Chamber of Commerce Doing: Merchants to Meet Friday Night; Dickensite Encourages County Goodwill

Mrs. Nona Starcher, chairman of the merchants committee of the Chamber of Commerce has called a meeting of her committee for Monday August 6, at 7:30 p. m., at the screened-in playhouse located by the Starcher Apartments at the corner of Harris and Keeler Street.

All business men will benefit by attending this important meeting. Last week the board of directors of the Chamber of Commerce discussed goodwill in their meeting and urged that people give cooperation to this campaign. The Chamber of Commerce received a letter from Dickens this week that reads as follows:

"I have just read the Chamber of Commerce column in the Texas Spur with the heading of County Goodwill Urged by Directors at Wednesday Meeting. To me, this goodwill subject should have been going on for thirty years or more. Bickering, feuds, and butting heads will never help anyone or any town or community. Nothing but goodwill should avail to every community and all of us. "Spur needs all the County and all the County needs Spur. We cannot do without you and you cannot do without us. Let's lay all ill feeling aside and be friends and neighbors. We have all lost golden opportunities by not helping each other. I will do all I can to help in every way possible."

This is a letter written by a citizen of Dickens and we congratulate him for it. Let's all join in and promote goodwill in this county.

Texas A & M College Extension Service, the Dallas Morning News and radio station WFRF are sponsoring a community range and pasture improvement contest. Prizes are \$250.00, \$150.00 and \$100.00 respectively. Contestants may not enter later than September 1, 1951. Apply at Chamber of Commerce or see Charles Taylor at Dickens.

Several changes have been made in OPS regulations and therefore it is still necessary that price clinics be held to assist the business men here in Spur. You are invited to contact the Chamber of Commerce for assistance in OPS regulations. The next price clinic will be conducted August 8 in this office.

This week we welcome to Spur Mr. and Mrs. R. Q. Walseh, J. M. Hull, J. L. Anderson, G. I. Cooper, and Thomas B. Stevens who are newcomers and invite you to visit the Chamber of Commerce. If these people are establishing permanent residence in Spur they will be presented a certificate of appreciation and several gifts will be given them by the merchants of Spur.

Haynes School opens Monday, August 13

The opening date of the Haynes School (colored) has been announced as Monday, August 13. All students are urged to be present for the first day in order to complete registration.

The three teachers who taught during the last school term will form the faculty again this year. C. F. Cook, Spur Schools superintendent, states that the school is beginning early this year to enable students to have a recess of school during the cotton picking season.

G. W. Kerr, principal of the school, has stated that the cooperation of everyone will be appreciated.

Revival To Begin At Soldier Mound

Revival services will begin at the Soldier Mound Baptist church, Friday night, August 3 and continue through Sunday, August 12. Rev. J. C. Koen, pastor of the Afton Baptist Church, will do the preaching for the revival. Services are scheduled to begin each morning at 10:30 o'clock and each evening at 7:30 o'clock. Everyone is cordially invited to attend.

THE EDWARDS RESIGN TO ACCEPT LUBBOCK POSITION

Mr. and Mrs. J. Malcolm Edwards left Wednesday for Lubbock where they will make their home. The Edwards resigned as music and education director and church secretary of the First Baptist church to accept a similar position of Lubbock, Rev. John Baker is pastor of the Lubbock church.

Mr. and Mrs. C. P. Scudder are in Colorado this week on a fishing trip.

New Panel Called By Court For Friday

A court room of spectators, a jury panel, witnesses and officers spent a restless and uneventful day in the county court last Friday while the court heard evidence supporting a motion by the defense to quash the panel.

On the docket was the trial of the fourth of five defendants on liquor laws violation charges. Although the court had not late Wednesday overruled or sustained the motion of the defense attorneys, Brummett, Brummett and Salyars of Lubbock, the court has dismissed the panel previously summoned and has summoned a new panel.

County Attorney Alfred Walker states that the court acted on its own motion in this action and it is believed that the defense attorneys' motion will be overruled. The new panel is to appear in court Friday morning, August 3, the date to which the trial was postponed.

Funeral Services For Amandy Ticer Held

Funeral services for Amandy Ticer, 85, were held at the Mission Baptist Church Sunday afternoon at 4 p. m. with Rev. Dock Love officiating.

Mrs. Ticer was born May 25, 1866 in Freestone county, Texas. She was married to A. J. Ticer. She had been a resident of Dickens county since 1949.

Surviving Mrs. Ticer are two sons, John and C. N.; five daughters, Mrs. Clyde Dungan, Mrs. W. L. Johnson, Mrs. Hugh Glasson, Mrs. J. W. Paul and Mrs. Archer Dungan; 49 grandchildren and 75 great grandchildren. The pallbearers, all grandsons of Mrs. Ticer, were Walter Lee Johnson, Lewis Norman Johnson, Archer Dungan, D. S. Cunningham, Melvin Stovall and Allen Paul.

The funeral was under the direction of Campbell's Funeral Chapel with interment in the Spur cemetery.

City Water Consumption Hits All-Time High During July; No Shortage Seen

The month of July, 1951, marked an all-time high for water consumption by the citizens of Spur, states city manager James Cowan.

Four of the six city pumps pumped a total of 16,507,000 gallons of water during last month. The previous high was reached in July of 1949 when the city used 13,944,000 gallons.

While many West Texas cities are rationing water and still are running out, Cowan states that Spur has a bountiful supply and there is no danger of any shortage as long as the pumps will pump. The city has two stand-by pumps to use in case of an emergency.

According to Cowan, the city has one of the best water supplies of the caprock. The water is tested by samples twice each month and has consistently been found free from any contamination. Only twice since September, 1948, has any contamination been reported by the state inspecting agency. Cowan states that in these two cases, it is believed that the traces of contamination found came from the water taps instead of the water.

Plans are now being made to fence the six wells of the city. This is the only item lacking in getting the city water system approved by the state. "Our present facilities could pump 1,200,000 gallons a day if it were necessary. This is nearly twice the present consumption," states Cowan.

Avaritt To Preach For Midway Rival

The Midway Church of Christ has announced that a series of gospel sermons will begin at the church, Saturday, August 4. Evangelist Kenneth Avaritt of Tucuman, New Mexico will do the preaching. The services will begin at 8:30 o'clock each evening and at 10:30 o'clock Sunday morning. The gospel meeting will continue through Sunday, August 12.

A cordial invitation is extended to all to attend each service.

ANNUAL ALL-DAY SINGING TO BE HELD IN PADUCAH

Class leaders, quartets, trios, and duets are asked to come to Paducah, Sunday, August 5, to the annual all-day singing in the veterans' building just off the northeast corner of the Court-house square. The singing will begin at 10:00 o'clock Sunday morning.

Military Services For Cpl. Billie Meadors To Be Held Friday At Baptist Church

Military Funeral services will be held tomorrow, Friday, August 3, at 4:00 p. m. for Cpl. Billie Warren Meadors, son of Levi Meadors, Spur, and Mrs. Eula Washington, Plains, Texas.

Cpl. Meadors was killed in action in Korea on September 14, 1950. After being reported missing in action for some time, it was learned that the Spur boy was killed near Seoul.

Cpl. Meadors is the first and allegedly only Dickens county boy to be killed in action in the Korea conflict.

He was born in Spur on March 19, 1929 and lived here all of his life. Funeral services will be held at the First Baptist Church, Spur with Rev. C. Melvin Rathel officiating. Graveside military rites will be under the direction of the Spur V. F. W. and American Legion.

Pallbearers will be H. A. Dement, Bob Thompson, Orland Adeock, Lynn Cherry, Troy Smith and Jack Horton.

Other than his parents, Meadors is survived by one brother, Levi, Jr. of Brownfield and two sisters, Jimmie Sue Meadors and Mrs. Jean Dean, both of Spur.

The body of Cpl. Meadors will be brought to Spur from Lubbock by the Chandler Funeral home, states C. B. Chandler, undertaker in charge.

New Instruments To Be Purchased For Spur School Bands

The Spur Bands will boast some of the finest band instruments made this fall. The Spur School Board has authorized the purchase of two new bassoons, two new bass clarinets, one new oboe, two new bass drums (one for marching and one for concert), one new Glockenspiel and three new Sousaphones.

Beginners for these instruments will be started in summer band school in August, and September after the beginning of school. Because of the expense and delicacy of most of these instruments, the children to use them will be carefully picked, Melvin King, local band director states. Whether the child plans to attend the summer band school or not, he should come by the band hall and tell King if he wants to play one of the school horns.

The band hall has recently been repainted on the inside, and the floors have been braced and cleaned. Windows have been repaired and a water fountain will be installed. Band students will have a much more efficient and comfortable place to work this year.

PATCH WORK DONE ON BURLINGTON, HARRIS

The Texas Highway department has been busy in Spur this week doing patch work on Burlington Ave. and Harris street.

Under the supervision of Johnnie Cumble of Dickens, the state department has filled holes and cracks and leveled rough areas on the two main streets of Spur.

MARCY, ESTES PURCHASE LOCAL TEXACO STATION

A. L. Marcy of Spur, and Charles Estes of Dickens have purchased the B. & M. Texaco station at the corner of Hill and Burlington, from Rogers Bingham and Ernest McNutt.

The station will be named Texaco Service Station. Marcy and Estes invite their friends and old friends and customers of the station to come in for first class service and Texaco company products.

Weiner Roast Is Courtesy to Guest

A weiner roast was given at the home of Mr. and Mrs. Lee Parker Tuesday evening at 8 o'clock as a compliment to Miss Norweitta Parker who is visiting in Spur. Miss Parker is from San Antonio.

On the picnic menu were roasted weiners, potato chips, marshmallows, cakes and cookies. Guests were Patsy McKinzie, Betty Norris, Betty Lou and Vera Lynn Crafton, Joyce Johnson, Patsy Williams, Mary Frances, J. M. and Ray Tullis, Patsy Crow, J. P. Hickman, Jimmy Hodges, Jimmy James, A. B. Stucky, Jr., Leonard Ward, Harley Gene Bingham, Dale Beckem, Vern Beckem, the honoree and the hostess, Peggy Mae Williamson.

Proctor's, Hoover-McAteer Enter Finals 8:30 Tonight

The Hoover-McAteer and Proctor's teams enter into the final two-out-of-three series for the championship of the Spur Softball league tonight at 8:30 p. m. in Jones Stadium.

Tonight's fans will witness the experience and consistency of Proctor's matched against the youth of Hoover-McAteer. Proctor's has the oldest team in the local league, many players as old as the fathers of the young Hoover-McAteer bunch.

The Hoover-McAteer team, in spite of their "off" nights, have managed to stay among the top three in league standings for the entire season. They were knocked from the top rung by City Drug and then lost in five innings to the V. F. W. in the first round of the play-off.

Nominations Made For Legion Officers

C. B. Chandler, chairman of the Spur American Legion nominating committee, and J. B. Haralson, commander of the local post, announce the following nominations for legion officers, as made by the nominating committee:

Commander; Larry Boothe, Lawis Lee; First vice commander; Kermit Cunningham, C. W. Proctor; Second vice commander; Cecil Godfrey, Gib Ragland, Larry Rockley;

Adjutant; Billie Hilley, Ralph Sherrill; Chaplain, T. R. Elder; Finance officer; Pete Kizer, Charlie Kearney;

Service officer; G. W. Grimes, Jake Varnell; Sergeant-at-arms; P. G. Pierce, Derwood Woodward;

Directors; Guy Karr, J. B. Haralson, C. B. Chandler, and Alton Foreman.

Baptist Revival At McAadoo In Progress

The revival services at the First Baptist Church of McAadoo began last evening Wednesday, August 1. The series of services will continue through Sunday, August 12.

You are cordially invited to hear Rev. Wayne N. Stout of Dallas in these services, being held twice daily.

Benefit Game Nets Boosters \$200; Spurettes, Lubbock Bears Win Games

The All-Star softball game last Friday night for the benefit of the Spur Band Boosters netted the band organization approximately \$200.00 to be used toward new uniforms for the Spur bands.

Officers and members of the club express their thanks and appreciation to the Spur softball league, the All-Star team, the Spurettes, the Oldtimers and the many fans attending for their enthusiastic response to this cause. "It was a great success!" stated Lynn Buzbee, an officer of the club.

In the opening game of the evening, the Oldtimers got even with the Spurettes with a 10-3 victory. The Spurettes had previously defeated the 40-and-over team 28-23.

Rhodes Brothers Bears of Lubbock defeated the Spur All-Stars in the main attraction of the evening 8-3. Pitching for the Lubbock team was Arnold Tinker, one of the top ranking pitchers of the state. He allowed the Spur nine only two safe hits.

Jerry Price was the starting pitcher for Spur, being relieved by D. R. "Buck" Gilbert.

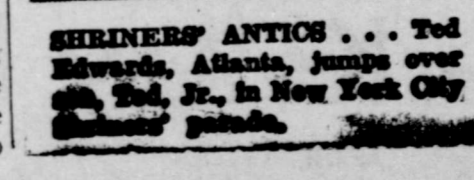

NOTICE

Driver's license examination days for Spur have been changed from each Monday to the second and fourth Tuesday of each month. The area examiner from the Texas Highway Patrol will be here on those days. This change became effective August 1.

