NUMBER 27

EDITOR'S NOTE: Sid Newton contributed the following memories of days at Cross Plains Schools for your enjoyment. Sid pleasantly surprises me with a visit or telephone call quite often. It is always a pleasure to hear from a former school mate. One benefit of working at the newspaper office is that I have the opportunity to talk to school friends throughout the year. It is like Homecoming every day!
Vanda Anderson-Creech

"Where Is the Chime?"

Although it has been many years since I was in the sixth grade in Cross Plains Elementary School, I have many fond memories of those days with good friends. The following incident is one of those.

Mrs. Vera Peal Bunnell was a marvelous teacher and motivator and a dear friend to students, but she had a way of doing things that would cause her students to give it their all. As I recall, she taught seventh and eighth grade English, but she also directed the junior high play.

This particular year she asked a good number of sixth graders to be in the junior high play, even though we were not in junior high school yet.

The plot of the play in the Christmas season centered around two brothers going to a mission service. Many people would be there, but for the person or persons who gave the greatest offering, the chimes would ring. Tom Cowan played the part of one of the brothers, and I had the privilege of playing the part of the other brother.

On the way to the mission we found a victim of the bad weather, so, Tom stayed to take care of the one who was suffering, and I made my way to the mission.

When I got there the service was already under way, but that didn't stop me! I started down the aisle (one of the aisles of the school auditorium) and singing "Away in a Manger". My entrance and singing startled those worshipping, both church officials and congregants. The service stopped!

After a while I was allowed to continue with the singing. I made my way up to the stage, placed my small offering on the altar, and looked up to Heaven, trusting that my offering would be acceptable.

I continued to look up for what seemed a long time, it really wasn't, but it just seemed that way. Finally the chimes rang!!! Mr. Billy Mack Coppinger, who was helping in the play, apparently had a little difficulty with the record player and record. Mr. Coppinger is a fine man, and I know he was a wonderful teacher and coach. What he added with his great efforts made the play a success!

Hope to see you at Homecoming and renew more old memories.

Chamber of Commerce Hosting Ribbon Cutting for Old Windmill Trading Post

Cross Plains Chamber of Commerce will be hosting a ribbon cutting at the open house of Old Windmill Trading Post on West Highway 36, next to Skinny's. The new business is owned by Ray and Ana Dold.

The ribbon cutting will be held Wednesday, October 4, at 10 a.m. Everyone is encouraged to join the chamber in welcoming this new venture to Cross Plains.

CLEAN UP WORKERS IN ACTION—Julene Franke (standing in back) is helping Dayna Bennett (left) and Kelsee Richards (right) put a new coat of paint on the benches downtown.

YOUTH HELP WITH DOWNTOWN CLEAN UP PROGRAM—Charly Canales, J.D. Cook, Ashley Cook and Jennifer Young.

Way To Go Workers

The project to clean up downtown was a huge success. Thanks to all of the volunteers, who worked very hard on Monday and Tuesday night, Cross Plains Main Street looks great.

If you have not noticed, all the buildings, benches and lots have a fresh clean appearance. This was all made possible by donations of paint, supplies and elbow grease.

What a reward it is to be able to drive downtown and see the difference. It takes so little, when you have people working together, to make a huge impact on our society.

Volunteer work is probably one of the most rewarding aspects of life. Not only did Cross Plains adults work on this project, but our student

body also got involved. Community service is very important. These students will receive a certificate and will be able to put their service on their resumes.

Thanks again Cross Plains for pulling together and making a difference.

Satellite grand opening Thursday West Central Texas Workforce Center opening satellite office in Baird

Abilene, Texas—September 22, 2000: In an effort to better serve the people of our region, the Workforce Board of West Central Texas is proud to announce a grand opening of their new satellite site of the West Central Texas Workforce Center. Located in the offices of the Texas Department of Human Services in Baird, the new center was termed as a partnership between the Workforce Center system and TDHS. The satellite office will be open from 8-5 p.m., Monday-Friday, and will provide a variety of resources to business and job-seeking customers.

Access to valuable labor market information, as well as hiring assistance provided through the TWC Hire Texas job matching system, is available to business customers. Through the use of these resources,

employers can receive valuable information on such topics as wage, tax, and employment law, and enhance the quality of their labor force. Job seekers may access resources, such as career exploration and resume writing software. Various resources are designed to assist the job seeker in obtaining and retaining employment, as well as enhance their employability.

To help celebrate the addition of this center to the Workforce Center system, the Workforce Board cordially invites the public to a grand opening reception, scheduled to be held from 2:00 p.m. until 3:30 p.m. on Thursday, September 28, 2000 at the Texas Department of Human Services offices located at 124 West 4th Street in Baird, Texas. For more information, please call Nancy Smith at (915) 795-3406.

Deadline for PIP Registration Sept. 29

Once again it is time for basketball season. The PIP (players in progress) program will begin its 4th year with their opening camp on Saturday, October 7.

Both boys and girls, ages kindergarten through 6th grade, are eligible to join the group. Everyone will receive a shirt, shorts and basketball, and will learn ball-handling skills.

This is an excellent program to build self-confidence, stimulate individual work habits and self-discipline. PIP allows each child to work at her/his own level and be successful.

The PIP group will perform at home games and at local universities. This allows each child the opportunity to perform in front of a crowd and overcome that nervousness (fear) that keeps so many from trying new things. PIP is more than just basketball.

Everyone improves his or her agility, physical skills and general fitness. If you have any questions, please call Terry Thomas at (254) 725-6460; forms must be turned in to the school on Friday, September 29.

First Annual Buffalo Golf Scramble Noted

This year there will be a golf scramble at Rolling Oaks, just outside Rising Star on Highway 36, in connection with Homecoming 2000. This will be an A, B, C and D scramble. Registration will be from 8:00 to 8:30 a.m. and play will begin at 9:00 a.m.

