

A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE

Dickens Co. Times

VOLUME 10

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, MARCH 22, 1934.

WHOLE NUMBER 452.

SPECULATION BY THE SPECTATOR

AND NOW BEGINS the Annual Spring Calf Show to be held in Spur, Monday, March 26. Work was begun early this week putting the lot in readiness for the show. H. O. Everts, Chairman of Arrangement Committee seeing to the placing of tieing posts and other necessary arrangements to take care of the herd.

According to C. B. Middleton, agriculture teacher and County Agent, G. J. Lane about 35 head of fine specimens are to be exhibited at the show.

FRANK P. HOLLAND, who is president of the Texas-Breeder-Feeder Association, bears the welcome news that the breeder-feeder movement is to be vigorously pushed the coming year, and that an appropriation has been secured to provide exhibits at the State Fair this fall in Dallas, that serve to encourage a more widespread practice among Texas farmers and farmer-stockmen to feed on the farms as many cattle and lambs as the farm feed supplies will justify. President Holland made it clear that this farm feeding movement is a definite outgrowth of conditions which have been slowly developing over a number of years. When Texas began shipping up to a million cattle a year to the feed lots of the North and Middle West, it was not known that 60,000,000 bushels of sorghum, worth pound for pound as much as corn, could be produced on Texas farms with certainty and economy, and our present highly productive corn varieties had not been developed, nor was it known that championship feed beves could be produced in Texas to the extent that they are being produced in Texas feeding programs. In fact, there seems to have been a fixed belief that the magnificent feeder cattle and lambs grown in Texas should be sent away somewhere outside of Texas to be finished for market, butchered and returned for Texas consumption.

SYSTEMATIC TRAINING of young stockmen in the boys' and girls' club work and in the schools has developed skilled feeders, and club members began to get championship honors at the National Fat Stock shows. Chemists and nutrition specialists have worked out a very accurate evaluation of the whole gamut of feeding stuffs so that rations can be properly balanced and protein and mineral content as well as in the other productive values and easily prepared, so that animals placed on feed experiments have consistently made gains that are quite as satisfactory and often more satisfactory than in any other feeding.

Calves to be shown at the local show Monday will exemplify two kinds of feeding: Nurse fed and grain fed. This method of feeding is a simple one and we are sure interesting to all those who are in any way interested in agricultural progress.

LUBBOCK WILL Start its Meat Show next week with over 150 calves, 125 pigs, 100 capons, 500 hams and bacon, and 1,000 exhibits of canned meats are expected for the show. It was announced the fore part of this week.

There seems to be a greater diversification program on at the present opening of Spring than has been in the State for many years. True it is a factor that has been forced on to a great extent by the prevalent conditions of the past four years. (We are economically speaking.)

SPECTATOR SPECULATES that a greater diversification will be witnessed with the coming of the year 1934, too. Not that we do not think that time are not getting much better, but due to the fact that many more months will be required to gain back the normal standard of bygone years than it did to lower the standard to where it was some 14 months ago.

The world may have been egg-shaped when Columbus started out on his travels, and even up to 4 years ago, but evidently, and without question it has been very flat since then.

This depression has caused and is causing some queer things to happen. People do queer things and then blame the depression with them. For instance the Dane, who recently stole a car in Oklahoma in the hope that he would get deported and sent back to Denmark. But instead he got a sentence of one year in jail. Now his theory to get free transportation back to Denmark would have been a good one had it worked out. Now he blames the depression and hunger to driving him to break the laws of the State of Oklahoma.

Then there was the judge the other day who married a couple, furnished the licenses and performed the ceremony and charged them \$14. They could not pay so he kept their auto. Now he can't find the couple—they are happy, and he is having a storage bill of \$1 per day to pay on the car.

It's a queer world—sometimes!

Fred C. Haile To Speak In Snyder

Fred C. Haile, candidate for Congress, has accepted an invitation to speak at the Young Democratic Club's speaking Tuesday, March 27 at Snyder. The occasion is a special one that is receiving wide publicity and in all probability will draw a large number. Mr. Haile states that his speech will not be long but a brief statement of his platform.

Style Revue At Palace Tonight

The annual Spring Style Revue by B. Schwarz & Son and Bryant-Link Company will be held this evening (Thursday) at the Palace Theatre. Both stores will feature the latest Spring and Summer styles, 1934 fashions for the modern woman. Dresses, Coats, Ensembles, Swagger Suits, and everything the lady of fashion will wear in the next few months will be displayed.

An added feature not found in every style show, will be a complete display of men's wear. The spring and summer suits, topcoats, shoes and accessory items will be shown by men models.

H. O. Everts, Palace Manager, M. C. Golding, B. Schwarz & Son manager, and Geo. S. Link, manager of Bryant-Link Company, have extended an invitation to the people of Spur country to witness this special exhibition of clothing lines sold in these two stores.

The Palace feature picture and shorts will be shown first at 7:30 with the style show about 8:30 with a second running of the pictures completing the program.

Motley County News Absorbed By Tribune

A deal was culminated Wednesday morning whereby the Motley County News, owned and published by G. C. Mitchell, sold its name, subscription list, business and goodwill to the Tribune Publishing Company, owned by Douglas Meador and Howard Hamilton. The two publications will be merged under the name of Matador Tribune after this issue of each paper. The entire plant equipment was retained by Mr. Mitchell, and will be moved to another location.

Mr. Mitchell has been editor and publisher of the Motley County News for over eight years. The paper, under various names, has been established over 35 years.

The Matador Tribune, which was formerly the Roaring Springs News, was moved to Matador last December.

The entire circulation of both papers will be combined in complete coverage of Motley county. The Matador Tribune is now the only newspaper published in the county. The transaction will become effective Monday.

Farewell Showing of "The Birth of A Nation," March 30

D. W. Griffith's master production, "The Birth of A Nation," will be the special attraction at the Palace Theatre in a special showing of farewell tour Friday afternoon and night, March 30.

A special matinee will be held for the school children of the entire county, beginning at 2 o'clock, it has been announced by H. O. Everts, manager.

It has been acclaimed throughout the nation as the greatest picture of all time. This great picture will be shown here in sound. It covers a wide range of American history and touches only the highest points of interest in the great events that preceded and terminated the Civil War. The decisive battles, struggles and critical events of 1861-70 are authentically presented in faithful detail.

The force that slavery played in producing the crisis of the Civil War is traced from its inception to its abolition. While the basic theme is historical, 18,000 people fill the stage which has a vast territory for its background. 3,000 horses pass before your view in wild dashes over miles of country roadway. One enormous battlefield is shown stretching over an area of ten square miles and upon these plains and trenches, 10,000 soldiers clash in a warfare that is as real as if you were an eye witness.

You will see the great generals, Lee and Grant and the immortal Lincoln and his assassination at Ford's Theatre, April 14, 1865. A beautiful love story adds intense interest to the picture.

The night riding of the Ku Klux Klan looks like a company of avenging spectres sweeping along moonlit roads.

This realistic picture of history in the making is of untold value to both old and young.

The following cast of famous players take part: Henry B. Walthall, Lillian Gish, Mae Marsh, Miriam Cooper, Mary Alden, Josephine Crowell, Ralph Lewis, Joseph Henabery, Raoul Lewis, Donald Crisp, Howard Gaye, George Seigmann, Walter Long and Elmer Clifton.

Don't miss "The Birth of A Nation" on its triumphant farewell.

Roy Cunningham Announces For Com. Precinct 4

TO THE VOTERS OF PRECINCT NUMBER 4:

Dear Friends— I have had under consideration for the past several weeks, announcing my candidacy for Commissioner of this precinct. After talking to many of my friends and the encouragement that has been given me, I am announcing my candidacy for Commissioner subject to the action of the Democratic Primary.

I feel I am competent to make a Commissioner that will meet the approval of the people. I feel my past record as a citizen entitles me to solicit your consideration.

If I am elected Commissioner of this Precinct I am promising you Honest, Efficiency, Fairness to all. Impartiality to all. Maintenance of the roads will be over the entire Precinct, on roads that are needed, to the best of my ability.

However, the expenditure of county funds depends on the financial condition of the county and the liabilities of the county. I am strictly against raising of taxes. I feel that under present conditions that an economical administration would be best.

I am soliciting your vote and influence and any consideration shown me I assure you will be appreciated. Sincerely yours, ROY CUNNINGHAM.

District Court To Convene Monday

The regular term of District Court will convene in Dickens next Monday morning with the Honorable Kenneth Bain of Floydada, presiding.

Hon. A. J. Folley, District Attorney and the Hon. Alton B. Chapman, County Attorney, will represent the State.

Grand jurors announced a few weeks ago will be instructed as to their duties Monday morning by Judge Bain. The petit jury will be called for Monday, April 2nd.

The court has a fairly heavy docket for this term, which they hope to clear in three weeks.

Cotton Reduction Program Near End

The Cotton Reduction Program in Dickens County is nearing completion as far as the work in the County is concerned. The contracts will be submitted to the State and District Board for their approval. When approved, they will be sent to Washington for final acceptance, and issuance of checks, which is hoped, will be made by the last of April. The total number of contracts offered to the Secretary is 761, representing 31,471 acres, with an indicated average planting of 81,851 acres through the base period 1932-28.

