QB Club Officers Elected

Approximately 25 interested people met Sunday evening at the school auditorium and laid groundwork for organizing a Quarterback Club.

Prior to the business session, Coach Ed Pettitt showed films of the Lamar and Rising Star football games.

In the business session, those present elected Glenn Ross to head the organization as president, Toe Horton was named vice-president, Bruce Slaughter secretary-treasurer, and J. B. Putty, reporter.

Following the election, discussion on the amount of annual dues was entered into by those present. Most were of the opinion that \$10 annually should be set, and the figure was adopted.

The group also voted to continue the meetings on Sunday evening at 8:15 through the remainder of the football season, and then decide on frequency, time, etc. of future sessions.

A membership drive will be conducted shortly, and everyone interested in Hico School athletics are urged to consider membership in the organization.

Hico at Meridian In Loop Opener

Hico Tigers and Meridian Yellowjackets, two old foes, square off Friday night at Meridian in the first district game for both teams. Game time is 7:30 p.m.

This game is for keeps and those played previously mean nothing, as a loss would virtually eliminate either of the two from title contention in the 5-team district.

Hico takes a 4-2 record into the contest, and Meridian, who had an

open date last week, is 3-2. Hico has defeated Dublin, Godley, Rising Star and Grandview, while losing to Arlington Lamar and Glen Rose. Meridian has victories over Godley, Grandview and Abbott, and lost to Valley Mills and Crawford.

Comparative scores mean nothing in a football game, and shouldn't be considered, but on such a comparison, Hico should be rated a slight favorite in the loop opener. The two teams have played common foes in Godley and Grandview. Meridian downed Godley 28-0 and Grandview 39-0, while Hico topped the two teams 68-6 and 47-6, respectively.

Hico has downed the Yellowjackets two years in a row, winning in 1968 by a 12-8 count, and then rolling to a 56-32 win in a Halloween shoot-out last year. No need to say that the Jackets will go all out to stop the Tiger victory string.

MISS MARY BETH MARTIN
... Texas Tech Queen Candidate.

Miss Martin is Homecoming Queen Candidate at Tech

Miss Mary Beth Martin, daughter of Mr. and Mrs. Chester Martin of Clairette is a candidate for Homecoming Queen at Texas Tech University, October 24. She participated this week with 39 other candidates in various campus activities, and will be featured in the parade Saturday.

The winner will be determined by votes of the student body, and will be crowned at the homecoming game with SMU Saturday afternoon.

Miss Martin, a Home Economics major, is being sponsored by Doak Dormitory, where she works as a secretary.

HICO KITTENS DEFEAT EVANT 24-6

Hico Kittens hosted Evant Tuesday night at the local stadium, and won by a score of 24-6.

The season for the Kittens will close next Tuesday night, October 27, when they go to Meridian for their final game.

BOOSTERS — Officers met at an organizational meeting of Hico Quarterback Club, held last Sunday evening.

are Glenn Ross, president, Bruce Slaughter, secretary-treasurer, Toe Horton, vice-president, and J. B. Putty, re-

porter. Meetings of the newly-formed organization will be held each Sunday at 8:15 p.m.

Girl From Auto Injured

12-year-old granddaughter of Mr. H. G. Shields of the Fairy community, was critically injured Friday when she fell from a car near the home of her grandparents. The girl was riding on a car when she lost balance, fell, and the car passed over her body.

She was brought to Hico Hospital where she remained until Friday and was then transferred to the Fort Worth Children's Hos-

pital Tuesday afternoon from her grandmother, Mrs. Shields, where the child was now in satisfactory condition, but would be hospitalized there for approximately seven weeks.

Tigers Roar 47-6

Hico's Tigers raced to a 20-0 lead in the first quarter of their game with Grandview last week, and then coasted to their fourth victory in six outings. The Tigers allowed the visitors a 6-pointer in the same quarter, but tacked on 12 more points in the second period, seven in the third, and eight in the fourth quarter for the 47-6 win.

