EATING THE USHES WITH UTLER . . .

J. T. (that is)

happens about this time every year but it always creates unbridled excitement as the doors swing wide once again and the cheers of joy from thousands of bright-eyed, eager mothers fill the air.

Have you ever noticed, with the beginning of school, our whole pace seems to quicken, say, like a bobbing quail that has been pushed from the nest by the cold nose of a mother dog.

With all that banging you hear in the countryside, you know the dove season is now open, Paul says he is not much of a dove hunter, but is a real bear hunter.

He hunts 'em with a club. Dangerous? Naw. There are eight clubs!

From across Betty Walker in grocery store and she began talking around in that big purse finally asked me real innocent had a dime. Which I produced. Then the smarty handed me a piece of folded paper which I unambly bought. Later in the another jokester by the name Gen Horton pulled the same trick. Now, if you want to know what the note said, go buy yourself one like this sucker did.

On the very next day I was in bank and that Buddy Randalls led me a big sheet of folded paper. On the outside I found "In case of fire, raise the alarm." There was an immediate My curiosity was burning. So eager me, I raised the flap. In letters it blared, "Not now EPID. Wait for a fire."

You can see that I have been listed into the club. I'm glad to see that we have citizens with sense of humor. These are the days I wish to write about so you hear of an unusual situation. Be a pal and let me in on it.

My dear Mrs. D. C. Hyles made a remark that she was having of those days when she should stay in bed. I know how it seems as the every time I get up even a little piece of me lately it has a wampus kitty to the other end.

Tigers Must Wait Until Next Week to Open Grid Season

While most area schools are lifting the lid on 1964 grid campaign, Coach Jack Barnett's Hico Tigers must wait another week before displaying their wares. The Tigers cut their teeth on Godley Wildcats Friday night, Sept. 11 at the local stadium.

The two teams have hooked up the last two years, with Hico emerging victorious both times. The first match ended with Hico on top of a 26-0 score, and last year fans witnessed a real thriller which ended 24-22 in favor of the locals. The Tigers came back from a 14-point deficit to notch the win.

The Tigers have completed three full weeks of preparation, and will have another week of polishing before taking the field in the opener. Coaches Barnett and Anderson have had the largest squad in recent years to work with, 33 boys, but Barnett is quick to point out that in size, this is also one of the smallest teams he has ever fielded. Look as hard as you may, and one man above the 160-lb. level is all that you can find on the list. Recie Giesecke, a senior tackle, is the loner in the heavyweights, tipping the scales at 180.

Take away three 160-pounders, and the remainder of the squad scales out from a tiny 90 pounds to about 150.

Spirit, hustle and attitude have been predominate during the first part of drills, and fans can expect to see a hustling team come seasoner opener.

Local Winners at Dublin Fair Released

The following Hico FFA and 4-H Club members were winners in the junior livestock show of the Dublin Fair Fall Fair, held this past weekend.

In the Brown Swiss Division, Ronnie Henderson, son of Mr. and Mrs. Melvin Henderson, entered a senior heifer calf which placed first, a junior yearling heifer which won a blue classification, a senior yearling heifer which won red classification, and the three best females owned by one exhibitor winning the blue ribbon.

Also in the Brown Swiss Division, Nancy Grissom entered a senior heifer calf for a blue classification.

In the junior Holstein division, Linda Grissom entered a senior yearling heifer that won blue classification and a senior Holstein calf which won red classification; a two year old cow which won blue classification and second place in the open show. Linda was also awarded the Copeland Young Breeder Award at the recent Huckabay show.

Dennis Polk, son of Mr. and Mrs. Durwood Polk, entered a senior heifer calf in the Holstein division that won red classification.

Edmond Horton, son of Mr. and Mrs. Toe Horton, entered a senior heifer calf which won red classification; a junior yearling heifer which won a blue and Grand Champion honors in the junior Holstein division.

Edwin Black entered two senior bull calves; one junior heifer calf and one senior yearling in the Holstein division.

Also in the Holstein division was a junior heifer calf shown by Liz Black, and a junior yearling heifer exhibited by Kenneth and Eldon Black. Butch Bateman of Iredell entered a senior heifer calf which won red classification in the Holstein division.

Eldon and Kenneth Black classified two blue dairy animals, and Liz Black won a white classification.

In the Jersey division, Danny Polk entered a junior heifer calf, winning a blue classification, and a junior yearling calf heifer that won red classification.

Barry Polk showed a junior heifer calf in the Jersey division and won blue classification.

Edmund Horton was also awarded the Showmanship Trophy. In the Rambouillet sheep division, James Johnson won first and reserve champion with a junior buck; first and grand champion with a senior ram; and second with a junior ewe. He also won first with a junior Southdown ewe and grand championship honors;

SCRIMMAGE SET THURSDAY
Coach Barnett announced Wednesday that a game-type scrimmage would be held at the local stadium Thursday night, Sept. 3, beginning at 7:30 p. m. with Granbury furnishing the opposition. No admission will be charged, and fans are invited to attend.

Season Grid Tickets On Sale Now

Season tickets for Hico Tiger home football games went on sale Wednesday of this week at special reduced prices.

The local schedule includes only four home games this year, and the tickets are being offered at \$3.25 for adults, a saving of 75c, and \$1.15 for students, which is a 25c saving.

Tickets may be purchased at the school, or from Glen Ross and James Cryer, in charge of the downtown area.

Final Rites Conducted For Mrs. Mollie Harvey Monday Afternoon

Final services were held Monday, August 31 at 2:30 p. m. in Barrow-Rutledge Funeral Chapel for Mrs. Mollie Carpenter Harvey. Minister Charles Wilson officiated, and burial was in Hico Cemetery.

Mrs. Harvey was born Dec. 20, 1875 in Texas County, Missouri, and passed away at Hico Hospital Sunday at the age of 88. She had been a resident of Hico since 1901, and was preceded in death by her husband, J. J. Harvey. She was a member of the Church of Christ.

Surviving are two daughters, Mrs. Gene Heldberg of San Juan, Calif., and Mrs. Billie Thomasson of Brownwood; four step-daughters; one son, T. E. Carpenter of Hico; two brothers, Joe Creswell of Erick, Okla., and Oscar Creswell of Elk City, Okla.; seven grandchildren, seven great-grandchildren, and one great-great-grandchild.

