SPUR, DICKENS COUNTY, TEXAS THURSDAY, JULY 9, 1942

## To The Voters Of Dickens County:

It is very unfortunate that when a citizen enters into a campaign asking the voters of his respective County for their vote and influence to assist him in securing a job for the purpose of supporting his family, that there is always some one who opposes him that is ready to make or cause to be made some statement that reflects untruth regarding his character, citizenship, and loyalty to his friends, county State and Nation.

It has been brought to my attention that certain individuals are circulating the propaganda that I am a Conscientious Objector. This could be for no other reason than to reflect upon me during this serious time of war. This individual or individuals, as the case may be, realize that every person now is placing their first thoughts to the war and the winning of the war and undoubtedly they think this will effect the general public more than any other statement and they could only have one reason, this would be for selfish gain.

THE TRUTH OF THE MATTER IS when I filled out my questionnaire offering my service to my Country, when called upon, I DID NOT SIGN AS A CONSCIENTIOUS OBJECTOR, which was one of the questions asked. I have a wife and two daughters, and was classified in 3A by our local board, of which you will find all men of my age with dependents and like surroundings in the same class.

I oppose war Yes, so does all real Americans, but I am ready to serve my Country when called upon. I am just as ready to serve my Country and fellow man when conditions require it as I am on this occasion where my loyalty and citizenship has been attacked.

When men of my status are called, I will be glad to go, and if elected to this office, upon leaving shall leave the affairs in hands of proper authorities. With this understanding on the war issue, and my other qualifications, I sincerely solicit your vote and support.

Respectfully yours,

JACK GIPSON,  
Candidate for Sheriff, Tax Assessor  
and Collector of Dickens County

## Texas Defense Guards Receive New Guns

Company D of the Texas Defense Guard received a shipment of new 12 gauge shotguns last week. They will be used to supplement the individual 30 caliber rifles which members of the Company own. The guns are in fine working condition and with buckshot loads they become very deadly at even long range. On July 4th the Company used the new guns on a rabbit drive. From the number of rabbits killed it seems that marksmanship is not lacking in the Company. A large number of rabbits were killed and this is to serve warning on saboteurs and fifth columnists that they will not be safe in this part of Texas. At a later date the Company will also receive some sub-machine guns and some new rifles.

Members of the Guard who have gone into the Armed Services of the U. S. A. are receiving special consideration in advancement. Others who have gone into the Armed Services without the Defense Guard training are advising those who do not belong now to get in at once. They know that you will need the training.

By a late memorandum from the Adjutant General's office the age limit has been lowered to the age of 16 years. The young men of the community are particularly urged to enlist at once. The Company meets once a week at 8:30 p. m. on Thursdays. Join now! Serve your Nation at home!—Contributed.

Miss Forrestine Mecom, daughter of Mr. and Mrs. J. I. Mecom, left Monday morning for Toledo, Ohio where she will spend the remainder of this summer, the guest of her aunt, Mrs. Mattie Huss, of that place.

## 131 Youth In 18 To 20 Age Group Registered In County June 30

131 Dickens County youths in the 18 to 20 year age group, registered June 30th, in the 5th registration under the Selective Service Act.

## Good American Citizens Of Dickens County

In May we made our bond quota. In June we failed. Are we going to fail in July? Our quota is \$21,200.00 for July. Again we appeal to every person in Dickens County to buy Stamps and Bonds.

Especially we now appeal to the men and women who have money and who have up to this date failed to buy Stamps or Bonds. We want you to buy them in this month, July. If you don't, you are not a good American Citizen. We are fighting because the Japs stabbed us in the back, and we fear they may invade our shores. The Japs say they will dictate the peace terms in the White House. What do you say, men and ladies who have money, and thus far have not bought a Stamp or Bond. If you don't buy in July there will be a committee to see you. Please don't let this happen.

Dickens County must do its part in this war. This above message also applies to all ranches in this county, all business firms in the county and owners of property who live elsewhere.

We can, we will, we must make July quota of \$21,200.00. Please help. Let freedom ring in America by buying Stamps and Bonds in July.

Dickens County Bond Comm.