Along with the scramble, there will be a Closest to the Pin Contest and a Longest Drive Contest with prizes. Everyone is invited to play. The cost will include a \$5.00 charge plus the green fee and cart rental. If you have any questions, call John Fred McWilliams at (915) 854-1686.

Old-Time Gospel Singing and Christian Fellowship Upcoming

An Old-Time Gospel Singing and Christian Fellowship will be held Tuesday, October 10, at 7:00 p.m. at Cornerstone Church (1 block west of Cross Plains Elementary).

Area singers are cordially encouraged to perform. Please call L.D. Brown (254) 725-7576 if you would like to be included on the program.

Everyone is welcome to come sing a song, give a testimony or just listen.

Eastland's First United Methodist Church Plans Fall Festival

Mark your calendars for a fun fall event! The First United Methodist Church of Eastland is planning an old-fashioned church "Fall Festival" for Saturday, October 7. The church is located at 215 S. Mulberry Street in Eastland, one block southwest of the Eastland Town Square.

Beginning at 10 a.m. the Fellowship Hall will be a "Country Store" with homemade arts, crafts, holiday gift items and fresh baked goods. Also in the Fellowship Hall will be Coffee Shop with fresh coffee for 25 cents and delicious homemade pies for \$1.50 a slice. In addition, the church's Acolytes--

children who serve God by assisting the church in worship-- will have a booth selling holiday arts and crafts which the children have made.

In the afternoon there will be a 3 on 3 basketball tournament, along with live music and entertainment. From 5 to 6:30 will be a Bar-B-Q with all the fixings prepared on site by the men of the church, followed at 6:30 by a live auction of interesting and valuable items. The cost of the Bar-B-Q is \$5 in advance and \$6 at the door for adults, and \$3 for children.

Everyone in the area is invited to come and enjoy this day of music, laughter, food, fellowship and fun.

Our Annual Art Show is today at 10:00 a.m. We have eight residents who are participating in the event. They are Victor Long, Zeld Milam, Nandell Stiles, Ruby Harrell, June Hickman, Falba Shofner, Melba Crisp and Minnie Swann. Vanda Creech and Frances Wolf are our judges this year. The residents have worked hard all year on their pictures, making it tough for the judges to make their choice. All the winners and their pictures will be announced in next week's paper.

Vera Belyeu and Mary Wheeler sure look nice with their new perms. Our appreciation to Lilly Dillard and Connie Kirkham.

Vera Belyeu was our winner for a free meal from Jack's Place. Thanks Wanda and Jack.

Appreciation to Stormie Jones for the ice cream cones and to Jack and Wanda Martin for the magazines.

Vonda Beal and Jerry Darrington of Brownwood and Luke McKenzie visited with Carl McKenzie.

Garnett McKoy, Alton and Donie McCowen, Jim and Ida McCowen visited with Raymond McCowen.

Kathy Bobb of El Paso and Kitty

Propest visited with Bulah Ferguson.

Lurene and Brenton McNutt, Charlou Cowan and Minnie Cunningham visited with Louise Richardson.

Frank Wilcoxon, Stanley, Norma and Jenn visited with Delilah Goble. Mary Dawson of Tuscola, Anne and Jim Lindall and Dorris Griffin all of Yuhon, OK and Beth Meador visited Nandell Stiles.

Activities during the week:

Monday - Bingo winners were: Minnie Swann (2), Maxine Crisp, June Hickman and Louise Richardson. Exercise Class.

Tuesday - Art Class. Singing with Dorothy Reynolds. Skip-Bo games.

Wednesday - Sing-a-long with Bob Wallace. Exercise Class.

Thursday - Art Show. Ball Toss. Skip-Bo games.

Friday - Bingo winners were June Hickman, Vera Belyeu (2), Louise Richardson, Minnie Swann, Falba Shofner and Maxine Crisp (2)

Pioneer News

By: Pioneer Quilting Club

A young man stopped me at the ball game the other night and asked, "Where was the Pioneer News?" Well, here it is Nathan. We "gals" are very proud to have young people reading our articles. This one is for you, Nathan.

The quilting ladies only quilted a half day again, due to the heat. By next week we should be in full speed. We are working on Glenda's and Donna's quilts. Some of us had lunch together at Ophelia's.

We are still gathering recipes for our cookbook. Any of you "Pioneer" people who have recipes would like to put them in, please send them to us.

We are preparing for the Quilt Show, Art Show and Country Store again October 21. Make your arrangements to come out. It will be worth while.

Oliver and Frankie and Jean attended the Cottonwood musical Friday night. Then the three traveled to Ranger and Eastland. They visited Mrs. Dorothy Roger at Ranger. They enjoyed the visit very much. Then Saturday night they attended the musical at the Lion's Club at Brownwood Lake.

Charlene Chesshir went to Austin Friday morning to her nieces' house. She had invited Haskell Chesshir (James' brother) to come from Tennessee to help celebrate her mother, Ardell Evans', 87th birthday. Tommie Jean and Gary Boswell were wonderful hosts with a beautiful home in northwest Austin. It was good to see Tommie's children and grandchildren. They use to visit the farm a lot. Richard Evans and wife came from San Angelo and Sherry and Michael

Erwin of Houston (Haskell's daughter) came. They set up the video camera and asked questions for the 'older' ones to answer about their childhood. A very good time was had by all, with lots of good food.

Earlene Burge spent the weekend in Brownwood with her daughter, Jessica Stultz, and grandchildren, Cindy and Jon Ochoa. Saturday they went to the Art Festival at the Depot. There were many pretty and unusual booths inside and just as many outside, including those with food. They also enjoyed the entertainment on the park lawn. A cowboy swing band from Fort Worth called "The Texas Trailhands" were very interesting -- good singers. Sunday they attended church at 4th and Sewert, then celebrated grandson Jon's birthday. Afterwards they went to see the "Space Cowboys" showing at the new theatre in Heartland Mall.

Nancy and Thomas visited Glenda for a few hours. Thomas came down to check on Glenda's air conditioning unit and did some adjusting. Glenda appreciates so much their help. Glenda had lunch with Allen and his family Sunday and really enjoyed it. Allen grilled dove for lunch that he had shot.

