## Chamber of Commerce Doings . . . BETTER MAIL SERVICE SOUGHT FOR SPUR BY LOCAL CHAMBER, WTCC

The Spur Chamber of Commerce, in co-operation with the West Texas Chamber of Commerce, has been trying to get better mail delivery service for Spur. A few weeks ago, word came from Washington that money had been appropriated and equipment ordered for a city mail delivery service here in Spur.

Guy Karr, Postmaster, has urged that you co-operate when the new system is installed. Mail delay is still a problem and to remedy such delay the Chamber now has Anson, Stamford, Peacock, Aspermont, Spur, Dickens, Crosbyton, Ralls, Lorenzo, and Idalou working for a mobile post office. Mail sacks are not sorted now when they arrive in Spur, and the post office receives mail for other towns which must be sorted before ours can be put up.

Fred Husbands, manager of the West Texas Chamber of Commerce, is helping Spur and other towns on this mobile post office idea. The same problems were cured in Waco.

Here is how the mobile post office works: a large truck that carries the mail out of Abilene and Lubbock will have a man in the rear section sorting mail for towns, thereby giving the postmasters at each town only his towns mail to sort. The truck will drop only sorted mail at each town and make the job much easier and faster.

The Girl Scouts will have charge of the radio program Sunday. They will have the fifteen minutes for their annual ceremony. The master of ceremonies will be Miss Margaret Elliott. You are invited to listen to KFLLD, 3:15 p. m., Sunday.

The Merchants Committee met Wednesday morning at 10:00 a. m. in the Chamber of Commerce to make plans for an elaborate Christmas program. All the kids will be glad to know that Santa Claus with his real live reindeer will visit Spur on December 4. The committee promises that Spur will be well decorated and a grand program is in store.

The northeast city limits including the hospital addition, will be added in approximately two months. The families petitioned to get in and facilities will be provided as soon as possible. The section being added soon extends from the old city limits line past the El Patio, then east on the cemetery road for about five city blocks. It will be included as a requirement of the State. The families who were taken were generally happy to come into the City and take advantage of City sewage, garbage pickup, and other conveniences that are enjoyed by the residents now in the city limits.

In the last two weeks there have been several inquiries about OPS clinics being discontinued. The clinics have not been discontinued but are not being held as frequently as they were when the regulations were being made. The Chamber received a letter this week from the district office of OPS stating the meetings would be resumed soon.

If OPS information is needed before the next price clinic is held write to the District Office of Price Stabilization in Lubbock, Texas, and they will gladly give the information needed. Look in The Texas Spur for the date when clinics are to be resumed.

## FARM BUREAU TO BEGIN DRIVE FOR MEMBERS

October 31 is the kick-off date of the Farm Bureau membership drive.

C. W. Nickels, acting president of the bureau, urges all farmers and persons having farming interests to join during the drive.

## RAINBOW GIRLS TO INSTALL OFFICERS; PUBLIC INVITED

The public is invited to attend the installation of officers of The Order of the Rainbow for Girls, announces Mrs. Van North, Mother Advisor.

This service will be held November 1 at 8:00 p. m. in the Masonic Hall and is one of the few times when the hall is open to the public, according to Mrs. North.

## PIE SUPPER TO BE HELD OCTOBER 30 AT KALGARY

There will be an old-fashioned pie supper at the Kalgary school house Tuesday night, October 30, for the benefit of the lunch room program.

The public is invited to attend for an evening of fun and foolishness.

Mrs. C. W. McVickers of Colton, Calif. is visiting her daughter and son-in-law, Mr. and Mrs. Larry Boothe.

## Lions Stage Drive For Sight Aid Funds

The Spur Lions club is holding this week its annual "Be Thankful You Can See" drive for funds to aid the blind and those needing eye treatment or care, states Willis G. Jernigan, chairman.

The Lions club plays a tremendous part in aiding the blind and sight deficient in this area, states Jernigan. Contributions in the past have enabled the club to furnish eye examinations and glasses to all members of underprivileged families. Medical attention and surgery have been furnished in cases which, through neglect, would have meant loss of sight.

Jernigan states that there is much to be done and it takes money to do it. "With the generous response of citizens of Spur, we will be able to supply many more needy persons with glasses, braille books, canes and other needs," he added.

"Sight and Blind Aid Seals" have been mailed out over the city, and Jernigan reports that the response so far has been good. He urges those who have not yet mailed in their contributions to do so in the provided envelope or be given to him or one of his committee.

