VOLUME 9

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, OCTOBER 12, 1933

WHOLE NUMBER 430

## Spur High School Bulldogs Play First District Game With Ralls Here Friday

(JEP)  
**FOOTBALL SCHEDULE**  
\* Oct. 13—Ralls at Spur.  
\* Oct. 20—Crosbyton at Spur.  
\* Oct. 27—Open.  
\* Nov. 3—Roaring Springs at Spur.  
\* Nov. 11—Post at Spur.  
\* Nov. 18—Open.  
\* Nov. 30—Open.

Friday the 13th—lucky or unlucky, depending upon your superstition—holds no scare for the Spur High School Bulldogs who open their campaign for the championship of District No. 2 in football. The Ralls Jack-rabbits will furnish the opposition in what promises to be one of the most evenly matched games ever played between these two schools. The game will be played at Fair Park and the time set is 3:30. Admission will be 35c at the gate.

Coach Hendricks of Ralls used 35 men in the game with Dickens at Ralls last Friday. Brown, fleet left half, was the outstanding player on the Ralls team and is the chief back field threat. The Rabbits also boast a fast, quick thinking quarterback, who has already proved his ability as a field general. They also boast good tackles and ends, in fact their ends are rated as the best blockers in the district and are almost certain pass catchers.

Coach Murley scouted the game at Ralls and has been busy coaching the Dogs to block Rabbit plays this week. Henry Scoggins, stellar linesman, has developed into a punter and in all probability will start the next game at fullback. A powerful, big, fast, wide awake player, Henry should be an even better back than tackle.

Delisle and Suits are fighting for the left half position and both will play at least part of the game. Martin, speedy half back from Dry Lake, will get the call at right half. Capt. Morgan, who is proving a very capable field general and back field man, will start at quarter and do the signal calling. Teague and Chapman will see action in the backfield and one or the other may start.

Bostic, veteran end, will be at left end in the opening line up. McCombs of Lower Red Mud, a new man, is developing fast and will probably get the call for right end. Foreman and Blackmon will also see action at the end positions.

At the tackle positions, Gilbert, Hefner, Bronson and Malone will all see action. Bell and Hisey will probably start as guards with Luther Jones, Foster and Butler relieving them.

Green will start at center with Wilhoite as relief. Both these boys have been playing good football with Green developing into a star on defense.

## Hale Bros. Open New Grocery

The Hale Bros. Grocery opened for business Friday in the building just north of the Spur Truck & Tractor Company. Terrell Hale, who has been in Spur county for several years, is in charge of the business and will be assisted by his brother, Bill Hale. They have a very complete line of groceries, and state they aim to carry in stock what the public wants to complete their grocery lists. In speaking of the business Mr. Hale said, "We do not expect to carry an overhead stock to create expenses, but we will have a complete stock to supply the people."

## OPENS NEW CAFE TUESDAY

W. L. Malone opened a new cafe next door south of the Malone and Son's Second Hand Store Tuesday. In coming to Spur Mr. Malone feels he is coming among friends as he was in the cafe business here until 1925 when he sold out and went to Hico. Since that time he has been in business at various places.

He is arranging a very neat little place on South Burlington and is prepared now to take care of people's needs as they visit him. He will appreciate meeting the people and invites them to visit and get acquainted.

## LOCAL CREAMERY SHIPS BUTTER

The Spur Creamery shipped a carload of fine butter to the New York markets on consignment last Saturday. The carload netted 21,000 pounds. The products of the Spur Creamery are in demand on northern markets and Mr. Posey stated that they can sell all the butter they can manufacture.

The Spur Creamery has meant a great deal to this country the past few years. It has been a means of stabilizing prices even when there was no demand for dairy products. It has furnished a market for the butter fat of the country and this has been a great portion of the means whereby people have been able to pay living expenses.

M. D. Goolsby of Chandler, was attending to business matters in our city Tuesday.

## 4-H Club Boys To Dallas Fair

County Agent G. J. Lane and two 4-H Club boys left Monday for Dallas where the boys entered the encampment of the Dallas Fair Tuesday and Wednesday. The boys are W. K. Harvey of Dry Lake community, and Elvis Holly of Dickens.

Young Harvey made high score, having four projects in his program. He has cotton, milo maize, cane and hogs. His cotton brought him \$23.45 per acre, the maize and cane brought \$10.00 per acre and the hogs have not been sold yet.

Mr. Holly grew cotton only as his project. His project brought him \$26.80 per acre.

There were several other boys in the work with different projects but these were the two highest of the number.

## DICKENS COUNTY TO HAVE IMPROVED YARDS

October may be too early to plant trees or shrubs but it is not too early to begin plans for demonstration yards or to study native shrubs suitable for foundation plantings and to locate them in the breaks and on the hillsides; or at least one would not think so from the interest being shown by the home demonstration club women over the October program on yard improvement. Selection of trees suited to this section and their location in the planting of the home, listing the native shrubs that may be used in foundation plantings, and grouping so there will be beauty the entire year are just some of the interesting topics in the program. Lawns are receiving a big share in the program too. Of course Bermuda grass is the favorite and one of the best of the lawn grasses but this section of the state Texas curly mesquite grass is being favored. Texas curly mesquite can be soddied the same as Bermuda, in fact there are several yards in the county so sodded now, and it will thrive with less care than Bermuda. It has the additional advantage that it scarcely needs mowing at all and even though it turns brown in a drought, it will green up to the tips of the brown blades with a small amount of rain or artificial watering.

Planting plans are being drawn for the yard demonstrations in each community. The demonstrators' duty is "to create a pattern yard" including 1. trees for shade and background at side and back of house; 2. smooth, unbroken grass lawn; 3. foundation plantings of permanent shrubs; 4. screen and border plantings, where needed; 5. roses and flowers in separate beds in the side or back yard; 6. convenient service yard and sanitary toilet; 7. walks and drives where needed.

Planting plans for four yards were made this spring; two, W. B. Lee and M. D. Ivey, Spur, followed their plans completely in planting their homes. Mr. and Mrs. W. R. King, Spur, followed theirs as much as possible until further additions are made to the house. Mrs. Buren Smith, Dry Lake, did not decide to improve her yard in time to put out native shrubs this spring. She did set 100 Chinese elm seedling given her by the Lubbock Experiment Station for a windbreak. "Of the 100 elms 96 are growing fine. We set them according to Mr. Jones. We have watered them very little. directions; that is, plowing deep for ten feet on each side of the row then setting the seedling three feet apart in the row. They will not be trimmed; it is going to make a good windbreak in winter and from sandstorms too for it is on the north and west of the house and barn. We are anxious to begin work in the yard this winter," says Mrs. Smith.

The yard demonstrators enrolled for next year and who are beginning work this month are: Mrs. R. I. Griffin, Duck Creek; Mrs. Matt Howell, Red Top; Mrs. Floy Watson, Red Hill; Mrs. Cal Martin, Spur; Mrs. Forest Martin, Peaceful Hill; Mrs. Frank Forbis, Chandler; Mrs. Dena Gyr, Soldier Mound; Mrs. D. B. Embrey, McAdoo; Mrs. J. W. Carlisle, Steel Hill; Mrs. Buren Smith, Dry Lake; Miss Gladys McMeans, Twin Wells; Miss Thelma Gilstrap, Midway; and Mrs. E. S. Cridler, Dickens. Three clubs do not have demonstrators enrolled yet.

## KELLY AND WIFE ON TRIAL

George (Machine Gun) Kelly and his wife, Kathryn, went on trial Monday on charges of kidnaping Charles F. Urschell of Oklahoma City. In the testimony of the past two days it was revealed that both Kelly and his wife had made threats on Urschell's life. The life of Federal Judge Edgar S. Vaught, presiding judge, also, was threatened.

It is thought the case will be concluded and go to the jury today or Friday.

Mr. and Mrs. R. G. Shannon, Bates, Harvey Bailey and three others already have received sentences for being accomplices in the kidnaping of Urschell.

The Times sells adding machine paper

## New Deputy Added By Sheriff Arthur

On account of duties in the Sheriff's Department increasing J. J. Rye has been added as a combination office and field man to this department. Mr. Rye has had seven years of experience with the police department of Riverside, Calif., and comes highly recommended from the chief of police of that city and the sheriff of the county in which it is located.

He owns a home at Dickens and supports his aged mother (Grandma Rye) and his widowed sister, Mrs. Emma Underwood who have lived in Dickens for the past fourteen or fifteen years. Although he has served at Riverside the past seven years he has always claimed Dickens as his home and paid taxes on his property located there.

In speaking of adding Mr. Rye to his force Sheriff Arthur stated that he needed a man some of the time in the office, and very often an emergency call came when he needed someone to go with him. A. M. Shepherd, one of the good citizens, has been employed on full time for Spur. This makes two men added recently as deputies.

## New Jokes! They're All Ancient Says W. C. Fields

"There is no such thing as a new joke. The brightest of 1933's wisecracks had a counterpart in prehistoric days."

W. C. Fields, who makes his living by telling jokes, made that statement—in all seriousness—during a discussion with George Burns and Gracie Allen and Col. Stoppagnale and Budd, two teams of radio comedians who are featured with him in "International House," musical comedy hit, which comes to the Palace Theatre Sunday.

Also in the cast of the Paramount picture are Peggy Hopkins Joyce, Rudy Valle, Stuart Erwin, Sari Maritza, Cab Calloway and his Orchestra, Baby Rose Marie and the Girls in Cellophane.

Fields was telling his fellow comedians that he used to think he had invented several new gags, "but I've found so many of them in old books that I'm beginning to lose all faith in myself."

In more detail, he explained: "I was reading 'Plutarch's Lives' last night and discovered that the old Grecian orators used to develop their voices and lungs by debating which came first, the chicken or the egg. In an early nineteenth century book I got hold of the other day, I found that wheeze about the Scotchman who bought only one spur, because if half the horse started to gallop, the other half would follow."

In "International House" he plays the role of a comic aviator, who mistakes a city in China for Kansas City and lands on the roof of a hotel, where are assembled representatives of big business from all over the world, all attempting to balk each other's attempts to bid on a marvelous new invention.

