## Spur Gins in Good Condition

### MATADOR FOLKS HERE IN INTEREST OF COUNTY FAIR

A number of business men of Matador, together with their band and the Ukelele Girls, were in our city Monday afternoon advertising the Motley County Fair, which will be held September 30th and October 1. There were about twenty cars in the train carrying between eighty and a hundred people. They spent about forty minutes in our city distributing souvenirs, cards and other advertising to our people.

The band, which is under the direction of G. Ward Moody, played a number of fine selections. The Ekelele Girls, who are directed by A. Watson, gave a number of songs with ukelele accompaniments. All of these were enjoyed by our people.

Among those who were in the company were C. L. Glenn, former County Judge of Motley County, A. J. Spangler, City Superintendent of Schools; W. T. Patton, former County Clerk; Atty. Farris Fish, former County Attorney; Fred G. Simpson, druggist; P. E. Knight, salesman; T. B. Edmondson, merchant, and Mesdames E. W. McKenzie, U. L. Willie and Claud Warren.

These live wires extended invitations to the people of Dickens County to attend their fair this year. They report they will have a good one, and promise us a good time if we are there.

### Seymour Banker Accidentally Shot

Will Brittan, president of the Farmers State Bank of Seymour, was accidentally shot Friday afternoon and died within a short time. He and his wife were out bird hunting and he had left his car to shoot a bird. After returning to the car he placed his gun in it and got in and closed the door. In some manner the gun was discharged and the load took effect in his neck and face.

Mr. Brittan had been a resident of Seymour about thirty-two years. He went into the Farmers State Bank as cashier, which place he served faithfully and efficiently. A few years ago he was elected president of the bank and was filling that position at the time of his death.

He was an old time friend of Mr. and Mrs. P. A. Ramsey of this place.

Mr. and Mrs. Jim Cooper, of Matador, passed through our city enroute home from Temple where they have been for Mrs. Cooper's health.

### BAPTIST ASSOCIATION NOW IN SESSION

The Dickens County Baptist Association convened with the First Baptist Church at Spur yesterday morning with a good representation from all the churches. There were about fifteen churches in the Association and all of them were represented at the meeting yesterday morning.

The work of organization and election of officers was first on the list of business. Rev. A. P. Stokes, of Afton, was elected moderator for the ensuing year. J. L. Karr, of Espuela, was elected associational secretary, and Rev. Victor Crabtree, of Friendship was elected clerk.

Dr. R. C. Pender, field secretary for Buckner's Orphan home, spoke to the association at the eleven o'clock hour about the orphans. He made a strong appeal to the churches to stand by the orphanage and to see that the children were not neglected. Dr. W. H. Duncan, assistant secretary to the state board, spoke to the association in the afternoon. His subject was the needs and work of the state board.

There was a very fine meeting at the evening session. There was a social time at the close of the meeting which afforded people an opportunity to get acquainted and to meet each other.

The association is still in session today. The morning will be taken up with reports and the afternoon will be devoted to Womans Work and the board meeting.

### FALLS; DISLOCATES SHOULDER

Mrs. J. E. Johnson fell Tuesday evening and caught on her right arm in such a manner as to dislocate the shoulder joint. Dr. Nichols was called and replaced the dislocation, and she is resting well at this time.

Rev. and Mrs. W. H. McClellan, of Weatherford were here this week visiting their sister and brother, Mr. and Mrs. C. E. McClellan. They had not seen each other in eight years and they enjoyed a great time while here.

Mrs. Florence Enloe, of Iowa Park, is now assisting with the work at Nichols Sanitarium. Mrs. Enloe has been with the Iowa Park Sanitarium a number of years before coming to our city and is a graduate nurse.

### Bob Lea, Formerly of Spur, Building Fine Building in Midst of New Odessa Oil Field

The following is the reproduction of an article which appeared in the Odessa News in regard to one of Spur's former citizens:

Among the younger successful business men of the state who have placed their faith and capital in Odessa, is Robert E. Lea, of Spur, who now has under construction the Bob Lea building, located next door to the Citizen's National Bank, in the heart of the business district.

This building has an approximate cost of \$40,000 to form one of the best structures in the city.

Of fire-proof construction, it covers a space of 50x80 feet. The building is being divided into space for two firms with the entire upper story to be given over to a suit of twelve modern offices, suitable quarters for oil and professional men.

One side of the floor space of the building, which is being constructed of pearly brick, stone trimmed, with handsome show cases fitted with plate glass, faced with copper, will be given over to the L. & H. Drug Company in which Mr. Lea is interested.

Already telegrams and letters from prominent business men from different points throughout the United States have been pouring in to Mr. Lea in regard to a lease on the downstairs spaces, another proof of the belief in Odessa's future.

This young man, who is still in his early thirties, has enjoyed a most successful financial career, reaching financial affluence during a period covering a brief span of years.

He was born in Archer City, and after later engaged in the automobile business there for a period of seven years. Starting with a small service station, his business grew rapidly until it became one of the largest concerns in that county and at the time of its sale at a liberal figure, Mr. Lea owned his building.

Following the sale of his automobile business four years ago, Mr. Lea then moved to Spur, where he purchased a major interest in the Spur Light & Power Company.

Mr. and Mrs. H. V. Link, of Aspermont, are the proud parents of a fine boy baby born Wednesday morning. Mother and baby are doing nicely. They are at the home of Mrs. Links mother, Mrs. E. L. Smith.