Palbearers were Will Parker, Marvin Porterfield, W. T. Cornelius, Ralph Turner, Donald Mayfield and Jesse Bobo.

Two Local Youth Tour Space Center Near Houston

Friday, August 26, Jerry Casey and Harry Brown left for a week-end trip to Houston.

Casey was awarded the trip for himself and a guest by NASA, Manned Spacecraft Center, through the Baylor Science Fair last Spring. While in Houston the boys were provided room accommodations in the Rice Hotel, and transportation to and from the Space Center.

Early Saturday morning the two were taken to the Center and enjoyed a day of tours and demonstrations. The boys were instructed by, and had the pleasure of meeting Capt. Charles A. Bassett, NASA Astronaut. Lunch was served to all winners in the Manned Spacecraft Center Cafeteria. Following lunch the boys and other winners spent the afternoon on a tour of the Center's facilities.

Bowling League Highlights

F-W Ranch Cowhands hung on last week to win their first crown in Hico Mixed Bowling League. The Ranchers downed Judy's Beauties 6-2, while second-place Selmon Shoppers were dropping a 6-2 decision to Hico Motor Darts. Only other team that had a chance for either first or second place, the Bowl Weevils, were held to a split by News Review Newshounds.

Following the night's play, a league meeting was held to elect officers for the 1964-65 season.

Wayne Rutledge was elected president, Ray Cheek vice-president, Ruth Salmon secretary, and Avo Rutledge sergeant-at-arms. Team captains form the board of directors.

League members voted to continue play for the winter season on Thursday nights, starting each week at 7:30. First night of action will be Thursday, Sept. 10 at the newly-remodeled Tejas Lanes in Stephenville.

Schedule for Thursday night, September 10, is as follows:
Hico Motors and F-W Ranch on lanes 1 and 2; Salmons and News Review on three and four; Cheeks and Judy's on five and six; First National and Rebels on seven and eight; Orphans and Bowl Weevils on nine and ten.
Individual award winners in the just-completed summer league were listed as follows:

The two day tournament will be match play with five flights. Four prizes will be awarded in each flight. Qualifying rounds start at 12:30 p. m. Saturday Sept. 5. Contestants not required to qualify but must register by 6 p. m. Saturday. A driving and approaching contest will be held Saturday at 6 p. m., followed by a barbecue. Tournament play starts Sunday morning and continues through Monday.

Entertainment for wives of contestants will be furnished by the Hamilton Jaycees' wives.

Popular Tejas Bowl Re-Opens Last Saturday With New Equipment

A sneak preview was held last Friday night at the all-new Tejas Bowling Center at Stephenville for members of the press and league officers. J. Louis and Martha Evans, owners of the popular bowling establishment, were hosts at a coffee at 7:30 p. m., and then showed their new facilities to the approximately 50 visitors.

The lanes, completely destroyed by fire two and a half months ago, have been re-furnished with all new equipment, including the very latest in pin-spotting equipment featuring the color spare-makers.

Official opening of the facilities was Saturday when the owners offered free bowling from 2 p. m. until 10.

Those from Hico who attended the Friday night preview were Mr. and Mrs. Wayne Rutledge, Mr. and Mrs. Conda Salmon, Mr. and Mrs. Glenn Ross, and Mr. and Mrs. E. V. Meador.

Sgt. Hamilton Receives Letter of Appreciation From 78th Battalion

Staff Sergeant P. W. Hamilton Jr., serving with the Army in Germany, was recently accorded a letter of appreciation from Lt. Richard Granahan for superior service to the 78th Engineer Battalion.

Sgt. Hamilton is the son of Mr. and Mrs. P. W. Hamilton of Hico. Excerpts from the letter read as follows:

"As an example of Sgt. Hamilton's extreme consciousness in the area of documents control, I should like to point out the fact that in numerous inspections and investigations by such agencies as AGI-CMI teams and the CIA, the documents throughout the Battalion have never been rated lower than Excellent. Sergeant Hamilton has been highly complimented by these inspectors for his superior performance. His ability for detailed administrative work is far above any other NCO of his grade that I have known in the US Army."

"This letter is being written in recognition of a job well done upon departure of his immediate supervisor. Request a copy of this correspondence be placed in the individual's Military 201 File."

FEATURED BREEDS AT 1964 STATE FAIR

Purebred Jersey dairy and Brahman beef cattle from the nation's premier herds will star in two featured shows at the Pan-American Livestock Exposition in Dallas Oct. 10 through 18.

The Pan-American is the official livestock show of the State Fair of Texas. The State Fair's 1964 overall dates are Oct. 10 through 25.

The National Brahman Show will attract more than 300 entries by the foremost Brahman breeders in the United States. Shaping up as the largest exhibit of purebred Brahmans the world has ever seen, the National Brahman Show will offer \$8,000 in cash premiums, plus a score of valuable trophies. Judging is scheduled for 9 a.m. Thursday, Oct. 15, in the Livestock Pavilion.

A National Brahman Sale with consignments from leading breeders in Florida, Louisiana and Texas will follow at 3 p.m. on the same day.

Breeder-exhibitors are expected to enter more than 200 head of the State and Open Jersey Show, for which judging is scheduled to begin at 9 a.m. Monday, Oct. 12, in the Livestock Pavilion. Premiums for the Jerseys total \$5,000, Ray W. Wilson, Pan-American manager, has announced.

THIS WEEK IN AUSTIN—

Highlights and Sidelights

By VERN SANFORD
Texas Press Association

Initial post-convention plans and strategy mapped by President Johnson for the November general election campaign will bear a "made in Texas" label. "Made in Austin, Texas," would be more specific, for much of it will originate here.

The President, his nomination

Dr. Dayton met him in Stephenville and brought him to Hico where he is a patient. At last report he was doing pretty well.

Rob Sherrard is reported seriously ill at this writing.

Mr. and Mrs. Jim Trammell and family of Weatherford visited during the weekend with her parents, Mr. and Mrs. John Noland.

Mrs. Mitchell Mayfield of Stephenville is a patient in the Hico Hospital at this writing. Mitchell had lunch Sunday with his parents, the Henry Mayfields, and spent Sunday night with them.

as the Democratic party's standard bearer secured, hurried home to his ranch to rest up and do some thinking.

His visit attracted greater interest than any since his first as President, during the Christmas-New Year season.

With Vice Presidential Nominee Hubert Humphrey as his guest at the ranch, private talks inevitably turned to the battles ahead.