## APPOINTED CITY MARSHAL

At a meeting of the city council last week G. L. Barber was appointed to the office of city marshal of Spur. Mr. Barber is an excellent peace officer and the city council could not have selected a better man for the place.

## Chattel Mortgages at Times Office.

## Texas To Be Favored By Visit Of High U. S. Officials

Postmaster General James A. Farley, who was the power behind the throne in securing the nomination of President Franklin D. Roosevelt, will visit Texas four days beginning next Wednesday.

The Postmaster General, accompanied by a number of other important administration officials, will arrive in Fort Worth Wednesday where they will be met by Vice President John N. Garner who will accompany them to Dallas, San Antonio and Houston.

While in Dallas Mr. Farley and his associates will be given a state wide banquet at the Adolphus Hotel on the evening of October 12. The banquet will be presided over by Maury Hughes. Persons desiring reservations to this banquet should write or wire for them at once. It is thought 1,200 will be the limit and prices of plates will be \$2.50 each.

Mr. Garner, Mr. Farley will address the people at the Dallas Fair Stadium during the day at a meeting presided over by Congressman Joseph W. Bailey.

Postmaster General Farley was the one man above all others who secured the confidence of the Democracy of America and secured for President Roosevelt the greatest Democratic vote in history.

Mr. Farley is very ably conducting the postal service of our country, and has proved himself to be one of the greatest executives our country contains. He does not require a high sedan to accommodate his high hat, for he wears a hat similar to any other American citizen and does not indulge in high hats.

The visit of Mr. Farley and his friends is to do honor to Vice President Garner for the great things he has done for the country since he went into public life and as Speaker of the House and then, Vice President.

## SINGERS MEET AT MATADOR SUNDAY

The Motley County Singing Convention will hold their regular semi-annual meeting in Matador Sunday. There is expected to be a number of noted singers from other sections of West Texas and several classes will be in contest for the county honors. A large number of people is expected to be present for the day.

## OPENS NEW COAL YARD

T. J. R. Swafford announces the opening of the coal yard of Swafford Coal Company at the Hairgrove Hatchery this week. Mr. Swafford will manage the business. He has been selling coal in Spur the past four years and is well acquainted with the people. However, he is moving his yard to a new location this year. He will have his office at Hairgrove Hatchery just north of Brazelton Lumber Company.

## NOTICE

Percy Jones will hold service in Spur on Sunday the 15th of October, in the Directors' Room of the Spur National Bank. The public cordially invited to attend.

I. S. Holcomb, of Chandler community, is reported seriously ill at this time and no hope for his recovery is entertained.

Mrs. Henry Alexander spent the week end in Lubbock selecting some new merchandise for the Henry Alexander & Company store.

## County Court To Meet Monday

The regular term of the County Court will convene Monday with Hon. Jim Cloud as presiding judge. All cases that require no jury will be disposed of next week and no jury will be empaneled for the first week of court.

The second week of court beginning October 23 will consider cases which will require juries.

The following is the list of jurors summoned for this term of court who will report Monday, October 23:

Homer Jackson, Joe Tom Jackson, Hubert Karr, Clarence Littlefield, Will McArthur, Elmer Shugart, Lewis Daniel, Jeff Smith, Cliff Roges, Joe Rose, S. Warren, J. J. Wasson, G. C. Pierce, Sam Hemphill.

## SCHOOL NEWS

By MADGE D. TWADDELL  
SCHOOLS CLOSE

After very successful short terms most of the schools in Dickens county have either closed or will close this Friday for a period. The divided term, because of recent financial conditions has become a necessity in Texas. Though in some respects it is better to have an undivided term the divided school term is certainly more democratic than running school when only a few are able to attend. This year, as last, most of the time during summer school the weather has been quite pleasant.

## SCHOOLS BEST YET

I have heard many times in the past few weeks such statements as "our school is better this year than it ever has been before." Everything is bright for good schools. People are hopeful, interested, enthusiastic and cooperative. Teachers are well qualified and professional. Despite the hard times most of our teachers attended college both this summer and last. Some of them worked to pay their expenses in order to attend college. Several old faculty members have recently had degrees conferred upon them. Some of the newly employed teachers have degrees. Among these in the two classes mentioned above are: Miss Lalla Lay, B. A., David Sisto, B. A., M. A., Mrs. Lois Baker, B. A., Oliver Brinell, B. A., B. S., and M. A., and Miss Campbell, B. A., M. A.

The school work in Dickens County is well organized now. At a recent session of the Dickens County Educational Association, officers were elected and plans made to carry on beneficially during the school year. A. C. Sharp was elected president, C. W. Giesecke, vice president, and S. L. Bennefield, secretary-treasurer.

The Interscholastic League organization has been perfected. R. B. Neilson is again Director General. At a meeting to take place as quickly as possible to reopen the appointive officers will be elected; after which time the complete list of officers will be published.

## SEVENTH GRADE TEACHERS MEET

On Thursday night, September 8th the seventh grade teachers of the county met in the office of the County Superintendent to plan their program for the year.

The high school children of Dickens County have either been adequately provided for this year or will be next year. In line with the policies of the Department of Education all of our high school pupils will have the opportunity of attending an accredited high school.

The elementary work has improved greatly but must get better yet.

Seventh grade pupils will be given uniform examinations from County Superintendent's office. An examination committee will make examinations which will be given to all seventh grade pupils at the close of the school year. The Wilson Long Scientific Tests will be given to all schools by section in effort to accommodate the schools that are ending at irregular periods. All examinations will be filed in the County Superintendent's office. We have a committee which will examine papers carefully. No pupil is to be promoted to high school in Dickens County who does not at least know the simple mechanics in elementary English composition. No pupil will be graduated from the seventh grade who cannot answer correctly as many as half of the final examination questions. Uniform note books will be kept and presented for graduation. Poor high school and college work can almost be eliminated if we turn our boys and girls into high school properly equipped for doing high school work.

Those students who pass will come to the Fair grounds at Spur on a Saturday after the schools are out for a big rally day. The morning will be spent in well planned tournaments and interesting games. After a picnic lunch at noon a beautiful graduation will be held at the picture show building or the Kelly Ward building. Cotton clothing will be worn.

The teachers whose names are listed below helped work out seventh grade regulations and course of study: Mrs. H. L. Groner, Imogene Neaves, Lena

## Fifth Sunday Meeting At Friendship Church

The next Fifth Sunday meeting of the Dickens County Baptist Association will be held at Friendship, October 27-28-29.

Friday Night, Oct. 27  
7:30. Devotional conducted by H. T. Harris, Pastor.  
8:00. Sermon by Rev. J. V. Bilberry.

Saturday Morning, Oct. 28  
10:00. Devotional led. by E. L. Hooker.

10:30. What is the difference in the family of God, the Kingdom of God, and the Church of God?—Rev. A. P. Stokes.

11:30. Sermon—The abode of the soul from death until the Resurrection—Rev. W. T. North of Jayton.  
12:15. Lunch at church.  
1:45. Devotional.

2:00. Who is responsible for the preaching of the gospel.—Rev. H. L. Burnam of Whiteflat.  
2:45. The advantages of the cooperation of churches—Rev. Harvey Draper.

Saturday Night  
7:30. Song service  
8:00. Sermon by Rev. A. L. Jordan of Matador

## Sunday Morning, Oct. 29

10:00. Devotional.  
10:15. The relation of the Sunday School to the church—Bro. Sam Starrett of Pansy church.

10:45. Who should teach a Sunday School Class?—Rev. Victor Crabtree.  
11:15. Sermon by Rev. F. G. Rodgers of Spur.

12:00. Lunch at church.  
1:30. B. T. S. program to be rendered by Pansy church.

2:30. Sermon by Rev. Clarence Edwards, pastor at Midway.

## Sunday Night

7:30. Song service.  
8:00. Sermon by Rev. W. B. Bennett of Spur.

Everybody invited to come to these services.  
Rev. H. T. Harris, Pastor.

## OPENS RADIATOR SHOP

Last week T. J. Grizzle opened a Radiator Repair Shop in the Faulkner Building just across the street from the Spur Truck and Tractor Company. Mr. Grizzle calls his business the Spur Radiator and General Repair Shop, and states he is equipped to take care of any kind of radiator repair work. Also, he announces that he will repair washing machines and other similar jobs about various homes when such repairs need to be done.

He has had much experience with radiator repair work and says he expects to give people value received for all work entrusted to him.

Rev. and Mrs. W. C. Bennett of East Texas, arrived here Tuesday to spend a few days visiting his parents, Rev. and Mrs. W. B. Bennett.

Moving to Hairgrove Hatchery, SWAFFORD COAL COMPANY.

J. W. Beeler, of Abilene, has accepted a position with Sanders Pharmacy and began work Monday. N. A. Chastain has accepted a place with a Hamlin store and he and his family left for Hamlin Monday.

Dr. and Mrs. P. C. Nichols were in Lubbock Sunday to be with their daughter, Miss Martha, who is returning to school at the Texas Technological College after recovering from several days illness.

V. Goodrich, F. M. McCarty, Amelia Hargis, C. C. Baker, Hubert Taylor, Cheatham Evans, C. W. Giesecke, Jr., S. L. Bennefield and O. F. Martin.

## FINANCES

Our school finances are improving. The last three years we have had twice as much aid of different kinds as during any other three years. We have this year in addition to all of the other aid secured near nine thousand dollars emergency aid. A part of this is in unpaid checks from the state of Texas but they will be paid soon. At this time our last years per capita money has all come in except four dollars and fifty cents per child. We think that by February 15th most of our unpaid paper will be taken up. Taxes are beginning to come in.

Our people, very loyally, are planning to pay school taxes even if unable to pay their other taxes.

Also the Spur National Bank is rendering a very wonderful service in that it is loaning us fifty per cent of the money as earned by both teachers and bus drivers. This year's money will not begin to come in very much until about January.

