SPUR, DICKENS COUNTY, TEXAS THURSDAY, JUNE 17, 1948

NUMBER 34

Old Judge Carls Family Court

MOM VS DAD

Docket: Shall Mom go to a bridge party and leave Dad alone with the children?

MOM: Harry objects to my playing bridge with the women in our apartment house on Friday nights because of the children. This is ridiculous. I take care of them all day and my absence for two hours one night a week wouldn't hurt either the children or Harry.

DAD: "My wife's just trying to go 'modern,' Judge. She knows it's wrong to leave me alone with the children. Why the baby is only a year old. Besides, I'm plenty tired when I get home at night."

Findings and Verdict of Judge Carls: Folks, every now and then the old judge finds a mighty "touch case" on the family docket. This is one of 'em.

Mom wants to have a little fun with the girls, and Dad thinks he's suddenly got a "modern" wife on his hands.

The court doesn't feel Mom wants to go "modern" on Dad or neglect the children either. She probably just needs a little vacation from home routine.

Two hours a week is a pretty short one, Dad—so why not let Mom enjoy it? That Friday night social is held right in the building and you could have her home in a jiffy if you really needed her help with the children.

Shall Ted leave Joyce while she's on the phone?

SPUR AMERICAN LEGION TEAM DOWNS LUBBOCK LEGION TEAM BY A SCORE OF 5 TO 4 TUESDAY

C. B. Chandler and Coach Hawkes accompanied the Spur American Legion baseball team to Lubbock, Tex. for a practice game with the Lubbock Legion "B" team, when the Spur boys beat the Lubbock Legion boys in a hard fought game by a score of 5 to 4.

Shortstop Joe Simpson's sixth inning double sent Clyde Blair across home plate and gave the Spur American Legion nine a hard-earned 5-4 triumph over the Lubbock Legion "B" team in a practice tussle Tuesday afternoon at the Chapman field diamond.

Simpson's two-base blow—his second of the game—pushed the visitors into a 5-3 lead over the Lubbock crew and, after a late Hub city rally tallied one run, provided the margin of victory for the Spur team.

Three Spur hurlers held the Lubbock team to four scattered safeties, with Al Young chucking for the first three frames and John Koonsman and Melvin Lindsey turning in effective relief chores. Young gave up three of the Lubbock tallies and Koonsman was touched for the final count.

David Clark started on the mound for the home nine and gave up only three hits in three stanzas, but committed double errors by Lindsey and Simpson in the first frame and five Lubbock errors kept him in the hole.

Winning this edge over the Lubbock boys, the Spur team feel a little more confident of a greater victory in the game to be played here tomorrow (Thursday) at 5:00 p. m. at Jones Recreational park. This game will be an eliminational game. Here's hoping the luck for the Spur boys hold—just a suggestion Spur boys, better carry that certain little "rabbit foot" along, remember Spur folks know you can beat down those Lubbock boys—but just in case, you better slip that rabbit's foot where it will be handy if the home gets rough.

The Spur team will also play a game here on Friday (Thursday) at 5:00 in the Jones Recreational park.

C. B. Chandler and Coach Hawkes urge the parents of these boys and all baseball fans to be present for one or both of these games. Nothing can be more depressing than playing to an empty stadium, especially in your own home town. Spur people less get behind these boys, if you can't help out in a more substantial way you can at least lend them your moral support by being on the sidelines and cheering them on to a final victory.

Sixteen Car Loads Of Wheat Shipped Up To Wednesday

Up to date sixteen car loads of wheat have been shipped from Spur, and the elevator people report the quality is very good. Due to the rush at this time, no estimate was given on the number of bushels handled, but it is believed approximately thirty eight car loads will be shipped. Of course this is far short of last year's record, but considering everything is still very good.

The yield will range from 5-6-10-12 bushels per acre. The Ross farm in Lower Afton has reached the highest yield in this section with a reported yield of 10-12 per acre. One thing in favor of the wheat farmer this year has been the more slight deductions that are being made, this was thought to be due to the lack of heavy weed growth.

Much of the wheat around this section has already been cut, but a few late patches will be harvested in the next few weeks. Completion of the wheat harvest is expected to be far ahead of that of last year, when the peak was reached much later.

Dickens County Being Compiled

Any man or woman who desires his or her picture and service record to appear in the Service Record Book of Dickens County, which is now being made, should fill out the Service Record Questionnaire on Page 2. Any man or woman is eligible who served from Dickens County in World War I or II.

Necessary information is the name, address, date of induction, etc. All questionnaires should be mailed with a photograph to L. J. Varnell, Jr., Dickens, Texas or to Guy Karr, Spur, Texas.

New Stage Curtain For Dickens School

Through the courtesy of Dickens and Spur merchants, who contributed advertising, a new stage curtain has been purchased for the Dickens high school auditorium.

The curtain, which has already been installed, was obtained from the Waco Stage Equipment Company. It will aid stage appearance a great deal, and provide a better view of the school children in their stage activities.

Items Of Interest Taken From Files Of Dickens Item Published In October, 1904

Recently when the old Afton church building was torn down, there was found in the corner stone two Bibles, that had practically turned to dust, and a copy of the Dickens Item, published in 1904—by the late Crawford Cobb of Dickens. The following items of interest were taken from the paper, and even the 44 years is a long period of time, a number of the people mentioned are among us today.

Legion Junior Ball Club Included In State Organization

Spurs American Legion Junior Baseball team was included in the plans for 11 South Plains leagues to open competition Thursday in District 2, region 1, of the State American Legion Junior baseball organization, it was announced Wednesday after a meeting of area Legion and school officials in Lubbock.

The district teams were divided into two divisions for league play with Spur heading the South section among Post, Tahoka, Slator, and Lubbock's "A" team. The nine will play a double round robin schedule during the next four weeks, with the top two teams in each division meeting in a district tournament in July.

Spur is fortunate in having one of the certified and official teams in this district. The Lubbock "A" team tangle with Spur's nine today at 5:00 p. m. Friday's game roster sends Post to Spur at the same game time, with both games played on Jones Recreation Park diamond.

Attending the final organizational meeting from Spur were Sam Hawkes and C. B. Chandler who work unceasingly as directors of American Legion youth group. Godfrey and Smart (Ford Motor Co.) of Spur ranks first in commendation for its financial assistance to the team. Let us hope the boys are successful in every game.

Funeral Services For Brother Of Spur Residents

William Bennett Smith, 78, a resident of Crosbyton for 34 years, died Monday, June 14, at 8:35 a. m. in a Crosbyton hospital.

Funeral services were conducted at 5 p. m. Tuesday, in the Crosbyton Church of Christ, with F. L. Parsley, minister officiating. Burial was in Crosbyton.

Among the survivors are two brothers Bob and Arth, both of Spur.

Soil Conservation Summary Released

Dickens county branch of the Agricultural Conservation Administration has released a summary of the practices carried out by farmers of Dickens county in last year's soil conservation program, and the payment they received for carrying out these Soil Conservation practices. The following is a list of these practices and payments:

On 104 farms, 1,663,870 feet of Large Ridge Type Terraces were built at a cost of \$25,258.04.

On 16 farms, 19,449 cubic yards of Diversion Terraces were constructed at a cost of \$1,555.92.

On 1 farm, 1,912 cubic yards of dirt were moved to build a drainage ditch costing \$152.96.

On 45 farms, 103,845 cubic yards of dirt went into Earthen Dams at a cost of \$10,384.50.

On 16 farms, 2,954 feet of Water Wells were drilled at a cost of \$5,188.00.

On 3 farms, Strip Cropping Practices were carried out to the extent of 397.8 acres at a cost of \$198.90.

On 4 farms, 148 acres were Deep Plowed at a cost of \$222.00.

On 2 farms, 71 acres of land were Summer Fallowed at a cost of \$35.50.

On 310 farms, 36,022.3 acres were Contour Listed at a cost of \$9,005.62.

On 365 farms, 41,124.7 acres were Contour Farmed at a cost of \$21,562.35.

On 53 farms, 4,741.0 acres were Contour Seeded at a cost of \$1,185.25.

On 16 farms, 939.5 acres of Stalks were left on the ground at a cost of \$234.87.

On 8 farms, 332.6 acres of Mesquites were eliminated at a cost of \$1,477.00.

On 6 farms, 110 pounds of grass seeds were sowed at a cost of \$324.80.

On 2 farms, 2,993 pounds of seeds were harvested at a cost of \$59.86.

On 17 farms, 10,075 pounds of Winter Legumes seeds were planted at a cost of \$503.75.

On 1 farm, 4,000 pounds of phosphate were used at a cost of \$42.40.

Heed Summer Month Safety Precautions

During the summer months of June, July and August, between 10 and 15 children will be crushed to death beneath the wheels of family cars as parents and neighbors bar out of or enter their driveways, is the forecast of the Texas Department of Public Safety.

Children will spend a lot of time playing out of doors these months, and it is difficult for the driver to see them while looking through the rear glass of an automobile. Director Homer Garrison, Jr. stated that vision will also be somewhat obscured from the front of the car as the driver enters the driveway.

