Chamber of Commerce Doing... SPUR TO BE FEATURED ON TV; COUNTY GINNING HITS 611 BALES

By Homer Hindman, Mgr.
Spur will soon have some more good publicity. On Tuesday night, Oct. 5, Spur will be on the KDU-TV "Personality Puzzle". There will be two men from Spur on the panel and two from Lubbock.

Spur will have Joe Long and J. Fike Godfrey, who have been selected to name the mystery personality from Spur. The entire KDU-TV studio will be reserved for the citizens of Spur. We would like to see and urge everyone who can to attend this great show and see just how good these two men are on clues of the mystery man.

We would like to call your attention to the things the chambers of commerce all over the nation are doing, and that is the World Neighbors program. This is a new organization and it is doing a wonderful job everywhere it is organized. We have a Dickens county chapter here and it is the only rural chapter in the world. This county needs enough members at \$1.00 a month to help pay for a qualified young man for the extension work either in India or the Philippines.

Dr. Bill Harmon, with the World Neighbors, will be on KSXL Sunday morning, Oct. 3, from 9:45 to 10:15 to bring you a message as to what the World Neighbors are doing for our country. Those of you who heard him in Spur a short time ago, I'm sure realize the benefit of this organization.

The cotton is coming in a little faster, although we need more pickers to get the cotton out as quickly as possible.

Spur has ginned 361 bales and the county has ginned 611 bales. We have ginned almost as much so far as we did all last year in the county. We are still sticking with our prediction of better

Miss Kelley, Bureau Members Attend Lubbock Meeting

Miss Kathleen Kelley, Dickens County Farm Bureau Queen, competed with 12 other county queens in Lubbock last Saturday for district queen honors. Named district queen was Miss Bernice Stephens of Lubbock county, and alternate was Margaret Avran of Castro county.

Hub King, Dist. 2 State Director of Farm Bureau, opened the all-day district meeting at 10 a. m. Principal speakers during the day were C. H. Devaney, state Farm Bureau vice-president, Mr. Allison, head of the livestock division of the national Farm Bureau, and Congressman Geo. Mahon.

Gene Leach, district field man for Farm Bureau, served as master of ceremonies for the queen contest Saturday night.

Attending the meeting from Dickens county were C. W. Nickels, president of the Dickens County Farm Bureau; Lawton Harvey, Mr. and Mrs. O. L. Kelley, Mr. and Mrs. Bud Smiley, and Mrs. F. F. Henry. Nickels reports that the large ball room of the Lubbock Hotel was filled to capacity for the queen contest. He also stated that the local organization is mighty proud of Kathleen Kelley for so aptly representing the county in the contest.

HD Clubs To Sponsor Chest X-Ray Unit

A meeting of representatives of the Dickens County Home Demonstration Clubs with a member of the State Health Department is scheduled for this morning, Thursday, at Dickens.

The HD clubs are making plans to sponsor the return of the chest x-ray mobile unit to Dickens county in the near future.

Faye McArthur will be in charge of the meeting.

Others planning to attend the meeting are J. Fike Godfrey, member of the Spur Memorial Hospital board; Edward Suddeth, administrator of the Spur Memorial Hospital; and Dr. J. F. Wiggins, city health officer and member of the medical staff of the Spur Memorial Hospital.

than 12,000 bales this week. Fall business is off to a slow start, but we hope it will soon get into full swing as more cotton leaves the fields.

Possibly next year we won't have to depend entirely on rain to make a crop. Your chamber of commerce has been working with the Board of Water Engineers at Austin trying to get a water proved district for this county.

If we succeed the farmers will be eligible for irrigation well loans on a long-term basis. We assure you we are doing everything in our power to get this as soon as possible.

Don't forget the Spur Bulldogs, Friday night at Jones Stadium. And please be present Thursday night for the Pep Rally to show the boys that we are behind them.

Congratulations to the Dickens County Sheriff's Posse Palmetto Polo team for beating the San Angelo club who had been undefeated until Saturday night.

Co. World Neighbors To Sponsor Project

In a recent letter from Dr. John L. Peters, executive vice-president of World Neighbors, Inc. to Mrs. O. J. Barron, Jr., the local chapter of this organization was given an opportunity to sponsor a project.

This project would be the support of an extension worker by paying his salary of \$100 per month. The worker would be placed with one of the overseas units in Egypt, India or the Philippine Islands.

Dr. Peters stated that a worker is needed on the island of Mindanao in the Philippines and the worker sponsored by the Dickens county chapter would probably be placed there.

At present there are 32 members in the chapter and a drive is being made to get 100 who will pledge \$1.00 per month to support this project.

Through the efforts of the Dickens county chapter, a chapter has been organized in Amarillo, and now Hereford, Wichita Falls and Lubbock have shown an interest in starting chapters.