New Mail Service Is Inaugurated For Spur

Beginning last Monday, March 18, the Lubbock bus started carrying a pouch of first class mail from Spur to Lubbock. The mail leaving Spur at six o'clock in the afternoon, arriving in Lubbock in time to make connection with train service to Sweetwater and Amarillo. A letter mailed at five o'clock in the afternoon now will be in Fort Worth the next morning by 7:30. Letters for this service must be in the post office at Spur not later than 5:30 in the afternoon in order to get in the pouch.

This additional mail service will prove to be distinct service to Spur people, since heretofore, the last outgoing mail was 2:20 p. m.

Joe Warren, of the Times force, was a visitor in Rule last week end.

Jack McCully For Constable Precinct 3.

The Times has been authorized to announce C. H. (Jack) McCully as a candidate for the office of Constable for Precinct No. 3, subject to action of the Democratic Primary. Mr. McCully has served in the office the past two years, and has a fine record. He stated that the people know of his work and if they see proper to elect him to a second term that he expects to be fair to everybody. He solicits your vote and influence in the coming Primary and states he will do his duty if re-elected.

Special Election To Be Held Saturday

Voters of Dickens County will decide Saturday in a special election as to whether the office of County Superintendent of Schools shall be retained in Dickens County. The Judges and Clerks appointed at the February term of Commissioners Court for general elections will act as officials at this election.

The ballots will read as follows: FOR THE Creation of the Office of County School Superintendent. AGAINST THE Creation of the Office of County School Superintendent. This election became necessary when the scholastic census fell below the 3,000 mark, the office having been established four years ago when the scholastic census showed more than 3,000 on the rolls in Dickens County.

If the question carries the office of county school superintendent will become a regular county office and a superintendent for the next four year term will be elected at the general election in November.

Young Democrats In Meeting Monday

The Dickens County Young Democratic Club met at ten o'clock last Monday morning in the court house at Dickens for a called meeting to complete organization.

A constitution was adopted providing for officers, duties and membership. Z. W. Fowler was elected to the position of Vice-President. The officials of parliamentarian was consolidated with that of the presiding officer and the following appointed as members of the County Executive Committee: J. L. Brantley of McAdoo for Precinct No. 1; Burnet Haney of Afton for Precinct No. 2; Joe B. Long of Spur for Precinct No. 3; and Peyton Legg of Croton for Precinct No. 4. The precinct committeeman with the County Chairman make up the Young Democratic Executive Committee.

Fees will be 10c National, 25c State, and 25c County, making a total of 60 cents. Paul Akin, secretary-treasurer, is now receiving dues and those who desire to be members are asked to see him, in order that affiliation with the state and national organization can be had at once.

The constitution provides for members to be from 21 to 40 years of age.

The next meeting will be held at Spur, Tuesday, April 10. The constitution provides for monthly meetings every second Tuesday, the place and time to be decided upon at the previous meeting.

TRY DAWSON Hydro Cleaned Coal for these cool Spring mornings. It will save you money.

Mrs. H. O. Everts returned from Temple Friday, where she had accompanied her mother for medical treatment.

Now It's Unanimous!

77 Hog Contracts Sign'd To Date

Interest in the Corn-Hog Reduction Program has made a noticeable increase in that 77 contracts have been signed up to Saturday, March 17. The 77 contracts represented 3558 head of hogs, and 262 acres of corn. The reduction effected will be 889 hogs and 52 acres of corn. There are several contracts which have not been accounted for, which will bring the total number up to 85 or 90 contracts in the county, and which will represent some thousand head of hogs to be reduced in the two-year average production for Dickens County, according to G. J. Lane, county agent.

Dance Revue Coming To Palace Friday

The Irene Jay Dance Revue, coming for the first time to the Palace Theatre Friday, March 23rd, is a fifteen people act offering a variety of all types of dancing, singing and comedy. A sensational Adagio Trio, a chorus of pretty girls and several clever child entertainers are among the special attractions. All numbers are beautifully and appropriately costumed.

Miss Jay, who formerly made her home in Jayton, now has Dance studios in Abilene, Sweetwater and Stamford. Every week end she takes out a troupe of professional pupils and shows in a theatre within ready traveling distance of the home studios. Within the past year they have played most every West Texas town of any importance, except Spur, within two hundred miles of Abilene and Mr. Everts says he is very fortunate in securing the act for Spur theatre goers.

Appearing with Miss Jay is her dance partner, Horace Davis; the featured dancer, Marporie Jo Massey; the Personality Girls, June and Billy Jo; the Tap Dancer de Luxe, Eloise Elmore; the clever child entertainer, Lola; and an unusual acrobatic group.

In connection with the Dance Revue, Manager Everts has booked Paramount's newest musical comedy "Take a Chance" starring James Dunn, June Knight, Lillian Roth, Cliff Edwards, Lillian Bond and Buddy Rogers.

Track Meet To Be Held Saturday

The County Interscholastic League track and field meet which was to have been held last Saturday, was postponed because of bad weather until next Saturday. All divisions will be given off beginning at nine o'clock in the morning. The Junior track events will start at the park, then the field events will be held for both juniors and seniors of all divisions at the high school. The meet will close in the afternoon with the senior track events at the park.

The literary events of the county meet were held last Friday with a record number of entrants and visitors. A complete tabulation of the results of both literary and track events will be given by the Times next week. Director General R. B. Neilson announces that the championships in all divisions will be awarded at the close of the track meet.

Local School Census Nears Completion

Supt. Sam Z. Hall of the Spur Public Schools stated Tuesday that the census of school children in the Spur Independent District was nearly complete. J. R. Lane has made a thorough canvass of the district making the enumeration. They request that any parent that had not placed their children on the rolls to call either Mr. Lane of Mr. Hall in order that every child in the district may be tabulated.

BRINGING BETTER HALF TO SPUR NEXT WEEK

L. C. Parker, manager for the local Hassen Bros. Store, will go to Sulphur, Okla., Saturday and get Mrs. Parker. She will return to Spur with Mr. Parker and they will be at home in the Leland D. Campbell property on North Carroll Avenue.

Mr. Parker has been alone here for a long time, and it might be in order to have a minister present when he and his life partner arrives, have the wedding ceremony over again just to remind him that he is starting a home again. Then of course, gifts will be in order and anything friends desire to present will be appreciated.

Since coming to Spur, Mr. Parker has made many friends who appreciate him as a man and since he and his good wife are making their home here all of us feel they will be a very valuable addition to our little city.

Judge and Mrs. H. P. Edwards, of McAdoo, were in our city last week greeting friends and attending to business.

77 Hog Contracts Sign'd To Date

Interest in the Corn-Hog Reduction Program has made a noticeable increase in that 77 contracts have been signed up to Saturday, March 17. The 77 contracts represented 3558 head of hogs, and 262 acres of corn. The reduction effected will be 889 hogs and 52 acres of corn. There are several contracts which have not been accounted for, which will bring the total number up to 85 or 90 contracts in the county, and which will represent some thousand head of hogs to be reduced in the two-year average production for Dickens County, according to G. J. Lane, county agent.

Dance Revue Coming To Palace Friday

The Irene Jay Dance Revue, coming for the first time to the Palace Theatre Friday, March 23rd, is a fifteen people act offering a variety of all types of dancing, singing and comedy. A sensational Adagio Trio, a chorus of pretty girls and several clever child entertainers are among the special attractions. All numbers are beautifully and appropriately costumed.

Miss Jay, who formerly made her home in Jayton, now has Dance studios in Abilene, Sweetwater and Stamford. Every week end she takes out a troupe of professional pupils and shows in a theatre within ready traveling distance of the home studios. Within the past year they have played most every West Texas town of any importance, except Spur, within two hundred miles of Abilene and Mr. Everts says he is very fortunate in securing the act for Spur theatre goers.

Calf Show To Be Held Here Monday

The annual Spring Calf Show by the vocational agriculture students and 4-H club boys will be held next Monday on the lots next door to the Palace Theatre. The calves will be brought in Friday and Saturday ready to exhibit.

Prof. W. L. Stangel of Tech will place the calves and do the judging. Prizes will be awarded in two groups, nurse fed and grain fed. Merchants of Spur have donated nearly \$100 to be awarded the boys with the prize winning calves.

C. B. Middleton, agriculture teacher and G. J. Lane, County Agent, stated the first of the week that about thirty-five of the best looking calves ever shown here would be brought in. The boys have been working several days preparing the calves for the show, going the calves up to their best.

Tuesday morning the calves entered in this exhibit will be taken to Lubbock for the South Plains Show and sale, March 28-29-30.

BAPTIST CHURCH

"I am in favor of closing all church doors of Spur"

(Signed) M. F. Ewton. Are you? Is the church worthwhile? What does it mean to you? Baptists, can you show your love for and loyalty to the Lord's work for at least one service? Then, why not let your presence, Sunday morning, March 25th at 10:45 o'clock, be a living protest to our pastor against such a drastic act? All visitors welcome. —Reporter.

Cars Overturns But Occupants Uninjured

Monday evening while enroute to Abilene, Carl Proctor turned his car over three times. While turning a corner a front wheel broke down which caused the turn over.

Mr. Proctor was accompanied by Jeff Brown, but neither of them were badly hurt except for the excitement. The top of the car and one fender was damaged, and one wheel gone.

J. M. Head of Girard, was attending to business matters in our city Monday.

Mrs. J. C. McNeil and Mrs. Geo. S. Link are visiting relatives and friends in Houston this week.

