THE SPUR

SERVING A RICH FARM CROP, STOCK AND POULTRY RAISING TERRITORY OF WEST TEXAS.

The Dickens Item and Dickens County Times Absorbed by Purchase

VOLUME 40

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, NOVEMBER 4, 1948

NUMBER 2

TRUMAN-BARKELEY TICKET WINNER

Dollar Day Values to Please Shoppers; Dates, Nov. 5 & 6

November Dollar Days values offered by Spur Merchants this week-end, Nov. 5 and 6, revives the days of old, and are geared to please the early shoppers for many bargains will make suitable gifts for Christmas. In addition the businessmen are offering fall merchandise, equipment for this season, at reduced rates to make room for their holiday stocks.

Included in the bargains are gifts for the home, for any member of the family, kiddies toys, etc.

Fall clothing comes in for a large share of the values offered by Spur Merchants. Suits, coats, dresses, children's wear and work clothes, all of which have months of wearing season left.

Residents of this area are urged to read carefully all the advertisements in this issue of THE SPUR, and take advantage of the wonderful values offered.

Remember the dates, Friday and Saturday, Nov. 5 and 6.

Senator Corbin Rotary Speaker

State Senator Corbin spoke to a joint meeting of Spur's Rotary and Lions Clubs at the noon hour Thursday, October 28, on the currently important subject, "The Big Bend Highway."

Senator Corbin is president of the Association of Broadway To Big Bend Highway and he made the statement that, because of Spur's strategic position in this area, the road MUST come through Spur.

The highway is to enter Texas above Quanah and the proposed route is from Quanah to Paducah, Spur, Post, Lamesa, Andrews, Kermit, Pecos and on into the Big Bend Park. Some sections of the road, particularly in the Big Bend area, have already been completed.

The Senator also spoke briefly in favor of redistricting West Texas in order that we might have a greater voice in governmental affairs in Austin.

Visitors present were Kaye McKinney, Jim Offield, Judge A. C. Sharp, George Pierce, Arner Watson and Mrs. Nona Starcher.

Junior Rotarians "Kip" Karr, Joe Simpson and T. A. Johnson were also present.

Olan Arthur was program chairman.

Duck Creek Soil Conservation District News Notes

Many of the cooperators of the Duck Creek Soil Conservation District have planted cover crops this year and now have good stands up. "I'm real proud of my vetch and rye," commented D. L. Pace to Soil Conservation Service technicians. Pace, who lives west of Spur, planted 7 acres to rye and vetch, seeding it at the rate of 15 pounds vetch and 1/2 bushel rye per acre and applying 200 pounds of super phosphate at the time of seeding. He has a mighty good stand and it should give him the cover needed to hold his sandy soil in place.

Virgil Wilson reports that he has a good stand of rye and vetch up on his place at Soldiers Mound. Virgil seeded it over sudan stalks and applied super phosphate at the time of planting. Oscar McGinty also has a good stand up. Oscar cut the heads of his feed and left the stalks standing. The vetch and rye were drilled in over the stalks. Old stalks will give the young vetch protection until it gets a start and they will also catch most of the snow and rain that falls. Ted Goodwin who lives near Croton has 45 acres of rye and vetch this year and has 40 acres of rye by itself.

Terracing in the district hasn't got into full swing because many of the crops still have not been gathered. Glenn Spradling plans to add to the terrace system on his farm north of Jayton when he gets his crops off.

Dickens Grand Jury Indicts 5 in Theft

Fifteen indictments against five men involving theft of 18 head of cattle in Dickens County were returned by a Dickens County Grand Jury to Judge Alton B. Chapman as 110th District Court opened in Dickens last Monday.

District Attorney John Stapleton presented the indictments to the court. Glenn Dobkins was foreman of the grand jury.

The five men indicted are: Delbert Bailey, six indictments; Billy Clayton Bond, one indictment; Raleigh Garcia, two indictments; L. D. Bond, three indictments; and Bob Dillashaw, three indictments.

Reburial Rites To Be Conducted For Pfc Jack Sparkman

Reburial rites for Pfc Jack W. Sparkman, 22, will be held Sunday afternoon, November 7, at 3 p. m. at the McAdoo High School Auditorium, with Rev. Lee Hemphill of Littlefield officiating.

Pfc Sparkman was killed in action on Luzon, P. I., on February 27, 1945.

The remains will arrive in Lubbock Friday morning and will be carried overland to McAdoo for the services. The Allen Brothers Post No. 148, Lubbock, American Legion, will be in charge of the graveside services. Interment will be in the McAdoo cemetery.

Pfc Sparkman was the son of Mrs. Bertha Sparkman of Littlefield, former residents of McAdoo. He was a graduate of the 1941 class of the McAdoo High School.

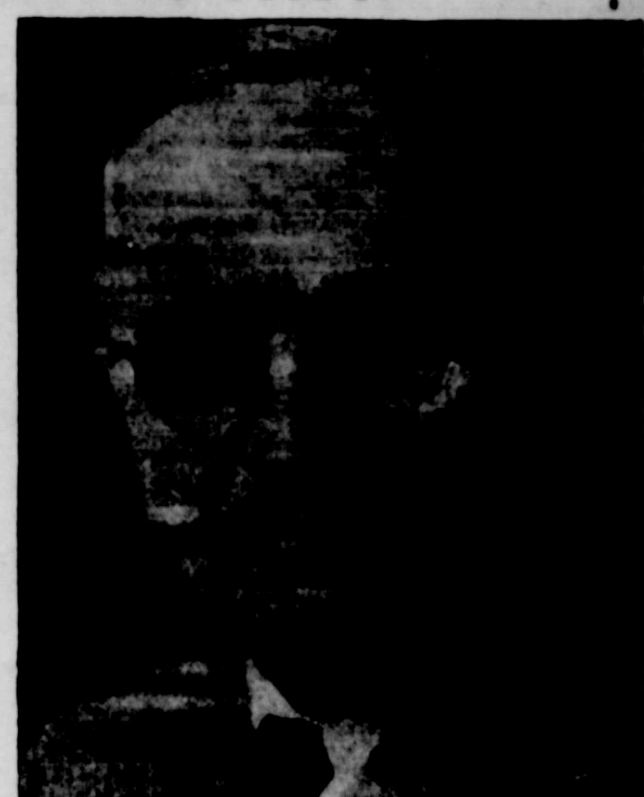

Survivors include his mother, Mrs. Bertha Sparkman, and two sisters, Mrs. L. B. Huckaby of Littlefield and Mrs. Winston Wolford of Lubbock.

Pallbearers will be former classmates. They are: Clint Formby, Ed Eldredge and Lawrence Tipkin of Lubbock; M. V. Cypert, Morton, and Raymond Harris and Howell Brantley of McAdoo.