In downing the Johnson County team, Coach Ed Pettitt used every player on the bench, with the first-stringers playing only a small portion of the time in the second half.

Hico again displayed the power that has propelled the team through the four wins, and both the offense and defense sparkled. Only weak moment came on Grandview's TD march, when the Tiger secondary gave up two long passes

to the visitors. The first was a 34-yard completion to the Tiger 43, and on the next play, Grandview hit all the way for the score.

The Tigers started early, taking the opening kickoff and roaring 59 yards in 12 plays for the initial counter. Eugene Lindsey chalked up his first of two TD's for the night, smashing one yard for the tally. The older Lindsey brother also scored the second TD, on a five-yard run climaxing a 70 yard, 7-play drive.

The third touchdown was scored by Galen Lindsey on a 12-yard scamper following a 3-play 46 yard march.

In the second quarter, Galen Lindsey really rambled, going 44 yards for his second marker of the game. A blocked punt led to Hico's fifth TD, with tackle David Ashby picking up the loose ball and rambling to Grandview's 11 yard line before being overtaken. Reggie Grover got the counter on a 1-yard keeper. Later in the second period, Grover came up with a pass interception, and rambled 65 yards to the Grandview 20 as time ran out in the half.

On Hico's first play of the third quarter, Galen Lindsey broke for a 43-yard touchdown, kicked the extra point, and Hico led 39-6. He also had a 48-yard TD run nullified by a rule infraction.

A fumble recovery at the Grandview 14 led to the Tigers' final counter. Freshman Danny Polk scooted the last five yards for the TD, his first of the season. Benny Baley kept for the two-point conversion and Hico was victorious 47-6.

Antlerless Permit Area Designated

Game Management Officer Royis Tucker of Hamilton said this week that the area for which antlerless deer permits would be issued is exactly the same as in past years.

Permits will be issued to landowners on the basis of one permit for each 200 acres. The area is that which lies East of Farm Road 1602 to the Bosque County line. No permits will be issued to landowners to the West of 1602 (Fairy road), Tucker said.

Permits for Hamilton County will be issued Thursday, October 29, from 8 a.m. to 5 p.m. at the courthouse in Hamilton. A landowner or his designated agent may secure the permits.

Permits for Erath County landowners will be issued in Stephenville on Friday, October 30, and Bosque County landowners may secure permits in Meridian on Nov. 9 and 10.

Art Display Slated October 26-31 at First National Bank

The week of October 26-31 will be observed as Fine Arts Week by Hico Review Club.

Local artists are asked at that time to display their work in pastel, water color, and oil in the lobby of First National Bank.

Artists desiring to exhibit should contact Mrs. Ellis Randals, Mrs. Odie Petsick or Mrs. Edgar Bulloch.

Open House Slated At New Iredell Clothing Firm

Open house will be held at the Iredell Clothing Manufacturing firm this Saturday, October 24, from 1 to 4 p.m., according to information submitted to the News Review.

The open house has been scheduled in conjunction with the annual Iredell Homecoming, which will also be held Saturday, and which always attracts a large number of out-of-town visitors.

Everyone in the area are invited to attend both the open house and the homecoming. Other details of the two events may be found in the Iredell News elsewhere in this issue.

HOWARD—Bill Howard, Hico druggist, has the distinction of scoring the first hole-in-one on the revamped Bluebonnet Country Club on hole No. 3. Three "aces" have been made previously on the local golf layout, but all were on the short No. 8. Steve Parks was the first to get a hole-in-one on

eight, followed by P. W. Hamilton and Carol Knudson. But Howard's feat was somewhat more difficult. No. 3 is 210 yards long, and plays more like 240. He spanked a driver to the green and into the hole last Tuesday afternoon. His only witness was James Cryer. Howard is still celebrating.

Harvest Festival Planned by P-TA For October 31st

The Hico Parent-Teacher Association will sponsor a Harvest Festival, to be held Saturday evening, Oct. 31 in the Hico Gymnasium.

The Festival is the one major fund-raising project of the year by the P-TA and provides an opportunity for the community to have dinner together, visit with old friends and meet new ones.

