VOLUME 41

Whoa, Now!

Webster doesn't list the word "aginer" in his dictionary, but most of us know what such a person is and what he is out to do. The world is full of these people and it is most unfortunate that we have to have them and their evil influence cast upon us nearly every day.

Yes, Spur has its share of "aginers" and they are "aginer" nearly everything that is constructive for the community. Why? Who knows? Maybe it is selfishness, jealousy, or just plain downright meanness that makes them that way.

Usually this group is confined to a small number of men (and women) who don't like the way things are going because 1. They had nothing to do with the promotion of a constructive idea, 2. They are scared stiff that they will be called on to dig up some of that old rusty money (dollars that used to be dollars and are now worth only fifty cents), 3. They are scared that if the town grows, their taxes will increase (which is not true) and that competition in business will increase.

Too many times we hear comments about the different "Cliques" existing in Spur. Yes, some are good and some are not so good. It isn't fair to those concerned, in many instances, to be called "cliques." The "aginers" who sit back and yell about the "cliques" that running things often doing a great injustice to civic leaders. The fact that a small group of individuals are the ones that promote most of the civic projects doesn't mean that they have only selfish motives at heart. In Spur we are riding our "good horses" to death because they are willing to work and sacrifice time from their businesses to try and improve the local development projects. We would like to see some of our "aginers" and those who criticize the "cliques" get together and offer their services more and more. It can be done and may all derive more benefits if we are working as a team rather than as critical individuals. . . . Lets try it!

We sincerely appreciate all of our good civic workers and we know that they will continue to work as time goes by. We need more constructive criticism and more actual work from more people. . . . Then and only then can we really go places!

Harmony Club Sponsors 1950 Easter Cantata

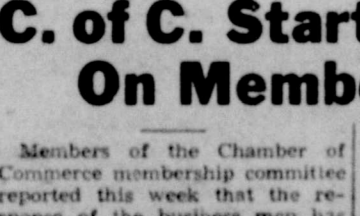

The Senior Harmony Club is sponsoring a Community Easter Cantata to be presented Wednesday evening 8 p. m. April 5th at the Baptist Church.

This Cantata is under the direction of Mrs. Sam Hawkes, and the piano accompanist is Mrs. W. T. Andrews. The title of the musical program is "The Risen King".

All churches will be invited to attend and various pastors will be on program. Singers for the musical program are from all churches. This will prove to be a most inspiring program. Plan to attend now. There will be no admission charged.

Mrs. Lulu Whitaker and nephew George Gabriel visited friends and relatives at Flomot over the past weekend.

CHILDREN OF SPUR AREA . . .

Left to right: Carlos, son of Mr. and Mrs. H. C. Byrd; Delores, daughter of Mr. and Mrs. Ray Carlisle; and Charlene, daughter of Mr. and Mrs. Lloyd Rudder.

C. of C. Starts Work On Membership Drive

Members of the Chamber of Commerce membership committee reported this week that the response of the business men has been "very good." The Chamber started its membership drive this week by personally calling on the business men.

OIL NEWS... KENT COUNTY WILDCAT NEAR CLAIREMONT HITS PAY TUESDAY

The Caroline Hunt Trust No. 1 Young well, located one mile from Clairemont in Kent County was treated with 1000 gallons of mud "held" early this week and kicked off to flow an estimated 20 to 30 barrels per hour into tanks.

On other Kent county wells, the following data was reported last Wednesday:

General Crude-Percy Jones, running pipe at 6740, total depth 6752. Man a drill stem test at this point. Gas to surface in 2 1/2 minutes, mud in 11 minutes and oil in 12 minutes. The tool was open 45 minutes. 600 pounds flowing pressure was reported.

Ted Wiener-No. 1 Karkiker, Sur. 87, Block G, was drilling at 1575 in lime and chert.

Hiser No. 1 Atkins Lowman, drilling at 6692 in shale.

Parnsall-No. 1 R. L. Spires, Sur. 22 Block 4 is drilling below 6308.

Hunt No. 1 Girard Trust, Sur. 98, Block 1 is fishing for lost bit at 7300.

The Ted Wiener-Sohio-Glasco-No. 1 Swenson, Sur. 17 Block 2 Kent set surface pipe at 1686 and is drilling ahead.

Glasco-Spartan Drilling Co. No. 1 Emery, Sur. 29 Block 2, Kent is clearing location and moving in rig.

Variety Show On To-Night

The long awaited VARIETY SHOW is on to-night at the Primary Auditorium at 8 p. m. There will be top entertainment for the young and old. The stage band will specialize in popular music both sweet and jazz.

The business firms are sponsoring a style show of the latest fashions for Spring. Come and see the latest thing for Spring and Summer.

Get your tickets from any member of the Junior Harmony Club, they are only 50 cents and 25 cents for this wonderful talented show.

Methodists To Have Revival April 9 Thru 16

The First Methodist Church is arranging to have a revival meeting to begin Easter Sunday, April 9, and run through Sunday, April 16th. According to the pastor Rev. Cal C. Wright, Rev. J. H. Crawford, the Stamford District Superintendent, will bring the sermons, and Mr. Stanley Seaton, a Senior in McMurry College, will conduct the song services and will lead the young people's work. The services will be at 7:30 a. m. and 7:30 p. m. daily.

Mr. Seaton was one of the entertainers at the recent High School Senior Class banquet, and made a good impression as an impersonator of Al Jolson and as a magician.

On good Friday of next week, April 7, Rev. Wright will conduct the Crucifixion Services, speaking on the Seven Last Words from the Cross, from 3 o'clock p. m. to 6 o'clock. On the afternoon of Con't On Page Five

Spur Ropers Rope Wednesday

After having been "rained out" last Sunday, the Spur Roping Club held roping Wednesday night under the lights.

The first tiedown jackpot was won by John Moore with a time of 20.3 seconds. Olney Walker placed second with 23.2 and Gerald Fincher third with 28.

The second tiedown jackpot found Odell Blackwell with low time of 18.3 and Olney Walker with 19.8 and John Moore with 20.7.

Odell Blackwell was Ribbon Roping Winner with 11.6 seconds and John Moore and Gusie Dean Fincher followed with 12.3 and 13.4 respectively.

The ropers will again convene Sunday afternoon at 2:00 p. m. Everyone is invited to attend the Sunday afternoon session.

Former Dist. Clerk Intends Candidacy

Mrs. Nettie Littlefield announced this week that in the event the county of Dickens shows a population of over 6,000 in the 1950 census, she will be a candidate for the office of District Clerk of Dickens County.

The District Clerk's office will be separated from that of the County Clerk in the event the county census exceeds 6,000.

Mrs. Littlefield was in office at the time the two offices were combined in 1940.

Fat Stock Show Committee Names Chairmen For Boys Clubs Show

The Dickens County Livestock Show committee met Thursday night, March 23, at 8:30 p. m. in the High School Agricultural building to make further plans for the annual Dickens County 4-H and FFA Fat Stock Show to be held on April 15, 1950.

Those present for the meeting were O. M. McGinty, chairman, D. C. McAteer, vice chairman, Charles Taylor, secretary, E. S. Lee, treasurer, Lynn Futch, reporter, C. E. Fischer, general superintendent of the show, Paul Marion, Joe Matlock, Paul Sweett, Johnnie Koonsman, Forrest Raglan, and C. F. Cook.

E. S. Lee reported to the group that both Rickels and Reagan Motor companies have agreed to make their Used Car lots available again this year as the site for the show.

C. E. Fischer reported that J. H. Baumgardner, professor of Animal Husbandry at Texas Tech has been secured to judge the Dairy cattle, fat calf, and swine divisions. W. W. Gregory, coordinator of the Dickens County Vocational School, will judge the sheep, and Robert McAteer will judge the riding horse division.

The committee voted to make all premiums and awards for this year the same as they were for the 1949 Fat Stock Show.

The following persons were selected to have charge of the different divisions and events of the show:

1. Dairy cattle and Fat Calf Divisions: Supt. Paul Marion, assistants, Joe Matlock, Paul Sweett, and Forrest Raglan.
2. Swine Division: Supt. David C. McAteer, assistant Charles Taylor, Lynn Futch, Kenneth Dopson.
3. Riding Horse Division: Supt. Johnnie Koonsman, assistants Horace Cage, Rob Simmons, Clark Forbis.
4. Parade Committee: Johnnie Koonsman, Chairman.
5. Announcers: Olin and Eric Swenson.
6. Premiums and awards: M. L. Rickels, Bruce Browning, and L. B. Hamilton.
7. Securing finances for show: Jack Godfrey, Chairman.
It was announced that any business or organization in Dickens County that wishes to enter a float in the parade is invited and welcome to do so. According to present plans, the Spur High Band will participate in the parade.

