NUMBER 2

## Chamber of Commerce Doings . . . CITY CEMETERY IN SAD SHAPE SAYS CC MANAGER; REMEDY OFFERED

The Chamber of Commerce, in cooperation with the Cemetery Association is making an appeal for the people to pay for grave space in the cemetery that has been purchased and is delinquent. The funeral homes of Spur announced this week that the lot space is practically to the zero point in the cemetery, and that additional land will have to be purchased immediately to take care of this critical situation.

There are less than fifteen grave spaces left in the entire cemetery and payment of lots purchased must be collected before additional land can be purchased by the association.

There are only two ways that the cemetery can possibly obtain suitable land, one being across the paved road to the south, the other would be west in the direction of highway 70.

The Mexican section of the Cemetery will be extended eastward. On the north the dump.

This problem must be solved soon and with the cooperation of lot owners who are delinquent in their payment for the grave space, the problem may be solved. The Cemetery Association is encouraging people to check to see if they have a deed for the lot or lots that have been purchased. The deed will indicate that full payment has been made. Empty grave spaces that have not been paid for are being resold to provide space in the overcrowded cemetery, but even this space is diminishing.

Lewis Lee, who is on the board of directors of the Chamber of Commerce, and Mrs. John King are members of the Cemetery Association. The Chamber of Commerce or any of the members of the association may be contacted regarding delinquent lot payments.

The Cemetery has also been a problem to maintain, and the Chamber has tried to get aid from County or the State but without too much success so far. By next year it may be possible to get help from one of these sources and make the cemetery look like it should. Our cemetery is often the first impression on an outsider whose relation is being buried here.

The Treasure Hunt is going into the third month and Wednesday, November 7, is the day when you can save by shopping in Spur. This month we have made sure that the Treasure Hunters will be happy they came to Spur to trade.

Since the beginning of these town-wide events the possibilities of winning free merchandise have been increased five times to let more people take advantage of the free merchandise. When you get your Treasure Hunt card for November, don't throw it away. Make the first Wednesday of the month your shopping day in Spur.

The District Office of Price Stabilization has informed the chamber that price clinics will be held only at intervals needed by the towns requesting the clinics. If you need information, contact the chamber or write to District Office of Price Stabilization, 1202 Texas Avenue, Lubbock, Texas.

The merchants committee met at Nona Starcher's residence Tuesday night and planned the city Christmas program. The committee mapped plans for Christmas activities and Christmas decorations. In an early meeting the committee made arrangements with the City to take sole responsibility for putting up and taking down the decorations. The display is expected to be very attractive and all business on Burlington will have street decorations.

The Chamber of Commerce has also arranged for the kiddos to see Santa Claus and his real live reindeer this year on December 4. The merchants committee, with assistance from other committees, will meet several times before Christmas to make sure Spur has an enjoyable Christmas.

The Chamber of Commerce is happy to welcome the newcomers to Spur and invite them to come to the Chamber office and receive gifts of welcome from the friendly merchants of Spur.

This week we welcome: Messrs. and Mrs. John Thompson, P. G. Pierce, H. G. O'Neal, D. F. Bales, and Charles W. Estes.

## PEGGY WILSON ELECTED TO BOARD COUNCIL AT BAYLOR

Miss Peggy Wilson of Spur, a freshman student at Baylor University, Waco, is a new member of the Alexander House Council. Alexander Hall is the freshmen women's dormitory on the campus.

Mrs. and Mrs. Rex Merriman of San Juan Capistrano, Calif., Mr. and Mrs. T. J. Hill of Lamesa, Guy Merriman, Clyde Green, Mr. and Mrs. A. B. Carlisle, Mrs. W. C. Buntfield and Mrs. Thel Merriman were guests in the home of Rev. and Mrs. R. D. Hill, Sunday.

## Stapleton Speaker At Rotary Thursday

District Attorney John Stapleton of Floydada, was speaker Thursday, October 25, at the weekly Rotary Club luncheon meeting in Rotary Hall.

Discussing the United Nations, Stapleton outlined its organization and expressed a hope that this group would be the means of settling differences between countries rather than war.

Joe Long, chairman of the rural-urban committee of the local club, introduced Mrs. Gracie Clower, who had been chosen as Farmer of the Month, by the club, and presented her with a certificate of award.

Following announcement by President Walter Gruhen, Ned Hogan, chairman of the meeting, gave a three-minute biography of Lynn Buzbee, and then introduced District Attorney Stapleton.

After his talk the meeting was adjourned.

## Cook Praises Work Of Band Boosters

C. F. Cook, superintendent of the Spur schools, expressed the thanks and appreciation of the school officials, faculty, and student body to the Band Boosters organization for the new uniforms.

"This group of progressive citizens have and are rendering a great service to the school and is very much appreciated by everyone concerned," states Cook.

## L. ALLEN LEAVES FOR CORPUS CHRISTI AFTER VISIT

Lt. (j. g.) J. Vic Allen, SC, USN, son of Mr. and Mrs. C. V. Allen, left Spur Wednesday for Corpus Christi where he will assume his new duties as disbursing officer at the U. S. Naval Air Station.

Lt. Allen has spent the past two weeks with his parents after returning from nine months in Korea where he was supply officer aboard the U. S. S. Whitehurst, DS634.