Discounting the possibility of war and adverse weather conditions, the 1949 prices of most commodities from Texas farms and ranches are expected to average slightly lower than the prices of 1948.

Thomas A. Edison published the first newspaper ever printed on a train.

HE "DOOD IT"

PRESIDENT HARRY S. TRUMAN practically by himself, he won the presidency... his first big political battle.

TWO-TIME LOSER

GOV. THOMAS E. DEWEY for the second time, he went down before the Democratic Party.

Fire Chief Lee Tells Home-owners To Check Stoves

With winter approaching, and Spur residents dragging out heaters from storage, Fire Chief Lee, has issued a warning to all residents to give their equipment a thorough check.

"A few simple rules of safety will prevent many fires in Spur this winter," Chief Lee said, if the citizens will only take time to 'stop and think' before installing their heating equipment."

Chief Lee especially warned about the use of rubber tubing to connect heaters and stoves. Rubber tubing is not safe, even if it is new, he said. "No heater or cook stove should ever be connected with rubber tubing," he said. This is an open invitation to fire and death. The rubber tube as a transmitter of gas, has slain its thousands among the 12 millions now using gas. It has murdered them silently by suffocation, or by fire or explosion.

A home is not entirely safe even with the proper metal tubing. These may become loose since they were last used, and should be checked to see that all connections are tight. "All wall heaters should be checked very carefully to see that they are properly insulated," Chief Lee said.

Many people still look for gas leak with a lighted match. This has come to be one of the most dangerous practices in connection with gas. Chief Lee urged that users of gas look for leaks without the aid of a match. Ordinary soap suds, applied at the suspected points, will reveal the leak when it starts bubbling.

"If you cannot find the leak, turn off the gas at the meter," Chief Lee said, "and call the fire department or the gas company to come out and find it for you."

Just a few simple precautions may save your home and maybe your life, the chief concluded.

Legion Barbecue Slated For Nov. 11

Commander Joe Jeffers of the Williams-Puckett Post No. 161, American Legion, announced this week that the annual American Legion barbecue would be held at the Legion Hut, on Thursday, Nov. 11, beginning at 11 a. m.

Commander Jeffers stated that the annual barbecue for all Legion members, auxiliary members, and all veterans and their families, and has urged a large attendance at the barbecue.

The feast will be held at 11 a. m., in order that persons who wish to attend the Ralls-Spur football game in Ralls may do so.

County Gins 8,792 Bales Of Cotton

Dickens County this week had ginned 8,792 bales of cotton from the 1948 crop, and estimates over the county placed the harvesting at about two-thirds completed. A 15,000 bale estimate has been placed on the 1948 crop for Dickens County.

Surplus of pickers for the county has enabled farmers to harvest their crops rapidly.

The total ginned includes all of the county with the northern part of the county having the largest number of bales ginned to date, with approximately 7,000 bales ginned in Afton, McAdoo, Glenn, Dickens, Dumont. Spur gins had a total of 1,861 bales as of Wednesday. Estimates placed about two-thirds, or better, of the cotton gathered in the county.

Cotton was bringing from 28c to 30c Wednesday, with cotton seed at \$75 a ton. On the whole, the grade and staple has held up better than usual, ginners said.

Deer Season Open West of Pecos

Game Warden Cecil Fox told the Texas Spur this week that Deer season would open West of the Pecos River on November 6 and would remain open through November 11.

The bag limit for this brief hunting period is one white tail and one black tail (mule) buck per season.

A few don'ts for the hunters to remember are: Don't hunt at night with a headlight in a territory where deer are known to range. Don't kill doe deer, fawns or spike bucks.

Don't use a deer call, except deer horns which may be rattled. The general deer season opens on Nov. 16 and continues to December 31, with both days, inclusive.

NEW ARRIVALS

A son, John Fredrick, was born to Lt. and Mrs. Charles Sherwood, in the U. S. Naval Hospital, Newport, R. I., on Oct. 29. The young fellow weighed 7 pounds and 7 ounces. The maternal grand parents, Dr. and Mrs. J. F. Hughes, left by plane Wednesday for Newport to visit their new grandson.

Mr. and Mrs. Bob Sudderth of Frenel, Texas, announce the arrival of a daughter, Teresa, born Monday, Nov. 1, at the Clovis, N. M. hospital. Mrs. Sudderth is the former Miss Patsy Arrington. The maternal grandparents are Mr. and Mrs. Roy Arrington. Mr. and Mrs. C. L. Elmore, Plainview, announce the arrival of a son, Micheal Dwight, born Oct. 23.

Texas has 294 entries in the Egg Laying Contest representing nearly 122 thousand birds. If each bird lays 150 eggs during the year of the contest, there will be over 18 and a quarter million eggs produced in the contest.

A group of reporters first conceived the idea of the lino-type in 1866.

Mrs. Dave Wilson Succumbs In Dallas

News was received in Spur Wednesday night of the death of Mrs. Dave Wilson, former resident of Spur, who died Wednesday afternoon in Dallas Hospital, following an operation.

Chandler's Funeral Home will return the body to Spur where funeral services will be held. Arrangements for the services were not complete late Wednesday night.

3,600 Texans Due Army Examination

Draft Board No. 80, Dickens, Stonewall and Kent counties, received a call for six youths for pre-induction examinations, in the call that was issued from State Selective Service Headquarters, according to Mrs. W. K. Joiner, Jayton, clerk of the three-county board.

Selection of the six had not been made Wednesday. They will be made from the three-counties. With these six reporting, 35 bring a total of ten that have been called since peace-time drafting went into effect. Four were called during the first order issued in October.

AUSTIN, Nov. 4.—Physical examinations this month will screen 3,600 Texans for possible draft.

Texas Selective Service headquarters announced its physical examination plans to meet a December call for 734 selectees.

A high rejection rate reported at examining stations has made it necessary to send "relatively large numbers of men from the local boards," State Selective Service Director K. L. Berry said.

About 2,700 Texans were examined last month to meet a November quota of 670 selectees. First Texas inductions under the new draft act are set for Nov. 29 and 30.

Berry said the state system is also trying to build up a pool of acceptable men to prepare for future induction calls.

Examination and induction stations are located at Amarillo, Austin, Brownsville, Corpus Christi, Dallas, Houston, Lubbock, El Paso, San Antonio and Texarkana.

Large Crowd Hears 'Catalina' Reviewed

James G. Allen, Dean of Men at Texas Technological College, reviewed Somerset Maugham's novel, "Catalina," at a Book Tea at the Spur Inn Tuesday night. A very responsive group of about 100 men and women attended.

The review was sponsored by the City Federation of Women's Clubs in behalf of the Dickens County Library.

Mrs. O. M. McGinty, Federation president, introduced Mrs. J. R. Lane, Librarian, and O. B. Ratliff, formerly of Spur. Mrs. Lane discussed the immediate needs of the library.

