerous and great-nephews. One preceded her in

WHERE EVERY DAY IS BARGAIN DAY

Take a shot at winning a Remington Model 1100 shotgun.

Book your winter feeds now.

You can register a tany ACCO Feed Dealer for one of 25 Remington Model 1100 shotguns to be given away on December 15, 1972.

Now, you don't have to be there to win and there's really no purchase necessary, but there is something we want you to do.

Ask about ACCO's complete feeding programs and how you can benefit by booking your winter feeds right now.

To start with, you know what your feed is going to cost for a whole six months. And you know that it's going to be there when you need it. Those are important points, particularly if you're contracting calves.

Stop by your nearest ACCO Feeds Dealer. Save some time and money by booking your winter feeds right now and register for the shotgun.

Nobody loses. Some will just win a little more than others. Could be you.

Monday Holiday For Local School Pupils

Monday will be a holiday for students at Cross Plains Schools. Reason for the one-day break in classroom studies will be to allow the 24 instructors in the local school system to attend the District 14 convention of the State Teachers Association which will be held in Snyder. Following the three-day week end, a full schedule of classes is scheduled for Tuesday.

BURKETT

By Mrs. Eddie Strickland

Luther Porter of San Angelo and Mrs. Zula Burton of Coleman attended the funeral of Frank Adams of San Angelo, brother of Mrs. Clara Porter Boyle.

Out-of-town visitors in Mr. and Mrs. Roger Watson home was Mr. and Mrs. Phelix Watson of Abilene.

Mr. and Mrs. Carlos McDermitt of Cross Plains had supper Saturday night with Mrs. T. H. Strickland, Mrs. Norene Donaldson of Coleman visited Mrs. Strickland Sunday morning.

Mr. and Mrs. Tommy Connelly were in Waco over the week end to visit her brother who is ill.

Visiting Mrs. Ethel Thate over the week end were her sister and husband, Mr. and Mrs. Lillian Farris of Goldsboro. Visiting Monday was Mrs. Birdie Sanders of Santa Anna.

Mr. and Mrs. Donnie Porter, Bobby and Dale went to San Angelo Sunday and had lunch with Mr. and Mrs. Luther Porter.

Buddy Oliver was admitted to the hospital at Coleman on Friday morning. Everyone in Burkett misses him and hopes that he recovers soon.

Freeda Burkett returned home after a week long stay at Buffalo, N. Y., attending a Postal Convention.

CARD OF THANKS

In appreciation for the great turn-out for the Senior car wash, the Senior Class is thankful to the people of the city, to Grider's Gulf stations and to Dillard's Texaco station for their much needed facilities.

CARD OF THANKS

We are thankful to be home. Words cannot express our thanks to friends and relatives for their many kind deeds done for us while Gordon was in the hospital so long. Thanks for all prayers, cards, letters, visits, for all who did so much for us since we returned home. Thanks to the Eastside Baptist Chapel for their prayers, cards and their concern. Thanks to Bro. Hamilton who visited us and to all who have been so nice.

Thanks to the relatives who came and mowed our yard, and brought my car to me while in Temple, to those who helped financially so I could stay by his bedside. No one will ever know the anticipation of mail-time each morning as I sat by his bedside 84 days.

Each one will be long remembered deep down in our hearts. God bless you all in our prayer.

Mr. and Mrs. Gordon Bell

CARD OF THANKS

To the people of this county and surrounding area, the Miller Family would like to say "Thank You". Words can be said, but they do not express the feeling within our hearts for the concern you have shown for Rickey Miller, but you will be forever remembered. Your concern made our troubled days brighter. May God bless each of you.

Rickey, Paul, Mr. and Mrs. Grayson Miller and Families

CARD OF THANKS

We wish to express our sincere thanks to each of our friends, neighbors and relatives who were so kind and thoughtful during our bereavement caused by the passing of our beloved husband and father. Especially do we appreciate all those who brought food to the home and the ones who called and sent flowers and condolences. We also wish to thank Rev. Bob Hamilton for his help and wonderful sermon. O. S. Smiths To Observe Golden Wedding Sunday

In observance of their 50th wedding anniversary, Mr. and Mrs. O. S. Smith of Rt. 1, Cottonwood, will be honored at a reception from 2 to 4 p.m., Oct. 15, at their home west of the post office in Cottonwood.

They will be happily honored to have neighbors, friends and relatives to attend this very special event.

Hosting the event is Mrs. Billy Kelly of Cross Plains, the couple's children, Mr. and Mrs. Roy M. Blevins of New Home, Mr. and Mrs. Jim Sherman of Lubbock, Mr. and Mrs. Harley Smith of Cross Plains.

