NUMBER 26

Manager To Attend Highway Meeting

Grady Elder, manager of the Spur Chamber of Commerce, will attend the Chamber of Commerce Managers Association of West Texas to be held in Borger this week end. The convention will be held in the new Borger Hotel and managers from all over West Texas are expected to attend.

Men taking part on the program are as follows: A. A. Meredith, city manager of Borger; W. E. Cantrell, vice president of CCM-AWT; Joe Cooley, manager of the Abilene Chamber of Commerce; J. W. Edgar, Texas commissioner of Education; Fred Husband, manager of the West Texas Chamber of Commerce; and Dr. Ralph Carlyle Smith, Atomic Energy Commission, Los Alamos, New Mexico. The convention is expected to be a great success and of tremendous benefit to managers and their programs of work. E. O. Wedgeworth, president of the CCM-AWT has assured the managers who are attending that the committee has arranged a well-rounded program including several enlightening addresses and plenty of entertainment.

The board of directors of the Spur chamber has designated Elder to represent the Spur chamber at the celebration and barbecue to be held in Andrews, Texas on May 11. This celebration is for the completion of segments of Highway 87 from Andrews to Big Springs, and of Highway 703 from Kermit to Lamesa. This is the beginning of the Broadway to the Big Bend highway which will extend from the Big Bend country into Oklahoma, passing through Spur and Post.

The governors of Texas, New Mexico and Oklahoma will be present for the celebration.

The Chamber has purchased the Thomas Register of American Manufacturers for the benefit of Spur businessmen. The Register includes more than 100,000 informative advertisements of manufacturers and will be available for anyone to use.

Farm Bureau News... Bureau Member Serves As Judge In Community Contest

In the judging of communities that entered the better neighborhood contest sponsored by Texas A. and M. and Farmer-Stockman magazine, C. W. Nickels represented Dickens county Farm Bureau as one of the judges. We appreciate Mr. Nickels giving his time to this civic cause.

It means much to those communities directly and to the county and state indirectly. A person who visits in such communities as Dry Lake and Highway can not help coming away impressed with what people can do to aid the appearance of their homes and communities.

Because of the distance from the office and personal matters needing her attention, Mrs. C. W. Nickels has resigned as Farm Bureau secretary. Mrs. Mamie Bachman has been appointed to take Mrs. Nickels place. Mrs. Bachman is an active Home Demonstration club member and can be very helpful in keeping the Bureau office informed on county-wide news.

As was announced last week, there will be a district Farm Bureau meeting at the Texas Tech agricultural auditorium in Lubbock on Monday, April 23. Speakers are scheduled who can give the latest data on social security and wage freeze. Both of these items affect bureau members and their employees. All farmers who have employees will benefit from attending this meeting. Many technicalities and specific problems concerning wage increases, etc. will be discussed.

Operetta Is Slated For Thursday Night

Stage plans are being completed and costumes made for the presentation of an operetta, "Fairies Are Really Truly," to be sponsored by the local P.-T. A.

The show is scheduled for a two-night run on April 26-27 in the East Ward auditorium. Beginning each evening at 8 p. m., it features a fairyland setting, colorful stage scenes and costumes and dancing by the children.

Parents of the children are making costumes, and assisting the East Ward teachers with the play. The public is extended a cordial invitation to attend. Admission will be 25 cents and 50 cents.

Bulldogs Drop Openers; Team Goes To Ralls Friday

BOTH CROSBYTON AND PADUCAH DOWN SPUR BY 9-7 SCORE

The Spur Bulldogs baseball team got off to a slow start in their defense of the District 3-A baseball championship by dropping opening games to Crosbyton and Paducah.

Crosbyton pushed three runs across in the sixth inning in last Friday's game to defeat the Bulldogs 9-7. Steve Dobbs was the starting pitcher for the Spur nine, being relieved by Dean Watson in the fifth.

CROSBYTON:				
Player	Ab	R	E	
Armstrong	5	0	0	3
Beckham	5	2	3	1
Davis	5	1	1	2
Sudduth	4	1	2	1
Powell	3	2	4	3
Nickson	4	1	0	0
Sudduth	4	0	0	0
Finch	3	1	0	0
Mize	3	2	2	0
TOTALS	36	10	9	9

SPUR:				
Player	Ab	R	E	
Blair	4	2	2	1
Bell	4	2	1	0
Powell	3	0	0	0
Gabriel	1	0	0	0
King	3	1	2	1
Grimland	3	1	1	0
Womack	2	1	1	3
Hoover	1	0	0	0
Wade	2	0	0	0
Thomason	2	0	0	0
Lindsey	1	0	0	1
Watson	2	0	0	2
Dobbs	1	0	0	1
TOTALS	31	7	7	9

Strike outs: Spur 15, Crosbyton 10.

Bases on balls: Spur 2, Crosbyton 3.

Score by Innings

Crosbyton	0	2	2	3	0	9
Spur	2	0	1	3	1	7

The Paducah Dragons took the Spur boys by the same score in Tuesday's game. A three-run rally in the sixth and an extra in the seventh iced the game for the Paducah boys after trailing the Spur boys through the fourth inning. Dean Watson pitched all the way for the Bulldogs while Paducah relied on two boys.

Baptists Report Large Attendance During Meeting

Revival services are being held this week at the First Baptist Church with Rev. Levi Price of Coleman, preaching.

The pastor, C. Melvin Rathel, states that all services are being well attended and up to Wednesday night, 22 additions had been made.

In the 7:00 a. m. worship services, Rathel reports that an average of approximately 150 have attended, and he and Rev. Price expect to see 200 there this morning. From 375 to 400 have been attending the evening services.

Prayer services are being held each evening preceding the evening worship service for all ages, states Rathel.

Music, both congregational and special, for the meeting is under the direction of J. Malcolm Edwards with Mrs. Edwards at the organ and Mrs. W. T. Andrews, pianist.

HOOVER-McATEER TO HOLD OPEN HOUSE SATURDAY

Buddy Hoover and Dave McAteer announced this week that they will hold open house at their place of business all day Saturday.

The two Spur business men recently purchased the McGee Car and Tractor Co. and are now operating the Mercury, Ford Tractor and Dearborn Implement company under the name of Hoover-McAteer.

Hoover states that they will hold open house all day but that their main program for the day will start at 2:30 p. m.

AUXILIARY WILL SPONSOR BOX SUPPER APRIL 26

A box supper will be held at 8 p. m., April 26 in the American Legion but under the sponsorship of the Ladies' Auxiliary, states an official of the group. Each auxiliary member is urged to bring a box packed for two. Special Invitations are being extended the Legionnaires.

City Hospital To Be Located On East Side

The City Commission and the Hospital Advisory Board has reached a tentative oral agreement with Gail Smith for the purchase of approximately three and one-third acres of land for the site of the city's hospital, according to Mayor Ned Hogan.

The site is located on the east of town, adjoining the "El Patio" motel. Although no purchase contract has yet been executed, Mayor Hogan states that the purchase price talked about was \$150,000.

Mayor Hogan says that the architects have been notified that a site has been chosen and will now go ahead with definite plans for the proposed \$250,000.00 project.

The site chosen by the commission and board was the site preferred by a state official recently in Spur. However, states Mayor Hogan, other sites also were considered satisfactory by the official.

The City Hospital was accredited with 10 strike outs while the Paducah pitcher marked up 8. Watson walked 5 and the Paducah pitchers 4.

Score by Innings					
Paducah	3	0	1	3	1-9

Spur Experiment Station Is Site Of Mesquite Study

The Spur Experiment Station was the site of a two-day school on April 10 and 11 for PMA officials and air plane operators who will conduct a chemical mesquite control project throughout much of the state.

C. E. Fisher, director of the Spur station, led the school aided by his entire staff. The Spur station is state headquarters for work being done on chemical control of mesquite and has received national recognition for its work in this field.

The 95 persons attending were given latest information on the proper methods of applying chemicals and demonstrations were made of the different types of spray equipment for air plane use.

The control project will cover the counties north and west of and including Andrews, Ector, Crane, Upton, Reagan, Irion, Tom Green, Concho, McCulloch, San Saba, Brown, Eastland, Stephens, Young, Archer and Clay counties.

Among those attending the school were Howard Kingsberry, Santa Anna, vice chairman of the state PMA committee; Lester Young, College Station, state official in the PMA Program; J. A. Scofield, Vernon district agent of the A. and M. Extension Service; A. M. Walker, College Station, range specialist of A. and M.; and Dr. R. A. Darrow, College Station, range investigator.

The control work is scheduled to start in the southern part of the area on May 1, and in Dickens county around the first of June, states Fisher.

Funeral Rites Read For Charles Smith

Funeral services for Charles L. Smith, 20, were held at 3 p. m., April 13, in the First Baptist Baptist church with Oran Price, Lubbock minister, officiating.

Smith died April 12 in a Lubbock hospital after several days illness. He was born June 14, 1931, in Spur. The family had resided near Lubbock for the past 10 years.

Survivors include the parents, Mr. and Mrs. Walter Smith, and one sister, Loudean, all of Lubbock; grandmother, Mrs. Charlie Robinson and Mrs. W. I. Smith, both of Spur, and several uncles and aunts.