The Buffs are still making noise. They defeated Tolar last Friday and are looking forward to Sterling City Saturday. It is Homecoming weekend. Our Cross Country teams are really working hard, also. Way to Go Buffs!!!

Quips, Clips & Comments

By: Kay Mosley

"Homecoming, U.S.A."

Born on the wind, it blusters in. Wafting in with it comes the heady aroma of chrysanthemum blossoms, fresh turned earth, crisply drying leaves and drifting smoke. It's autumn and late in the day you can feel that crisp, cool air which is Mother Nature's annual signal that the fall season has really arrived.

In with the autumn air comes FOOTBALL SEASON!!! Football season with marching bands, cheering fans, majorettes all a'twirl, cheerleaders with POM-POMS in tow, belting out those go, go, goes and rah-rah-rah-h-h-h-s! Oh what excitement comes in with the breeze as onto the field streams the football team. Faces aglow, expressions on those SAME faces of determination, strength and of pride, and the knowledge that come rain or come shine, they're gonna win that game tonight!

With football season already in swing; many thoughts turn to that long awaited occasion, "Homecoming" and that

homecoming football game.

This weekend folks from near and far will be congregating in Cross Plains for "Homecoming 2000." A grand parade is scheduled! I can almost hear the throb of the drums as the Buffalo Band marches on. There's to be floats galore. Be sure to come and help cheer your class float to Victory!

Other activities are planned as well; there is to be registration, class meetings, a pep rally, bar-be-que and you know to round out the excitement one special activity. We all want to be there for that---- THE football game --- the Cross Plains Buffalo Football GAME!!! Go Team! Go! Go, Go, Go, Go!! Buffaloes!

I attended school here for three years in the late 1940's. If we hadn't moved away, I would have been a member of the graduating Class of 1957-----but-----I'm back now, since 1992!!

Go Buffaloes! Win, Win!!!! "C" "U" at Homecoming!!!!!!!

City Council Minutes

September 5, 2000

This was a regular meeting of the Cross Plains City Council. All members were present. Minutes of the last meeting were approved as read.

Don Gosnell, Chief of Police, met with the council to give his police report. He reported ninety-seven calls for service, one sexual assault, two thefts and one forgery suspect arrested, one accident, one public intoxication, three criminal mischiefs and one disturbance at Village Market. There were fifty-one warnings and sixty-eight citations written. By general consent the council accepted the police report as presented.

Bob Hill, Municipal Judge, reported sixty-eight citations for August. He reported twenty-eight remain outstanding for the month with eleven remaining outstanding for July; sixteen remain outstanding for June and five remain outstanding for May. By general consent the council accepted the report as presented.

Kim Baker, Callahan County Nutrition Project Director, met with the council concerning the annual Interlocal Agreement between the City and Nutrition Project. Edwin Weiss moved to accept both the Interlocal Agreement and Resolution. Dean Dillard seconded and motion carried.

Jim Cotter, City Auditor, met with the council and gave the annual audit

report. Discussion was held at length concerning the audit. James Nichols moved to accept the report as presented. Edwin Weiss seconded and motion carried.

By general consent the council agreed to transfer \$45,000.00 General Fund and \$30,000 from Water and Water Account to Certificates of Deposits.

Steve Mack, EDC President, submitted a letter to the council informing them of the recommendations from the EDC board. The letter informed the council that the Board of Directors met in a called meeting to discuss and take action on the applications submitted for the "ice house grant program." It also informed the council that the Board voted unanimously to grant the building to Bud Dillard, subject to the originally approved Grant Terms and Conditions. Jerry Casle moved to accept the recommendations as presented. Edwin Weiss seconded and the motion carried.

James Nichols moved to purchase twenty chairs for the council meeting room for citizens present for the meetings. Jerry Casle seconded and motion carried.

Edwin Weiss moved to pay bills. Dean Dillard seconded and motion carried.

Jerry Casle moved to adjourn. Edwin Weiss seconded and motion carried.

Attention Class of 1959

The Class of 1959 will have a float in the Homecoming 2000 parade -- nothing fancy, just an opportunity to cruise through town, wave at your friends and show your appreciation to the "ole home town", Cross Plains I.S.D. and the Homecoming committees.

1959 Classmates are asked to be at

the designated staging area of the parade before 12:30 p.m. on Saturday or call Jim Fleming at (254) 643-4648.

The class gathering will be after the parade and again hosted by Rolan and Sandra Jones at their home north of Cross Plains near the County Show Barns.

BREAKTHRU

By Bob Pipes
Cross Plains Church of Christ
433 N. Main At 12th
(254) 725-6117

"Reputation is what men and women think of us; character is what God and the angels know of us." Thomas Paine said it that way; perhaps we could shorten it by just saying, concerning character, that it is "what we really are."

While we want our reputations to be good, and want to guard it from being defamed, if we have the right character it will be difficult to impossible for anyone to ruin our reputation even if they tried. Some tried to discredit the Galilean and destroy his reputation but His character prevented it. I'm thinking especially of all the things done to Him and said about Him, even while He hung on the cross -- and yet when it was all said and done, one of the Roman soldiers said, "Surely and truly, this was a righteous man, the Son of God!" They had gambled for His clothes, put a sign over His head in mockery, shook their heads at Him in derision, and jeered and sneered Him -- but because of the life He had lived and His refusal to retaliate, the centurion upheld Jesus' reputation -- yes, and because of Jesus' character.

If we really want to build and maintain good reputation, let us pattern our lives after the Master Teacher's life and teachings. His life became a teaching in deed that matched His teaching in word and we would do well to "follow His steps" in the examples He left us, 1 Peter 2:21.

A real BREAKTHRU will be to work on our character -- toward it being right according to God's standard. And if God is pleased with us, it really makes little difference what mere men may think.

Come join in working on our character...

