

# Just Talk . . .

By MARY JO PATTERSON

... been a little busier, a little more, and scrambled together a little faster the weeks in order that you receive a copy of the weekly at the same time allow to go on a much needed vacation last weekend, and to enjoy the Thanksgiving this week.

... all the ladies have been plans for their Thanksgiving and getting the house in for visitors that are sure present for the holidays.

... Patterson was pushing a basket in a grocery store, and said she had then, was expecting more giving, and still more for, and she didn't know if to survive or not. Mother's pretty rough with all the and Daddy's have a tough time the grocery bill, but as McClammy said the other "Your kids are supposed to be home on Thanksgiving and I and I heartily agree."

... stores in town are well with Christmas merchandise. I was doing a little shopping Saturday afternoon with my children, Toby and Kristi, and they persuaded me to go to the Western Auto store. Dean Hyles and Reed entertained them so well that I was hard on Grandmother's something. She did—and she would.

... Sue Ross shopping for Christmas cards and we both decided with postage so high to go to the local drug store to get a little tired from the news it's nice to stop the street to the local drug store for a cup of coffee. Ops. The greets you with a pleasant efficient service, and Ben-

nie Seal is always drawing your attention to the pretties that are arriving daily for Christmas giving.

Got a note from Willa Dean Lackey of Dublin saying she missed her paper and by the time she got her check mailed, she had fooled around and missed two copies. She's back on the list this week.

A new subscriber to the News Review is C. D. Holman of O'Donnell, who owns a farm southwest of Carlton. He said he didn't know many people here but wanted the paper to keep up with the rainfall on his farm. We are glad to have Mr. Holman on the list, and will try to supply him with this information.

Laura Cody was in the office the other day. Glad to see her out since her surgery, even if she is moving around kind of slow.

I enjoyed hearing Betty Christian tell some of the experiences she had while entertaining some houseguests from Houston recently. I'm sure those folks will be looking forward to another invitation back to Hico after sharing the hospitality of Betty and Sonny's home.

Camille Trimmer and Marie Rainwater enjoyed serving a celebrity at the Polar Bear the other night when Jerry Lee Lewis and his band members stopped for supper enroute to Whitney for an engagement.

When I went in Blair's Hardware the other afternoon I found Louise and Lucille Slaughter down on the floor putting some newly arrived merchandise together. They seemed to be quite good, so if you have any problems putting something together, take it to Louise and Lucille.

In the spirit of the season, we at the News Review send a warm wish that your Thanksgiving will be blessed with all the good things of life.

Talked enough for this time. See you around.

MASTER SERGEANT BERNA

## Marine Sgt. Berna Presented Bronze Star Medal for Valor

U. S. Marine Corps Master Sergeant Donald R. Berna, son of Mr. and Mrs. E. A. Berna of Hico, has been presented the Bronze Star Medal with Combat "V".

M-Sgt. Berna, recently assigned to the Inspector-Instructor Staff of the 3rd AMTRAC Company at Galveston, was presented the Bronze Star recently by Major S. E. Thames for meritorious service in connection with operations against insurgent Communist forces in the Republic of Vietnam during the period of August 9, 1967 to August 22, 1968.

Sgt. Berna is currently residing in Hitchcock, Texas, and is married to the former Barbara Rodgers of Hico. They have three children, Paul, 12, Donna 10, and Rilla 7.

Sgt. Berna's citation read as follows: "For meritorious service in connection with operations against insurgent communist forces while serving in various capacities with the Third Amphibian Tractor Battalion, First Marine Division. During this period, Master Sergeant Berna performed his duties in an exemplary and highly professional manner. Initially assigned as Company Gunnery Sergeant of Co. B he displayed superior resourcefulness while his unit was operating in direct support of the First and Fifth Marines near DaNang. Participating in numerous major operations he consistently performed all assigned tasks in an efficient manner, which enabled the company commander to devote his full attention to the tactical situation.

"On 16 September, 1967, during Operation Ballistic Charge, the platoon with which he was moving sustained numerous casualties, including the commanding officer and platoon commander. Unhesitatingly taking charge of the situation, Master Sergeant Berna ably directed the medical evacuation of the casualties and assisted the injured platoon commander in re-organizing the unit and continuing the operation. In January 1968, the company moved on short notice to support the Second Republic of Korea Marine Corps Brigade at Hoi An, and within two weeks, sustained eight damaged vehicles. Working tirelessly, Master Sergeant Berna procured the necessary repair parts and, utilizing his vast technical knowledge, assisted in restoring the equipment to operational condition in a minimum length of time. Reassigned as Battalion Operations Chief on Feb. 4, 1968, his accurate and timely reports concerning the tactical situation were frequently used in intelligence documents in planning future operations.

