**MIDNIGHT IN HICO?—**Nope. It was 10 a.m. when this picture was snapped Monday, as the area received the first good rain since early April. Dark, menacing storm clouds hovered over the area, causing the automatic switch to turn on street lights. Rainfall reports varied from six-tenths of an inch at Clairette to 1.7 inches at Olin. Hico received one inch. The rainfall amounts aren't too impressive until you consider that the area was in a very serious drought.

## Vacation Bible School Will Start June 10 at First Baptist Church

Vacation Bible School will be held June 10 through June 20 at First Baptist Church. Activities will begin Monday, June 10, with Preparation Day.

Schedule for each day will be 9 a.m. to 12 noon. Teachers will be available for boys and girls age four years through the sixth grade in school.

As part of Preparation Day Monday, a bicycle decorating contest will be held, and prizes will be given for most original, best interpretation of the theme, and best all-around. The theme is "Vacation Bible School, 1974," and all bicycles should have the theme on them. After judging the bicycles will be ridden in a parade. The fire truck will also be in the parade to ride on.

Members of the church have invited all area youngsters to participate in the school.

## FROM HAMLIN

Mr. and Mrs. Lelloyd Clifton of Hamlin moved to Hico last week to make their home, and Mr. Clifton has accepted employment at the local bank. He and his wife, Nancy, are both graduates of Hardin-Simmons University in Abilene, and are presently living in a mobile home on the Tommy Pierce lot.

## DOG POISONING REPORTED HERE

Several dogs, some that were pets of children, were killed from poisoning last week.

Residents are urged to look over their premises for poison, possibly put on meat or other eatable substances, before more pets are killed or before a small child picks it up accidentally.

Residents should keep their dogs in their yards, either fenced or retained in some way.

## June City Council Meeting is Routine

City Council members, meeting in regular session Monday night, heard numerous reports and considered many items of business during the 2½ hour session.

First on the agenda was a request from Marvin Walters, administrator of Hico City Hospital, for city aid in providing a helicopter for emergency evacuation of patients should the need arise.

Walters told Council members that cost of the port would be approximately \$1600, provided the port could be built on city-owned property. The Council took no action on the request, directing Walters to secure more definite plans and costs for the project.

Council also heard, and granted, a request from Wayne Noblett and Ray Keller for permission to stage a benefit dance in City Park on Saturday, July 13, for the Bill Christian family. Keller also explained that contract had been signed for Fire Dept. dances on the first Saturday night of each month through September, and told the Council that there was no way of breaking the contract by the department.

Councilman Gary Connally, who is a member of the law firm Vance, McMullen and Connally, told members of the governing body that his firm could not legally act as a collection agency for delinquent taxes, and recommended another firm. He was authorized to contact the recommended firm and see if it would take over the collection.

Council also took action on Hospital Board members. E. V. Meador, who was appointed to the board late last year to fill the unexpired term of D. E. Bulloch, was reappointed for a full term. J. B. Woodward, who has served on the board for many years, requested that he be removed from the governing body. The request was granted, but Council members refused to name a successor at the Monday meeting. The vacancy will be filled at the July council meeting.

Council members also heard a report from the tax equalization board, and accepted the board's recommendations.

Other discussions during the session centered around Christmas decorations for downtown; Revenue Sharing expenditures for the fiscal year 1974-75, which included Little League, law enforcement, city equipment, improvements at City Hall and the City Pump Station. Also additional lighting for City Park, as well as in some residential sections.

## Golf Tournament Slated June 22-23 at Country Club

The second annual Bluebonnet Country Club men's partnership golf tournament will be staged here Saturday and Sunday, June 22 and 23.

The first tournament, held last year, was a huge success, and even more interest is anticipated for this year's affair.

Floyd Clifton is tournament chairman, and entries may be made with him. Prizes valued at more than \$1500 will be distributed among winners of each flight. Last year, Hico golfers won the bulk of the prizes, carting off all first place awards.

Defending champions are Ray Cheek of Hico and Clayton Stubbs of Houston, who teamed to outdistance the field in the first tournament held here in several years.

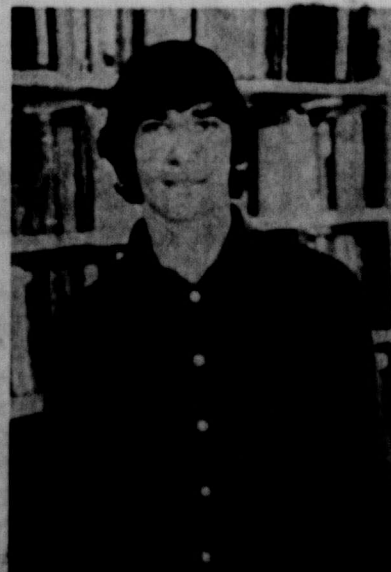

## Mrs. Brummett is Named 'Outstanding Educator'

Mrs. Lucille Brummett, teacher in the local schools, has been chosen Outstanding Secondary Educator of America for 1974. Nominated by her principal earlier this year, she was selected for the honor on the basis of professional and civic achievements.

Outstanding Secondary Educators of America is an annual awards program honoring distinguished men and women for their exceptional services, achievements and leadership in the field of secondary education. Each year, the biographies of those honored are featured in the awards volume, "Outstanding Secondary Educators of America."

Those selected are eligible to receive the award trophy. Five \$500.00 unrestricted grants will be awarded to the schools represented by America's five Outstanding Secondary Educators.

In announcing the award winners, Dr. V. Gilbert Beers, Director of the program, stated: "The men and women chosen for this high honor have explored new paths, developed new insights and effectively communicated their knowledge to their students and colleagues. They are exceptional teachers."

In regard to the benefit fund to help the Galen Christian family, I think it is a wonderful idea. It would be a shame for a place as nice as Hico to turn its back on one of its own. Here in Waco when someone has trouble and needs help we see it all the time. They usually have funds set up in the banks.

Anyway I know the sorrow the family has felt and will feel for many years to come, and so do most of you in your fine town. So why not open your purses a little. Next time it may be one of you. We've all been in need at one time or another. I'm sure most of you sent flowers or some sort of remembrance when God called him, so now send something to help the ones God left to carry on. Thank you.

**JIMMIE ABLES,**  
Rosenthal, Texas.  
(Note to Jimmie: There is such a fund set up at First National Bank, and your check was deposited to that account. Also you will note in this issue that a move is on to replace the many pints of blood given young Christian during his stay in the hospitals.—Editor).