Gillespie County Democrats welcomed the President back to his home county with a Hill Country-style birthday celebration and barbecue two days after his 56th birthday.

Operation Motorcade

Col. Homer Garrison Jr., Head of the State Department of Public Safety, announced that "Operation Motorcade," the grim tabulation of Labor Day weekend traffic deaths as they occur, will go into effect Saturday, Sept. 5, at 12:01 a.m.

Garrison said his department estimates 36 persons will be killed on streets and highways during the 72 hours from the beginning of "Operation Motorcade" to 11:59 p.m. Monday.

But he said the prediction won't come true if all drivers make certain both themselves and their vehicles are in excellent condition, and if they use "caution, courtesy and good sense" at all times while at the wheel.

Redistricting Hearings to Finish

Congressional redistricting hearings conducted by a Texas Legislative Council committee will wind up here next month.

Meetings already have been held in Fort Worth, Dallas, Houston, San Antonio, Lubbock and Tyler. Committee Chairman Sen. Geo. Moffett of Chillicothe, said the group has "had many suggestions" for redistricting.

Its big job now is to mold them together and come up with a reasonable plan or set of plans for legislative consideration, thus carving the state into 23 congressional districts as nearly as possible equal in population.

Youth Council Asks Increase

The Texas Youth Council—administrator of Gatesville and Gainesville schools for delinquent youths and of juvenile parole programs—told examiners from Governor Connally's and the Legislative Budget Board's offices it needs to raise its biennial budget by \$8,200,000 to \$18,500,000 for fiscal 1966-67.

Council's director, Dr. James A. Turman, warned that the youth-reform systems would be set back to the difficult days of 1957 unless the State Legislature approves a sound, long-range program of care and construction.

In addition to \$3,400,000 for construction at Gatesville, Gainesville and Crockett schools for juvenile offenders, the Council proposed establishment of a \$1,388,367 home for dependent, neglected and orphan children, (but did not suggest a location). This because the State orphan homes at Waco and Corsicana are crowded to capacity and expansion at those sites was not deemed practical.

Draft Dodge Draws Penalty

Noting an estimated 6,000 to 8,000 18-year-old men have not conformed with the draft registration law, Col. Morris S. Schwartz, State Director of Selective Service, issued an reminder that 18-year-olds who wait more than five days after their 18th birthday to register with their local board are subject to penalty.

Maximum penalty for failure to comply with the draft law, Schwartz said, is five years in prison, a \$10,000 fine, or both.

MODERN ELECTRIC COOKING

The coolest, cleanest kitchens in town are those with electric ranges. An electric range cooks without flame so no flow of air is needed through the oven for combustion... heat stays inside where it belongs. Pots and pans stay bright... walls and curtains stay cleaner... because electric heat is as clean as electric light. You'll spend less time scrubbing and scouring... have more time for other household activities.

See the flameless electric ranges at your dealer's soon and start cooking the cool, clean, electric way.

BUY U.S. SAVINGS BONDS NOW

LOCAL BUSINESS . . .

By S. S. TALBERT, Ph.D. University of Mississippi

In every state, in nearly every county, of the United States are small towns in which former business areas have become ghost streets.

The scene is a common one: store windows boarded over; former business buildings being used for storage; dust gathering on empty shelves.

The movement of trade came about as a result of better highways, faster automobiles, and poor promotion by the local merchants.

What about the future? Will super highways and still faster automobiles begin to sap the commercial activity still farther from the community? Not necessarily so.

The local merchant holds many advantages over distant competitors. The local consumers will remain loyal IF he thinks he will get a fair price at home. He will remain loyal IF he knows he can find the variety he seeks at home. He will remain loyal IF he realizes how much he will save in transportation costs by trading at home. He will remain loyal IF the local merchant demonstrates that the local store is progressive and up-to-date.

In short, every IF concerning the future of the small city merchant depends upon his use of advertising and other promotions to keep the local consumer interested and informed on the ever-changing goods and services constantly being offered to the consumer by distant competitors.

Granddaughter of Hico Residents Married in Louisiana

Miss Judith Diane Rodgers, daughter of Mr. and Mrs. Joseph P. Rodgers of Lafayette, La., became the bride of Ronald David Sarver, whose parents are Mr. and Mrs. Arley Sarver of Ebenezer, La. The wedding was solemnized recently in the Asbury Methodist Church at a candlelight service.

The bride, given in marriage by her father, wore a white floor length peau de sole dress designed with Chantilly lace over the bodice which featured a scalloped neckline. Long sleeves which came to points over the hands were of additional interest. The pleated bell-shaped skirt was highlighted by a Chapel train enhanced with lace applique. A beaded tiara held an elbow length veil of illusion. She carried a cascade of white roses and accented by a white orchid.

Elizabeth Cartwright was maid of honor, and Miss Vicky Womack was the bridesmaid.

Calvin DuBose was best man and Gaynor Burleigh was groomsmen, Tommy Rodgers, brother of the bride, Larry Sarver, brother of the bridegroom, Maurice Leathery and Nolan Landry were the ushers. Misses Sharon and Susie Smith were candle lighters.

Large white candles entwined with fern were used on each side of the altar. Candelabra which held white tapers were placed in the front and to the rear of the church and baskets of gladioli and carnations were also used on the altar.

A reception followed the ceremony at Wesley Foundation where the bride and groom, their parents and the wedding party greeted guests. Greenery interspersed with white Asters formed the decoration of the reception table.

The bride's table was overlaid with a white cloth over a pink underlay and the base of the three tiered confection was surrounded by greenery and small white carnations.

Supplementary tables were decorated with the same kind of flowers and the registration table was designated by a rice tree which held pink rice bags.

For a wedding trip to the Smoky Mountains, the bride changed to a beige lace suit and brown accessories. A white orchid corsage complimented her ensemble.

The couple will reside in Lafayette. The bride is a graduate of Lafayette High School and of the University of Southwestern Louisiana. The bridegroom graduated from Crowley High School and is a candidate for graduation from USL in January.

The bride is the granddaughter of Mr. and Mrs. J. P. Rodgers Jr. of Hico.

Miss Jones, Mr. Andrews Married in Recent Church Ceremony

By MRS. EUNICE DANIEL

A beautiful candlelight ceremony at the Lanham Methodist church last Saturday evening, August 29, Miss Joyce Fay Jones of Lanham and Bernard Andrews of Hamilton were united in marriage.

