## NOV. 11 PROGRAM PLANNED

### Spur Schools To Observe Armistice

The Spur Public Schools will observe Armistice Day in as patriotic manner as the faculty and students can provide. Armistice Day itself will be observed as a holiday and with the school participating in the parade and program and by attending the football game in the afternoon.

Complete plans have been made for a patriotic program to be given in the new school auditorium Friday at 11 o'clock before the four schools, white and colored alike. Each of these four schools will have a part on the program, and the patrons of the community are cordially invited to be present.

The program is as follows:

- I. Music — Spur School Band
- II. First Grade Program — Miss Vaughter's Room
  - A. Know Your Flag
  - B. Salute to the Flag
  - C. Song, Soldier Boy
  - D. Reading — Dean Watson
  - E. Questions about Our Flag — Collin Roy Reese
  - F. Soldier Drill
  - G. Song, God Bless America
- Audience
- IV. Playlet, The Sign of America — Junior High School
- V. Hayne School Program
  - A. Pledge to the Flag — All School
  - B. America's Answer — Irene King
- Spiritual — All School
- VI. High School Program
  - A. Playlet, A Fountain of Speech Department
  - B. Choral Club
  - C. Settings from Boyd M. Williams Post — R. C. Brown, Commander

### New County Home Demonstration Agent Arrives

Miss Henrietta Perrin arrived here about noon Monday to take up her work as County Home Demonstration Agent for Dickens County. Miss Perrin comes to this county from Throckmorton where she served as County Home Demonstration Agent for two years and was still going strong in the work when she was transferred.

She stated that she feels she is going to like her work in Dickens County, and is meeting among the best people she ever saw. She is a graduate of the North Texas State Teachers College, a school which has one of the best homeing departments of any school in the Southwest. Except the Texas College for Women at Denton (C. I. A.), the North Texas Teachers College was the first school in Texas to install Home Economics work. It is the first coed school in the state to begin this work and has kept ahead of other schools in this course.

People feel we are fortunate to get Miss Perrin in our county.

### TAX COLLECTIONS GOOD FOR SCHOOLS

County Superintendent Kelley stated this week that during October tax collections for the common schools of the county were the best in history. \$1063, in taxes was collected during the month. This collection is thought to be influenced a great deal by the discount offered by the state for payment of taxes early. However, it is very noticeable that few small farmers are numbered among the list of taxpayers for October. Short crops and cotton maturing late is thought to be greatly responsible for this condition.

Mr. and Mrs. M. D. Ivey, of Rotan, were in town Monday visiting friends. They paid the Times office a pleasant call while here.

### First From Dickens County To Give Life In War

Boyd M. Williams was the first of the Dickens County boys to give his life for his country in the World War. At the time of his death he was at Camp Pike, Arkansas, and had received the rank of Second Lieutenant August 26, 1918. At the time of his death he was an officer of the Guard, and had been on duty consistently

Boyd M. Williams

for 48 hours before being relieved. He came in during the evening and the next morning he was taken to a hospital, being enveloped with a huge fever. He passed away October 10, 1918, at Camp Pike hospital.

Lieutenant William was a son of Mr. and Mrs. George M. Williams of our city. He was born at Fort Worth March 25, 1894, on Easter Sunday. He was a graduate of Spur High School, completing with the class in May, 1913. He entered Baylor University in 1913 and was a student there through the term closing 1915. He entered the University of Texas a student in law in the fall of 1915 and was there two years, completing his junior course in law and was preparing to go East to (See Williams Back Page)

### Schools To Join Nov. 11th Program Buses Will Run

All the Spur schools are preparing their part of the program for the Armistice Day festivities next Monday. All classes will be in the parade and will march as classes. Possibly the first grades will lead the other school in the parade. The Pep Squad, the Boy Scouts and the school band will be in their respective places in the parade representing their different features of work.

All school buses will run Monday morning to accommodate, not only the school children, but those parents who may not have way to get to town. Any parent is invited to ride the buses if they have no other way to get to town. The buses will run after the football game and will take the parents and the children back home in the afternoon.

It is the intention of the school authorities to have a full day for Armistice and to be thankful for the blessings of peace we now enjoy.

### STATE APPORTIONMENT COMING SOON

The first state apportionment expected to be paid about November 15. This amount will be three dollars per capita. The entire state apportionment for this year is \$22.50 per capita, and will be paid along at various times during the year.

### Business Houses Be Closed Monday

All business houses in Spur, with the possible exception of hotels and cafes, will be closed to business next Monday in respect to Armistice Day. This is a custom established years ago. Even the gins in Spur will not run next Monday. All have agreed to shut down for the day. Gins that will close are Farmers Cooperative, Citizens Gin, Williamson Brothers, Swift Gin and the West Gin.

### T. E. Milam Undergoes Operation

T. E. Milam, of Milam's 5-Cent to 1-Dollar Store underwent a very serious operation at a Lubbock sanitarium Monday. Besides an hernia operation, the appendix and a small tumor were removed. He is a very sick man, but seems to be resting and is beginning to improve.

Mrs. Milam, A. C. Hull and O. B. Ratliff were with him during the operation.

W. A. Roberts, of Dallas, is here assisting Mrs. Milam with the store and looking after business while Mr. Milam is away. He will remain with the store until after holidays as Mr. Milam will not be able to assume the responsibility before that time.

