Volume 4

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, JULY 26, 1928

WHOLE NO. 190

TWO PRIZE FIGHTS FOR TONIGHT

There are two great fistic contests scheduled in United States for tonight. One of these is to be at the Spur Theatre in Spur and is to be a battle royal. It is being staged under auspices of the Boyd M. Williams Post of American Legion and a certain percent of the proceeds will go to that organization.

The contestants in this bout will be Johnnie Miller, of Oklahoma, who has been meeting with excellent success in the ring. The other contestant will be Loyd Stinnett, a local boy who is proclaimed to be very good with the gloves. Neither of these battlers have ever been knocked out due to their science.

The bout is to consist of six rounds or a knockout. Just what will be the result is not known, but both parties have agreed to go in to win which means there will be some real slugging take place. Be at the Spur Theatre and see the outcome.

The other bout is staged between Gene Tunney, world champion boxer, and Tom Henney in Madison Square Garden, New York City. Both of these men are favorites with a great many fans. Some predicting that Tunney will continue to hold the title while others feel that Henney will win. If you don't attend the Spur bout, tune in on your radio and get the results.

GILPIN STORE UNDERGOES IMPROVEMENTS

We understand that the little store at Gilpin which is owned and operated by Virgil Smith, has undergone some very fine improvements. The store has been painted and a number of new signs placed at the front to advertise the stock for sale. Also, all of the gas station equipment has been treated to new paint.

We understand there will be an air compressor installed within a short time and people soon will receive regular city service at this point.

This little store serves a great number of people in the Duck Creek community. It is stocked with groceries, candies, cold drinks, cigars, tobaccos, auto tires and tubes. The filling station at the front furnishes the gas and oil to the people.

PAINTING SCHOOL AT DUCK CREEK

C. S. Bennett, of Gilpin, was in town Tuesday and stated that Duck Creek school building is receiving a coat of new paint. He stated that an appropriation of \$500.00 received as aid from the State through the influence of our County Judge is what is enabling them to do this work. They could not use this fund for the purpose, but it enabled them to have other funds which could be used in this manner.

Mark McCrary is doing the work and if the rain will give him an opportunity, he soon will have the building painted. Let it rain.

THANKS

As the writer was appointed a committee to secure a meeting place for the Highway Convention which met in our city Monday, we desire to extend our thanks to the management of the Spur Theatre for the use of their building during the day. It was no little sacrifice on the part of this theatre, since they were kind enough to furnish light, artificial ventilation and looked after the janitor work free. This last duty was no small one since a good rain had fallen the night before and as a result a great deal of sand was carried into the building.

We feel it was very nice on the part of the management to give us access to this building and not only ourselves but the entire Chamber of Commerce feel grateful for their kindness.

Miss Freddie Johnson, of Haskell, is in our city taking a beauty culture course from Mrs. McCombs at the Schrammer & Stack Beauty Parlor. She is a sister to Miss Virgie Johnson, of B. Schwarz & Son, and who also taught in our schools last year.

ELECTION RETURNS

We will give the election returns for both State and County, hot off the wire, Saturday night at our Store SPUR DRUG COMPANY

EX-CONFEDERATE SOLDIER JOINS THE RANK BEYOND

Jonas Carlisle, one of the first settlers of Duck Creek community, died at his home Saturday night. Mr. Carlisle had been ailing some three weeks, but had been confined to his bed since Tuesday before his death. His advanced age accompanied by a breaking down of the kidneys was the cause of his demise.

Mr. Carlisle leaves his wife and ten children to mourn his departure. The children are: J. M. Carlisle, who was living with his parents at the time of his father's death; W. A. Carlisle, of Haskell; J. E. Carlisle, of Dallas; J. T. Carlisle, of Abernathy; C. M. Carlisle, of Wichita Falls; Mrs. Lizzie Hart, of Amarillo; Mrs. S. Smith, of Gilpin; Mrs. J. F. Stephens of Girard; Mrs. P. E. Hagins, of Spur and Mrs. J. A. Swearingen, of Matador. All of the children were present at the time of his death except C. M., who arrived from Wichita Falls on the train Sunday.

He was born in Tolbert County, Ga., August 19th, 1845. He spent his boyhood days about as other boys in the country spent theirs. In 1864, at the age of 19, he joined the Confederate ranks and served as a scout under General Joe Wheeler's division, May 1st, 1865, he returned home from the army, having served until the close of the war.

After returning from the army he gained the acquaintance and friendship of Miss Martha Hughes. June 15th, 1867, they became life partners and early that fall moved to Texas. They first settled in what is now Collin County where they made their home nearly 23 years. In 1890 he moved his family to Dickens County and established a home in Duck Creek community where he and his wife have resided on the same farm ever since. There were 14 children born into the home, 10 of whom are still living.

Mr. Carlisle was brought up under the tenets of the Primitive Baptist Church. He held to the principle that man's chief aim in life should be to accomplish good and therefore held a very liberal attitude toward other church denominations. He always used his life for the better influence upon his fellow man and he always seemed to be a living example of his teachings.

Mr. Carlisle has three sisters and one brother still living. There were 15 children in the family and all lived to be grown. Those that still survive are: Manda Buchanan, Mrs. Martha Weaver, Miss Becky Carlisle, and Mr. Matt Carlisle. All of them live in the State of Georgia near Manchester on the old homestead.

All through his life he was loyal to the principles for which he fought in the Confederate army. He was a member of the John A. Green Camp of Ex-Confederate Veterans, and with the exception of the meeting last summer, always attended the annual meeting of the United Confederate Veterans. He was commander of the John A. Green Camp at the time of his death. With his departure there are only two active members of this camp remaining. These are J. N. Buchanan and J. W. Peters, both of whom live north of Spur. Rev. A. L. McClellan is an honorary member of the camp, but was too young to serve in the army and had to remain at home while his father and all of his brothers were on the battle fronts. We understand there are five other Ex-Confederates who have moved into the county but who are not members of the John A. Green Camp.

Funeral rites were conducted at the home Sunday at four o'clock. The great appreciation that was held for this wonderful man was manifested by the large number of people who came to pay their last respects. Being a Confederate soldier and also a pioneer of this country he was widely known and dearly loved.

Interment was made in Spur cemetery. W. S. Campbell acting as funeral director.

A TEA PARTY TUESDAY

The Belle Bennett Missionary Society of the Methodist church will honor the Pioneer Missionary Women with a Silver Tea on Tuesday afternoon, July 31, from 3 to 5 at the Spur Inn. A cordial invitation is extended to all.—Reporter.

RAIN CAUSES WORK TO CEASE

With the better than three inches of rainfall the past few days, most of the building activities of our town have had to cease. With the exception of work on the Love Building there has been no work in progress this week.

The Love Building, which is a 50-foot front, is nearing completion. It has been roofed and nothing but inside work remains to be finished. The floors are being completed this week and the ceilings painted. The framing for the front windows is now under way and soon the plate glass will be set in.

C. S. Oats & Company, of Abilene, have the contract on this building. This is one of the best constructed buildings in our city and is one of excellent appearance.

The Spur Grocery will occupy one division of the building as soon as the building is finished. It is not known what will go into the other part of this building.

No work on any of the other four business buildings now under construction has been done this week. W. P. Nugent & Company has the contract for these are the Campbell Building, the Dunn Building, the Hindman Building and the Nugent Building, all located on the west side of Burlington Avenue.

REVIVAL AT HIGHWAY

H. P. Cooper, local minister of the church of Christ, will begin a revival meeting at the Highway School house next Sunday, July 30th. Everyone in the community has a cordial invitation to attend and assist in the meeting.

Plain Gospel preaching is all that will be preached. The kind that was preached in the days of Jesus and the Apostles. "Come let us reason together", saith the Lord.

CHURCH BELL FOR SPUR

Work is underway for the erection of a church bell on the Methodist Church.

The bell is very large and weighs 2,350 pounds and is four feet in diameter. The bell cost approximately \$360.00 with a cost of \$200.00 for construction. Construction work by Charles Whitner.

This bell is an asset to the town and will be greatly enjoyed by the citizenship of our city.

It was purchased from the Peden Iron and Steel Company at Houston, and is a Texas product. Bryant-Link Company acted as a local agent in securing the bell.

Located on top of the building it will not only serve as a decoration, but will remind people of their church duties.

NEW GIN MACHINERY ARRIVES THIS WEEK

M. Hargrove, who is building a new gin house at Dickens, stated Monday that the machinery is due to arrive this week. The new gin at Dickens is to consist of a 5-80 Munger Specials of the Continental type.

Mr. Hargrove feels that everything will be ready to begin installing the machinery by the first of next week. The building will be completed this week unless the rain holds off the work.

In speaking of the new gin, Mr. Hargrove said that he is hoping to give the people the best ginning service in his experience. In the event the high line is built into Dickens in time he will equip the gin with electrical power, having individual motors for the unloaders, etc.

Mr. Hargrove has been in the gin business many years. Formerly he was interested in and managed the Citizens Gin here before it was sold to the Farmers Society. He usually led in the number of bales ginned in Spur, and always made it his aim to give the farmers good service. He stated Monday that this would be his policy at Dickens.

