SPUR, DICKENS COUNTY, TEXAS THURSDAY, JULY 9, 1933

VOLUME 44

NUMBER 37

Whoa, Now!

By Grady Lacey

The City of Spur and the people of Spur will be losing a good man come August 1 when James Henry Cowan resumes new duties in Pampa, Texas.

As manager of the utilities of the city, Cowan has maintained a smoothly functioning organization of city employees, always insisting on fair play and an impartial attitude. As a finished city engineer, he has led the city to its present position among the top cities of its size in modern and adequate water, electrical, and gas systems. His technical skill in maintenance of these facilities has kept repairs and maintenance at a minimum.

As secretary to the City Commission, Cowan has maintained the confidence of the commissioners and has worked in harmony with them as his employees.

Cowan is a hometown boy, having been raised right here in Spur. Following the completion of his education as a civil engineer at Texas Tech and Texas University and a stretch in the Army Corps of Engineers, Cowan returned home to serve the city for seven years as manager of the utilities.

At present he holds a reserve commission as a major in the Corps of Engineers and attends a two-weeks tour of duty at Fort Sam Houston each year.

He has resigned as manager of the City of Spur and will go to Pampa on August 1.

As with nearly everyone else in town, we've had our differences with James, but have always admired his straightforwardness, his honesty and his sincere devotion to his duties and responsibilities.

All those pretty bride pictures that have appeared recently on our society page, and other local news pictures that appear from time to time don't just happen—they are taken, mostly, by Norman Morgan of Morgan Studio here in Spur.

And what's more, all he asks in return for furnishing us with a glossy print of a wedding or of a family reunion or of a football game is a little credit line in the paper.

Often, somehow, we fail to get this little credit line in, but do appreciate the wonderful cooperation Norman has given us since he came to be a Spurite.

2nd Trades Day Set For Monday, Aug. 3

Trades Day will be held again in Spur on the first Monday in August, states Mrs. Billie Powell, chairman of the merchants' committee of the Spur Chamber of Commerce.

The first Trades Day was held last Monday, but did not materialize successfully possibly because of the preceding holiday and the newness of this type of program in this area.

On Trades Day the merchants of Spur will hire a professional auctioneer to come to Spur to auction off anything the rural folks will bring to town to sell. The auctioneer charges no commission so the seller receives the full price for his pig, plow or what ever he wants to auction off.

MORRISON ATTEND RITES FOR INFANT NEPHEW

Last week Mrs. James Morrison and children attended the funeral services for the infant son of her brother, Mr. and Mrs. Raymond Kerby, in Gunnison, Colo.

She and her mother, Mrs. Marion Kirby, and her sisters, Miss O. H. Roberts, and B. L. West, all of Sherman, returned to that city where they were joined by James Morrison for the Fourth of July holiday.

NEW ARRIVAL

Mr. and Mrs. Roy Guyer announce the arrival of a son born Wednesday morning in the Crockett hospital at 11:30. The baby weighed six pounds and three ounces and was named Roy Dale. The paternal grandmother is Mrs. J. D. Guyer of Spur and the maternal grandparents are Mr. and Mrs. D. Carollson of DeQueen, Ark.

Cecil Green Is New SHS Band Director

Cecil C. Green has been employed to direct the Band and Choir in the Spur Public Schools for the school term of 1933-1934.

Cecil Green

Mr. Green was raised in the Ralls community and finished Brownwood High School. He has attended Howard Payne College, the University of Texas, and Texas Tech College. He will graduate from Tech in August, where he majored in band and choral.

Mr. Green is an honor student in his field and has played in the Tech Band and sung in the choir during his attendance there. He has taught Band and choir in the Wilson High School for one year while attending Tech.

Mr. Green is married and has one child. Mrs. Green is not a teacher.

The new band director would like to meet with the band to practice for the rodeo on July 17, 20, 24, and 27. The meeting will be in the evening. Please make your plans so that he might have a complete band for this affair. All band students talk this up and give our new band director a good send off.

Riding Club Trophies Now On Display

By "Woody" Woodward

The Dickens County Sheriff's Posse was included in the opening day parade at the Stamford Texas Cowboy Reunion on July 1.

We tried out a new formation there and would like some comments from fans as to how it compares with the customary arrangement.

Our regular business meeting was postponed last Friday to this Friday. We'll meet in the Lions Hall tomorrow night at 8 p. m. At this meeting we will decide whether or not we will try to participate in any more shows this season following our own Spur Cowboy Jubilee coming up the last week end of this month, at which we will be host to visiting riding clubs.

Trophies for these clubs will be on display over town on the counters and in the windows of local businesses. We've noticed several rodeo prize displays up and down Burlington and it sure looks good.

We're hoping now that we will get a good rain just before the Jubilee like we did at Stamford because it sure helps keep the dust and the temperature down and the spirit and enthusiasm up.

SPUR BEATS GUTHRIE

Spur's junior American Legion baseball team defeated Guthrie here 5-4 Monday night.

Ronnie Essey was starting pitcher, being relieved in the seventh by Billy Watson.

RED HILL, GILPIN AND McADOO LADIES TO MEET

The women of the Red Hill and Gilpin Communities will meet Thursday, July 16, at the Gilpin Church at 3 p. m. The purpose of this meeting will be to organize a Home Demonstration Club. Mrs. Louis Jeffers, County Agent, will give a demonstration on dress design and finishing. Every lady is invited.

COUNTY GIVES 160 PTS. OF BLOOD TO RED CROSS BLOODMOBILE

One hundred and sixty pints of good, red West Texas blood was given last Wednesday during the one-day stand of the Red Cross Bloodmobile in Spur.

Cecil Godfrey, county Red Cross chairman, reports that 131 pints of this blood was of the classification that is sent directly to Korea for use as whole blood while the other 29 pints was classified to be used for plasma or other bi-products or experimental work. All of the blood is delivered by the Red Cross directly to the Defense Department.

The goal for the county stop was 150 pints. Over 200 pledge cards were signed and 181 donors showed up to give blood.

Red Cross officials report that the work of the county chapter under the leadership of Godfrey was exceptional and reflected a

DANNY MACK CAUDLE UNDERGOES OPERATION

Danny Mack Caudle, young son of Mr. and Mrs. E. E. Caudle, formerly of Spur, underwent an operation yesterday for a possible brain tumor.

