FAMOUS STARTS IN-

TRODUCTORY SALE

The "Famous" the new dry goods store in Spur, is starting an introductory sale at nine o'clock Friday morning.

This new business is under the management of Mr. J. Silman, who comes to our city from Woodson, Texas, with a very fine record. It was thought at first that the business would be named the "Leader." Incorporated, but since there is a Grand Leader Store in Town, Mr. Silman thought best to use the name "The Famous."

See his announcement in this issue of the Times.

Community Theater Advocated For Spur People

There is a movement in progress for the building of a new theater in Spur, which is to be owned and operated by citizens of Spur Country. It is to be financed by citizens forming a stock company and several people subscribing for so much stock to be paid at intervals.

H. C. Johnson, who formerly was with the Spur Theatres, is handling the proposition and states that people are very enthusiastic over the proposition. He remarked this week that several thousand dollars in stock had been subscribed and that a building site had been secured. Everything is ready and all that is required now is to sell some more stock and then start the building.

This new theatre is to be one of the highest type. It is to have good first-class theatre seats and all other modern equipment and conveniences. Mr. Johnson stated that when the theatre is put into operation that it shall serve the needs of the people. It will be open to the town to hold their meetings, to the town school to render their programs and to the people of the country schools for their programs, and there is to be no charges for this service. Mr. Johnson says that people in the various communities are subscribing to the proposition very liberally and that all the stock will be raised in a very short time. Then, whatever is made from the theatre will be returned to home people. It looks very favorable for Spur to have a community theatre in the near future.

Mrs. Janie L. King, of the ladies ready-to-wear Department of Bryant-Link Company, left last Tuesday for eastern markets to secure new and up to date stock of dresses to offer the ladies of Spur territory.

LETTER FROM MRS. PUTMAN

Just received a letter from Mrs. Putman, who has been in Dallas for a week, or more, and I am sure many of her friends will be glad to read same—

Dear Mrs. Starcher—

The H. W. Gossard Company is conducting a school for corsetiers here this week which I am attending. Our class instructor is nationally known as an outstanding authority on foundation garments and is imparting knowledge that is going to be helpful to all of us.

I am delighted over the privilege of receiving this training and wanted you to know about it. It is making me better qualified as an expert corsetier and consequently I can better serve you in the future. I hope that before long I will have the pleasure of showing you some of the new Gossard garments and of fitting you in one of them.

You know, we sell the "Gossard Line of Beauty" and that it is merchandise of high character. It is the leading make because of the style originality found in the designs and because it offers the wearer a minimum amount of satisfactory service. We have a good assortment of the various kinds of garments made by the Gossard Company and invite you to come in and see them. I shall deem it both a favor and a privilege to demonstrate to you what this school has taught me.

I will be back home next week and hope you will come in to see me real soon.

WINNIE PUTMAN.

13 INCHES TO ONE FOOT

We have always been taught that 12 inches constitute one foot but this rule seemed not to hold good in Spur Monday. Albert Jordan, of Steel Hill community, presented a foot Monday that contained 13 1/4 inches.

During the drawing at the Band Stand the Hokus-Pokus Grocery offered a 3-pound can of good coffee to the man that had the longest foot. A number made application but Mr. Jordan says there is nothing like having a good understanding and then have good coffee to drink.

FARM NOTES

By E. L. TANNER, County Agent, Dickens County

I have the following signed agreement in my office. It is just what it says and the eleven grocery stores which operate in Spur all signed it:

"We, the undersigned grocery-men of Spur, Texas, agree to pay a MINIMUM price of 20 cents per dozen for FRESH, CLEAN, INFERTILE, STAMPED eggs after May 15, 1929. Should prices justify, a higher price will be paid."

Signed: Spot Cash Grocery, Hokus-Pokus Grocery, M Grocery Co., Virgil-Smith Cash Grocery, Bryant Link Co., Piggly Wiggly, Joplin Grocery, Melvin Landers, Gibson Grocery, A. M. Shepherd Lucky Corner Grocery.

