

NOTICE OF ELECTION

THE STATE OF TEXAS
COUNTIES OF DICKENS, CROSBY AND GARZA:
TO THE RESIDENT QUALIFIED ELECTORS OF THE WHITE RIVER WATER CONTROL AND IMPROVEMENT DISTRICT, WHO OWN TAXABLE PROPERTY IN SAID DISTRICT:

TAKE NOTICE that an election will be held in the White River Water Control and Improvement District on the 27 day of October, 1956, for the purpose of confirming the organization of such District and to elect a Board of Directors for such District pursuant to a resolution adopted by the Board of Directors appointed by the State Board of Water Engineers, Austin, Texas, under order dated September 19, 1956.

That for the purpose of holding such election, the said White River Water Control and Improvement District has been divided into four voting precincts. The area and boundaries of the lands to be contained within each of said voting precincts shall be the area and boundaries of each of the Cities of Spur in Dickens County, Crosbyton and Ralls in Crosby County; and Post in Garza County; as such boundaries existed on May 15, 1956.

That said election shall be held at the following places:

(a) At Dickens County Electric Coop situated within the City of Spur, Texas, and the following persons have been appointed officials to hold said election, to-wit:
John L. Green, Presiding Judge, Mrs. E. B. Blumberg, Assistant Judge, Mrs. Jack Reector, Clerk, Mrs. John F. Moore, Clerk

(b) At City Hall situated within the City of Crosbyton, Texas, and the following persons have been appointed officials to hold said election, to-wit:

L. B. Parrill, Presiding Judge, S. P. Covington, Assistant Judge, R. R. Jones, Clerk, F. M. Dunn, Clerk.

(c) At City Auditorium situated within the City of Ralls, Texas, and the following persons have been appointed officials to hold said election, to-wit:

Tim Lyle, Presiding Judge, W. W. Watkins, Assistant Judge, Mrs. John Fowler, Clerk, Mrs. C. O. Edwards, Clerk.

(d) At City Hall situated within the City of Post, Texas, and the following persons have been ap-

pointed officials to hold said election, to-wit:

Walter Crider, Presiding Judge, Harold Lucas, Assistant Judge, Mrs. Lucille Acker, Clerk, Mrs. Irene Rodgers, Clerk.

That said election shall be held as provided by Chapter 25 of the General Laws, Regular Session of the 39th Legislature, 1925, as amended, and shall be conducted as provided by law for holding general elections, except as otherwise provided in said Chapter.

That at said election only qualified resident, property taxpaying voters of such District shall be permitted to vote.

The ballots for said election shall have written or printed thereon the following:

"FOR CONFIRMATION OF DISTRICT"

"AGAINST DISTRICT"

Each voter shall draw a line through one of the above expressions thus leaving the other as indicating his vote.

Also, the ballot shall have the names of the five members appointed by the Board of Water Engineers and five blank spaces to enable the voters to write in names of other persons whom they may desire to elect as directors and shall be in substantially the following form:

Lynn D. Buzbee,
Robert Work,
R. A. Jennings,
M. A. McLaughlin,
Tom Bouchier.

All voters desiring to vote for persons other than those named on the ballot shall strike out the name or names of the person or persons listed and write in the names of the person or persons for whom they desire to vote.

This notice is given pursuant to a resolution adopted by the Board of Directors on the 25 day of September, 1956.
Signed,

Tom Bouchier
President, Board of Directors,
White River Water Control and Improvement District.

ATTEST:
Robert Work
Secretary, Board of Directors,
White River Water Control and Improvement District.

"NEVER REST 'TILL SPUR SCHOOLS ARE BEST"

"A healthy personality for every child in Spur Public Schools"
By Marie Kelley, Pres.

On "Let's Teach", a teacher education program sponsored by Texas Educational Agency, Dr. Wheeler of Tech continued to stress the point that the needs of the community are the foundation for all education!

"Each community has a personality all its own," said Dr. Wheeler.

Those who administer education for any given community must study the why, when, how of any given situation, in order to know what the community needs.

Dr. Wheeler referred to an article in last year's "Look" magazine which had the following quote.