According to local friends of the Caudle family, Danny Mack was on the operating table 12 hours yesterday and the outcome of the operation was not known late last night.

He is in room 472, Baylor Hospital, Dallas.

Junior Event Added To Jubilee Program

Officials of the Spur Cowboy Jubilee have announced a new event for the 1933 Spur Cowboy Jubilee scheduled to run in Spur July 29 through August 1. The new event is the junior cowboy and cowgirl contest.

This event will be staged in the Jones stadium arena at 3 p. m. on Saturday, August 1 with the following divisions:

1. Junior girls' flag race. All girls must be under 11 years old and entrance fee is \$1.00. First prize is \$10 given by Burt Drug, and second prize is \$5.00.
2. Junior boys' flag race. All boys must be under 11 years of age and entrance fee is \$1. Event will be judged on time only. First prize is \$10 given by Leon Lee Company and second prize is \$5.
3. Junior boys' breakaway. This is a catch-as-catch-can contest but contestants must catch enough of the calf to break the loop away. Age limit is 15 years old and regular rodeo contestants rules will govern. First prize is \$15, second prize \$10 and third prize is \$5.
4. Girls' barrel race. This contest is limited to those under 14 years of age. The race will be a round two barrels placed in a line usually called a figure 8 pattern. They will be judged on time only. First prize is \$10 given by Spur Auto Company and second prize is \$5.

All contestants in these junior cowboy and cowgirl divisions of the big Jubilee celebration are requested to enter before noon on Saturday, August 1. Judging will start at 4 p. m. The Saturday afternoon program of the Spur Cowboy Jubilee also includes the old timers roping contest.

LIONS, CITY DRUG TIED FOR LEAD; PLAYOFF STARTS NEXT THURSDAY

The Spur Lions Club team took advantage of an idle night for the City Drug nine to climb back to the top rung with the Glamour Boys in the City Softball race. Last Thursday the Lions pounded the VFW 14-5 behind the pitching of Fred Price. In the second game the Glamour Boys slipped by the Dirt Dobbers 11-9. James Morrison was winning pitcher.

Tuesday's games were - believe it or not - rained out. The cloud that brought from a half to three inches of rain to the area happened right at ball time. The makeup date has not yet been set.

Couch Ben Hawkes, top commissioner of the league, reports that Joe Simpson is now manager of the Lions Club team. Hawkes formerly was manager.

The City Drug and the Dirt Dobbers have pretty well sewed up the Big Six standings this week with the DD's holding four spots, but by being with 360 and the City holding the other two spots.

HUNDLEY IS PASTOR OF ASSEMBLY OF GOD CHURCH

Bro. Eddie Hundley has accepted the pastorate of the Assembly of God Church, replacing Bro. R. Z. Curtis.

Hundley, an evangelist for the past eight years, comes from Memphis, Texas. He and his wife have a one-month old son.

Services Are Held For J. W. Meadows

Services were conducted for John William Meadows Wednesday, July 8, at the Presbyterian Church. Robert Reed, summer pastor of the church, officiated.

Meadows was born in O'Brian County, Tenn., March 11, 1872. He came to Texas in 1890 and moved into the Spur community in 1909. He died on July 6, 1933.

He was converted to the Christian religion early in life and joined the Presbyterian Church. He was also a member of the Knights of Pythias lodge.

The deceased is survived by two nieces, Mrs. Pauline Bourdon and Mrs. Henry Reason; five nephews, Clayton, William, Emmett, Burnett, and Robert Meadows.

Pallbearers were Coy McCann, Rand McNeill, Cleo Rogers, Lewis Williams, Eldon Reynolds and Weldon Reynolds. Honorary pallbearers were John King, Fred Jennings, Roy Stovall, W. K. Walker, D. B. Ince, C. L. Love, L. R. Barrett and Overfelt.

Interment was in the Spur cemetery with Campbell's Funeral chapel in charge of arrangements. Graveside services were conducted by the K.P. lodge.

Homer Hindman Is Named To Succeed Cowan As City Mgr.

Homer Hindman, present manager of the Spur Chamber of Commerce, has been employed by the City of Spur as manager of utilities effective August 1, reports Mayor George Gabriel.

Hindman offered his resignation to the directors of the chamber at a called meeting yesterday. He will succeed James H. Cowan at the city hall, who recently resigned to take a job at Pampa.

Hindman has been manager of the chamber for ten months. He came to Spur from Austin where he had been employed by Sears.

He was selected to succeed Cowan at the regular meeting of the City Commission Monday night.

Following yesterday's called meeting of the directors of the chamber of commerce, D. J. Dyess, president, stated that the directors accepted Hindman's resignation but made no immediate plans to hire another manager.

Dyess added that the directors would possibly have another called meeting soon to further discuss plans for the immediate future.

Two Thefts Reported Over Week End

Two thefts were reported in Spur over the July 4 holiday. A new International pickup was stolen from Edwards-Kelley Implement Company and a gun and other small items were taken from Godfrey's Furniture.

Sheriff Cleo Rogers reports that he believes the same party committed both acts.

The pickup was found early Wednesday morning in the Spur country, seemingly unharmed. Since it had been used as a demonstrator, it could not be determined how far it had been driven.

The thief gained entrance to the building through a window and opened the large door from the inside. Registration tags had been removed from a passenger car and wired to the pickup. The only thing missing when the pickup was found yesterday morning was some tools that had been in the back.

At Godfrey's entrance was a bag made via a window. An over-under 410 and 22 gun and several small knives such as flashlights and items, were taken. Rogers estimated approximately \$70 worth was stolen.

Both cases are still open in the sheriff's department.

Bob Conner Is New President of Rotary

The noon meeting of the Rotary Club Thursday was President's Day. After an invocation by Walter Grubben and the singing led by Dr. Franklin Patrick, C. F. Cook, program chairman, turned the program over to Bob Conner, the new president.

An introduction of the new officers following. They are: Bob Conner, president; Fike Godfrey, vice-president; Mansell Bragg, secretary; Bob Weaver, treasurer; John King, Jr., Sgt. at arms; Carolyn Kelley, sweetheart; Genyree Taylor, associate sweetheart; Fike Godfrey and Dr. Patrick, song leaders.

Next Thursday Cal Farley, president of Boy's Ranch, will speak to the club. Several future programs were announced and Cecil Godfrey's comments about the Bloodmobile and Paul Marlon's thanks for the good past year as president, closed this noon session.