This is a good start. All these men have said that they will not pay less than 20c for stamped infertile eggs after May 15 which is next Wednesday. They all agree that they are going to pay all they possibly can for infertile eggs. They have always done this in the past. But they are going out to find a market from now on and encourage production of more and better eggs, by going for quality. It is my prediction that they will be paying 22c for these eggs in a very short time and if they get a volume of them they will find a market that will give them even a better price than this.

Here is the way to get into this guaranteed price for this class of eggs: First get your rooster off the yard if you have not already done so, and in three weeks your eggs will be infertile and you can then stamp them. You can get your stamp and ink pad from Mr. Patrick at the Chamber of Commerce at Spur for 65c. This stamp will be registered in your own name and you will be held responsible for all bad eggs that show up with your number on them. It will be necessary for you to sell your young cockrels when they are ten weeks old as fertile eggs will again appear unless you do.

In order to establish the market these men are striving for eggs should be gathered every day and placed in the storm cellar until they are brought to town. Bring them as often as possible, but at least once each week. Remember we want to build up a reputation for eggs and to do this it will take the cooperation of every one in the Spur territory who is willing to produce this product. It is my belief that we can build up to a point that by next spring we will be able to put in a cold storage that we have been talking about and get never less than 22c per dozen for eggs. We want, and by we I mean the farmers, a carload market instead of a dozen market. Every cream check should have a sister in the form of an egg check and the way for us to get it is to produce a quality product. Our 20c minimum is not the top but remember it is a whole lot better than ten to fifteen cents. Monday we had a fine meeting on the egg situation at the Spur Theatre. There were 95 men and women present who lived in the

TWO-BITS!!!!

There are numerous stories about installment buying, some good and some bad, but here's the latest:

W. F. Godfrey, manager of Godfrey & Smart, Ford Dealers was explaining the fine points of the latest Ford to a prospective buyer and as is the case in most sales the terms were reached and Godfrey was explaining how easy it was to buy and the number of installments to be paid when the man informed him that he couldn't meet even the first payment, that he only had a quarter. Being a "go-getter" Godfrey took the man's quarter, issued a receipt, marked it "first payment," and turned to the next customer. Incidentally two days later the man drove the Ford out.

State Convention At Breckenridge

The State Convention of the Christian Church will be held in Breckenridge, beginning next Monday. The convention will be presided over by Rev. Clifford S. Weaver, of McKinney, and will continue until Thursday. Rev. J. B. Holmes, of Fort Worth, is secretary. All churches of the denomination of the State will be represented. Rev. A. G. Abbott, pastor of the First Christian Church here, will attend the convention.

BAPTIST CHURCH

We had a good service through the entire day last Sunday.

Bro. Rodgers was here and he preached a wonderful sermon. His subject being "Lost Power Regained." We are still looking forward for a great meeting, beginning the last Sunday in May. We invite all to come for mother's day program next Sunday. Pray that some people who have been asleep spiritually shall awake and find their places in life and sinners be saved during this meeting. Pray for the one who is to do the preaching and be there.

N. V. Cypert of McAadoo, was in our city Wednesday. He stated they would be glad to have rain on their wheat, but they were not suffering yet. Mr. Cypert has been in McAadoo for a number of years and you will not find a finer citizen any where than N. V. Cypert, but did you ever stop and think that McAadoo is full of fine people.

M. L. Luna, of Girard, was in our city Monday purchasing a nice supply of merchandise at bargain prices. Mr. Luna enjoys coming to a good town.

country. They were all there to see about a better market for their summer eggs. We had it round and around as the boys say. Such meetings as that are good. They just go to show the other fellow that he is not alone in wishing to better himself. From that meeting I am confident that there are at least 300 farmers in the county who are going to get rid of their roosters and begin to produce infertile eggs. Thirty of those present signified their belief that a cooperative poultry association should be formed. However, after discussing the matter it was decided to let this drift for a while and see how we come out on our present plan. Every body knows my belief in cooperation among farmers and I do not believe it will be long until the farmers of this county will solve their own problems along this line of egg marketing. Let's make this coming Saturday the most deadly on roosters that has ever happened in Dickens County. I am going to find out how many of them are sold and report it next week.