"A teacher is an interesting lively person with personality, who loves her job and wants to stimulate boys and girls to like to learn. The teacher must 'enjoy his work' if he expects the child to like him and the school."

The teacher is the most important person in the life of the school.

She must make a classroom situation conducive to learning! There are several things, according to Dr. Wheeler, that a teacher must do to make her classroom a place of learning.

(1) She must Plan with the community, with the school administration and with other teachers. She must know the school plant, its equipment, and what her supervisors intend to accomplish.

"It is important what we teach," said Dr. Wheeler. The teacher must plan with her pupils. She must help them set goals, purposes and understand why they are doing what they are.

(The slides shown for this part of Dr. Wheeler's lecture where scenes where boys and girls were working in Science units in a group of 8th graders.)

"A teacher must be flexible"
"She must be able to take care of unexpected situations."

"She must find the teachable moment. (That moment when both the teacher and the pupil are in complete harmony.)"

The teacher may have to contrive the "teachable moment". Other things the teacher must do in her classroom are:

(2) Manage the situation to learn most. Get proper materials! "Good management builds better relations."

(3) Direct by showing how! She may do this by lab work, demonstration or by playing.

"She must be all places at all times." There must be observation, supervision, practice, drill and research going on at all times.

(4) Guide the students. Guide the individual learner. She must be familiar with mental hygiene and the strategy of human relations. She must know her pupils as individuals.

(5) She must check her work as well as the child's progress. Each child is in competition only with himself. He uses and she uses his progress or his inadequacy in terms of how much better has he done from his first response or how has he failed to meet his first specimen of work. No child is compared with another child. Nor is a standard set by the teacher and she by comparison of children, tries to say he is worth a set figure or letter.

The experts say "No grades" as a, b, c, d, or 50, -00, 70 etc, but an evaluation of Pupil Progress in competition with himself and according to his interests, abilities and differences. This program will be heard Friday at 3 p. m. due to World Series.

Calendar for P.T.A. Members—
1. Executive Session (officers and committee chairmen) will be called for at 1:30 p. m., October 9.

2. The mothers of Pre-School children who are interested in study groups and play schools are to register with Mrs. C. L. Berry, Mrs. Bill Dyess or Mrs. Starcher by October 9.

Let us be ready to spend another 2 hours in the interest of our schools.

STUDIES ON WINTERING CALVES GIVEN AT SPUR EXPERIMENT STATION

Growing weaned beef calves during the fall and winter usually affords an opportunity to increase farm income on the Rolling Plains of Texas.

According to research studies made at the Spur Experiment Station over a 14-year period, it has provided a practical and economical means of utilizing and marketing small grain pasturage, native grass, stalk fields, sorghum silage and bundle feed.

Wintering calves is well suited to farms that produce such crops as sorghums, cotton and wheat and have native grass available. After wintering, the research workers, P. T. Marion, C. E. Fisher and J. H. Jones, say the calves may be sold as stockers or retained for summer grazing or for finishing in drylot for slaughter. This flexibility of management, they say, provides an excellent opportunity for making adjustments in line with crop prospects.

Wheat pasture provided the lowest cost of winter maintenance for calves. Sorghum fields and native grass supplemented with cottonseed cake were immediate in cost, while winter maintenance in drylot was the most expensive.

The research workers cite the favorable spring price for wintered calves or short yearlings as another reason for wintering calves. They say that during the period from 1936 to 1954 prices of stocker cattle on the Kansas City market, 15 out of 19 years, were higher in May than in the preceding November and this favorable situation plus the fact that thrifty calves weighing from 300 to 500 pounds can economically utilize cheap roughages.

The results of the 14-year studies are given in a recently released Texas Agricultural Experiment Station publication, B-835, Wintering Steer Calves at the Spur Station. It is available from the Agricultural Information Office, College Station, Texas.

Substituting a motor for man power releases that help for other jobs, cuts operating costs, gets the work done faster and generally better, says W. S. Allen, extension agricultural engineer.

The nation's turkey producers are raising 16 percent more turkeys this year than last. In Texas, production is up 47 percent.