Wesley Jones, uncle of the bride, performed the doubling ceremony before an archway of greenery and small white mums, in an arrangement of large palms on either side amidst the candlelight setting.

Miss Jones chose pink and white as colors for her wedding. She wore a floor-length gown with a light train of white peau de de, over-layed with a dress of light white lace with long sleeves which tapered to a point at the wrist. Her veil was attached to a white headpiece. She carried a bouquet of pink roses centered by a white orchid.

The bride's attendants wore critical pink street-length dresses with fitted bodices and wore headbands of white. Mrs. Don Bullock served her sister as matron of honor. Bridesmaids were Mrs. Naoma Jones and Miss Naoma Andrews, sister of the groom.

Attendants to Mr. Andrews were Dale Swindle as best man, and Dale Swindle and Howard Swindle.

Stephanie Walker Honored With Party On 10th Birthday

Mrs. Harold Walker honored her daughter, Stephanie, with a party last Monday. The courtesy marked her tenth birthday.

The group attended the theatre in Stephenville, and returned to the Walker home to enjoy hamburgers, chips, drinks and birthday cake.

Present were Johnette Walker, Susan Knudson, Debbie and Gayla Redden, Nancy Hicks and the honoree.

Mrs. Lester Roberts furnished the wedding music and accompanied Miss Judy Jones as she sang "Always" and "Hand in Hand."

For her daughter's wedding, Mrs. Jones chose a blue dress and hat with matching accessories and an orchid corsage. Mrs. Andrews wore light beige with matching accessories and an orchid corsage.

Ushers and candlelighters were Ronald Ray Jones, brother of the bride, and Johnnie Cannifax of Hamilton.

Miss Jones was given in marriage by her father, Raymond Jones of Lanham.

Mr. and Mrs. Andrews will make their home in Brownwood where Mr. Andrews will be attending Howard Payne College.

Church of Christ Has Sunday Fellowship

Hico Church of Christ members enjoyed an old-fashioned dinner and an afternoon of fellowship last Sunday in City Park, following the morning church services.

MISS JONES, MR. VICK WED IN HAMILTON CEREMONY

In a beautiful French black and white wedding, Miss Juanita Ruth Jones and Jerry Donald Vick were united in marriage at 8 p.m. Saturday, August 22 in the First Methodist Church at Hamilton.

Rev. Wesley Jones, father of the bride, officiated at the double-ring ceremony before an archway of palms and arrangements of white gladioli. In the background were four candelabrum holding white tapers. A white kneeling bench was used.

Mrs. Ervin Jones, organist, played traditional wedding music and accompanied Miss Cora Ann Thompson, cousin of the bride, as she sang "Whither Thou Goest" and "The Lord's Prayer."

Miss Lynne Batchelor of San Diego, Calif. was maid of honor. Bridesmaids were Misses Joyce Jones, cousin of the bride, and Marolyn Jones, sister of the bride, both of Lanham, LaDene Kostelnick of Fort Worth, and Mary Couch of Lubbock, niece of the groom. Miss Carol Cleveland of Waco, cousin of the groom, was flower girl.

Serving as best man was Tom Arnold of Alexandria, Virginia. Groomsmen were Jeffery Geye of Lufkin, cousin of the groom and Ronnie McDaniel of Austin, and ushers were Bobby Guest and Mike Kautzsch of Dallas. Don Jones of Lanham, cousin of the bride, and Mark Couch of Lubbock, nephew of the groom, lit the candles. The bride's brother, James Jones of Lanham, served as ringbearer.

The bride, escorted down the aisle by her brother, Johnny Jones of Hamilton, wore a gown of white peau de soiu fashioned with fitted bodice appliqued with lace and pearls, tiny buttons down the back and long sleeves which came to a point over her hands. The skirt flowed into a lovely chapel train. She wore a mantilla made of imported Spanish lace and carried a bouquet of white gardenias and lilies of the valley on a lace fan.

The bride's attendants wore floor-length gowns of white peau de soiu fashioned with sleeveless fitted bodices with scoop necklines and bell skirts. They each wore a strand of pearls, a gift from the bride, nose tip veils of tulle centered with peau de soiu ringlets, and carried bouquets of gardenias on small white lace fans.

Little Miss Cleveland was dressed like the bridesmaids and carried a white basket of rose petals.

The mother of the bride wore a sky-blue dress of crepe with lace covered bodice and bone accessories. The groom's mother wore a pink silk shantung dress with beige accessories.

A reception was held immediately following the ceremony.

The bride's table was laid with white net over taffeta and centered with the bride's bouquet flanked by candelabra. The four-tiered wedding cake was topped with two white ceramic doves.

Mrs. Danny Halle of College Station, Mrs. Ray Turner of Killeen, cousin of the bride, and Mrs. Don Bullard of Hico, cousin of the bride, served wedding cake, punch, nuts and mints.

Mrs. Johnny Jones sat at the bride's book.

The bride is the daughter of Rev. and Mrs. Wesley Jones of Lanham. She is a senior at Texas Wesleyan College and is a member of Gamma Omicron sorority.

The groom is the son of Mr. and Mrs. A. L. Vick of Hamilton, and is a senior at Texas A&M.

For traveling the bride chose a white sharkskin blazer suit, white

accessories and white sailor hat. After a wedding trip to Thes Ritos Lodge in New Mexico the newlyweds will be at home in College View Apartments at College Station.

We have had warmer weather the past few days but with the autumn months coming up we hope to have some cooler temperatures.

We were very sorry to learn of the death of Mrs. Mollie Harvey of Hico, and sorry we were unable to attend the funeral service. We well remember our last chat with her, as she sat on her porch at the Brown apartments. We noted her declining health at that time. Our sincere sympathy is extended to the children and other relatives.

Mr. and Mrs. M. D. Lofton of Houston are visiting this week in the home of her twin brother, Mr. and Mrs. Willie Turner and Bernice. All of the Turner's children and families were home during the weekend with the exception of Mr. and Mrs. Jacki Turner and Susan or Arlington. Present were Mr. & Mrs. Billy Turner, Kurtis and Rhonda, Mr. and Mrs. Ray Turner and Keith and Mr. and Mrs. Ray Botkin, Tammy and Patsy of Killeen.

