Observations

... around town

Mrs. W. H. Martin who lives on a farm in the Red Mud community was in the Spur office Saturday to renew her subscription to the paper. "The Spur is just like an old friend to me," Mrs. Martin stated. She came to this section 44 years ago and is known throughout the community.

Postmaster Olen Arthur received a letter this week from Edinburg, Scotland containing three photographs of Spur in 1909. The letter stated that the photographs were found in a second-hand shop there. They had been mailed to H. H. Johnson at Edinburg, Scotland in 1910. Mr. Arthur showed the letter and photographs to a number of other old-timers who lived here at that time and all agreed that Spur was just like that when she was in her infant days. The photographs set off an argument among several early settlers as to just when the city was actually founded. Some said it was November 1, 1909, while others said that it was in October.

A. M. Madden, who farms eight mile east of Spur, one mile north of Duck Creek school house, brought in a 27-pound banana squash Tuesday that he grew on his farm. Probably the first of its kind to be grown in this community. Mr. Madden planted the seed about June 20, which was late due to dry weather, and he has raised a good crop of the squash. He states that they are grown in abundance in California, his former home, and they are sold at around five cents per pound there. "The banana squash is delicious prepared like Summer squash when quite young, and if left to maturity, they are similar in taste and appearance to pumpkin," Mr. Madden states. "In fact, they make better pumpkin pie than real pumpkin," he adds.

Mr. Madden left the huge squash in the Spur office display case, but assured the staff that he would be back in a few days for it. He plans to save the seed for next year's crop.

CHAMBER OF COMMERCE MAPS PROGRAM FOR COMING YEAR

New Officers And Directors Hold Meeting Monday

The new officers and directors of the Spur Chamber of Commerce held a meeting Monday evening to discuss a program of activity for the coming year and to map plans for various civic improvement projects.

Officers and directors were elected at a meeting of the organization on October 17. Bynum Britton was elected President, Clyde Walthall is First Vice-President and Spec Blair will serve as 2nd Vice-President. The board of directors includes: Hobert Lewis, Adrian Rickels, Lynn Buzbee, W. R. Weaver, Billy D. Bell, Tom Johnson and Carl Murray. Officers and directors retained the services of W. H. Hilly as secretary-treasurer.

W. R. Weaver was re-elected as a director of the West Texas Chamber of Commerce at the meeting Monday night.

One of the first programs that will be carried out by the Chamber of Commerce is a Christmas program for the city of Spur and details of the event will be worked out and announced in the near future.

Plans to attend the annual meeting of the West Texas Chamber of Commerce in Lubbock on Friday, October 25 were discussed. Officers, directors and a number of other members plan to attend the meeting. Chamber of Commerce activities and overall plans for all West Texas will be discussed at the annual meeting, according to Mr. Weaver. Officers of the local organization will discuss their plans and receive information and suggestions from other civic groups at the meeting. The annual meeting will be held in the East Ball room at Hotel Lubbock.

A meeting of the local Chamber of Commerce will be held at the West Texas Utilities building next Monday night at 7:00.

LOCKNEY TO PLAY HERE FRI.

Spur Defeats Ralls 25-0 In Fast Game Last Friday Night

Locals Undefeated In Football This Season

The Spur High School Bulldog football team defeated the Ralls Jackrabbits 25-0 in the third conference game of the season on the opponent's home field last Friday night.

The first quarter ended without a score having been marked up, but with the Ralls lads presenting a definite threat and definitely outplaying the Spur team. The first touchdown was chalked up by Bobby Wright in a 20-yard end sweep in the second quarter to start locals off on a race. The try for the extra point failed.

In the third quarter 175-pound James Sharp scored the second touchdown of the evening with a line-buck and the try for extra point was good.

A beautiful pass from Dyess to Alldredge, in the end zone, resulted in the third touchdown in the fourth quarter. Watson took the ball over for the final marker when he made a left end sweep and plunged across the line untouched.

Outstanding Spur boys in the game were Watson, Billy Calvert, Tommy Alldredge and Bobby Wright.

The Ralls Jackrabbits had a small, but hard-hitting ball club and made themselves known from the opening whistle to the final play of the game.

Child Is Injured In Fall From Swing At School Thursday

Donald Eastop, 7-year-old son of Mr. and Mrs. Cecil Eastop, suffered a broken arm in a fall from a swing at school last Thursday.

The child was treated by a local physician.

Clover Farm Stores Celebrates 4th Anniversary

RAUL ENGLISH

The Clover Farm Store of Spur is celebrating its fourth anniversary under the management of Raul English, who purchased the firm from Hollis Atkinson on Oct. 26, 1942. The firm has a dual purpose celebration—its fourth birthday and the spacious new building the first has recently completed on Burlington street, which now houses the modern food store.

Formerly employed in a grocery store at Haskell, Mr. English came to Spur four years ago and purchased the Clover Farm Store from its former owner. The firm was located in a building just north of the Spur Security Bank and occupied this location until September 1 when the store moved to the new building.

A modern structure, the spacious building is 35 x 91 feet in size and affords an attractive and convenient arrangement of displays. A 40-foot dry produce mirrored display rack and a Viking Crispy-Cold Vegetable case are among features of the produce department and two storage vaults as well as meat display cases are included in the market department.

In addition to Mr. English, personnel of the store includes E. B. Jenschaw, Assistant Manager, Miss Corrine Wilkinson and John Albin in the sales department and M. M. Strickland in charge of the meat market.