The harvest dinner will be served from 6 o'clock until 8:30 Saturday evening. The dinner, provided by parents of school children, will be served for \$1.25 for adults, 75c for children in grades one through five, and plates for pre-schoolers may be purchased for fifty cents at the admission door.

A \$10 cash award will be presented to the class in grade school selling the most tickets prior to the Festival.

Following dinner a carnival will be held in Hico City Park for the younger children. Grades one thru six will have booths, and the seventh grade will have a refreshment stand.

A dance has been planned for the young people. Paul Cannon, a well-known disk jockey from radio station KXOL in Fort Worth will be present. High School students will have a contest in selling dance tickets, which are \$1.25 per person. Place for the dance will be announced later.

HELD FRIDAY NIGHT—

Homecoming 1970

Miss Cynthia Carroll and Mrs. Steve Ogle were presented as Hico's Homecoming Royalty Friday evening at the Hico-Grandview football game. The 1960 graduating class was honored guests.

"The Roaring Twenties" highlighted halftime activities, at which the homecoming queen candidates and coming home queen were presented. The homecoming queen nominees entered Tiger Stadium riding in a 1924 yellow Packard touring car. Mrs. Ogle was riding in a 1916 Dodge. Both antique cars belong to Mr. Ernest Smith of Hico who, with his nephew, chauffeured the royalty.

The Hico Drill Team entertained with a medley of Roaring Twenties music while the Hico Majorettes presented twirling routines. Mrs. J. C. Braune directed the musical

numbers and the group was accompanied by Mrs. Robert Lee.

Homecoming Queen candidates were escorted and presented flowers by their representative class members. Freshman class representative Miss Ruth Busby, daughter of Mr. and Mrs. Vernon Busby, was escorted by Jerry Turrentine and presented flowers by Danny Polk. Representing the sophomore class, Miss Brenda Randals, daughter of Mr. and Mrs. Lusk Randals, was escorted by James Roberson and presented flowers by Galen Christian. Miss Patricia Cox, daughter of Mr. and Mrs. Lewis Cox of Carlton and senior class representative, was escorted by Tom Dowell and was presented flowers by Rickie Jaggars.

Miss Carroll, daughter of Mr. and Mrs. Claudean Carroll of Carl-

ton, was escorted by Jon Bonner.

Junior class president Lee Ramage presented the homecoming queen the traditional bouquet. Miss Carroll was elected to the reigning court by receiving the most votes from the student body. Each nominee was given a series of questions to answer during the election interview.

Mrs. Steve Ogle, the former Miss Judy Griffiths, daughter of Mr. and Mrs. George Griffiths, was presented as Coming Home Queen. Mrs. Ogle, voted All-School Favorite in 1960, was escorted by Mr. O. C. Cook, superintendent. Mr. Cook presented Mrs. Ogle with a homecoming gift of an engraved bracelet from the student body. Mrs. Ogle, a registered nurse at the local hospital, is the mother of three (See "Homecoming" on Page 8)

HOMECOMING QUEEN Cynthia Carroll and escorts Jon Bonner and Lee Ramage. Miss Carroll represented the junior class.

COMING HOME QUEEN Mrs. Steve Ogle and her escort, Supt. O. C. Cook. Mrs. Ogle represented the class of 1960.

Modern science has come up with many labor and time saving devices, but the most useful on our farm is a gadget my husband acquired some 50 years ago.

He has programmed it much as a scientist does a robot. It is trained to operate a car, a truck, and any kind of machinery. It can deliver vice grips, tin snips or the needle-nose pliers on command.

The gadget is helpful when repairing fences, loading stock, planter boxes with grain, ripping open fertilizer sacks, hauling grain to the elevator, keeping boxes and picking up junk around the farm.

The gadget can talk, but has learned that the best time to ask for anything is when a big load of stock goes to market—not when taxes are due.

Occasionally the gadget begins to slow down and feel sorry for itself. It thinks it is not really appreciated.