KALGARY FARMER GETS COW FOR FIRST MONDAY TRADES DAY

Prizes Announced For Yard Contest

All entrants in the yard beautification contest must be in by May 15th. Gardens will be judged the last Friday in each month from May to October. Prizes to the white people will be: First \$15; second \$10; third, \$5. To the colored folks: First prize \$7.50; second \$5; third \$2.50.

We hope there will be many entrants in this contest. Now do not think because your yard is small and your home may not be as pretentious as some others you will not have a chance to win, for you will; this is to encourage every one to make their homes more attractive, and if you make your little home lovely by surrounding it with flowers, your neighbor will catch the spirit and Spur will soon be living up to our motto.

Now is a good time to plant many of the best growing flowers, so you may begin now and win; and if you fail to win a prize you will be winning anyway, for you will get real joy out of this work. You never know how beautiful flowers really are until you plant, water and watch the tiny plant as it develops, then see the first bud that shows a touch of red as it bursts forth to gladden the world.

Spur Civic League begs you to join heart and hand in this splendid move to: "Let Spur never rest 'til her gardens are the best."

J. E. Poteet, one of the hustling Plains farmers was in our city Wednesday attending to business affairs. He stated that rain on the Plains would be appreciated but they are not suffering from drought yet. He stated that he appreciated the Times, and while he was paying \$1.50 for it that it was worth only \$1.00, but he knew the newspaper man needed the extra profit to get by on. Thanks, Mr. Poteet, you are a financier even from the newspaper man's standpoint. Mr. Poteet is one of these farmers who believes in adding cows and chickens to his program and staying out of debt.

C. H. Eldridge, of McAadoo, was attending to business matters in our city Tuesday.

Henry Parnall, of Croton community, was attending to business matters in our city Tuesday.

H. B. Lewis, of Croton, was looking after business affairs in our city Saturday.

R. C. Carter, who recently purchased the Spur Drug Store, is moving his family to Spur this week and will make this his home. It means a great deal for Mr. Carter to leave Crosbyton where he has spent his life up to this time and where he owns one of the best drug stores in the West, but he feels that he will enjoy living in Spur and lending his assistance in making it the metropolis just below the Cap Rock.

Mrs. Alton Lawson, of Afton, was doing some shopping in our city Monday while prices were right.

W. T. Vinson, of Girard, was attending to business matters in our city Monday.

At three o'clock Monday afternoon interest in Spur's First Monday Selling event grew to the peak as time came to award the fine Jersey cow to some customer of Spur merchants.

The awarding of this cow was made under the management of Col. E. D. Hutson, who had conducted the auction sale for the farmers during the day. Col. Hutson selected a committee of three men from the large number of people. This committee then selected two little girls who were to draw out the tickets. Not being satisfied with all these precautions, three judges then were selected to see that the right number was called. After the judges were satisfied with the number it was handed to Col. Hutson who then announced it to the people.

The first cow was awarded to Mr. C. P. Witt, a farmer living in the Kalgary country about twenty miles southwest from Spur. Mr. Witt owned one cow which was not producing enough milk to supply his small family. He greatly desired to secure another cow but had been unable to spare the amount of money required. He had wished to get into the dairy business in a small way but the cow he owned was not of the producing type. Since he secured this fine choice Jersey, it will not be many years until he will be able to show a fine herd—the offspring of this one cow. Many people who know Mr. Witt stated they were glad to see him awarded the first cow. It may mean a new start in life for him.