By using extra caution upon entering or backing out of driveways, the lives of 45 children can be saved during this period.

Weekly Swing Of Southwest Markets

Livestock netted gains at southwest markets last week, poultry and egg held steady while grain and cotton markets mostly advanced according to the Production and Marketing Administration, U. S. Department of Agriculture.

Grain markets opened this week at slightly lower prices than the preceding Friday. However, compared to previous Monday, wheat and oats were only down 2 cents while milo and barley were up 2 cents. Corn held steady.

Southeast egg and poultry markets opened Monday at the same steady pace kept since the last of May. Farm run eggs ranged from 36 to 38 cents per dozen with some deficit areas closer to 40. Fryers were slightly higher at 40 to 42 cents per pound. Light hens brought mostly 22 to 24 cents. Old hen turkeys, U. S. No. 1 quality, were quoted at 23 to 26 cents and hens at 33 to 41.

More cattle arrived at southwest markets last week than in several months failed to depress prices. Most slaughter classes were steady to higher with several new peaks for the year reported. Monday's trading held this strength. Common and medium cows brought \$17.50 to \$21 at Houston; \$17.50 to \$21.50 at San Antonio; \$18.50 to \$22.50 at Fort Worth; \$18 to \$22.50 at Wichita. Oklahoma City paid \$25 to \$26 for old lots of good cows. Denver sold 16-month to good cows at \$1 to \$2.50.

Hog prices advanced 25 to 75 cents per 100 pounds at southwest markets last week with Monday's prices even stronger at some places. Top butchers realized \$24.50 at San Antonio; \$24.50 to \$24.75 at Fort Worth; \$25 to \$25.50 at Oklahoma City and Wichita; and \$25 to \$26 at Denver. Sows ranged from \$18 to \$20.

Third largest sheep and lamb run of the year last week left no mark on rising prices at southwest terminals. Spring lambs continued to make spectacular gains of \$2 to \$3 per 100 pounds. Denver paid an all-time high of \$32.50 Monday. Best springers realized \$30 to \$31 at Wichita, \$29 to \$30 at Oklahoma City, and \$28 to \$30 at Fort Worth. San Antonio yielded medium slaughter lambs and yearlings at \$18.50 to \$21. Ewes ranged from \$8.50 to \$15.50 per 100 pounds.

Spur Girls Students In Colorado U.

Misses Ann Hull and Virginia Ruth Shugart left Wednesday for Boulder, Colorado, where they will study for six weeks in the University of Colorado. Ann received her high school diploma May 25 at Stephens College in Columbia, Missouri. She will resume her studies there in the fall.

RECEIVER TRANSFER

Billy Addy, bookkeeper for Wooten Wholesale, has been transferred to Colorado City, and he and Mrs. Addy spent the past week end in Spur in preparation to moving permanently to their new location.

CARL SPAIN

Speaking at the local Church of Christ Wednesday evening of June 23 will be Carl Spain, associate minister of the Broadway Church of Christ in Lubbock, Texas and Bible instructor in Texas Tech. Mr. Spain recently delivered a series of special addresses in New York City. His address in Spur will be evangelistic in nature and the public is cordially invited to be in attendance.

RURAL ELECTRICITY IN RURAL HOMES OFFERS A YEAR AROUND SAVING OF FARM PRODUCE

The Board of Directors of the Dickens County Electric Cooperative, Inc. met in regular meeting Saturday, June 12, 1948. President Joe M. Rose of Duncan Flat, presided. Others present were W. L. Bucklewe, vice-president, Jayton; directors, Ben Los, Girard, A. L. Smith, Jayton; C. P. Witt, Kalgary; and Bill Wyatt, Lower Red Mud.

The minutes of the previous meeting were read and approved. Current business matters were discussed and the managers monthly report was given to the board. There being no further business to attend to, the meeting adjourned. The next regular meeting will be held in July.

CONSTRUCTION NEWS

Right of way is being cleared and much progress made on the D. Section. This section constitutes 370 miles throughout the entire territory, and will serve a large group of people in the rural communities. Nothing in the history of the rural folks have ever so completely revolutionized their lives as the comforts and conveniences, and the great saving of food and farm products as that afforded by the Rural Electric Association. Heretofore much of farm work was plain drudgery, but with the help given by the electrical appliances, the farm housewife can now enjoy as much freedom as her city sister. Perhaps the added expense involved may seem rather heavy, especially if crops have been short, but the saving in days and months to come far out weighs the initial out put.

Good Rains Fall In Most Of County; Better Crop Seen

Farmers and ranchers in the Wilson Draw Community North-east of Spur received a hard rain Sunday afternoon which measured approximately 3 inches. The entire area benefitted greatly from the moisture, but those who had previously installed soil and water conservation measures were able to hold the water in place longer and get it into the ground. The terraces on George Nalley's fields held good, although the rain fell in a short "me. Nearly all the terraces were topped by the water, but none broke. Nalley's crops will make good use of that water next August.

Penn Shugart had built some diversions on his pasture land to run water into his tank. The diversions added 48 acres more drainage to the tank, which was full of water Monday morning. The terraces on the Cora Dobbins place along the Spur-Dickens highway backed water from one to the other.

R. E. Dickson always derives a great deal of enjoyment from catching water running down the road, out of a pasture, or off someone else's farm, and turning it on his land. His farm Northeast of Spur resembled a lake late Sunday evening. The increased moisture in the soil will pay off for him this season as it has always done in the past.

Arner Watson of Water Tower Community recently completed his cooperative agreement with the Duck Creek Soil Conservation District, and it is ready for the approval of the Board of Supervisors. Arner built up 2 miles of old terraces, and built 2 1-2 miles of new terraces.

Carl Hagins added 820 acres of farm land to his cooperative agreement with the District. In addition to terracing and contouring, Mr. Hagins plans to put in a small acreage of rye and vetch for a trial in controlling wind erosion and to build up the soil.

Most Cotton Up And Looking Good

Those who have driven out on the farms the past week or two report much of the cotton is up and looking good. Unusually good rains during the past week or two, due to the moisture of the rainfall. Some farmers state they will plant some late feed if sufficient rainfall justifies the effort and expense.

Wheat is about ready to be harvested, and it is believed the yield will be better than the earlier crop indicated around 8 or 9 bushels per acre.

The fruit crop is way above the earlier expectations and the warm weather is hastening the ripening of the first early peaches. The T. B. Watson's have ripe fruit ready for the market at this time.

Very little local garden produce is showing up, due to the lack of early rains but quite a few smart truck gardeners are enjoying home grown potatoes at this time.

Supreme Court Justice Visits In West Texas

Associate Justice James P. Hart of the Texas Supreme Court has been covering a lot of ground the past three months. Running for his first elective term on the Supreme Court, Judge Hart has campaigned in more than 85 counties and made speeches in some 25 Texas cities.

Among the counties in which Judge Hart has visited are: Garza, Lubbock, Midland and Potter. Judge Hart has made addresses mostly non-political in nature, in a number of these counties. Cities in which he has spoken include Amarillo, Lubbock, Post, Muleshoe, Midland, Wichita Falls and Abilene.

INSPIRATIONAL

And the gates of it shall not be shut at all by day; for there shall be no night there.
Revelation 21:25.

Nearly 400 Appreciative Spectators Attend Mrs. Guy Karr's Dance Revue

"Just a fairy land," "too elegant for words," "too much for my money," are but a few of the comments overheard after the performance of Mrs. Guy Karr's Dance Revue Friday night.

Weeks of hard work on the part of the children, their mothers, Mrs. Karr, and her assistant, Mrs. Rex Carlisle, showed approximately 360 spectators just what local talent springs from Spur.

Costumes of the performers ranged from the softest rainbow hued powder puffs to the brighter and more intense Indian reds and blacks. From the youngest member, three year old Sue King, daughter of Mr. and Mrs. John King, Jr., to the oldest high school student included, there was cooperation without a hitch.

A make-believe Tom Sawyer appeared dressed as a sun-suited fisherman, while backstage a scene below the border prepared to dance gaily across the stage complete with castanets and gypsy Spanish prints. Raggedy Ann and Andy's charmed hearts in the audience while their antics made way for a tiny Blue Boy who playfully cartwheeled her way around. Reminiscent of the ante-bellum days were the Sun-bonnet Sue Dolls... their small, made-up faces portraying those of decayed daisies.

A peek into Mademoiselle's Boudoir added a note of intimacy to a First Date. With tiny Lipsticks an Eyebrow Pencil applying the powder, curls, a Jewel and a Flower or two, with a tinkle from a Music Box bringing the background... who thought the Grand Finale would come as soon?

There and many more suggestions of the performance of the Dance Revue one of the most successful entertainments ever had. It was sponsored by the American Legion of Spur. Guy Karr as Commodore, aided by numerous appreciative parents, and a host of smiling spectators.