But my husband is smart. When he sees signs of trouble, he takes the gadget out to dinner or slips it some extra spending money. He knows if he gives it kind treatment and loving care, the gadget will serve him for many more years.

I hope I can, for I enjoy being the handiest gadget my husband has on our farm!

COUNTY AGENT REPORTS

By BILL McCUTCHEON

The Hamilton County Program Building Committee is giving local direction to a statewide effort of increasing cash receipts to Texas farmers and ranchers by one billion dollars by the end of the 1977 crop year. This would bring the total to 3.67 billion dollars. The statewide program is entitled "3.76 in '76."

To meet this challenge, the Hamilton County committee has set up a projected increase of \$2,743,000 for the county over this period.

Cash receipts to local producers over the 1968-69 marketing years averaged \$10,153,000 minus government payments. The projected increase would bring total cash receipts of \$12,896,000 to Hamilton County farmers and ranchers by 1976 if these goals are met.

One big challenge is in the field of marketing, but there is much room for improvement in production also. In 1969 Hamilton County had 6,500 acres of cotton with a 104 pound lint per acre yield; 10,900 acres of wheat yielding 15.4 bushels; 35,600 acres of oats with a 32 bushel yield; 1,500 acres of barley with a 30 bu. yield; 20,100 acres of grain sorghum with a yield of 31 bushels; 2,500 acres of corn with a 11 bushel average; and 9,500 acres of hay with a yield of 1.12 tons per acre.

In the 1969 crop year there were 5,512,000 dozen eggs produced in the county; 85,000 turkeys; 17,223,000

pounds of milk; 331,000 pounds of wool; and 384,000 pounds of mohair.

As of January 1, 1970, Hamilton County had 53,000 head of cattle; 2,000 head of milk cows; 7,600 head of hogs; 52,000 head of sheep; 47,000 head of angora goats; and 326,000 head of hens and pullets.

In addition to the commodities mentioned here, hunting leases and pecan production are expected to make considerable contributions to the economy of the county over the next few years.

Total cash receipts from farm marketings in 1969 were \$11,124,000 with government payments adding \$886,000 bringing the total for farm marketings and government payments to Hamilton County farms and ranches to \$12,010,000 in 1969. Hamilton County currently ranks 7th in oat production in Texas with

752,000 bushels; 8th in egg production with 5,512,000 dozen eggs produced; and 22nd in turkey production with 85,000 head.

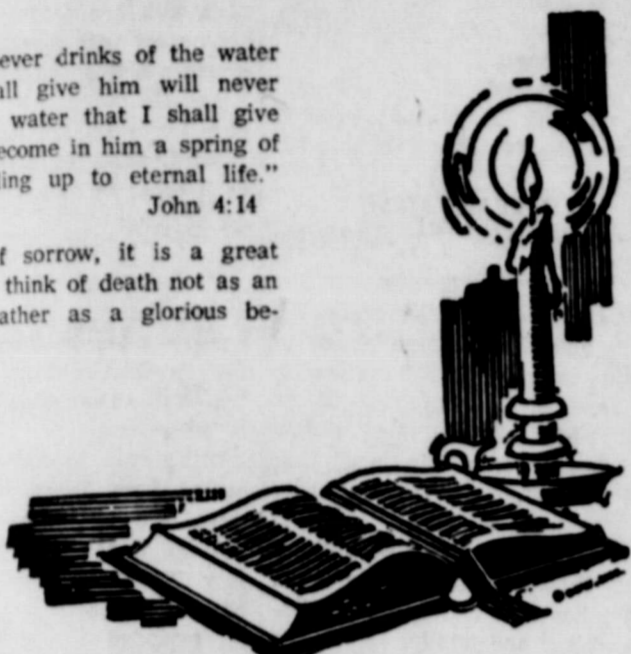

Production guidelines, containing the latest production information, will be developed on major crop and livestock production areas. If you do not receive a copy through the mail please feel free to call for this material at the County Extension office. These guidelines are being developed with the help of local producers to help reach the "3.76 in '76" goal for Hamilton County.