Pall bearers were Bill Carter, Kenneth Dudley, Billy Scott, Johnny Cox, Jewel Steele and Wilson Ellis.

Interment was in Spur cemetery with Campbell Funeral chapel in charge of arrangements.

Fred Neaves, Billy Powell and C. B. Chandler are among the group of Masons from Spur who are in Dallas this week for Scottish Rite reunion.

Rodeo Plans Huge 1951 Entry List

Advance plans for the Spur Cowboy Jubilee and Rodeo include a grand parade and four days of rodeo activity scheduled for May 30, 31 and June 1-2.

The annual affair will be held in the rodeo arena of the Charles A. Jones Memorial stadium which features a natural amphitheatre of seats.

The Spur rodeo has been termed one of the fastest and most colorful events of its kind in West Texas, states J. E. Swenson, president of the rodeo association.

A cutting horse contest, eagerly awaited each year by stockmen and rodeo-goers will be held, and the roster of events has been enlarged to include more than the usual amount.

Al Bingham Dies; Funeral Held April 13

Tim Allie (Al) Bingham, 67, one of Dickens county's oldest settlers and perhaps one of the most colorful and well known oldtime cowboys in this area, died April 11 in a Lubbock hospital.

Rev. O. B. Herring, Slaton minister, and Rev. Cal C. Wright officiated at the service held at 2 p. m., April 13 in the First Methodist church.

He had suffered a heart ailment, and had been in the hospital only one day. He was born November 23, 1884, in Stephens county, and came to Dickens county in 1904, starting at an early age as a cowboy. He was married to Rachel Ellis in 1909 in Kent county.

Survivors include his wife, Rachel Bingham, three sons, Wallace, Joe Wallace and Newt, all of Spur; and two brothers, Tommie of Beaumont and Olaf of San Bernardino, Calif.

Pall bearers were Glenn Smith, Alex Fry, Buck Saddler, Weldon Grimes, Barrie Smith and Clarence Foreman.

Old friends and ranch hands who had worked with Bingham on the Swenson ranch near Spur were honorary pall bearers, and rode horseback to the graveside service. Bill Rucker led Bingham's horse carrying his empty saddle. Others were Roy Mac, Elmer McComb, Abb Smith, Dutch Hines, Billy Smith, Willis Brunson, Clyde Bingham, Jack Spencer, Riley Thacker, George Humphrey, Plez Hart, Tommie Smith and Monk Rucker.

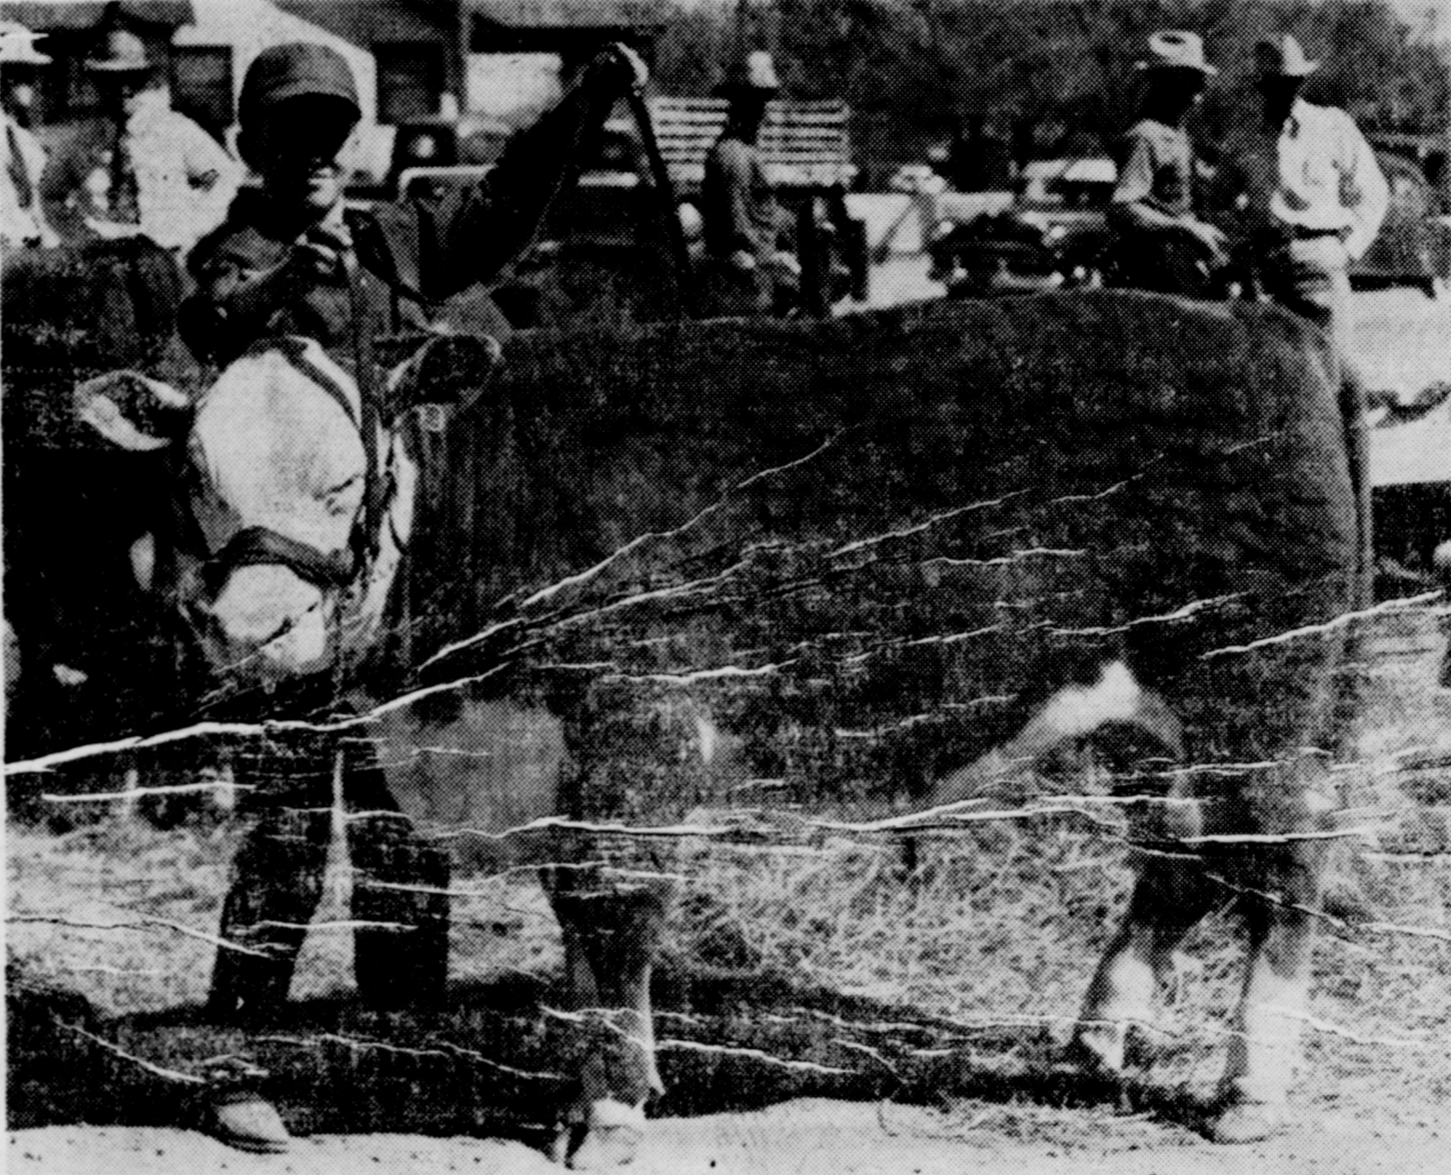

Bingham joined the Methodist church in 1929. Interment was in Spur cemetery, with Chandler Funeral Home directing arrangements.

Bakery Sale Sponsored Saturday by Guild

A bakery sale will be sponsored by the First Methodist Church Wesleyan Guild on Saturday, the group announced today. Booths will be set up in the City offices, and will be open throughout the day.

Wade Shows Champion In Annual Boys' Show Saturday

Winners in the steer division of the 1951 Dickens county 4-H and FFA Livestock show held in Spur Saturday are pictured above soon after the judges G. W. Barnes and T. L. Leach announced their names. Top is Rush McGinty, son of Mr. and Mrs. O. M. McGinty, whose animal received the reserve champion steer award. At bottom Herschel Wade exhibits his 370 pound grand champion steer, Herschel is the son of Mrs. T. E. Bingham. Both boys are students in the Spur Photo Courtesy B & H Studio

Teachers Re-Elected For 1951-52 Term

C. F. Cook, superintendent, was given a 3-year contract and each teacher presently employed in the Spur school system was re-elected to teach during the 1951-52 term at a regular meeting of the school board April 9.

