Good Season for Sowing Alfalfa And Wheat Crops

The recent rains checked the cotton picking but has placed a fine season in the ground for the planting of alfalfa and wheat. Many people who have been planning to sow alfalfa certainly have a very fine opportunity now. The fall sowing of alfalfa is much better than spring sowing according to some information from those who have had experience.

As for wheat, it would be a fine pasture crop. Many people have dairy cows, chickens and hogs from which they are deriving a nice little income. A wheat pasture would be fine for all of these during the winter months. Most fellows have a stalk field where they raised feed the past summer. Wheat could be drilled in on this land, and by the time the cotton was out the wheat would be a fine pasture. Just a small expense and one day of time will place many farmers in fine condition for a good winter pasture.

BRYANT LINK CO.

Several years ago Firestone, Ford, Edison and Burroughs were touring through West Virginia. A light on their car went bad and they stopped at a little crossroads store in the Buchanan Section. Mr. Ford went into the store to make the purchase. "What kind of automobile lights do you have?" asked Ford.

"Edison," replied the merchant. "I'll take one," said Ford; "and by the way, you may be interested to know that Mr. Edison is out in my car."

"So?" said the merchant. "When the light was put in it was found that a new tire was needed, so Mr. Ford went back into the store and asked what kind of tires the merchant had."

"Firestone," was the reply. "By the way, you may be interested to know that Mr. Firestone is out there in my car, and that I am Mr. Ford—Henry Ford."

"So?" said the merchant and let drive a long squirt of tobacco juice against the wall.

While the merchant was putting on the tire, Burroughs, who had white whiskers, leaned out of the car and said, "Good morning, sir."

The merchant looked up at him with a grin full of sarcasm and said: "If you try to tell me you're Santa Claus I'll be damned if I don't crown you with this wrench."