Navy Is Discussed By Geo. Link, Jr. At Rotary Club

Geo. S. Link, Jr. gave an interesting talk and held a discussion on the future of the U. S. Navy, at a meeting of the Spur Rotary club held at noon today at the Spur Inn. A former Naval officer, Mr. Link served as pilot and his subject "The Future of the U. S. Navy," was based on first-hand information gained during World War II.

The Good Roads Constitutional amendment to be voted on in the general election in November was discussed by Olen Arthur at a meeting of the Rotary club last Thursday noon. Various phases of the amendment were explained by Mr. Arthur and a brief discussion held on the subject.

Mrs. M. W. Chapman Leaves Spur After 28 Years Residence

Mrs. M. W. Chapman left the early part of this week for Pampa, where she will make her home in the future.

Mrs. Chapman with her husband, the late M. W. Chapman, moved to Dickens county in 1918 from Haskell. Living on a farm where they reared their children until Mr. Chapman's death in 1937, at which time Mr. Chapman moved into town.

Mrs. Chapman has many friends in Spur and throughout Dickens County who will regret her leaving. She expects to make her home with a son, Willard Chapman for the present, however at a later date she expects to buy a home of her own there.

Carnival Will Be Held At Spur On Hallowe'en

Plans are being completed this week for a Hallowe'en carnival to be held in front of the Post-office on Hallowe'en night, according to C. F. Cook, Superintendent of Schools.

The principal objective of the carnival this year is to have entertainment for youth of the city in order to prevent destruction of property on Hallowe'en night. Mr. Cook pointed out.

The carnival will consist of various concessions and a wide variety of entertainment that will afford all the fun that local youth will demand, and will be under supervision in an effort to curtail useless destruction of property.

Mrs. Norton Barrett Attends Meeting In Lubbock

Mrs. Norton Barrett, Spur Homemaking teacher, attended an Area II meeting at Texas Technological College recently. Factors affecting Home and Family Living was the theme of the conference.

Dr. Bernice Moore, Consultant on Home and Family Life Education of the Hogg Foundation, Austin, delivered the principal address. Points emphasized by Dr. Moore were that the world is facing an uncharted future which will be a magnificent one or restoring one according to the mental and physical sturdiness of the people; that families are facing an adjustment of democracy in their homes; that the solution of small problems; that the home and family need concentration; that the public school is a center of community life and should have a good overall program; and that the fundamental problems in which the homemaking teacher can give assistance are nutritional, clothing, family relation, child development, home furnishing, and family economic problems.

Edith Ann Scott of Hamlin, area president of FHA discussed happenings at summer camp. The theme selected by the girls for the coming year is "Building Today for Tomorrow." This will include improving ourselves, contributing to our homes, cooperating for school betterment, developing our organizations, serving our community, state and nation and promoting recreational activities. Edith Ann is a senior in Hamlin High School.

Mrs. Barrett served as chairman of the Registration Committee. She reported that 75 teachers from this area attended the meeting.

Longhorns And Bulldogs Will Tangle In Local Grid Battle

March Of Dimes Director Named

George D. Wilson

George D. Wilson, of Houston, has been named Texas State chairman of the 1947 March of Dimes, Basil O'Connor, president of the National Foundation for Infantile Paralysis, has announced.

A prominent civil and religious leader, Mr. Wilson was formerly president of both the Board of Trustees of Houston University and the Board of Education of Houston's Public Schools. He is vice chairman of the Harris county Chapter of the American Red Cross and one of the Houston chairmen of the National Conference of Christians and Jews.

Mr. O'Connor, is making known Mr. Wilson's acceptance of the chairmanship, revealed that in coping with the 1946 outbreaks of infantile paralysis the National Foundation sent to its chapters in the field more than two and a half million dollars in epidemic aid up through September.

"Many of this year's polio patients," Mr. O'Connor said, "will require hospitalization and care for a long period of time. The after care of these patients will be more expensive than treatment in the acute stage of the disease. The high cost of epidemics points up the real need for the services of public-spirited men such as Mr. Wilson. His efforts will prove of great value in the forthcoming appeal."

Mr. Wilson is also Chairman of the Harris County Chapter of the National Foundation and was formerly County Chairman of the 1945 and 1946 March of Dimes.

Rev. John C. Ramsey will hold services at the Presbyterian church in Spur, Sunday October 27. Morning services will be at 11 o'clock and the evening service will be at 7:30 o'clock. Everyone is invited to attend.

Huge Crowds To Witness Game At 8:00 P. M.

Lockney's strong passing Longhorn team will invade Coach Sam Hawks' Bulldog's territory Friday evening in the second home game of the season. The game will be called at 8:00 o'clock at Charles A. Jones Memorial Stadium in Spur.

The Lockney lads have a record of having scored at least 20 points on every opposing team they have played. Of thirty-nine boys on last year's squad, they only have six who returned for this year, but they have an impressive scoring record that presents a challenge to the Bulldogs in the game tomorrow night.

Coach Hawks has had his boys under a stiff training program this week and they have been doing some over-time work on pass defense. "Yes, we have been working on that pass defense, as we know that Lockney's strong threat is through the air," Coach Hawks remarked.

The locals are expected to be in top condition for the game. They have had a good hard workout and have no injuries to keep top players from the line-up. Bob Steel received a broken nose in the game with Matador week before last, and Roy McMahan received a split lip in the same game, but both boys recovered sufficiently to play in the game against Ralls last Friday. They will be in the line-up for the game tomorrow night.

