## Chamber of Commerce Doings: Committee To Map C. of C. Projects; OPS Regulations Information Valuable

Meetings of the several committees are to be called next week to discuss projects that have been taken from the questionnaires that were sent out by the Chamber of Commerce to derive a program of work for 1951. These meetings will be designed to plan a definite plan of work for the Chamber of Commerce and to keep all committees functioning for the remainder of this year.

Some of the projects to be discussed are as follows: Public Restrooms; Recreational Centers; Parking Meters; City Library; Road to Clairmont, Calgary, Post and others; Pave more city streets; Clean up Cemetery Lots, City Lots and Parks; Agriculture projects.

Committees will be called upon to suggest additional projects that may be essential to the progress and growth of Spur and to classify all projects as to importance. Weekly reports will be made to the Chamber of Commerce Board of Directors on the progress of the committees on their projects.

Information has been received in this office that the Washington Office of Price Stabilization has approved extension of filing Ceiling Price Regulation 7 and Amendment 2 charts until May 30.

CPR 7 affects retailers handling soft goods and consumer durables. The extension does not affect grocery stores.

This office has also received information on CPR 13 that effects retail ceiling on petroleum products. Service stations are included in Regulation 13 and must keep on file for inspection by the Office of Price Stabilization a chart showing ceiling prices of their petroleum products.

The Chamber of Commerce will mimeograph price charts for businesses dealing with petroleum products and they will be available in the Chamber of Commerce office.

Any information needed pertaining to CPR 13 and other price regulation will be supplied by the Chamber of Commerce if possible.

The business men of Spur may obtain any information needed in any particular business by writing to Dan Tarmley, The Office of Price Stabilization, District Office, 1202 Texas Avenue, Lubbock, Texas. The new deadline for filing pricing charts is May 30 which amends the April 30 deadline previously set and pertains to retailers handling soft goods and consumer durables.

## P. G. Trammell Is Accident Victim

Funeral services for Pitt Greenwood Trammell, fatally injured when the tractor he was driving reared and fell on him Monday evening, were held at 3 p. m., April 25 in the Soldier Mound Baptist church. Rev. A. P. Stokes officiated.

Trammell had lived here since 1915 and had worked on several farms in this area. The accident occurred on the farm of T. W. Hobson, near Midway, where he evidently had attempted to cross a ditch, and was found pinned beneath the overturned tractor.

Trammell was born June 28, 1908 in Cisco, the son of Mr. and Mrs. W. S. Trammell.

Pall bearers were Elmer Thomason, Matt Dawson, Tince Spraberry, V. C. Spraberry, Wade Roberts and Alton Howell.

Survivors include five sisters, Mrs. W. E. Ridley, Hamlin; Mrs. Tom McClure, Lubbock; Mary Tom Trammell, Haskell; and Mrs. Ernest Jones and Mrs. J. C. Sisson of Fort Worth; five brothers, David H. Wickett, W. S. Jr., and J. T., of Fort Worth; Louie, Lovington, N. M., and Lloyd, Union City, Tennessee.

Chandler Funeral home directed arrangements, and interment was in Spur cemetery.

## Attendance Record Set By Baptists As Revival Services End

The Spring Revival services at the First Baptist Church ended Sunday night, April 22 with 38 additions to the church reported by the pastor, C. Melvin Rathel.

Rev. Levi Price, pastor of the First Baptist Church, Coleman, preached for the services. J. Malcolm Edwards directed the music with Mrs. W. T. Andrews and Mrs. Edwards accompanying alternately on the piano and organ.

A record attendance of 515 was reported by the Sunday School Sunday morning. The previous record was 394. Training Union attendance Sunday night was 224. Of the 38 additions to the church, 20 came on profession of faith and for baptism and 18 joined the local church by letter of membership from other Baptist churches. Two young men surrendered their lives for special religious work.

## Softball Season Opens Tues. Night

Proctor's and the Baptist Brotherhood softball teams will open the 1951 City Softball league next Tuesday, May 1 at 8:00 p. m. Phillips "66" and the Fireboys will meet in the night cap on the same night.

Next Thursday night, May 3, City Drug meets the V. F. W. in the first game and Proctors plays Phillips "66" in the last game.

Game time for the first games have been changed from 7:30 to 8:00 p. m. according to Billy Bigham, commissioner.

Teams are "all lined up" states Bigham, and plans are being completed in what is expected to be the fastest and largest softball league in the history of Spur. Seven teams, enrolling approximately 105 players will participate in the league, playing two games on Tuesday and Thursday nights. Games will be played under the lights at Jones Stadium.

In a statement prior to the opening of the season Bigham said "This is good clean wholesome recreation for our young and old folks alike and deserves the support of everyone in the community."

"Come out to all the games, pick a team and cheer for them—the boys will appreciate it and you'll enjoy it."

"All money taken at the gate will go for lights and playing equipment—Don't forget the date and time—8:00 p. m. Tuesday, May 1."

Copies of the complete schedule for the first round are available at the Texas Spur office.

## GARNER APPLIANCE CO. TO GIVE AWAY 500 ORCHIDS

Five Hundred Royal Hawaiian orchids will be given away by Garner Appliance Company Saturday, April 28, states Lester Garner, manager.

The free orchids will be a part of the 25th anniversary celebration of Servel Refrigerators, states Garner.

The day-long celebration will feature the new Servel, the new Mix-a-gas LPG system and the WD Allis Chalmers tractors.

A week-long registration will be held at the appliance store for a drawing to be held next Saturday. The two door prizes will be \$100.00 credit on both a Servel and a Roper Range.

## DON WASON NEW BUTCHER AT C. & S. SUPER MARKET

Don Wason, formerly of Matador, is the new butcher at C. & S. Super Market in Spur.

Moving here from Roaring Springs, Wason and his wife will make Spur their home. They are both members of the Methodist church.

## Dickens County Farm Bureau News . . .

### County Men Attend District Meet In Lubbock; Youth Plan Postponed

Dickens county had a fair representation at the district Farm Bureau meeting in Lubbock Monday. Among those who went were C. P. Witt, Kenneth Dopsch, Charles Taylor, C. W. Nickels, D. P. Smiley, H. G. Lackey, and S. L. Benefield.

The program was interrupted because of the Senate committee hearing on the rural roads bill on the same day. The hearing divided the crowd as many members and speakers went to Austin. The Texas Employment Commission had a representative at the Lubbock meeting to explain the "wage freeze" as it relates to farmers and their employees.

The wage freeze, according to the representative, is essentially as explained in this news column last week. He urged all farmers who felt that they might have to pay more than the ten percent raise in wages in order to get the needed labor to make application to the department of labor at Ft. Worth for this raise before hand so they would have no loss of time.

The Lubbock meeting had approximately fifteen counties represented and they passed a resolution thanking Senator Corbin for his efforts in behalf of farm legislation and requesting his support for the rural road bill. A copy of this resolution was sent him by wire that morning.

Regardless of all efforts of farm and city representatives in the senate committee, the rural road bill has finally been sent to a subcommittee for further study. The outcome of the bill is still uncertain.

The proposed organization of area farm youth into a Youth Farm Bureau was postponed because of the interrupted program in Lubbock. The proposed plan will organize the young boys on farms to function toward their general interest similar to the Farm Bureau. The need and desire for such organization is evident throughout Dickens county and other counties, and it is expected that such plans will be instigated in the near future.

## McADOO SENIORS TO PRESENT PLAY FRIDAY NIGHT

"Among the Stars," a comedy in three acts, will be presented by the McAdoo Senior Class on Friday, April 27, at 8:00 p. m. in the McAdoo high school auditorium. Admission charge will be 50 cents for adults and 25 cents for students.

## Rodeo Head Lauds Volunteer Officials

Arena officials were announced this week by directors of the Spur Cowboy Jubilee to supplement the recently announced and published list of committee chairman and judges.

The board of directors of the annual event state that they are proud to re-elect these men for the 1951 show. "They have taken their own time that we may have a successful rodeo," states a spokesman of the directors.

The Spur Cowboy Jubilee organization is a non-profit organization that operates from the income of the rodeo each year. When a surplus is acquired, the money is used to improve the grounds and facilities for the following show.

Arena officials for the 1951 show are: Ab Smith, arena director; Glenn Smith, assistant arena director; Swede Swenson and Sonny Mayo, pick-up men; Newt Bingham, stock superintendent; Larry Boothe and Fred Kinney, announcers; Bob Williams and Chas Taylor, timers; Eric Swenson, manager; John Webb, Superintendent; Melvin King, band director; and Mrs. Beth Simmons, sponsors hostess.

Odell Blackwell will ride with the U. S. Flag, and Ted Fry the Texas Flag.

Directors of the Jubilee are Johnnie Koonman, Tom Johnson, Dick Sampson, Bob McAttee, Bill Andrews, M. L. Rickels, Bob Weaver, Carl Murray, and Eric Swenson.

Dates for the 1951 show are May 30 through June 2 with performances each night. Downtown parades will be held on the afternoons of Wednesday and Saturday.

## Steel Hill Church To Have Homecoming

The Steel Hill church announces the homecoming of its present and former members, friends and acquaintances on Sunday, May 13.

Luncheon will be served at noon, and a special program is being planned. Former residents of the Steel Hill community are extended special invitations to attend and renew friendships. Former pastors of the church will be special guests.

## CONSUMERS STOCKHOLDERS TO HAVE ANNUAL MEET

Stockholders of Consumers Fuel association will meet for the annual report, election of officers and transaction of regular business at 10 a. m. in Matamoros, (Friday), in the station. All stockholders are urged to attend. Jeff Smith is president of the association.

change where one can buy anything from electric supplies to groceries, and a radio station. They have done everything possible to make things seem like we are still in the United States.

"I am hiring a Japanese houseboy. He makes the bed, sweeps the floor, shines shoes, presses clothes, etc. He only costs \$3 per month!