New Subscribers

We welcome the following new and renewal subscribers to the Texas Spur recently.

The expiration date of your paper is indicated opposite your name as printed above. The first figure designates the month and the second figure the year of expiration.

Rain, Wind Hit Area

June Weather Sets Three Heat Records

Rainfall for June was .31 of an inch, which is 2.28 inches below normal for the month. Since October 1, the period during which moisture could have been stored for the 1933 crop year, there has been only 5.13 inches, or 8.32 inches below normal for that period.

For the 12 month period starting July 1, 1932, the total rainfall was 9.62 inches.

The drought period actually started in September of 1931 and only 19.12 inches of rainfall have fallen over that 22-month period, compared with an average of 37.72 inches - 18.10 inches below the 43-year average.

The month of June, 1933, set three records for high temperatures. There were 22 consecutive days with temperatures above 100 degrees and only four days during the month with temperatures below 100 degrees.

The average mean temperature was 85.5 degrees compared with a normal of 78.8 degrees. The average maximum temperature was 103.1 degrees and the 43-year average was 93.4, almost 10 degrees higher each day than the average.

Wind movement was also above average and with a low relative humidity and high temperatures caused above average evaporation.

Stock Feed Available Through PMA For Disaster Counties

The USDA Drought Committee has set up a program to help those in need of feed in those areas declared drought disaster counties, reports William H. Eason, County Office Manager of the Dickens County PMA.

This program is designed to maintain foundation herds and farmers and ranchers are urged to sign up for not more than 30 days supply of feed, states Eason.

Emergency feed will be available to farmers and ranchers by quiring it at \$1 per bushel for corn, \$1.10 per bushel for wheat, \$1.30 per bushel for oats, and \$35 per ton for cotton seed meal or pellets.

All feed is priced for delivery in the county. Eason reports that his office does not at present have any information on hay.

His office has mailed to area stockmen the necessary forms to make application for this relief feed.

John Quattlebaum, county FFA representative, reports that his office has not yet received any new information concerning loans for drought areas.

Odell Griffis, 33, Dies Here Sunday

Odell Griffis, aged 33 died here Sunday, June 28. He had been living in Spur and employed by R. L. Benson for the past two years.

He is survived by his wife, four children, Jerry, Gale, Larry and Dannie, his father, W. T. Griffis of Bearden, eight brothers and seven sisters.

Funeral services were conducted Wednesday at 10:30 a. m. at Falcon.

Services Are Held For Onita Beadle

Services were conducted for Onita Beadle Gibson July 3 at the Assembly of God Church. Bro. E. O. McElroy officiated, assisted by Bro. Eddie Hundley.

Onita Beadle was born January 15, 1920 and died July 2, 1933. She was converted to the Christian religion at the age of 17 and joined the Baptist Church. She was married to George Gibson at Clearmont on August 24, 1940.

She is survived by her husband, her parents, Mr. and Mrs. O. M. Beadle of Girard, three brothers and two sisters.

Pallbearers were Dee Butler, C. D. Foreman, O. D. White, Pace, H. White, Clifford Willis and Vergil Seay.

Interment was in the Spur Cemetery with Chandler Funeral Home in charge of arrangements.

WIND DAMAGES HOSPITAL ROOF; AREA RECEIVES UP TO 3 IN. RAIN

Rain and wind hit the Spur area Tuesday afternoon and evening bringing from a half inch to three inches of rain to area farmers and leaving considerable wind damage.

The wind, believed by some to have been in the form of a mild twister, lifted a portion of the roof off the new Spur Memorial hospital building, carried a M. Karr's garage off and demolished Arner Watson's barn.

The damage at the hospital was limited to the small pent-house affair on the roof of the main structure that housed the air conditioning unit. It covered approximately 600 square feet of area and was completely destroyed, portions of the roof landed on the lower main roof while other parts were blown to the ground. The fact that portions of the roof were picked up and laid on the ground without being turned over led some to believe the wind was twister.

City Manager James H. Cowan reports that no estimate of the damage can be made yet, but

that the city has actually a 3-way protection on the damage. It is covered by insurance, the architect's bond and the roofing company's bond.

Karr claims that his garage was lifted up off his car without scratching the car. The doors were closed at the time of the wind, and again a lifting effect indicated the possibility of a tornado action by the wind. Karr, at the time was in the cellar.

Watson, also located east of town, reports that his best barn was completely destroyed by the wind.

The Texas Agriculture Experiment Station, located west of Spur, recorded only 4 of an inch of rain during the afternoon and night. However, the downtown and east of town areas received considerable more. Farmers east and southeast of town reported from one to three inches.

The rain held the temperature down below the 100 mark for the first time in a week Wednesday when the maximum was 93. The high for the past week was reached last Thursday when the mercury hit 105.

New Wildcat Staked 9 1/2 Mi. East of Spur

Nine and a half miles east of Spur in the south-central portion of Dickens county, Tri-Service Drilling Co., Inc. and others of Midland, have spotted location on which to drill a prospector.

The No. 1 L. A. Grantham, Jr. is projected to 7,500 feet. It will be drilled with rotary tools which are scheduled to begin at once. It is 2 1/2 miles north of the Pacific Western Oil Corp. No. 1 G. F. Smith, shallow Tannehill sand discovery, which was recently completed.

Exact location is 1,980 feet from south and east lines of Section 234, Block 1, H&G N Survey.

Cal Farley To Speak To Lions, Rotarians At Meeting Today

Cal Farley, founder and president of America's First Boy's Ranch at Old Tascosa, near Amarillo, will be the guest speaker at a combined meeting of the Lions and Rotary Clubs Thursday, July 9, at the noon meeting.

The highway is to connect the city of Spur with the Jayton-Pool highway within about five miles of Clearmont either east or west, states Hindman.

Hiway Dept. Makes Surveys To South

The Texas State Highway Department has recently completed a series of three surveys from Spur to the Clearmont area to determine the most logical route for a highway, reports Homer Hindman, manager of the Spur Chamber of Commerce.

Hindman says that surveys have been made south from the Justice south, south from the airport and south from the end of the pavement west of Spur via the lower Red Mud road.

Kent and Dickens county officials are reportedly awaiting a report on the surveys from the state department.

The highway is to connect the city of Spur with the Jayton-Pool highway within about five miles of Clearmont either east or west, states Hindman.