A large crowd of fans from Lockney as well as the usual turnout of local football fans is expected to swell the stands to capacity at the stadium when the game opens Friday night.

Youth Rally To Be Held At Rule October 26

The Youth of the Stamford District of the Methodist Church will hold a Rally at Rule on Saturday, October 26.

The program for the day is as follows:

- 4:00 to 5:00 p.m. Registration.
- 5: to 6:00 p.m. Business Meeting (President Alma Joyce Dozier presiding)
- 6:00 to 6:45 p.m. Recreation, Kenneth Tooley, director.
- 6:45 to 7:30 p.m. Supper and Committee Meetings.
- 7:30 to 8:00 p.m. Discussion.
- 8:00 to 9:00 p.m. Closing Thoughts, James Pickens of McMurry College.

Several of the young people from the Spur Methodist church are expected to attend the rally.

FIRE DAMAGES MILAM'S STORAGE WAREHOUSE FRI.

Billy Joe McCombs Goes To Pacific

Billy Joe McCombs, 19, son of Mr. and Mrs. W. N. McCombs of Spur, is being transferred from Ft. Benning, Ga., to the Pacific, his father stated this week.

Mr. and Mrs. McCombs visited Billy in Fort Worth and Austin last week. They attended the Texas University and Arkansas game in Austin and also Southwestern's game at night on the same day. Young McCombs attended Southwestern last year and played on the A. & M. football team in 1945.

\$10,000 Blaze In Local Store Friday Evening

Damage estimated at approximately \$10,000.00 was caused by fire in the storage warehouse of Milam's 3c to \$1.00 store in Spur Friday evening at 7:15. The Spur volunteer fire department answered the alarm and brought the blaze under control before it could spread to adjoining buildings.

Cause of the blaze was not definitely determined. Fire Chief W. N. McCombs was absent from the city at the time of the fire, but investigated the blaze Monday and stated that it might have been caused by faulty wiring.

Tom Milam, owner of the firm, stated that he did not know the exact extent of damage, but it would run in the neighborhood of \$10,000. A large quantity of merchandise for the store here and also for the firm's Lubbock store was stored in the warehouse, Mr. Milam stated.

The fire did not reach the sales department of the store, but fire, smoke and water damaged much of the merchandise in the warehouse.

\$450,000 Appropriated For Rural Electricity

600 More Farms To Be Served By Electric Service

An appropriation of \$450,000 for additional construction of Rural Electrification facilities in Dickens, Stonewall, Kent, Crosby and Garza counties has been approved in Washington, according

to information received here this week.

In a telegram from Congressman George Mahon's Washington office, it was stated that the appropriation had been approved. The telegram follows:

"The Texas Spur: In Mr. Mahon's absence in Texas I have sent following telegram to Dickens County Cooperative at Spur,

Quote: REA officials here have notified Mr. Mahon of final approval of \$450,000 for your cooperative to extend electrical current service to counties of Dickens, Stonewall, Kent, Crosby and Garza, unquote. Helen D. Richardson, Secretary to Congressman Mahon."

The \$450,000 appropriation will enable construction of approximately 345 additional miles of

Rural Electrification lines and will serve an estimated additional 600 farms and ranches with electric current, according to the local REA office.

The local cooperative now has 184 miles of lines and serves 325 members and some additional lines are now under construction. The present system was constructed from a previous \$279,000 appropriation.

I Give You Texas
By Boyce House

Science has made another great stride. For years, everyone in a cafe was at the mercy of any customer who had a nuckle; that is to say, when one man put his nuckle in the juke box, everyone had to listen to the tune, thought it might sound to all the other customers like the one the old cow died to.

But in a coffee shop in Waco, when someone drops in a nuckle, the tune is announced and, if you want to hear it, you have to put in a nuckle, too. If you don't want to hear it, you just eat your food—if any.

E. J. Headlee of Denton asked a man from Dimmitt how the name of the town was spelled. He said, "After a good rain, we spell it with an 'I' but if it just won't rain, then we spell it with an 'a'."

They say that J. Evetts Haley, noted Texas author, once visited a Fort Worth book store. His newest volume was on display. Picking up a copy, he asked the saleslady, "Is this book any good?"

Not knowing she was speaking to the man who had written it, she answered, "You bet it is! The pictures were drawn by Harold Bugbee."

Bugbee is, of course, the Clarendon artist.

None of us can resist the temptation to say, "I told you." Last summer, I warned that an effort would be made next January, when the legislature meets, to repeal the tax exemption on the gasoline the farmers burn in their tractors. Well, those in favoring of removing the exemption didn't wait till January; the campaign has already started.

The farmer is the most heavily taxed man in Texas in proportion to income and property. His land can't escape taxation because it is out in the open where everybody can see it; he couldn't hide it, even if he wanted to. And he pays 4 cents a gallon on the gasoline he burns in his automobile—and mainly drives over community roads that are dusty half the year and nearly impassable with mud the rest of the time. And they are going to try to make him pay a tax on the gasoline he uses in his tractor.

A favorite story is the one about the Irishman who captured 17 enemy soldiers, single-handed. The general asked, "How did you do it?" He said, "I surrounded 'em."

We have read many times that Robert E. Lee was second in his class at West Point. What happened to the fellow who was first?

Cleston Pritchett, attending Highland's University.
Royal Russell, attending Texas Tech.