The First Monday Selling event was characterized by the great social feature demonstrated by the people. Neighbors spent the day greeting each other and talking over the various conditions in the county. Some of them had not seen each other in a long time, and were glad of the occasion of friendly visiting. Also, they were busy during the day buying merchandise. The merchants of Spur had made some very desirable prices in different lines and the people took advantage of the prices and bought a good supply. Many of the merchants stated they were well satisfied with the day's business, and on every street corner people were talking of how reasonable they purchased various articles. It was a great day in the history of Spur.

In speaking of the day the merchants seemed to be enthusiastic over seeing the people enjoy the day. Already arrangements have been made for another First Monday Program and June 3rd will be characterized by another great day for the farmers of Spur country. According to statements from various business men they are anxious to see the good work go on. Some stated that they wished all the farmers who came that day could have been awarded a choice Jersey cow. But some one will get another one the First Monday, June 3rd. Farmers realize they are saving much money by getting merchandise in Spur and they are not being held up on high prices to pay for a cow.

There were people here who came forty and fifty miles that day. Many of them made savings of as much as 15 per cent on groceries. One person stated that they saved more than six dollars on a small bill of groceries and at the same time was able to buy high classed standard merchandise. That is a very good day's wages saved. These bargains will continue in groceries, dry goods, furniture, hardware, drugs and all other lines of merchandise in the town.

The line of presents may be extended the next First Monday. There is some talk of this and it may go over. If so, there will be more than one person made happy next time. Watch for further announcements in the papers and don't forget to read the advertisements. They all have bargain announcements for you.

Spring housecleaning hint for Husbands

RADFORD paused in the upstairs hall.

"What!" he exclaimed, "not enough yet—"

From amid the chaos of housecleaning, Mrs. Radford looked up in exasperation.

"Get that coat off and help me put up this bed," she ordered, wearily shoving a stray lock of hair back beneath the towel about her head.

"How do you expect me to be through? I can't clean the upstairs, and spend the best part of the afternoon downstairs talking over the telephone, can I? I've been up and down those stairs forty times."

Radford had weathered many spring housecleanings. Wisely, he pulled off his coat and began to roll up his sleeves.

"I think," he observed sympathetically, "that an extension telephone up here in the hall might save steps and—"

"Then suppose," interrupted his wife grimly, "that you order one for me tomorrow."

Telephones where you need them save time, patience, housewifely strength.

Few know that one or two additional instruments cost considerably less than the single telephone they now have!

By a wisely-placed "extension" or two, and perhaps a rearrangement of the equipment you already have, an expert telephone man can often double the convenience of your telephone service. Just mail the coupon.

BAPTIST LADIES ENTERTAINED.

The ladies of the Baptist Church were delightfully entertained on Monday afternoon at the church by the members of the North and West Circles of the Missionary Society.

An interesting program was given with Mrs. E. J. Cowan leading the devotional service. Mesdames W. F. Godfrey and P. C. Nichols favored the guests with a vocal duet. Following a contest, refreshments were served to about thirty guests.

MISS LUCILE LUCAS TO WED MR. ALFRED VAN DYKE

On Thursday of last week, Mesdames Malcolm Brannen and E. L. Caraway announced the approaching marriage of Miss Lucile Lucas to Mr. Alfred Van Dyke of Lubbock.

Lovely pink roses and snap dragons were used effectively thru out the entertaining suite, where tables were arranged for games of bridge and "42."

Dainty ladies in pink costumes adorned the place card and proclaimed, "I have something under my hat."

At bridge Mrs. F. W. Jennings made high score with Mrs. Joe Stotts making low, and Mrs. Watson second high. The lovely prizes in green and white were presented by the winners to Miss Lucas.

The refreshment plate was most attractive with ices in form of bells and individual wedding cakes with tiny pink rose decorations. A card announced the fact that Lucile is engaged to Al, and the date of the approaching wedding, May 26, 1929.