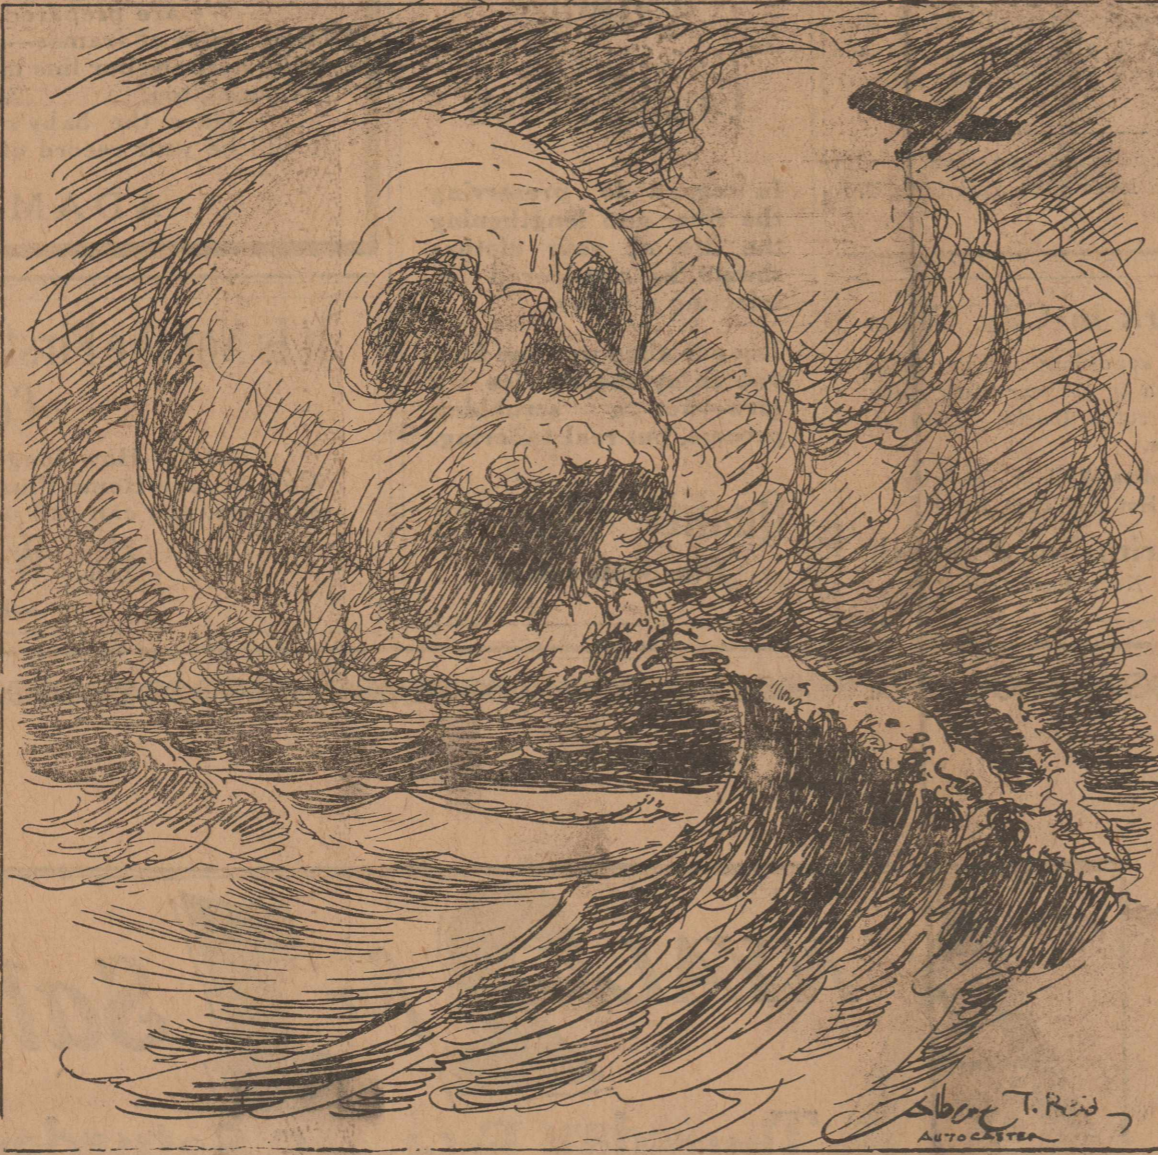

We are not famous people, just common folks, like the most of you. Most of us were raised on the farm and we are proud of that fact. We remember one year ago when we took off and picked cotton. The Bryant-Link Co. bunch picked two bales. Lewis scored 428, Link 372 and cotton picked bad as some of you know. Sure it made us sore, but it made the red beans taste better than asparagus tips on toast. We forgot to mention one of our main pickers—Shorty Browning. You know Browning came from Tennessee. Never saw any cotton, much less picked any. Well, he claimed to have picked 96 and done the hardest day's work of his life, but Browning can sell clothing, so don't forget to let him show you one of our Hart-Schaffner & Marx suits. Mr. Barrett and Geo. S. Link, Jr., say we have the best assortment of men's clothing we have ever shown. We have four lines of reputation—Hart-Schaffner & Marx, Cortley Clothes, Clothcraft, and Shield Brand, all new stock. If you want something at a price we have a rack of bargains—\$15. Some \$40 suits in this lot, just some broken lots we want to close out.

There will be a Red Cross Drive and don't any of you fail to contribute, for we have been a fortunate one this year and the Red Cross has exhausted its finances helping the unfortunates of the flooded and storm ridden districts.

No, we are not Firestones, Fords, Edisons or Burroughs, but you will believe us when we tell you we have just unloaded the biggest car of furniture that has ever come to us and we are showing the newest items in all kinds of home furnishings, so don't fail to visit this department. When you think of furniture, think of Bryant-Link Company. Say, we were fortunate in having

Sunshine Service Station Installing More Equipment

The Sunshine Service Station is installing another tank this week and making preparations for a greater business. Mrs. Hall, the owner, states that you cannot do business unless you can give the people service.

Just recently Mrs. Hall had the Sunshine Service Station repainted and other changes made which has helped the appearance greatly. With the flower beds along the front walks this is a very attractive place of business and many comments are made about it.

CARS COLLIDE; ONE WRECKED

A Ford roadster in which were Ernest Stewart, Bert Puckett and Monk Boykin, collided with D. G. Simmon's touring car about three miles east of town Saturday evening.