New Arrivals

LEGAL NOTICE

NOTICE OF ELECTION FOR THE RE-ALLOCATION OF COUNTY TAXES

The State of Texas County of Dickens:

To the Resident Qualified Property Taxpaying Voters of Dickens County, Texas:

TAKE NOTICE that an election will be held on the 25th day of August, 1951, in said County, in obedience to an order duly entered by the Commissioners Court on the 9th day of July, 1951, which is as follows:

On this the 9th day of July, 1951, the Commissioners Court of Dickens County, Texas, convened in regular session, at the regular meeting place thereof in the Court-house at Dickens, Texas, with the following members of the Court, to-wit:

W. H. Hindman, County Judge
Roy Ward, Commissioner Precinct No. 1
E. J. Offield, Commissioner Precinct No. 2
Arner Watson, Commissioner Precinct No. 3
G. C. Pierce, Commissioner Precinct No. 4, being present, and among other proceedings had by the Court were the following:

Commissioner Ward introduced an order and moved its adoption. The motion was seconded by Commissioner Pierce. The motion, carrying with it the adoption of the

order, prevailed by the following vote:

AYES: Commissioners Roy Ward, E. J. Offield, Arner Watson, and G. C. Pierce;

NOES: Commissioners None

WHEREAS, at the general election held throughout the State of Texas on November 7, 1944, the qualified electors of the State, voting on the proposition, approved the amendment to Section 9, of Article 8, of the Texas Constitution, which amendment provides that the Commissioners Court in any county may re-allocate the county tax levies authorized in said Section 9 of Article 8, by changing the rates provided for any of the purposes authorized in said Section by either increasing or decreasing the same, but in no event shall the total of such taxes exceed Eighty (80) Cents on the one hundred dollars' valuation for any one year, provided that before the Commissioners Court may make such re-allocations and changes in such levies the same shall be submitted to the qualified property taxpaying voters of such county at a general or special election; and in event such re-allocations and changes are approved by a majority of the qualified property taxpaying voters of any such county, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall have been approved, unless the same again shall have been changed by a majority of the qualified property taxpaying voters of such county, voting on the proposition; and

WHEREAS, the Commissioners Court of Dickens County, Texas, deems it advisable and to the best interest of said County to re-allocate the county taxes authorized by Section 9, Article 8, of the Constitution, by changing the rates in respect to certain county taxes as herein provided:

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF DICKENS COUNTY, TEXAS:

That a special election be held in said County on the 25th day of August, 1951, which is not less than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified property taxpaying voters, who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon:

"Shall the Commissioners Court of Dickens County, Texas, be authorized to levy and collect in each year for a period of six (6) years from the date of said election, county taxes as follows:

- Not exceeding forty-one Cents (41c) on the \$100.00 valuation, in any one year, for County purposes;
- Not exceeding fifteen Cents (15c) on the \$100.00 valuation, in any one year, for roads and bridges;
- Not exceeding nine Cents (9c) on the \$100.00 valuation in any one year, to supplement the jury fund of the County; and

Not exceeding fifteen Cents (15c) on the \$100.00 valuation, in any one year, for the erection of public buildings and other permanent improvements."

In the event that the annual levy of a tax not exceeding fifteen (15c) cents on the one hundred dollars' valuation for the further maintenance of the public roads of said County has heretofore been, or shall hereafter be, authorized by a majority of the qualified property taxpaying voters of the County, voting at an election held for that purpose, nothing herein shall be construed as receding or in any manner affecting the power and authority of the Commissioners Court to levy and to continue to levy said tax.

The said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly amended Section 9, of Article 8, of the Constitution, and Section 3a, Article 6, of the Constitution, and all voters of said County, and who are resident property taxpayers who own taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election.

The ballots for said election shall have written or printed thereon the following:

"For Re-Allocation of County Taxes."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote.

The polling places and presiding officers of said election shall be respectively as follows:

- Precinct No. 1
H. A. C. Brummett, presiding, Courthouse in Dickens.
- Precinct No. 2

Attest: L. J. Varnell, Jr., County Clerk and Ex-officio Clerk of Commissioners' Court of Dickens County, Texas.
W. H. Hindman, County Judge, Dickens County, Texas.
The State of Texas County of Dickens

ON THIS the 28th day of July, 1951, the Commissioners' Court of Dickens County, Texas, convened in special session, at the regular meeting place thereof in the Courthouse at Dickens, Texas, the following members being present and in attendance, to-wit, W. H. Hindman, County Judge, Presiding, and Roy Ward, Commissioner, Precinct No. 1; E. J. Offield, Commissioner, Precinct No. 2; Arner Watson, Commissioner, Precinct No. 3; G. C. Pierce, Commissioner, Precinct No. 4; and the following proceedings were had:

It was moved by Commissioner Offield and seconded by Commissioner Pierce that there be submitted to the qualified voters of the said County, who own taxable property in said County and who have duly rendered the same for taxation, the proposition for the revocation of the authority heretofore granted to the said Commissioners Court to issue hospital bonds in the amount of \$125,000.00 for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith.

The motion carried by the following vote: Commissioners Ward, Offield, Watson and Pierce voting "AYE"; and none voting "NO."

THEREUPON, the following ELECTION ORDER was passed by the Court:

WHEREAS, Ten per cent (10%) of the resident qualified property taxpaying voters of Dickens County, Texas, who have duly rendered their property for taxation have presented to this Court a petition in which they pray this court to order that an election be held in said County at the earliest date practicable, to determine whether or not the authority heretofore granted to the Commissioners' Court of Dickens County, Texas by election duly ordered and duly held in the said County on December 3, 1949, to issue the bonds of said County in the total principal sum of \$125,000.00, to mature serially within any given number of years not to exceed thirty (30) years from the date thereof, bearing interest at a rate not to exceed 3 1/4% per annum, for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Section 9, of Article 8, of the Constitution, and Chapter 1, Title 22, and Chapter 5, Title 71, Revised Civil Statutes of 1925; and

WHEREAS, this Court, upon due advice and investigation, has ascertained and determined that said petition is signed by more than ten per cent (10%) of the resident qualified property taxpaying voters of Dickens County, Texas, who have duly rendered their property for taxation, and that such petition should be granted, and that the election as prayed for in such petition should be ordered; therefore

BE IT ORDERED BY THE COMMISSIONERS' COURT OF DICKENS COUNTY, TEXAS: That an election be held in said County on the 25th day of August, 1951, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified electors who own taxable property in said County and who have duly rendered the same for taxation, for their action there-

"SHALL the authority heretofore granted to the Commissioners' Court of Dickens County, Texas, by election duly ordered and duly held in said County on the 3rd day of December, 1949, to issue the bonds of said County in the total principal sum of \$125,000.00, to mature serially within any given number of years not to exceed thirty (30) years from the date thereof, bearing interest at a rate not to exceed 3 1/4% per annum, for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Section 9, of Article 8, of the Constitution, and Chapter 1, Title 22, and Chapter 5, Title 71, Revised Civil Statutes of 1925, but which said bonds have not been sold and delivered, be revoked or canceled?"

THAT the said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly Chapter 1, Title 22, Revised Civil Statutes of 1925, and all persons who are legal voters of said Dickens County, Texas, and who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election.

It is further ordered that the ballots for said election shall be prepared in sufficient number and in conformity with Senate Bill No. 202 passed by the 52nd Legislature in 1951, and that printed on such ballots shall appear the following proposition:

"FOR THE REVOCATION OF BONDS"

EACH VOTER shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indication of

his or her vote.

THE POLLING PLACES and Presiding Officers of said election shall be, respectively as follows:

- Precinct No. 1
H. A. C. Brummett, presiding, Courthouse in Dickens.
- Precinct No. 2
E. J. Noland, presiding, Midway Baptist Church at Elton.
- Precinct No. 3
Clark Forbis, presiding, Patton Springs Schoolhouse at Afton.
- Precinct No. 4
Joe Kidd, presiding, Dry Lake at Dry Lake Schoolhouse.
- Precinct No. 6

- Precinct No. 12
D. P. Smiley, presiding, Duncan Flat at Baptist Church.
- Precinct No. 16
J. I. Mecom, presiding, East Spur at City Hall at Spur.

THE MANNER of holding said election shall be governed by the General Laws of the State of Texas regulating General Elections.

A COPY of this order, signed by the County Judge of said County, and certified to by the County Clerk of said County, shall serve as proper and sufficient notice of such election.

NOTICE of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words, "Notice of Election For The Revocation of Hospital Bonds." Said notice shall be posted in each of the election precincts of the County of Dickens, and at the County Courthouse, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks, in a newspaper of general circulation published in the County of Dickens, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

PASSED AND APPROVED, this the 28th day of July, 1951.

A memo from the U.S.A.

We Americans don't get mad easy.

But when we do, look out!

We pitch in and turn out guns, tanks, planes and ships faster than anybody on earth.

But nobody boots us into line. No commissars. No bayonets. No slave labor. We just get to work—because we've got something to work for...our liberties and our individual freedoms.

And back of our men and machines is electric power—as much as all the rest of the world has.

It's steady, dependable power—the kind produced only by free men—the kind that helped perform production miracles in World War II. Today, the business-managed electric companies have doubled the supply of electric power available before that war—and they're stepping it up all the time.

Yessir, we have power—with more on the way—and we know how to use it. That's a good thing for everybody to remember right now. And it's a good thing for some people here at home to remember that America's tremendous electric power was developed by the free enterprise system which has made America greater than any other nation.

Texas CROP Ship To Be Completed, Nov.

Texas farmers are busy harvesting their crops to meet a complete quota for the State of Texas and the Christian Rural Overseas Program better known as CROP. The quota consists of 1,000 bales of cotton, 35 carloads of grain, 14 carloads of rice, 14 carloads of peanuts plus various other food and fiber products.

This will constitute the CROP Texas Friendship Food and Fiber Ship which is to be sent to needy persons in Korea, Europe and the Middle East.

Distribution of the Texas Friendship Food Ship is made by the Protestant Church World Service, the National Catholic Welfare Conference and the Lutheran World Relief without regard to race or creed.

Almost every church group in the United States is actively participating in CROP, the first coordinated church program of its kind in history.

Daniel Russell of Texas A. & M. is State Chairman of CROP, Vice Chairmen representing the present agencies are: Rev. Victor Schmidtinsky for Catholic Rural Life, Glendell A. Jones for Church World Service and Rev. A. J. Mohr for Lutheran World Relief.

County Agents are also cooperating with CROP in an effort to collect the Texas shipload of food and fiber by Thanksgiving.

In the Panhandle twenty counties offered to raise 40,000 bushels of wheat or the equivalent of that in money. They accepted this goal even though they do not have any wheat in the fields this year. As one farmer stated "we do not have any wheat but we have grain in the elevators and money in our pockets."

Many individuals have given CROP a carload of wheat, rice or other needed foods. If Texas raises its quota, it will lead the nation in CROP contributions.

Texas Governor, Allan Shivers, who serves as honorary chairman, recently wrote:

CROP to me represents a fine example of Christianity in action. It is a pleasure to serve as honorary chairman of the Texas CROP committee - particularly do I wish to thank the rural people of Texas who through a generous spirit of human compassion have made possible the substantial contributions.

OPS Plans To Set "Community Prices" On Grocery Items

In another week the Office of Price Stabilization will begin a nation-wide survey of food prices to lay base for a program of posted dollar-and-cents "community prices" in grocery stores, it is announced by the Lubbock district OPS office. The first step will be to survey prices of standard grocery items in 1,000 wholesale es-

tablishments. This will be followed by similar visits to over 2,000 retail grocery stores in the 84 district offices. Information from individual sellers will be held in strictest confidence, said H. R. Gholson, Director of the District office.

A chief purpose of the survey will be to find out if there is enough stability in prices of a number of grocery items to make a community pricing program practicable. Community pricing is a system familiar in World War II under which the country is divided into relatively small market areas and grocery price ceilings set for each area on the basis of local transportation and other costs. These ceilings would be the same for all stores of each size class and would be printed on charts for posting in retail stores where all customers can see them, the District Director said.

"OPS is fully aware of the important part that a community

pricing program can play in the Stabilization program, of the necessity of having published ceilings for consumers, and of the great help such a program can be to individual grocers in simplifying their pricing problems," he said.

He explained that the community pricing program during the last war had a lot to do with holding the line on wholesale and retail food prices from the time it was started in May 1943 to the end of that control program.

"Up to now," Gholson pointed out, "OPS is prohibited by law from controlling below-parity farm prices and has not had sufficient assurance that prices have been stable enough to make the printing and posting of ceiling charts practicable."

SOCIETY

Delegates Elected to Represent Dickens Co. At State HD Convention

Delegates were elected for the Texas Home Demonstration Association Convention to be held in Austin, August 29-31, by the Dickens County Home Demonstration club council at a meeting July 24 at Dickens.

Chosen to represent Dickens county at this state meeting were Mrs. Forrest Martin, THDA chairman of Dickens county, Mrs. Ollie Hindman and Mrs. J. B. Karr. Mrs. Wallace Hinson, Mrs. A. C. Martin and Mrs. Jesse Powell were selected as alternates.

Six clubs were represented at the council meeting held in the new home demonstration room at Dickens. Mrs. Wallace Hinson, council president, was in charge and explained that the northwest room of the courthouse annex had been given by the county commissioners to the home demonstration clubs and their agent, Mrs. Harriette J. Hatcher, to use in any useful manner they desired.

All clubs represented reported good meetings with excellent demonstrations given by Mrs. Hatcher.

Mrs. John Bachman reported a meeting of the education committee with four clubs represented. A council library, soil conservation interest and help to the state mental institution at Wichita Falls were the main goals presented at the committee meeting.

Mrs. Floyd Barnett told of the requirements for a first aid course. These are a qualified instructor supported by an organized group and an enrollment of 24 or less in each class. J. R. Whitmore, state highway patrolman, and Billy Barrett are qualified instructors.

Pressure cookers may be tested, Mrs. Hatcher stated, either in her office or she will help test them in club members homes. Cookers should be tested at least once a year.

Mrs. Shaw Hosts Cauthen Circle

Mrs. G. M. Shaw was hostess to the Cauthen Circle of the First Baptist church, Monday afternoon at her home, 511 W. Harris. A business and social meeting was held.

Mrs. W. B. Francis, Jr. was re-elected as circle chairman with Mrs. Leonard Wilson as co-chairman. Other officers elected were secretary, Mrs. Jesse Morrison, and treasurer, Mrs. Floyd Ball.

Cakes and cookies were served to Mesdames W. F. Patrick, Calvin, J. B. Haralson, Grady Lackey, Fred Neaves, Morrison, C. L. Williams, Jerry McGehee, Jimmy Hudson, Wilson, Francis, Ball, J. B. Snead and the hostess, Mrs. Shaw.

The next meeting will be Monday, August 6, at the home of Mrs. Alfred Walker, 720 W. Third.

Mrs. M. Edwards Named Honoree At Layette Shower

Mrs. J. Malcolm Edwards was the honoree at a yellow and green layette shower, Tuesday afternoon, given at the home of Mrs. Bill Glenn, 723 W. Third. Guests were invited to call between the hours of 5 and 7 o'clock.

Yellow and white flowers were used to decorate the receiving and gift rooms. Mrs. Alfred Walker registered guests in a guest book the shade of a baby rattle and covered with yellow satin and net.

The serving table was laid with a yellow damask cloth and centered with a crystal punch service. The base of the punch bowl was covered with white daisies woven into greenery.