Sunglasses

Many non-prescription sunglasses are labeled to indicate that they block at least 99% of the UVB rays and 95% of the UVA rays. Old sunglasses may not be as effective and should be replaced. Orange, blue, or yellow lenses make it difficult to distinguish traffic signal colors so gray or brown lenses are safer. Children's need for sunglasses is greater than that of adults. Their natural lenses are less effective in filtering out UV. For the sake of their future vision get them sunglasses and see that they wear them.

BUFFALOES CONTINUE ON THEIR WINNING STREAK 23-21 AGAINST TOLAR!

VARSITY BUFFALOES AND CHEERLEADERS ARE LOOKING GOOD!!!

Cross Plains Buffaloes Win Over Tolar Rattlers 23-21

BY CORD WOERNER

The Buffaloes won a hard fought game on Friday against a very solid Tolar Rattler team. The Buffs started off in a hole when Tolar scored from 64 yards on the 1st play of the game. The offense moved the ball well early but were unable to punch it in. They finally hit pay dirt early in the 2nd quarter when Scott Mackey scored from 4 yards out. The kick was no good with the Buffaloes trailing 7-6. Tolar scored again just before halftime and took a 14-6 lead to halftime. Cross Plains had some opportunities early but didn't capitalize on them.

The 2nd half started out real positive with Tony Beggs behind some good blocking going 69 yards on the 1st play. The extra point run was no good but the lead was cut to 14-12. A good defensive stand and a foiled fake punt put the Buffs in position to take the lead and with 7:31 left in the 3rd, Scott Mackey again punched it in on a 3 yard run and also ran in the 2 point conversion. Defense held strong and Seth Potter added some insurance that would be needed later

by booting a 21 yard field goal.

The 4th quarter rocked back and forth but with 1:36 left Tolar scored on a 10 yard pass and brought the score 21-23. The onside kick looked to be lost but when the officials cleared the pile, Nicholas Dimitri had wrestled the ball away and the Buffaloes were able to run out the clock but not without a little excitement.

I would like to tip my hat to our offensive line and our defense for taking away their power game. This was a big win for the Buffs and they played their hearts out. We hope to see everyone out supporting the Buffaloes on Saturday night at 6:00 p.m for Homecoming 2000.

Offensive Leaders:

Chris Kitchens- 22 carries for 72 yards

Scott Mackey-14 carries for 60 yards and 2 touchdowns

Tim Butler-11 carries for 41 yards, 6 of 14 passing for 95 yards,

Tony Beggs-5 carries for 83 yards and 1 touchdown

Cody Reed-3 catches for 36 yards

Joseph Dillard-1 catch for 26 yards

Brandon Mahler-1 catch for 10 yards

Nathan Hawkins-1 catch for 9 yards

Defensive Leaders:

George Mathews-8 solo, 5 assists, 1 caused fumble, 2 extra efforts

Nicholas Dimitri-6 solo, 4 assists, 1 recovered fumble

Nathan Hawkins-4 solo, 2 assists, 1 quarterback hurry

Tony Beggs-3 solo, 3 assists, 1 quarterback hurry

Scott Mackey-2 solo, 1 sack, 1 assist, 1 caused fumble

J.V. Buffs Defeat the Tolar Rattlers 20-0

By TERESA KOENIG

Junior Varsity showed Tolar their stuff last Thursday. Captains were Cole Koenig, Ryan Mack and Jordan Durant.

The Buffs won the flip and elected to receive the ball. The 1st quarter got off to a great start with carries from Marcus Williams, Mack and Clay Wilson getting some quick 1st downs.

The Buffs were in goal position when Wilson and Seth Fortune, both giving great effort, putting the Buffs on the 6 yard line. Mack completed a pass to Dusty Dickson for the first touchdown of the evening and Koenig added the extra point bringing the score to 7-0 with only 2 minutes left in the 1st quarter.

Koenig kicked off to Tolar, who fumbled the ball and the Buffs recovered. With only time for one play, the Buffs didn't stop trying. Durant and Wilson got the 2nd quarter off to a great start, but the ball went back to the Rattlers on downs. The Buffs' defense held Tolar with a quarterback sack by Casey Pack, forcing the Rattlers to punt.

After a bumbled punt on Tolar's part, the Buffs recovered deep in their territory with 6:33 remaining in the half. Jose Mauricio took the ball for a long run and Fortune adds one of his own. The Buffs had to give the ball up on downs at the end of the half.

Koenig kicked off for the Buffs and it ended up on the 10 yard line, with help from Randy Duncan and Chris Harris. Tolar finally got their 1st down. The Buffs took over on downs.

Fortune and Wilson made a couple of small runs and then 25 yards each. Durant carried the ball in for 6 points and the extra point was no good. The score was 13-0 with 1:49 remaining in the 3rd quarter.

The Junior High Cheerleaders were taking great pains getting all the push-ups in.

The Buffs kicked off to the Rattlers in the 4th quarter. The Rattlers had several penalties in this quarter, giving the Buff some room. Kevin Scott and Mack led the defense, causing the Rattlers to give the ball over on downs.

Pack scored another TD for the Buffs and Koenig added the extra point bringing the score to 20-0. Following a high, long kick by Koenig, Duncan broke through the line for two quarterback sacks in a row. On the second one, the Rattlers fumbled and Pack recovered the ball. The Buffs had a long way to go, with everyone taking turns calling time-outs. The last great play of the game was a sack by Sammy Gardner. The game ended with the 20-0 score.

LEADING DEFENSE:

Tackles - Fortune 8; Koenig 4; Durant, Wilson, Pack, Scott, 3; Harris, Jones, Williams, Wooten 2; Sliger, Snell, Gardner, Dickson 1

Assists - Pack 6; Duncan, Harris 5; Koenig, Dickson 3; Scott, Pancake, Wooten, Wilson, Allen 1

Hurries - Pack 1

Sacks - Duncan 2; Pack 1; Gardner 1

TOTAL YARDS RUSHING

Wilson 8 for 70; Mauricio 6 for 17; Durant 3 for 16; Harris 5 for 13; Dickson 3 for 13; Mack 4 for 8.

