VOLUME 49

NUMBER 4

## THE Editor's Corner...

By Joe Harrison

"Pore little dog. The next time somebody launches a satellite we think they outa include a "gossip and rumor starter" as a passenger. That'd give 'em plenty to talk about without exercising their imaginations. They could call it "Gasnik" or "Hot Airnik."

This plan has one great fault however, you couldn't believe a blasted word they told you.

Speaking of satellites, did you ever stop to think what you'd do if you came face to face with a "Whatnik?" How about that man in Nebraska, or was it Nevada, who said he got into one and looked around upon the invitation of the occupants. He said they spoke broken English to him but German among themselves.

This fact led some one to theorize that when Hitler saw the end in sight, he sent his top scientists into seclusion where they produced the flying saucer or space craft.

Isn't it funny. All you've got to do is mention Germany or German and most people start thinking weird thoughts.

World War II has been over for more than a decade, but the world still quivers at the mention of the word "German."

Oh, incidentally, the guy who said he went aboard the "Whatnik" is now in an asylum.

Which leads me to believe that when and if I see one, I'll keep it a well guarded secret.

County farmers welcomed the sun for spasmodic periods during last week and the early part of this week. The cotton harvest had reached a standstill when a brief period of sunshine allowed pullers to return to the fields late in the week.

Some farmers report that their cotton is about ready to turn blue and some is already reported spotty. However, County Agent Bob Berry says his estimate of upwards of 20,000 bales for the county will be pretty close. Berry says that although parts of the county have been hit by worms, etc., other parts have cotton that didn't produce cotton last year.

Berry says the hardest hit area appears to be just west of Spur.

Spur merchants were discussing the Veterans Day holiday earlier this week, and many were of the opinion that next year the town should remain open. As it was, the circus drew a large crowd of Spur people to Lubbock, and while they were there some did considerable shopping. Lubbock, and other surrounding towns remained open with the exception of banks and Federal offices.

These new air suspension cars are tailor-made for bootleggers.

Sen. David Ratliff has sent out a preliminary draft of Gov. Daniel's proposed "Troop School Bill."

It covers some two pages of legal size paper, but here are some of the highlights:

Provides that the governor shall provide assistance when called upon by local authorities to prevent violence and maintain peace—provided, that the Texas National Guard and other military forces shall not be used for such purposes. If violence can not be prevented by any means other than military force, the school shall be closed.

Incidentally, during the period that the school is closed, teachers will continue to draw salaries and children will not be counted absent.

## Spur, Floydada Meet In Dad's Day Finale Friday

The Spur Bulldogs return to action this week when they meet the Floydada Whirlwinds tomorrow night in Jones Stadium at 8 p. m.

The game, which is the last one of the season for both teams, will be designated as "Dad's Day." This is an annual event observed by Spur High School.

Coach Bill Henry is expecting a rough game. He says that Floydada can move the ball well on the ground, but the spark of their offensive may be their aerial game. Last week the Winds threw a scare into Lockney with their passing attack, gaining some 160-170 yards through the air to only 64 on the ground.

Floydada has lost only two games, one to Ralls, 13-6 and one to Lockney, 20-14. Lockney downed Spur 34-13.

Jim Gabriel, second unit guard, suffered a broken foot in the Lockney game and will not see action tomorrow night. Halfback Kent Morgan suffered a sprained ankle in last week's play.

Floydada can wrap up second place in the district with a win over the Bulldogs, finishing with an 8-2 season mark and 5-1 in conference play. Spur has won 4, lost district play they have won 3 and 3 and tied 2 for the season. In lost 2. (One a forfeit to Slaton.)

Opening session Tuesday morning. The convention gets underway with registration Sunday afternoon, Nov. 17, followed by the dinner service that evening. The next day, Monday, will be devoted to an open session on resolutions and special conferences. Finals in the state queen contest will be that evening in the Baker Hotel Crystal Ballroom. Speeches and presentation of awards will take up most of the day Tuesday, with the annual banquet scheduled that evening. The business session Wednesday, when TFB policies for next year will be adopted, will conclude the 24th annual meeting of the state farm organization.

Throgmorton, vice president and director of public services of the Republic National Life Insurance Co., will be speaker at a vesper service Sunday evening, Nov. 17. Lynn will speak at the Tuesday afternoon session, preceding Gov. Daniel's address. Williams will be banquet speaker that evening. The annual address of the TFB president will be at the

Other speakers on the convention program include Louie E. Throgmorton, Dallas insurance executive; John C. Lynn, Washington, D. C., American Farm Bureau Federation legislative director; Jeff Williams, lawyer-humorist-philosopher of Chickasha, Okla., and TFB president J. Walter Hammond.

## Cecil's Pet? Lester Ball Kills Rattlesnake In Yard

Lester Ball, Junior High principal, killed a two-foot rattlesnake in his back yard Tuesday at noon.

Ball was attending the regular noon meeting of the Lions Club when he received a call from his wife stating that the snake was taking a sunbath in the back yard.

Ball rushed home and killed the reptile with a hoe. It had seven rattles.

This is the second snake that has been killed in this neighborhood in the past two weeks according to Ball.

Parents with small children are cautioned to be on the lookout for snakes who apparently haven't hibernated yet in anticipation of some warm November weather.

## District Meeting Set Next Tuesday

School officials and coaches will attend the annual district meeting in Slaton next Tuesday, according to Bob Nuxley, superintendent of Spur schools.

The district will be reshuffled into a five team district known as 3-AA. The new district will include Post, Taboka, Slaton, Floydada and Spur. Spur is now in 2-AA.

Purpose of the meeting is to set up a season schedule for the member schools.

Lockney and Abernathy will probably be dropped from the district and added to 1-AA, but they may remain on the Bulldog schedule.

## Doyle Gunn, 45, Buried In Girard

Funeral services for Doyle Daniel Gunn, 45, were held in Girard Wednesday afternoon at the Girard Baptist Church. He suffered from a heart condition.

Rev. Bill Crafton, Stamford, officiated and was assisted by Rev. Billy Burke, Girard.

Interment was in Girard cemetery.

Gunn had been a resident of Kent County for 40 years, but had lived the past three in Albuquerque, N. M.

He is survived by his wife, Mrs. Louise Gunn, one son, Ronnie Joel; two daughters, Daylene and Elaine Gunn, and two step sons, Foy Westfall and Robert McGennis.

## COTTON HARVEST SLOWED BY RAIN

Dripping skies and intermittent sunshine continue to plague Dickens County cotton farmers.

Thus far this year, only 3,529 bales have been ginned, compared to 15,139 at this same time last year.

Here is the county breakdown: Massey Gin 590, Farmers Co-Op Gin 970, Spur Gin 163, West Texas Gin 475.

Dickens Gin 120, Goodwin Gin 631 (East Afton), Afton Co-Op Gin 590. TOTAL 3,529.

The weather will play an important role in the crucial weeks ahead. Partly cloudy skies continue to threaten the area, as the rainfall total nears a ten year high.

Total rainfall to date for the year is 27.63. High for the past ten year period is 29.18 in 1949.

Rainfall for the month of November has now reached 2.46 according to Weather Station officials. However, parts of the county have received more.

## THE WEATHER

	Rainfall	Hi	Lo
Nov. 6	.05	47	40
Nov. 7	.05	62	42
Nov. 8	None	55	32
Nov. 9	None	58	31
Nov. 10	Trace	47	35
Nov. 11	.02	48	37

Nov. 12 .03 62 39

Although generally the rains are hampering the cotton harvest, many farmers are thankful that after the past few years of drought they are at last receiving some much needed moisture.

County Agent Bob Berry, along with a range specialist from College Station inspected Dickens County pastures last week and reported them to be in the best condition they had ever seen them in.

## Cagers To Begin Practice Monday

Basketball practice will get underway Monday following the completion of football season, according to Coach Jim Eddins.

Eddins says he is expecting about 20 boys to report and will have 6 lettermen returning.

Following is the schedule for the season:

THE SCHEDULE:  
Nov. 26 - Girard, There  
Dec. 3 - Crosbyton, There  
Dec. 5 - Floydada, Tourney  
Dec. 10 - Girard, Here  
Dec. 11-14 - Matador Tourney  
Dec. 17 - Crosbyton, There  
Jan. 3 - Lockney, There  
Jan. 7 - Post, Here  
Jan. 24, 9-11, Jayton Tourney

## Commodities To Be Issued On 3rd, 4th Wednesdays

County Judge W. H. Hindman reports that hereafter, USDA commodities will be issued on the third and fourth Wednesday of each month.