Worship Guild, Enjoy Joint Meeting Tuesday

Worship Guild met Tuesday evening at the home of Mrs. Odis Petsick. Members of the Women's Society of Service were guests for a meal and salad supper.

President Mrs. E. V. V. welcomed WSCS members to the supper, and prayer was given by Mrs. B. C. Dayton, president.

H. Randals Jr. was lead-singer in the program, "The Ecumenical Reality." Groups of four sang and discussed subjects pertaining to the topic. Leaders of these were Mrs. Petsick, Mrs. Mrs. Leona Cox, Mrs. A. Mrs. Morse Ross, Mrs. Hodges and Mrs. George.

An open discussion by members was held following the sessions.

Edgar Elliott closed the meeting with prayer.

WSCS members and 12 members were present.

Mrs. Ernest Jennings of Hico spent the weekend with her, Mrs. Mattie Segrest.

MARION PORTER OF THE SCS IS SPEAKER FOR THURSDAY REVIEW CLUB MEETING

The Review Club met October 15 at the Homemaking Cottage, with Mrs. Robert Lee as hostess. A dessert plate was served to the members and guest speaker, Mr. Marion Porter.

Mr. Porter, Project Coordinator of the Soil Conservation Service, has won many honors in his career as a soil conservationist. He spoke on "Water and the Bosque Watershed" illustrating his talk with slides, which effectively emphasized his remarks.

In early days much of the farm land broken for planting brought about the removal of trees. When erosion began, terraces were built, but they were not always the answer to the problem. "In Bosque flood times," Mr. Porter stated, "Hico and Stephenville have suffered millions of dollars loss through the years. The Bosque became three-quarters of a mile wide in 1952 and did much damage."

Seventy percent of the erosion occurs in the uplands. As an aftermath flood waters often partially remain and wash more top soil away. Even county roads, bridges have been flooded. Flood water is much like fire; it is difficult to

control by man. The answer is a controlled watershed.

The speaker pointed out that soil is the greatest reservoir of water; therefore we must get cover on the ground and thereby hold the water in the soil. Coastal Bermuda grass, though expensive to start, will yield from 60 to 80 dollars per acre annually. Cover either growing or dead is essential. The original grass began to disappear as the farmer over-ranged and over-grazed.

Control of the Bosque flood water is now done by flood prevention structures, as is the practice now elsewhere. The low area has a permanent pool. The rain flows into the inlet filter which controls the outlet. However if the rain is very heavy and the filter cannot control the water, the flow may top the dam around the pool.

Twenty-eight of these structures have been planned and 24 have been completed. The cost was borne by both the federal government and the landowners. Land easements needed totalled 276. All but six were donated, these had to be condemned.

In building the pool and the dam, the best soil is left on the outer edges so that vegetation can grow and hold the soil. Water and soil are mixed and then heavily packed, thus incorporating more water than is normal. If rock is available it is used on the sides of the dam to prevent erosion by wave action. Large, heavy pipe carries off the overflow.

"Besides preventing flooding of the land," Mr. Porter explained, "these structures provide water for many purposes: livestock use, irrigation, fishing, boating, and water skiing. This area can be rented for campsites and bring the farmer additional income, as recreation in the United States has become the biggest business of all."

Anyone connected with conservation projects is concerned about pollution. Mr. Porter listed these facts:

1. In Ranger and Eastland old, abandoned oil wells have polluted the area.
2. Septic tank serviced homes can be within the drainage area of rivers and lakes.
3. DDT considered highly poisonous has been proved not harmful to plant workers. There have been only four heart attacks among

Helping Hand Class Meets for October Social Tuesday

The Helping Hand Class of First United Methodist Church met for their regular social Tuesday afternoon, October 13 in the Fellowship Hall.

During the business session, the roll was called, minutes were read and business discussed.

A devotional taken from the 23rd Psalms was given by Mrs. Hazel Brush.

A salad plate was served by the hostesses, Mrs. Ona Pesch and Mrs. Brush.