## Noted Book Reviewer To Speak at Matador

MATADOR—One of the nation's most outstanding personalities in the literary field, Dr. Evelyn Oppenheimer of Dallas, will appear in Matador Friday, November 2, as guest reviewer at First Methodist Church, at 3:30 p. m.

El Progreso Study Club will sponsor Dr. Oppenheimer's appearance here to review "Jubilee Trail" by Gwen Bristow, which is an account of the old Santa Fe Trail. The public is invited to attend the review, admission for which will be \$1.

Newspapers over the nation have been lavish in their praise of Dr. Oppenheimer as a reviewer. Typical of the praise which her reviews have received, are the following: "Without contest the Dean of Book Reviewers in the Southwest," (Houston Post); "Authority on modern literature" (St. Louis Post Dispatch); "One of Texas' most distinguished women" (Hollywood Citizen News); "She holds an audience spellbound," (Los Angeles Times); "One of the most interesting and compelling reviewers in the country she is comparable to an old master and paints a masterpiece in words, whatever her subject" (Henderson, Texas, Dallas News).

Born in Dallas, Miss Evelyn Oppenheimer received her Ph. D. degree at the University of Chicago. After having experience as a literary critic and feature story writer on Chicago newspapers, she returned to Texas for a career in lecturing and in radio and writing.

On December 1st, a book of Dr. Oppenheimer's collected poems will be published by the Naylor Publishing Co., of San Antonio. The title will be "Legend and Other Poems," and advance orders can be placed now through all bookstores.

Rev. and Mrs. J. L. Lee and daughter Helen Jean, Mrs. Louise Kerr and Mrs. Willis Howard returned Saturday from Houston where they attended the General Baptist State Convention. Helen Jean represented the Youth of Lovely-Sunset Association with "Thanks for the Chance."

Mrs. Howard and Lee served in various capacities in the Youth Department and both are key workers for Mary Allen College where Mrs. Howard's son, Fred, is a freshman.

## BULLDOGS DROP SECOND 6-AA TILT; HOSTS TO CHIEFS FRIDAY NIGHT

With district hopes practically out of reach, following a 15-13 nudder last week in favor of the Post Antelopes, the Spur Bulldogs will take the field against the Crosbyton Chiefs in Jones Stadium tomorrow night in an effort to regain the win column following two consecutive losses.

Rains this week have assured the Bulldogs of another muddy field, but they are expected to fare far better than against Post on a similar field last week.

So far, the Chiefs have failed to make an impressive showing on the gridiron and should give the Bulldogs an opportunity to re-sample sweet victory, even though it will be a non-district game.

Game time is 8:00 p. m. in Jones Stadium.

Despite the mud, last Friday's game produced 74 and 76 yard touchdowns runs, one for each team. The field was soggy from a heavy afternoon rain.

Post counted a safety with the game four minutes old, when a bad pass from the Spur center rolled over the goal.

In the second quarter halfback Paul Simmons ran 74 yards around right end to put the Bulldogs ahead. The run came on the first play after Spur intercepted a Post pass. Charles Grimland kicked the extra point.

The Antelopes went ahead 6-7 a few minutes later when quarterback Jack Kirkpatrick ran 21 yards around right end to score. Try for point failed.

Midway in the third, Kirkpatrick raced 76 yards to score and kicked the extra point.

Spur came back late in the fourth quarter with Grimland scoring on the first play after the Bulldogs recovered quarterback Darrel Stone's fumble.

Standouts for the Bulldogs were Grimland, Simmons and Hershel Wade.

The November town-wide Treasure Hunt will be held next Wednesday, Nov. 7, states Mrs. Nona Starcher, chairman of the merchants' committee of the Spur Chamber of Commerce.

"With 68 Spur merchants cooperating in this big monthly event, we are striving to give the people of this area an additional incentive to come to town and shop," states Mrs. Starcher. In the three preceding Treasure Hunts, shoppers in Spur have reported outstanding values in the different stores along with the fun of searching for "treasure."

Merchants participating in the Hunt this month have been assigned five numbers to be posted during the event. The Chamber of Commerce has mailed out cards inviting people to shop the town next Wednesday and to bring the cards with them. Grady Elder, chamber manager, reports that the possibility of finding a Treasure Hunt number have been increased five fold since the origin of the program.

## DEER AND ELK HUNTERS RETURN FROM COLORADO

J. H. Taylor, Alvin Jones, Archie Powell, D. O. R. Clouse, Charlie Kimmel, Thurmond Moore, David McAttee, Mr. and Mrs. Levi Meadows, "Windy" Davis of Lubbock, Jack McClung of San Angelo, and J. D. Hamilton of Jayton have returned from a hunting trip near Glade Mountain north of Cortez, Colorado.

Horace Wood and Darwood Woodward are back from elk hunting near Del Norte, Colorado. They joined the deer hunting party before coming home.

Mr. and Mrs. Lester Garner were deer hunting in Colorado when the others were there too. All hunters report having good luck, and Powell shot a bear. Taylor killed the largest deer which weighed 244 lbs. dressed.

## Liberian Missionary At Assembly of God Church Today

In a meeting last night and in meetings at 10 o'clock, 2 o'clock and 7:30 p. m. today, the First Assembly of God church of Spur is presenting E. L. Mason in a missionary service.

Mason, who is a field representative of Liberia for the Assembly of God Mission has recently returned from Liberia where he has ministered since 1945.