FATHER'S DAY

Sunday, June 20 is designated as Father's Day. This is a day when the father should come in for his share of affectionate attentions, as well as the purpose of this day may be for commercial reasons, as so many of our "special" days and weeks are, but to pay tribute to the millions of those who are the heads of our American homes, is an obligation, where money is no factor. Most Spur

fathers are embarrassed with the fuss and ado of the occasion, but they still like it.
Fatherhood is a challenge to the best that is in a man. His responsibility is the care of the family, the maintenance of the home, no simple, easy job in any generation. Many years ago, the relationship between father and children was built more on a basis of law and order. The authority of the parent, the obedience to the parent's will was adhered to with firmness. Naturally this must be observed in Spur families today. However, fathers are making more earnest effort to bring companionship, mutual understanding, sharing interests and occupations, with their children. The authority, the obedience, is still there, but by investing time and even trouble in doing things as a companion with children, the bonds of family life are strengthened, and what better investment can a man have than this?

CARD OF THANKS

We want to acknowledge our deepest appreciation for every act of kindness, expression of sympathy, and floral offering during the illness and death of our wife, mother, and grandmother. For special thanks we remember Dr. Hughes, Dr. Nichols, and the nurses.
H. R. Witt and family.

ARE YOU LOSING YOUR HEARING?

A new device has been developed to give hope for the hard of hearing. Through the adoption of a new miniature electronic tube, science now brings restored hearing to the deafened. No more cumbersome batteries or battery cords needed. This new device weighs only a few ounces yet is so powerful that the hard of hearing may now hear whispers.
It is suggested, if interested for yourself or a friend, write for full free information or home demonstration.

A Woman's Place

Time was, when women either married or single, were ostracized by society if they entered the field of business. There was to sow a fine seam, study music or china painting, prepare themselves for the delicate art of housemaking, leading protected, secluded lives that gave unto man the rights of the rigors of the world of trade. Ladies didn't go into the realm of business, in fact if ever true it was then, that a woman's place is in the home. The passing years have changed all that. Woman became active in the professions, becoming teachers, then as the scope widened, entering the business of men, engaging in all lines of industry. Women have been highly successful in many lines of endeavor, scaled political heights, brought feminine hands to work in factories. Today's woman has assumed the position of wage-earner along with the man. Marriage has been the goal for many women who wished to remove themselves from the wage-earner class. But, as strange as it may seem, married women today, with paying jobs. The U. S. Bureau of Census, gives proof that the husband is the sole provider for only three-fifths of households. Since 1940, there has been a fifty per cent increase in wives working. This is supposed to improve the standards of living in homes, but yet we have been told that much of the juvenile delinquency problem rests upon the lack of parental guidance. In homes where both parents are employed, so it becomes a

Miss Saphronia Ponder, teacher in the Fort Worth schools, came in last week and will spend the summer with her parents. Mr. and Mrs. L. C. Ponder of Spur.
C. B. Chandler made an ambulance call to Dallas, last Friday, carrying a patient from Roaring Springs, to a Dallas hospital.

As Was Expected
As feared, holiday pleasure seekers, celebrating the Memorial day weekend, added lives to the casualty lists. Over 300 in traffic accidents, drownings, air crashes, fires, met a violent death. Summer excursions will take a toll in drownings where parks, beaches and resorts are crowded. Week end motoring trips will result in crashes on sudden death. Soon another holiday, July 4, will be upon us, and as feared, we will read the number of dead, following the celebration, and place most of the blame on carelessness. Too many Spur people pay no attention to pre-holiday warnings, but are only startled

The New Leach variety, when it comes to ice cream. And why shouldn't it? (National Dairy Council). Because ice cream is not only better, but doctors recommend it for sound nutrition and better health for young and old, summertime or any day in the year.

Pontiac Popular Throughout Country Items Of Interest

Pontiac's longtime program of expansion and modernization of dealerships is matching the popularity of the Pontiac car throughout the country. Larry J. Klingler, general manager of Pontiac Motor Division, declared in a letter to J. L. Bean and Coy McMahan of Public Sales and Service in Spur showing a 4,000 mile swing through the Southwest.
During the last 10 months Mr. Klingler and other Pontiac executives have travelled approximately 40,000 miles in dealer contact surveys.
"I am proud of Pontiac's position in the industry both as to the dealer organization and to product," Mr. Klingler said. "Everywhere we went we found evidence of dealers' faith in future of the automobile industry and in Pontiac in particular. This is being expressed in the form of new and better buildings, the installation of modern equipment, in alert, well trained sales and service men."

"I feel that both dealers and the Pontiac car have made marvelous progress. Pontiac orders now are approaching the 600,000 mark and it was pleasing to note the enthusiasm people appear to have for the Pontiac car. Many persons not connected with the industry, went out of their way to tell me how much they liked my car. And that, I think, is one of the finest compliments which can be paid a manufacturer."
Reception of Hydra-Matic and the Pontiac DeLuxe line has been excellent, Mr. Klingler said. Hydra-Matic transmission now are being installed on 75 percent of Pontiac's total production, the maximum number of automatic transmission units Pontiac is able to obtain at this time.

Mr. and Mrs. George O'Guinn of Spur are announcing the arrival of a new son, weighing seven pounds and one fourth ounces, born Wednesday June 9th, 1948. Congratulations to Mr. and Mrs. M. J. Corneleous, on the birth of a new daughter, Ruthie Gaynell, born Thursday, June 3, in the Nichols General hospital. The father is a mechanic in a Spur garage.

DR. MARSHALL T. STEEL

Dr. Marshall T. Steel, pastor of Highland Park Methodist Church, Dallas, Texas will speak on "This World Responsibility" on the Methodist Hour of the Southern Religious Radio Conference Sunday morning, June 20th. Dr. Steel was a member of the 1948 General Conference and will be a member of the 1948 Jurisdictional Conference of the South Central Jurisdiction which will meet in El Paso, Texas the week following this broadcast. Since 1936 he has been pastor of Highland Park church, which is the college church of Southern Methodist University and on its campus.

He is one of the most popular preachers of American Methodism. His morning sermons from Highland Park are broadcast every Sunday over KRLD in Dallas and every survey has proven this to be one of this station's most popular broadcasts. This sermon, together with others of the series, "The Teachings of Jesus and the Present Scene" will be heard over Station WFAA Dallas at 7:30 a.m. Sunday morning, Oklahoma City, KOMA at 8:30 a.m.

Mrs. E. M. Uesery, spent last week visiting her daughter, Mrs. Clyde Gregory and family in the Red Hill community.

Mrs. Vela Turpen was over from Dickens, Friday morning of last week, shopping and seeing friends in the interest of her campaign.

CHAIRMAN AND AIDES—Senator J. Howard McGrath (D., R. I.), center, chairman of the Democratic National Committee, confers with Joe L. Blythe, of Charlotte, N. C., left, newly-appointed treasurer of the committee, and William J. Primm, Jr., right, of Montgomery, Ala., just appointed as an assistant to the chairman.

Two Named to Committee Posts

The appointment of Joe L. Blythe, Democratic National Committeeman from North Carolina, as treasurer of the Democratic National Committee, has been announced by Senator J. Howard McGrath, Chairman of the Committee.

Blythe, whose home is in Charlotte, is vice president of the Blythe Brothers Company, general contractor. He has been a North Carolina State Senator since 1939. He also served as state chairman of the Jefferson-Jackson dinners recently held in North Carolina and he is a member of the executive committee of the Democratic National Committee. He is married and has four children. As treasurer, he succeeds George E. Egan, who resigned last August

to become president of the American President Steamship Line.

Senator McGrath announced Blythe's appointment as part of the reorganization of the executive division of the Democratic National Committee headquarters in connection with the 1948 campaign.

Earlier, Senator McGrath had announced the appointment of William J. Primm, Jr., of Montgomery, Ala., as assistant to the national chairman, the first of several such assistants to be appointed.

Primm, 35, has been active in the Democratic Party for many years. He was one of the organizers of the Young Democratic Clubs of America. For the past seven years he has served as

Chairman of the Young Democratic National Committee and is presently Young Democratic National Committeeman from Alabama.

In 1943, he came to Washington as an assistant to the late Senator Josiah W. Bailey (D., N. C.), who was then chairman of the United States Senate Commerce Committee. Primm left the employ of the Senate in April, 1945, to return to private business. He is married to Senator Bailey's eldest daughter and they have two daughters.

In accepting the appointment as committee treasurer, Blythe said: "I am convinced that the welfare of the country demands the continuation of the Democratic policies which have made us so strong and prosperous economically and which have won us world leadership in the struggle for peace."

FARM QUESTION BOX

By Ed. W. Mitchell

Q.—I plan to erect an electric fence around my pasture, power being supplied from the high line. This fence will cross a small stream of water three or four times in its course. Will there be any danger of electrocution of cattle while standing in the water and contacting the fence at the same time?

A.—Yes. That presents a serious hazard for man and beast. Hang a warning sign on the fence in those places and run a separate strand or two on each side, up stream and down, to deter cattle from touching the electric fence at such crossings.