Mr. Ratliff introduced the speaker of the evening, Dean Allen, who in a very interesting and capable manner, reviewed Maugham's recently released novel, "Catalina." He read a passage from the book to emphasize one point of his discussion of the author, whom he styled as one of the finest of our generation.

Fall chrysanthemums formed the floral decoration for the hall. Punch, cookies and assorted nuts were served after the review.

Mrs. F. B. Crockett and Mrs. Fike Godfrey, assisted by Mrs. Mansell Bragg, Hynum Britton, Clyde Bingham, V. C. Smart, Jr., and E. H. McCully were on the arrangement committee; Mrs. Paul Marion and Mrs. Bob Conner, publicity; Mrs. Nell Davis and Mrs. George Gabriel, hospitality; Mrs. Hershall Durham and Miss Margaret Elliott received at the door. As a contribution to the library, Mr. and Mrs. Sims donated the hall for the evening.

A check on all doors and windows in the house will keep the cold air out and the warm air in this winter. Heat leakage costs money and wastes fuel. Loose window panes may be re putted, but cracks around the outside of door and window frames need caulking after being packed with oakum or jute.

SSA Agent Will Be In Spur Nov. 10

Elliott W. Adams, Social Security Administration Representative, will be in Spur at the U. S. Post Office, at 9:00 a. m., on Wednesday, November 10, for the purpose of answering any questions you may have on social security; disseminating publicity benefits; and taking applications for social security account numbers.

Every worker should keep his social security card in a safe place and safeguard it just as if it were an insurance policy. If you should lose your card, you should apply for a duplicate at the nearest Social Security office, but not for a new number. Using two numbers may result in only part of the benefits being paid.

Greatest Upset In History Seen In Tuesday's Voting

Harry S. Truman—the man all the pollsters and doopers said could not win, upset the applecart throughout the country by almost single-handedly defeating the supposedly strong Republican Machine, in what is believed to have been the biggest upset ever in a presidential race. Truman had 304 electoral votes to Dewey's 189.

Not only did HST sweep into the White House, but the Democrats re-gained control of the House of Representatives and the Senate. In the House, the Democrats had 242 seats, GOPs 192, American Labor, 1; in the Senate the Dems have 54 seats; GOP's 45 seats.

Gov. Thomas Dewey, Republican candidate, conceded the election to President Truman in an announcement at 10:00 A. M. Wednesday.

Texas stayed in the Democratic column with Demo candidates making a clean sweep. Lyndon Johnson led his GOP opponent by over 200,000 votes. All state amendments carried.

Spur - Abernathy Eleveens Clash On Local Field Friday

Coach Sam Hawkes and his Bulldogs will play host to the Abernathy Antelopes Friday night at Jones Memorial Stadium in their fifth District 3-A tussle.

Kick-off time is slated for 8 p. m.

The Bulldogs have had a weeks rest since their 13 to 8 victory over the Crosbyton Chiefs, and Coach Hawkes stated that all are in good physical shape, and ready for the Antelopes.

The Bulldogs are in second place in conference play, trailing the Lockney Longhorns. Spur has three victories and one defeat, while the Longhorns are on top with five conference wins. Lockney had a close call last week-end defeating Floydada by the score of 15 to 12.

Other games scheduled for this week-end are: Paducah at Ralls, Lockney at Matador, while Crosbyton and Floydada have a rest for the week.

The Standings

Team	W	L
Lockney	5	0
Spur	3	1
Floydada	3	2
Crosbyton	3	2
Abernathy	2	3
Ralls	1	3
Paducah	1	3
Matador	0	4

Substitute Clerk Jobs Open In P. O.'s

Examinations are being announced throughout the State of Texas for positions of substitute clerks in third-class Post Offices where employees do not have civil service status or where vacancies exist.

G. W. Grimes, secretary, Board of Civil Service Examiners, Spur, states that he will hold examinations for such substitute clerks for Dickens and Jayton Post Offices. The examinations will be held in the Spur High School on November 20, 1948, at 8:00 A. M.

Applicants to be examined for these offices must actually reside within the delivery of the post office at which they desire employment or be bona fide patrons of that office. Persons employed in a third class post office are considered patrons of that office. Employees in third-class offices who do not have a civil service status should apply for these examinations if they wish to qualify for permanent employment.

Applications and further information can be secured from the postmaster at each of the offices for which the examinations is being called.

Dickens vs. McAdoo

The Dickens Owls 6-man football team will meet the fast McAdoo "6" on the Dickens Field, tonight at 7:30 p. m. It was announced today.

S'West Markets Show Little Change

Unchanged to lower price trends prevailed at most southwest farm markets during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports. Stocker and feeder cattle and calves sold sharply lower for the week ending Monday at Houston and San Antonio, and shared the general weakness of all cattle classes at Denver. Prices netted little change after daily ups and downs on other classes and at other southwest terminals. Cows showed particular stability. Common and medium cows moved at \$16 to \$18 at Houston, \$15.50 to \$17.50 at San Antonio, \$16 to \$18.50 at Wichita, and \$17 to \$18.75 at Kansas City. Hogs lost mostly \$1 to \$1.50

during the week. Top butchers brought \$24.50 at San Antonio Oklahoma City and Wichita Monday, \$25 at Fort Worth, and \$24.75 at Kansas City. Sows moved in a spread from \$22 to \$23 in Texas and Oklahoma, and \$21 to \$23 at Kansas markets. Stocker and feeder pigs ranged from \$21 to \$25. Sheep ruled steady to a little lower for the seven days, but feeder lambs gained a dollar or two at San Antonio. Common to medium feeders sold from \$15 to \$18 at that market Monday, while medium wether Angora goats brought \$7.50. Fort Worth bought medium and good slaughter yearlings at \$16 to \$18, and ewes \$8 to \$9. Fall wools sold in Texas at \$16 to \$18 at Houston, \$15.50 to \$17.50 at San Antonio, \$16 to \$18.50 at Wichita, and \$17 to \$18.75 at Kansas City. Citrus fruits and fall vegetables drifted to lower prices.

News From Duncan Flat - Glenn

Mr. Glen Dobkins was a business visitor in Fort Worth last week. Mr. and Mrs. Ferril Smith attended the football game between Rice and Texas Tech at Lubbock Saturday. Glenn Jones returned home from Colorado last week where he spent two weeks hunting with his brother L. A. Jones. Each of them killed an elk. Mr. and Mrs. L. A. Jones of Uesta, New Mexico, are visiting his brother, Glenn Jones and family. Miss Doris Baxter of Plainview visited her parents Mr. and Mrs. S. M. Baxter this week-end. Seaman First Class and Mrs. Calvin Robinson and son are visiting Mr. and Mrs. Claude Sedgwick. Mr. Glen Rose visited his parents, Mr. and Mrs. Joe M. Rose last week. Mr. Rose is in the Air Corps, stationed in Virginia. Marsha English of Plainview spent last week with her grand parents, Mr. and Mrs. S. M. Baxter.