Mrs. C. E. McClain, of Red Mud, underwent an operation at the Nichols Sanitarium Tuesday. She is getting along fine at this time.

### Another Building Now Under Construction

A contract was let the first of the week for another fine business house in Spur. This is located on the F. W. Jennings lot and will be the same size as the Love building, which is now being completed.

W. P. Nugent will have charge of the brick work and Chas. Whitener will do the concrete and carpenter work. The building will be completed within the next few weeks as work has already begun.

### MEETING NOW IN PROGRESS AT FRIENDSHIP

Rev. J. C. Scott, of Crosbyton, is doing the preaching for a fine meeting at Friendship Church. This is the second week and it is reported that it is expected to continue through Sunday. There had been three conversions reported Tuesday. Two members of the church had volunteered for special work. Rev. Crabtree, the pastor, stated the work in the meeting was more of a constructive nature and that much good is being accomplished. Bob Allen is conducting the song service.

### REPORT GREAT MEETING CLOSED AT PANSEY

Rev. Victor Crabtree reports the closing of a two weeks' meeting at Pansy, which resulted in eleven conversions and two boys surrendered to preach. Rev. Scott W. Hickey, of Abilene, did the preaching and Clarence Williams had charge of the singing. Rev. Crabtree is pastor of Pansy Church and stated that the meeting was a good one in several ways.

### MEETING AT BETHEL CHURCH CLOSING SUNDAY

Rev. W. B. Bennett, pastor, reports there was a fine meeting held at Bethel Church in Tepee Flat. The pastor did the preaching and Rev. Alvis Hicks had charge of the singing. There were thirty-three conversions and twenty-two joined the church for Baptism, and four by letter. There were nineteen baptized into the church Sunday afternoon.

Mrs. D. A. Young, who had been in the sanitarium several days, was able to return to her home Tuesday.

### NEW MACHINERY NOW IN AND READY FOR COTTON

It has always been the policy of the Spur ginners to give the farmers the best service available during the ginning season. This policy has been carried out each year very successfully with few exceptions, which the farmers have understood. There are times when no set of gins could give good service, but such conditions are beyond the power of man to control and the farmers held so broad views as to not hold the ginners responsible for these conditions.

This year the Spur ginners have made special preparations to give the people ginning service. Every gin in town has spent thousands of dollars to get their gins in condition, not as a matter of competition, but to give the farmers the best turn-out in cotton.

Williams & Baker gin has been converted into a purely electrical gin. Mr. Baker, who manages this gin, has had forty years experience in the gin business. He served twenty years before the gin stands and missed only eight days during the ginning season. He has a process different to the other ginners. He separates the cotton from the burrs and then cleans it, an item thought worthy of consideration in all bolly and snapped cotton. All the gin stands are new.

Swift Gin is practically a new gin, being built just a year ago. This gin has been refitted with new saws and ribs and has been run just enough to be in the best of condition. It has electric unloaders and every other convenience for the farmers. Mr. Hayes, who is manager of this gin, has been in the business thirty-five years. He says ginning has been his life study, and he has the best of knowledge in regard to gin machinery. Even though it is a new gin, yet Mr. Hayes has spent a full month with a crew of men getting his gin in the best of condition. The big St. Louis-Caulis engine is one of the finest pieces of machinery in town. It contains four valves and has a 36-inch stroke. This is a real gin that will give the people excellent service.

Williamson Bros. Gin has had the best of attention given it. These people have been in our town for only two seasons and have given the people the best of service since coming here. This gin has run three seasons and is practically a new one. There have been new cleaners and new burr machines installed throughout, and all other machinery has been placed in the best of condition. Mr. Williamson, who manages this gin, grew up in a gin and knows every minor defect in gin machinery. His experience as a ginner is very valuable to the people of this country. It makes no difference how good the machinery, if the management does not know how to handle it, the farmers are the losers. Mr. Williamson's knowledge along this line will mean much to the farmers.

The Farmers Gin, owned and managed by J. E. Johnson, has three units. There has been a crew of men going over these gins the past weeks betting everything in fine condition. These gins have the latest in gin machinery and are in perfect trim. It has always been Mr. Johnson's policy to use two of these gins for ginning the holly cotton and reserve one for ginning picked cotton. This is a great feature for the farmers who have special bales from which they wish to save the seed. Mr. Johnson has spent his life in the gin business and has had experience which means very much to the farmers, and will save them a great deal in having their cotton ginned.

The Long Gin, which is managed by Joe Gaines, has been rebuilt throughout. This gin has been equipped with new stands, new cleaners, new burr extractors and a new condenser. Mr. Gaines stated that it is his purpose to have the best ginning equipment in the county. The cleaners in this gin make snap cotton look like it had been picked before it reaches the gin stands. Again, the cleaners have enough capacity that

the machinery does not have to be oversped to do the work efficiently. Mr. Gaines has spent more than thirty years in the gins. His father before him was a ginner, and he has run every kind of a gin from the old style on down.

The Hargrove Gin is a new gin just completed and is equipped with the latest and best machinery available. In speaking of the machinery, Mr. Hargrove said: "I have a Duke's mixture. Some people want to get all one class of machinery, but I find some companies make better cleaners than others and then there are companies who make better gin stands than others. I just picked the best from all of them." Every portion of this gin is equipped with water sprays to prevent fires. The cotton house, each gin stand, the cleaners and every section where fire is liable to start is equipped with a water spray. This gin is a beauty and it is interesting to go through it and see the machinery and learn what it is expected to do. Mr. Hargrove has constructed a large shed for the accommodation of the farmers. The farmers can drive their cotton under this shed and be protected against rain, sparks and other dangers that might arise. Everything about this gin is to give the farmers the best service.