Rev. B. Z. Curtis, pastor of the Assembly of God church in Spur, extends an invitation to the public to attend the services being held today.

## County Farm Bureau Has Members Drive

The Dickens county Farm Bureau membership drive is now in full swing, states Byron Haney, president.

The drive opened at a meeting held in the Dickens school house Tuesday night. Present members were assigned territories to cover in soliciting new members. Haney reports that approximately 50 members attended the meeting in Dickens.

Highlight of the gathering was a speech by Marvin Carter, state organizer, on the work of the Farm Bureau on the local, state and national setup. Carter pointed out that the Texas bureau has maintained a diligent and fruitful lobby in Austin. It has fostered the passing of a Natural Resource tax; has saved the Rural Road program, has secured road bond assumption surplus money for counties, and has fostered the defeat of a proposal for increased gasoline tax.

Along the national line Carter stressed the maintenance of a powerful lobby in Washington which appeared at all hearings affecting agriculture. He stated that the national bureau was responsible for the ban on livestock quotas in the roll-back.

Also on the program for the evening was a talk on the importance of farm organization by Mrs. Harriette Hatcher, county home demonstration agent.

On the local side of the organization, Haney stressed such services as income tax help, gas tax exemption form help and insurance.

"We solicit the membership of everyone interested in agriculture and urge those not personally contacted by members to come by the Spur office and join with your neighbors in obtaining a fair hearing in legislative matters for us who depend solely upon it," concludes Haney.

## October Rain Totals 2.12; Wheat Favored

Rain fell generally over the county early Wednesday morning to further boost wheat outlooks but at the same time further delayed the gathering of the cotton crop.

The Spur Experiment station had recorded 71 inches of rain since Wednesday with skies still threatening. Over the county moisture from .5 to 8 was reported.

A temperature tumbling cold front followed the rain clouds into the county, dropping the mercury to a low of 37 degrees at the Spur station shortly before dawn.

The low this morning was reported at 38.

The moisture which has fallen recently almost guarantees a good stand of wheat over the county. Many county farmers already have their wheat in the ground, and more will plant following this wet spell.

On a comparative basis, states Paul Marion, employee of the Spur Experiment station, this year's moisture is already above average. Although drought has seriously damaged the cotton and feed crops, 1951 is 81 inches above the 40 year average for November. The total to this date is 21.04 and the average fall is 21.03.

A total of 2.12 inches has been recorded during the month of October at the station reports Marion.

## Methodist Revival Ends Sunday With Meeting At Stamford

Climaxing an area-wide evangelistic campaign, Methodists from this community will attend a mass meeting, Sunday, November 4, at 3:00 p. m. in Stamford at the football stadium near the high school.

The service is one of similar mass meetings to be held in key cities in this area. District Superintendent Dr. J. H. Crawford will preside. The guest preacher will be Dr. L. L. Evans of El Paso.

The local Methodist church will sponsor a car-caravan under the direction of Rev. Cal C. Wright.

Last Sunday, the first day of the revival, nearly 1,000 people united with the Methodist churches in the Northwest Texas area; and there were more than 5,000 young people in the mass meetings over the area.

Rev. Earl S. Yokley of DeKalb is assisting Rev. Wright in the services at the Spur Methodist Church. These services will close Sunday morning, November 4, and there will be no services Sunday night.

## CITY PROPERTY OWNERS RECEIVE \$25,000.00 IN MINERAL LEASE MONEY

Property owners in Spur received approximately \$25,000.00 this week in payment for the mineral leases given to W. C. Boles, oil man from Mt. Enterprise, Tex.

The leases were paid by the Placid Oil company which will fulfill the lease agreement to drill in the Spur area.

Location of the Girard Trust No. 1 well, 660 feet from the north and from the east lines of Sec. 262 has been made and spudding in is expected to take place in the next few days. The location is less than a mile from the Spur city limits and is to be drilled by the Penrod Drilling company. The rig for the wildcat is reportedly coming from a recent venture on the Pitchfork ranch.

Boles states that he obtained approximately 60 per cent of the lots in the city, and at present is not leasing additional ones. However, he added it is possible that more will be leased later on.

The leasing venture by Boles was started the first part of September of this year. Since spring of this year, Boles spent approximately \$60,000.00 in and around Spur for mineral leases.

Boles reports that the property owners of Spur have been exceptionally cooperative with him in this matter and complimented their foresight in "seeing that this was a golden opportunity to see if there is any oil here" with approximately eleven companies holding leases near the location, it would have otherwise been almost impossible to get a well drilled in this vicinity in the near future, states Boles.

Jack Rector, working with Boles, states that the actual drilling will probably take 60 days. The drilling contract has been let for 7900 foot exploration of the Pennsylvania formation.

## Lawis Lee Is Retired From SFD By City

At the regular meeting of the board of commissioners of the City of Spur Tuesday night, Oct. 30, Lawis Lee received a Service Certificate for his 29 years of service with the Spur Volunteer Fire department.

The certificate entitles Lee to the retirement benefits set up by the state volunteer firemen's organization when he has reached his 55th birthday.

Foy Vernon holds a similar certificate and will be entitled to the same benefits after he becomes 55. Retired firemen who are at present drawing the retirement pensions from the state organization are John King, Sr., L. R. Barrett and Roy Skovall.