"Due to making the USDA commodity report and other work, I find it necessary to establish a specified time for issuance."

"Please come on one of the days stated above."

Commodities will be issued on the third and fourth Wednesday of each month.

## Governor Is Featured Speaker At Farm Bureau Convention In Dallas

Gov. Price Daniel heads a slate of outstanding speakers scheduled to address the annual convention of the Texas Farm Bureau to be held November 17-20 at the Adolphus Hotel in Austin. The Governor's address will be at a general session Tuesday afternoon, Nov. 19.

Other speakers on the convention program include Louie E. Throgmorton, Dallas insurance executive; John C. Lynn, Washington, D. C., American Farm Bureau Federation legislative director; Jeff Williams, lawyer-humorist-philosopher of Chickasha, Okla., and TFB president J. Walter Hammond.

Throgmorton, vice president and director of public services of the Republic National Life Insurance Co., will be speaker at a vesper service Sunday evening, Nov. 17. Lynn will speak at the Tuesday afternoon session, preceding Gov. Daniel's address. Williams will be banquet speaker that evening. The annual address of the TFB president will be at the

## Sheriff's Posse Prepares To Defend Title

The Dickens County Sheriff's Posse Palmetto Polo team had its first workout in recent weeks as inclement weather has kept them off the practice field.

The defending world's champions are preparing for a defense of their title in a tournament to be held November 29-30 and December 1. About 20 men reported for practice Sunday.

Thus far, only three entries have been verified for the tournament. They are: Spur, Lubbock, and Sante Fe, New Mexico.

San Angelo sent an entry fee for an all-star team, and entry is being held up until a player's list for the San Angelo team can be verified. Rules state that a player must reside in the county of the club he is playing with.

Last year six teams entered but one withdrew.

## MARY ANN EAST IS HOME FOLLOWING APPENDECTOMY

Mary Ann East, daughter of Mr. and Mrs. Russell East of Spur, has been brought home following an appendectomy in the Crosbyton Hospital.

Mary Ann was in very serious condition for several days following the operation. After two weeks in the hospital she finally regained her strength and is now feeling fine.

## 7 Spur Students Attending H-SU

Seven students from Spur are among more than 1,500 students attending Hardin-Simmons University in Abilene, Texas this fall. They include: Ronnie Jerry Ensey, son of Mr. and Mrs. Jerry Ensey, 618 N. Willard; John W. Karr, son of Mr. and Mrs. J. B. Karr, Rt. 1; Paulita Karr, daughter of Mr. and Mrs. Hubert Karr; Chester Norman McAlpin, son of Mr. and Mrs. C. A. McAlpin; Ann Estelle Smith, daughter of Mr. and Mrs. E. W. Smith, 211 Burlington; William Everett Watson, son of Mr. and Mrs. Arner Watson; Juanita Louise Williamson, daughter of Mr. and Mrs. J. L. Williamson.

\$74,847.00 was paid out for acreage reserve wheat on 148 agreements.

## Mrs. Mary Blain, 84, Is Buried Sunday

Funeral services were held at 2 p. m. Sunday for Mrs. Mary Frances Blain, 84, in the Jayton Baptist Church. Rev. Bill Williams, officiating.

Mrs. Blain, who came to Kent county in 1906, died last Friday. Interment was in the Jayton cemetery with Campbell's Funeral Home in charge of arrangements.

Survivors include her husband, P. C. Blain, and one son, L. A. Blain of Borger.

Two sisters, Mrs. Elizabeth Burkett, Jayton, and Mrs. Martha Lewis, Dallas, also survive.

## HOSPITAL NOTES

ADMITTED:  
Mrs. Billy Ray Ballard; Jake Shackelford, Dickens; Betty Henson; H. F. Teague; Billy Wyatt; Oscar Hart; Bennie Hart Hahn; C. P. Scudder; Rosa Overton, Jayton; Mrs. Dick Sampson; Mrs. L. O. Skinner; Mrs. Elizabeth Hernandez; Weldon H. Myrick, Jayton; Lucio Flores; Mrs. Bennie Justice; Mrs. Lelia Conway; C. A. Allen, McAdoo; and A. W. Hunsinger, Plains.

DISMISSED:  
Mrs. Billy Ray Ballard; Jake Shackelford, Dickens; Betty Henson, H. F. Teague, Billy Wyatt, Oscar Hart, Bennie Hart Hahn, C. P. Scudder, Mrs. Dick Sampson, Lucio Flores.

Mr. and Mrs. L. K. Baker and son Kenny, Denver City, visited last week end in the home of his sister, Mr. and Mrs. Jack Simmons.

Mr. and Mrs. L. K. Baker and son Kenny, Denver City, visited last week end in the home of his sister, Mr. and Mrs. Jack Simmons.

PROCLAIMS CHRISTMAS SEAL DAY - Governor Price Daniel has proclaimed "Christmas Seal Day" on that period from November 15 to December 24. Bearing the request for the proclamation was Miss Carolyn Colvert of Austin, Texas' first Miss Christmas Seal and the reigning Miss Texas. Christmas Seals are being mailed over Texas Friday. They support work of voluntary tuberculosis associations toward control of the disease.

## New Arrivals

Mr. and Mrs. Jimmy Teague are the parents of a girl born November 9. She weighed 7 pounds and 9 ounces. She has been named Carla Sue.

Mr. and Mrs. Ted Hardy, Abilene, are the parents of a 6 lb. 15 oz. boy born November 9 in St. Ann Hospital. He has been named Teddy Joe, Jr. Mrs. Hardy is the former Dean Reagan, Spur. Maternal grandparents are Mr. and Mrs. Logan Reagan, Spur.

**FROM WHERE I SIT . . .**

BY JOE HARRISON

The Spur Bulldogs will play their last game of the season tomorrow night. Their opponents will be the potent Floydada Whirlwinds.

A victory would entangle Spur in a three-way tie for district runner-up. Slaton, Floydada and Spur would sport identical 4-2 records. Slaton has completed season play. Floydada has lost only to Lockney in District play and has wrapped up a second place finish. If the 'Winds trip the Bulldogs, they can clinch second place and the loss will drop Spur to fourth place behind Slaton.

The Bulldogs will certainly have to play their best game of the season to come out on top of Floydada. The Whirlwinds literally threw a scare into Lockney last Friday night as they passed the Longhorns silly in the final moments of the game.

Many observers were of the opinion that Floydada was going to win the game. Three incomplete passes helped to wipe out their optimism.

Lockney tackle John Hanst gained lineman of the week honors for his play in the Floydada game and Fullback, Halfback Dickie Barton received special mention for his play.

The Whirlwinds kept speedy Jerry Williams bottled up as he gained only 27 yards in 12 carries. Lockney has only to defeat Tahoka Friday night to wrap up the championship. Lockney will be a heavy favorite to whip the Bulldogs.

If they do defeat Tahoka, Lockney will meet Dimmit, District 1-AA champion in Bi-District. Lockney defeated Dimmit earlier in the year 32-0.

Matador, 13-7 victor over Spur in the opening game of the season, will meet Wheeler for the Class 4-B title tomorrow night.

The Texas Aggies are continuing to roll as they continue to top the nation in football. In a recent column, we commented on the number of Texas players Oklahoma has fielded. It is also interesting to note that Texas A&M features only three Texas boys in their starting unit. They are Roddie Osborne, Charles Krueger and John Gilbert.

If the Aggies can get by Rice Saturday, they will have the South

west Conference wrapped up.

The Spur Bulldogs did all right last week even though they enjoyed an open date. Last week they were not listed in the top ten teams on the South Plains, but this week they occupy spot number ten. Not bad for a week's lay off.

Floydada only dropped one notch after their loss to Lockney and rest in fifth position. Lockney continues to lead the AA rankings followed by McCamey and then Dimmitt. Slaton, with a 5-5 record rests in seventh place.

We thought the Green Bay Packers got robbed in their pro game with the Chicago Bears Sunday. Packer Halfback Joe Johnson caught a pass on the Bear goal-line but the officials said he did not make the catch. However, AP sequence photos proved differently, at least to our satisfaction. It appeared to us that the official was behind the play and couldn't have made a fair call on the play. Johnson protested vigorously but in vain.

**LAST WEEK'S RESULTS**

Lockney 20, Floydada 14.  
Tahoka 26, Post 0.  
Slaton 32, Abernathy 21.