Food Show Training Set for October 2nd

While proving that "you are what you eat" may be difficult, 4-H members in the food and nutrition program can certainly gain a better understanding of nutritious foods that can contribute to healthful living. The food and nutrition program is one of the most popular projects in Callahan County. Those 4-H members that want to participate in this year's Food Show will need to attend the Food Show training set for October 2nd at the Bald High School Home Economics Room. The cost for the training is \$3.00. This training is developed to prepare youth for the County Food Show to be held on October 21st. This training will help youth understand the importance of incorporating the Food Guide Pyramid into their daily diet, understand the principles of nutrition and help youth acquire and demonstrate skills in planning, purchasing and serving tasty, attractive and nutritious meals. If you have any questions call the Extension Office at 854-1518. Hope to see you at the training.

Sincerely,
 Robert Pritz
 County Extension Agent

Vestal Accepts New Position At Texas A&M

College Station—Dr. Tom A. "Andy" Vestal a '74 Baird High School Graduate and son of Mr. and Mrs. Dick Vestal, has accepted a new position as Associate Professor and Extension Specialist with the Texas Agricultural Extension Service and Leadership Coordinator for Special Programs for the Institute of Food Science and Engineering at Texas A&M University. Dr. Vestal will also continue to teach graduate and undergraduate courses in the Department of Agricultural Education at Texas A&M.

Seventeen years of experience as an Extension educator in the Lubbock and San Antonio areas truly benefit his new communication and education functions. His current research features consumer and food marketing issues related to biotechnology and diffusion of life science innovations. His most recent scholarly works have been published in HortScience, Journal of Applied Communications, Journal of Agriculture Education and in several proceedings of regional and national research conferences.

In the early 1990s he served as agricultural extension program leader in San Antonio where he expanded his mass media experience. He has served both rural and urban Texans through three years of weekly radio and television broadcasting in metropolitan markets and six years in rural Texas educating producers and consumers on food, agricultural, and natural resource topics. His works have been featured in the popular press on CBS *This Morning*, *WOAI Radio*, *Progressive Farmer*, *The Cattleman*, *Agri*

Dr. Tom "Andy" Vestal

Finance, and a nationally syndicated radio program *The Osgood Files*. Dr. Vestal's success has distinguished him as an innovator in communications science and technology to the public.

Dr. Vestal joined Texas A&M University in 1994 as a Lecturer and Extension Specialist and State Coordinator for the AgriFood Education Program, an fundamental program to inform consumers about what it takes to make agriculture function to meet food, health and habitat needs. He developed the program concept and a 501(c)3 corporation chaired by former Governor Dolph Briscoe in the early 1990's while in San Antonio, Texas. His concepts have been adopted in more than 100 Texas counties. His work has generated over \$1,000,000 in private research and outreach funding.

\$11.8 Million in Affordable Mortgage Funds Available

ABILENE, TX — More than 140 low and moderate-income first-time homebuyers living in 18 West Texas counties will now have access to low interest mortgage financing, and down payment and closing cost assistance through a \$11.8 million mortgage revenue bond (MRB) purchase agreement between the West Central Texas Regional Housing Finance Corporation (HFC) and Fannie Mae (FNM/NYSE), the nation's largest source of financing for home mortgages. The West Central Texas Regional HFC covers Brown, Callahan, Coleman, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Rannels, Scurry, Shackelford, Stephens, Stonewall, Taylor, and Throckmorton counties.

"Homeownership is the foundation for building strong and healthy communities and creating a thriving local economy," said US Representative Charles Stenholm (D-TX). "This initiative represents an opportunity for West Texas families to achieve the American dream of homeownership. I welcome the West Texas Regional HFC and Fannie Mae's commitment to our community—this is a true partnership."

"I commend the West Central Texas Regional HFC, the participating lenders and Fannie Mae for working together to help more hard-working families in West Central Texas buy their first home, said Abilene Mayor Grady Barr.

Fannie Mae purchased the \$11.8 million tax-exempt bonds issued by the West Central Texas Regional HFC. The bond proceeds will be made available through participating lenders to qualifying homebuyers. Mortgage loans will be offered at a fixed rate of 7.5 percent for 30-year terms with a down payment and closing cost assistance grant equal to 4 percent of the loan amount. For example, on a \$70,000 loan, home buyers can receive \$2,800 in assistance.

The details of the initiative vary for targeted and non-targeted areas. Maximum purchase price and income limits are higher in "targeted areas" which are Housing and Urban Development (HUD) designated underserved census tracts. In targeted areas, the maximum annual income of eligible home buyers is \$57,120 for a single or two-person household and \$66,640 for families of three or more. In non-targeted areas, the maximum annual income of eligible home buyers is \$47,600 for a single or two-person household and \$54,740 for families of three or more. In targeted areas, maximum home costs range from \$73,184 for an existing home and \$115,765 for a newly constructed home. In non-targeted areas, maximum

home costs are \$59,877 for an existing home and \$94,716 for a newly constructed home. Except in certain target areas, eligible borrowers cannot have owned a home in the last three years.

"Through this agreement with our lender partners and Fannie Mae, we are able to offer attractive mortgage terms, and down payment and closing cost assistance to area families who might otherwise be unable to afford a home," explained Judge Lee Hamilton, vice president of the West Central Texas Regional HFC.

"Our MRB investments have enabled Texas housing finance corporations to stretch their scarce resources and extend homeownership opportunities to thousands of first-time home buyers," said Ramon Flores, community development manager for Fannie Mae's Southwestern Regional Office. "Homeownership is an important goal for most families and Fannie Mae is delighted to be able to help so many West Central Texas low- and moderate-income families achieve their dream."

Since 1987, Fannie Mae has purchased more than \$15 billion in MRBs from virtually every state and local nonprofit housing finance agency, making homeownership possible for approximately 250,000 low- and moderate-income home buyers.

