Hico Man On the Scene at Hamilton Gas Fire Tuesday

A Hico man, Gene Smith, was on the scene early Tuesday morning when the gasoline transport truck caught fire and burned at Hamilton.

Smith had accompanied W. D. Gideon of Fort Worth to Hamilton to deliver the load of fuel. Gideon, driver of the truck that burned, is a son of Mr. Smith's wife.

The three-hour blaze destroyed the self-service station at the south edge of Hamilton, two small houses and 12,000 gallons of gasoline.

The fire quickly enveloped living quarters behind the station occupied by a wheelchair invalid, Mrs. Velma Simpson. She was carried to safety by Charles Coston, a Hamilton County commissioner, who broke through a screened window to rescue her.

Gideon had arrived at the station and began unloading gasoline into two vertical above-ground storage tanks at 1:20 a. m.

"I was sitting in the cab," said

Gideon, "and I heard a loud whoosh. I jumped out and ran real quick."

The fire started at 1:35 a. m. and quickly spread, igniting the station and living quarters, and two residences. One of the residences was unoccupied. The other was owned and occupied by Mrs. Ida Speiker, who escaped unharmed.

Also destroyed was a garage near the station's living quarters. Windows in three other homes were broken by the heat.

There was no explosion, but a number of flare-ups occurred. At times the flames shot 100 feet in the air. Fire fighters opened the valves and played water on the tanks to keep them from exploding.

No damage estimate was available and cause of the fire was undetermined.

Fire units from Stephenville, Gatesville and Shive aided Hamilton men in fighting the blaze. The fire was controlled about 4:30 a. m.

Daughter of Mr. and Mrs. Bill Baley, Barbara won the title over

five other candidates to become the second Hico girl in the last three years to cop the crown. The former Dorothy Gray was the other Hico girl to win the title.

The honor entitles Miss Baley to compete with other county winners for the district crown, to be held August 31 at Cameron.

Senior Citizen Program For Hamilton County Will Be Started

A Senior Citizen Program to locate and serve the senior citizens of Hamilton County will soon be underway.

A county-wide, door-to-door survey will be necessary in setting the foundation for this program. Within the next few weeks a worker on the project will be calling upon all citizens 60 years of age and older. Assistance will be needed in filling out the survey form, and will determine the service that can be rendered from this program.

Mrs. Mildred Anderson is coordinator for Hamilton, Erath, Bosque and Mill counties, and has headquarters in the American Legion Hall in Hamilton. She said that volunteers would be needed in the Hico area, preferably some senior citizen, or anyone interested in the program.

MRS. ROBERT LEON SLOVAK

MISS MERRIJO GLEASON AND MR. SLOVAK CHANGE WEDDING VOWS SATURDAY

and Mrs. Robert Leon Slovak honeymooned in New Orleans during their wedding in Ennis Friday evening, August 10.

The double ring rites for Miss Merrijo Gleason, daughter of Mr. B. B. Gleason, and Mr. Robert Leon Slovak, son of Mr. and Mrs. Joe E. Slovak of Ennis, were read by Rt. Rev. Msgr. James Beck in an impressive candle-light ceremony Saturday evening at 7 o'clock in St. John's Catholic Church.

The altar was decorated with candles in branched candelabra that were entwined with green and white gladioli and a pom pom interspersed with palms.

The bride, who was given in marriage by her father, chose a white length formal gown of soft tulle that was designed with empire waist and elbow-length sleeves. Appliques of embroidered lace enhanced the bodice, sleeves, and skirt of the gown which was fashioned by the bride's mother. Her shoulder-length veil of illusion was caught to three all white satin roses. She carried a colonial bouquet made of white carnations centered with white Japet orchid corsage.

Mrs. Tom Chames, sister of the groom, was matron of honor and Mrs. George Toth, sister of the groom, and Mrs. Jack Turner were bridesmaids. The attendants wore long street-length dresses made of tulle de soie that featured built-up sleeves of yellow embroidery. Their headpieces were circular tulle caps attached to yellow tulle de soie roses. They carried colonial bouquets of bronze mums.

Freddie Holey of Ennis was best man, and groomsmen were George Toth, and David Gleason, brother of the bride. Ushering were Charles Toth and Joe Lansfield, both of Ennis.

Madyn Valigura, organist, played the traditional wedding marches and accompanied Mr. and Mrs. John Toth and Mrs. Charles Jurik as they sang "Ave Marid," "Mother, Your Feet We're Kneeling," and "This Day."

For her daughter's wedding, Mrs. Gleason chose a two-piece turquoise suit with black patent accessories. The bridegroom's mother wore a powder blue crepe dress with black patent accessories. Both wore corsages of white feathered arrangements.

Following the ceremony, the parents of the bride were hosts for a reception in Knight's of Columbus Hall.