## EFFICIENCY SCORE CARD

C. W. Giesecke, Coleman Baker, C. W. Evans, Hubert Taylor, F. M. McCarty and Mrs. Madge Twaddell worked out a list of duties and responsibilities of principles with reference to school teachers, community, and county superintendent.

At this same meeting this committee formulated an efficiency score card for the schools of the county. This is a kind of measuring stick. Each month on the bulletin board of the county superintendent's office the grades made by all the schools of the county will be posted. Also it is planned to publish same in the papers. The school people are trying hard to raise the standard of Dickens County Schools until there are none better.

**THE SCOPE AND PURPOSE OF THE PRESIDENT'S EMERGENCY RE-EMPLOYMENT CAMPAIGN**

The President's Emergency Re-employment Campaign may be described briefly as a plan to add from 5,000,000 to 6,000,000 persons to the nation's payrolls within the next six weeks or so, through agreements made with the President of the United States by some 5,000,000 concerns or individuals, employing two or more persons each.

In order that this number of jobs may be made available, it will be necessary, of course, for employers in many cases to shorten working hours. The plan also provides for certain minimum wage scales which also in many cases will mean added labor costs for the employer.

The President's Agreement, however, includes a pledge of cooperation from the consuming public, and it is thus anticipated that the employer, while undertaking a larger expense as the direct result of his agreement with the President, will gain added patronage as the just reward of his public spirited attitude.

The fact also is to be borne in mind that where all employers act together to put people back on their payrolls or to raise wages, no employer, as the President himself has pointed out, "will suffer because the relative level of competitive cost will advance by the same amount for all."

It is to be understood that this plan is supplementary to the plan of code adoption by various industrial and trade groups which has for its purpose the elimination of unfair competition, the establishment of more equitable rewards for labor, the spread of employment and the control of production. This plan for speeding business recovery, launched under the provisions of the National Recovery Act passed by the last Congress, is rapidly being made effective, and there will be no let-up on the drive to make its adoption widespread.

The President's Emergency Re-employment plan will bridge time and bring the nation out of the depression more rapidly than if the code adoption plan were depended upon exclusively. The President's Agreement also covers many business groups that would not be amenable to any of the code arrangements.

And what is still more important, perhaps, the President's Emergency Re-employment campaign carries certain psychological values that are as priceless as patriotism at this juncture of our economic history. The President himself made this quite clear in his recent radio address to the nation when he said: "On the basis of this simple principle of everybody doing things together, we are starting out on this nationwide attack on unemployment. It will succeed if our people understand it—in the big industries, in the little shops, in the great cities and in the small villages. There is nothing complicated about it and there is nothing particularly new in the principle. It goes back to the basic idea of society, and of the Nation itself, that people acting in a group can accomplish things which no individual acting alone could ever hope to bring about."

Thus we have all the power and potency of mass attack directed along sound lines of organization and system. Here briefly, is an outline of this organized attack on unemployment: In every community, organizations are formed along military lines, which is fitting enough, because the President's Emergency Re-employment campaign is Uncle Sam's war on unemployment and the nation is rallying to the colors just as loyally as though we were actually engaged in a war against a foreign foe.

The local committee is made up of the active heads of the leading business and civic organizations, and includes also the mayor. These committees in the thousands of cities and towns throughout the country were formed following telegrams and letters sent by General Johnson to the presidents of Chambers of Commerce or similar trade bodies in every section of the United States. These local committees elect a general to have charge of the city campaign and a lieutenant general who is a woman. The general selects three colonels, each of whom is to take over a certain part of the campaign work. For example, Colonel No. 1 has charge of the "man-power" or organization department. Under his direction block-to-block canvasses will be made to check up on compliance with the President's Agreement, and to make a survey of the unemployed, as to adaptability by experience as to trades and industries and thus be able more readily to help in the processes of assimilation of labor by expanding industries. Colonel No. 2, briefly, has charge of newspaper publicity and kindred activities; and Colonel No. 3 has the training and direction of public speakers under his charge.

Each of these three colonels has seven or more majors on his staff, and each major has about the same number of captains. Each captain has seven or more field workers. All of the local organizations are, of course, constantly supplied with educational and inspirational material of all kinds from the National Recovery Administration in Washington. Literally tons and tons of printed matter has been shipped to every nook and corner of the country.

The N.R.A. emblem, known popularly as the Blue Eagle, is one of the most interesting and vital features of the campaign. All employers who sign the President's Agreement are entitled to display the Blue Eagle with the initials N.R.A. and the words "We Do Our Part." Merchants, manufacturers and all others who have the right to display the insignia by reason of their having complied with the President's Agreement, are permitted to hang it on their walls, or in their windows, or on trucks and cars, and, if they so desire, to stamp it on their products or merchandise. It is, in fact, the desire of the Recovery Administration that all make liberal use of this badge of patriotism.

Any person in the United States who wishes to cooperate in the President's Emergency Re-employment Campaign and be considered as a member of the N.R.A. may go to the authorized establishment in his locality and sign a statement of cooperation as follows:

"I will cooperate in re-employment by supporting and patronizing employers and workers who are members of N.R.A."

Any such signer will then be given and may thereafter use the insignia of consumer membership in N.R.A.

Every phase of the progress of this mighty campaign will be flashed in the newspapers of the country and announced constantly over the radio. In this way everyone will be in a position to know just what the campaign is doing from day to day in actually putting people back on the payrolls and adding to the mass purchasing power of the country.

While, as has been stated, it is desired that liberal use of the insignia be made by employer and consumers, it is to be remembered that the official N.R.A. emblem is the property of the United States Government and may not be used or reproduced without authority of the National Recovery Administration.

The lists of all employers who sign the President's Agreement are displayed in local post-offices and it is urged that all employers who have not yet signed the agreement do so immediately and deliver them to their local post-master.

With some minor exceptions, the terms of the President's Agreement with employers is, briefly, as follows: Any employer of a factory or mechanical worker or artisan must not pay him less than 40 cents an hour or work him more than 35 hours a week, except that if the employer were paying less than 40 cents for that kind of work on July 15 the employer can pay that rate now, but not less than 30 cents an hour. As to all other employees—those on a weekly rate—the employer will pay not less than \$15 a week in a city of over 500,000 population; or \$14.50 a week in cities of between 250,000 and 500,000; or \$14 a week in cities between 2,500 and 250,000 population; or \$12.00 a week in cities of less than 2,500 population, and the employer agrees not to work this class of workers more than 40 hours a week. As to employees who were getting a higher wage, the employer must not reduce their wages because of a reduction in their hours and he should generally keep the usual pay differences as between the lower and the higher paid employees. And after August 31, he must not work children under 16 years of age. There are, of course, some other rules which apply to special cases, but the terms of the agreement as here outlined cover the large bulk of cases.

L. A. Woods, state superintendent of public instruction, will be the principal speaker when the Oil Belt Educational Association convenes in full session at Abilene October 30, Dr. D. W. Higgins of Simmons University, Abilene, will also be a feature speaker on the program—Scurry County Times.

I think the legislature should petition the congress to rescind the 1 1-2 cent tax on gasoline. It was put on for one year at one cent, yet like most new taxes, instead of being allowed to elapse as agreed, was increased to 1 1-2 cents and tacked on for an other year. It should at least cease at the end of next year.—Crawford Sun.

The Graf Zeppelin, famous German airship, will visit the Chicago World Fair probably October 25. Dr. Hugo Eckener will be in command of the dirigible when it arrives at the exposition.—Terry County Herald.

In 1862 Uncle Jeff Clark went to a circus at Maquoketa, Iowa. It was called Mabie's Great Show. The next circus he went to was Barnum and Bailey at Enid, Okla., this year, 71 years since seeing the other one—The Groom News.

Thirty-three Ector County agricultural students under Taylor White, were in Lubbock Wednesday at the West Texas Fair to see Uncle John Gist's show herd of pure bred Herefords make a clean sweep of the prize winnings. The Gist herd not only won a majority of the prizes at the fair, but the judges commenting on the fine herd of steers shown, predicted that they would make an excellent showing at the International at Chicago this year.—Odessa News-Times.

The laying flock is not only the source of poultry revenue on the B. Walters farm, Rule. From the average of 150 hens of the flock there are enough non-layers to provide for quality canned poultry products according to Miss Nora Walters, home industries demonstrator. These hens would have been sold during the past

**DON'T HAVE THE RECORD**

W. D. Starcher of the Dickens County Times has in his window a perfect specimen of a camel's hump bone which was found on Blanco Canyon. Not being exactly familiar with the Panhandle I was thinking if the spot could be found it would be a right pretty little sentiment to raise a monument to the driest place in West Texas. It would doubtless be interesting to future generations. The only

fault I can find with the idea is that it would be practically impossible to prove that the camel died of thirst. Or, if he did, that it was not his own fault.—Trail Dust Column of Roaring Springs News.

We cannot offer any proof. We have the bone but not the record. However the location can be ascertained.

**LITTLE BOY SUFFERS BROKEN LEG**

Bonnie Myers, five year old son of Mr. and Mrs. C. N. Myers of Oriana, suffered a break of his left leg Monday afternoon. He accompanied his father on a trip to haul some water. The water was being dragged in a trailer with a car and Bonnie was riding on the running board of the car while his father did the driving. They passed by a small tree where a limb stuck out that was about to hit Bonnie. Seeing the limb he turned loose from the car and it is thought attempted to jump free from the running board. The car wheels missed him but the trailer wheels passed over his left leg breaking the femur at about the two third section.

Mr. and Mrs. Myers hurried the child to Nichols Sanitarium here where an X-ray picture revealed a complete fracture. The fracture was set and placed in a cast, and while the little fellow is suffering a great deal of pain he is getting along fine and soon will be able to be out again.

**SOUTH TEXAS COWMAN WAS PIONEER OF KING COUNTY**

saddle on ranches in south Texas. J. D. Chalk was born February 11, 1858, in Bell county, Texas. He was married November 30, 1881, to Miss Alline Hobbs. To this union nine children were born, five boys and four girls. With the exception of one boy, all are living.

Mr. Chalk was a pioneer of King county, having moved there in 1901, where he made his home for many years.

