Junior High Tennis Team Brings Home District Trophies

By COACH MACK MCCONAL

The Junior High Tennis team was in Santa Anna Saturday for District 10A Tennis.

The team had only 5 days of workouts, but responded very well to a minimum of court time and instruction.

Both the boys and girls won the team district trophies. This was unusual for the girls because they had only 2 entries in the tournament -- 1 singles and 1 doubles -- but these 2 entries won 1st and wrapped up the girls team championship overall.

The junior high boys did an equally fine job and won 2nd and 3rd in singles and 1st place in doubles to also win the district team trophy. The results are as follows:

Girls singles

Jennifer Turner beat Santo (8-0); beat Baird (8-3); finals beat Santa Anna (8-2) 1st place **Girls** doubles

Shena Thomas/Sara Nixon beat Santa Anna (8-4); finals beat Gorman (8-6) 1st place

Boys singles

Brandon Gilliam beat Baird's #2 (8-3); beat Santa Anna (8-0); lost to #1 Brock (1-8); beat Baird's #1 (8-3) won 3rd place

Cody Reed beat Santa Anna (8-0); beat Brock's #2 (8-3); finals lost' to Brock's #1 (1-8) 2nd place **Boys doubles**

Landon Hill/L.D. Whitehead lost to Gorman (5-8)

Joseph Dillard/Aaron Norris beat Santo (8-0); beat Gorman #2 (8-0); finals beat Gorman's #1 (8-4) 1st place

A big thanks goes to all of the parents who were at the tournament to support their kids and other players. It made me and the players feel very good to hear their applause when kids made a good play on the court. Thanks to Coach Boyd for taking over my classroom duties so I would have first period to work with these kids and still have a conference period.

This tournament concluded a very brief but highly successful tennis season for our junior high tennis program.

Cross Plains Band Scored High

By TODD FELTY

The Cross Plains High School Band competed in the UIL Concert and Sight-Reading contest in Hamlin on Thursday, April 17, with twentynine students giving a Second division performance on stage and a First division performance in sight-reading. The band achieved these high marks inspite of a set back two weeks prior in which 15 of the 45 member group became ineligible due to failing grades in other classes which caused the "no pass no play" rule to be implemented. Another band member was unable to attend due to illness. The band has been working very hard on a difficult program which included "La Fiesta Brava," "Spring Song" and "Blue Ridge Saga." "La Fiesta Brava" and "Blue Ridge Saga" are on a higher difficulty performance level than the bands have played here in the past several years. Please congratulate these band members for their achievement on a difficult musical program under difficult circumstances.

The band will be making a trip to Six Flags on May 3 to spend a day at the park and participate in a band rehearsal with a guest conductor on May 4 and return home that after noon.

One Act Play Presented Tonight

Cross Plains High School's One Act Play will be performed Thursday, April 24, beginning at 7:30 p.m. in the high school auditorium. The cast will present their district winning interpretation of "Eden."

The community is invited to attend. Admission will be \$1.00 (students and adults). The proceeds will be used to cover expenses incurred for the production of this year's play.

Hwy. 206 Baptist **Mission Revival** to begin April 27

The Highway 206 Baptist Mission will be holding a Revival beginning Sunday, April 27, through Saturday, May 3. Morning service will be at 11a.m. and evening services 7 p.m. A different preacher will be featured each service as follows:

Sunday morning - Larry Joe Davis, Clyde

Sunday evening - Donald Strength, Cross Plains

Monday evening - Bob Harrison, Breckenridge Tuesday evening - Dwaine

Clower, Pioneer Wednesday evening - George Taff,

Cross Plains Thursday evening - Jack Clack,

Cisco Friday evening - Baylis Pope, Cisco

Saturday evening - Bill Arm-

City Wide Clean-up Saturday

BFI and City Hall have set this year's annual clean-up date for this Saturday, April 26. All items must be at curbside by 7:00 a.m. on that date.

Project Pride, Chamber of Commerce and Kiwanis Club are joining in this community effort and encourage everyone to begin now checking yards and storage areas for unwanted items that are not ordinarily acceptable for BFI's weekly household trash pick up.

On this special day, all solid waste will be collected except tires, batteries and chemicals. Paint cans will

Annual Fish Fry May 16

The Cross Plains Volunteer Fire Department has another "Deer Quilt" they are taking donations on for the 'Annual C.P.V.F.D. Fish Fry." Tickets are \$1.00 each and the quilt is on display at Citizens State Bank. The Fish Fry will be Friday, May

16, at the Cross Plains Community Center. More details will be published later.

National Volunteer Week celebrated locally

By VICKY WORLEY

The Cross Plains Senior Citizens Center recently celebrated National volunteer week, April 14-18. Wednesday was declared Volunteer Recognition Day and all attending were pinned as they came in with very large hearts with their names and brief description within.

We completed the day with a large

group photo by our faithful "Friends of the Center," Vanda King and Deborah Griswold.

It would be almost impossible to nave all volunteers here on any single day. To all who were unable to attend, thank you very much for all you do -- whether it is delivering meals, mopping the floors, or lending your support by having lunch with us. I appreciate you.

football game will be at 7:30 p.m. with the Buffaloes vs. Evant Elks. Saturday, October 11, will kick off with a coffee and registration in the gym foyer and tour of campus facilities from 9 to 11 a.m.