First Name Called Receives A-Day Gift

Miss Bessie Ubanks received certificates for \$31.00 from the Appreciation Day Merchants at the Wednesday meeting at 3:00. Miss Ubanks was the first name called.

The meeting was held at the City Bakery with James Culbert in charge. The treasure chest contained \$310.00.

Next week's meeting will be held at the Godfrey Furniture and Appliance Co. with a pot of \$330.00.

School Trustee Elections Saturday

Voters in each School District of Dickens County will go to the polls Saturday, April 1, to elect both district and county trustees. District elections are scheduled in Precincts 3 and 4.

Voters of Spur will vote at the City Bakery for two trustees. At present, Raymond Haginbotham and Horace Wood are the only candidates for these two posts.

The Spur polls will be open from 8:00 a. m. to 6:00 p. m. A. Z. Hays as election judge.

The voting for county board members in precinct 4 will be at the following places: Wichita voting precinct, Ray Fincham Store with Pete Jones as election judge, Croton voting precinct at the community house with Charlie Gage as election judge.

In precinct 3, voting will take place at the Dry Lake school house and the City Hall in Spur. Raymond Powell is the only candidate for the county trustee post from precinct 3.

STUDENTS ENTER LITERARY EVENTS AND SPEECH PLAY AT FLOYDADA

The literary events to be entered by both Junior High and High School students will be at Floydada, Friday, March 31st.

The students were eliminated to a first and second winner of the girls and boys from the Junior High group Tuesday night by a group of judges. They were Carolyn Kelley, 1st, and Kathleen Hickey, 2nd for the Jr. High girls; and Don McGinty, 1st and Bruce Long, 2nd.

The Junior Declamation group of High School was also eliminated and girls and boys winners were Jean Barclay, 1st, Mazelle Dement, 2nd, Jackie Claude, 1st, and Pat Young, 2nd.

The Senior Declamation of High School will be represented by Marie Caldwell and Don Thompson. Arlene Wilson will represent Spur High in the Extempore speaking.

It is believed that these students from the Junior and Senior Declamation and Extempore speaking have a very good chance to go all the way to State.

The one act speech play will be presented at Floydada April 6th. The group recently put it on for a number of local critics and the results were very encouraging.

The four High School students in the play it is under the careful direction of Miss Dorothy Taylor. This play will be presented entirely from memory and there will be no prompting at all. These are part of the rules of the One Act play contest.

Committee Wants Baldwin Grand

Last week the B. E. Adair Music Company brought a spinet piano to the Primary School Auditorium. The Piano Committee decided that this piano was inadequate for the auditorium, but bought it for the school, on the condition that if more money could be raised in 10 days the music company would bring a grand and exchange it for the one purchased plus the difference in price.

The following contributions have been made this week on the condition that if the Grand is not purchased the money contributed will be refunded.

Penn Shugart, \$10.00
West Texas Utilities \$5.00
C & W Electric \$1.00
Spur Laundry \$2.50
Patton Grocery \$1.00
Mrs. J. C. McNeill III \$5.00
R. A. Gilcrease \$1.00
W. W. Fox \$1.00
O. P. Meador and Son \$1.00
R. T. Gibson \$1.00
Tang Smith \$1.00

Huge Department Store, \$2.00
Horace Wood \$3.50
City Laundry \$3.00
Larry Boothe \$2.00
W. T. Andrews \$3.00
Rye Electric \$1.00
Sam Hawkes \$5.00
Mrs. J. I. Merom \$1.00
Mrs. Osa George \$1.00

Those who formerly contributed and have added to their contributions are:
W. F. Gilbert \$5.00
J. E. Berry \$5.00
Margaret Gabriel \$5.00
Dr. Callan \$5.00

There is still a deficit of \$300 if the Grand is to be purchased.

Spur Club Boys Attend Lubbock Livestock Show

Several members of the Spur FFA chapter attended the recent Lubbock Fat Stock Show at Lubbock.

Those attending were T. A. Johnson, Bill Fitch, Neil Love, Douglas McArthur, Don Hill, Laverne Wilson, Dean Watson, Don Hindman, Charlie Watson, David Cagle, Herbert Robinson, Jackson Powell and Hershel Wade.

The boys were present for the judging of the Beef cattle and Fat Lambs, and also observed some of the sifting of the swine in the show.

The following members also exhibited livestock in the show which were sold after being exhibited: Bill Fry, 1 steer calf, sold for 33c a pound, T. A. Johnson, 1 steer calf, sold for 30c a pound, Douglas McArthur, 1 steer calf, sold for 28c a pound, Neil Love, 2 Duroc Barrows, sold for 18c and 18 1/2c a pound.

Mr. and Mrs. L. R. Barrett, Mrs. Rachel Simmons, and Jamie Simmons spent a few days in Dallas where they visited friends and relatives. They returned to Spur Tuesday.

Mrs. Oia Miller spent the weekend with her sister Mr. and Mrs. Dock Slaton of Abilene. She returned to Spur the first of this week.

Joe Max Barclay sophomore at Texas Tech visited with his dad, Claude Barclay Sunday. He returned to Lubbock Sunday night.

Mrs. Stella Morrow visited Bobbie Dean Morrow at Wayland last weekend. She returned to Spur the first of the week.

Funeral Services Held For John E. Bachman

Funeral services were held for John E. Bachman, Monday, March 27 at 2:30 p. m. in the DeLeon Church of Christ with Rev. Willis G. Jernigan of Spur officiating the services.

Mr. Bachman was born June 19, 1899 at Proctor, Texas. He married Mayme Hulsey May 7, 1924 in Comanche, Texas and three years later in August they moved to Dickens county where they were presently living. One small daughter predeceased him in death on March 13, 1927.

Spur Fire Department, Guests Enjoy Barbecued Chicken

Members of the Spur Volunteer Fire Department entertained their wives and other guests with a chicken barbecue at the fire house last Friday night, March 24.

A complete barbecue menu of chicken, beans, potato salad, ice cream and coffee, was served to approximately fifty persons.

Among the guests of the fire boys were Mayor Ned Hogan, City Manager James Cowan, Mr. and Mrs. Olan Arthur and their granddaughter, Miss Kay Caraway, W. R. Weaver, and the fire department's mascot and his date, Joe Bell and Gayle Reese.

Mayor Hogan gave the invocation and Fireman Fred Kinney acted as Master of Ceremonies. Mrs. L. R. Barrett was introduced as the "Mother of the Fire Department." Mrs. Barrett's husband is a retired fireman and her two sons are now firemen.

Mr. Arthur prepared the barbecue and Mr. Weaver furnished, cooked and served the beans. The ice cream for the event was donated by Fireman Dillard Williams.

Bandit and Roberta To Be Presented

The Seniors of Spur High School announce the production and the casting of the play "The Bandit and Roberta", which will be presented May 4, at the Primary Auditorium at 8 p. m.

The cast is as follows: Roberta Leonis, the girl at the Jan. Bopper Walsworth.

Joseph Doaks, the boy of all work, Charles Lee.

Anthony Denton (Tony), a young Ne'-do-well, Ben Black, Byron McGee, athletic trainer, Duane Durham.

Rufus Denton, Anthony's harassed father, John E. Berry.

Willie Bangs (Willie) a desperate young man, Wayne Smith.

Algernon Carlisle, a prospective bridegroom, Don Thompson.

Abners Stiles, an amateur sheriff, Darvin Callihan.

Census Takers Ready; Cooperation Asked

L. M. Huff, Jr., Census Bureau Area Supervisor for Dickens and King Counties, announced this week that the enumerators are now undergoing their training and will be prepared to start the enumeration April 1 as scheduled.

Huff has prepared and submitted the following letter to the people of his territory and is anxious to obtain the co-operation of every family. TO THE PEOPLE OF DICKENS AND KING COUNTIES:

The 1950 Census is one of the biggest jobs the Government has to undertake. Therefore, it behooves us all to help in getting this job completed at the earliest possible date and above all to secure the accurate information which is needed by the Government.

We would like to impress on the minds of the people that the 1950 Census is for their benefit, for each farm, city and community. The Government is interested in the improvements in the last ten years on farms, land and housing conditions. Your own local bureau are interested in the recent developments in farming and from this information that will be gathered by the Census enumerator, they can compare the new developments that have taken place.

There are 334 questions that will have to be answered this year on the Agricultural questionnaire, each of these questions which you will be asked by the Enumerator is extremely important to you and your community. May we urge your utmost attention to the importance of the questionnaire which will be taken on your farm or business.