## Convincing Themselves Their New Shoes Are Real

These two Italian youngsters can scarcely believe their own eyes, as they examine two of 800,000 pairs of shoes made and distributed in Italy through a project sponsored by the United Nations International Children's Emergency Fund. Scenes like this one will soon be repeated again and again in the south Italian commune of Pollica, whose Mayor had reluctantly turned down a UNICEF offer of 50 pairs of shoes, because 300 children had no shoes at all and he hadn't the heart to pick out only 50 lucky ones. Now he doesn't have to make the choice, because a manufacturer in the United States, reading of his dilemma, telephoned UNICEF and offered to ship 250 pairs of shoes free for all of Pollica's neediest children.

## SPUR NINE DEFEAT CHIEFS BY 17 - 9 SCORE TUESDAY

### Coordinator Warns Of Closing Date For G. I. Bill Schooling

July 25, 1951, is a critical date in the education and training program under the Servicemen's Readjustment Act, states John H. Montgomery, Coordinator Dickens County Vocational School, Spur, Texas.

This article is written in order that all veterans interested in furthering their education under this bill will be made fully aware of the importance of this date and of its effect on their education and training program.

The law provides that a course of education or training shall be initiated and in effect before the termination of 4 years after the date of discharge or by July 25, 1951, whichever is the later, and such education or training cannot be afforded beyond July 25, 1955.

Therefore, a veteran otherwise eligible must have commenced and actually be pursuing his course of education on July 25, 1951.

To summarize, all non disabled veterans desiring training under the G. I. Bill must actually be in training in a college, private school, or a county vocational school on July 25 of this year, otherwise he will forfeit his eligibility.

To actually be in training on this date, the veteran will need to start sometime before July 21, as most schools have their enrollment dates on days other than this. For instance, summer school in most of the colleges start sometime in June. All county vocational schools begin billing, or enrolling periods, on May 6, June 3 and July 1.

As it sometimes takes the Veterans Administration several months to process the papers on new veteran students, it is advisable for all men planning on entering school to make application immediately. Especially fit this important in the case of the Dickens County Vocational School and most other county schools, as many of the classes are full or nearly full, and waiting lists for vacancies are being made. Also, some classes of business and electrical nature are in danger of being discontinued May 6 or June 3 due to low enrollment at present.

Even though ample men have indicated their intention to enroll by July 25, 1951.

For these reasons, all veterans planning to take training are urged to make application immediately, so their applications can be processed and the schools can make plans to accommodate them.

## High School Band Goes To Contest In Canyon Friday

The Spur High school band 79 strong, will be among 4,000 high school musicians on the West Texas State college campus, Canyon, to participate in the Region I Interscholastic League Instrumental Music contest being held there today through Saturday.

Concert and sight-reading contests will be entered, and the "Marching 60," or regular marching band, will appear tomorrow night in the marching contest, states Melvin King, director.

Forty students will compete in solo and ensemble contests tomorrow afternoon, representing one of the largest groups from the entire region to participate in these activities.

A total of 54 bands and three orchestras from schools all over the Panhandle and South Plains areas are scheduled to compete in the three day music festival.

## Scouts Will Fly Kites On Sunday

A mile of kites will be flown at the Spur Experiment station at 3 p. m. Sunday, when Cub Scouts of Pack 37 hold their monthly pack meeting.

Prizes will be awarded for the best kite in each den and the best kite in the pack. Each den chief is also eligible for a prize on his kite.

Members of Pack 37 participated in a monthly hike down Duck creek last Sunday for approximately two miles. After the hike, campfires were built the cubs cooked supper.

## BULLDOGS RAP OUT 15 HITS IN THEIR FIRST 1951 VICTORY

The Spur Bulldogs came to life on the diamond against Crosbyton Tuesday afternoon, April 24 to drub the Chiefs 17-9. Last Friday's game with Ralls was postponed because of rain.

Joe Bell led his teammates at the plate with four hits in five trips up. Bell is batting a fantastic .727 for the season with eight hits in 11 trips to the plate.

### Award Won By Local Soil Conservation District In Contest

The Duck Creek Soil Conservation District won third place in Region I in the sixth annual "Save the Soil and Save Texas" conservation awards program sponsored by the Fort Worth Press.

The region included 51 counties in the Panhandle and South Plains. Awards are to be made on May 29 in Hale Center.

Winner of the competition is King-Stonewall district and Hale County won second place. The three top winners will receive \$300.00, \$200.00 and \$100.00 respectively.

Best Group honors were won by the north Post group of the Duck Creek District. They will receive a \$200.00 award.

## New Scout Pack Is Organized In Spur

Formation of a new Cub Scout Pack in Spur was announced today by Spencer Campbell, pack committee chairman, and Norton Barrett, cubmaster. The new pack is sponsored by the Rotary Club.

All interested boys between the ages of 8 and 11 are urged to come to the organization meeting to be held at 7:30 p. m., May 1, at the East Ward Primary school auditorium. Parents should attend this meeting also, as the success of the Cub program depends on their continued interest and participation. A film will be shown explaining the workings of the Cub Scout program.

The new pack was organized to meet the demand for more cubbing and 40 boys enrolled, more than a normal number.

"I urge all boys and their parents to attend this meeting and I guarantee that you will enjoy it and will want to take part in the program," cubmaster Barrett stated.

## Operetta Opens At East Ward Tonight

Curtain time for the operetta, "Fairies Are Really Truly," will be 8 p. m., tonight and tomorrow. The show, sponsored by the P.-T. A., is progressing and final plans are being made, states Mrs. George Gabriel, president.

A colorful stage setting of forest greenery and spring flowers and fairy costumes will be featured in the show. Mrs. Guy Karr and Mrs. E. A. Brashear are dance instructors.

Parents of the children are making costumes, and assisting the teachers with the play. The public is invited to attend. Admission will be 25 cents and 50 cents.

## Duck Creek Soil Conservation District News Notes

O. M. McGinty, Chairman  
Giles McCrary  
J. B. Montgomery, Secretary  
Clark Forbis, Witt

ton not long ago, has completed construction of a 5-mile terrace system. Terracing of the cropland was one of the practices planned that was to be established first.

Carter Robinson has had some old terraces rebuilt on his farm in East Doekum group and is building approximately 2.3 miles of new ones in one field. Santos Mercado has made fills in the terrace system on his place in Upper Elton group.

A new terrace system is in the finishing stage on Mrs. Nellie Bateman's farm at Glenn, T. B. Hicks, former operator of the place, built the terrace with a farm tractor and disk plow. The fills are being made by the new operator and the system will be completed as soon as that work is finished.

Thurmond Moore has built approximately 3 miles of new terraces on his farm in Spade Draw group.

## Instruction School Slated For P.-T. A.

Mrs. M. C. Butler, district president of Parent-Teacher association, will conduct on May 2 a school of instruction for all members, officers and patrons interested.

Mrs. George Gabriel, president of the local group, invites the presence of all parents of school students in order that they may become closer acquainted with the P.-T. A. organization in their schools.

Opening session will begin at 10 a. m. in the East Ward school, and the school will close at 3 o'clock. Luncheon will be served in the luncheon room.

Main speakers will be Mrs. N. H. Keller of El Paso, state vice-president, and Mrs. Robert Cross of Anson, district vice-president. Representatives of P.-T. A. groups in Jones, Fisher, Stonewall, Crosby, Kent, Motley, Cottle, and King counties will be present.

The plan of study will include planning of the year's work, yearbook problems and a study on parliamentary procedure.

### Mercury Sought In Big Bend Country

Not gold or silver, but mercury is being sought in the Texas Big Bend country near Alpine.

Historically, mining in the towering mountains along the Texas-Mexico border picks up in wartime and drops off in peacetime.

In 1917, peak demand year of World War I, about 76,000 pounds of mercury was taken out of the

small mines in Brewster and Presidio Counties. Production dropped then until World War II, when it was revived again.

Now inquiries are being received again. Students in geology at Sul Ross State College here spend many of their week-ends prospecting for mercury.

**Developed About 1896**

William A. McNulty, head of the school's department of geology, says "geology faculty members have been called on to investigate a few new discoveries."

Romantic names mark the development of the mercury or "quicksilver" industry in Texas. They include Study Butte, Mariposa, Fresno, Solitario, Chiso and Terlingua—all names of mining places in the Big Bend.

Presence of quicksilver in the Terlingua district may have been known as early as 1850 but real development began about 1896 near a settlement called California Hill.

Only gold and silver are more valuable, on a cash per pound

basis, than quicksilver. And in wartime the value of quicksilver goes up.

It has three main war uses: Mercury fulminate for detonating explosives, calomel for troops in the field, and corrosive sublimate for camp and hospital sanitation. Mercury is essential to production of all three.

### Spring A.G.A. Meet Slated For Dallas

Gas men will take stock of their industry's resources supporting the nation's defense program when they gather in Dallas, May 7-8 at the 1951 spring meeting of the American Gas Association's Natural Gas Department, according to Elmer F. Schmidt, Lone Star Gas Company vice-president who is chairman of the meeting program committee. Session at the Baker Hotel will be presided over by Charles E. Bennett, vice-president of the A. G. A. and chairman of its Natural Gas Department. Mr. Bennett is president of the Manufacturers Light and Heat Company of Pittsburgh.

"The natural gas industry of the United States is prepared to meet extreme demands for fuel

under an all-out natural defense program while continuing to furnish complete natural gas requirements to millions of long-established domestic, commercial and industrial consumers," Mr. Bennett said. "The order of the day is building the armed forces of our country and as an industry we stand ready to carry our full responsibilities in support of this program."

Theme of the meeting will be "Economy of Natural Gas in National Defense Mobilization" and key-note will be Bruce K. Brown of Washington, D. C., Deputy Administrator of the Petroleum Administration for Defense. Speaking on all aspects of the gas industry will be D. A. Huley of Dallas, Lone Star Gas Company president and president of the American Gas Association. His subject will be "The Association and the Industry."

## Miss Eula Whitaker Is Awarded Official Delta Kappa Gamma President's Pin

Miss Eula Whitaker, teacher in the East Ward school, was presented the official Delta Kappa Gamma president's pin in a meeting of Gamma Eta chapter held Saturday in Jayton. Miss Whitaker has served as president of the local chapter for the past year, and has been re-elected for another term.