Mr. and Mrs. E. M. Hoover received a letter from Mrs. Albert Mason, who is in Temple with her husband, who underwent major surgery at Scott and White last Thursday week, saying he was doing fine and expected to be able to return home Thursday of this week. She stated he was able to eat certain foods, which is a great improvement in his condition. His many friends will be glad to learn of his improved condition.

A Mr. Star, who lived on the Gatesville and Turnersville road on a 900-acre ranch was found dead at his home early Sunday. Mr. Star had been cutting weeds with a mower on his tractor when he noticed some wire had wrapped around parts of the machinery. He jacked the machinery up to remove the wire and the machinery fell on him, crushing his windpipe. His wife was in New York to attend the World's Fair. A teenage son was in Gatesville and returned home after night. Thinking his father was in bed, he retired for the night. When he found him missing Sunday morning he went in search of him. Funeral services were pending the arrival of his wife.

Mr. and Mrs. Herman Derden and son of Cleburne visited Sunday in the home of her mother and brother, Mrs. Olga Duncan and Archie.

Vacation time for our youngsters ended this past weekend, when they began classes at Hamilton, Hico, and Iredell School. Some of those attending the Hamilton School will have some of the former Fairy faculty members as their teachers since Mrs. Lester Timmerman, Mr. Eddie LaDuke and Mr. Herman Walton are all teaching there. Mrs. O. H. Brummett is teaching at Iredell and their children, Grant and Nancy will accompany her and attend school there. Leota Jones is driving the Hamilton bus. We have not learned who is driving the Hico bus.

Mr. and Mrs. E. M. Hoover were shopping in Waco Saturday. They were in Fort Worth one day last week and while there visited with Mr. and Mrs. John Finkin, who are patients at a rest home. Mrs. Finkin is now confined to bed. Mr. Finkin suffered a stroke or two and she is ill of cancer. She is the former Maggie Gann of Fairy and cousin of Mr. Hoover.