Mr. Hargrove, also, has purchased a gin at Swenson and is having the machinery overhauled and put in good condition. He expects to have that gin in fine condition by the time cotton is ready. He said that the people of Swenson are entitled to a good gin just as much as any other people.

REV. AND MRS. HIBBERT GO TO CISCO

A telegram received by Rev. J. B. Hibbert stated that his brother-in-law, Oscar Barnhill, at Cisco, was very ill. Rev. and Mrs. Hibbert started at once Friday afternoon in order to be with Mr. Barnhill.

Mr. Barnhill, who is a driller, became overheated Friday morning, while assisting in dressing some tools at a well on which he was working. He drank some cold water and soon began to chill and cramp. A physician was summoned at once and he was placed under the care of a nurse which probably saved his life.

Rev. and Mrs. Hibbert returned Monday afternoon and stated that while he is a very sick man, yet he is improving and felt that he would recover.

DICKENS BUSINESS MEN GIVE MEDALS

The interscholastic league of Dickens County wish to thank the good business men of Dickens for their medals which they presented to the girls and boys of Dickens County who took part in the league work.

They were as follows, also giving the number of medals:

O. C. Arthur	11
H. A. C. Brummett	10
M. L. Jones	10
F. C. Gipson	6
O. L. Hale	4
W. G. Grego	4
C. A. Gladdish	2
City National Bank	1

We are very glad that the following schools took an interest in this great work: Croton, Midway, Espuela and Dickens.

BUYS APARTMENT HOUSE

Leonard Jopling and Dr. B. F. Hale have purchased the brown duplex known as the Adams property and will make some improvements on it soon. They expect to have it overhauled and necessary changes made. It will be repainted inside and out and will have a concrete gallery constructed at the front. There will be two complete apartments made of it with baths in each apartment. In addition to these improvements there will be a double garage added to the property. It is the purpose of the owners to make this a complete duplex modern apartment.

Wm. Unlenhoff, member of the Dallas Cotton Exchange, and representative of Henry Hentz & Co., New York, in company with Heinz Moslen and Felix Weber, of Bremen, Germany, and Kurt Schwerin, of Hamburg, Germany, were in Spur Saturday. These men are all interested in the cotton business and are making some extensive study of cotton production in this section of West Texas.

PREPARING TO SERVE THE PEOPLE

This week the carpenters are completing a balcony in the rear of B. Schwarz & Son's big store. This store is installing a system of cash stations with the cashier's office located on this balcony. In addition to this there are a great many shelves built on the balcony which will be used to store dry goods and ready-to-wear it to be placed in stock as needed.

This store is crowded for space and it is expected that this addition will enable them to have more space on the main floor where the office now is. Again the cash stations will save the sales people much time and much walking and give them an opportunity to take care of the needs of many more customers. This store, like others in our city, wishes to make its mission one of service and is making preparation for a great fall business.

Within a few days Mr. Golding, manager, and Mrs. Harkey are leaving for eastern markets to purchase new lines of merchandise for the fall business. Mrs. Harkey is specializing in ladies ready-to-wear, and it is her intention to bring back for the accommodation of Spur's trade territory a great stock in this line. She will visit markets in Dallas, St. Louis, Baltimore and New York City. This means that the clothing worn by the well-dressed of these cities will be brought to our town for our people.

GIRARD LADIES TO SERVE DINNER SATURDAY

In order to make certain improvements for the cemetery, the good ladies of Girard have decided to serve a dinner next Saturday—election day—to secure funds. The ladies of this community are very active in regard to community improvements and usually have success when they start in.

They will appreciate the patronage of all people in that city during that day and those who feast at their table will be well served.

QUIET WEDDING SUNDAY MORNING

Sunday morning a very quiet wedding occurred at the First Baptist Church. The contracting parties were Floy Watson and Miss Ouida Caviness. Rev. F. G. Rodgers officiated in the presence of a few friends.

Mr. Watson is a young man from Red Hill community and is well known in Spur. He has spent much of his life here and has an enviable future, possessing good business judgement he has the faculties which makes life a success.

Mrs. Watson has been employed in Spur where she proved her ability. She has those rich traits of character which are an index to good womanhood.

Friends join in wishing Mr. and Mrs. Watson much success and happiness as life partners.

SNYDER MAN RECEIVES SURPRISING POSITION

An article appearing in the Sunday issue of the Abilene Reporter-News stated that M. G. Evans, secretary-manager of the Scurry County Chamber of Commerce, had been elected secretary of the Fullerville Chamber of Commerce. The same article stated that "Andy Bourland, president of the West Texas Chamber of Commerce, was elected honorary member, and George F. Smith as President, Homer D. Wade as chairman of the membership committee, and E. H. Whitehead publicity manager."

We are wondering why they did not elect these men also to manage the Chamber of Commerce at Chorn, as that place is the same size and probably of similar importance as Fullerville. These two places consist of posts planted in the ground with cross arms, located a little north of Snyder, has the name Fullerville on it; the other cross arm located a few miles south of Snyder has the name Chorn on it. The rest of these two places is just imaginary.

If any one doubts our statement about these places just crank up your "lady-lizzie" and drive over to interview the post masters of said places and find out for yourself.

NOTES ON T. T. T. CONVENTION AT SPUR

By W. S. Patrick, Secretary
It was the pleasure of the city of Spur to entertain the delegates from the several towns along the Texas Trans-Continental Trail Monday, July 23.

The ultimate object of the meeting was to discuss the further development and maintenance of the T. T. T. which connects Fort Worth and Lubbock.

The Texas Trans-Continental Trail is one of the oldest and best routes out of Fort Worth to the western portion of our state, and from the interest shown in the convention here it will not be long until it can be said to be the best.

Following the morning session of the convention the order of business was adjourned with the election of our highly esteemed townsman, Clifford B. Jones, President of the T. T. T. Association for the ensuing year.

Col. R. L. Penick was elected vice-president, J. D. Hall, Breckenridge, Texas, vice-president, Jed Rix, Lubbock, Texas, vice-president, W. S. Patrick, Spur, Secretary - Treasurer Directors: Ed McDea, Fort Worth, John Chamberlain, Mineral Wells, J. E. Thompson, Breckenridge, F. V. Alexander, Albany, Tom Putnam, Lueders, Warren B. Tayman, S. G. R. Couch, Sagerton, Riddle, Aspermont, Reece Swenson, Thomas P. Johnston, W. B. Lee, Spur, George O. Girard, Judge H. A. C. Brummett, Dickens, Clayton Carter, Crosby, Ed McLaughlin, Ralls, T. E. Walker, Idalou, Bob Murray, Lubbock, Fred Weisse, Lorenzo, W. H. McKinzy, Peacock.

A "Real Feed" of barbecued chicken was furnished by the Spur Chamber of Commerce and served by a committee consisting of Mr. W. R. Lewis, Mrs. Clifford B. Jones, Mrs. W. B. Lee, Mrs. D. H. Zachry, and Mrs. H. O. Everts.

Following the noon intermission, J. C. Carpenter, first assistant engineer under Mr. Losh, of the Federal Commission at Fort Worth, Texas, made an interesting talk relative to the interest and appropriation that had been made for the further development of West Texas Highways.

Following Mr. Carpenter, Colonel Penick, of Stamford, made a resolution asking that the Highway Commission be informed of the urgent needs of the further development and maintenance of Highway No. 18.

Judge Brannan, of Stonewall Co., Mr. Rucker, of Girard, Mr. Cordel, of Sagerton, Mr. Carter, Mayor of Crosbyton, and others made interesting talks relative to the value and needs of the T. T. T., and promised their full cooperation in helping in every possible way to work to the advantage of the present T. T. T. as to its development and maintenance.

It was Clifford B. Jones who had the pleasure of expressing to Col. R. L. Penick the deep feeling of gratitude for his services to the T. T. T. Association after which the convention adjourned.

KELLAM STORE OPENS BIG SALE TODAY

Many of the people of Spur trade territory are wending their way to the big dry goods store over by the post office where there have been some real bargains in merchandise advertised. The Kellam Dry Goods Company are opening one of the largest sales campaigns today that has ever been in our city.

This store which devotes its entire attention and stock to the sale of dry goods and ready-to-wear lines, is marking its merchandise to the cost mark and is giving the people the most remarkable reduction of the season. The different lines of merchandise are complete, and there is no shelf worn stock going. It is not a sale of that kind, but a mid-summer sale where people have an opportunity to buy reasonable merchandise at prices that are right.

The sale opens today, the large sales force is ready, the goods are available, and we feel that the people will be given an opportunity to secure some real bargains at Kellams. Take time to read their large ad and decide for yourselves.

DORCAS CLASS MEETING

The Dorcas Class of the First Baptist Church met Tuesday afternoon at three o'clock at the home of Mrs. P. C. Nichols for a business and social meeting.

The devotional "Our Gifts to Christ," was interesting and beautifully given by Mrs. Ruth Roberts.

Mrs. C. P. Harris, the president, was in charge of the business session. Then a Duet was given by Mrs. Moore and Mrs. Nichols.