Interment was made in the Roaring Springs Cemetery Monday afternoon.—Roaring Springs News.

**SPUR GIRL MARRIES**

Word has been received announcing the marriage of Miss Eleanor Ensey, daughter of T. C. Ensey, and Mr. W. A. Higginbotham of Fort Worth, which occurred recently.

The bride is a graduate of Spur schools and also a graduate of the nursing course of the Methodist Hospital at Fort Worth. She has a great

number of friends in Spur country. Mr. Higginbotham has a position with the Webb Motor Company, at Fort Worth and will continue his work with them. Mr. and Mrs. Higginbotham are at home at 616 South Jennings Avenue, Fort Worth.

**HIGHWAY**

Our school closed a very successful two months term with a Halloween program Friday night. Also the P. T. A. met after the program.

Miss Lena Goddich returned to her home in Plainview Saturday.

The baptising will be Sunday afternoon October 15th at Bob Hahn's tank near the George Filling Station.

Sunday is regular preaching day. Everyone come.

The attendance was good at Sunday School Sunday.

Bob English is quite ill at this time.

B. M. Blackmon has a daughter and children from Arkansas visiting them.

E. V. George and Will Smith made a business trip to Matador Friday.

Mrs. J. T. Blberry is ill at this writing.

A large crowd enjoyed the singing given by Mr. and Mrs. Orville George Sunday night.

Grandpa Rucker has been very ill at the home of his daughter, Mrs. Pen Howell the past week.

Edward Sifford of Spur, was out to our school program Friday night.

Mr. and Mrs. Gordon Parks of Dry Lake, visited relatives here Sunday.

Johnnie Monk Rucker of Spur, visited Mr. and Mrs. Lem Rucker here last week.

Cotton picking is the order of the day out this way. There seems to be a supply of hands to help gather the crop. Some pickers report that our community has the best crop they have seen this year.

Mrs. Madge Twaddell visited our school Friday and explained some of the requirements for standardization.

**GIVES HOUSE PARTY**

Mr. and Mrs. J. C. McNeill, Jr., were hosts to a number of friends at their ranch home twelve miles west of Spur the last of the week. Among

those present were Mr. and Mrs. L. J. McNeill of Brazoria, parents of Miss Sarah McNeill, a teacher in our schools; and Mr. and Mrs. H. J. Mangum and son, H. J., Jr. of Alvin. A number of local friends were present to enjoy Mr. and Mrs. McNeill's hospitality.

Miss Lola Beth Green, teacher at Dickens, was in our city Saturday doing some shopping. While here she asked us to send the Times to her.

Floyd Taylor, manager of Taylor's Department Store, who had been in Altus visiting his mother, returned the first of the week. He stated he had plenty of tire trouble coming back.

Mrs. George S. Link and Mrs. J. L. Rosamond of Bryant-Link Company, were in Lubbock Monday visiting friends.

James W. Durrett, of Dallas, representing the Sponge Rubber Products Company, was attending to business in our city last week.

E. B. Gober and daughter, Mrs. H. K. Young of Roaring Springs, were in our city Monday doing some trading.

Mrs. Sam Koonsman, of Croton, was

doing some shopping in our city Monday.

**HOW WOMEN CAN WIN MEN AND MEN WIN**

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and

expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all. Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores. Refuse "something just as good" for it may gripe, loosen teeth or acid rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M.Co.

McADOO

Rev. Parmenter's subject for Sun day morning service was, "Patching Old Clothes." This was a very interesting and helpful message. A good sized crowd attended both day and night services.

The Epworth League has elected the following officers for this year: Bernard Parker, president; Marporie Van Meter, vice president; Leatrice Sparkman, secretary; Weldon Cypert treasurer.

McAdoo school has turned out for four weeks in order that the children may help pick cotton.

Cotton picking is in full swing here. Everybody is rushed trying to get as much cotton out as possible while the pretty weather lasts.

Lucille Morris entertained a number of young people with a forty two party in her home Wednesday night. Delicious refreshments were served.

Beulah Mae Phifer, who is attending Tech, spent the week end at home with her parents.

Mrs. J. R. Robertson and daughters Jimmie Nell and Miss Beckett were in Lubbock Thursday on business.

Jack Derr was at home with his parents, Mr. and Mrs. Jim Derr, the past week end. Jack has been working in Slaton for some time.

Leatrice Sparkman and Helen McDonald were in Lubbock last week.

A number from here attended the fair at Lubbock last week.

Mrs. Jake Paul Twaddell and little son of Spur, are visiting her parents, Mr. and Mrs. George Harris.

Mrs. Onie Harvey was in Spur Friday on business.

A womanless style show was presented at the school auditorium Friday night.

Nichols Sanitarium

Earl Thornton, of Steel, Hill, underwent an operation Saturday for intestinal obstruction and seems to be doing fine at this time.

Mrs. J. M. Duren, of Roaring Springs, is recuperating nicely after an operation ten days ago.

Bonnie Earl Myers, of Oriana, is getting along fine. He has a fractured left leg.

Mrs. Donecia Garza, of Kent County underwent an operation Monday for appendicitis and is getting along fine.

W. B. Ford, of Kalgary, was transacting business in our city Tuesday.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

NATIVE produce is supplying the home market but in addition each district must look to other localities for supplementary foods. Chief in the week's markets are tomatoes, green beans, carrots, and beets. Sweet potatoes are beginning to be plentiful. It is the height of the summer fruit season with new apples, peaches, pears, plums, and seedless grapes all available.

With olive oil, salad dressing and peanut butter to choose from, there is no excuse for not enjoying summer salads with a variety of dressings. The Quaker Maid Kitchen offers the following menus:

Low Cost Dinner

- Veal Steak Creamed Potatoes Scalloped Tomatoes Bread and Butter Cornstarch Pudding with Preserves Tea or Coffee Milk

Medium Cost Dinner

- Roast Pork Mashed Sweet Potatoes Buttered Spinach Tomatoes with Salad Dressing Bread and Butter Apple Pie Milk Coffee (hot or iced)

Very Special Dinner

- Tomato Juice Oven-broiled Chicken Candied Yams Scalloped Eggplant Currant Jelly Rolls and Butter Fruit Cup Waters Coffee (hot or iced) Milk

EFFICIENCY SCORE CARD FOR DICKENS COUNTY SCHOOLS

- 1. Daily program well organized, posted and on wall—2. All teachers members of the Texas State Teachers Association—3. All trustees receiving "Texas Outlook"—2. 4. Attendance Dickens County Educational meetings by teachers—3. 5. Trustees in attendance—2. 6. Visitors not book kept and reported monthly—2. 7. Thirty minutes daily given to physical education and a definite health program. Every grade must have supervised play on some form of physical education—5. 8. First Aid kit—1. 9. Provision for and supervision of handwashing—2. 10. Hot lunches—3. 11. Working for Five Point Health Certificates—2. 12. Health thermometer posted with record kept on points as indicated on monthly report and same made to County Superintendent's office—2. 13. Active preparation for Interscholastic League Contests—4. 14. Some provision for teaching music. This includes the teaching of choral songs as suggested in the Interscholastic League Bulletin. This also means devoting at least one period a week to public school music (not merely singing in assembly)—5. 15. Well organized Parent Teacher Association with monthly meetings, and a part of the program devoted to the study of school problems, child psychology, etc.—1. 16. Wraps, lunches, and other supplies kept in proper places—2. 17. Teaching Citizenship—2. 18. Course of Study followed carefully—3. 19. Pupils orderly, neat, courteous, and respectful—2. 20. Publicity, including writing for school paper monthly—3. 21. Careful attention given to the observation of all rules connected with the seventh grade—5. 22. Working for deading certificates and progress certificates in writing—5. 23. Monthly joint teacher and trustee meeting with minutes kept—3. 24. Proper distribution by principals of materials and information letters, and general information from County Superintendent's office—2. 25. Stress put on teaching of English and writing (this means the instruction of these definite methods in the improvement of the work and in these subjects—5. 26. A careful monthly check up with county superintendent present or not present, and report made to Superintendent's office—2.

SOMETHING TO ROAR ABOUT

"How did the wedding come off?" "Fine until the minister asked the bride if she would obey her husband." "What happened then?" "She replied, 'Do you think I'm crazy?' and the groom who was in sort of a daze, replied, 'I do'."

During a big funeral in dark town the corpse suddenly sat up in the casket and gazed calmly around. What followed was only natural. The minister was in the front ranks of the exodus.

Two minutes and two miles from the scene, two devout sisters paused to regain their breath and discuss the unparalleled event.

Mandy: "Sarah, I just can't think as much of our parson since this happened." Sarah: "Why, I thought he was preachin' a right noble sermon up to the time the corpse came back to life."

Mandy: "Yes, but while I was climbin' over the first big bunch we passed I heered him a-saying, '\*\*\*X! \*\*\*?\*\*\*!!\*\*\*??, such a church what aint got but one door.'"

Two ladies previously acquainted, were conversing at a reception. After a few remarks the younger exclaimed, "I cannot think what has up set that tall blond man over there. He was so attentive a little while ago, but he won't look at me now."

"Perhaps," said the other, "he saw me come in. He's my husband."

P. T. A. HOLDS MEETING TUESDAY

The Spur Parent Teachers Association held the regular monthly meeting Tuesday afternoon. A very good representation of teachers was present but the parents seemed to have fallen down on the job. It is the hope of the teachers to get more parents interested in the schools of Spur and to attend the Parent-Teachers meetings each month.

The programs for the year have been outlined and those who appear on the programs will have adequate time to make preparation. By this method some excellent program will be developed. It is the hope of those who are in charge that more parents will take an interest in the school lives of their children and will meet with the teachers once each month and talk over school problems and those things which will enable the children to receive more from school.

The Rhythm Band gave some very excellent music at the meeting Tuesday. Miss Grace Foster favored the meeting with a fine piano solo. There were some talks on subjects pertaining to the training of children into citizenship. So don't miss the next meeting.