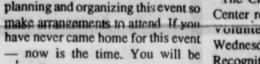

The business meeting will be held in the new gym from 11 to 11:30 a.m. Classes will be sectioned by decades. The election of the Coming Home King and Queen will take place at this time. One candidate per decade for King and Queen may be nominated from the 20's - 90's. Be thinking who you would like to nominate.

Phelix Watson

Phelix Watson, 85, owner and operator of Watson Meat Co. for 20 years, passed away Wednesday, April 16, 1997, at his home.

Services were held at 2 p.m. Friday in North's Funeral Home Memorial Chapel, 4002 Buffalo Gap Road, with Edward James officiating. Burial was in Elmwood Memorial Park.

Mr. Watson was born in Burkett and grew up in Coleman County. He married Sylvia Smith in 1932 in Cross Plains and lived for several years in Coleman, where he worked as a butcher for Safeway and later owned the Coleman Meat Co. He moved to Abilene in 1950 and was employed by Riddley Meat Co. as a salesman. He was a member of Southwest Park Baptist Church. Survivors include his wife of Abilene; one son, Jerry P. Watson of Midland; one brother, Roger Watson of Cross Plains: one sister, Mildred Harlow of San Antonio; and three grandchildren.

Commissioners support 42nd **Grand Jury** changes

BAIRD-Callahan County Commissioners met in regular session Monday, April 14th, at 9:30 a.m. in the Callahan County Courthouse. County Judge Bill Johnson called the meeting to order with these officers present, Commissioners; Harold Hicks Precinct 1, Bryan Farmer Precinct 2, Tommy Holland Precinct 3 and Charlie Grider Precinct 4, County-Clerk Darlene Walker and County Treasurer Dora Hounshel. Minutes of the previous meeting

were reviewed and approved with no corrections.

Commissioners passed a resolution supporting 42nd District Grand Jury changes. This will change the present four month Grand Jury terms to six month terms. State legislation will also have to be passed before the changes can go into effect. State Representative Keffer has introduced the measure in Austin but no action has been taken yet according to Judge Johnson. Motion was made by Grider and seconded by Farmer.

Commissioners discussed bids on painting the Courtnot windows but no action was taken

Bills were then reviewed and

approved for paying on a motion

by Hicks and seconded by Grider.

on the matter.

April 1, 1997

BAIRD-Tod Newton, 68, passed away Tuesday, April 15, 1997, in an Abilene hospital after a sudden ill-

Services were held at 2:30 p.m. Thursday in Baird First Baptist Church with the Rev. Jack Willoughby and Byron Hatchett officiating. Burial was in Ross Cemetery Annex, direct by Parker Funeral Home.

Mr. Newton was born in Caddo Peak and moved to Baird in 1945. He married Jo Ann Dickey in 1947 in Stamford. He was employed as a motorcycle officer for the Abilene Police Department for four years until 1960, when he became a chief deputy sheriff in Callahan County. He started working as a brand inspector for the Southwestern Cattle Raisers Association in 1966. In 1973, he began working for Woods Farms in Katy and retired as a rice dryer manager. He also was a selfemployed welder and was a member of First Baptist Church.

Survivors include his wife of Baird; one son, Larry Newton of Baird; one daughter, Candyce Newton Perkins of Clyde; and five grandchildren.

Ines Marie Holt

COLORADO CITY-Ines Marie (Compton) Holt, 96, passed away Sunday, April 20, 1997, at her home. Services were held at 11 a.m. Tuesday at Kiker-Seale Funeral Home Chapel with Gary Williams officiating, assisted by Foy Yarbrough and Charles Henderson. Burial was in Loraine Cemetery, directed by Kiker-Seale Funeral Home.

Mrs. Holt was born in Eastland County and lived in Colorado City for 73 years. She was a homemaker and a member of the Church of Christ. She married Alfred Holt in 1919 in Scranton; he preceded her in death.

Survivors include three daughters, Cybil Duffer of Big Spring, Bonnie Alexander and Evelyn Crane both of Sweetwater; one sister, Julia Hedrick of Cross Plains; 17 grandchildren, 30 great-grandchildren and 25 great-great-grandchildren.

This was a regular meeting of the

Cross Plains City Council. Members present were Mayor Ray Purvis, James Nichols, Ray Womack, Jerry Cassle, and Edwin Weiss. W.C. Pringle was absent.

CITY COUNCIL MINUTES

Notation was made that nothing was in the March minutes concerning the adoption of the new 1997/ 1998 budget which was adopted at the regular meeting in March.

Steve Jamison met with the council to discuss the fact that his home sits approximately 1 1/2' past the meets and bounds of his property. He stated that this is not an issue particularly that needs to be addressed at this time, however, he did want the city to be aware of the situation and possible in the future if the property is ever sold, he would like for the city to consider him petitioning the city for 1 1/2' of the road to be closed just to get the meets and bounds set over enough that it wouldn't be in violation. He pointed out that when title work is done, lending institution are pretty particular with these types of problems. The mayor and council acknowledged the problem and that if something does come up in the future, the matter will be addressed at that time.

Bob Hill, City Judge, met with the council to present the judge's report. Ray Womack moved to accept the Judges report as presented. Edwin

Weiss seconded and motion carried. Bob Harrell met with the council to discuss the stand for the siren at the fire department. The mayor noted that 4" pipe has been donated for the stand. By general consent the council agreed for Carroll Pringle to look at the pipe and determine if it is the type of pipe needed for this project. Bob Harrell informed the council that a plate and bolts were left to weld to.