John McHaney, extension economist, says the favorable prices the last half of 1955 and during the 1956 hatching season and lower

feed costs were primarily responsible for the increase. The price outlook, compared to last fall, is not good.

Japanese Tea Is Scene Of Missionary Talk Here Sunday By Mrs. Doris Jackson

Mrs. W. H. (Dub) Jackson, Jr. was the guest speaker for a mother and daughter Japanese tea on Sunday afternoon at the educational building of the First Baptist Church. Members of the sponsoring circle of the Junior G. A., the Lockett Circle, and mothers of the girls were guests.

Mrs. Jackson, missionary on furlough from Japan, told of her experiences related to her missionary life.

Records of Japanese music were played to introduce the program.

Priscilla Nunley and Linda Lackey in Japanese costume sang "Children of Other Lands." Miss Jane Fitzgerald was presented with a promotion certificate.

Decorations of Japanese lanterns and characters carried out the Oriental theme. Posters of Japanese life made by the Junior Girls Auxiliary were also used. The refreshment table was laid with a red lace cloth and centered with an arrangement of ivy, mums and Japanese figurines.

Guests were served spiced tea and cookies by Mrs. Rex Holder. Attending the tea were Mmes. E. C. Clinkscales, C. A. Alldredge, Holder, W. W. Gunn, Logan Singleton, Alex Fry, Dalton Lebew, L. R. Pendley, Grady Lackey, Albert Spraberry, Jr., Bob Nunley, O. R. Cloude, J. R. Bills of Graham, Grady Lackey, Jr., and the guest speaker, Mrs. Jackson.

Misses Sandra Pendley, Shirley Fitzgerald, Carol Gunn, Jane Fitzgerald, Vicki Alexander, Robbie Spraberry, Norma Kay Singleton, Linda Lackey and Priscilla Nunley.

Miss Young Named To Student Council

Friends of Jonanna Young will be glad to hear that she is enjoying her work at San Marcus Academy and has been elected to the Student Council and was made vice-president of the Y.W.C.A. Jonanna is the daughter of Mrs. Penn Shugart.

Last week Jonanna was selected to attend the District Council Meeting of Student Councils which met at Gonzales.

Installation Held For WMS Officers

Officers of the First Baptist WMS were installed in a ceremony on Monday evening at the educational building of the church.

"Hands United in Service" was the theme of the installation with a focal point of a large world globe cupped in hands.

The meeting was opened with the singing of the WMS hymn of the year, "From Greenland's Icy Mountains" and the quoting of the watchword, "His Hands" accompanied by Mrs. Bob Nunley accompanied by Mrs. Mac Steele.

The duties of the various officers were described by the installing officer, Mrs. Grady Lackey, Jr., as requiring different types of hands. Objects representing each office were presented to the officers. Mrs. Nunley, enrollment vice-pres.; Mrs. Alfred Walker, program vice-president; Mrs. Myrtle Whitwell, recording secretary; Mrs. Henry Gruben, treasurer; Mrs. L. R. Pendley, prayer chairman; Mrs. Rex Holder, young people's director; and Messdames Ralph Leighton, W. B. Francis, Jr., and Arner Watson as circle chairmen.

A dedicatory song was sung by Mrs. Nunley. Refreshments of spiced tea and white cake squares were served to guests. The serving table was laid with a white outwork cloth. An arrangement of candles, ivy and flowers in the Texas WMS colors of royal blue and white was used. Plate favors were miniature ladies' hands, and mints were served from a white porcelain hand.

Present for the installation were Messdames Marie Gruben, O. R. Cloude, Alfred Walker, Ralph Leighton, Dalton Lebew, Rex Holder, W. B. Francis, Jr., Bob Nunley, Mac Steele, Henry Gruben, Grady Lackey, Jr., Arner Watson, Hattie Turvan, Myrtle Whitwell, Cretia Brooks, Bertie James and L. R. Pendley.

East Side Circle Elects New Officers

The East Side Circle of the Baptist Mission met Monday afternoon at 4:00 for the Royal Service program.

Mrs. Alton DeLisle was program leader. The general theme was "Sowing Beside All Water." Mrs. DeLisle also gave the devotional.