Some of the questions which you can help in answering by having the information ready when the enumerator calls on you are:

(1) How much land do you own and how much do you rent?
(2) How much Corn, Sorghum, Small Grains, Hay, Alfalfa, Cotton, Potatoes and other crops

Several members of the Spur FFA chapter attended the recent Lubbock Fat Stock Show at Lubbock.

Funeral services were held for John E. Bachman, Monday, March 27 at 2:30 p. m. in the DeLeon Church of Christ with Rev. Willis G. Jernigan of Spur officiating the services.

Piggly Wiggly Fire Causes Damage

Fire did considerable damage to the rear of Piggly Wiggly grocery store in Spur last Sunday afternoon. Cal Murray, owner, estimated the damage as about \$1,500.00 to both the building and to merchandise and fixtures.

The fire started as the result of blowing burning trash from the alley behind the store. Herman Smith, butcher, was in the store at the time the fire started and turned in the alarm. It is reported that had Smith not been there, the damage would have been extensive and possibly would have destroyed other buildings in the block.

Murray states that the store is open for business and that he and his employees will continue to serve their customers in a satisfactory manner. The damage is completely covered by insurance, states Murray.

Duck Creek Soil Conservation District News Notes

O. M. McGinty, Chairman
Giles McCrary, Secretary
Clay Forbis, Secretary
Chas. Witt

Higgins group has completed a new terrace system. Gruben's terrace consisted of 8 miles of level ridge type terraces. A. C. Sharp has recently finished construction on 9 miles of new terraces in his place in Espuela group. Jesse J. Powell, Jr., also in Espuela group, has built about 2 miles of new terraces on his farm. Harold Hardy has finished 3.5 mile of new terraces on his place in Escarpment group.

A number of cooperators have been doing maintenance work on their terrace systems this past month. Mrs. B. F. Spradlin and E. W. Clark in North Little Duck group have had their terraces built up with an elevating grader machine.

Neal A. Chastain has constructed a couple of spreader dams across a waterway on his farm in Soldier's Mound group. Cooperator L. C. Halle has completed a 3 mile terrace system on his farm in water tower group. Halle's soil and water conservation plan for the 80 acre farm also includes contour farming, crop residue management and cover cropping. Alfalfa will be sown on 18 acres of the farm which are sub irrigated. This land has been planted to spring oats to provide a cover for the alfalfa seeding which will be made in the fall.

Cooperator W. C. Gruben in

Patton Spings Church Among "Firsts" In Dickens County

The following is a series of articles on "County History", taken from the files of the Texas Spur. These articles appeared in the Historical-Centennial Edition of the Texas Spur on March 12, 1936. They are actual "firsts" in the growth and settlement of Dickens County.

Espeula was the first county seat of Dickens County, and the first cemetery was at that point also. The first person buried there was a man by the name of Combs, the father-in-law of W. W. Stegall.

The first sermon ever preached in Dickens County was at Espeula in 1878 by Rev. J. H. Steg-

all who lived in a dugout on the west side of Duck Creek within 300 to 400 yard of the town of Espeula. In the early days Espeula was called Dickens.

The first church organized in Dickens County was a Baptist Church at Patton Springs in the fall of 1888 and the first persons baptised in Dickens County were

J. A. Askins his daughter Mrs. Brock, and Mrs. Sarah E. Allen at Patton Springs the fall of '88. Perhaps the first rock house built in Dickens County was by W. C. Dockum in 1878 on the South bank of Rock House Creek. In 1884, this house was torn down by W. R. Stamford and H. P. Cole, and the rock was used in the construction of the still existing Spring House at the old Spur Ranch Headquarters.

The first public school in Dickens County was in a dugout at the old town of Espeula, about 1881, and was taught by Mrs. L. G. Garrett. The private school in Dickens County was at the Joe Browning place. A man by the name of Jim Lane was engaged to teach the Browning children and the Pepper children. Perhaps the first school of any size held in Dickens County was about 1881. The teacher was Miss Lizzie Blaine, a cousin of Governor Browning.

On upper Duck Creek on the Browning Ranch owned by J. P. Goen, the pecan trees were supposed to have sprouted from nuts left by the Indians who camped there. The first cotton gin was that

of the Spur Company at Espeula, one half mile south of the old store on the bank of Duck Creek. This was in 1891. It was operated by horse power and fed by hand power.

The first law suit in Dickens County was tried at the Dockum Store on the head of Dockum Creek. The suit was brought by E. Luce, against a man by the name of Keltner for trespass of Try Title. It is said that the jury brought a verdict that "E. Luce was a fool for endeavoring to hold the land, and that Keltner was a fool for endeavoring to claim it." The case was tried before "Shifty" Wilkerson, Justice of the Peace, and a brother of John O. Wilkerson. The case was transferred to Estacado in Crosby County and it is said that Keltner ultimately won the suit.

4-H'ers Due To Break '49 Records

Based on the increasing popularity of the National 4-H Poultry Achievement program, 4-H'ers should top their 1948 record of raising a total of 8,000,000 chickens, turkeys, ducks and geese. Likewise the enrollment figure is expected to pass the 150,000 mark reached in 1949.

County Extension Agents and local 4-H Club leaders work with the youth, instructing them in newest methods and approved practices used in poultry and egg production. Members are encouraged to carry out the six main objectives of the program which briefly are: learn the place of poultry in the economy of the farm; acquire skill in poultry raising; assist in production of eggs and fowl to provide adequate supplies for food; appreciate the nutritive value of eggs; learn to grade and market poultry products; study scientific developments and apply the knowledge to home flock production.

The 4-H'ers carefully keep records showing production of birds and egg, and also general achievements in other phases of Club work. At the end of the year these records are judged for special honors which will again be provided by Dearborn Motors, program sponsor.

Five sterling silver medals will be presented to winners in each county; a trip to the National 4-H Club Congress in Chicago for the state winner; and college scholarships of \$300 each to the 19 national champions.

The program is under the direction of the Cooperative Extension Service.

Ten pounds of 40 percent wettable toxaphene or eight pounds of 50 percent wettable DDT in 100 gallons of water used as a spray will protect cattle for a period of 29 to 45 days.

Some 200 entries involving 20,000 baby chicks have been received in the 1950 Texas Chicken-of-Tomorrow Program.

Spring weather causes fishing fever. A crowd from around here including Lloyd Hindman went

YOU MEET SUCH INTERESTING PEOPLE

By Robt. K. Christenberry
President of the famous Hotel Astor

There is no doubt that study, training, apprenticeship and hard work are the means to success. But sometimes the quirks of fate so devise matters that a career might readily depend on a suit, a hat, or a pair of stockings.

Take the career of Walter Pidgeon as an instance. A new suit of clothes nearly cost him his big chance. Walter was testing for his first part and it was so important to him that he sank his last dollar on a new suit. When he arrived on the set, he was sure the new suit would help impress the assistant director. The assistant took one look and said, "Go home and change your suit."

Walter's heart sank, "What's the matter with the suit?" he demanded. The assistant looked bored. "It's a fine suit," he said in a tired voice. "If you want to sell it, I'll buy it. But you can't wear it for this test."

Walter was perspiring. "But I don't want to sell it, I just want to wear it," he protested. Finally, the director got in on the conversation. Extras gathered to enjoy Walter's discomfort. The director was polite but firm. "Go home and put on any other suit you like," he said, "but you can't wear that one because the star of the picture is wearing one exactly like it." Just then someone said, "Wait a minute," and a dressing-room door opened. Clark Gable, the star of the picture, came out wearing an entirely different outfit. He had overheard the conversation, guessed what the suit had meant to Walter, and as a result had changed his own clothes. Walter has since become a star in his own right, but has always remembered Gable's helping hand.

Susan Hayward never did know quite how it happened to her. She was 17 at the time and up to then, the going had been rough. From modeling in New York, she had gone to Hollywood for a screen test as Scarlett O'Hara in "Gone With the Wind."

But the big brass looked and said, "Too young, too inexperienced." So Susan had gone home to her match-box bungalow on a dismal Hollywood side street. For weeks she lived on the sparse diet of corn flakes.

Then it happened. One minute she was riding along on a bicycle. The next minute she was in a heap on the hard cement. The damage was a pair of hose and two slightly pained knees.

A man ran out of the house and helped her to her feet. He looked at her closely, asked her a few questions and then offered her a screen test. He was a talent scout. Three days later, Warner Brothers signed her and she was on the road to stardom.

There is a torn pair of hose Susan treasures as a keepsake, for it reminds her of a very fortunate bicycle fall she once had.

One of the author's favorite guests is Roy Rogers.