Bids for the police car were opened. Clovis Simons bid \$451.00, a bid of \$403.25 from D.J. Sawyer, and G.R. Merrill bid \$501.51. Edwin Weiss moved to accept the bid for \$501.51 from G.R. Merrill, Ray Womack seconded and motion carried. Bids for the removal of the old

water tower were opened. First bid for the purchase of the old water tower was in the amount of \$50 from Clovis Simons, Randy Foster bid \$734.00, and Alvin Hutchins bid \$501.01. Jerry Cassle moved to accept the bid from Randy Foster in the amount of \$734.00. Edwin Weiss seconded and motion carried.

The council discussed the removal of the telephone poles requested by and located north of the James. Nichols property. These poles are. located on City property, but due tothe fact the school kids sit on these poles and smoke and cat lunch and litter, he would like for the poles to bemoved. By general consent, Debbie is to contact the school and ask that the poles be removed. There will be no signs put up prohibition parking. in this area, however, the parallel parking signs will continue to be enforced.

Discussion was held concerning the property located North of the city Property currently being irrigated south of Cross Plains. Debbie informed the council that there were approximately 22.83 acres for sale that the city could use for further irrigation. The owners ask that the City make an offer on the property and they would consider any reasonable offer. Edwin Weiss moved to offer \$7,000 for the purchase of this property. Ray Womack seconded and motion carried.

Discussion was held concerning the poor reception of the Brownwood TV Cable service and the many complaints received from the citizens. It was also pointed out that the City council had a meeting with Brownwood Cable Representatives and publicized the meeting and only a few people showed up for the meeting. It was also noted that very little has been done to help the reception of the service.

Edwin Weiss moved to pay the bills. James Nichols seconded and motion carried.

Jerry Cassle moved to adjourn, Edwin Weiss seconded and motion carried.

Ray Purvis, Mayor ATTEST: Debbie Gosnell, Secretary

Trip home ends for Abilene man in Baird

BAIRD-An Abilene man had his trip home cut short Sunday morning in Baird.

Alton Leroy Fielder, 34, was arrested in Baird after fleeing Callahan County DPS officer Jim Cook. The chase started near the Finley Road overpass east of Baird on IH-20 about 10:00 a.m. Sunday morning. The suspect refused to stop and turned off the interstate on to Highway 283 and headed south into Baird. He abandoned the red Ford Escort on Brookview Street but was apprehended by Trooper Cook immediately after leaving the vehicle at about 10:18 a.m.

Authorities had been alerted by Eastland County to be on the lookout for the vehicle that had been reported stolen from Ranger. Fielder was charged with unlawful use of a motor vehicle and transferred to Eastland County.

Trooper Cook was assisted by Callahan County Sheriff Eddie Curtis, Deputy Darroll Ratto and Game Warden Vance Wallace.

"Vacations and Lies"

The time is fast approaching for vacation planning. Have you broached the subject yet? Me neither! Whether you plan to go near or far, there are plenty of fun and interesting things to do in America. You can do lots of things right here in this vicinity. There are numerous places near here to go fishing, hiking, bicycling, swimming; or invite friends over for a big Bar-B-Que; or a watermelon bust; a pizza party; or get a group together and go for a nature walk all day.

The Carlsbad Caverns are not very far from here! There are many historic places to visit. You can always go to Austin, the state capital, or the nations capital, Washington, D.C. swimmin', There's Yellowstone National Park, or in Texas there is Big Bend near Alpine, and many, many more too

numerous to mention. An old fashioned picnic sounds good to me and then play some games such as volleyball or softball. Then after cooling off a bit, spend the rest of the afternoon swimming. Remember the "old swimmin' hole" of yesteryear? Sounds like a good vacation to me.

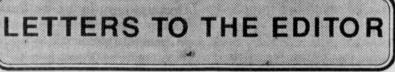

While you're contemplating your plans for vacation, I'll leave you with a little poem I heard somewhere. I think it's cute.

I love Ma, Ma loves Pa, Pa loves swimmin'--- with red-

headed women. Ma caught Pa with four in

Here lies Pa! "C" "U" next column.

"Pa's Lie" author unknown

Dear Editor:

We have a daughter who frequently travels the road from our home to Tarleton State University in Stephenville. She came home Monday, April 14, to spend the night for her sister's seventeenth birthday. In order to make a 9:30 a.m. class, she left our house about 7 a.m. Tuesday morning. She knows exactly how far she can push the gas gauge in her car, but this trip, she was in her sister's car, because her's is "under repair."

Somewhere west of Cross Plains, she ran out of gas. She called home on her car phone, and we would have soon been on the road to rescue her. Before we could fill the gasoline container and make necessary calls to our workplaces, she called again to say that someone had stopped to help.

A nice gentleman and his wife stopped, put gasoline in her car, and sent her on her way. She told us she offered to pay them and tried to get their names. The gentleman declined

and told her that they have a seventeen-year-old daughter that might need help someday, and he would hope someone would be there for her. We hope she knows what special parents she has. Every time our girls leave our

house, we ask a special blessing on them as they travel. On this day, some very special couple in your community was our blessing. They were truly an answered prayer. We and all of you are very fortunate to live in communities where people still care about people.

To this couple: It is our wish that you will see this letter and know how thankful we are that you stopped, you helped, and you took a chance that this was indeed an innocent young lady in need of assistance. May God bless you for your kindness.