Grandchildren are: Mr. and Mrs. Jerry McNutt of Lubbock, Becky Blevins, who attends college at Big Spring, Sandy Blevins of Lubbock, Mr. and Mrs. W. H. Blackburn of Abilene, Mr. and Mrs. Buster Hines and

children of Scranton, Steve, Kim, James, Tommy and Lorie of Lubbock. Four great-grandchildren will be present.

The former Miss Lessie Lorene Beaty and Mr. O. S. Smith were married October 16, 1922 at Memphis, Tex., but resided at Estilene, until moving to Petty where Mr. Smith was a farmer-rancher until moving to Callahan County in 1961. They now ranch and Mr. Smith is employed part time for Harvey Wilcoxon of Cottonwood.

The serving table will be laid with gold covered with lace table cloth and decorations will be of gold and white flowers. The cake will be decorated in white with gold trim.

Guests will be greeted and served by grandchildren of the couple.

24 Point First Half Gives Mighty Mites Fifth Win

Cross Plains Junior High School Mighty Mites shocked visiting Goldthwaite junior grid-ders with a 24-point first half Tuesday of last week then made that margin stand for the local unit's fifth consecutive victory.

The first half scoring onslaught began on the first action of the game when Mite Left End Sam Koenig returned the opening kickoff 70 yards for a touchdown. The conversion attempt failed as did each of the following attempts.

Halfback Jimmy Crawford tallied on a 50-yard romp, breaking clear on blocks by the end and tackle.

Left End Joe Hale added six more points in the wild first half when he caught a pass from Halfback Crawford which netted 45 yards.

Fullback Darrell Sanders added the final touchdown when he went off tackle for 30 yards.

Coach Mack McConal said that he was real pleased with the Mites. "They played a real consistent ball game on both offense and defense." He rated the triumph as a team effort.

Cross Plains was the only undefeated team in the conference after last week's victory. At that time three contests still faced the locals.

Gorman was to have been here Tuesday night for a league tilt, and on next Tuesday, Oct. 17, the Mites will journey to Blanket. Game time is scheduled for 7:30 p.m.

Mites will play the final game on home soil, hosting the junior team from Bangs.

DON'T TAKE RURAL TEXANS FOR A RIDE...

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state... because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern... and George McGovern needs us.

HOME AND FAMILY HINTS

FROM HIGGINBOTHAMS

By Barbara Williams

"It looked beautiful on the hanger, but it makes me look so fat!" It could be in the lines! The eye follows the silhouette, construction, and detail lines of a garment over the figure and creates illusions by the path it takes.

For example, a strong vertical line will make you look taller and therefore slimmer. Take a slim or slightly flared silhouette, add some design interest on a long up and down line, and you have a slimming effect. The eye of the beholder follows that line upward without interruption.

A vertical line that ends in up-shooting diagonals is the most slimming, height creating

line you can choose. Call it the "Y" line if you like; it goes up the center of the garment and branches out at the neckline or some other point. It does not have to extend from top to bottom of your dress to create the slimming illusion, even a partial "Y" will do. For example, the "Y" in the jacket of a suit is slimming even though it does not extend to the hem of the skirt or slacks.

Count on the "T" line to cut excessive height with a horizontal stop-line. The eye stops going upward when it reaches the cross of the T and travels from side to side. A doubly crossed "T" stops the eye twice and widens the figure the most at the widest horizontal line. The "T" can be used effectively to broaden an area too, by strategic placement of the horizontal line. Down-slanting diagonal lines such as raglan sleeve seams decrease the height and narrow the shoulders, whether they are at the top of a vertical line or not.

HIGGINBOTHAMS has the LINE for you! Come and look!

Do you have a question? A friend that spreads joy? A comment? We welcome your letters. Write to Mrs. Barbara Williams, Higginbothams General office, Comanche, Texas 76442.

60 Area Residents On Recent Grass Tour

Approximately sixty area residents toured Callahan County Ranches Friday, Sept. 29, to see new grasses under field conditions and to observe brush control research plots. The tour, sponsored by the Callahan County Rural Development Committee, began at 9 a.m., with a group leaving the courthouse at Baird to see the James Snyder Ranch. Chemical brush control test plots have been in effect on the Snyder Ranch since 1968. Picloram No. 245-T (Tordon) gathered particular attention as the group was amazed at the results achieved on Prickly pear and mesquite. Dicamba and 245-T (Banvield-D) was another chemical yielding good results. Bob Steger, Area Extension Range Specialist, assisted by Greg Gerngross, county agent, explained the results of the evaluations. James Snyder discussed stocking rates and animal gains achieved since the spray program began. After dinner, the group visited the rod-row grass plantings

located at the old missile site between Baird and Clyde. These grasses were estimated in 1970 as a cooperative agreement between the Soil Conservation Service and the Baird FFA Chapter. Doug Sellars, Area SCS Range Conservationist, and Les Thetton, District Conservationist discussed some of the more promising plants, such as Old World Bluestem, Lovegrass PMT 729 and 718, and Switchgrass PMT-285. The tour then proceeded to the Blan Odum Ranch to observe a fertilization study being conducted on Klein-grass. Here, Gerngross and Thetton explained the results of the tests. Eyes were opened as the productive potential of the grass was realized. The tour ended on the James Lawrence farm at Cross Plains. Area Extension Specialist, Willis Gass, and James Lawrence pointed out the merits and problems involved with TAM-Wintergreen Hardinggrass. The tour was considered a success by all attending.