All of the gins are equipped with storage houses where the cotton can be unloaded. Farmers who are in a hurry and cannot wait to get their cotton ginned off, can leave their cotton in these houses and return home immediately. There is storage room to hold nearly four hundred bales. All of the gins will cooperate to give the farmers the best of service in ginning this year. Spur gins have always led in the matter of better ginning, the people have always received good turnouts and have been able to get the best samples in the country. This has been the result of having experienced ginners to gin their cotton. Spur ginners have served the people a long time and Spur has furnished the best market in the country for years. Bring your cotton to Spur if you want good ginning, good samples and a good market.

### SPUR MUTUAL GETS MANY MORE MEMBERS

Last month was a very fine month for the Spur Mutual Life Insurance Association. While it is considered one of the shortest months in the year financially, yet our field representative brought in \$138,000 in business. This is just another proof of the need of protection that is secured to the members of the Spur Mutual.

We now have more than 1,600 well satisfied policy holders. We have a margin of less than 400 more until our quota is full. We can have 2,000 members only, and we expect our numbers to be full by Christmans. Listen people, we want you in the Spur Mutual because we know we are giving you the best for your money. It is the most economical insurance now written, and the service we have rendered the past five years is proof of what the Spur Mutual will do for you. The banks recognize your policy in the Spur Mutual as good protection and good security. It adds to your estate when you have a policy in our company.

But listen, we want you to let us have your application before we reach the 2,000 mark. It will be too late then to accept it, and it may be too late for all time, for you have no lease on life. Your family will need the assistance of Spur Mutual after you have passed away. Then, we hope you will give us your application at once and at the same time give your family this valuable protection.

Yours for better protection,  
C. C. HAILE, Secretary.  
Fred C. HAILE, Solicitor.

### SPUR SCHOOLS WILL OPEN MONDAY WITH FINE FACULTY AND BEST OF PROSPECTS

The City Schools of Spur will have their opening day next Monday and a big attendance is expected. The Superintendent and teachers are in Lubbock this week attending the South Plains Institute and all of them will be here Monday to start business.

Supt. Cluck is looking forward to the best school year that Spur has

ever had. The Board has secured eighteen fine teachers to assist in the work, and more than half of the faculty taught in our schools last year. It became necessary to add another teacher to the third grade, as this grade is a very large one.

The faculty and School Board invite the patrons and friends of the school to be present Monday and see

the work start off, get acquainted with your children's teachers, and lend your interest in making this a fine school. The school will be just what the people make it. It costs money and lots of it to support our schools and we should do all we can to get the most out of them.

MICHIGAN—CIVILIZED STATE. MR. MELLON HOUSEKEEPING. THE IDEAL CHILD. HERE—REAL NEWS.

The state of Michigan is still trying to reach a decision on capital punishment. Certain legislators appear to think that to discourage murder the state must imitate the murder and inflict death.

It is proposed to restow capital punishment in Michigan where for a long time it has been unknown.

Michigan is a civilized state, an example to others in many ways. It is to be hoped that the legislature will decide that civilization in Michigan does not need the help of a hangman, or a man to throw the switch on an electric chair.

What is an ideal child, in your opinion? Secretary Hoover, president of the American Child Health Association, says the normal child, "Is not superfluously happy or deeply discouraged, is robust, vociferous, not ruled by emotions." That is a good definition of a child destined to be a go-getter.

On the other hand, Napoleon, who told all the adult children of Europe what they should not do, was not vociferous or robust. He was glibly, shallow, sullen in a corner because his schoolmates laughed at his Corsican accent, and was entirely ruled by his one emotion, AMBITION.

The industry commission of the League of Nations reports that 20,000,000 are out of work in Europe, and blames the United States, of course. Europe should also blame herself for allowing 20,000,000 pairs of hands to remain idle.

A good farmer keeps his horses and oxen working, a good industrialist keeps his machines busy. Europe needs canals, roads, houses and it should be possible to find work for all. That would be easy if men would get away from the idea that the only sound reason for putting a man to work is to let somebody else make a profit out of his labor.

What is the real wealth of this country? Nobody could guess within a thousand billions.

For instance, Mr. Bonfils, through his Denver Post, announces discovery in Colorado of a bed of manganese, by far the richest in the world, six millions of tons of ore in sight.

How many more billions are hid away in the mountains that stretch across and up and down this country, feebly tapped here and there by prospectors, but never really PROSPECTED.

Great Britain receives the right reply to her note concerning Mr. Mellon's letter to college professors about international debts. Secretary Kellogg tells Britain that what Secretary Kellogg writes to American professors is our business. That covers the ground.

Incidentally, the Brits hadmit that beginning in 1932, they will be getting from their European debtors, recently called gallant allies, more than enough to cover all payments to the United States. Mr. Mellon's statement was strictly accurate, barring one clerical error, and it enlightened his fellow citizens.

This IS news. A tractor and plow with no driver, all by themselves, guided by electricity, plowed a twenty-acre field on the farm of the Nebraska Agricultural College yesterday, farmers, professors and business men looking on. The first furrow only was plowed by human guidance. That furrow acted as guide and the machine did the rest.