Lime sherbert punch, finger sandwiches and daisy-shaped cookies were served to guests. Plate favors were green miniature rattlers tied with yellow ribbon.

Mrs. Billy Powell presided at the serving table.

Other hostesses were Mrs. Jesse Morrison and Mrs. Grady Lackey.

Bonnie Beth Henry Honoree At Shower

Miss Bonnie Beth Henry, bride-elect of Travis Jordan of Amarillo, was honoree Thursday evening at a miscellaneous shower given in the home of Mrs. E. A. Brashear, Experiment Station Road.

Hostesses were Mesdames Brashear, Geo. S. Link, L. D. Ratliff, Jack Rector, B. J. Pitts, Dee Hairgrove, Cal Wright and W. F. Gilbert.

The serving table was laid with a lace cloth over pastel green. The centerpiece was formed by a nosegay of white carnations, miniature brides, and the bride's name in yellow. Individual cakes decorated with yellow and green frosting were served with punch. The favors were miniature brides. Miss Shirley Hairgrove and Mrs. Pitts presided at the table.

A musical background for the occasion was furnished by Miss Myra Ratliff at the piano. Miss Doris Gibson presided at the guest register, with guests calling between the hours of 7 and 9 o'clock.

One hundred fifty persons called or sent gifts.

Highway HD Club To Present Skit At Lueders Camp

Mrs. M. E. Tree and Mrs. M. F. Daggley were hostesses recently to the Highway Home Demonstration club meeting at the community house.

Mrs. Richard Westfall gave a report on an educational meeting which was in Spur, Saturday, July 21. The county council report was also given by Mrs. Westfall.

Names of books that had been read by members were listed by Mrs. Forrest Martin. Mrs. Martin donated a book to the HD council library.

Mrs. Donnie Pace is to give a cheese demonstration in her home tonight, Thursday.

Members of the club practiced on the skit to be presented at the HD club encampment, August 8 and 9, at Lueders.

Mrs. Daggley will be hostess at the next meeting of the club on September 10.

Mrs. Harris Hosts WSCS Circle 4

Sixteen members of the 21 enrolled in Circle 4 of the Methodist Women's Society of Christian Service were present for the meeting, Tuesday, July 24, with Mrs. J. E. Morris as hostess.

Two new members, Mrs. Slim Foster and Mrs. McClung, were welcomed by the group.

Reports of 24 visits to sick persons and shut-ins, 19 people helped in various ways, 15 flower bouquets, cards and letters were made by members.

Work was done on quilt tops and two articles were turned in for a market basket.

The worship period was led by Mrs. Matt Howell. Mrs. Ida Lea led the group in singing "Showers of Blessing." The scripture reading was Matthew 15: 21-28.

Refreshments were served to members and the meeting was dismissed by the members joining hands to form a circle and saying a prayer in unison.

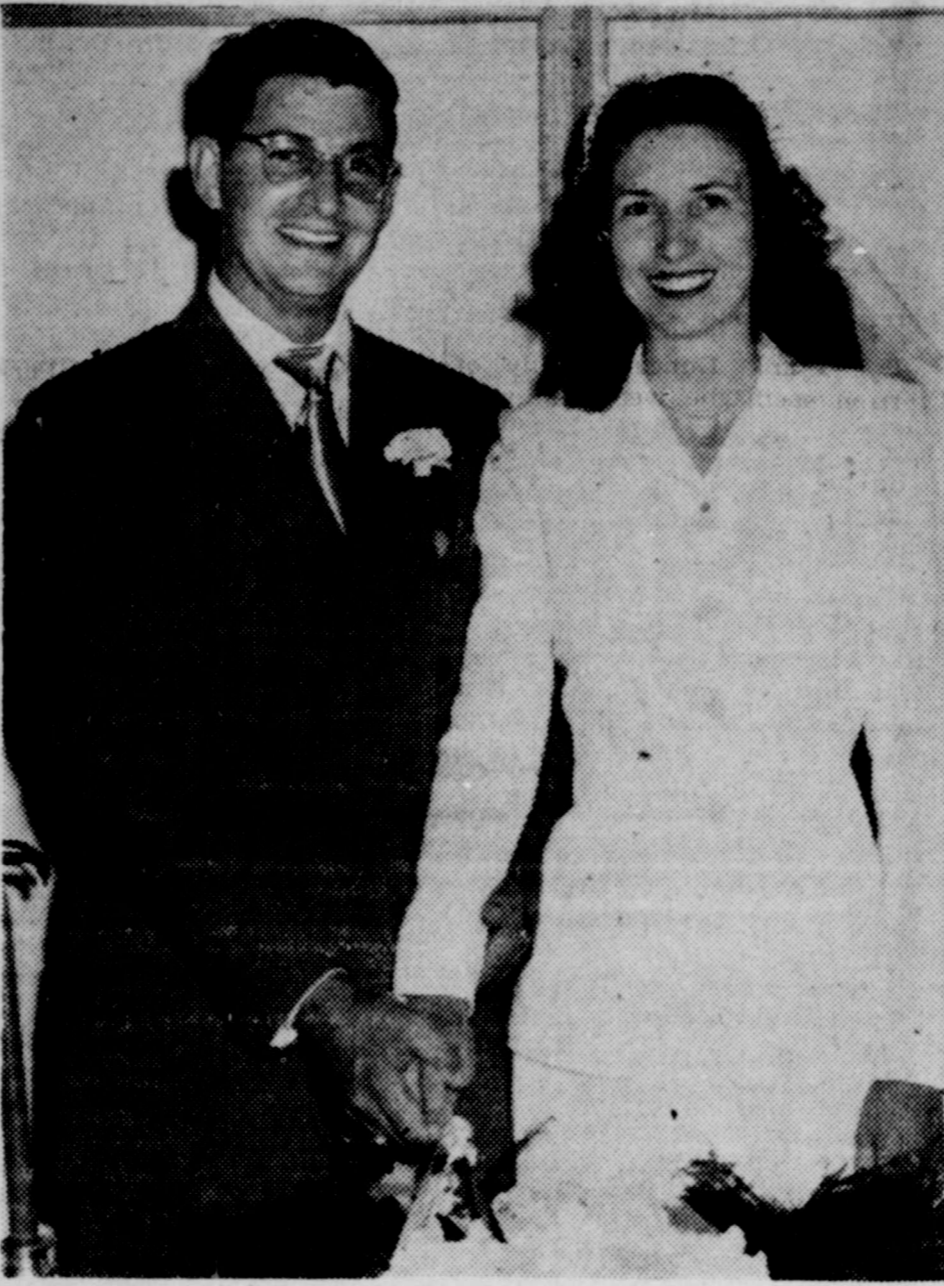

Artaban Chapter To Meet Monday Nite

The Artaban Chapter will have its regular meeting Monday, August 6, at 7:30 p. m. All members are urged to be present.

Newly elected officers will have a training period preceding the meeting at 6 o'clock.

Preparation for the yearbook will be made, and plans for the open House sponsored by the chapter will be begun. The open house will be during the fourth week of August.

Recent Bridal Couple to Fly To Venezuela

Mr. and Mrs. Hugh F. Cypher, Jr. are pictured during the reception which followed their wedding recently in St. Elizabeth's Catholic church, Lubbock. The couple left by plane from Amarillo on Monday, and will fly to Maracaibo, Venezuela, South America, where he is associated with United Oilwell Service. Her parents are Mr. and Mrs. Everett Roberson of Spur. Mr. and Mrs. H. F. Cypher of Borger are parents of the groom.

76 Guests Attend Osborne Reunion

Mr. and Mrs. H. A. Hollingshead, Charlotte and T. H. of Girard were among the seventy-six guests attending a reunion of the late C. P. Osborne's children at McAuley, Texas, in the home of Mr. and Mrs. Seth Woodson.

Mrs. Woodson is the youngest daughter of the family. All of the children except Mrs. Lulu Smith of California attended the reunion.

Others attending the reunion were Mr. and Mrs. D. N. Osborne, Mr. and Mrs. J. A. Osborne, Billie Lou, Ronnie, James and Milton Wiley, all of Lubbock; Mrs. Willie M. Wiley, Mr. and Mrs. C. E. Johnson, M. L. Edna Lou, and Truman of Post; Mr. and Mrs. Herman Ridgway, Shirley and Frank of Vernon; Mr. and Mrs. W. M. Teague, Melba, Larry and Ernest Lee of Sweetwater.

Mrs. Evalene Holly is attending a meeting of Homemaking teachers in Austin this week.

Mrs. Paige Gollihar is one of the conference leaders in the WSCS School of Missions being held in Lubbock this week.

Mrs. C. F. Watters and Mrs. Wendell Smith made a trip to Lubbock Monday to visit Mrs. Clarence Alexander who is seriously ill. Mrs. Watters returned to Lubbock Wednesday and plans to return today.

\$5 Million Asked For Flood Relief Fund

President Truman's appeal to the American people to contribute \$5,000,000 to a special Red Cross Flood Relief Fund for the victims of the most damaging flood in the nation's history has focused attention on the role of the Red Cross in disaster.

Many people are unaware of exactly what the Red Cross does when faced with an emergency like the Midwest Flood. In this short summary, specially prepared for this newspaper, the complete program of Red Cross disaster relief and rehabilitation service is outlined.

The disaster relief program includes relief of assistance, emergency relief and continuing rehabilitation aid. The first comes with the emergency, when all efforts are directed toward meeting the immediate needs of the sufferers—rescue, food, clothing, temporary shelter, and medical attention. The second—permanent rehabilitation—comes soon after and continues.

The Red Cross has been the official national agency for rendering disaster relief since 1905, when it received a mandate through congressional charter.

When disaster, whether hurricane, cyclone, flood, explosion, strikes a community, trained workers are sent by the national organization to assist local chapter volunteers when such help is needed.

The acute emergency is not usually of long duration. But the job of rehabilitation may go on for months, sometimes sufferers receive aid for years.

Usually a disaster-stricken family can be placed on the road to recovery by helping it re-establish its means of livelihood. This help becomes acute when a family's source of livelihood has been swept away by the destruction of tools, stock, or other material needed for work. A poultry raiser may need brooder houses and stock following a flood; a fisherman may have had all his equipment swept away; a small store may have been denuded of stock and fixtures, even wrecked; a barber shop may be levelled; the destruction of his livestock, his barns, his home.

Old people, living on a retirement pittance, may have their

LAFF OF THE WEEK

homes swept away or burned. All of them may require prompt aid unless they are to become public charges. The task is to restore them to a measure of security, self-reliance, and productivity.

The most urgent cases receive first attention—widows, orphans, the ill, the aged, and the helpless.

Red Cross aid is not a hit-and-miss affair on a come-one-come-all basis. It follows a pattern which half a century of experience has developed.

The need of the individual or the family, rather than the extent of the loss, is the basis upon which assistance is given. A person who has lost heavily in a disaster but who is able to stand the loss financially without unreasonable hardship is not a case for the Red Cross. The relief funds are expended to meet actual needs which the sufferers themselves cannot meet from their own resources.

Red Cross assistance is given outright—not as a loan to be repaid. It is the gift of the American people with no obligation for repayment by the recipient or the community. The Red Cross has learned that people assisted in time of catastrophe are in no position to assume heavy financial burdens.

Under the disaster relief plan, homes are repaired, furnishings provided, stock and seed replaced. Typical of the kind of aid given was the replacement of beauty shop equipment, lost when a hurricane wrecked the business establishment of a mother with two dependent children. With new equipment, this young widowed mother was able to take up again the support of her two small children.

One woman, long blind, was dependent upon her small radio for her contact with the world outside her darkness. The rehabilitation committee felt that a radio was a necessity, not a luxury, and replaced the instrument destroyed when it was damaged by rising flood waters.

While disaster funds are disbursed from a national pool, determination of need is made on an individual basis by experienced disaster workers, aided by a committee of local citizens. All money allocated for housing, repairs, tools, furnishings, and other rehabilitation materials is spent in the home community of the recipient.

Careful investigation of the financial status and the need of a disaster victim is made by competent workers, but the information which they gather is held in confidence and the recipient is not embarrassed by public disclosure of his personal affairs.

Mrs. Sue Patterson is visiting her sister and family, Mr. and Mrs. D. J. Dyess.

Mr. and Mrs. W. F. Patrick, Patty, Don and Evelyn visited with Mr. and Mrs. E. E. Caudle and Mr. and Mrs. Leon Huff in Abilene Sunday. Both the Caudles and the Huffs are former Spur residents. Mrs. Huff is the sister of Mr. Patrick.