This vacation
no matter which you take,
you're smarter to take
Samsonite Luggage

Samsonite...Flight Proven by Pan American World Airways!
Strong enough to stand on... and to stand up to the abuse of loading and unloading. Taken more clothes in less space!
Train Case, 17.80*

Train coat and dust wipe clean with a damp cloth!
Samsonite's fabulous better-than-leather finish is amazingly soft-resistant to matted bindings daily wear.
Men's Two-Suitor, 25.00*

It's the luggage with the luxury liner look!
Smartly tapered, styled in distinctive fashion colors. Its tongue-in-groove construction keeps dust and moisture out, too.
Pullman, 27.50*

Built to take all the bumps in a bus!
Corners and edges are doubly protected. Grip-fit handles have a steel core. Metal bottom bumpers guard against scratching.
Men's Quick-Traveller, 19.50*

More pieces fit in the rear deck of your car!
Samsonite is scientifically shaped for easier stacking. Luxurious interiors keep clothes wrinkle-free. Perfect for family travel.
Ladies' Wardrobe, 25.00*

*All Prices Plus Existing Tax

You'll see all these handsome Samsonite cases... and more in our Luggage Department—in Colorado Brown, Natural Rawhide Finish, Natural Alligator Finish, Admiral Blue and Saddle Tan. Women's cases also in Bermuda Green.

And best of all, a matched set of TWO pieces of Samsonite costs less than you'd expect to pay for just ONE piece of such fine quality luggage!

Highway Community News . . .

A start has been made on improving community grounds again. A group of men met Monday morning and erected rest rooms.

Mr. and Mrs. Earl Thomson and family went to Azle to visit their daughter, Mrs. Buster Smith. Jerry Thomson stayed there for a visit.

There have been quite a few cases of sore throat in the community this week.

Mr. and Mrs. Leonard Graham of Arkansas visited the Richard Westfalls Friday night. They are to return home this week.

Kelcy Putman, Clark Morgan and Jimmy Hahn went fishing over the week end.

Raymond Powell has been working in McAdoo.

Roy Lee Stanley and family were home over the week end to see about their things.

Mrs. Ely Robinson is visiting in Fort Worth with her daughter, Mrs. Jay Bachelor for a while.

Ray George has been working near Idolou. He was home some this week to see about selling his cattle.

The Highway Rural Neighborhood met Friday night, July 3, for a regular business session. Plans for community improvement were discussed and it was decided that the first job would be to build two new restrooms. \$15 was voted for the boys' baseball equipment. A program was planned for July 16 with a picnic supper and a film as the highlights. The supper is to start at 8 p. m.

Mr. and Mrs. Ike Simmons are taking their daughter-in-law, Mrs. Gordon Simmons, to join her husband in Jacksonville, Florida. He will be stationed there for the next two years.

Mr. and Mrs. Claude Thompson and family of Houston spent a few days with his mother and sisters.

Audrey Brewster, Albert Hollar and D. Dillard attended the 4-H Club Camp at Roaring Springs last week.

Mrs. Gabe Neskorke, Billy and Charles, spent the week end in Wichita Falls visiting her parents.

J. M. Park went to Hobbs, N. M., seeking employment last week.

AFTON Community News

Mr. and Mrs. Carol Heat of Barstow, Calif. visited last week with his brother, Pete Heat and family, and a niece, Mrs. Rex Brown of Floydada.

Burnett Honey made a business trip to Lubbock Monday.

Mr. and Mrs. Biddy Hicks entertained relatives with a fish fry Thursday. Those present were Mr. and Mrs. Alvin Hicks of Roaring Springs, Mr. and Mrs. George Hicks of Hillsboro, Mr. and Mrs. Peyton Left and sons, Mr. and Mrs. Burnett Honey, Mr. and Mrs. J. T. Honey and son, Mr. and Mrs. Hilton Hicks of New Mex., and Mr. and Mrs. Leon Robison of Haskell.

Mr. and Mrs. Buck Purit and Mr. and Mrs. Peyton Legg went to Lubbock Wednesday night to hear Billy Graham speak.

Mrs. Carol Randolph has been ill this week.

Mrs. Hickman has also been very ill this week.

Raymond Hale is visiting Mr. and Mrs. Davis Hale.

Mrs. Burnett Honey and Gaynell Welcher were in Spur shopping Thursday.

Mr. and Mrs. Don Blasingame and Mr. and Mrs. Burnice Burt were in Spur shopping Friday.

Mr. and Mrs. Jim Offield and daughter spent the week end with their daughter in Abilene.

Mr. and Mrs. Vergil Ford of Afton were visiting their daughter, Mrs. Gib Ragland, and Mr. and Mrs. Byron Honey.

Mr. and Mrs. Robert Collier and son of Idalou visited in the home of W. J. Collier and Eva Sunday.

Mr. and Mrs. D. W. Hughes were in Lubbock Tuesday.

CARD OF THANKS
We would like to express our sincere appreciation and gratitude for the many kindnesses shown to us in the recent illness and death of our beloved husband and father. We would especially like to thank the people of the Church of Christ for their deeds of helpfulness. May God and His mercy be with you all.
Mrs. Odell Griffis and children

CARD OF THANKS
We want to thank all of our friends and neighbors for the many gifts and contributions given to us after the recent loss of our home. Our sincerest appreciation and thanks go to all who helped us. May the Lord bless each one of you in our prayer.
Mr. and Mrs. Lee J. Parker

BAPTIST CIRCLES

LOCKETT CIRCLE
The Lockett Circle of the W. M. U. met in the home of Mrs. Henry Gruben on Monday. The meeting was opened with prayer by Mrs. L. W. Langston. Each member present had a scripture verse to read and explain on women of the New Testament. PUNCH was served to the following members attending the meeting: Mrs. Burham, Billberry, Langston, Wellborn, Marie Gruben, Ponder, and the hostess, Mrs. Henry Gruben.

BAGBY CIRCLE
The Bagby Circle met Monday morning with Mrs. T. J. Seale. Miss Jennie Shields led the opening prayer. Mrs. W. M. Hazel reviewed the first chapter of "Women of Destiny In The New Testament". The closing prayer was by Mrs. Shockley.

The members present were Mrs. Adams, Turvan, Francis, Eaton, Bertie James, Hazel, Shockey Morris and Miss Shields.