There you have the ultimate solu-

tion of the farm problem, and proof that "back to the farm" is not necessary.

The farmer will sit, spyglass in hand, on a tower in the middle of his acres, watching one machine in the spraying of potatoes, another cultivating corn, a third cutting green oats for hay, and not a farm hand on the place.

In Kansas alone this year additional "combination" machines for harvesting wheat will do away with 25,000 itinerant extra farm hands.

Brains, money and machinery will solve the farm problem as they have solved other industrial problems.

Woman's Missionary Society Held Meeting With Spur Women

The Woman's Missionary Society, Zone No. 1 of the Stamford District, held an all day meeting Spur last Thursday at the Methodist church.

Miss Etta Fite, as Zone Chairman, directed a very interesting program. Mrs. F. O. Campbell, District Secretary, from Monday, was a great help with her message from the District officials. The devotional service, conducted by Miss Lera Albin, was unsurpassed in inspiration.

The noon hour was spent very pleasantly when an excellent cafeteria lunch was served by the local members.

Out of town visitors were Mrs. F. O. Campbell, Munday, Mesdames, M. D. Fuller, G. F. Price, A. I. Patton, J. T. Howell, W. J. Lane, Cleveland English and E. C. Brown of Jayton, Texas.

The day's program follows:

Devotional—Mrs. F. O. Campbell.

What our mission study means to me and ways to conduct it—Mrs. Robertson, given by Mrs. Campbell.

The Importance of Children's Work—Mrs. J. R. Laine.

Song—Miss Nell Higgins.

The Importance of Young People's Work—Mrs. I. A. Smith.

Reading—Mrs. Clarice Thannish.

FORD VS LINDBERGH

The two main topics of today are Henry Ford and his New Car and Col. Lindbergh's sensational flight to Paris. But threatening to overshadow this hero's startling flight comes a new epic in the world's automobile industry, an event that will eclipse the flight of "Lindy" and startle the world with Speed, Endurance, Quality and Price—the achievement of the world's greatest automobile engineering staff.

BEAUTIFY YOUR LAWN

The little requirements to make your home grounds beautiful cost but little when compared to the slightly appearance they give. And when put in with concrete they are permanent. Once you have them you would never think of doing without them. A fountain with walks, and a nice place for flowers will help the appearance of your home yards. Let us figure with you about a nice fountain, your concrete walks, flower beds. Concrete is cheapest and best in the long run.

# To Our Farmer Friends:

THE FIRST Bale of Cotton ginned in Spur this fall had only 1330 Pounds of Seed Cotton. Yet, the owner got 521 Pounds of Lint Cotton—more than a standard bale—that graded Strict Middling. This is just one proof of the ginning service that Spur Ginners are prepared to give you farmers this year.

Another proof of our efficient ginning is, that through the years the farmers have secured just a few points better price for cotton in Spur than other markets give. One reason for this has been the quality of ginning given by Spur Ginners. No knapping or knotting of your cotton!

This year we are able to offer you the service of one new gin that has been tried and found true to form. Every other gin in town has been reconditioned and made as good as new. New saws and other parts have been installed to give you the best ginning service. Every gin with the latest and best cleaners to give you the best sample.

AGAIN, You don't have to wait long to get your ginning done in Spur. You have forty-two 70-Saw Gin Stands with a capacity of 350 bales daily, every 10 hours, at your command. In addition, if you are rushed and cannot get under the feeders at once, we have good dry stalls equipped with unloaders, where you can leave your cotton and we will see that it is properly ginned and ready for you when you return with your next bale. There is no need of you having to be in town longer than two hours to get your cotton ginned—and if you are in a hurry, you can get away within fifteen minutes!

No Gins anywhere can offer you quicker ginning or better service and accommodations than you get with SPUR GINS! You pay no more for this service than you pay for any other. WHY NOT GET THE BEST FOR THE SAME PRICE? The time you save may mean much.

All Ginners in Spur are agreed on giving you the best for the money. Bring us your cotton to gin—enjoy our accommodations and at the same time have the best market in the country—and the best town in which to trade.

## Velvet Coming Into Its Own This Fall

**Black Dominant in Range of Colors, Says Style Expert**

Black is the most important item in the color range of fall fashions for women, writes Herman Phillipson, now in New York, in a commentary upon the newest style edicts in the east. Black velvet is to come again into its own this fall, in the view of this style expert.

"You will find the influence of black unmistakably on costumes for all occasions," said Mr. Phillipson. "As to fabrics, the outstanding theme is velvet; sheer, supple velvets and printed velvets in many varieties."

We find velvet at its best when practically untrimmed, dignified in treatment and depending for its beauty and distinction upon its novel cut and charming lines.

Fashions that are arbitrarily launched are never successful. They must have back of them some reason which is a reflection of the environment of the women for whom they are decreed. For this reason fashion decrees dark green and browns for fall, ranking next to black in popularity. When the woods and orchards and the meadows are dappled with russets, browns and subdued greens, these make a harmonious and pleasing picture.

The gleam of metal gives high light to the mode, and is evidenced in jeweled pins, buckles, and the like. The buckles of metal will also be worn on shoes.

### THE BIBLE BALL GAME

During the Presbyterian meeting Bro. Buie met with the children each morning and had a service for them. This service consisted of a Bible ball game, a short story and a song, closing with a brief prayer.