Officers of the Dickens county chapter are J. R. McNeill, president; Mrs. Barron, vice-president; Mrs. Malcolm Brannen, secretary; Mrs. Clarke Forbis, treasurer; and Mrs. W. C. Frub, assistant treasurer.

Committee chairman are Jim Barron, education and extension; Robert McAttee, finance; Guy Karr, membership; Paul Marion, publicity; and D. Malcolm Brannen, nominating.

Other members are Clarke Forbis of Afton, Mr. and Mrs. T. C. Flemmons of McAdoo, Mr. and Mrs. Mac Brannen of Galveston, W. C. Bearden, W. F. Gilbert, John King, Jr., Jim Humphreys, Charles Moore, Jerry Ensey, Joe Long, Mrs. J. C. McNeill, Miss Willie Hampton, and Mmes. J. R. McNeill, Robert McAttee, W. F. Gilbert, P. T. Marion, Clyde Bearden, John King, Jr., Jim Humphreys, Vernon Britton and Charles Moore.

If your name does not appear on this list and you are a member please give this information to the secretary, Mrs. Malcolm Brannen.

Girard Cardinals Upset Peacock 32-8

Last Thursday night the Girard Cardinals defeated the Peacock Peafowls on the Peafowl field with an overwhelming score of 32-8.

Sil Godfrey made the only Peafowl touchdown and the team managed to kick the extra 2 points. Three of the Cardinal touchdowns were made by Alfred Timo, Tommy Dean Gallagher and H. T. Stansland accounted for one touchdown each. Sandon Sherer kicked the Cardinals extra points.

The Cardinals will meet the Dickens Colts, Thursday, September 23, 8:00 p. m. on the Cardinal grid-iron.

Admission will be 25c and 50c.

Mr. and Mrs. Robert Lewis had as their guest the past week their son who is on a two week leave. His ship, the USS Oriskany, is now at dock at San Francisco, Calif.

Patton Springs Beats Harold By 35-24

The Patton Springs Rangers journeyed to Harold Friday night to win another game by a score of 35 to 24.

Harold kicked off to the Rangers at 8:00 p. m. In the first quarter Harold made one touchdown and Patton Springs ran one touchdown with Stokes kicking the extra point.

In the 2nd quarter, Young of Patton Springs, tackled a Harold man behind the goal line giving the Rangers two points. Patton Springs made one touchdown and Harold two touchdowns. The score at the half was 16 to 18 with Patton Springs trailing.

In the third and final quarters, three touchdowns were made by Patton Springs and Harold scored one touchdown, leaving the final score at 35 to 24.

Scoring for Patton Springs: Goodwin, 5 touchdowns; Lewis Young, a safety; and Stokes, three extra points.

Patton Springs, next game will be with Guthrie at Patton Springs, Thursday, September 23, at 8:00 p. m.

Curtis Blair, Quarterback for Eastern New Mexico University, was one of the freshmen to see action in the game against the Southwestern team of Oklahoma on Saturday, Sept. 18. The former Spur star scored two touchdowns and was lauded by both fans and coaches as the outstanding freshman of the game.

Spur Youths Are In Car Accident

Lawrence Cook, son of Mr. and Mrs. C. F. Cook, and Jackie Cloude, son of Dr. and Mrs. O. R. Cloude, were slightly injured when the car in which they were riding overturned about 6 miles west of Benjamin, Sunday evening. The mishap was caused by a blowout on one of the rear tires.

Of the six boys in the car only one was seriously hurt. He is Frank Reeves of Fort Worth with a broken collar bone.

All the boys attend Texas Tech and were returning from the A.M. and Tech football game at Waco.

Spur Bulldogs Will Clash Here Fri. Night

With two snappy wins over close-by neighbors under their collars, the Spur Bulldogs will get down to more serious business here tomorrow night when the Big Winds from Floydada hit town.

Although Spur and Floydada are no longer in the same district, the annual tussle seems to however, the Bulldogs are expected to reveal more of the of razzle-dazzle in an effort to upset the team that experts pick as among the state's top AA teams.

Tickets for the Floydada game will be on sale at Mrs. Horace Gibson's office Friday.

Floydada sports a big, experienced squad, with over a dozen senior boys. They have soundly whipped their first two opponents this season and will be coming down to Spur not expecting to get them that record smothered by plays to drag off the injured Sherbert for Supper.

Up at Ralls last Friday the Bulldogs romped to an easy win over the jackrabbits in a really rough-and-tumble spectacle. The only serious injury was received by Spur's Bobby Thomason. He was taken from the game to the Crosbyton hospital with a broken leg. A Jackrabbit who will well remember the night is James Sherbert. The flashy back accounted for most of Ralls' yardage but took a beating doing it.

Spur's George McAttee accounted for 21 Spur points, with three TD's and three conversions. Other Bulldog scorers were Boyce Rankin and Alton Williams.