The bride's table was covered with a yellow cloth overlaid with white and centered with white wedding bells encircled with the bridegroom's bouquets. Crystal and silver appointments completed the setting. The three-tiered columned wedding cake, which was topped with white wedding bells and miniature bride and groom, was served by Sue Deen. Mrs. Slovak presided at the punch table, with Joy Littlejohn at the

guest register.

For travel, the bride wore a three-piece linen suit with brown accessories and the Japet orchid corsage from her bridal bouquet.

The bride is a graduate of Fairy High School, and East Texas State University at Commerce. She is a teacher of home economics in Ennis High School. Mr. Slovak is a graduate of St. John's in Ennis, and also attended Nacogdoches Junior College and Arlington State University. He is now a building contractor in Dallas. They will make their home in Ennis.

Mrs. R. J. Russell and David accompanied by her mother, Mrs. R. A. Herrington, were in Conroe recently and visited in the home of Rev. and Mrs. Cliff Herrington and family.

Fairy Community News

By MRS. EUNICE DANIEL

We received 3 inch of rain here early Monday. However the rain was heavier east of Fairy and may be at other points. It has cooled the air somewhat and will eliminate watering of flowers for a day or so.

Ted Arrant was rushed to the Hico Hospital by ambulance about 1:15 a.m. last Friday. He was transferred to Harris Hospital in Fort Worth Friday where he underwent surgery at midnight Friday for a blood clot. He is doing fairly well, but will be hospitalized for an indefinite period. We hope he will soon be able to return home.

Friends and acquaintances here of Haskell Lambert of near Comanche were very sorry to learn of his death last Friday. Haskell was in attendance at the Reunion just a week earlier and we were told he sang with the group that he sings with that night. He and his wife, the former Miss Mattie Bush of Cranfills Gap, also Mr. and Mrs. Elbert Lambert resided in the Fairy community for a number of years and the two couples who married sisters, Elbert's wife being the former Bera Bush lived together at the Parks place, known to many as the McNeill place, for several years. Funeral services for Haskell were held Saturday with burial at Arlington. Haskell was around 58 or 60 years of age. Sorry we don't have more information concerning his death and funeral. He had told friends at the Reunion that he had been having chest pains, and he died of a heart attack enroute to a hospital. Our sympathy is extended to the wife and family. Mr. and Mrs. C. C. Parks of Hamilton attended he funeral.

Mrs. Ruth Cunningham spent the weekend in Venus and Fort Worth with her daughters. Mr. and Mrs. Bob Frederick at Venus and Mr. and Mrs. Glenn Arrant and family and Mr. and Mrs. Walter Prinz and daughters of Fort Worth.

Mr. and Mrs. Jimmie Don Sellers of Grand Prairie spent the weekend with their parents, Mr. and Mrs. Carl Ray Sellers and Janice and Mr. and Mrs. R. A. Spencer of Hamilton.

Mr. and Mrs. W. E. Goynne returning home Monday after visiting since last Wednesday in the homes of their daughters, Mr. and Mrs. Gene Overton and family and Mr. and Mrs. Benny Dowdy and sons. Robbie McDowell returned home with them for a visit.

Miss Delia Willeford arrived home Sunday night from Alto Frio Baptist Encampment. Accompanying her was Steve Hampton and Michelle Duvall, both of Houston. Steve returned home Monday, and Michelle will spend this week with Delia.

Mr. and Mrs. Marvin Porterfield and Billy of Bangs were here Monday looking after business interest at their home here, and mowing their lawn.

Mr. and Mrs. E. M. Hoover visited Saturday near Turnersville with his cousin, Mr. and Mrs. Bud Turner and Miss Bessie Curd.

Mr. and Mrs. Weldon Parks and Becky of Grand Prairie and Truett Turner of Fort Worth visited during the weekend with Mr. and Mrs. T. R. Parks. The Weldon Parks also visited her parents, the Robert Streeters while the men went fishing on the Leon River.

Mrs. D. E. Allison and granddaughter, Karon Pittman visited last Friday in the home of her sister, Mr. and Mrs. Carl Ray Sellers and Janice.

Mr. and Mrs. Sterling Trantham and granddaughter, Regina of Morgan visited during the weekend with Mr. and Mrs. Lemmie Trantham. Also visiting Sunday afternoon were Mr. and Mrs. Murrell Ables.

Mr. and Mrs. Willie Turner and daughter, Bernice of Killeen left Monday morning for a vacation trip.

The writer attended singing Sunday afternoon at Lund Valley. Mrs. G. E. Woolsey accompanied us from Hamilton. We returned by Hico and visited with Mrs. M. C. Anderson at the Nursing Home. Mrs. Anderson entered the home Saturday for an indefinite stay. We hope she will soon be able to return to her home in Hamilton. She is the mother of Mrs. Ovie and Woodard Brummett of Fairy, and girlfriend of this scribe.