Two teams were organized. They were named the Mutts and Jeffs. Elizabeth Keen was made captain of the Mutts and Erwinna Shelton of the Jeffs. The last game between these teams was played Saturday morning. The Mutts were considerably in the lead. Saturday afternoon we had a full nine inning game between the girls and boys. These two teams had the names of Maggie and Jiggs. The Maggie team won by a few scores but it was quite a close game.

This ball game was played with the New Testament and a number of scripture references. One team would be to bat and the other in the field. Bro. Bui was pitcher for both sides. He would call out a reference and the batter would find it as quick as he could and read it. If some player in the field found it first and finished reading it before the batter did, he was out. Three outs would put the other team in the field, but if the batter read the reference before anyone else did, he made a score for his team.

There was a contest between the Mutts and Jeffs as to who would have the most attending the night services during the week. They were counted each week. The final score showed that the Jeffs won only by seven. Saturday afternoon after the ball game the Jeffs were given a nickel apiece for being the winners and the Mutts were given a penny each.

### Will Get Testaments.

Fifty of the children and young people were given illustrated copies of the Gospel of St. John and were told that if they would read it during the week they would receive a New Testament. The older folks were given the privilege of reading in their own Bibles. Jack Blackwell was the first one to qualify for the Testament and was given a Boy Scout edition of the New Testament. The following persons also are to receive Testaments for doing this reading: Elizabeth Keen, Erwinna Shelton, Mabel Smith, Nellie Mecom, Morris Laine, Leon Love, Mildred Basham, I. A. Smith, Daisy Franklin, Raymond Denton, Elbert Walker, Eldon Rawlings, Lorena Rawlings, Oma Rae Shelton, Mary Belle Ensey, Richard Ensey, Mrs. Almedo Franklin, Myra Moore, J. W. Franklin, Rita Mecom, Polly Clemmons, Cecil McClung, Mrs. W. K. Walker, Lewis Denton, Mattie Sue Robinson, Lula Alice Robinson, Mother Morris, Beth Blackwell, Floyd Thomas and Coy Wilson.

Mr. and Mrs. Walter Sample and son, Devere Luke, returned Tuesday evening from a month's sojourn thru the Cordillera Highlands. They report a great trip and a very enjoyable time.

### A CORRECTION.

Last week we stated that Chas. Whitener had charge of the concrete work on the corner at Sixth Street, when we should have said W. P. Nugent. Mr. Whitener did the survey work.

### RESERVOIR MADE SANITARY

Water Commissioner, J. E. Johnson, has had both the large-reservoirs for the city drained and cleaned. Both of them have been scraped and disinfected and are now in sanitary condition. Also, he has had tight covers placed over them and locked so that even the smallest birds or other small insects cannot get into the water. This is fine and it is hoped that the people will lend all assistance possible in keeping our city water in the best of condition.

Miss Collie Foster, who underwent an operation at the Nichols Sanitarium a few days ago for appendicitis, was able to return home at Dry Lake the last of the week.

Prof. Scott of Peacock, was a guest in our city Saturday. Mr. Scott has been principal of the schools in that town for sometime and will be there this year.

### RED HILL NEWS

There was a singing at Mrs. Will Watson's Sunday night.

John Blair and family, who have been visiting relatives in South Texas returned home the latter part of the week.

Mrs. Walter Henderson of Lamesa, has been visiting her brother and sister, Mrs. Tobe Westfall and L. A. Grantham and families.

Several of the farmers are poisoning for worms and some of them are complaining of being bothered by them.

**CHEVROLET IMPERIAL LANDAU SEDAN CLASSES AS LOW PRICED CAR**

A new low price for Chevrolet's latest and most beautiful model, the Imperial Landau, which now lists at only \$745 f. o. b. Flint, Mich., was announced today by R. H. Grant, vice-president in charge of sales of the Chevrolet Motor Company.

This reduction was made possible by volume production growing out of the tremendous demand on the part of the public everywhere for this "Most Beautiful Chevrolet" when it was first introduced in May of this year, Mr. Grant explained.

"Seldom has the industry seen the warm and enthusiastic public response that greeted the initial offering of the Imperial Landau, which at that time was priced at \$780, Mr. Grant stated. "The output for this model far exceeded the production schedule.

"This great volume spelled manufacturing economies that the public will share in because of the lowered price effective today. In addition to making our newest model available to a wider field of prospective motorists, the reduction is further evidence of our aim to build the best possible popular priced car at the lowest cost consistent with sound merchandising principles.

"The new low price on the Imperial Landau gives us a complete line of cars, consisting of seven models in the passenger line and two commercial types, ranging in price from \$395 for the half-ton truck chassis to \$745 for the Imperial Landau."

**SCOUTS FROM TEN STATES TO EXHIBIT WOODCRAFT**

Outdoor demonstrations by Boy Scouts will feature state fairs and other gatherings the coming weeks of late summer and early autumn, following the closing of hundreds of Boy Scout camps in all parts of the United States.

Among the foremost of these outdoor exhibitions is the Eastern States Exposition at Springfield, Mass., and for a number of years it has been the center of activities for boys from ten states, carried on through the Mohawk Indian Village. The ten states embraced within the area covered by the exposition include all of New England, with New York, New Jersey, representatives who will go to Springfield. The exposition will open on September 18, and continue for six days. For this period, representative scouts who are being selected out of 160,000 in the ten states, will demonstrate their knowledge of Indian lore and their training as Scouts. The exposition this year celebrates its 11th anniversary and the Boy Scout display will be an important feature. Demonstrations and exhibits portraying every phase of Boy Scouts activities will be on display.