"Master Sergeant Berna's leadership, outstanding professionalism and steadfast devotion to duty throughout were in keeping with the highest traditions of the Marine Corps and of the United States Naval Service."

The citation was signed by H. W. Buse, Jr., Lt. General, U.S. Marine Corps, for the President of the United States.

## Gorman Bops Tigers 54-28 In Season's Final Game

Hico's Tigers, who had given up a total of 57 points through the first eight games of the season, were embarrassed in the last two games, and were in the thick of the fight for the district championship until the final two games.

The Tigers started with a lackluster 6-0 loss to Stephenville B. and after a week of rest, came back to clobber Godley 38-0. The next week was supposed to be the turning point, and it was as Hico turned back favored Class A Grandview by a 22-6 count. The wheels were rolling by then, and fans could see a good season. The Tigers downed Richland Springs 30-8 the following week to run their mark to 3-1, and then were tied by a supposedly weak Evant team 6-6 at the midway point of the season.

Lometa popped up the next week to down Hico 23-12; the Tigers came back to beat Meridian 12-8 for the first time in years; downed a good Blanket team 18-0 in a game played in four inches of snow; and then the roof fell in. Everyone knows the scores in the last two games of the season.

The season can be considered highly successful, and team members are to be commended for their performance throughout the year.

We are still having very pretty  
weather for this time of year. We

vegetation had been killed, but guess  
we were mistaken since we were  
at our daughters Sunday afternoon.  
They have geraniums still bloom-

most of ours earlier, or at least  
killed a portion of them.

Ross Baldwin, son of Mrs. Willie Baldwin, left last week for Camp Chaffee, Ark., for service with the U.S. Army.

Who's Who, from the Mirror. The girl is a Junior. She is about 5 feet four inches tall and has dark hair and dark eyes. She dresses attractively and is quite popular with everyone. Lately she has been seen riding around in a red and white '55 Chevy with a former HHS genius by the name of Zeke Ogle. The girl likes sports, dancing, records, and boys. She has recently been voted assistant editor of the annual staff. I guess you realize that the girl is none other than Judy Griffiths.

WE'RE GIVING THANKS

Our forefathers gave thanks for food; for freedom; faith without fear of oppression. They paused in their effort to acquire the necessities of life to give thanks for the abundance of their blessings, and so—

We pause at Thanksgiving to express our gratitude for all the good things—your trust, good will, and for the right to work and earn the confidence you have placed in us. Our debt is great—our thoughts sincere. Thank you!

**Our Responsibility to Richard Nixon**  
Our President has been selected for the next four years, and regardless of our personal feeling toward

the one who has been chosen, we are to be a part of the success or failure of the new administration. The gigantic tasks glaring at the new President-elect are enough to make any ordinary man shudder, and anyone short of a forceful, effective action, can be left in complete desolation: a holocaust of desolation. Richard M. Nixon is human just the same as you and I, but we must recognize he is a man of determination, and we owe

him a constant and zealous loyalty; steadfast, unswerving, resolute. The dignity of the office of President of the United States demands that any freedom-loving American should do no less than give faithful adherence to those policies deemed our constitutional heritage. We do not always have to be in complete agreement, or in acceptance of every action with unquestioning support of all ideas, but we should weigh every policy carefully, and give the benefit of the doubt. Our privilege of disagreement is a cherished part of our heritage, and our most sure way to protect this most precious privilege is to stand steadfast behind the man chosen to defend and protect our peculiar advantage.

Mr. Nixon is the standard-bearer of the political party that is in the minority in Texas—but Texans need to stand firm in support of this new administration. The greatest challenge before the President-elect is to achieve unity of the American people, and to execute this phenomenal task demands not only a man of unlimited abilities, but the unflinching support of those who are willing to give the best we have to offer in attaining this objective. Never in her history has her people been so disturbed, so divided, so critical, and so suspended in judgment as the people of our United States today. We hesitate to pass judgment as to who is responsible for the precipitation of the vast incredibility that exists in our society, but we do hasten to state that if this condition is not corrected soon, our nation is fast approaching the point of no return. Our recognition of this unparalleled situation behooves each of us to stand behind our President with unflinching staunchness. No man can be a great President if the people continue to be divided and hostile toward his effort.