Mmes. John Fowler and E. M. Jones were hostesses at the Saturday meeting in the home economics cottage.

Mrs. Tom Fowler played several musical selections preceding a business session. A group of members presented explanations of the use and purpose of Delta Kappa Gamma, introducing "white elephants" and their purpose. A collection of these interesting animals was made and shipped to the Fort Worth market. Plans were discussed for attendance at the state convention to be held Friday through Monday in Fort Worth.

session were Mmes. S. M. Jolly and W. C. Stubbs of Paducah; Roxi Lewis and John Heard of Roaring Springs; Clark Forbis of Afton; L. P. Hamilton, Eustice Blumberg and Misses Eula Whitaker and Margaret Elliot of Spur; and Mmes. E. M. Jones and John Fowler of Jayton.

Members will meet for a luncheon in Spur on May 12, the next regular meeting of Gamma Eta chapter.

## Mrs. Ligon Hosts Afton H. D. Club

Mrs. Bill Ligon entertained members of the Afton home demonstration club last Wednesday in her home.

Mrs. Harriett Hatcher, county home demonstration agent, gave a demonstration on altering and marking patterns, showing that with a few simple alterations any pattern could be adjusted to fit

Refreshments were served to Mmes. Vurl Hinson, W. A. Avara, Clark Forbis, Gib Ragland, Eva Braddock, Curtis Goodwin, Hatcher, and Ligon.

Mrs. Ragland will be hostess to the club on May 8, when Mrs. Hatcher will give a demonstration on how to "lay and cut plaids and stripes."

## Steel Hill Club Has Demonstration

Mrs. Jesse Powell showed methods of marking and altering patterns when sewing to members of the Steel Hill home demonstration club recently. Mrs. Massey was hostess.

Favorite pattern brands were given during roll call. Refreshments were served. Mrs. Nance will be hostess at the group's next meeting.

## Bagby Group Has Mission Program

Mrs. John Hazlewood entertained members of the Bagby circle of First Baptist church on Monday afternoon.

Refreshments were served to Mmes. Vurl Hinson, W. A. Avara, Clark Forbis, Gib Ragland, Eva Braddock, Curtis Goodwin, Hatcher, and Ligon.

Mrs. Ragland will be hostess to the club on May 8, when Mrs. Hatcher will give a demonstration on how to "lay and cut plaids and stripes."

## Girl Scouts Plan Exhibit Of Crafts

Girl Scouts of Troop III met Friday in the Girl Scout house for supervised recreation. The group painted lids and decorated with decals.

A discussion of Day Camp, held annually in the summer followed. Barbara Smith is leader of the troop.

In a previous meeting the members had made plates of plaster of paris to be shown with the decorated lids on exhibit at a later date.

The group will meet at 4 p. m. tomorrow in the Girl Scout house, according to Louise Williamson, reporter.

## Go to Church Sunday

## Neaves-Elliott Vows Read In Carlsbad

Miss Mildred Neaves and Don H. Elliott were married at 8:30 a. m., April 14, in the First Methodist church study in Carlsbad, N. M. Rev. Joe Emanuel performed the double ring ceremony.

Parents of the bride are Mr. and Mrs. W. F. Neaves of Girard. He is the son of Mrs. C. H. Elliott of Paducah, and the late Mr. Elliott.

The bride is a graduate of Spur High school and attended Texas Tech. She has been employed by the Veterans' Administration in Lubbock. Mr. Elliott, a graduate of Spur High school, attended Wentworth Military academy of Lexington, Missouri, Texas Tech and the University of Mexico City, D. F.

After a wedding trip to El Paso and Juarez the couple is at home in Paducah, where he is associated with C. H. Elliott Sales company.

## Pattern Aids Shown Dry Lake Club

Mrs. Buck Ballard demonstrated methods for cutting and altering a dress pattern to members

of the Dry Lake home demonstration club April 11.

The meeting was held in the community center. Roll call was answered when each member gave the brand of her favorite pattern.

Eleven members and a visitor were present for the demonstration.

## Book Review Given At Joint Meeting

A review of the book, "The Brother," written by Dorothy Clark Wilson, was given by Mrs. Marge Smith before a joint meeting of the East Spur and Soldier Mound home demonstration clubs April 19. The Soldier Mound group acted as hostess club, with Mrs. Ollie Hindman entertaining in her home.

A pale green taffeta cloth covered the serving table, with a centered arrangement of purple iris. Mrs. Fay McArthur presided at the punch bowl.

Lime sherbet punch and cookies were served to Mmes. John Aston, Hade Condon, Floyd Barnett, Henry Gruben, Lavada Meekins, Virginia Flournoy, Olene Watson, Mary Williams, Graden Bass, L. L. Arnold, John Webb, Russell Williams, King, Wallace Hinson,

## Highway News

Mr. and Mrs. Oren Wilks of Roswell, New Mexico, are guests of her sister, Mrs. Frank Walker.

Mr. and Mrs. Elmer Thoinason have completed the painting of all their farm buildings.

Mr. and Mrs. Manard Dagley, formerly of Lubbock, have completed their home and moved here.

Mr. and Mrs. Herma Lee McMellon were honored with a bridal shower on April 18. Mrs. Forrest Martin was hostess.

The teenagers of the community had a picnic Saturday at Silver Falls. They roasted weiners and marshmallows.

Our young people of the community have set out shade trees on the community grounds.

## Want ads get results

Melvin Ratheal, Loyd Roberson, Thurmond Morrow, the guest speaker, Mrs. Smith, and Mrs. Hindman.

## Los Picaros Club Has Mexican Supper

Los Picaros, high school Spanish club, was complimented with a Mexican supper in the backyard of Mr. and Mrs. Herschel Durha Monday evening.

Each member invited special guests. Mrs. Joe Grimland is instructor and sponsor of the group. Hot baked beans, chili, hot and iced soft drinks were served.

Dolls were dressed in Spanish costumes to complete a class project. A decorated pinata filled with candy and favors was broken and Spanish games were played.

Attending were Emma Lena Simpson, Robert Bradshaw, Myra Ratliff, Don Hill, Beverly Wood, Billy Hoover, Wynell Smith, Marie Caldwell, Ginger Walker, Paul Simmons, Anita Cunningham, Collin Reese, Jerry Price, Margaret Wood, Beryl Durham, Mr. and Mrs. Herschel Durham, the sponsor, Mrs. Grimland, and Mrs. Horace Wood.

Mr. and Mrs. P. R. Davis and Virgil Rogers will leave this weekend for New Mexico where they will take possession of the Oasis courts, cafe and service station for the summer months. The camp is located west of Carlsbad, near the Carverns.

## WHITE MAGIC

on every stitch of your wash!

Out of this marvelous machine comes washing magically clean, fresh, and sweet—with no work—and you never touch water!

New Bendix Economat "White Magic" Agitator gets shirts, sheets snow-white—wash dresses and blouses color-bright!

- New "Undertow" agitator washing and rinsing
- New, exclusive "Kins-Saver" saves up to 56 gallons of hot water every washday
- New Floataway-Flushaway draining
- Flexible metalloy "Wondertub" guaranteed 5 years in writing
- No wringer, no high-speed spinner, no bolting down
- New porcelain top for extra work surface
- Fits anywhere in house or apartment
- Budget Terms! Trade-Ins!

See the washer that works "White Magic" in action today!

West Texas Utilities Company

Owner after owner... Year after year—says

# "IT'S DODGE FOR DEPENDABILITY"

MORE MILEAGE LONGER CAR LIFE

DODGE OWNERS TESTIFY

"NOW DRIVING MY FIFTH DODGE!"

"My big 1951 Dodge is more than living up to the Dodge reputation for dependability, ruggedness and low cost of maintenance. It's the fifth dependable Dodge I've owned."

—says Geo. A. Hughes, Grasse Pointe Farms, Michigan

"I'VE PUT THE EQUIVALENT OF FOUR YEARS' DRIVING ON MY '50 DODGE!"

"As a salesman, my 1950 Dodge is always on the go. I figure that I have already put the equivalent of four years of average driving on it—with out spending any appreciable amount of money for repairs."

—says Harry H. Hurst, Houston, Texas

You could pay up to \$1,000 more and still not get all the extra room, riding comfort and rugged dependability of Dodge

TAKE THE WORD OF OWNERS WHO know Dodge value and dependability from actual experience. "No major repairs in four years' driving" — "After driving another make less than a year, I'm back with Dodge again" — "Driven my Dodge 150,000 miles and it's still going strong." These are not unusual comments in letters we receive from Dodge owners coast-to-coast. Dodge dependability starts with a heavy, rugged frame, a "Get-Away" engine "speed-proofed" to resist wear, designed to be a miser on gas.

There's a safe, rigid, all-steel body, rubber-mounted to eliminate rattle and squeak.

New Safer, Smoother Ride

Dodge Oriflow Shock Absorbers "float" you over roads that stop other cars, cushion vital chassis parts against road shocks... make them last years longer.

Take 5 minutes to check Dodge dependability in long life, extra comfort and safety, low-cost maintenance and gas economy. Come in today for the complete Dodge story.

Specifications and equipment subject to change without notice

# JONES MOTOR CO.

Spur, Texas

**Covered Supper Is Guild Courtesy**

A covered dish supper was given members of the First Methodist Wesleyan Guild in the church basement Monday night. Mrs. C. O. Fox and Mrs. Van North were hostesses. A menu of ham, green beans, rolls, fruit salad, strawberry shortcake and

iced tea was served. A report on the successful bakery sale held recently was given. Mrs. Fox, president of the group, appointed Mrs. Jack Rector to head a nominating committee. Assisting her will be Mrs. J. W. Henry and Mrs. Lane Bachman. Mrs. W. F. Gilbert reviewed a book on foreign missions. Attending were Meses. Harry

Miller, L. E. Lee, O. D. Thompson, M. C. Hurst, R. L. Walker, Raul English, D. E. Corley, Cal Wright, Andy Hurst, James Cowan, Raymond Higginbotham, Wilburn Ball, Nina King, Vivian Gibson, John Webb, Henry, North, Bachman, Fox, Rector, Gilbert, and Marilyn Miller and Landis Higginbotham. New members present were Mrs. G. W. Grimes and Mrs. Ver-

non Harris, and visitors were Mrs. Clarence Young and Mrs. Lamb. **NOTE OF THANKS** We wish to thank our many friends for their words of sympathy and the beautiful floral offering in the loss of our loved one The Relatives of Mrs. Hazel McCleskey.