Roy wears a famous 10-gallon white hat. Few people know the role that this hat played in Roy's career. As a youngster, Roy drove a truck and organized several cowboy bands. Not too successful at either enterprise, Roy finally decided to become a real cowboy. He got a job on a ranch where he learned to rope, ride and tie. While on the job here, he bought his famous 10-gallon white hat.

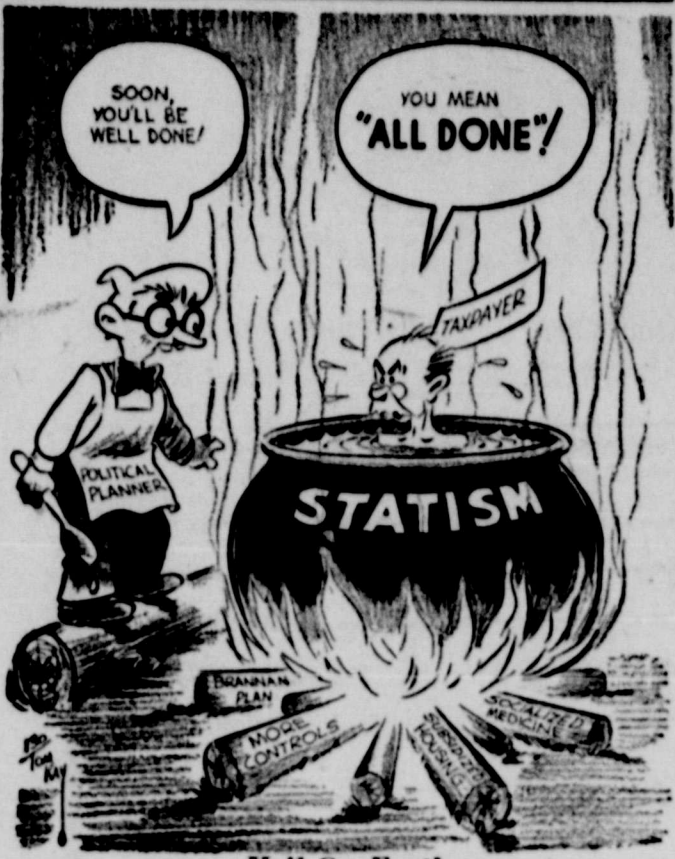

Later, he became a guide for tourists at the Grand Canyon where he took a great pride in his hat because the tourists liked it. Having saved enough money, he went to Los Angeles where he assembled a cowboy band. To his surprise, Roy began to eat regularly—but most of all to "keep my hat trim" as he says. That's how he got his chance at the movies.

One day he called for his hat at the cleaners just as an out-of-breath man in cowboy boots clumped in and yelled, "They're casting at Republic—I need a hat!" That was enough for Roy. He snatched up his clean white 10-gallon hat and vanished toward the studio. He wormed his way past the guards using his hat as a prop and pretending to be an old-timer.

In an audition, he won a contract and has since become a national cowboy idol. Roy still wears the same hat—and it fits. Because Rogers still wears the same sized head.

Now, if you're looking for a career, you may find a turn of fate in your favor—perhaps a hat, a suit, or a pair of hose. But you'd be a lot better off not to forget that it takes a lot of hard work too.

THE AMERICAN WAY

Hell On Earth

HEALTH NOTES

Austin, Texas, March 30, 1950. The Texas State Department of Health's program of teaching food handlers sanitary methods of preparing and serving food continues to be very popular, according to Dr. Geo. W. Cox, State Health Officer. It is one method of attack on that great group of respiratory diseases which include influenza, scarlet fever, measles, whooping cough and the common cold, the viruses of which are spread from person to person by the excretions of the nose and mouth.

Restaurant sanitation programs have become more necessary because of changes which have taken place in our national eating habits. Once upon a time it was

customary for most people in Texas and in the U. S. A. to eat three meals a day at their own table. To "eat out" was an unusual and exciting event. Now, all the family, including the baby, eat out.

In this constant mingling of people to eat and drink there exists a vast and complicated arrangement perfectly designed for exchange of saliva via cups, glasses, spoons, forks, and fingers that go in and out millions of mouths. There are few hours in the day in any community when these vectors of respiratory and other diseases are not busy.

The prime purpose of restaurant sanitation is to have all dishes and utensils sterilized and to have all those who handle or serve food understand and practice restaurant sanitation every day and all the time.

The public in every community needs to be concerned about cleanliness of its public eating places. You can help by demanding cleanliness in the places you eat.

 Ph. 12 Spur, Texas

in order to acquaint graduating high school students with life on a college campus," Prof. W. C. Ribble, faculty chairman of the program said. "All training and recreational facilities of the University will be open for their inspection."

Visitors will be conducted on tours through the various departments and schools of the University and will be given the opportunity to view exhibits prepared by the campus organizations and units. Dormitories will also be opened to visitors during

the day.

Dr. Otto O. Watts, head of the science department, has announced that his department will make experiments for the students. The art department will display some of its work that has won acclaim in recent art exhibits. The heads of other departments will be on hand to meet the visitors. There will be free copies of The Brand, student newspaper, available.

The format program will include a welcome by President Rupert N. Richardson, music by the Cowgirl and Cowboy bands, a short

drama by the University Players club and the barbecue.

G-Day Proclaimed By American Legion

The week of April 16 has been set aside by the American Legion for a nation-wide strategic revival to the end that all Americans be urged to "Go to Church," "Teach Children Religion," "Re-

affirm Their Faith in God" and "Pray for Peace."

The American Legion's motto "For God and Country" is to be emphasized in this movement. Legionnaires realize that Divine guidance is sorely needed and should be sought in facing the perplexing problems that now beset all peoples and their leaders in both national and international spheres.

National Commander George N. Craig and Department Commander Joe Spurlock have called upon the 17,398 Posts of the American

Legion and their 13,427 Auxiliary units to take the initiative in this nation-wide movement to bring America closer to God, with especial emphasis of a united endeavor to make religion the guiding factor in our daily decisions.

Major Horace H. Shelton, Chaplain of the Department of Texas, has been named by National Chaplain Edward J. Carney to urge the activation of the program in all Texas communities.

"We need to appeal for Divine guidance as never before," Chaplain Shelton said: "Our first ar-

gument must be spiritual. Victories are never won by men and women of little faith. We must have a mighty and continuing faith in God as the firm basis of our national unity."

"To make the movement the success it deserves the Legion welcomes the leadership of all churches, of all educators and of all civic groups and all God-fearing citizens who believe as does the Legion, that God is our strongest ally in the fight to preserve peace and prevent the catastrophe of atomic warfare."

Society-Club News

Brownie Troop Elects Reporter

The Brownies of Troop 4 met in the home of their leader, Mrs. Dale Young, Monday March 27 at 4 o'clock, for their regular meeting.

At a business session the group elected Barbara Nell Foreman reporter for the Troop. Other business was that each girl was given tickets to sell for the Magician show which the Girl Scouts are sponsoring, Friday March 31.

Brownie members present were Beverly Alexander, Shirley Perry, Omalee Garner, Carl June Marcy, Roselle Marcy, Mary Ann Gregory, Rita Joyce Williams, and Barbara Nell Foreman.

Baptist Work Is Discussed By Circle

The Eloise Cauthen Circle of the First Baptist Church met in the home of Mrs. Leon Huff March 27 at 3 p.m. for their reg-

ular meeting. A brief business session was presided over by Mrs. E. H. Carpenter, president. The afternoon program topic was a questionnaire on "Southern Baptist Work." This questionnaire was conducted by Mrs. Grady Lackey.

Refreshments of iced cokes were served to Mesdames, Walter Johnson, Elmer Hagins, Owen Jones, E. H. Carpenter, Hunter Wilson, Tommie Springer, L. C. Moffett, C. Melvin Rathel, E. E. Caudle, Franklin Patrick, W. B. Steele, Grady Lackey, C. P. Scudder, and hostess Leon Huff.

"Prayer" Topic For Lockett Circle

The Lockett Circle of the First Baptist Church met in the home of Mrs. E. L. Smith Monday March 27 for their regular meeting.

Mrs. Henry Gruben had charge of the afternoon program which was on "Prayer." The closing prayers were given by Mrs. Cal Martin, Mrs. H. L. Burnam, and Mrs. J. A. Marsh.

Those present were Mesdames,

Henry Gruben, L. W. Langston, J. A. Marsh, Cal Martin, J. E. Berry, L. C. Ponder, H. L. Burnam, and hostess E. L. Smith.

Pink-Blue Shower Fetes Mrs. Cutbirth

Mrs. Bob Cutbirth was feted with a "Pink and Blue" shower Wednesday March 22 from 2:30 p.m. to 5:30 p.m. in the home of Mrs. A. L. Foreman.