## Soil Conservation Office Moved To The Masonic Building

The office of the Duck Creek Soil Conservation District and of the Soil Conservation Service has been moved from the Campbell Building to the lower floor of the Masonic Lodge building, just two doors north of the Palace Theatre. Those interested in soil and water conservation are invited to come by—we will do our best to help you with your conservation problems.

Soil and water conservation plans were completed last week on the following farms and ranches: Horace Woods, George Branch, Paige Gollihar (2 farms), and Mrs. Katie Conatser. There are 4500 acres in the farms listed above. Applications for soil and water conservation plans were received on 4400 acres.

W. R. Williams and T. B. Watson have completed their water facilities. They have installed overhead storage tanks and piped water to their houses and barns.

## Mrs. Roxane Clark Died Friday At Her Home In Dickens

Announcement will be made Sunday and Monday relative to the revival services in regard to the hours such services will be held.

The public is cordially invited, and the church and pastor want you to feel welcome to attend the revival.

## Marketing Quota Penalty On Cotton Is Set At 8c Pound

Cotton marketing quota penalty rate is 8 cents per pound for the 1942-43 marketing year.

Under terms of amendments to the AAA Act, loans will be made by the Commodity Credit Corporation at 85 percent of parity price on August 1, the beginning of the marketing year, and will be approximately 16 cents per pound.

While the cotton loan rate will not be set until August 1, early harvest in some sections of the state necessitate immediate announcement of penalty rate for cotton marketed in excess of the farm marketing quota. Fred Rennels, assistant administrative officer of AAA in Texas said.

## ALTON LOES IN CANADA

## Services Held At McAdoo Sunday For James A. Burrow

James Arron Burrow, familiarly known as "Pop" Burrow, died of a heart attack Sunday, July 5th while working in the West Texas oil fields near Odessa. Age 53 years, 7 months and 3 days.

Funeral rites were read Monday afternoon, July 6th at the McAdoo Cemetery, Mr. C. V. Allen, Church of Christ minister, of Spur, officiating.

Pall bearers were: Joe McLaughlin, Doc Cooper, Buck Roberson, Coy Powers, Noble Hunsucker, of McAdoo and Mr. Shaw of Sundown.

Interment was made in the family burial plot in the McAdoo Cemetery beside the grave of his wife who passed away in 1934.

J. A. Burrow was born Dec. 2, 1888. He was married to Florence Lee Bromley, January 8, 1911. To this union was born four children all of whom are living. They are Pvt. James O. Burrow, Pendleton Field, Pendleton, Oregon, who was not able to be present; Mrs. Buford Cooper, John and Karl Burrow, of McAdoo. Also surviving are one grand child, Mickey Cooper; one sister, Mrs. Mattie Armstrong, of Midlothian, Texas; two brothers, Clifford and Willie, of Waxahachie, Texas.

He was a friend to everyone, and few, if any, of the younger set at McAdoo, while the Burrows have lived there throughout the years, knew that he had any other name other than "Pop" Burrow.

## H. D. Convention To Be Held Aug. 18-20 At Fort Worth

College Station — Unlike many organizations which are cancelling conventions for the duration, the Texas Home Demonstration Association will hold its annual state-wide meeting in August to forward the war work of farm and ranch women. The convention is to be held in Fort Worth, August 18-20.

Despite transportation difficulties, leaders expect home demonstration clubs in 192 counties to be represented at the meeting.

Only out-of-state guests invited to appear on the program is Mrs. Claude R. Wickard, of Washington, D. C., wife of the Secretary of Agriculture. In addition to numbers of rural women who will participate, other speakers include Dr. Robert Sutherland of Austin, director of the Hogg Foundation, University of Texas, and Miss Mildred Horton of College Station, vice director and state home demonstration agent of A. and M. College Extension Service.

In announcing plans for the meeting Mrs. W. G. Kennedy, Muleshoe, president, explained that the 40,000 members of the Texas Home Demonstration Association will plan to reach and serve all of the 418,000 farm and ranch homes in Texas.

One unusual feature of the program will be dramatization of the Association's work during the past year. Among the activities to be portrayed in a colorful pageant are increased use of whole grain cereals, promotion of the community school lunch program, first aid instruction, and the Food for Freedom movement, and support of the Victory Demonstration of the A. and M. College Extension Service.