Present were Mrs. Edna Clepper, Mrs. Peck Hutton, Mrs. Neila Lackey, Mrs. Cora Wright, Mrs. Wilena Strey, Mrs. Grace French, Mrs. Mamie King, Mrs. Effie Ross, Miss Florence Chenault, Mrs. Zuelia Strother, Mrs. Jessie Richbourg and Mrs. Nettie Meador.

RETURN FROM VACATION

Mr. and Mrs. W. R. Hampton returned Sunday from a month's vacation to New Orleans, La. and the East Coast. They also visited at Langley AFB, Virginia with her sister and family, Senior Master Sergeant and Mrs. Wm. J. Denney and Richard. They visited points of interest in 12 states, and especially enjoyed a scenic drive through the Allegheny Mountains where Foilage Festivals were being held.

Visiting in the home of Mr. and Mrs. Leslie Patterson during the weekend were Mr. and Mrs. Bob Alexander, Mr. and Mrs. D. R. Gilreath and Jennifer, and Mr. and Mrs. Allan Tippit and Dan of Dallas, Mr. and Mrs. Fred Duncan, Paul and Kenneth of Irving, Mr. and Mrs. W. E. Alexander and Pat, and Mrs. Lynn Alexander, Sherry, Terry and Tim of Nacogdoches, and Mr. and Mrs. George Cozby.

DDT plant workers during the past 20 years.

4. Detergents are a serious pollutant.

5. Tin cans will decompose but aluminum will not.

6. There are 5.6 pounds of refuse daily per person in the United States to dispose of.

7. If refuse is packaged, buried, and well covered over, the land thus created can be useful.

The next meeting will be on October 29 at the Hospitality Room of First National Bank. In the bank lobby will be displayed the work of local artists in pastel, water colors, and oil. Mrs. Ellis Randals, Mrs. Odis Petsick and Mrs. Edgar Bulloch are hostesses for the exhibit. Reporter.

Tollivers Host For Halloween Party

The Lee Roy Hathcock farm East of Hico was the setting Saturday night for a Halloween party and gathering. The party was held outside where family members and relatives of Mrs. Margaret Tolliver gathered for the fun.

The weather was cool, and just right for the simmering hot witches' brew (stew), stirred with an oak stick, and served piping hot from a huge black pot to those attending in their Halloween suits and masks. Other refreshments of punch and assorted cookies were served.

Present were Mr. and Mrs. Lawrence Tolliver of Iredell, Mr. and Mrs. Don Tolliver, Janis and Darrell of Burleson, Mrs. Rosa Clara Hathcock, Mr. and Mrs. Lawrence Crow, Travis, Mark and Lori, Mr. and Mrs. Harold Hathcock, Richard and Sheila, Mr. and Mrs. Jerry McClure, Chris, Linda and Kevin, all of Fort Worth.

Fairy Community News

By MRS. EUNICE DANTON

We have had misty weather during the weekend. Thus far we have had .1 inch of rain.

Mr. and Mrs. Bud Turner of the Turnersville area stopped awhile Sunday at the home of his cousin, Mr. and Mrs. E. M. Hoover. They had been to Selden to attend the 50th wedding anniversary of Mr. and Mrs. Clarence Noland. Mr. Turner stated that he was best man at their wedding.

Mr. and Mrs. Fred Duncan and two sons of Irving and Mr. and Mrs. Archie Duncan of Fort Worth visited during the weekend with their mother, Mrs. Olga Duncan.

Mr. and Mrs. H. O. Richardson spent several days during the week with their son, Jerry Richardson of Burleson. Jerry's wife is again a patient at Harris Hospital. She is reported some better. We hope she will soon be able to return home.

We are very sorry to learn that Mrs. Albert Barker of near Gatesville was to undergo major surgery at the M. D. Anderson Hospital Monday of this week. The Barker family lived near Fairy for a number of years and she still owns their farm west of Fairy. We know she will be glad to hear from former neighbors and friends. She is the mother of Mrs. Ira Trantham of Abilene, and Emmitt and Jimmie Barker of the Turnersville and Gatesville area.