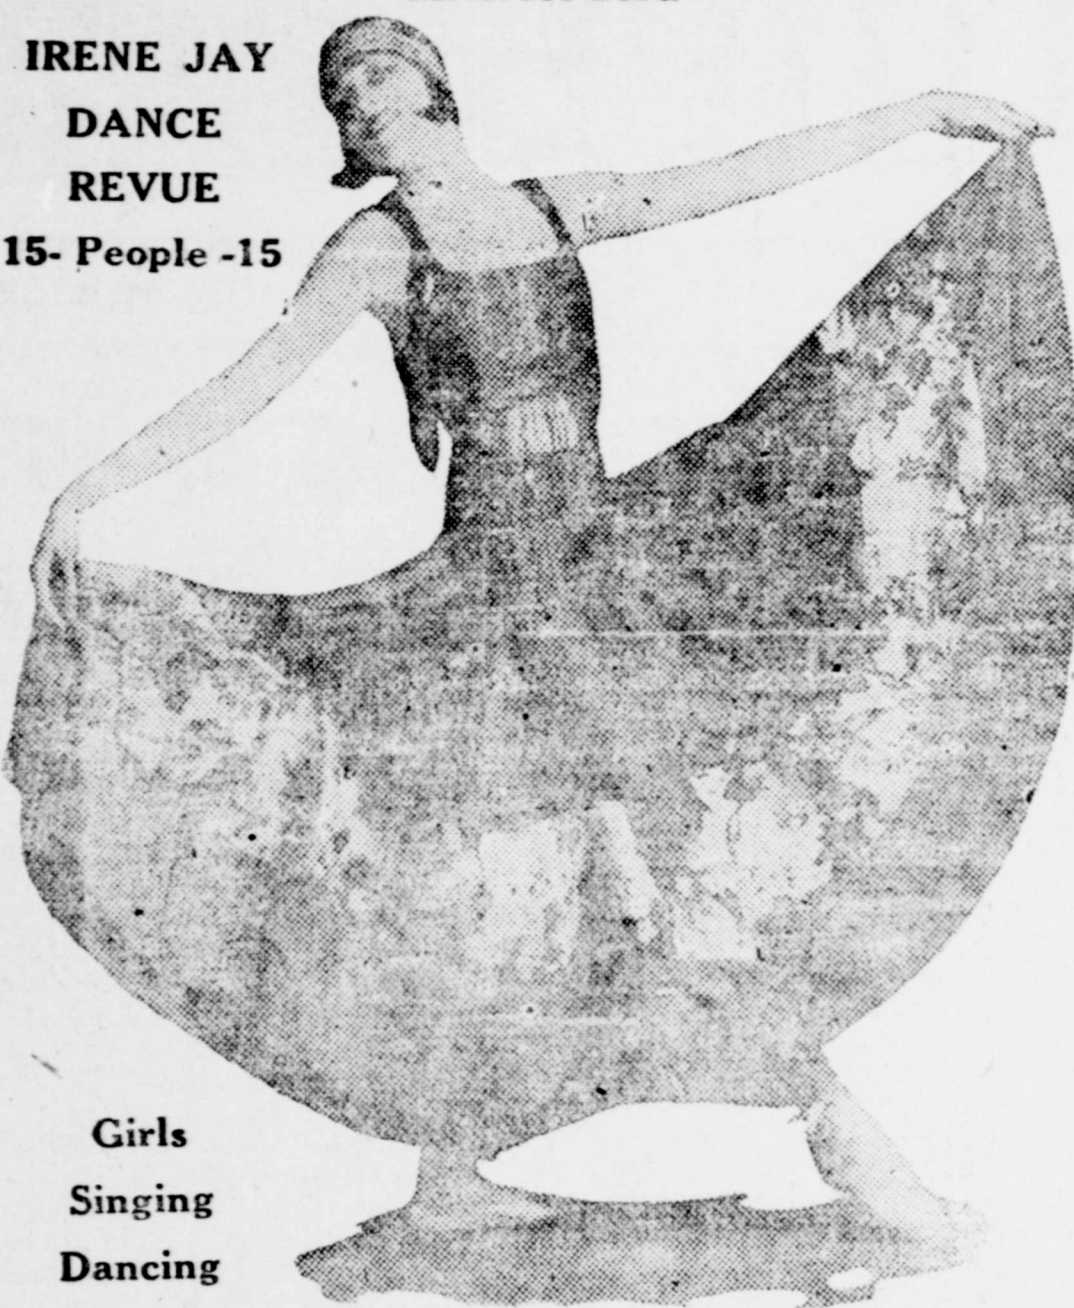

V. V. Parr, of the Pichfork Ranch, was transacting business in our city Tuesday.

**WHOOPIING COUGH A
DANGEROUS DISEASE**

Whooping cough was formerly regarded as one of the infectious diseases of minor importance. According to Dr. John W. Brown, State Health Officer, this is not so. Each year many children die of this disease; in fact it causes more deaths than scarlet fever, measles and small pox combined.

Whooping cough is a treacherous disease. It resembles the proverbial wolf in sheep's clothing. Illness begins gradually, causing parents to feel that the symptoms are those of an ordinary cold, until the characteristic whoop appears. Unfortunately, the disease is most infectious during the early stages. Children in the first years of life are in the greatest danger of developing pneumonia, the most severe complication.

The chief hope in controlling epidemics of whooping cough lies in those measures which help to prevent the spread of disease. Children with the isolation for a period of twenty-one days should remain at home and in days. Children with the disease should be reported to their family physician or local health officer.

Dr. Brown further urged parents to do everything they can to protect their children from whooping cough. Keep them away from playmates who have colds, especially when whooping cough is prevalent. Teach children not to put things in their mouths that have been handled by others and to wash their hands before meals. In spite of all precaution, if your child seems to be catching whooping cough, call your doctor at once. He can do much to relieve the patient's distress if treatment is begun early and will advise about diet, rest, exercises, and fresh air for the patient.

**TECH JUDGING TEAM
PLACES SECOND AT FT. WORTH**

Texas Technological College livestock and dairy cattle judging teams placed second and fourth, respectively, in contests held at the Southwestern Exposition and Fair Show March 10. The Tech team placed first in cattle and sheep, third in horses, and fourth in swine. Fourth and fifth places in the livestock judging contest were held by Casey Fine of Posey and Herbert Davis of Silvertown. Other members of the team are Henry Elder of Cuero, Billie Murray of Lubbock and Coach R. C. Mowry.

Kansas State Agricultural College, holders of first places in livestock judging from the American Royal at Kansas City and the International at Chicago, won first place with a total of 4,491 points against Texas Tech's 4,415. Texas A. and M. ranked third with 4,368, Oklahoma A. & M., fourth with 4,363, Louisiana State University, fifth with 4,061, and Texas College of Arts and Industries placed sixth with 3,947.

Davis, Elder and Fine, also members of the livestock judging team, coached by Dr. F. C. Harbaugh, placed fourth in dairy cattle, the contest being won by Texas A. & M. who was followed by Louisiana State University and Oklahoma A. & M. Texas College of Arts and Industries ranked fifth, and Oklahoma Panhandle A. & M. placed sixth.

Davis of Tech was fourth in the contest and high man on his team.

**NEW GAS TAX LAW
INCREASES STATE REVENUE**

Gasoline tax evaders "coughed up" more than \$3,000,000 in extra revenues to the state during the first nine months the new enforcement law was in operation, the Texas Good Roads Association estimated today from Comptroller George H. Sheppard's complete report for 1933.

Three hard-pressed state departments—schools, bond refunding and highways—share in the captured bounty, the first two at the rate of \$750,000 each and the last named at \$1,500,000.

The impressive sum, regarded at the capital as "just like finding money" because it took nothing from any other bureau and required no new taxation, came entirely from sources which had been able to avoid gas tax payment until violation was made a felony and the comptroller provided with adequate enforcement machinery.

A comparative table of gas tax payments, month by month, for both 1932 and 1933, compiled by J. W. McReynolds, the comptroller's chief of gas tax operations shows vividly the value of the new law.

Gasoline tax collections fell \$200,000 a month below 1932 during the first three months of 1933. The law was enacted March 21. April payments were off only \$63,000, while in May they jumped \$33,000 ahead of the previous May. June was \$122,000 ahead, August \$189,000, September \$303,000 and December \$465,000.

The improvement in gas tax payments ranged from a 10 per cent decrease in January to a 20 per cent increase in December.

An additional \$189,000 is involved in gas tax claims in the courts, the comptroller reports.

PRESBYTERIAN CHURCH

Rev. Fred Cairns will be in Spur on March 25 to hold the following services at the Presbyterian Church.
Sunday school 10 a. m.
Morning worship 11 a. m.

PNEUMONIA SECOND IN CAUSE OF DEATH

Pneumonia is a seasonal disease, in that the incidence and mortality is much increased during wet, cold weather, according to Dr. John W. Brown, State Health Officer. It is more prevalent and serious in towns where contacts with people is more common. Pneumonia is always dangerous but it is especially so to persons in a run down condition. This accounts for the number of cases following illness with some other disease.

The germs that cause pneumonia are spread by careless coughers, sneezers, spitters, and the things that they thus infect. The first symptoms are usually a severe chill and fever, a very sick feeling, loss of appetite, rapid breathing, and a heavy sensation in the chest. Sometimes coughing brings up blood from the inflamed lungs. Any of these signs should be the signal for going to bed at once and sending for your doctor.