Committeemen are Jernigan, D. J. Dyess, and T. R. Elder. In conclusion, Jernigan reports that funds raised in this campaign will be used exclusively in this area.

## 76 Women Attend Spur Meeting Of Delta Kappa Gamma

On Saturday, October 20, 76 members were registered at the Regional meeting of Delta Kappa Gamma, professional teachers' organization, in Spur. Delegates from six chapters met in the Baptist church where coffee was served at 9 o'clock.

The first part of the program was an initiation service read by Miss Mae Simmons, co-director of the meeting, of Canyon. Six teachers from Groe, Childress, Vernon and Paducah became members of the organization.

At 10 o'clock the formal part of the program began when Mrs. W. C. Stubbs of Paducah welcomed the visiting chapters. Mrs. E. R. Carpenter of Beta Chi chapter of Haskell led the group in singing chorally songs.

Following the roll call of chapters by Miss Sarah Millie Hill, co-director of the meeting, Miss Simmons told of attending the Southwest National Regional meeting of the organization in Pasadena, Calif.

In keeping with the theme of the meeting which was "Adventures in High Endeavor," Miss Evelyn Jones of Lubbock discussed "Adventure in World Leadership," presenting the conditions she found during an extended visit to England recently while studying on a scholarship.

Mmes. Herbert Powell and Charles Parson of Beta Gamma chapter at Vernon presented a musical skit followed by a skit entitled "Adventures in Community Service" given by Gamma Lambda chapter of Lamesa. Taking part in this skit were Mmes. Allene Davis, Gladys Kellam, Noami Holder, Agnes Anderson, Elizabeth Bobo, and Miss Ruth Light.

Beta Chi chapter of Haskell won the quiz contest dealing with sorority information conducted during the panel discussion led by Miss Hill.

Miss Eula Whitaker, president of Gamma Eta chapter of Spur, was mistress of ceremonies at the 12:30 luncheon in the Spur Inn attended by 79 guests.

Following the invocation and doxology led by Miss Roxi Lewis of the local chapter, Misses Carolyn and Kathleen Kelley, daughters of Mr. and Mrs. O. L. Kelley of Spur presented several readings.

Miss Simmons presented the attendance award to Gamma Lambda chapter of Lamesa. The award allows the president of the chapter to select an award for chapter use from a list of articles offered.

The highlight of the program was an address by Miss Hill entitled "Adventures in Appreciation."

## ANNUAL SCHOOL CARNIVAL TO BE HELD WEDNESDAY NIGHT

The annual Spur schools Halloween Carnival will be held in downtown town Spur Halloween night, October 31, with prospects for a bigger and better show in store.

The 400 block of Burlington will be roped off and concession and game stands will open up at 6:30 p. m., states Weldon Skinner, high school principal.

Queen of the carnival will be crowned at 8:30 p. m. and the annual Beauty Contest, sponsored by the freshman class, will be held at approximately 8:45.

The East Ward school will sponsor the following activities: Cake Walk, Bingo, Country Store, Grab Bag, Fishing Pond and Rifle Range.

The junior high will be in charge of the Fortune Teller, Pony Ride, Bottle Rack, Dart Board, Hit the Nigger and the pop corn concession.

The freshman class will sponsor the annual beauty contest. The sophomores will direct the Basketball Game, Bean Guessing, and Big Prize chances.

The junior class will sell food including hot dogs, peanuts, coffee, do-nuts, etc. The seniors will sponsor the Hay Ride.

King and Queen candidates are: fourth grade, Joan Foreman and Larry Bass; fifth grade, Joe Copeland and Charlotte Ramsey; sixth grade, Ann Reagan and Ronnie Cloude.

Seventh grade, Ruth Ann McAttee and Eddie Don Hagins; eighth grade, Beverly Jenkins and Tom Hindman; Freshmen, Dean Reagan and Boyce Rankin; sophomores, Lois Dunwoody and George Pitts; juniors, Tennie Jane Kidd and Wayne Bishop; and seniors, Gay Nell Bass and Gordon Simmons.

ASSEMBLY OF GOD CHURCH TO HAVE SINGING SUNDAY  
Announcement has been made of a singing to be held at the Assembly of God church Sunday, October 28, at 2:30 p. m.

Singers from East Texas, a trio from Petersburg, singers from Matador, a quartet from McAdoo, and the Jenkins quartet of Spur are expected to attend the meeting.

The public is invited to come.

