

THANKSGIVING SERVICES WILL BE HELD TODAY

COURTHOUSE WORK BEGUN

W. P. Nugent & Son, who secured the contract of improving the courthouse have started work and the roof and windows are being removed this week. All the various county officers have been moved to different buildings. However, the people of Dickens are exceedingly nice about directing people to the different county offices and all anyone has to do is to make inquiry if they need to do so.

Duck Season Opens Today (Thursday)

Hunting season for ducks will open today and extend through Christmas Day, according to the game warden. Bag limit on ducks will be ten per day, in the aggregate, and anyone with more than this number in his possession will be subject to prosecution. On geese and brant the limit is four per day.

Persons hunting are warned to have both hunting license and federal duck stamps. The stamps and license can be obtained for only a small cost. The license is not required for persons hunting in the county of their residence but permission must be had at all times to hunt on another person's property.

All persons using automatic shotguns in hunting ducks or geese are warned not to have more than three shells in the gun at one time. Blinds may be built along the shore lines this year. Last year hunters had to build them 100 feet from shore line.

NYA To Work On Soil Conservation

A. V. Bullock, District Supervisor of the National Youth Administration with headquarters in Lubbock, was in Spur Wednesday and announced that plans had been made to start a district-wide soil conservation project in this District around the first of December.

Dickens County will be one of the twelve counties in the district to take part in this program. The project is being sponsored by the Texas A & M Extension service and work will be done under the supervision of the County Agent.

"We expect to use fifteen NYA boys in this work," Bullock said. The work will consist of running contour lines preparatory to terracing. G. J. Lane, County Agent reports that he has a number of farmers over the county lined up that he expects to do this work on their farms.

Highway No. 24 To Get Improvement

All towns between New Mexico State line, Lubbock, Fort Worth, Dallas and Wichita Falls, including the last four, have just reasons for elation over the announcement this week by Lubbock district officials of the Works Progress Administration that approval for construction of a 10.5 mile section of State Highway No. 24, extending west from Lubbock to the county line, had been received and actual construction would begin by December 15.

Just recently announcement was made by the State Highway Department that the section of highway 24 between Dickens and Benjamin had been included in the 1937 Federal Aid Program, which announcement practically assures completion of this very important cardinal highway.

The WPA officials are expecting approval of a proposal that has been submitted to lay a caliche base and asphalt topping between Levelland and Whiteface, a stretch of highway on which unit one has just been completed through a WPA project. The mileage between Whiteface and Morton is already paved and from Morton westward to the State line paving is now under way and will be completed soon. A 17.5 mile section from Lubbock County line to Levelland is under construction with a caliche base already laid on approximately 6 miles.

Highway 24 is a project that has been worked on unceasingly by the citizens of all towns along its route and its completion will add another most important paved cardinal highway to the State's system of good roads and provide an all-weather route from and to Eastern New Mexico through Lubbock to Fort Worth, Dallas and Wichita Falls.

HONORED PASTOR WITH BIRTHDAY DINNER SUN.

Sunday, November 22, the Assembly of God church honored its pastor, O. M. Fortenberry, with a birthday dinner given at the church. After Sunday school Brother Will Bice of Jayton, brought the message, after which Mr. and Mrs. C. H. Spraberry and Sister Beady Culbert lighted the 67 candles which were on the pastor's special cake. Then the gift box was opened and many nice things were given.

After dinner the Christ Ambassadors of Spur and Jayton gave a short program which was followed by a serenade delivered by Bro. Maxwell from Afton. Bother and Sister Will Bice sang several songs and the crowd was dismissed by O. M. Fortenberry. Bro. Fortenberry also was honored by a visit by his uncle, Elder J. C. Fortenberry and M. Taylor and family of Cedar Hill community in Floyd County, who also brought him a nice cake which was decorated by Mattie Taylor.—Reporter.

RECEIVED BAD GASH IN WRIST TRIMMING TREES

A few days ago while trimming some shade trees, Attorney Alton Chapman accidentally received a gash gash in his wrist. His knife slipped and almost full force of it slashed his wrist, two stitches being required to close the wound. He seemed to be getting along all right at this time.

Thanksgiving Day

In the year 1621 Governor William Bradford issues the first Thanksgiving Proclamation as an expression of gratitude to God on behalf of the people of the Plymouth Plantation.

The spelling and punctuation are just as Governor Bradford wrote it in his journal.

"Notwithstanding all their great paines & industrie and ye great hope of large cropp, the Lord seemed to blast, & take away the same, and to threaten further & more sore famine unto them, by a great drough which continued from ye 3 weeks in May till about middle of July without any raine, and with great heat (for ye moste parte) insomuch as ye corne begane to wither away, thought it was set with fishe, the moisture whereof helped it much. Yet at length it began to languish sore, and some of ye drier grounds were parched like withered hay, part where-of has never recovered.

"Upon which they set apart a solemne day of humiliation to seek ye Lord by humble & fervente prayer, in this great distresse. And He was pleased to give them a gracious & speedy answer, both to their owne & the Indians admiration, that lived amongst them. For all ye morning, and gratest parte of ye day, it was clear weather & very hotte and not a cloud or any signe of raine to be seen yet toward evening it began to over-caste and shortly after to raine, with such sweete and gentle showers as gave them cause of rejoyceing & blessing God. It came without, either wind, or thunder or any evidence, and by degresse in ye abundance, as that ye earth was thorowly wete and soked therewith. Which did so apparently revive & quicken ye decayed corne & other fruits, as was wonderful to see, & made ye Indians astonished to behold; and afterwards the Lord sent them such seasonable showers with interchange of faire warme weather as through His Blessing, caused a fruitful & liberal harvest, to their no small comfort and rejoyceing. For which mercie (in time convenient) they also set apart a day of thanksgiving."

Note: The above proclamation furnished the Times through courtesy of Dr. M. F. Ewton, who made a copy from the original at Washington, D. C.

Farmer Hurt In Automobile Crash

Edd Fuqua, one of the good farmers in Catfish community, met with a car accident the first of the week. He received some minor injuries, but was fortunate in securing no serious conditions. Reports stated that his car was not badly damaged and as soon as the bruises and the results of the fright have time to subside he will be all right. Mr. Fuqua is a very careful driver and was driving slowly at the time of the accident.

McAdoo Home Was Burned Saturday

The home of Mr and Mrs. A. M. Lay of McAdoo was reduced to ashes Saturday night. The origin of the fire is not known and the roof was falling in before neighbors discovered the flames. Mr. and Mrs. Lay were sleeping in the home and probably would have suffocated had not friends awakened them. A Mrs. Eldredge, living near by, first discovered the flames and gave the alarm. The home and all its contents were destroyed, Mr. and Mrs. Lay barely

SPUR BULLDOGS TO PLAY SILVERTON OWLS TODAY

The people of Spur country are to have their best football game today when the Spur Bulldogs dispute sovereignty with the Silvertown Owls at two o'clock today. It is the hope of the Spur schools that everybody will leave off their Thanksgiving rabbit hunt and attend the game because the Bulldogs have made up their formation to the idea of winning again. Every growl and snarl of the local team has been an indication of their determination to win the game.