If unity can be achieved among the people of our country, all other problems can be solved with much greater ease. The background of Richard Nixon that stems from an austere Quaker family, indicates he has the character, the reserve, and the desire to resolve this, and other much needed mending of our infirmities. God has always given a man when the time demanded one who could overcome the seemingly unsurmountable obstacles. History

**PEP SQUAD ENDS SEASON**  
Much has been said about the great football team of HHS this season, but probably the most devoted followers of the Tigers were the ones that made up the Pep Squad.

Throughout the season the pep squad supported the team and when possible, provided halftime entertainment for the game. These girls stood by the team through wins and losses, and now that the season is over, maybe the team and pep squad will get a rest.

**PERSONALITY PLUS**  
Our Personality Plus this week is a great senior. He was a member of the football team, is in FFA, and is in the Drama Club production of "Little Women," which was given Nov. 23 and 27. He is treasurer of the senior class, and president of the Drama Club this year, and was vice-president of his class last year.

He was also Class Favorite last year. This guy is popular with all the students at HHS, and with most of Hico and Fairy. He's about 6' tall, with blondish brown hair, and blue eyes. He is a great contribution to the senior class and to HHS.

Our personality plus is none other than Brad Braune.

**COUPLE OF THE WEEK**  
Our couple this week has been going steady for a few months. The girl is a junior, 5'1" tall, has brown eyes and dark brown hair. She is very cute and has a great personality. She served as a cheerleader this year and is in the Drama Club and on the Mirror Staff. When she isn't with her steady, she can be seen with her best friend, V.P.

The boy is a former member of HHS and is now employed at the Dodge house. He drives a yellow '66 Supersport. His best buddies are D.P., R.L. and D.S., and he can be found with them almost anytime he isn't with his girl. Don't be surprised if you see him with another girl—he isn't two-timing her—it's only her little sister. By now you should know that our couple is Bobbie Boyd and Gary White.

records this many times, and even in the history of our own nation, we recognize the handwork of God in such leaders as Jefferson, Lincoln, Washington, and others, in those days of trying ordeal. May God use Richard M. Nixon as an instrument of unifying our people, and bring the blessing of peaceful brotherhood to all mankind. America is the last anchor of hope to a groping world society for the restoration of peace, decency, and moral reconciliation. We not only need to stand fast with our new President, but we need to ask that God may guide his every step, and that through Him the world might awaken to the somber recognition of accepting every man as brother, and God as the Giver of all good.

## BOWLING ALONG...

By RUTH SALMON  
League Secretary

It doesn't happen very often for the women to take control of the bowling, but when it does we sure will accept the honors so that we may gloat some, or that is what one of the men said we were doing.

Ruth Salmon rolled a 296-549, Shirley Ross a 192-535. Morse Ross hit a 206-539 as the Shoppers took three points from Gemini, with Glenn Ross tossing in a 190-522 and Louise Blair rolling 163-469.

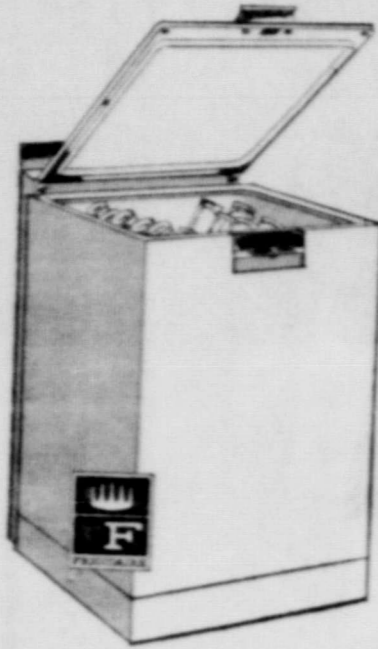

Jack and Mary Goodman carried their team, the Chokers, to a four-point win over the Allibies, rolling 192-546 and 172-489.

The Operators had as their substitutes, Bill and Jerri Reynolds, and they did very well, rolling their average with teammates Lamar and Marilyn Johanson, but the Rebels were a little too strong for them as they took three points, with Buddy Randals chalking up a 187-516.

**NOTE OF APPRECIATION**  
I wish to express my thanks and appreciation to the Hico Volunteer Fire Department and everyone else who helped in any way to extinguish the grass fire on my farm recently. I will be forever grateful.

32-ltc. Mrs. Zella Grice.

## Thanks, Friends

Mrs. Ward and I want to express our sincere appreciation to the voters of the 54th District for the overwhelming vote of confidence we gave us in the General Election November 3rd. Our hearts are filled with gratitude and with humility.

We are indebted to each of you for your time and; realizing that a debt can only be paid through service we pledge you that service.

Since it is not possible for me to see each of you personally I take this means to say Thank You! I hope you will feel that I am your Representative and will call on me at a time that I may be of assistance to you.