C. M. Broyles attended his family reunion held at Brady a few weeks ago.

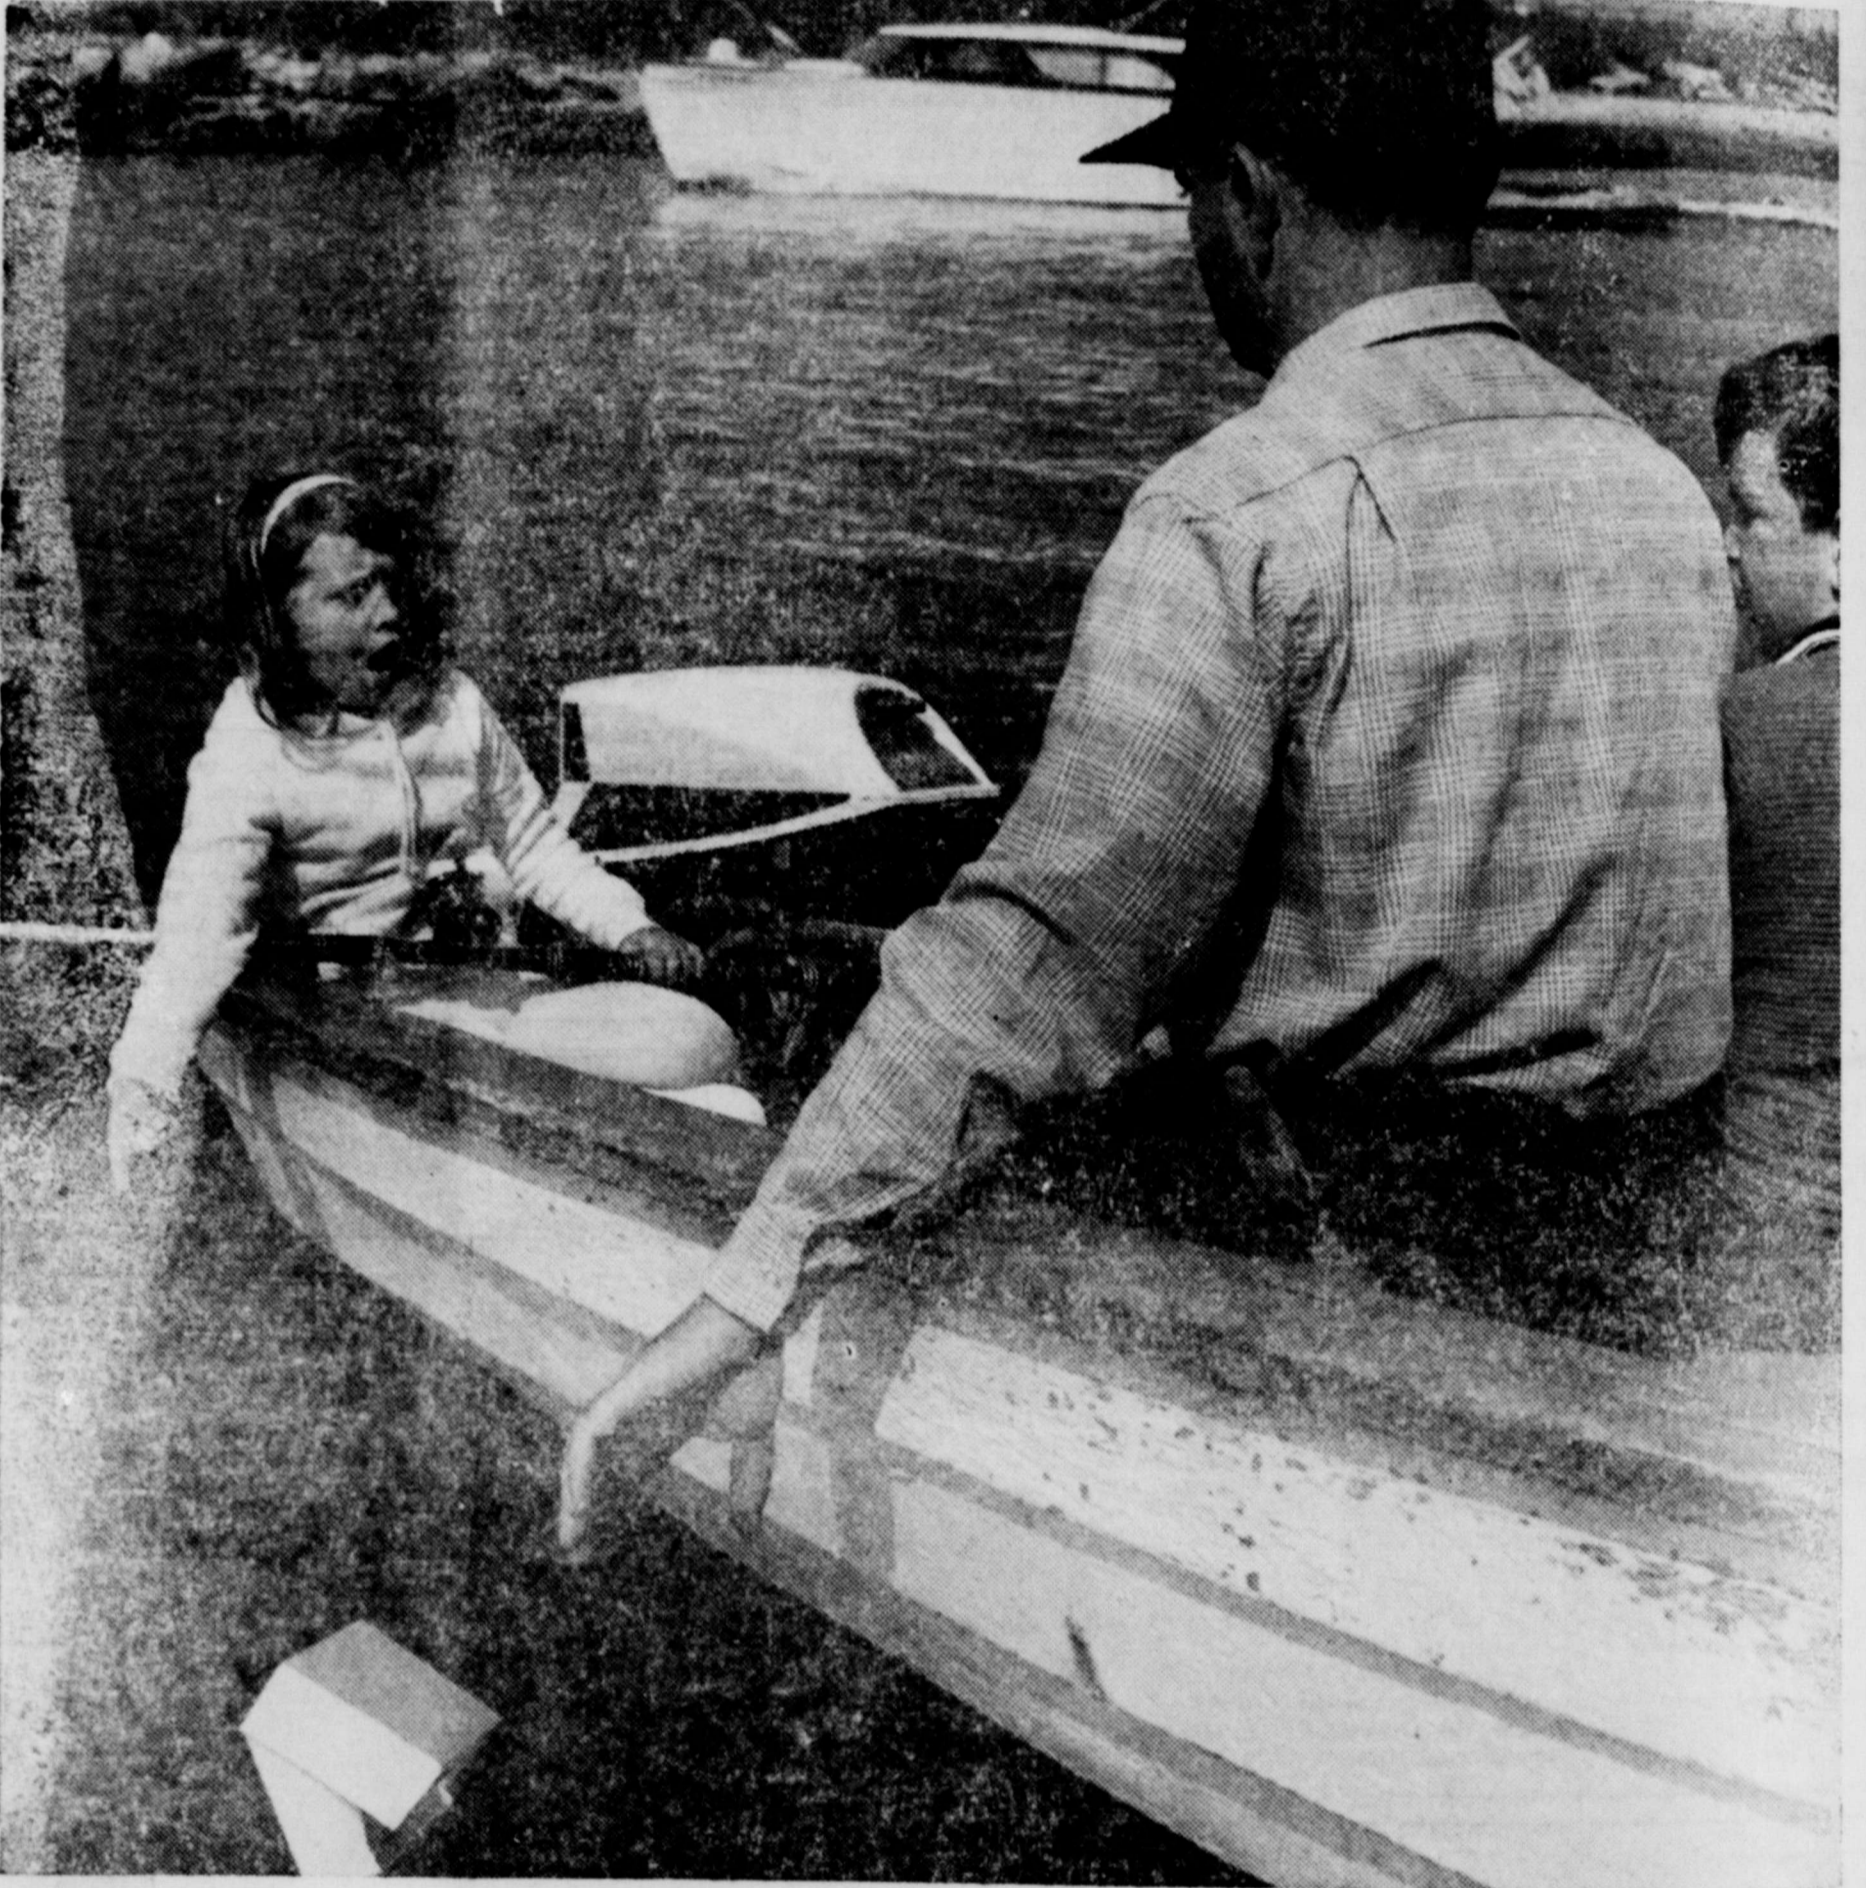

Mr. and Mrs. Ray Turner and Keith of Killeen spent the weekend here with their parents, Mr. and Mrs. Willie Turner and Bernice and Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice. They were up to attend the wedding of Miss Joyce Jones, cousin of Mrs. Turner.