Miss Sallie Harrington, 60 Year Resident, Dies Here Friday

Mrs. Sallie Matilda Harrington, known as Aunt Sallie to most residents of Dickens county, died Friday, Sept. 17, 1954, after an extended illness.

She was born in Ocala, Ill., April 4, 1872, and at the age of six moved to Texas. She had lived in Dickens county for the past 60 years.

She married Johnnie Harrington March 11, 1887, at Fargo, Texas. She was a member of the First Christian Church.

Funeral services were held Sunday, Sept. 19, at the First Christian Church with Rev. R. C. Brown officiating. He was assisted by Rev. John Floyd.

Palbearers were Dick Sampson, Horace Hyatt, G. W. Grimes, O. C. Arthur, Harry Ellis and J. B. Morrison, Jr.

She is survived by four children: Mrs. Lizzie Morgan, Spur, Mrs. T. H. Harrell, Colorado Springs, Colo., Burl Harrington, Hobbs, N. M., and Orla Harrington, Van Horn, Tex.; four brothers, Frank Stafford, Shamrock, Tex., George Stafford, California, T. E. and O. M. Stafford, Vernon, Tex.; two sisters, Jennie Coffey, Vernon, and Essie Edwards, Clovis, N. M.; eight grandchildren and ten great grandchildren.

Chandler Funeral Home was in charge of arrangements.

Miss Dean Reagan was admitted to the Crosbyton hospital Friday evening, Sept. 17, for a slight attack of chronic appendicitis. She was released Saturday morning.

"Egad, What A Cad" To Star Williams, Ball, Walker Oct. 1

When Lester Ball, as Constant Hope, gets to the line "Oh, cease my fluttering heart!", those attending the Lions production of "Egad, What A Cad" will get their full money's worth.

And then in addition, they'll get to join in the boozing of the villain, Hertram Olander, played by Alfred Walker, when he comes through with dramatic lines such as "Godzooks! the plot stickens!"—not to mention the rash antics of the manly hero, Manly Rash, played by Royce Williams.

Tickets are now on sale by the Lions for this hilarious one act meller drama to be presented Oct. 1 at 8 p. m. in the East Ward auditorium.

To wind out the complete program for the evening's entertainment will be musical numbers, "I've Got a Secret", and a film on the Texas Lions camp for crippled children.

A door prize bedroom suite will be given away during the program. Tickets are \$1 for adults and 25c for children. Net proceeds from the show will go to the camp and to support local Lions Club projects.

Posse Places Second At Paducah; Beats Tom Green Posse

Last Friday 17 members of the Dickens County Sheriff's Posse rode in the parade at the Cottle-King County Rodeo and Horse Show to bring home the second place trophy. First place was won by the Santa Rosa Palmetto Club with 15 pairs of matched horses. The Slaton Rangers won third.

And then Saturday at Colorado City the posse's Palmetto Polo team tromped the Tom Green Posse 24-2. According to Everett McArthur the Tom Green team was "game but green". It was their first defeat since adopting the new cowboy-type polo.

McArthur reports that only six Dickens county men played and led at the end of the third chucker 20-1.

In another game the same night the 3-R team defeated the Ideal Riders 14-5.

Watching the two games were W. R. Watt and Doug Mitchell, officials of the Fort Worth Exhibition and Fair Stock Show.

Mr. and Mrs. A. M. Karr left Thursday, Sept. 16, for Albertville, Ala. to visit relatives.

SPUR SCHOOL SUPT. MAKES REPORT PUBLIC

This week is the fourth full week of school. We have had very few complaints so far. We are very anxious for the parents to keep us informed. To do this we must have complaints and suggestions.

We appreciate the cooperation we are receiving from everyone in our community. The new teachers are pleased with the way they are being accepted, both by the students and the parents.

We are getting our classes and school organizations organized as fast as possible. Mr. Bob Nunley is being very cautious as he is new here in our school and he wants to be right in all his undertakings. I think this is a smart idea and I am very well pleased with his program. He is doing a very fine job.

We are changing our grading system in the 4th, 5th and 6th grades from the S and U system to the A, B, C, D, and F. I hope this will be accepted by the parents.

Our enrollment is still increasing, which is good. We know that some of our grades or rooms will be crowded but this we cannot help, as our number of teachers are employed in accordance to our average daily attendance last year. You can do something about it for next year by seeing that your children come to school each day.

Our band, pep squad and football teams are doing a fine job and we hope we shall receive everyone's support.

Thanks, C. F. COOK

Spur Roping Club, Jayton To Meet

The Spur Roping Club will meet the Jayton team at the Spur Roping Arena on Saturday night, Sept. 25 at 7:30 p. m. Each town will enter a six-man team.

Following the main event will be a jackpot roping.