Boy Scouts of Yakima, Washington, have been formed into a fire patrol

to serve in the regular part of the fire service by Fire-Marshall Harry Conners. With the consent of Mayor W. B. Dudley, the boys will be used to direct traffic and keep the fire lines free. Fire-Marshall Conners received national recognition last fall when he enlisted Boy Scouts in his work during National Fire Prevention Week.

On July 1, a total of 17,600,380 cattle in the United States were under supervision for the eradication of bovine tuberculosis. Besides this number, considerably more than 4,000,000 cattle are on waiting lists and will be tested as soon as the federal, state and county veterinary inspectors complete other work for those owners who signed up earlier for tuberculin testing.

**SICKLY, PEEVISH CHILDREN**

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

J. I. Hayes stated that he and his wife visited friends at Joe Bailey, and while there attended church where the preacher spoke for two hours. We know Mr. Hayes would not be disturbed after the first thirty minutes, but how could a modern preacher ever find enough to keep going two hours is a mystery to us. He stated that crops in that country are looking fine.

**AN ATTRACTIVE KITCHEN INSPIRES THE COOK!**

(Editor's Note: This is one of an unusual series of cooking and food famous cooks, running exclusively in this paper.)

What fascinating places some kitchens are! Bright and attractive, they literally inspire their owners to better cooking deeds. Every housewife owes herself a well-lighted, cheery kitchen. For she spends more time in the kitchen than any other place.

**Gray Kitchens**  
Gray kitchens are very popular these days. In fact, they are more in favor than white ones. That's because they are almost as light as white kitchens, and so very much easier to keep clean. White shows every fingermark. One of the most attractive kitchens has gray walls, woodwork, kitchen cabinet, cupboards and shelves. All are painted a glossy gray which can be quickly washed with a damp cloth. Fresh white curtains bordered in pink are at the wide windows. And a neat, black and gray squared, covers the floor.

**A Rest Corner**  
Stove, table, high work stool and cabinet are grouped for easy work—to save steps. And in one part of the kitchen is the housewife's rest corner—a rocking chair and table with reading matter. Many a "rest minute" can be snatched while meals are cooking.

Truly, such a kitchen is a happy place in which to work. And isn't it true that the housewife's happiness is reflected in better meals? In such a kitchen as the one just described, the work is so much easier that the housewife is often inspired to make new dishes—a change from the regular round of meat and potatoes.

Miss Rosa Michaelis, New Orleans cooking expert, today gives several delightful recipes of the "inspirational" type.

**Vanilla Wafer Pudding**

1 cup sugar  
2 eggs  
1 cup milk  
3 tablespoons flour  
3 tablespoons butter  
2 bananas  
1 teaspoon vanilla extract  
vanilla wafers

Mix a custard of all the ingredients but the wafers, in a double boiler. Line bottom of baking dish with wafers. Add a layer of sliced bananas. Pour half the custard over them. Add bananas, and rest of custard. Beat egg whites stiff and place on top. Put in oven and brown.

You will find many advantages in the latest development in oil stove cabinets. One of the best has the ends cut away to allow the oven to rest on a single burner when desired. It also has a perforated top shelf. Warm air from the stove comes up through the holes and keeps warm any food which is placed there.

**Cocoanut Dainties**  
These are nice to serve at parties.

2 whites of eggs  
1/2 cup corn syrup  
1/2 cup flour  
1/2 teaspoon baking powder  
1/2 teaspoon salt  
2 cups dry cocoanut  
1 teaspoon vanilla

Beat the whites stiff, gradually add the corn syrup, then fold in the sifted flour, cocoanut, salt and vanilla. Drop by tablespoons on greased baking sheet and bake in moderate oven twenty minutes.

**Skyline Walnut Wafers**

You can make these at the same time as the cocoanut dainties, for they require the same baking time. Mrs. Belle DeGraf, famous San Francisco cooking authority, gives the following recipe:

1 cup brown sugar  
1 cup broken walnut meats  
1/2 teaspoon salt  
3 tablespoons flour  
1 egg, beaten

Mix ingredients in order given. Drop from teaspoon on greased cookie sheet several inches apart to allow for spreading. Bake in a very moderate oven and remove from sheet at once.

**Sweet Potato Fone**

This is a favorite Southern dish. Here's Miss Michaelis' recipe.

4 large sweet potatoes  
1/2 cup brown sugar  
4 eggs  
grated rind of lemon  
1 cup milk  
1/2 cup butter  
1/2 teaspoon each of nutmeg, ground cloves and cinnamon  
1/2 cup molasses

Wash and grate the potatoes. Beat the eggs well; stir the butter and sugar till creamy; add the eggs, then grated potatoes and spices, also milk. Beat all well together, add lemon rind. Put into a well-buttered pan and bake slowly for an hour.

May be served either warm or cold. Usually cut in slices.

Delicious dishes! How one enjoys cooking them in a cheerful kitchen! Brighten your kitchen! You'll be a happier woman and the whole family will benefit.

### BRIDES SHOWER FOR MISS DENSON

One of the loveliest events of the season was a miscellaneous shower Monday evening, given in honor of Miss Velma Denson by Mrs. W. D. McCrary and Mrs. J. E. Johnson in the beautiful home of Mrs. Johnson. The spacious living room was decorated with cut flowers.

As the guests arrived after registering in a wish book they were served punch by Misses Verna Davis and Flora Denson.