Silvertown is bringing no baby team here today. They are the runner-ups in north half of District 4-B and hold the same position in that section that Floydada holds in this half of the district. The Owls were not quite the best in the north half, but they were much the second best, and it is said the Spur Bulldogs will have no ordinary rabbit chase in this game. The game is going to be full of pep and action from the very beginning, and the local team is going in to win from

the very first kick-off. Coach Wadzack has been putting his eleven through some very tough grilling the past few days. It is his intention to give the fans a good run for their money and make the game interesting to them. The last game against the Lubbock Cowhounds the local team showed the best action of the season. They are in better condition for the game today and are going against a better team than they played Friday.

The Bulldogs are asking for a good gallery and hope the people will turn out and enjoy the best game of the year. This is a post season game for both teams and there is no reason why it should not be their best game. They are asking for the cooperation of Spur on the sidelines today. Let's give them our support. The game is at the Charles A. Jones Memorial stadium at two o'clock—just after you have completed that big Thanksgiving dinner.

T. J. Williams Buried Yesterday Afternoon

T. J. Williams, for many years a citizen of this county but lately living in Girard, died very suddenly at his home Tuesday afternoon. Heart trouble is thought to have been the cause of death. He was 64 years of age, having been born February 2, 1872.

Funeral services were conducted at the Baptist Church in Girard, Rev. A. P. Stokes reading the funeral rites. Interment was in Spur cemetery, Bill Kinney acting as funeral director.

Mr. Williams leaves his wife and ten children, all of whom were present at the funeral. He was a good, Christian gentleman and did his best to live up to the standard of life he set out. He has many friends in and around Spur having lived east of town for several years.

Campbell Mortuary To Open December 5

The new Campbell Funeral Morgue is scheduled to have its formal opening Saturday and Sunday, December 5 and 6. This new business is located on the first floor of the three-story building just south of the Safe-Way Store and is very beautifully arranged.

At the front is a nice waiting room with cushion chairs and settees. Just back of that is the chapel and family room all arranged with indirect lighting where funeral services may be held. The family parlor is secluded from the rest of the chapel.

A third room further back is a display room for the many beautiful caskets, and this room is arranged with an indirect lighting system. Here is found a very beautiful display of different types of caskets. In a smaller room adjacent to the large display room is a selection of smaller size caskets.

At the rear of the building is the preparation room where the bodies are cared for and prepared for funeral services. Also, the Ambulance and equipment is located at the rear very conveniently arranged.

Manager and Assistant Webber Williams will be the manager and chief director of the new business. However, it is reported that Spencer Campbell, Jr., will be the one who will look after the business and will serve as assistant manager. Mr. Campbell has spent most of his life in Spur except the years of his schooling. He was graduated from Spur High school and then took a course in Business Administration at the Texas Technological College, receiving his degree in that work. Recently he returned from Dallas where he took the complete course in the Dallas School of Embalming and has a license from that institution to do embalming and funeral directing in Texas.

Mr. Campbell has worked with his father and his uncle for a number of years and is well informed in the latest methods of funeral directing. He is considered one of the best qualified young men in Texas and while in school was very diligent in his work and applied himself very efficiently.

When the new morgue opens December 5 and 6 the public is invited to visit it and go through. The whole plan will be explained in a careful and courteous manner.

RETURNED WITH THREE DEER; NO BEAR SCARES

Bill Kinney, Chas. Fox, Bill Simpson and E. M. Wilson of Spur; Warren Tayman of Stamford, P. W. Campbell of Abilene, G. W. Mugford of Dallas, returned the last of the week from a big deer hunt in the Davis Mountains. They were able to bag three deer on the trip, and aside from that no further reports have been secured. That many people going on a hunt usually have some laughable incidents to report but all of them have proved very modest and reserve beyond saying they "had a great time."

DR. ALEXANDER'S HOME AT JAYTON BURNED WED.

Word was received here Wednesday evening that the home of Dr. and Mrs. R. L. Alexander in Jayton was completely destroyed by fire. Dr. and Mrs. Alexander are the parents of Dr. Bob Alexander of our city and have many friends here who regret to learn of their misfortune.

SERVICES AT M. E. CHURCH

All churches in Spur are joining in a Thanksgiving service which will be held at ten o'clock this morning at the First Methodist Church. Rev. P. H. Gates, the new Methodist pastor, will deliver the Thanksgiving sermon. Singers from the various churches will make up the choir. The public have a cordial invitation to attend this service. The services will start promptly at the stated hour and will last just one hour.

The first Thanksgiving Day was spent with an all day religious service in Colonial Massachusetts in November, 1621. There was dinner served at the meeting place and everybody, including the Indians, were welcomed to the services. Strange to say that few people feel religiously inclined on Thanksgiving Day, and that attitude might be the explanation of our droughts and other hardships that we have to endure.

The people will hear a great message if they attend the Thanksgiving services today.

Local Man Injured In Car Accident

L. E. Lee of Brazelton Lumber Company, wrecked his car while driving to Roaring Springs the last of the week. As he was entering the bridge across South Pease River some live stock on the highway ran in front of his car, and in attempting to dodge them hit a concrete banister and barely escaped severe injury. A rod ran through the front of the car on the right side, barely missing Mr. Lee. His car was wrecked in the jam against the banister. Mr. Lee stated that if any one had been in the front seat of the car with him that they would have been killed by the rod. He suffered a slight injury to the face and was greatly shocked by the impact of the car.

Fire Damages Allen Home Mon.

The Spur Fire Department answered a call at the Allen home on Fifth Street about six o'clock Monday afternoon. Some damage by fire was done to the building and some household goods were destroyed. The fire was caused from an oil stove overflowing and catching fire. The flames soon were brought under control.

FACE AND HANDS BURNED

Lawrence Purcell, who is employed at the Spur Creamery and Bottling Works, received several painful burns Wednesday morning. It appears that Mr. Purcell was fueling the boilers at the plant when the flames blew out on him burning spots on his face, hands and forearms. He was treated at Dr. Nichols' office and seemed to be getting along very well. However he was suffering much pain.

LOCAL LADY SECURES FUNERAL DIRECTOR LICENSE

Mrs. W. M. Kinney returned from Dallas Monday where she had been attending the Dallas School of Embalming and funeral directing. Mrs. Kinney passed the examination and will be licensed funeral director with in a few days. Probably she is the only lady in West Texas who is a licensed funeral director.

HOME TOWN PHILOSOPHY

Ned Hogan says—"One way not to have peace of mind is to give others a piece of it."

M. C. Golding says—"Many of us demand something that doesn't exist—a happy life without work."

Hill Perry says—"People run into debt but crawl out."

Henry Alexander says—"When we see good in people they see good in us."

W. D. is so sympathetic that he pets any pretty girl who is in trouble but if his wife is in trouble he just gives her advice.

A PLEASANT THOUGHT RECALLED

The following is taken from an article written by George S. Link November 24, 1932:

"We have so much to be thankful for, and may we not fail to express our gratitude to God who is the foundation of all. A good old world and that we will be happier in the years to come because of the experiences through which we have been passing. And I am thankful that my flag is 'Old Glory,' my home in old Texas and my among the noble men and women of West Texas, who have stood the tests that make men and women great and a thousand things more and still more."

Governor Endorses Christmas Seal Sale

Texas' first citizen, Governor James V. Allred, endorsed the 30th annual Christmas Seal Sale to fight tuberculosis in a statement to all Texas citizens today as Christmas seals go on sale throughout the nation.