SPUR GINNING INCREASING

According to reports given by ginners of Spur at 2:30 Wednesday afternoon there had been 1853 bales of this crop ginned here. This is a gain of 1,001 bales over last report. The gins are keeping up in a fine way and turning out good samples. Farmers are well pleased with the turn-outs. Cotton was selling at nine cents miding basis, there being a little variation in regard to grade and staple.

NEW SENATOR FOR NEW MEXICO

Carl W. Hatch, prominent attorney and Democratic leader, has been named to succeed Senator Sam G. Bratton, resigned, who recently became a Federal Circuit Court Judge for the 10th Federal Circuit. Hatch had followed Senator Bratton in two other occasions. He succeeded Bratton as a partner of the law firm of Bratton & Patton. Later he was appointed as District Judge for the 9th Judicial District when that position was vacated by Bratton.

ANOTHER LEGISLATIVE SESSION BEING ASKED

A petition by members of the House of Representatives to induce the Governor to call another extraordinary session of the Legislature next Friday at which time the present extraordinary session closes. The purpose of the next session will be to discuss revenue raising bills.

Tuesday the House passed the Mortgage Relief Bill and sent same to the Senate for consideration. The bill as passed by the House would provide for the postponement of a judgement until November 1, 1934, on any property when the owner makes an affidavit that he is unable to pay his indebtedness and that his property would bring less than its intrinsic value if sold under the hammer.

McMurdo was shot three times, once in the head, in the abdomen, and in the leg. His condition is considered serious. Crowley was arrested Tuesday afternoon and taken into custody by officers.

This feud was begun sometime ago when a disagreement developed between Crowley and Rev. Le Jeffers at one time pastor of the tabernacle organization.

James H. Neblett, auditor, appraiser for the Federal Land Commission, was transacting business in our city Monday.

ary and stand on the photograph; printing press; pen and ink—2. 3. For the primary and table, chart card holder, reading table—5. 4. For the playground, at least 4 kinds of play equipment—2.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

ONE of the less known members of the melon family is the honeydew with its cool, green flesh. It is always sweet when ripe and this year the great majority of honeydews are vine-ripened and so especially delicious. They are also moderate in price. One melon will serve from four to eight persons according to size.

Of the accompaniments which add so much to the ordinary meal, chili sauce and olives are particularly appetizing in summer. Use chili sauce with cold cuts or jellied as a salad.

Peaches are even more plentiful than they were a week ago. If you wish to peel them quickly, pour boiling water over them for just a minute. The Quaker Maid Kitchen suggests three timely and practical menus for this Sunday's dinner.

Low Cost Dinner

- Boiled Smoked Shoulder Creamed Potatoes Buttered Cabbage Bread and Butter Whipped Cherry Gelatin Tea or Coffee Milk

Medium Cost Dinner

- Roast Lamb Mashed Potatoes Buttered Summer Squash Mint Jelly Rolls and Butter Iced Watermelon or Honeydew Coffee (hot or iced) Milk

Very Special Dinner

- Stuffed Egg and Olive Appetizer Fried Chicken Boiled Rice Snap Beans Currant Jelly Rolls and Butter Peach Ice Cream Angel Cake Coffee (hot or iced) Milk

SUNDAY SCHOOL CLASS FOSTERS PICTURE

The Sunday School Class of Mrs. W. S. Campbell is fostering the picture Theatre tonight (Thursday). Mem ture which is being run at the Palhers of the class are selling tickets and ask everybody to purchase their tickets from class members as the class gets a portion of the receipts just for fostering the picture. It is a good picture. What is it? Oh, don't ask us—go see it and you will be glad you went. At the Palace tonight.

FRESHMAN CLASS

Mr. Neilson called the Freshman Class together last week for their first meeting. To the delight of the class, Miss Ila Lassiter was elected sponsor. She was sent for and spoke briefly to the class. Sylvan Golding was elected President. He came before the class and began his speech in his usual way with "Well". The other officers were elected as follows: Vice President, Sherrod Dunn; secretary and treasurer, Mary Louise Lisenby; Reporter, Joe E. Boyd. The following were elected on the entertainment committee: Norris Russell, Bill Cara way, Johnnie (Peaches) Nichols, Nell Arthur, Isabelle Campbell.

If you are looking for the class that can and will do "BIG" things, this year, keep your eye on this Freshman Class with 105 members. Already we are furnishing some valuable material for the football team in the personnel of Buck, Francie Bingham, Charles Smith, Garlan Chapman and several others.

The class expects to do its part in all phases of school life. We are not over looking scholarship, for the class has set to systematic study and the end of the first six weeks will show the results. All united we expect to be the largest and best Freshman Class that Spur high school has ever produced.—Reporter.

M. Y. Hill and H. G. Rowley, of Portales, N. Mex., were in our community the first of the week. They deal in cattle, buying, selling and trading.

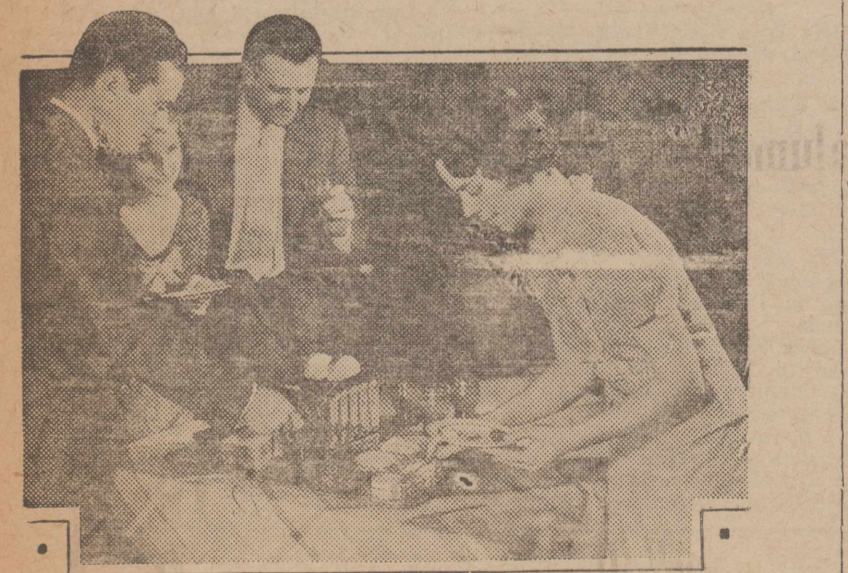

Second Sheets at Times Office.

OFFICE SUPPLIES -AT- DICKENS COUNTY TIMES THE BEST GREASES Are used here and in every way a first class job is assured. Let us wash and grease your car. Also, we handle Texaco gas and oils—the kind that keeps your car running smoothly all the time. Spur Service Station JOE ALLISON

HATS NEW LINES, NEW COLORS, NEW SHAPES IN VOGUE THIS SEASON—AT VALUE GIVING PRICES! NEW OXFORDS We say money can't buy better shoes—can't buy shoes made of better leathers, in smarter styles, more pleasing in every way—than "Friendly" Shoes. Why get less for your shoe dollars, when you can get so much more? Glad to Serve You Anytime! Hogan & Patton "The Man's Store"

"We owe his life to that faithful friend" Peaceful stillness of a winter night was broken by the hoarse cough of a child. Mrs. Peery bent over the little white crib for a minute. Then, she hurried to the telephone. "Doctor... please hurry!" The doctor's face was grave... "Diphtheria. It's going to be a hard fight. We must operate. It's our one chance." Along the wires another message flashed. A skilled surgeon and a trained nurse came. A child's life was saved. Mrs. Peery says: "Today, as I look at my sturdy boy, I know we owe his life to that ever faithful friend within our home." If that family never uses the telephone again, it will have been repaid a hundredfold for all it has paid for telephone service. Yet, daily the telephone brings comfort, pleasure, and often money to most of us. You can buy few things which cost so little and are worth so much. \*The name is fictitious. The story is true. SOUTHWESTERN BELL TELEPHONE COMPANY

"SERVE YOURSELF" MODE SERVES GUESTS RIGHT!

By MARYE DAHNKE Kraft Cheese Institute.

The clever hostess in the old days had a good time at her own parties in spite of the food she served rather than because of it. But the elaborate party service of yesterday has given way to the simplest and most sophisticated of serve-yourself party foods.

Today's hostess prepares a buffet supper that seems entirely effortless. For the smart new note in entertaining, whether it's on the roof at the Ritz, or beneath the shade of the old apple tree—is to let your guests help themselves. The kind of supper which each guest assists in preparing is the most casual and at the same time the most delightful mode of serving. You may bring the food to the

buffet, or tea-table—ready for the preparation on the new type of hostess tray. It may be as simple as you please. Perhaps nothing is more effective for the party buffet than generous slices of bread which may be toasted right at the table, a variety of spreads and condiments in generous variety on a service tray, and coffee kept bubbling hot. Nothing more is needed to make any buffet supper a success.

A variety of cheese spreads, plimento, pineapple cream, a relish spread, caviar, pickles, olives—what more inviting display could you have to tempt the appetite of the discerning guest. If a toaster, and a platter heaped with squares of bread await his skilled or unskilled hand—the temptation to concoct his own sandwich favorite will be more than he can resist.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

IN THE days of hoop skirts the tomato, disguised as a love-apple, appeared in gardens solely for its beauty, as the fruit was regarded as poisonous. Now more than sixty-three million bushels of tomatoes a year are eaten (or drunk) in some form or other in this country alone.

There is a relish, pickle, jelly or preserve for every meal and they should be more generally used as they are relatively inexpensive.

Peaches, the various melons, and limes are the outstanding fruits for this week.

Here are three attractive dinner menus prepared by the Quaker Maid Kitchen:

Low Cost Dinner
Fried Pork Chops Boiled Rice
Buttered Carrots
Bread and Butter
Peach Pie
Tea or Coffee Milk

Medium Cost Dinner
Baked Ham Mashed Potatoes
Creamed Corn
Quince Jelly
Bread and Butter
Peach Charlotte
Coffee (hot or iced) Milk

Very Special Dinner
Roast Lamb Boiled Rice
Scalloped Eggplant
Mint Jelly
Tomatoes with Salad Dressing
Rolls and Butter
Peach Melba
Coffee (hot or iced) Milk

Highway Department Goes Forward

How the state highway commission, its current revenues exhausted, saved the jobs of workers this summer by pouring the bulk of its cash reserve into the breach was revealed by the Texas Good Roads Association recently from figures for the fiscal year ending August 31, compiled by E. J. Amey, department statistician.