The President very gracefully read the history of this class which was followed by the Prophecy read by Mrs. Nichols which caused much laughter and joy to know just what will happen to so many good women.

After a reading given by Mrs. B. T. Moore, the class adjourned to be in social meeting for some thirty or forty minutes. Most of this time was spent in riding in the "Fliver," and when the fliver turned over, refreshments of grape punch and angel food cake were served to the following:

Mrs. C. P. Harris, Lottie Lewis, Frank Williams, M. E. Bragg, Pearl Franklin, Ruth Roberts, Matti McKay, Flora Parks, C. P. Ensey, B. T. Moore, A. J. Richey, Alex Marsh, Roscoe McCombs, Meacom, Stewart, F. G. Rodgers, and the hostess.

SPANKING

Small boy knocked his sister down. Without much inquiry his irate father administered an old-fashioned spanking.

Some minutes later the small boy, still sobbing, turned to his parent and said: "If you do that again you won't have a little boy around. I'll run away."

Then ensued this conversation.

Father: Didn't you deserve spanking?

Son: "No, I didn't intend to knock her over. It was an accident. I didn't see her."

Father: "Then you didn't deserve punishment. I am sorry I spanked you. Is it all right now?"

Son, after a time of meditation: "Yes, but, Daddy, in the future won't you please try to think before you act?"

What the parent said is not reported but it is not difficult to imagine what he felt.

Spanking may be good medicine particularly with very small children, and a great psychologist used to say that spanking in anger was more salutary than in cold blood. The trouble lies in not being sure whether parent or child needs correction.

R. C. James, of Dry Lake community, was in our city Tuesday and stated they had received a good rain. He reported fine prospects for a reasonable crop.

HOW TO POISON JACK RABBITS

by E. L. Tanner, County Agent

Jack rabbits are giving trouble in many parts of the county. The following method of poisoning is recommended:

(1) Alfalfa Poison: Dissolve one ounce of strychnine sulphate in two gallons of boiling water. Be sure to buy only the SULPHATE form of strychnine. The other form is called ALKALOID form. This will not work with alfalfa. Get only STRYCHNINE SULPHATE. Sprinkle the two gallons of water over 16 pounds of good green leafy alfalfa hay that has been chopped into two inch lengths.

Place the poisoned hay in small piles in the rabbit runs. In case they are coming in from a pasture and you cannot find their runs, plow a shallow furrow inside the fence and place in piles three feet apart in this furrow. This enables you to cover up the poisoned hay easily when you have finished with the poison.

Be sure that the poisoned hay is not put near a fence that cows or other animals can break through.

D. G. Simmons, of Gilpin, was attending to business matters in our city Monday. He stated they received about one-half inch rain there Friday and a nice shower Sunday evening.

C. E. Lillard, of Soldier Mound, was in our city Saturday taking advantage of bargains offered by our merchants.

BAKING—Pies and Cakes baked to order. Call 180. Mrs. Teddie Archer.

A WORD FROM HON.

WM. B. COMBEST

The following letter is from Hon. Wm. B. Combest, our present District Attorney.

Dear Friends:

For the past three and a half years I have served the people of this, the 50th Judicial District, including the counties of Baylor, Knox, Cottle, King, Motley and Dickens, as District Attorney. During this time, I have worked faithfully to perform the duties so generously entrusted to me by the people of the district; I have at all times worked hard and have never failed to appear at a term of the court at any place in the District. I have at all times been careful to prosecute cases fairly, yet vigorously and effectively. While I do not care to be boastful of the record I have made since serving in this capacity, yet, you will be interested to know, the records of the courts will show, that under my prosecution, more men have been convicted and sentenced to the penitentiary, than ever before, in the same length of time, in the history of the District.

I am now a candidate for re-election to this office and feel that the experience I have had qualifies me to better serve the people for another term than in the past.

Due to the fact that for the past few months the District Court has been in session almost continuously—being now in session in Baylor County, and as District Attorney my attendance has been required, I have been unable to personally see many people in the interest of my candidacy for re-election. I am, therefore, taking this means to solicit your support in the Democratic Primary Election, on July 28th. Wishing to assure you that same will be greatly appreciated, and that I shall, if honored with this position again, continue to faithfully and diligently attend to the duties of the office as in the past, I am

Yours very truly,

Wm. B. COMBEST

Anyone, Anywhere, Anytime!

TWENTY years ago there were only 6,500,000 telephones in the United States. Long distance service was limited. Many communities were beyond its range. Today you can reach any one of 18,500,000 telephones in the United States. Service is also available to Cuba, Mexico, Canada, Great Britain, Holland, Belgium, France, Germany, Sweden and Denmark. From your telephone you can reach any one of 25,000,000 telephones, 80 per cent of all the telephones in the world! Long distance service now makes it possible to reach practically anyone, almost anywhere, any time, quickly and at a reasonable cost.

SOUTHWESTERN BELL TELEPHONE CO. OF TEXAS

TO THE VOTERS OF THE 50th JUDICIAL DISTRICT

As you know, I have announced my candidacy for District Attorney of the 50th Judicial District, subject to the Democratic Primary to be held on July 28th.

I was born and reared in Baylor County, Texas; attended the public schools of Baylor County and graduated therefrom.

I have no platform and I see no need for one. If a man is honorable and upright he will at all times do what is right and just by his fellowman.

As this district covers much territory it has been impossible for me to see each individual personally.

The campaign has been pleasant. It has been my pleasure to meet you and share the hospitality of many of your homes.

Sincerely, J. DONNELL DICKSON

TO THE VOTERS:

It is only a few days now until the voters select their standard bearers for the respective offices of the district and county.

The District Attorney's office is an important one, and should not be held continuously by any one person.

Am a native Texan, 37 years old. Have been practicing law for thirteen years, with the exception of twenty-one months, when serving my country in the world war over seas.

I shall wage relentless warfare on all violators of the law, whether he wears broadcloth or blue overalls.

On July 28th, I solicit your vote for District Attorney. In return for that if elected, will give the citizens of this district my undivided time and attention, without any strings whatever, and will use every effort to make this a better district in which to rear your sons and daughters.

Respectfully, DICK DRESSER, Candidate for District Attorney.

BOY SCOUTS TO MAKE INDIAN TOTEM POLES

One of the many interesting features of handicraft planned for the Boy Scouts at their summer camp at Post, from July 30th to August 8th, is the making of Indian Totem Poles. These weird symbols, which formed such a vital part in the history and religion of the North American Indian, will be of great interest to the boys.

An Indian Totem Pole is a series of grotesque figures representing the history of the Individual, Tribe, or some event of special importance. One of the poles at the camp will give the story of the Post Camp in Indian Sign Language.

Some of the troops are making plans to carve special poles to be displayed at the South Plains Exposition this fall.

Star Parasite Remover will keep them free of worms and destructive insects, in better health and producing more eggs.

Mr. and Mrs. J. A. Brannen, who have been spending their vacation in the Southern part of Texas, arrived in Spur Saturday for a few days visit with their friends, Mr. and Mrs. Chas. Whitener.

Mr. and Mrs. C. W. Whitener and family, of Oklahoma City, who have been visiting at the Chas. Whitener home returned to their home Saturday.

Mrs. J. W. Phulps, of Graham, has been spending the past week with her husband here.

FARM NOTES

by E. L. Tanner, County Agent

Case of Hog Cholera Reported
P. A. Willmon, who lives north west of Spur about ten miles, was in the office last Saturday and reported that he had lost three hogs that week with what looked like hog cholera.

The following is the way to order serum for hogs: Wire any good serum house in Fort Worth through your druggist stating the total number of pounds of hogs on hand and asking for serum for that number of pounds of live weight.

good idea to include one in your order as one might be hard to get when you get the serum here. Once you have the serum and a syringe the giving of the serum is a simple matter.

Small hogs which one man can handle are given as follows: One man picks them up by the hind feet and holds them head down and belly out toward the man who has the needle.

Large hogs too big to be handled are tied up and the serum is given at the base of the ears by pulling up the loose skin and putting the needle just under the skin.

Never let the needle go into the flesh. If you have hogs cut this out and tie it away. You never can tell when you will need it.

Feed For The Dairy Cows

The feed situation is pretty bad now with many farmers who have four or five cows. July and August are the two hard months on all dairy men everywhere when it comes to the pasture question.

"THE ADVENTURER" IS PRODUCED BY NEW TRIO

Tim McCoy, famous star of adventure plays, Viachetslav, Tourjansky, who directed "Michael Strogoff", and Leon Abrams, who directed the last picture made by Sarah Bernhardt before her death, are the trio responsible for "The Adventurer", McCoy's new Metro-Goldwyn-Mayer starring vehicle coming Friday to the Lyric Theatre.

McCoy plays an American mining man in a vivid adventure in the tropics, with revolutions and other thrills as a background for a romance. Dorothy Sebastian, Charles Delaney, George Cowl, Gayne Whitman, Michael Visaroff and others of note are in the cast.

Abrams, the author, who also wrote Mae Murray's "Masked Bride", was a screen director in Paris, directing Sarah Bernhardt in her last film play "La Voyante."