Governor Allred said, "The declining death rate from tuberculosis is ample demonstration that the state and national tuberculosis associations are accomplishing their purposes. Texas has been generous in contributing to the Texas Tuberculosis Association by the purchase of Christmas Seals each year. The thirtieth such sale in the nation presents a challenge to good citizens everywhere. As your Governor, I earnestly hope that the citizens of Texas will contribute to this cause this year to the limit that their means will permit."

Texas who purchase Christmas Seals this year will assist their state and local tuberculosis associations in a concerted drive planned for 1937 to reach more people between the ages of 15 and 45, where tuberculosis is still the leading cause of death, with those methods of diagnosis, prevention and cure which have reduced the death rate from tuberculosis more than two-thirds in the past thirty years.

NEW FIRMS ORGANIZE; BUSINESS INCREASING

Charters granted to new Texas corporations during October registered a moderate increase in number and a sharp increase in capitalization, in comparison with the corresponding month last year.

According to records of the Secretary of State's office, 123 new charters were granted to corporations in Texas during October, an increase of 23 per cent over October, 1935. Capitalization totaled \$6,277,000, an increase of 482 per cent over the like month a year ago. This decided increase in capitalization was mainly the result of the incorporation of a few large loan companies which in itself suggests further important expansion of industry in the State, it was stated.

Groups showing the greatest increases in the number of new charters granted were banking-finance, public service, and transportation.

CHEVROLET JOINS IN THANKING THE PUBLIC

The Chevrolet Motor Company today offered its thanks to the American people for having given the company the greatest year in its history by buying 1,130,000 new 1936 Chevrolets.

In display advertisements printed in newspapers throughout the country, Chevrolet expressed its appreciation for the warm friendship of the American people, which enabled the company to break all previous marks for domestic production and sales.

The Thanksgiving offering is considered unique in industrial advertising, but Chevrolet has done it in the past. The company has depended largely on the newspaper of the country in establishing its all-time records in selling not only an unprecedented number of new passenger cars and trucks during 1936, but also in moving two million used cars at the same time.

The advertisement, appearing today, declared, in part: "The builders of Chevrolet are thankful for many things, but most of all for the warm friendship of the American people."

"All we can say is, 'Thanks a Million' for more than a million cars in 1936; and all we can do is offer you the still finer Chevrolet of 1937 in return for finest friendship ever bestowed on any motor car manufacturer."

FIRST METHODIST CHURCH

Sunday, November 29

Sunday school at 10:00 A. M. We had a nice attendance last Sunday, and a fine spirit prevailed, there were 198 in attendance. Why not make it over 200 next Sunday? And it can, and will be done, if YOU will make it a point to be there at 10:00 A. M. You will find a class room for the class you prefer to attend.

Preaching at 11:00 A. M. Our attendance the past two Sunday's has been very gratifying. We urge the membership to attend the services each Sunday, and welcome all others who care to worship with us.

We have organized the Young People's League again, and had a very interesting program last Sunday on "Friendship" there were 27 in this first meeting. Say, you young people of Spur Methodist Church you will miss something worth while if you stay away. So come out next Sunday afternoon at 6:15 and enjoy the program and fellowship.

Preaching each Sunday evening at 7:00 P. M. Welcome to all.

OLD AGE ASSISTANCE CHECKS MAILED SATURDAY

Employees of the Texas Old Age Assistance Commission were busy Friday and Saturday stamping 87,756 envelopes, containing assistance checks for November, and rushing 30,000 of them to the Austin post office each eight hours, Acting Director Orville S. Carpenter said.

November checks now being released by the Commission total \$1,365,289. The \$840,000 federal grant was received Thursday. The State Board of Control hopes to secure bids from Texas capitalists for the three million dollars authorized by House Bill No. 37 which will be the state's portion of finance for the next six months.

WOMAN FOOTBALL COACH AT EL PASO SCHOOL

Miss Edith Schell, recent graduate of the College of Mines and Metallurgy at El Paso, a branch of The University of Texas, is believed to be the only woman football coach in the state. Miss Schell trained herself to teach English, and, upon graduation, obtained a job in Bailey elementary school in El Paso.

"But, out of a clear sky, I was told that if I didn't take over the football and playground work at Bailey, the boys would have no team this year, and, in fact, no football at all," she explained. "So, of course, I couldn't let them down, and I said 'Yes' and hoped for the best."

So now she spends one-fourth of the school day teaching English, health and spelling, and the remainder of her time supervising playground work and coaching football.

THANKSGIVING SERVICES

At The First Methodist Church
10:00-11:00 A. M.

Special music and sermon for the occasion. Let us make this a great occasion. We should be thankful, and praise the Lord on this day. Come.

WHY STATE HEALTH SAFEGUARDS ARE EFFECTIVE

"A high standard of community health is the best asset that a state can possess," said Dr. John W. Brown, state health officer. "The State of Texas has much to be thankful for in this Centennial year," he said, "in the steadily increasing interest and cooperation of the people of the State in matters pertaining to sanitation and control of communicable diseases."

"The control of the water and milk supplies, sewage disposal, vaccination against smallpox, immunization against diphtheria, food inspection, housing regulations, and many other measures have been spectacularly successful in reducing the killing power of a number of maladies that formerly took a terrific annual toll."

"Responsibility for success and advancement of a public health program lies not with the health department primarily, but with the people who support and encourage the community effort put forth and who apply in their own individual lives the knowledge which they have acquired."

"It follows that the individual citizen, to reap the benefits of public health administration, must be more concerned about his well being than

he is today. His program should involve a conscientious effort to abide by the living rules prescribed by nature, as well as a clearer conception of the value of a physician's services from a diseases prevention standpoint.

"In short, when the private citizen fully appreciates the benefit of public health administration and shows that appreciation by a reasonable person concern for his own welfare, medicine, surgery and science generally will be able to do their wonderful work with utmost efficiency."

"THANKS A MILLION" FOR MORE THAN A MILLION

America has bought 1,130,000 Chevrolets during the past twelve months, thereby giving Chevrolet the greatest year in its history and the greatest measure of *buyer preference* it has ever enjoyed.

CHEVROLET The builders of Chevrolet are thankful for many things, but most of all for the warm friendship of the American people.

And so again at this Thanksgiving season we say, "Thank you, America," for you have given Chevrolet a measure of good-will without parallel in the annals of modern industry.

Consider, for a moment, all that you have done to inspire Chevrolet's appreciation during the past twelve months:

You have purchased 1,130,000 Chevrolets; you have made Chevrolet your favorite car for the seventh time in the past ten years; you have given Chevrolet strong preference in

every section of the country; you have conferred this same high honor upon Chevrolet trucks by purchasing more than 205,000 commercial units; you have made 1936 the most successful year in all Chevrolet history.

And now, to climax these expressions of friendship, you are displaying even more marked preference for the new Chevrolet for 1937.

It is difficult to express adequate appreciation for gifts so great and so generous as these.

All we can say is, "Thanks a million" for more than a million cars in 1936; and all we can do is offer you the still finer Chevrolet of 1937 in return for the finest friendship ever bestowed upon any motor car manufacturer.