SENIOR CLASS NEWS

The Senior Class has never been known to be so "up in the air" and excited about a class meeting as they were Tuesday afternoon, October 15. It was a "once in a life-time occasion—they got their rings. Mr. Hays called an immediate meeting for the purpose of distributing the rings and pins and after this was taken care of the class was faced with the business of electing a new vice-president. They lost Bobby Gray to Kaufman. It was moved and seconded and passed that they appoint Jean Williams to fill the vacancy since she had been runner-up to Bobby in the previous election. She is to be congratulated. After a brief discussion on the class activities of the Seniors for the entire year, the meeting was adjourned.

FAVORITE ROWEL COLUMN REVIVED

The heartsick and lovelorn of Spur High will be interested to know that the first publication of an "advice to lovers" column will appear in the next Rowel. In former years students have carried their heart affairs in strictest confidence to Abigail and Phoebe, but this year those two reliable counselors have found better positions than the Rowel could offer to "Matilda" will be ready and waiting to offer her services to those whose burden is more than they can bear. A mail box for Matilda will be located in the office. Matilda is a sympathetic soul but her experience in this field has been a trifle limited so if your problem is slightly misunderstood—DON'T BLAME US!

pay on trouble before it becomes due.

ALL IN FUN

Waitress: I have fried liver, coiled tongue, stewed kidneys, and pigs' feet.
Calvert: Don't tell me your ailments, sister. I came in for a chicken dinner.

Mr. Watson: Well, my boy, how are you doing at school?
Dewie: Not so bad. I'm trying hard to get ahead.

Mr. Watson: That's good. You need one.

Doctor: Did you take that box of pills?
Howard: Yes, but I don't feel any better. Maybe the lid has not come off yet.

Mr. Harp: What is this "60" on your report card?
James R.: Maybe it's the temperature of the classroom.

Bill, the big-muscled weak-minded quarterback, was bragging to his coach:
"Say, Coach, didja see me cross the goal line five times this half? Replied the coach, "Yeah, you nitwit, but the only time it counts is when you have the ball."

Wayne and Mary Ann had been arguing in Plane Geometry for some time.

Wayne: I ought to know. Don't I go to school, stupid?
Mary Ann: Sure, and you come home that way, too!

Joe King: Pardon me, Sir, but is this a second hand shop?
Proprietor: Yes, it is.
Joe: Then give me a second hand for my watch.

Deane: Hello, is this the Girl Reserve?
Deane: Well, reserve me a beautiful blonde for tonight.

Mrs. Labay: Is Mr. Cook in?
Elizabeth Westfall: No, he's out to lunch.

Mrs. Labay: Will he be back after lunch?
Elizabeth: No, that's what he's out for.

Patsy: Are you going to let that red-head get your boyfriend?
Janice: No, I'll dye first.

A Chinese had a toothache and phoned a dentist for an appointment.

"Two-thirty all right?" asked the doctor.
"Yes," replied the Chinese.
"Tooth hurtee, all right. What time I come?"

Miss Noack: Do you like Kipling?
Billy Massey: I donno. How do you kipple?

REMARKS FROM SENIORS ABOUT THEIR RINGS

Mac Brannen—"I think they're nice."

Susie Sullivan—"They're the most wonderful things in the world."

Wayne McCarty—"So this is what I've worked eleven years for."

Homer Wilson—"It's SO PURTY!"

Jean Williams—"Hope I get to wear it a while before he takes it away from me."

Jonnie Deaver—"Makes me feel so dignified and intelligent. They're just super."

Mafol Carlisle—"A senior ring with tape, Oh, boy?"

Ernest Roberts—"Well, I did want size 14, but couldn't get it."

Charlene Witt—"Oh, they're so-so."

Elizabeth Westfall—"Pretty snazzy, heh?"

Howard Wilson—"Looks like a plain old ring to me."

Joyce Williams—"Wish I'd ordered a pin."

Mary Swenson—"The first beautiful bulldog I've seen."

Imajean Bilberry—"I'm so proud of it."

Lane Bachman—"They're prettier than they were last year."

Bill Swaringen—"Think it will look pretty nice on my girlfriend's finger."

Sue Davenport—"Such a thrill to have one of my own."

CROSS THE EXCHANGE DESK

I put my trust and faith in you, thought I could rely, But now I'm disillusioned, I wish that I might die, I made you my ideal, you see, And so I copied you; I should have copied someone else. For now I'm flunking too!!

SCANDAL

This Snooping Sue, your Scandal reporter, bringing you all the lowdown on the lovesick Lous and their Dashing Dons with their crushes, heartbreaks and what-not, up here at S. H. S.

Two of a size—Bobbie Walsworth and Joe Simpson.

Bill Dyess is still the favorite Casanova of S. H. S. with Joe Max' as outstanding competition.

Mafol was all in a dither while Jack was home. Careful, Carlisle, "Rumors are flying—"

Ernest and Donna Gene really keep us guessing—Is it or isn't it?

Joyce W. is really happy these days—could it be because of a letter from Bob T.?

Jonnie an Mac—will it always be like that?

Dewitt and Mae Toi occupy quite a bit of each other's time and thoughts. So Watson's been captured.

When are you girls gonna get James Robert back into circulation?

Say, Billy J., why not give the girls a break? Football captains are a rare commodity, you know.

Arn't Mac and Carolyn a precious couple?

Mary Ann and Tommy have patched up their differences and get along (and around) quite well now.

These Junior boys are really giving Doris Gibson a rush. She can't make up her mind between Ju Ron and "Bunky."