The familiar rules of the prevention of other respiratory diseases apply to pneumonia. These rules should become

personal habits and not be put on or off at times of prevalence or absence of disease. Persons should avoid careless coughers and sneezers, even if you have to be rude. Wash your hands thoroughly before each meal. Keep your hands, pencils, money and other things away from your mouth and nose. Get plenty of fresh air day and night. Exercise and eat in moderation and wear clothing suitable for the weather.

Pneumonia ranks second as a cause of death in Texas, in 1932 almost six thousand persons died of this disease.

It should be remembered that contagious and infectious diseases cannot be decreased or eliminated without the cooperation of the people and that means that people who are sick with contagious or infectious disease should be isolated and visited as little as possible by relatives and friends.

PLANS MADE FOR JOURNALISM CONGRESS

Sixty students comprising 12 committees met in a luncheon at a downtown hotel in Lubbock this week end

and organized work for the seventh annual meeting of the Southwestern Journalism Congress which meets in Lubbock at Texas Technological College, April 20 and 21. A partial list of the speakers on the two-day program was announced at the luncheon by Prof. Cecil Horne, director of journalism and publicity at Tech.

Among those to appear on the program are: Dean Frank I. Martin of the School of Journalism, University of Missouri; Prof. Ralph L. Crossman, head of the department of journalism at the University of Colorado, John M. Mc-

Ginnis, editor of the Dallas News book page; Harry Montgomery, Associated Press feature service; Dr. Chas. D. Johnson, founder of the Journalism Congress; Sam P. Harben, secretary of the Texas Press Association; Lowry Martin, ex-president of the Texas Press Association. Other speakers will be announced soon.

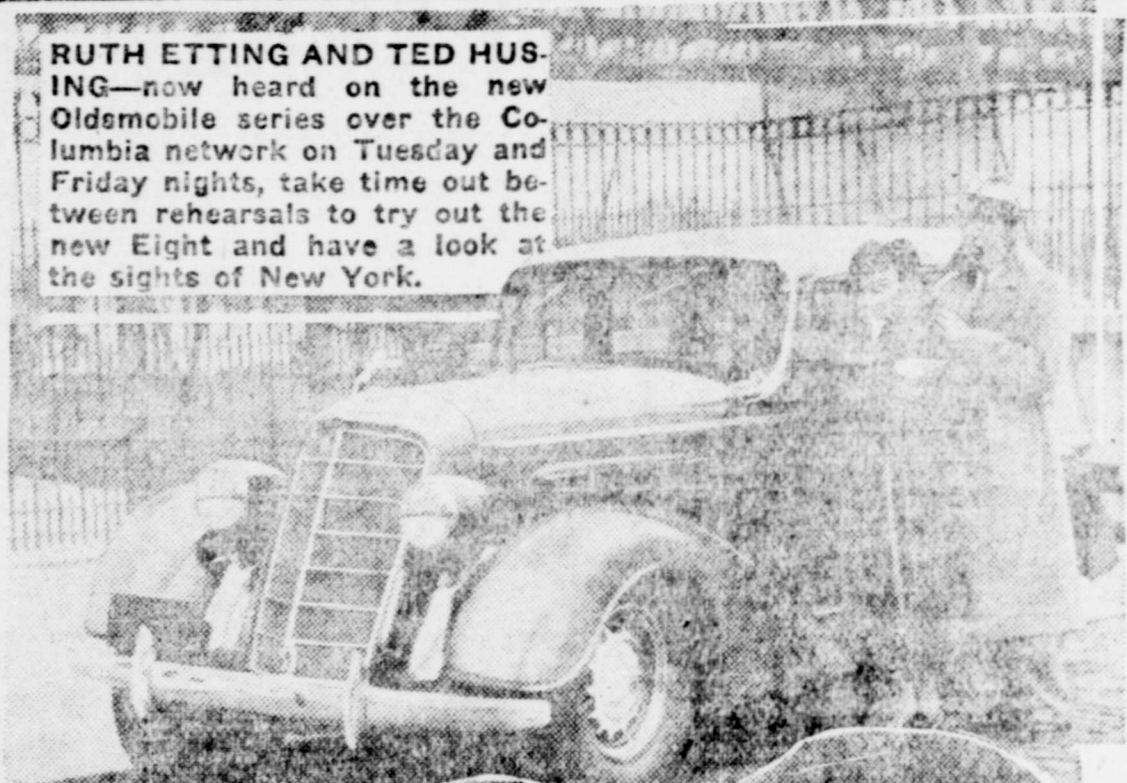

Among entertainment features will be a student luncheon, a faculty luncheon, chuck wagon barbecue, and a Mexican fiesta the last night.

GEORGE GERSHWIN—famous modern American composer of "Rhapsody in Blue" is now a full fledged radio star on the Feenamint program.

FLYING STARS SPUR YOUNGSTERS—Casey Jones, Eddie Rickenbacker, Frank Hawks and T. Park Hay. (l to r) judges of a new national model building contest of the new giant TWA-Douglas 200 miles an hour airliner. First prize is a 6000-mile trip by plane, offered by Transcontinental and Western Air. The contest has been extended to March 31.

ITALIAN TROOPS ON AUSTRIAN FRONTIER—Two army corps have been moved to the border and other divisions are moving up. The movement was described officially as a purely precautionary measure.

place in the girls' bedroom contest in the county.

ESPUELA WOMAN MAKES IMPROVEMENTS IN BEDROOM

"When I started to improve my bedroom it had not been ceiled or the walls finished in any way," said Mrs. Tom Martin, who is bedroom demonstrator for the Espuela home demonstration club. "We have ceiled the room as well as the rest of the house and have put the builders paper on the walls finished in any way," said Mrs. in one corner of the room: It has the hanging rod and shelves with a space above for the storage of quilts and other bedding. I made curtains for the windows of blue marquisette and put a linoleum rug on the floor. We have made a bookcase and will paint it and the wood work. Already it does not look like the same room and we are not through yet."

DEMONSTRATOR USES NATIVE PLANTS

"I have finished setting the shrubs in the foundation plantings and the trees in my yard," reported Mrs. Ed Pupua, yard improvement demonstrator in the Red Top home demonstration club. "I have used native shrubs, (nat, is, agatua, sage, chemice, bear grass, and cacti, in the foundation plantings with some brides wreath and crepe myrtle to give color. I used native cedar, mesquite, and Chinese elms to give background and shade. I paid for the Chinese elms with canned foods."

"In the corner of the back yard on the hill side over the cellar I have a cactus garden. To the West of the house along the garden fence I have my cactus and annuals. The lawn is to be set with Bermuda grass and I'm making a stepping stone walk from the door to the gate of native rock."

Mr. and Mrs. "Buddy" Wheeler of Paducah, were visiting in Spur Wednesday.

"NERVES"

Here's a good way to quiet "NERVES"—A Dr. Miles' Effervescent Nerve Tablet, a glass of water, a pleasant, sparkling drink. Nerves relax. You can rest, sleep, enjoy life. At your drug store. 25c and \$1.00.

DUCK CREEK GIRLS LEARN TO MAKE BEDS

"To make up the bed correctly the sheets should be long enough to tuck under well and to miter the corners," said Miss Pratt when she demonstrated making the bed for the Duck Creek 4-H Club girls Tuesday morning. "The second sheet should be turned back over the blankets and quilts to keep them clean."

Each girl is to make up her bed correctly 25 times as one of the goals in bedroom improvement work this year.

The club was 100 per cent in attendance with the following members: Robbie Lou Driggers, Katherine Thach, Zora Mae Swaingen, Arhione and Pauline Hoeris, Marguerite Bural, and Ruth Matlock.

Katherine Thach, reporter.

Lee Snodgrass was in Lubbock the first of the week, where he underwent a sinus operation. Mrs. N. A. Chastain and Mrs. Snodgrass accompanied him to Lubbock Sunday, returning that night.

Mrs. Minnie Lewis of Roaring Springs, was visiting in Spur Wednesday.

S. T. Dennis, of Soldier Mound, was attending to business in our city Saturday. He moved from McAdoo recently to Soldier Mound.

Mr. and Mrs. Leslie Smith of Roaring Springs, were doing some trading and greeting friends in our city Tuesday.

Dr. J. F. Hughes, of Roaring Springs was in our city Tuesday visiting friends. He stated that he and Dr. A. C. Traveek would leave Sunday for Dallas to attend the State Medical Convention.

and learning to cut these new sleeves," said some ladies of McAdoo Home Demonstration Club last Tuesday afternoon at Mrs. Jim Eldridge's.

Since many new sleeves are being worn it was necessary that the ladies of the club learn to cut the dolman, ragland and leg of mutton sleeve, so they can be made at a lower expense.

The wardrobe demonstrator instructed us how to cut them first. We are glad to boast that Mrs. Eldridge went to Jayton and learned to cut them first.

Those present were Mesdames Jim Eldridge, Clyde Gardner, Robt. Allen, G. W. Allen, Aline Allen and a new member, Mrs. Ona Harvey.

The next meeting will be at Mrs. G. W. Allen's on the regular meeting day.