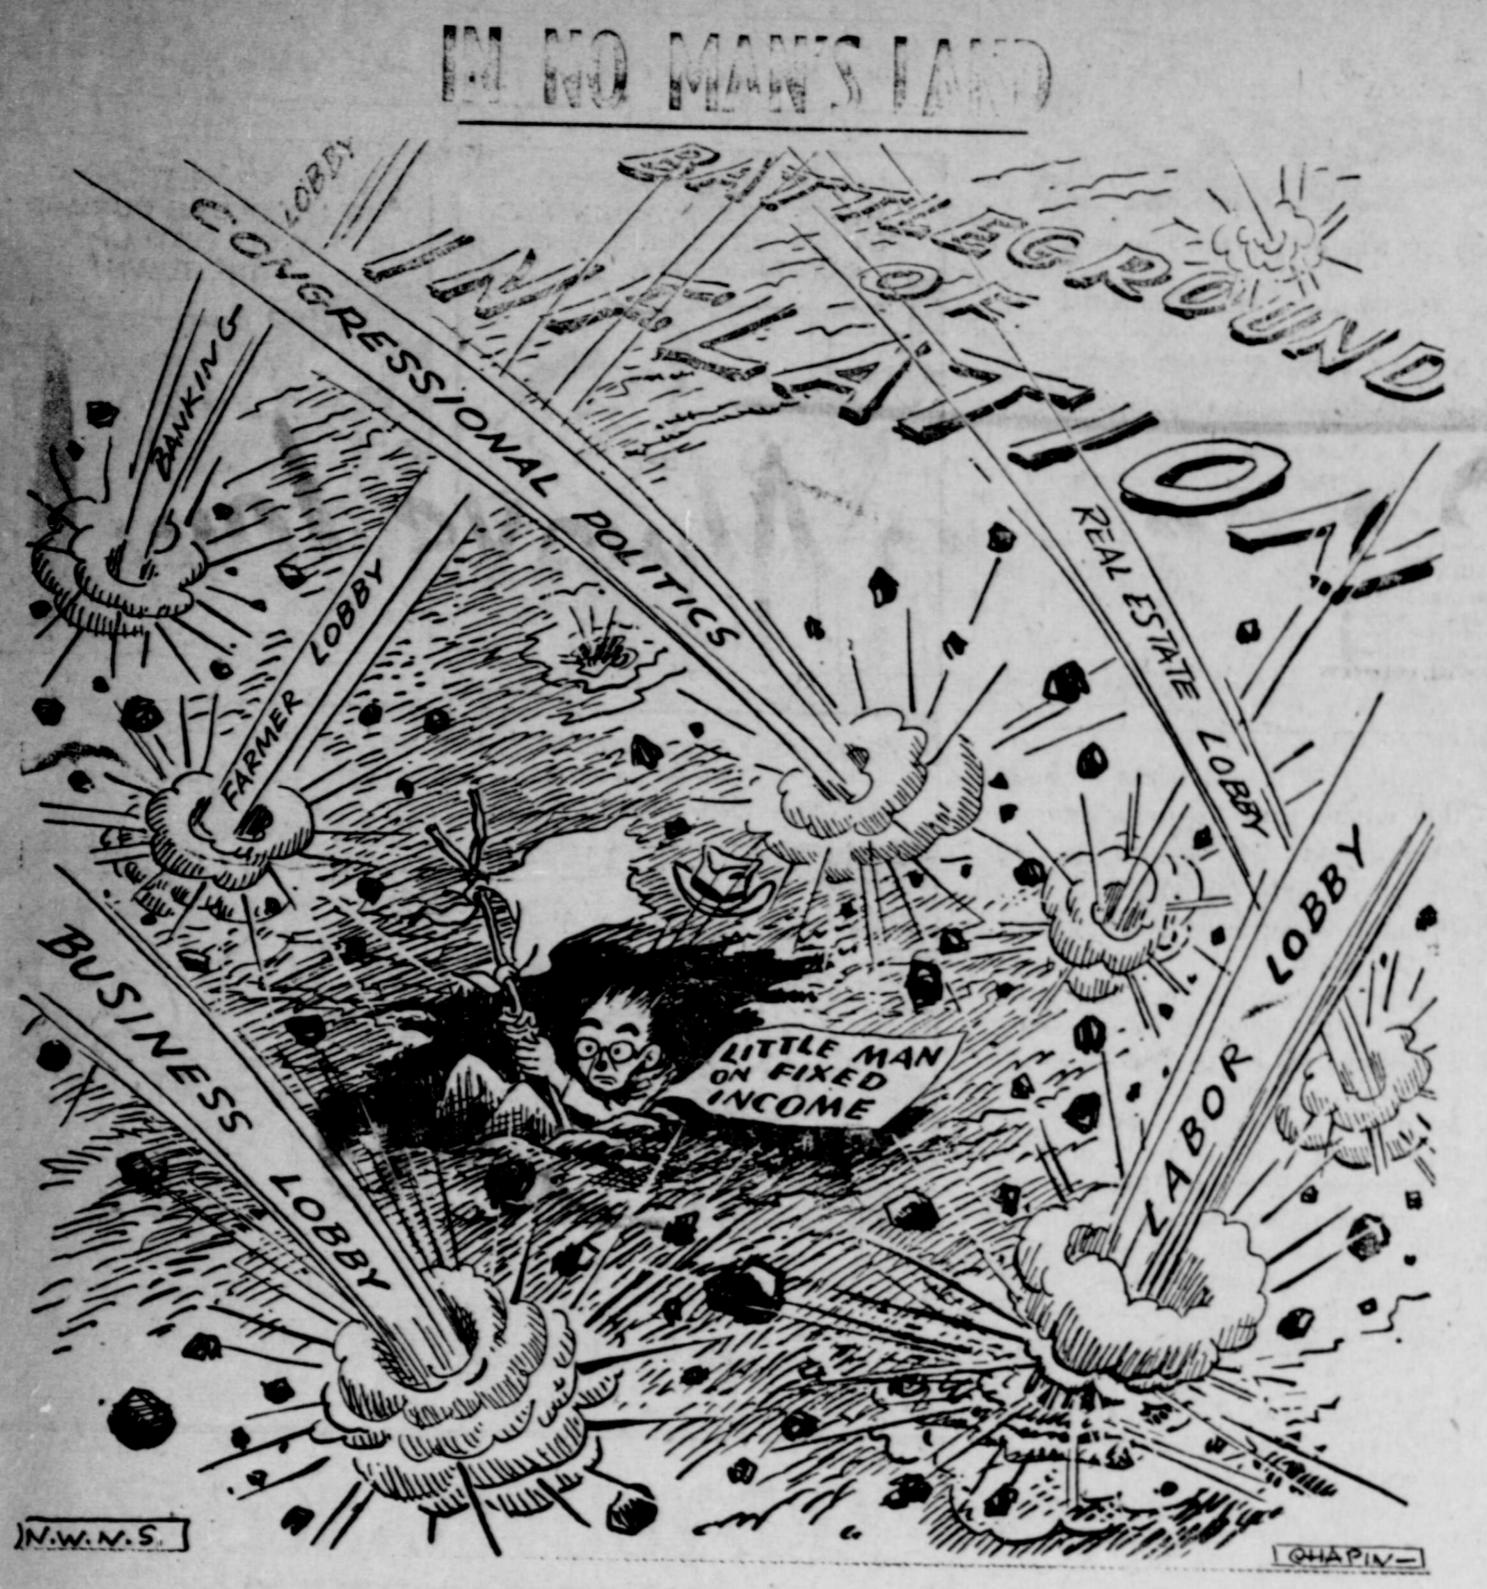

Canadian Students Visit U.N.

Four students, winners of a public speaking contest sponsored by the Toronto Branch of the United Nations Association in Canada, visited U.N. as part of their three-day trip to New York. Groundwater Users To Meet August 9

Plainview—Ground water users from 21 counties will gather here Aug. 9 to tell the Cattle Board of Water Engineers how they feel about the proposed creation of High Plains Underground Water Conservation District No. 1.

Irrigation farmers and other interested citizens have been invited to testify at the Board's public hearing, which is set for 10 a. m. in the Plainview Municipal Auditorium.

On evidence presented, the Board will decide whether to declare creation of the 10,600-square-mile district. If the district is established, the Board will then appoint a five-man board of directors to supervise an election at which the voters may approve or reject the district.

Such districts are in operation, on a much smaller scale, in Martin and Dallas counties. They were created under House Bill 162, passed by the Texas Legislature in the spring of 1949.

The proposed district includes all of Lubbock, Parmer, Hale and Swisher counties and parts of Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hockley, Lamb, Lynn, Oldham, Potter, Randall and Terry counties.

Marva Denton, four years old, daughter of Mr. and Mrs. J. J. Denton, Spur, was admitted to the Scottish Rite Hospital for Crippled Children in Dallas on July 25.

Safety Hints

To stay alive, don't drink and drive!

That was the conclusion of the National Safety Council after its figures for 1950 showed that in one out of every five fatal traffic accidents the driver or pedestrian has been drinking.

The 1951 edition of the Council's statistical yearbook, "Accident Facts," states that 17 per cent of the drivers involved in fatal accidents and 22 per cent of the adult pedestrians killed in motor vehicle accidents had been drinking.

Stamford PCA Directors Attend Regional Conference In Fort Worth This Week

On Monday and Tuesday, July 30 and 31, the directors and managers of the Stamford Production Credit Association met at Fort Worth with the directors and managers of the Amarillo, Canadian Valley, Lubbock, Memphis, and Plainview Production Credit Associations, according to J. L. Hill, Jr., Secretary-Treasurer of the Stamford Association. This was one of a series of seven regional conferences of directors and managers of production credit associations being held over the state this summer.

These conferences are in the nature of a round-table discussion for the exchange of ideas. The subjects discussed at Fort Worth were credit for agriculture, the difficulty of making sound loans in inflationary periods, the job of increasing capital and surplus, improving annual stockholders' meetings, and improving employee relationships. Mr. C. G. Burson of Haskell, Mr. J. F. McCulloch of Stamford, Mr. J. S. Reeves of Hawley and Mr. Lasater Hensley of Paducah were the discussion leaders for the Stamford Association.

standing to 2976 farmers and ranchers. Attending the meeting from the Production Credit Corporation of Houston, the state supervisory office for the 36 associations in Texas, were Directors E. J. Kyle of Bryan and J. B. Pumphrey of Old Glory. Mr. Kyle is Dean Emeritus of Agriculture at Texas A. & M. College and former representative on the National PCA Advisory Committee, and W. J. McAnely, President of the Federal Intermediate Credit Bank of Houston which discounts agricultural paper for the production credit associations and other agricultural credit corporations over the state.

The Stamford Association, like the other 35 in Texas, is entirely farmer-rancher owned and operated. It makes crop and livestock production loans in Dickens, King, Knox, Kent, Stonewall, Haskell, Jones and Shackelford Counties. On June 30 the association had 1589 stockholders with capital surplus, and reserves of \$779,266, and had \$2,750,523 in loans outstanding to 829 farmers and ranchers. The group of six Northwest Texas associations represented at the conference in Fort Worth had a total of 5674 stockholders with a combined capital, surplus and reserve of \$3,204,832 on June 30, and had \$12,436,968 in loans out-

1951 Dove Season Proposed by Group

AUSTIN, Aug. 1—Changes in the proposed 1951 dove season in Texas are foreseen by the Executive Secretary of the Game, Fish and Oyster Commission following a conference with Clarence Cottam assistant director of the Federal Fish and Wildlife Service.

The Fish and Wildlife Service and the state jointly set seasons on both mourning doves and white wing doves because they are migratory birds. The Executive Secretary said it seems unlikely that Texas will be zoned for waterfowl hunting as recommended by the Commission.

The Commission, at its last regular meeting, recommended that the mourning dove season open in the North Zone September 1, and open in the South Zone November 15 to run 45 days. The Executive Secretary understood from the conference with Cottam that the open dates may stand but that the season would run 40 instead of 45 days.

bag limits of ten per day and ten in possession seemingly will continue. Shooting hours would be from noon to sunset instead of all day.

Cottam reported that the Fish and Wildlife Service disavows the proposed two week-end hunts on white-winged doves in the Rio Grande Valley. The Executive Secretary reported that the 1951 season probably will be Friday, September 14; Sunday, September 16, and Tuesday, September 18, with the hours from 4 p. m. to sunset, as usual.

Cottam said the whitewings suffered too heavily from the winter freeze that destroyed much of their nesting areas in the orange groves to permit an expanded season. The Commission recommended Friday, September 7, and Sunday, September 9, and Friday, September 14, and Sunday, September 16.

The Executive Secretary reported increasing hunting pressure, plus weather hardships on both whitewings and mourning doves, as major factors in the curtailments tentatively fixed by the Federal authorities.

Cottam also indicated a no-zoning waterfowl policy by the Fish and Wildlife Service because of the precedent provided by such a concession to Texas. He pointed out that several states seek a zoning arrangement, some of them, like Delaware, being just a fraction the size of Texas.

The Executive Secretary said it was too early to anticipate the waterfowl regulation since the summer duck and goose count still is underway. He quoted Cottam as saying Texas would be allowed regulations to permit as generous hunting conditions through-

Familiar Isn't Frightening

DUDLEY HALL, Skaneateles, N. Y., was in high school he made a record that most people would think enviable. In his second year he was on the football team and was president of his class. His junior year found him captain of the football team, on the basketball team, and again class president. The last year, he was captain of both the football and the basketball teams, played on the baseball team, and still class president. Whew!

Carnegie

Then he enrolled in a large eastern university. In his freshman year, he was captain of the football team and vice-president of his class. In his junior year, he was still with the football team and received an all-eastern mention. The year he graduated he had just gone through a thrilling period: on the football team, all-America mention, permanent second marshal of his class.

With such a record of outward accomplishment, wouldn't you think he would have enjoyed some feeling of success? Well, he didn't. More than that, he wasn't even happy. Why? He was filled with fear! He was terrified at the thought of going out into the world and facing people near at hand whom he had never before seen. Performing before 80,000 spectators at a game didn't phase him in the least. But the very suggestion of appearing before small groups of people, even of talking to some unknown man who might not even judge him favorably, brought soul-wrenching terror.

Then all of a sudden he realized that he wasn't afraid of that with which he was familiar. He realized that he had to become familiar with what he wanted to conquer. So he got a job of selling from door to door. The first day was an agonizing experience, but after a few weeks he was thrilled at seeing how many of those who opened their doors could be influenced by his persuasions to "come across."

out the state as possible.

The Commission has recommended that waterfowl season open November 10.

State Health Officer Urges Prevention of Fly Breeding Places

AUSTIN, Aug. 1—Thousands of children and adults die every year from diseases carried by the fly. Typhoid fever, tuberculosis, polio, summer complaint, cholera, intestinal diseases, and frequently death follow closely in the trail of the common house fly.

The control of the fly menace comes at the top of the list of necessary public health measures which should be applied by every city and community in the State," urged Doctor Geo. W. Cox, State Health Officer.

"The most effective measure for control is to prevent breeding."

AMBULANCE SERVICE
Air Conditioned Coach
CAMPBELL'S

Doctor Cox said, "Flies breed in filth, and about eight days are required to complete a life cycle. During her life time of several months, one house fly lays from 600 to 1000 eggs. Thus it can easily be seen that in a season which usually begins in the spring of the year, the descendants from one fly number countless thousands.

"To eliminate flies, the breeding places must be destroyed. Manure piles, garbage, and other organic filth furnish the requirements of warmth, moisture, and food necessary for the propagation of the fly. Flies should be kept from contact with food or drink or utensils in which such food and drink are prepared and

KENNETH TOBEY and MARGARET SHERIDAN await the approach of "THE THING," in the amazing motion picture released by RKO.