**CARD OF THANKS** We deeply appreciate every effort put forth during the illness and death of our husband and father. Especially do we appreciate every word of comfort, the wonderful food and beautiful floral offering. May God's richest blessings be with each and everyone in our prayer. The Havens Family.

# Stretches your budget by miles!

## Economy that counts

If your budget's on your mind—get the story on Mercury now! It's a money-saver in the one way that counts—mile-after-mile economy. For proof, look at the record. Mercury with overdrive was first in its class in the Mobilgas Economy Run for the second straight year. This record confirms what every Mercury owner's pocketbook tells him every mile he drives—Mercury costs less to run! See this great value car today!

## Looks that last

Mercury's value shows up in Mercury's styling, too. That on-the-move look that stands out in every line of the 1951 Mercury means this car stays modern-looking far longer. Inside, a blend of spaciousness and cushioned comfort. Throughout, soundly engineered, sound-proofed construction. Both long-lived luxury and more miles of good-looking life than you ever imagined are built into the 1951 Mercury! See it today.

**3-WAY CHOICE!** For "the drive of your life!" Mercury now proudly makes available a triple choice in transmissions. Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

Standard equipment, accessories, and trim illustrated are subject to change without notice.

## Crochet A Posy Bonnet

All eyes will be on this gay flower bonnet and the girl who wears it. Brilliantly colored posies against fresh white, make this pert and feminine chapeau fun to crochet and even more fun to wear. It's right in line with this spring's flower-decked fashions, and equally good for summer, with or without the posies. The materials needed are Kentucky All Purpose, a lustrous rayon yarn, and millinery wire to stiffen the brim. Send a self-addressed stamped envelope to the Woman's Page Editor of this newspaper for free instructions.

Uncle Dan delivered such a long and eloquent prayer in church Sunday that it looked as if he were doing his best to draw heaven's attention from all other prayers.

A young man is better off if he marries a widow. He has such poor judgment that it is better for him to be picked than to pick somebody for himself.

## Meet Saving Tips Are Thrifty Methods

The United States is a meat-eating nation and the rise of meat costs has struck the average income a stunning blow.

This is a second of three articles prepared with the cooperation of the Foods and Nutrition Department of Texas Technological College which are intended to show the housewife how to save on groceries.

Protein is essential to maintain body muscles and build tissue. Meat is an excellent protein and a favorite food. Home economists used to recommend that the homemaker slash meat costs by purchasing cheaper cuts of meat. No cuts are cheap today, but some are less expensive.

Cheaper cuts of meat come from the neck, shank and brisket. They can be used in stews and soups. The housewife often finds a variation in the price of similar cuts in different markets.

Increased little in cost and are high in nutrition.

Calf liver costs have risen some, but the housewife may substitute pork liver or beef liver, both of which equal or better the food value of calf liver because they are slightly stronger in flavor than the calf liver.

Poultry, some fish and pork are among the cheapest meats. The housewife should use them to replace beef and lamb on occasions.

## COTTON QUIZ

HOW MUCH DID THE BOLL WEEVIL'S APPETITE COST THE COTTON FARMER IN 1950?

SMACK! UMM! GOOD! SMACK! HA! SMACK!

THE BOLL WEEVIL AND OTHER INSECTS DAMAGED NEARLY SIX HUNDRED MILLION DOLLARS WORTH OF COTTON!

This variation is often due to the quality of the meat. A round steak from an animal of "Utility" grade costs less than a steak from an animal of "Choice" grade. The homemaker can realize a budget saving if she uses the lower grades, if passed by the federal or state inspectors, are as nutritious and wholesome as the higher grades.

The lower grade animals usually are older or have not been fattened properly. The difference in tenderness can be overcome by cooking with moist heat.

The homemaker should guard against paying for bone. She should purchase the more "meaty" cuts when possible. If bones are purchased, they can be used to produce an extract for soups and gravies.

Another method of reducing meat costs and increasing the nutritive values in the diet is by using "variety cuts," which include brains, heart, kidneys, liver and tongue. These meats have in-

creased little in cost and are high in nutrition.

Calf liver costs have risen some, but the housewife may substitute pork liver or beef liver, both of which equal or better the food value of calf liver because they are slightly stronger in flavor than the calf liver.

Poultry, some fish and pork are among the cheapest meats. The housewife should use them to replace beef and lamb on occasions.

The dark meat of chicken contains as much thiamin, B1, one of the nutrients for which we eat meat, as does lean beef.

Thus the housewife can save on her meat budget by: 1—buying cuts of lower grade animals; 2—buying cuts which give more edible portions; 3—by using fish, chicken, liver, heart, tongue, and many others; and 4—by using meat substitutes such as cheese and eggs.

## Feather Picking Is Common In Chicks

Cannibalism, or feather picking, has become increasingly worse in flocks of young chicks, states a recent agriculture report.

Feather picking is caused by several factors, including close confinement, idleness or dietary deficiencies.

Treatment of this trouble consists of increasing the salt content of the diet for 2 or 3 days. If an all mash ration is being fed, 2% of salt is added; but if grain and mash are being fed, 4% salt

## Brownie Troop IV Has Monday Meet

Flower pots were painted and flowers planted when Brownie Scout Troop IV met Monday in the Girl Scout house.

Present were Cookie Gregory, Linda Meekins, Paula Dean Foreman, Barbara Nell Foreman, Carol Marcy, Rozelle Marcy, Rita Williams, and Charlotte Ramsey.

Mrs. Phil Meekins is leader of the troop. Plans were made to plant more flowers to help beautify the Scout house.

Mrs. B. F. Weeks of Stamford is visiting for several days in the home of her daughter, Mrs. Darrell Grogan.

# "Smart Buy's Roadmaster"

It started the day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions—and the prices—and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is?

It's a honey to handle—a joy to ride in—and just about the handsomest thing on wheels.

It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a sweeping view fore and aft through broad and uncluttered glass areas, and the new clarity of an instrument panel with high visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Equipment, accessories, trim and models are subject to change without notice.

YOUR KEY TO GREATER VALUE

**LAFF OF THE WEEK**

"A Car With A Good Heater? Man, You ARE In Luck - I've Got Just What You're Looking For!"

**YOUR brain budget**

1. Were Tom Brown's school days spent at (a) Eton, (b) Groton, (c) Rugby or (d) Reform school?
2. Should you connect Aida with (a) Egypt, (b) Troy or (c) Venice?
3. Did (a) Plato, (b) Socrates or (c) Aristotle say, "I owe a cock to Asclepius; will you remember to pay him?"
4. Is an "anchortie" a (a) hermit, (b) type of poison gas, or (c) thermometer?
5. Were the 10 Commandments originally written in (a) Greek, (b) Egyptian, or (c) Hebrew?

**ANSWERS**  
 1-(a) Rugby, (b) Eton, (c) Groton, (d) Reform school.  
 2-(a) Egypt, (b) Troy, (c) Venice.  
 3-(a) Socrates, (b) Plato, (c) Aristotle.  
 4-(a) hermit, (b) type of poison gas, (c) thermometer.  
 5-(a) Hebrew, (b) Egyptian, (c) Greek.

**Graduation Dates Set At Baylor U.**

Texas Governor Allan Shivers and Attorney General Price Daniel will be among five to receive honorary doctor's degrees at the Baylor University commencement Sunday, May 27, President W. R. White has announced. Dr. White revealed degrees will go also to Dr. Arthur Compton, world-famous physicist, educator and author, who will make the commencement address; Rev. James Landes, pastor of the First Baptist Church of Wichita Falls, who will preach the baccalaureate sermon; and Rev. E. S. Hutcherson, pastor of the First Baptist Church of Mexia and former president of Corpus Christi University. The baccalaureate services will be held at 11 a. m. Sunday in Waco Hall on the Baylor campus, and the Commencement address by Dr. Compton, president of Washington University at St. Louis, will be heard in Baylor's new 50,000 seat football stadium.

**Help us round up empty Coke bottles, cartons, cases**

**And get CASH from your dealer**

When you go to the store for Coca-Cola, please remember to take along any empty bottles, cartons and cases you have around the house. You'll probably want to turn some of them in on a fresh supply of Coke. Your dealer will give you cash for the rest as follows:

Single bottle 4¢  
 Carton and bottles 27¢  
 Case and bottles \$1.00

There's plenty of Coke for everybody. But we need bottles, cartons and cases to put it in. Won't you help us round them up now and keep them in circulation in the future?

Please return the paper carton when you buy Coke

TEXAS COCA-COLA BOTTLING COMPANY  
 "Coke" is a registered trade-mark.

**Bill Offered To Reallocate Gas Tax**

Texas cities asked the state Legislature recently to help them out with their financial problems. Two bills were introduced to refund to the cities most of the money the state collects from

taxes on gasoline used by city-owned cars and trucks, city buses and taxicab companies. By the state Constitution, one-fourth of the money must go to the public school fund. Cities want the rest. A measure introduced in the Senate by Senator Searcy Bracwell of Houston would exempt city-owned vehicles from paying the state gasoline tax, or—if they

paid it—to refund it to the city. Bracwell said it had been estimated that the exemption would save Houston \$48,500 a year. A measure introduced in the House by Rep. Charles Murphy of Houston would refund to the city gasoline tax money paid by city buses and taxicab companies operating under a city franchise. The city would have to use the money for building and maintaining streets. Murphy said it had been estimated that the refunds would bring Houston about \$700,000 a year. The bills are sponsored by the Texas League of Municipalities. Similar ones last year failed to pass.