Re-elected were Joel Grimland, high school principal; Mrs. Florence Blair and Miss Rena Noack, English; Mrs. Alva Jean Brannen, Science; Mrs. Floye Grimland, commercial studies; Mrs. Ila Johnston, history; James Jay, mathematics; Billy C. Hahn and Sam T. Hawkes, coaches.

Bruce Browning, primary school principal; Mrs. Anna M. Blumberg, Mrs. Stell C. Browning, Mrs. La Faye Marey and Miss Eula Whitaker, first grade; Mrs. Jane Walker, Mrs. Florence McNeill, Mrs. Doris Moore, second grade;

See TEACHERS, page 6

Bands Will Present Spring Concert Here

The High School and East Ward bands will present their annual spring concert at 8 p. m., April 24, in the East Ward auditorium. The East Ward Band, now in its second year, will play numbers of greater difficulty than any they have performed on previous programs. Among the selections this band will play will be "Grandpa's Cakewalk," "Hill-Billy Band," "T. F. G. S. March," and "Hymn of Praise."

The Spur High School Band will be playing its final concert before leaving for the regional contest in Canyon Friday. Included on the program will be: "Amberita Roca - Spanish Quick-Step March," "Shalimar-Overture," "Das Pensionat-Overture," "Gallant Cadet-Overture," "Air Waves March," and two novelty numbers. (See Band Concert Page 10)

CITY LEASES SMALL TRACT TO MT. ENTERPRISE MAN

The City of Spur leased approximately 10 1/2 acres of City property to W. C. Boles of Mt. Enterprise, Texas, for \$524.00. The oil lease included acreage covering the city dump grounds and the sites of city water wells.

The 1951 Dickens county 4-H and FFA Livestock show held in Spur last Saturday was termed by officials and visitors as one of the most successful ever produced, probably because of a warm, clear show day. During previous years the shows were limited because of rain and dust storms.

Approximately 32 steers were shown in the steer division with Herschel Wade exhibiting the grand champion. Rush McGinty showed the reserve champion steer.

Divisions Are Many In the swine division, Tommy Bass exhibited the grand champion barrow, and Curtis McWilliams showed the grand champion gilt. Duane Dunlap showed the first place sow and litter.

Kenneth Vaughn exhibited first and second place fat lambs in the sheep division. In the beef cattle division Bill Tomaine, Crosbyton, won first place with his Hereford cow, and Bob Simmons placed first with a Hereford heifer. Jim Barron showed the first place aged bull, and Simmons placed another first with his yearling bull.

Kenneth Neeley of McAdoo won first, second and grand champion ribbon with his Jersey heifer in the dairy cattle division. See STOCK SHOW, page 10

District Winners Compete In Contest

Jackie Cloude, senior boy declaimer, Myra Alice Ratliff, senior girl declaimer, and Margie Campbell, shorthand winner, will compete in the regional Interscholastic League meet at Texas Tech in Lubbock on Saturday.

The three high school students were first place winners in the district meet held in Floydada April 6-7. They will be accompanied by Miss Dorothy Taylor, high school speech instructor.

Members of the high school science classes and Mrs. M. H. Brannen, sponsor and teacher, will tour on Saturday the open houses sponsored by the Texas Tech Engineering and chemistry departments, held each year in conjunction with the League meet.

Schedule Announced For Softball League

The schedule for the City Softball league was announced Wednesday, April 18 by softball commissioner Billy Bigham.

Bigham states that the teams have been scheduled through a round robin with each team playing each other team once. A second round is planned, but will not be scheduled until the first round nears completion. For the second round, states Bigham, the sequence will be the same with two exceptions: (1) the two games scheduled for a night will be reversed, and (2) the team considered the home team (listed first) will be the visiting team in the second round and the other team will be the home team.

In the following schedule, the teams listed first in each game is considered the home team and will take the field at the first of the game.

SCHEDULE

- Tuesday, May 1, Baptist Bro vs. Proctors; Phillips "66" vs. Fireboys.
- Thursday, May 3, City Drug vs. VFW; Proctors vs. Phillips "66"
- Tuesday, May 8, Fireboys vs. Baptist Bro.; VFW vs. Hoover-McAteer.
- Thursday, May 10, Proctors vs. Fireboys; Baptist Bro. vs. City Drug.
- Tuesday, May 15, Phillips "66" vs. Hoover-McAteer; Proctors vs. VFW.
- Tuesday, May 17, Phillips "66" vs. MBaptist Bro.; City Drug vs. Hoover-McAteer.
- Tuesday, May 22, Proctors vs. City Drug; Baptist Bro. vs. VFW.
- Thursday, May 24, Fireboys vs. Hoover-McAteer; Phillips "66" vs. VFW.
- Tuesday, June 5, Hoover-McAteer vs. Proctors; Fireboys vs. City Drug.
- Thursday, June 7, Hoover-McAteer vs. Baptist Bro.; City Drug vs. Phillips "66"
- Tuesday, June 12, VFW vs. Fireboys.

The Texas Spur needs more correspondents in surrounding towns and communities. If you are interested in such an appointment, please contact the editor in person.

Henry Causey of Pleasanton was a visitor this week in the home of his sister, Mrs. Lem Walden. Causey was enroute to a Sunday School convention in Amarillo.

Wherever you live—Wherever you are
THESE TIRE FACTS APPLY TO YOU!

FACT #1—U. S. Royals are unquestionably America's top quality tires, with qualities and features nowhere else available!

FACT #2—As a result, these superb tires are more valuable now than ever before! They are precious, if not priceless, deserving all the care and attention you and we can give them.

FACT #3—The tremendous demand for these tires has been going on for years—has always exceeded the supply.

FACT #4—With every shipment, orders are being filled. With every order, a new and lasting friendship is established. **OUR ADVICE**, wherever you live, wherever you are, place your order on our books right NOW. See us today!

And Remember!
If at any time we cannot fill your order for new U. S. Royal tires immediately, we can render complete, responsible, highly-specialized service on your old tires to keep you in utmost safety and comfort till your new tires arrive.

Senator Seeks To Ban Punch Boards

AUSTIN, Tex., April 19—Children are being taught to use punchboards, Senator George O. Nokes of Corsicana warned as he urged passage of a bill to prohibit the manufacture or possession of punchboards.

He pointed out that a punchboard manufacturing company placed a miniature punchboard on the children's toy market Christmas. It is not a gambling device, but contains questions to be punched out and answered.

"It could serve to make punchboard addicts of our youngsters," he said.

Senator Nokes, who introduced the original resolution calling for a crime investigation in Texas, maintains that punchboards are the wedge inserted into communities by gambling interests. "They are placed in the hands

of well-meaning but misinformed civic and fraternal groups. The gambler utilizes the boards to move into an area with other types of gambling devices, he said.

Senator Nokes explained that most people do not realize chances against their winning on a punchboard range from 400 to one to 1,500 to one, depending on the type board.

"Some punchboard manufacturers," he continued, "sell key-boards in which the handler is informed of the winning punch and punches it out in advance so

he won't have to give a prize. Thus his profit is increased and the punch board 'sucker' hasn't a chance to win."

Senator Nokes' bill outlawing the use of punchboards was introduced upon the recommendation of the Attorney General Conference of District and County Attorneys held in Austin, March 30, 1951. It was received favorably by the Senate and referred to the committee on criminal jurisprudence.

Approximately 10 percent of the total acreage of cropland harvested in Texas in 1948 was irrigated, and crops harvested from this acreage accounted for nearly 30 percent of the total value of all principal crops produced.

Research workers of the Texas Agricultural Experiment Station have found that practical control of many poisonous range plants can be obtained by using herbicidal sprays such as 2, 4-D and 2,4,5-T.

YOUR brain budget

1. Which of these saw a dead king on the battlements of Elsinore: (a) Macbeth, (b) Othello, (c) Hamlet, (d) Gen. MacArthur?
2. What famous statue stands at Lexington, Mass., with a gun? (a) Patrick Henry, (b) Paul Revere, (c) the Minute Man, (d) the Spirit of Liberty.
3. Name the painter of The Sower. (a) Millet, (b) Manet, (c) Monet.
4. With what hall do you associate Boss Tweed? (a) Independence, (b) Tammany, (c) Hall of Fame.
5. Which came first, (a) the wheel or (b) the plough?

DEVOTIONAL READING: Psalm 77: 11-20.

God In a Nation

Lesson for April 22, 1951

WHEN IS GOD IN THE LIFE of a nation?

It depends on what you mean by the question. God is the Ruler of all nations and Judge of them all. But some nations have been far more conscious of the true God and obedient to Him than other nations have.

Dr. Foreman

God's Name on Paper

GOD CAN be mentioned often, yet not count for very much in a nation. For instance, His name can be on the money, it can be in the state ceremonies, it can be in the constitution, or if there is no constitution, the monarch may be said to rule "by divine right."

But such things may be no better than formal. The money can pass from wicked hand to wicked hand, it can be used for godless purposes by men who do not have God in all their thoughts. The name of God in public ceremonies (such as oaths of office) or in the constitution may mean no more than decorative designs on a letter-head. The king ruling by "divine" right may be a cruel and corrupt man.

Religious-sounding songs, such as "God Bless America" or "God Save the King", can be sung by rascals. No, God in a nation's life must be more than a name on paper, green or white.