Have you noticed Janice's and Virgil's exchange in jewelry?

If you want to know anything about the sophomore party ask Patsy and Austin or Betty Mae and Eugene.

Wonder what Ivon's boy friend from Afton would have thought had he seen her on Artabin initiation days. No slam, Ivon, you were cute.

Are Jackie Ted and Donald really going steady?

What's this we hear about Adell Bass and Gene McCombs? No fair holding out on us!

Valene Perry is really having a hard time competing with the Junior High girls.

Who'll volunteer to break the ice or Ben Black?

Lane an Lorene enjoy English and Civics immensely—together. Jean Williams' birthday disappointment is all explained now. Don isn't in the States yet. At at's on his way, Jean.

Billy Crofton and Billie Hammons—wouldn't it get rather confusing?

We hear Verna Bea is still nuts about the "exes."

When's more appealing to Spur High girls, Pearl A. or his car? Pearl's choice there.

That's all you kids, for this time but I'll be back next time with every thing I can get by with telling.

ROWEL LOSES MEMBER OF STAFF

A familiar face has been missing from the halls of Spur High School the past week. Almost every student has been aware of the fact that Bobby Gray is no longer in the midst of school activities. Bobby was sports editor of the Rowel and Vice-president of the Senior Class and his presence is missed a great deal.

This year was his first to be a member of the student body of Spur High School. He moved here from Roswell, New Mexico and was immediately considered an asset to the school. He recently moved to Kaufman, Texas where he will finish the school term. The students and faculty of Spur wish Bobby the best of luck in

his pursuits in Kaufman.

My hat's off... to my customers who have been so swell about waiting for the tire that... OUTWEARS PREWAR TIRES

FOR EXTRA SAFETY AND EXTRA MILEAGE THE NEW B. F. Goodrich Silvertown IS WORTH THE WAIT

The new Silvertown tires have been setting records for long mileage, safety and economy not only on taxi fleets, police cars and special test cars but in regular car owner use. These new tires are built with a broader, flatter tread that puts more rubber in contact with the road, spreading the wear over a larger area. To hold this heavier tread, B. F. Goodrich engineers developed a 35% stronger cord body with stronger cords and more of them... This means better bruise resistance, greater safety. If you want the tire that OUTWEARS PREWAR TIRES, place your order today. A little wait will be rewarded with today's biggest money's worth in tires.

TO EACH HIS OWN
A rose must remain with the sun and the rain
Or its lovely promise won't come true
To each his own, to each his own
And my own is you
What good is a song if the words just don't belong
And a dream must be a dream for two?
No good alone, to each his own,
For me there's you.
If a flame there to grow there must be a glow
To open each door there's a key.
I need you, I know, I can't let you go
Your touch means too much to me
Two lips must insist on two more to be kissed
Or they'll never know what love can do.
To each his own, I've found my own
One and only you.

The Sophomore class began social activities by having a weiner roast last Tuesday night. About fifty class members enjoyed roasted weiners, pickles, cookies, and cokes. After the food was gone the energetic Sophs went over to the stadium to play such games as "Flying Dutchman," "Two-Deep," "Snap" etc. The next day even the casualties of the evening's rendezvous reported a good time.

WHO'S WHO WITH THE SENIORS
Chosen for this column this week are the president and secretary of the 1946-47 Senior class when they were Juniors.
Jonnie Deaver
Jonnie was transferred from Rodessa, Louisiana, at the beginning of the school term last year, and has taken an active part in the activities of her class ever since.
Born at Wichita Falls, on October 5, 1929, Jonnie says she isn't a native Texan. She lived at Rodessa for five years, but says "Why didn't someone tell me about Spur before?"
She has brown hair, says the color of her eyes depends on what she wears, is 5 feet 2 inches tall, and weighs 112 pounds.
Johnnie was elected Senior class reporter for this year, is a cheer leader and a member of the Science Club.
She loves football, picnicking and all outdoor activities and also enjoys day-dreaming and dating (of course.) Her favorite subject is her "Night Course" in which she'll probably major. She says all food is favorite with her but has a special taste for chicken salad and pecan pies. She'd rather hear Charlie Spivak's orchestra play "You Belong to My Heart" than most anything. And last but not least—you'll find her favorite type boy described below.

David McAteer
Blonde hair, blue eyes, 170 pounds and 6 feet tall—couldn't describe anyone but an all-around senior boy, David McAteer.
David was born on October 24, 1930, at Spur—and lived in this vicinity ever since. He is a member of the basketball team, Science Club, and F.F.A.
Some of his favorites are: Business Arithmetic, Chicken fried steak with French Fries, football, loafing and eating "Oh! What It Seemed to Be" by Charlie Spivak's orchestra is okay by him, too.
When I asked about his favorite type girl, he replied, "Jonnie's type."

Mrs. Lee Snodgrass and Mrs. Carl Murry spent Wednesday of last week in Lubbock where they were shopping and attending to other business.

ARTABAN INITIATION
22 for the new members of the Artabans was held in the Homemaking department, Tuesday, October 22 for the new members of the organization.
The department was redecorated with red and white, which are the club colors. The color scheme was followed further by using the National Homemakers' flower, the red rose, and lovely white tapers.
Refreshments of punch and cookies were served to a large number. The refreshments were prepared by the girls of Homemaking II.
Our honorary members, Mrs. Jack Rector, Mrs. O. T. Swenson and Mrs. Floyd Watson also were initiated.