RED TOP CLUB NEWS

Red Top girls club met July 16th at Mrs. Charley McClains. The officers were elected as follows: Lois Fuqua, president; Wilma McArthur, vice-president; and Fannie Maye Howell, secretary-treasurer.

The club received three new members, who were very welcome. Miss Osborn gave a general outline of the club work which will be taken up this year.

After all business was attended to a delicious lunch was served. We have been a long time starting as so many of our girls have been away. However, several of them have already finished their work for this year.

Mrs. B. J. Howell, of Espuela, was trading with our merchants Saturday.

BRYANT-LINK COMPANY

Come on with the Crowds and Bring the Children

With no available data on the use of Sudan pasture. I would say that the same is true for cows capable of giving up to two and a half gallons of milk per day.

On native grass pasture such as we have at present the feeding of three pounds of good grain supplement per day per head ought to pay well even at the present price.

The following formulas are good and do not think it is good economy to leave out the cotton seed meal. That is the cheapest ingredient you have in the long run.

MIXTURE NUMBER ONE: Whole ground maize heads, 200 pounds; Prime cotton seed meal 100 pounds.

MIXTURE NUMBER TWO: Whole ground maize heads 200 pounds; ground cotton seed 100 pounds; cotton seed meal 100 pounds.

MIXTURE NUMBER THREE: Whole ground maize heads 200 lb; Whole ground alfalfa hay 100 lb; cotton seed meal 100 lb.

Any grain sorghum such as head kaffir, or head feterita etc., may be substituted for the maize with the same results.

The rule for feeding the above mixtures is to begin feeding them at the rate of half gallon per cow per day. After three days add a quart every other day til the cow stops gaining in milk then drop back to the place where she last gained and hold this amount until she drops off. Then decrease the feed to where she holds her milk flow.

Let's Go To College Station Next Saturday For A Week!

Do not forget that Saturday is the day to leave for the A. & M. College Short Course that lasts all next week. A week of instruction and a week of recreation, all in one. You will meet farmers from all over Texas. You will see the great educational institution running at full blast. You will get personal contact with men who are known all over the world in their lines of work.

AT YOUR COMMAND

Merely by pressing a button the electric generating stations and the 1,900 miles of transmission lines of this company are at your command - without an instant's notice.

This could not be if this company's generating and distribution systems did not grow faster than the customers' demands.

Keeping ahead of West Texas' growth and helping West Texas to grow by offering every facility for exceptional electric service at reasonable rates is the policy of this company.

Through your patronage and good will the West Texas Utilities Company has been able to carry out the policy. We appreciate that patronage and good will; too, we hope, through continued good service and by improving it where possible, to merit your patronage and good will in the future.

WEATHER DISHES

Home Demonstration Agent

During the hot months of July and August, appetites are apt to be capricious and the ingenuity of the home is often taxed to present dishes which are delicate and at the same time sustaining.

CHICKEN MOUSSE

- 2 package lemon jello
1 cup boiling chicken broth
1 cup chicken, cut medium coarse
1 cup celery cut fine
1 pimento cut fine
1 tablespoon vinegar
1-2 teaspoon salt
1-2 cup heavy cream, whipped
Lettuce
Stuffed olives
1 cup mayonnaise

When cold and slightly thickened, beat with rotary egg beater until consistency of whipped cream. Mix chicken, celery, pimento, vinegar, salt and pepper. Add to jello. Fold in whipped cream. Turn into mold rinsed with cold water. Chill until firm.

JELLIED TOMATO BOUILLON

- 2 level tablespoons gelatine
2 cups soup stock
2 cups strained tomatoes
Juice 1-2 onion
Few grains cayenne
2 tablespoons vinegar
Soak gelatine in one-half cup of cold soup stock. Heat remaining stock, add vinegar, cayenne, onion juice and more seasoning if necessary. Add soaked gelatine and when dissolved add whites of two eggs slightly beaten. Stir constantly and boil five minutes. Cool and strain through a cheese cloth.

VEGETABLE MAYONNAISE

- 1 tablespoonful gelatine
1-4 cup cold water
1 cup boiling water
1-4 cup vinegar
4 tablespoonfuls mayonnaise
1 cup beets, diced
1 cup cooked carrots, diced
1 cup cooked peas
1-2 cup cream
1 tablespoon sugar
asparagus
Soak gelatine in cold water 5 minutes. Dissolve in boiling water add sugar and vinegar and cool. When it begins to thicken beat in mayonnaise add whipped cream, peas, carrots, and beets. Stand asparagus around a wet mold, having tips down. Turn mixture into mold, chill, and serve on a bed of lettuce.

CHEAP ICE CREAM

- 6 eggs
4 cups milk
1 cup cream
2 cups sugar
1 cup water
2 tablespoons vanilla
Scald the milk and cream, add the beaten egg yolks and cook in a double boiler. While this custard is cooking cook the sugar and water until it will thread or form a hard ball in cold water. Beat egg whites and add the cooked syrup beating all the while. Mix custard and icing together and when cool freeze, using three parts ice to one part salt.

JUNKET ICE CREAM

- 4 cups luke warm milk
1 cup heavy cream
1-3 cups sugar
1-8 teaspoon salt
1-2 junket tablets
1 tablespoon cold water
1 tablespoon vanilla
1 teaspoon almond extract
Mix first four ingredients, and add junket tablets dissolved in cold water. Turn into a pudding dish and let stand until set. Add flavoring. Freeze.

G. F. Harris, of McAdoo, was attending to business matters in our city Saturday. He reported crops looking good on the Plains.

T. E. McArthur, of Red Mud, was greeting friends on our streets last Saturday and doing some trading.

W. G. Causey, who recently bought the Davis store at Red Mud, was in our city Saturday selecting stock for his store.

Thomas Rice recently returned from Eastern Arkansas. Mrs. Rice, who has been ill for some time is improving and Mr. Rice is in hopes that he will be able to bring her home in the near future. Mr. Rice reports that cotton is shoulder high in Arkansas.

Mrs. Dixie Smith and children have been visiting at the home of Mrs. Smith's mother, Mrs. L. R. Higgins. They returned to their home in Snyder Saturday.

The Colonial is ready to help you own a home of your own. Why pay rent when you can own a home at practically the same price?

The Colonial offers a most wonderful savings proposition—as low as \$5.50 per month and pays you seven per cent interest compounded semi-annually. The Best saving proposition ever offered. You can take as much as you want. Start now to saving and soon you will be independent.

We shall take pleasure in explaining this to you. Call on us. WM. A. McALPINE, Representative

W. R. JOHNSON FOR STATE LEGISLATURE

The Times is authorized to place the name of Dr. W. R. Johnson, of Scurry County, before the voters as a candidate for Representative in the State Legislature from the 118th District. Dr. Johnson is seeking the place now held by J. E. Merritt, who is not asking for the office again.

Dr. Johnson is a native Texan and is a graduate of the University of Tennessee and many other schools. In making this race he stated that he had nothing in view except to serve the people of the 118th District to the best of his ability. He has lived in Snyder for twenty years and is strictly in sympathy with the interests of West Texas. He spoke of the interests of our farmers and said their problems had been neglected too long.

He earnestly solicits the support of the voters in the 118th District, which includes Dickens County. He stated that he had always been a Democrat and stood for the principles of Democracy, and it is upon this basis that he is asking the support of the people to elect him their representative in the State Legislature.

Sinol Liberia, West Africa May 28, 1928

Mrs. R. C. James, Dry Lake Baptist Church, Spur, Texas, U. S. A.

Dear Mrs. James:

This letter comes from the wife of the negro missionary who spoke at your church during the summer last year. According to promise I am writing you.

The Lord wonderfully blessed, and we made the voyage safe. Maude and I came; Brother George will sail later. As usual there is much to be done, and very few to do the much needed. Most everywhere we go, naked children are crying, "Mamie, take me; I want to live with you," But like it was with Jesus, our space is limited and there is no room.

It is raining now and we can not do very much during the rainy season. However, I am trying to build a house large enough to accommodate 20 children. I use the word trying because we have no modern conveniences and everything is done in a primitive way. Two of our main workers died while we were in the states, and the work has gone to a very low ebb. Our building 60x48 was not finished, the rains damaged the lumber and that work will have to be done over. Mr. George hopes to be successful enough to bring a small saw-mill when he returns; that will be a great asset to us, for we can soon get our work straight at the Central Station as well as build up out stations.

Well do I remember how cordially we were received by you good white people on such a short notice, now this comes asking your prayers, while we work to civilize and christianize our own people in this land where millions are in darkness. Jesus said,

"Go", and I have taken Him at His word. I am sure he will never forsake me. We need \$200.00. I am asking the Master to send it in some way. He knows, sees and hears, and will never fail us when we call.

Tell the good people to pray with and for us. Should any one there be moved to give, the smallest amount would be highly appreciated. Checks can be sent to us on Bank of British West Africa, Ltd., Sinol, Liberia.

A few words at any time will cheer us. Maude sends much love.

CARD OF THANKS

The Volley Ball Girls, of Dickens High School, wish to thank Mr. O. C. Arthur for the six first place medals he presented to them for winning the County Championship. We are proud of Mr. Arthur for the interest he has shown the schools of Dickens County to encourage them in this event. Of course we are glad our school won and we are proud the Croton girls took the interest they did after their school had closed.