God in Great Men

GOD BEGINS to get into the life of a nation when He gets into the lives of people. It is not disparaging the common man to point out the plain fact that as between one believer in God who is obscure, and another who is prominent and powerful, the latter means more in the long-run life of a nation.

It was so in the era of Moses. That was a time of religious confusion, just as it is today. Doubtless

there were many humble persons at that time who had a living faith, but if it had not been for Moses, the nation of Israel would never have been a nation, but would have shrunk back into the ruck of little no-account tribes, never to be heard from again. When we hear that even Moses' own brother was so stupid or bad as to lead the people in worshipping a gold-plated calf, we can imagine what the masses of the people were like.

If the United States and Canada can be called Christian nations today, it is because we can point to men on both sides of the line who have been not only high-calibre, influential men, but also men not ashamed of their faith in God.

An American congressman who is respected by friends and opponents alike, has said it is more important to him to know what God wants than what his constituents want. Most governors of states profess religion; and some of the best of them practice it. What America would have been without such men, one can only guess; certainly far worse than it is.

God in Laws and Lives

GOD CAN also be in a nation's laws. It is true, we cannot run a modern nation or municipality on the laws of Leviticus, and nobody wants to, not even the preachers and rabbis. Still, the laws of a land either reflect the will of God or they do not. So far as the laws of a nation are in line with the teachings and truth of Christ, so far God is in the life of that nation.

But the question is not finally: What do the laws prescribe, but do the people respect the laws? God does not get deeply into the life of a nation until He gets into the homes of high and low alike.

If the nation of Israel ever became godly, they had Moses to thank; yet he himself was under no illusions as to the people he left behind him. "I know that after my death ye will utterly corrupt yourselves and turn aside from the way which I have commanded you." (Deut. 31: 29.)

It took centuries of toil and patience on the part of God and His prophets to change Israel from a nation mostly indifferent to God, to a people mostly God-fearing; and the change took place only as homes changed.

Is ours a Christian nation today? The answer is not in our constitution, not in our leading men, not in our history or laws or traditions; the answer is in our homes. When the cry goes up "Back to God!" the place to start back, and the place that counts most, is our homes.

UNSURPASSED
in the 1/2- to 2-ton truck field!

TALK about power! These great new GMC's are unsurpassed in horsepower in the 1/2- to 2-ton field—power to keep hauling years longer! But new engines are only part of the story.

From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models—things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weathersealed "Six-Footer" Cab—Turbo-Top pistons that develop higher power without "knock" even when using standard-grade gasolines!

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know it will take you farther, cost less to run—because it's built to last like the big ones!

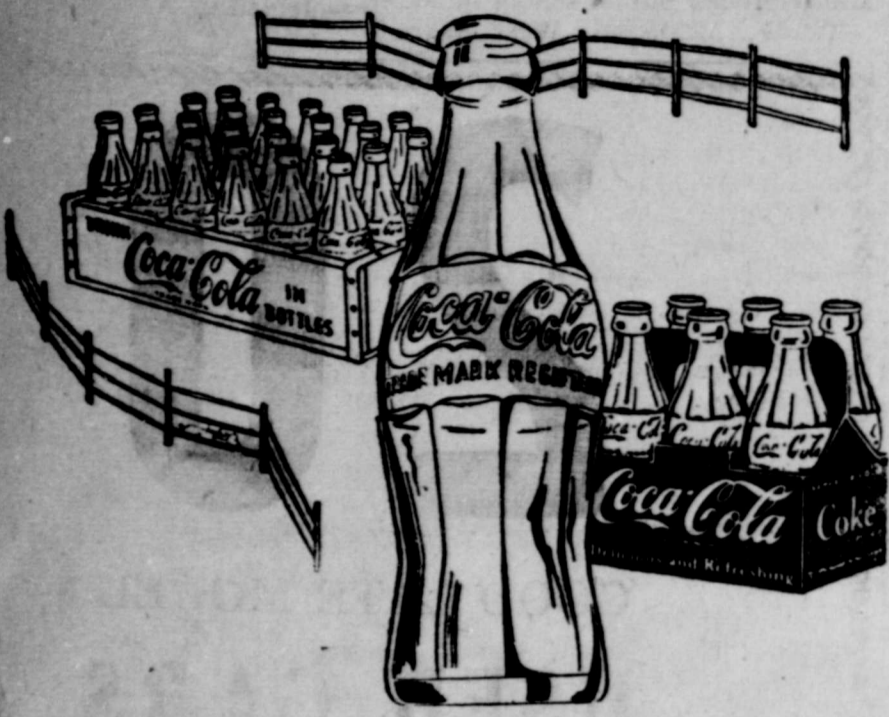

Get a real truck!

Light • Medium • Heavy Models
Made in a wide variety of engine-body-chassis combinations to fit every trucking need

"Coke" is a registered trademark.

Health Aids Cited For 1951 Pig Crop

Heavy demand for meat products in 1951 gives farmers extra reason for saving this year's spring pigs, according to Dr. A. A. Goodman, Colorado extension veterinarian.

To help farmers save more of this year's pig crop, the following suggestions are offered:

Feed the pregnant and lactating sows a balanced ration, providing animal proteins, vitamins and minerals, including at least 15 percent high quality alfalfa meal or green leafy hay. Keep brood sows comfortable and clean, free from mites, lice and dirty quarters.

The pigs should be farrowed on clean pasture—or in clean, dry quarters, free from chilly drafts.

Toward the end of the gestation period, be alert to assist at birth if necessary. Disinfecting the navels of the new born pigs with tincture of iodine will aid in protecting against navel infections, Dr. Goodman added. Be sure newborn animals are nursing properly. Have clean sod accessible to pigs up to three weeks old to prevent nutritional anemia.

Watch for scouring; it may be a sign of improper feeding, over-feeding or of disease. Chilling is often responsible for heavy death losses in baby pigs. Around weaning time have pigs vaccinated against hog cholera. Consult a

veterinarian on the need of vaccination of other stock in light of local disease conditions.

At the first sign of ailing health, consult your veterinarian to obtain a correct diagnosis. Find out whether disease, parasites or faulty nutrition might be responsible. Corrective action, started promptly, may save the lives of many animals.

Hybrid Corn Makes Slight Gain In Texas

Hybrid corn production has made big strides in Texas in recent years, but production from hybrid varieties last year amounted to only about 57 percent of the total acreage to corn in the state.

E. A. Miller, Texas Extension Service agronomist, insists that many more farmers could profit from growing hybrids instead of the lower yielding open pollinated

varieties. The production program is aimed at demonstrating the productive ability of Texas hybrids and how profits can be increased through use of good planting seed, legumes, fertilizers and cultural practices.

For purposes of an association-sponsored program, the state has been divided into four areas, with awards to be presented to the five top producers in each area. Farmers and 4-H and FFA boys are eligible to participate. Excluded from competition are commercial hybrid seed growers, members of their families and their employees.

Enrollment in the contest is done through local county agricultural agents, and a minimum of one acre must be planted to one of the Texas hybrid varieties. After corn is harvested each participant must furnish his local county agent with a report that shows yield, number of the hybrid, fertilizers used, and other information dealing with the demonstration. The county agent will submit the report to Miller, who will have charge of selecting area winners.

Miller said all county agents in

TALKIN' FOOTBALL . . . Although football is months away and spring training is over, Navy Coach Eddie Erdelatz (left) still is planning 1951 tactics. He's talking to Zug Zastrow about some strategic plays for this fall and winter.

EVICTED . . . Joey, baby kangaroo, was ejected from pouch by his mother at Chicago zoo. Veterinarian feeds him condensed milk with eyedropper.

Rites Held Here For W. C. M. Havens

William Columbus Monroe Havens, resident of Dickens county since 1926, died at his home in the Kalgary community on April 11, 1951. Funeral services were held at 4:30 p. m., April 13, in the First Baptist church. Rev. J. W. Grizzle, Crosbyton minister, and Rev. Handley of Lockney, officiated.

Havens was born October 15, 1887, in Collin county, Texas. He was married there in 1908, and the family moved here in 1926. Survivors include his wife, Mrs. Julia Havens, one daughter, Mrs. Frances Ballard, Harjerman, New Mexico; three sons, Glenn, Olton; Roscoe, Portland, Ore., and Waldo, Kalgary; two brothers, John, Tahoka; Arthur of Arkansas; four sisters, Mrs. Ida Sims, Memphis, Ark., Mrs. Mattie Lucus, Garland; Mrs. Essie Rogers, Dickens, and Mrs. Linnie Austin, California. Five grandchildren also survive.

Pall bearers were Ernest Caplinger, Mutt Bostick, Bernice Billberry, Merton Fisher, Preston Ballard, and Elmer Thomason. Havens was a member of the Primitive Baptist church. Interment was in Spur cemetery with Chandler Funeral home directing arrangements.

Mrs Turvan Teaches Missions To Circle

Mrs. Myrtle Whitwell was hostess to members of the First Baptist church Bagby circle in the home of Mrs. W. M. Hazel on Monday afternoon.