A jackpot roping scheduled for Saturday, October 2 at 7:30 p. m. was also announced. All ropers are invited to participate in the tie-down roping and the ribbon roping. There will also be a girls' jackpot barrel race.

The events will take place in the Spur Roping Arena and stock will be furnished by the Spur Roping Club.

HD COUNCIL TO MEET TUESDAY AT DICKENS

The home demonstration council of Dickens Co. Home Demonstration Clubs will meet Tuesday, September 28 at Dickens.

A principal item of business will be the making of plans for the tailoring school. The date for the school is to be sometime in October rather than January due to the discontinuation of the home demonstration agency in Dickens county.

Excess Cotton Destroyed, Not Just Plowed Up

Many farmers in the county believe that by plowing up their cotton they are in compliance, reports the local ASC office.

This is so only if the cotton itself is destroyed, as the notices sent out by the ASC office state that the cotton must be destroyed or disposed of. If the cotton is allowed to lay on top of the ground and mature for harvest, and is harvested, then the marketing quota program for that farmer declares him ineligible and out of compliance, the report concludes.

Court Fires Ag. Agent, HD Agent, Co. Trapper

CO. JUDGE GIVES LACK OF FUNDS AS REASON FOR STARTLING ACTION

The Dickens County Commissioners Court laid off the county agricultural agent, the home demonstration agent and the county trapper at its regular session in Dickens on Sept. 13. The action is to be effective Oct. 31.

Giving the lack of funds as the reason for the drastic action, the court reports that the county's budget is set up on 100% tax collection and only 78% has been collected.

Various reactions have been reported from over the county, ranging from sheer bewilderment to open defiance. The opinion has been expressed by both businessman and farmer that "there is a lot the county can do without easier than it can do without the county agent".

According to Judge W. H. Hindman, the county agent is receiving from the county an annual salary of \$2,100. The HD agent receives \$1,800 and the trapper \$2,200. The commissioners receive \$150 per month plus \$75 per month travel pay. The monthly payroll of the county is approximately \$3,000.

Unverified reports say that a special meeting of farmers and the commissioners court will be held in the near future to reopen the matter.

Rotary Club Fetes Teachers, Officials Of Spur Schools

The Spur Rotary Club entertained school teachers and officials of Spur Independent Schools at a watermelon feast held at the Spur High School, Thursday evening, Sept. 16.

Fike Godfrey introduced special guests present for the occasion, including Mr. and Mrs. H. L. Huey of Afton, Mr. and Mrs. Raymond Powell, representing the county school board, Robert Williams, county school superintendent, and members of the local school board, Rotary Ann and wives of teachers and officials were also guests.

Rev. and Mrs. Cal Wright were introduced as new members.

Cecil Green led the group in singing. Dr. W. O. Beazley, assistant to the president of Hardin-Simmons University, was guest speaker for the evening.

Jodie Conaway Wins Soil Conservation Essay Contest Here

Jodie Conaway, Dickens High School student, has been named winner of the Soil Conservation Essay Contest sponsored by the Dutch Creek Soil Conservation Service in connection with the observance of Soil Conservation Week Sept. 12-18.

Numerous students over the county entered the contest in the four high schools. School faculty members selected the top essay from each school, and then the top four were judged by Homer Taff, area conservationist, SCS, Lubbock, and his staff.

The four school winners received pen and pencil sets as prizes from Ricks Motor Co. and Edwards-Kelley Imp. Co. Jodie will receive a cash award from the Texas Spur for the county winner.

All four essays were included in the special Soil Conservation edition last week.

The judges reported that all essays submitted were exceptionally good, which made placing them a difficult job. Jodie's essay was placed first for its better arrangement and better overall information concerning conservation.

Carol Teague of McAdoo was named as runner-up with her essay showing best original thinking and stressing the importance of conservation to several walks of life.

Gulf announces a completely new and different gasoline!

Now—Gulf refines out the "dirty-burning tail-end" of gasoline—the No. 1 trouble-maker in high-compression engines. Result: a cleaner-burning super-fuel that gives you thousands of extra miles of full engine power... free from knock or pre-ignition.

Proof: Instead of trying to fight trouble-making deposits with so-called "miracle-additives"—inside your engine—Gulf believes in preventing them from forming in the first place. That's why Gulf, in making new Super-Refined NO-NOX, refines out the carbon-forming, "dirty-burning tail-end"—more than a cupful in every gallon. Look at the plates the Gulf scientist is holding in the unretouched photo above and see what a difference Gulf super refining makes!