To preserve the livelihood of these thousands of men and their families until the Roosevelt public works program could get up steam, the highway department exhausted its surplus funds carried over from better years. It spent \$8,000,000 more than it took in, the figures show, yet without going into debt a single dollar.

The near miracle was achieved despite a drop of nearly \$12,000,000 in state road revenues, due to retirement of many motor cars, loss of county aid, and diversion of one-fourth of the gas tax to refund county bonds.

Money for the successful job-saving fight came from a 33 per cent emergency boost in federal aid, \$1,000,000 in old license fees which had been in litigation, and \$7,500,000 in cash surplus from other years, all the department could spare and still finish its projects. Federal aid is not paid until jobs are complete, it was explained.

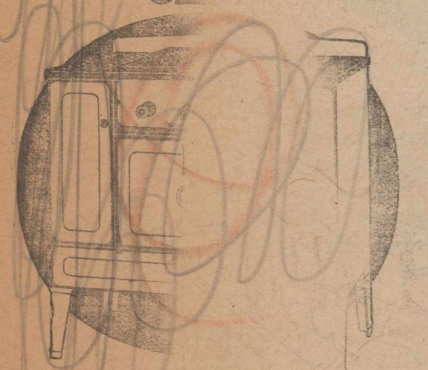

W. O. Huggins, Texas Good Roads Association president, called the figures "a valiant battle against human misery," but warned that the state fund is now crippled. "For next year we are absolutely dependent on federal aid," he said. "To hold our ground, we must get more money from Washington. To do this, one course is imperative; we must not divert any more state-road money to other uses. The Roosevelt administration has said flatly that states which do this—which will not help themselves—need not expect government help. This help is so vital to Texas now that we must permit nothing to endanger it."

STOP TAKING SODA! FOR GAS ON STOMACH
Much soda disturbs digestion. For gas or sour stomach, Adierika is much better. One dose rids you of bowel poisons that cause gas and bad sleep. Sanders Pharmacy.

Mr. and Mrs. J. E. Johnson, of Dallas were through our by the last of the week enroute to Baleyboro, to visit their daughter, Mrs. W. O. McCrary.

TEXAS BOYS' WORK EXHIBITED AT FAIR

Four State Guild Models From State Remain in Annual Race for Scholarships

CHICAGO, Aug. 9 (Special)—A feature of A Century of Progress which has excited widespread comment among visitors the past 10 days is the exhibit of Fisher Body-Craftsmen's Guild winning Napoleonic coach models, in which boy craftsmen of Texas are prominently represented.

The exhibit is on view in the General Motors Building, and consists of from three to four coach models from each of the 48 states, the District of Columbia, and the seven Canadian Guild districts—a total of about 200 models. They are arrayed on tables, in long rows, and at first glance appear exactly alike. Actually, however, they differ in the degree to which they correspond to the plans from which they were built, and 12 Guild judges, each an experienced craftsman himself, are busy with templates and gauges, measuring every model and recording the scores. This scoring will be the basis for the presentation of the year's six international awards, each consisting of a four-year university scholarship valued at \$5,000.

Announcement of the scholarship awards will be made on the night of Aug. 16, and will be broadcast by Edwin C. Hill over the Columbia network. It will mark the opening of the third annual convention of the Guild, which falls during Farm Week at the Fair. Two boys from each state, who have earned the right by constructing the winning state models, will come here as guests of the Guild, enjoy a four-day outing, and compete for the scholarships.

The Texas delegates will be Chester Meyers and Jack Norman, of San Antonio. Two other Texas boys, Truman Cottom, of Port Arthur, and Wilson Mangum, of Crosbyton, also have models in the Fair exhibit, having finished second in their respective age divisions in the state.

MRS. POWELL ENTERTAINS

Mrs. Charlie Powell was hostess to the Joi de Voi Club and guests at her home on North Keeler Avenue Thursday afternoon. Bridge composed the diversion for the afternoon. Mrs. F. W. Jennings won guest score and Mrs. D. L. Granberry won high club score. Mrs. G. W. Grimes received consolation.

The refreshments consisted of a salad course with iced tea. Those enjoying the afternoon were:

Mesdames J. R. Rector, M. H. Brannen, Cash Wilemon, G. W. Grimes, E. M. Wilson, J. O. Smith, D. L. Granberry, F. W. Jennings, T. K. Posey, C. L. Love, Nellie Davis, M. C. Golding, Ely Watson, Troy Stricklin of Abilene, E. A. Russell, L. E. Lee, W. T. Andrews, E. D. Engleman, Will Dorsey and Miss Ermal Lisenby.

HISTORY OF MY CLUB WORK

Norweta Smith, Dry Lake, 4-H Club three years ago, because I was deeply interested in that work. I wanted to learn how to sew and cook, and endeavor "to make the best better."

When our club met and new officers were elected, after much decision I decided to be the garden demonstrator. However, I realized I would have to do a great deal of work to raise a successful garden. I also wanted to learn how to raise the different varieties and to learn more about canning.

I selected a plot 60 ft. by 40 ft. for my garden. This was close to the windmill, so I could irrigate it when necessary. The first thing I did was to have it broken deep with the tractor, then harrowed down and watered.

The varieties of vegetables I planted after this was done, was tomatoes, cucumbers, okra, radishes, lettuce, beets, bush beans, mustards, turnips, onions; black-eyed peas, cream peas, peanuts, spinach, sweet corn, and even cantaloupes and watermelons. After these were up, it was necessary to weed and irrigate them, also to loosen up the soil around them. The plants grew very well, and I did not lose very many of them. I was very glad that I had a good stand in all of the varieties.

Since I had such a surplus of vegetables, I knew I could sell them, and preserve them by canning. I sold \$18.35 of vegetables consisting of beets, mustard, okra, onions, cream peas, radishes, spinach, turnips, and black eyed peas. The value of vegetables used at home (fresh and canned) was \$149.90 making a sum of \$168.25 total receipts.

The expenses were \$2.95 for seeds and plants, and \$5.11 for cans and canning. The total expense was only \$8.06 because I already had some containers and it was not necessary for me to buy any. The net profit was \$160.19.

As for the home improvement, I did some yard work which helped to improve the yard. Only last year I improved my bed room as demonstrator for our club at an expense of \$2.45.

During my third years work, I was bedroom demonstrator, winning first place in the county, and a trip to the Short Course. I also have attended one or two of the 4-H club encampments, and enjoyed them very much.

On the whole, club work has meant more to me than to any other girl in the county. I can not put in words what it has really meant to me. I know one thing, it has helped me to learn more about canning, gardening, sewing, and how to make the best better.

At the Short Course I learned many new ideas and better and shorter ways of doing things.

The value of this work could not be expressed by me since I have received so much good from it.

Highway Funds Show Slump

The state highway funds, once the envy of all state bureaus because of the millions at its command, has shrunk 57 per cent in three depression years, according to the tentative budget for the next fiscal year just prepared by department statisticians.

Total state revenue which will remain to build and maintain Texas' 19,600 miles of state highway, after the various deductions and diversions, will be \$17,000,000 the department estimated. The same figure was \$39,000,000 in 1931, the peak year. Neither sum includes the federal aid. Maintenance of existing roads alone costs about \$10,500,000 yearly, a decrease of \$1,500,000 worked out since 1931.

Aside from one or two millions a year lost to the road fund through fewer automobiles and less travel, the decline of \$22,000,000 a year in road

money was caused by a radical change in the state's viewpoint regarding main trunk highways, the Texas Good Roads Association pointed out in connection with the official figures.

R. S. Sterlin's administration first took the position that counties no longer must vote bonds and share the cost of main highways with the state," its statement said. "Thus 'county aid' which exceeded \$11,000,000 in 1931, dropped to \$1,000,000 this year, and will disappear in 1934. The last year one-fourth of the state gas tax was taken to fund such county bonds already outstanding. It was not enough, but it took another \$7,000,000 yearly from the road fund.

"Both these steps give local ad valorem tax relief by shifting the cost of roads, past and present, completely upon the motorist through the gas tax and license fee. The highway fund is so weakened that it must depend on federal aid to keep jobs for thousands of road workers. The plain obligation of the state, then, is to do nothing henceforth which will imperil federal aid. Shifting of any more state road money to non-road purposes is directly against federal policy, as Washington has said. This is what Texas must avoid."

Mrs. Clifford B. Jones, of Fort Worth, was in our city Saturday and Sunday visiting her parents, Mr. and Mrs. G. L. Barber.

Jack Rich, of Weinert, is with Ramsey's Garage and Service Station. He is a nephew of Mr. and Mrs. P. H. Miller.

Miss Jennie Shield, who has been in Abilene the past few years, is now making her home in Spur with her aunt and uncle, Mr. and Mrs. P. H. Miller.

Mr. and Mrs. L. R. Burrow and daughter, Miss Marjorie, and Miss Sibyl McDaniel, who spent ten days at the Chicago Fair, returned the last

of the week and report the Century of Progress a wonderful event.

W. M. Ford, of Matador, representative of the Federal Land Bank, was in our city the first of the week looking after business matters.

Lower Motor Costs Seen After A. A. A. Test

Oil Consumption 28.5 Per Cent at Indianapolis

DRASTIC reduction in the cost of auto operation is forecast as a result of motor oil tests conducted at the Indianapolis Speedway under auspices of the A.A.A. Contest Committee.

During these tests a new oil, developed by the Gulf Oil Company, obtained 28.5 per cent more miles to the quart than the best 23.5 per cent less than the best tested against three other grade brands for motorist.