We are going to the District and hope to win there.

We thank Mr. Arthur again and hope to be of service to him in the near future. We are the Volley Ball Girls and Coach as follows: Opal Harris, Iris Borden, Lexil Terry, Thelma Thacker, May Roberts, Dannie Street, Captain and Fred Arrington, Coach of team.

C. E. Hagins, of Gilpin, was transacting business here Saturday.

GARY COOPER HAS INTERESTING CAREER

Gary Cooper, the dashing young man who has the leading role in Paramount's "Legion of the Condemned," coming soon to the Rex theatre like Fay Wray, who plays opposite him, has had a meteoric career in motion pictures. As a matter of fact his experience in pictures dates only back to 1925 when he joined the ranks of the extras in Hollywood.

Cooper was born in Helena, Mont., on May 7, 1901 the son of Charles H. and Alice L. Cooper. He lived there until 9 years of age and then was sent to England to attend grammar school. After three and a half years he returned to Helena and entered high school. When he was 13 he was seriously injured in an automobile accident, and upon recovering spent the next two years on the open range of his father's ranch, which developed him physically and mentally.

In 1917 Cooper entered college at Grinnell, Iowa, where he spent two years. He then returned to Helena and served as a cartoonist on a local paper.

On Thanksgiving Day he arrived in Los Angeles where he found a position in selling space for an advertising concern. He intended to follow commercial designing work, but after three months, cast his lot with the movie extras.

For more than a year he played small parts where his talents and features were in demand. With the "Winning of Barbara Worth" picture he won the attention of B. P. Schul-

berg who signed him. "Beau Sabrier", "It" and "The Legion of the Condemned", roles quickly followed.

He promises to be one of the screen's outstanding stars in the very near future.

It is entirely possible that Fay Wray and Gary Cooper will appear together in more pictures as their work in "The Legion of the Condemned" has brought Paramount and

critics alike belief as to their being the ideal lovers of the screen.

The World's BIGGEST Automobile at such low prices

THE sensational popularity of the Bigger and Better Chevrolet is due in great measure to the fact that it is the biggest automobile in the world available at such amazing low prices.

The 107" wheelbase is of vital significance in a low-priced car. For it means that the buyer can now secure the balance and roadability that only a longer wheelbase can provide—plus the restful comfort of ample room for both driver and passengers.

SCOUTS VIEW OF GOVERNOR MOODY

Some things accomplished for the people of Texas under the administration of Gov. Dan Moody.

It is impossible to sum up in less than a day's time the many things accomplished for the people of Texas during the administration of Dan Moody.

Almost everyone knows the condition the state affairs were in 18 months ago when Dan Moody went into office as governor of Texas.

For the benefit of those who do not know I wish to state that there was an indebtedness of \$6,250,000 on the state highways and they were in the worst condition known of since the highway department has taken charge.

Since Dan Moody has been in office the most of the debts have been paid and there has actually been placed under construction 396 miles of concrete road, 219 miles of bituminous road, 758 miles of grading and drainage structures and 1056 miles of asphalt road which makes more than 2400 miles of highway work in 18 months, more than ever before in the same period of time and roads better maintained.

Highways are only one way in which Gov. Moody helped Texas. He assisted the schools. Our state Declaration of Independence declares that free government can only last where the people have the means of securing an education and this is one thing Mr. Moody has certainly abided by.

Every rural school which qualified for rural aid fund was given a full six months term which gives the country child the same opportunity to attend school as the town boy or girl. In every school that qualifies the children will be given an opportunity for a high school education.

The institutions of higher learning were given state aid in order to have more room and more buildings in which to supply all necessities so that all young men and women might be given a chance for college and university training.

It has been so arranged that text books be bought by the state at lower factory prices. In the past publishers have added to the cost freight, storage, hauling charges and other costs which has been abandoned.

This saves the school fund annually \$200,000. A contract has been let for the use of used books which gives longer and cheaper usage.

Mr. Moody states that for the next two years taxes will be 15 cents lower on the hundred dollars than for two years of preceding administration but they will still get enough money to properly support all state institutions.

The prison system has been lifted from a state of paralysis to one which gives promise of self support. In 1925-26 it cost the people of Texas \$53,703.80.

During 1928 the prison system was self supporting and showed a net gain of \$7,554.52 after being placed in a budget system and paying cash for supplies for which they had been getting on credit and paying higher prices.

The diseased and weak have been separated from the strong and healthy and the young separated from the old criminals. Books are being purchased to fill the prisons next time and as a whole the prisons are entirely different.

The enforcement of law has been approved. In January 1927 there were 3,000 inmates in the state penitentiary and a recent report shows a prison population of 4,600. A great deal of this increase is caused by not pardoning many prisoners.

Furloughs have been granted the people of the penitentiary and by this system some men are at home laboring honestly where otherwise they would be laboring uselessly in the penitentiary.

In the state banking system only three banks have failed and stronger security has been given to depositors. Other things of interest which could be mentioned are assisting veterans of the World War in securing their compensation, authorizing the highway commission to build bridges to stop the cost of toll roads, a new health code.

Attention has been given to the community estate where a woman has abandoned her husband; the laws have been reformed to allow publication of the truth and the courts of Civil Appeals have been made accessible twelve months in the year where in the past have occupied only four months.

This is only a short summary of many accomplishments covered by our present Governor Dan Moody. Scout Loren Maples, Troop 38.

Mrs. W. M. Hunter, east of town, in Saturday doing some shopping.

STOP, LOOK AND TALK

Use your vacation period to refresh your mind as well as to rest your body. You can do this wherever you go if you keep your eyes open. Talk to new acquaintances and trade ideas with them. See new places. Get fresh impressions of people and of localities.

If you can spare the time, take a tip from President Coolidge. Go to some place distant from scenes familiar to you. Look and listen. If you can park your prejudices at home, you may come back enriched in sympathy and knowledge, rested in mind and body.

If you start in the East you can pass through the greatest industrial region of the entire world. From the Atlantic to the Mississippi factories blend into one great workshop.

Stop off somewhere, unless manufacturing is your business, and visit a great industry. See with your own eyes the enormous machines, sense the great power doing man's drudgery, get a picture of the miraculous coordination of men and engines which make our age so different from anything which went before.

Be sure to talk to people in the hotels, on the train, wherever you are. You will find your fellow countrymen eager to talk and most of them can tell you something interesting. Try to get a feeling of their problems, even of their prejudices. Incidentally you may get a new perspective on your own.

Go on to the farming regions, especially if you are city bred. Let your eye travel over the vast expanse of tilled land. In the Middle West gaze on the long rows of corn, the waving fields of grain. Watch the skillful farmer driving a tractor or a team of six horses through a field full of tender growing things. There's art in what he does.

Best of all, if you get the chance talk to him. Find out what he is thinking. Let him talk about his plans and pleasures. Observe the children and the young people. You may be impressed at first by the ranging similarity of our lives and our interests.

Wherever you go you can see the same motion pictures, eat the same food, wash with the same soap, and buy the same collars, shoes and shirts. Everywhere with minor variations you will find the same material standards of comfort. The streets of Ogden, Utah; Danbury, Conn.; Springfield, Ohio, or San Jose, Cal., look much alike. Stores, office buildings, residences follow the same architectural lines. Women cherish and use the same washing machines and stoves. Everywhere people dance to the same music.

But underneath all the standardization and uniformity there is the variety of a continent. Nature makes different exactions and affords diverse opportunities. In Virginia or Pennsylvania, in the remote regions of almost any state, you can find people compelled to live as men did a century or more ago. Transportation has not reached them.

See your country. Walk, drive your own car, get aboard a train or boat, arrange a passage in an airplane, take any mode of travel which appeals to your taste and to your means, but don't miss the opportunity to look around. You will enjoy it and come back richer in spirit and with the knowledge that your money has been well spent.

THAT BILL YOU OWE

A bill is an indication that someone has faith in your honesty. A bill indicates that some one who knows you depends upon your honor to keep the word you pledged when you received the goods which furnished. It is an honor to receive a bill the first of the month. Your creditor may owe for the goods he has sold you. He extended credit on the assumption that you would pay him in time to meet his obligations to his jobber. If he fails to make cash payment to his jobber he must issue his note at interest.

If you never received a bill it might indicate that your credit was worthless; that no person trusted you; that you were in such poor esteem by those who know you that none of them has even been willing to take your word that you would pay.

Credit is the most precious thing you have. Credit comes only through years of honesty and prompt meeting of bills when they are due.

When you receive a bill meet it when you agreed to, if you possibly can. If you cannot, frankly tell your creditors why. You will find them more than ready to meet you halfway.—Ex.

W. A. Craddock, one of our best farmers west of town, and also candidate for County Judge, was greeting friends on our streets Monday.

THE ETHER SIFTER

Something like forty million of us Americans, if we are to believe the adding machines of the Federal Radio Commission, can listen in at a given moment when anything we all want to hear is on the air. This is at the rate of three and one-third listeners to each of our twelve million receiving sets.