The dining room table was decorated with a miniature nursery scene and centered with a large white stork.

Guests were registered in the baby book, a gift from Mrs. Ernest Kearney. Co-hostesses Joe Jeffers, Dalton Lebew, Ernest Kearney, and A. L. Foreman.

Refreshments of hot Russian tea, nut bread sandwiches, and nuts were served to the guests who called. Plate favors were tiny rubber dolls.

"Phosta Kovich" Life Topic Harmony Club

The Senior Harmony Club met Tuesday March 28 at 7:45 p.m. in the home of Mrs. Lester Eng-

MISS JEWEL MARCY WEDS J. A. POE IN DOUBLE RING CEREMONY FRIDAY

Miss Jewel Marcy, daughter of Mr. and Mrs. Homer A. Marcy, Sr. became the bride of James Albert Poe, son of Mr. and Mrs. E. A. Poe of Solomon, Kansas, Friday March 24 at 5 p.m. in the home of Leonard Wilson, Sr.

Rev. Leo Vaughn pastor of the First Baptist Church of Girard officiated the double ring ceremony with the couple standing before an altar formed by large baskets of gladioli. Traditional wedding marches were provided by Mrs. Edith Williams of Brady, Texas, a sister to the bride.

The bride who was given in marriage by her father, was attired in a grey wool street length suit with white accessories and a red rosebud corsage.

Mrs. H. A. Marcy, Jr. matron of honor wore a grey suit with a red carnation corsage. Mr. V. H. Wright served the groom as best man.

Immediately following the ceremony a reception was held. The bride's table was laid with a white lace table cloth and centered with a three tiered wedding cake topped with a miniature bride and groom. Cake and punch were served by Mrs. Al Marcy and Mrs. Lee Vaughn to the guests.

Following the honeymoon in New Mexico the couple will make

Mrs. W. F. Godfrey, presided over the meeting. The program was given by Mrs. Fred Halle. She gave a sketch of the life of "Phosta Kovich." Musical selection "Pavane" by Ravel was played by Mrs. J. W. Henry.

Following the program Mrs. Sam Hawkes directed the rehearsals for the Easter Cantata to be given April 5th.

A refreshment plate of coconut cake, strawberry whip, and tea was served to Mesdames, Dean Duffie, H. W. Durham, J. W. McDaniel, Melvin King, George Gabriel, W. F. Gilbert, Fred Halle, Hazel Young, W. F. Godfrey, Sam Hawkes, J. W. Henry, Misses Julia Hickman and Faye Middlebrooks, and co-hostesses, Lester English and C. Melvin Rathel.

C. Payne, W. F. Gilbert, and C. H. McCully.

Local Couple Wed At Girard

Miss Delma Joyce Hagins daughter of Mrs. Emma Hagins, became the bride of William G. Moore son of Mrs. Nobby Pierce Saturday March 18 at 8 p.m. in the Baptist parsonage at Girard. Rev. Lee Holla officiated the ceremony.

Miss Hagins wore a street length navy crepe dress with white accessories and a white gardenia corsage.

Miss Billie Joe Jenkins of Girard and Charlie Kimmel Jr. also of Girard served the bride and groom as attendants.

The couple will make their home in Dobbins Apartments. The groom is presently employed with the REA here.

"BANDIT AND ROBERTA" Can't From Page One

Dorcas Peters, hostess of the "Dew Drop Inn", Gladys Wade Millicent Horbrook, a prospective bride, Betty Baker, Essie Atkins, waitress from the Bixby House, Pinnie Dupree, Paula Carlisle, Aegremon's sister, Dorothy Perkins.

Mistress Sophia Horbrook, Coquette Thompson.

The play is a farce comedy in 3 acts which will take place entirely in the Dew Drop Inn. As you can see by the characters that this is a must on your calendar, mark it now, May 4. Admission 50 cents and 25 cents.

Roaring Springs Revival Closes

George E. Darling closed a meeting for the church of Christ at Roaring Springs last Sunday night. Bro. Darling presented the truth in an unusually plain and effective manner.

There were twelve responses—seven baptisms, one restoration, and four to place membership.

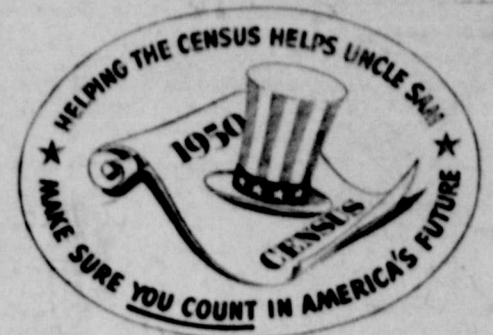

The singing was unusually good too, with Loyd Wamaek of Spur directing. Folks attended from Matador, Afton, McAdoo, Spur, Paducah and other towns. The church has been immeasurably benefited.

WCS Ladies Have Meeting

The ladies of the WS of CS of the First Methodist Church met in the Roundup Monday March 27 at 3 p.m. for their regular meeting.

A brief business session was presided over by Mrs. J. C. Payne. Mrs. W. F. Gilbert concluded the study of "Mission at the Grass Roots" after which Mrs. C. H. McCully read the scripture from the 1st chapter of Corinthians.

Those attending the meeting were Mesdames, Eric Foster, R. L. Walker, J. A. Koon, M. A. Lea, P. E. Gollhar, Tom Johnston, J.

Dry Lake Neighborhood Ranks Among Highest In 1949 Contest

We were surprised but overjoyed to hear that we were one of the high ranking neighborhoods in the Improvement Contest for 1949.

Several of the neighbors met at the school house ready to welcome the Judges on Thursday, March 23 at 1:30 p.m. when they were expected to arrive.

About that time up drove the two cars bringing Mr. T. C. Richardson of the Farmer Stockman of Dallas, Texas; Miss Rankin a co-editor of the Farmer Stockman of Okla. City; Mr. Bates from A. & M. Extension Service of College Station; and Mrs. Loe from A. & M. Extension Service also of College Station these were the judges. Other guests were Mr. Scofield, District Agent of Ver-

non and Mr. Taylor, County Agent for Dickens.

Following introductions and words of welcome we began our tour. Beginning at the school. Points of interest such as neighborhood programs and get-togethers were discussed.

Next we went to the Baptist church telling about the Church and progress of our Homecoming program and about its turn out.

From here we went to Mr. Pickens talking about the way about our terraces and how they help to hold the water and about fence rows being cleared and the driveways being graveled. At Mrs. Pickens we talked about her yard and her improved home. Also took a picture of her chucheted bedspread.

We then journeyed to Archer Powell's place and here we demonstrated the electrical appliances. From there we went to Bob Hahn's where we saw his much improved water supply.

We also talked about the eradication of mosquitoes, the painting of mailboxes and the planting of vines and vetch on some land rolling and sandy to help hold the land. Pointing out Jay Austus diversion dams and water catching devices. After seeing the fine improvement on Foreman Chapel we turned south stopping at Community marker to take a picture.

We continued on to Mr. and Mrs. Lasseter demonstrating yard and chickens.

Following the pruning of some trees we started for the Dopson's place. We took pictures of Donald with his calves and hogs.

We continued to the Gordon place where we inspected the cellar, and saw Mr. Gordon's new baby chicks. We talked of the

land terraces and cotton crops.

At the Hindmans house Mrs. Hindman displayed her kitchen and various pictures were taken of her in the kitchen at work.

We returned to the school house where coffee and doughnuts were served to T. C. Richardson, Mr. Bates, Miss Rankin, Mrs. Loe, Mr. Scofield, Mr. Taylor, Mr. Dopson, Jay Austin, Mrs. Gordon, Mrs. Hindman, Mr. and Mrs. E. J. Lasseter, Mr. and Mrs. Reed, Mr. Ballard and Mrs. Hotelco.

Mrs. White Moore Story Teller; Speech Students Guests

On Saturday March 25, the Story Hour at the County Library was well attended. The big surprise was the characterizations presented by the Speech class from Junior High School. "Cinderella" and the "Three Billy Goats" appeared and moved around before an appreciative audience of boys and girls.

The plays were presented in

antoinette as a reader delivered the stories. Vera Curby read "Cinderella"; Connie Garcia, The Prince; Betty Sue Dyeas and Wilma Kimmel as Cinderella's sisters; Van Cash and Tommy Hightower as excitors and George Anna Robinson as the Fairy Godmother. The audience became very excited when the red glass slipper was lost.