Breast Cancer Awareness Day recognized with wreath hanging October 6 in Baird

On October 6, Breast Cancer Awareness Day, County Judge Roger Corn and local cancer survivors will hang a wreath on the door of the Callahan County Courthouse in Baird. Similar ceremonies will be conducted on that day in 21 other counties throughout the Big Country as well as in counties over the state. The ceremonies demonstrate a commitment to fight the disease that has claimed the lives of so many women. This year an estimated 2,600 Texas women will die from breast cancer, and 11,500 will be diagnosed with the disease.

The American Cancer Society, Hendrick Cancer Center, Your Women's Center at Abilene Regional Medical Center, West Central Texas Oncology Nursing Chapter, and the YWCA of Abilene are collaborating on Breast Cancer Awareness Day for this region. Statewide sponsors of the Wreath Project include the Texas Department of Health Breast and Cervical Cancer Control Program, the Texas Division of the American Cancer Society, and the Governor's Commission for Women.

This October marks the 25th observance of National Breast Cancer Awareness Month. The goal of the emphasis each year is to increase awareness of the importance of early detection of breast cancer through public and professional education outreach efforts.

To find breast cancer early, women should do breast self-examinations every month, have a health professional do a clinical breast exam every year, and have regular mammograms.

All women are at risk for developing breast cancer. Women 50 or older are the most likely to develop breast cancer. The American Cancer Society recommends that women 40 or older get a yearly mammogram and breast exam. Getting a mammogram and breast exam only once is not enough.

Many mammography facilities offer reduced rates on mammograms during October. The Breast Cancer Awareness program of the YWCA in Abilene offers free mammograms and breast examinations to women who have no third party pay and meet certain financial guidelines. For more information, call the YWCA at 677-5321. In addition, Medicare helps pay the cost of a yearly mammogram for women age 65 or older with Medicare part B.

Other resources for information on breast cancer are the American Cancer Society in Abilene, 1-915-692-6446, the national American Cancer Society hotline, 1-800-ACS-2345, or the National Cancer Institutes Cancer Information Service at 1-800-4-CANCER (1-800-422-6237).

be introduced at this time. All-State team members and individuals and State Qualifiers will be asked to stand in recognition. Each person earning this honor within the past three years (since last Homecoming) will be recognized on the field by Greg Turner. This offers a great opportunity to cheer on the Buffaloes and visit with classmates, too.

A Coffee and Registration will start off Saturday's agenda at 9:00 a.m. in the high school library. The business meeting will be held at 10:30 a.m. in the new gym.

Lunch will be served beginning at 11:30 a.m. in the cafeteria, sponsored by the Band Boosters. A salad bar featuring a large variety of your favorite salads will be available.

The Parade will commence at 1:30 p.m. in the downtown area. A large parade is anticipated with lots of Cross Plains High School classmates represented. Parade winners will be announced at the football game. Individual Class Meetings are

planned at 3:00 p.m. (see the schedule of locations inside the paper).

The King and Queen Coronation will be held at 5:30 p.m. The Homecoming Queen Nominees will be presented at this time and the Homecoming 2000 Queen will be announced. Coming Home Queen and King will be presented.

The football game between the Buffaloes and the Sterling City Eagles begins at 6:00 p.m.

A Coffee will be held in the foyer of the gym at 8:00 p.m. and everyone is invited to attend.

The Homecoming Dance will be held at 8:00 p.m. at Treadway Park (bring your own chairs). The Peace Makers of San Angelo will be performing your favorite dance tunes. Admission will be \$5.00 per person.

Rep. Stenholm's Ag Talk

By Charlie Stenholm
September 22, 2000
Senate Approves
PNTR With China

This week the Senate, by a wide margin of 83-15, voted to grant permanent normal trade relations (PNTR) with China. The Senate vote completes the work to normalize trading relations between China and the United States, with China now opening its doors to U.S. products and becoming a recognized trading partner in the modern world.

It also means that America's farmers and ranchers will at last be able to break through China's "great wall" of trade barriers. The president is expected to sign this measure into law shortly.

The Chinese market is one of the fastest-growing markets in the world. As a result of this legislation, American businesses large and small will have fuller access to a country that holds one fifth of the world's population.

Nearly 40% of all U.S. agricultural production is exported, and exports account for 30% of U.S. farm cash receipts.

This new trade partnership will have a significant influence on agricultural producers all across America. In fact, U.S. agricultural trade is expected to increase by as much as \$2 billion annually by the year 2005 as a result of PNTR.

Because of China's acceptance into the World Trade Organization, the U.S. will be able to take full advantage of a reduction in Chinese trade barriers.

PNTR will also lead to a more constructive and cooperative relationship between our countries. Hopefully, China will become a more open and democratic society in the 21st century.

USDA Proposes Changes for Emergency Loans

The US Department of Agriculture (USDA) is proposing changes they believe will streamline emergency farm loan requirements, and make it easier for farmers to qualify. The changes would speed up the processing of loans and require less paperwork.

The proposed changes would simplify the process for estimating losses, remove the need for collateral, and increase the loan limit from 80 percent to 100 percent of production losses.

The changes would allow more farmers to be eligible for emergency loans and help producers maintain their operations while recovering from natural disasters. I will continue to follow the development of these proposed changes and will talk more about them in the future.

Sesame Marketing Loan Program Created

The Commodity Credit Corporation of the USDA announced that sesame has been designated as an eligible oilseed for marketing assistance loans for the 2000 crop year.

The national loan rate for 2000-crop sesame will be established at \$8.77 per hundred weight, in accordance with the provisions of the Federal Agriculture Improvement and Reform (FAIR) Act of 1996. This designation was made to provide support for US sesame producers. Designation of sesame as an oilseed eligible for marketing assistance loans will also allow sesame producers to share in the additional \$500 million authorized by Congress for the 2000-crop oilseed payment program.

Any further information can be obtained by contacting the nearest Farm Service Agency (FSA) office.