Bulldogs Wallop Cowhands 19 to 0

By Bill Starcher

The Spur Bulldogs played the best games of the season last Friday afternoon at the Charles A. Jones Memorial Stadium against the Lubbock Cowhands defeating them 19 to 0.

Perhaps there are very few fans who can tell you just how the Dogs played for there were few to witness the game, but despite this fact the Bulldogs really showed more pep and spirit than in any other game of the season.

The Bulldogs outplayed the Cowhands in every event and even keeping them from getting in scoring position. The Bulldogs made eight first downs to the Cowhands two. The Bulldogs passed seven times for a gain of 41 yards while the Cowhands passed ten times to complete none. Spur punted four times for an average of 25 yards while the Cowhands punted five times for an average of 23 yards.

To prove that the Bulldogs outplayed them in every event they even drew more penalties. The Bulldogs were penalized four times for 25 yards while the Cowhands were penalized two times for ten yards. But we don't mind penalties like the Bulldogs drew Friday for it just shows that they are anxious to get at the opposing teams throat.

The Bulldogs' first score came after Junior Martin received the ball from formation on the dogs' own 40 yard line and racing to the 15 yard line, seeing that he was in a tough spit lateraled the ball to Red Garner who carried it on to the one yard line, and on the next play Red Garner plunged the line for the first score. Garner failed to convert the extra point.

Again in the third quarter the Bulldogs decided they needed another score, this time using the receiving end. Haralson tossed a pass to Kinney which was good for 35 yards taking the ball to the one foot line where Red Garner again plunged the line making the score 12 to nothing, but Garner failed to kick the extra point.

In the first part of the fourth quarter the Dogs just played old straight football, as we call it, making one first down after another, carrying the ball to the one yard line again where Garner plunged the line to make the score 18 to nothing and for the extra point a pass from Haralson to Kinney was good. This made the score 19 to 0 in favor of the Dogs.

At this point Coach Wadzeck put all the boys in that he will have back next year. For the remaining few minutes of the game we could see very little change for the newcomers were going to town (if you will excuse the slang expression).

Editor's Note: Don't forget the game at two o'clock today between the Bulldogs and the Silverton Owls. At least 1,000 people should be there.

NEW FORD A VERY COMPLETE CAR

The new 1937 Ford which is on display at Godfrey & Smart is one of the most complete cars ever exhibited. Many of the high priced cars do not have more conveniences than the 1937 Ford V-8. The car is built with two sizes of engines, one 60-horse power and one 80-horse power. The difference in the price of these two engines is \$40.00. The car is built in twelve different body types this year, one type, the Club coupe has never been exhibited before.

Some of the different features are: the hood lifts from the front giving a direct top view of the motor. The starter button is located on the dash instead of on the floor as the older models were. The steering wheel is a 3-spoke type, the top being open in order to give perfect view of the dashboard instruments. The front seat is adjustable to most any distance having a variation of six inches. The V-type of windshield is used in the new models.

The new Ford V-8 has an all steel body and top this year. The luggage space for radio and has the aerial. The extra tire is enclosed out of the weather and has a double lock arrangement. The battery has been moved up under the hood where it is protected from water and mud and is much easier serviced. Every car has space for radio and has the aerial built in the windshield ready to attach any time. Radio is easily installed.

The different types are of different colors as desired. It is difficult to tell all about this new car, but Godfrey & Smart invite you to visit their show room and look it over and they have people who can explain everything.

Girard

Our Faculty

Mr. Edwin Boedeker, high school history and civics teacher, was born in Channing, Texas. He graduated from Lockney High School, tying for boys' scholarship. He received his Bachelor of Arts Degree from West Texas State Teachers College, Canyon, and was on the honor roll. He has attended Baylor University and has a ninety average there.

His greatest ambition is to become a lawyer. He has had much training along this line.

His favorite sport is hunting, his hobby writing poetry, and his favorite actor and actress, Wallace Berry and Shirley Temple. His favorite town is Plainview and he favors the boys and he favors the boy or girl who is industrious and honest.

His travels are through Texas and Mexico.

He was married in 1933. He and his wife have both taught in the Girard school two years. He is well liked by all the high school students because he is a very capable teacher.

Sports

We had a very exciting game with Clairemont last night. The first quarter the score was 1 to 0 in favor of Clairemont. Our girls got a shade scared and went to work ringing up 26 points for a fine score. We are planning another big game tonight with Peacock. Both boys and girls will play. We hope our luck still holds.

The senior boys also played Clairemont, winning with a score of 19 to 14.

Eighth Grade

Turkeys? No, the Freshies of Girard preferred weiners and a hay ride last Tuesday night. Carlisle Springs was the place of Thanksgiving. A majority of the class was present.

Jimmy Lee Bolch of Girard attended the Centennial November 13th to 16th with her parents, Mr. and Mrs. Hubert Bolch.

What Would Happen If

Mr. Boedeker's History class got up a petition?

It should be rumored that Wilson is married?

Joe should run out of soda?

The juniors should decide to take an afternoon off?

Mr. Rogers should have a lapse of memory?

Bobby came out for declamation?

We could find the tennis balls?

Miss Whiteside had time to eat?

Mr. Fite dismissed his basket ball boys on time?

Harold should loaf?

Mr. Smith should get a freckle?

Miss Whiteside got married?

Mr. Boedeker remembered his wedding date?

Mrs. Waggoner left the stairs?

Maxine should forget how to write a check?

Mrs. Boedeker should get sore and wouldn't come to the ball game?

You knew who wrote this?

FOOD ACHIEVEMENT DAY

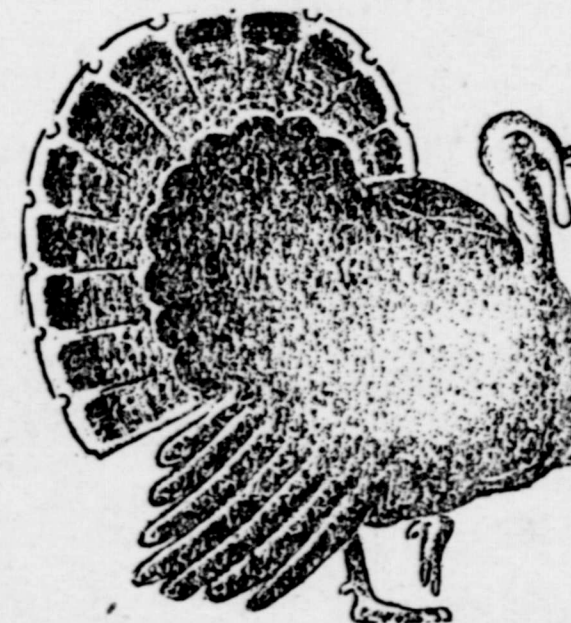

"I think I have accomplished something in planning and working out my pantry plans, so that I might have a storage place for my canned products. As food demonstrator for the Espuela Club, I have learned to plan a well balanced meal and prepare a dish so that it will be attractive as well as appetizing," said Mrs. R. E. Johnson, food demonstrator of the Espuela Club.

Two vegetable dishes were to be

scored as well as having a correctly set table demonstration.

Mrs. R. E. Johnson read her story on "Being a Food Demonstrator." She also had her pantry exhibit, which proved to be very attractive and well planned.