Warcrops Urged To Be Planted Instead Of Wheat

Texas wheat growers will be urged to substitute warcrops for wheat on land where such crops can be successfully raised.

"We have plenty of wheat, while we still are short of having enough of some crops, particularly oil-bearing crops," the war board official pointed out.

Vance said that AAA committees will work out with each grower a war production plan to get the maximum production from each farm to meet war needs.

Panhandle wheat growers already are being forced to plow wheat on the ground because of a severe shortage of storage space, the USDA official explained.

Elzie Armstrong, farmer on a big scale who has been here the past two weeks harvesting his wheat crop in Dickens County, spent Thursday and Friday at his farm home near Lamesa looking after the progress of his farming operations there.

Jack Gipson, candidate for Sheriff, Tax Assessor and Collector, was a business visitor at our office while here on business Monday.

Miss Pearl Myers spent the 4th of July week end in Stamford and Aspermont.

John A. Moore, Max Ward and Bill Starcher spent the 4th of July week end in Arizona.

Miss Sue Senning, of Dallas, spent last week the guest of her grandmother, Mrs. Kate Senning.

Mr. and Mrs. Lloyd Wolf spent the past week end in Amarillo.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Pre-Fabricated Wheat Bins Being Shipped To The Texas Panhandle

Pre-fabricated wheat bins are being shipped to the Texas Panhandle as fast as they are finished, the USDA War Board, reports.

At the same time the report of the Texas Grain Transportation and Storage Committee from Amarillo indicates that approximately 23,000,000 bushels of wheat, on the basis of the estimated crop of 44,325,000 bushels will be without storage unless additional facilities are provided on the farm.

Orders have been received for 1,510 of the 3,200 pre-fabricated bins allotted to Texas for June, B. F. Vance, USDA War Board chairman, said. The bins already ordered will hold about 2,550 bushels of wheat.

Vance urged that all farmers in the 55-county farm storage area interested in obtaining pre-fabricated bin contact their county AAA committees immediately so that the bins may be ordered as soon as possible.

Mrs. Mamie Thomas returned from an extended visit with her son, Elvin Thomas and family, of Fort Worth, her daughter, Mrs. Ray Gabbard and family of Superior, Arizona, and another son, Floyd Thomas and family of San Diego, California.

Mrs. Harvey Holley met Mr. Holley in Amarillo July 4th where he had been several days on business. They returned to Spur Sunday.

Fred Martin arrived in Spur last Thursday to spend a two weeks visit in the home of his parents, Mr. and Mrs. Cal Martin.

Miss Vera Nell Davis, of Post, is the guest of Miss Jean Arthur and her grandmother, Mrs. Nell Davis, this week.

Mrs. Dolly Putman who has been spending a visit of several weeks in Spur, the guest of her sister, Mrs. Kelsey and Mr. and Mrs. E. C. McGee at their home, returned Friday to her home in Vernon.

Mrs. R. C. Forbis spent several days of last week in Spur looking after her property interests here and visiting her sister, Mrs. Nell Davis.

## Morris Tanner Laine And Miss Harrison Married Sunday

MIDLAND—Tanner Laine, former sports editor of The Reporter-Telegram now in the Public Relations Office at Midland Army Flying School, and Miss Bettye Harrison, daughter of Mr. and Mrs. Byron C. Harrison of Wichita Falls, were married in the Post Chapel at the flying school, Sunday afternoon.

Chaplain Theodore G. Schoech read the ceremony.

Corp. Don Gilbert presented the wedding music, playing "Cantilene Nuptiale" by Dubois, and "Arioso" by Bach as the pre-nuptial selections, incidental music during the exchange of vows, and Wagner's and Mendelssohn's marches for the professional and recessional.

The bride wore a tailored dress of olive crepe with red trim. Her hat was black gabardine, other accessories black patent-and-gabardine, and her corsage of gardenias.

She was attended by her mother as matron of honor.

John E. Kelly of MAFS was best man.

Mrs. Laine is a graduate of Wichita Falls High School and attended business college in that city. She is employed as secretary in the office of the United Gas Corporation at Wichita Falls.