Probably the whole forty million of us have heard some or all of the goings-on at Kansas City and Houston. Almost all of us will probably tune in at various times to hear the Presidential candidates of both of the two leading parties. Half a nation hears the same voice at the same time.

Does this call up a picture of a convention with forty million members—all on the verge of dyspepsia, apoplexy and prickly heat? Does it mean that we are from now on to be at the mercy of the leatheriest-lunged orator with the biggest gift of gab?

Ask someone who knows the broadcasting business from the inside and he will smile. A radio audience is not a convention. It is not a mob. It is a collection of countless small groups and individuals, most of them in their own homes.

The broadcasters, who have been looking around very thoughtfully for the past year or two, have found that what we like in a speech is not the usual buncombe, hokum, guff and slush but logic and facts. When a serious subject is up we want to be told something. At other times we want to be amused.

The radio is the greatest enemy there is of the spellbinder and wind-jammer. The best way to get rid of the whole species is to give them the air.

TEXAS SCOUTS TO HONOR COLONEL FANNIN

The Boy Scouts of Victoria, Texas, have organized a Fannin Memorial Association, the purpose of which is to have every scout in Texas contribute ten cents toward erecting a monument on the grave of Colonel Fannin.

The grave is practically unmarked and the scouts of Texas should feel honored in having part in the erecting of a monument of so noble a character. Colonel Fannin was a noted Texas general and did much toward gaining her freedom from Mexico.

Little Mark Hogan, who has been confined to his bed for some time on account of typhoid fever, is reported gradually improving. He has been ill 26 days during which time his father, A. B. Hogan, had to give up visiting voters in behalf of his campaign for tax assessor.

C. R. Bennett, of Gilpin, was transacting business in our city Tuesday and while here stated there is plenty of rainfall in that community.

Howard Redd, of Calgary, efficient merchant there, was transacting business in our city Monday. He reported that there was a fine rain in that community Sunday and Monday.

DUCK CREEK—GILPIN NEWS

The shower Friday night was appreciated for we were certainly needing the rain. Some of the crops were becoming badly burned.

Bro. J. B. Hibbert closed a meeting here last Wednesday night, which was not much of a success.

Mrs. R. E. Tooke has been sick this week with appendicitis. We hope Mrs. Tooke will be able to be up in a few days.

Mr. and Mrs. R. F. Bilberry returned from Wichita Falls Saturday, where Mrs. Bilberry has been to call on Dr. Belt, the cancer Doctor.

Mrs. Bilberry is getting along as well as could be expected.

The Death Angel came to our community Saturday night and took Grandpa Carlisle. He has lived in our community for 38 years and was well known by Dickens County people. Grandpa was 82 years old. Would have been 83 August 19. We sure will miss him but our loss is Heaven's gain. The entire family has our sympathy.

Mrs. Harvie, from Duncan, Okla., is visiting her son and brother, W. J. Driggers and D. G. Simmons, Sr., and her son, Otis Driggers, of Afton. Mrs. Harvie visited in our community

last fall and we are all glad to see her in this country again.

Buster Bennett and Jack Simmons returned from Plainview Sunday. They said they enjoyed the hike very much.

D. G. Simmons, Jr., Ike Simmons and Goldie Gooke left Saturday night for north Panhandle where they will work for a few days.

Mr. and Mrs. J. O. Owens, daughter, Mrs. Paulin, from Borger, is visiting here now.

Grandpa Gregory is visiting his son, T. E. Gregory, and family.

The little son of Jim Banks is recovering from his operation.

The Baptist Revival will start Friday night before the first Sunday in August, which will be August 3rd. Bro. Jim Cordor, of Abilene, will help Bro. Stokes in the meeting. The public is cordially invited to attend.

Everybody come to Sunday school and Prayer meeting Sunday night.

SPUR CHAMBER OF COMMERCE

It shall be the policy of the Spur Chamber of Commerce to help in every constructive movement for the further development of Dickens County and this section of West Texas.

We will appreciate the full cooperation of every one who wants to see our country go forward in the way that it should, and will, if we all forget to register our complaints and take note of the reasons we have for being glad that we are living.

When you have something good to tell and want to let the rest of the world know about it, or if we can serve you in any capacity, do not hesitate to call on us.

Mr. and Mrs. H. V. Link, of Aspermont, were visiting Mrs. Link's parents, Mr. and Mrs. E. L. Smith, and other relatives here Sunday.

MRS. H. L. BRANNEN PASSES AWAY

Mrs. H. L. Brannen, of Peacock, departed this life at her home Sunday morning. She had suffered a paralytic stroke just a few days before, and this with her advanced age was the cause of her death.

Owing to the fact that she had three children living here, she was widely known in Spur, and had a great number of friends in our city.

She was a native of Alabama and was born March 10th, 1854. She and her husband were married October 16, 1869. She was the mother of 14 children, five of whom are still living. These are W. F. Brannen, of Silverton, Mrs. Young, of Charcoal, Texas; Dr. M. R. Brannen, Mrs. E. L. Caraway and Mrs. R. R. Wooten all of Spur.

Upon hearing of the illness of his mother, Dr. Brannen secured the service of Dr. Nichols and rushed to her bedside. All possible was done to relieve her condition but it seemed her recovery was impossible.

Rev. A. G. Abbott, pastor of the First Christian Church, of Spur, conducted the funeral rites Tuesday afternoon at Peacock. The esteem that people held for her was expressed by the great number who attended this funeral even though the weather was bad.

Interment was made in the cemetery at Peacock. Webber B. Williams acted as funeral director.

Friends in Spur join those in other communities in extending sympathy to the bereaved ones.

Mr. and Mrs. Leland D. Campbell of Bryant Link Company, returned Friday from a trip through Carlsbad Caverns, Colorado Springs and to Pikes Peak. They report a great time.

F. E. Henze, of Gilpin, was on our streets Monday and stated he had failed to receive any rain at that time. We feel sure his fields are wet by now.

BOARD LETS CONTRACT FOR SCHOOL BUILDING

At a meeting of the Board of Education for Spur Independent School District last Friday evening, a contract was let for a new ward school building. This building will be located in the east part of town on a plat of land secured by the Board.

The building when completed will cost approximately forty thousand dollars and is to be a modern structure. W. P. Nugent & Company were the lowest bidders and as a result were awarded the contract. Work on this building will start as soon as the inclement weather ceases and is to be completed in time for the opening of school in September.

TONSILS AND ADENOIDS

Miss Velma Gallegar, of Jayton, was in our city Thursday having her tonsils and adenoids removed. Dr. Blackwell did the work.

Little Robert Burns, son of Mr. and Mrs. Turner Burns, of Floydada, was here Tuesday getting his tonsils removed. Dr. Blackwell performed the operation.

Verlin Bigham, of Roaring Springs, was at Dr. Blackwell's office last Thursday getting his tonsils and adenoids removed.

Noil Crafton, city, underwent a tonsil and adenoid operation at Dr. Blackwell's office Tuesday.

Emma Lee Ernest, of Espuela, had Dr. Blackwell to remove her tonsils yesterday.

Roy Akins, of McAdoo, was a patient of Dr. Blackwell's Saturday having his eyes treated.

Mrs. B. L. Foster, who underwent an operation for appendicitis recently was able to return home southwest of town last week.

Mrs. Charles Witt, of Kalgary, recently underwent an operation and is now back at home.

SPUR BAKERY THE HOME OF GOOD EATS

WE ARE GLAD

That the rain has fallen and that our farmers will raise plenty of feed again this year. Your cows need it.

These rains will stimulate the dairy industry and you will have plenty of cream to sell. The money received from the sale of your cream will pay most of your expenses while the cotton crop is growing, and the money you receive from that crop will be velvet to you.

Remember we buy your cream—both sweet and sour. We can pay more for sweet cream. Bring us your cream and exchange it for our butter, thereby saving your wife of that hard churning job.

We are a home people, and you are our neighbors.

SPUR, DICKENS COUNTY, TEXAS, SUNDAY, JULY 29, 1928

WHOLE NO. 190

EARLY RETURNS SHOW GOV. MOODY IN LEAD! MAYFIELD AND CONNALLY LEAD RACE FOR UNITED STATES SENATOR COUNTY RETURNS INCOMPLETE; MANY CHANGES YET!

GOVERNOR DAN MOODY

DALLAS, Texas, July 28.—Incomplete returns at eleven forty five showed that Marvin Jones was leading J. Ross Bell by 919 votes for Congressman from the 18th District. The report gave Jones 5663 and Bell 4744.

Reports from other congressional districts showed a very light vote accounted for. In the First District Eugen Black, present incumbent, was leading Patman by 1100 votes.

Governor Dan Moody was leading Louis J. Wardlaw, his nearest opponent by nearly 75,000 plurality. He was carrying the state by a majority over all three of his opponents by more than 50,000 majority.

A race in the Second Primary looks very doubtful in the Governorship at this time.

Earle B. Mayfield was leading Tom Connally by 2961 in the race for U. S. Senate. In the early returns Connally was leading the field by a small plurality.

There were 267,926 votes cast for U. S. Senate. LIETENANT GOVERNOR Barry Miller, present Lieutenant Governor, was leading Thomas B. Love of Dallas by more than 40,000 in this race.