Mrs. Ed Dosier spoke on the topic "Three Worlds." Mrs. Anne Causey, "Three Inescapables," Mrs. Ijames, "Three Phases of Our Program," and Mrs. Adam Howe brought the closing devotional.

Officers for the East Side Circle for the new church year are: Mrs. Ed Dosier, circle chairman; Mrs. Adam Howe, secretary and treasurer; Mrs. Dewey Ijames, Bible teacher; Mrs. Alton DeLisle, program chairman; Mrs. Chester Lindsey, Mission chairman; Mrs. Lee Moore, social chairman and Mrs. Anne Causey, G. The Junior Harmony Club met Wednesday, September 23, in the Round-Up Building at the Methodist Church for the purpose of electing new officers for the year. Cookie Gregory was elected president, Lanette Marcy, vice-president, Johnna Lou Scudder, secretary-treasurer, and Mike Hairgrove, reporter.

A year book committee was selected for the purpose of preparing programs for the year. The committee is composed of Cookie Gregory, Rozelle Marcy and Rosalyn Lewis.

Mrs. Ju Don Rickels was a guest from the Senior Harmony Club and made a very interesting talk. The next meeting will be on October 10 at which time Johnna Lou Scudder and Rozelle Marcy will be co-hostesses.

The Junior Harmony Club is very fortunate to have two such outstanding sponsors as Mrs. Mary Berry and Mrs. Ella Mae Blackwell from the Senior Harmony Club. With their experienced guidance, the Junior Harmony Club is looking forward to another successful year.

Other members attending the meeting were: Eloise Thomason, Melvita Floyd, Barbara Foreman, Sharon Green and Lester Pearl Turbeville.

Officers Elected For High School Choir

On Friday, September 28, the 80 members of the Spur High School choir met to organize and elect officers for the year. Max Gabriel was elected president, Travis Watson, vice-president, Robert Rex Robinson, secretary, and Lyndal Womack, reporter. Mr. Ben Abercrombie is the director and Miss Lanette Marcy is the pianist.

The choir meets daily for practice and will make its first public appearance during the Christmas holidays when a TV program will be presented.

"Mental Health" Is 1933 Club Topic

Mrs. George Gabriel was hostess to the 1933 Study Club Tuesday, Oct. 2 at 4 p. m.

Mrs. Everett McArthur presided at the business meeting. Mrs. O. L. Dewees, program chairman, presented Sandra Pandley in a piano selection followed by a program on "Mental Health." Mrs. W. G. Womack reviewed "How Wonderful You Are" from the Reader's Digest. The meaning of Mental Health was discussed by Mrs. McCully. A round table discussion on "Hobbies For Happiness" closed the program.

Refreshments were served to Mmes. Cal Wright, D. L. Knight, O. L. Dewees, Everett McArthur, Horace Wood, C. H. McCully, W. G. Womack, H. G. Lackey, and the hostess, Mrs. Gabriel.

City Federation Has Meeting On Tuesday

The City Federation of Clubs met with Mrs. C. H. McCully on Tuesday, Oct. 2 for a business meeting. The president, Mrs. Harold Karr presided and business included the election of Mrs. George Gabriel as vice-president, and Mrs. Louis Arnold as corresponding secretary.

The club made plans for a game night to be held at a date to be selected in November for the purpose of raising funds for the City Library.

It is urged that all clubs in the city send delegates to the meeting of the City Federation.

SS Class Enjoys Progressive Dinner

A progressive dinner entertained members of the Gleaners Sunday School Class of the First Baptist Church on Tuesday evening, with a rainbow theme used throughout the evening.

The group met at the home of Mrs. Foy Vernon for a frozen fruit cocktail. Garden flowers were used to decorate the rooms. A devotional was given by Mrs. W. G. Womack on the promise of the rainbow.

The home of Mrs. Penn Shugart was the scene for the main course of the dinner. A fall centerpiece was used on the serving table with pyracantha branches also used as decor in the receiving rooms. A slide of a summer rainbow was projected on a screen.

The officers of the class were installed at the home of Mrs. E. D. Engleman. Mrs. C. P. Scudder acted as installing officer, describing each office as a color of the rainbow, and gave the dedicatory prayer.