Mrs. Hattie Turvan taught a mission lesson. Dismissal prayer was by the entire group. Present were Meses. G. B. Morris, Roscoe McCombs, Whitwell, Cole and Turvan.

Singing School To Open Here Monday

Odis Echols, popular radio singer of religious songs, will open an old-fashioned singing school April 23 at the Soldier Mound church, it was announced this week.

Echols, director of a quartet which sings daily over a Lubbock radio station, is well known throughout the South Plains for this singing and has conducted singing schools in several Plains areas during the past months. He was a special guest last Sunday at the annual singing convention held in Girard.

The public is extended a cordial invitation to attend the singing school. Lessons will be taught each night, and singers are expected to register from all over the county.

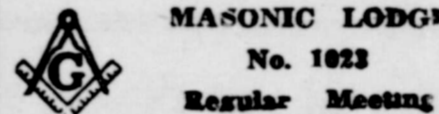

The Assembly of God church in Spur will host this Sunday to a singing beginning at 2:30 p. m. Quartets are expected to attend from Floydada, Roaring Springs and other nearby towns. The public is invited to attend.

A Capella Chorus To Present Program

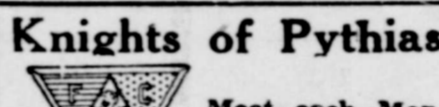

Abilene Christian college's A Capella chorus will present a program at 2 p. m., Sunday, in the Spur Church of Christ, states an announcement made today.

The well known chorus of 60 select voices will present a program of sacred and secular selections and familiar hymns. Featured will be the college male quartet and women's sextet.

This will be the first in a series of personal appearances for the choir as it starts a seven-day annual spring tour through Texas, Oklahoma and Kansas. Director of the chorus is Bill Davis, acting head of the A. C. C. music department.

Haskell Singers To Hold Convention

Plans were being completed for the twenty seventh annual meeting of the Haskell County Singing Convention that is to be held there on Sunday, April 22 in the American Legion building, according to Hallie E. Chapman, president of the association.

Advance interest indicates one of the largest attendances in history as some of the best known quartets and other musical groups from a twenty county area will attend.

Among the earlier acceptances to invitations are the Stamps-Ozark quartet of Wichita Falls, the S. E. Clark quartet of Abilene, the Henry Shipp quartet, Lubbock, and the well-known Tankersley quartet of Knox City. In addition, many other quartets from area towns and communities have accepted.

Invitations have been extended musical groups in Throckmorton, Elbert, Olney, Seymour, Stamford, Anson, Spur, Eastland, Aspermont, Snyder and Dallas.

The day's program will begin at 10 o'clock and will continue through 4 p. m. Public address equipment will be installed in order that the program may be heard outside the 500-seat Legion building. An hour and half of the afternoon program will be broadcast from Radio Station KDWT of Stamford, from 1:30 to 3:30 p. m.

A short business session will be held at 1:00 p. m. for the election of officers.

Why not give your Pride a Break?

Let's see what it means to own a ROADMASTER. It means, first of all, that you're a shrewd judge of fine manufacture. Nowhere will you find a mechanism more skilfully fitted part to part with scrupulous precision—engineered to stricter standards of fine-car quality—than the deep-framed and durable ROADMASTER chassis.

It means, also, that you possess keen appreciation of everything that makes for unsurpassed performance.

For there's more to this dazzling beauty than its thrilling take-off. There's the surplus of power that you need to make you the master of busy traffic or open road—plus the velvet magic of Dynaflo Drive (at no extra cost, mind you).

There's the level-going luxury of ample roadweight buoyantly balanced on coil springs on every wheel—and the security of brakes specifically engineered for firm control of this great-powered beauty.

But there's still another distinction to being a ROADMASTER owner.

It marks you as one who buys wisely and well. Size for size, pound for pound, feature for feature, few cars can even approach what your dollars will buy in this finest of Buicks.

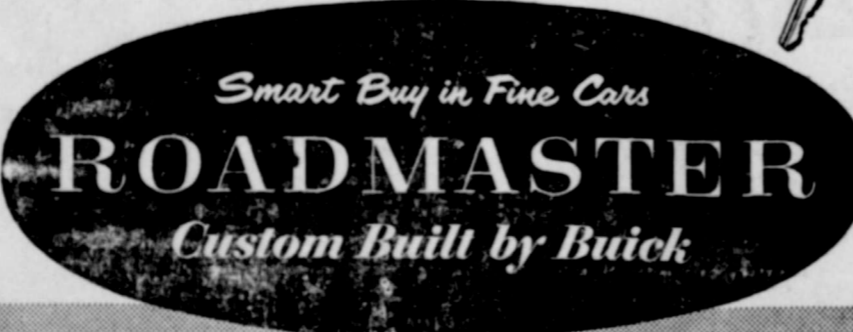

There's much more to be discovered by a visit to any Buick dealer's showroom.

There's the sumptuous softness of cushions, the custom excellence of fabrics and interior trim, the grace and charm of every line and contour.

So if you've dreamed of sometime owning a car superbly fine, there's no time like the present—and no car like ROADMASTER for making dreams come true.

Equipment, accessories, trim and models are subject to change without notice.

Mrs. O. M. McGinty Named District Head Of TWFC at Amarillo Convention April 9-11

Mrs. O. M. McGinty was named president of Seventh District, Texas Federation of Women's Clubs, during the district's 30th annual convention held April 9-11 in Amarillo.

Other new officers are Mrs. W. V. Terry of Sudan, first vice-president, and Mrs. John Merchant of Amarillo, second vice-president. Formal installation will be held during the state convention scheduled for November in San Antonio.

Theme of the Amarillo meeting was "Woman's Part in Building a Peaceful World." The seventh district includes all counties of the

Panhandle and South Plains areas.

Mrs. McGinty is currently serving as first vice-president and chairman of membership in the seventh district. She served for two years as second vice-president and chairman of extension, and was previously district board chairman of motion pictures. She served on the district nominating committee and on the district committee for selection of life members.

She has visited many clubs in the district, appeared before Parent-Teacher groups as a P.-T. A. district board member and is a past-president of the local Twen-

twentieth Century Study Club. She has also served as president of the City Federation of Women's clubs in Spur.

Besides her role as clubwoman, she serves a dual capacity of homemaker and mother. She has two sons and a daughter, all students in the local schools. Mrs. McGinty is a graduate of West Texas State college, Canyon, and has done graduate work in dramatic art at the University of Oklahoma.

Attending the three-day Amarillo convention from the Twentieth Century club in Spur were Mrs. McGinty, Mrs. O. C. Arthur, president of the club, and Mrs. E. S. Lee and Mrs. T. H. Blackwell, district members. Mrs. Tom Kizer, representing the 1917 Study club, and Mrs. Larry Boothe of the 1933 Study club, attended on April 10.

Baylor Club Names Spur Girl Sponsor

Virginia Ruth Shugart, daughter of Mr. and Mrs. E. F. Shugart, was elected to represent Delta Alpha Pi, women's social club, during Rodeo Week at Baylor University, Waco.

Virginia Ruth Shugart

An active member of the Rodeo club, Miss Shugart rode in a downtown Waco parade last Thursday, and was presented the final night of the rodeo. A queen of Rodeo Week was chosen from the candidates of the various clubs who were honored during the past week with socials.

Baptist Youth Has Banquet On April 5

Featuring a "Children Around the World" theme, a study recently completed by the First Baptist training union, members of the nursery, beginners and primary departments were complimented with a banquet at the church on April 5.

Dolls dressed as children of various countries of the world were used in decorations. Place cards were miniature cutouts of the world, showing a center picture of Christ.

On the program were Mrs. C. P. Scudder, who told a story of youth's need Christ, and Rev. C. M. Rathel, who stressed the importance of youth in the church. Marilyn Hagins played piano selections, followed by group singing.

Sandwiches, fruit jello, potato chips, orangeade, cookies and ice cream were served at individual tables. Each leader was seated with her group.

Approximately 50 attended, with mothers of the children as special guests.

Dry Lake Community News

Most of the farmers have caught up with their farming, and are waiting for planting time.

Mr. and Mrs. E. J. Lassetter were called to Jayton to be with her niece, a victim of polio. They have returned home now.

A large crowd attend the Past Stock show in Spur last Saturday. Some of our boys won high honors, and we are proud of each boy who took a part.

Last Wednesday's community program featured Charles A. Taylor who showed slides on cotton insects, and discussed the insect problem. We learned that all insects are not harmful. Next meeting will be April 25, when Charles Fisher of the Spur Experiment station will speak at 8 p. m. on eradicating brush and mesquite from fence rows and other places on our farms. Everyone is cordially invited to attend.

Petal Collared Rayon Suit

Rayon suits are making news this spring, with handsome styles in modern fabrics. Here the popular checked fabric in the petal-collared suit above. The fabric in this suit, made with Avisco rayon yarns, has a smooth finish like good worsted. It's wrinkle resistant, and will wear and wear!

Spur Girl To Wed In Home Ceremony

Mr. and Mrs. E. J. Bilberry announce the approaching marriage of their daughter, Ava Nell, to William Freeman Ponder, Jr., son of Mr. and Mrs. W. F. Ponder of Mertens, Texas.