> Sincerely, Gene and Karen Yost 902 FM 614 Ovalo, Tx. 79541

BREAKTHRU

Have you ever been labeled? Have you ever labeled another? Though labeling may sometimes be acceptable and even necessary, injustices are sometimes invoked by so doing. Labels can be absolutely devastating!

If you have been labeled - maybe "religious fanatic" or perhaps "a bigot," "liberal" or "conservative," "Christian" or "pagan" (and the list goes on and on) -remember, in the first place, it may be inaccurate. Also, it might be a compliment rather than an insult, with the one doing the labeling not knowing the difference. That proves all the more that we need to be careful in our labeling of a person, perhaps even refrain from doing so.

Matthew 11:18-19 speaks of John and Jesus being labeled: "... John came neither eating nor drinking and they say, 'He has a demon.' The Son of Man came eating and drinking, and they say, 'Look, a gluttonout man and a winebibber, a friend of tax collectors and sinners!" Some of the labeling was inaccurate; some was a compliment, even though it was intended to be an insult. (It was a compliment to Jesus to be labeled "a friend of tax collectors and sinners" for He came to befriend them with salvation!)

Have labels made a difference in the way we treat others? It can skew our response to them. It may seem to ustify a reaction rather than proper action. Would it not help, regardless of however else we might label others -- some even justified and necessary -- to label everyone: "loved enough by Jesus that He died for them?" We want you to know, that regardless of hew you may have been labeled by others, you are invited to share in periods of Bible study, worship and fellowship with

Scouts Setting Up Tents For West Texas **Rendezvous II**

Boy Scouts and Webelos Scouts from West, North, and Central Texas - Del Rio to Post to Wichita Falls to Lampasas - will be setting up their tents for West Texas Rendezvous II. Over 1500 Scouts are expected to arrive on Friday, April 25, at Hords Creek Lake's Flat Rock Park. They will participate in 16 events on Saturday and enjoy the many exhibits which will also be open on Sunday.

The public is invited to visit on Saturday or Sunday. There will be a Trading Post for souvenirs, snacks, and drinks. The events and exhibits have lots of shade and are in a compact area. Tables will be available for those who wish to bring a picnic.

The schedule is as follows: Friday, April 25 - 4:00 p.m. registration begins

Saturday, April 26 - 9:00 a.m. -Opening ceremony by the Camp Barkley Chapter of the Heros of '76 in continental uniforms

9:30 a.m. - 4:00 p.m. Events 9:30 a.m. - 6:00 p.m. Exhibits

6:30 p.m. - Show Sunday, April 27

9:00 a.m. Church

10:00 a.m. - 12 noon - Exhibits 1:00 p.m. Everything closed

The West Texas Rendezvous is the brain child of Darline Jurkis, Chisholm Trail Council. She wanted those Scouts who could not go to a national jamboree to have a similar, affordable opportunity. Darline pushed until four councils agreed to participate in and support the event -Buffalo Trail, Chisholm Trail, Comanche Trail, Concho Valley.

The first one, a year in the making, was held in April, 1995, at Hords Creek Lake, Flat rock Park. The U.S. Army Engineer District, Fort Worth, Corps of Engineers fully supported the event by closing Flat Rock Park to the public during the event. This enabled the use of a large area.

Rendezvous #1 was attended by 1,440 participants and 214 visitors. Of this participant number 995 were youth, 376 were adult leaders, and 69 were staff. There were 90 units represented. Buffalo Trail Council had the largest number of participants with 450. The others followed with chisholm Trail, 384; Concho Valley, 362; Comanche Trail, 244.

We were pleased to welcome U.S. Representative Charles Stenholm as

TCADA issues report on teen and adult gambling

AUSTIN-The number of teens betting on lotteries has doubled since 1992--despite the fact that it is illegal for teens to purchase Texas Lottery tickets, according to a study on gambling and substance abuse conducted by the Texas Commission on Alcohol and Drug Abuse.

The study found that more than 11 percent of Texas teenagers make bets for money as frequently as once a week or more. The actual percentage of teens who gamble did not increase in the time period. But teens who gamble anyway are twice as likely to buy lottery tickets.

The study includes data from a 1992 survey mandated by the Legislature shortly before the Texas Lottery got started, plus data collected in 1995 using federal funds. It provides a unique snapshot of adult and teenage gambling behavior before and after the Texas Lottery was introduced.

The survey of adult Texans found that betting has increased from 79 percent in 1992, a few months before the Texas Lottery was introduced, to 68 percent in 1995. But 20 percent of adult Texans gamble only when they play the lottery, engaging in no other type of gambling.

The Legislature ordered the 1992 survey to help identify persons at risk. of becoming compulsive gamblers. It was conducted by telephone, as was the 1995 follow-up. Surveyors interviewed 7,015 adults aged 18 and over and 3,079 adolescents aged 14-17.

Computsive, or pathological gambling, remains an extremely serious problem in Texas, affecting an estimated 400,000 adults and 26,000 teens. About 100,000 of the adult problem gamblers are considered to be pathological gamblers.

"While making small, informal bets with friends and family may be a relatively harmless diversion for most teens, a small percentage of teens do go on to develop serious gambling problems," said TCADA's Lynn Wallisch, author of Gambling in Texas: 1995 Surveys of Adult and Adolescent Gambling Behavior.

This is true even when the main gambling activity is limited to informal betting with their friends, Wallisch said.