DRY LAKE GIRLS TO GO TO LUBBOCK NEXT WEEK

Pauline Hutto and Cleo Smith are to represent Dickens County 4-H Club girls in the meat canning team demonstration at the Quality Meat Show in Lubbock next week. This demonstration will be to show the steps in canning roasts and ways of serving the canned roast. This year in judging the team demonstrations emphasis will be placed on the preparation of the canned meats for serving.

Pauline is garden demonstrator this year and Cleo is bedroom demonstrator. They are enrolled in the Dry Lake 4-H Club though they attend school in Spur. Pauline was bedroom demonstrator last year winning first

When You Discuss Electrical Appliances . . .

What are the most important operations of your home?

Modern homemakers all agree on these!

REFRIGERATION . . . You need constant refrigeration the year round, and you will enjoy the money-saving, health-guarding superiority of electrical refrigeration.

WATER HEATING . . . You need hot water many times each day. The modern electric water heater gives you a surplus of hot water, and for good measure adds safety, cleanliness, health, dependability, comfort and convenience.

COOKERY . . . Nothing so important. This inexpensive "Electric Cook" is worth immediate investigation. Electric cookery is simple—yet accurate, clean and economical.

LAUNDRY . . . Very necessary—but dreaded each week. Enjoy a "happy" washday by installing a combination washer and ironer. Cut washday to a fraction of the time usually required the old way.

THESE WILLING, INEXPENSIVE SERVANTS—the electric range, refrigerator, water heater, and washer and ironer—will improve your home by doing your work better, and save time, health, money and clothes. Don't consider these modern and efficient automatic electrical servants as longed-for luxuries! . . . They are all dividend-paying necessities. They pay for themselves. Take advantage of these appliances at our convenient terms and prices—and take advantage of the lower step in electric rates. A representative will be glad to call and discuss them with you.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and operating costs amount to but a few pennies a week?

West Texas Utilities Company

Salads to Serve in the Spring
Help to Whet Family's Appetite

By JOSEPHINE GIBSON
Director, Heinz Food Institute

AS SPRING calls for new clothes, new activities and new interests, so it calls for new foods. It is time to lighten the menu, give it a festive touch, introduce something that we have never served before! Homemakers know salads may be varied and should be served in abundance when the first touch of Spring fever becomes evident in the family's appetites. Here are a few excellent salad recipes.

Carrot Ball Salad: Mix 1 small package of cream cheese, 1/2 cup very finely diced carrots, and 10 chopped Stuffed Manzanilla Olives. Form into 12 small balls and roll each in minced parsley. On a bed of crisp lettuce place 3 paper-thin slices of carrot and on each a carrot ball. Garnish with Mayonnaise.

Frozen Cheese Salad: To 1 package soft cream cheese, add 2 tablespoons Roquefort cheese. Season with salt, pepper and 1/2 teaspoon onion juice. Add 1/2 cup highly seasoned French Dressing and 1/4 cup chopped Stuffed Spanish Olives. Pour into trays of mechanical refrigerator and allow to freeze. Cut in cubes or slices and serve in nest of crisp lettuce, garnish with Mayonnaise Salad Dressing. Serve with crisp crackers.

Gelatin, Olive and Nut Salad: Dissolve 1 package lemon gelatin

in 2 cups boiling water. Cool and add 1/2 cup chopped nuts and 1/2 cup Stuffed Spanish Olives, sliced. Place in an oblong pan or in individual molds to stiffen. Serve in nests of crisp lettuce and garnish with Salad Cream, which is a well seasoned, slightly tart, flavorful dressing.

Tomato Juice Aspic: Soak 1 1/2 tablespoons gelatin in 1/4 cup cold water. Simmer 2 cups Tomato Juice, 1 medium sliced onion, 1 stalk of celery, 3 sprigs of parsley, 2 tablespoons vinegar, 4 cloves, 1/2 teaspoon salt, and 1/4 teaspoon Pepper Sauce for 45 minutes. Strain; add hot liquid to gelatin, and stir until dissolved. Pour into individual molds and cool. Serve on crisp lettuce. Serves 6. Note—Chopped vegetables may be added to make a tart vegetable salad.

MEAT SHOW AT LUBBOCK
MARCH 28, 29 AND 30

The 4th Annual Quality Meat Show to be held in Lubbock, March 28, 29, 30 is expected to attract the largest number of exhibits and the largest crowds it has ever drawn, due to the

Health Comes First

Now Try The Best"

CHIROPRACTIC

Dr. A. H. Horne

Office in Spur National Bank
Spur, Texas

increased interest in the livestock feeding program and the home canning and curing work. Dr. I. E. Barr, chairman of the meat show committee, has over 150 calves, 125 pigs, 100 capons, and 1,000 exhibits of canned meats displayed for the show.

A banner race for the livestock is expected with Col. Earl Gartin again in charge. The grand champion calf at three other shows this spring has been sold for \$1,200, 75c and 66c respectively, a substantial increase over previous shows.

Program for the show follows:
March 28, judging cured meats 10 a. m.; judging canned meats 1:30 p. m.; judging pig show 2 p. m.; exhibitors' dance 9 p. m.

March 29, elimination girls team contest, 9:30 a. m.; judging calf show 10 a. m.; finals girls' team contest 1 p. m.; address: "Quality Canned Meats," Miss Lola Blair, specialist in nutrition, Texas Extension Service, 2 p. m.; address: "Better Cured Meats," Roy W. Snider, meats specialist, Texas Extension Service, 2:30 p. m.; judging capon show, 3 p. m.; exhibitors' dutch lunch, 7 p. m.; dance 9 p. m.

March 30, Auction sale for livestock 1 p. m.
Only regularly enrolled 4-H club members and vocational students are eligible to enter calves, pigs or capons in the show. The canned and cured meat divisions are open to any farmer or member of a farm family.

Mr. and Mrs. R. E. Rogers, of Croton, were doing some trading in our city Saturday.

METHODIST NEWS NOTES

The evening service for next Sunday will begin at 7:45 o'clock, and this service will be prefaced with thirty-minutes of organ music which will begin at 7:15 o'clock.

The Hymn Service of last Sunday night was greatly appreciated by everyone who attended.

Much interest continues in the Wednesday night choir and worship service.

The Junior Choir was well attended last Tuesday night, when they met with Miss Nedra Hogan. Each member brought fruit for their shower for the unfortunates.

SANITARIUM NEWS

SHERIFF'S SALE THE STATE OF TEXAS COUNTY OF DICKENS NOTICE IS HEREBY GIVEN that by virtue of a certain order of sale issued out of the Honorable District Court of Dickens County, Texas, on the 20th day of January, 1934, by Nettie Littlefield, Clerk of said Court, for the sum of Fifty-four Hundred Thirty-seven and 75/100 (\$5437.75) Dollars, with interest from the 23rd day of August, 1933, at the rate of 8% per annum and costs of suit, under a judgment in favor of Eric P. Swenson, Albin C. Swenson, Girard Trust Co., a corporation, as trustees under the last will and testament of John J. Emery, deceased, Girard Trust Co., a corporation, trustee under a certain deed of trust made by Lela A. Emery, dated January 16, 1909, and Agnes Neustadt, Donald S. Stralem, and John M. Schiff as executors of and trustees under the last will and testament of Sigmund Neustadt, in a certain cause No. 1251 and styled Eric P. Swenson, et al vs. W. R. Horn, et al and placed in my hands for service, I, W. B. Arthur as Sheriff of Dickens County, Tex., did, on the 28th day of February, 1934, levy upon certain real estate situated in Dickens County, Texas, described as follows, to-wit: The Northeast quarter of H. & G. N. R. R. Co. Survey 232, Block 1, containing 165.07 acres of land and levied upon as the property of W. R. Horn and Bertha J. Horn, and on Tuesday, the 3rd day of April, 1934, at the Court House Door of Dickens County, Texas, in the town of Dickens, Texas, between the hours of ten A. M. and four P. M., I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of the said W. R. Horn and Bertha J. Horn, and in compliance with law I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale in the Dickens County Times a newspaper published in Dickens County, Texas. WITNESS MY HAND, this 1st day of March, A. D. 1934. W. B. ARTHUR, Sheriff, Dickens County, Texas.

Plans for the Texas Intercollegiate Dramatic Tournament to be held at Texas Technological College April 5 and 6 are gradually nearing completion. With the confirmation of three additional schools, Texas A & M, McMurry, and Sul Ross, a round dozen visiting colleges will take part in the

competition. Other institutions are: College of Arts and Industries, Kingsville; Abilene Christian College, Abilene; Stephen F. Austin, Nacogdoches; Baylor College, Belton; Trinity University, Waxahachie; Baylor University, Waco; Howard Payne, Brownwood; Texas Christian University, Fort Worth; and the College of Mines, El Paso.

The tournament is to be held in the Lubbock High School auditorium with six one-act plays being presented each of the two nights of the contest.

Various entertainments are promised the visitors. Among these is an afternoon tea-dance at the Hilton Hotel.

Mrs. Daisy Persons of Amarillo, who studied with the New York Chautauqua and Chicago University, and Mrs. Allen Strout of Lubbock, a graduate of Northwestern University, have been named judges. A third is yet to be selected.

DRAMATIC TOURNAMENT APRIL 5 AND 6 Plans for the Texas Intercollegiate Dramatic Tournament to be held at Texas Technological College April 5 and 6 are gradually nearing completion. With the confirmation of three additional schools, Texas A & M, McMurry, and Sul Ross, a round dozen visiting colleges will take part in the

schools, bringing about the present association of colleges. It is returning to Tech this year with the largest number of entrants in its five-year history. Sock and Buskin and Alpha Psi Omega, Tech dramatic clubs, have charge of the arrangements. Miss Ruth Pirtle, head of the department of speech, is tournament sponsor.