The couple will be married at 4:30 p. m., May 9, in the home of the bride-elect's parents. Rev. C. Melvin Rathel, pastor of the First Baptist church, will perform the ceremony.

Miss Bilberry is a graduate of Spur High school, and has been employed in the Spur Security bank for the past 4 years. Mr. Ponder is employed with an oil company near Wichita Falls.

Rev. Wright Speaks To '33 Club Wed.

Rev. Cal C. Wright, pastor of the First Methodist Church, was the guest speaker at a luncheon of the 1933 Study Club at the Lions Hall Wednesday noon.

A theme of "Spring" was used in the decorations and program. Bouquets of spring flowers garnished the hall and fresh flowers were used on the individual place cards.

Mrs. Everett McArthur gave the invocation. A lunch of fried chicken, scalloped potatoes, congealed salad, green beans, cream gravy, hot rolls, cake and iced tea was served by Mrs. D. J. Dyess.

The guest speaker, Rev. Wright, was introduced by Mrs. McArthur. He spoke on the lives of influential women.

Mrs. Wright was leader of the program which included group singing. A reading "The Man Who Waited" was given by Mrs. Grady Lackey. Mrs. Larry O. Boothe made a report of the Seventh District Convention of Women's Federated Clubs which met in Amarillo last week.

Attending the luncheon were Mrs. O. R. Cloude, C. H. McCully, C. F. Cook, W. F. Patrick, McArthur, Lackey, Boothe, and Rev. and Mrs. Wright.

Brownies Organize Paint-Plant Project

Brownie troop IV met in the Girl Scout house Monday afternoon with Mrs. Phil Meekins, leader.

Present were Carol Marcy, Linda Meekins, Cookie Gregory, Rozelle Marcy, Paula Dean Foreman, Barbara Nell Foreman, Charlotte Ramsey and Rita Williams.

Plans were made to paint flower pots and plant flowers to help beautify the Girl Scout house. The group sang songs and were dismissed.

Central America Is Club Program Topic

"Central America" was the program theme of the 1917 Study club, Tuesday afternoon. Mrs. R. C. Forbis was hostess in the home of Mrs. Nellie Davis, 722 North

The name of a Central American city was given by each member during roll call. Mrs. Elmer D. Hagins, program leader, introduced Mrs. Bill Ligon, who spoke on Guatemala, and Mrs. T. Kizer, who discussed Nicaragua. Mrs. Hagins talked on the

Honduras, and each discussed the geographical aspects of countries.

A salad plate was served. Mmes. S. L. Benefield, J. Bowman, R. E. Dickson, Clark Forbis, Fred C. Halle, E. C. McGee, Durwood Woodward, Dav. Forbis, Hagins, Kizer and Ligon.

C & S SUPER MARKET

Get behind the wheel of the easiest handling truck you ever drove!

New DODGE "Job-Rated" TRUCKS

The trucks that do the most for you!

Now Dodge brings you important new ease-of-handling advantages — along with all the ease-of-handling features that have made Dodge "Job-Rated" trucks the choice of champion truck drivers from coast to coast!

These new trucks are amazingly easy to maneuver. They bring you all the proved advantages of cross-steering, wide front tread and short wheelbase. And you get the extra handling ease of Synchro-shift transmission — plus steering column gearshift on low-tonnage models.

EXCLUSIVE! gyrrol Fluid Drive!

Available on 1 1/2-, 3 1/2- and 1-ton models. Makes driving easier with marvelously smooth performance. Cushions against shock and strain, saves on upkeep, and lengthens truck life.

NEW! Shorter turning diameters!

A new Dodge "Job-Rated" truck will make a sharper turn — maneuver into tight places easier — park with less trouble — save you time and driving effort on every trip.

NEW! Worm-and-roller steering gears!

Now you get safer, easier steering. New steering gears on most models give you positive control. Driving is more comfortable, too, thanks to the new, improved steering wheel position.

NEW! 4-speed Synchro-shift transmission!

Four-speed now available on 1 1/2-, 3 1/2-, 1-ton models, as well as 1 1/2- and 2-ton. 3-speed Synchro-shift transmission standard on 1 1/2-, 3 1/2-, 1-ton... 5-speed standard on 2 1/2-ton, available on 1 1/2- and 2-ton.

What "Job-Rated" means to you . . .

A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job, save you money, last longer.

Every unit from engine to rear axle is "Job-Rated" — factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load

— frame, axles, springs, wheels, tires, and others — is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load — engine, clutch, transmission, propeller shaft, rear axle, and others — is engineered right to meet a particular operating condition.

See for yourself! Come in and drive an easier handling Dodge Job-Rated Truck

Jones Motor Company

McAdoo News . . .

Mrs. N. L. Fox of Petersburg and Mrs. Elmer Owens and baby of Tahoka visited Saturday with Mrs. B. F. Eldredge and other friends in this community.

T. L. Moore visited his family over the weekend. Mrs. Moore is home economics teacher in the McAdoo schools, and he is in college at Denton.

Mr. and Mrs. Hughes Smith and Mary Ann and Mrs. Dale Thomas of Whiteface spent Sunday in the home of Mrs. and Mrs. J. H. Miller.

Mrs. Viva Griffin spent last week with her daughters, Joan Brownlow of Lubbock, and Mrs. Wilma Paschal of Lorenzo.

Several FFA and 4-H boys from McAdoo took places in the fat stock show held in Spur last Saturday. A number of the boys, accompanied by their instructor, Forrest Keith, and Raymond Eldredge and B. C. Hardin, joined other club boys in Dickens Sunday morning for a trip to Fort Worth to see their calves sold.

M. M. Simmons, who has been seriously ill in the Crosbyton hospital, was able to be back in church Sunday.

A. W. Butler of Brownwood was looking after farming interests here recently.

Edith Allen left last week for Lubbock where she has employment.

Twelve ladies were entertained with a Stanley party in the home

of Miss Opal Nickels on Tuesday of last week.

Kenneth Edinburgh, who recently enlisted in the navy, left for boot training on the west coast.

John Burrow fell from a horse last Friday, breaking his collar bone.

Attending the singing convention in Girard Sunday were Mrs. Henry Harris and Margaret Ann, Mr. and Mrs. T. H. Rigsby, Miss Euteva Coberley, Mr. and Mrs. C. T. Holcomb and family and Leola Allen.

On Tuesday a number of members met at the Baptist parsonage where they spent the day recovering the building, repairing water pipes and making minor repairs. The ladies furnished lunch and a day of fellowship was enjoyed.

Mrs. W. J. Ross, president of the local P. T. A., attended the spring convention in Lockney last week.

Mr. and Mrs. J. E. Woolley and family and Gordon Christopher spent the weekend in Fort Worth.

Mrs. E. B. Buckner visited Thursday in Crosbyton with her mother, Mrs. L. Elzy. Mrs. John Formby, another daughter, visited her on Friday. Friends of Mrs. Elzy will be glad to learn that she is up and some better.

Mr. and Mrs. W. W. Allen of Lubbock visited relatives in this community Friday.

Mrs. Loyd Dean was shopping in Lubbock Friday, and also consult-

ing an eye doctor.

Mrs. Denzil McMillan of Lubbock spent last week with her parents, Mr. and Mrs. G. D. Potts. She was recuperating from flu.

Ten young people, accompanied by Bro. Patterson, attended a sub-district MYF meeting in Lockney Tuesday night.

Mrs. Dovie Hodges returned to her home Thursday after spending several days in the Crosbyton hospital.

Mrs. Jim Early underwent major surgery this week. We wish for her a speedy recovery.

Mr. and Mrs. Willie Eldredge and Mrs. John Formby attended business and shopping in Spur Saturday.

Mr. and Mrs. Cecil Patrick and girls of Tatum, N. M., spent Wednesday night in the home of her parents Mr. and Mrs. J. J. Hickman. Mrs. Hickman accompanied them to Lubbock on Thursday where the girls had tonsillectomies.

Mrs. Waid Griffin and girls of Follett spent the weekend with relatives here and at Dickens.

Mr. and Mrs. Billy Joe Woolley and baby of Fort Worth visited his parents, Mr. and Mrs. J. E. Woolley, and to be with his brother Smokey, who left Friday for induction into the army.

Bro. James Patterson, Methodist pastor, is conducting a revival at CeeVee which opened Friday night. Mrs. Patterson and Wendell accompanied him there and returned after spending the

weekend. Rev. W. V. Vaughn of Matarod conducted the Sunday morning service here. A special service by laymen and women was held Friday night, with John A. Allen as leader.

Mrs. Irene Bomar, who underwent major surgery in a Hereford hospital recently, returned to her home on Friday.

The annual mother-daughter banquet will be held Friday night in the homemaking cottage.

Frances Ann Taylor spent Thursday night with Clela Nell Allen.

Billy Darlene Griffin, Natalia Jo. Neff and Rita Van Meter have measles.

Rev. Wendell Welch of Lubbock will teach a Sunday School course at the Baptist church every night this week.

McAdoo is buzzing with talk about the oil well. Last Friday 17 truckloads of equipment were moved in. Erection of the tower has begun. The site for drilling is on the L. C. Hickman farm just over the line in Crosby county.