Four Killed In Airplane Crash

The bodies of four persons were removed from the scattered wreckage of an all-metal Cessna 195 airplane near Roaring Springs Monday after searchers had found the craft after a search which got underway last Friday. All four persons, all residents of Oklahoma City, perished instantly when the plane apparently crashed and exploded into a sand mound during a heavy rainstorm. It was believed the plane crashed about 10:25 a. m. last Thursday morning, a short time after it asked weather information in the Lubbock vicinity while flying near Wichita Falls. The plane was on a flight from Oklahoma City to Denver City. The dead, identified by an employee of the Denver Refining and Producing company, were: R. G. Rapp, multi-millionaire president of the firm; L. S. Tunks, company production superintendent; Mrs. Tunks, and Ben Parr, the plane's pilot. All were from Oklahoma City. The plane, which had been the object of a widespread air-land search over West Texas since Friday, was discovered about 9:30 a. m. by Russell Hoffess, pilot for Cities Service Oil company. Soon afterwards ground rescue teams made their way over sandy, shinnery-covered hills to the scene of the crash, the first arriving at about 11 a. m.

Car-Tunes By SPUR MOTOR CO.

"Confidentially, if you want it fixed right, mister, take it down to SPUR MOTOR CO."

levels during the past week, as market supplies continued a seasonal increase. West Texas lettuce sold lower at Fort Worth and began to arrive on the New Orleans market. Most truck shipments at New Orleans came from Mississippi since heavy rains seriously damaged Louisiana crops. Colorado potatoes and onions found very slow demand and dull markets at principal shipping points. Yellow corn dropped 5 to 20 cents a bushel for the week, to sell Monday at \$1.70 to \$1.80 a bushel in bulk carlots at Texas common points. Yellow corn fell one to two cents to bring \$1.54 to \$1.56 for No. 2 grade. Wheat declined two to three cents to close around \$2.41. Sorghums moved two cents a hundred pounds lower. No. 2 yellow milo brought \$2.55 to \$2.60. Oats and barley gained 2 to 2-1/2 cents. Prices of good and fresh eggs went a little higher last week, but eased slightly around the weekend. Fryer and broiler markets held a much firmer tone most of the week but lost some of its firmness toward the close. Demand slowed for more liberal receipts of hens. Turkey marketings remained on a very high scale.

Dairy farmers are losing 50 million dollars worth of milk a year due to brucellosis. That doesn't count nearly two hundred thousand calves that would have made about five million dollars worth of veal. At the present time, 42 of the 48 states have artificial dairy breeding associations in operation.

RELIEF AT LAST For Your COUGH
Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germs laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you do not have your money back.

Boyce House "Gives You Texas"

The old Pecos River bridge, subject of poems, songs and Roy Bean yarns, is doomed. The work of demolition is underway or may even be completed.

A new bridge has been built and the old one has been utilized for several years. J. C. Carter, executive assistant for public relations for the Southern Pacific Railroad, has made a study of the old structure, which was built in 1892 and was in service until 1944.

A large salvage firm bought the old bridge. Cowboys, to avoid the long ride down into and up out of the canyon, used to ride their horses across the high bridge. A young and pretty woman, "Pecos Kate" rode across and when a suitor was too faint hearted to follow, she rejected him—or so the song says. Trains used to stop so that the passengers could take in the view. Far below was a tiny trickle of silver—the Pecos river. On its bank were even smaller objects, hardly discernible—they were cows.

While the bridge was under construction, a scaffolding broke and seven men plunged to the boulders below. Judge Roy Bean rode over from Langtry to hold the inquest. The bodies were lying in a row. He instructed the jury to return a verdict that "these here seven men met their death from the bridge." One said, "But, Judge, one ain't dead." I ain't gonna ride 14 miles overback mule to hold an inquest. Officially and legally, he is dead. The jury so found—and two days later, the seventh victim did pass away.

The old bridge is part of the story of the Southwest. Many old-timers will hate to hear that it is gone.

Appreciation

Father Edmund F. Hartigan, in charge of the St. Mary's Catholic Church, Spur, expressed his appreciation to the business firms and individuals of Spur for their contributions and donations that enabled the final construction of the new church, located on Highway 70, South of Spur.

The church was recently completed and services are held each Sunday at 11:30 A. M.

This year's Texas crop of alfalfa seed is estimated at 35 thousand bushels thrasher-run, the fourth largest crop on record.

VETERANS NEWS Cotton Trading Continues Heavy

Qualified persons in Texas, Louisiana and Mississippi can now obtain jobs as clerk-stenographers with the Veterans Administration in Washington, D. C., VA has announced.

VA is extending its recruiting into most parts of the nation because of the current shortage of qualified stenographers in the nation's capital. Entrance salary for these positions is \$2,498 per year with a very good chance for quick promotion to higher grades, VA said. Travel to Washington will be at government expense.

An adequate number of rooms for single persons are available in Washington at rates from \$5 a week and up. Government quarters at Arlington Farms in dormitories are also available for girls. Employment may be obtained through any regional office, hospital or center of the Veterans Administration.

Business Diploma Given C. E. Elmore

C. E. Elmore, former resident of Dickens, but now of Plainview, was awarded a diploma from Plainview Business College in bookkeeping and higher accounting. He recently completed a two-year course which included accounting, auditing, public accounting, tax accounting, C. P. A. coaching and business management, in a minimum time of 18 months with an average of 96 per cent plus.

Elmore has been employed in the accounting department of the Collins Appliance Co., Plainview. He is the son of Mr. and Mrs. Henry Elmore, Dickens.

A press operated by steam power was invented in 1882.

ELECTRONIC EYES FOR THE BLIND

Racking the movement to employ handicapped workers is only one phase of the program carried out by The Tinkler Koller Hearing Company. Donation of an electronic gaging machine to the Ohio Institute for the Blind is the latest step by the company that employs fifty partially or totally blind persons in six Ohio plants.

Designed originally to give employment to blind civilians and to aid in the re-employment of Timken veterans, the device, by means of sound in place of the normal reading dial, enables the blind operator to make a final inspection on precision bearing parts at a speed and degree of accuracy comparable to that of sighted persons.

Cene Erwin is pictured taking the training, which, when completed, will enable him to become self supporting.

Health Notes

The "dog days" of the mid-summer months originally derived their name from the prevalence of rabies spread from rabid dogs at that season of the year, but actually rabies occurs at all times of the year. During the past year the State Health Laboratory found 847 animal brains positive for rabies. Four deaths occurred in humans.