## New Arrival

A daughter was born Tuesday night, October 23, to Mr. and Mrs. James Ripple of Spur. Born in the Crosbyton Hospital, the little girl weighed 7 lbs. 7 oz. and was named Helen Sue. Mr. and Mrs. J. I. Mecom are maternal grandparents and paternal grandparents are Mr. and Mrs. W. H. Ripple of Yoakum.

James Wright went to Floydada Tuesday to attend the funeral of a boyhood chum, W. E. Norris.

## Farm Scrap Iron and Steel Will Help Our Defense Effort

"Have you turned your farm scrap into cash? Move it out of the fields now. Take a load to town and sell it on your next trip. It is needed to make steel for the defense program. It is a vital material and must not be allowed to waste away."

Many farmers have responded to that appeal recently, says the Committee on Iron and Steel Institute. Those farmers have made a little money and gained space in their fields. The scrap is being put to use instead of being abandoned to rust and ruin.

But more farm scrap is needed. Steel output can't be increased without a big supply of scrap. With winter coming on, when scrap is more difficult to find, the situation is truly critical. More scrap must be obtained from farmers in order to make more steel.

Old tools, worn-out parts of tractors, trucks, cultivators and other implements; broken and discarded pieces of metal and other scrap should be taken to town and sold right away to the local scrap dealer. Every pound of scrap which comes back to steel mills helps to make two pounds of new steel, on the average.

If the scrap is unusually bulky, preventing its easy transportation by the farmer, the scrap dealer can be called or the local farm agent can be asked to work out an arrangement.

"Farms are one of the big sources of scrap," says the Committee. "Never have farmers had a greater stake in the nation's steel output."

## Bulldogs Go To Post For District Battle Friday Night

### SPUR TRAMPLED 26-6 BY TAHOKA BULLDOGS IN LAST WEEK'S GAME

Licking their wounds resulting from their 26-6 drubbing at the hands of the Tahoka Bulldogs last week, the Spur Bulldogs are striving to let by gone be by gone this week as they prepare for the trip to Post Friday night.

Although playing .500 in district competition, the Bulldogs definitely are not out of the 6-AA race. Slaton, reportedly "leveled off" since their exhibition against Spur, could very easily trip up the high-flying Tahoka Bulldogs, as could the Ralls Jackrabbits who have won two conference tilts to date.

In Post tomorrow night, the Bulldogs will run up against a team which was widely proclaimed by pre-season dopsters as a state championship contender, but which has to date won only two games to seven defeats. Jack Kirkpatrick, three year letterman, and one of the best backs in the state, leads the Post team with his 180 pounds, 6 feet 2 inches, of football experience. The team behind him, however, is reported to lack weight and reserves. They run from the T formation and variations of the spread with Kirkpatrick in key positions.

Still injured and riding the bench for the Bulldogs is end Charles Watson and Franklin Gabriel, back. Due to see but limited service are Joe Bell with an injured knee and Dean King with a head injury.

In last week's tussle the Bulldogs came close to getting into the ballgame in the second quarter with a 50 yard pass play from Charles Grimland to Curtis Blair, followed several plays later with a touchdown by Paul Simmons.

This lone scoring combination for the Bulldogs proved to be insignificant, however against the fired-up visitors who rolled to three last half touchdowns to lick Spur 26-6. Tahoka scored first in the first quarter to establish a lead which was never hampered.

Lynn Halmick was the leader of the visiting Bulldogs, personally accounting for 19 of their points. James Foster scored one tally in the third.

## Mrs. I. S. Clower Honored By Rotary As Farmer of Month

Chosen by the Spur Rotary Club to be honored as their first Farmer of the Month is a woman who has risen from tenant farming to a position of respect and success. In 1942, Mr. and Mrs. I. S. Clower obtained a F. H. A. loan and bought a farm 1 1/2 miles west of Dickens. They had been tenant farmers for 18 years prior to this time and had farmed around Quanah.

When they moved onto the farm with their three children, two girls aged 14 and 16 and a son 4 years old, only 40 acres of the 200 were terraced. They immediately terraced the remaining 160 acres.

In 1949 when her husband died both girls had already married. Mrs. C. A. Smith lives in Spur and Mrs. J. W. Kirby lives in Franklinton, La. Grace Clower was left to take care of the farm with only the help of eleven-year-old I. S., Jr.

Mrs. Clower has 193 acres under cultivation and carries on a well diversified farming program. She has nine sources of income including selling milk, eggs, cream, hogs, cattle, poultry, cotton, wheat and other crops. And she is ahead of schedule in paying back her loan.