Other State Offices the following returns were reported.

Table listing election results for State Offices: STATE COMPTROLLER (Terrell 159,846), STATE TREASURER (Hatcher 145,451), SUPT. PUBLIC INSTRUCTION (S. M. N. Marrs 109,832), LAND COMMISSIONER (J. T. Robison 107,585), RAILROAD COMMISSIONER (Lon A. Smith 165,194), JUDGE CRIMINAL APPEALS (W. C. Morrow 138,654), COURT OF CIVIL APPEALS (Fourth District: Smith 11,340; Thomas 7,586; Sixth District: Williams 11,124; Levy 10,056), ELEVENTH DISTRICT (Funderburk 4,135; Patterson 2,765; Stephens 1,930).

All reports on State offices are from 200 out of the 253 counties with complete returns from four counties. There are yet enough ballots to be tabulated and reported to make a great change in results in the U. S. Senate race.

DICKENS COUNTY With something more than 273 votes in the county yet to be turned in, the following returns are very much incomplete. There are yet enough votes to change the race for County Judge. McAdoo box report is incomplete and there are about 260 ballots in the two boxes at Spur to be tabulated.

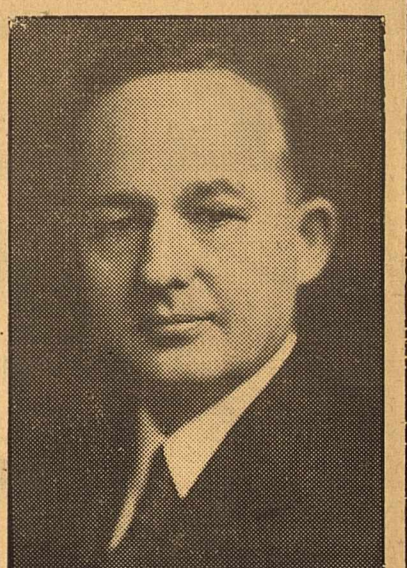

Table listing election results for Dickens County: COUNTY JUDGE (O. C. Newberry 731), SHERIFF AND TAX COLLECTOR (G. L. Barber 515), TAX ASSESSOR (A. B. Hogan 685), JUSTICE OF PEACE PCT. 3 (R. S. Harkey 151), CONSTABLE PCT. 3 (S. C. Rawlings 393).

MOTLEY COUNTY NEWS Incomplete returns in Motley County indicate that J. Floyd Jordan was overwhelmingly elected to the office of County Judge over T. J. Sanders.

In the race for Sheriff A. L. Grace was leading with Sterling Price a medium second. The early returns showed the following tabulation: A. L. Grace 429, Sterling Price 350, L. M. Frier 296, G. W. Green 66.

KENT COUNTY In the sheriff's race in Kent County, R. I. Goodall, present incumbent, was leading his nearest opponent by 96 votes.

Table listing election results for Kent County: COUNTY JUDGE (H. W. Davis 512), TAX ASSESSOR (B. A. Cumble 702), COUNTY TREASURER (Mrs. Jewell Rose 317), COMMISSIONER PRECINCT 1 (W. G. Billingsley 321), COMMISSIONER PRECINCT 2 (J. J. Martin 39), COMMISSIONER PRECINCT 4 (J. P. Thornton 79), PUBLIC WEIGHER, JAYTON (M. D. Fuller 232).

MARVIN JONES

DISTRICT ATTORNEY 50th DISTRICT

Incomplete returns from four of the six counties in the 50th Judicial District showed William B. Combest leading both of his opponents better than two to one.

Partial returns were as follows: Combest 3,200, Dresser 1,415, Dickson 1,334.

THE FIGHT BY ROUNDS ROUND ONE Grimly determined, Tunney whipped a solid right to Heeneys jaw. The challenger ducked and swarmed into Gene with short left and right hooks to the chin that drove the champion to the ropes.

Tunney, obviously startled at Heeneys fierce offensive, started boxing the challenger. He shot his left to Heeneys head but could not keep the bull dog of the Anzac away.

Champion Tunney Today

TUNNEY STILL WORLD CHAMPION BOXER

For the second time Gene Tunney successfully defended his title as the world's champion boxer against Tom Heeneay at the Yankee Stadium, New York City, Thursday evening.

Heeneay went down in the tenth with a hard blow to the head. As the bell sounded the challenger lay on his back in a semi-conscious state and the gong is all that saved him from being counted.

Gene complimented Heeneay as being a man of great courage stating that if courage would win that Tom had the world beat.

Gene crashed two rights on Heeneys jaw, but a sweeping left hook almost bowled the champion from his feet. Tunney was out fast, stabbing with his left, but Tom beat both hands like a tattoo on Tunney's chin as they swapped in close.

Tunney sparred as Tom ripped in. (Continued on page 4.)

CLUB MEMBERS OFF TO SHORT COURSE

On July 30, when farmers, farmers' wives and boys and girls, and the County Agents, Home Demonstration Agents, and many others, who are vitally interested in Agriculture from all over Texas meet to take advantage of the Farmers' Short Course at College Station, there will be several representatives from Dickens County.

Many of the farmers over the County are planning to attend the course, and some of the Demonstrations Clubs have raised money and are sending delegates. Obviously, there is great work being accomplished by the club women and club girls of Dickens County, and it is being demonstrated by their willingness to send delegates to the Short Course for the purpose of bringing back new ideas to help in the club work for the ensuing year.

EX-CONFEDERATE COMES TO TOWN

J. W. (Dad) Peters, one of the two remaining charter members of the John A. Green Camp, Ex-Confederate Soldiers was in town yesterday greeting his many friends.

He enlisted in the Confederate Army in 1862 and served under Gen. Walker's command. Being in a frontier county of Texas when the war broke out he was exempt from service the first two years.

When Gene's left hook dropped low, Tom mentioned it, and Gene smiled and asked forgiveness.

A second later they were crashing each other all along one side of the ring in a slugging exchange of head clouts that rocked both on their heels.

Absolutely unawed by the power in Tunney's newly found right, Heeneay plodded into a right handed exchange with the titleholder. Tom dropped his guard and stood before the champion hands ready and daring another exchange.

Gene accommodated him and they cracked lefts and rights, short vicious pokes that stung jaw and cheek. Gene didn't seem to like that and he bounced back on defense, spearing the challenger with a succession of lefts as Tom stalked after him.

Rising in sympathy with Heeneys unexpectedly determined onslaught the crowd bellowed the invader on as he whipped a short left and right into Gene's chin. Tunney bounced (Continued on page 4.)

GIRL SCOUT NEWS

Who is the "biggest hearted man" in this town? Many people might differ in their answers but the Girl Scouts are all unanimous in saying the Mr. Golding of B. Schwarz & Co. is the "biggest hearted" man in Spur. As the girls were preparing to leave for camp, one car was unable to go, leaving three girls without transportation.

The Scout leaders tried for two days to get an extra car but had no success. Wednesday afternoon Mr. Golding volunteered the use of his car to take these extra girls, with Mr. Whigham as driver. It is such generous persons as Mr. Golding that has made it possible for our Girl Scout Troop to progress as it has. He was under no obligation to the Girl Scout Troop but he realized it was an asset to Spur and voluntarily gave his aid.

The girls left in five cars Friday morning, planning to spend Friday night in Roswell and go to their camp near Cloudercroft Saturday. Mr. and Mrs. Whigham were to be guests at a graden supper Friday evening at the home of Capt. and Mrs. Mossman

in Roswell. The S. B. Scott, W. R. Stafford, Edd Lisenby, and Dr. Blackwell families took their cars, the last four planning to spend two weeks camping in the mountains. The following girls are taking advantage of the camp: Virginia Harris, Nell Collett, Royce Blackwell, Ruth Spivey, Mavis Stafford, Beryl Hight, Willie Maud Scott, Tillie McArthur, Dot Lisenby, and their Scout Captain, Mrs. T. W. Whigham.

MRS. MATT HOWELL WINS LIVING ROOM CONTEST

Mrs. Mat Howell of the Red Mud community has been announced as second place winner in the living room contest in district No. 2.

There were 773 women in the State Contest, who worked on their living rooms trying to make them more comfortable and attractive to their families.

In the contest Mrs. Howell refinished eighteen pieces of furniture, and refinished her walls and floors, and in addition to the living room improvement, Mrs. Howell improved her dining room and kitchen and purchased six pieces of labor saving equipment.

The work was sponsored and directed by the Extension Department of the A. & M. College and the Dallas Semi-Weekly Farm News, and was included in the program of the County Home Demonstration Agent.

Mr. and Mrs. M. L. Blakely, of Elton, were in our city Thursday marketing cream and buying some more merchandise.

Asa Gatlin, of McAdoo, was transacting business here Thursday.

HOW GOV. AL SMITH STANDS IN HIS OWN STATE

Having been asked by several how Al Smith stands in his own state the following article is offered in evidence.