Serving as officers for the new year will be Mrs. J. E. Berry, president; Mrs. E. C. Clinkscales, enrollment chairman; Mrs. E. D. Engleman, fellowship chairman; Mrs. Clarence Watters, benevolence chairman; Mrs. Hunter Wilson, birthday chairman; Mrs. J. B. Whitmore, stewardship chairman; Mrs. Floy Watson, secretary-treasurer; Mrs. T. M. Walker, teacher; Mrs. W. G. Womack, associate teacher; and Mrs. G. W. Grimes and Mrs. C. A. Alldredge as group captains.

Pecan pie and coffee were served from a table centered with a loaf of bread and wheat heads and in letters of gold, the class name, Gleaners.

There were 23 members present for the dinner.

"Watchword" Is WMU Topic Monday

The First Baptist W. M. U. met at 4:00 Monday in the church for their Royal Service Program and business meeting. Mrs. Alfred Walker was in charge of the program. The subject was "The Watchword."

A playlet of one act was presented by Rev. and Mrs. R. L. Pendley. Others who had parts on the program were Mrs. Dalton Lebew, Mrs. Ralph Leighton, and Mrs. O. R. Cloude. Mrs. Maude Seale brought the closing prayer.

The business meeting was called to order by the president, Mrs. Cloude. The minutes of the last meeting were read by Mrs. Myrtle Whitwell and a financial report was given by Mrs. Lebew. Mrs. Alfred Walker gave a report on Mission Study.

Mrs. Arner Watson was elected chairman for the Cullpepper Circle for the coming year; Mrs. Robbie Leighton, chairman for the Parks Circle; Mrs. L. D. Ragins, Chairman for the Judson Circle; Mrs. Wanda Bearden and Mrs. C. A. Alexander were elected to work with the Sunbeams and Mrs. Johnnie Scudder and Mrs. Bill Henry were elected as Y. W. A. Councilors. The meeting was closed with a prayer by Mrs. Grady Lackey. There were 17 members present.

Girl Scouts

Troup XI of the Girl Scouts met at the scout Little House on Tuesday, Oct. 2 for their regular meeting.

The new scout leader, Mrs. Bernice Hurst presented plans for their Christmas projects and each girl began work on a "secret" project.

1931 Club Hears Chamber Manager

The 1931 Study Club met in the home of Mrs. Ben Abercrombie on Tuesday, Oct. 2 for their regular meeting.

Mrs. Dalton Lebew was in charge of the program and presented Kenneth Wright, manager of the Spur Chamber of Commerce, who gave a very interesting talk on "Community Projects."

Members present and participating were Mmes. H. M. Allison, Louis Arnold, C. L. Berry, W. D. Blair, Jr., Earl Burnett, W. B. Francis, Bill Glenn, James Jay, Harold Karr, Dalton Lebew, Everett Martin, JuDon Rickels, Alfred Walker and the hostess, Mrs. Abercrombie.

Mary Class Has "Wacky Party"

Members of the Mary Sunday School Class of the First Baptist Church were guests at a "Wacky Party" at the home of Mrs. Grady Lackey, Jr. on Tuesday evening.

Guests were presented with black-rimmed spectacles and large rubber noses as they arrived. Contests were held to see which was the more intelligent, goops or nitwits. The winners were presented with a bag of peanuts as a prize.

Refreshments of tuna sandwiches, pink lemonade and cake squares were served to Misses Susan

"Arrangements" Is Garden Club Topic

On September 25 the Spur Garden Club met at the home of Mrs. Cal Martin with 11 members present.

Mrs. E. H. Martin reviewed several chapters from "The Complete Book of Flower Arrangements" which will be the club's study

project for the year. What constitutes a flower arrangement and the nine basic steps of flower arrangement were discussed. Flower fashions in containers, flower bases and accessories were illustrated with several original arrangements. The mechanics of arranging with emphasis on how to cut and care for flowers completed the study for the first meeting.

Mr. and Mrs. Bill Glenn were in Dallas last week to have skin grafting performed on the hands of their little daughter, Carla Dean.