Abolish the present State Board of Control with its three full-time salaried members. Set up a new Board of Control on a part-time basis. This board would elect a full-time management director to assume powers and responsibilities now handled by the Board of Control—such as in making purchases for all state agencies. The new Board of Control would also elect a hospital and special schools director as its executive agent in managing the multimillion dollar state hospital system. Hardeman's plan would go into effect Sept. 1, the start of the State's next fiscal year. The Senate State Affairs committee set March 12 for a public hearing.

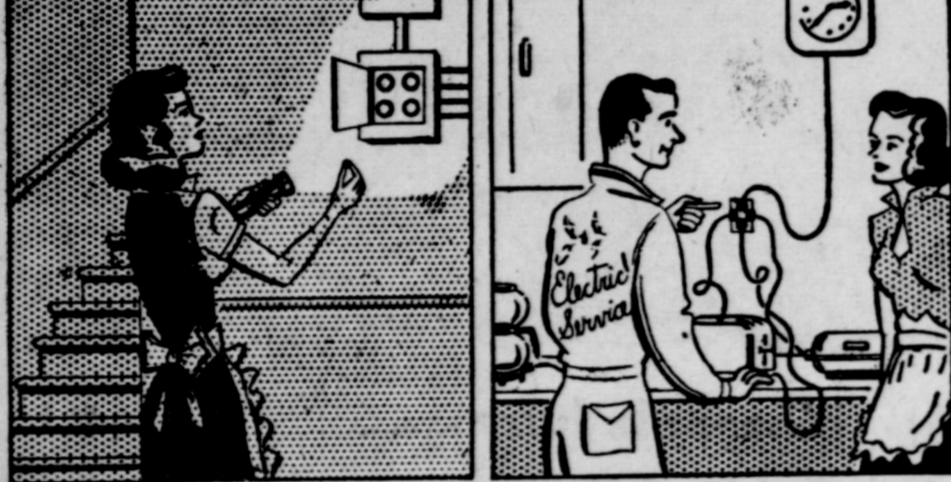

**New Board Asked For State Hospitals**

A new plan for directing the care of Texas' 21,000 wards of the state was offered recently in Austin. It was tied closely with proposed reorganization of the State's business management setup under the Board of Control. The bills, introduced by Senator Dorsey B. Hardeman of San Angelo would: Abolish the nine-member State Board for Hospitals and Special Schools established two years ago.

**Economic Index Is New Education Aid**

The state board of Education recently adopted a new economic index for the four years starting Sept. 1. The index is the percentage each county must contribute to the \$45 million dollars per year in local school taxes under the Gilmer-Akin program. The new index, first revision of that written in the original law, generally reduces the factor for