A guest at the weekly Rotary luncheon today, Mrs. Clower was presented with a certificate of award in recognition of her achievements.

The Spur Rotary Club will honor an outstanding farmer each month, says Charles Taylor, chairman of the Rural-Urban Committee of the club. These farmers have been chosen by a committee including representatives from the Texas Agricultural Experiment Station, Farm Home Administration, Soil Conservation Service, the county agent's office, and the Production Marketing Association.

## LOCAL STUDENT ON RADIO EDITORIAL BOARD

Billy Saxon, sophomore at McMurry College from Spur, has been selected to serve as a reporter on McMurry's radio program each Sunday afternoon.

Sponsored by the college and aired over KRBC at 4:15 p. m. the Business Administration Department gives reports on the economic and business news, locally, nationally and internationally.

Dr. Andrew C. Rockover, new head of the Business Department, who was with the Polish government in exile during World War II, directs the program.

Mr. Saxon, son of Mr. and Mrs. B. L. Saxon, is a business major.

## Methodist Church Participant In Evangelistic Services

Rev. a. C. Wright has announced that Rev. Archie Fleming of DeKalb has been assigned to assist the First Methodist church of Spur in the forthcoming Texas United Evangelistic Mission which is getting under way throughout the state.

Local church committees are preparing lists of prospects for church membership. Trained visitors will call on the prospects in behalf of Christian commitments and membership in the church.

Preaching services will be held each evening in the Methodist church beginning Sunday, October 28. Rev. Wright invites the public to these services.

## Methodist Youth Will Rally At Stamford Sunday, October 28

A delegation of 50 young people from the First Methodist church of Spur will attend the Methodist Youth Rally at Stamford Sunday afternoon, October 28, at 3 o'clock. Rev. Chad Murray of Dallas will be the speaker. D. C. McAtee is chairman of the local committee for transportation to the rally.

The meeting is one of fifty such services being held in Texas in connection with the Texas United Evangelistic Mission of the Methodist Church.

The Youth meeting will usher in a week of intensive evangelistic activities in more than 400 Methodist churches in the West Texas area. The activities will include evening services and home visitation evangelism by laymen in most of the churches.

Mrs. George Wilson and her sister, Mrs. W. J. Carter of Stamford, have returned from a trip to California where they visited relatives at several places and saw various points of interest.

## Miss Ginger Walker Crowned 1951 Football Sweetheart In Ceremony Friday Night

Miss Ginger Walker, representing the senior class, was crowned Football Sweetheart in a pre-game ceremony in Jones Stadium last Friday night.

The coronation ceremony was accompanied by the Spur High School Band, under the direction of Melvin Kirg.

Miss Walker was crowned by senior letterman Charles Grimland and was escorted by Paul Simmons, another senior letterman.

The Sweetheart's attendants were runners-up in the contest, representing the other three classes. Junior representative was Paulita Karr escorted by Dean King. Carolyn Kelley, escorted by Toby Williams, represented the sophomore class, and Billie Sue Gregory, escorted by Boyce Rankin, were the freshmen in the exercises.

The Sweetheart was elected by classmates and school patrons in a recent penny-a-vote balloting for funds for the annual football-band-pep squad banquet.

The honors were driven to the field in automobiles furnished by Edwards-Kelley Implement Co. and Gregory Motor Co.

## PRESTON BENNETT ELECTED PRESIDENT OF MEN'S GROUP

Preston Bennett, senior from Afton, was recently elected president of the Men's Student Government Association of Wayland College.

Bennett, a ministerial student, is treasurer of the senior class. He is a member of the English Club and active in the Volunteer Mission Band.

He is the son of Mr. and Mrs. Carl D. Foster of Afton.

Mr. and Mrs. J. W. McDaniel are visiting their daughter and son-in-law, Mr. and Mrs. E. G. Ericson, at Greenville.