JUDSON CIRCLE
Mrs. Nora Lahman was hostess to the Judson Circle when it met in a regular meeting Monday. Mrs. Hunter Wilson taught the Bible lesson. Five members were present for this meeting.

BLANCHE GROVES CIRCLE
The Blanche Groves met in the East Annex of the church Monday. The president, Wanda Ruth Steele presided over the business period. The Bible lesson on "Women of Destiny In The New Testament" was taught by Mrs. C. P. Scudder. The ladies attending the meeting were Mrs. Grady Lackey, Randy Clifton, Hughland Welch, Jerry McGeehee and W. B. Steele.

Visiting over the week end in the home of Mrs. Florence Stiles were her brothers, the McClain boys and her sister, Mrs. Howe.

Mrs. Florence Stiles, an early day school teacher in this vicinity, is on an extended visit to the home of her son Dr. Lindley Stiles, head of the Education Dept. at Virginia University.

Mr. and Mrs. Ibaara of California visited her parents, Mr. and Mrs. J. W. Steel and her brother, Mr. and Mrs. W. B. Steele last week. The group also went to Fort Worth and visited J. W. Steele, Mr. and Mrs. Bill Crownover and Mr. and Mrs. John St. cele.

The people who gathered at the home of Mrs. Ella Hale for a visit and family reunion were a grandson, Mr. and Mrs. Raymond Hale of Oceanside, Calif.; Mr. and Mrs. Randolph East, Lovington, N. M.; Mr. and Mrs. Al. Be Hale, Fort Worth; Mr. and Mrs. J. P. Hale, O'Donnell; Mr. and Mrs. Earl Hahn, Girard; Mr. and Mrs. Jackson East, Spur and Mr. and Mrs. Davis Hale of Azle.

Summer, with record breaking heat, arrived thirty days early... and I've been working double hard to help you beat the heat!

... working to keep you and your family comfortable in spite of the abnormal heat... working to keep the food in your refrigerators and home freezers fresh and wholesome... keeping air conditioners, room coolers, and fans running full speed day and night.

Yes, when the temperature soars there's much, much more work for me to do in addition to my regular chores around the home... work that I'm glad to do so long as it's helping you.

Gabriel's

On all these points of comparison...
Chevrolet's farther ahead than ever!

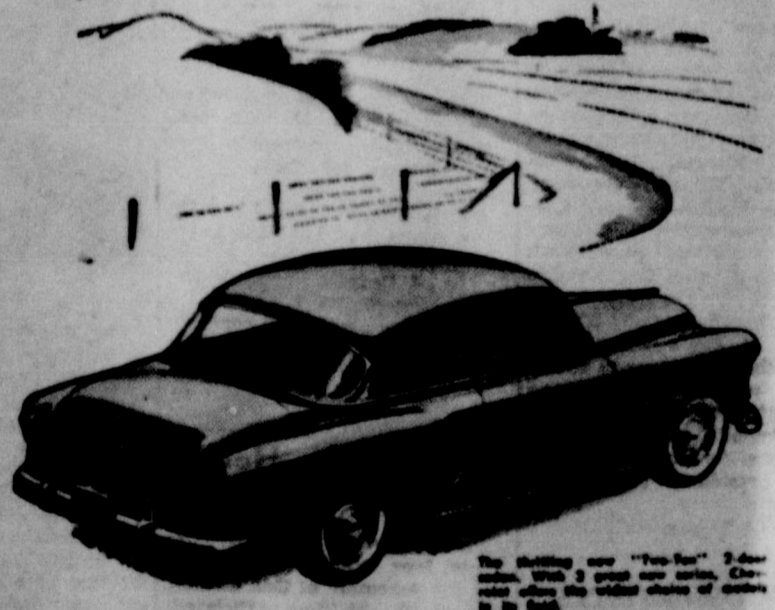

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1938 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrill-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC SERVING—Expect faster getaway with Powerglide's new automatic starting and passing range... and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—in every single pollster you—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 3 million more people now drive Chevrolets than any other make.

F. F. A. Has Silver Jubilee In Ft. Worth

Fort Worth, July 8. Three thousand Texas farm boys will swarm into Fort Worth late this month for the Silver Jubilee convention of Texas Future Farmers of America.

This year's convention, July 22-24, will mark the 25th anniversary of the founding of FFA and a full program of fun, entertainment and general convention activities has been lined up for the youthful farmers.

convention will be a massive downtown FFA parade. The parade, scheduled for Wednesday, July 22, at 2 p. m. will feature FFA boys in all types of conveniences and a moving display of all kinds of farm equipment. Several bands will add to the color and festivities marking the arrival in Fort Worth of the Future Farmers.

The convention as usual, will be marked by the announcement of winners of statewide award. Here the boys will find out who has been picked as Star Lone Star Farmer of Texas, the highest honor which can come to one

of the young men engaged in vocational agriculture in Texas high schools. This announcement will be made at the Lone Star Farmer Banquet in the exhibit building at Will Rogers Memorial Center on Thursday, July 23, at 7 p. m.

Arrangements for the convention are being made in Fort Worth by committees of the Fort Worth Farm and Ranch Club, which is serving as official sponsors. Working closely with these committees are State FFA Advisors Vannoy Stewart and the state officers headed by Joe Dan Boyd of Wincboro, president.

TOMATO BISQUE

The small meal of the day, whether it be lunch or dinner at your house, calls for a nutritious menu, just the same! Soup is an economical way to add food values and fill up empty stomachs, too.

Tomato Soup
 4 cups (1 quart) scalded milk
 1 cup dry bread crumbs
 2 No. 2 cans tomatoes
 1 small onion, chopped
 6 cloves
 1 teaspoon soda
 2 teaspoons sugar
 1/2 cup fortified margarine
 Combine bread crumbs with the scalded milk. Keep warm over low heat. Sauté tomatoes together with onion and cloves for about 15 minutes. Rub tomato mixture through a sieve. Add soda. Combine tomatoes and milk mixture. Add sugar and margarine. Stir until the margarine is melted. Serve at once. This recipe will make six servings.
 For other excellent kitchen-tested recipes write the National Cotton Council, P. O. Box 18, Memphis 1, Tennessee, for your free copy of "Menu Magic with Margarine," an attractive 24-page booklet in two colors.