Mrs. R. E. Johnson served cake and cocoa to club members: Mrs. J. P. Sharp, F. B. Crockett, S. P. Moseley, E. L. Spivey, M. Foreman, Lucy Myers and visitors: G. J. Lane, Clara Pratt, W. A. Harris, W. F. Neaves, W. J. Ball and W. E. Ball.—Reporter.

"To Mary—With Love" at Palace

A story that strikes deep and sure at love today, comes to the Palace Theatre in the Twentieth Century picture, "To Mary—With Love," which shows Sunday and Monday.

Warner Baxter and Myrna Loy, together for the third time cinematically, are co-starred and their performances opposite each other are said to surpass the heights they reached in "Broadway Bill" and "Penhouse."

Ian Hunter, as Myrna's childhood sweetheart who still loves her, and Claire Trevor, as the good-time girl who almost disrupts the romance, are featured in the cast which also includes Jean Dixon.

A love-letter romance, "To Mary—With Love," opens with the marriage of Baxter and Miss Loy. Best man is Ian Hunter who hides his regret with a grin, at seeing Myrna's happiness in Baxter's arms.

Making love lightly, yet loving deeply they move through their honeymoon and then return to New York where Baxter plunges into the stock market, intent on accumulating a fortune.

Money doesn't bring happiness to the pair, however, for Myrna finds too much time on her hands and becomes intimate with a group of parasites and questionable friends.

Just as it appears that their marriage must break up, the market crashes and Myrna finds that her husband needs her more than ever.

Hiding their hurts and holding back their tears, Myrna and Baxter rise gallantly and splendidly from their misfortune and find a new and greater love reward them.

MRS. ELLA K. MILLER DINNER HONOREE

The Dorcas Sunday School class of the First Baptist Church of which Mrs. E. J. Cowan is teacher, met at the home of Mrs. Ella K. Miller on Tuesday evening for a surprise birthday dinner honoring Mrs. Miller.

A two-tiered white and yellow birthday cake, surrounded by yellow chrysanthemums made a lovely center decoration for the large table at which the 34 guests were seated.

Mrs. E. J. Cowan acted as toast-mistress and Mrs. Geo. M. Williams asked the blessing. Mrs. Cowan then told how she first met Mrs. Miller and Mrs. J. A. Marsh gave a humorous account of her meeting with Mrs. Miller at the opening of Spur. Several other guests also related their first acquaintances with the honoree.

At the close of the dinner the class members departed wishing Mrs. Miller many happy returns of the day.

There were present: Meses. Cowan, Williams, Marsh, B. T. Moore, E. L. Smith, L. W. Bilberry, Peare Franklin, Cathey, Harry Patton, P. C. Nichols, Cal Martin, McNally, W. F. Godfrey, M. F. Ewton, A. M. Walker, W. B. Bennett, Hutto, J. D. Powell, L. W. Langston, J. L. Mecom, C. P. Ensey, Hattie Turvan, Henry Gruben, Dozier, V. J. Campbell, Shockley, W. B. Frances, F. I. Powell, George Williams, S. R. Bowman, J. A. Goodwin, and Misses Jennie Shields and Clara Pratt.

SETH PARKER CLUB

Mrs. Ella K. Miller was hostess to the Seth Parker Club Tuesday night of this week.

The usual singing was enjoyed and several special numbers were given.

The hostess served ice cream and Messrs. and Mesdames James B. Reed, M. D. Ivey, L. W. Langston, T. J. Seale, W. P. Shugart, and Mesdames Edgar R. Hays, Minnie Lewis, B. T. Moore, Hattie Turvan, J. A. Goodwin, Hindman, P. C. Nichols, and Misses Jennie Shield and Clara Pratt and W. M. Hazel. Mrs. Bennett was a visitor.

4 L CLUB

Lovely chrysanthemums in a riot of color graced the entertaining rooms of the J. T. Wylie home Thursday evening when Mrs. Wylie entertained with two tables of bridge for the 4L Club.

Mrs. Pat Watson received china statue book ends as high score favor, and the floating prize, a miniature pot of artificial flowers, was won by Mrs. M. H. Brannen.

Tiny Thanksgiving turkeys were favors on salad plates holding tuna fish salad, olives, crackers, fruit cake and hot coffee.

Mrs. Pat Watson was a guest and the following members were present: Meses. Weldon Grimes, C. L. Love, Horace Hyatt, L. E. Lee, M. H. Brannen, Horace Gibson and Clarence Lane.

DICKENS CLUB HAS MEETING

That one state in the union does not observe Thanksgiving as a holiday was brought out in a report on the first Thanksgiving by Mrs. Ben F. Overstreet at the home of Mrs. John Gay, when the Dickens women's home demonstration club met there November 18, for a Thanksgiving program.

Every state in the union except Utah observe Thanksgiving as a holiday. Also every territory and possession of the United States following a custom started by the Pilgrims after the gathering of their first corn crop. Since then different governors have issued a proclamation for the states to observe Thanksgiving as a holiday. Now the President issues one to that effect.

The club also discussed a report Mrs. Arrington will make November 28 to the council. Parties of club members also discussed plants for yard work this year.

Attendance was short Wednesday but Santa Claus is coming to our next meeting the first Wednesday in December at the home of Mrs. Nettie Littlefield. Each member will bring a gift from 1c to 10c and social hour will be spent enjoying a holiday tree.—Reporter.

GIRLS START CLOTHING ACCOUNTS

Eleven of the fifteen girls in the Patton Springs 4-H Club have started keeping a record of their clothing expenses, and had their books checked in the club meeting Wednesday morning.

To keep a record of clothing expenses is one of the goals in clothing work for the girls in 1937. The records are to start with October 1st. The records are to be kept in their club notebooks.

Della Dean Baxter, Pauline Ford, Monez Woods, and Jackie Young are clothing demonstrators for the club. Billie Collier, Lou Wana Dunlap and Fannie Lou McAllister are to be farm fruit plot demonstrators.

Club members present were: Della Dean Baxter, Billie Collier, Lou Wana Dunlap, Pauline Ford, Elsie Franklin, Glenn Hemphill, Fannie Lou McAllister, Wilma Parker, Bobbie Randolph, Callie Sedgwick, Goldie Lee Smiley, Opal Smith, Mary Louise Turpen, Monez Woods and Jackie Young.—Reporter.

THANKSGIVING

An all day meeting was held by the Soldier Mound Home Demonstration Club in the home of Mrs. S. H. Nally and Mrs. George Nally, with a quilting in the morning and regular club meeting in the afternoon, on Thursday, November 19.

A reading, "The First Thanksgiving," was given by Mrs. Floy Barnett. A story, "The First Thanksgiving," was given by Mrs. John Backman. New officers were elected. President, Mrs. Ollie Hindman; vice president, Mrs. W. E. Ballard; secretary, Mrs. Foster Jones; reporter, Mrs. Leonard Joplin; Council member, Mrs. John Bachman.

The club opened with recreation exercise with all present taking part. There were three guests present.

Members present were Meses. W. H. Condron, A. Biggs, Foster Jones, S. H. Nally, I. E. Abernathy, John Bachman, Leonard Joplin, George Nally, Floyd Barnett, Ollie Hindman, Hobson, Mrs. Chas. Applegate and Mrs. S. L. Melton.—Reporter.