Q.—My pump causes a vibration we hear upstairs; would a section of hose in the line overcome this?

A.—I think so. Use 3-4 inch high-pressure spray hose and put in a one-foot section between pump and plumbing but not on the suction side.

Q.—There is a pile of old wood back of my poultry house which I want to move and started to do so last fall. Found it was full of termites—so I left it alone as I was afraid the termites would go into the poultry house if I moved it. Please advise.

A.—I would burn or dispose of infested wood, fumigate and treat the infested area with old

crankcase oil and soak around outside of other buildings with crankcase drainings to protect them. Termites have a winged stage and will start new colonies whether you move that wood or not.

Q.—After the sap has stopped flowing should anything be done to treat holes in the maple trees?

A.—Yes and no. In theory, they should be plugged with a soft wood plug, sawed off even with the surface, and painted anything about it and the holes heal OK.

Q.—My red currant bushes put out a lot of new growth last year and the old bushes did not bear very well. What should I do to keep them bearing—cut out the old or new?

A.—Yes. Clover has a wide, out new shoots so each bush carries about twelve branches; three each of one, two, three, and four-year-old wood.

Q.—What can I put in leaf lard to preserve it? Have about 50 pounds and I don't want it to become rancid.

A.—The rancid taste is due to oxidation of the fat. Best precaution is to pack lard pails full to the top and seal airtight. Store in cold storage or a cool, dark place.

Q.—Will the weed killer you use on the lawn kill the white clover?

A.—Yes. Clover has a wide,

tender leaf and is very susceptible to any weed killer.

YOUR CUSTOMER SPEAKS

Spur Retail Merchants

The first question we asked concerned the pricing of merchandise in display windows. The question was:

"Some merchants place price tags on the merchandise they display. From the customer's point of view do you think it would be good business for all merchants to place price tickets on all the merchandise they display?"

72 per cent answered "yes," 27.3 per cent answered "no," 1 per cent did not answer.

The next question dealt with the power of price tickets to interest your customer. We asked:

"When you are shopping downtown do price tickets on merchandise displayed in windows frequently cause you to enter the store (to examine the merchandise) which you would probably not have entered had the merchandise been displayed without price tickets?"

81 per cent answered "yes," 18 per cent answered "no," 1 per cent did not answer.

While most customers thought merchandise in general should be priced, they were not too sure ladies' high quality wearing apparel. The question was:

"Do you think ladies' high quality wearing apparel displayed in show windows should be priced?"

49.3 per cent answered "no," 49.2 per cent answered "yes," 5 per cent did not answer.

A New Son For Mr. And Mrs. Alfred Payne Of Houston

Mr. and Mrs. Alfred Payne of Houston, are very happy over the new addition to their family a son, named Jon Cheesaw Payne, the young man is named for his grandfather, J. C. Payne of Spur and incidentally Mrs. J. C. Payne is the grandmother.

Mr. and Mrs. Jiggs Nolan, have recently moved from Dickens to Spur, where he is employed with the REA. He is also one of those fast and furious members of the Spur baseball team.

Mr. and Mrs. J. C. Payne recently enjoyed a surprise visit from their son, John Jackson Payne and family of Fort Worth, when they arrived by plane to spend the week end.

Smith And Thomason Vows Exchanged On Saturday, June 5

Miss Joyce Smith became the bride of David L. Thomason, son of Earl Thomason of Spur, in a single ring ceremony on Saturday June 5th, at 2:30 p. m. with Rev. Jack D. Webster reading the marriage vows, in the home of the bride in the Highway community.

Attendants to the bride were her sister, Lela Jo Smith, bridesmaid, and her aunt, Mrs. Wilbur Stanley as Matron of Honor.

The bride is the daughter of the late Mr. and Mrs. J. L. Smith, and granddaughter of Mr. and Mrs. Walter Stanley of Spur. She will be well remembered in Spur High school for her outstanding work in the art department of the Spur Annual.

Those present were: Mrs. Earl Thomason, mother of the groom, Mr. and Mrs. Walter Stanley, grandparents of the bride, Mr. and Mrs. Wilbur Stanley and family, Ted Smith, Mrs. Roy Lee Stanley and children, Mr. and Mrs. D. W. Thomason, Mrs. R. B. Stanley, Linda Jo Smith and Linda Thomason.

Visiting in the home of Carl Holloway in the Dry Lake community this week is Mrs. Lois Lasko, of Marrero, Louisiana. Joining Mrs. Lasko here this week for a visit is Mrs. Hayden Thomas of Abilene.

A white lace veil cascaded from white flowers to form a head dress. Her accessories were of white, she carried a white and gold bible.

The couple left immediately after the ceremony for a short honeymoon trip. After their return they plan to live in the Highway community.

The bride wore a shell pink crepe, with white accessories. Her corsage was of gardenias.

Mr. and Mrs. Garner were accompanied to Crosbyton by Mrs. Byree Horton, sister of the bride, and Jack Burros friend of the groom.

Mrs. Garner will join Mr. Garner in Guthrie, Oklahoma this week, where he is employed with the Shell Oil Co., and where they will make their home.

TO PRESIDE Senator Alben W. Barkley (D., Ky.), left, keynote, and Representative Sam Rayburn (D., Tex.), commended as permanent chairman for Democratic National Convention July 12.

Executive Body Picks Chairmen For Convention

Barkley Named Keynote, Rayburn Commended

In recognition of their long and valiant service to the Democratic Party and to the nation as a whole, Senator Alben W. Barkley, of Kentucky, and Representative Sam Rayburn, of Texas, minority leaders of the Senate and House, respectively, have been named unanimously to fill key posts at the Democratic National Convention, convening in Philadelphia at 2 P. M., Monday, July 12.

The party executive committee, meeting in Philadelphia recently, elected Senator Barkley as temporary chairman and Rayburn as commended Representative Rayburn to the convention as permanent chairman.

Representative Mary Norton, of New Jersey, was commended to the convention as chairman of the credentials committee, a more important post than ever before held by a woman. Commendation by the executive committee is usually tantamount to election by the convention.

The executive committee authorized Senator J. Howard McGrath, of Rhode Island, chairman of the Democratic National Committee, to select a temporary committee to begin the preparation of a platform draft. It also authorized Senator McGrath to make other necessary convention arrangements.

OF INTEREST TO WOMEN

Nancy Holmes SUGGESTS

HOW many times you've heard these words when the brilliant summer sun sends the thermometer sky-high: "Oh, I don't care what I eat—just make it something cool!"

But, of course, those words can only be taken at face value, for summer appetites are finicky and fickle things and really require a lot of pampering. And because you may feel that you need a little pampering, too, Nancy Holmes of the Best Foods consumer kitchens suggests this delicious ham loaf to help solve your menu problems.

Summer Ham Loaf

2 tablespoons gelatin
1/2 cup cold water
1 cup hot bouillon
1/2 cup real mayonnaise
1/2 cup chopped sweet pickle
2 cups finely chopped cooked ham
2 tablespoons chopped pickles

2 tablespoons softened parmesan
1/2 cup real mayonnaise
1/2 cup heavy cream
2 tablespoons mustard with horseradish
Salt and pepper

Soften gelatin in cold water, add bouillon and stir until dissolved. Cool slightly and add real mayonnaise. Combine sweet pickle, chopped ham, pimiento, parmesan and onion. Fold into mayonnaise mixture. Pack in 5x9 inch loaf pan which has been rinsed in cold water. Chill until firm. Unmold on salad greens on chop plate. Whip cream until stiff, fold in real mayonnaise and mustard-with-horseradish. Just before serving, spoon mustard-with-horseradish mixture in a diagonal strip across loaf and garnish with sprigs of parsley. Yield: 6 generous servings.

Mr. and Mrs. H. S. Hawley of Sweetwater, visited his mother, Mrs. G. W. Rash here over the week end. Mrs. Rash has a new wheel chair and Mr. Rash stated she was getting around better than before.

Girl Scouts Of Troop Two Have Big Money Now

Our hot off to the Girl Scouts of Troop 2, and their very able leaders, Mrs. V. C. Smart, Jr. and her assistant Mrs. Fike Godfrey. The girls in this troop feeling the need for a little extra cash, decided to sell hot dogs at the rodeo which was held here last week. And boy did they sell em, yes, to the extent of \$85.00 worth. It seems most every man, woman and child must have bought a hot dog—for it takes a mighty lot of hot dogs to make that close to a hundred dollars.

As a reward for their untiring efforts and loyal cooperation, Mrs. Smart and her son, Jeff and Mrs. Godfrey accompanied the girls to Roaring Springs for a gay outing last Thursday, where they had a wonderful time. At this time three of the girls Alice Jo Crockett, Shirley Henshaw, and Erma Lou Gannon were also celebrating birthdays and receiving gifts.

Those present other than the above mentioned were Jeanette Grooves, Wyatt Mayo, Lou Ann Comer, Melba Lou Campbell, Carolyn Kelley and the leaders Mrs. Smart and Mrs. Godfrey.