"In these cases, gambling can begin to interfere with their school or

4-H Rabbit **Clinic At Gorman April 26**

A 4-H Rabbit Clinic will be held at the Gorman High School Show Barn on April 26, from 10 a.m. to 1 p.m. sponsored by the Bluebonnet 4-H Rabbit Club of Denton County.

4-H members interested in expanding their rabbit projects or anybody interested in getting started with a good foundation are encouraged to attend.

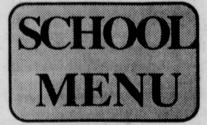

Topics to be covered: meat pens; nutrition; health and illness; showmanship; breeding; equipment; record keeping; grooming; showing; and housing.

Bring a rabbit you would like to have checked and one you would like tattooed.

Dow prices will consist of cages, equipment and feed.

Gorman Livestock Raisers concession stand will be available. If you need more information contact Bill Hagood (817) 734-2724 or Elizabeth Beck (817) 241-2859.

relationships, or they misuse lunch money or bus fare. They may even steal money in order to gamble or pay off gambling debts," Wallisch said. Wallisch said some 10 percent of Texas teens exhibit "risk behaviors that could lead to more serious gambling problems."

VOTE FOR TONY WYATT **CPISD SCHOOL BOARD**

I am interested in all aspects of our school system. My family includes a child in each phase of Cross Plains schools: Elementary, Junior High, and High School. My wife & I are involved in many different school activities with our children. We believe that in order for our children to function in today's society, each child needs a good academic base to start with. Also, that they need extracurricular activities in order to develop social skills, self-confidence for a productive life, and to compete in the job markets of today.

** * * * * *

I AM VERY INTERESTED IN YOUR CHILDREN AND THE FACULTY OF CROSS PLAINS ISD.

PLEASE SHOW AN INTEREST IN YOUR COMMUNITY **BY VOTING MAY 3, 1997.**

Thank you! TONY WYATT

Descendants of Clay and Farm loan applications Fannie Thompson Held Reunion In Baird April 19

Descendants of early day Callahan settlers, Clay and Fannie Thompson, held a reunion in Baird on Saturday, April 19, 1997. This was their first reunion in about twenty years.

Clay Thompson brought his family from Clay County, Alabama, to the Deer Plains/Board Flat area, northeast of Cross Plains, in 1892. In 1901, he moved to the Cedar Bluff ("Last Chance") community five miles north of Cottonwood, where he lived until his death in 1947.

Those involved in getting the reunion together: Organizers: Forest Scott and Russell Chatham; Registration: Alene Hodson; Treasurer: Forest Scott; Beverages: Howard and Ella Thompson; Dessert Table: Vida Scott. Caterers: Felix and Barbara Manion of Baird.

Coming the longest distance: Jim and JoAnn Dunne, Tulsa, OK. Oldest attendee: Alpha Wilson, Abilene. Age 90. Daughter of Cora Thompson and Manuel Wilcoxen.

The attendees voted to hold the next reunion in the next century, April, 2000. Place to be set by the newly chosen organizers, Howard and Ella Thompson and Tiny and

Jackie Thompson.

Attendees: From Abilene: Glynn & Mamie Austin; Dorthy Williams; Randall, Frances & Randall Thornton, Jr.; Alpha Wilson; Robert D. Thompson; From Andrews: Forest & Vida Scott; From Arlington: Cecil & Jo Thompson; From Breckenridge: Doyle & Lora Thompson; From Big Spring: Bob & Diane Rumpff; From Burneyville, OK: Glen & Sarah Pool: from Baird: Russell & Mary Chatham; Hugh & Joanie Shrader; Aubrey & Charlotte Loper; Somer Lewis; Alene Hodson; From Cedar Park: Terry, Ellen & Mollie Rumpff; From Cisco: Mona Thompson; From Cross Plains: Betty Lewis; From Clyde: Kathrin, Alton C., Abigail, & Mary Thompson; Carl, Renee & Garrett Scott; From Cottonwood: Turner & Ellen Simpson; From Eastland: Howard & Ella Thompson; From Levelland: Jimmie Bailey; From Lubbock: Dixie Scott; From Midland: Tiny & Jackie Thompson: From Odessa: Curtiss Chatham; From Tulsa, OK: Jim & JoAnn Dunne; From San Antonio: Grady & Dorothy Ramey; Amber Savage; From Wimberley: Mrs. Gloster (Dorothy) Thompson.

sought for drought losses

loans for losses caused by drought their living. Eligiblility is extended are being accepted at the Farm Service Agency (FSA) office located in Anson, Marilyn S. Richer said today

Callahan County is one of 16 in Texas recently named by Secretary of Agriculture Dan Glickman eligible for loans to cover part of actual production losses resulting from the drought.

Marilyn Richer said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 3.75 percent.

"As a general rule a farmer must have suffered at least a 30 percent loss of production to be eligible for an FSA emergency loan, Ms. Richer said. Farmers participating in the Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until October 28, 1997 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Ms. Richer said.

FSA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on

working beginning at 1:00 p.m. will be conducted by Drs. Floron "Buddy" Faries, John Cadenhead and Fritz Speck. Dr. Faries, Associate Professor and Extension Program Leader for Veterinary Medicine at Texas A&M University, will act as moderator. Dr. John Cadenhead and Dr. Fritz Speck are Brown County veterinarians assisting in this demonstration.

As always, lunch will be courtesy of the sponsors and participants can enjoy a variety of agricultural exhibits at the coliseum.