### WTCC Explains Pending Changes To Constitution

(Editor's Note—This is the first of a series of articles written to explain five proposed amendments to the constitution of Texas. Voters will decide in an election on

November 13 whether these amendments shall become parts of the constitution. These articles are provided by the West Texas Chamber of Commerce as a public service.)  
 Raising Rural Fire prevention District tax ceiling—Senate Joint Resolution (SJR) No. 3:  
 In 1949 voters approved a constitutional amendment providing for creation of Rural Fire Prevention Districts. It also provided that voters might create by elec-

tion a tax not to exceed three cents per \$100. The vote of this amendment was 153,252 for and 145,298 against.  
 The amendment to be voted upon November 13 would make only one change in this Rural Fire Prevention District provision. It would raise the tax ceiling from three to 50 cents per 100.  
**VETERANS LAND LOAN**—House Joint Resolution (HJR) No. 2:  
 In 1946 Texas voters approved

an amendment to the Constitution known as Section 49-b of Article III.  
 That amendment authorized the State to issue up to \$25,000,000 of bonds. Those bonds are sold to provide money that is loaned to veterans of World War II to buy farms or ranches. To operate this loan program the Veterans Land Board was created. It consists of the Governor, the State Comptroller and the Attorney General.  
 The amendment to be voted upon November 13 would make the following changes in the constitution's provisions affecting Veterans' Land Loans.

1. Increase from \$25,000,000 to \$100,000,000 the total amount of bonds the State could issue.  
 2. Make eligible for loans all men who served in the armed forces as many as 90 days prior to December 31, 1952. The law now applies only to men who served prior to January 1, 1946.

3. Extend the life of the loan program from November, 1954 to November, 1959.  
 The legislature has enacted a law to put this amendment into effect immediately if it is approved on November 13.  
 To August 31, 1950 approximately one and one-half percent of Texas, 800,000 veterans had obtained these loans. The veterans' land fund purchased land for veterans costing \$17,000,000 during the first year it operated.  
 Expense of administering the program is paid from the general revenue fund of the state—from taxes. This expense totaled \$106,479 in the year ending August 31,

1950. The legislature has appropriated \$150,000 for 1952 and \$140,000 for 1953 to meet operating expenses.  
**PERSONALS**  
 Mmes. F. F. Henry and D. P. Smiley of Roaring Springs were in Spur shopping last Friday.  
 Mr. and Mrs. D. P. Smiley of Roaring Springs have just returned from San Diego, California where they visited their son, C. W., who is in the Air Corps. He

is now stationed in Illinois.  
 Rev. T. R. Elder and Randolph McNeill represented the First Presbyterian Church at the Mid-Texas Presbyterian meeting in the Covenant Presbyterian Church at Fort Worth Tuesday, October 23.  
 Visiting in the home of Mr. and Mrs. Bob Money this week were their daughters, Mrs. Floyd Folley and her husband of Kansas City, Missouri and Mrs. C. H. Bronson of the Swenson Ranch.

### Meth. Home Choir Featured on Program Sunday, October 28

Songs by the Methodist Home choir will be a feature of the October 28 broadcast "These Are Your Children" which will be heard over the Texas Quality Network and other Texas and New Mexico stations.

This is one of a series of weekly radio programs sponsored by the Methodist Home at Waco and depicting the life of the more than 400 children who live at the home. The programs are heard at 8:15 each Sunday morning.

Hubert Johnson, superintendent of the home, said that planned recreation and health building activities would be the subject of a skit to be presented by the children. Taking a real life story of an undernourished youngster who has been rescued from a poverty stricken home the dialogue will show how he was developed physically and mentally to take his rightful place in society.

The Methodist Home will observe its sixty-first anniversary in November, Mr. Johnson said. Stations carrying the radio broadcasts are WOAL, San Antonio; KPRC, Houston; WFAA, Dallas.

Hear Paul Southern, Church of Christ, November 4th thru 11th. Immediately preceding the football game will be the crowning

Dallas; KBST, Big Spring; KTVC, Austin; KERB, Kermit; KVAL, Brownsville; KFRO, Longview; KFDM, Beaumont; KFYO, Lubbock; KGGM, Albuquerque; KR-OD, El Paso; KGNC, Amarillo; Westlaco; and KRIS, Corpus Christi.

### West Texas State Homecoming Set For Oct. 27 at Canyon

Canyon, Tex. Oct. 24—Plans are nearing completion for the annual West Texas State Homecoming which has been set for Saturday, October 27. College officials are making plans to accommodate approximately 5,000 of the school's 30,000 exes who make it back to the campus on the traditional day.

Highlight of the Homecoming Day activities will be a clash between the West Texas State Buffaloes and rival Hardin-Simmon University Cowboys in Buffalo Stadium at 2:30 Saturday afternoon.

With the final program arrangement yet to be announced, the program at present calls for the Homecoming Parade to be held at 10:30 o'clock Saturday morning to be followed by the annual barbecue at 11:30 at the tennis courts.

Immediately preceding the football game will be the crowning

of the college's football queen. Fifteen high school bands will entertain at the parade and at the game.