Mr. and Mrs. Blair Entertain Guests

Mr. and Mrs. F. R. Blair had as guests over the week end Mr. and Mrs. Max McClure of Odessa, who were accompanied by Mrs. A. J. King of London, England, mother of Mrs. McClure. Mrs. King arrived in New York, aboard an English ship, the New Mauretania, May 27, of last month. She will make her return voyage on the Queen Elizabeth the last of September.

Mr. and Mrs. Weldon McClure of McAdoo joined the Max McClures in Spur on Sunday afternoon and visited friends in Spur.

KITCHEN MEMO

JEAN CLARKE

Oven-baked desserts can be cooked along with the roast to save time and fuel. *Bacon-Coffee Souffle*, one of these, is nourishing and flavorful. Melt 2 tbs. butter in a saucepan. Remove from heat and stir in 3 tbs. flour. Gradually add 1/2 cup strong coffee, 1/2 cup milk and cook over low simmer flame stirring constantly until nicely smooth and thick. Combine 1/2 cup sugar, 1 egg yolk, gradually stirring these into cooked mixture. Add 3 washed medium-sized bananas. Beat 1 egg whites until stiff but not dry. Fold into banana mixture. Pour into 1 1/2 qt. souffle dish which has been buttered on bottom only. Bake in slow oven (325°) 40 to 45 mins. Serves 6.

The most reliable buyer's guide to gas appliances for the home is the Seal of Approval of the American Gas Association Testing Laboratories. For example, nearly 600 tests and requirements must be met on a gas range before it can be produced and sold to the homemaker.

If your biscuits burn on the bottom and still remain rather pale on top, your baking sheet may be too large which tends to hold the heat from the burner to the bottom instead of radiating around the oven evenly. There should be at least one inch of space between the baking sheets and all four sides of the oven.

Hot butter and syrup makes a richer-tasting spread for waffles. Add 2 tbs. butter to 1 cup extra-sweet corn syrup, heat until butter is melted, then serve hot.

As soon as baked potatoes are cooked, cut them cross-wise on the top to keep them fluffy. Add butter and serve at once.

New Flower And Antique Shop For Spur

Mr. J. C. Keen of Spur, and her sister, Mrs. E. A. Armstrong of Amarillo, are opening a Flower and Antique shop in the home of Mrs. Keen on the West Highway. The official opening will be Sunday June 20th, 1948, from 2:00-7:00 p.m.

Mrs. Keen needs no introduction to the people of Spur, having lived here for many years and having owned and operated the only flower shop here until the past six years. Mrs. Keen feels she can serve the public in a way that will be pleasing. In the spring of this year she took a course in Cut Flower Culture and designing in the Burnett Floral school, in Corpus Christi, which she feels will be very beneficial to her at this time.

Mrs. Armstrong has owned and operated an Antique shop in Amarillo for a number of years. She will have on display a nice line of authentic antiques and any number of clever gift suggestions.

They invite their friends to call and look over their stock and new equipment.

Taylor-Morgan Vows Exchanged

In a single ring ceremony, Miss Dorothy Marie Taylor became the bride of Lee Morgan, June 12. Vows were exchanged in the home of the bride's parents, Mr. and Mrs. H. D. Taylor of Jayton.

Rev. Fisher, of the Methodist Church of Aspermont, officiated. Only members of the immediate family were present.

The bride wore a light blue crepe dress, with white accessories. Her corsage was of pink carnations. She wore a string of pearls' the gift of the groom.

Immediately after the wedding supper the couple left for Kermit, Texas where they will make their home.

Mrs. Morgan is well known around Jayton, having finished her college there in 36. Mr. Morgan is an oil company in Spur.

Relatives Guests In McGaughy Home

Guests in the Sam McGaughy home the past week end were: Mr. and Mrs. Lawdy Y. Dane and daughters of Lubbock; Mr. and Mrs. Joe A. McGaughy of Tyler; Mrs. James Porter and son, Jimmy; Miss Lynn McGaughy of Odessa; and Lowell Webb of Wichita Falls.

Spur Scrap Book Lists More Tested Recipes

WEEK'S BEST RECIPE

Hostess Said: 1 package lemon-flavored gelatin, 1 pt. hot water, 1 T vinegar, 1-2 t salt, cayenne, 1 pimento cut in strips, 2 hard-cooked eggs, coarsely cut, 1 c chopped celery, 1-3 c chopped olives 1-2 t chopped chives or 1 t scraped onion. Dissolve gelatin in hot water. Add vinegar, 1-8 t salt, cayenne. Chill until slightly thickened. Arrange pimento strips in individual molds. Season eggs and celery with 1-8 t salt, add remaining ingredients. Fold into slightly thickened gelatin. Turn into individual molds and chill until firm. Unmold on crisp lettuce. Garnish with mayonnaise.

JAR RINGS

Don't discard the old rubber jar rings that you can't use for canning. Glue a jar ring under each corner of a scatter rug that slides or wrinkles and the rings will hold it in place. Use jar rings on ashtrays, vases, lamps and book-ends that are placed on polished surfaces. They will be self-proof. Glue a jar ring on the bottom of the mixing bowl to keep it steady when in use.

GROWING PERENNIALS

Raise perennials from seed, a less expensive way and an interesting bit of gardening. Late June or July is best for planting seeds of perennials, July and August best for most biennials.

Buy good seed, get many good varieties that would be expensive if bought as plants. Partial shade is important, sandy loam soil is best. Drainage must be excellent. Sow seed in rows as directed on packets for depth. Shelter plants with newspaper or lath until up above ground. Keep little plants well watered, see they have plenty of air, light, no wind and cultivate them between rows. Seeds planted now through July will produce enough plants that are strong to weather winter in cold frames or in protected seed beds. They will bloom next year. It is interesting to watch them grow, get much work to transplant them.

Gholdsons Return From Tour Of Alaska And Canada

Mr. and Mrs. Gholdson of Silver City, New Mexico who have recently returned from a four months tour in Alaska and Canada, are visiting Mrs. Gholdson's parents, Mr. and Mrs. T. C. Sandlin of Girard.

This trip had long been a dream with the Gholdsons, but the war caused a delay of a few years, so about four months ago they packed their car, got into their levis and fared fourth on their vagabond trip. In Alaska they visited Anchorage, Fairbanks, Tok-Junction, and many other different places of interest. They planned to spend more time in Alaska but were advised to leave as the roads were being closed, due to the heavy snows. In Canada they visited St. Johns, and Calgary and they also traveled much in the countryside in Canada. They stated that where ever the spirit prompted they pitched their tent.

After a short visit in Girard they will return to their home in Silver City.

Methodist Youth Rally In Lubbock

Recently a Methodist Conference Youth Rally was held in Lubbock, those attending from Spur were: Shirley Haigrove, Mary Ann Hightower Ned Blackwell, Ella Hill, and Lester Lee Hill.

James Pickens, president of the Northwest Texas conference MYF gave the Call to Worship. Marion Bumgardner, chairman of the Missions and World Friendship Commission, gave the invocation. Charlene Jordan and Jim Spain sang a solo. Then the president, Charles Pickens read the scripture lesson and introduced the speaker Rev. Jordan Grooms, pastor of the First Methodist church of Levelland, who brought a wonderful message of "Is He Worth on Your Hear?"

The closing hymn was "Take My Life and Let it Be."

Mr. and Mrs. A. V. Bowley of Spur are enjoying seeing their son, A. F. Bowley, and family of California, who will spend an extended visit with their parents.

Mrs. Arthur Sharp Hostess To Exchange Club Last Thursday

Mrs. Arthur Sharp entertained the Exchange Club at her lovely home in West Spur, on Wednesday afternoon, June 9th. The receiving room was profusely decorated in roses and Larkspur. As the guests arrived they were served iced coils.

Roll call was answered with current events and items of interest pertaining to homemaking.

The afternoon hours were spent in the exchange of gifts, doing handwork and a great deal of visiting was enjoyed.

Lovely refreshments of sandwiches, potato chips, pickles, lemon tea and home made cookies were served to the following: Mesdames Georgia Barrett, Margaret Smith, Dorothy Wright, Jamie Cash, Mary Lou Wright, Henry Simmons, Letha Fox, and the hostess Mrs. Sharp.

Mrs. Jim Albin is attending a family reunion on the Plains this week.

TODAY'S BIGGEST BARGAIN!

You can't buy it at a store—
You can't carry it in a bag—
It's your biggest bargain—
It's YOUR ELECTRIC SERVICE!

You don't buy it at a store—you can't carry it home in your shopping bag—yet it's one of the biggest values in your family budget. It's your electric service, of course!

Yes, although it costs the West Texas Utilities, your electric service company, more to supply it to you—and such costs are still rising—you're nevertheless now getting electric service at rates 17 per cent less than you did ten years ago—if yours is the average family.

Why is your electric service so big a value? One reason is that more people are using more and more electricity. Another reason is the constant effort which the experienced personnel of your service company makes to keep your electric service a bargain.