'The Thing,' Menace from Far Skies, Comes as Subject of Melodrama

Howard Hawks' Sensational Production Tells Strange, Thrill-Packed Tale of Fearsome Invader Cornered in the Arctic by Scientists

Hailed as one of the most suspenseful pictures ever made, Howard Hawks' production, "The Thing," offers a cast of brilliant new faces in an amazing story of a terrifying visitor from the sky.
 The thrilling melodrama distributed by RKO Radio, has its locale near the North Pole, at a base where a group of American scientists are investigating Arctic phenomena. When a mysterious space-ship crashes near by, the scientists radio the Air Force field at Anchorage, Alaska, and a group of Army fliers arrive on the scene.
 The space-ship is accidentally destroyed, but one of its "crew" is rescued and taken to the base. The subsequent thrilling developments take the form of conflict

between the scientific group who wish to study the fearsome "thing," and the Air Force captain who realizes it poses a terrible threat to all civilization and wants to destroy it while there is yet time.
 "A cessation of hostilities is highly desirable in Korea. All men of good will desire it, if it can be accomplished on honorable grounds. The only undesirable thing about a cease fire is that it may promote complacency in the minds of our people. This obviously could be an important factor in the over-all strategy of our enemy. We cannot at this juncture indulge in fanciful thinking that peace in Korea, even if achieved, will in any measure deter or slow up the nation's rearm-

ment program. It has been clearly demonstrated that our former ally is not to be trusted. We must of necessity put a question mark before and after all his overtures.
 "If the sacrifice of life already expended in this initial test of our compact agreement with the United Nations shall not have been wasted, we must not permit our common hopes for world peace to trap us into an expensive, lackadaisical attitude toward the seriousness of our responsibilities. You gentlemen in your official capacity as members of the Texas local boards have furnished better than the equivalent of a division and a half of military manpower since the Korean fight began. We hope in the next year your demands will be less, but we want to be ready to furnish more if the needs of our country demand it."
 General Wakefield paid tribute to the more than 500 Texas local board members for their "splendid service to the nation's welfare" as uncompensated personnel of the Selective Service System.
 "I ask that you resolve with me to continue to perform our duties in the best Texas tradition," the state director's letter to the board members concluded.

August Draft Quota Raised by General

AUSTIN, TEXAS—State Selective Service headquarters received official notice recently that its August call for 485 men has been increased to 772, Brigadier General Paul L. Wakefield, state director, said in a statement.

This is the state's share of the national call increased from 22,000 to 35,000. Fifty-seven local boards, which otherwise would not have received a call for August, will now get one, the state director said.

"This increase emphasizes that Korean peace headlines do not necessarily have a bearing on manpower procurement for the nation's armed forces," General Wakefield said in a letter to Texas local board members after receipt of the added call.

"This is just another act demonstrating the resolve of our nation not to be caught unprepared."

May we suggest a Sitting?

No doubt about it—you'll make a mighty handsome picture in a strapping new '51 Buick.
 But it isn't the way you look, but the way you feel that's really important.
 We'd like you to discover a Buick's ease and comfort, a Buick's power and performance, a Buick's steadiness and control—just to see if maybe you have been missing a travel treat.
 We'd like you to discover what a valve-in-head engine, as Buick builds it—gingered with Fireball combustion—can mean in pulse-pounding thrill and in big miles-per-gallon figures.
 We'd like you to learn what coil springs on all four wheels—not just in front—can do in the matter of smoothing a rough road and keeping you on an ever-level keel.
 We'd like you to see what generous roadweight and a rigid torque-tube mean in solid steadiness of ride—what Dynaflo Drive* does for you in downright comfort and convenience—what a breeze it is to handle so big and roomy and impressive a car.
 Most of all, we'd like you to note the easy-to-take price tags our cars wear—what a whale of a lot more automobile you get for your money in today's Buicks than you'll get elsewhere.
 So—come in for a sitting soon, won't you? Whether you try a SPECIAL, SUPER or ROADMASTER, you'll find it the top buy in its field—and a beauty from any angle.

Chamber of Commerce Doings: Merchants to Meet Friday Night; Dickensite Encourages County Goodwill

Mrs. Nona Starcher, chairman of the merchants committee of the Chamber of Commerce has called a meeting of her committee for Monday August 6, at 7:30 p. m., at the screened-in playhouse located by the Starcher Apartments at the corner of Harris and Keeler Street.

All business men will benefit by attending this important meeting.

Last week the board of directors of the Chamber of Commerce discussed goodwill in their meeting and urged that people give cooperation to this campaign. The Chamber of Commerce received a letter from Dickens this week that reads as follows:

"I have just read the Chamber of Commerce column in the Texas Spur with the heading of County Goodwill Urged by Directors at Wednesday Meeting. To me, this goodwill subject should have been going on for thirty years or more. Bickering, feuds, and butting heads will never help anyone or any town or community. Nothing but goodwill should avail to every community and all of us. 'Spur needs all the County and all the County needs Spur. We cannot do without you and you cannot do without us. Let's lay all ill feeling aside and be friends and neighbors. We have all lost golden opportunities by not helping each other. I will do all I can to help in every way possible.'"

This is a letter written by a citizen of Dickens and we congratulate him for it. Let's all join in and promote goodwill in this county.

Texas A & M College Extension Service, the Dallas Morning News and radio station WFR are sponsoring a community range and pasture improvement contest. Prizes are \$250.00, \$150.00 and \$100.00 respectively. Contestants may not enter later than September 1, 1951. Apply at Chamber of Commerce or see Charles Taylor at Dickens.

Several changes have been made in OPS regulations and therefore it is still necessary that price clinics be held to assist the business men here in Spur. You are invited to contact the Chamber of Commerce for assistance in OPS regulations. The next price clinic will be conducted August 13 in this office.

This week we welcome to Spur Mr. and Mrs. R. Q. Walsh, J. M. Bull, J. L. Anderson, G. I. Cooper, and Thomas B. Stevens who are economists and invite you to visit the Chamber of Commerce. If these people are establishing permanent residence in Spur they will be presented a certificate of appreciation and several gifts will be given them by the merchants of Spur.

Haynes School opens Monday, August 13

The opening date of the Haynes School (colored) has been announced as Monday, August 13. All students are urged to be present for the first day in order to complete registration. The three teachers who taught during the last school term will form the faculty again this year. C. F. Cook, Spur Schools superintendent, states that the school is beginning early this year to enable students to have a recess of school during the cotton picking season. G. W. Keer, principal of the school, has stated that the cooperation of everyone will be appreciated.

Revival To Begin At Soldier Mound

Revival services will begin at the Soldier Mound Baptist church Friday night, August 3 and continue through Sunday, August 12. Rev. J. C. Koen, pastor of the Afton Baptist Church, will do the preaching for the revival. Services are scheduled to begin each evening at 7:30 o'clock. Everyone is cordially invited to attend.

THE EDWARDS RESIGN TO ACCEPT LUBBOCK POSITION

Mr. and Mrs. J. Malcolm Edwards left Wednesday for Lubbock where they will make their home. The Edwards resigned as music and education director and church secretary of the First Baptist church to accept a similar position with the Trinity Baptist church of Lubbock. Rev. John Baker is pastor of the Lubbock church.

Mr. and Mrs. C. P. Scudder are in Colorado this week on a fishing trip.

New Panel Called By Court For Friday

A court room of spectators, a jury panel, witnesses and officers spent a restless and uneventful day in the county court last Friday while the court heard evidence supporting a motion by the defense to quash the panel.

On the docket was the trial of the fourth of five defendants on liquor laws violation charges. Although the court had not late Wednesday overruled or sustained the motion of the defense attorneys, Brummett, Brummett and Salyars of Lubbock, the court has dismissed the panel previously summoned and has summoned a new panel.

County Attorney Alfred Walker states that the court acted on its own motion in this action and it is believed that the defense attorneys' motion will be overruled. The new panel is to appear in court Friday morning, August 3, the date to which the trial was postponed.

Funeral Services For Amandy Ticer Held

Funeral services for Amandy Ticer, 85, were held at the Mission Baptist Church Sunday afternoon at 4 p. m. with Rev. Dock Love officiating.

Mrs. Ticer was born May 25, 1866 in Freestone county, Texas. She was married to A. J. Ticer. She had been a resident of Dickens county since 1949.

Surviving Mrs. Ticer are two sons, John and C. N.; five daughters, Mrs. Clyde Dungan, Mrs. W. L. Johnson, Mrs. Hugh Glasson, Mrs. J. W. Paul and Mrs. Archer Dungan; 49 grandchildren and 75 great grandchildren.

The pallbearers, all grandsons of Mrs. Ticer, were Walter Lee Johnson, Lewis Norman Johnson, Archer Dungan, D. S. Cunningham, Melvin Stovall and Allen Paul.

The funeral was under the direction of Campbell's Funeral Chapel with interment in the Spur cemetery.

City Water Consumption Hits All-Time High During July; No Shortage Seen

The month of July, 1951, marked an all-time high for water consumption by the citizens of Spur, states city manager James Cowan.

Four of the six city pumps pumped a total of 16,507,000 gallons of water during last month. The previous high was reached in July of 1949 when the city used 13,944,000 gallons.

While many West Texas cities are rationing water and still are running out, Cowan states that Spur has a bountiful supply and there is no danger of any shortage as long as the pumps will pump. The city has two stand-by pumps to use in case of an emergency.

According to Cowan, the city has one of the best water supplies off the caprock. The water is tested by samples twice each month and has consistently been found free from any contamination.

Only twice since September, 1948, has any contamination been reported by the state inspecting agency. Cowan states that in these two cases, it is believed that the traces of contamination found came from the water taps instead of the water.

Plans are now being made to fence the six wells of the city. This is the only item lacking in getting the city water system approved by the state.

"Our present facilities could pump 1,200,000 gallons a day if it were necessary. This is nearly twice the present consumption," states Cowan.

Avaritt To Preach For Midway Revival

The Midway Church of Christ has announced that a series of gospel sermons will begin at the church, Saturday, August 4. Evangelist Kenneth Avaritt of Tucumcari, New Mexico will do the preaching. The services will begin at 8:30 o'clock each evening and at 10:30 o'clock Sunday morning. The gospel meeting will continue through Sunday, August 12.

A cordial invitation is extended to all to attend each service.

Military Services For Cpl. Billie Meadors To Be Held Friday At Baptist Church

Military funeral services will be held tomorrow, Friday, August 3, at 4:00 p. m. for Cpl. Billie Warren Meadors, son of Levi Meadors, Spur, and Mrs. Eula Washington, Plains, Texas.

Cpl. Meadors was killed in action in Korea on September 14, 1950. After being reported missing in action for some time, it was learned that the Spur boy was killed near Seoul.

Cpl. Meadors is the first and allegedly only Dickens county boy to be killed in action in the Korean conflict.

He was born in Spur on March 19, 1929 and lived here all of his life.

Funeral services will be held at the First Baptist Church, Spur with Rev. C. Mevin Rathel officiating. Graveside military rites will be under the direction of the Spur V. F. W. and American Legion.

Pallbearers will be H. A. DeMont, Bob Thompson, Orland Adeock, Lynn Cherry, Troy Smith and Jack Horta.

Other than his parents, Meadors is survived by one brother, Levi, Jr. of Brownfield and two sisters, Jimmie Sue Meadors and Mrs. Jean Dean, both of Spur.

The body of Cpl. Meadors will be brought to Spur from Lubbock by the Chandler Funeral home, states C. B. Chandler, undertaker in charge.

New Instruments To Be Purchased For Spur School Bands

The Spur Bands will boast some of the finest band instruments made this fall. The Spur School Board has authorized the purchase of two new bassoons, two new bass clarinets, one new oboe, two new bass drums (one for marching and one for concert), one new Glockenspiel and three new Sopranos.

Beginners in these instruments will be started in summer band school in August and September after the beginning of school.

Because of the expense and delicacy of most of these instruments, the children to use them will be carefully picked. Melvin King, local band director, states: "Whether the child plans to attend the summer band school or not, he should come by the band hall and tell King if he wants to play one of the school horns."

The band hall has recently been repainted on the inside, and the floors have been braced and cleaned. Windows have been repaired and a water fountain will soon be installed. Band students will have a much more efficient and comfortable place to work this year.

Local Swimming Pool Attendance Good

Managers of the Spur swimming pool state that attendance at the local pool has been very good recently with many Spur folks taking advantage of the cooling-off of a good swim.

City manager James Cowan states that the over-all attendance this year has been better than in any previous years giving the dry, hot season and the increase in population as the possible reasons for the increase.

The new vacuum system being used to keep the pool clean has proved very satisfactory and has eliminated the necessity of draining the pool this summer. The pumping system completely changes and treats the water twice daily and the pool has passed state inspections at two-week intervals all summer.

According to state inspection reports, the water as pure as drinking water as far as bacteria contamination is concerned.

JAMES GOSS IS NEW NEWSPAPER AGENT

James Goss has announced that he is the new agent for the Lubbock Avalanche-Journal and Fort Worth Star-Telegram. Effective August 1, Monroe Wilson was formerly the local agent for these papers.

Office for the agency will be in the A & B Barber shop. All former and new customers are invited to take advantage of this service.

Olan Daughtry Has Leased Liberty Cafe

Mr. and Mrs. Olan Daughtry have taken over the management of the Liberty Cafe on Burlington Ave. in Spur. The business was purchased from Mr. and Mrs. Hershel "Mac" McAlpin.

The Daughtrys invite the friends and customers of the cafe to come in and get acquainted.

Proctor's, Hoover-McAteer Enter Finals 8:30 Tonight

Hoover-McAteer and Proctor's teams enter into the final two-out-of-three series for the championship of the Spur Softball league tonight at 8:30 p. m. in Jones Stadium.

Tonight's fans will witness the experience and consistency of Proctor's matched against the youth of Hoover-McAteer. Proctor's has the oldest team in the local league, many players as old as the fathers of the young Hoover-McAteer bunch.

The Hoover-McAteer team, in spite of their "off" nights, have managed to stay among the top three in league standings for the entire season. They were knocked from the top rung by City Drug and then lost in five innings to the V. F. W. in the first round of the play-off.

However, Buddy Hoover's boys took it in their stride and came back to take the next two games from the veterans in championship form.

Proctor's, off to a weak start, rocked along in fourth and fifth place for most of the regular season, upsetting the top teams and losing to the lower rated teams. A V. F. W. win over the Fireboys handed them a berth in the play-off and the big guns opened up. They drubbed the high-flying City Drug nine twice in a row in the first play-off round, showing some of the 1950 championship style.

Tonight and next week, it will be either team's championship until the last out is made. Both teams have shown their ability to overcome opponent's leads and to finish strong.