**THIS WEEK'S SCHEDULE**

Post at Abernathy.  
Floydada at Spur.  
Lockney at Tahoka.

**SPUR SCHOOLS MENU**

**MONDAY**  
Barbecued weiners, buttered potatoes, English peas, hot rolls, butter, grape jelly, milk.

**TUESDAY**  
Macaroni and cheese bake, sour pickles, black eyed peas, fruit jelly, iced cup cakes, milk, bread.

**WEDNESDAY**  
Pinto beans, seasoned spinach, chilled tomatoes, peach cobbler, corn bread, milk.

**THURSDAY**  
Ham dressing, gravy, buttered rice, lettuce salad, stewed peas, cookies, milk, bread.

**FRIDAY**  
Hamburgers, cheese, green beans, potato chips, lettuce, ice cream cup, milk.

**B-Team Takes Second Win Over Lockney B-Team**

The Bulldog B-team continued its mastery over the Lockney B-team by downing them 20-13 here last Thursday night. Spur beat Lockney 6-0 in an earlier game played in Lockney.

Lockney scored first in the second quarter after a sustained drive. However, Spur came roaring back just before the half to tally as Jimmy Pronto hit Woody McArthur with a pass and McArthur scampered into the end zone. The play covered about 60-yards. The half ended with the two teams tied, 7-7.

Lockney took a six point lead in the third period after driving for a touchdown. Again Spur scored on a pass as Buzzy Jones hit Kent Morgan on a 50-yard scoring play, and the score was tied 13-13. With only 15 seconds to play, Kent Morgan broke loose and raged 40 yards into pay dirt to wrap up the game for Spur, 20-13.

The B-team had originally scheduled a game with Colorado City last Saturday afternoon, but it was cancelled by Colorado City due to illness and bad weather.

**Juniors Trip Lockney 7-6**

Spur Junior High eked out a 7-6 win over the tough Lockney Juniors last Thursday night. Lockney beat Spur 6-0 in Lockney earlier in the season.

Lockney scored first when a 15-yard penalty gave them a first down on the Spur one-yard line. They led 6-0 at the half. Spur received 80 yards in penalties in the first half of the game.

Richard Walker hit Mickey Fugitt on a five-yard jump pass to cap a 75-yard scoring drive and Brent McCain ran the extra point over to give Spur the lead, 7-6.

McCain was the leading ball carrier of the game, racking up 32 yards. Lockney crossed the 50 yard line only once in the second half of the contest.

Junior High basketball practice began Tuesday of this week according to Coach Douglas McArthur. The Juniors have a game scheduled for December 16, but in all probability will play several games before that date.

The annual Dairyman's Short Course, sponsored by the Department of Dairy Science, will be held on December 5-6. All meetings are scheduled for Texas A & M's Memorial Student Center.

**Tech Completes Home Slate With H-SU Saturday**

Texas Tech and Hardin-Simmons conclude the Red Raiders' home football schedule with a game starting at 2 p. m. Saturday.

After Saturday afternoon's contest, the Red Raiders will have one contest remaining, with University of Arkansas at Little Rock Nov. 23. Hardin-Simmons still must meet Oklahoma State and New Mexico A&M.

Tech's hopes of avenging last year's 41-14 victory by the Cowboys are slim. The Red Raiders have won only one game while losing seven. Hardin-Simmons, 4-3 for the season, has a decision over Texas Western, the team that defeated Tech earlier in the year, as well as one over Tulsa, 3-0 victor in Tech's Homecoming last week.

Hardin-Simmons downed Arizona 26-20 last Saturday. Tech out-gained Tulsa but had one long scoring drive nullified by a penalty and a potential touchdown wiped out by a fumble on the Tulsa 11.

Small grain varieties developed and released by plant breeders of the Texas Agricultural Experiment station during recent years have enabled Texas farmers to increase both grain and forage production from small grain crops. Extension Agronomist R. J. Hodges reports that 70.5 percent of the State's wheat acreage last year was planted to such improved varieties as Comanche, Wichita, Westar, Concho and Qunah.

Last year more than 6,000 4-H club boys participated in the Texas 4-H Club Tractor Program. W. L. Ulich, extension agricultural engineer, says plans have been perfected which should make possible an increase in this number. Local leaders who will guide the 4-H members will be trained in a series of district schools beginning in late November. Last year more than 400 local leaders in 204 counties were active in the program.

**Girard News . . .**

Visiting in the home of Mr. and Mrs. Cecil Hagar over the week end was Mr. and Mrs. C. V. Hagar and daughter, Kem.

Mr. Jack Hunnicutt visited his parents, Mr. and Mrs. Tom Hunnicutt a few days last week.

The Girard School had their pictures made a few weeks ago. The activity pictures came in last Thursday. The school picture will be in a few weeks.

There was a nice crowd at the football game last Friday night. It was Girard's last football game for the season. They played Jayton at Girard and the score was 49-19 in favor of Jayton.

Mr. and Mrs. Cliff Long and Janice Sue had business in Lubbock a few days last week.

We want to invite everyone out to the Girard Carnival. It has been put off from Oct. 10 to Nov. 15.

Sammy Bingham spent Friday night with Mr. and Mrs. Arthur Hollingshead.

Mr. and Mrs. Curtis Ripple visited Mr. Ripple's mother, Mrs. Myrtle Ripple, over the week end. Visiting with Mr. and Mrs. Arthur Dyer over the week end was Mrs. Lena Taylor from Lubbock. Mrs. Taylor is Mrs. Dyer's sister.

Mr. and Mrs. Carlos Dickerson are again proud grandparents. Their daughter, Connie Teague, has a new baby girl. It was born Nov. 9.

Word was received Saturday to Mrs. George Smith that her brother, Doyle Gunn, had died with a heart attack. Doyle lived most of his life in and around Girard.

Mr. and Mrs. Tom Hunnicutt and Mr. Amos Fincher were Sunday evening visitors in the Arthur Dyer home.

*Cadillac*  
PROUDLY PRESENTS FOR 1958  
**MOTORDOM'S MASTERPIECE!**

*An entirely new Cadillac classic in styling, luxury and performance!*

Seldom in Cadillac history has there been an announcement as significant as the message you are now reading.

For this is the announcement that introduces the finest motor car ever to bear the celebrated Cadillac name.

Certainly, one glance at its extraordinary grace and symmetry will tell you instantly that it is motordom's masterpiece in styling.

Its new sweep and stature, its remarkable new rear fender design, its dazzling new grille and four-headlamp system, and its tasteful use of chrome and color . . . all mark it as a singularly beautiful and majestic creation.

Surely, one look at its new Fleetwood coachcrafting will

convince you that this is motordom's masterpiece in luxury.

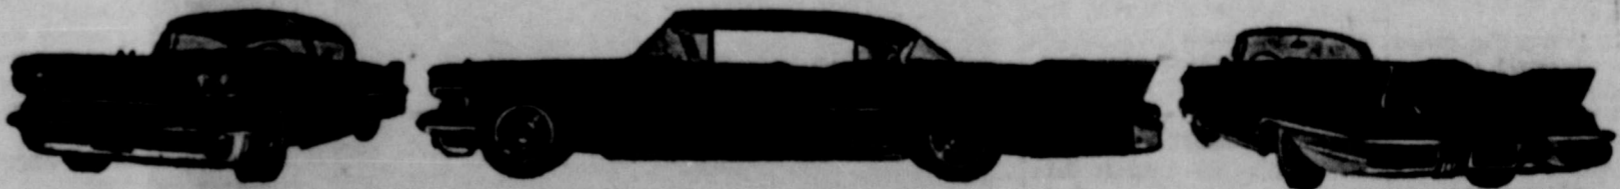

There are exciting new fabrics and leathers . . . wondrous new beauty of appointments . . . and a whole host of new passenger conveniences.

And, unquestionably, a single journey behind the wheel will reveal why this is motordom's masterpiece in performance.

There is a spectacular new high-performance engine . . . an even smoother, more responsive transmission . . . and, as an option at extra cost, the marvel of Cadillac air suspension.

It's all new—it's all wonderful—and it's all waiting for you today in our showroom.

We urge you to see and drive the 1958 Cadillac soon.

VISIT YOUR AUTHORIZED CADILLAC DEALER

**REAGAN MOTOR COMPANY**

# Hoover Motor & Impl. Co. Displays Mercury

With a big new "super Mercury" series called the Park Lane, and major styling and engineering changes in its full line of cars, Mercury for 1958 will blanket the whole medium price market with a total of 20 models. They are now on display at Hoover Motor Co.