Sen. Johnson Offers Drought Relief Aid

Senator Lyndon B. Johnson, joined by 14 of his colleagues, including Senator Pyle Daniel, has introduced a bill to authorize immediate aid to farmers and ranchers stricken by drought in Texas and other Southwestern States.

The measure, entitled "The Drought Disaster Relief Act of 1938," would authorize emergency loans in the affected areas. It would grant the President clear authority to rush seed, stock feed, urgently required farm equipment and other needed items to the drought disaster areas. The bill would authorize the appropriation of such sums as may be necessary to carry out the purposes of the Act.

Senator Johnson said he introduced the legislation to clear up any doubt as to the powers of the President to meet the emergency existing in drought-stricken farm areas.

"Unless action can be taken quickly, a whole section of our country is threatened with economic extinction," Senator Johnson said. "The whole nation would feel the effects if the rich agricultural production of the Southwest were eliminated."

The Senator is pressing for quick action on the bill, which was referred to the Senate Committee on Agriculture and Forestry.

CHILDREN HISTORY ON TV

A television feature during National Cotton Week, May 11-16, will bring to tv audiences the story of "The Story of the American Cotton Industry." The 21-year-old apparatus conceived and built from memory the first high-speed cotton mill in the United States in 1790. DePue's "Cavalcade of America" will present the "Cotton story" May 13 on NBC. In this scene from the tv film, young DePue takes time out for lunch with his future bride.

He and his wife moved back to Plainview last month. He is the first person from the High Plains area ever to be named to the State Highway Commission. The appointment runs for six years.

CARE OF TEARFUL

We would like to thank our friends for the many gifts of food, flowers and kind deeds shown to us during the illness and death of our loved one, Oleta Gibson. May God bless each one of you in His own way.

George Gibson and the Beadle family
 Mrs. Jimmy Jones and children and Mrs. Garner made a shopping trip to Lubbock last Friday.

FFA TO MEET JULY 17

The Spur F. F. A. Chapter will have a regular meeting at the swimming pool Friday, July 17, at 8 p. m.

Regular admission charge will be made for the swim. Come and join the fun!
 Mr. and Mrs. O. D. Thompson have returned from California where they visited their son, Don, who is in the navy. They also visited other relatives there before returning to Spur.

Formby Has Office In Plainview Now

Marshall Formby has opened a law office at 416 Skaggs Building in Plainview. In connection with his law office, Formby also is maintaining his State Highway Commissioner Office.

Commissioner Formby was reared at McAdoo, and his parents, Mr. and Mrs. M. C. Formby, still reside there. He served as county judge in Dickens County from 1937 through 1940.

In 1941, while a member of the Texas Senate, he moved to Plainview and bought the Plainview Tribune. He sold this paper in December, 1947 and in recent years has been engaged in the radio station business. He owns KPAN at Hereford, and is co-owner of KFLD in Floydada. He spent four years in the Army, serving with the Engineers. He spent 20 months in the European theatre.

Formby has degrees from Texas Tech and the University of Texas, and attended Baylor Law

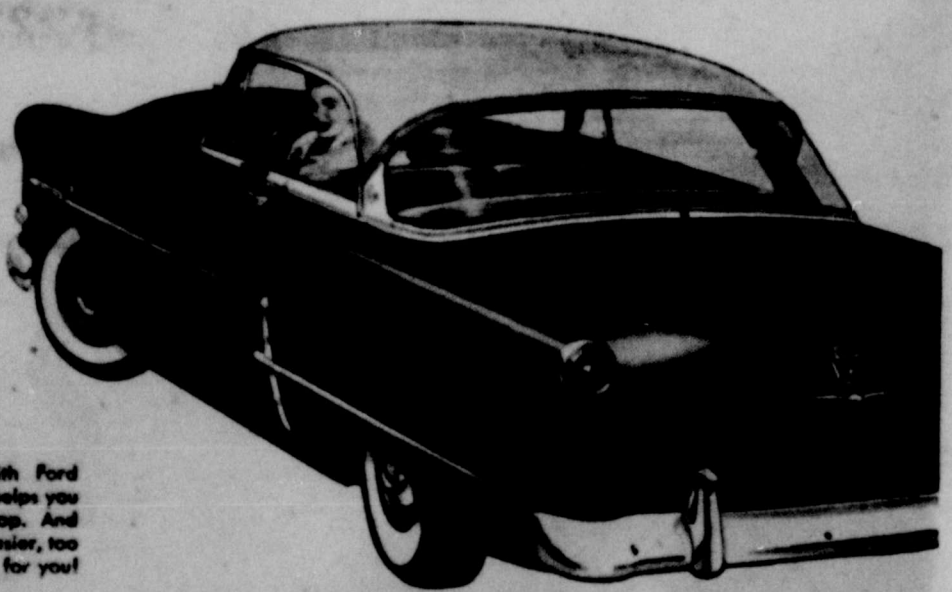

One finger turns the wheels... even when the car is standing still!

Now! Power Steering for as low as \$134⁴⁰

Ford brings you the lowest priced power steering in its field... and the finest in power steering at that!

We all know the advantages of power steering. Most of us would like it. And now many more of us can afford it! By spending testing time and development money, Ford brings you Master-Guide power steering for nearly three quarters the price of any other system in its field. For the facts, read the captions on this page. For a thrill, Test Drive Master-Guide power steering in the Ford!

So simple... So safe! Skidouts become less risky with Ford Master-Guide power steering. It helps you steer to a safe straight-line stop. And power steering helps you park easier, too... does up to 75% of the work for you!

No radical change in driving habits! Unlike many other systems, Ford's system gives you much the same "feel" of handling that you get without power steering. Then, too, you always turn the wheel the same amount as you would with regular steering.

And, because Ford's Master-Guide power steering has a more natural "feel" than many others, you don't have to change your driving habits radically. The steering gear ratio is the same as without power steering and the hydraulic system gives you the right assistance when you need it.

Worth more when you buy it... Worth more when you sell it!

*Suggested delivered price.

Gilmore Family Has First Reunion Sunday

The first annual reunion was held Sunday, July 5, in the Mr. Kenzie State Park for the Gilmore family. Fifty-four persons attended the affair. Some of the relatives had not seen each other in several years. A basket dinner was spread at noon and in the afternoon the children enjoyed swimming, bowling and the amusement center there in the park.