HOME MAKING III CLASS ENTERTAIN WITH DINNER

A beautiful planned Thanksgiving dinner was held in the home making department of the H. S. building Tuesday night when the home making III girls entertained the school trustees and their wives and Mr. and Mrs. O. L. Kelly and Mr. and Mrs. O. C. Thomas.

Gilded fruit surrounded candelabra holding six yellow tapers which stood on a reflector in the center of the large T shaped table. From this decoration, twin rows of small autumn leaves radiated to each end of the table and bowls of yellow chrysanthemums added further color.

The programs were in autumn leaf design and gilded natural leaves formed nut cups which also held the place cards at each plate.

The following menu was served in four courses: tomato bullion, baked turkey and dressing, giblet gravy, hot rolls, mint jelly, spiced potatoes, green beans, Thanksgiving salad, pumpkin tarts, salted nuts, mints and coffee.

Billie Burke Hisey welcomed the guests and Mr. M. D. Ivey gave the response. Nell Arthur read "The Five Forks" and Noema Smith gave "The Origin of Thanksgiving." A saxophone solo was rendered by Grace Foster, and "Thankfulness for our Homemaking Class" was given by Lucille Rape. A trio composed of Marjorie Burrows, Lelia Lee Erath Sarah Ann Crider sang and Eva Albin gave "The Ideal of Homemaking." Open discussion followed and the girls sang "Alma Mater" to close the program.

The guests were Mr. and Mrs. M. D. Ivey, Mr. and Mrs. J. M. Foster, Mr. and Mrs. W. C. Gruben, Mr. and Mrs. V. C. Smart, Mr. and Mrs. Lester Ericson, Mr. and Mrs. E. C. McGee, Mr. and Mrs. R. A. Taylor, Mr. and Mrs. O. L. Kelly and Mr. and Mrs. O. C. Thomas.

The hostesses were Eva Albin, Nell Arthur, Alba Cozby, Lelia Lee Erath, Francis Gibson, Billie Burke Hisey,

Ruby Hines, Mozelle McClain, Lucille Rape, Noema Smith and Orien Williams.

THURSDAY BRIDGE CLUB

Members of the Thursday Bridge Club met last week in the home of Mrs. J. C. McNeill III on West Harris Street.

Cut flowers in vases and baskets decorated the living room where two tables were placed for contract bridge. Mrs. W. T. Andrews and Mrs. Reese McNeill received utility shears as high score awards at each table.

The club presented a lovely piece of lingerie to Mrs. Dewey L. Granbury, a member who is moving to Victoria to reside.

A tea plate holding individual pumpkin pies topped with whipped cream, toasted pecans and hot coffee was served to the following members: Meses. Granbury, Andrews, Reese McNeill, Sam T. Clemmons, O. C. Thomas, Jack Rector, R. E. Dickson and F. W. Jennings.

TUESDAY BRIDGE CLUB

Mrs. Cash Wilemon of Stamford and Mrs. Hill Perry were guests when the Tuesday Bridge Club met with Mrs. Roy Harkey this week.

Mrs. A. C. Hull received high score prize.

Delicious refreshments were served in two courses to Mesdames Wilemon, Perry, Hull, Neal Chastain, Dale Campbell, Guy Karr, James O. Smith, and Bullock Tillotson.

TRIPLE TREY CLUB

Mrs. E. D. Engleman, Mrs. H. H. Bilberry and Mrs. Gerald Wadzeck were the prize winners in bridge games for the Triple Trey Club in the home of Mrs. L. D. Ratliff Tuesday afternoon.

A dainty salad plate was served to the following members present: Mesdames Wadzeck, Engleman, Bilberry, George Tillinghast, Buster Parish, Ty Allen, Alton Chapman and Burgess Brown.

Thanksgiving

The Pilgrim Fathers at Plymouth in 1621 kept the earliest harvest thanksgiving in America and in the succeeding centuries, the practice was frequently repeated. Thanksgiving Day still ranks as a special annual festival. Washington appointed a Thanksgiving Day, while especial thanksgiving for the welfare of the nation was given in 1795. Thanksgiving has been observed in New York State since 1817. But its general observance in the United States dates back from 1863 when Lincoln issued a proclamation recommending the last Thursday of November to be observed as Thanksgiving Day.

It was at the close of a period of suffering—after they had fought through and endured, and gained the victory—that our New England forefathers observed the first Thanksgiving. They had endured great hardships, but they were thankful. Thankful for health, a bountiful harvest, friends, loved ones—yet all of us today enjoy more than they had—more than they ever had to enjoy—why should we not be thankful?

ANNOUNCING THE OPENING OF

SPUR'S NEWEST MORTUARY

The grand opening of our new Mortuary on Burlington Avenue (next to Safeway Store) December 5th and 6th, marks an advancement in step with modern progress—as set by the constant demand for improvement in the science of funeral direction.

Security . . . Knowledge . . . Principle—the keynotes of our long-lived success—go with us to our new location. Security, in the fact that peace of mind may be obtained with complete details left to us. Knowledge, in time of stress, that experience and reputation stand back of our service. Principle, in that unwavering sympathy obtained through personal interest.

We are proud of our new Mortuary and trust we may prove justly so—by offering a service complete in every detail, in Spur's newest and finest Funeral Mortuary, by the city's oldest Morticians.

We invite you to visit and inspect our modernized place, December 5th and 6th, in which we expect to reach the "ultimate of protection."

Our Opinion Is

That if a hint to the wise is sufficient, the wise usually makes further inquiry and then considers seriously.

Strikes Have Accomplished Nothing

THE STRIKES which have been staged by longshoremen of the Pacific Coast and elsewhere seem to have accomplished nothing so far but destruction of properties and much cost to the country. It has been the history of our country. The laborers of our country have forced industry, through united efforts, to recognize their position, but this has been done mostly through arbitration and not by strikes. The laborer deserves much consideration, but it has been our opinion that the laborer gains nothing by a walkout which paralyzes industry. The shipmen walk out at a time when Pacific Coast fruits and vegetables are to go on foreign and eastern markets. The fruit growers know they cannot ship their fruit when it is harvested. The harvester lose their jobs. The distributors know they cannot make deliveries and they close up, throwing another class of laborers out of employment. And so on, until the whole country is in a labor panic because the shipmen took advantage of a congested condition. Labor organizations have agreements for overtime work with employers, which forces extra pay for overtime. It seems it would be much better to arbitrate than to cause so much damage, and at that to people who are not responsible for the situation.

Just Must Have One at Any Cost

IT LOOKS now like a good fight is brewing in Europe and the Irish are not going to be responsible for it. The control of the Spanish government seems to be the bone of contention, with the Fassist having possession of the most important part of the bone. Russian Communists feel that the Spanish loyalists should direct opposition to Italian Fascists. Germany will hold with Italy in her stand, and France and Belgium, with probably other smaller European countries, will hold with Russia. England has accused other nations with being as much responsible for the Spanish Civil War as either Germany or Italy, but the opinions are that England will not co-operate with the German-Italy Fascist movement. The United States has placed bans on all conditions wherein any American business firm might want to assist foreign countries in war. This probably will keep the United States out of the war unless some business firm should violate the laws. However, since Italy has called for a full preparation for war it looks as if another European family fuss develop, and let's hope American nations will know enough to keep out of it.