The second game of the finals will be played next Tuesday night at 8:30 if the schedule does not interfere with the schedule of the All-Star team in the state play-off in Plainview. Should the All-Stars be scheduled for Tuesday night, the local game will be played on Monday night, states Billy Bigham, commissioner. Fans are asked to watch the billboard in front of Alderson's Variety Store for the exact day and time.

Last Thursday night in the second games of the semi-finals, Proctor's eliminated City Drug by a 10-5 score. Hoover-McAteer evened the score with the V. F. W. with a 11-3 five-inning win.

Tuesday night the Hoover-McAteer team went into the finals with a 7-3 victory over the veterans.

Following the final game of the series, the winning team will be presented the Texas Spur trophy with the team's name and players engraved by McClurkin's Jewelry.

Baptist Revival At McAdoo In Progress

The revival services at the First Baptist Church of McAdoo began last evening Wednesday, August 1. The series of services will continue through Sunday, August 12.

You are cordially invited to hear Rev. Wayne N. Stout of Dalhart in these services, being held twice daily.

Benefit Game Nets Boosters \$200; Spurettes, Lubbock Bears Win Games

The All-Star softball game last Friday night for the benefit of the Spur Band Boosters netted the band organization approximately \$200.00 to be used toward new uniforms for the Spur bands.

Officers and members of the club express their thanks and appreciation to the Spur softball league, the All-Star team, the Spurettes, the Oldtimers and the many fans attending for their enthusiastic response to this cause. "It was a great success!" stated Lynn Buzbee, an officer of the club.

In the opening game of the evening, the Oldtimers got even with the Spurettes with a 10-5 victory. The Spurettes had previously defeated the 49-and-older team 28-23.

Phodes Brothers Bears of Lubbock defeated the Spur All-Stars in the main attraction of the evening 8-3. Pitching for the Lubbock nine was Arnold Tinker, one of the top ranking pitchers of the state. He allowed the Spur nine only two safe hits.

Jerry Price was the starting pitcher for Spur, being relieved by D. R. "Buck" Gilbert.

David Wilson Dies; Funeral To Be At Spur

David Wilson, formerly of Spur, died Wednesday, August 1, in Bentonville, Arkansas. He was a brother of Leonard and Virgil Wilson.

The funeral services will be held at 10 o'clock Saturday morning at the First Baptist church of Spur.

NOTICE

Driver's license examination days for Spur have been changed from each Monday to the second and fourth Tuesday of each month. The area examiner from the Texas Highway Patrol will be here on those days. This change became effective August 1.

Nominations Made For Legion Officers

C. B. Chandler, chairman of the Spur American Legion nominating committee, and J. B. Haralson, commander of the local post, announced the following nominations for legion officers, as made by the nominating committee:

Commander: Larry Boothe, Lewis Lee.

First vice commander: Kermit Cunningham, C. W. Proctor.

Second vice commander: Cecil Godfrey, Gib Ragland, Larry Rockley.

Adjutant: Billie Hilley, Ralph Sherrill.

Chaplain: T. R. Elder; Finance officer: Pete Kizer, Charlie Kearney; Service officer: G. W. Grimes, Jake Varnell.

Sergeant-at-arms: P. G. Pierce, Derwood Woodward;

Directors: Guy Karr, J. B. Haralson, C. B. Chandler, and Alton Foreman.

Nominations will be made from the floor at the regular meeting to be held August 9, the officers' state.

The revival meeting in progress at the Highway community church of Christ will continue each evening through Sunday, August 5.

Highway Revival To Continue Thru Mon.

The revival meeting in progress at the Highway community church of Christ will continue each evening through Sunday, August 5.

Evangelist Don McLaughlin of Washington, D. C., is doing the preaching for the series of meetings, and Loyd Waddock of Spur is directing the song services.

An invitation is extended to you to attend the remaining services of the revival. Services begin each evening at 8:15 o'clock.

Necchi Sewing Mach. Demonstration Slated

A Necchi Sewing machine demonstration will be given in the Homemaking laboratory Tuesday evening, August 14 at 7:30 o'clock.

Mr. Low, district supervisor, will demonstrate the Necchi machine and use of its attachments.

Mrs. Evalene Holly, Homemaking teacher, will follow the demonstration with a workshop for adults on decorative finishes, use of the sewing machine, its regulation and attachments.

The workshops will continue each night at 7:30 o'clock, August 15-17.

Weiner Roast Is Courtesy to Guest

A weiner roast was given at the home of Mr. and Mrs. Lee Parker Tuesday evening at 8 o'clock as a compliment to Miss Norweitta Parker who is visiting in Spur. Miss Parker is from San Antonio.

On the picnic menu were roasted weiners, potato chips, marshmallows, cakes and cookies.

Guests were Patsy McKinzie, Betty Norris, Betty Lou and Vera Lynn, Craffon, Joyce Johnson, Patsy Williams, Mary Frances, J. M. and Ray Tullis, Patsy Crow, J. P. Hickman, Jimmy Hodges, Jimmy James, A. B. Stucky, Jr., Leonard Ward, Harley Gene Bingham, Dale Becken, Vern Becken, the honoree and the hostess, Peggy Mae Williamson.

Mr. and Mrs. Guy Karr and Dan returned to Spur Tuesday from a vacation in Wyoming. While there, the Karrs visited with her sister and family, Dr. and Mrs. Robert Halverson of Worland. They visited Yellowstone park and other points of interest in that section of the state. While at Yellowstone they met the Pet-Kizers and Alvin Joneses who were also vacationing there.

Mr. and Mrs. E. E. Caudle, Sam, Carol and Dany, formerly of Spur, were in the City Wednesday visiting with friends.

Mr. and Mrs. A. G. Spears of Paris, Texas are guests of their daughter and husband, Mr. and Mrs. Ferrell Smith of Elton this week. Mr. and Mrs. Spears are former residents of Spur, living here in 1949 where he was associated with Swift and Company.

A memo from the U.S.A.

We Americans don't get mad easy. But when we do, look out!

We pitch in and turn out guns, tanks, planes and ships faster than anybody on earth.

But nobody boots us into line. No commissars. No bayonets. No slave labor. We just get to work — because we've got something to work for...our liberties and our individual freedoms.

And back of our men and machines is electric power — as much as all the rest of the world has.

It's steady, dependable power — the kind produced only by free men — the kind that helped perform production miracles in World War II. Today, the business-managed electric companies have doubled the supply of electric power available before that war — and they're stepping it up all the time.

Yessir, we have power — with more on the way — and we know how to use it. That's a good thing for everybody to remember right now. And it's a good thing for some people here at home to remember that America's tremendous electric power was developed by the free enterprise system which has made America greater than any other nation.

LEGAL NOTICE

NOTICE OF ELECTION FOR THE RE-ALLOCATION OF COUNTY TAXES

The State of Texas County of Dickens: To the Resident Qualified Property Taxpaying Voters of Dickens County, Texas: TAKE NOTICE that an election will be held on the 25th day of August, 1951, in said County, in obedience to an order duly entered by the Commissioners Court on the 9th day of July, 1951, which is as follows: On this the 9th day of July, 1951, the Commissioners Court of Dickens County, Texas, convened in regular session, at the regular meeting place thereof in the Court-house at Dickens, Texas, with the following members of the Court, to-wit: W. H. Hindman, County Judge; Roy Ward, Commissioner Precinct No. 1; E. J. Offield, Commissioner Precinct No. 2; Arner Watson, Commissioner Precinct No. 3; G. C. Pierce, Commissioner Precinct No. 4, being present, and, among other proceedings had by the Court were the following: Commissioner Ward introduced an order and moved its adoption. The motion was seconded by Commissioner Pierce. The motion, carrying with it the adoption of the

order, prevailed by the following vote:

AYES: Commissioners Roy Ward, E. J. Offield, Arner Watson, and G. C. Pierce;

NOES: Commissioners None

The order is as follows:

WHEREAS, at the general election held throughout the State of Texas on November 7, 1944, the qualified electors of the State, voting on the proposition, approved the amendment to Section 9, of Article 8, of the Texas Constitution, which amendment provides that the Commissioners Court in any county may re-allocate the county tax levies authorized in said Section 9 of Article 8, by changing the rates provided for any of the purposes authorized in said Section 9 either increasing or decreasing the same, but in no event shall the total of such taxes exceed Eighty (80c) Cents on the one hundred dollars' valuation for any one year, provided that before the Commissioners Court may make such re-allocations and changes in such levies the same shall be submitted to the qualified property taxpaying voters of such county at a general or special election; and in event such re-allocations and changes are approved by a majority of the qualified property taxpaying voters of any such county, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall have been approved, unless the same again shall have been changed by a majority of the qualified property taxpaying voters of such county, voting on the proposition; and

WHEREAS, the Commissioners Court of Dickens County, Texas, deems it advisable and to the best interest of said County to re-allocate the county taxes authorized to be levied annually by Section 9, Article 8, of the Constitution, by changing the rates in respect to certain county taxes as herein provided:

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF DICKENS COUNTY, TEXAS:

That a special election be held in said County on the 25th day of August, 1951, which is not less than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified property taxpaying voters, who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon:

"Shall the Commissioners Court of Dickens County, Texas, be authorized to levy and collect in each year for a period of six (6) years from the date of said election, county taxes as follows: Not exceeding forty-one Cents (41c) on the \$100.00 valuation, in any one year, for County purposes; Not exceeding fifteen Cents (15c) on the \$100.00 valuation, in any one year, for roads and bridges; Not exceeding nine Cents (9c) on the \$100.00 valuation in any one year, to supplement the jury fund of the County; and

Not exceeding fifteen Cents (15c) on the \$100.00 valuation, in any one year, for the erection of public buildings and other permanent improvements."

In the event that the annual levy of a tax not exceeding fifteen (15c) cents on the one hundred dollars' valuation for the further maintenance of the public roads of said County has heretofore been, or shall hereafter be, authorized by a majority of the qualified property taxpaying voters of the County, voting at an election held for that purpose, nothing herein shall be construed as recinding or in any manner affecting the power and authority of the Commissioners Court to levy and to continue to levy said tax.

The said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly amended Section 9, of Article 8, of the Constitution, and Section 3a, Article 6, of the Constitution, and all persons who are resident property taxpayers who own taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election.

The ballots for said election shall have written or printed thereon the following:

"For Re-Allocation of County Taxes."

Against Re-Allocation of County Taxes.

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote.

The polling places and presiding officers of said election shall be respectively as follows:

Precinct No. 1
H. A. C. Brummett, presiding, Court-house in Dickens.

Precinct No. 2
E. J. Noland, presiding, Midway Baptist Church at Elton.

Precinct No. 3
Clark Forbis, presiding, Patton Springs Schoolhouse at Afton.

Precinct No. 4
Joe Kidd, presiding, Dry Lake at Dry Lake Schoolhouse.

Precinct No. 6
Emmitt Hagins, presiding, Duck Creek at Duck Creek Schoolhouse.

LEGAL NOTICE

NOTICE OF ELECTION FOR THE REVOCATION OF HOSPITAL BONDS

THE STATE OF TEXAS County of Dickens: WHEREAS, Ten per cent (10%) of the resident qualified property taxpaying voters of Dickens County, Texas, who have duly rendered their property for taxation have presented to this court a petition in which they pray this court to order that an election be held in said County at the earliest date practicable, to determine whether or not the authority heretofore granted to the Commissioners Court of Dickens County, Texas by election duly ordered and held in the said County on December 3, 1949, to issue the bonds of said County in the total principal sum of \$125,000.00, to mature serially within any given number of years not to exceed thirty (30) years from the date thereof, bearing interest at a rate not to exceed 3 1/2% per annum, for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Section 9, of Article 8, of the Constitution, and Chapter 1, Title 22, and Chapter 5, Title 71, Revised Civil Statutes of 1925; and

WHEREAS, this Court, upon due advice and investigation, has ascertained and determined that said petition is signed by more than ten per cent (10%) of the resident qualified property taxpaying voters of Dickens County, Texas, who have duly rendered their property for taxation, and that such petition should be granted, and that the election as prayed for in such petition should be ordered; therefore

BE IT ORDERED BY THE COMMISSIONERS' COURT OF DICKENS COUNTY, TEXAS: That an election be held in said County on the 25th day of August, 1951, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified electors who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon:

"SHALL the authority heretofore granted to the Commissioners' Court of Dickens County, Texas, by election duly ordered and held in said County on the 3rd day of December, 1949, to issue the bonds of said County in the total principal sum of \$125,000.00, to mature serially within any given number of years not to exceed thirty (30) years from the date thereof, bearing interest at a rate not to exceed 3 1/2% per annum, for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Section 9, of Article 8, of the Constitution, and Chapter 1, Title 22, and Chapter 5, Title 71, Revised Civil Statutes of 1925, be and is hereby revoked and canceled?"

That the said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly Chapter 1, Title 22, Revised Civil Statutes of 1925, and all persons who are legal voters of said Dickens County, Texas, and who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election.

It is further ordered that the ballots for said election shall be prepared in sufficient number and in conformity with Senate Bill No. 202 passed by the 52nd Legislature in 1951, and that printed on such ballots shall appear the following proposition:

"FOR THE REVOCATION OF BONDS."

"AGAINST THE REVOCATION OF BONDS."

EACH VOTER shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indication of

his or her vote. THE POLLING PLACES and Presiding Officers of said election shall be, respectively as follows: Precinct No. 1
H. A. C. Brummett, presiding, Court-house in Dickens.

Texas CROP Ship To Be Completed, Nov.

Texas farmers are busy harvesting their crops to meet a complete quota for the State of Texas and the Christian Rural Overseas Program better known as CROP. The quota consists of 1,900 bales of cotton, 35 carloads of grain, 14 carloads of rice, 14 carloads of peanuts plus various other food and fiber products.

This will continue the CROP Texas Friendship Food and Fiber Ship which is to be sent to needy persons in Korea, Europe and the Middle East.

Distribution of the Texas Friendship Food Ship is made by the Protestant Church World Service, the National Catholic Welfare Conference and the Lutheran World Relief without regard to race or creed.

Almost every church group in the United States is actively participating in CROP, the first coordinated church program of its kind in history.

Daniel Russell of Texas A. & M. is State Chairman of CROP, Vice Chairman representing the 60 sent agencies are: Rev. Victor Schmidtinsky for Catholic Rural Life, Glenbell A. Jones for Church World Service and Rev. A. J. Mohr for Lutheran World Relief.