The bridegroom, son of Mr. and Mrs. J. R. Laine of Spur, is a graduate of Spur High School and of Texas Technological College where he majored in journalism. He was a leader in college activities, particularly along journalistic lines, being associate editor of the first All-American paper Texas Tech had; president of the Southwestern Journalism Congress composed of colleges and universities in five states; and listed in the "Who's Who" both of American colleges and of Texas schools. He is a member of Silver Key fraternity.

Mr. Laine is well-known in Midland where he served as sports editor on the Reporter-Telegram for more than a year before enlisting in the Army early in 1942. For the past several months he has been stationed at MAFS with the Public Relations Office. Before coming to Midland, he worked on papers in West Texas and New Mexico.

## Duck Creek H. D. Club Met With Mrs. Carl McGalliard July 1st

Fruits for breakfast was the subject discussed and demonstrated by Miss Bass at the Duck Creek H. D. Club which met with Mrs. Carl McGalliard, July 1.

Miss Bass prepared some canned wheat and served it with peaches and cream, demonstrating how to prepare a cereal with fruit. She urged that we serve some fruits, tomato juice or canteloupe as a variety for breakfast for appetite tempters. Miss Bass also gave a report of the last council meeting.

Miss Bass and the club members made a dress form for Mrs. Lance Smith.

The hostess directed an interesting game.

The next meeting will be with Mrs. Wilson Hagins, July 15.

Refreshments were served to Mrs. J. A. Swearingen, a visitor and Mesdames D. G. Harris, C. R. Bennett, W. J. Driggers, Vernon Gregory, Wilson Hagins, Lance Smith, and Misses Mary Pearl Hagins, Fae Bass and the hostess.—Rep.

## Broilers And Fryers Victory Food Specials

Eating fried chicken is a good thing any time, but it will be patriotic during the week of July 16-25.

For broilers and fryers have been designated as the Victory Food Special for that week by the Agricultural Marketing Administration. During the week storekeepers will feature broilers and fryers in a sales drive intended to assist materially in using the big increase in supplies resulting from increased poultry and egg production.

Broilers and fryers are expected to come to market in heavy volume during July, B. F. Vance, chairman of the Texas USDA War Board, said, as a result of the 16 percent increase in this year's hatch over 1941.

Vance explained that broilers and fryers are chickens which normally would not be grown to maturity and fattened for canning. The only outlet for them is through domestic channels of consumption.

Mrs. Neal A. Chastain and son, Neal A. Jr., left Tuesday for Littlefield where they will visit this week the guests of her sister, Mrs. J. H. Barnett.

Mr. and Mrs. C. O. Fox Jr and Mrs. C. O. Fox Sr., of Post, returned Monday after a few days vacation trip in Clouderoft, White Sands, and Ruidosa, N. M.

Mr. and Mrs. Herman McArthur and son were guests Sunday in the home of his parents, Mr. and Mrs. Tom McArthur, of Lower Red Mud.

Mr. and Mrs. E. S. McArthur had as 4th of July holiday guests, Mr. and Mrs. Henry Mans, and Mr. and Mrs. Jack McClung and children, of San Angelo.

Mr. and Mrs. Bob Westfall, of Red Hill, were among the number of business visitors in Spur Friday.

Mrs. Laudy Dane and Miss Lynn McGaughey, of Lubbock, are spending a two weeks visit and vacation in Los Angeles, California with their brother, Porter McGaughey and family.

Mrs. G. B. Worswick and daughter, Ella, of Dickens, have as guests two other daughters, Mary and daughter of California, and Bennie and baby of El Paso. Mrs. Worswick has been a "shut-in" since the injury of her hip several months ago.

### THE GOOD OLD AMERICAN WAY

For a decade or more, we have been reading about and listening to the theories and vapors of a large group of reformers who wanted us to believe they knew all the answers to every agricultural question.

If we leave out of consideration the hard-working scientists who really know what they are doing, these

theorists do not seem to have done farming very much good. They have told us what to raise and how much, and what not to raise and how much. They have tried one thing after another to improve the economic position of agriculture, but in the main, it hasn't worked.

The place to practice the "trial and error" method is in the laboratory rather than throughout the nation's largest industry. There, under scientific conditions and controls, well thought-out experiments really prove something.