Mr. and Mrs. Lemmie Trantham attended church at Olin Saturday night and Sunday.

The former Deaton place has sold again, and we learn the new owner, Jerry Cooper, is making plans to build a new home there, which

will be near the old Cox home.

The new owner of the former Mont Young pasture southeast of Fairy has also purchased the former Petty land south of the road and they too will build a new house.

We are glad to see these new farm homes being erected. They will help to replace so many that have been moved out.

The writer attended the funeral of Mrs. Beatrice Boyett and Mrs. Lum Cook at Hico Monday. We extend sympathy to those bereaved in their passing. Both had been residents of Hico.

Mr. and Mrs. Truett New and family of Fort Worth and Mr. and Mrs. Leon New and family of Lubbock spent the weekend in the home of their parents, Mr. and Mrs. Leslie New.

Mr. and Mrs. Dale Ray and three daughters of Lubbock visited Monday in the home of her uncle, Mr. and Mrs. Leslie New.

Mr. and Mrs. Don Barnett and family of Edna and Mr. and Mrs.

J. T. Dempsey of Cleburne visited during the weekend in the home of the ladies' parents, Mr. and Mrs. Winfred Gardner and Randy.

The Knight place, better known as the old J. J. Leeth place, and the block of land west of the cemetery was sold recently. A Mr. and Mrs. Turner of Fort Worth purchased it and they too also plan to build a new home on it.

We are again asking those with delinquent cemetery dues to please send them in. If we do not get them these lots will again have to be left unworked. Our funds won't permit working them and notifying each of delinquent dues. We hate to leave these lots as once they grow up and the vegetation seeds its hard for us in the future.

Little Vicki Gardner, 9-year-old daughter of Mr. and Mrs. Larry Gardner of Arlington, is reported to be doing fine. She had recent heart surgery, and also later had a pacemaker inserted to assist the functioning of the heart.

Mrs. Mauzee Whitson and Mrs. Maud Whitson of Hico visited in Fairy Monday with Mr. and Mrs. W. E. Goynne and Mrs. Ruth Cunningham.

Mrs. G. T. Hatfield provided the

following clipping from the Austin American about the 100th birthday of B. P. Powell. Mr. Powell is the father of Mrs. George Waldrop, the former Artie Powell. For years she managed the telephone switchboard in Hamilton.

B. P. Powell of 5305 Ave F, celebrated his 100th birthday Friday, July 26. Mrs. Powell celebrated her 90th birthday Aug. 5. Mr. Powell spent the day chatting with most of the 70 visitors, including many relatives who came to visit with him. Mr. Powell had been ill the past week, but still managed to see part of a steady stream of well-wishers that included his only surviving brother, Robert E. L. Powell, 92, of San Angelo. Powell lives with his wife and two daughters, Mrs. Vada Martin and Mrs. Nona Starlin. He and his wife were married on Dec. 27, 1899. He was born July 19, 1868 near Ruth in Coryell County and lived on a farm there until 1915 when he moved to Levita. Mrs. Martin said that he was a witness of the first hanging in Gatesville, the Leater and Powell hanging (no relative). Powell moved to Austin in 1956. She said he went to school in a log school house "where the cracks on the walls

were large enough to crawl through". He is a veteran fiddler and last year attended the annual Fiddlers Day in Round Rock. He was unable to attend this year, but Mrs. Martin expressed hope that her father could be at the next contest. Mr. and Mrs. Powell have reared nine children, six girls and three boys. All but one son are living. He has 23 grandchildren and 25 great-grandchildren. Mrs. Martin says that her father enjoys just "sitting on the front porch and watching people go by." More visitors were expected on Saturday. Mrs. Powell, who was the former Bobbie Newman, was a half-sister of the late W. T. Newman of Fairy, father of the writer.

Actually, str, any season is political season, but now is the time when just about everybody is aware of it. But I just continue to be annoyed when I hear osmebody say his vote counts for nothing. Some people seem not to realize the pencil they vote with is more deadly than a gun.

One time in my life I had the incredible luck to be chaffeur to "Mr. Big" and be a delegate to a national convention. I got past all the guards and followed him thru every banquet, every night club, every party, every tea, every caucus, and into the smoke-filled room. I gained 12 pounds and lost lots of sleep, but one thing stands out: All those Governors, Senators, Judges, Chairmen, and all the others trembled like so many kids about to be spanked when somebody would ask "what will the voters do on election day?"

If our votes count for nothing why will some politician give half a million dollars to find out what we intend to do with our worthless votes? Why will he keep the people who head his mail after he fires everybody else? I think I do my Congressman a favor when I write him a short courteous letter for it costs me a lot less to tell him what I want than if he had to find out the hard way. And the nice things those fine men have done for me have been worth the price of many books of stamps.