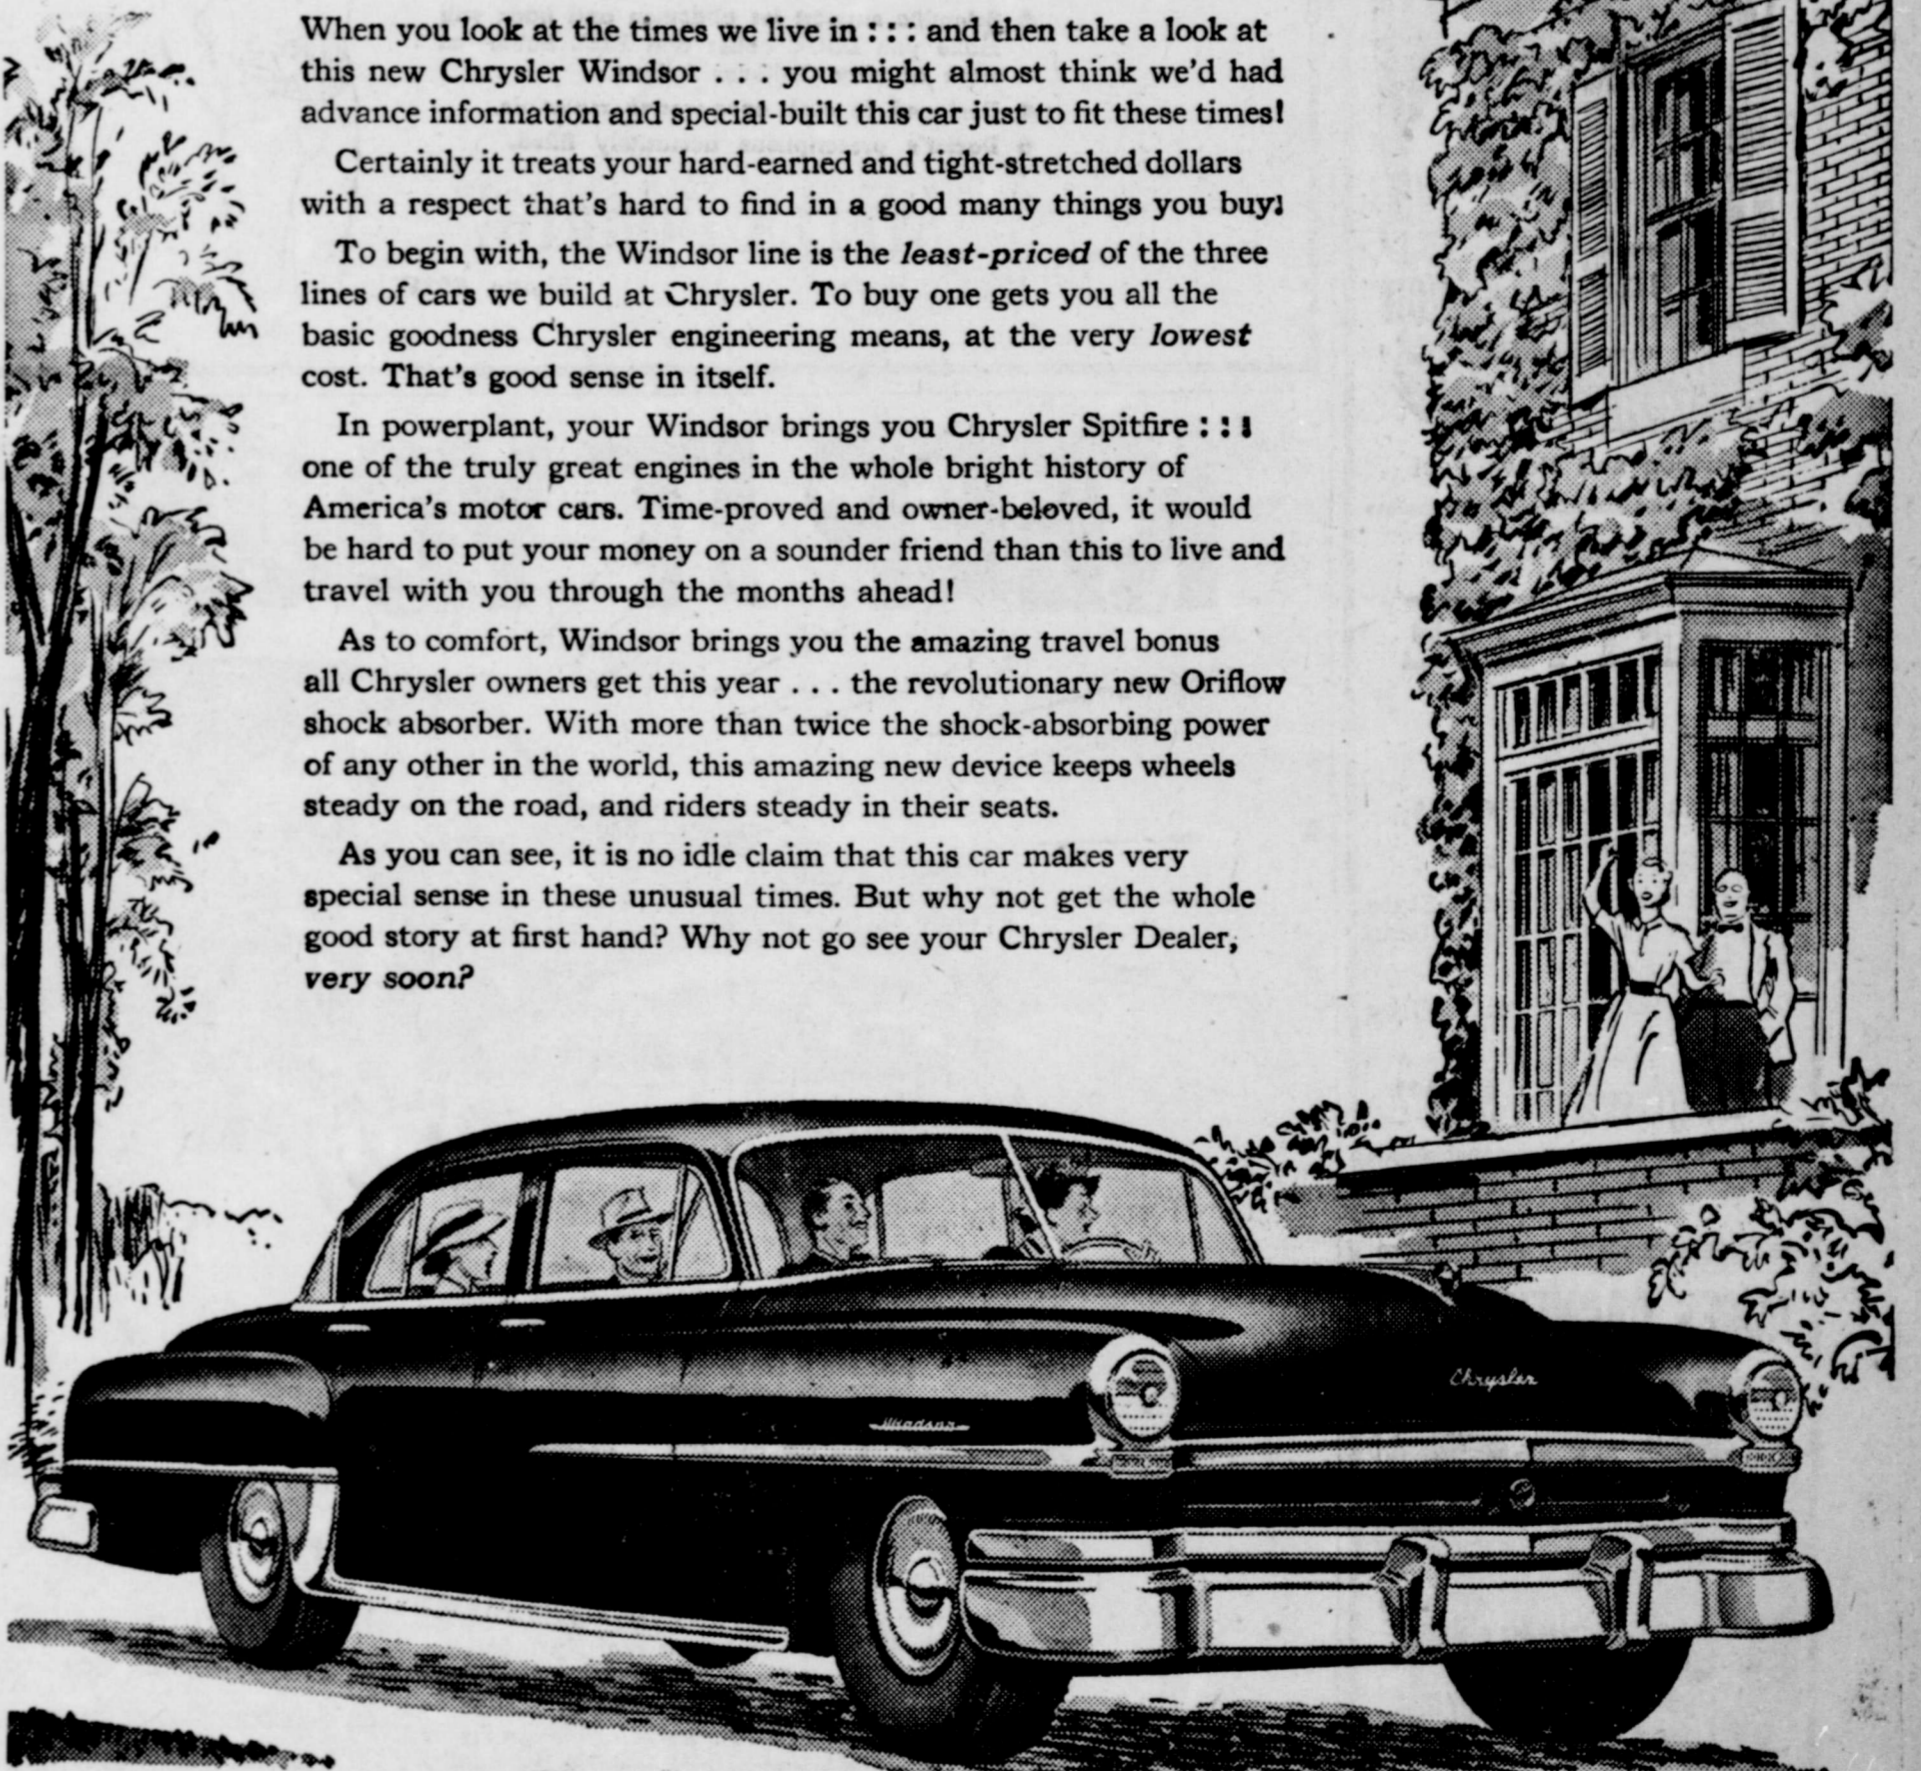

**ELECTRICAL TIPS FOR THE HOME**  
 If You Are Bothered by Frequent Blowing of Fuses . . .

**DON'T** court danger by using pennies or over-size fuses to prevent interruption of the current. When a fuse blows, it's your warning that something definitely is wrong.

**DO** check to determine the cause. The trouble may be a faulty cord, more likely it's an overloaded circuit. If so, you'll need another circuit to make your wiring as efficient as your appliances.

**It makes your dollars talk great good sense!**

When you look at the times we live in . . . and then take a look at this new Chrysler Windsor . . . you might almost think we'd had advance information and special-built this car just to fit these times!

Certainly it treats your hard-earned and tight-stretched dollars with a respect that's hard to find in a good many things you buy! To begin with, the Windsor line is the *least-priced* of the three lines of cars we build at Chrysler. To buy one gets you all the basic goodness Chrysler engineering means, at the very lowest cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire . . . one of the truly great engines in the whole bright history of America's motor cars. Time-proved and owner-beloved, it would be hard to put your money on a sounder friend than this to live and travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus all Chrysler owners get this year . . . the revolutionary new Oriflow shock absorber. With more than twice the shock-absorbing power of any other in the world, this amazing new device keeps wheels steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very special sense in these unusual times. But why not get the whole good story at first hand? Why not go see your Chrysler Dealer, very soon?

Beautiful to look at! . . .  
 Beautiful to drive!

Doctors state that the man in overalls isn't physically able to keep up with the modern trucks and tractors. They give the man a "heck of a going over."

Kidneys, liver and other organs are actually jarred from their mooring. Also, the spine can be injured. Occasionally doctors report the collapse of a farmer's intervertebral disc with resulting pressure on the nerves, causing disability and often time resulting in major surgery.

Doctors advise "Men, get into a girdle-Not a two-way stretch-get one you can lace and tuck yourself into."

**SPENCER INDIVIDUALLY DESIGNED SUPPORTS FOR MEN**

Refreshments were served to Mrs. Vurl Hinson, W. A. Avara, Clark Forbis, G. B. Ragland, Eva Braddock, Curtis Goodwin, Hatcher, and Ligon.

Mrs. Ragland will be hostess to the club on May 8, when Mrs. Hatcher will give a demonstration on how to "lay and cut plaids and stripes."

### Steel Hill Club Has Demonstration

Mrs. Jesse Powell showed methods of marking and altering patterns when sewing to members of the Steel Hill home demonstration club recently. Mrs. Massey was hostess.

Favorite pattern brands were on during roll call. Refreshments were served. Mrs. Nance will be hostess at the group's next meeting.

### Bagby Group Has Mission Program

Mrs. John Hazlewood entertained members of the Bagby circle of First Baptist church on Monday afternoon.

Mrs. John Adams led the devo-

tional and scripture reading. Mrs. Sallie Shockley gave the opening prayer, assisted by Mrs. Hazlewood.

A mission lesson was taught, and Mrs. G. B. Morris gave the closing prayer. Attending were Mrs. Hattie Turvan, Roscoe McCombs, Myrtle Whitwell, Morris, Shockley, Hazlewood and two new members, Mmes. Dunaway and Darrell Grosan.

### Girl Scouts Plan Exhibit Of Crafts

Girl Scouts of Troop III met Friday in the Girl Scout house for supervised recreation. The group painted lids and decorated with decals.

A discussion of Day Camp, held annually in the summer followed. Barbara Smith is leader of the troop.

In a previous meeting the members had made plates of plaster of paris to be shown with the decorated lids on exhibit at a later date.

The group will meet at 4 p. m. tomorrow in the Girl Scout house, according to Louise Williamson, reporter.

### Go to Church Sunday

### Neaves-Elliott Vows Read In Carlsbad

Miss Mildred Neaves and Don H. Elliott were married at 8:30 a. m. April 14, in the First Methodist church study in Carlsbad, N. M. Rev. Joe Emanuel performed the double ring ceremony.

Parents of the bride are Mr. and Mrs. W. F. Neaves of Girard. He is the son of Mrs. C. H. Elliott of Paducah, and the late Mr. Elliott.

The bride is a graduate of Spur High school and attended Texas Tech. She has been employed by the Veterans' Administration in Lubbock. Mr. Elliott, a graduate of Spur High school, attended Wentworth Military academy of Lexington, Missouri, Texas Tech and the University of Mexico City, D. F.

After a wedding trip to El Paso and Juarez the couple is at home in Paducah, where he is associated with C. H. Elliott Sales company.

### Pattern Aids Shown Dry Lake Club

Mrs. Buck Ballard demonstrated methods for cutting and altering a dress pattern to members

### of the Dry Lake home demonstration club April 11.

The meeting was held in the community center. Roll call was answered when each member gave the brand of her favorite pattern.

Eleven members and a visitor were present for the demonstration.

### Book Review Given At Joint Meeting

A review of the book, "The Brother," written by Dorothy Clark Wilson, was given by Mrs. Marge Smith before a joint meeting of the East Spur and Soldier Mound home demonstration clubs April 19. The Soldier Mound group acted as hostess club, with Mrs. Ollie Hindman entertaining in her home.

A pale green taffeta cloth covered the serving table, with a centered arrangement of purple iris. Mrs. Fay McArthur presided at the punch bowl.

Lime sherbet punch and cookies were served to Mmes. John Aston, Hade Condon, Floyd Barnett, Henry Gruben, Lavada Meekins, Virginia Flournoy, Olene Watson, Mary Williams, Graden Bass, L. Arnold, John Webb, Russell Williams, King, Wallace Hinson,

### Highway News

Mr. and Mrs. Oren Wilks of Roswell, New Mexico, are guests of her sister, Mrs. Frank Walker.

Mr. and Mrs. Limer Thomason have completed the painting of all their farm buildings.

Mr. and Mrs. Manard Dagley, formerly of Lubbock, have completed their home and moved here.

Mr. and Mrs. Herma Lee McMellon were honored with a bridal shower on April 18. Mrs. Forrest Martin was hostess.

The teenagers of the community had a picnic Saturday at Silver Falls. They roasted weiners and marshmallows.

Our young people of the community have set out shade trees on the community grounds.

### Want ads get results

Melyin Ratheal, Loyd Roberson, Thurmond Morrow, the guest speaker, Mrs. Smith, and Mrs. Hindman.

### Los Picaros Club Has Mexican Supper

Los Picaros, high school Spanish club, was complimented with a Mexican supper in the backyard of Mr. and Mrs. Herschel Durbin Monday evening.