Those initiated were: Betty Barker, Dorothy Boykin, Pinie Dupree, Doris Gibson, Robbie Gibson, Joan Hagins, Carolyn Henshaw, Patsy Hopkins, Peggy Kidd, Idell Kimmel, Valene Perry, Joyce Pierce, Barbara Smith, Bonnie Teague, Bobbie J. Walsworth, Faye Wright, Joyce Baker, Alma Gideon, Mary Ann Hightower, Jane Karr, Jean Karr, Ivon Osmon, Lena Ruth Perkins, Jonell Smith, Louise Smith, Coquese Thompson and Jerlene Womack.

JUNIORS ARE STILL BUSY
The Junior Stand was a great success at the Hamlin game. In spite of the rain soaking everything in the stand including Mrs. Johnston and Miss Noack, the Juniors sold out before the game was over. They will have the stand in operation again for the Lockney game October 25. They hope to have more to sell at this game than they had at the Hamlin game included hotdogs, cold drinks, peanuts, chewing gum, candy, and popcorn.

CHEER!! CHEER!!
The blue and gold was brilliantly displayed at Ralls Friday night by the Spur High Pep Club girls. The vigorous school spirit of the squad was a constant reminder to the spectators and players that the organization was behind the team one hundred per cent.
It has been remarked that this year's club is the best Spur High School has ever had and the sponsors are happy to report that the conduct of the members has been most commendable both at the games and on the trips. The group is to be congratulated on its success thus far in the season.

REMEMBER WHEN
The seniors of '46 roamed the halls of S. H. S.
Ann and Ju Don didn't go together?
Mafoi wasn't such a flirt?
The study halls were quiet (No, of course not!)
Virgil Elliott last combed his hair?
"Mac" wasn't smiling?
Juanele didn't have some cute new clothes?
Mrs. Jeffers was in the home Ec. department?
Mac Brannen didn't make good grades?
Maudie didn't play basketball?
Joyce Williams wasn't talking?
Deane, Dewy, and James Robert weren't "Football stars"?
You could buy plenty of bubble gum?
H. L. Futch Jr., Dickens sophomore, has been appointed librarian of the Hardin-Simmons University chorus. It was announced this week by Kenneth Ballenger, chorus director.
The university chorus offers experience in singing to all students interested, and numerous programs and concerts are presented annually. The main project of the fall semester will be presented sometime in December when the chorus will give Hydin's oratorio, "The Seasons."
Mr. Futch, son of Mr. and Mrs. H. L. Futch, Dickens, was appointed librarian, "Because of his dependability," Mr. Ballenger said.
Neal Chastain spent the past week-end in Spur with Mrs. Chastain and Neal A. Jr. Mr. Chastain has been living in Munday for the past few months, where he has business interests.
J. L. Karr of the Espuela Community was in Lubbock one day last week where he was attending to business.

Car Production In Gradual Rise Report Reveals

In spite of continued shortages of raw materials and thinned supplies of finished parts from outside sources, General Motors last week produced a somewhat greater number of passenger cars than in the previous week, according to a report received this week from General Motors by E. D. Engleman, owner of Spur Implement Company.
The week saw production of 25,189 passenger cars in the United States, the third highest weekly total of the postwar period, as against 23,284 the week before.
Seriousness of the shortages in materials was shown by totals for September, which fell short of the August figures by nearly 2,000 units in the passenger car tabulation. Total passenger car production in September in the U. S. was 99,410.
Passenger car figures for the U. S. this year, to date, are more than a million under the comparable 1941 period, 460,097 as against 1,481,071.
There was a slight increase in number of supplier strikes affecting General Motors, 60 in the United States and Canada as against 58 a week earlier, 42 of these in the U. S., and in addition four suppliers not struck were reported closed because of the Pittsburgh power strike.
Of the actual strikes, 33 had been in effect over 60 days and 22 more from 16 to 60 days. Five were of less than 15 days duration.

Mr. and Mrs. C. V. Allen and Coy McMahan attended the football game in Lubbock last Saturday between Texas Tech and Baylor University. Mr. Allen stated that he enjoyed the game, however it was not as exciting a game as he had expected.

Past Matrons of OES Enjoy Luncheon Thursday

The Past Matrons club of the OES entertained with a most delightful luncheon last Thursday in the home of Mrs. Nell Davis, complimenting their junior Matron and new member, Mrs. Leonard Wilson, who was presented a corsage of white carnations.

The table laid with white linen was centered with an arrangement of dahlias. Tiny wooden gavel, tied with ribbon in the five colors of the star points were used as plate favors.

The menu consisted of smothered chicken, creamed potatoes, buttered peas, asparagus, gravy, cranberries, a variety of salads, pickles, olives, pickled onions, hot rolls, pumpkin pie and coffee.

Poppy wreaths were made to be displayed in down town store windows, as a reminder of the poppy sale to be held on Saturday, November 9.

Those attending were Mesdames George Sloan, L. R. Barrett, M. A. Lea, Leila Evans, Samantha Smith, C. L. Love, Walt Jimison, George Link, Sr., Kate Senning, Leonard Wilson, R. C. Forbis and Nell Davis.

GIFT RECEPTION COMPLIMENTS MRS. HERSHEL MARSHALL AT ROARING SPRINGS RECENTLY

MEXICAN INFLUENCE—From south of the border comes the inspiration for this off-the-shoulder cotton peasant blouse and black cotton gabardine dirndl worn by Martha Vickers of Warner Bros.