Those attending this gathering were Mr. and Mrs. Aubrey Havens and Leon, Calgary; Mr. and Mrs. Joe Gilmore, Shirley, Gladys and Barbara, Lovington; Shelby Gilmore, Lovington; Myrlene Durham, Lovington; Mr. and Mrs. Tom Gilmore, Post; Mrs. Olan Brooks and Tommie Lou, Lovington; Mr. and Mrs. Odell

Wilson, Wanda, Wanda and Note...
 Mrs. Bill Brooks, Lovington; Mr. and Mrs. Tom Henley, Lubbock; Mr. and Mrs. Joe Latham, Marlon, LaNell, Bob and Tommy Spur; Mr. and Mrs. Charley Martin, Spur; and Albert Latham, Spur.

Plans were made for the next reunion. The day was set for July 4, 1954. A large crowd is expected to attend.

Four men, each desperate in his need, and one girl, scheming for her own, make up the unusual cast of M. G. M.'s Technicolor adventure drama, "The Naked Spur," opening this week at the Palace Theatre. In the raw emotional interplay generated by a human being worth \$15,000-alive or dead-the spur of greed impels each of the five people to violent reaction.

James Stewart, fresh from his hits in "Carbine Williams," "The Greatest Show on Earth" and "Bend of the River," now plays Howard Kemp, a man with one aim in life-to collect the \$15,000 on another man's head.

As a girl among men-capable of fighting them, swaying them, and falling in love with one of them, Janet Leigh appears as Lina Pauch, in an exciting different role for the young star of "Fearless Fagan," "Scaramouche" and "Jet Pilot."

"The Naked Spur" was filmed in the Colorado Rockies near Durango. Location sites, ranging from 9,000 to 14,000 feet in altitude were selected by Director Anthony Mann ("Bend of the River," "Winchester 73") and Producer William H. Wrights ("The People Against O'Hara," "Young Man With Ideas").

Probably no two young writers ever have hit Hollywood with such impact and in so unusual a manner as have Sam Rolfe and Harold Jack Bloom.

Blanton Completes Basic Training

Robert Lee Blanton of Spur is completing his AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland situated near San Antonio, is the world's largest air force base, site of Air Force basic training for men and women, headquarters of the Human Resources Research Center, and home of AF's Officer Candidate School.

His Basic Training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Hooser Completes Recruit Training

Marine Private Prentice E. Hooser, son of Mr. and Mrs. Joseph F. Hooser of Girard, recently completed his recruit training at the Marine Corps Recruit Depot, San Diego, California.

Upon completion of this advanced training, Hooser will be assigned to a Marine unit in the U. S. or aboard, or to a technical training school.

While in recruit training Hooser qualified as a Rifle Sharpshooter.

Mr. and Mrs. W. B. Steele and their children were dinner guests of Mr. and Mrs. J. W. Steele

Pvt. B. G. Swarigen Arrives in Korea

Army Pvt. Billie G. Swarigen, son of Mr. and Mrs. James A. Swarigen, Route 2, Spur, recently arrived in Korea for duty with the 7th Infantry Div.

Before joining Company M of the 31st Regiment, Swarigen received a five day pre-combat course to familiarize him with the best use of weapons and equipment in the rugged Korean terrain.

Private Swarigen is a graduate of Spur High School. The 7th Infantry Division, which made the amphibious landing at Inchon in September 1950, has carried the fight to the Communist in every sector of Korea from the Pusan perimeter to the Yula River.

GMC HOME MAKER PREPARES CAKE

This chic young homemaker checks her "Meas Magic with Margarine" recipe booklet for detailed instructions as she prepares to make Velvety Chocolate Cake. This is an easy, quick-to-make recipe for cake. She has time to prepare it while the rest of her evening meal is cooking! Beginning today in this publication is a series of tempting recipes adopted from this margarine cook book.

ONLY LIGHT-DUTY GMC's for '53 have them - these super-features that pay off in lower running costs and longer life - no matter how hard you use a truck.

GMC builds in Dual-Range Truck Hydra-Matic.* You get 3 engine-saving, fuel-saving speeds for traffic - 4 for the open road. No clutch repairs or replacement. Your engine and drive line are protected from strain. Quicker take-off after every stop.

GMC builds in a 105 H.P. engine with 8.0 to 1 compression. You get as much as 19% more power than other six-cylinder lightweights. You get crisper response - extra punch - and better mileage - all from regular gasoline.

GMC builds in: bigger self-energizing brakes - a roomy "Six-Footer" cab - Synchro-Mesh transmission - recirculating ball-bearing steering action - double-acting shock absorbers - a 45-amp. generator.

What's more, you get all this at a price that makes GMC the greatest buy in the light-duty field. Come on in and make us prove it!

*Standard equipment on Package Delivery model; optional at moderate extra cost on all others.

Get a real truck!

DEPENDABILITY

is the other name for **DODGE!**

Dependable Economy In the 1933 Mobilgas Economy Run, the Dodge V-8 beat all other cars in its class... outperformed all 8's in every price class.

Dependable Power-for-Safety Ten days later, the same Dodge V-8 set 2 new official AAA performance records for standard American cars. Proof of reserve power-for-safety.

Dependable Comfort Dodge Modern Design does away with "meaningless metal" and waste space outside—provides more comfort space than ever inside.

Dependable Handling Ease Dodge for '33 brings you new mastery of the road, new maneuverability in traffic, new parking ease. It snugs down on curves like a true sports car.

Dependable Extra-Value Features Safeguard hydraulic brakes with two brake cylinders in each front wheel... Griflow ride control... Safety-Rim wheels... electric windshield wipers... foam rubber seat cushions... and many others.

Here is our invitation! Come in for a "Road Test Ride." Find out all that Dodge Dependability means in terms of economical power, safety power, riding comfort and handling ease. There is no obligation. You will discover a new kind of car, a new kind of driving enjoyment... at prices that start below many models in the "lowest-priced" field.

TEXAS FOOD GUIDE FOR OLDER PEOPLE TO FOLLOW

The Texas Food Standard is the best guide in selecting food for the whole family, but when older people make up some of the members of the family, more care should be used.

All life long food is needed for the same purpose, the upkeep of the bones and tissues and the repair that goes on continually. When the repair food is skimpy, the repair may be shoddy. Food that supplies the most vitamins and minerals are the ones the older people shun most often. The result is a vitamin deficiency that is hard for the doctor to correct.