The writer attended singing at Hillcrest Nursing Home Sunday afternoon and also visited Mrs. Selma Agee and Paul, who are patients there. We also visited a short while at the home of Mr. and Mrs. Lawrence Adams, who live across the street from the home.

Mrs. Ray Turner, Keith and Kimberly of Arlington spent Friday and Saturday with her parents, Mr. and Mrs. Carl Ray Sellers and Jan-

ice, while Ray was hunting out of state. Her parents accompanied her home Sunday and spent the day and brought their car home, which Jimmie Don had driven home last Sunday week.

During the weekend a week ago someone dumped five hungry dogs on the town. During that night they killed a fine ewe for the E. M. Hoovers and crippled a small lamb by chewing on its legs. Although it is in bad shape it will live. Lemmie Trantham clubbed three dogs off of one of Mr. Wiesenhunt's goats near the Trantham home and went for his gun but the dogs got away, but four of the five have been killed. The fifth one is staying in hiding on these mountains, but ranchers are on the watch. We just hope it gets no more stock before it can be killed. These ranchers would sure appreciate any information leading to the identity of the owner or party who threw them out. One was a bluish white male, part air-dale dog, rest were mostly black.

The writer was in Hico Thursday to attend funeral services for Mrs. Turner and while there visited with Mrs. Fred Jaggars, and also Mrs. Ben Wright and Mrs. M. C. Anderson at the Village Nursing Home.

We were also in Hamilton last Wednesday to attend the funeral for Dickie Treadway, who was killed in a one-car accident in the outskirts of Jonesboro early Tuesday as he was returning home from Temple where he had played with a band. He was 21 years old March 22 and leaves his wife, the former Gale Raibourn, and 2-year-old baby daughter of Hamilton. The accident was thought to have happened around 2 or 2:30 a.m. The fog, or possibly he could have fallen asleep as he was to have round-

ed a curve in the highway when he kept straight ahead on the old highway and left road and struck a large pecan tree, wrapping the car around it. He was found about 7 a.m. in his locked late model car. He is also survived by his parents, Mr. and Mrs. Joe Treadway of Hamilton and two brothers and many other relatives. Burial was at Hamilton. He was a member of the Baptist Church, and two former pastors held the funeral. Our deepest sympathy to those bereaved in his passing.

Mr. and Mrs. Billie Turner, Kurtis and Rhonda of Killeen spent the weekend with his parents, Mr. and Mrs. Willie Turner.

Mr. and Mrs. Carl King spent Sunday night in the home of her sister, Mr. and Mrs. Chester Wood and Charles of Garland and attended the State Fair in Dallas Monday.

We would appreciate your news items from time to time. Please call me or leave in the drop box at my home.

Visiting in the home of Mr. and Mrs. Dewey Massingill over the weekend were Mrs. Ruby Moore,

Randy Moore, George Taylor, Mr. and Mrs. Elzie Howard and Rex, all of Hamilton, Mr. and Mrs. Charles Massingill and Vicki of Fairy, and Mr. and Mrs. George Shepard of Brazos.

CARD OF THANKS

I wish to express my sincere appreciation to each and everyone for the words of sympathy and acts of kindness at the passing of my loved one. To those who sent food, cards and flowers, to the ladies who served the lunch at my home and also the ladies who were so kind to take me to the Stephenville Hospital, I thank them. May God bless each of you in your own special need.

Mrs. Fred Anderson.

Wrinkles are a vicious cycle.

In some dryers the heat that dries your clothes also bakes wrinkles into permanent press.

But you can buy a new gas dryer with a permanent press cool-down cycle that turns off the heat and cools off your clothes.

That means modern gas dryers won't add wrinkles to your wash and extra ironing to your work load. Because they have a cycle that keeps wrinkles from becoming vicious.

And quite possibly, a butcher, a baker and candlestick maker! That astounding roll call... and it's only a partial one... illustrates the infinite variety of men and women at your service as employees of Texas government.