Betty Hardwick Center seeking Planning Advisory Committee members

The Betty Hardwick Center's board of trustees is looking for individuals from Callahan, Jones, Shackelford and Taylor counties to serve on the mental health and mental retardation planning advisory committees.

The committee's role is to advise the board in the areas of identifying, prioritizing and implementing the services needed in the four counties that fall within the budget and contract constraints of the Center's funding sources and state and federal law.

The membership of the committees must be comprised of at least fifty percent consumers and family members and be balanced to meet the cultural diversity of the four county areas. "Consumer" is identified as anyone who has mental illness, mental retardation or a related condition. Individuals are not required to be current or active

consumers in the Texas Mental Health-Mental Retardation system to be eligible to serve on the committee.

The Board of Trustees will consider all applications, and will appoint members to terms of one or two years, thereafter terms will expire on staggered two-year terms. Orientation and training will be required.

The committees will meet at least quarterly for about two hours. Meeting times are set to accommodate the majority of members. Transportation and childcare services will be provided on an as needed basis.

Applications will be accepted through October 13. To request an application call (915) 690-5113 or write to Planning Advisory Committees, 2616 S. Clack Suite 160, Abilene, Texas 79606.

Fine Arts League of Coleman Announce Upcoming Art Show

The 9th Annual Fiesta Art Show is set for Saturday, October 7, in conjunction with Coleman's Fiesta de la Paloma. The show will be at 115 Commercial Avenue between the hours of 10 a.m. and 4:30 p.m.

Artists of all levels including Amateur, Advanced and Professional are invited to compete.

Amateur only photographers may compete also.

Registration will be Monday, October 2, from 10 a.m. to 7 p.m. Over \$1,800 in cash awards will be given.

For further information call (915) 625-4687 or (915) 636-4477.

Art Exhibit Dates Noted at Pioneer Community's 2nd Annual Festival

The Pioneer Community Festival will feature an Art Exhibit on Saturday, October 28, from 2 to 6 p.m. that is open to all artists. Registration will be Thursday, October 26, from 3 to 6 p.m.

Entry fee for adults is \$3.00 per picture with a limit of 5 entries. Entries must be framed with wire or string attached (no sawtooth hangers).

There will be no entry fee for children, but the work must be neat and if possible, ready to hang. Framing is unnecessary.

Participants are asked to bring only entries that have not been shown in this exhibition.

Photography is a new category added to the exhibit. Photographs of this area are especially desirable. Photos must be in good condition.

Cash and ribbon awards for Best of Show, 1st, 2nd and 3rd Place will be awarded in each category.

Check out time will be Saturday, October 28, at 6 p.m. No early check-outs.

Divisions will include: Professional - anyone who teaches, holds workshops or sells on a regular basis.

Amateur - anyone having painted one year and beyond, or worked with photographs for one or more years.

Security will be provided Thursday through Saturday until 6 p.m. Every precaution will be taken to protect artwork, but the Pioneer Club accepts no responsibility for the entries. For further information, please call Betty Beggs (254) 725-7235 or LaVerne Hutton (254) 725-7342.

Kiwanis Golf Tournament Results

The Cross Plains Kiwanis Charity Golf Scramble was held at Rolling Oaks Golf Club recently. The winning team was captained by Bruce Rivers with a team score of 62 (12 under par). Other winning team members included Kobey Morris, Corey Morris and Jonny Salazar. At 10 under par and tied for second were the David Furrey team which included Phillip Cockerell, James Vamer and Bryan Thompson and the Ken Horan team which included Leslie Horan, Sherry Bowden and Alan Key.

The Mystery team prize went to the Tony Reeves team, which also

included Larry Pemberton, Tom Pemberton and Dean Pemberton. Closest to the Pin prize went to Ken Horan and the Longest Drive went to Sherry Bowden.

The Kiwanis Club will use the net proceeds of the tournament for charitable purposes locally and also will contribute towards the Children's Miracle Network. The Kiwanians are very appreciative of all sponsors and golfers who participated in the tournament. Special thanks goes to the Tony Reeves team, which donated their winnings back to the Club for charitable uses.

I missed you last week. Had to have a vacation. Was so busy I didn't get to read a single book --- even this one I carry all the time. But about business. Statistics first -- good ones.

THANK YOU

We want to take this moment to thank everyone who assisted at the car accident Kaci Shields was in Saturday night.

Special thanks goes to Peggy & Robby Bailey for calling the ambulance and taking Kaci into their home, until it arrived.

Thanks to the EMS crew who took every precaution and knew exactly what to do in transporting her to the hospital. You get A+. We appreciate all of the calls to the hospital, and to Scott Murphree for driving a very shook up mother and grandmother to the hospital. Also thanks to those who accompanied us.

We are very thankful that although painful, there are no apparent serious injuries to Kaci, and that none of the other kids were injured.

A Callahan County Historical Landmark burned this past weekend in a fire thought to have been started by a lightning strike. According to Cross Plains Fire Chief Bob Harrell, areas of the roof were so hot the tin melted.

The old Noah Smedley Homestead, presently known as the "Wylie place" in north Rowden, in southeastern Callahan County, burned to the ground during a rain shower and electrical storm Saturday, September 23, 2000 between 10:30 p.m. and 11:00 p.m.

The unique old home was built around 1902. Dean Gibbs, Noah's grandson, says the family told of living in a barn on the property until the house was completed. It was of

wooden construction with a large split rail porch. A hand dug underground cistern, with a series of gutters and pipes to fill it with rainwater from the roof, was the home's only water supply, until the county pipeline water was installed a couple of years ago.

The home was unpainted and with the very dry conditions, the entire structure was in flames in a matter of minutes, swiftly spreading to a small shed filled with hay, a tractor and a pickup truck.

Firefighters from Cross Plains answered the call and pulled the tractor and pickup from the burning building. The remains of the house, shed and hay burned for several hours under the watchful eyes of the firemen, who remained on the site until 4:25

a.m. Firemen were relieved by Rowden residents Marty and Sherry Ross who stood watch until daylight, but the old homestead was gone.