For a good days diet the older person need 1 pint to 1 quart of milk, 1 egg, 1 serving of meat, 1 serving of potatoes, 1 serving of green or yellow vegetables, 1 serving of citrus fruits or tomatoes, other servings of fruit, enriched cereal or bread, butter or oleo margarine with Vit. A. and 6 to 8 glasses of water daily.

Stop...shop at the sign of Coke and Food

Put your Ford in "Trip-top" shape

Travelize your Ford now! You'll save time and money.

A vacation trip is one time when you want your Ford in the pink. Travel-wise owners make sure by having their Fords "Travelized." And not at the last minute, either! A week or so before their trip, they get the all-round check-up which their Ford Dealer is so well equipped to perform. Then they know they're driving away in a car which has been given a real "travel-check" by Ford mechanics who have at their disposal the advantages of factory-approved methods and Genuine Ford Parts.

Try this "Travelizing" idea on your own Ford. Let your Ford Dealer go over it point by point, with special attention to the eight under-hood items displayed below. You'll say the peace of mind alone was worth the little time and money it cost you.

Have your Ford "Travel-Checked" by your Ford Dealer

Our Terrible Thirst

If your town doesn't have to worry about its water supply, you're lucky. A lot of towns do.

Trouble is, some communities never dreamed that they might double and triple in size, that new industries would come to town, that citizens would use more water than ever before. We've reached the point where we use about 1100 gallons per person a day in the United States.

Yet why should water be short when 25 times our needs falls from the skies every year?

Unhappily, it doesn't always fall when and where we need it most. Many reservoirs were built with no idea that towns would grow so fast. And 75% of our communities rely on water from lakes and streams. Today many of these are polluted and require treatment before use.

When faced with a shortage, cities suddenly discover to their sorrow that new water sources take time to complete.

For years General Electric has contributed toward development of better and more efficient water-works equipment. This is not so unusual, since motors and other electric equipment are important in water systems, large or small.

Some of the things we've learned about water supply, and the related problem of water pollution, have been put together in motion pictures and booklets, prepared in cooperation with the U. S. Public Health Service. Any town fathers who are interested in what's available can write to General Electric, Room 123-2, Schenectady 5, N. Y.

You can put your confidence in...

GENERAL ELECTRIC

Ever try the lap of Luxury?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

We'd like to spoil you a bit. We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels. What we have in mind is more than just a sampling of the spacious roominess here - and of the cushions that cradle you in opulent and enveloping softness. It's the magnificent luxury of ROADMASTER travel that we'd like you to know... The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflo - and the sheer comfort of its new quiet and infinite smoothness... The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery - making you barely aware of motion, of road irregularities, of stopping and starting... And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWER STEERING. A car with the velvety control of

still finer braking - plus the added convenience of Power Brakes,* if you wish. Surely, you ought to look into this supremely satisfying ROADMASTER for 1953 - and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon? *Optional at extra cost.

CITY DRUG STORE

Mrs. O. D. Thompson, John Bell Gibson, Peggy Reid and Dick Gibson visited relatives in Fort Worth over the week end.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get relief that gives gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the best natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 50c size today. Money back if not satisfied. Mail Order for Book 25c. See back cover, B. V.

PAYS ANNUAL DIVIDEND

LEGAL NOTICE

TO WILLIE YOUNG, defendant in the hereinafter styled and numbered cause:

YOU ARE HEREBY COMMANDED to appear before the District Court of Dickens County, Texas, to be held at the courthouse of said county in the town of Dickens, Dickens County, Texas at or before 10 o'clock A. M. of the first Monday after expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M. of Monday the 14th day of August, 1953 by filing a written answer to the petition of Lucy Young, plaintiff in Cause No. 2254 and styled Lucy Young, plaintiff VS Willie Young, defendant, wherein the said Lucy Young is plaintiff and the said Willie Young is defendant, the petition in said cause having been filed in said court on June 23, 1953, and the nature of said suit is as follows:

Same being a suit for divorce on the grounds of cruel treatment.

If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

ISSUED and given under my hand and the seal of said court at Dickens, Texas, this 23rd day of June, 1953.

FRED ARRINGTON
CLERK OF THE DISTRICT COURT, DICKENS COUNTY TEXAS. 35-4tc

Menu Magic

DUTCH APPLE CAKE

This recipe makes a versatile cake, one that will fill many menu needs or serve as an extra in the daily diet. Dutch Apple Cake will make a hit with those who like something sweet for breakfast.

Dutch Apple Cake

1/2 cup fortified margarine
1/2 cup brown sugar
1 teaspoon cinnamon
2 tablespoons milk
2 baking apples, peeled and sliced thin
2 cups sifted enriched flour
2 teaspoons baking powder
2 tablespoons white sugar
1/2 teaspoon salt
1/2 cup fortified margarine
1 egg
1/2 cup milk

Melt 1/2 cup margarine and add brown sugar, cinnamon and 1 tablespoon milk. Pour into a 9-inch layer pan or 9-inch square pan. Arrange sliced apples in brown sugar mixture. Sift together flour, baking powder, sugar and salt. Cut in 1/2 cup margarine as for biscuits. Combine egg with 1/2 cup milk and add to flour mixture. Stir only until flour disappears. Spread dough carefully over apples. Bake in a 350 degree oven for 45 to 50 minutes.

For other excellent kitchen-tested recipes, write the National Cotton Council, P. O. Box 15, Memphis 1, Tennessee, for your free copy of "Menu Magic with Margarine," an attractive 24-page booklet in two parts.

NOTICE TO BIDDERS

The Spur Independent School District has three buses for sale. Bids for them will be opened on July 13 at 8 o'clock p. m. at the Gibson Insurance Agency. They are described as follows:

Bus No. 3 - 1942 model Chev. rolet bus license no. XB-3338. Body size 48 passengers. Engine no. BG-73712. Body Type Superior.

Bus No. 6 - 1946 Ford V8 Bus. License no. 3 XB-3341. Body size 36 passengers. Engine no. 6997. 1184173. Body Type-Superior.

Bus No. 5 - 1946 Ford V8 Bus. License no. XB-3340. Body size 48 passengers. Engine no. 699711. 11522. Body Type-Superior.

The Texas Education Dept. requires that these buses be advertised for sale and the school reserves the right to accept or reject any bids submitted for the best interest of the school. The equipment must be removed from the school premises by the successful bidder within 30 days from date the award is made.