Guests for the afternoon were: Mesdames Baisden, G. R. Elkins, Jim Foster, Riley Wooten, W. D. Wilson, Joe Stotts, C. L. Love, F. W. Jennings, Horace Hyatt, Mac Watson, Jimmie Smith, Margaret Newman Cooper, of Amarillo, Frances Van Dyke and Charles F. HOME OF GENE STRATTON PORTER ACQUIRED FOR BOY SCOUT CAMP

Among the many campsites of his torical and national interest which the Boy Scouts of America has acquired during the last few years is the story-famed Gene Stratton-Porter Lumberlost cabin property of Sylvan Lake, five miles northwest of Kendallville, Indiana. Announcement of the purchase of the property which is to be used as a Scout camp and nature shrine was made last week by E. G. Hoffman, president of the Anthony Area Council of the Boy Scouts of America, with headquarters at Fort Wayne, Indiana.

Bought from Daughter

The Porter cabin, with three quarters of a mile of lake front and the acreage of natural beauty surrounding it was purchased from Mrs. James L. Meehan, daughter of Mrs. Porter, in whose possession it had been by heritage since the death of the Lumberlost writer, who used the settings in and around this camp for many of her stories.

The consideration was \$20,000 represented as a special concession to the Boy Scouts in order that this ground might be fittingly dedicated to the memory of Gene Stratton-Porter. It is understood that Mrs. Meehan refused large sums from private enterprises, and it is stated that Mrs. Porter, creator of "The Music of the Wild," had invested between \$75,000 and \$100,000 in the cabin and nature work alone.

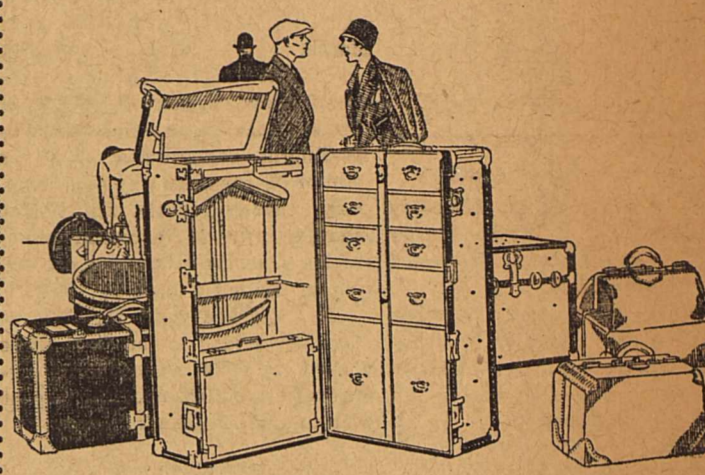

Many Trees

Five and one-half acres immediately surrounding the Lumberlost cabin are wooded and there is a total of 40 acres of trees on the estate. Part of the remaining farm land will be used for nature work, general camp activities and the remainder for providing vegetables and milk for the camp.

The 10 acres adjoining the cabin had been developed by Mrs. Porter as a nature museum—comprehensive, beautiful, sublime. There is perhaps no other collection of plants, herbs, vine and tree life its equal anywhere in America. The Lumberlost cabin itself, born of the woods and made of logs, has a large attic and sleeping porches. There are four very large rooms and kitchen on the ground floor and seven sleeping rooms on the second floor. This cabin can be used as a nature museum and training center for the entire area. Sylvan Lake, itself, is a beautiful body of water with surroundings of great natural loveliness.

WILLYS-OVERLAND IN SECOND PLACE IN REGISTRATION GAIN

TOLEDO, Ohio, May 11.—The Willys-Overland Company is placed in second position in the entire automobile industry in point of increase in motor car registration over last year, according to complete registration figures received from all states for January and February and from 24 states for March.
Whippet registrations in this period show an increase of 34 per cent over last year while the Willys-Knight registration show a gain of 43 per cent. The one company that surpassed the Toledo manufacturer in increased registration was not in normal production in the early part of 1928. This marked gain for Willys-Knight-Overland in the first three months of 1929 is considered significant since 1928 was the largest year in the company's history.