## Hallow'en Carnival Is Success; Boasts Queens and Beauties

The annual Hallow'en Carnival of the Spur schools apparently was a success last night despite the cold weather and a rain squall in the day which forced the festivities indoors.

Crowned high school queen of the 1951 Hallow'en Carnival was Miss Lois Dunwoody, who was escorted by George Pitts. They represented the sophomore class. Senior class representatives in the contest were Miss Gaynelle Boss and Gordon Simmons. Juniors were Miss Tennie Jane Kidd and Wayne Bishop. Representing the freshman class were Miss Dean Reagan and Boyce Rankin.

Miss Beverly Jenkins and Ted Hindman, representing the eighth grade, were proclaimed Hallow'en queen and King of junior high. Seventh grade royalty were Miss Ruth Ann McAttee and Eddie Doug Hagins.

In East Ward contest the fifth grade representatives, Miss Charlotte Ramsey and Joe Copeland, were crowned queen and king of Hallow'en. Miss Joan Foreman and Larry Don Bass were fourth grade contestants and the sixth grade was represented by Miss Ann Reagan and Ronnie Clouse.

Prior to the coronation at the high school was the beauty contest sponsored by the freshman class. Misses Billie Sue Gregory and Dawn Reagan were the lovelies who tied for the beauty queen title over about 60 contestants. Weldon Skinner, high school principal, announced each girl and the firm she represented as the contestants paraded across the stage in their formal before the audience and judges in the high school gym.

## Rev. Ratheal Assumes Duties In Eastland

Today, November 1, Rev. C. Melvin Ratheal will assume his duties as pastor of the First Baptist Church, Eastland. Rev. Ratheal recently resigned from the pastorate of the First Baptist Church, Spur.

In leaving Spur and the church here Rev. Ratheal states, "The three years we have been here have been the happiest years of our lives. We had a wonderful fellowship with our church members and the other citizens of Spur. We have had splendid cooperation from one and all.

"Every phase of our work has grown and the interest in and throughout the town has been increasingly helpful and encouraging. We shall remember all of you and wish for you the best.

## School Attendance Important to School As Well as To Child

A pupil's irregular attendance at school may be the cause of his failure, according to C. F. Cook, Spur school superintendent. A pupil should consider his attendance in school as if he were employed on a job and make every effort to be on time every day and put forth his best work on his assignments. This is the only way he can get the most out of his school work, adds Cook.

Excused absences from school because of sickness or an emergency in the family may be made up by the pupil, but he must take the initiative in talking to his teachers about make-up work.

The responsibility for getting the work done in order not to lose final grade points is entirely his own, says Cook.

The superintendent urged that the home as well as the school should make every possible effort for the child to be in school every day. The school benefits from his regular attendance not only because of his increased interest but because the number of teachers the school may employ depends on the average yearly attendance.

## REV. SHARA TO SPEAK AT DRY LAKE CHURCH SUNDAY

Rev. Fred Shara of Wayland Colosse will speak at Dry Lake Baptist church Sunday night, November 4, and will show films of the Holy Lands. Rev. Shara was born in Syria.

The public is invited to hear him.

Go to Church Sunday

**National Outlook Conference Held**

COLLEGE STATION, Oct. 31—For the 28th consecutive year,

the United States Department of Agriculture and the Land-Grant colleges of the nation are holding this week in Washington, D. C. the National Outlook Conference. According to Dr. Tyrus Timm,

Extension economist of Texas A. & M. College, this is a mighty important meeting and Texas farm and ranch families should be registered in the reports that will be released later on the 1952 out-

look for agriculture. No one knows for sure, points out Timm, what will happen in 1952 or in any other future year because of the "free-choice system" of buying and selling that operates

in America. However, he adds, the outlook information is based upon information that has been collected for years and studies have indicated that forecasts are correct from 80 to 90 per cent

of the time. These forecasts then should be considered by farm and ranch families when they make plans for 1952.

The outlook reports will deal with demands and prices, production costs, farm family living as well as the outlook for individual crops and different kinds of livestock. The supply of the items needed by those engaged in agricultural production will also be studied.

It is reasonable to assume, says Timm, that the more information farmers and ranchers can get on the factors that enter into the supply and demand of the particular agricultural commodity, the better the decisions they must make will be. The purpose of providing outlook information then is to furnish Texas agriculturists with information that will aid them in planning production and marketing schedules that will yield the highest long time net income and at the same time be consistent with good farm management practices.

The general public is interested in outlook information, says Timm for such work does tend to level out the peaks and valleys in production and to some extent stabilize consumer prices.

Generally, says Timm, 1952 looks like another big year for Texas agriculture, but he adds that further increases in net farm income will likely have to come from added production and increased efficiency instead of higher prices. There is little likelihood, he continues that the ratio of prices of farm products to prices of things farmers buy will give the producer any advantage in 1952.

Timm urges farm and ranch families to study the outlook reports when they are available. Decisions made on the basis of outlook information should be better than those arising out of indifference and "just hoping," he says.

John G. McHaney and Grady Darden both of the headquarters staff, are representing the Texas Agricultural Extension Service at the Conference.

**Balanced Diets Not To Be Affected By High Costs of Food**

AUSTIN, TEXAS, Oct. 31—Although the high cost of food has made feeding the family a more expensive undertaking than ever before, Dr. Geo. W. Cox, State Health Officer, is opposed to any lowering of nutritional standards. It is still possible for the careful housewife to provide an adequate balanced diet for her family.