The new Park Lane, with three models, is the biggest and most luxurious Mercury ever built. It has a wheelbase of 125 inches and it is 220.2 inches long—nine inches longer than the 1957 Mercurys.

"By extending our car line into the upper-medium price bracket, Mercury for 1958 offers a big car with matching power and performance throughout the entire range of the medium price field," said James J. Nance, general manager of Lincoln and Mercury Division and vice president of Ford Motor Company.

Matchless performance throughout the entire driving range is provided in a series of four new

Mercury Marauder overhead valve V-8 engines with horsepower ranging from 312 to 400. These new engines feature such unique engineering concepts as water-jacketed intake manifold and combustion chambers in the engine block rather than in the cylinder head.

Full air cushion suspension, which improves the ride considerably by greatly reducing pitch and other road and driving disturbances, is optional. This suspension uses air as a springing medium instead of steel, and it maintains the height of the car at a constant level regardless of number of passengers.

In a major styling change, all front end sheet metal in the 1958 Mercury is new and features a longer, lower hood which carries a graceful step up to the cowl. New sculptured fender lines blend with a heavier bumper-grille and incorporate quadri-beam headlights as standard equipment.

The biggest and most luxurious Mercury ever built—the new Park Lane series—was designed to appeal to the more discriminating buyers in the upper-medium price bracket. Striking styling features and big car size—220.2 inches long and 125-inch wheelbase—distinguish the Park Lane. Mercury will offer 20 models for 1958. The Park Lane series includes a convertible, a phaeton coupe and a phaeton sedan, pictured here.

Long, deep-channelled side projectiles with unique tubular chrome outrigger tail lights and a restyled thin roof line with narrower quarter posts and greater rear roof overhang accentuate Mercury's crisp appearance and give it a low, fast silhouette.

Living room luxury is provided in the magnificent interiors, all color co-ordinated to complement the attractive array of exterior body colors.

Four transmissions are offered, including a new Merc-O-Matic Multi-Drive automatic transmission which gives unmatched flexibility in meeting individual driving requirements or habits. Multi-Drive has three forward ranges, cruising range which meets normal driving needs, a "high performance" range for fast acceleration and hill control or low range for maximum engine braking on extremely steep grade or for extra pulling power. A hill-holder operates in cruising range, preventing the car from slipping back when stopping on steep grades. Multi-Drive is standard on the Park Lane models and optional on all others.

An improved Merc-O-Matic automatic has been designed for adaption to the increased torque capacity of the Mercury Marauder engines. It includes a stronger, welded steel converter which replaces the bolted converter used previously. Merc-O-Matic is standard in Montclair models and on wagons. Keyboard control for Voyager and Colony Park station automatic transmissions is simplified in design.

Conventional synchromesh transmission is standard on Monterey models and on Cummuter station wagons and overdrive is optional.

Mercury's top engine, the Super Marauder, has 430 cubic inch displacement and three two barrel carburetors. The other Marauder engines have four barrel carburetors. The Marauder 360 has 360 horsepower and 430 cubic inch

displacement. Two other Marauder engines with 383 cubic inch displacement have 312 and 330 horsepower. Compression ration on all engines is 10.5 to 1.

Performance and economy promised by these new engines and transmissions are supported by a rear axle ratio of 2.69 to 1 with the 383 cubic inch engines, and 2.91 to 1 with the two 430 cubic inch engines.

Engineering improvements in the chassis give a luxurious limousine ride which softens jolts and smoothes bumps over all kinds of roads. Mercury's balanced weight distribution, its lower center of gravity, its full-cushioned shock absorbers and its swept-back ball-joint front suspension all contribute to riding comfort and ease of handling.

An important chassis improvement is a new threaded bushing in the front suspension upper arm which is lubricated for life with a lithium-base lubricant. It replaces a rubber bushing.

Mercury developed self-adjusting brakes, with lining area increased to 233.38 square inches, for its 1958 cars. These self-adjusting brakes give even braking with straight-line stopping and maintain the foot pedal at a constant distance from the floor, thereby assuring maximum pedal reserve for emergency stops. They eliminate the need for manual adjustment and permit lowering the brake pedal 3/4 of an inch.

An optional speed limit safety monitor rings a reminder bell when the driver exceeds the speed he has selected on its dash-mount

## McADOO NEWS

Mr. and Mrs. Kenneth Hester and Robert A. Butler visited last week end in the home of Mr. and Mrs. Robert Toland.

Mr. and Mrs. G. D. French spent the week end at Ardmore, Okla. where they visited his mother.

Theresa McLaughlin spent last week with her father, G. W. McLaughlin. She was enroute to Maryland where she will enter the Navy as a nurse.

Mr. and Mrs. Aubrey Vaughn of Lubbock stopped last Saturday for a visit with Mrs. G. D. French.

Mr. and Mrs. Willie Phifer visited in Lubbock, Wednesday in the Bill Tooke home. Willie also attended a meeting of the directors of the Co-Op Compress.

Mr. and Mrs. Robert Toland are parents of a son, born Wednesday, Nov. 6 in Crosbyton Clinic Hos-

pital. David Butler is the name chosen for him. He weighed 8 lbs. 15 ozs. Mr. and Mrs. Robert Butler of Dallas are the maternal grandparents.

R. E. Nickels left Thursday to join Mrs. Nickels in Waco who is at the bedside of her sister, Mrs. P. R. Gilbert, who has been seriously ill, following surgery.

Mrs. Alex Lambert and Mrs. Tommy Brantley visited Saturday in Crosbyton with Mrs. G. G. Allen and Clea Nell.

T. J. Williams of Lubbock Christian College spent the week end with his parents, Mr. and Mrs. Willie Williams.

Mrs. A. W. Van Leer left Saturday for a three weeks visit with relatives in Calif.

Mr. and Mrs. R. E. Higgins spent Sunday in Lubbock, visiting relatives.

Lyndell Denis accompanied the L. S. Harveys to Spur Sunday for a visit with the Jim Christophers. Mrs. Harvey's mother, Mrs. J. Christopher, who has been visiting here accompanied them to Spur for a visit with her son, Jim and family.

When the Roosevelt basketball teams met the McAdoo teams in the local gym last Tuesday night, spectators witnessed some very good playing. The local girls team was defeated by Roosevelt who were 1957 State Champions. The local boys team was victorious.

## PURINA'S NEW LOW-COST FEEDER SAVES FLOOR SPACE... AND FEED

Give your birds all the floor space possible with Purina's new low-cost P-32 Tube Feeder.

The P-32 Feeder hangs from the ceiling. Easy to adjust for height.

It's built with a new, exclusive collar guard that keeps birds out of the feed and prevents "billing out" of feed.

AMERICA'S BIGGEST CAR VALUE—ON SALE TODAY!

# NEW 1958 MERCURY

SHOWN (above) ARE COLON PARK STATION WAGON, MONTEREY PHAETON COUPE, (center) THE MONTCLAIR PHAETON SEDAN

Only car to bring you Sports-Car Spirit ... with Limousine Ride

Mercury introduces the year's biggest advance in car performance—a combination of the superb control and handling ease of a sports car—plus the room, ride, and comfort of a limousine.

4 SERIES OF MERCURYS TO CHOOSE FROM IN '58. PRICES START JUST ABOVE THE LOWEST. The Monterey series has 5 models within easy reach of buyers of low-priced cars. For only a few dollars more, Mercury's six Montclairs give you many additional luxury features. There's a choice of six station wagon models in 3 price ranges. For magnificence unlimited, there are 3 models in the entirely new Park Lane series. And, even here, prices are surprisingly modest.

**ANNOUNCING AN ENTIRELY NEW FAMILY OF MARAUDER ENGINES WITH UNIQUE COOL-POWER DESIGN.** The great engineering advances of "Cool-Power" Design include new In-block Combustion, Water-flow Intake Manifold, 3-stage Cooling, and Cool-head Valves. Power and fuel once lost to heat and friction are put to work for you. There are three new Marauder V-8's with 312, 330 and 360 hp. They are all teamed with a new high-economy rear axle to give you more power, more mileage from less fuel.