NOTES ABOUT ROTARY

The Rotary Club of Spur will meet at the Spur Inn at noon today. It is hoped that all the Fellows will be out and get the benefit of the meeting. Last meeting there were several absentees—in fact, too many.
Today we are to have a talk from Olan Thomas. Olan has always brought us a good talk, a message that all of us enjoyed. You don't want to miss this one. Our attendance for the last month was still above the ninety mark, but we don't want to boast too much about that. We can easily fall below par and then we will not feel so proud of ourselves. Let's all get into the work and enjoy the golden truths of our organization. We are looking for you today.

MISSES LUCILE LUCAS AND THELMA CARAWAY HONORED at 8:00 o'clock, honoring Miss Lucile Lucas with a bridge party and surprise shower. Mrs. Pat Watson and Miss Dorothy Love entertained at the home of their parents, Mr. and Mrs. C. L. Love on Wednesday evening. Little Miss Mary Nancy Roberts, dressed as a cupid, presented each table with a card announcing the approaching marriage of Thelma E. Caraway, to Clarence Cash Wilemon of Stamford.

The tables were cleared of the salad course and set with cream hearts when the little cupid presented Miss Lucas with an abundance of lovely gifts from friends. The house was decorated with roses and bridal wreath, carrying out the color scheme of pink and white, as in the tallies, score pads and refreshments.

Those enjoying the occasion were the honorees, Miss Lucile Lucas and Thelma Caraway. Misses Lois and Evelyn Perkins, of Stamford, Dorothy and Mildred Williams, Nellie B. Albin, Ernestine Weatherford, Mesdames Perkins and Wilemon of Stamford, Joe Stotts, Horace Hyatt, Mac Watson, Leslie Roberts, E. L. Caraway, Riley Wooten, Floyd Barnett, William Manning, S. B. Scott, Jr., Elzie Watson, Barrow Chapman, and H. H. Heeren of Borger, and the hostesses, Miss Dorothy Love, Mrs. P. A. Watson and Mrs. C. L. Love.

MISS LENA BELLE SCUDDER HONORED

A very pretty affair was that given by Mrs. P. C. Nichols on Tuesday afternoon when she complimented Miss Lena Belle Scudder with a miscellaneous shower.

The home was beautifully decorated with garlands of pink, caught with pink rosebuds. Roses were placed in profusion about the rooms, with tall baskets of lovely pink snapdragon, placed at vantage points.

In the receiving line were Mrs. Nichols, Miss Lena Belle Scudder and Mrs. Weber Williams, sister of Miss Scudder.

When the guests had registered in the "bride's book" a program was presented. Little Misses Lavis Lee and Peggy Jane Hogan each gave charming readings. Miss Hazel Mullino favored the guests with a solo "absent." In her usual charming manner, Mrs. Dan H. Zachry gave three short musical readings. A vocal solo by Miss Aline Scudder, was enjoyed by all. Toasts were given by Mrs. Jack Rector, to the bride, Mrs. A. C. Hull, the groom, Mrs. Geo. S. Link, the absent mother, and Miss Lora Barrett to the "girl left behind."

Little Misses Lavis Lee and Peggy Jane Hogan came dancing into the room and announced they were looking for a "bell," when they found Miss Lena Belle, they bade her follow the white ribbon they held. This led her to rose covered archway, leading to a table piled high with gifts. The table cover of lace was caught in places with rosebuds, and long streamers of pink, falling from the chandelier, made the scene a lovely one.

When the gifts had been viewed in the form of pink roses were served with individual wedding cakes.

What's Doing In West Texas

SNYDER'S air-mindedness is growing with the arrival of the first home-owned plane, a Curtiss-Robin Monoplane with OX-5 motor (90 horse-power), for the nearly completed airport. The port is unique in that it has such equipment that pilots and passengers need not leave the field to eat or sleep.

HEREFORD real estate records indicate that within a few years the great cattleman's paradise will soon become the land of the crop grower. The 110 transfers of agricultural land recently completed around the town has had a total acreage of 48,175 acres of approximately 75 sections, averaging 438. acres.