Dr. Geo. W. Cox, states, "Few persons need to be warned that rabies is a fatal disease yet proper precautions against its spread are often neglected. Stray dogs should be humanely destroyed or impounded, and all household pets should be vaccinated. Annual vaccination efficiently practiced will stamp out rabies in Texas."

The State Health Officer stressed this fact as important: A dog suspected of being rabid should not be killed at once, but should be kept confined for ten days, since this is the infective period before death of the animal. If the dog does not develop rabies within ten days, the individual bitten is safe as far as that particular bite is concerned. Further observation of the animal should be at the discretion of the veterinarian since many other conditions resemble rabies.

The head of the suspected animal should be packed in ice and sent to the State Health Department for examination. Freezing the brain, or killing the dog prematurely or in such a manner as to injure the brain may make correct laboratory findings impossible.

Mere handling of a rabid is not sufficient reason for treatment, as scratches by the animal's paws ordinarily do not constitute exposure. It should be understood that rabies is transmitted only through exposure to saliva which gains entrance in to the body wound, ordinarily through a bite.

Vegetable and Fruit Shipments Show Large Drop

AUSTIN, Nov. 3.—Texas rail shipments of fruits and vegetables totaled 124 carloads in September, the University of Texas Bureau of Business Research reported.

This was a 76 per cent drop from August and a 22 per cent decline from September 1947.

PERSONALS

Mr. E. L. Adams, Mrs. J. H. Bowman, Jimmie Nell Bowman and Kenneth Williams spent Sunday in Wichita Falls with Mrs. Ruby Allen.

R. M. Richards underwent minor surgery in the Crosbyton Hospital Monday of last week. He returned to Spur Tuesday.

Mrs. Jewel McLaughlin and Mrs. H. L. Dennis attended an announcement tea honoring Evelyn McLaughlin, at the home of Mrs. Virgil Young in Lubbock Sunday afternoon. Miss McLaughlin is engaged to Kenneth Perkins.

Mr. and Mrs. Paul Marion and David were in Lubbock Saturday for a visit with Mr. and Mrs. Ray Burkhart and attended the Tech-Rice game.

MR., MRS. F. O. TAYLOR CELEBRATE GOLDEN WEDDING ANNIVERSARY

Friends and relatives of Mr. and Mrs. F. O. Taylor met in their home October 31, to celebrate their Golden Wedding Anniversary. Mr. and Mrs. Taylor were married in Erath county at Indian Creek School and moved to Kent county January 2, 1899. They have lived near Spur since then. They have reared eleven children and are the grandparents of nineteen grandchildren, and six great grandchildren. About seventy-three people were present for the noon meal. Barbecue beef, salads, vegetables, cakes, pies and coffee were served. Many beautiful and useful gifts were presented to the grateful couple. The children present were Ben Taylor, Mr. and Mrs. L. L. Taylor, Floyd, Billie Faye and Helen, Mr. and Mrs. Wade Taylor, Mr. and Mrs. Donnie Taylor, Mr. and Mrs. Amos Taylor, Jimmie, Jerry, Betty Lou and Mary Sue, all of Morton, Mr. and Mrs. Jack Taylor and daughter, Mr. and Mrs. Punk Peel of Post, Mr. and Mrs. J. E. Arnold and Hazel of Hot Springs, N. M., Mr. and Mrs. Jonah, Alfreida and Valine, Mr. and Mrs. Harry Taylor, Wanda Mae and Gene, Mr. and Mrs. Ford Taylor and George Taylor of Spur, Mr. and Mrs. Sam Taylor of Gilroy, California, were unable to attend. Brothers and sisters of Mr. and Mrs. Taylor present were; Mr. Will Taylor of Girard, Mr. and Mrs. Ben Atwood of Abilene, Mr. and Mrs. C. E. Harrison of Girard, and Mr. and Mrs. Amos Hilton of Spur. Many other relatives and friends were present or called during the day.

Girl Scouts Plan Handicraft Projects

In Girl Scouts on October 27, Troop 2 discussed plans for our handicraft projects. Mrs. Fike Godfrey told us what we had accomplished in our efforts toward our second class badges in individual fields. Those present were: Sue King, Gwendolyn Ford, Billie Sue Gregory, Dean Reagan, Carol Carpenter, Margaret Pierce, Marilyn Miller, Jane Ann Albin, Patricia Pugh, Kathleen Kelley, Sandra Watson, Gail Love, Helen Dean Bingham, Merla Bee Foreman, Jean Boothe, Yvonne Adams, and the new girl scouts, Dixie Carol Young, Nannete Alexander, Lanora Wilson and Marjorie Carlyle. Also present were Mrs. Godfrey and Mrs. Wilson. Reporter—Carol Carpenter.

Mrs. Spikes Honored At Gift Reception

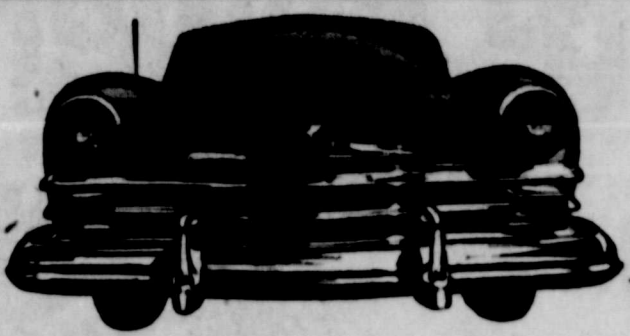

Mrs. Junior Spikes, nee Joyce Watley, was named honoree at a gift reception given in the home of Mrs. Guy Thompson of Elton, Wednesday afternoon, November 3, from 2 until 6 o'clock. Hostesses for the occasion were Mrs. Bill Dodson, Mrs. Elmer Thompson and Mrs. Guy Thompson. Mrs. Elmer Thompson greeted the guests and introduced them in turn to the receiving line which was composed of Mrs. Floyd Watley, mother of the honoree, Mrs. Spikes, the honoree, and Mrs. Spikes, mother of the bridegroom. Guests were then shown to the linen-covered dining table where Mrs. Guy Thompson and Miss Jewel Nolan served cake squares and cocoa. Mrs. Ernest Nolan directed guests into the gift room where the bride showed the beautiful display of gifts.

National FHA Week Program Planned

The week of November 1st through the 7th has been set aside for National F.H.A. Week. A special program has been planned for each day of the week. The program for the week was as follows: Monday, Assembly day; Tuesday, Tea for mothers, Dickens Home-making class invited; Wednesday, Good deed day and for sale of directories; Thursday, Faculty in for coffee; Friday, Hobo day; Saturday, Graham area II meeting; Sunday, attend Methodist church, 7:30.

Because of the long dry spell, cattle are faced with poor pasture and range conditions. They'll need plenty of protein feeding and lots of good, green hay if it's available. If there is no good green hay, the cattle will need some source of vitamin A. Newspapers first used paper made from wood pulp in 1867.