**ADVANCED TREND-SETTING STYLING—WONDERFUL NEW DRIVING AIDS.** Mercury continues its leadership—not only in styling, but in features. For example, new Super-Safe self-adjusting brakes. New Multi-Drive Merc-O-Matic in the Park Lane series. And you can get features like a Speed-limit Safety Monitor, automatic power lubrication, and many others. We invite you to attend the first showing.

**Clark Gable Stars In First Civil War Role Since "Gone With The Wind" Classic**

"Band Of Angels," the tumultuous best seller by Pulitzer Prize winner Robert Penn Warren, author of "All The King's Men," has been made into a powerful motion picture by Warner Bros. Starring Clark Gable, Yvonne DeCarlo, Sidney Poitier and Efrem Zimbalist, Jr., the WarnerColor film premieres Sunday at the Palace Theatre.

The story, set in the South at the time of the Civil War, focuses itself on the romance of its two main characters, Hamish Bond, wealthy New Orleans gentleman and former freebooting slave-runner. He is portrayed by Clark Gable in his first Civil War role since his memorable Rhett Butler in "Gone With The Wind." Opposite him is Yvonne DeCarlo who plays a Southern aristocrat who falls to the lowest depth of degradation known to her society, and finally is taken in by Gable and made mistress of his house.

Filmed in the actual locale of the story, Baton Rouge, Louisiana, the film boasts many authentic Civil War settings. An ante-bellum plantation mansion, The Cottage, serves as Gable's upriver home. The mansion today is still owned by members of the original family which built it in the 1800's. A river boat, the Gordon C. Greene, said to be the largest packet boat in the world also plays an important role in the story.

Sidney Poitier who played one of the exciting ring leaders in "The Blackboard Jungle," is seen as Rau-Ru, the former slave leader who joins the Union Army and returns to kill his former master.

Winterizing the home can cut fuel bills and add to the winter comfort of the family. W. S. Allen, agricultural engineer, says a good place to start the job is with the doors and windows. The addition of weather stripping to these exposed outside openings will reduce heat losses. Insulating the attic is a heat saving practice and next summer the insulation will help keep the house cooler.

**Spur Harmony Club Plans Contata**

The Spur Harmony Club met Tuesday evening at 7:30 in the First Baptist Church, for a program of band music presented by Mr. Norman Arnett and several of his high school band students. The theme of the program "Texas Composers" was carried out in music by Texans and music for Texans.

Following the program the group filed out to the Education Building for refreshments of lime sherbet and cookies, served by Meses. Jack Moore, June Lackey, Ruth Ensey, Callie Mae Reese and Pat Rickels.

Mrs. Rickels presided over the business session for discussion of the Christmas Cantata and the group voted to enter a float in the Christmas parade, Dec. 10th.

The club also was given a report from June Lackey and Billie Nunley on the Convention held at Seagraves Nov. 8. These two members represented the club at this convention.

Guests present were: Meses. W. M. Capeland, E. H. Martin and Bill Henry. Members present were: Meses. C. L. Berry, W. K. Callan, Jerry Ensey, John Floyd, W. W. Gunn, Joe Harrison, Grady Lackey, Jr., Douglas McArthur, Jack Moore, Bob Nunley, J. C. Reese, Judon Rickels, Doug Robison, Tommy Kinsinger and Miss Carolyn Geiger.

**Practice Right Music Club Holds Meetings**

A division of the Practice Right Music club met in the home of Mr. and Mrs. C. C. York November 10 at 3:30 p. m.

Students who played piano solos, duets and hymns were, Roger Favor, Betty Parker, Dorothy and Frankie Harrison, Carol and Beverly Johnston, Linda McAtear, Allana Cartrite and Deborah Wall. Kathy Favor was unable to be there on account of illness.

Refreshments were served by the hostess.

The Junior Practice Right Music club is under the direction of Mrs. J. E. Berry. All students are being prepared for the Federated Junior Festival as well as the National Guild of Piano playing auditions which will be held in Spur May 8.

Another division of the Practice Right Music club held its meeting in the home of Mrs. J. E. Berry November 6 at 7:30 p. m. Students who played piano, organ and accordion were: Larry Martin, Janie Kay Ensey, Barbara Martin, Ernestine Dunaway, Rickie Jackson and Cindy Walker.

Refreshments were served by Mrs. Everett Martin.

**Local P-TA Holds November Meeting**

Tuesday afternoon the November meeting of the East Ward P-TA was held and was well attended.

The assembled members were entertained by a two-part program. The first part consisted of two musical groups: a girls quartet from High school under the direction of Norman Arnett. The girls were accompanied by Linda Waggoner. They sang "Tammy" and did a fine job. Also directed by Norman Arnett was the Junior High school choir, some 55 strong. They sang, "I Love To Whistle," "Pagan Love Song," "The Merry Widow Waltz" and "The Battle Hymn of the Republic," accompanied by Carmen Starcher.

The second part of the program was commemorating National Book Week. The sixth grade students dressed in the part of a character from a book they had read. Some of the costumes were very original.

The business meeting followed and a discussion was held concerning the sponsorship of a Boy Scout Cub Pack. Mrs. Fike Godfrey gave a talk outlining what sponsoring such a group would involve. The members voted to sponsor the pack. A training meeting was announced for Sunday afternoon at 2 p. m. by Phillip T. Pegues, field director of the South Plains Council of Boy Scouts.

Following the business meeting, refreshments were served.

**Local Women Attend Regional Sorority Meeting In Lubbock**

The Delta Kappa Gamma Society Regional Meeting was held in Monterey Senior High School, Lubbock, Texas on Saturday, November 3, 1957. Local members of Gamma Eta Chapter attended.

Directors for the meeting were: Miss Jewell Foster, Chairman, State Committee on Selective Recruitment and Miss Layuna Hicks, Chairman, State Committee on Publications and Editor of The Lone Star News, a monthly publication of the society.

The theme of the program was "An Informed, Participating Membership." This was discussed on the international and state level with emphasis on the conference which was held in Hawaii last summer. The legislative program was discussed on the state level with special attention being given to the amendments which will be voted on next year. It was stated that committees to study educational programs will be set up in each county and local patrons will participate in this study.

Mrs. Evelyn Lowrey, Crosbyton, gave the program, "Professional Growth and Living a Productive Life," for Gamma Eta Chapter.

Following the program, a luncheon was held in the cafeteria of Monterey Senior High School with Mrs. Trula Maud Jettou presiding.

An address was made by Miss Layuna Hicks.

Members of Gamma Eta Chapter who attended were: Mrs. Norma Barkley and Mrs. Dorey Wells, Sr., Ralls; Mrs. Stella Bowman, Lorenzo; Miss Margaret Elliot, Spur; Mrs. Clark Forbis, Afton; Mrs. W. C. King, Roaring Springs; Mrs. Evelyn Lowrey, Crosbyton; and Mrs. Jessie Thomas, Paducah.

**D. L. Pace's Feted On Anniversary**

Mr. and Mrs. Donnie Pace celebrated their 35th wedding anniversary on Sunday, October 27 with open house given by their daughter, Mrs. Loyd Rhinehart of Hobbs, New Mexico, who stood in the receiving line with them to greet their guests throughout the afternoon.

La Donna Rhinehart presided at the guest book assisted by Mrs. Bobbie Slack of Plainview. Ninety-two guests registered and 119 others sent gifts. Cake, punch and coffee was served from a lace covered table decorated with maroon chrysanthemums. Other flowers of the season were used throughout the house. Gifts were on display in a room adjoining the entrance.

Those attending from out of town were: Mr. and Mrs. Earnest Davis, Lubbock; Mr. and Mrs. Bobbie Slack, Plainview; Jo Lambert, Hobbs, N. M.; Orwin Lambert, Monument, N. M.; Mr. and Mrs. Beecher Martin, Buster Bob, Rickis and Janis, Lovington, N. M.; Mr. and Mrs. Fred Arrington, Harper Williams and Mrs. Ava Johnson, Dickens; Mr. and Mrs. Loyd Rhinehart, LaDonna, Lorita and Ike, Hobbs, N. M.

Co-hostesses were Ava Johnson, Ivy Slack and Effie Jones.

One out of seven or about 7 percent of Texas' population is composed of persons 65 years of age or older. In rural areas, the percentage is even higher, says Reagan Brown, extension rural sociologist and their needs are of growing interest.

**Soldier Mound H D Club Meets With Mrs. John Bachman**

The Soldier Mound H D Club met in the home of Mrs. John Bachman, November 7 at 2:30 p. m. In recreation, Mrs. John Aston won the nickel game prize and Mrs. Jim McArthur won the game prize.