We cannot be too complimentary to those underpaid men of science who have told us how to improve crops and stocks, how to conserve the fertility of the soil and protect its moisture, how to get better yields by proper crop rotation.

But some of the so-called "dream boys" are another kettle of fish.

In their attempts to further their untried theories of farm economics, they have overlooked some mighty vital factors.

They seem to have overlooked the important fact that the way to grow a crop is to prepare the ground, sow the seed, cultivate the plants and harvest the crop. That's a much surer way to get a yield than writing a book. It is the American way of doing a job—start at the beginning and work at it until the result is achieved.

The best farmer is the man who knows how to farm—and who learned how to farm by farming. There can be no room for any consideration of farm economics unless a crop is produced.

Perhaps here is the right place to say that the same kind of theorists are not the men who are getting our war production job handled and our troops trained. We never would catch up to the immense job of building airplanes and tanks and guns and ships were it not for some thousands of wise and experienced manufacturers who know how to get things done.

They, too, are skilled in applying the good old American way of getting results by intelligent planning and equipping first, and then starting at the beginning of the job and seeing it through.

Much too often we have been told how to do things by men who never produced anything at all in their whole lives. But, thank fortune, America is full of men who are doers instead of dreamers.

We need more farm crops than ever before. We'll probably need still more next year. And we have fewer experienced men on our farms every month, with a growing shortage of farm machinery.

To reach our increased production goals, we are going to depend upon the kind of man who says, on the first bright day of early spring, "Tomorrow I start to plow." That man is not going to think much about the eight-hour day, or about time-and-a-half or double time.

He has a big job to do, and he knows that the way to get that job done is to begin at the beginning and follow through. That is the old American way.

## Morris Tanner Laine And Miss Harrison Married Sunday

MIDLAND—Tanner Laine, former sports editor of The Reporter-Telegram now in the Public Relations Office at Midland Army Flying School, and Miss Bettye Harrison, daughter of Mr. and Mrs. Byron C. Harrison of Wichita Falls, were married in the Post Chapel at the flying school, Sunday afternoon. Chaplain Theodore G. Schoech read the ceremony.

Corp. Don Gilbert presented the wedding music, playing "Cantilene Nuptiale" by Dubois, and "Arioso" by Bach as the pre-nuptial selections, incidental music during the exchange of vows, and Wagner's and Mendelssohn's marches for the professional and recessional.

The bride wore a tailored dress of olive crepe with red trim. Her hat was black gabardine, other accessories black patent-and-gabardine, and her corsage of gardenias.

She was attended by her mother as matron of honor. John E. Kelly of MAFS was best man.

Mrs. Laine is a graduate of Wichita Falls High School and attended business college in that city. She is employed as secretary in the office of the United Gas Corporation at Wichita Falls.

The bridegroom, son of Mr. and Mrs. J. R. Laine of Spur, is a graduate of Spur High School and of Texas Technological College where he majored in journalism. He was a leader in college activities, particularly along journalistic lines, being associate editor of the first All-American paper Texas Tech had; president of the Southwestern Journalism Congress composed of colleges and universities in five states; and listed in the "Who's Who" both of American colleges and of Texas schools. He is a member of Silver Key fraternity.

Mr. Laine is well-known in Midland where he served as sports editor on the Reporter-Telegram for more than a year before enlisting in the Army early in 1942. For the past several months he has been stationed at MAFS with the Public Relations Office. Before coming to Midland, he worked on papers in West Texas and New Mexico.

A marriage of interest to a number of young people of Spur was one of Sunday morning, July 5th, 8:30 o'clock when Ensign Robert E. Fielder and Miss Margaret Elizabeth Harley were married in the First Baptist Church, Pensacola, Florida.

Ensign Fielder, a former Spur High School band instructor, graduated from the U. S. Naval Air Station, Pensacola and received his wings and commission, May 20, 1942 and is now an instructor at that station and director of the calet band. He entered flight training at Pensacola, October 2, 1941.

## Duck Creek H. D. Club Met With Mrs. Carl McGalliard July 1st

Fruits for breakfast was the subject discussed and demonstrated by Miss Bass at the Duck Creek H. D. Club which met with Mrs. Carl McGalliard, July 1.