A Gift reception held Tuesday afternoon, October 13, from 3 to 5 o'clock in the home of Mrs. H. L. Smith at Roaring Springs, complimented Mrs. Hershel Marshall, the former Miss Bessie Mae Smiley.

Hostesses were the Ladies of the Christian Church of Roaring Springs.

The reception rooms were decorated with arrangements of roses and dahlias. Mrs. Smith received the guests and Miss Freda Keahey presided at the Bride's Book, where guests registered.

The table was centered with a silver bowl of roses, reflecting their beauty on a mirror and flanked on either side with white candles in silver holders. Mrs. Jessie Freeman, assisted by Mrs. Clerk Forbis and Mrs. Pleas Curd presided at the refreshment table, where cookies and punch was served.

Guests were entertained during the afternoon with readings by Palma Lancaster and Larry Hoyle.

Those sending gifts and registering during the afternoon were Mesdames: G. V. Hensarling, Paul Enloe, Fred Simpson, S. D. Hunter, Melvin Thacker, Sarah Hunter, Harriet Marshall, W. H. Rigby, J. P. Livestock And Feed Up; Cotton, Grain, And Eggs Down

Livestock and feed went up as cotton, grain, eggs and poultry went down last week while most vegetables, rice, peanuts, butter, an dnik held steady at southwest markets USDA's Production and Marketing Administration reported today.

Cotton tumbled about \$25 a bale last week. The trade associated this drop with speculation regarding decontrol of cotton textile prices and uncertainty as to outlook for sales of cotton textiles. Also, seasonal heavy movement of the crop into trade channels may partly explain the break.

Hog prices took one of the biggest jumps on record last week when ceilings came off and soared \$8 to \$10, but later declined \$2 to \$4 a cwt. as receipts increased. Friday's quotations for good and choice butchers stood at \$22 a cwt., San Antonio; \$22-25, Oklahoma City; \$22.50 to \$23, Fort Worth; \$23 to \$23.50, Denver; and \$23 Wichita. Higher prices brought out 16,050 hogs at six southwest markets compared to 7,545 for the corresponding week last year and 4,850 hogs for the previous week.

Decontrol of meat brought a rush of cattle to market last week. Receipts at six southwest terminals totaled 90,400 compared to 82,000 for the corresponding week last year and 55,375 for the previous week. Cattle advanced \$2 to \$4 a cwt. at southwest markets in contrast to gains of \$5 to \$10 at midwest markets. Friday's prices quoted here were down from the week's peak. Houston sold common and medium steers and yearlings at \$13 to \$15 a cwt. and good beef cows \$12 to \$13.50. Medium and good cow brought \$12 to \$16, San Antonio and Fort Worth; good cows \$15 to \$16.50, Wichita and \$16.50, Denver. Oklahoma City quoted medium and good steers and yearlings \$12 to \$23 and top beef cows at \$20.

Southwest sheep and lamb markets reported advances of 50 cents to \$5 cwt. on lambs and 50 cents to \$1.50 on ewes. Friday's prices were somewhat lower than the extreme highs following meat decontrol. Common and medium lambs brought \$13 to \$15.50, San Antonio; medium and good fat lambs \$17.50 to \$21, Fort Worth; good and choice lambs \$22 to \$23, Oklahoma City and \$22, Denver.

Trading in domestic wools was nil last week. Prices were up 3 to 5 per cent under the new schedule. Finer grades of sorted mohair could be readily sold as soon as offered.

Most grain prices started down grade last week. Sorghums and corn lost the most ground. However, feed markets were unsettled as a result of the end of price control and restrictions on the use of by-products and mixed feeds. No prices were quoted, but the trade expected urgent demand for tight supplies would push prices well above former OPA ceilings.

Southwest egg and poultry markets felt the impact of meat recontrol. Demand sagged and prices dropped about 2 cents a dozen on eggs and about 3 cents a pound on fliers and hens.

New Farm Magazine To Make Appearance In Southwest

BOYS AND GIRLS IN 4-H CLUBS

are doing a grand job . . . they are learning how to be better farmers and homemakers through extension courses and practical experience.

County agents report that young members of 4-H Clubs are using Reddy Kilowatt to provide clean, cool and comfortable living quarters for their meat animals.

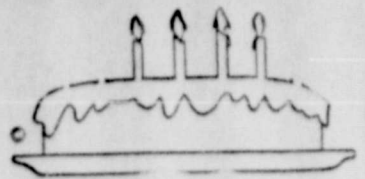

The cost of electric power to increase and assure better production on farms is low—and the small investment in electric help means considerable in increased income at the market.

Reddy Kilowatt and the 4-H Club boys and girls are planning tomorrow's farm management as a more promising vocation for trained men and women.

Showing at the Palace Sunday

"At least, you're the third party, Bob!" A scene from "Monsieur Beaucaire," starring Bob Hope, Joan Caulfield and Patric Knowles.

Any resemblance between Bob Hope as "Monsieur Beaucaire" in the movie of the same name, arriving Sunday at the Palace Theatre, and Rudolph Valentino, who starred in the silent version more than a decade ago, is guaranteed by Paramount to be not only coincidental but almost unimaginable. The company had no intention of making Hope the matinee idol of the forties.

A notion that Hope would be funny in knee-breeches and a powdered wig originally titulated the re-make of the Booth Tarkington comedy.