FACTS AND ACCOMPLISHMENTS OF COUNTY SUPERINTENDENT'S OFFICE

(Continued From Last Week)

30. Most school rooms in Dickens County subscribe for at least three magazines.

31. Club ladies and Parent-Teacher Associations have supplied schools with many magazines.

32. Part or all of the \$10.00 per room which State Aid schools must spend on books has been spent in purchasing books for a county circulating library which is kept in the County Superintendent's office. This has given the pupils access to many books they otherwise would never have had. In addition to this many books have been borrowed from the State Library at Austin.

33. A public library is now established in the Superintendent's office and is open to the reading public at all times.

34. Possibly three or four hundred pupils have earned state or county reading certificates since the establishment of the County Superintendent's office. The reading certificate books cover most of the subjects of the curriculum.

35. An effort has been made to get more music in the schools. Many schools in the county now have choral clubs.

36. Five librarians for schools and a county librarian has been secured through C. W. A. funds. In addition to their work in the libraries, these people have assisted in the school work in general.

37. We have put in applications for and have librarians promised to us for the smaller schools. Mimeographed instructions for the teaching of writing have been handed out. Numbers of writing and progress certificates in writing have already been earned and many more pupils will receive these certificates this year.

Since the establishment of the County Superintendent's office every subject taught has been taught more efficiently because of the supervision made possible by it.

39. Special emphasis has been put on the teaching of citizenship.

40. This year a good course of study has been provided which is of great help to the teachers and pu-

pils.

41. High school graduates are encouraged to attend college and college attendance has increased appreciably.

42. Pupils of the county have been encouraged to take greater interest in nature by contests which require knowledge of native birds, trees, and flowers.

43. Patrons are encouraged to visit school more frequently by visitation contests. In this contest a picture is given to the school room having the best visiting record for that month.

44. Regular "Patron's Day" have been encouraged. Parent visitation brings about a better understanding between teachers and parents, and makes easier the solving of mutual problems.

45. Condition of rooms has been improved by stressing cleanliness, oiling floors, hanging pictures, and growing pot plants.

46. For the convenience of teachers and trustees, a "post office" has been set up in the County Superintendent's office so that material of various kinds can be distributed more economically.

47. An art committee met and worked out art suggestions, for all the grades, appropriate for each of the months of the year.

48. Hand work and art have been encouraged by placing specimens on display in the Superintendent's office. This advertises schools, affords an exchange of ideas, and adds to the appearance of the office.

49. At the Interscholastic League Meets, a general exhibit in which the various schools of the county participate.

50. Several schools have published school papers. In that way they have not only given publicity to their school, but have also helped develop the literary talent of the pupils.

51. School legislation has been watched, and every encouragement given to favorable legislation by sending telegrams and letters to senators and representatives, by visiting them, and by legitimate lobbying; and in the same way, legislation that would have been detrimental to the schools and education in general, has been opposed.

52. The County Superintendent has attended community functions, often, and has thus kept in touch with the people and their wishes concerning school matters.

53. Realizing that teachers have little time except Saturdays in which to visit the County Superintendent's office, and that on that day little time for discussion of problems can be had, the office has been kept open many hours after regular closing time to give them this opportunity. This and other matters have caused the regular working hours to be practically doubled.

54. At all times there has been a good supply of new books on hand for the schools. There has also always been an ample number of adoption books on hand to be used for supplementary work, reference or for other purposes.

55. Some schools that have not before been receiving State Aid have now qualified and will receive Aid. This has come about through the raising of the standards of the schools, and through the watching of State Aid Law as it was being made, and the pointing out to our Senator and Representative any clause or phrase

that would eliminate any of our schools. All of the schools in Dickens County come under the present Aid Law, except a small one teacher school with nine pupils. It was thought that this school was taken care of, but when the final copy of the law came out it was eliminated.

56. Proper care of school property has been advocated by the County Superintendent at all times, especially the locking of school houses and coal bins.

57. The mimeographed material put out by the county superintendent if printed would cost hundreds of dollars. This material is very necessary and since the paper for the work costs less than thirty cents per 500 sheets a great saving is made in this way. Of course if the material could not be mimeographed the schools would have to do without it because the cost otherwise would be prohibitive.

58. Through the County Superintendent's office health has been made the first objective in the educational system of the County. We have had State and District Health Nurses, without any cost to the County. This service can not be over estimated.

59. One year, after inspection by a nurse, A. B. (able-bodied) degrees were given to the children without defects, or to those who would correct existing defects.

60. Toxides, free or at a minimum cost, have been given. Using as a basis the number of deaths occurring in the counties where children have not been immunized, many lives have undoubtedly been saved, and permanent disabilities that would have come to children as a result of diphtheria have been prevented.

61. A large part of the children of Dickens County know the fundamental health rules. Various schemes have been used in bringing this about.

62. Most of the small children before eating lunches, wash their hands under the supervision of their teacher.

Food is warmed over the regular stoves without additional cost, thus helping in remedying malnutrition. In 1931 the Nurse visited and examined Dickens County children, and found them ten per cent under weight. In 1934, she found them normal in this respect.

64. The pupils spend fifteen minutes eating their lunches under the supervision of their teachers. This practice aids proper digestion, is conducive to good manners, and assists in keeping premises clean.

65. First Aid kits have been secured by a number of schools.

66. The County Superintendent has sponsored a general C. W. A. health program, bringing with it to the county a sanitarian, a nurse, money to conduct a health survey, and to pay for labor in making general sanitary improvements, the total amounting to \$5,050.00.

67. Every school in the County has sanitary pit toilets.

68. Pupils have worked for two years for Five Point Health Certificates from the State of Texas. Follow-up this outline assures us a well balanced health program.

69. Standards of teachers' qualifications in Dickens County have been raised until most of the teachers of the County have had at least two years' college work, in addition to a high school education, and many of them have college degrees.

70. All available bulletins from the Department of Education and Health have been kept on hand for distribution.

71. Thousands of dollars worth of free materials have been furnished by companies for advertising purposes without any cost to any of the schools in the county. From time to time we have had materials on most of the subjects taught in the schools, this has been of great value to the teachers. This material is kept on a general distribution table in the office of the County Superintendent.

72. Frequently visits have been made to the schools by the County Superintendent. The schools have been supervised not only through visits, but also through frequent mimeographed letters to the teachers and trustees.

73. Teachers' institutes and sectional meetings have been held.

74. The teachers read professional books and magazines.

75. Some of our trustees take the "Texas Outlook."

76. Every year large numbers of the teachers attend the Texas State Teachers Association Convention, to bring home with them ideas that are used all year.

77. Most of the teachers attend summer school, take correspondence or extension courses.

78. The schools have made wonderful improvements as a result of the R. F. C. funds. Hundreds of projects have been completed, some of those include building of a school house, walks, playground equipment, sand tables, reading tables, book cases, a stage, painting buildings, calciming walls, refinishing desks, leveling and cleaning grounds, enlarging and repairing teacherages, constructing water fountains, improving water systems, and planting trees, flowers and shrubs. Much improvement is yet to be accomplished through the C. W. A. Work.

79. A beautification contest has just closed.

80. A shrubbery planting contest is now in progress.

81. Time and space will not permit the enumeration of all the accomplishments of the County Educational System through the cooperation of the people under the leadership of the County Superintendent.

82. The County Superintendent could use many times the amount of time he has and never realize all of the possibilities of the office. This office is just as big as childhood itself.

83. The original of the following letter is on file in the County Superintendent's office:

We certify that to the best of our knowledge and belief the foregoing is true and correct in every respect.

J. L. Karr, Pres., Chas. H. Laughlin, C. E. Bennett, N. S. Hester, L. Foster, Members of the County Board of Education, Dickens County, Texas.

DEPARTMENT OF EDUCATION
AUSTIN, TEXAS

Dec. 18, 1933

"Mrs. Madge Twaddell,
County Superintendent,
Dickens, Texas.