Miss Bass prepared some canned wheat and served it with peaches and cream, demonstrating how to prepare a cereal with fruit. She urged that we serve some fruits, tomato juice or canteloupe as a variety for breakfast for appetite tempters.

Miss Bass also gave a report of the last council meeting. Miss Bass and the club members made a dress form for Mrs. Lance Smith.

The hostess directed an interesting game. The next meeting will be with Mrs. Wilson Hagins, July 15.

Refreshments were served to Mrs. J. A. Swearingen, a visitor and Mesdames D. G. Harris, C. R. Bennett, W. J. Driggers, Vernon Gregory, Wilson Hagins, Lance Smith and Misses Mary Pearl Hagins, Fae Bass and the hostess.—Rep.

### How To Secure A Social Security Card Is Explained

Lubbock—"Some workers are under the mistaken impression that when a social security account number card is lost, a duplicate may be obtained by writing a letter or sending a long distance telephone call to the Social Security Board field office from which the number was secured," said John D. Palmer, manager of the Lubbock office of the Social Security Board.

He explained that if a worker wishes a duplicate account number, Form SS-5, which may be secured from a post office or a Social Security Board office, should be completed exactly as the original application with an additional statement that a duplicate number is desired.

Palmer's statement was made because of requests, particularly long distance telephone calls, which have been coming into the office from persons needing duplicate account number cards.

The Form SS-5 is easily completed and need not be mailed to the office from which the number was originally secured since any Social Security Board field office will take the proper steps for securing the duplicate. It is necessary to have the same information as originally given in order that the worker's account number will not be confused with those of others having the same or similar names.

Henry Morgenthau Jr., Secretary of the Treasury, today made public the official War Bond Quotas by States for the month of July, which places the nation on a Billion-dollar-a-month basis to aid in meeting the War cost. The above table also gives May War Bond sales in the various states in comparison to the May Quotas. (June sales by states will be available for publication shortly.) The percentage of Quotas range from 71.3 percent above quota in Utah, to 22.6 percent below the quota in Montana, but puts the nation as a whole above the \$600,000,000 total May quota. Vulnerable Alaska and Hawaii led all states in sale of War Bonds on quota basis.

"Everybody, every day ten percent" is the Treasury slogan which is expected to place one of the attractive new window stickers in every American home. "We're Buying at Least 10%" reads the sticker, printed in the national colors. The new window stickers and the new "10%" lapel button, which indicates the wearer is investing at least ten percent of his income in War Bonds every day, are yardsticks of patriotism in the War Bond drive.

U. S. Treasury Department

Misses Mary Kate Brotherton and Nell Spradley, of Hereford, were week end guests in the Henry Alexander home the past week end. Misses Brotherton and Spradley accompanied Mr. and Mrs. Alexander to Abilene Sunday to meet another daughter of Mrs. Alexander, Miss Barbara Brotherton, of Oklahoma City.

WITH the Churches

### Presbyterian Church

John C. Ramsay, Minister

Next Sunday, July 12th, at 9 p. m., this Church will observe its annual Fiery Cross Service on the South side of the hill slope at the City Park.

As is customary at the state conference each year, when hundreds of Presbyterian young people join in the outdoor service for the closing, the 9 young people, who attend the three summer camps and conferences held at Kerrville and Cisco, will assist and give brief reports. The young people are Bertha Walker, Geneeta Dement, Dorothy Reynolds, Nina Faye Cheyne, Lloyd Walker, Charles Robinson, Vera Jo Reynolds, Jack Ramsay, and Elizabeth Ramsay. Every member of this congregation and all those who assisted so ably in contributing to the sending of these young people should by all means back up these folk who are full of enthusiasm and zeal for the Lord's work. The public is cordially invited.

There will be the usual morning service at 11 a. m. next Sunday. The pastor will preach on the subject: "A Vision from the Mountain Top." The Church always extends its cordial invitation to visitors.

Next Sunday is Preaching Sunday at Rising Star at 3:15 p. m. by the Pastor. This is the occasion of the Communion of the Lord's Supper to which all of the church members are invited. Sunday School will precede the service at 2:30 p. m.

Miss Dorothy Love was a business visitor in Lubbock Tuesday.