Wanda Cunningham read "The Three Billy Goats" while Alice Joe Cranket, Carolyn Kelley and Lois Dunwoody, Duffy Jean Austin and Francis Wilson represented the various characters.

During the last half of the hour Mrs. White Moore explained a lot of exciting incidents about "Uncle Wiggley". Approximately 25 children attended the Story Hour.

METHODIST TO
Can't From Page 1

Saturday, April 8th, he will meet with the group of children who desire instruction for Church membership, and expect to unite with the Church Easter Sunday.

The public is cordially invited to attend all the revival services, and the Good Friday service.

THE POISON OF SECURITY

In ancient feudal times there lived a Baron, greatly beloved by his subjects for his courage and justice. Often beset upon by rival barons, seeking to annex his fertile lands, he was constantly forced to be on the alert. Because of their feeling toward their master, the subjects served him so well in combat that he was able to successfully defend his estates, adding to his holdings with the years, until he became so rich and powerful that none dared attack him. Peace reigned throughout the land. The Baron had twin sons, and he trained them in the virtues of valor, justice and fairness. His great aim was that some day they should rule the land in wisdom and with justice. On the day of their maturity he called them to his side, noting with pleasure their strong erectness and clearness of eye, and to each he promised the fulfillment of their highest wish. One son asked that he be allowed the security of peace and ease at his father's table. Now that the strenuous training of his youth was over, he wished to quietly enjoy the fruit of the land, untroubled by discord and strife. The other son asked that he be released from the custody of his home and father to seek the opportunity of adventure in living as he chose. To that end he was willing to yield all rights in the parental estate to his brother. True to his promise, but with sadness in his heart, the Baron granted his son's wishes. The years passed. The son who left to seek opportunity soon distinguished himself in the service of his king, and was given a barony of his own, which he enlarged through courage and wisdom until it became the greatest in the land. He, too, became beloved and revered by the people he ruled. The son remaining at home, basking in ease and security, grew fat and indolent. After his father's death he became increasingly demanding upon his people to supply the wants of his riotous

rumors of dissension grew. The ancient foes of the barony took heart, and war came. He sought to rally his subjects to the defense, but rich and secure living had robbed him of the fire of leadership. Little by little his estates crumbled and, perhaps as a fitting climax, lost his life at the hand of an oppressed and traitorous subject. There is a lesson in this story for America. Are we, too, trading opportunity for gain in security, there is the loss of a foot of opportunity. We need a strong nation and a strong people. But strength is seldom found in security, especially the kind paid for by others. The only security worth having is that which is carved out by the individual with his own hands and ingenuity in creating opportunities for self and others. Too much security saps the strength and vitality of individuals and of a people, economically and morally. Already the security burden upon our nation—and increasingly upon industry—threatens to bog down our entire economic structure. It may bankrupt the nation, paralyze industry, and enslave the people. Moreover, the poisonous acid of too much security is most devastatingly eating into the moral fabric of the individual. Man needs the tempering forces of insecurity to a certain degree to bring out the best in him and make him strong. True, the weak may succumb in the battle, but no people and nation ever survived by weakening the strong in order to protect the weak. The law of the survival of the fittest shall always remain one of the fundamentals of nature. Too much security is making us a disgruntled people. Taxes are multiplying beyond endurance. Soon we shall be too economically weak to exploit our opportunities. Insecurity is spawning their kind in increasing quantities. Perhaps, unless we awaken to our dangers and act, we too, may suffer at the hands of the assassins within our borders. We can not afford to lose the fire of leadership because as individuals we have failed to rise to the challenge of opportunity, trading it for the slow but deadly poison of security.

CROP Holds National Dedication of Trains

Carl Key, area representative of the Christian Rural Overseas Program (CROP) for the states of Alabama, Delaware, Louisiana, Maryland, Mississippi, New Jersey, North Carolina, South Carolina, Texas and Virginia, is shown above (right) presenting to Albert Farmer, national field director of the relief program, miniature trains which represent the 1949 contributions from the various states in his area. The presentation was made at the national dedication services for the 1,163 railroad carloads of farm commodities given to CROP during the year. States in Key's area contributed 190 carloads. Since CROP's inception in August, 1947, approximately 175,000,000 pounds of farm commodities have been sent to those most in need in 22 countries. CROP will be continued throughout the 1950 harvest season. Sponsors are Catholic Rural Life, Church World Service (22 Protestant denominations) and Lutheran World Relief.

Truman's Go Ahead On H-Bomb Unnoticed By Half Of Texas

Austin, Texas, March 25. President Truman's historic decision giving U. S. scientists the go-ahead signal to work on the hydrogen bomb apparently passed unnoticed by almost half of the adults in Texas. In the latest statewide survey by The Texas Poll, only 52 per cent could recall what the President recently decided about the new type of super-bomb. Ignorance of the President's move was found to be widespread among the lower educational levels. Fear of Russian aggression prompts a majority to favor the idea of producing hydrogen bombs. Most Texans believe their own communities may be bombed in case of war. They realize, however, that the greatest danger faces the northern part of the country. Men support the President's decision more strongly than women. Women are slightly more inclined to worry about the danger expressed by some scientists that hydrogen bombs may destroy the world.

Adults who didn't enter high school 29
2. "Do you think it is a good idea, or not, for our scientists to be making a hydrogen bomb which may be one thousand times more powerful than the atom bomb we now have?"
Good Not Under- Idea Good cided
By Sex: 63% 25% 12%
Men 70 22 8
Women 57 28 15
Adults aware of Truman's decision 77 18 5
Adults not informed of Truman's decision 47 33 20

(Nearly everyone who answered "good idea" felt the U. S. is bound to take every possible step to protect this country against Russia or other possible aggressors. Among those who answered "not good," two out of every three were worried that such a bomb might destroy the world or a large part of it.)
3. "In case of war, do you think there is great danger, some danger, or very little danger that people in this community will be bombed?"
Some Great Danger Danger
All adults 56% 24%
By Sex: 56 26
Men 56 23
Women 56 23
Adults aware of Truman's decision 57 26

Adults not informed of Truman's decision 54 22
4. "What people living in the same type of community in the northern part of the United States? In case of war, do you think there is great danger, some danger, or very little danger that they will be bombed?"
Some Danger Danger
All adults 74% 41%
By Sex: 74 44
Men 72 38
Women 76 42
Adults aware of Truman's decision 76 42

Adults not informed of Truman's decision: 71 39
(In the results for both Questions 3 and 4 above, persons who answered "great danger" are grouped separately, but they are also included in the "some danger" column with those who answered "some danger".)
A new bulletin, C-264, VEGETABLE INSECT CONTROL is available at the office of the local county extension agent. Get the bugs early and save the home garden produce.

Your Budget, too, says
"WELCOME, SPRING!"

How about it—got that "new-car" fever?
Got a hankering to take hold of a brand-new wheel—touch of the power in a smooth, firm, lively new engine—set out to meet spring in fresh new styling and sparkling colors?
Got a suppressed desire to make it really something good this time—and step away in a Fireballing new Buick.

with all its room and comfort and stand-out styling?
Well—why not?
You know there's no better buy you can make—and no wiser choice than you're going to find among Buick's array of beauties for 1950.
You know there's no livelier action—no smoother ride—no roomier comfort for the money than you'll find right here.

de luxe versions a bit richer in trim and outside finish.
You can have a Coupe, two-door or four-door models—steak-lined jetbacks or tourbacks with roomy luggage compartments.
You can dress them up, if you like, with a long list of added equipment—including 1950 Dynaflow Drive* for instance—or hold the list down to the essentials everyone wants.
And your budget is going to find continuing reason to be content that you blossomed out in a Buick.

Only BUICK has
Dynaflow
and with it goes:
HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in Super models) • NEW-PATTERN STYLING, with MULTI-GUARD front-end, wrap-through fenders, double "bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and turning, short turning radius • EXTRA-WIDE SEATS cradled between the axle • SOFT BUICK RIDE, from all-coil springing, safety-side rims, low-pressure tires, side-steady-ride torque tube • WIDE ARRAY OF MODELS with Buick by Fisher.

And if you don't know it—we'd like to repeat this:
If you can afford a new car, you can afford a 1950 Buick.
The SPECIAL's prices start just above the lowest bracket. You can choose between thrifty standard-finish models—and

New ALLIS-CHALMERS

Of the 17 major improvements built into this tractor, here are three which in themselves place the WD in a class by itself:

POWER ADJUSTED WHEEL TREADS
Power of the engine is used to adjust rear wheel treads to 10 different spacings.

TWO-CLUTCH POWER CONTROL
Two clutches permit continuous operation of power take-off and hydraulic system — independent of tractor motion.