Among the interesting features of the evening were a piano solo by Miss Eloise McCrary, reading by Miss Sybil Schrimsher, vocal solo by Miss Nell Higgins. Toasts were given to the bride, the groom, advice to the bride, girls left behind and Dan Cupid, after which Dan Cupid arrived in red sash, delivering a message to each guest announcing the marriage of Miss Velma Denson to Mr. Hall Pendleton. Dan Cupid drew his bow and arrow and pierced Miss Denson in the heart. Tied to the arrow was a string which led Miss Denson to an automobile filled with packages and chauffeured by little Billy Joe McCrary.

After viewing the lovely gifts, delicious refreshments of cream and cake were served to Madams Herbert S. Wilkes, Willis King, J. R. Laine, Clarice Thannish, L. R. Higgins, S. H. Twaddell, Otto Mott, H. P. Schrimsher, P. S. Nichols, R. L. Gibson, Nellie Murphy, Egbert Chapman, Ruby Denson, E. C. Edmonds, E. H. Ousley, D. H. Zachary, Essie Hisey, Geo. S. Link, Geo. M. Williams, C. W. Denson, Jim McArthur, L. W. Langston, John A. Bell, E. S. Lee, Misses Lorena Higgins, Anna Bell Sophronia Jane Willie Hazel Richbourg, Jerine Cooner, Thelma Marsh, Rachel Langston, Oree Moore, Lucile Stewart, Verna Davis, Flora Denson, Nell Higgins, W. T. Andrews, Jr., the hostesses, Mrs. J. E. Johnson and Mrs. W. D. McCrary.

On Tuesday evening Mrs. Otto Mott Mrs. Herbert Wilkes and Miss Nellie Goff entertained with a miscellaneous shower for Miss Willie Richbourg at the home of Mrs. Mott.

A color scheme of pink and white

was carried out in decorations, flowers, ferns and wedding bells adorned the rooms.

A pantomime—depicting the school day romance of Miss Richbourg and Mr. Chapman, was the entertaining feature of the evening.

Lorelle Twaddell, Bubbles Mott, Nellie Goff and Velma Denson represented the school day sweethearts. Little Miss Sammie McGee and Bud-die Mott were darling in their roles of bride and groom. The tiny bride carried a shower bouquet of dish mop, tea ball and clothes pins, which she presented to Miss Richbourg.

Bubbles Mott, dressed as an Easter Rabbit, announced that a nest had been found by the cupids, little Misses Bonnie Campbell and Winifred Lee. The nest proved to be filled with lovely presents for the bride-to-be.

A refreshment plate, adorned with a tiny pink slipper containing rice, was passed to about fifty guests.

ANNOUNCEMENT PARTY.

Mrs. Jack Rector entertained on Thursday of last week, announcing the approaching marriage of her sister, Miss Willie Richbourg to Mr. Barrow Chapman.

On completing a puzzle the guests were surprised to learn of the betrothal. A placard bride beside a miniature ocean announced that the "Love Boat" would sail at dawn on September 11. Mrs. Dan H. Zachry gave a very delightful reading.

A tiny bride and groom adorned the refreshment plate, which consisted of peppermint cream with individual wedding cakes.

Those who registered in the guest book were Misses Flossie Hawley, Ila Bowman, Pauline Brown, Pauline Ramsey, Velma Denson, Nell Higgins, Nellie Goff, Leah Smith, Mesdames Leland Campbell, W. S. Campbell, J. E. Morris, Orville Boothe, Otto Mott, Herbert Wilkes, C. B. Jones, V. C. Smart, M. H. Brannen, Dan H. Zachry, Chapman, Eric Ousley, Egbert Chapman and Homer Hindman.

MISCELLANEOUS SHOWER

On Monday evening Miss Velma

Denson was delightfully surprised with a shower given by Mrs. J. E. Johnson and Mrs. W. O. McCrary. The guests were favored with a piano solo by Eloise McCrary, a vocal solo by Miss Nell Higgins and a reading by Sybil Schrimsher. After a toast was given to the bride-to-be, little Miss Patsy Nell McCrary, dressed as Dan Cupid, appeared with the announcement of the approaching marriage of Miss Velma Denson to Mr. Hall Pendleton on September 11. Dan Cupid, with his never missing aim, shot his arrow into the heart of the future bride and upon following the string on the arrow, Miss Denson was led to an automobile laden with parcels. There were many beautiful and useful gifts.

About sixty guests took part in this delightful affair.

PAR-TE-I.

A lovely party was that given on Monday evening by Dr. and Mrs. M. H. Brannen honoring the Par Ti Bridge Club and guests.

At bridge Mrs. C. B. Jones made high score, receiving a pretty orange hanging basket, and Mrs. W. L. Gibbs won a beautiful set of ash trays. Table prizes, consisting of lavender sockets for the ladies and lusterware ash trays for the men, were presented to Mrs. Diggon, Mrs. James Smith, Mrs. W. L. Gibbs, Mr. and Mrs. Roy Harkey and Mr. Jack Rector.

Others present were Mr. and Mrs. R. E. Wooten, Mr. and Mrs. J. E. Hall, Miss Lucile Lucas, Mrs. Jack Rector and Mrs. C. B. Jones.

HONORING MRS. JOE GRACE.

Mrs. R. E. Dickson entertained in honor of her sister, Mrs. Joe Grace, of Dallas on Thursday of last week.