BASIC FARM PLANNING NEEDED

By John H. Taylor
Work Unit Conservationist
Soil Conservation Service
Spur, Texas

"He who makes no plans a-

gives nowhere," a statement we have heard many times. How true and significant this statement is today, being faced with the many complex and scientific farm and ranch problems.

Planning to effectively conserve our soil, water and plant resources calls for the best known techniques. Here is where basic farm and ranch planning comes into play through your local soil conservation district. This kind of plan could be defined as one that would provide for the use of each acre of agricultural land within its capabilities and the treatment of each acre in accordance with its needs for protection and improvement.

Soil Conservation Service technicians assigned to the districts assist farmers and ranchers develop basic conservation plans that meet the above objective and technical standards in the district.

Different soils, slopes, erosion susceptibility, and present soil conditions present different problems and each are carefully considered and treatment planned accordingly. This treatment must be coordinated if it is to be most effective in meeting the needs of the land and economic conditions of the farm or ranch. Many practices will fail if they are not properly planned, properly applied, and properly maintained. Some people still think of soil conservation as the application of individual unrelated practices without consideration of all supporting measures that result in a lasting and profitable conservation program.

In developing and fitting a complete conservation program to the land the owner should know and understand his problems, the structure and capability of his soils, their erosion hazards, and further understand the principles of treatment for each problem.

When this has been done with the aid of a planning technician a complete program or basic plan is written down. A conservation plan map and soils and capability maps are also furnished the farmer or rancher. This map is a basic plan which may be referred to from time to time as application work progresses on the farm or ranch.

Further technical assistance is available in the application and maintenance of the planned program by SCS technicians through the Soil Conservation District.

that the cost will not be prohibitive—it will be financed by revenue and a small property tax. Present estimates are that the tax will be less than one dollar per month for the average home owner. This tax can be eliminated after water consumption has increased approximately 25 percent.

Residents are reminded that this could be the one and only opportunity these four cities will ever have to secure the rights of water from White River. Cities along the Brazos below the White River site are clamoring for water rights, and once these rights are allocated they cannot be rescinded. If the people of Post, Spur, Ralls and Crosbyton should pass up this opportunity to solve their present and future water problems, it is not likely that they would ever have the same opportunity again.

Funeral Held At Mineral Wells For Former Councillor

Ola J. Brown, 67, died of a heart attack while working on a construction job at Mineral Wells. He was rushed by ambulance to Nazareth Hospital where he was pronounced dead an arrival.

Funeral services were held in Mineral Wells at Baum-Carlack funeral chapel, September 16, at 2:00. Brother Roy Carlisle, Company Servant of The Assembly Hall of The Jehovah Witness Faith was in charge of the service.

Mr. Brown, a reader of the Jehovah Witness faith was born January 1, 1889, in Goldwain. He resided in Dickens County from 1924-1937, and had been a resident of Mineral Wells for 14 years. He and the former Betty Stagner were married in Stephenville in 1907.

Survivors besides his wife are 6 daughters, Mrs. Virgil Kizziah, Mrs. May Wyatt, Mrs. Gladie Cantrell and Mrs. Latoria Ford, all of Mineral Wells, Mrs. Ruby Berry of California, Mrs. Lanoria Clint of Temple; two sons, Raymond Brown of McAdoo and Buster Brown of Ft. Worth; a brother, N. A. Brown of Mineral Wells and two sisters, Mrs. Lizzie Reid of Ft. Worth and Mrs. Maud Starnes of California. Twenty grandchildren and one great-grand child also survive.

The Spur Bullpups (B team) have two wins for the season, having defeated Hamlin 7-6 and Tahoka 19-7.
Hightower, Blair Lead Win
Fullback Tommy Hightower raced 82 yards on a second quarter scoring play, and Quarterback Curtis Blair highlighted a 70-yd. fourth quarter paydirt drive with accurate passing as ENMU blanketed Washburn U. 13-0 at Portales last Friday night.

Still in the undefeated class after two games, the Greyhounds will try for no. three next Saturday against New Mexico Western College of Silver City.

Spur's own Curtis Blair, who completed four of five passes during the game, accounted for 62 yards through the air, while his Spur buddy, Tommy Hightower, was the top ground gainer with 82 yards in eight carries.