West Texas Utilities Company

Wesleyan Guild Met In Carl Murry Home, June 7

The Wesleyan Guild met in the home of Mrs. Carl Murry, Monday evening, June 7th, with Mrs. Dee Haigrove bringing the last lesson of the Bible study. These lessons have proved very interesting.

At the close of the lesson a social hour was enjoyed and refreshments were served to nine members.

The next meeting is to be held in the home of Mrs. Harry Miller at 412 N. Williams. All members are urged to be present and bring some one interested.

They show their first pair of leaves and then into frames when they grow large enough to crowd each other. You will have enough for yourself and friends and at a terrific saving.

PROCTOR'S

VETERANS NEWS

The Veterans Administration has revised its contract requirements to provide a firmer control over tuition rates charged by many private schools for training veterans under the GI Bill.

The changes, effective July 1, 1948, are being made in an attempt to correct and eliminate abuses in tuition charges that have been uncovered in recent months.

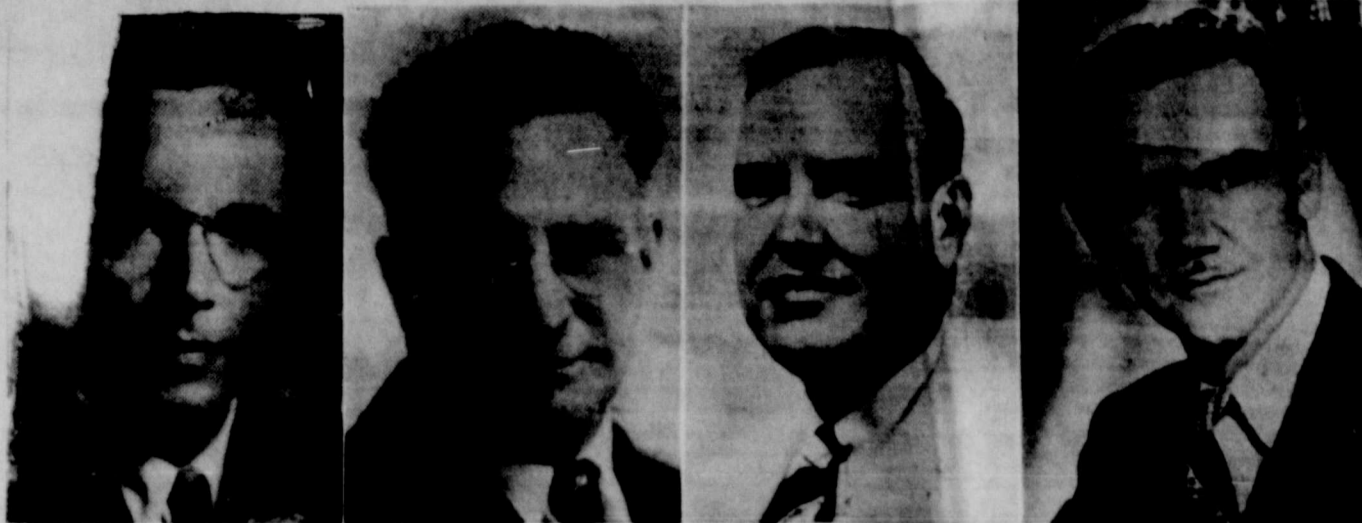

With the new contract standards, VA hopes to make certain that the federal government is not paying for more than the veteran actually receives during his training.

VA emphasized that the new contract requirements affect only the following institutions whose enrollments consist mostly of veterans: (1) schools established since the passage of the GI Bill, and, (2) schools whose charges increased materially since the GI Bill programs began.

No change was made in VA's policy of accepting charges made by other private profit schools not affected by the new ruling.

Veterans Administration has

Will Tell Press About Public

SPOTLIGHT BRIGADE

The newspaper's broad appeal to the public, through editorial policy, classified advertising, display advertising and circulation, will be stressed when Texas publishers convene for their 67th Annual Convention in San Antonio, June 18 and 19. Pictured above are four of the men who will address the convention. Left to right, they are: Ralph Nicholson, publisher of the New Orleans Item, who will deliver a luncheon address on the importance of an unbiased editorial policy; W. H. Conrad, published of the Medford (Wis.) Star-News will share with the Texas newspapermen, ideas on classified advertising which have made that department of his weekly newspaper one of the most successful in the country; Walker Soussy of New Orleans, head of one of the largest advertising agencies in the South, will talk about display advertising in an address titled, "Where Do We Go From Here," and E. H. Perce, publisher of the Jasper (Ala.) Mountain Eagle, and president of the Alabama Press Association, will explain the method of building newspaper circulation which has gained readers by the score for his publication.

eliminated nearly two-thirds of excess veterans' benefits in the past 21 months.

Since the VA forms reduction program went into effect on June 30, 1946, the number in use dropped from 19,841 to 7,603 by April 1, 1948—an average decrease of about 580 forms a month.

VA estimates that the minimum number of forms required for effective operations will be between \$3,500 and \$4,000.

In addition to forms reduction, the VA program has been designed to (1) improve administrative procedures through standardization, consolidation and revision of forms, and, (2) reduce printing and binding costs by careful layout and design specifications.

QUESTIONS and ANSWERS

Q.—Have I any recourse to civil courts if I do not like VA's decision on my claim for disability compensation?

A.—No. The law specifically provides that the decision of the Administrator of Veterans Affairs in such matters is final and conclusive.

Q.—I am an ex-G-I of World War II and receive disability compensation. If I take a three

hour a day job, will my compensation be discontinued?

A.—So long as your disability remains compensable, it will be continued. The fact that you are employed does not bar payment of compensation if you are disabled as result of a service-connected condition.

Q.—I lost the use of my legs in line of duty during World War I, and would like to know if I can get a car from the Government?

A.—Under existing law, the authority to furnish automobiles is limited to World War II veterans.

Q.—What kind of insurance is National Service Life Insurance?

A.—NSLI is mutual insurance. All premium payments go into a trust fund maintained by the Treasury Department. This money is invested in Government, interest-bearing securities. The interest accrues to the fund. The

fund is known as the National Service Life Insurance Fund.

A. K. McAllister Announces For Commission Prec. 2

To The Voters of Precinct No. 2:

I wish to take this opportunity to announce my candidacy for the office of Commissioner of Precinct No. 2 in Dickens County.

I would certainly appreciate your vote and influence in the coming primary. I feel that I am qualified for the position and give my promise to make a fair, honest, and impartial official if elected to the position. I have lived in this precinct since 1920 and you voters know what I stand for and that I will give my best to the position if you elect me.

A. K. McAllister.

Five Suggestions Listed For Cutting Food Budget

by HELEN HALL
Chairman, National Association of Consumers

Five good suggestions for cutting pennies, and even dollars from your food budget were given us by nutrition experts in the Department of Agriculture in Washington. So many women had asked us if we knew any tricks for cutting food expenses that we went right to the experts to get specific answers. Because meat takes such a large portion of your food dollar every week, four suggestions remind us how to buy meat, how to use meat, and how to stretch meat.

First there are meat extenders: stews with crusts, pot pies, and meat-noodle combinations. This way one pound of meat makes a nourishing main dish for a family of four.

Then, remember meat alternates. Fish is a good buy generally, and there is little waste on fish because it does not "cook away." Cheese is another meat alternate, and a good buy right now. Eggs, too, are plentiful, and eight large eggs make a pound, giving you as much protein as a pound of beef.

Third, the differential in price between economy cuts and luxury cuts of meat is even wider than normally. Generally, there is no more bone or fat on economy cuts like breast, than there is on luxury chops.

You should, of course, turn all fat into an asset, and that is a fourth money-saving suggestion. Save all used cooking fat that comes out when meat is cooked, and sell it to your meat dealer. Kitchen salvages not only adds pennies to your budget, but subtracts dollars from your plumber's bills for opening clogged drains.

Finally, there is a great budget advantage in using standard rather than fancy grades of canned goods. Standard grade peas, for instance, cost about one-fourth as much as fancy peas, and are just as nutritious, appetizing and palatable.

Five tricks for cutting food budget:

- 1—Use meat extenders
- 2—Buy meat alternates
- 3—Use economy cuts of meat
- 4—Salvage used cooking fat
- 5—Purchase standard grades of canned goods

Domestic Handcrafted Glass—The Ideal Wedding Gift

June is the month of weddings—and wedding presents. One of the finest gifts for any bride is beautiful handcrafted glassware such as that fashioned by hand here in the U.S.A.

Any bride anywhere will be thrilled by a gift of hand-fashioned glassware, whether it is stemware to add to her table settings or a centerpiece, console bowl, or clear crystal ashtrays. She will be glad to know, too, that such luxury ware is produced by hand by craftsmen in our own country.

Good glassware is not inexpensive and the average bridal budget doesn't permit the purchase of large quantities at one time. To acquire her full complement she must add to it bit by bit, much as she adds to her flat silver. That's just another reason why a gift of glassware is doubly welcome for the bride and bridegroom. Just as it is what the doctors of economy prefer, which go to make up a "dining table." Choose glass for your gift to the bride and groom and you will be glad that you did.