Politics Had Little Effect

IT SEEMS that the recent political situation has not cut much ice with the progress of business. According to certain politicians in the last campaign, should the President be re-elected it would place all business profits on the rocks and the stock exchange would have to close down. However, last week's reports stated that stocks were still declaring dividends and still retaining good operating surpluses in the businesses. It is amazing just what peculiar feelings national elections will bring over people. Most of us common fellows worry and sweat and work ourselves into a political heat, lose the candidate for whom we vote and feel despondent over conditions; and then six months later take a check up on conditions just to find that all the worry was for nothing—just political campaign heat when we thought we had fever.

The Town Should Stand For Progress

LET IT BE THE HOPE of everyone concerned that our Chamber of Commerce organization will continue to function even if our secretary is leaving us. It will be very essential to have some one look after the work. People are continually coming to our city with different kinds of business propositions and the only way to handle such matters is through our Chamber of Commerce organization. Business men of Spur have depended upon Chamber of Commerce secretary so long that we will feel lost without him. However, with the efficient board of directors which we have, no doubt the work will be taken care of properly. The Chamber of Commerce is the medium whereby the town can pull together for advancement, and we should put on the feed-bag for 1937 and try to make some growth. Let's all cooperate with the directors in keeping the business organization of our town intact.

They Need Our Support In Full

THE SPUR BULLDOGS put up a good fight and won a clean victory over the Lubbock Cowhands last week, the score being 19 to 0. It was no baby game either for those Cowhands have been going up against some good teams and coming out victors. The sad feature of the whole business was, that if the Bulldogs had been forced to produce witnesses to prove the game there would not have been enough of Spur people present to have produced the evidence. It appears to us that such indifference is not the right attitude to exercise toward our football team. Today (Thursday, Thanksgiving Day) the Bulldogs are to play the Silvertown Owls at the Charles A. Jones Memorial stadium at two o'clock, and every school pupil in high school, grammar school and ward school can well afford to miss some other type of entertainment and spend their dime, or twenty cents, or whatever the price is, to support the Bulldogs in this game. The game will be played at Spur—the stadium is just over the hill from town, and it will look much better to the Bulldogs for you to support them with your presence. Spur will have the best team in the District next year because almost everyone of the bunch this year will be back. Let's not kill their morale by treating these post season games with indifference, but let's all be there and "whoop it up" for the Bulldogs. Silvertown is the runner up team of the north half of the district and this is going to be a dandy game—and the Bulldogs will win if we give them our support.

NOBODY'S BUSINESS

By JULIAN CAPERS, Jr.

AUSTIN—Three major legislative enactments will constitute the recommendation of Gov. Allred to the 45th legislature, in January, those closest to the governor here say. This does not mean that other minor subjects will not be treated in the governor's message, but it does mean that the power of the administration will be concentrated behind a drive to enact laws that will accomplish the following:

1. Regulate public utilities, including gas, lights, water, sewer companies, by means of a separate public utility commission. Administration spokesmen are already at work on such a bill, but it will not be written this time by Dr. R. H. Montgomery, author of the utility bill of two years ago, although some of the ideas incorporated in Montgomery's bill doubtless will be included. Rep. Fred Knetsch of Seguin will pilot the measure in the house.
2. Regulate the operation of private trucks (as distinguished from state-licensed common carrier trucks) on the highways in the interest of promoting greater highway safety. The tragic death of Gov. Allred's sister several months ago in a truck crash near Longview brought home to the Governor the need for such legislation.
3. Reform the procedure in both civil and criminal courts of Texas, so as to speed up justice, eliminate obsolete technicalities which prevented prompt disposal of criminal cases, and drag out the final adjudication of civil litigation at tremendous cost to litigants. Sen. Clint Small, author of a bill designed to achieve this result at the last regular session, (his measure would have given state courts a procedure closely modeled after that of the federal courts) probably will again sponsor this legislation.

LIQUOR PROBLEM

The legislature itself doubtless will go extensively into the age-old problem of regulation of liquor. Wets will bring forward another scheme to establish legally the sale of whiskey by the drink—although good lawyers here do not believe this can be done so long as the constitutional prohibition against open saloons remains in the basic law of Texas. The wet plan this time is understood to contemplate sale by the drink in hotels only, with the hotel industry, which has been suffering considerably mental anguish as it has watched bootleggers operate open saloons in the larger cities in defiance of the law, will support the measure.

NO REFORM EVIDENT

A year's trial of the present liquor law has established rather definitely that the people who sell whiskey haven't reformed much since the pre-prohibition days: Wide open saloons in virtually every city in Texas indicate there is a large element in the liquor business, as always, who will not obey any law designed to control the business.

There will be an effort to tighten up the present control law, which is admittedly very weak, from a legal standpoint. The legislature also likely will make an investigation of the sorry record made during its first year by the liquor control board, whose enforcement program has failed so miserably that the senate, at the recent special session, forced the resignation of the board's chairman, D. B. Benson of Bowie.

WETS WORRIED

The comparatively close squeak which the wets suffered when the state monopoly amendment this month was defeated by the narrow margin of 47,000 votes, with no organized campaign whatever for the amendment, and many dries opposing it to keep the state out of the liquor business, has the whiskey people worried. They realize the open defiance of the law has created a situation where a shift of 25,000 votes would have put them entirely out of business. One wet leader declared after the election that if a single prominent dry campaigner, such as Tom Love, had made five speeches in North Texas for the amendment, it probably would have carried. They foresee eventual return of state prohibition, unless the present tendency is corrected. And the brewers are complaining vigorously at illegal whiskey sales. Not that the Texas brewers have suddenly become especially virtuous, but they have big investments in their plants, and they foresee plenty of trouble, particularly since most bootlegger-saloon-keepers are operating behind beer tavern licenses. One beer lobbyist recently collected clippings of killings and maimings which occurred in Texas in three months, mostly in blind tiger "beer taverns." They want whiskey sales in beer taverns stopped to prevent ruin of their own business.

CLARK MOVES UP

Edward Clark, No. 1 secretary to Gov. Allred, became secretary of state soon after the new salary amendment, under which this job will pay \$500 a month, became effective. Clark hails from San Augustine, and is a capable lawyer as well as shrewd political manipulator. J. B. Ford, retiring house member from Waco, was originally considered for the place, but it is now understood another lucrative state post, nearer his home, has been found for Ford. He may land the post of commissioner to the

Waco court of appeals, a \$6000 post created by the special session. B. P. Matocha of Cameron, now acting secretary of state, will return to his job as attorney for the securities division.

AUSTIN PINWHEEL

Gov. Allred bagged a deer in New Mexico last week....he left Monday on another deer hunt, as the Texas season opened. With Democratic Gov. Elect Walter A. Huxman of Kansas, but declared he wouldn't shoot, reser-

ved his second deer for later in the season....More than 20,000 individuals contributed to Texas democracy's \$275,000 contribution (\$25,000 over Texas' quota) to the national party warchest in the campaign just closed. Roy Miller, director, reported, and contributions are still coming in to help pay off the deficit in the national fund....Sen. Joe Hill of Henderson will offer bills to repeal the race track betting law, to outlaw dog racing betting, and failing in these, to

tax dog race betting as horse betting is now taxed.