County Agents are also cooperating with CROP in an effort to collect the Texas shipment of food and fiber by Thanksgiving.

In the Panhandle twenty counties offered to raise 40,000 bushels of wheat or the equivalent of that in money. They accepted this goal even though they do not have any wheat in the fields this year. As one farmer stated "we do not have any wheat but we have grain in the elevators and money in our pockets."

Many individuals have given CROP a carload of wheat, rice or other needed foods. If Texas raises its quota, it will lead the nation in CROP contributions.

Texas Governor, Allan Shivers, who serves as honorary chairman, recently wrote: "CROP to me represents a fine example of Christianity in action. It is a pleasure to serve as honorary chairman of the Texas CROP committee - particularly do I wish to thank the rural people of Texas who through a generous spirit of human compassion have made possible the substantial contributions."

OPS Plans To Set "Community Prices" On Grocery Items

In another week the Office of Price Stabilization will begin a nation-wide survey of food prices to lay base for a program of post-dollor-and-cents "community prices" in grocery stores. It is announced by the Lubbock district OPS office. The first step will be to survey prices of standard grocery items in 1,000 wholesale es-

tablishments. This will be followed by similar visits to over 2,000 retail grocery stores in the 84 district offices. Information from individual sellers will be held in strictest confidence, said H. R. Gholson, Director of the District office.

A chief purpose of the survey will be to find out if there is enough stability in prices of a number of grocery items to make a community pricing program practicable. Community pricing is a system familiar in World War II under which the country is divided into relatively small market areas and grocery price ceilings set for each area on the basis of local transportation and other costs.

These ceilings would be the same for all stores of each size class and would be printed on charts for posting in retail stores where all customers can see them, the District Director said.

"OPS is fully aware of the important part that a community

pricing program can play in the Stabilization program, of the necessity of having published ceilings for consumers, and of the great help such a program can be to individual grocers in simplifying their pricing problems," he said.

He explained that the community pricing program during the last war had a lot to do with holding the line on wholesale and retail food prices from the time it was started in May 1943 to the end of that program.

"Up to now," Gholson pointed out, "OPS is prohibited by law from controlling below-parity farm prices and has not had sufficient assurance that prices have been stable enough to make the printing and posting of ceiling charts practicable."

SOCIETY

Delegates Elected to Represent Dickens Co. at State HD Convention

Delegates were elected for the Texas Home Demonstration Association Convention to be held in Austin, August 29-31, by the Dickens County Home Demonstration club council at a meeting July 24 at Dickens.

Chosen to represent Dickens county at this state meeting were Mrs. Forrest Martin, THDA chairman of Dickens county, Mrs. Ollie Hindman and Mrs. J. B. Kaye. Mrs. Wallace Hinson, Mrs. A. C. Martin and Mrs. Jesse Powell were selected as alternates.

Six clubs were represented at the council meeting held in the new home demonstration room at Dickens. Mrs. Wallace Hinson, council president, was in charge and explained that the northwest room of the courthouse annex had been given by the county commissioners to the home demonstration clubs and their agent, Mrs. Harriette J. Hatcher, to use in any useful manner they desired.

All clubs represented reported good meetings with excellent demonstrations given by Mrs. Hatcher.

Mrs. John Bachman reported a meeting of the education committee with four clubs represented. A council library, soil conservation interest and help to the state mental institution at Wichita Falls were the main goals presented at the committee meeting.

Mrs. Floyd Barnett told of the requirements for a first aid course. These are a qualified instructor supported by an organized group and an enrollment of 24 or less in each class. J. R. Whitmore, state highway patrolman, and Billy Barrett are qualified instructors.

Pressure cookers may be tested, Mrs. Hatcher stated, either in her office or she will help test them in club members homes. Cookers should be tested at least once a year.

All women are urged to attend the Dickens-Motley counties women's encampment to be held at Leuders, August 8 and 9. Anyone wishing to secure a ride to the encampment should contact Mrs. Hatcher at Dickens. The next council meeting will be in September.

Mrs. Shaw Hosts Cauthen Circle

Mrs. G. M. Shaw was hostess to the Cauthen Circle of the First Baptist church, Monday afternoon at her home, 511 W. Harris. A business and social meeting was held.

Mrs. W. B. Francis, Jr. was re-elected as circle chairman with Mrs. Leonard Wilson as co-chairman. Other officers elected were secretary, Mrs. Jesse Morrison, and treasurer, Mrs. Floyd Ball.

Cakes and cookies were served to Mesdames W. F. Patrick, Calvin, J. B. Haralson, Grady Lackey, Fred Neaves, Morrison, C. L. Williams, Jerry McGeehee, Jimmy Hudson, Wilson, Francis, Ball, J. B. Sneed and the hostess, Mrs. Shaw.

The next meeting will be Monday, August 6, at the home of Mrs. Alfred Walker, 720 W. Third.

Mrs. M. Edwards Named Honoree At Layette Shower

Mrs. J. Malcolm Edwards was the honoree at a yellow and green layette shower, Tuesday afternoon, given at the home of Mrs. Bill Givens, 723 W. Third. Guests were invited to call between the hours of 3 and 7 o'clock.

Yellow and white flowers were used to decorate the receiving and gift rooms. Mrs. Alfred Walker registered guests in a guest book the shape of a baby rattle and covered with yellow satin and net.

The serving table was laid with a yellow damask cloth and centered with a crystal punch service. The base of the punch bowl was covered with white daisies woven into greenery.

Line sherbert punch, finger sandwiches and daisy-shaped cookies were served to guests. Plate favors were green miniature rattlers tied with yellow ribbon.

Mrs. Billy Powell presided at the serving table.

Other hostesses were Mrs. Jesse Morrison and Mrs. Grady Lackey.

Highway HD Club To Present Skit At Leuders Camp

Mrs. M. E. Tree and Mrs. M. F. Duggles were hostesses recently to the Highway Home Demonstration club meeting at the community house.

Mrs. Richard Westfall gave a report on an educational meeting which was in Spur, Saturday, July 21. The county council report was also given by Mrs. Westfall.

Names of books that had been read by members were listed by Mrs. Forrest Martin. Mrs. Martin donated a book to the HD council library.

Mrs. Donnie Pace is to give a cheese demonstration in her home tonight, Thursday.

Members of the club practiced on the skit to be presented at the HD club encampment, August 8 and 9 at Leuders.

Mrs. Duggles will be hostess at the next meeting of the club on September 10.

Mrs. Harris Hosts WSCS Circle 4

Sixteen members of the 21 enrolled in Circle 4 of the Methodist Women's Society of Christian Service were present for the meeting, Tuesday, July 24, with Mrs. J. E. Morris as hostess.

Two new members, Mrs. Slim Foster and Mrs. McClung, were welcomed by the group.

Reports of 24 visits to sick persons and shut-ins, 19 people helped in various ways, 15 flower bouquets, cards and letters were made by members.

Work was done on quilt tops and two articles were turned in for a market basket.

The worship period was led by Mrs. Matt Howell. Mrs. Ida Lea led the group in singing "Showers of Blessing." The scripture reading was Matthew 15: 21-28.

Refreshments were served to members and the meeting was dismissed by the members joining hands to form a circle and saying a prayer in unison.

Artaban Chapter To Meet Monday Nite

The Artaban Chapter will have its regular meeting Monday, August 6 at 7:30 p. m. All members are urged to be present.

Newly elected officers will have a training period preceding the meeting at 6 o'clock.

Preparation for the yearbook will be made, and plans for the open House sponsored by the chapter will be begun. The open house will be during the fourth week of August.

Recent Bridal Couple to Fly To Venezuela

Mr. and Mrs. Hugh F. Cypher, Jr. are pictured during the reception which followed their wedding recently in St. Elizabeth's Catholic church, Lubbock. The couple left by plane from Amarillo on Monday, and will fly to Maracaibo, Venezuela, South America, where he is associated with United Oilwell Service. Her parents are Mr. and Mrs. Everett Roberson of Spur. Mr. and Mrs. H. F. Cypher of Borger are parents of the groom.

76 Guests Attend Osborne Reunion

Mr. and Mrs. H. A. Hollingshead, Charlotte and T. H. of Girard were among the seventy-six guests attending a reunion of the late C. F. Osborne's children at McCauley, Texas, in the home of Mr. and Mrs. Seth Woodson. Mrs. Woodson is the youngest daughter of the family. All of the children except Mrs. Lula Smith of California attended the reunion.

Others attending the reunion were Mr. and Mrs. D. N. Osborne, Mr. and Mrs. J. A. Osborne, Billie Lou, Ronnie, James and Milton Wiley, all of Lubbock; Mrs. Willie M. Wiley, Mr. and Mrs. C. E. Johnson, M. L. Edna Lou, and Truman of Post; Mr. and Mrs. Herman Ridgway, Shirley and Frank of Vernon; Mr. and Mrs. W. M. Teague, Meibs, Larry and Ernest Lee of Sweetwater.

Osborne of Irving; Mr. and Mrs. Ruford Brown, Billy, Mary and Carolyn, of Sylvester; Mrs. David Andrews, D. C. Betty, Charles, Eddie Ray and Joe of Longworth; Mr. and Mrs. R. L. Blocker, Edward and Johnny, Cecil McCormick, of Anson; Mrs. Gertrude Osborne of Dallas; Mrs. Florence Ridgway, Mrs. Mildred Leffer, Judy and Carolyn, Mr. and Mrs. S. K. Moore, all of Abilene.

Mr. and Mrs. Hollis Irvin, Jean Karen and Glen of Merkel; Mr. and Mrs. I. R. Williams of Vernon; Mr. and Mrs. B. H. Wood, of Ballinger; Mr. and Mrs. Seth Woodson, C. E. and Sandra of McCauley, and Joe Woodson of Poplar, Calif.

\$5 Million Asked For Flood Relief Fund

President Truman's appeal to the American people to contribute \$5,000,000 to a special Red Cross Flood Relief Fund for the victims of the most damaging flood in the nation's history has focused attention on the role of the Red Cross in disaster.

Many people are unaware of exactly what the Red Cross does when faced with an emergency like the Midwest Flood. In this short summary, specially prepared for this newspaper, the complete program of Red Cross disaster relief and rehabilitation service is outlined.

The disaster relief program includes relief of assistance, emergency relief and continuing rehabilitation aid. The first comes with the emergency, when all efforts are directed toward meeting the immediate needs of the sufferers—rescue, food, clothing, temporary shelter, and medical attention. The second—permanent rehabilitation—comes soon after and continues.

The Red Cross has been the official national agency for rendering disaster relief since 1905, when it received a mandate through congressional charter.

When disaster, whether hurricane, cyclone, flood, explosion, strikes a community, trained workers are sent by the national organization to assist local chapter volunteers when such help is needed.

The acute emergency is not usually of long duration. But the job of rehabilitation may go on for months, sometimes sufferers receive aid for years.

Usually a disaster-stricken family can be placed on the road to recovery by helping it re-establish its means of livelihood. This help becomes acute when a family's source of livelihood has been swept away by the destruction of tools, stock, or other material needed for work. A poultry raiser may need brooder houses and stock following a flood; a fisherman may have had all his equipment swept away; a small store may have been denuded of stock and fixtures, even wrecked; a barber shop may be leveled; a farmer may be ruined by the destruction of his livestock, his barns, his home.

Old people, living on a retirement pittance, may have their

Canadian Students Visit U.N.

Four students, winners of a public speaking contest sponsored by the Toronto Branch of the United Nations Association in Canada, visited U.N. as part of their three-day trip to New York. Shown here following a transmission made during their interview over U.N. Radio are (left to right) Elizabeth Hilly, Norman McCulloch, Lynn McCulloch, Cheryl Smith and Kenneth Webb of the Canadian U.N.A. At the right is Irving Soreman of the U.N. Radio.

homes swept away or burned. All of them may require prompt aid unless they are to become public charges. The task is to restore them to a measure of security, self-reliance, and productivity.

The most urgent cases receive first attention—widows, orphans, the ill, the aged, and the helpless. Her Cross aid is not a hit-and-miss affair on a come-one-come-all basis. It follows a pattern which half a century of experience has developed.

The need of the individual or the family, rather than the extent of the loss, is the basis upon which assistance is given. A person who has lost heavily in a disaster but who is able to stand the loss financially without undue hardship is not a case for the Red Cross. The relief funds are expended to meet actual needs which the sufferers themselves cannot meet from their own resources.

Red Cross assistance is given outright—not as a loan to be repaid. It is the gift of the American people with no obligation for repayment by the recipient or the community. The Red Cross has learned that people assisted in time of catastrophe are in no position to assume heavy financial burdens.

Under the disaster relief plan, homes are repaired, furnishings provided, stock and seed replaced. Typical of the kind of aid given was the replacement of beauty shop equipment, lost when a hurricane wrecked the business establishment of a mother with two dependent children. With new equipment, this young widowed mother was able to take up again the support of her two small children.

One woman, long blind, was dependent upon her small radio for her contact with the world outside her darkness. The rehabilitation committee felt that a radio was a necessity, not a luxury, and replaced the instrument destroyed when it was damaged by rising flood waters.

While disaster funds are disbursed from a national pool, determination of need is made on an individual basis by experienced disaster workers, aided by a committee of local citizens. All money allocated for housing, repairs, tools, furnishings, and other rehabilitation materials is spent in the home community of the recipient.

Careful investigation of the financial status and the need of a disaster victim is made by competent workers, but the information which they gather is held in confidence and the recipient is not embarrassed by public disclosure of his personal affairs.

Girl Scouts

Members of all organized troops of Girl Scouts and Brownies will return to regular meeting schedules and use the next three or four meetings in preparation for the four days of Day Camp activities. The annual Day Camp will be conducted August 21-24 in Swenson Park.

TROOP IV
On Monday, July 30, the members of Troop IV met for their first regular meeting after having a month's vacation. Mrs. Phil Meekins outlined plans for Day Camp and then directed a kodak hike and picnic. The troop will resume regular meetings at the regular time in the Girl Scout Little House.

TROOP III
The Girl Scouts of Troop III met in the home of Miss Doris Gibson on Friday, July 25. The girls embroidered while they sang songs. Two members helped Miss Gibson begin work on a Girl Scout trefoil emblem. On Friday, Aug. 3, the troop will meet at the Girl Scout Little House.

Present for the meeting were Lois Ann Callan, Carole Jo Blair, Gail Benefield, Louise Williams, Nell Smith, Annetta Halle Marjan Marcy, Lanell Marcy and Miss Gibson.