The writer was a business visitor in Stephenville on Wednesday of last week and while there visited in the home of our daughter Mr. and Mrs. D. E. Allison and Mrs. Lee King and little daughter. Farmers are busy re-breaking their stubble and maize land since

the good rains have brought a good growth of grass and weeds.

Visitors in the home of the writer Sunday afternoon were our two daughters, Mr. and Mrs. D. E. Allison of Stephenville, his mother, Mrs. Ed Allison and Mr. and Mrs. Darrel Allison of Dublin, Mr. and Mrs. Carl Ray Sellers, and Janice and Mr. and Mrs. Ray Turner and Keith of Killeen. Also Mrs. O. H. Brummett and her mother, Mrs. M. C. Anderson of Hamilton. Mrs. Anderson had been visiting in the home of her daughter and was enroute home when she dropped by. Mrs. Anderson was a girlfriend of the writer. Other visitors in our home who called to see our new house were

Mr. and Mrs. Loftin of Houston, Mrs. Ray Botkin and Tammy and Mrs. Billy Turner, both of Killeen, Mr. and Mrs. Robert Dennis have been working at the cemetery and have it almost finished, hoeing all lots under care and mowing. Again let us say, if your lot is not being supported or you haven't worked it, then it needs working. We hate to see these lots grow up in weeds but as we've stated in times past, we don't get enough funds to keep all lots. Those who pay in expect their money to be used on their lot and we think this is right. If you have loved ones buried here won't you please check with relatives to see if anyone is looking after the lot.

"Daddy, you forgot...every litter bit hurts!"

It happens in the best of families! Dad takes the kids out fishing and forgets that every litter bit hurts . . . in more ways than one!
 ■ Floating litter is a safety hazard. Litter causes pollution of waterways. Litter causes good fishing spots to be closed down . . . spoils the natural beauty of America's parks and recreation areas. And that's not the

worst of it! ■ The good citizenship habits you want your children to have go overboard when they see you toss litter away. So, Dad, Mom, everybody—lead the way to the litterbag. Carry one in your boat and car. On camping trips, take litter out with you. Make it a family project to Keep America Beautiful!

Riding Club Roundup . . .

By JOYCE SHEPHERD
A number of cutters were at the arena Tuesday night. Several out of town people plus our local talent. We always have a fair sized crowd to watch this event. Mrs. Pauline Russell and Margaret Mote worked in the concession stand and we appreciate that.
Friday night was our monthly Kids Night, and although we didn't have a large crowd, they were very enthusiastic.
In the barrel racing event Dianne Garner was first, Sherry Weathers second and Janis Shepherd, third.
In the pole bending and flag race events, there were about 12 participants and we did not get the names of the winners, but those who entered were Linda Crites, Sherry Weathers, Dianne Garner, Kay Kilgo, Lester Chew, Joyce Garner and Lee Crites.
In the sack race, Dianne Garner won first place, plus a dollar bill donated by George Kilgo.
The kids were cheered on by the crowd in which were many familiar faces and a few new ones.

"At least we're gittin to work in the shade."

IT'S THE LAW—

Mistake and Fraud

When you get the short end of a deal you may feel inclined to claim mistake or fraud to get out of the contract.
But courts are not inclined to correct your business mistakes unless they also find serious injustices. For to charge the other party with fraud is serious since fraud is a crime as well as a civil cause of action.
Our courts, therefore, demand more proof than usual in civil cases where one sues to get out of a contract on the grounds of fraud.
Suppose Smith and Black agree to do something in clear language, but Smith does not grasp the terms of a plain contract. This failure of Smith will not void the contract and our courts will enforce its terms.
But suppose instead Black well knew that Smith had made a mistake, and he still didn't explain it to Smith. Then if this can be proved, Black may have trouble enforcing his contract.
Both parties often make a mistake which may void the deal. In one case Raffles agreed to buy and Smith to sell goods arriving on a ship named the "Peerless." But it just so happened that two steamers had the same name. Raffles and Smith had in mind different steamers. No contract. Why? No meeting of the minds.
But to end such a contract both parties must make a mistake about something in the contract.
People often make oral agreements, and later write the terms down. Suppose they make a mistake in doing this. When they find such a mistake they can go into court and have the contract reformed.
To induce the other party to agree through fraud makes the contract void. For a court to act in a fraud case one must prove five things:
1. A false representation;
2. The speaker's knowledge of its falsity;
3. His intention to mislead the other party;
4. The other's innocent reliance on the statement; and
5. Damage resulting from the deception.

Unless every one of these elements are proved there is no legal fraud.
Except for guardians and others in positions of great trust, the law assumes that persons deal at arms length and have equal ability to protect themselves. The law, in short, expects you to use your head in checking out claims and facts. This goes to the ancient Roman principle: Cavet Emptor (let the buyer beware). The law expects you to look into the claims of the other party, and not to agree to any old paper shoved under your nose as a "standard" contract.
(This newsfeature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law).

COUNTY AGENT REPORTS

By DeMARQUIS GORDON

We are proud of Darwin Cox, a Carlton 4-H Club member. Darwin's 4-H record book placed second in the district record book contest in Stephenville August 25. The record book was entered in the agriculture division.

Darwin's projects include beef cattle, sheep, swine, corn, and a vegetable garden. Two other Hamilton County 4-H boys entered record books in the district contest. They were Brent Williams and James Ivey of Pottsville. Brent's book was entered in the sheep and goat contest and James competed in the swine division.