"Dear Mrs. Twaddell:

"In answer to your letter of December the 16th, I beg to advise that in my opinion the county superintendent's office is one of the most important if not the most important office,

ing the children is the most outstanding business in the county. More money is invested in this business than in any other one business in the county, and certain some person should be directing the activities that come under such a business organization. The State of Texas allows the cost of maintaining the office of the county superintendent to be deducted before determining the aid needed in rural aid schools. Therefore, in reality the

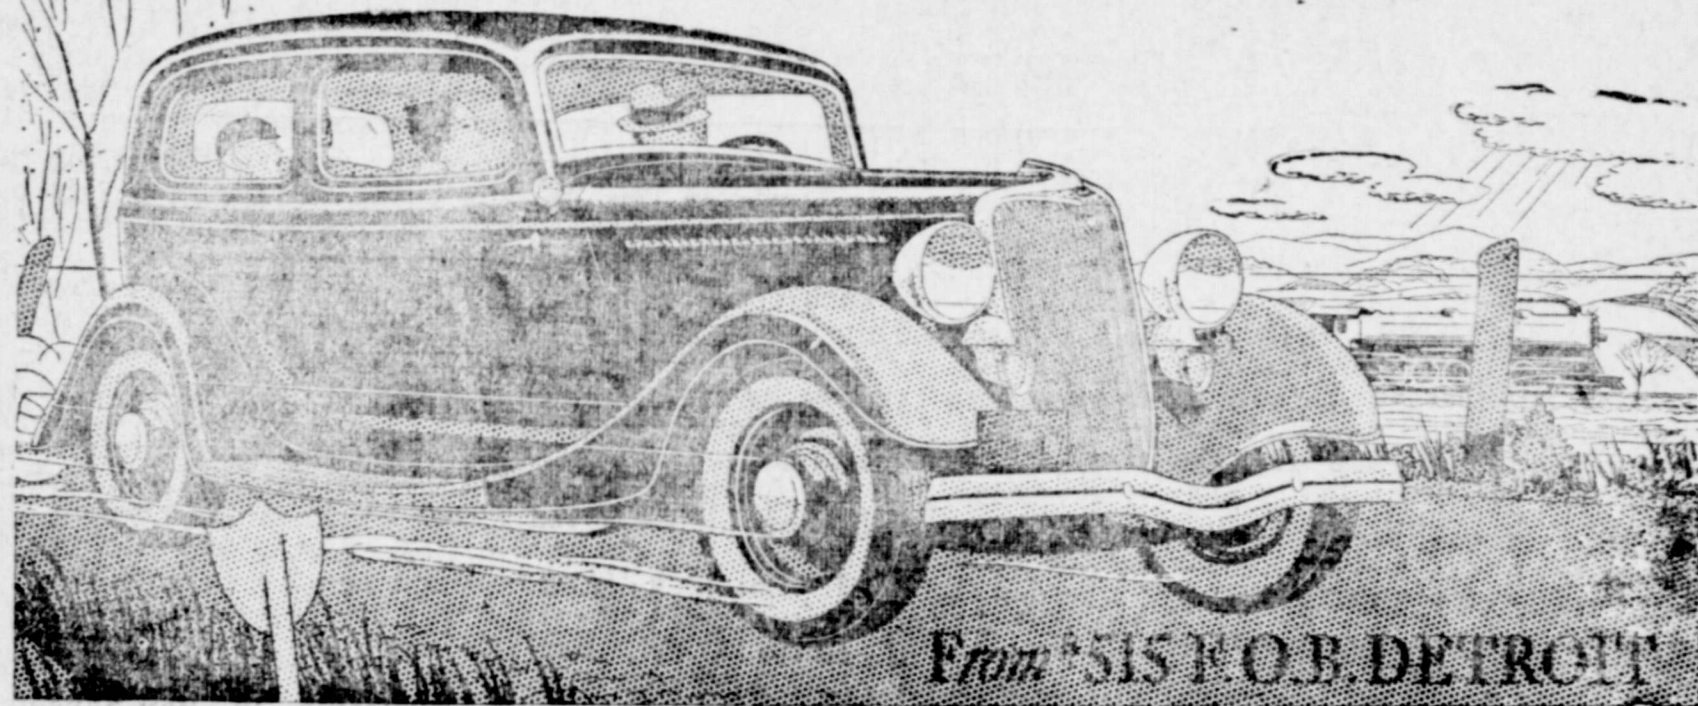

fee is borne almost entirely by the State in counties where schools apply for rural aid.

"In my opinion the citizenship of no county can afford to do away with this all important office.

"Yours very truly,

"A. A. Bullock,
Director, Rural Aid."

By Gus Standard

SOCIETY

Mrs. P. C. Nichols, Society Editor.
"LUNCHEON"

The 1925 Bridge Club gave their Luncheon last Wednesday, March 14th at 1:00 o'clock at the Spur Inn. The table was artistically decorated in St. Patrick's decorations—with tall green tapers at each end of table. A three course luncheon was served. After lunch, they were ushered into the parlor and bridge was the entertainment for the afternoon. The club members present were Mesdames Della Eaton, M. C. Golding, F. W. Jennings, B. E. Dickson, R. R. Wooten, C. L. Love, James B. Reed, L. H. Perry, Nellie Davis, Miss Julia Mae Hickman, W. R. Lewis, V. V. Parr. Guests were: Mesdames Roy Stovall, Tracy Gorham, A. C. Hull, Murray Lea, Jimmie Smith, Edwards, Neal Chastain.

MRS. P. H. MILLER ENTERTAINS SUNDAY SCHOOL CLASS

March 16th, Mrs. P. H. Miller opened her home to her Sunday School class and a few guests. At 12 o'clock they were asked to the lovely big dining room where the table was laden with everything good to eat. In the center of the table was a beautiful white birthday cake for the class. This cake was decorated in Easter designs. Each one found their

NRA
SPUR COFFEE SHOP
OPEN DAY AND NIGHT

DRUGSTORE COWBOYS

places by which was a small Easter chicken. Every one enjoyed this delicious meal.

After dinner, Mrs. Miller passed her quilt blocks and each one present began to sew and much sewing and talking took place. We were then entertained a few minutes by riddles, contests and games. The class president then took charge and had a short business session, also the for-get-me-nots. The day was well spent and enjoyed by the following:

Mesdames: S. J. Shockley, T. J. Hicks, J. J. Lilly, Ellen Francis, Pearl Franklin, G. W. Hutto, C. W. Barrett, L. W. Bilberry, E. J. Cowan, T. J. Seals, Edna B. Daniels, B. T. Moore, W. F. Godfrey, Alex Marsh, E. L. Smith, J. E. Dozier, S. I. Powell, S. R. Bowman, Hattie Turvan, C. P. Ensey, P. C. Nichols, Stella Gilstrap—Birthday cake, Easter decorations—J. O. Harkey.

FAULKNER-ALLEN

Miss Ola Mae Faulkner and D. E. Allen were married Tuesday evening about nine o'clock at the home of the bride's parents two miles west of Spur. Rev. J. V. Bilberry read the rites in the presence of a few friends. The bride is a daughter of Mr. and Mrs. Joe Faulkner and comes from a much respected family. Mr. Allen lives at McAdoo where he is a much respected young man. Their many friends join in wishing them much happiness.

GLENN-HENDERSON

Mrs. Bertie Glenn, of this city, and James T. Henderson, of Girard, were married at the home of Rev. and Mrs. J. V. Bilberry on West Harris Street

Saturday evening. Rev. Bilberry spoke the words which lawfully made them husband and wife. A few friends witnessed the ceremony.

Mr. and Mrs. Henderson will make their home in Spur for the present.

FRIDAY AFTERNOON CLUB

Mrs. Acie Bailey entertained the Friday Afternoon Club, last Friday, March 16. At three o'clock in her home in East Spur. Forty-two was the diversion for the evening. The hostess served lovely refreshments to the following:

Mesdames Ned Hogan, J. P. Carson, L. D. Ratliff, Jr., Ray Sanders, M. C. Golding, H. P. Gibson, W. R. Lewis, C. L. Love, Fred C. Haile, W. C. Gruben, A. M. Walker, Weaver, W. P. Schrimpscher, S. H. Twardell, Grant McClure, McGee, D. L. Granberry, J. H. McCulley.

1917 STUDY CLUB

The 1917 Study Club met with Mrs. Hill Perry Tuesday afternoon at 3:30 with Mrs. Luther Powell as leader. Mrs. T. K. Posey gave "Bonice McLeary". Mrs. Henry Gruben gave an interesting paper on the life of Elizabeth Naye. Mrs. Edgar McGee gave "Bessie Potter Vonnah". A large crowd was present and the program was very interesting.

JOI DE VOI CLUB

Mrs. Charlie Powell entertained the Joi de Voi Club members and a few guests with bridge Thursday afternoon. Bridge was the entertainment. The prizes were: high cut, Mrs. Tom Dickey, a beautiful green water bottle; Mrs. Jack Rector, high cut prize, a wooden sewing basket; Mrs. Dorsey high guest prize, a pair of peach-colored bath towels; Mrs. Weldon Grimes consolation prize, memorandum book. The hostess served a lovely refreshment plate of salad, sandwiches, cheese wafers, olives, and angel food cake and coffee to the following: Mesdames Sam Clemmons, Dan Zackery, E. D. Engleman, Weldon Grimes, M. H. Brannon, Jack Rector. Guests were: Mesdames M. C. Golding, F. W. Jennings, C. L. Love, H. P. Schrimpscher, Tom Dickey, T. A. Stricklin from Abilene; T. K. Posey, Dillingham W. R. Dorsey, Nellie Davis, Patterson and Miss Jane Douglas Wilson.

1931 STUDY CLUB

The 1931 Study Club met Tuesday afternoon with Mrs. Weldon Grimes as hostess. Mrs. Faust Collier, in the absence of the president, presided for a short business session. The club voted to help financially with the health work Miss Richter is doing with the school children of the county.

Mrs. E. D. Engleman as leader presented a very interesting program on "Brazil". She read a paper on "The Development of Government" and Mrs. Webber Williams talked on "Recent Events in Brazil". A beautiful Brazilian legend was read by Mrs. Collier.

Angel food cake and fruit punch were served by the hostess. There were 12 members present.

—Reporter.