The boys in the roadster received some minor cuts and bruises, but not very serious.

Mechanics at Ramsey's Garage pulled the roadster into town Monday morning and it was found to be so badly wrecked that it had to be junked. The Simmons car received only slight damages and was in condition to be driven home.

Mrs. B. E. Morgan, of Highway, was in our city Saturday looking after business affairs. Mrs. Morgan has one of the best crops in Highway community and bids fair to make some good money this year.

Mr. Garnett, a California artist of real ability, paint us a lot of pictures. We are selling them too cheap—\$2.50. Some of these pictures are worth \$25.00 in the opinion of one of our local artists who really knows art. Don't fail to place several of these pictures in your home. We also carry a line of pictures in our Furniture Department to sell as low as \$1.00.

Watch, Children, for the Big Free Twinkie Show. It's coming soon! Yes, and Old Santa is already making preparations to be at Bryant-Link Company's store, so you children all be good, help mother and dad all you can. If you live on the farm, pick a lot of cotton so you will have plenty of Christmas money.

We notice Dallas merchants have a slogan asking folks to come to the Fair, like this: "Come and bring the whole family." We know the old folks will come, so we just made our slogan like this: "Come on with the crowds and bring the children."

GINNING IS GAINING; COTTON COMING FAST

The few clear days this week has greatly accelerated the cotton picking in this county and cotton is now coming in rapidly. There is still a lack of hands and several more could be used from now until after Christmas, and have all they can do. The cotton is in good condition and is making a fair yield. Pickers continue to come into the community as they hear of the fine prospects for work and it is that that the cotton will be gathered all right in a reasonable time.

The gins of Spur are giving the farmers very fine service and have been able to more than care for the cotton as it comes in. The gins are in fine condition and are giving good turn-outs and fine samples.

The Spur market continues to stand at the top, cotton yesterday was selling from \$21.00 to \$21.50 at three o'clock. This is a fine market when you consider things at the big cotton centers.

The ginning report was sent in at 3:30 o'clock yesterday was as follows:

Hargrove Gin	811
Long Gin	435
Farmers Gin	245
Williamson Bros.	675
Swift Gin	510

Program Begun For Improvement Of Our City Parks

A movement has been put over by Chas. Whitener and others to beautify the parks in our town. This is a very commendable work and should receive the encouragement of every citizen of Spur.

The parks are to be cleaned up and have flower beds built in them. A great number of trees are to be planted in them and other things done to make them beautiful and help their appearance. The city has agreed to furnish water for them and supply a man to water the trees during the summer.

Many people have subscribed to a fund to keep the parks in nice condition and the city is willing to do a certain part along with this. Water will be put on the parks frequently, to keep the trees and flowers growing. This improvement will add a great deal to the appearance of our town and it is a fine movement. Let's get together on this work and put it over.

M. S. Faver, of Prairie Chapel, was looking after business affairs here Monday. Mr. Faver stated that he was afraid farmers would be captured by the cotton prices and want to give up the cows now. He said, "If pews, chickens and hogs will pull the farmers out of close financial straits, they are a good thing to use to keep from getting into that condition again."

On Sunday, October 16, Rev. Percy Jones will hold services in the Presbyterian Church, morning and night. The public cordially invited to attend.

Chevrolet Caravan Here on Friday and Saturday Morning

A caravan of twenty-two Chevrolet Commercial cars, including the full Chevrolet line from Fire truck to school buses, grain and stock bodies, trailers, panel bodies, as well as open express beds, will visit Spur on Friday night and Saturday morning of this week.

This caravan, headed by Sales and Service Officials of the Chevrolet factory, will visit approximately two hundred Chevrolet dealers' towns during the three months they will spend in Texas, covering approximately 10,000 miles. The trip is not designed as a speed or endurance trip, but as a means to acquaint the public with the wide adaptability of the Chevrolet commercial line.

Chevrolet has achieved the reputation of being the world's largest manufacturer of gear shift trucks, having made a gain of 587 per cent in 1926 sales of commercial cars over the figures for 1924.