"To maintain mental alertness and physical fitness certain foods should be regarded as essential," says Dr. Cox. "Each day's diet should include milk, a citrus fruit or canned tomatoes, or a green or yellow vegetable, other fruit and vegetables, whole wheat or enriched bread or cereal, butter and meat, fish or poultry. Eggs should be eaten at least five times a week, liver once a week and dried beans and peanut butter occasionally."

Milk remains a good buy, although its price has risen considerably, it is an excellent source of calcium, phosphorus, protein and certain vitamins. The equivalent of one pint of milk for adults and one quart for children should be included in each day's diet.

Although meats have become more expensive than other foods they are still essential as sources of protein. It should be remembered that less expensive cuts of meat provide the same food values as the luxury items. Prices of pork, chicken and fish have risen less in recent years than other meats.

"Canned and frozen fruits and vegetables have not increased in price as much as fresh ones and they retain most of the original food values. In buying fresh fruit and vegetables it is more economical to limit purchases to those that are in season and therefore more plentiful."

**PFC. HYATT OF DICKENS SERVING IN KOREA**

WITH THE IX CORPS IN KOREA—Pfc. Jesse H. Hyatt, Dickens, Texas, is serving in Korea with the 92nd Armored Field Artillery Battalion, a unit of the IX Corps.

The 92nd has fired more than 100,000 rounds from its 155-mm howitzers since it landed at Inchon in September 1950. In fourteen months action the battalion has furnished support for virtually every United Nations combat unit.

Hyatt formerly was employed by the J. N. Caton Construction Co. in Wichita Falls, Texas.

Fish orders can be removed from frying pans and dishes by soaking them in hot water and salt.

**Stop Taking Harsh Drugs for Constipation**

End Chronic Discomfort Regularly This All-Vegetable Way! Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get relief but not relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Money back if not satisfied. Mail order to Box 280, N. W. 7, D. C.

L. Burnam. 11:15 Sermon - Rev. O. L. Dewees. 12:00 noon. 1:15 p. m. Board Meeting. 2:00 p. m. Sermon - F. E. Swanner.

New Price Reg. Issued for New Cars

LUBBOCK, Oct. 24.—A new dollars-and-cents ceiling price regulation covering the resellers (wholesalers and retailers) of new passenger automobiles has been issued, the Lubbock District Office of Price Stabilization announced today. The new regulation (CPR 83) provides that dollars-and-cents basic ceiling prices will be issued as "special orders" by OPS, covering new passenger automobiles of every make, by each body style, line or series. Current basic ceiling prices in general apply also to extra, special and optional equipment, and take into account factory to dealer transportation costs, federal excise taxes, state and local taxes, customary established charges for preparing and conditioning a car for delivery, and customary established prices and charges for any other items of equipment or service requested by the purchaser. District price officials pointed out that within 20 days after the regulation became effective—October 15 was the effective date—every retail dealer must post in a conspicuous place on his premises, a notice not less than 18 inches by 24 inches in size, stating the make, body style, line or series and model of each new automobile offered for sale, and the ceiling price itemized to show: (1) the basic ceiling price for each particular body style in each line or series; (2) the charge for transportation; (3) the charge for federal excise tax; (4) the charge for state or local taxes; (5) the charge for handling and delivery and (6) the total ceiling price. The dealer must also post a copy of the special order issued by OPS establishing the ceiling prices for extra, special or optional equipment. If a special order has not been issued he must post the charge prevailing on the date of the issuance of this regulation. Price specialists also pointed out that, in addition to the posting of ceiling prices, these provisions in the new regulation are of particular interest to the prospective purchaser; dealers must furnish purchasers with an invoice or other documents stating the ceiling price and certain other charges and allowances; dealers must continue selling at no more than present ceiling prices until OPS establishes by special order specific ceiling prices for the automobile being sold; and dealers may sell below their ceiling prices and need not add on the full amount of any authorized charge. Dealers must prepare an invoice or other documents in duplicate covering every sale of the new car which must show: (1) date of sale; (2) make, model, year and body style, motor number and serial number; (3) basic price, including transportation charge, preparation and condition charges, federal excise tax, charges for extra, special or optional equipment; (4) state and local taxes; (5) charge for other services or items of equipment requested in writing; (6) finance charges, name of finance company, method of payment and amount of cash received; and, (7) if a used car is traded in as part payment for the new automobile, the invoice or other documents must show the make of car traded in, model and body style, optional equipment thereon, allowance price, and motor and serial number. One copy of the invoice or other documents must be given to the purchaser within 7 days from date of purchase and one copy retained by the dealer as part of his records. In issuing the regulation, Michael V. DiSalle, director of the Office of Price Stabilization, said "We believe that this new regulation is designed to give every possible protection to buyers of new cars by spelling out all charges that enter into the seller's ceiling price." The charge for preparing and conditioning a new car for delivery must not exceed the dealer's prevailing charge in the period January 28 to February 24, 1951, but not in excess of 5 per cent of the basic price of the automobile. This charge must directly relate to service actually rendered in preparing and conditioning the new car for delivery. If no services are rendered in this connection, no charge can be made. At a later date OPS will establish a specific preparation and conditioning charge for each make of car. Every dealer is requested to file with OPS district office, within 60 days from the issuance of this regulation, a statement showing in detail the basis on which he is making charge for the preparation and conditioning of a car for delivery. The following practices are specifically forbidden by the regulation (1) requiring the purchaser to make payment over a period of time, or to finance the purchase through any particular lending agency; (2) requiring a purchaser to buy extra, special or optional equipment, accessories, parts or services of any other commodity in order to obtain delivery of a new car; (3) requiring the purchaser to trade in a used car in order to obtain delivery of a new car; (4) granting less than a reasonable allowance for a car traded in; and (5) renting or leasing a new car under a rental contract with an option to buy at an agreed price which, together with the amount paid for the rental,