Applications for emergency farm farming for a substantial part of to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FSA office in Anson is open from 8:00 to 5:00 Monday through Friday

Historic Reenactment **Slated For** Fort Griffin

April 26 and 27, 8:00 a.m. Saturday till 12 noon Sunday will find Fort Griffin State Park near Albany alive with all the characters of the old west, Cavalryman, Cannons, Cowboys, Gunfighters, Buffalo Hunters, Frontier Ladies, Gamblers, Sutler, etc. Activities will include: cavalry games, gun fights, cannon firing, and all the activities of the Old West. Several new events and activities are being planned for this year's reenactment.

* As an added feature this year all the children at the reenactment will be taught a game that was enjoyed by the children living on the Texas frontier during the 1870's.

*The newly formed drum and fife corps of the Old Fort Griffin Memorial regiment will play period music throughout the weekend.

*A variety of sutlers stores will be in operation providing shoppers with a very unusual list of 19th century materials and goods. The Fort Griffin Garrison Ladies will host a saloon and card parlor patterned after the authentic Fort Griffin saloons of the 1870's.

*There will be several artillery pieces (cannon) and the entire Fort Sill gun crew with their large cannon will be doing demonstrations throughout the weekend.

*Fort Concho's unit will have their wagon and mule team giving rides for an experience of the old west.

*The fifth annual cavalry games will be held Saturday and Sunday. These demonstrate the skills required of the cavalry stationed on the Texas frontier including; horsemanship,

shooting and jumping.

the old wooden bins.

ent time.

Old department store brings back old memories

she would just hurry up.

Of course, Cross Plains residents would be correct in thinking that Higginbotham's, which is part of a chain, is just a place to shop and not a place for nostalgia, for it certainly is a place to shop. At 18,000 square feet the store is huge. It is wellstocked, too, but what it is stocked with is hard to describe because the variety of the merchandise is so great.

APRIL 24, 1997

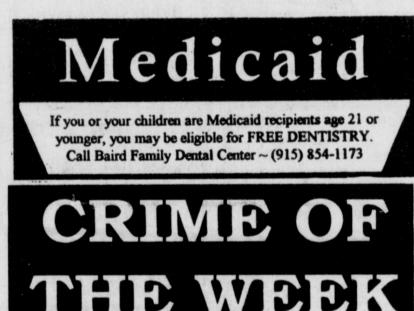

For instance, you can buy pipe fittings, nails, tools, fertilizer, and lawn mowers, ranges, and washing machines, but you can also purchase living room furniture, baby clothes, and believe it or not, delicate china for brides.

Out back is the lumber yard.

We've got everything you need to build a house," said Vernon Smith of the lumber yard's inventory when I visited Wednesday. Smith is the store's low-key manager.

"You can get anything you want," he summed up. "That is, with the cxception of groceries and clothing. We used to sell clothing, but not any more. It's not unusual for me to sell a pound of nails then turn around and sell some china. Sometimes to the same person, too."

All that stuff still costs moncy, of course, but the nostalgia is free.

Heart of Texas Cow Calf **Clinic May 8**

A cattle-working demonstration by prominent veterinarians will highlight the Heart of Texas Cow Calf Clinic on May 8, at the Brownwood Coliseum.

The theme of this year's clinic is "Survival of the Fittest." Sponsors are TU Electric, Texas Agriculture Extension Service, Federal Land Bank Association, and Brownwood Chamber of Commerce. Kelley Watkins of the Voice of Southwest Agriculture (VAS) Radio Network will serve as moderator for the morning programs on sustainable herd management practices.

Registration opens at 7:00 a.m. and presentations begin at 8:00 a.m. with

d

sentative Bob Turner (Dist. 73). Extension Associate, Wayne Morgan of Texas A&M University, will address "Changes in Quality Grade Standards." Mike Krueger, Texas Parks and Wildlife biologist from Lampasas, will look at "Managing Wildlife as a Resource." A "Beef Check-Off Update" will be given by Lisa Williams of the Texas Beef Council. Dr. Robert Lyons, Extension Range Specialist, will discuss "Nutritional Balance Requirements," and Somervell County Extension Agent, Joe Geistweidt, will present "Range Grass Varieties."

*Civilian gunfighters, cowboys, and buffalo hunters will liven up the streets of Fort Griffin with gunfights and other "carryings on."

*Sunday will bring similar performances but will begin with a frontier church service.

"This very special event will give visitors an opportunity to live a unique piece of the heritage on the very ground which our forefathers struggled and died to build a future for us to "inherit," Fort Griffin State Park Manager noted.

A complete sound system will announce the competition and other activitics. Barbecue sandwiches, chips and cold drinks will be available for the public.

The park preserves buildings dated from the 1860's when a line of federal forts was established on the Texas frontier to protect citizens and wagon trains from Indian attacks. The park is also the home of the State Longhorn herd. The park has complete RV and tent camping facilities, including restrooms with hot showers and trailer hook-ups.

Although there is no charge for the weekend events, normal park fees -S2.00 per person (ages 13 through 64) entrance fee will be required. Fort Griffin State Park is located 15 miles north of Albany on US Highway 283.

Non-Texans rush to take advantage of state's lawsuit loophole

-Number of non-Texas cases filed in one month same as for all of 1996-

AUSTIN-As the Legislature one month alone, the number of nonprepared to take up proposals to address the problem of non-Texas cases clogging state courts, non-Texans began to rush in to take advantage of the out-of-state lawsuit loophole.

The result: in one month alone, the number of out-of-state cases filed in Texas was nearly as high as the number of non-Texas cases filed in our state in ALL of 1996.