There are so many various pieces that you will have no difficulty in finding those which you prefer to give. The bride will want water goblets, cocktail glasses, juice glasses, sherbets, solid plates, and all the details of a company given which go to make up a "dining table." Choose glass for your gift to the bride and groom and you will be glad that you did.

Funeral Services Held June 10 For Mrs. H. R. Witt

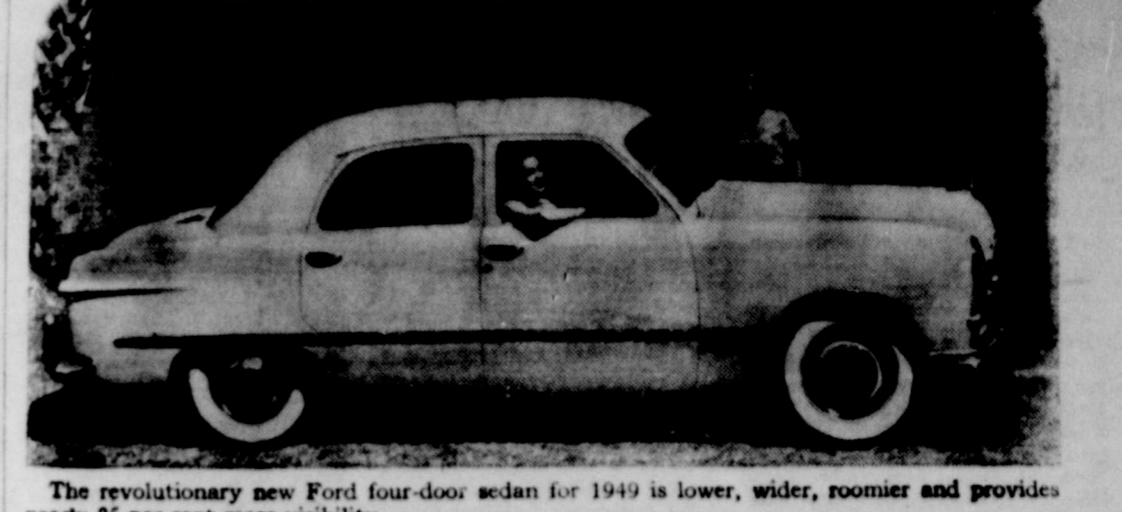

Funeral services for Mrs. Roxie O. Witt, 86, who passed away in the Nichols General Hospital, Thursday, June 9, at 3:10 p. m. after a short illness, were held Thursday afternoon, June 10 in the First Baptist church of Spur, with Rev. Wayne Grizzle officiating assisted by Rev. A. P. Stokes.

Mrs. Witt, wife of H. R. Witt. Death came as a great shock to her family and friends. Born on November 6, 1863, in Walker County near Huntsville, Texas, she came to McLennan County near Bruceville. There on September 12, 1897, she became the wife of H. R. Witt. In 1907 they settled in Ballinger and later moved to Spur in 1919. Mrs. Witt mothered 16 children, six girls and 10 boys.

The splendid tribute paid Mrs. Witt through the beautiful floral offering was not the only evidence of the high esteem in which she was held. The greatest tribute came from the hearts of those who had known and loved her; from those whose lives had been so deeply affected by her noble existence. In life she brought forth all the fine qualities that make for a better world. In death those qualities are still a living inspiration reflected in the hearts of those who loved her.

Survivors include her husband, H. R. Witt; five daughters: Mesdames Ruby Love, and Belle Sweeney, Spur; Estelle Maze, La Crescenta, California; Norville Smith of Burbank, California; and Dortha Opal of Morton, Texas; six sons: C. P. Witt, Kaigary, Lawrence, Vernon, Arizona; Elton "Satch", Spur; Lois, Crosbyton, Weldon, Lakeside, Arizona; and Dee Oliver, Burbank, California. Pallbearers were: J. R. Williams, C. B. Maze, Earnest Maze, Merton Fisher, Doyle Hinson, and Bob Bertram.

Interment was in the Spur cemetery, with Chandler Funeral home in charge of arrangements.

The revolutionary new Ford four-door sedan for 1949 is lower, wider, roomier and provides nearly 25 per cent more visibility.

Candidate For Courts Visits In County

Judge Ernest O. Northcutt has been visiting in the county in the presentation of his candidacy for Associate Justice of the Court of Civil Appeals at Amarillo, Texas. Becoming interested in law at an early age, Ernest Northcutt worked at night to pay his way through the law school of Oklahoma University. He entered the private practice of law in Amarillo in 1919.

In the formative years of his practice, Judge Northcutt was associated with C. E. Gustavus, one of the all time great lawyers of the Panhandle. In 1923, Judge Northcutt opened his own office and continued private practice of law in Amarillo until he was elected county judge of Potter county in 1940.

"No substitute for experience" would be just motto in presenting the platform of Judge Northcutt. He tried cases in all courts over the Panhandle as a private practitioner, and his trial work carried him into the state and federal courts and into all Appellate courts, both state and federal. Judge Northcutt has been active in civic work for many years, a member of the Baptist church, and president of the West Texas Judges' and Commissioners' Association in 1947. He is now serving his fourth elective term as county judge of Potter county, Texas.

Spur Folks Never Have A Dull Moment

Spur people have often complained of Spur as being a dull, uninteresting place to live, well all of that has been changed "in the twinkling of an eye." The old and young have been busily engaged, perhaps to say happily would not be true, in killing, driving, shooting, picking them off with the vacuum cleaner, and one man in the neighborhood was heard to use rather strong language in fact it was more strong than elegant—can you guess what, trying to get the Miller flies out of the houses. King Herod certainly must have

endured great annoyance and provocation with the plague of the locusts, if they were any worse than the Miller bugs of this area. Perhaps if Spur folk would pay their preachers, they could sleep at night without fearing a miller would crawl down their ear. Well at least we keep busy, and if you think climbing the walls and waving both arms is dull just give it a try.

Mrs. Audrey Snodgrass and her granddaughter, Audrey Bea Smith of Rotan, visited in the homes of Mr. and Mrs. Lee Snodgrass and Mr. and Mrs. Jackson East of Spur last week.

HAVE YOU A PLAN FOR SAVING?

According to a recent Federal Board Survey, while three out of four families save a part of their income only one in four plans its savings. Our experience over many years proves that planned savings is what counts.

Setting aside a definite percentage of your income each week or month soon builds up a substantial reserve fund against emergencies. We shall be pleased to help you.

Fran's Lee Springer Received Degree From Colorado U

When the University of Colorado graduated the largest class in its 72-year history June 14, a total of 1,362 students from forty-five states, Alaska, Hawaii, and nine foreign countries received degrees.

Bernard DeVoto, winner of the 1948 Pulitzer prize for history was speaker on the ninety-fifth commencement program. The Alumni Days celebration, held in connection with commencement featured the ground dedication for the 2 1/2 million dollar Student Memorial Center on June 14.

Included in the group of Texas graduates was Miss Frances Lee Springer of Spur, daughter of Witt Springer of Amarillo.

Miss Springer is a graduate of Baylor School of Nursing in Dallas. During World War II she served with the 56th Evacuation Unit overseas, and was under fire at Anzio Beachhead for several weeks. At the present, she is Director of Nursing in Amarillo.

Workers Should Head Summer Health Advice

"Laborers, farmers, and white-collar workers should be especially watchful of heat cramps," advises Dr. George W. Cox, state health officer.

Quick looks at thermometers followed by glances at clothing will indicate that shirts and blouses will be wet and salty with sweat. Excessive sweating means the loss of body salt, and Dr. Cox states the salt drinking water is a means of avoiding heat cramps.

"Salt is a prominent constituent of sweat," says Dr. Cox, "and on days when the thermometer may rise as much as fifty degrees of salt."

Heat cramps are characterized by pains in the stomach, headaches and sometimes nausea and vomiting. Danger comes because loss of the salt may occur without the knowledge of the individual until the deficiency causes cramps or heat fog.

Salt tablets may be purchased commercially, or a pinch of table salt will serve the same purpose. "Drinking milk is an excellent method of replacing body salt lost through perspiration," Dr. Cox adds, "but alcoholic drinks should be avoided."

"MY WILD IRISH ROSE" STARS DENNIS MORGAN AT THE PALACE SUNDAY AND MONDAY, JUNE 19-20

The life of Chauncey Olcott told against a Technicolor canvas of minstrel days, Lillian Russell, the Robert E. Lee, Rector's, the old Fourteenth Street Theatre and "Mother Machree" is captured with a sweeping flourish in Warner Bros. brilliant offering "My Wild Irish Rose," starring Dennis Morgan. It is the saga of the immortal Irish composer-singer with Morgan in top form in this title role. Anitra King plays the ravishing Mrs. Russell of legendary beauty and fame, and Arleen Dahl, a newcomer, bids for attention with her portrayal of Olcott's sweetheart. Any number of celebrated personalities of that era filter through this nostalgic romance.