Each member invited special guests. Mrs. Joe Grimland is instructor and sponsor of the group. Hot baked beans, chili, hot and iced soft drinks were served. Dolls were dressed in Spanish costumes to complete a class project. A decorated pinata filled with candy and favors was broken and Spanish games were played.

Attending were Emma Lena Simpson, Robert Bradshaw, Myra Ratliff, Don Hill, Beverly Wood, Billy Hoover, Wynell Smith, Marie Caldwell, Ginger Walker, Paul Simmons, Anita Cunningham, Collin Reese, Jerry Price, Margaret Wood, Beryl Durham, Mr. and Mrs. Herschel Durbin, the sponsor, Mrs. Grimland, and Mrs. Horace Wood.

Mr. and Mrs. P. R. Davis and Virgil Rogers will leave this weekend for New Mexico where they will take possession of the Oasis courts, cafe and service station for the summer months. The camp is located west of Carlsbad, near the Carverns.

Owner after owner... Year after year... says

# "IT'S DODGE FOR DEPENDABILITY"

**MORE MILEAGE LONGER CAR LIFE**

**DODGE OWNERS TESTIFY**

"I'M DRIVING MY FIFTH DODGE!"

"My big 1951 Dodge is more than living up to the Dodge reputation for dependability, ruggedness and low cost of maintenance. It's the fifth dependable Dodge I've owned."

—says Geo. A. Hughes, Greece Point, Burns, Michigan

"I'VE PUT THE DODGE... ALERT OF FOUR YEARS' DRIVING ON MY '50 DODGE!"

"As a salesman, my 1950 Dodge is always on the go. I figure that I have already put the average driving an '8-wif' not spending any appreciable amount of money for repairs."

—says Harry H. Burns, Houston, Texas

You could pay up to \$1,000 more and still not get all the extra room, riding comfort and rugged dependability of Dodge

There's a safe, rigid, all-steel body, rubber mounted to eliminate rattle and squeak.

**New Safer, Smoother Ride**

Dodge Offroad Shock Absorbers "Boat" you over roads that stop other cars, cushion vital chassis parts against road shocks... make them last years longer.

Take 5 minutes to check Dodge dependability in long life, extra comfort and safety, low-cost maintenance and gas economy. Come in today for the complete Dodge story.

# JONES MOTOR CO.

Spur, Texas

**Covered Supper Is Guild Courtesy**

A covered dish supper was given members of the First Methodist Wesleyan Guild in the church basement Monday night. Mrs. C. O. Fox and Mrs. Van North were hostesses. A menu of ham, green beans, rolls, fruit salad, strawberry shortcake and

iced tea was served. A report on the successful bakery sale held recently was given. Mrs. Fox, president of the group, appointed Mrs. Jack Rector to head a nominating committee. Assisting her will be Mrs. J. W. Henry and Mrs. Lane Bachman. Mrs. W. F. Gilbert reviewed a book on foreign missions. Attending were Mrs. Harry

Miller, L. E. Lee, O. D. Thompson, M. C. Hurst, R. L. Walker, Raul English, D. E. Corley, Cal Wright, Andy Hurst, James Cowan, Raymond Higginbotham, Wilburn Ball, Nina King, Vivian Gibson, John Webb, Henry, North, Bachman, Fox, Rector, Gilbert, and Marilyn Miller and Landis Higginbotham. New members present were Mrs. G. W. Grimes and Mrs. Ver-

non Harris, and visitors were Mrs. Clarence Young and Mrs. Lamb.

**NOTE OF THANKS**  
We wish to thank our many friends for their words of sympathy and the beautiful floral offerings in the loss of our loved one The Relatives of Mrs. Hazel McCleskey.

**CARD OF THANKS**  
We deeply appreciate every effort put forth during the illness and death of our husband and father. Especially do we appreciate every word of comfort, the wonderful food and beautiful floral offering.  
May God's richest blessings be with each and everyone in our prayer.  
The Havens Family.

*Stretches your budget by miles!*

**Economy that counts**

If your budget's on your mind—get the story on Mercury now! It's a money-saver in the one way that counts—mile-after-mile economy. For proof, look at the record. Mercury with overdrive was first in its class in the Mobilgas Economy Run for the second straight year. This record confirms what every Mercury owner's pocketbook tells him every mile he drives—Mercury costs less to run! See this great value car today!

**Looks that last**

Mercury's value shows up in Mercury's styling, too. That on-the-move look that stands out in every line of the 1951 Mercury means this car stays modern-looking for longer. Inside, a blend of spaciousness and cushioned comfort. Throughout, soundly engineered, sound-proofed construction. Both long-lived luxury and more miles of good-looking life than you ever imagined are built into the 1951 Mercury! See it today.

**3-WAY CHOICE!** For the drive of your life! Mercury now proudly makes available a triple choice in transmission. Merc-O-Matic Drive, the new smoother, smoother, more efficient automatic transmission—or Thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also standard standard transmission.

Standard equipment, accessories, and trim illustrated are subject to change without notice.

## Meet Saving Tips Are Thrifty Methods

The United States is a meat-eating nation and the rise of meat costs has struck the average income a stunning blow. This is a second of three articles prepared with the cooperation of the Foods and Nutrition Department of Texas Technological College which are intended to show the housewife how to save on groceries.

Protein is essential to maintain body muscles and build tissue. Meat is an excellent protein and a favorite food. Home economists used to recommend that the homemaker slash meat costs by purchasing cheaper cuts of meat. No cuts are cheap today, but some are less expensive. Cheaper cuts of meat come from the neck, shank and brisket. They can be used in stews and soups. The housewife often finds a variation in the price of similar cuts in different markets.

### COTTON QUIZ

HOW MUCH DID THE BOLL WEEVILS APPEAL TO THE COTTON FARMER IN 1950?

THE BOLL WEEVIL AND OTHER INSECTS DAMAGED NEARLY SIX HUNDRED MILLION DOLLARS WORTH OF COTTON!

This variation is often due to the quality of the meat. A round steak from an animal of "Utility" grade costs less than a steak from an animal of "Choice" grade. The homemaker can realize a budget saving if she uses the lower grades, if passed by the federal or state inspectors, are as nutritious and wholesome as the higher grades. The lower grade animals usually are older or have not been fattened properly. The difference in tenderness can be overcome by cooking with moist heat. The homemaker should guard against paying for bone. She should purchase the more "meaty" cuts when possible. If bones are purchased, they can be used to produce an extract for soups and gravies. Another method of reducing meat costs and increasing the nutritive values in the diet is by using "variety cuts," which include brains, heart, kidneys, liver and tongue. These meats have in-

creased little in cost and are high in nutrition. Calf liver costs have risen some, but the housewife may substitute pork liver or beef liver, both of which equal or better the food value of calf liver because they are slightly stronger in flavor than the calf liver. Poultry, some fish and pork are among the cheapest meats. The housewife should use them to replace beef and lamb on occasions. The dark meat of chicken contains as much thiamin, B1, one of the nutrients for which we eat meat, as does lean beef.

Thus the housewife can save on her meat budget by: 1—buying cuts of lower grade animals; 2—buying cuts which give more edible portions; 3—by using fish, chicken, liver, heart, tongue, and many others; and 4—by using meat substitutes such as cheese and eggs.

## Feather Picking Is Common In Chicks

Cannibalism, or feather picking, has become increasingly worse in flocks of young chicks, states a recent agriculture report. Feather picking is caused by several factors, including close confinement, idleness or dietary deficiencies. Treatment of this trouble consists of increasing the salt content of the diet for 2 or 3 days. If an all mash ration is being fed, 2% of salt is added; but if grain and mash are being fed, 4% salt

## MAYOR McGUP By John Jarvis

is added. If this is not practical, salt may be added to the drinking water for 2 or 3 days. Several other things can be done to help stop cannibalism. Heavy grease may be applied to the picked area, or it may be necessary to trim the upper part of the beak of each chicken. This can be done with a sharp knife. The trimming of the beak is painless if it is done properly. Ordinarily, only about three-sixteenth of an inch of the tip is removed. Another help would be to turn the chicks out of the brooder house during the warmer hours of the day.

## Crochet A Peasy Bonnet

All eyes will be on this gay flower bonnet and the girl who wears it. Brilliantly colored peaches against fresh white, make this pert and feminine shape fun to crochet and even more fun to wear. It's right in line with this spring's flower-decked fashions, and equally good for summer, with or without the peaches. The materials needed are Kentucky All Purpose, a lustrous rayon yarn, and millinery wire to stiffen the brim. Send a self-addressed stamped envelope to the Woman's Page Editor of this newspaper for free instructions.

# "Smart Buy's Roadmaster"

It started the day the 1951 ROADMASTER made its first appearance—and has been building up ever since. Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions—and the prices—and said, "Here's the smart buy in the fine-car field." Why don't you come and see for yourself what a sensational buy this proud beauty really is? It's a honey to handle—a joy to ride in—and just about the handsomest thing on wheels. It has room, and poise, and a level-going gait that comes from coil springs front and rear. There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflow Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through broad and uncluttered glass areas, and the new clarity of an instrument panel with high visibility at night. Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove. Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Equipment, accessories, trim and models are subject to change without notice.

See us HENRY J. TAYLOR, ABC Network, every Monday evening.

**LAFF OF THE WEEK**

KANE

"A Car With A Good Heater? Man, You ARE In Luck — I've Got Just What You're Looking For!"

**FOR THE HOME**

DO check to determine the cause. The trouble may be a faulty cord, more likely it's an overloaded circuit. If so, you'll need another circuit to make your wiring as efficient as your appliances.

paid it—to refund it to the city. Bracewell said it had been estimated that the exemption would save Houston \$48,500 a year.

A measure introduced in the House by Rep. Charles Murphy of Houston would refund to the city gasoline tax money paid by city buses and taxicab companies operating under a city franchise.

The city would have to use the money for building and maintaining streets. Murphy said it had been estimated that the refunds would bring Houston about \$700,000 a year.