Mrs. Bachman gave the demonstration on the making of Ritz cracker pie which she served to the following members: Meses. Hade Condron, John Aston, Floyd Barnett, Ollie Hindman and Dec McArthur. Mrs. Jim McArthur and Mrs. W. M. Buskey, visitors.

**Ladies Auxiliary Meets Tonight**

Mrs. E. B. Blumberg, president of District 7 Ladies Auxiliary to the Veterans of Foreign Wars, and Mrs. Travis Hoover, senior vice president of Spur Auxiliary, will report on the District Convention when Auxiliary 7212 meets tonight in the Post Home.

All members are urged to attend and hear this report on the district.

There will be one application for membership to be voted on.

**Local Women Attend Club Convention**

District 7 of Texas Federated Music Clubs held its convention on November 7-8-9 in Seagraves. The year book of the local Harmony club won first place.

Those attending from Spur on Friday were Mrs. Grady Lackey and Mrs. Bob Nunley. Mrs. Nunley sang a solo accompanied by Mrs. Lackey and Mrs. Nunley also served on a panel discussion.

**Haile-Lindsey Vows Read**

Mr. and Mrs. Fred C. Haile announce the marriage of their daughter, Annetta, to Chester L. Lindsey, son of Mr. and Mrs. C. L. Lindsey of Atoka, Oklahoma.

They were married September 28 in Carlsbad, New Mexico, and are making their home at 906 Missouri Street, Midland, Texas where Chester is employed by a wholesale grocery firm.

**Daniel Designates Nov. 15 Through December 24 'Christmas Seal Days'**

Governor Price Daniel today asked Texans to remember that the fight against tuberculosis continues in Texas.

In proclaiming the period November 15 to December 24 "Christmas Seal Days" the governor stated that "Modern drugs, medical science and better living conditions have lowered the once-terrible death rate of tuberculosis in Texas, but there has been no such decline in the number of new tuberculosis cases found each year."

"It is estimated that 22,000 people in our state have active tuberculosis. In the nation in 1956, 100,000 new cases were discovered. Every five minutes, another Amer-

ican falls prey to tuberculosis, and last year 15,000 persons died of this disease."

The governor signed the Christmas Seal proclamation in the presence of Miss Carolyn Calvert of Austin, Miss Christmas Seal of 1957. She also bears the title, Miss Texas. Miss Calvert is the daughter of Supreme Court Justice and Mrs. Robert W. Calvert, and her mother has long been active on the board of the Texas Tuberculosis Association. This and local tuberculosis associations over the State are supported by the annual sale of Christmas Seals. Seals will be in the mails November 15.

**IT'S THE LAW**  
in Texas

Easier handling of the estates of deceased persons, and at less cost, will result from laws recently passed by the Texas Legislature.

During its regular session in early 1957, the 55th Legislature enacted a number of amendments to the Texas Probate Code. The changes became effective on August 22nd.

Here are a few of the new provisions:

1. Some of the notices issued in probate proceedings may now be served by Certified Mail. Formerly the law required service by Registered Mail, which is more expensive.

2. The amount of bond required of an executor or administrator has been reduced under some circumstances. The estate will thereby save on bond premiums. The old law required a bond to be double the value of all personal property in the estate, even if issued by a corporate bonding company. Now a corporate bond need only match equally the value of the property.

3. Sometimes it is desired to use a bond signed by individuals rather than a bonding company. The old law required these individuals to own real property worth double the value of the estate. Personal property could not be considered. The new law allows personal property to be used in qualifying as a bond signer. However, the two-for-one requirement is retained on this type of bonds.

4. The old law providing for compensation of the executor at not less than two and one half percent of the value of the estate has been eliminated. Now this compensation is left for the courts to fix on some reasonable basis—this will mean lower costs to many estates.

5. Where a husband or wife is adjudged mentally incompetent, the other spouse now acquires full control of the entire community estate.

**AT PRESENT RATE . . .**

**50% Of Elementary Age Children To Be In Auto Wreck Before 21**

"At the present rate, nearly half of the elementary school children in Texas will be involved in a motor vehicle accident before they reach the age of 21," J. O. Musick, General Manager of the Texas Safety Association, made this statement today as he discussed the forthcoming Lubbock Regional Safety Conference.

TSA and the Lubbock Citizen's Traffic Commission are joint sponsors of the one-day meeting, which will be held Thursday, November 21, in the Lubbock Hotel.

"Statistics, compiled by various authorities who are connected with the traffic problem, show that traffic accidents are the No. 1 killer of Texans from age 1 through 24. And, it is the second most deadly menace in the lives of the 25-65 age group," Musick said.

He also said that, in 1956, slightly more than seven persons died on the streets and highways of our state each day—plus an average of 305 who were injured in a total of 625 accidents.

"Highways, however, are not the only area where safety prac-

tices need increasing," Musick stressed. "More safety is needed in our homes, in industry, at schools and on the farm or ranch. Each one of these areas present unique safety problems."

Of the Lubbock conference he said that many sincere safety experts had banded together in planning the program.

"We do not claim to have all the answers, but we do believe we have enough answers that everyone who attends the conference can add immeasurably to his knowledge of safety," Musick said.

Registration for the conference will begin at 8:00 A. M. on the mezzanine of the Lubbock Hotel.

The day's activities will conclude with Lubbock's annual Police Appreciation Banquet, Thursday evening, in the Coliseum.

Mr. and Mrs. Rudolph Burrow were week end visitors in their parent's home, Mr. and Mrs. George Smith, and Mr. and Mrs. O. C. Burrow.

**Juvenile Departments Seek To Make Good Citizens Out Of Delinquents**

By Judge Sarah T. Hughes  
(Ed. Note: This is one of a series of articles on the state's growing problem of juvenile delinquency by one of Texas' foremost authorities on the subject, District Judge Sarah T. Hughes of Dallas, who has handled more than 25,000 juvenile and family relations cases, along with an even greater number of other civil cases in 22 years on the bench. "Family law is probably the most important phase of the law," says this internationally known jurist, whose work has been honored throughout the United States and in Europe as well, and whose name was put in nomination for vice president of the United States in 1952. A discussion of a different aspect of the problem will appear every other week.)

To make juvenile delinquents into worthwhile citizens as well as to protect society should be the aim of present-day Juvenile Departments.

Society has come to realize that there must be a positive program of rehabilitation rather than a negative one of revenge if we are to carry out our responsibility to boys and girls.

Such a program requires the active cooperation of the judge, juvenile officers, social agencies, and the community as well.

The judge, in order to carry out his part in the program, must know as much about the child as possible. Before the trial, a thorough investigation is made by a juvenile officer of his background at home, in school, and in the community. What other offenses has he committed? Is he a discipline problem in school? Does he play hooky? Has he been giving his parents trouble—staying out late, going with the wrong boys?

**Kalgary News . . .**

Mr. and Mrs. H. E. Fisher and Mr. and Mrs. Darrel Fisher and Gregg visited Friday with Mr. and Mrs. Merton Fisher and Gay of Lubbock.

Mr. and Mrs. C. P. Witt moved to their new home in Spur Saturday. They purchased the C. O. Fox home some time ago and have been planning this move.

Mr. and Mrs. C. Parsons of Spur were dinner guests Wednesday of Mr. and Mrs. Ralph Parsons, Freda, Barbara and David.

Mr. and Mrs. Bud Harris, Wayne, Helen and Larry visited Monday with Bud's parents, Mr. and Mrs. W. A. Harris of Espuela and with Mrs. H. C. Parsons and Tom of Spur.

Mrs. C. P. Ray, C. P. and Patsy spent the day Sunday in Lubbock. Mr. and Mrs. Homer Robinson were guests in the Doyle Young home in Lubbock, Monday.

Mrs. Herman Morris of McAdoo visited Monday with Mrs. Waldo Havens.

Mr. and Mrs. Arthur Humble, Dean and David of Lovington, N. M. were Saturday night supper guests of Mr. and Mrs. Bud Harris and children.

Mrs. Lena Hinson visited Mrs. Roy Cowan Monday morning. She reports Mrs. Cowan is recovering from the flu.

Patsy Kurvin visited last Saturday with Barbara Parsons.

There was 27 in Sunday school and 33 for church service Sunday morning. Sunday night there was 24 for Union and service Sunday night. We are really proud of this

**Letters to the Editor...**

**Ralph Writes . . .**  
Dear Fellow Texans:

Despite the opposition of Agriculture Secretary Ezra Taft Benson, at last the funds to rebuild wind and flood damaged farmlands will soon be trickling into Texas.