1917 Study Club Meets

The 1917 Study Club met in the home of Mrs. Nell Davis Tuesday afternoon, Nov. 2, at 3 o'clock with ten members answering roll call with a current event on "Peace." Mrs. E. D. Hagins discussed "The Immortal Chaplains."

Rev. L. L. Hill was guest speaker using "Peace" for the subject of his address which he presented in a very interesting manner.

Mesdames E. C. McGee, Don Ramsay and Durwood Woodward were elected members of the club.

Delicious strawberry ice cream with cookies was served.

Members present were Mesdames S. L. B. R. C. For-

bis, Fred C. Halls, L. L. Hill, J. E. Berry, E. D. Hagins, Thos. P. Johnston, R. E. Dickson, W. A. Ligon and the hostess.

Artaban Club Tea

A tea for the mothers of the Artaban Club members was given Tuesday night at 7 o'clock. The guests were served coffee, punch, cake, cookies and sandwiches. F.H.A. area II president, Francis Holloway served. In the receiving line were Doris Gibson, local president, Mrs. Holly, area II sponsor, Mrs. Henshaw and Mrs. Gibson.

The local Artaban club mothers are Mrs. Henshaw, Mrs. Gibson, Mrs. Boothe and Mrs. Hazel.

FARM MARKET

Dickens County Home Demonstration Clubs opened their Farm Market Saturday from 10 to 12 a. m. in the REA office. They sold cakes, pies, fresh eggs, dressed hens and other farm produce. All club women are urgently requested to bring their home products to sell. Everyone is invited to visit our "Farm Store" on Saturday mornings for fresh, home oaked pies and cakes, country butter and eggs and dressed chickens at reasonable prices.

Regional Delta Kappa Gamma Holds Meeting

With "Opportunities Unlimited" as a theme, Delta Kappa Gamma conducted a Regional Meeting in Plainview on October 23rd. Over a hundred members from five chapters were present. Alpha Sigma chapter, Lubbock; Beta Gamma chapter, Vernon; Gamma Eta, Paducah; Gamma Kappa, Memphis, and Gamma Iota, Plainview, composed the district. Gamma Iota was the hostess chapter.

The meeting began at nine o'clock with registration and a coffee in the parlors of the Methodist Church. The general assembly met in the church auditorium. After a business session the state representative presented a report from the national meeting which was held in Milwaukee in September. The high spot of this meeting was an address delivered by Mrs. Mary M. Doak of Lubbock on "Opportunities in Education."

The luncheon program was one of professional interest. Awards of achievement were made. The principal address was delivered by Miss Yvette Rosenthal of Galveston who is a member of the State organization.

KALGARY NEWS

The Calgary community was entertained at a Halloween party and carnival in the high school Thursday night, October 28. Mesdames Doyle Hinson, G. B. Morris and Conda Starrett were in charge.

Jack-O'-Lanterns burned in the windows, streamers of black and orange paper all around the room and paper black cats, witches, bats and skeletons on the walls and the booths added to the weird atmosphere. Two booths were made for the Wingless Bat Mrs. C. P. Witt was in charge of the guessing jar with Mrs. Roy Winkler in charge of the bingo table.

Kenneth Havens was in charge of the doll rack, Mary Lou Hargrove and Eleece Turbyfield ran the fishing pond. Mrs. Cleve Maze was the gypsy fortune teller.

School children dressed as pumpkins, black and white cats, witches and ghosts, presented a little program and then a vote was cast for the best costume, with the winner being Curtis Pierce. He was dressed as a white cat with black spots and a great big red ribbon on his tail.

Music was furnished throughout the occasion by Mr. and Mrs. Sweeney and Giles Pierce.

Mergenthaler produced the first successful linotype machine in 1866.

IN APPRECIATION

The East Ward Parent-Teacher Association wishes to thank all those citizens of Spur who in any way helped to make our carnival a success. It was a success! We were proud of Spur on Saturday morning. We thank the merchants whose buildings were made available; the patrons who donated liberally; the Lions who roared as well as worked; the Room Dads and Mothers who

carried out the plans made for each of the concessions; and then, we thank the teachers who carefully directed the planning of each booth.

We appreciate the wholesome attitude of Spur's boys and girls who set the atmosphere of fun and frolic for the evening and in that way realized the real meaning of Halloween.

East Ward Parent-Teacher Association
Mrs. F. A. Phifer, President

Texas flax production increased from a ten-year average yield of 287 thousand bushels to 864 thousand bushels last year and 960 thousand bushels this year. Last year's flax acreage was 91 thousand, and this year it

Housewives will find a large assortment on the grocery shelves this month. On November's plentiful food list are red and white potatoes, white and yellow onions, cabbage, carrots, grapes, citrus fruits, cranberries and pears.

SLOW, CAREFUL GINNING GIVES BETTER TURNOUTS

Because of lesser volume of ginning I am able to take all the time necessary to give each one of your bales the individual attention it demands.

Thus each bale receives the very best turnout of lint possible — ONLY THROUGH SLOW GINNING.

My prices for cotton and seed are always the same as the prevailing market prices in this territory.

Let me make you money by giving you a better turnout... better turn-outs pay you good dividends now.

Cottonseed Gains
AUSTIN, Nov. 3—Cottonseed received at Texas cotton mills, totaling 244,172 tons, stepped up 28 per cent from August to September, the University of Texas Bureau of Business Research reported.
This was a 15 per cent gain over September 1947 receipts. Cottonseed crushed climbed 43 per cent to 124,625 tons in September, or a 33 per cent increase over a year ago.
The Bureau's index of cottonseed crushed dropped 53 per cent in September to 85 per cent of the prewar base (1935-39) period.
The term "newspaper" came into existence in 1670 in England.

Red Skelton Hilarious As "Fuller Brush Man"

RED SKELTON gives a demonstration to JANET BLAIR in "THE FULLER BRUSH MAN," a Columbia picture.

"The Fuller Brush Man," a Columbia comedy starring Red Skelton and Janet Blair, will arrive at the Place Theatre on Sunday. Principal featured players are Don McGuire, Hillary Brooke, Adele Jergens, Ross Ford and Trudy Marshall.
In making "The Fuller Brush Man," producer-director S. Sylvan Simon is bringing to the screen an institution familiar to millions of U. S. housewives and one which has inspired as many gags as Ford's Model T.
Skelton, a breakaway comedian, is said to have one of the choicest comedy plans of his career in the title role. He is teamed with Van Johnson and Robert Taylor being surrounded by all those lovely girls. For, in his latest vehicle, he plays opposite four, himself.
As the house-to-house dealer, wonderful things are said to happen to Red when he goes around knocking on strange doors. He gets involved in a murder, is messaged up by hoodlums and mixed up with four beauties.
The quartet of lovelies includes Miss Blair, Red's despairing girl friend; Miss Brooke, attractive society matron; Miss Jergens, one of Red's more alluring customers, and Miss Marshall, fiancée of Ford, one of the murder suspects.
From all reports, the final chase sequence which is a virtual three ring circus between Red, Janet and the villains, is said to be one of the most hilarious ever filmed.
It takes place in a warehouse loaded with surplus war material with rockets zooming and rubber rafts inflating.
Screenplay for this Edward Small production was written by Frank Tashlin and Devery Freeman and was based on a "Saturday Evening Post" story by Roy Higgins.