Demonstrations of the different trucks will be available while the caravan is in Spur, and E. L. Caraway, local Chevrolet dealer, invites all those interested in trucks to accept this opportunity to make a close inspection of these models. There will be a big parade through Burlington Avenue Saturday morning which will be a great sight for every body and will be the largest display of cars ever shown in this city. There will be some thirty-five cars, trucks, motor ambulances, etc., showing the products of the Chevrolet factory.

In addition to this Mr. Caraway states that he will have a balloon and a Chevrolet cap for every school boy and girl who will visit his office Saturday morning. Come early and see all the show before the cars leave town.

Some Interesting Presbyterian Notes Given by Pastor

Rev. E. P. Buie, pastor of the Presbyterian church, filled his regular appointments in his pulpit Sunday morning and evening. He was in the Times office Monday and stated that he had just returned from Waco where he had spent last week attending the Texas Synod of his church. He further remarked that the next Synod will be held in Lubbock next year.

There was a peculiar incident happened to Rev. Buie while attending the meeting. He was busy using all his influence on a very influential member of the organization to get him to pull for Lubbock. Just about the time he had the man converted to pull for Lubbock, another member came out and announced that Lubbock had won. Rev. Buie said he had gained his point, but lost his own vote in it.

Rev. James L. Hardy, a former pastor of the Spur church, is the retiring moderator of the Texas Synod, and is now pastor of the Second church of Houston. We understand that Rev. Hardy was a very much beloved pastor while in Spur and that he had many friends in our city.

Another very interesting feature about the local Presbyterian church is, we understand, that they have a movement in action to build a manse—a pastor's home. This is needed very much, and we believe that the main reason for the present pastor not living in Spur is the fact that the church has no pastor's home. The church has decided to make room for one more family in our town.

The Christian Endeavor of the church meets every Wednesday evening. Rev. Buie stated that this is a very fine body in his church. Next Friday evening the Endeavor is to have a social at the home of Mrs. Meadow on Hill Street. The chief feature of this occasion is a football game. This is something new in the social line and has excited our curiosity greatly, and if we were a member we would go just to learn how to play that football game.

C. D. Bird, of Matador, was attending to business matters in our city Wednesday.

- 1. Song—More Like the Master.
- 2. Prayer—That We may Grow More Like Him.
- 3. Devotional—"Some Good Habits That Jesus Had, Ila Bowman.

- 5. What is a Habit?—Ila Bowman.
- 6. Vocal Duet—Virginia Forbis and Oree Moore.

The Y. W. A. will hold their next meeting next Monday evening, beginning at seven o'clock. Get the habit of coming to the Y. W. A.

Dickens County Baptist Association Met Here Monday

A meeting of representatives from the Baptist Churches of Dickens Association was held at the Spur Baptist Church Monday, October 10, to plan for the success of the Conquest campaign fostered by the Baptist denomination of Texas.

As a result of the meeting, Bros. Rogers, W. B. Bennett and J. V. Bilberry elected a committee to perfect plans for the organization and method of accomplishing the task and to present their report to the Associational body at the Fifth Sunday meeting to be held with the Baptist Church of Steel Hill.

Sunday, Oct. 9, quite a number of the laymen with the pastor of the Spur Baptist Church, attended a meeting at Roaring Spgs. The outcome of the laymen's movement for Dickens Associations, W. F. Godfrey, Spur, chairman, Tom Long, Roaring Springs Sec.-Treas.—the next meeting to be held 2:30 Sat. P. M., before the fifth Sunday at Steele Hill.

The Baptist Sunday School had a good day Sunday with 186 present on time. The new departments officers and teachers starting off in a pleasing and commendable spirit. The same can be said about the B. Y. P. U., with all its departments. The past Sunday attendance reaching 85.

At the morning and evening church services the congregations were large and the messages were spiritual uplifts, 5 additions to the church Sunday. The Baptist church extends a cordial welcome to all to attend its services.

There are some changes being made at the Christian church. The two entrance doors at the side are being moved to the center of the end of the building, where one entrance is being made. There are four new class rooms being arranged to accommodate the fast growing Sunday School of this church. Mr. Booth is doing the work.