In January, 4,900 out-of-state claims were filed in Texas courts. In all of 1996, about 5,300 non-Texas cases were filed in the state. This means about 46,000 non-Texas cases have been filed in Texas as of January 31, 1997, the Texas Civil Justice League (TCJL) today reported.

None of the cases has anything to do with Texas and there are no Texas residents among the plaintiffs.

"This is extraordinary," said TCJL President Ralph Wayne. "In

Texas cases dumped on our courts nearly doubled the number of non-Texas cases filed here in the past year. With the Legislature taking a close look at this issue, it is clear that some are rushing to take advantage of current law. There's no telling what this backlog will be by the end of the year.

"In fact," he said, "the Texas Supreme Court (CSR, Ltd. v. Link, June 1996) has noted that Texas is ... one of the five states generating the greatest volume of asbestos-related litigation ...' and the '...state expends a large amount of its limited judicial resources resolving these massive controversies...'

Wayne noted that some counties where these out-of-state claims are concentrated have had to adopt special procedures to deal with the huge number of pending cases. In some counties, judges have been forced to limit the number of asbestos-related

cases being herd each year to avoid being inundated by trials.

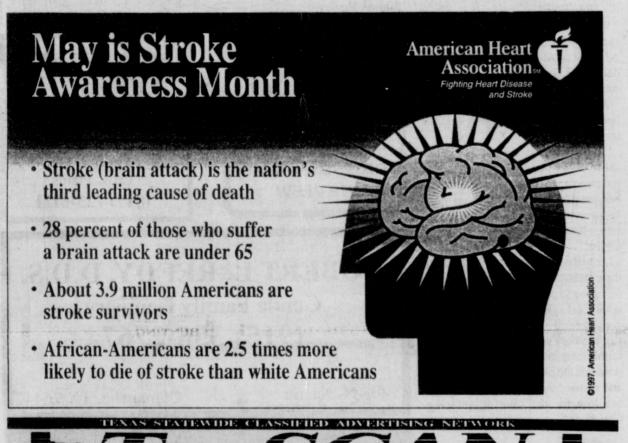

In addition, he added, recent news stories show court system officials in Orange and Jefferson counties reported being swamped with out-ofstate cases. In fact, Orange County has put into place special measures to keep up with the cases' large amounts of information, according to news accounts.

Texas courts have faced only the tip of the iceberg when it comes to these out-of-state cases. They haven't reached the massive glut of cases yet. Seventy-nine percent of the pending out-of-state asbestosrelated claims were filed in the past three years; sixty percent were filed in the past two years alone.

Closing the out-of-state lawsuit loophole and addressing the backlog of out-of-state claims now pending in Texas are at the forefront of TCJL's legislative agenda this session.

William the Conqueror introduced the custom of curfew in England during the 1000's. In 1103 Henry repealed the law, but the bell continued to ring and is still rung in some parts of Great Britain.

Perry Urges Sorghum Producers to Use Seed Safeguarded Against Ergot

AUSTIN - Agriculture Commissioner Rick Perry is urging producers planting grain sorghum to use seed that has been treated against the fungus ergot. Treated seed is one safeguard to prevent the disease from being introduced into their fields. The same precaution applied to hay susceptible to the fungus.

This disease is new to the United States. While experience in other countries show ergot can spread rapidly, we don't know how quickly it will spread in Texas," Perry said. "We know the first line of defense is to keep the fungus out of the fields. The most immediate safeguard is to plant seed that has been treated with a product that ensures this."

The Texas Department of Agriculture is currently working closely with the Texas Agricultural Extension Service and the Experiment Station to develop crop management plans. Sorghum fields planted for grain production are at lower risk of in-

fection because plants are self-fertilizing hybrids.

Perry says that additional chemical treatments will be necessary to ensure that sorghum planted for seed production does not become infected. TDA is working on a request to the

Environmental Protection Agency to approve the use of the fungicide, Tilt, to protect fields from ergot. This request is supported by the Texas Grain Sorghum Producers Association.

Ergot is an airborne fungus that attacks sorghum, Johnsongrass and some field crops used for haying. The fungus reduces yields and quality. The disease also produces a honeydew that makes harvesting difficult. Perry points out that the fungus was not detected in last year's crop. However, ergot has been found in "volunteer" sorghum _ fields planted in 1996 that have resprouted. Texas fields where ergot has been detected indicate the fungus was transmitted by airborne spores.

In addition to alerting producers, Perry also is issuing recommended guidelines to companies selling grain sorghum seed. As a precaution, producers should require that any seed they purchase for planting bc treated with an approved product. Seed should be treated with Captan or Thiram.

Perry also advises producers to stay Agriculture regional office or by in touch with their local Extension calling 1-800-TELL-TDA. Produc-Service personnel who are monitoring the location of infested fields. TDA's web site Seed treatment guidelines are available at any Texas Department of

ers can also find the guidelines on (http:// www.agr.state.tx.us).

\$1,000 For The Largest Fire **Ant Mound In Texas**

SEGUIN-The search for the largest fire ant mound in Texas began on April 1 and the winners will be able to collect a cool \$1,000 in cash. The contest is being sponsored by Organic Plus, Inc., "The Natural Alternative," a Texas company that manufactures and distributes (Organic Plus), an organic product to control fire ant mounds. (Used by Public Schools and Pest Control **Opeators Statewide**)

will be forwarded to Dr. Bart Drees, professor at Texas A&M who is interested in collecting data on the size of Fire Ant mounds in Texas and the data from the contest will be very helpful.