Dairy Production Drops 13 Per Cent

AUSTIN, Nov. 3—September dairy production in Texas fell 13 per cent in September to 54,922,000 pounds, milk equivalent, the University of Texas Bureau of Business Research reported.
Ice cream production stepped up 14 per cent from August, while output of American cheese and creamery butter slid 43 and 21 per cent respectively.
All types of dairy products shared in the 16-per-cent decline from September 1947. Manufacture of ice cream dropped 22 per cent; Creamery butter, 7 per cent; and American cheese, 5 per cent.

The bureau's seasonally-adjusted index of dairy manufacturing rose 3 per cent in September to 68 per cent of the prewar (1935-39) base period.
National Flower Week will be celebrated throughout the nation this year during the week of November 7-14 to encourage an appreciation for flowers and of the pleasure they bring to daily living. During National Flower Week and throughout the year, mother, father, and children will enjoy a feeling of close companionship as they share their mutual interest in one of nature's greatest gifts—flowers!

The enjoyment of flowers comes naturally to young children. Wise parents foster this instinctive love of beauty by encouraging their children to care for flowers intelligently and to arrange them artistically.

Cotton Consumption Jumps in Texas

AUSTIN, Nov. 3—Cotton consumption in Texas jumped 19 per cent from August to September, the University of Texas Bureau of Business Research reported.
Totaling 15,309 running bales, cotton consumption advanced 32 per cent from September 1947.
Use of cotton lintners totaled 2,347 running bales in September, rising 16 per cent above August and 13 per cent over year-ago levels.
Cotton spinning activity continued on the upward trend. Active spindles were unchanged from August, but spindle hours increased 9 per cent to 88,000,000. In comparison with September 1947, active spindles slipped 1 per cent, while spindle hours stepped up 21 per cent.

Farm Income In Texas Gains 24%

AUSTIN, Nov. 3—Texas farm cash income totaled \$230,550,000 in September, climbing 24 per cent above August, the University of Texas Bureau of Business Research reported.
In comparison with September 1947, farm income slid 5 per cent reflecting decreased sales of cotton, wheat, hogs, sheep and mohair.
Farm income stepped up sevenfold in Trans-Pecos, and more than doubled in Red Bed Plains and Southern High Plains.
On the other hand, farm income decreased sharply from August to September in the Lower Rio Grande Valley, Southern Texas Prairies, South Texas Plains, and Coastal Prairies.
Cotton brought Texas farmers \$120,063,000 in September, for the greatest source of income. Second, cattle sales totaled \$27,466,000.
The Grand Prairies District turned in \$89,416,000 in September, and the Red Bed Plains' income, totaling \$26,721,000, was second highest in the state.

From a year earlier, farm income stepped up from 2 to 45 per cent in the Trans-Pecos District; East Texas Timbered Plains, Red Bed Plains, Western Cross Timbers, and Black and Grand Prairies. Other districts turned in decreases from a fractional dip in Edwards Plateau to an 85 per cent drop in the Lower Rio Grande Valley.
For the first nine months of 1948, farm income totaled \$1,110,949,000, or 5 per cent below a like period in 1947. Declines were recorded by Southern High Plains, 43 per cent; Red Bed Plains, 21 per cent; Western Cross Timbers, 7 per cent; and Lower Rio Grande Valley, 4 per cent. Other districts turned in gains from 1 per cent in Southern Texas Prairies to a 25 per cent rise in South Texas Plains.

Cooperating with Hogg Foundation in holding the conference are the Woman's Foundation which has sponsored community work in Texas; the Texas Council on Family Relations; Texas Committee for Children and Youth; State Board for Vocational Education, homemaking division, and Texas A&M College Extension Service.

"Hobo Basket" Returns Home

The "Hobo Basket," which left Birmingham, Alabama in December of 1947, returned home on October 11, 1948, having established a travel record not soon to be equaled. Conceived to further the cause of the National Foundation for Infantile Paralysis "March of Dimes" Campaign, the basket traveled 10,034 miles through twenty-nine states and the District of Columbia. It moved over the rails of nineteen of the nation's railroads and collected for the "March of Dimes" a total of \$11,494.20, an average of \$1.14 1-2 per mile.
The "Peripatetic Packet" moved over the Burlington Lines in Texas during the spring from Amarillo to Dallas, with stopovers at Childress, Wichita Falls and Fort Worth, at which points more than \$250.00 in dimes was collected to swell the Infantile Paralysis Foundation fund.

Livestock Shipment Slips 4 Per Cent

AUSTIN, Nov. 3—Texas shipments of livestock slid 4 per cent from August to September, the University of Texas Bureau of Business Research reported.
Livestock shipments, totaling 7,439 carloads, dropped 17 per cent from August, offsetting gains of 7 and 16 per cent in hogs and calves, respectively.
Interstate shipments plus Fort Worth slid 7 per cent from August and 17 per cent from September 1947.

Rains Brighten Wheat Outlook

AMARILLO, Texas — Wheat farmers over the North Plains and part of the South Plains of Texas were seeing visions of another bumper wheat crop after general rains during Sunday night and Monday.
Pampa was soaked with 3.20 inches and it was still raining at mid-morning. Amarillo had 2.68 inches, bringing the total to date to 23.98 inches, or 4.65 above normal.
Perryton and Spearman in the North Plains wheat empire had two inches each. Dumas 1.18, Claude 2 inches, Memphis 1 inch, Canadian 1.75, Plainview 2.6, and Childress 1.3.
The rainfall breaks a drought which had lasted for 50 days with the exception of scattered showers last week. Some hail was reported but little damage was done.
County agents were reported to be optimistic about the crop. Wheat planted and up will give pasture within a month. Wheat dusted in or to be planted following the rain will give pasture for January and February.

Rebuild Farm At High Speed

RIO GRANDE, OHIO — Thousands of farmers attending Ohio Valley Second Frontier demonstration here recently walked around for two days in a Utopia of mechanical agriculture. They saw 600 workers and hundreds of pieces of mechanical farm equipment do 10 years' work in 13 1/2 hours rebuilding the soil-depleted 500-acre Rio Grande College farm.
Jeeps, at work doing all farm and soil conservation tasks, "stole the show." Shown above is a Jeep equipped with Newgreen Selsol and pasture cultivator, following one with a bush and log harrow while rejuvenating a hillside pasture. Both jeeps are equipped with new Monroe hydraulic lifts which make possible raising and lowering of implements, as well as finger-tip control of working weight of implements through hydraulic pressure.