Rev. Abbott, the pastor, states that the church is getting along nicely now. The Sunday School has a great interest and the congregation is well represented at each of the preaching services.

"CORNED BEEF AND—"

(Editor's Note: This is one of a series of interesting cooking articles by 6 famous cooks running exclusively in this paper.)

If the way to a man's heart is through his stomach, surely one of the easiest ways is to serve him corned beef and cabbage. That holds true for pretty nearly every man, except, of course, the dyspeptic, who is always hard to suit.

Corned beef and cabbage is nowhere more deliciously cooked than in New England, where, with a few additional vegetables, it makes its appearance as the "boiled dinner."

What Flavor!

"And the boiled dinner enthusiast will tell you how excellent the blended flavors are," says Miss Lucy G. Allen, head of the Boston School of Cookery. "I delight in the boiled dinner of corned beef with cabbage, beets, turnips, potatoes, and carrots or parsnips. All but the beets I cook in the same kettle."

Allow ample time for cooking the corned beef. Miss Allen cautions. It should be started at least two or three hours before the vegetables are added. If, by chance, it becomes tender before the vegetables, it can be removed from the fire and reheated before serving.

How to Buy
Very often you can get a more tender piece of meat if you buy a fresh beef brisket. Ask the butcher to rub in coarse salt and keep it a day or two. Sometimes the fibers of meat kept too long in brine get hardened.

Use a very large kettle. Put in the meat, cover with boiling water. (If the corned beef has been soaking long in brine, start cooking it in cold water.) Let the meat boil for five minutes, then reduce the heat and let it cook slowly for two or three hours.

Add the Vegetables
Add cabbage which has been washed and cut into quarters. Then add peeled turnips, whole if small, diced if large; and the carrots or parsnips cut into two-inch lengths. Scrub beets thoroughly, and put in separate kettle, covered with boiling water.

Half an hour before serving add peeled potatoes to the large kettle. The success of the dinner depends upon having each article perfectly done, but not overdone.

To Serve
In New England this dinner is usually served by placing the meat in the center of a large platter, and grouping all the vegetables except the cabbage around the meat. The cabbage is so bulky that it is best to serve it in a separate dish.

Truly this is a most delicious meal. A fitting dessert is a custard or a rice pudding, as these are not too hearty to serve with this substantial meal.

Many women have found it a great advantage to use their oil stoves all the year around. The stoves are lighted so quickly that much time is saved. And the long-chimney burner oil stoves cook food so thoroughly, too.

Golden Gate Custard
This is a recipe contributed by Mrs. Belle DeGraf, home economics counselor, San Francisco.

1 cup sifted bread crumbs
1 cup milk
1 cup orange rind
3 eggs separated
1/4 cup sugar
Add the grated rind of one orange to the juice. Use soft bread crumbs. Sift through coarse strainer. Add milk and orange juice. Beat eggs separately. Add sugar to yolks and then add to custard. Mix well. Fold in stiffly beaten egg whites. Pour in a pudding dish. Set dish in pan of hot water, and bake until firm in center. This takes about 30 minutes, in a moderate oven (350 degrees).

Rice Pudding
From Mrs. Kate B. Vaughn, director of the household economics department of the Los Angeles Evening Express, comes the recipe for rice pudding and hard sauce.

1/2 cup rice
6 cups water
2 cups milk
1/2 cup sugar
1 egg
1 teaspoon salt
1 tablespoon gelatine
1/4 cup cold water

Add rice slowly to boiling water. Boil until tender, 20 minutes, then drain. Heat milk in double boiler. Add egg yolk, sugar and salt, and cook until thick. Add rice, and the last minute before removing from stove, add the gelatine softened in the cold water. Stir in thoroughly. Fold in stiffly beaten egg white, and set in a large pan of ice water to cool.

Make the hard sauce by creaming and stirring together 2 tablespoons of butter, 1 egg white, 2 tablespoons of lemon juice, 2 1/2 cups of powdered sugar and any desired flavoring.

Try "corned beef and—" soon. It's sure to be welcomed by the men in your family.