Refreshing drinks were enjoyed during the games of bridge.

Mrs. Leslie Cooper made high score and received a lovely jar of scented salts, while Mrs. L. R. Burrow received consolation prize, individual bath salts. The honoree was presented with colored salts in a beautiful container.

Lemon ice was served to the following: Mesdames Joe Grace, H. P. Schrimsher, A. C. Hull, James B. Reed, Will Perry, Nellie Davis, E. C. Edmonds, F. W. Jennings, A. Putman, L. R. Burrow, Leslie Cooper, W. D. Wilson and Thurman Harris.

ENTRE NOUS CLUB.

Mrs. Roy L. Harkey was the charming hostess to members of the Entre Nous Club and other guests on Tuesday morning of this week.

Tables were arranged in the flower-decked living rooms and porch for games of "42."

A salad plate was served to the following: Mesdames W. S. Campbell, Leland Campbell, Webber Williams, Bill Putman, Austin Putman, E. L. Caraway, Geo. S. Link, Nellie Davis, V. C. Smart, E. F. Laverty, C. R. Edwards, L. R. Burrow, F. W. Jennings, W. R. Lewis, J. E. Cowan, J. E. Morris, Ned Hogan, C. L. Love, W. T. Andrews, Will Perry, Oran McClure, E. C. Edmonds and S. L. Davis.

JOI-DE-VOL.

Mr. and Mrs. Leslie Cooper entertained on last Wednesday evening with a lovely bridge party for the members of the Joi-de-Voi Club and their husbands.

After a pleasant hour of games Mr. and Mrs. W. L. Gibbs were presented with a "family prize," lovely candlesticks. Mrs. Cecil Hicks received a beautiful hand painted puff box for high score for ladies, while Mr. J. E. Hall won an attractive smoking set.

Those enjoying this delightful party were Messrs and Mesdames A. C. Hull Thurman Harris, Cecil Hicks, Jack Rector, W. L. Gibbs, J. E. Hall, H. P. Schrimsher, M. A. Lea, Jr., Dr. and Mrs. M. H. Brannen, Mrs. Dan H. Zachry and Mrs. Floyd Barnett.

Mrs. J. RECTOR.

BREAKFAST—KITCHEN SHOWER.

Members of Mrs. E. C. Edmond's Sunday School class and Y. W. A. enjoyed a sun rise breakfast on Wednesday morning, honoring Miss Velma Denson.

On opening the packages her friends presented, Miss Denson discovered a bright and complete array of kitchen utensils.

Those present at the breakfast were Misses Velma and Flora Denson, Oree Moore, Lucile and Fannie Stewart, Thelma Marsh, Lera and Eleanor Harris, Marjorie Jones, Dorothy Williams, Willie Richbourg, Rachel Langston, Jerine Cooner and Mesdames P. C. Nichols and E. C. Edmonds.

### FRIENDS ENJOY PICNIC PARTY

Little Miss Margarine Booth entertained a few of her friends last Friday afternoon with a picnic. Her mother, Mrs. Orville Booth, served lemonade and sandwiches after a very delightful hour of games. Those enjoying this little party were Misses Polly and Robbie Clemmons, Ruth and Ruby Cowan, Peggy Jane Ensey and Margarine Boothe.

### ANTI-THEFT ASSOCIATION WILL MEET SATURDAY

Those who are interested in the Anti-Theft Association will meet at the First Christian Church just across the street from the Spur Inn next Saturday at 1:30 o'clock. The object of this meeting is to perfect an organization, elect officers and get the association to functioning. All persons interested should be present and assist in getting the good work started.

Listen, people, this is a good way to cooperate in stopping this petty thieving. If you fail to show your influence in that direction and your chickens are stolen, who will be in fault? The best way to accomplish things is to join your neighbors in cooperative work and organize against the thieves, get the officers to assist you in the work and make prosecution sure. Be here Saturday and help get the work going.

Here's what membership in the county Anti-Theft Association means to you:

1. It gives you a method whereby you can positively identify your poultry and hogs—the two major items of theft and heretofore hard to identify.
2. It assures you of the constant cooperation of local peace officers, poultry buyers and other agencies for apprehending thieves.
3. It creates a fund from which rewards are paid for the apprehension and conviction of thieves.
4. It enables farmers to present a united effort in their fight against the crooks.
5. It virtually stops thefts because the thieves find that stealing from farmers is no longer an easy job and that retribution comes quickly and effectively.
6. It makes possible the registration of identification marks on poultry and livestock for the assistance of peace and prosecuting officers.

### HIGHWAY NEWS

We had a nice shower Sunday, which will do the cotton good; also the late feed and fall gardens.

T. L. Denson carried two loads of ribbon cane to the syrup mill and it made forty gallons of delicious syrup.

Mrs. M. E. Tree has canned four hundred quarts of fruit and has also dried peaches and corn.

Oneta Walker sold eleven of her cockerels last week that brought her six dollars and sixty cents—it pays to fatten them and sell them direct to the consumer.

Mrs. Bob Morgan is now binding a part of her fine feed crop.

Mrs. T. L. Denson sold thirty dollars worth of Indian peaches out of her orchard last week.

C. L. Walker is heading maize for M. E. Tree this week.

Grandpa Stephens began picking cotton Monday.

Mr. and Mrs. Connie Hizie are home from their honeymoon. Mrs. Hizie's friends and club members gave her a lovely shower at the home of her mother last Wednesday afternoon.