The WSCS met with the Crosbyton society for a special program Monday afternoon. Highlight of the program was a motion picture, "South of the Clouds" with special emphasis on the study of the Near East. This activity is our action on the study. Attending were Mmes. J. W. Jones, M. M. Simmons, John A. Allen, M. A. Graham, W. C. McClure, James Patterson and G. G. Allen.

Mr. and Mrs. Roy Ward of

Dickens, Mr. and Mrs. A. G. Fox and boys of Glenn, Olin Ward and children of Lubbock and Mrs. Wilma Paschal visited Sunday in the home of Mr. and Mrs. J. J. Griffin.

Mr. and Mrs. Dubbs Weinagar visited Mr. and Mrs. P. G. Grissom Saturday.

Harold Brantle is driving a new Dodge which he purchased last week.

Mr. and Mrs. Howard Hickman and baby and Mr. and Mrs. Guinn Hickman ate Sunday dinner with Rev. and Mrs. McLeod.

Rita Helen Rathel, Johnnie Rae Eldredge, Wilma Wallace, Louise Johnson and Margaret Ann Harris were initiated into the Rainbow assembly in Spur Monday night.

Henry Harris, Sam Brown, Harold Hardy, Truman Wallace, G. B. and H. L. Morris left Sunday to attend the Scottish Rite reunion in Dallas.

Mr. and Mrs. John A. Allen celebrated their Silver Wedding anniversary Sunday. Attending were a daughter and family, Mr. and Mrs. Clarence Williams of Abilene, Mr. and Mrs. Loyd Hickman and Mr. and Mrs. C. A. Allen. They received several pieces of silver. The bride and groom which decorated the cake were the ones used on his parents' cake when they celebrated their Golden Wedding anniversary ten years ago.

Why not subscribe to the Texas Spur? Mrs. G. G. Allen would appreciate it if you would leave your subscription with her.

Home Gardens Can Serve Two Purposes

Home gardens can always play a double role—furnish low-cost commodities for the family table and serve as the source of additional farm income. Considering present world conditions, garden plots loom more important this year than ever before.

Possibly many Plains farmers will see a home garden as simply an unnecessary drain on time this year, in view of the need and importance of major crop production. However, time spent in a home garden can, if properly directed, be highly profitable.

In 1950, for example, there were 477,067 home gardens in Texas. Usually, such plots produced about 25 percent of the total vegetables grown. Assuming that each of the gardens produced \$50 worth of food—and that quantity of food these days would not be a very large stack—the total value would be \$23,853,800. If each produced \$100 worth of food—certainly not an unreasonable assumption—the figure would rise to \$47,707,600, which is quite a contribution to the food bill.

J. E. Hutchinson, horticulturist with the Texas Extension Service, says that each person needs from 600 to 700 pounds of fresh vegetables annually, and he believes that in these tense and uneasy times, it becomes the patriotic duty of everyone to keep themselves physically fit. Home gardens will go far in providing fresh vegetables and other food items to that end, and families are urged to use the practice as part of a well balanced program.

ELECTRICAL TIPS FOR THE HOME
... If Your Closets Are More Than Three Feet Deep ...

DON'T put up with the annoyance and inconvenience of trying to find your clothes and other belongings in the dark.

DO install lights controlled by automatic door switches or by wall switches placed near the lock side of closet doors.

STARS OF THE 1950 JUBILEE

BIG HAND FOR SMALL FRY—These clever youngsters, dressed in the best of the west, gallop madly down the main street of Spur in pursuit of the rodeo parade. They were referred to as the "stick-horse brigade." They shouted in true cowboy fashion and fired cap pistols as the large crowd lining the streets gave them loud applause. Spectators who witnessed the first day's show Thursday pronounced it one of the best ever performed in this area. All contestants are amateurs but their ability surpasses that of many show stars. (Staff Photo.)

Herbs such as anise, caraway, coriander, cumin and marjoram can be used by the homemaker to add flavor to cooked foods as well as salads.

During the nine-year period, 1940-1948, the area under irrigation in Texas increased slightly more than one million to 2,385,000 acres.

Austin, Texas, April—Cotton is high on the defense materials, and the nation's farmers have been asked to produce 16 million bales of cotton this year.

In the light of this need for cotton, Texas' commissioner of agriculture, John C. White, is opposed to price ceilings on raw cotton. He calls these ceilings "impractical, confusing, and cumbersome."

The price ceilings expire on June 30 unless extended, and White is urging the cotton industry to "cooperate in obtaining relief from this most impractical order when public hearings are held on extension of the act." Commissioner White gives these reasons for his position on the cotton ceiling:

"With ceiling prices on the various qualities of cotton, the holders of cotton are absolutely in the dark. There is no provision for split grades."

"We all know, who have worked with cotton any at all, that cotton classing is not an exact science, and competent cotton classers differ in classification and, as quality determines the ceiling price, the difficulty in trading is increased."

"Also, the inability to buy back hedges greatly interferes with the normal functions of the futures markets. All this adversely affects the cotton producer and is of no benefit to the consumer."

"All of us, including the cotton producer, desires to reach the 1951 goal of 16 million bales. But a fixed ceiling price on raw cotton, without a fixed floor price in

keeping with the producer's cost of production, only increases his hazards and makes more serious the difficulty of reaching the acreage quota, as well as the maximum production on acres planted."

To point up the economic value of cotton, White notes that it is first among this nation's agricultural exports. It is one of the five big U. S. Crops. Texas produces about 27 per cent of this country's cotton.

The Texas cotton crop is valued at about half of all the other farm crops in the state. Cotton is grown in 224 of this state's 254 counties. There are in Texas about 175,000 cotton farmers, and like the rest of us, they have their troubles.

As Commissioner White observes, the cotton farmer's labor costs are high—if he can find labor at any price. The same is true of his equipment, his poisons, and his fertilizer.

In many cases his tenure or rental agreement is weak and inadequate. And on thousands of farms, the soil is depleted, eroded, and infested.

Even so, White comments, "the cotton farmer is the basis and the bed rock of the entire cotton industry. The industry itself can raise no higher than his ability and his capacity to produce."

White describes the cotton farmer as "a definite link in our economy. He produces a raw product on a highly competitive basis, with domestic markets and world markets staring him in the face 24 hours each day."

The commissioner, emphasizing that price ceilings on raw cotton are undesirable, adds:

"In my judgment, the welfare and economy of our state depends to a great degree on the condition of our cotton industry in Texas—and underlying the whole proposition is the welfare of the cotton producers. Their number, their volume of business, and the most essential product they are raising, cause me to reach this conclusion."

Fertilizer Sales Up Over Previous Years

Texas farmers bought more than a quarter of a million tons of commercial fertilizers from July 1 to December 31, 1950, according to Dr. J. F. Fudge, State chemist, Texas A. & M. College System.

The tonnage sold during this 6-month period exceeded that sold in any entire year prior to 1945. It was 20 percent more than the amount sold during the last half of 1949.

Approximately one-fourth of the total fertilizers sold were mixed goods. One third of this was O-14-7 and another third was 5-10-5.

Much more O-14-7 was sold last year than in 1949, and 57 times as much as in 1945. During the last half of 1950, nearly five times as much 5-10-5 was sold as during the same period in 1945, while only about two-thirds as much 4-12-4 was sold in 1950 as in 1945. The sale of high analysis fertilizers, such as 10-20-10 and 12-24-12, was important last year—with 2,230 tons being sold.

Nitrogen sales were 50 percent greater than in 1949. Potash sales were nearly twice those of a year ago, and seven times as great as in 1945.

The sales of 20 percent superphosphate totaled 126,516 tons. Ammonium phosphate sales (16-20-0, 11-48-0, 13-39-0, etc.) were nearly five times as great as they were a year ago; nearly all of these products have appeared on the fertilizer market during the last five years.

Hidalgo and Wharton counties led the State in use of fertilizer last year, both using more than 10,000 tons. Farmers in Hidalgo county bought 19,382 tons.

Between 5,000 and 10,000 tons were sold in Cameron and Harris counties.

The distribution of the different

fertilizers by counties is given in Texas Agricultural Experiment Station Progress Report 1325, available from the Publications Office, College Station, Texas.

Mahon Introduces Bill on Child Labor

George Mahon, congressman of the 19th district of Texas which includes Dickens county, recently introduced a bill in Congress which seeks to alleviate the restrictions placed on farmers for hiring of child labor during the cotton harvest.

He has mailed hundreds of letters to agricultural agencies, farm organizations and farmers throughout this district informing them of his move, and offering his services toward solving this problem. A part of his letter follows:

"You will recall the difficulties which arose during the cotton harvest last year by reason of the Senate Amendment to a labor bill which prohibited children under 16 years of age from assisting in the crop harvest during school hours. This Amendment tended to disrupt the schools and interfere with the cotton harvest.

Also, it denied the Mexican families an opportunity to earn the money which would tend to give them more economic security and more educational opportunity. I think most Texans definitely share my view that the question of school attendance is a problem for the states and local communities and not for the federal government—and that the states and communities can do a better job in solving this problem."