In the 1900's the Smedley's raised their eleven children in this home and Ima May Smedley Gibbs, the oldest of the three girls told a story of standing on the porch of this home with her family, in the spring of 1912 during a severe thunderstorm and seeing smoke to the North of them; as it turned out, the Pilgrim School (the Rowden School at that time) was struck by lightning and it burned to the ground.

The home was owned by Inez Wylie of Baird who stated she and her husband Gaston purchased the home in the early 1960's and her son, Bill had been restoring it.

COUNTY ROADS by Ginny Greene

Tanking up in Texas...

"Close up the shop!" the man yelled as he burst through the door.

I just said, "What?"

The man was waving his arms. "Yes, lock the door and come with me! Bring your camera!"

Before I knew it, "the back in 10 minutes" sign was hung on the door, and the key was turning in the door of the newspaper shop where I worked.

He turned his car into his neighbor's driveway. The neighbor was away, and missed the astounding sight. Draping the leaves and twigs of the many sturdy trees in the yard were wads and wads of Monarch butterflies.

The man showed me around the butterfly rest haven. He gathered great round armloads of them. They did not panic, but simply floated back into place on the branch.

An aura of peace and reverence filed that place. I stood with my jaw open until he jogged my arm. "Take pictures!" he said.

I will never forget that scene, and now it's butterfly migration again. The delicate wings materialize out of nowhere, flutter overhead, and disappear, pinpoints headed south, so small they can't be tracked far.

Their story is amazing.

Late in September, when the weather tells them it's time, the Monarchs leave their widely spread northern habitat and funnel down to pinpoint spots in the Sierra Madre mountain range in Mexico. They tank up in Texas, the last feeding grounds, and head for their wintering place in that remote mountain forest.

There, they eat very little, until sometime in February, something tells them to flex their wings and head north again.

While their strength lasts, they mate and then make a mad dash to Texas. They are looking for the first signs of milkweed, and it is into March before they find the first of it here in the Abilene area.

They spin a chrysalis, lay their eggs, and guzzle nectar as they fan out on the widening migratory highway to the northeast U.S. and

into several provinces of Canada. They ride wind currents northward, roosting in swarms as we saw them that one day if the wind is too strong, or if the temperature falls below 60 degrees F.

Mrs. Ruth Addington is the woman in Abilene who knows everything about Monarch butterflies. She points to Dr. Chip Taylor at the University of Kansas who heads a Monarch Watch, and to Dr. Fred Urquhart, Professor Emeritus at the University of Toronto who has been the world authority on the lepidopter variety for 60 years. Bill Calvert heads the Monarch Watch in Texas. His work echoes Dr. Taylor's, tagging and trailing the Monarchs.

Mrs. Addington says the Abilene Zoo is the first official Monarch Sanctuary on the butterfly trail to Mexico, and it took a year to achieve that rating.

The Zoo Board also worked to claim the Monarch as the State Insect. They began in January of 1995, lobbied till Memorial Day, and got the call from Austin on Saturday afternoon of the holiday weekend. She says everyone is aware the Bluebonnet is the State Flower, and she wants everyone to know the Monarch butterfly is the official State Insect.

Monarch watchers are concerned for the survival of the species as more and more milkweed is lost. It is a weed, after all, and gets plowed under or sprayed away. The more than 30 varieties of milkweed are the mainstay of the Monarch's diet and reproductive cycle.

Butterfly gardens are one answer. Milkweed grows wild, but it is hard to make it grow under cultivation. Other butterfly yum-yums are lantana, buddleia, daisies, and sunflowers. Loving butterflies means you must also love caterpillars. It's a package deal - the good, the bad, and the beautiful. And according to butterfly lovers, worth the preservation.

Watching the Monarch march is kind of like watching the train roll out of sight. It makes me wonder where they came from, and they are going, and maybe even why.

KYLE FOSTER AND PENNY SMITH

Smith - Foster Engagement Announced

Penny Smith of Coleman and Kyle Foster of Cross Plains would like to announce their engagement and approaching marriage.

Penny is the daughter of the late Alvin and JoAnn Smith and Ms. Jimmie Smith of Texas City. Kyle is the son of Mr. and Mrs. Randy Foster of Cross Plains.

Penny is a graduate of Coleman High School and Central

Commercial College and is employed by the U.S. Army Corps of Engineers. Kyle is a graduate of Cross Plains High School and Tarleton State University and is co-partner in Foster Dairy.

The wedding will take place at 3:00 p.m. Saturday, December 2, 2000, at First Baptist Church in Cross Plains. All friends and relatives are invited to attend.

Cross Plains 4-H meeting set for Oct. 9

There has recently been an interest expressed in the development of a 4-H club in Cross Plains. To get started, a 4-H meeting has been planned for October 9th at 7:00 p.m., at the Community Center. Everyone interested in learning more about the opportunities in 4-H are encouraged to attend. The 4-H program offers a variety of activities for youth who are in the third grade through 19 years of age. So many times people think 4-H only involves raising animals projects. Even though this can be a large part of the program, it by no means

reflects the full scope of the 4-H program. Other activities that 4-H has to offer include Shooting Sports, Community Service, Foods and Nutrition, Clothing, Public Speaking and Leadership thru various judging events. A strong 4-H program requires parent participation. I encourage anyone wanting to know more information to attend this meeting on October 9th. If you have any questions call the Extension office at 854-1518.

Sincerely,
Robert Pritz
County Extension Agent

Workers

Satin couches and footstools. Where there's no committee chairman, No group leaders or car pools. privileged few. And work for all they're worth? Why all those who reaped the benefits, And not once volunteered on earth.

No eager team that needs a coach, No bazaar and no bake sale. There will be nothing to staple, Not one thing to fold or mail. Telephone lists will be outlawed. But a finger snap will bring, Cool drinks and gourmet dinners, And rare treats fit for a king.

You ask, who'll serve these privileged few, And work for all they're worth? Why all those who reaped the benefits, And not once volunteered on earth.