Starting with your first tankful, this new, super-refined, super-powered fuel will give you these immediate and lasting benefits:

- More complete engine protection than so-called "miracle-additive" gasolines. See laboratory test proof at left.
- Extra gas mileage in the kind of short-trip, stop-and-go driving motorists do most.
- No knock, no pre-ignition. Because the anti-knock power of new Gulf NO-NOX has been stepped up to an all-time high.
- Stall-proof smoothness—no more worries about carburetor icing in chilly weather, or vapor lock on warm days. Instant starts, too—and fast, fuel-saving warm-up.

That's why new Super-Refined Gulf NO-NOX gives your engine more power-with-protection than you've ever known. See proof below...

Road tests show: New Gulf No-Nox actually makes cars perform better than new... even after 15,000 miles!
 Under all conditions—Gulf test cars showed: Higher-than-new horsepower! Better-than-new on gasoline mileage! And not a single trace of carbon knock or pre-ignition at any time.

Put your money on a winner!

Whatever your goal... comfort, fine fit, style or economy... you'll score every time with City Club Shoes. Come in for a try-on soon!

When the army insisted Alan Ladd take basic paratrooper training before it would approve his playing the art of a sky-leaping commando in Columbia Pictures' "Paratrooper," now in color by Technicolor at the Palace Theatre Ladd had a chance to practice a few film combat tricks on men skilled in the real thing. Some of them worked. One of these, included in the picture, shows how Columbia's veteran of some 40 fighting pictures surprises a veteran sergeant of some 40 battles who should have known better.

But that does not mean Ladd wasn't put through the rugged army mill to make him a real commando in "Paratrooper," a story of paratrooper action in which he is co-starred with Leo Genn and romanced by dynamic new British beauty, Susan Stephen, who makes her American screen debut. For two weeks, "Private" Ladd raced over the 400-yard obstacle course walking tight ropes over ravines, swinging over streams, crawling through barbed wire barrels, climbing careening walls, leaping from high places and mastering a score more obstacles to win the right to pass on to

"Operation Backbreaker." "Operation Backbreaker" intensified his prior elementary training with the addition of machine-gun fire—at him, not from him—charged wire, exploding foxholes, all at double-time while carrying full commando gear.

"Paratrooper" adds a dozen new weapons to the many Ladd has welded in his career as the screen's toughest fighting star. Called upon to surprise an enemy radar station and to seize a strategic airfield, he runs through the gamut of paratrooper arms while facing everything land troops can hurl at him, from tank shells to land mines.

Ladd first achieved stardom in "This Gun for Hire," in one of those roles actors dream about—a role so ruthless and brutal it shocked audiences into recognition of the actor playing it. "The Glass Key" followed immediately and, since then, he has covered the globe in pictures like "Two Years Before The Mast," "O.S.S.," "Thunder in The East," and "Shane." Now in "Paratrooper," Ladd adds a breathtaking new dimension to his screen career with sweeping parachute action that telescopes continents down to hand-to-hand combat size.

The 1917 Study Club met Tuesday afternoon at 3 o'clock at the home of Mrs. Thurman Morrow with the new club president, Mrs. R. E. Dickson presiding.

During the business meeting Mrs. Malcolm Brannen gave a report from Dr. G. Stensland of Texas Tech stating that Spur is eligible for a sub-grant from the Ford Foundation to conduct adult education. The 1917 Study Club introduced Mrs. Brannen to apply for such a grant. Plans have been made for a study group to meet in the evening.

An education committee was appointed by the president composed of Mrs. Clark Forbis, Mrs. Nell Davis and Mrs. Fred C. Hale of the 1917 Study Club and Mrs. Brannen and Mrs. Reese McNeill from the evening

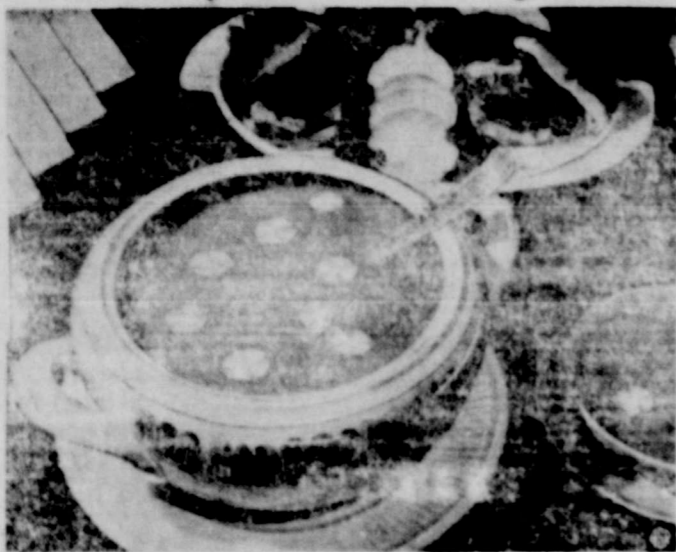

study group. Mrs. Brannen talked by telephone to Dr. Stensland on Wednesday morning and he expressed pleasure that the education committee was at work. He will be in Spur in early October to meet with the study groups. Mrs. Brannen stated that a long-playing record player will be purchased for the different study groups.