"SO SUM CLUB"

Mrs. Sam Z. Hall was hostess to the "So Sum Club" Wednesday evening in her beautiful home in East Spur. The spacious living room was artistically decorated with home-grown flowers and pot plants. The roll was called and answered by current events. Most of the evening was spent in sewing and talking. The hostess served lovely refreshments of salad, coconut macaroons, olives and cup tea to the following members:

Mesdames Weaver: T. K. Posey, J. P. Carson, J. M. Foster, Roy Stovall. Visiting ladies were Mesdames James B. Reed, P. C. Nichols, Thad Murley, Ray Sanders.

MRS. JENNINGS HOSTESS

Mrs. F. W. Jennings was hostess to several of her friends at high noon Thursday with a covered dish dinner. Her livingroom was decorated in spring flowers and pot plants. The dining table was covered with lines cloth with cut work and embroidery bound with Irish lace with dinner napkins to match. The center piece was a cut glass bowl filled with fern and beautiful white snap dragons. Tall green tapers burned at each end and on the sewing table. Place cards were miniature men in St. Patrick's dress, standing by a basket of green mints. The dinner was enjoyed by all. Most of the afternoon was spent in sewing and discussing the different patterns of hand work. Those enjoying Mrs. Jennings' hospitality were: Mesdames R. E. Dickson, James B. Reed, B. C. Langley, P. C. Nichols, Sam Z. Hall, D. L. Granberry, G. L. Lane, Roy Stovall.

VISIT IN VALLEY

Mr. and Mrs. A. J. Richey of Spur and Mr. and Mrs. W. N. Graves of Dickens just returned from a business and pleasure trip from Del Rio, Old Mexico, San Antonio and other parts of South Texas. They saw many sheet and goat ranches and irrigated

land. Many large fish and a very good time was reported. Despite the wonderful climate of the Rio Grande Valley, and the historical relics such as the Alamo, they were glad to see Spur again.

A special election will be held in the Espuela School District, April 7th to decide whether the tax rate shall be reduced from one dollar to seventy-five cents per one hundred dollar valuation, according to an order recently entered upon the books by the Commissioners' Court. This is the same time at which trustees for next year will be elected.

TRY DAWSON Hydro Cleaned Coal for these cool Spring mornings. It will save you money. Swafford—Phone 32.

The New Farmall 20 Tractor Is Ready Now

McCormick-Deering

HERE we are with the New McCormick-Deering Farmall 20 Tractor. This model has practically the same physical dimensions as the regular Farmall—but it has a good 10 per cent more power, 4 forward speeds, enclosed steering gears, and enclosed steering brakes.

The advantages of the additional power and extra speeds which make the Farmall 20 more flexible are appreciated when it comes to pulling 2 plow bottoms and the heavier tillage tools in tough going, operating 4-row cultivators, 2-row Farmall corn pickers, 2-row potato diggers, and all drawbar, belt, and power take-off jobs. Farmall 20 speeds are 2 1/2, 2 3/4, 3 1/2, and 3 3/4 miles per hour.

You will admire the Farmall 20 when you see it at work. It has all the features that have made the regular Farmall famous. Ask us about it now.

THE FARMALL IS HERE ON DISPLAY

Are YOU HAPPY After Meals

Or Do
Gas on Stomach and Sour Stomach make you Miserable?

ALKA-SELTZER

Too much food, or the wrong kind of food, too much smoking, too much beer, make your body over-acid. Then you have distress after eating, gas on stomach, heartburn, sour stomach. ALKA-SELTZER relieves these troubles promptly, effectively, harmlessly. Use Alka-Seltzer for Headache, Colds, Fatigue, "Morning After Feeling," Muscular, Sciatic and Rheumatic Pains. Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer tastes like carbonated mineral spring water—works like magic. Contains no dangerous drugs....does not depress the heart....is not laxative. Get a drink at your Drug Store Soda Fountain. Keep a package in your home medicine cabinet.

For Lieutenant Governor

WALTER WOODUL.

HARRIS SENATOR ASKS ELECTION AS LT. GOVERNOR

Houston, Texas.—Senator Walter Woodul of Houston has formally announced his candidacy for the office of Lieutenant Governor, saying:

"I aspire to the honor of being Lieutenant Governor of this state. I was born in Texas and educated in her schools, including the University. I volunteered to serve in her National Guard on the border in 1916 and served in the world war. I have been privileged to represent the people of Texas in both houses of the legislature, and I believe I know the problems of the state.

"As the campaign progresses, I will discuss and give to the electorate my position on pertinent issues."

Senator Woodul has represented Harris County in the senate for the past six years and was unanimously elected president pro tempore at the last regular session. He was born in Laredo, Texas, and worked his way through the University of Texas. He led in the organization of Houston Community Chest, is active in the civic life of this city, and is one of the leading lawyers in this section of the state. Senator Woodul was elected state manager of the Garner-for-President forces in Texas and served in that capacity at the National Democratic Convention in Chicago.

Senator Woodul married Miss Ethel Eldridge of Sugar Land in 1917, and they have one son. He is a member of and active worker in the South End Christian Church of this city.

Pain Passes Off

When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill. Mr. Smith is one of millions who have found this easy way to prompt relief. He says:—"I keep Dr. Miles' Anti-Pain Pills in my pocket and when I get a dull heavy feeling in my head, I take a Dr. Miles' Anti-Pain Pill and the pain passes off."

EXPERIMENT STATION WARNS AGAINST FEEDING COPPER SALT

Dr. I. B. Boughton, veterinarian at the Ranch Experiment Station, located near Sonora, Texas, announces that nine cases of chronic copper poisoning in sheep have been produced experimentally by feeding salt to which copper sulphate has been added. Chemical analyses for the copper content of the livers from these animals showed unusually high amounts of copper, further verifying the cause of the trouble.

Animals affected with chronic copper poisoning in advanced stages show a marked depression and a dirty, yellowish color of the mucous membranes of the eyes and of the skin. At this stage the urine is darker than normal, having taken on a reddish to dark red color. There is no marked change in the body temperature but the respiration and pulse rate become very much accelerated in the late stages of the disease. Examination of affected animals show the blood to be of a dark chocolate color, slow to coagulate, and the blood serum a very dark chocolate color instead of straw colored. Tissues of the body exhibit a jaundiced condition; the liver is yellowish in color and usually very friable the spleen is swollen and the contents softened and dark in color; and the kidneys are swollen and very dark, almost black in color.

Following an outbreak of the trouble on the Ranch Experiment Station at Sonora and on a nearby ranch some three years ago, Dr. H. Schmidt, Acting Chief of the Division of Veterinary Science, began a systematic observation of affected animals and recorded the symptoms. He published in February, 1931, an article pointing out the close resemblance of the trouble to the icterohemoglobinurid disease known in Europe and caused by protozoan blood parasites. He pointed out certain differences, however, that entirely removed the blood parasite from a consideration as a cause, having failed through repeated experiments to transmit the trouble either by inoculation or by contact. Doctor Schmidt and his associates. Doctor

Boughton and Dr. W. T. Hardy, continued their studies bearing in mind that the trouble or a similar one was reported from New York state and from Colorado. Reports by German scientists in the meantime described an acute copper poisoning that somewhat resembled the cases found in Texas. Investigations showed that a practice has been prevalent on some Texas ranches of feeding copper sulphate in some commercial mixture over long periods for control of stomach worms and it was found that the trouble was occurring on the very ranges where these mixtures were being fed. Suitable tests were immediately begun which showed the trouble is really copper poisoning but of a chronic nature which accounts for the distinction between this trouble and the acute copper poisonings reported from Germany.

In view of the fact that it has been established that a small amount of copper sulphate fed continuously in salt to sheep will produce this trouble, ranchmen should not mix copper sulphate with salt and place it before sheep, nor should they continuously use medicated salt that contains copper sulphate.

Copper sulphate, commonly known as blue stone, is a useful medicinal substance for the treatment of stomach worms in sheep, when administered in therapeutic doses as recommended by this Station in Bulletin No. 448, but the continuous feeding of it to sheep will result in chronic copper poisoning and death of the animal.

It is not wise to feed medicine to well animals. If they are well they do not need medicine, while if they are sick they should receive the medicine or treatment for the particular ailment from which they are suffering.

Butter yields 3,600 calories to the pound and is one of the most nourishing foods.

Almonds, shelled and blanched, and cooked in the sauce for your fish course add flavor and attractiveness in serving.

America - here they are!

To fill the record-breaking nationwide demand, Chevrolet cars are being produced at a record-breaking

rate of **4000**

units a day!

A GENERAL MOTORS VALUE

Chevrolet

Drive it only 5 miles and you'll never be satisfied with any other low-priced car

CHEVROLET factories are breaking records, trying to give America all the cars it wants. 4000 units a day are rolling off the assembly lines. February output was twice that of January. March output, according to present indications, will be three times that of January. More Chevrolets are now being produced than any other make of automobile in the world. And today, Chevrolet is happy to report that all its dealers will soon be in a position to make immediate deliveries.

When you consider how short a time the new Chevrolet has been in production—when you consider, also, that the 1934 car is not last year's model improved, but a basically new automobile, with sweeping changes in design—this production record becomes somewhat of an accomplishment. But, a still greater accomplishment, in our opinion, is the way that these cars have all been produced!

Despite continued nationwide pressure for more and more volume, every car that has left the factories has been built and tested to meet Chevrolet's highest standards of care, precision and quality. The result: When you place your order for a new Chevrolet, you'll not only get a big, rugged "Knee-Action" car—you're also assured of getting a typical Chevrolet car in economy, dependability and long life.