When writers Norman Panama and Melvin Frank—they're the boys who scripted the hilarious "Road to Utopia"—looked at the Valentino version, they decided that little could be salvaged from the original "Beaucaire" besides the title, period and locale. Booth Tarkington's original character was a dashing Frenchman of royal blood who posed as a barber to avoid a marriage of state. In the '46 version, Hope is a barber who poses as a duke; and that decidedly against his will. Thus Tarkington's mixed identity theme is retained for situation comedy.

Co-starred with Bob Hope is lovely Joan Caulfield who scored so heavily in her first picture, "Miss Susie Slagle's." Joan is cast in the current "Monsieur Beaucaire" as a spirited and ambitious royal chambermaid, who leads Bob a merry chase.

A hand-picked cast supports Hope and Miss Caulfield in this reportedly hilarious piece of entertainment. Heading the list is Patric Knowles and Marjorie Reynolds, who supply the legitimate interest in the comedy. Others are Cecil Kellaway, Joseph Schildkraut, Reginald Owen, Constance Collier and Hillary Brook. George Marshall directed.

Mr. and Mrs. Joe Fredrick and son, Paul of Grand Prairie are visiting among their many friends in Spur this week. Mr. Fredrick will be remembered as the boy preacher, who started his ministry at the First Christian church in Spur. Mrs. Fredrick is the former Ernestine Hale, daughter of Mr. and Mrs. E. M. Hale, former Spur residents.

Mr. and Mrs. C. M. Penn and Mr. and Mrs. Curtis Penn have had as their guest for the past week, S-Sgt. and Mrs. M. P. Mathews and son of Brownwood and Mrs. E. J. Henderson of Mercury. Mrs. Henderson is the mother of Mrs. C. M. Penn. Also visiting in their home was their daughter, Miss Inez Penn of Fort Worth and Gregory Don Penn of Spur.

Denver U. And Tech In Grid Game Saturday

LUBBOCK—Denver University's rampaging Pioneers, champions of the Rocky Mountain area will invade Texas Tech Saturday, October 26, for what is expected to be another tough gridiron battle for the Red Raiders.

Coach Cac Hubbard of Denver will bring in an aggregation which has gained considerable attention for its open game and snap passing combination. Sparked by John Karamigios, powerful all-conference fullback, and Bob Hazelhurst, razzle-dazzle fullback, Denver also ranks well on power drives and is rated by Tech scouts as a hard team to stop.

Coach Dell Morgan of Tech, however, has been working his lads hard for each game and is anxious to win his only inter-sectional encounter of the year. The Raiders have been gaining power in some departments and are looking to speed in the backfield to bring necessary points.

Morgan has impressed upon his charges greater teamwork is necessary and major attention must be given to blocking. He is hopeful Co-Capt. Roger Smith, All-American service man; Charles Reynolds, Border conference 100-yard dash champion; Hard-driving Cecil Norris; and shifty Walter Maloney will be able to provide the ground punch.

Tech may be expected to open up with more passing against the Pioneers, with Dick Standerfer, Roger Smith and Ernest Hawkins doing the heaving. Red Williams, Bill Kelley and Dub Moyers, ends, have been showing up better as receivers during the past week.

A capacity crowd is expected to see the game.

Mr. and Mrs. W. F. Shugart returned Monday from Marlin and Rosebud, Texas where they have been visiting for the past several weeks. They were guests of Mr. and Mrs. Dan Clark at Rosebud. Mr. Clark and Mrs. Shugart were raised together and enjoyed visiting and talking over old times.

Cpl. Charlie Arrington, son of Mr. and Mrs. Roy Arrington arrived in Spur last Saturday night, after spending the past 15 months in the Philippines where he has been stationed with the Air Corps. Cpl. Arrington is now on terminal leave.

Mrs. A. B. Marcy was carried to Lubbock in the Chandler ambulance early this week where she later underwent surgery at the West Texas Hospital.

From where I sit... by Joe Marsh

On Playing the Fiddle Badly

A favorite recreation in our town is getting together in one or another's home and making music. There's somebody at the piano; a guitar; a fiddle player; and Molly Birtles even has a harp!

What comes out isn't the best music in the whole world. In fact, a lot of it is downright bad. But nobody even thinks to question or to criticize.

Because the spirit of harmony is there—harmony between folks who like each other's company, who enjoy the simple, homey atmosphere

—with nothing more exciting than old songs, and a glass of moderate beer or cider.

From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. More important to be a part of the American scene—with its community music, home entertainment, friendly glass of beer—than to hold out for professional perfection. (Besides, I like to play the fiddle—even badly!)

Champion of Clean Milk

ALBUQUERQUE, N. M.—Clean milk and milk products will always command a good market, according to Secretary of Agriculture Clinton P. Anderson, who isn't worrying about farm surpluses—either on his own 600-acre dairy farm-ranch near here, or on the nation's farm front. He believes the war actually stimulated the market for milk and milk products. Here he is shown examining one of the milking machines used on his farm. Anderson is particular about maintaining high standards of farm cleanliness because he is convinced that American farmers must continue to improve quality and production of their milk in order to hold the peak market. The Secretary milks about 150 cows.

Today's high meat prices worry us, too. We know we can sell more meat when prices are low. Furthermore, we believe meat prices will go down soon and we'll probably have to take some inventory losses when they do; but whatever the price, we feel we have an obligation to have supplies available and to let customers decide whether they want to buy. We pledge you that our prices at all times will be as low as we can possibly make them based on costs to us and earning only a fair profit.