Mrs. Davis gave the highlights of history of federation at the afternoon program.

There were nine members present with Mrs. Frank Ragland of Roaring Springs attending as a guest.

Mr. and Mrs. Jerry Ensey, Ronnie and Rickey visited in Waco Saturday with their son, Mr. and Mrs. Robert Ensey Robert in enrolled at Baylor University.

Story Of The Two 'Bigs'

Not once upon a time, but right now, the two "bigs," big bowls of soup and big satisfying sandwiches are ready to play the leading role for family-pleasing meals.

There's no end to the variety possible with the many kinds of convenient canned soups available, served plain or in interesting combinations. Crunchy or hearty tubs also make "new" soups.

Sandwich hearties from the canned foods shelf will give you lots of ideas. Here are two starters.

Denver Style Tunaburgers

- 3 eggs
- 1 can (6 oz.) flaked tuna
- 2 tablespoons chopped green pepper
- 2 tablespoons chopped onion
- 1/2 teaspoon salt
- Dash pepper

Beat eggs and mix with remaining ingredients. Cook spoonfuls on a greased hot griddle or skillet. Serve in buns or on bread with catsup or chili sauce. Makes six sandwiches.

Broiler Beef Sandwiches

- 1 can (12-oz.) roast beef, or luncheon meat
- 8 slices rye bread
- Mayonnaise
- 1/4 cup catsup
- Prepared mustard
- 2 medium size tomatoes

Chill and slice meat. Spread bread lightly with mayonnaise, and toast in broiler. Turn and put meat on 4 of them. Spread catsup and mustard on remaining slices and top with thinly sliced peeled tomato. Broil until beef and tomato are hot. Put sandwiches together and serve hot. Makes four sandwiches.

Delta Kappa Gamma Has Initial Meeting At Ralls, Saturday

Mrs. Betty Mae Wells, incoming president of Delta Kappa Gamma, a professional society for women educators, was hostess to 13 members of the organization in her home in Ralls, Saturday.

Mrs. Audrey Heard, Ralls, made final checks with the group for the yearbook and program for the year. Such matters, as aims, worthy projects and meeting places, were settled. Two projects from last year's program were retained: aid to Girls Town, USA, and a Future Teacher organization in every county included in the chapter area.

Four meetings were scheduled for Ralls and others in Spur, Patton Springs and Paducah.

For travel, Mrs. Deva King,

Hoaring Springs, reported a tour which extended to Mexico City for two weeks; Mrs. Emma Gene Jackson, Ralls, told of a summer trip East which included Washington, D. C., and New York City; Mrs. S. M. Jolly, Paducah, vacationed in Colorado with her husband; Miss Della Cowans, Paducah, visited in Albuquerque; and Mrs. Clifford Graves, Paducah, visited in Dallas, seeing Grand Opera in May and Cinerama later.

For study, Mrs. J. B. Bell, Ralls, completed work for the master's degree, and Miss Katherine Simmons, Paducah, studied German for advanced requirements.

A call meeting to hear a report on the national convention of Delta Kappa Gamma, which was announced for October 2 in Ralls. Hostesses will be Miss Eula Whitaker and Mrs. E. B. Blumberg.

The annual Regional will be

Mrs. C. P. Harris Honored At Tea

Mrs. Charley P. Harris was honored with a pink and blue seated tea Thursday afternoon, Sept. 16, at the home of Mrs. J. L. Williamson.

Guests were welcomed by Mrs. Williamson.

Individual plates of cookies and fruit punch were served to the guests by Mrs. Tommy McArthur and Mrs. Ess Butler. Plate favors were miniature diapers.

Gifts were presented to the honoree in the hostess gift which was a blue and white bassinet with stand.

Hostesses for the occasion were Misses McArthur, Doyle Fry, Frances Fuqua, Butler and Williams.

Ninety-five guests called and sent gifts.

Mrs. Hobert Lewis Is Hostess For Leota Ensey Circle

The Leota Ensey Circle of the W.S.C.S. of the Methodist Church met in the home of Mrs. Hobert Lewis, September 13 for the first meeting of the new conference year.

After a brief business session, Mrs. C. H. McCully opened the program with a devotional. The theme was "The City Lights and Shadows."

The topics discussed were "Witness of the Methodist Women" by Mrs. W. F. Gilbert and "Who Is Our Neighbor?" by Mrs. J. C. Payne. The program was closed with a benediction.

Refreshments were served by the hostess.

ADULT HOMEMAKING CLASS MEETING AT AFTON

The Patton Springs adult class met in the homemaking department at 2:30 p. m. to decide the date and time for future meetings. Meeting dates will be the second and fourth Tuesday of each month.