Jack Bradshaw, acting State Administrative Officer for the Agricultural Stabilization and Conservation Committee, told me today that \$27,500 has been approved in Washington for rebuilding Bowie County soil damaged by Red River floods last spring.

This is not much of the \$20 million appropriation, but it is only one county and is enough to get the work started. Farmland damage in Bowie County has been approximately 10 percent.

Mr. and Mrs. Bud Harris and children visited last Sunday with Loyd Parsons of Breckenridge. Mr. and Mrs. Ralph Parsons and David visited Thursday with Mrs. H. C. Parsons and Tom of Spur.

**USE THE CLASSIFIEDS  
THEY GET FAST RESULTS**

praised at \$492,923, and Mr. Bradshaw says that consideration will be given to allocation of more funds for that county in January.

Meanwhile, applications from Brazos and Kaufman counties for these soil rebuilding funds are now being processed, and other Texas counties should be soon receiving this flood and wind erosion disaster help.

Mr. Bradshaw has asked me for a breakdown of the acres of flood and wind erosion damage in each Texas county, and it is being prepared.

The State ASC Administrator plans to resurvey the entire State with particular emphasis on these areas where considerable soil damage has been reported. Thus, farmers and ranchers will be given new information on how to work with their local agriculture officials to make application for these funds.

Soil conservation authorities tell me that if Texas farmers do not rebuild their damaged farmlands, it will be many years before the Texas farm economy can return to normal. I worked on this \$20 million appropriation to help get Texas farmlands back in condition. Those whose land has been damaged should ask their local ASC representative or county agriculture agent about making application under the program.

**NEW 58 FORD**

Proved and approved around the world!

**NOW AT GODFREY MOTOR CO.**

The whole wide world was its test track! Yes, the 58 Ford is the car that circled the world and conquered every conceivable kind of driving condition from mountain snow to desert sand to monsoon mud. This is graphic proof of the stamina and dependability and driveability that are yours in the 58 Ford!

And what about Ford's style for 58? Well, the French summed it up in one word—"magnifique!" From Honey-combed grille to Safety-Twin taillights the 58 Ford is a steel-sculptured beauty that'll win your heart like it won hearts around the world.

Power? Ford's got it plenty! And it's economical power, too. Three brand-

new Interceptor V-8's feature Precision Fuel Induction to squeeze the utmost from today's modern fuels. Team an Interceptor powerhouse with Ford's versatile, all-new Cruise-O-Matic Drive and you can have savings of up to 15% on gasoline.

And there's so much more that's new in the 58 Ford. . . Magic-Circle steering, for example, to make your steering leather-easy. . . and optional Ford-Aire Suspension for the newest in a true air ride to really cushion road shock—give you the best ride ever!

But don't just take our word for it. Come in and see and try the 58 Ford. Do it today!

**58 FORD**

THERE'S NOTHING NEWER IN THE WORLD

**Library Notes . . .**

The Library committee wishes to thank Mrs. Harvey Holly for the books given to the Library. These books were given in the name of her mother and sisters who were early day residents of Spur.

There also are some other new books in the Library. They will be ready for use this week. One new book is Kane's The Gallant Mrs. Stovall. Several new Science fiction books are ready for use too.

Mrs. Ludy Dane of Lubbock, Mrs. L. Joe Hill of Munday and Aubrey McGaughy of Amarillo returned home Sunday after spending a week with their mother, Mrs. Sam McGaughy who has been in the Spur Memorial Hospital. Mrs. Ivan Bryant of Houston was here two weeks with her mother.

**BUSINESS OPPORTUNITY**

Reliable party, male or female to service a route of CIGARETTE machines. Full or part time. Up to \$270.00 per month to start. \$945.00 to \$1890.00 cash required which is secured. Please do not waste time unless you can secure the necessary capital and are sincerely interested to eventually operate a \$30,000 annual net business. Give full particulars, phone number. Write Atlas Enterprises, Inc., 428 East Encinitas Blvd., Hopkins, Minnesota for information and interview.

# Roaring Springs

Mr. and Mrs. Jack Chastain and children of Plainview were Sunday guests of her parents, Mr. and Mrs. S. D. Hunter.

Mrs. Dona Payne returned Wednesday from a visit in Plains with her daughter and family, Mr. and Mrs. Ray Carmen.

# Girl Scouts . . .

The Dickens County Girl Scout council is sorry to report the resignation of Mrs. Jo Ann East as leader of Troop XII. She has moved with her family to Ft. Worth. At present Mrs. Ben Overstreet is acting as leader for this troop.

**TROOP XIV**  
Because of illness and bad weather the members of troop XIV did not meet on the scheduled day this week but at the meeting next week they will continue plans for making Christmas gifts. These plans were started two weeks ago.

**TROOP XII**  
The girls of Brownie Troop XII met on Wednesday November 6. Mrs. Corder, troop mother, assisted Mrs. Overstreet as acting leader to direct the girls in making gifts of felt material. They also made plans for making other gifts.

**TROOP XIII**  
The Brownies of Troop XIII met on Wednesday, November 6, at the regular time. Secrets were discussed and each girl drew a secret of her own use from the Secret Bag. Spool cat-tails are growing by inches. Girls who lost out last time in making the seed-pod birds, made one this time.

The troop members were sorry to know that Betty Hinson has been ill and in the hospital. During the last part of the meeting games were played.

# Dry Lake News

On Wednesday, November 20 at 5:30 p. m., the Dry Lake church will honor their pastor, Rev. and Mrs. Raymond Smith and son, Al-an, with a Thanksgiving supper at the church. Each member is requested to bring a basket lunch. Rev. Smith has resigned as pastor of the church and will go to Lamesa.

Mr. and Mrs. Orville Boothe and daughter, Mr. and Mrs. Pual Mar-

Mrs. J. L. Karr spent Saturday night and Sunday morning with her sister, Mrs. Sally Shockley in Spur. They attended church Sunday morning.

Those taking dinner with Mr. and Mrs. Ivy McMahan Thursday were her brother, Mr. and Mrs. Lee Delisle and daughter, Mrs. Fern Gardner and two children, Nancy and Dee, all of Grand Junction, Colorado, and their daughter Mr. and Mrs. Archer Powell.

Mrs. Dan Pritchett reported their son's wife, Mrs. Cleston Pri-

chett and daughter, Kathy, had landed in Amsterdam, Holland, for a visit with her parents.

Mr. and Mrs. Virgil Wilson visited for a while Friday night with Mr. and Mrs. Lem Parsons.

Miss Barbara Wright was confined to her bed several days last week with the flu.

Rev. and Mrs. Raymond Riley and daughter, Elaine, were recent guests of Mr. and Mrs. Coy Dopson Sunday for dinner.

Mr. and Mrs. Loyd Ball and children of Lamesa had Sunday dinner in the home of his parents, Mr. and Mrs. W. E. Ball, Mr. and Mrs. Don Ramsey and children were also present.

The Kenneth Coursey family with the exception of Mrs. Coursey, all had the flu last week.

Mr. and Mrs. Emory Roberson and children, Becky and David, were guests of Mr. and Mrs. Lem Parsons Sunday. The Robersons are from Floydada.

Mr. and Mrs. John Aston attended the singing at the Bethel church in Spur Sunday afternoon.

Miss Dorothy Powell from Texas Tech visited her parents, Mr. and Mrs. Archer Powell last week end.

Mr. and Mrs. Russell Williams attended a Commissioner's convention in Laredo last week.

Mr. and Mrs. Arnold Rathael of Crosbyton are the parents of a baby girl. Mrs. Rathael is the former Duffy Jean Austin.

Mr. and Mrs. Frosty Estep are visiting their parents here this week. Mr. and Mrs. Russell Williams and Mr. and Mrs. Cecil Estep.

Mrs. Uldeen Robinson is real sick this week. We wish her a speedy recovery.

Linda Coursey spent Sunday with Jan Parsons.

Mrs. T. N. Morgan spent last week in Colorado City with her daughter, Mr. and Mrs. Virgil Moser and granddaughter, Lurline.

Mrs. Thelma Calvert had her children home Sunday. They were Mr. and Mrs. James Reast and children of Brownfield, Mr. and Mrs. Rex Smalden and girls, Ann and Karen Kissinger of Lubbock, Miss Strela Calvert of Abilene, Mr. and Mrs. Charles Forbes and children of Spur and Mary Jo, Le-land and Billy Ray of the home.