SMALL BUSINESS

It is possible the recently signed Japanese Peace Treaty will run into rough water when it comes to the Senate for ratification as required by the Constitution. The trend of events may result in one of the biggest Congressional probes yet of the State Department to make a world wide survey of the influence world wide monopolies are having on nations' foreign policy. Old soldiers may find a new champion in C. W. Harder, but the reason for their dismissal is not so easily forgotten on Capitol Hill. And within 60 days, there have been reports from Japan that the old world power seeking monopolies, interested before the war with foreign monopolies, are again rising. Many feel MacArthur policies on Japanese economic reform were the real reason why he was at odds with the State Dept. Now the British press service confirms this with a report that four of the giant Japanese companies that formed the giant Japanese financial monopoly have announced they will merge again. The British report says that these monopolies were broken up by MacArthur. Early in the occupation, the report relates, MacArthur set up an anti-trust division to break up these monopolies as they were held responsible for bringing about Japanese aggression through their puppet, Tojo. MacArthur was probably too busy to be able to stamp recent actions.

Childless Married Men To Be Drafted

AUSTIN, Texas, Oct. 31.—Married men without children will be affected principally when state draft boards order approximately 3,600 men for physical examinations in November and December. First orders to local boards for the examinations will be placed in the mail Wednesday. Brigadier General Paul L. Wakefield, state Selective Service director, said today. These are the first physical examinations to be ordered since the past April, except in isolated cases. The orders are designed to get married men without children examined as early as possible, in compliance with official instructions from national Selective Service headquarters. First examinations will take place on November 5. Fifteen hundred men are scheduled for examination in November and 1,800 in December. Examination dates scheduled for November are on the 5th, 13th, 26th and 27th. December dates scheduled are the 6th, 7th, 13th and 14th. Examinations will be given at armed forces joint examining and induction stations at Abilene, Amarillo, Corpus Christi, Dallas, El Paso, Houston, San Antonio and Shreveport, Louisiana. General Wakefield said that some of these men will be inducted in December and still more in January.

GOOD HEALTH I WILL BEEFSTEAK HELP A BLACK EYE? HOW SAFE IS BRAIN SURGERY? 2 WHAT IS ACNE?

HD ACHEIVEMENT—from p. 1 Soldier Mound, plus. After the judging the foods were offered for sale. The afternoon feature of the day was the 2 o'clock dress revue which was narrated by Mrs. Buck Ballard. The McDoo and Dry Lake clubs were in charge of stage decorations which included a backdrop for a large pair of scissors with materials draped through them. Mrs. Pace registered the dresses. In the house dress division Mrs. Tree won a blue ribbon. In the street dress division blue ribbon winners were Mrs. Barnett, Pace, Mary Putman, Faye McArthur, Ollie Hindman and Archer L. Powell. Red ribbon winners in this group were Bess Lassetter, C. E. Morgan and Estep. Mrs. Westfall was awarded a white ribbon. In the best dress group Mrs. Jess Powell won a blue ribbon and Mrs. Berrell Thomason won a red ribbon but did not model them. Club members and visitors registered at the door in a guest book presided over by Mrs. Bob Pickens and Lassetter. Mrs. Haney was in charge of preparing the building for the day. Dickens County Home Demonstration Clubs wish to thank the following people and stores for their help in making Achievement Day a success: Proctor's, Brusher Supply, Campbell's, West Texas Utilities, Spur Lumber Co., Gabriel's Godfrey's, Ritter Hardware, Wacker's, Spur Schools, Henry Gruben and all others who helped in any way.

Answer to Question No. 1: 1. Cold water is the best first aid treatment for bruises, including black eyes. Despite popular belief, raw beefsteak is no treatment for a "shiner." Answer to Question No. 2: 2. Acne, a chronic infection of the sebaceous (oil) glands, usually occurs between the ages of 12 and 25. An oversecretion of oil blocks the opening of the gland, thus causing the secretion to accumulate. This condition can usually be treated successfully by your physician. Answer to Question No. 3: 3. Brain operations formerly ended in death in most cases. However, the advances made by American surgeons in the field of brain surgery have been so remarkable that the skull is opened with safety, tumors are removed and other conditions are treated with a very high percentage of cures. # SOCIETY

## Rev. Yokley Speaks At Meeting Of Methodist S. S. Class

Mrs. E. L. Foster, was hostess to the Susanna Wesley Sunday School Class of the First Methodist Church Tuesday afternoon, October 30, at 3 o'clock.

Rev. Earl S. Shockley, pastor of the Methodist Church at DeKalb who is visiting pastor here during the Methodist revival, spoke to the class.

Mrs. Thomas B. Stephenson sang "Hark My Soul" and "I Shall Not Pass Again This Way," accompanied by Mrs. W. F. Gilbert.