Hogg Foundation Group To Meet

AUSTIN, Nov. 3—From Big Spring and Marfa to Beaumont and San Antonio will go Texas town and community leaders to the Texas Conference on Family Relations November 17-18 in Houston.
Sponsored by the University of Texas Hogg Foundation for Mental Hygiene and similar groups the conference will emphasize what Texas communities are doing in family relations.
Speakers will include Dr. James M. Wood of New York, Woman's Foundation president; Dr. Loyd Rowland of Louisiana State University; Dr. Leonard W. Mayo, Western Reserve University vice-president, and Education Dean L. D. Haskew, University of Texas.

Texas Hereford Association Holds Auction Nov. 15

ABILENE, Nov. 3—The West Texas Hereford Association will hold its ninth annual auction sale here Friday, November 15. The sale which creates wide interest among the Hereford breeders of West Texas will take place in Sears Arena at Abilene's Fair Park. Breeders have committed 18 bulls and 28 females to the sale with the first animal scheduled to go under the hammer at 1:00 P. M.
Association members and visitors will be welcomed with a noon barbecue in the arena by the Agriculture and Livestock committee of the Abilene Chamber of Commerce.

Nancy Holmes SUGGESTS

HARVEST time offers such abundance of dance and variety of good food that it is difficult to choose one to spotlight just one. But that is what we're doing. Because homemakers so often pass by eggplant for their menus, we decided to give it a booster.

As a starter, Nancy Holmes, home economist of the Best Foods consumer kitchens, suggests Eggplant Jambolaya. So easy to prepare, yet so good to eat, you'll find yourself scurrying around for other imaginative ways to prepare this royal purple vegetable.

Eggplant Jambolaya
2 tablespoons 1 cup cooked or
vegetable oil sliced fresh
margarine
1 small onion, 1/4 teaspoon
finely chopped parsley
2 tablespoons 1 1/2 cups cooked
green pepper, 1/4 cup cooked
finely chopped shrimp, cooked
1/4 teaspoon salt and pepper
1 large eggplant 1 tablespoon lime
juice

Melt margarine in skillet; saute onion and green pepper slowly until slightly soft; sprinkle with salt and pepper. Wash eggplant; cut a lengthwise slice 1/4 inch thick from one side. Scoop out pulp to within 1/4 inch of skin. Cut pulp into 1-inch cubes and add to onion with tomatoes and paprika; simmer for 8 minutes. Add rice and shrimp, heat thoroughly, stirring occasionally. Fill eggplant shell with hot rice mixture; sprinkle with crumbs. Place in shallow baking dish covered with a moderately hot oven (375° F.) 30-35 minutes or until thoroughly heated. Yield: 6

Yes, it's a service bill today—it does your chores, cleans your home, cooks your meals, and gives you more time for "living."

BAKED APPLE DUMPLINGS
1-3 cup standard baking powder biscuit recipe or
1-2 cup standard pastry recipe
6 medium sized baking apples
3-4 cup firmly packed brown sugar
1 teaspoon cinnamon
1-3 cup chopped nuts
2 tablespoons lime juice
1 1-2 tablespoons butter

This series of five meetings will begin in Decatur on Monday, November 15th, followed on the next four days in Seymour, November 16th; Vernon, November 17th; Wellington November 18th, and Clarendon, November 19th. Inspection trips to farms on which conservation and soil building practices have been employed successfully are being planned in addition to the meetings which will be held in the afternoon at each place. Programs are in the hands of local committees who are planning a wide range of entertainment and activities for the 30-odd railroad, bank and newspaper representatives who will be in the official party and will attend each of the meetings for the purpose of instilling greater thought into the mind of every person who can be reached of the need for more and better conservation practices country-wide.

DOCTORS DISAGREE ABOUT ARTHRITIS!
Some claim it is incurable—yet sufferers who have tried RHEUMA-RUB tell us that this new liquid analgesic gives them wonderful relief from pain and discomfort. RHEUMA-RUB is a pleasant to use Alcoholic Rub that penetrates and stimulates sore aching muscles and joints, loosens stiff joints and gives welcome relief. And remember, you must find this RHEUMA-RUB gives more relief from pain of Arthritis, Lumbago and Rheumatism than any salve or ointment ever used—no more money refunded. A large bottle of RHEUMA-RUB costs only \$1.25 of your Druggist or of

SOIL CONSERVATION MEETINGS PLANNED
Final plans are shaping up rapidly for the third series of soil conservation meetings in the territory served by Fort Worth and Denver City and The Wichita Valley Railways, sponsored cooperatively by the Burlington Lines and The Second National Bank of Houston, in cooperation with local banks, U. S. Soil Con-

Apple Week Brings Dumpling Weather
It's apple dumpling weather and well it might be for Oct. 30 through Nov. 6 is National Apple Week, one of the easiest events to celebrate with your own homemade desserts. Dumplings are so delicious that they've been taken into the language as a term of affection. When a man calls his sweetheart his darling "dumpling," it's a compliment to a deli-

CARD OF THANKS
We take this method of thanking the people from the depths of our hearts for their words of consolation their kindness and the beautiful floral offerings at the re-interment of our darling who was killed in action in Germany, March 2, 1945. May God bless each and every one of you. Mr. and Mrs. J. O. Barrett Mrs. Lois Throckmorton Lavon Barrett

Delicious dessert just as much as it is to the sweet young thing so called. No fancy fare are apple dumplings. They're as homey as a rocker in an old fashioned kitchen and in as comforting Surely it was a sturdy, good-natured cook who first thought of concealing a whole core apple in a white coat of dough, folding the pastry over snugly before the oven trip. The results must have delighted the dauntless cook because apple dumplings are one of the most meltingly delicious of pastry desserts, a page term the book of the past that will be revived to applause from the whole family during National Apple Week.

Dumplings served hot from the oven "as is" are all that anyone could ask in a home-made dessert. But there are those who like their little extra touches, even with so delectable a dessert as apple dumplings. Some like to pass a hot lemon sauce to pour over dumplings, some speak for hard sauce to top this cheerful dessert, while others insist on cream heated and spiced to do right by dumplings. There are also two schools of thought about the dough that should enclose the delicious apple inside. Some prefer a pastry crust that is light and flaky. Some prefer a baking powder biscuit dough that is thicker, more substantial. It's a matter of family preference for both styles of apple dumplings are a delight. Get yourself some of the tart apples just right for dumplings that you'll find in the market now and choose which of these two styles of apple dumplings you'll make, or why not try both and see which your family prefers? Likely as not, it will be