The program for the year will include making Christmas cards, candies, cookies, cakes and frostings; wood carving and clothing construction; and phases of landscaping, if conditions permit.

Those present were Mrs. Sam Porter, Mrs. Ray Bateman, Mrs. N. H. Young, Mrs. Buck Partridge, Mrs. McEnroe, Mrs. Clark Fortis, Mrs. Buck Pruitt, Mrs. Curtis Goodwin.

SUNDAY SCHOOL CLASS MEETING AT BATTLES HOME

The Extension Sunday School class of the First Baptist Church met at 9 o'clock on Sunday in the home of Mr. and Mrs. Sam Battles with 15 present.

The group was called to worship with prayer led by Mrs. Bertie James. A devotional was given by Joe Bruce Long who also sang a vocal solo.

The lesson was taught by Mrs. Tom Cooper and the group was dismissed with prayer by Mrs. Battles.

The service was in charge of Roscoe McCombs.

No-Bake Cheese Cake A Taste Wonder

Effortless, and excellent this no-bake cheese cake wins dessert honors. The smoothness of the fever-proof refrigerator cake results from a custard base, cream-style cottage cheese and whipped cream. Then a flavored gelatine magically binds all the ingredients together and assures a delicate firmness. Cookie crumbs make the topping.

No-Bake Cheese Cake (Party Size 10-12 servings)

2 cups melted butter
1 1/2 cups sugar
1/2 cup chocolate crinkle crumbs
1/2 cup graham cracker crumbs
1/2 cup vanilla
1/2 cup graham cracker crumbs
1/2 cup graham cracker crumbs
1/2 cup graham cracker crumbs
1/2 cup graham cracker crumbs

Mix together gelatine, 3/4 cup of the sugar and salt in top of double boiler. Beat together egg yolks and milk; add to gelatine mixture. Cook over boiling water, stirring constantly, until gelatine dissolves and mixture thickens, about 10 minutes. Remove from heat; add lemon rind; cool. Stir in sieved cottage cheese, lemon juice and vanilla. Chill, stirring occasionally, until mixture mounds slightly when dropped from a spoon. Beat egg whites until stiff, but not dry. Gradually add remaining 3/4 cup sugar and beat until very stiff. Fold into gelatine-cheese mixture with whipped cream. Turn into prepared pan; chill until firm.

Use 1/2 gelatine recipe but full amount cream mixture in an 8-inch round pan or 9-inch.

Steve Seudder Has Birthday Party

Steve Seudder was honored by a party on his 8th birthday, Tuesday, September 21, in the home of Mrs. C. P. Seudder.

Each one attending received a party pack containing whistles, cricket snappers, and other games.

Birthday cake, ice cream, and lime punch were served.

Those present were David and Jan Godfrey, Janie Allison, Cynthia Kizer, Tommy Allen, George Francis, Joe Dennis Lebew, Neal Haralson, Ray Clifton, Donnie and Laketa Gotcher, and Robert Kizer.

Mrs. R. Fullingim Honored At Shower

The Methodist Church at Afton was the scene of a bridal shower honoring Mrs. Robert Fullingim on Tuesday, September 14.

Hostesses for the shower were the ladies of the Church of Christ and the Methodist Church. Forty-four ladies, registered in the bride's book, made by Mrs. W. M. Vaughn of Matador. Many sent gifts who could not attend.

Refreshments were served and an hour of fellowship followed.

Mrs. Paige Gollihar recently returned home after a visit with her son, Dr. and Mrs. Gollihar of Fort Worth.

under the direction of Miss Gladys Parker of Fort Worth, state treasurer, in Aspermont, either October 23 or 30, stated the president, Mrs. Wells.

Besides the hostesses, Mrs. Wells and Mrs. Heard, the following members were present: Miss Margaret Elliott and Miss Whitaker, Spur; Mrs. Clark Fortis, Afton; Mrs. King, Hoaring Springs; Mrs. Bell and Mrs. Jackson, Ralls; and Mrs. Graves, Mrs. Jolly, Miss Cowans, Miss Simmons and Mrs. Laurel West, Paducah.

SCIENCE and your Health

STOPPING A CHILD KILLER

By Science Features
Whooping cough, called the number one child killer in North America by the UN's World Health Organization, can almost be eliminated. Between 1940 and 1948 it was responsible for three times as many deaths as nine other infant diseases combined, according to the WHO. But modern vaccine and drugs now give parents new hope. Children under five years of age are particularly susceptible to whooping cough and the majority of deaths occur among those under two. The disease is almost always serious, for it reduces the strength of the tiny sufferer, making him an easy prey to pneumonia and influenza.