The bills are sponsored by the Texas League of Municipalities. Similar ones last year failed to pass.

**New Board Asked For State Hospitals**

A new plan for directing the care of Texas' 21,000 wards of the state was offered recently in Austin.

It was tied closely with proposed reorganization of the State's business management setup under the Board of Control. The bills, introduced by Senator Dorsey B. Hardeman of San Angelo would: Abolish the nine-member State Board for Hospitals and Special Schools established two years ago.

Abolish the present State Board of Control with its three full-time salaried members.

Set up a new Board of Control on a part-time basis.

This board would elect a full-time management director to assume powers and responsibilities now handled by the Board of Control—such as in making purchases for all state agencies.

The new Board of Control would also elect a hospital and special schools director as its executive agent in managing the multimillion dollar state hospital system.

Hardeman's plan would go into effect Sept. 1, the start of the State's next fiscal year. The Senate State Affairs committee set March 12 for a public hearing.

**Economic Index Is New Education Aid**

The state board of Education recently adopted a new economic index for the four years starting Sept. 1.

The index is "the percentage each county must contribute to the \$45 million dollars per year in local school taxes under the Gilmer-Akin program.

The new index, first revision of that written in the original law, generally reduces the factor for

**YOUR brain budget**

1. Were Tom Brown's school days spent at (a) Eton, (b) Grotos, (c) Rugby or (d) Reform school?
2. Should you connect Aida with (a) Egypt, (b) Troy or (c) Venice?
3. Did (a) Plato, (b) Socrates or (c) Aristotle say, "I owe a cock to Asclepius; will you remember to pay him?"
4. Is an "amcherite" a (a) hermit, (b) type of poison gas, or (c) thermometer?
5. Were the 10 Commandments originally written in (a) Greek, (b) Egyptian, or (c) Hebrew?

ANSWERS: 1. (a) Eton, (b) Grotos, (c) Rugby, (d) Reform school. 2. (a) Egypt, (b) Troy, (c) Venice. 3. (a) Plato, (b) Socrates, (c) Aristotle. 4. (a) hermit, (b) type of poison gas, (c) thermometer. 5. (a) Greek, (b) Egyptian, (c) Hebrew.

counties increased population and business volume and raises it for those of dwindling values. It will be the basis of school budgets and taxes for the coming year.

The economic index could be changed to take into account serious losses such as the destruction of Hidalgo county citrus orchards by freeze. It was pointed out the law permits the commissioner of education to make

adjustments within the index on the showing of cause. Several members suggested delay for hearings which might be asked by counties, but voted down.

The original index was based on government economic reports of 1939, adjusted to 1947; while the new index is based on government 1949 census and economic reports.

**It makes your dollars talk great good sense!**

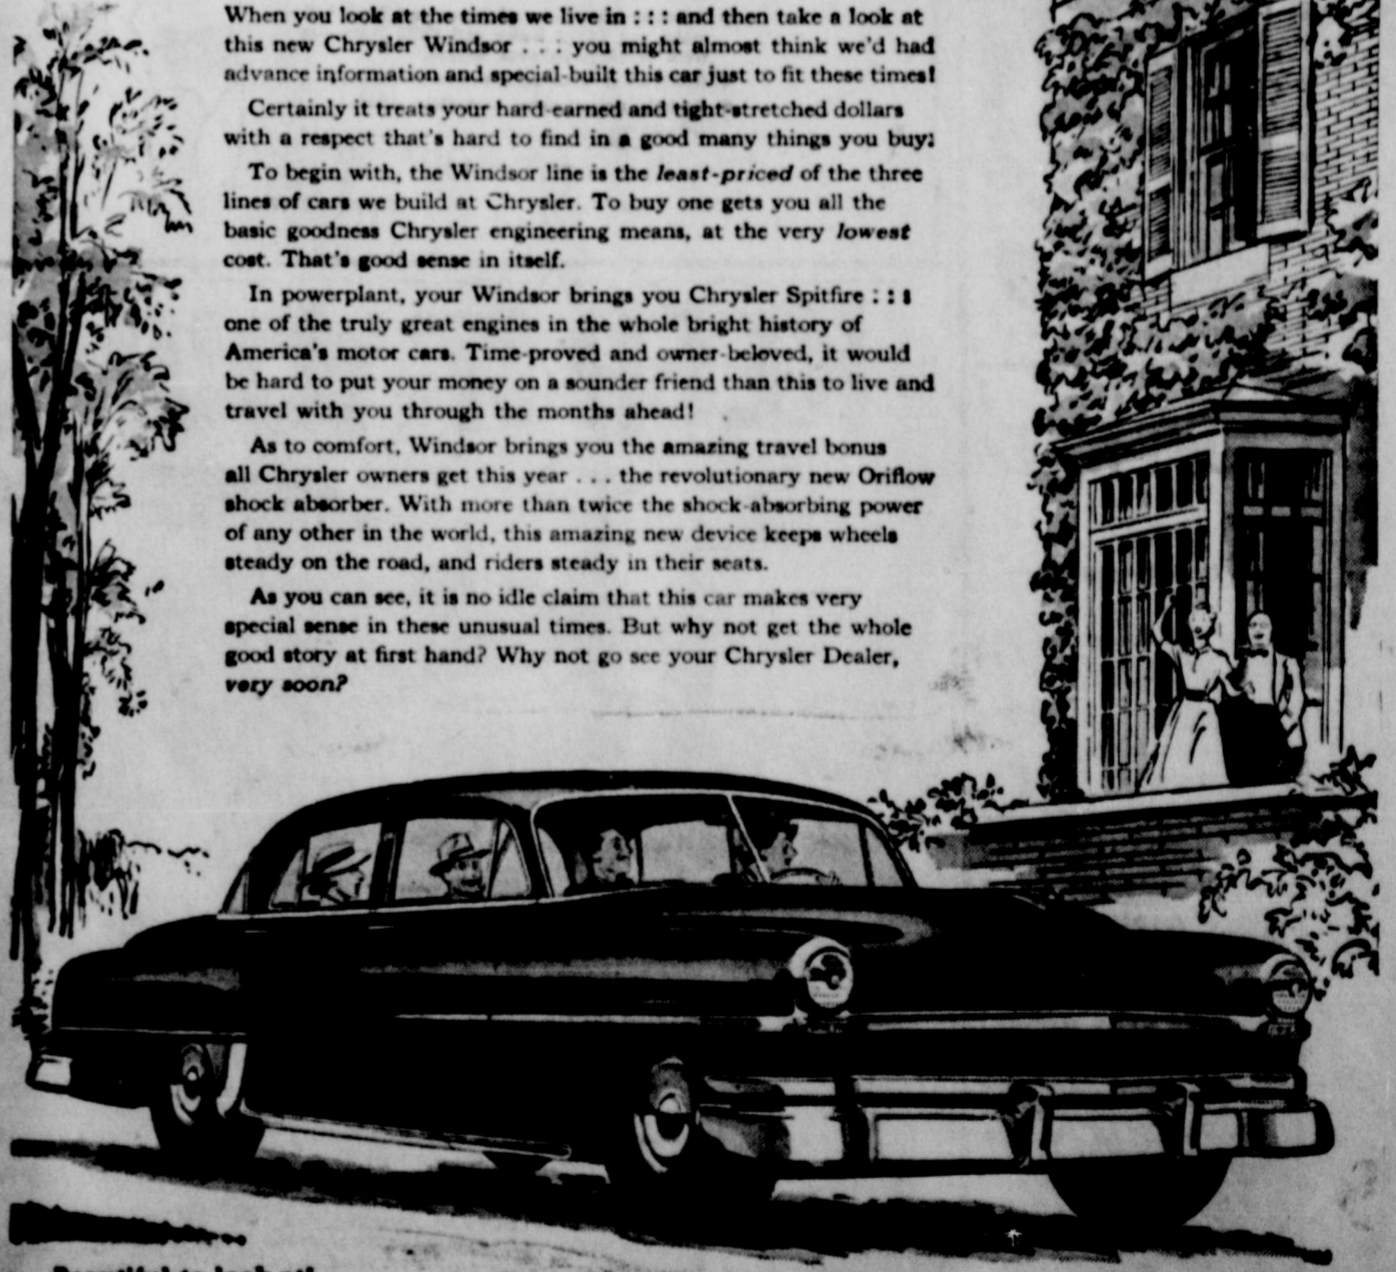

When you look at the times we live in... and then take a look at this new Chrysler Windsor... you might almost think we'd had advance information and special-built this car just to fit these times!

Certainly it treats your hard-earned and tight-stretched dollars with a respect that's hard to find in a good many things you buy. To begin with, the Windsor line is the *least-priced* of the three lines of cars we build at Chrysler. To buy one gets you all the basic goodness Chrysler engineering means, at the very *lowest* cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire... one of the truly great engines in the whole bright history of America's motor cars. Time-proved and owner-beloved, it would be hard to put your money on a sounder friend than this to live and travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus all Chrysler owners get this year... the revolutionary new Oriflow shock absorber. With more than twice the shock-absorbing power of any other in the world, this amazing new device keeps wheels steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very special sense in these unusual times. But why not get the whole good story at first hand? Why not go see your Chrysler Dealer, very soon?

Beautiful to look at...  
Beautiful to drive!

Doctors state that the man in overalls isn't physically able to keep up with the modern trucks and tractors. They give the man a "heck of a going over."

Kidneys, liver and other organs are actually jarred from their mooring. Also, the spine can be injured. Occasionally doctors report the collapse of a farmer's intervertebral disc with resulting pressure on the nerves, causing disability and often time resulting in major surgery.

Doctors advise "Men, get into a girdle—Not a two-way stretch—get one you can lace and tuck yourself into."

**SPENCER SUPPORTS FOR MEN**

- Your Spencer will be designed especially for you—based upon descriptions and measurements of your needs.
- Scientific support for abdomen and back will make you LOOK better and FEEL better—at work or play. Believes helps.
- Designed in cool, open-weave materials.
- Dealer's prescriptions carefully fitted.