David Butler's direction exacts much from Rita Olcott's book from which Peter Milne has created a screen play. It is a delightful combination of a stroll down memory lane plus a heart-warming dramatic story. Accent is on the music of course and the studio has turned out several production numbers which are arresting.

Lefroy Prinz staged the dance numbers which surround the songs of Chauncey Olcott. Play is also made on the eight "Wild Irish Roses" who are projected in several of the numbers. The minstrel show sequence is a highlight with the famous race between the Robert E. Lee and the Natchez clinching one of the outstanding numbers.

Alan Hale, George Tobias, Allgood and Don MLVCMFWY Ben Blue, William Frawley, Sara Allgood and Don McGuire play prominent roles in the production. A special nod of approval too for George O'Brien. Morgan's singing of several of these songs merits special attention. Ray Heindorf is responsible for the slick orchestrations which have been expertly moulded into the production. "My Wild Irish Rose" is lavish entertainment, concocted out of Hollywood's top drawer under Warner Bros. brilliant banner.

Dennis Morgan and Anitra King toast each other in this scene from Warner Bros. new Technicolor musical "My Wild Irish Rose."

ABOUT FOLKS

Morris Denson of Spur, who recently surrendered to the Ministry in the Baptist church filled the pulpit at Soldier Mound on Sunday night. The young people of the Baptist church attended in a body to hear Morris deliver his third sermon. He will enter Wayland College, Plainview in September of this year, to prepare himself for the Ministry.

J. H. Taylor, of the Soil Conservation office in Spur was called to Lubbock on Monday of this week, due to the illness of his brother-in-law.

Mr. and Mrs. Level Simpson of Girard, were trading in Spur last Saturday.

Mr. and Mrs. James Hicks and Mr. and Mrs. Cecil Caplinger visited Sunday in Rotan with Mrs. Bill Hicks and baby.

Mrs. Pete Sullivan accompanied by her son Pat Sullivan of Ferris, Texas came in Sunday morning of this week, to see Mr. D. H. Sullivan who is seriously ill at this time.

Mrs. Charles Hurst, son Randy of Las Vegas, New Mexico, visited in the home of her parents, Mr. and Mrs. J. B. Morrow the past week end.

Mr. and Mrs. Faust Collier returned to their home in Herford Sunday afternoon, after an extended visit here with his mother, Mrs. R. L. Collier.

Miss Edna Robinson of Fort Worth arrived in Floydada last week to nurse her nephew who is recovering from an appendectomy performed Friday in the Pitts hospital. Keith is the son of Mr. and Mrs. Jack Dempsey who formerly operated the Dempsey Gin at Croton. They now live near Lubbock in the Woodson community, where they have recently bought the gin.

Mr. and Mrs. Woodrow Simmons of Paducah came in this week and will make their permanent home with J. P. Simmons of Spur. Woodrow is the son of Mr. Simmons.

Mrs. H. B. Wright returned this week from an extended visit to Nebraska where she visited her daughter and son-in-law, Mr. and Mrs. Merle Olson. She also visited other places of interest including Grand Island, Omaha, and Cheyenne, Wyoming, where she visited a number of other relatives. She states she had a most wonderful trip.

Mr. and Mrs. Bruce Browning, teachers in the Spur schools, are attending the summer school in Texas Tech, where Mrs. Browning is doing work on her Bachelor's degree, and Mr. Browning is working on his Masters. Being unable to find living quarters in Lubbock, they are driving back and fourth to Spur each day.

Mr. and Mrs. T. C. Sandlin of Girard, were among those in town Saturday.

Mr. and Mrs. Thomas of the Steel Hill community, were trading and seeing friends in town Saturday.

Mr. and Mrs. Joe Rose of the Duncan Flat community, were trading in Spur last Saturday. They reported that crops were up and looking good, and stated the wheat on an average was producing at least nine bushels per acre, and in some fields a little better.

Mrs. Marie Messer and two children of Redlands, California came in last Friday morning, to visit her parents, Mr. and Mrs. Willie Ball, Miss Aileen Ball and other relatives of Spur, and also Mr. Messer's parents, Mr. and Mrs. Herman Messer. They will spend one week.

Mrs. L. M. Ward of Calgary, was in town Saturday trading and visiting with friends. Mrs. Ward stated that some of the crops in that section were being planted over.

Miss Dortha Hines has been visiting her parents, Mr. and Mrs. Floyd Hines of Spur. She left Friday for Wichita, Kansas, where she will be employed.

Mrs. C. A. Haire of Jackboro, returned to her home last week, after spending a three weeks visit with her daughter, Mrs. H. L. McClurkin and family of Spur. Miss Dian McClurkin, student in Sul Ross college, Alpine, came

Donald Roper Honored On His Tenth Birthday

Mrs. J. W. Roper honored her son, Donald with a birthday party, on Monday, June 10th, at her home 615 N. Willard.

After the game hour, during which the gifts were opened and admired, the large birthday cake, bearing ten candles, was cut and served with fruit punch to the guests.

Then accompanied by Mrs. Roper the group went to the skating rink where they also enjoyed an hour of skating.

Those present were: Byron and Beverian Jenkins, Sammie Caudle, Ronnie Ensey, Lucille Burleson, Nanell Alexander, Marian Carlisle, Gail Buzbee, Jane Simpson, A. W. Marshall and the honor guest Donald Roper.

Mrs. R. E. Dickson and Mrs. Helen Williams, of Spur, visited Mr. and Mrs. Pat Williams and

children, Hazel Jo and Bobby, of Lubbock. Visiting in the Hazel home this week end was Mrs. W. G. Pope of Waco, Mrs. Pope is the former Miss Melba Hazel.

Jerry Graves of Lubbock visited Paul Simmons here last week from Sunday until Wednesday.

Mr. and Mrs. Dale Ladd and small daughter Linda Kay of Pampa are here with Mr. and Mrs. J. W. Roper of Spur.

Mrs. Dorine Holcombe of Spur, spent the week end with her sister, Mrs. W. B. Burton and family in Crosbyton. She returned on Monday night.

Mrs. Pete Lusk of Louisiana, and Mrs. Hayden Thomas of Abilene, are visiting relatives in Spur.

Former Old Timer Visits In Dickens

B. A. Crego of Abilene, is visiting his granddaughter, Mrs. Leo Speer and family of Dickens. Mr. Crego is one of the genuine old timers of Dickens County. Having lived in Dickens in the early day he has watched the growth and development that has changed a bare an sparsely settled frontier county to a county of good roads, a great many which are paved, and all the modern conveniences which we now enjoy.

In his youngie day Mr. Crego was a bootmaker by profession, and no doubt made most all the boots worn by the cowboys in these parts—they were boots that were boots and to own a pair of the Crego boots was a sure way to rate in the cowboy world in the good ole days. Although Mr. Crego is some older in years our money says he could still make a prize pair of those famous boots.

Spur Boy Receives Promotion To T-Sgt.

Lee Roy Walden, stationed at Fort Sam Houston, San Antonio has recently been promoted to T-Sgt. in the Army Air corps. He is the son of Mr. and Mrs. Lem Walden of Spur. Sergeant and Mrs. Walden recently visited his parents in Spur.

The longest river in Africa is the Nile, 4,000 miles.

Eli Whitney invented the cotton gin.

Disregarding air resistance, a body will fall 16 feet in the first second after it is dropped.

Biggest Juneteenth In West Texas

In keeping with the annual Juneteenth celebration held throughout the South, the Spur festival will begin on the night of the 18th with games of Keno. A big free barbecue will be served at 11:00 a. m. Saturday, south of the Negro school in Spur. Highlighting the day's festivities will be a parade at 1:00 p. m., with the best decorated car winning a prize. A baseball game at Dickens Ball park will clash the Lamessa Tigers and the Spur All-Stars at 2:30 p. m.

Festivities of dancing in jitterbug fashion will be featured at the Johnson Hotel Saturday night. Prizes will be given for the best jitterbug. There will be a baseball game Sunday at the Dickens Ball park when these two strong teams play again.

The three-day program is sponsored by the All-Stars, with L. D. Evans as manager. While wards, secretary. Spectators are invited to attend every event of the jubilee.

ERNEST O. NORTHCUTT

Candidate For Associate Justice of the Court of Civil Appeals

Ernest Northcutt became interested in law at an early age, worked his way through law school, received his law degree and entered private practice in Amarillo in 1919.

Judge Northcutt practiced law in Amarillo until he was elected County Judge of Potter County in 1940. He is now serving his fourth elective term.

Ernest Northcutt has tried cases in all Courts over the Panhandle. His trial work carried him into the State and Federal Courts and into all Appellate Courts, State and Federal. He is familiar with the duties of the Office of Associate Justice of the Court of Civil Appeals. He has tried hundreds of Civil cases. THERE IS NO SUBSTITUTE FOR EXPERIENCE.

Judge Northcutt is 56 years old, married and has three children. He is active in civic work, a member of the Baptist Church and was President of the West Texas Judge's and Commissioners' Association in 1947.

Your Vote and Influence Will Be Appreciated