With cotton harvest getting underway in Hamilton County, farmers should make sure their trailers are in good condition. Cotton trailers, properly designed and in good condition, can make several extra dollars per bale.

The following suggestions are a guide for getting trailers ready for harvest season:

Trailers used with spindle pickers should be large enough to hold at least three bales. This means the box size should be a minimum of 750 cubic feet. Stripper trailers should be large enough to hold a minimum of two bales. A bale of stripped cotton will require approximately 450 cubic feet of trailer space for proper handling.

There should be no loose nails, scrap metal, rocks or other trash in the trailer which may be picked up by the gin suction.

Sides should be mesh, slatted or perforated, and front ends should be solid to prevent contamination of the load by road oil and tar.

Keep cotton loose and dry while it is on the trailer. This will result in smoother ginning and generally better grades.

Provide at least enough trailers to hold one day's harvest. More may be desirable, depending on your harvesting and ginning conditions.

Trailers should be equipped with reflectors and a tail light to in-

Dairy Short Course For Adult Farmers Sept. 8-11 at Carlton

A dairy short course for adult farmers will be held September 8-11 under the sponsorship of Carlton High School Vocational Agriculture Department, according to Mr. S. P. Stewart, supt. and Martin Schrank, agriculture teacher.

Mr. Joe Hillin, Dairy Specialist with the Texas Education Agency, and the Department of Dairy Science at Texas A&M, will be instructor for the course. He is headquartered at A&M.

The short course will begin at 8 p.m. in the vocational agriculture building. Other meetings will be held September 9, 10 and 11. During the dates the short course is in progress, Mr. Hillin will be available to assist dairymen with individual problems and to provide on-the-farm instruction according to Martin Schrank.

Dairymen interested in attending the short course should write or call Mr. Schrank. A fee of \$2.00 will be charged and certificates will be presented to those attending all of the training sessions.

Mr. Hillin stated that the short course will be adjusted to wishes and interests of dairymen enrolled, but that he expects to cover such subjects as developing a good dairy herd, raising cows and heifers, feeding for milk production, making and feeding silage, methods of using milking machines, general management problems, and dairy equipment.

sure safe operation on public roads.

Even though snakes are generally beneficial, poisonous snakes around the home can be fatal. A few simple precautions will usually eliminate snakes from an area.

Formost in the control of snakes around the home is the removal of all rubbish. Rocks, trash and lumber piles, fallen tree limbs, tree stumps and similar debris often harbor rats and mice which form principal food of most snakes. In addition, this trash provides cover and protection for the snakes.

Dense, low-growing weeds and grasses also can supply food and cover for snakes. Therefore, if all rubbish is removed and all dense vegetation is mowed, the snakes will be forced to seek a more suitable environment.

CAREER EMPLOYMENT
... CAN YOU QUALIFY?
AUSTIN — A GOLDEN OPPORTUNITY awaits above average young men between 21 and 35 with a high school education who are in good physical condition. To learn full details about how to further your education, obtain many personal benefits, and receive complete training for a career in public service, contact any DPS patrolman or your nearest Department of Public Safety office.

Operation Motorcide Goes Into Effect Friday at Midnight

Austin, Sept. 2.—Col. Homer Garrison, director of the Texas Department of Public Safety, announced today that "Operation Motorcide," the grim tabulation of Labor Day traffic deaths as they occur, will go into effect at 12:01 a.m. Saturday, September 5.

The Department has estimated that 36 persons will be killed on Texas streets and highways during the 72-hour holiday period, which will last until 11:59 p.m. Monday, Sept. 7.

Garrison called upon the driving public to join in a "crusade of common-sense driving to lessen the toll of tragic holiday deaths caused by motor vehicles."

"The heaviest concentration of moving vehicles is during holiday periods," he pointed out, "and it is during these times that drivers should exercise caution to the utmost."

"There is always a chance that the estimate of traffic deaths can be proved too high if all motorists put forth a concerted effort toward holding the line against accidents by staying especially alert to the added dangers of holiday travel."

The DPS Director said Labor Day this year comes at a time when traffic tragedy appears to be outstripping that for 1963, when an all-time high of 2,729 deaths were tabulated. He reported that more than 1,700 persons have been killed already this year for an increase of over 12 percent, adding that if the trend continues the toll for 1964 will exceed 3,000 traffic deaths.

The Department of Public Safety will continue in their all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways, Garrison said. Officers from other DPS uniformed services will be assigned to Highway Patrol duty during the holiday period to add to the enforcement effort.

Garrison noted that several public and private agencies are carrying on programs to supplement the safety emphasis effort for the Labor Day holiday. Junior Chamber of Commerce over the state will operate some 200 rest stops for fatigued drivers to whom free coffee will be served.

The Texas Highway Department will carry on a continuing information and education program instructing drivers in freeway driving and the need for caution near highway construction areas.

And the Texas Council of Safety Supervisors and the Texas Motor Transportation Association will sponsor a fleet of 35 to 40 cars which will be used to assist motorists who are stranded. This "Holiday Road Patrol" will be manned by the safety director, safety supervisors and safety engineers of the trucking industry who comprise the membership of the Council. Its primary purpose is to help relieve highway patrolmen for enforcement work by aiding motorists in distress.

Garrison listed several items for positive action in his appeal to all drivers. He urged each person to: Make sure the car and all its equipment are in proper working order at all times.

Be sure the driver is in good physical and mental condition. Be considerate toward other travelers.

Be alert for unexpected actions on the part of other drivers.

Be alert for unexpected road hazards and dangerous road conditions.

Avoid improper passing and maintain control of the car at all times.

Slow down and be able to cope with all existing conditions and circumstances.

And to use caution and good sense at all times. "Your cooperation as a driver can be the deciding factor in leading to a reduction of traffic accidents and fatalities in our state," Garrison concluded.

Nine Different Night Courses Offered at TSC

Stephenville.—(Sp). Nine different courses in eight areas of study will be offered as night courses at Tarleton State College this fall, according to the schedule released by Dean Paul Cunyus.

Drop-Outs Critical

Measuring the cost to the nation's economy of some 900,000 school drop-outs each year by the dollar, Col. S. Perry Brown, chairman of the Texas Employment Commission, said it adds up to millions of dollars each year.

Then he warned, "If effective action is not taken, I submit that we will pay ten-fold in re-training, welfare costs, and other forms of dependency. Yet the greatest loss both economically and socially will be in wasted man resources."