Refreshments of spiced tea, cake and nut bread were served.

Members of the class attending were Mrs. Lena Stubblefield, Ida Lea, Kate Buchanan, Alice Blair, C. H. McCully, R. L. Alexander, V. C. Smart, Sr., J. C. Payne, Allie Sprouls, O. T. Swenson, Cal C. Wright, W. S. Campbell, Hester Whitener, Kate Morris, Miss Etta Fite, and the hostess, Mrs. Foster.

Guests who attended were Mrs. J. R. Laine, Stephenson, Gilbert and Rev. Yokley and Rev. Cal C. Wright.

## Host of Parties Are Courtesies To C. Melvin Rathel

The Althean Class of the First Baptist Church Sunday night dedicated their training union services to Rev. C. Melvin Rathel. Fifteen or 20 young people gave short testimonials of what Rev. Rathel has meant to their lives.

After they sang several songs, Rev. Rathel sang "Turn Your Eyes upon Jesus."

The groups presented him with a pair of bulldog bookends with "Spur Intermediate Training Union" on one end and "Spur Young People's Training Union" on the other.

## Pauline Leon and Edward J. Denton Wed October 28

In a ceremony performed at high noon Sunday, October 28, Miss Pauline Leon, daughter of Mr. and Mrs. C. E. Leon of Nolan, and Edward J. Denton of Spur were married in the home of Mr. and Mrs. R. K. Blackshear in Spur.

An improvised altar of huckleberry with white gladioli and white tapers before the stone fireplace was the setting of the single-ring ceremony read by Rev. Cal C. Wright, pastor of the First Methodist Church.

The bride wore an imported wool suit in royal blue with an original white satin cloche, the veil of which was fastened with rhinestones. She carried a white orchid atop a white Bible.

Mrs. John N. Barnhart of Beville, wearing an Adrian suit of beige wool and carrying a nosegay of red carnations, was her sister's only attendant.

Neal Chastain served as best man.

A reception immediately followed the ceremony. A silver basket of white gladioli and white tapers centered the linen-laid

## FAREWELL TEA

Climaxing the series of parties commemorating the Rathels was a farewell tea sponsored by the First Baptist W. M. S. given Tuesday evening in the educational building of the church.

Autumn flowers and greenery were used to decorate the reception rooms. Miss Faye Middlebrooks played several piano selections as guests arrived.

Included on the program, introduced by Mrs. Grady Lackey, were an instrumental duet by Mr. and Mrs. Melvin King, "Smilin' Thru"; a reading, "I'd Like To Be a Friend Like You," by Mrs. Alfred Walker; and songs by Mrs. George Gabriel, "At the End of a Perfect Day" and "Songs of Life," accompanied at the piano by Mrs. W. T. Andrews.

Mrs. C. P. Scudder presented the honor guests with a gift, a twelve-piece setting of crystal, on behalf of the church. Claude Barclay, representing the Sunday School class taught by Bro. Rathel, presented him a gift of two white nylon dress shirts.

Refreshments of hot spiced punch and cookies were served with Mrs. E. H. Carpenter and Mrs. Gabriel presiding at the serving table. Appointments were of silver and crystal with an arrangement of marigolds forming the centerpiece.

Approximately 100 guests were present.

## Williams - Watson Rites Performed Sat., October 27

In a ceremony performed Saturday evening, October 27, in Clovis, N. M., Miss Dorothy Williams, daughter of Mr. and Mrs. Gay Williams of Spur, became the bride of Dean Watson, son of Mr. and Mrs. Arner Watson of Spur. Justice of the Peace W. C. Thorp read the single-ring service.

The bride wore a brown suit with brown accessories.

She attended Spur High School and is now employed at Wacker's Variety Store Watson, a graduate of Spur High School, is employed at Massey Gin.

The couple are making their home at 522 N. Trumbull.

## BAPTIST WMS CIRCLES MEET ...

**LOCKETT CIRCLE**  
Mrs. E. L. Smith was hostess to the Lockett Circle in her home Monday afternoon, with 100% attendance of members.

Following the opening prayer by Mrs. J. A. Marsh, Mrs. Henry Gruben taught the Bible lesson from the book "Go Ye." Mrs. Will Watson gave the closing prayer.

Coffee and cookies were served to Mrs. Watson, L. C. Ponder, Gruben, Marsh, Cal Martin, H. L. Borman, J. E. Bilberry, L. W. Longston, and the hostess, Mrs. Smith.

## MRS. RATHEL HONORED

The Althean Class of the First Baptist Church honors Mrs. C. Melvin Rathel, Thursday night, October 25, with a party in the home of Mrs. E. D. Engleman.

Several piano selections were played by Mrs. W. T. Andrews who then accompanied Mrs. George Gabriel as she sang "Perfect Day" and "When Irish Eyes Are Smiling."

Entma Lena Simpson and Ralph Gibson presented a playlet directed by Mrs. R. K. Blackshear.

Gifts from the class were presented to Mrs. Rathel by Mrs. Hunter Wilson, president of the class.

Refreshments of sandwiches, olives, pickles, punch and cookies were served to the guests.