"There are 62 counties in the State of New York. Hon. Al Smith, the present governor of New York, has been elected several times. In 1918 he carried nine counties, the five in New York City and four others; in 1922 he carried 17 counties; in 1924 he carried six counties; one outside of New York City; in 1926 he carried nine counties; in 1920 he was defeated by 75,000 majority, though he is said to have carried the five counties in New York City. Now view it from another angle. In 1924 President Coolidge carried New York State by a majority of 869,262 carrying every county. In 1920 President Harding's majority was 1,089,927; in 1916 Charles Hughes' majority was 109,640 carrying 53 of the 62 counties. These figures are obtained from the Civic Forum of New York. The editor says: "Governor Al Smith might carry New York State again for governor; he can never carry it for president. The business men of the state will not trust him for such a high office as president." The dry men of the nation will not risk him either.—Alabama Christian Advocate

A GOOD LIVELY BOUT

In the boxing match between Miller and Stinnett at the Spur Theatre Thursday night the people received one of the greatest thrills in the history of Spur. These boys gave the audience one of the snappiest programs any boxing fans have ever enjoyed.

The bout was under the auspices of the Boyd M. Williams Post of American Legion and the Spur Theatre was filled to its capacity. Johnny Miller, who is a former Spur boy but now from Oklahoma, was awarded the decision on a technicality. But Stinnett made a good showing all through. There was no knockout, but those present say it was the liveliest little bout they have ever witnessed.

We understand the Legion boys will have another bout in the near future. Watch for their announcement.

In this contest the Spur Theatre furnished a very fine picture and gave the Legion fifty per cent of the net proceeds of the house.

FAIR ASSOCIATION DIRECTORS TO MEET

The Board of Directors for the Northwest Texas Fair Association have been asked to meet in the Directors' Room of the Spur National Bank at three thirty o'clock Monday afternoon, July 30. There is important business to be discussed and arrangements for the Fair to be made.

SPUR MUTUAL STILL GOING STRONG

We are very thankful for the wonderful rains that have come and have turned our brown pastures green. Our fields are looking prosperous and soon we will be gathering the bumper crop, and all will be proud and thankful for the blessings of the year. The election also is over and our minds will be free and will let us think of something else.

We are coming to tell you that the Spur Mutual is still doing business in the same place, and we like the candidates that have been fortunate enough to get in the run off. We want to thank our people for the hearty co-operation and support that we have received in the past. We want to assure you that we are putting forth every effort to serve the people and give them the very best and cheapest insurance that they can buy.

Our policy is worth one hundred cents on the dollar every day in the week, and new members are coming in all the time. Let us write you a policy if you do not have one. Our aim is to serve the people, to give them good insurance at cost and to serve the people to that end.

We ask your co-operation in the future to help us make our business bigger and stronger day by day.

Yours for service,

RETURNS FROM OKLAHOMA

Mr. and Mrs. C. A. Love, who have been in Oklahoma the past several weeks, returned to Spur Thursday evening. Mr. Love stated that they had to pull through mud all the way except in Baylor County. That point had received no rain when they came through and the cotton is only about six inches high with one bloom in the top of the stalk. Mr. Love stated that crop conditions in other parts looked very favorable and he thought that a great deal of the cotton hurt by drouth would come out a great deal.

TUNNEY RETAINS BELT
(Continued from page 1.)

two rights off Tom's flinty chin and shot the challenger's head back with a stinging left hook.

Gaining the upper hand decisively for the first time in the fight Gene threw a right into Heeneey's head with every ounce of his weight and strength behind it. This time Tom's eyelids actually fluttered and Tunney pressed his advantage with two crushing rights to the heart.

Sensing the turn with blood beginning to drip from a cut under his chin, Heeneey tore savagely into the champion and nailed him to the ropes with a rocking volley to the head. Back to the hemp, in the same position as when Dempsey floored him last fall, Tunney fought vainly to sway out of danger, but Heeneey Back to the hemp, in the same position. The bell broke up the challenger's onslaught.

ROUND FIVE

Tunney smashed his right full under Heeneey's heart, but the Anzac seemed to like it, and hounded in close to slug at the champion's body. Gene drilled a left and right into Tom's rugged head and blood dribbled from the challenger's nose.

Boxing cagily again, on the defense, his natural style, Gene prodded the Anzac with jolts to the head and body as Tom sturdily ploughed into whatever punishment came his way. Tom slipped as Tunney hooked him in a clinch but was up without a count. Tunney pecked at him steadily up to the bell.

ROUND SIX

Tunney's masterly defense had Heeneey quite muddled now as Tom plodded in only to find his clouts caught on the champion's arms and his body battered by Gene's thudding right. The champion stepped in with a bullet like left hook to the body and bounded his right again off Heeneey's corrugated features.

In a clinch with the broad shouldered New Zealander, a half head shorter, Tunney was content to maul the challenger killing the effectiveness of Tom's left hook by burying his right hard against his cheek as Tunney danced about, shearing Tom with his left as the Anzac missed frequently. His short arms going by Tunney's head, Tom caught the champion again near the ropes. Tunney's vital spot, and slashed a left and right to Gene's head.

Gene wobbled a bit and tore out of the precarious position so fast that he landed in the center of the ring before Tom could get away from the ropes. Gene was boxing him easily, shearing him deftly with lefts.

ROUND SEVEN

Gene feinted twice and tied Tom into a knot both times. Tom missed a left and a right by feet. Gene jabbed twice fast to Tom's nose, Gene sunk a stiff right under Tom's heart and clinched. Tom landed a hard left to Gene's head and the champion clinched. They swapped straight lefts. Tom was almost helpless in the clinches and there were plenty of them.

Tom rushed Gene to the ropes but did no damage. They sparred at long range and Heeneey seemed to be trying to make the lead for first time. In a hot exchange of rights to the head Tom made Gene break ground and run much to the delight of the crowd. It was so much one sided

that it was getting monotonous. Tom landed a straight right to Gene's face, but took a left to the head. They were sparring at the bell.

ROUND EIGHT

Freshened by half bucket of water poured over his head and a new hair-comb, Tunney came out to hold the challenger helpless, Heeneey's left eye swelled and nearly closed when something irritated it. Tom shook his head in desperation as he could hardly see from that eye. Finally he closed it of his own accord and tore into Tunney with one good eye quick to see his advantage. Gene held the challenger a moment, looked over his difficulty and then pumped lefts and rights to Tom's head and body.

Tom wobbled under blows, but blood spurted from his nose as he lashed forward in one despairing effort. Tunney met his courageous attack with sharp left hooks right up to the bell.

ROUND NINE

Hardly able to see from his left eye, despite the ministrations, Heeneey gallantly piled into the champion. It seemed dye from the tights had gotten on to Tunney's gloves and into the challenger's eye, Tunney a sportsman himself, stood and slugged with the challenger, but Tom got the worst of that, too. As Tunney's knife lefts drummed on the Anzac's head, blood began to ooze from Heeneey's battered left eye, a gory sight and becoming gorier. Heeneey again summoned his strength for another surge and ripped his right and left to the champion's head.

ROUND TEN

Heeneey's eye looked almost normal as he came out doggedly to battle the unmarred champion. Gene grabbed Tom as the Anzac lunged forward and sank a left and right in the body. The snap seemed to have disappeared from Heeneey's punches and Tunney apparently had little desire to cut up the challenger further. Gene grabbed Heeneey as the Anzac plunged in close and showered him with left hooks to the head and body. Tom reeled under full left and right hand clouts to the head.

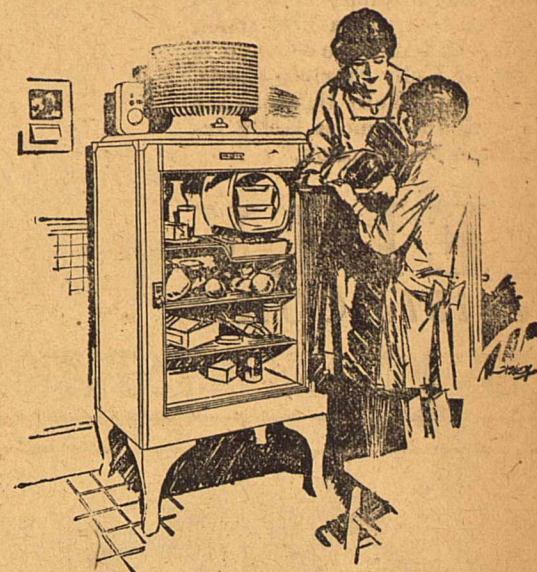

Plodding forward now by instinct, Heeneey ran into a barrage and went down under a right to the head. As

Heeneey rolled unconscious almost from the ring, the bell rang, and ended the session. Heeneey was out, flat on his back and had to be carried to his corner. His seconds had him restored for the next round.

ROUND ELEVEN

Tom came out with a left that missed and Tunney measured him for a final blow. Showing amazing recuperative powers, his head a mass of blood, Tom plunged again into the

champion and was smashed with a right to the head. A right to the heart sent Tom reeling again. Tom could barely stagger in the close places. His back to the ropes, Tom blindly staggered forward. Tunney half kidding, stabbed him easily with a left and let him get away. Gene flayed Tom about the head on the ropes and Tom reeled under the punitive powers, his head a mass of blood, Tom plunged again into the less and the fight was stopped.