IT'S THE LAW
★ in Texas ★
A public service notice of the State Bar of Texas

Thinking of buying a new home? How will you know whether you are receiving a good title to the property you purchase? The safest method is to have a title examination made—that is, a careful study of the abstract and other title evidence.

Here are a few of the common sources of trouble in real estate transactions to show why the minor expense of a title examination is justified.

Many persons sign "earnest money contracts" believing that they are mere receipts with no serious implications. In reality they may specify, among other things, the kind of title you must accept.

A "warranty deed" from a responsible seller is comforting to have but it is a poor substitute for a careful title examination. A warranty deed does not guarantee a marketable title.

Moreover, serious title defects may not come to light until long after the seller on a warranty deed is dead, has moved to an unknown address, or is bankrupt. Even if he is available a good title is much better than a law suit.

The fact that the seller has possession of an "abstract" does not mean that he owns the property. An abstract is only a history of a title. Possession of an abstract

Butler of Dalas spent the week end at Ft. Davis, in the Big Bend Country.

Mr. and Mrs. Dale Neff and family visited over the week end with his parents, Mr. and Mrs. R. L. Neff of House, New Mexico, and at Dimmitt with his sister, Mr. and Mrs. Thurman Davis.

no more indicates ownership of land than possession of the history of Texas menas that you own the state.

Some purchasers of land feel safe because the title is being examined at the time of purchase by an attorney for the mortgage lenders. This seems logical but is a dangerous theory. Mortgage lenders are sometimes willing to accept less than good record title as security. This is sound business for them because, among other reasons, the chances are that the mortgage will be paid off so that no expense in perfecting the title would ever need be incurred. It is risky business for you when you are putting your life savings into the purchase.

These are a few of the reasons why a title examination is an important safeguard to you. When it is completed, the attorney gives you a written opinion stating his conclusions as to who owns the land, the defects in or charges against such ownership, and the requirements to be met if any, to make good record title.

Off-hand this may seem a simple operation. In fact, it is not. It requires the interpretation of numerous deeds, mortgages, wills, court decrees and other instruments; the consideration of the order in which transactions and events affecting the title occur-

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low... that it takes the bumps without a bobble, the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

Here Today!

A new kind of FORD with the mark of tomorrow

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and half-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Ford's library-like quiet is built in. And the new "Inner Ford" is why. For never be-

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 500 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

Advantages Told Of Scouting For Boys

Here Texas boys should have the advantages of Scouting, a top Texas businessman declared this week.

Despite the rapid expansion of the Scouting program, said Stanley Marcus, president of Neiman-Marcus of Dallas, still only one out of four Texas youngsters now wears the uniform of a Cub, Scout or Explorer.

"Scouting offers the experience and training which every boy needs as he develops into a resourceful, patriotic and worthwhile citizen," said Marcus.

Marcus is state chairman of the steering committee which is coordinating fund-raising campaigns for the Boy Scouts of America in 23 Texas Scout Councils.

The campaigns begin October 9 in Spur and 530 other Texas communities. Funds for Scouting activities in 141 other communities are raised through local Community Chest and United Fund campaigns.

Charles Edwards of Lincoln, Ark. returned Sat. after a visit here with his nephew and family, Mr. and Mrs. Walter Gwinn.

The story of a fabulous lifetime blending of stardust and suffering, passion and pain, music and magic, are glowingly told in Columbia Pictures' "The Eddy Duchin Story," according to advance report. The new film stars Tyrone Power as the handsome young musician who shook the golden towers of Manhattan with his hands on the keys of a piano, and beautiful Kim Novak as Marjorie Oelrichs, the girl of his dreams. In CinemaScope and color by Technicolor, "The Eddy Duchin Story" opens Sunday at the Palace Theatre.

Power is said to give a truly impressive performance as the gifted musician who knew more drama and despair, love and triumph than most men ever live to know. Miss Novak, fresh from a personal triumph in the memorable "Picnic," reportedly contributes as vivid a picture of a girl in love in "The Eddy Duchin Story." Here, in sharp contrast with her "Picnic" role, she is a famous, beautiful, sophisticated young woman who possesses the wholehearted warmth that can delight in sharing peanuts with pigions on a rain-swet, romantic Central Park afternoon.