Attending were Mrs. W. C. Gruben, Darrell Crogan, Ruby Bilberry, W. C. Hinson, Dick Ford, C. W. Barclay, C. F. Watters, Tange Smith, Poy Vernon, J. E. Berry, H. R. Cage, Thurmond Morrow, Lester English, Chap Reese, A. G. Danovsky, Floyd Green, N. C. Moffett, W. L. Singleton, Joe Grumland, Jessie Hindman, Stewart Hickam, Andrews, E. H. Carpenter, M. H. Brazg, C. P. Scudder, Gabriel, Ruth Walden, Blackshear, J. W. Waggoner, John Belle Gibson, Ann Bishop, Abb Bingham, E. C. Clinkscales, J. C. Moore, J. B. Kimmell, R. A. Gilcrease, the hostess, Mrs. Engleman, and Mrs. Rathel, the honoree.

## Scout Council Plans Annual Meeting and Banquet at Lubbock

Dr. F. B. Malone, President of the South Plains Council, Boy Scouts of America, announced today that the Annual Business Meeting and Banquet would be held on Monday, November 5th, in the lower auditorium of the First Baptist Church in Lubbock.

The Business Meeting will begin at 4:30 p. m. All of the Institutional Representatives, Board Members and Council Members are urged to attend.

The Annual Banquet will start at 7:30 p. m. The tickets will be \$1.75 per plate. Reservations should be made with the Council Scout Office, 2109 Avenue X in Lubbock as quickly as possible.

The speaker of the evening will be Mr. George Bullock, Director of Philmont Scout Ranch, Cimarron, New Mexico. All Scouters and their wives are cordially invited to attend.

Planning to attend from Spur are Mr. and Mrs. R. L. Walker and Mr. and Mrs. W. F. Godfrey.

## 4-H Achievement Week Nov. 3 Thru 11

COLLEGE STATION, Oct. 31.—The accomplishments of Texas 4-H club boys and girls will be recognized and honored during the observation of the 1951 National 4-H Club Achievement Week, November 3-11. Volunteer local leaders of 4-H clubs will share in the honors.

In their efforts to meet the challenge of the 1951 4-H theme, "Working Together for World Understanding," 4-H members have worked to learn something about the cultures, contributions and problems of rural people in other countries.

In 1950, 118,237 boys and girls between 10 and 21 years of age were enrolled in 4,793 Texas 4-H clubs. Floyd Lynch, state 4-H leader, estimates the enrollment to be about the same during 1951.

Youth from 67,732 farm homes

## Go to Church Sunday

and 21,146 non-farm homes participated in 4-H club work last year. Valuable contributions to community improvement were made by 2,308 4-H clubs in Texas.

Plans for observing 4-H achievement week include luncheons, banquets and other special county events at which 4-H club members and local leaders will be guests and speakers. Service clubs, farm organizations and other adult groups are planning events at which young people and local leaders will tell of their clubs' programs and accomplishments.

In addition to regular demonstrations, Texas 4-H boys and girls receive training in fire and accident prevention, forestry, health, recreation and leadership, wildlife conservation and other worthwhile activities, reports Lynch.

Clothing, field crops, food preservation and preparation, forestry, garden and orchard management, home grounds beautification, home management and improvement, livestock and poultry were included in 4-H demonstrations.

Nearly 38,000 4-H members were trained in fire and accident prevention during 1950. Recreation and leadership training were received by more than 11,000 boys and girls.

Texas 4-H demonstrations conducted during 1950 included 76,974 farm animals—dairy cattle, beef cattle, sheep, horses and mules, and rabbits. Club members had 668,649 birds in their poultry demonstrations.

Lynch emphasizes that these demonstrations are not an end in themselves. They are used in training 4-H members to be better leaders and citizens.

## THE AMERICAN WAY ECONOMY

Work of the National Foundation for Infantile Paralysis is financed exclusively by the March of Dimes.

Texas County Chapters of the National Foundation for Infantile Paralysis spent \$1,634,007.28 in 1950. Of this amount, only \$39,930.49 was for office and administrative expenses.

Shepperd reported that when he assumed the duties of Secretary of State in February 1950 there were 600 parolees unaccounted for in Texas. He commended the Voluntary Parole Board members for their cooperation and assistance in enabling the Department to reduce the number of missing parolees to 60.

The Texas Voluntary Parole System, Shepperd stated, is a positive and constructive program designed to aid the parolees in becoming worthwhile citizens of the community. Parolees, he reported, are released from prison on recommendation by the Board of Pardons and Paroles to the Governor after clemency has been granted. A parolee is under the supervision of Parole Board members until expiration of his sentence.

The Parole System, Shepperd reported, has proved to be a sound program as a method of progressive public protection. The Annual Report of The Texas Board of Pardons and Paroles shows that in 1949 there were 11.6% parole violators. This figure was reduced to only 3.8% in 1950.

These men, the Secretary of State reported, are supervised at the very low cost of only 44 cents daily for each parolee while it costs the Texas Urison System 28 cents daily for each inmate. This figure, he stated, does not take into consideration the amount spent by the State in caring for the dependents of those incarcerated. The Department of Public Welfare shows in their Audit Report for 1950 that \$212,426.27 was spent in aiding these families.

In comparing the costs of the Texas Volunteer Parole supervision with that of other states, the Secretary of State cited the fact that the state of New York spends \$82 yearly, Wisconsin \$34 yearly while Texas spends only \$15 yearly for each parolee.

Shepperd also praised the work of the members of the Voluntary Parole Board and cited several cases where through their efforts delinquents have been restored from the prison system to daily pursuits of everyday life.