Fords, Chevrols and Duicks, picked the streets of Indianapolis in the four-day test. The cars traveled 450 miles, constantly maintained M.P.H., using a drop of oil each day. Oil rigidly checked and results were variations in temperature. The new oil, which the other oils by is made from a 100

A.A.A. officials checking motor oil during test run at Indianapolis Speedway. (Lower) The cars rounding a turn on the Speedway.

fin base, and is refined three steps farther than ordinary motor oils. Introduction of this advanced process marks a definite step forward in the refining industry and, it is believed, will result in decreased operation costs for the average motorist.

SELFISH INTEREST ADMITTED CAUSE OF SIGNING FOR NRA

Why a business man, particularly a manufacturer, should sign the Presi-

"NERVES"

Here's a good way to quiet "NERVES"—A Dr. Miles' Effervescent Nervine Tablet, a glass of water, a pleasant, sparkling drink. Nerves relax. You can rest, sleep, enjoy life. At your drug store. 25c and \$1.00.

dent's re-employment agreement, was set out in a statement handed to employees with their pay by a Dallas manufacturer last week.

The neatly printed article addressed "To Brothers in Recovery" was as follows:

"As a business man who has signed the President's re-employment agreement, I wish to tell you frankly my reasons for doing so. I shall cut out all frills and talk to you as man to man.

"I do not claim to be more patriotic than the average American citizen. I think I am as patriotic as most business men, but not more so. While I think patriotic motives will influence every employer to some extent in co-operating with the President that was not the chief influence with me.

Humanitarian Reasons

"I have heard that humanitarian reasons should influence every business man in this recovery campaign. That is granted. No one of us likes to see hungry men seeking jobs—a constant string of them coming into our factories and ringing the door bells of our homes. The sight, day by day, of men and women whose actions and faces show that they have lost faith is no spectacle of our choosing.

"Yet I say to you that I signed the President's agreement, not for patriotic or humanitarian reasons, but from self interest. While I am not and do not profess to be an economist, to me the President's emergency re-employment program is all very simple.

"If our people haven't money, they can't buy. If they can't buy, we can't manufacture. If we don't make goods, we can't pay our wages and salaries. Without wages and salaries you can make no purchases. This vicious circle must be broken somewhere or the depression will go on and on. There can be only one place in that circle where a break can be made. Industry and business must start employing people who are unemployed, by virtually advancing them money until it is repaid through the sales process which inevitably will come when people have money with which to buy.

Enlightened Selfishness

"I believe that only by investing in

SCHOOL DAYS

By DWIG

added wages and salaries for a period of time until a reservoir of purchasing power is accumulated, will business in general revive and my business have a chance for improvement. I have signed because I believe most other business men will come along with me—for selfish reasons if for no other.

"This is enlightened selfishness, and I am getting a great deal of pleasure out of being selfish and still feeling that I am performing a patriotic humanitarian act. You don't get a chance to do that very often."—Dallas News

Don't Get Up Nights Make this 25c Test

You need a bladder physic to drive out impurities and excessive acids that cause irritation, burning and frequent desire. Get a 25c test box of BUKETS, the bladder physic, from any drug store. After four days if not relieved of getting up nights go back and get your money. BU-KETS, containing buchu leaves, juniper oil, etc., acts on the bladder similar to castor oil on the bowels. If you are bothered with backache, or leg pains arising from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. Gruben Bros. say Bukets is a best seller.

TWENTIETH CENTURY CLUB

The Twentieth Century Study Club met Tuesday with Mrs. T. H. Blackwell. Mrs. Teague presided in the absence of Mrs. Nichols.

The subject for discussion was Local Politics with Mrs. V. C. Smart as leader for the afternoon. Roll Call was answered with "Why I Vote." A question box on local, state and national government was conducted by Mrs. Smart.

Duties of Commissioners Courts, city officers, chambers of commerce and other departments of local interest were discussed by various members.

Mesdames Kelley and Foote were welcomed as new members. The club regrets to lose Mrs. Teague who is moving to Hamlin soon. Mrs. Ferguson was a pleasant visitor of the club.

The club will hold its next meeting with Mrs. B. F. Hale October 17. —Reporter.

IN REMEMBRANCE OF L. W. STARK

It is with a sad heart that I pen these words together in remembrance of L. W. Stark, Afton, Texas, who departed this life a few weeks ago. He leaves a wife and three children and a host of friends to mourn. "Precious in the sight of the Lord is the death of His saints." Funeral at the Methodist church where for many years he attended worship. His body was laid to rest in the Afton Cemetery to await resurrection at the Last Day. "And as it is appointed unto men once to die, but after this the Judgement." I can hear him say,

Good-by, sweet wife and children dear! I know you would that was here; But I am gone from earthly pains, So trust in Him who ever reigns.

You, too, soon must quit the walks of life, With all its sorrow and its strife; So be prepared to meet your God, By living faithful to His word.

Then I hear,

"He is dead", no, not dead, But sleeps the sleep of all; He shall arise and leave his bed When sounds the Savior's call.

Our Savior slept the same deep sleep; He slept till the Angel's call; He raised his head and left his bed, The cold, damp bed of all.

He sleeps no more, He's alive and well, He answered the Angel's call; So we, like He shall answer death And live when the heavens fall.

"Live, not die," shall He then cry; "Come forth, both great and small, To live again and never die"— Redeemed by the Judgement Call.

—Fred Arrington.

CORA DURHAM STUDENT AT JOHN TARLETON COLLEGE

Sephenville, Texas, October 2—Cora Durham of Spur is Dickens County's only representative at John Tarleton Agricultural College this semester. Tarleton has an enrollment of 704 students representing 122 counties of Texas and four other states, Alabama, Arkansas, Missouri, and Kentucky.

G. A. DRAPER PASSES AWAY

G. A. Draper, 80, living at Levelland, passed away Tuesday of last

week. Funeral services were conducted at Spur by Rev. Horne, the family pastor, Tuesday afternoon.

Mr. Draper suffered from a paralytic stroke, and due to his advanced age, he was not able to overcome the stroke.

He was a former citizen of the Dry Lake community here, coming here from Haskell in 1910, and lived here until about 1929 when he moved to Levelland. He was born in Alabama February 12, 1853. He came to Texas in an early day and settled in Lime stone County. He was married to Miss Sarah J. Ayres who survives him.

When about 30 years of age Mr. Draper made a profession of Christian religion and became affiliated with the Presbyterian church. Later he joined the Baptist church and was a member of that church when he passed away.

Pain Passes Off. When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill. Mr. Smith is one of millions who have found this easy way to prompt relief. He says: "I keep Dr. Miles' Anti-Pain Pills in my pocket and when I get a dull heavy feeling in my head, I take a Dr. Miles' Anti-Pain Pill and the pain passes off." DR. MILES' -ANTI-PAIN PILLS-

Besides his widow he is survived by two daughters and five sons. They are: Mrs. R. F. Keene and Mrs. J. F. Vernon of Levelland, Paul Draper of San Angelo, H. C. Draper, Gray Draper, Joe Draper and Ellis Draper all of Spur. There are a number of grandchildren and great grandchildren in the family.

W. I. Quattlebaum, a progressive farmer of Red Mud community, was in our city Saturday attending to business matters and paid the Times office a very pleasant visit.

J. B. McDonald, of Dallas, representing the Dixie Deb Cosmetic Company, a new \$150,000 Texas concern, was in our city last week talking business with our beauty parlors.

THE ROWEL

ROWEL OFFICERS ELECTED

The election of the Rowel Staff was held Wednesday by the Juniors and Seniors. The following were elected: William Starcher—Editor-in-Chief; Kelley Marsh—Associate Editor; Denney Clay—Associate Editor; The student body elected: Earl Russell—Sports Editor; Mona Lawrence—Jokesmith; The Class reporters are: Ardon Holmes—Senior Reporter; Edwin E. Hight—Junior Reporter; Max McClure—Sophomore Reporter; Joe Boyd—Freshman Reporter.

FACTS AND FANCY

Miss Buster was elected Junior sponsor for this year, and judging from the start they have made she is going to be able to help them make the Banquet a gala event this year.

"Margy" had better watch her step because someone is going to be setting traps for her before long.

These Pep Squad Girls had us guessing for a few days with their short dresses and pigtails, but at least they gave us some novel sights.

All of our new students seem to have about "caught the hang of things" by now. We have to hand it to them because some of us that have been here nine or ten years haven't found what it is all about yet.

The Juniors met the other day and decided to make this year's Banquet a bigger and better event. The Seniors are hoping and the Juniors are working.

DOG BITES

Spur meets one of the best teams in the district next Friday. Ralls as we know will make a strong bid for District Championship unless the Bulldogs handicap their winning streak. Ralls has a good coach and team both. But the Bulldogs will bear watching.

The Blue-Gold wave which defeated Knox City will have to dig and dig hard to outrun the Ralls High School "Jackrabbits". But the student body is looking forward to the Bulldogs making a race track of the present gridiron.

BEAT RALLS FRIDAY 13TH. Friday 13th is billed to be one of the most unlucky days ever experienced by RALLS HIGH SCHOOL. They come to Spur looking forward to going back victor???. But there will be much dispute over the matter as the Bulldogs have a habit of chasing "Jackrabbits"—"Over the hill and far away."

(Russell)

LITTLE THINGS

We may not think that the things we are doing amount to much, but after all every little thing we do either goes to make the world a better or worse place to live in. Here is a little poem that illustrates this point. It was written by Ebenezer C. Brewster.

Little drops of water,  
Little grains of sand,  
Make the mighty ocean  
And the pleasant land.

Thus the little minutes,  
Humble though they be,  
Make the mighty ages  
Of eternity.

Thus our little errors  
Lead from the soul away  
From the paths of virtue  
Far in sin to stray.

Little deeds of kindness  
Little words of love,  
Make our earth an Eden  
Like the heaven above.

Little seeds of mercy,  
Sown by youthful hands,  
Grow to bless the nations  
Far in heathen land.

SPORTS EYE

The Bulldogs of Spur High School are destined to go a long way in the football world this year say some old hands at the game. The whole team has improved 100% since the game with Matador. The boys looked very trim in the game with Knox City, the punt catching was a bit ragged but Coach Murley is ironing that out.