Their romance is said to be as warming as a sunset; their marriage, an idyllic time during which Duchin steadily rises to supremacy in the world of popular music. He is a radio and recording star, society's favorite band leader, when Marjorie dies shortly after the birth of their son.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 0.128 miles of Widening Duck Creek Bridge & Spade Draw approx. 3.0 mi. N.W. of Dickens & approx. 13.0 mi. S. of Dickens on Highways US 82 & FM 261, covered by F 443 (26) & C 949-1-9, in Dickens County, will be received at the Highway Department, Austin, until 9:00 A.M., Oct. 18, 1956, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Algie Groves, Resident Engineer Mataro, Texas, and Texas Highway Department, Austin. Usual rights reserved.

This is Ford's 1957 Country Sedan, one of five station wagons in the new line of 19 body styles which Ford dealers will unveil. The new station wagons are longer and lower than in 1956. Four engine sizes available range from 245 down to 144 horsepower. This Country Sedan comes in nine- and six-passenger models, and has new self-raising rear liftgate with 20 per cent bigger opening for easier loading.

Test Drive Today's New Flite-Fuel

DISCOVER WHY WE SAY:

IT'S PERFORMANCE THAT COUNTS!

- Check off these Performance Advantages of Flite-Fuel
- Higher anti-knock
 - Easy starting
 - Fast acceleration
 - Clean-burning
 - More mileage

Claims of gasoline performance are one thing—actual performance something entirely different. That's why we make this suggestion: you've got nothing to lose and a lot to gain by test driving Phillips 66 FLITE-FUEL. Let your car's performance be the judge.

You'll discover ease of starting and responsiveness that you may never have suspected your motor could deliver. You'll benefit from the smoothness of advanced high octane. You'll get the advantages of controlled volatility and positive anti-stalling, and more miles per gallon, too. No other gasoline gives you the combination of high performance components you get in FLITE-FUEL.

Why not give FLITE-FUEL a try? Fill up today at any station where you see the familiar orange and black Phillips 66 Shield.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less you weigh less.

Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: you must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: **THE CITY DRUG STORE - Spur** Mail orders filled

CARD OF THANKS

The family of Mrs. J. W. Jones wish to say thanks for the many kind deeds done through her illness and death. For each and every one there is a prayer in our hearts.

Mr. J. W. Jones and children, Alton, Afton and Lolita

This reminder from the Texas Farm and Ranch Safety Council - if you think farm tractors are not killers, take a look around the state. Three farm workers died in accidents involving farm tractors during one week in September. Think, Think, Think!

The annual Texas 4-H Dress Revue will be staged in the Women's Building on the grounds of the State Fair of Texas at 10:30 a. m. October 6. Forty-six high-scoring district winners will represent the more than 6,000 4-H girls who participated in county and district revues this year. The top winner in the finals will represent Texas in the National 4-H Dress Revue to be held in Chicago in late November as a part of National 4-H Club Congress.

The useful life of sprinkler irrigation equipment can be extended through proper maintenance. Bob Thurmond, extension irriga-

tion specialist, says as soon as the irrigation season is over, it is time to check and store, for the winter season, the equipment.

Dairymen who have some good hay or silage are advised by Dr. R. E. Leighton of Texas A&M's Department of Dairy Science, to stretch their supply by feeding a third to a half good roughage lower in quality than cottonseed hulls. He warns that vitamin A deficiencies may occur after cows are off green pastures for two or more months.

Broiler placements continue at or near record levels. By mid-Sep-

tember approximately 75 million broiler chicks had been placed on Texas farms this year as against 61 million for the same period in 1955 - an increase of 23 percent. For the 22 major producing states placements for the period were up 20.6 percent. Extension poultry marketing specialists believe that before a price recovery can be made, production will have to be pulled more nearly in line with demands.

Mrs. John Meason returned Thurs. from Hereford where she had been with her mother, Mrs. Sam Lesley, who is ill, but is much better now.
