All saloons will be closed except Blair's where free drinks will be served from 10:30 until high noon when the winners are expected to be presented at the Hico Civic Club, which will meet at the Community Center. She is getting about some on crutches. A cast will be put on her ankle as soon as the swelling goes down. Rev. Frank McClure of Gatesville happened along and carried Mrs. Trantham to the Gatesville Clinic where she received first aid, while Mr. Trantham waited at the scene for the highway patrol. Rev. Wright Price, pastor of the Flat Baptist Church happened along and pulled the wrecked car to the home of a friend and brought Mr. and Mrs. Trantham home, which they appreciated so much. **NURSING HOME**

By AMYE & RUBY

Hi folks. If I can rub all the cobwebs from my eyes and get them focused right, maybe I will be able to grind out a few words.

I think most everyone in the home had visitors Sunday. My brother from Clyde came to see me and he and my sister and husband visited. We went to visit the Melbourne Gieseckes and went to Duffau to visit the Hayden Pattersons. Ruby told me she had a lot of company also. It sure makes a feller feel good to have folks come to visit them.

Well the fruit trees are in full bloom and I just hope that they don't get killed. My dad always said that when it came a wet freeze there wasn't much danger of the fruit getting killed. Another old saying that if it thunders in February it will freeze in April. Well folks I know that it thundered in February so we'll just have to wait and see what happens.