ON TO VICTORY BULLDOGS BEAT RALLS

We will have to hand it to Coach Thad Murley for training the team of Bulldogs into what looks like a Championship team this year. Coach Murley is one of the best coaches ever to coach a team in Spur and that is saying something. Let's get behind the team and help them win the District Championship.

The Pep Squad of Spur High School with Miss Buster as Sponsor promises to be the best ever produced by the school. Let's help the Pep Squad keep the pep going and back the best team in the history of Spur High School.

THREE BIG CHEERS FOR THE PEP SQUAD.

JOKES

Harry—Well now I am as famous as Napoleon.  
Vernon—How come?  
Harry—I went down in History today.

R. J.—There are two periods in

this life when man doesn't understand women.

Edwin Earl—When are they?  
R. J.—Before and after marriage.

Mrs. Hall—We have been married 12 years and have never quarreled. If a difference of opinion arises and I am right, Sam gives in immediately.  
Mrs. Murley—And if he is right?  
Mrs. Hall—Oh, that has never happened.

Neilson says there is no such thing as can't. Wonder if he ever tried to strike a match on a cake of soap.

Mrs. Chapman says the one thing worse than a woman who drives from the back seat is the man who cooks from the dining room table.

Jack Jones—Have a good time this summer, Denny?  
Denny—Pretty good, but I had

some trouble with one of those two-bit slot machines.

Jack—Yeah?  
Denny—Yeah, you usually put a quarter in one and get some money out, but I put a slug in one and the manager came out.

Max—(Pointing to a cigarette stub on the floor)—Garlan, is that yours?  
Garlan—Not at all, not at all, you saw it first.

Freshman—What is the faculty?  
Senior—A body of people assigned to help me run the school.

Even I chew Wrigley's said the sparrow as he downed another inch of worms.

The teacher of a certain school had sent a note home with a pupil asking her parents to buy her a grammar and received the following answer:

"Missus Teacher: I do not desire that Jennie shall engage in grammar, as I prefer her to engage in more useful studies, and I can learn her to speak grammar myself. I went through two grammars and can't say as they done me any good anyhow."

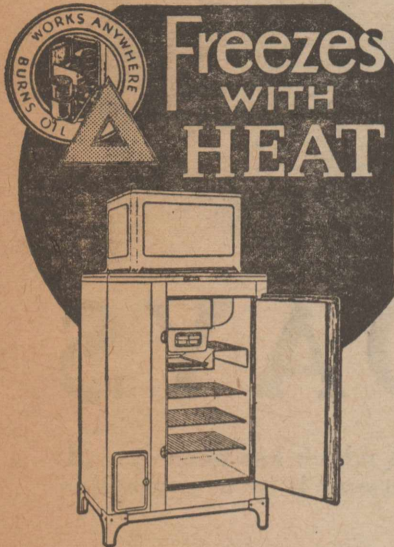

WE WONDER WHY

Adren is so interested in the Marines?  
Johnnie studies so much in the study halls?

Jack Foreman has quit school.  
Roberta is wearing her Sunday shoes to school.

They call Reuben Draper "Scrooge" Selbia is taking five subjects when she only needs three to graduate.

J. L. Koonsman, a progressive farmer of Wichita community, was attending to business matters in our city Saturday.

Freezes WITH HEAT  
SUPERFEX, the perfected oil-burning refrigerator, is super-powered by Giant burners that operate only a short time each day, generating enough refrigeration to last for 24 hours. SUPERFEX works anywhere at any time. That's one of the reasons why there are thousands in use all over the world.

A SUPERFEX in your home will save on the budget and help to serve better meals for less money. It will cost less than any other modern type of refrigeration. Owners will tell you that it operates at an astonishingly low cost.

See a demonstration of this dependable, economical and modern refrigerator in your own kitchen... use one for a week without any obligation and let us show you why SUPERFEX is the PROVED modern refrigerator for the careful, progressive home.

I Can't Sleep  
YES -you can

Are you one of these nervous people who lie awake half the night and get up feeling "all in"? Why don't you do as other light sleepers have been doing for more than two generations—take Dr. Miles Nerveine?

One or two pleasant effervescent Nerveine Tablets or two or three teaspoonfuls of liquid Nerveine will generally assure a night of restful sleep. Perhaps you will have to take Nerveine two or three times a day just at first.

Nervous people have been using Dr. Miles Nerveine for Sleeplessness, Nervousness, Irritability, Restlessness, Nervous Indigestion, Nervous Headache, Travel Sickness, for more than fifty years.

Dr. Miles' NERVINE  
Liquid and Effervescent Tablets

Ride Safe and Save Money —put on new GOODYEARS Now!

Slippery roads, colder weather, more driving on dark roads — Fall and Winter makes smooth, thin tires more dangerous. More than ever you need safe-gripping new Goodyears. Get them while prices are low, enjoy their protection all winter — they'll still be almost new next spring... More people prefer Goodyear Tires than the next three largest-selling makes combined — more people buy Goodyear Tires than any other kind—you, too, will find Goodyears best in value. Buy and see!

GOODYEAR PATHFINDER  
Supertwist Cord Tires

Mileage stepped up 36% — tread 26% thicker with Full Center Traction. A better tire than the best of most other makes—yet most sizes are still priced lower than a year ago!

#### BRIDE ELECT HONORED

Honoring Miss Mary Elizabeth Hogan, bride elect of Sam T. Clemmons, Miss Sarah McNeill and Miss Mabel King entertained with a tea and miscellaneous shower Saturday afternoon, October 7, at the Spur Inn from four till six o'clock.

In the receiving line were Miss Mary Elizabeth Hogan, Mrs. Ned Hogan, Mrs. Pauline Clemmons, Mrs. J. C. McNeill, III, Miss Ella Mae Hogan, Miss Sarah McNeill, and Miss Mabel King.

A color scheme of pink and green was followed in the decorations and refreshments.

Before an arch banked with flowers stood little Billie Marie Russell, dressed as a bride, and James Franklin Laverty, dressed as a bridegroom. The guest book of the bride elect, at which Mrs. G. R. Elkins presided, was located back of the arch.

After the guests had registered in the bride's book, Miss Jane D. Wilson ushered them into an adjoining room where the gifts, over which Mrs. F. W. Jennings and Mrs. Faust Collier presided, were displayed.

Refreshments of brick ice cream and angel food cake squares were served by Miss Polly Clemmons, Miss Nedra Hogan, Miss Lig Lisenby and Mrs. Alton Chapman.

The guests were: Mesdames Horton Barrett, James B. Reed, Ed Lisenby, Erma Lisenby, Dan H. Zachry, Bulloch Tillotson, Weldon Grimes, Jack Reeder, E. C. Edmonds, T. H. Blackwell, Riley Wooten, James O. Smith, L. H. Perry, E. D. Engelman, T. H. Dickey, L. D. Campbell, Geo. S. Link, E. A. Russell, F. G. Collier, W. B. Lee, B. F. Hale, H. O. Albin, John King, O. L. Kelley, G. R. Elkins, M. H. Brannen, A. C. Hull, Roy Harkey, J. L. Rosamond, Roy Stovall, Bill Putman, W. D. Starcher, Chas. Whitener, Sam Z. Hall, J. E. Morris, Guy Karr, J. T. Wylie, Henry Alexander, Oran McClure, A. M. Walker, Joe E. Boyd, Basil Cairns, Kate Senning, Mrs. R. A. Eaton, C. L. Love, Pat Watson, J. W. Meadows, L. R. Barrett, W. J. Elliot, Elzy Watson, P. C. Nichols, D. L. Granberry, Wabber Williams, E. J. Cowan, J. M. Foster, Alton Chapman, Sol Davis, E. F. Laverty, J. C. McNeill, II, Lawis Lee, L. W. Langston, George Williams, Cash Wilemon, W. T. Andrews, F. W. Jennings, W. C. Presley, Luther Jones, R. E. Dickson, W. P. Simpson, H. O. Everts, E. C. McGee, E. L. Caraway, W. S. Campbell, A. O. White, M. C. Golding, W. D. Wilson of Lubbock, Carlin Murphy of Roaring Springs, Goss D. Cobb.

Misses Billie Marie Russell, Julia Maxwell, Adelaide Senning, Rachel Langston, Jane Wilson, Edith Ince, Ha Lassiter, Annie Mae Lassiter, Leonora Lisenby, Erma Lisenby, Charis Hayes, Alice Wright, J. M. Hickman, Frances Manning, Pauline

#### Texan Wins Car

L. E. JUNELL, Wichita Falls, Texas, has just been awarded a new 1933 Pontiac automobile in the ether contest conducted by Singin' Sam, the Barbasol man. Mr. Junell is employed by the Noble-Little Hardware Company.

Buster, Faye Jamison, Ella Mae Hogan, Mabel King, Sarah McNeill.

#### A NEW KIND OF REFRIGERATOR

A new kind of iceless refrigerator that gets its power from kerosene burners just like those of an oil cook stove is now being shown at the Smart Music Shop recently appointed distributors for Dickens and adjoining counties.

Actually it uses no power, for it has no moving parts. Refrigeration is generated by heat. The only attention required is keeping the oil tank filled and lighting the burner each day. A bottle holding kerosene keeps the burners in operation for a short time after which they automatically go out, but refrigeration goes on for 24 to 36 hours. It also freezes ice cubes.

This refrigerator is intended to serve those homes not served by central power stations. The expense of operation is minimum while the service rendered seems to be of highest quality. There is nothing about the refrigerator to wear out since there is no machinery. Probably only the circulation system could give away and it could require many years for this to happen. Mr. Smart is very interested in demonstrating this new refrigerator to ladies living out on the farms.

#### DORIS BRILEY ENTERTAINS

Little Miss Doris Briley was hostess to a number of friends at the home of her parents, Mr. and Mrs. A. C. Briley, Saturday afternoon from five until six o'clock. Games were played and the youngsters enjoyed a great time. For refreshments cookies and punch were served.

Those enjoying the occasion were: Frank and Jimmie Vernon, Celesta