The present law provides no restrictions as to the employment of children in agriculture outside school hours. The prohibition relates to the hours when school is in session.

I have introduced a bill in Congress which provides that children under 16 may be employed during school hours for the harvesting of basic crops such as cotton. Other Members of Congress have introduced bills of somewhat similar nature. Our object is to secure approval of some suitable change in the present law. It is impossible to foresee what Congress may do with my bill or with the other pending bills, but I wanted to make this report in regard to developments. I shall continue to seek to be of all possible service in this important matter.

The government is calling upon us to produce a 16-million-bale cotton crop. If we produce a good crop, it will be absolutely necessary that we have additional labor both from South Texas and also from the Republic of Mexico. We do not want to exploit children, but we do want to leave the

states and local communities work out a system which will be reasonably satisfactory from the standpoint of all concerned."

- IV. Why Every Man in the Church Should attend Brotherhood.
—Brotherhood Pres., Bill Glenn

Milking Process Is Regular Health Aid

Rapidity of the milking process, once begun, is essential both for best production and for the general health of the cow, says a dairy scientist who adds that cows will give all their milk when accustomed to fast milking and regular schedules.
At each milking time, prepare the cows by massaging udders with lukewarm water. Do that one-half to one minute before attaching the machine, or starting to milk, if by hand process. Effect of the milk letdown is lost if too much time elapses between massaging and milking.
Fast milking is necessary because friction from machine left

on the udder over five minutes will injure tender udder tissues. A fast encourages mastitis in the same way that a poorly adjusted milking machine will eventually cause injured or diseased udders, the specialist said.
The U. S. Bureau of Dairy Industry recommends that milking machines be set so there is not more than 11 inches of mercury at the teat cup. Each cow however, must be treated individually as to length of time machine is left on, due to hereditary habits.
It was said that heredity also partially limits the level of milk flow from one lactation to the next. But, the care and handling given your cows also is highly important. Good rations, based on milk production and pasture conditions, proper shelter the year round, and plenty of fresh water along with a fast milking routine

will go far in insuring top production.
Tests have shown there is little difference in production whether or not the animals are fed while being milked. It is stressed that the really important thing is a good milking procedure carried out in the same way day after day, and as near as possible on the same hour schedule.

Pvt. Norman McAlpin, USAF, son of Mr. and Mrs. Chester McAlpin, visited in Spur last week. McAlpin is stationed in Dallas where he enrolled Monday in Jet mechanics school. He received basic training at Lackland AFB, San Antonio.

ESCAPED CUSTER MASSACRE . . . Army records listed Ed Ryan, 21, Los Angeles, dead in Custer's last stand, but he wasn't killed because he remained behind with an ill comrade. Here, he tells Jay Ryan tall tales.

TITLE CHANGES HANDS . . . Britain's Jack Gardner is planting another right hook on Joe Weidman's chin as he backs out a decision victory over the Austrian champ in London to win the European heavyweight crown. Weidman was badly battered.

America's Largest and Finest Low-Priced Car!

Yes, LARGEST . . . and the facts speak for themselves
It's LONGEST in the low-price field, a full 197 1/2 inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-aming 58 1/2 inches between centers of the rear wheels. Longer, heavier, with wider tread . . . that's the measure of Chevrolet's rock-solid value . . . big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet . . . when Chevrolet is the lowest priced line in the low-price field.

Yes, FINEST . . . and here are the plain-spoken reasons
FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANSMISSION, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Highway News

The community progress meeting was held in the community house on April 13. Committees were appointed to begin their work for the coming year. They are: Mrs. Jimmie Hahn, program chairman; Earl Thomason, finance; J. W. Thomason, expansion; Edd Denson, mailbox; C. E. Morgan, roads; Ted Smith, livestock;

Mrs. Syble Estep, nursery; Kelley Putman, farm clean-up, and Jimmie Hahn, work.
Mr. and Mrs. D. Davis of Lubbock visited her mother, Mrs. M. E. Tree, Sunday.
Mrs. Ray George has added a new dining room suite to her home. Mr. and Mrs. Donnie Pace have completed papering and painting in their home.
We lost another good neighbor last week when Mr. W. C. M.

Havens passed away.
The home demonstration clubs wish to thank each person who in any way helped with the food sale last Saturday. The sale was conducted during the fat stock show. A report on the total amount of funds raised will be made later.
By Mrs. C. E. Morgan.

IMPORTANT NOTICE!

TO DWELLING AND MERCHANTILE BUILDING POLICY HOLDERS

Dear Customer:

Your present insurance policy contains a deductible clause for losses caused by windstorm and hail. This deductible clause applies to loss on BUILDINGS ONLY, not contents. It is the only way windstorm and hail insurance could be written since September 1st, 1946.

Now, the Board of Insurance Commissioners has ruled that effective April 1st, 1951 the deductible clause can be eliminated entirely from your policy by the payment of an additional premium. It may be that you will prefer to leave your policy as it is since the additional premium charge is rather high. However, we wanted you to know of the new ruling.

If you would like to know the cost of removing this deductible clause from your policy please get in touch with us and we will gladly figure this additional premium for you.

As an example the cost of removing the deductible clause from dwellings is as follows:

	Full term of 1 Year	3 Years	5 Years
\$ 2500.00 Additional premium	\$18.75	\$46.87	\$ 75.00
5000.00 Additional premium	22.50	56.25	90.00
10000.00 Additional premium	30.00	75.00	120.00
15000.00 Additional premium	37.50	93.75	150.00

Unless otherwise instructed by you, we will leave your policy as it is.

H. S. Holly Mrs. Vivian Gibson Mrs. Nona Starcher

NOTICE OF PUBLIC SALE On April 27, 1951, I will auction off and sell to the highest bidder, for cash, the following described automobile: Being a 1936 Ford-panel delivery, 1950 license No. MB 3624; motor No. 19-3258306. This automobile was placed in my garage on Nov. 2, 1950 by Mr. Bill Ferrell, who at that time lived in Spur, Texas but whose whereabouts at this time is unknown. Said sale will constitute a

BAND CONCERT, from page 1 The High School Band will go to contest with seventy-nine members and will enter a marching band of sixty members. The contest includes concert playing, sight-reading, and marching. In addition to band activities, thirty-two solos and small ensembles will be entered. The band will play in Canyon at 4:00 p. m. Friday afternoon and march at 7:30 p. m. that night.

No admission will be charged at the Tuesday concert, and the public is extended a cordial invitation to attend.

JUNIOR HIGH, from page 1 On the seventh grade A honor roll are Yvonne Adams, Nan L. Alexander, Nell Thomason, Sammie Caudle and Marian Carlisle.

Seventh grade B honor students are Jane Simpson, Melva Joy Owen, Maryland Harriell, Gail Buzbee, Billy Watson, Donald George Snodgrass, Gene Robertson, Claude Porter, Ronnie Ensey, Jo Ann Bailey, Patsy Boykin, Opelha Cherry, Marie Pierce, Lenora Wilson, Bobby Dyess and Alton Williams.

CHILDREN'S DAY SUNDAY AT FOREMAN CHAPEL Children's Day at Foreman Chapel church will be held April 22, according to announcement made this week. The event was originally scheduled for last Sunday. The public is extended a cordial welcome to be present.

foreclosure of my lien on the automobile for repairs and storage. HENRY JOHNS 24-3-tc

STOCK SHOW, from page 1 Cattle Entries Increase Breeding cattle and dairy cow divisions of the show were cited by officials as a great improvement over past years. Response from entries in these divisions was especially appreciated, stated Lynn Futch, vocational agriculture teacher in Spur High school.

G. W. Barnes of Fort Stockton, member of the state extension service, and T. L. Leach of Lubbock were judges.

Boys Accompany Projects Value of the steers, hogs and lambs sold through this year's show was estimated in excess of \$10,000. Top calves of the show sold to Hormel Packing Company of Dallas for 37 1/2 cents per pound.

A group of about 30 boys and their sponsors were in Fort Worth Sunday and Monday to see their animals sold. They were guests in the Westbrook Hotel Sunday night of the Fort Worth Stockyards Company.

Tour Meat Plants Activities included a tour of the stockyards Monday morning, and a visit through the packing house of Swift and Company, who entertained the group with a luncheon.

Highlight of the tour was a visit to Ted Gouddy's radio program, during which Douglas McArthur, Spur FFA member, and Charles A. Taylor, county agent, were interviewed.

Making the trip were Clarence Smith, Don Childress, Don Gannon, Grady Allen, David Allen, Clifton Allen, Bub Eldredge, Douglas McArthur, Freddy Wyatt, Gene Taylor, Jack Morgan, Curtis McWilliams, Jimmy Teague, George McAteer, Jimmie McAteer, Donald Denson, Kenneth Vaughn, Dean Dawson, Bobby George Don Forbis, Chester Lindsey,

Charlie Watson, Walter Stanley, Jerry Benefield and Herschel Wade. Sponsors who accompanied the group were David McAteer, Raymond Eldredge, Forrest Keith, Futch and Taylor.

The well-managed fish pond will produce 300 to 500 pounds of fish per acre of water. A fertilization program for the fish pond will make such yields possible.