Whooping cough, technically called pertussis, first masquerades as an ordinary cold, with running nose and eyes and a slight cough—at which time it is most contagious. Afterwards, as the coughing attacks develop, the child's attempts to breathe produce the characteristic whooping sound. Antibiotic drugs are a useful weapon against this scourge. A recent report from the Bremen Pediatric Clinic in Germany said that "tetracycline had an unequivocally beneficial effect." Complications were also reduced and 74 per cent of 88 whooping cough patients receiving the drug were "favorably influenced."

The best protection against whooping cough, according to most medical authorities, is obtained by vaccinating children when they are about six months old. A series of injections, often given with shots that prevent other serious diseases, usually make children immune for several years.

HOME FASHION TIME is here again—officially from September 16-25th. Here is a home fashion that fares well at all times, and is becoming extremely popular. For a one-room apartment, for a guest room, or for a television den, studio couch groupings such as this one prove a fashion point while adding a functional note too. Flanking an attractive corner storage unit, they fit in and under side wall units for day time seating. At night they are easily swung out and into position for wider sleeping surface. The corner storage unit, which also serves as an end table, is provided with sliding doors for easy access to linens or extra blankets. There is no need to remove the lamp or accessories to get the blankets.

THE CITY LIGHT PLANT NEEDS A NEW UNIT...

This year the load at the City Light Plant topped 560 KW demand. Next year with the normal increase in load, the Plant will be unable to operate without the continuous use of its large unit.

There is no type of machinery made with human hands that is capable of all-time operation without a shutdown for repairs. If and when this happens next year, the City Electrical System will suffer an outage if another unit is not added before that time.

The present units in the Plant are in good mechanical condition. But this type equipment does not operate economically on diesel at its present cost. At the time the present units were installed, it cost 2.5c per gal. Since that time it has gradually increased to today's cost of 9.3c per gal. Labor, lube oil, repairs, parts, etc. have also increased to the extent that only through more efficient and economical operation can the City continue to generate cheap electricity.

If a new unit is installed now of the type that will burn LP gas, natural gas, or diesel, the Plant will be capable of carrying the load next year safely and at a saving of \$9,880.00 in fuel.

(At the present cost of fuel oil the City will pay \$18,600.00 for fuel to generate 2,000,000 kilowatt hours. At the present cost of LP gas to the City, the same KW's could be generated for \$8,720.00, thus the saving of \$9,880.00. If in the future, natural gas comes to Spur, the same KW's could be generated for a fuel cost of only \$4,200.00)

If the City were to install a new LP gas burning unit large enough to carry the full load, the rest of the Plant could be used for stand-by service. Then, and only then, would the City be able to carry uninterrupted service to the City's customers regardless of which unit is out for repairs.

The City has outgrown its present electric distribution system. At the present, lines are overloaded, sections of the City are without much-needed street lights, currents are fluctuating, and excessive line loss on insufficient wiring is tripple what it should be.

The inauguration of a program to install a new LP gas burning generator, build needed lines and street light circuits, replace faulty or overloaded lines, and place the City's Electricity business in a profit-realizing condition, would not cost one cent of tax money.

A Revenue Bond in the amount required for such a program would be paid off only from Electric Department funds. The savings to be realized from fuel, lube oil, repairs, maintenance and excessive line loss would far exceed the annual payments on such a bond. So, actually, the City can make a real annual profit above the cost of such a program.

But before we ask the City Commission to call a bond election, we would like to know how you, the Electricity Customers and Citizens of Spur think about the program discussed here. We feel certain that you want and deserve the best electrical service possible and we believe that this is the way to obtain it.

We will welcome your comments and opinions on this matter...

Respectfully yours,
W. W. SPRAY, City Manager

WHEN IS A "DEAL" A REAL DOLLAR-SAVER?

"Only when the new car you buy has lasting value. Mercury's 1954 sales records let us give you a real bargain deal on the car that consistently tops its field in resale value!"

Before you "deal," take a good long look at the car you're dealing for. A deal is good only when you get a good trade-in allowance toward a car that delivers top value for your money—not only when you buy, but while you drive and when you trade.

We can give you a top trade-in allowance, because official figures show that Mercury dealers sell more new cars per dealer than competitors. With this higher volume, we can take a lower profit per car. We can take an honest profit and still match other offers.

When a car is "hot," there must be good reasons.

With Mercury, it's not just a matter of styling—although Mercury's style leadership is one good reason for its popularity. With a brand-new overhead valve V-8 engine developing 161 horsepower, Mercury outperforms other cars in its price class. And Mercury is famous for lower operating and maintenance costs.

The big demand for Mercurys includes used Mercurys, too. Authoritative market reports on used car values show that Mercury returns more of your original investment when you sell or trade—more than any other car in the entire medium-price field. That's why a deal for a Mercury is a real dollar-saver. When you're ready to "deal"—come talk to us!

YOU CAN'T MATCH IT FOR THE MONEY—