FIVE-WAY HYDRAULIC SYSTEM
Complete hydraulic control of mounted and pull-type implements.

FULL LINE OF IMPLEMENTS. A complete new line of hydraulically-operated, quick-hitch companion implements — both mounted and pull-type — all matched to the power, speed and weight of the WD tractor.

State Job Openings Announced By MSC

Competitive examinations for positions with the Texas Employment Commission and the State Department of Public Welfare will be given on May 6 by the Merit System Council, Chas. S. Gardiner, director, announced in a statement released March 25.

Stenographers are needed in every part of the state, Gardiner declared. Clerk-Typists, Field Workers, Interviewers, and Clerks are needed primarily in the smaller cities and towns throughout the state.

Key Punch Operators and Tabulating Machine Operators are needed to work in Austin.

Qualifications for these positions vary from high school graduation to college graduation. Appropriate experience may be substituted for education in many cases. The positions of Key Punch Operator and Tabulating Machine Operator require training in the use of these machines.

Gardiner stated that these examinations present to people the opportunity for employment with the state under the most favorable conditions. Work under the Merit rule, he pointed out, leads to permanent employment, with good salary, promotional possibilities, liberal vacation and sick leave, and retirement benefits.

Gardiner said that official application blanks can be obtained from the local office of the Texas Employment Commission or the State Department of Public Welfare, or by writing the Merit System Council, 1000 San Antonio Street, Austin, Texas. Applications must be postmarked before midnight, April 15.

New Seat Covers Now On Market

A new all-nylon slip cover for automobile seats that can be removed in a few seconds, washed and replaced without the drying or ironing is one of the latest petroleum-derived products to be on the market.

The slip cover is removed by releasing two concealed hooks. After washing and rinsing it may be slipped back on the seat still wet, and will dry within 20 to 30

Local Post Office To Obtain New, Larger Quarters

Fort Worth, Texas, March 22, 1950—Proposals are hereby solicited to be received in the office of Post Office Inspector D. C. Jernigan at Fort Worth, Texas up to and including April 25, 1950, to furnish quarters suitable for post-office purposes at Spur, Texas under a lease subject to the provisions of the standard form of lease used by the Post Office Department, at a stated price per annum, including heat, light, power, water, toilet facilities, plumbing, heating, and lighting fixtures, safe for a term of five or ten years from December 1, 1950.

The Post Office Department reserves the right to reject any or all proposals, to negotiate further with proponents for better terms, or to endeavor either before or after the closing date above indicated to secure offers on suitable properties, in addition to those submitted in response to this advertisement.

Proponents may be required to show whether the property offered is mortgaged and to furnish a concurring agreement by the mortgagee. Detailed information will be furnished by the undersigned.

D. C. Jernigan
Post Office Inspector,
Room 200-A, P. O. Bldg.,
Fort Worth, Texas.

Homer Wilson, sophomore at Tech visited with his parents Mr. and Mrs. Leonard Wilson over the past weekend. He returned to Lubbock Sunday evening.

Refueling System Tested By Air Force

A new device for refueling B-50 Superfortress bombers in flight through the use of a telescoping metal tube extending from the underside of a B-29 flying tanker is being tested by the Air Force.

The system would permit faster fueling in flight. The Air Force also is testing another device which would service three jet fighters simultaneously at the rate of 600 gallons in 90 seconds from a single tanker.

Sen. LeBlanc Continues Rationing of Hadacol

The continued increasing demand for HADACOL, one of the great medical discoveries given to the world by Senator Dudley J. LeBlanc, has made it necessary to decrease the ration allowance on HADACOL from six bottles to two bottles.

"We placed the limit at two bottles to a customer only after trying every other alternative," said Senator LeBlanc. "The employees are working shifts around the clock but one bottleneck after another comes up. We expect to lick them all but meanwhile we are asking our customers to have patience and accept no inferior substitutes."

"For instance, when I created HADACOL I read every available authoritative medical and drug book in order to use the very finest ingredients regardless of cost. For instance, I read on page 234, U. S. Dispensary, 23rd edition, that 'Theoretically Calcium Glycero-phosphate should for many purposes be superior to most other calcium salts because it represents both calcium and phosphoric acid in a soluble combination.'"

"Little did I realize when I made Calcium Glycero-phosphate a part of the now famous HADACOL formula that in time the demand for this great medical discovery—HADACOL—would be so great that we would use up the entire available supply in the United States of this product. But that is exactly what we have done and great plants throughout the nation are now working to increase their facilities to expand production of this essential ingredient which blends with other expensive products to help so many million suffering people in distress."

Yes, in HADACOL Senator LeBlanc envisioned the medicine that would bring blessings to the people of all ages, and in perfecting this formula he worked in his own small laboratory, sometimes 16 to 20 hours a day. Perhaps others could have placed the same ingredients in a medicine, but it remained for him to develop a formula which contains the most expensive ingredients of their kind. For instance, he uses Vitamin B-6 which costs at the factory \$550 a kilogram, which is less than half a gallon.

mand for HADACOL has increased 100 per cent in the past year as more and more people have learned the blessings of its five B Vitamins and four important Minerals. Despite our new \$250,000 plant equipped with the most modern machinery and our fleet of 30 great trucks to speed delivery, we just cannot keep up with the demand.

"We placed a ration limit of six bottles to the customer several weeks ago but still cannot catch up with production. Our 300 employees are working shifts around the clock but one bottleneck after another comes up. We expect to lick them all but meanwhile we are asking our customers to have patience and accept no inferior substitutes."

Butane, Propane Gas Are New Bi-Products

Now a major product, liquefied petroleum gas—also known as bottle, tank butane or propane gas—was considered a waste product at oil fields and refineries little more than 30 years ago.

A. N. Kerr and Franklin P. Peterson, now recognized as the "fathers" of the LP-G industry worked independently to develop means of liquefying the wild gases which escaped in production and refinery operations. Kerr did the job with pressure, while Peterson used tons of ice and later a heat exchanger to reach the same end.

Business opportunities for thousands and better living for many persons, particularly those in the rural areas, are a few of the results stemming from this new petroleum operation.

Marlene Waggoner freshman at West Texas spent the weekend with her parents Mr. and Mrs. J. W. Waggoner. She returned to Canyon Sunday evening.

It's Time To Think Of Your Frozen Food Problems!

See the New 15 Foot International Harvester Freezer and the 11.4 Foot Freezer on Display at our Store.

Let us place a freezer in your home for 30 days without obligation on your part. We will place 25 packages of frozen food in the freezer free to you. Baptist Convention To Meet Outside South

The Southern Baptist Convention which has nearly eight million members in 22 states will meet this year for the first time outside of the traditional South. The annual meeting will be held in Chicago, May 9-12, and will be attended by 15,000 messengers elected by the churches.

Baptists are unique in that their annual convention is primarily a body representative of the churches and not a minister's group. The convention is constituted of "messengers" rather than "delegates" from the churches, in that no one carries authority to bind his congregation back home to the decisions of the convention.

The theme for this year's convention, over which Dr. Robert G. Lee, Memphis, Tenn., will preside, is taken from the fourth stanza of "America." It is "Freedom's Holy Light." Southern Baptists are expected to consider several important social and religious questions facing America today. Among these are separation of church and state, the race problem, what to do about missions in communistic China. The closing service of the convention will be an evangelistic rally in the Chicago Coliseum, in which the Baptist churches of Chicago will join.

Southern Baptists are expected to go with their convention to San Francisco, Calif., next year.

How To Believe Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION

For Coughs, Chest Colds, Bronchitis

Loan Support Urged By George Mahon

Congressman George Mahon reported to the Texas Spur this week that his mail from the District indicated concern over the failure to the Commodity Credit Corporation to announce a loan support for the 1950 grain sorghum crop. Over a period of months Mahon has urged such support, indicating his belief that a support program would be announced.

In his report this week, which was also sent to the office of the County Agent and the County FFA office, Mahon stated that no one could guarantee that a support program for grain sorghum would be provided but that every indication pointed in that direction. The support program on grain sorghum last year was announced on March 14. In conferring with officials in Washington, Mahon has insisted that it is most important that a support program be announced as soon as possible and at a level not below last year.

On March 23 the House of Representatives passed a measure strengthening the Commodity Credit Corporation and increasing the capital stock. Favorable action by the Senate is anticipated. Mahon said that indications are that after this measure has become the law an early determination on the grain sorghum support program will be made. He is hoping for favorable action.

Overweight indicates that a surplus of fuel foods is being eaten. The supply should be reduced until requirements and intake are in balance. Constant body weight is a good indicator that body needs are being met.