PETERSBURG'S chamber of commerce, is actively working to secure natural gas for the town. A committee arranged to go to Amarillo and confer with the gas company there on the proposition.

WHITE DEER has recently organized a chamber of commerce and elected Odis Dean, president, and G. H. Russell, editor of the White Deer Review, secretary. Regular meetings were inaugurated.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 50c a bottle, and can be bought from **ALL DRUGGIST**

CISCO entertained the Brazos Valley Pecan Growers' association on April 27th. J. H. Burkett owner of the famous Burkett pecan tree from which more trees in West Texas are budded than any other, was present. Burkett was presented with a bronze plaque in recognition of his influence on the growth of the industry.

QUITAQUE'S entrants in the local City Beautification contest have passed 21. with more entries coming in every day. Prizes aggregating \$50.00 are to be awarded place winners in the contest. Judges are to be chosen from town landscaping experts.

JUNCTION'S new ice cream plant will have a daily capacity of five hundred gallons of cream and will be as modern as any to be found in the state. All new and the latest machinery is to be installed in the plant which will be a stucco building of Spanish architecture.

LAREDO begins her shipment of Bermuda onions early and has already shipped over 200 car loads. Special train loads carrying from 75 to 100 cars will leave the town nightly while prices remain good. Then dealers will be prorated as to the amount they can ship in order to prevent the glutting of the market.

The **LEVELLAND** Ice Company completed the installation of its plant recently and began freezing ice. The ice is clear and I. F. Lea, the manager, states that water in Levelland is particularly adapted to making fine ice according to the methods used. This is a new industry for Levelland and another mark of its progress.

A **CLARENDON** paper announced that Donley County Home Demonstration club women have closed their living room contest and announced the winners as Mrs. N. L. Jones of Ashtola, first in the class with expense of less than \$50.000 and Mrs. O. R. Culwell of Hedley, first in the class with an expenditure over \$50.00.

ANSON will entertain the third annual meeting of the Dal-Paso Cavern Highway association on May 8. Invitations have been extended the highway commissioners of both Texas and New Mexico to attend this meeting. Plans for a motorcade to begin at Shreveport La., will be made.

BIG SPRING'S first quarterly meeting of the chamber of commerce was attended by more than 400 people. The main topic of discussion was the building of good roads. Howard County will soon vote on a road bond to pave both highways out of Big Spring, and this course was highly recommended by those present.

The **CANYON** Episcopal church has broken ground for the erection of a new home for their student welfare worker who is stationed in Canyon. The brick cottage will be planned to suit the needs of large student gatherings and for entertainment of visiting officers of the Church.

ATTENTION READERS. TELL YOUR NEIGHBORS

When any one subscribes for the Dickens County Times now, beginning with date of this issue, they will receive tickets for all First Mondays as long as the Retail Merchants conduct the program. Tell your neighbors about this and let them get in on it. These tickets are good for the selection of the cow given away next Monday and every First Monday thereafter. Also, renew your subscription when it runs out.

We have always featured the agricultural program, the dairy program and the poultry program, and if any editor in West Texas says more about the egg market than we do he will just have to get out a bigger paper. Most of our friends make their living on the farm, and we sure are going to boost for our friends. Bring your neighbors in and let them get a good home paper that they will enjoy reading. Call for your tickets, too.

MRS. KELLAM GETS SAD MESSAGE

Thursday morning Mrs. Joe Kellam received a message stating that her brother, Mr. T. H. Leaverton, had died in a sanitarium at Temple. He had been in ill health for some years but seemed to be improving. He had suffered from high blood pressure and other complications for some time and had been on a diet for a long time. Last week he began feeling worse and went to Temple to get advice from the physicians not thinking that anything serious was wrong. However, he died very suddenly.

The body was taken to Grape-land where funeral services were conducted Friday. He leaves his wife and daughter, four brothers and two sisters to mourn his departure. Friends here join in extending sympathy to Mrs. Kellam in this sad hour.