They're YOUR employees from the highly visible highway patrolman or county agent to the less obvious Land Office clerk recording the living history of our state. These are the men and women who make up the TEXAS PUBLIC EMPLOYEES ASSOCIATION... now celebrating its 25th anniversary and a quarter century of public service.

The TEXAS PUBLIC EMPLOYEES ASSOCIATION was formed by men and women who believe government truly is Of, By, and For the People to improve the quality of public service.

All that variety... all those services... yet there are only 88 state employees per ten thousand Texans... with administrative costs consuming only 3% of the total state budget. Quite an achievement among the 50 states!

BOWLING ALONG ...

By RUTH SALMON League Secretary

Bowling went off well for several of the men last week. Buddy Randalis slipped into a tie for high series, turning in a 211-555, and partner Doyle O'Neal rolled an even 500 as their team, the Mixers, shook up the Chokers, taking all four points, with Jack Goodman throwing in a 212-511 and Jim Bullard a 199-516.

Wedge Turner took second high series with a 523 for his team, the Bowler Bears, ending with a 2-2 split with the Good Guys as Jim Wolf whipped up a 174 game.

Marvin Walters tossed in a 184-505 for the Road Runners, but the Operators took full control of all four points as the Daytonos chipped in a 183-479 by Lucille and Charlie rolled a 479. Lamar Johanson hit a 481 series.

Danny Barnett threw in a 180-494 for the Jets as they lost three points to Gemini 4, with Pat Ross taking over the series for the ladies with

a 177-503 which put the Geminis in a three-way tie with the Hornets and Alibies, with Morse Ross rolling a 517 and Ruth Salmon 174-471. Rusty Roberson had a 202-492.

Gemini 4	17	7
Hornets	17	7
Alibies	17	7
Mixers	14	10
Road Runners	12	12
Operators	11	13

Homecoming 1970—

(Continued From Page 1)

children, Laurie, Robyn, and Brian. Mrs. Glenn Ross and Mrs. Leslie Patterson registered Hico Exes preceding the football game, and presented each with ribbons welcoming them to the homecoming. Traveling the greatest distance were Bill and Iva Whiteside Burgan from Alice. Representing the longest graduated class were Hester Jordan East and Leonard Howard.

Following the football game, a reception was held at Bluebonnet Country Club, and high school students, their dates and ex-students were served refreshments at the Youth Center. Each of the four classes were in charge of 15 minutes of entertainment.

The Youth Center was decorated in the school colors. The refreshment table was covered in white and outlined with red footballs bearing the names of team members. The centerpiece featured the names and numbers of the starting line and backfield. Mrs. John Putty and Mrs. Lusk Randals were in charge of decorations. Room mothers from each of the four classes provided refreshments and served as chaperones.

A Halloween theme was used in decorations for the reception at Bluebonnet Country Club. Balloons were suspended from the ceiling and pumpkin candles were used for lighting. A black and gold decor was used on the refreshment table where sandwiches, chips, dips and punch were served. A "Welcome Exes" sign greeted the guests who enjoyed an evening of dancing.

Out of town ex-students signing the register Friday evening were

Ware is a candidate for the B.S. degree in December.

NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department is planning to proceed with the development of the proposed highway improvements on State Highway 6 in Hamilton County from the East City Limits of Hico to the Bosque County Line, a distance of approximately 2.5 miles. This project will be developed in cooperation with the Federal Highway Administration and financing of construction will be 50 per cent State and 50 per cent Federal; therefore, Federal Highway Administration's approval has been requested. The improvement will consist of the reconstruction of grading, structures and surfacing to provide for a two-lane facility with sealed shoulders and climbing lanes. The contemplated location for the proposed project follows the existing highway facility. Additional right of way of 120 feet minimum width will be required throughout the project, but no relocations will be involved. Maps, drawings showing the proposed location and geometric design and all other available data concerning the development of this project may be inspected at the Resident Engineer's Office at Hamilton. 27-1tc.

Mr. and Mrs. Jess White spent several days recently in Andrews visiting in the home of a son, Tommy White and family, and also visited a granddaughter, Mr. and Mrs. Ronnie Drake.