A limited supply of coastal bermudagrass sprigs is available from the Texas Agricultural Experiment Station, department of agronomy, College Station, Texas. Send one dollar, to cover cost of handling and packing, and the material will be shipped express collect along with planting instructions.

SCRIPTURE: Matthew 21:1-11; 1 Peter 3:18; ROMANS 8:36

Trial and Triumph

Lesson for April 7, 1950

IF YOU HAD BEEN on the top of the city wall on that first Palm Sunday, watching the crowds roaring into Jerusalem, and some one had told you that all the shouting was for Jesus of Nazareth, you would certainly have thought that his success was assured. Here, surely, was a King who had arrived!

But before the week was out you would have seen this same Jesus on trial for his life, and not a voice raised in his defense. The same dusty-throated mob that Sunday shouted "Hosanna! Blessed is He!" was shrieking on Friday morning, "Crucify him!"

Flowers Beds or Bloody Seas?

There is a popular notion floating around to the effect that God gives good people an easy time. It is not always put just that way. But when a man who has been good for thinks he has, or has tried to be, runs into trouble, he asks right away, "Why must this happen to me?" The truth of the matter is better expressed in the lines of an old hymn:

"Must I be carried to the skies
On flowery beds of ease,
While others fought to win the prize,
Or sailed through bloody seas?"

Jesus was incomparably the best who ever lived, yet his moments of popularity were short, and he was finally tortured and killed by the leaders of church and state, amid the jeering approval of masses of the people.

He himself said that any follower of his must be willing to take up his own cross. "In the world you will have tribulation," he said to his disciples.

All Tyrants Hate the Church

THE MORE GENUINELY Christian the church is, the more it is likely to run into opposition. There are several reasons for this. For one thing, the church stands for love, and the generosity and unselfishness, the sympathy and even the sacrifice that go with love and are produced by it. But "what makes the world go round," the world of the politician, the money-maker, the social climber, the war-maker, the world of the power-thirsty in every sphere—what makes that world go round is pride, selfishness, shoving-head, Me-firstness. The selfish and the proud do not take kindly to love of the Christian sort, indeed they despise it as a weakness.

But the church, when it is a true church, stands up for humanity even when it has to stand against profits and the man for whom profit is the first law of life never understands the attitude of the church. Then the church (when it is a real one) always stands for the people against the tyrant, whoever and wherever he may be, even when he is in some church himself. And consequently all tyrants hate the church. The Roman emperors hated it and persecuted it till they found they could use it (which, by the way, was a bad day for the church). Mohammed, a tyrant of sorts, hated the Christian church and would have totally destroyed it if he could.

Victory—When?

"WE SUFFER with him we shall also reign with him," said St. Paul. But when and how? The end of the church's struggles could come in either of two ways. One way would be for the church to give up struggling against the world. Let the church become a club for the sociable, let the church raise no voice of protest against injustice in society, against untruth, violence and greed; let the church give in to the world, in short, and she will have no further trouble from the world.

But in that case she would be dead. Another way is for the church finally to overcome the world. The triumph of the true church is the same as the triumph of divine love.

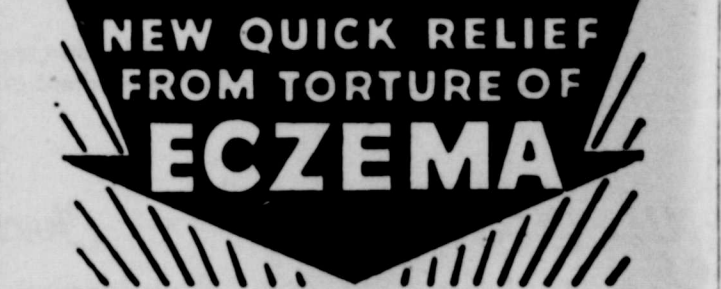

That is the future to which the Bible bids us look. When? We do not know. But the Kingdom comes "one heart at a time," and with every soul the church wins from the world-way to the Christ-way, the victory of Love draws near.

Bob Wills Hears Folks Tell Of Hadacol's Many Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trianon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessed benefits of HADACOL, and the following statement by Miss Carol Jean White, 3636 West Park St., Oklahoma City, is a good example:

"One of the luckiest days of my life was when I heard Bob Wills tell about the wonderful blessings of HADACOL. I had lost my appetite, my energy was down. I suffered with gastric disturbances and indigestion. I took the advice of Bob Wills and took HADACOL. I felt better right off and have felt better and better as I have continued to take HADACOL. I now recommend HADACOL to my friends."

Miss White suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from indigestion, gas, pain, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are

surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL.

So, it matters not where you live . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

Bob Wills Hears About HADACOL'S Blessings

Bob Wills, famous western music band leader, loves to talk with his fans at the Trianon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Carol Jean White, 3636 West Park St., Oklahoma City, tells Bob how much HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.

Dollar for Dollar— you can't beat a PONTIAC!

All that's Good and Desirable in a Fine Car!

- America's Lowest-Priced Straight Eight
- Lowest-Priced Car with GM Hydra-Matic Drive (Optional on all models of extra cost)
- Power-Packed Silver Streak Engines—Choice of Six or Eight

Southeast Asia Supplies Needs Of World That Rides On Rubber

NATURAL RUBBER COMES FROM HERE

Over 99% of all the rubber grown in the world comes from billion of rubber trees in Southeast Asia. The rubber depends modern travel and communication—including automobiles, trucks, planes, tele-phones and radios.

Recent events have turned the spotlight on Southeast Asia, stronghold of democracy in the East and the world's chief source of a raw material on which modern civilization depends—natural rubber.

A scant 70 years ago not a single rubber tree grew in this entire area, nearly as large as Europe. Today there are millions of acres of neat rows of high-yielding rubber trees which supply nearly all world needs for this elastic material. The United States alone used over 600,000 tons of it in 1938.

In addition to the large plantations or "estates," which are financed and managed by European and American companies, there are over 400,000 small one-family rubber farms in Malaya alone which supply a "cash crop" for native Malays, Chinese, and Indian growers.

A booklet called "Natural Rubber and You" has recently been published by the Natural Rubber Bureau, Dept. N200, 1631 K St. N.W., Washington 6, D.C. It shows in photographs how natural rubber is grown in Southeast Asia. You can obtain a free copy by writing the Bureau.

JOHN WAYNE and a Marine buddy are part of a leading scene in a scene from Republic's "SANDS OF IWO JIMA."

"Sands of Iwo Jima" Stirring Courageous Saga of The Marines

Produced in the tradition of "Parade" and "All Quiet on the Western Front," Republic's thrilling story of the Marines' greatest hour, "Sands of Iwo Jima," opens Sunday at the Palace Theatre.

"Sands of Iwo Jima" is painted on a heroic canvas, and tells the stirring story of a group of men, their dreams and their women.

John Wayne, as the tough Marine sergeant, Stryker, gives performance that will never be forgotten, surpassing his greatest in "Stagecoach" and "Red Rover." Fans who know Wayne in his earlier western manner will be amazed and thrilled by the dignity of his portrayal.

Brilliant Performances by Private Conroy, who was wounded in the Marine training camp in New Zealand in 1943. A squad of U. S. leathernecks, which is to make World War II history in the Pacific, is learning to be fighters—the hard way.

Sergeant Wins Respect. The ruthless tactics of Sergeant Stryker, a seasoned campaigner, puts hate into the hearts of his men. But after Tarawa is taken and the squad witnesses the value of his fighting knowledge, respect begins to take the place of animosity. The squadron receives a brief leave in Hawaii and Stryker's experience with a street woman, played by Julie Bishop, reveals the cause of his bitterness and helps his men to understand him better.

Amaz's meeting and tender romance with a beautiful canteen waitress, Adele Mara, adds touching, poignant color to the realistic action.

In addition to thousands of actors, a number of Marine heroes are seen briefly in the picture.

They include: General Howland M. Smith; the three survivors of the original flag-raising on Mt. Suribachi, John H. Bradley, Ira H. Hayes and Rene A. Gagon; Capt. H. G. Schrier, who led the platoon up Suribachi; and Col. David Shoup.

Greatest War Scenes Staged. In the re-enactments of the battles on Tarawa and Iwo Jima, more than 1200 Marines participate in some of the greatest war scenes ever staged for motion picture. The authenticity and realism of these sequences will go down in cinematic history as an outstanding achievement. And the famous flag-raising provides the most thrilling and inspiring climax ever conceived for motion picture.

Allan Dwan's directorial job is superb, and credit goes to Edmund Grainger for a fine production job. Harry Brown, author of "Walk in the Sun" and "A Sound of Hunting," wrote original story and James Edward Grant collaborated with him on the screen play.