Mr. and Mrs. Guy Karr and son, Danny, drove his mother, Mrs. J. L. Karr home from Spur Sunday afternoon and visited awhile. Also visiting in the home of Mrs. Karr were Mr. and Mrs. Harold Karr and Sandra, Mr. and Mrs. Toby Collett, Carol Stark and Mr. and Mrs. Donnie Duboise of Jay-ton.

Martha Ann Campbell spent Friday night with Patsy Powell.

Mr. and Mrs. Joe Kidd called their daughter, Mrs. Ruben Waddell Friday night from Shafter, Calif. Her father, J. H. Turner is resting about the same.

Mrs. Austin Watson and her mother, Mrs. Murl Foreman, went to Lubbock Monday.

Mr. and Mrs. John Albin and son, Johnny, and Mr. and Mrs. Burford Johnston visited for a while Sunday in the home of their father, Mr. and Mrs. E. J. Lasset-ter.

Mr. and Mrs. Lon Bass spent Sunday afternoon with their daughter, Mr. and Mrs. Sam Gannon. Jan Parsons spent Monday with Linda Coursey.

Mr. and Mrs. Charles Collins visited her father, Mr. and Mrs.

"THEY'RE CATCHING ON, BUT THEY CAN'T CATCH UP." That's how lots of people feel about the "new 1958" cars that are trying to match the Dodge Swept-Wing look. These other cars have been lowered some, but still seem high and boxy by comparison. A few are "catching on" to fins, but they're years from

"catching up." And the air suspension offered by some cars (at well over \$100 extra) can't compare with the sway-free, dip-free ride of Dodge Torion-Aire (standard equipment on all models). So on your way home from someone else's new car showing, stop in and compare it with Swept-Wing 58 by Dodge. You'll see what we mean.

See Swept-Wing 58 by Dodge at Alvin Jones Motor Co., 124-128 E. Harris, Spur, Texas

### FANCY THAT!

by WALDMAN

FOR SAFETY'S SAKE ROMAN LAW DECEED NO CHARIOT SHOULD BE DRIVEN FASTER THAN A DAME CAN FLEE.

AUTO TRIM OF INDESTRUCTIBLE STAINLESS STEEL GIVES NOT JUST BEAUTY BUT SAFETY TOO. IT ALSO PROTECTS THE CAR FROM DENTS AND SCRATCHES AND IS HIGHLY VISIBLE AT NIGHT!

AN OLD KANSAS LAW PROHIBITED NIGHT DRIVING "EXCEPT IN SUCH VEHICLES AS ARE EQUIPPED WITH TWO LANTERNS IN THE REAR AND TURNERS ON EACH SIDE, SAID VEHICLES TO BE PRECEDED BY A HERALD ON FOOT!"

Russell Williams Sunday. The Collins are from Lubbock.

Rev. Raymond Riley gave two good lessons Sunday at Foreman Chapel church. Thought from the lesson Sunday night was Temptations of Christ.

Karen Kissinger of Lubbock spent Saturday night and Sunday with Kathy Williams.

Jimmie Draper of Seagraves spent the week end in the home of his parents, Mr. and Mrs. Ellis Draper.

Mrs. Bob Dixon visited Mrs. R. D. Hill and her mother, Mrs. Della Merriman Thursday afternoon.

Dwayne Gannon spent Sunday with Sheldon Parsons.

Miss Nancy Pritchett of Plainview visited her parents, Mr. and Mrs. Dan Pritchett last week end.

The Spur Circuit Family night had their regular meeting Monday night at the Methodist Church in Dickens.

The president, John Sharp called the meeting to order at 7:30 with group singing and a prayer by Mrs. Coy Dopson. There being no guest speaker the business was attended to and the churches agreed to pay the utility bills and put a new roof on the parsonage. The work will be done as soon as the weather permits.

The women served coffee, cocoa and cake for refreshments. The next meeting will be at Duck Creek Monday, December 2 at 7 p. m. Dickens will furnish the guest speaker. Dick Wright gave the benediction.

Mrs. John Callihan is back home after more than a week in the Spur hospital. Seems flu cases are not so numerous in the community at the present.

## TELEPHONE TALK

by Jim Garrett, Manager.

### FALL IS HERE

If you've attended the Spur Bulldogs football games lately you will be quick to agree with me that fall is here and winter is just around the corner. Blankets, heavy coats, ear muffs, and gloves mark-ed what I called a pretty cool night, however, an interesting game can make you forget your discomforts.

The same is true in the early morning duck hunter who has plenty of birds to shoot, but let him have to sit and wait, then the cool air starts coming through those extra garments.

Did you know you can enjoy your telephone service twice as much if you have a "Complete Telephone Served Home?" By this a mean only one telephone in a home which was a luxury a few years ago is really an inconvenience today.

Why don't you call our business office, CR2-4222, and let us help you complete your telephone service. Right now in the fall of the year is the time to call.

### A THOUGHT FOR THANKSGIVING

Remember that old Thanksgiving song, " . . . over the river and through the woods, to Grandmother's house we go?"

A short, sleigh-ride was all it took to get to Grandmother's in those days. Today, it seems as if everyone lives so far away—even when we travel by car.

This Thanksgiving, why not go "over the river and through the woods" the modern way — by telephone.

True, we won't be there to enjoy that wonderful food — the golden-brown, stuffed turkey, the cranberry sauce, the homemade bread and rolls — but we can gladden the hearts of those dear to us with a phone call.

Long Distance is a wonderful, personal way to visit during the holidays. Low Station-to-Station rates make Long Distance economical, too. And remember, call by number — it's twice as fast.

### COLOR FOR CHRISTMAS

Christmas may be a month or so away, but the way time flies it's not too early to begin making out your gift list.

To match this colorful season of the year, telephones in color are an ideal gift — particularly for relatives or close friends who have only one telephone in their home.

A handy additional phone in color will be a gift they'll remember all-year long as it makes their telephone service more convenient, more useful — and more colorful.

Why not call the telephone company today to learn how easy it is to give a telephone in color.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

**FOR SALE:** Bundle feed and double stone wash tubs. Call CR2-4509. 2-ctfn-11w

## Elimination Of Candy, Soft Drinks, Would Bring Better Dental Health

Ridding school lobbies and cafeterias of soft drink and candy vending machines would be one of the most important contributions school officials could make toward better dental health for children.

While the full relationship between diet and dental caries has not yet been firmly nailed down, researchers are in agreement on this: sugar—including that in candy and soft drinks—is a distinct factor in the process of decay.

Practically all pastries and confections contain quantities of sugar. A candy bar may have five to 20 teaspoonsful; a piece of cake has 15; a bottle of pop three to five.

We Americans consume 10 times as much sugar per person as our great-grandfathers did 100 years ago. We use three times as much as we need for energy requirements.

Not only does sugar intake provide fertile food for acid-producing bacteria, but it also spoils the youngster's appetite at mealtime. Saliva furnishes a buffering action against ordinary amounts of sugar taken into the mouth at mealtime. But if a person nibbles on candy or cookies several times daily between meals, saliva cannot cope with acid buildup.

This applies to adults as well as to children, but it is more meaningful to youngsters since habits they learn in youth carry over into maturity.

The significance of a diet low in refined carbohydrates has been pointed out in recent university studies. Dental patients kept on such a diet for a certain period of time show a sharp reduction of acid-producing bacteria in the mouth.

After successfully concluding treatment for their dental ills, these same patients were able to return to a diet with moderate amounts of carbohydrates and yet remain relatively free of dental disease.

The State Health Department now has a service whereby saliva specimens may be submitted to be checked for decay-causing organisms. When the laboratory analysis is completed, the Department will recommend a diet designed to overcome those organisms. The service is available only through practicing dentists, and is intended for adults and children highly susceptible to dental decay.

Some people are able to eat lots of sweets and still be immune to dental disease. The answer seems to be that something in the mouths of such people is lethal to acid-producing bacteria. An estimated three percent of the American population is caries-immune.

Walk into almost any public school in Texas and chances are you will see bright-hued dispensers of dental decay. Until they are replaced with milk dispensers, our talk of good dental health for children is meaningless.

**WANTED**

**WANT TO BUY, or would lease.** Mixed land farm with grass acres. L. D. Cravey. 4-ctfn-14w