Stamford PCA Directors Attend Regional Conference In Fort Worth This Week

On Monday and Tuesday, July 30 and 31, the directors and managers of the Stamford Production Credit Association met at Fort Worth with the directors and managers of the Amarillo, Canadian Valley, Lubbock, Memphis, and Plainview Production Credit Associations, according to J. L. Hill, Jr., Secretary-Treasurer of the Stamford Association. This was one of a series of seven regional conferences of directors and managers of production credit associations being held over the state this summer.

These conferences are in the nature of a round-table discussion for the exchange of ideas. The subjects discussed at Fort Worth were credit for agriculture, the difficulty of making sound loans in inflationary periods, the job of increasing capital and surplus, improving annual stockholders' meetings, and improving employee relationships. Mr. C. G. Burson of Haskell, Mr. J. F. McCulloch of Stamford, Mr. J. S. Reeves of Hawley and Mr. Lester Hensley of Paducah were the discussion leaders for the Stamford Association.

standing to 2976 farmers and ranchers. Attending the meeting from the Production Credit Corporation of Houston, the state supervisory office for the 36 associations in Texas, were Directors E. J. Kyle of Bryan and J. B. Pumpfrey of Old Glory. Mr. Kyle is Dean Emeritus of Agriculture at Texas A. & M. College and former United States Ambassador to Guatemala. Mr. Pumpfrey, also a director of the Stamford Association, is elected by the 36 production credit associations as their representative on the Houston Board. Also present was L. Roy Prescott, Secretary-Treasurer; L. D. Campbell, Assistant Vice-President; and V. L. Carothers, Field Representative of the Production Credit Corporation.

Groundwater Users To Meet August 9

Plainview—Ground water users from 21 counties will gather here Aug. 9 to tell the State Board of Water Engineers how they feel about the proposed creation of High Plains Underground Water Conservation District No. 1. Irrigation farmers and other interested citizens have been invited to testify at the Board's public hearing, which is set for 10 a. m. in the Plainview Municipal Auditorium. On evidence presented, the Board will decide whether to declare creation of the 10,600-square-mile district. If the district is established, the Board will then appoint a five-man board of directors to supervise an election at which the voters may approve or reject the district. Such districts are in operation, on a much smaller scale, in Martin and Dallas counties. They were created under House Bill 162, passed by the Texas Legislature in the spring of 1949. The proposed district includes all of Lubbock, Parmer, Hale and Swisher counties and parts of Armstrong, Bailey, Briscoes, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hockley, Lamb, Lynn, Oldham, Potter, Randall and Terry counties.

Marva Denton, four years old daughter of Mr. and Mrs. J. J. Denton, Spur, was admitted to the Scottish Rite Hospital for Crippled Children in Dallas on July 25.

Insect Infestation Reported For County

Continued hot, dry weather with extremely high temperatures in some areas, has caused tremendous shedding of squares and young bolls in the southern two-thirds of the state. Cotton is also deteriorating in eastern counties and the drought is beginning to be felt in northern areas. A good rain would still be very beneficial to much of the cotton in central, eastern and northern areas and is now needed in most western areas. Ginning of "first bales" has occurred as far north as McLennan and Houston Counties.

Boll weevils still need controlling in spots, especially in northern and eastern areas, but, on the

whole, weevil damage is light or negligible over large portions of the state. The average weevil infestation in 815 fields was 16 percent punctured squares, which compares to 14 percent last week and 25 percent at the same time last year. Scattered fields in some areas of the state need insecticides applied at 5-day intervals to protect squares, bloom and bolls from weevil damage.

Heavy infestations of bollworms have developed in some areas, especially in north central and eastern counties. Rapidly growing, succulent cotton is attractive to bollworms and such fields of cotton should be inspected closely and frequently for early development of injurious infestations.

Fleahopper infestations are low in most sections of the state although this insect is beginning to appear in damaging numbers in some fields in western areas. The state average is 3 fleahoppers per 100 terminals this week as compared to 7 last week.

Red spiders continue to appear in damaging numbers in a few scattered fields. Aphids (plant lice) are scarce, particularly throughout the state, with a few fields on the High Plains needing control.

Weebworms and armyworms were found only in a few scattered localities, mostly in north-

was leading the nation in the number of slot machines on which taxes were paid. He said he hoped to report that Texas has the smallest number of slot machines and gaming devices this year because of the work of the Legislature, county and district attorneys, peace officers, and the House crime investigating committee.

Daniel will also tell the Seattle meeting about the conference of Texas' 315 prosecuting attorneys which he called last March. The conference met in Austin and endorsed new legislation and devised means of stricter enforcement of present laws. Later, the Legislature passed the anti-slot machine bill and other anti-crime measures.

Soon after the conference in Austin, Daniel mailed to the county and district attorneys a list of all slot machines and their locations in the districts or counties where they have jurisdiction. This information and the passage of the anti-slot machine law has virtually eliminated slot machines in the state.

Daniel obtained the only statewide injunction in the United States against using telegraph wires for transmission of gambling information when he sued Western Union and the Texas "front" for Continental Press in 1949. Recently he obtained an injunction to stop transmission of race horse gambling information by telephone wires.

Price Daniel To Lead Nat'l. Panel on Crime

AUSTIN — Texas fight against organized crime will be related to the attorney general of the 47 other states by Attorney General Price Daniel at their national conference on August 4 in Seattle.

Daniel is chairman of the panel discussion on organized crime on which Senator Estes Kefauver and other supporters of stricter law enforcement will appear.

It was at this annual meeting of attorneys general in Miami last year that Daniel learned Texas

Stretch that car dollar!

Budget Test a Mercury! (GET PROOF OF VALUE)

Does it have a down-to-earth first price? Mercury wears a price tag you can understand. Good looks, comfort, luxury, convenience... Mercury has them all, yet its price is kind to your budget.

Will you be sure of good gasoline mileage? Mercury has won official economy tests two years in a row.

Will upkeep stay low? You'll save money year after year. Mercury's famous bottom keeps repair bills at a rock-bottom low.

Is it famous for long life? 92% of all Mercurys built for use in the country are still on the road, according to latest annual official registration figures.

Will trade-in value stay high? Mercurys keep their value, used-car market reports consistently prove it.

3-WAY CHOICE! For "the drive of your life" Mercury now proudly makes available a triple choice in transmission. More-O-Matic Drive, the new duplex, smoother, more efficient automatic transmission... or Mercury's famous Triple-Overdrive optional at extra cost. Here's the first-ever standard synchromesh.

Swing a Mercury out onto the open road. Discover how it clings to the highway, even on curves. Swift up to a stoplight. See how easily it comes to a velvet-smooth stop.

Yes, any way you figure it, Mercury gives you a big, every-padded dollar's worth for every dollar invested. Arrange for a demonstration now. You'll be ready to make "the buy of your life!"

1951 Dove Season Proposed by Group

AUSTIN, Aug. 1—Changes in the proposed 1951 dove season in Texas are foreseen by the Executive Secretary of the Game, Fish and Oyster Commission following a conference with Clarence Cottam, assistant director of the Federal Fish and Wildlife Service.

The Fish and Wildlife Service and the state jointly set seasons on both mourning doves and white wing doves because they are migratory birds.

The Executive Secretary said it seems unlikely that Texas will be zoned for waterfowl hunting as recommended by the Commission.

The Commission, at its last regular meeting, recommended that the mourning dove season open in the North Zone September 1, and open in the South Zone November 15 to run 45 days. The Executive Secretary understood from the conference with Cottam that the open dates may stand but that the season would run 40 instead of 45 days. The

Football isn't Fighting

UDLEY HALL, Shannock, N. Y., was in high school made a record that most people would think enviable. In his second year he was on the football team and was president of his class. His junior year he was captain of the football team, on the basketball team, and again class president. The last year, he was captain of both the football and the basketball teams, played on the basketball team, and still class president. What?

Then he enrolled in a large eastern university. In his freshman year, he was captain of the football team and vice-president of his class. In his junior year, he was still with the football team and received an all-eastern mention. The year he graduated he had just gone through a thrilling period: on the football team, all-American mention, permanent record member of his class.

With such a record of outward accomplishment, wouldn't you think he would have enjoyed some feeling of success? Well, he didn't. More than that, he wasn't even happy. Why? He was filled with fear! He was terrified at the thought of going out into the world and facing people more at hand whom he had never before seen. Performing before 50,000 spectators at a game didn't faze him in the least. But the very suggestion of appearing before small groups of people, even of talking to some unknown man who might not even judge him favorably, brought soul-wrenching terror.

Then all of a sudden he realized that he wasn't afraid of that with which he was familiar. He realized that he had to become familiar with what he wanted to conquer. So he got a job of selling from door to door. The first day was an agonizing experience, but after a few weeks he was thrilled at seeing how many of those who opened their doors could be influenced by his persuasions to "come across."

The Commission has recommended that waterfowl season open November 10.

State Health Officer Urges Prevention of Fly Breeding Places

AUSTIN, Aug. 1—Thousands of children and adults die every year from diseases carried by the fly. Typhoid fever, tuberculosis, polio, summer complaint, cholera, intestinal diseases, and frequently death follow closely in the trail of the common house fly. The control of the fly menace comes at the top of the list of necessary public health measures which should be applied by every city and community in the State, urged Doctor Geo. W. Cox, State Health Officer.

"The most effective measure for control is to prevent breeding."

Doctor Cox said, "Flies breed in filth, and about eight days are required to complete a life cycle. During her life time of several months, one house fly lays from 600 to 1000 eggs. Thus it can easily be seen that in a season which usually begins in the spring of the year, the descendants from one fly number countless thousands.

To eliminate flies, the breeding places must be destroyed. Manure piles, garbage, and other organic filth furnish the requirements of warmth, moisture, and food necessary for the propagation of the fly. Flies should be kept from contact with food or drink or utensils in which such food and drink are prepared and

KENNETH TOBEY and MARGARET SHERIDAN await the approach of "THE THING," in the amazing motion picture released by RKO.

'The Thing,' Menace from Far Skies, Comes as Subject of Melodrama

Howard Hawks' Sensational Production Tells Strange Thrill Packed Tale of Fearsome Invader Cornered in the Arctic

Hailed as one of the most successful pictures ever made, Howard Hawks' production, "The Thing," offers a cast of brilliant new faces in an amazing story of a terrifying visitor from the sky.

The thrilling melodrama distributed by RKO Radio, has its locale near the North Pole, at a base where a group of American scientists are investigating Arctic phenomena. When a mysterious space-ship crashes near by, the scientists radio the Air Force field at Anchorage, Alaska, and a group of Army fliers arrive on the scene.

The space-ship is accidentally destroyed, but one of its "crew" is rescued and taken to the base. The subsequent thrilling developments take the form of conflict

ed again," he continued in his letter to board members. "The recent passage of the new Universal Military Training and Service Act, which extends our manpower procurement program for another four years, is an important step toward our status of being ready. It is, however, but one phase of the long range planning to maintain our domestic and foreign military commitments. I urge you all to keep this uppermost in your minds as you continue in the faithful and diligent discharge of your responsibilities.

"A cessation of hostilities is highly desirable in Korea. All men of good will desire it, if it can be accomplished on honorable grounds. The only undesirable thing about a cease fire is that it may promote complacency in the minds of our people. This obviously could be an important factor in the over-all strategy of our enemy. We cannot at this juncture indulge in fanciful thinking that peace in Korea, even if achieved, will in any measure deter or slow up the nation's rearmament program. It has been clearly demonstrated that our former ally is not to be trusted. We must of necessity put a question mark before and after all his overtures.

"If the sacrifice of life already expended in this initial test of our compact agreement with the United Nations shall not have been wasted, we must not permit our common hopes for world peace to trap us into an expensive, lackadaisical attitude toward the seriousness of our responsibilities. You gentlemen in your official capacity as members of the Texas local boards have furnished better than the equivalent of a division and a half of military manpower since the Korean fight began. We hope in the next year your demands will be less, but we want to be ready to furnish more if the needs of our country demand it."

General Wakefield paid tribute to the more than 500 Texas local board members for their "splendid service to the nation's welfare" as uncompensated personnel of the Selective Service System.

"I ask that you resolve with me to continue to perform our duties in the best Texas tradition," the state director's letter to the board members concluded.

"This increase emphasizes that Korean peace headlines do not necessarily have a bearing on manpower procurement for the nation's armed forces," General Wakefield said in a letter to Texas local board members after receipt of the added call.

"This is just another act demonstrating the resolve of our nation not to be caught unprepared."

AUGUST DRAFT QUOTA RAISED BY GENERAL

AUSTIN, TEXAS—State Selective Service headquarters received official notice recently that its August call for 485 men has been increased to 772, Brigadier General Paul L. Wakefield, state director, said in a statement.

This is the state's share of the national call increased from 22,000 to 35,000. Fifty-seven local boards, which otherwise would not have received a call for August, will now get one, the state director said.

"This increase emphasizes that Korean peace headlines do not necessarily have a bearing on manpower procurement for the nation's armed forces," General Wakefield said in a letter to Texas local board members after receipt of the added call.

"This is just another act demonstrating the resolve of our nation not to be caught unprepared."

Starring CLYDE BEATTY

May we suggest a Sitting?

No doubt about it—you'll make a mighty handsome picture in a strapping new '51 Buick. But it isn't the way you look, but the way you feel that's really important.

We'd like you to discover a Buick's ease and comfort, a Buick's power and performance, a Buick's steadiness and control—just to see if maybe you have been missing a travel treat.

We'd like you to discover what a valve-in-head engine, as Buick builds it—gingered with Fireball combustion—can mean in pulse-pounding thrill and in big miles-per-gallon figures.

We'd like you to learn what coil springs on all four wheels—not just in front—can do in the matter of smoothing a rough road and keeping you on an ever-level keel.

We'd like you to see what generous roadweight and a rigid torque-tube mean in solid steadiness of ride—what Dynaflo Drive* does for you in downright comfort and convenience—what a breeze it is to handle so big and roomy and impressive a car.

Most of all, we'd like you to note the easy-to-take price tags our cars wear—what a whale of a lot more automobile you get for your money in today's Buicks than you'll get elsewhere.

So—come in for a sitting soon, won't you? Whether you try a SPECIAL, SUPER or ROADMASTER, you'll find it the top buy in its field—and a beauty from any angle.