It seems to me a politician will break his neck to do more for me than I ask, if he can, just because I asked him in a nice way for a favor. And he thinks I am doing him a favor to write him.

I know that you will notice I did not put in a plug for my party. Of course the politicians of my party are the best because they offer the best program for America but I love all politicians for I have been in the Far East where the great one sits "behind the bamboo" and issues orders without consulting anyone. If there is a famine or plague and many of his subjects die, what is it to him? If a tiger, a cobra or a python eats some of his subjects, why bother him? And who dares to bother him with some petty problem? You can

not even get in to see the great one. Here the letter must taper off for there are no words to describe what life is like in a land where people do without all those hundreds of little things and some big things too that politicians do in the desperate hope of getting my worthless vote and unknown to me are no telling how many favors some politicians could and would do for me if I had sense enough to ask him in a nice way. On the other hand I would not want to tell my friends in the Far East how it is over here for I do not describe this to them. They live and die and nobody tells me. But here I shed a tear. I tell myself it is not true that vote is worth nothing, for my dies died to make sure we keep on voting. On them be and God's blessings.

"Section 64. (a) The Legislature may by statute provide for consolidation of governmental offices and functions of government of any one or more political subdivisions comprising or located within El Paso or Tarrant Counties. Proposed CONSTITUTIONAL AMENDMENT
NUMBER NINE ON THE BALLOT (SJR4)

SENATE JOINT RESOLUTION No. 4 Proposing an amendment to the Constitution of the State of Texas, amending Section 48a of Article III thereof, so as to provide for contributions on the basis of the full salary of members of the Teacher Retirement System; providing for the submission of the proposed amendment to a vote of the people at an election and for proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 48a of Article III of the Constitution of Texas be amended so as to read as follows:

"Section 48a. In addition to the powers given the Legislature under Section 48, Article III, it shall have the right to levy taxes to establish a fund to provide retirement, disability and death benefits for persons employed in the public schools, colleges and universities supported wholly or partly by the state; provided that the amount contributed by the state to such fund each year shall be equal to the aggregate amount required by law to be paid into the fund by such employees, and shall not exceed at any time six per centum (6%) of the compensation paid each such person by the state and/or school districts; and provided that no person shall be eligible for retirement who has not rendered ten (10) years of creditable service in such employment, and in no case shall any person retire before either attaining the age fifty-five (55) or completing thirty (30) years of creditable service, but shall be entitled to refund of moneys paid into the fund.

"Moneys coming into such fund shall be managed and invested as provided in Section 48b of Section III of the Constitution of Texas; provided a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as

may be provided by law; and provided that the recipients of such retirement fund shall not be eligible for any other state pension retirement funds or direct aid from the State of Texas, unless such other state pension or retirement fund, contributed by the state, is released to the State of Texas as a condition to receiving such other pension aid; providing, however, that this Section shall not amend, alter, or repeal Section 63 of Article 16 of the Constitution of Texas as adopted November, 1954, or any enabling legislation passed pursuant thereto."

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1968, at which election each ballot shall have printed thereon the following words:

"FOR the amendment to Section 48a of Article III allowing contributions to be made on the basis of full salary of members of the Teacher Retirement System of Texas."

"AGAINST the amendment to Section 48a of Article III allowing contributions to be made on the basis of full salary of members of the Teacher Retirement System of Texas."

Each voter shall mark out one of said clauses on the ballot leaving the one expressing his vote on the proposed amendment. If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the state constitution and be effective from the date of determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and shall have the same published as required by the constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT
NUMBER THREE ON THE BALLOT (HJR20)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11a, Article VII, of the Constitution of the State of Texas, be amended to read as follows:

"Section 11a. In addition to the bonds enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Board of Regents of The University of Texas may invest the Permanent University Fund in securities, bonds or other obligations issued, insured, or guaranteed in any manner by the United States Government, or any of its agencies, and in such bonds, debentures, or obligations, and preferred and common stocks issued by corporations, associations, or other institutions as the Board of Regents of The University of Texas System may deem to be proper investments for said funds; provided, however, that not more than one per cent (1%) of said fund shall be invested in the securities of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; provided, further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for five (5) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors.

"In making each and all of such investments said Board of Regents shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not

in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital.

"The interest, dividends and other income accruing from the investments of the Permanent University Fund, except the portion thereof which is appropriated by the operation of Section 18 of Article VII for the payment of principal and interest on bonds or notes issued thereunder, shall be subject to appropriation by the Legislature to accomplish the purposes declared in Section 10 of Article VII of this Constitution.

"This amendment shall be self-enacting, and shall become effective upon its adoption, provided, however, that the Legislature shall provide by law for full disclosure of all details concerning the investments in corporate stocks and bonds and other investments authorized herein."