Bison B Team Rips Early Reserves 56-20

Cross Plains Junior Varsity gridgers ripped visiting Early Longhorns 56-20 Thursday night. It was the fourth consecutive victory for the intemperate Herdsmen. Leading 22-6 at the half way mark, Cross Plains romped for 34 points in the last half. Coach Jim Birkhimer called the triumph a team effort and said that all his charges did a good job. Fullback Eddy Wyatt was the Bisons' leading scorer for the night. He scored three touchdowns on runs of seven, twelve and four yards. He also added four points on a pair of two-point conversions. Halfback Rex Beggs was the runner-up with two long tallies. He scampered 52 yards on a punt return and added six more points on a 24-yard jaunt. Quarterback Randy Pancake counted 10 points. He scored a 45-yard touchdown, and he also tallied on a pair of two-point conversions. Buffalo End Curtis Hines intercepted a pass and traveled 57 yards into paydirt. Halfback David Bennett got the final six points as he weaved his way seven yards to pay. Defensive Halfback Lynn Ta-

tom crimped the Early offense with interceptions of two passes, and Defensive Tackle William Hines stole one Early aerial. End Larry Hamilton was denied a score, but he added punch to the Buffalo attack by catching four passes. A contest slated with Cisco for Thursday has been cancelled. **BROWN SPORTSMAN'S CLUB SLATES PANCAKE SUPPER** Brown County Sportman's Club will have a pancake supper at the Adams Street Community Center in Brownwood on Monday, Oct. 16. All members of the club and others who wish to attend are invited. Tickets may be purchased in Cross Plains from Mr. and Mrs. Don McCall, or tickets may be purchased at the door. Serving will begin at 5:30 p.m. and will continue through 8 o'clock. **REVIEW NEEDS WRITERS AT CROSS CUT, PIONEER** Any one interested in writing news in communities of Pioneer and Cross Cut are urged to contact the Review at earliest possible convenience.

6 Callahan Highways Due Improvements

Highways in Callahan County will get work estimated to cost \$145,600 in safety and betterment improvements during 1973, according to a report from J. C. Roberts, district highway engineer, in Abilene. The funds to be spent in Callahan are part of \$1.5 million in projects slated in District 8 by the Texas Highway Commission and is a portion of the overall \$40.4 okayed by the state board for betterment and safety for U. S., State and Farm Roads in 1973. Callahan will get three seal coat projects, totaling 23.3 miles, at an estimated cost of \$46,700, and a trio of programs calling for asphaltic concrete pavement overlays, additional surfacing, of 14.6 miles at a projected outlay of \$98,900. Approximately 27.3 miles of present farm roads will be involved at a cost of \$76,000, and 10.6 miles of U. S. and state highways are included at cost of \$69,600. Projects that Roberts stated would be done during 1973 in this county follow. Seal coat of FM Road 880 from its intersection with State Highway 206 in north part of Cross Plains to its intersection with FM 2228, north of Cottonwood. Cost is estimated at \$17,700. Two other seal coat projects are FM 1178 from State 36 to FM 604, 9.8 miles, costing \$21,100, and FM 2707 from Coleman County line to State 36, 4.5 miles at \$7,900. Three projects of additional surfacing are scheduled, all in the Baird sector. Largest estimated cost will be \$38,800 for 2.8 miles of Loop 425, through Baird, from Interstate 20 west of the county seat to I 20 east of the city. U. S. Highway 283 is slated for asphaltic covering of 7.8 miles from Shackelford County line to I 20 at Baird, costing about \$30,800. Other re-surfacing project is 4.0 miles of FM 2228 from I 20 east of Baird, Admiral road, southward, at a cost of \$29,300. Pam Hutchins, 4-year-old daughter of Mr. and Mrs. Alvin Hutchins, spent week in Dallas with Tammy Hutchins and Mr. and Mrs. Darvel Hutchins.

County Fish Get Better

Fishing in Callahan County should be on the upswing according to Les E. Baird, Soil Conservation District Director. Friday, Sept. 29, the semi-annual fishing tournament conducted in the county was over 8,500 sunfish catfish. This is one of the best catches provided by the National Fish and Wildlife Foundation. New ponds are ones most often cleaned out of old restocked with deers. Contact the local Soil Conservation Service concerning stocking and fish management.