CITY FEDERATION OF WOMEN'S CLUB HOLDS PROGRAM TEA

The high light of social interest for last week was a program tea given by the four Federated Women's clubs of the city, in the home of Mrs. Anna McClure.

The guests were greeted by Mrs. McClure, who directed them to the guest book, presided over by Mrs. C. H. McCully.

Mrs. A. M. Walker presided for a brief business session and gave a resume of the city Federation year book.

The following program was given. Vocal solo "By the bend of the River" Mrs. George Gadiel. "The official call and objective of the 39th annual convention of Texas Federated Womens Clubs" Mrs. E. F. Laverty. "High lights of the State Federated Womens clubs" Mrs. G. J. Lane. Song "Ain't going to study war no more" Misses Lillian Grace Dickson, Joyce McCully and Marian Reed.

"The unveiling of the portrait of Mrs. Percy V. Penneybacker" Mrs. Weldon Grimes.

Eloise Lane played a melody of popular songs as Mrs. McCully assisted by her committee served a tea plate holding pumpkin pie topped with whipped cream, cheese straws and hot coffee to the following guests: Mmes A. M. Walker, Nellie Davis, John Album, E. L. Caraway, B. F. Hale, F. B. Crockett, Jerry Willard, A. C. Crockett, W. L. Edwards, E. D. Engleman, Lester Ericson, Jerry Ensey, C. E. Fisher, T. H. McAdoo

Mr. and Mrs. Wiley McCarty and family from Afton were guests of Mr. and Mrs. Walter Pullen during the week end. Mrs. Pullen is a daughter of Mr. McCarty.

Mr. Alvis Yeates, English teacher in McAdoo High School went to see his parents, Rev. and Mrs. Yeates of Crowell and attended the Centennial Exposition at Dallas and Fort Worth during the week that McAdoo school was dismissed for cotton picking.

Rev. Lewis McCarty from the state of Colorado came by to see his niece, Mrs. Walter Pullen and family. Her week here was the first time Mrs. Pullen had seen her uncle in twelve years. Mr. and Mrs. McCarty and family lived in the Gravel Hill Community near Afton before moving to Colorado and have many friends in Dickens County.

Mr. Earl McGee was in Lamesa the past week attending to business matters.

Miss Nathalia Bates from Fisher County is here visiting with relatives, C. C. Neeley and family.

Miss La Verne Hayhurst, home economics teacher in McAdoo high school, and her mother, Mrs. Gilmore, and brother spent a few days in Wellington recently visiting with friends. Miss Hayhurst and mother lived in Wellington before moving to McAdoo recently.

Miss Francis Lay spent last week in Mangum, Oklahoma, with relatives and friends. While she was gone her home was burned.

Mr. H. U. Butts and Miss Bertie Lee Butts went to Quanah to see their parents and friends last week during the weeks recess of school. Mr. and Miss Butts are teachers in McAdoo school.

Mr. and Mrs. Tolbert Barton from Roaring Springs and Mr. and Mrs. Virgil Barton from Lorenzo spent Sunday with their parents, Mr. and Mrs. Barton and family.

Rev. Frank Beauchamp went to Dallas last week to attend a Preacher's Mission meeting. Mrs. Beauchamp and children stayed at Matador with Mrs. Dennison while he was gone. Rev. Dennison accompanied Bro. Beauchamp to Dallas.

Juaneva Brown was working for Mr. and Mrs. Lay and all of her clothing was burned.

Friends rushed to their aid as soon as they learned of the fire, but all efforts failed in saving anything or extinguishing the fire. Insurance was carried on the building it was reported Mr. and Mrs. Lay have been in the mercantile business in McAdoo for a number of years.

Mr. Alvis Yeates, Mr. H. U. Butts, Miss Bertie Lee Butts and Miss La Verne Hayhurst, teachers in the McAdoo school, boarded at Mrs. and Mrs. Lay's and all of them lost clothing and other articles in the fire. Miss Hayhurst had moved out with her mother but had not got all of her clothes from Mrs. Lay's.

McAdoo school had dismissed for a week and the other teachers had gone to their homes when the first occurred.

The McAdoo basketball girls went to Idalou Friday to enter a basketball tournament held at that place Friday and Saturday. Robertson forfeited game to the local girls Friday night. Saturday morning McAdoo and Idalou played and Idalou won the game. The local team saw a number of interesting games if they did not win. The following girls went to the tournament: Geneva Hardin, Robena Formby, Frances Lay, Margaret Bass, Juanita Rose, Mary Ruth Boyd, Marcell Miller, Bobbie Dillon, Velma Smith, Maxine and Edrie Henderson and Ruth and Katherine Ward.

The girls spent Friday night in Idalou and enjoyed the tournament very much. They returned home Saturday about 3:0 o'clock.

McAdoo Eagles played their last game of football this season with Roosevelt Friday, November 20. The Eagles lost this game.

There was no school at McAdoo the past week, school having dismissed in order that the students might help harvest the crop. Since there was no school the local teams could not practice. It takes "practice to make perfect" and of course a team can't always win when they have been unable to get their regular practice.

Mrs. Dock Sargent of Canadian is the guest of her parents, Mr. and Mrs. W. F. Shugart of Red Hill community, and other relatives.

His many friends are glad to see Faust Collier back in our city again after several weeks of absence due to illness. He has accepted a place with the Spur Creamery and Bottling Works.

Mr. and Mrs. Ralph Gillette and daughter, Leona Glenn, of Colorado City, spent Sunday with Mr. and Mrs. Allen of the Allen Auto Supply Co.

Mrs. George Gabriel and son left Sunday for Wenoka, Okla., to visit her parents, Mr. and Mrs. Columbia.

Mr. and Mrs. Cash Wilemon and littson, Cash Caraway, of Stamford, are visiting Mrs. Wilemon's parents, Mr. and Mrs. E. L. Caraway and other friends in our city this week.

J. Robinet of Calgary, was attending to business affairs in our city Wednesday. He and Mr. and Mrs. Herman Morris have just returned from a visit with friends at Duke, Okla.

Mrs. W. J. Lasseter of Lubbock, visited friends in our city Friday.

Mrs. Horton Barrett and son, Marvin, arrived here Tuesday evening from Santa Fe and will visit friends during the holidays.

Miss Callie Faye Shelton of Lubbock was the week end guest of Fred Kinney in the W. N. Kinney home here.

A WORD OF APPRECIATION

I, O. M. Fortenberry, as pastor of the Assembly of God church, wish to take this opportunity to express my thanks for the honor bestowed upon me by the church Sunday, November 22, 1936.

LEST WE FORGET

This is Thanksgiving Day. It should stand today for what it stood in that premeval wilderness of early Colonial America when a struggling, forlornly brave little band of settlers set it aside as a day of thanks for the blessings they had received.

How much more we have to be thankful for than had these wearisome Pilgrims!

Today, in our comfortable surroundings, it is even difficult to image their sufferings. Unfortunate, our many blessings have become such a habit of our daily lives that we are prone to overlook them entirely. As we gather about the family board today let us, as good citizens, remember the homeless and the friendless and, if possible, put a speck of sunshine into their lives.

Let us observe the occasion in the becoming and strengthening spirit of community and national service. Let us avoid the perils of indifference which has threatened our prosperity. In short, let each and every one of us be sincerely grateful in our hearts.

It is in that spirit that we send this brief message to our many friends and patrons.