The contest started on April 1, 1997 and will last a total of 60 days. Dr. Roger Gold and Dr. Bart Drees of Texas A&M will assist in the judging of the final winners. A total of \$2,000 in cash will be given.

The data collected from this contest

FIRE ANT FACTS

A very aggressive ant that is reddish-brown to black and 1/16 to 1/4 inch long.

Many colonies contain up to 500,000 ants.

· Fire ants sting repeatedly, and inject a small amount of venom with each sting

Multiple Queens per mound are common now.

Peak activity in Texas is April thru July.

· The red imported fire ant (Solenopsis invicta) came to the U.S. more than 60 years ago from South America.

· In Texas more than half the counties are infested with fire ants.

When a fire ant mound is disturbed, an attack hormone is released, very similar to what wasps and hornets release.

Over \$1 billion dollars a year is spent across the nation to control these pesky ants.

Fire ants are attracted to electrical currents and short out many air conditioners every year.

· Texas is prime fire ant habitat, warm and moist climate.

Fire ants develop wings in the spring and that's how they can spread quickly around the state.

· Queen ants are several times larger that the workers.

· Fire ants hate water, that's why after a heavy rain, mounds seem to appear overnight. The mounds are raised to keep the eggs and larvae out of the water zone.

THOUSANDS STAND IN LINE TO ATTEND ON GOING REVIVAL

Two Local Couples Attended Pensacola, Florida Revival

By COLLEEN ANDERSON

True revival is in the land, God is visiting his people, pouring out his spirit like rain upon the earth! Reminiscent of Azuza Street, the Welsh Revival, Whitefield, Finney, Amy Semple McPherson and others! It is spreading everywhere, across all racial, national and denominational lines! Praise the Lord!

It is as if the midst of this present darkness, evil and perversion (the devil's display of power and influence), that "God is rising and His enemies are scattering!" (Psa. 68:1) and the church is being shaken awake, revived, refreshed, filled and empowered, for the true work she has been called and destined for!

Acts 2:17 "And it shall come to pass in the last day, God declares, that I will pour out of my spirit upon all flesh, and your sons and daughters shall prophesy. Yes, on my menservants and my maidservants in those days I will pour out of my spirit ---." Paul and Frankie Neeb and T.W. and myself spent four days in Pensacola, Florida attending the revival at Brownsville Assembly of God Church. Many of you have heard or read of this. It's been going on day and night for almost two years, a sovereign move of God, not because of something man did or planned or promoted, but according to God's mercy and his plans and divine love and purpose.

Besides the awesomeness of the manifested presence of the Lord and

the affect of His glory upon the people in brokenness, repentance, deliverance and anointings, was the

obvious spiritual hunger and thirst of the young people. Every day there were 2,500 to 3,000 young people, besides the 4,000 to 5,000 adults, willing to stand in line with no covering, from the wee hours of morning until six in the evening when they began seating people, just

to be in the presence of the Lord and to experience the reality of God and the Holy Spirit. We heard many testimonies of radically changed lives and churches, now full of zeal of the Lord, surrendered and committed to Him, experiencing the evidence of true revival. "Out of your inner most being shall flow rivers of living water, this he spake of the spirit ---." Jo. 7:38.

I believe this is the Father's great show of love and mercy before the judgement, to bring in the greatest harvest of souls the world has ever known and to prepare the bride for the return for the return of our Lord Jesus Christ

I pray that all who read this will turn their attention from what the devil is doing and turn their attention upon what God is doing in this hour and consider fully His purpose, and glorify His holy name, and rejoice in the faithfulness of the Lord and in the power of the blood of Jesus to redeem and restore! And to count all things but loss for the sake of knowing Christ!

Eastland County Genealogical Society Met

The ECGS met in its regular 2nd Thursday meeting April 10, at the Eastland National Bank Community Room. The guest speaker was Eastland High School teacher, Jeanie Griffin. She talked about the ways she had gotten people in her classes interested in preserving the history of Eastland. She felt that it would be to the advantage of all if the society and the schools could work together at this gigantic task. "The Gusher" (4 volumes) were available for everyone to see.

Fifteen members and guests were present. Plans were finalized for the garage sale on May 17 at the house just south of the Ann and Pete Larkin home. Donations are welcome and needed to continue the efforts of preserving available records, as well as keeping up-to-date with the events of today. Items may be donated to the cause by calling Bert Kent (817) 629-8606, Odis Skinner 629-2639, Victor Latham 442-2639 or Lee Maxwell 629-1529.

Plans continue for the float for the Folk Life Festival in Cisco April 26. Call Ann Larkin (817) 442-4752 if you would like to help or ride on the float.

Jasper Cook will be the next guest speaker. He is a retired Methodist minister (former reverend at First United Methodist Church in Cross Plains) and Cisco native. He will speak at the May meeting. Mr. Cook has experience in finding lost ancestors as far back as the 15th century. A former world traveller, newspaper editor, poet, and contributor to many periodicals, including his "Just Remembering" articles in the Eastland newspaper. Jasper will bring something new and enlightening for everyone. His humor and up-beat presentations will be both educational and enjoyable.

CRIME OF THE WEEK

On the 26th day of March 1997, three cows were found shot on Hwy. 36 approx. 4 and one half miles West of U.S. 283. The weapon used will possibly be a small bore, caliber unknown.