Club and organizational reunions will be held in the college cafeteria starting at 8 o'clock with western dancing in Burton Gym.

**Tech Improvements Will Greet Exes At Homecoming Oct. 27**

LUBBOCK, Oct. 24—Texas Tech exes will find a different looking campus when they return for homecoming festivities Oct. 26-27. Tech's \$4 million campus improvement program is almost completed. And the skyline and turf have greatly changed by the expenditure. Almost completed are

the new science building, a new engineering building, two wings to the administration building, a wing to the home economics building, a wing and a second floor to the petroleum engineering building, a new music building, and several other building improvements. A \$550,000 student union building is underway, but is financed bookstore profits, the Tech Ex-Student Association, campus concessions, and the accumulated surplus from the infirmary.

Most of the campus grounds are well matted in Bermuda grass to give Texas Tech a new look.

D. M. McKelroy, executive secretary of the association announced that registration of former students would start at 4 p. m., Oct. 26 in downtown hotels and on the campus. He expects about 5,000 ex-students to return for homecoming. The homecoming parade starts at 10 a. m. Saturday, Oct. 27, followed by a buffet luncheon at the Tech gymnasium.

The Tech-University of Arizona football game is set for 2:30 p. m. The home coming date will be at 9 p. m. in the gym.

When better automobiles are built BUICK will build them

**Double Surprise for a lot of folks**

EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so.

They just can't believe that so little money buys such a lot of car—but it's true.

And that brings us to the second surprise—which is how much power and performance—how much comfort and room—what a long list of standout engineering features you get for the price.

Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine.

Take comfort. The best thing to do is try the depth of its seats—their width—and the headroom you get in this Buick SPECIAL, and judge for yourself.

Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel—and the way this combination smoothes the bumps is something that's hard to match in cars costing a thousand dollars more.

Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you—even brings the front wheels back to a straight line when you come out of a turn.

And you can add to all this Dynaflo Drive\*—that puts magic smoothness into every mile you drive—and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value.

So if you have been hoping, some day, to own a Buick—what's holding you back? If you can afford any new car—better see us now.

**Ceiling Price Must be Posted on Antifreeze**

LUBBOCK, Oct. 24—The approach of winter, a recent norther and the rush of motorists to prepare their cars for cold weather brought the reminder from the Lubbock District Office of Price Stabilization that the ceiling prices of antifreeze must be posted by all retailers.  
W. O. Daniels, chief of the fuels and chemicals section of the Lubbock district OPS, said the ceiling prices of antifreeze are:

Type S, one gallon or more, per gallon \$1.50; less than one gallon, 40 cents per quart. Type S is volatile antifreeze containing one or a combination of the following: synthetic alcohols, except type SC.  
Type SC, one gallon or more, per gallon \$1.40; less than one gallon, 35 cents per quart. Type SC is diluted synthetic methanol product containing more than 3 per cent water by volume.  
Type P, one gallon or more, \$3.75 per gallon; less than one gallon, \$1.00 per quart. Type P is permanent antifreeze consisting principally of glycol compounds.  
Quoting the regulation, Daniel said sellers of antifreeze "must post your ceiling price for each type and brand of antifreeze which you sell where it can be plainly seen and read by the buying public. This must be marked 'OPS Ceiling Price \$' (filled in with correct price... and may be posted on the shelf, bin or rack where your antifreeze is kept."  
The regulation also requires sellers of antifreeze for a period of two years to keep records of all purchases, showing date of purchase, name and address of supplier, quantity, and type of antifreeze bought and the price paid.

**Southwest Violations Of Child Labor Law Not Alarming High**

DALLAS, Oct. 24—While most public schools in the Southwest have been in operation a full month or more, violations of the Federal law dealing with child labor in agriculture during school hours have not been alarmingly high, a government spokesman here reported today.  
William J. Rogers, Regional Director of the Labor Department's Wage and Hour and Public Contracts Divisions for five Southwestern states, said that while his investigators had found some violations, most reports indicated that farmers generally were complying with the law and that, as good citizens, they wanted to comply with it.

Some newspapers, he said, are reported to have given the erroneous impression that violation of the law subjected violators to a minimum fine of \$10,000. That, he pointed out, is the maximum assessment under the law, and it can only be assessed by a Federal court.

"We understand that penalties provided by the law have been imposed elsewhere in the United States," he said, "but no employer of farm labor in this region has been fined for violation of this provision of the law."

Rogers said he hoped that the record of good citizenship in the Southwest would remain unbroken.