### Bulldogs to Face Paducah Dragons In Game Monday

As has been the custom for many years, Spur and Paducah meet in their annual contest in football at the Charles A. Jones Memorial Stadium, just north of town. The Armistice games is always played between these two teams.

This is destined to be one of the hardest fought games of this season. Spur has lost only one conference game this year and Paducah has a half game chalked up against them, being a tie with Floydada Whirlwinds. Both teams have defeated Ralls and Crosbyton, and from all indications the Bulldogs and the Dragons are about equally matched. The game possibly will go to the team that gets the breaks.

A large number of people are expected to see this game. They are coming from Paducah in great numbers, and Matador, Floydada, Crosbyton, Ralls, Girard, Jayton, and all the schools in the country will be present to witness this game. It is to be one of the outstanding games played at Spur. It will be the last conference game played here this season. Spur has one more game which will be with Floydada Whirlwinds at Floydada Thanksgiving Day, November 21.

The number of games won by each team over the other one have been equal. Spur has as good team as there are in the District 4-A and they are going to play to win next Monday. People will get a real thrill from that game.

The American Legion program will be at the stadium Monday morning, closing about twelve o'clock noon.

### THANKSGIVING SERVICE SUNDAY NIGHT

A union Thanksgiving service is being planned to be held at the Methodist Church Sunday evening, November 17, at 7:30 o'clock. All ministers in town are being asked to cooperate and to take part on the program. Rev. C. R. Joyner will be in charge, and everybody is invited to attend. Later announcements will be made next week.

### First Third Term President Elected

In the latest tabulations of Wednesday, President Roosevelt broke all precedents by being elected to a third, term in a sweeping victory.

Wendell Willkie, the Republican candidate, had conceded defeat by mid-morning and later in the day his press secretary sent a congratulatory telegram.

In the latest returns President Roosevelt had 468 electoral votes, of which 266 is required for election.

### School Holidays Announced

The holidays which will be observed by Spur schools have been outlined for the remainder of the fall. Of course, Armistice Day will be observed next Monday by the school taking part in the program. The next holiday will be Thanksgiving which will be observed by the school, November 21 and 22. Schools will be dismissed those two days. The teachers will attend the Texas State Teachers Association which meets in Fort Worth. It is hoped that every teacher in the school will attend that meeting. Every teacher in Spur schools is a member of the State Teachers Association, and it is hoped all will attend the meeting.

Christmas holidays will be from December 20 until December 29 inclusive, making ten days in all. Schools will be dismissed during that period and all Spur schools will resume work Monday, December 30.

### COUNTY SCHOOLS APPLYING FOR STATE AID

All schools in the county are applying for state aid except Duck Creek and Wichita. Deputy State Superintendent Anthony Hunt was in the county last week and checked all school budgets and made recommendations to the State Department. He will return after January 1 and check all schools for accrediting. Dry Lake, Red Mud and Wichita schools will apply for accrediting. All other schools in the county are accredited.

G. F. Harris, of McAdoo, was transacting business and talking with the boys here Saturday.

### Draft Board In Session This Week

The County Draft Board has received the master copy of call numbers as shown in Washington. The Board has been in session all this week arranging the call numbers will be etionetaoinetaoi-qM-out for Dickens County Registrants. As soon as this work has been completed, call numbers will be posted at Dickens in the Courthouse, at the Postoffice in Spur and will be given to the press.

Questionnaires will be mailed in the order of the call numbers. There will be about fifty per day mailed to registrants to fill in. All men registered will receive questionnaires within the next three weeks.

It very probable that Dickens County's quota will be more than taken up by the 12 men who have volunteered through the County Draft Board. The Draft Board announces they will receive applications for enlistments for one from any persons who desire to volunteer to enlist, provided they are ages between 18 and 36 years. Those people under 21 years of age must have the written consent of their parents.

### Takes Over Oil Agency And Service Station

Clarence Foreman and C. H. McCully made a deal the last of the week to secure the ownership and management of the Phillips 66 Agency and also the Phillips 66 Service Station just south of the First Methodist Church. L. E. Baker has been in charge of this business for a long time and was successful with it.

Mr. McCully has been associated with this business for many years and knows the principle of it. Mr. Foreman has had experience in such business. The employees who have been serving the people at the service station will continue with possibly one exception.

Mr. Foreman and Mr. McCully will appreciate the continued good patronage and ask their friends to trade with them.

Mr. Baker will take a much needed rest at this time as his health is not good, and possibly will go through a clinic for a check up. It is the hope of his friends that he and Mrs. Baker and son will continue to be citizens of our community as they are very fine people.

### McAdoo DEFEATED WILSON

The McAdoo six-man football team defeated Wilson at Wilson last Friday afternoon 26 to 20 for their seventh straight victory.

They will play Roosevelt at Roosevelt next Friday afternoon at 2:30 o'clock. This is expected to be a fine game.

### NOTICE TO PARENTS OF EAST WARD CHILDREN

The Principal of the East Ward announces that the school buses will run next Monday morning as usual and children will be brought in for the parade which is part of their school work. However, in the afternoon there will be no school as Paducah and Spur will play their annual conference football game that afternoon. Since this will be the condition it is requested that parents either accompany small children in on the buses Monday morning, or give them money to attend the ball game which will be only ten cents for them. The buses will not return children back to their homes until after the ball game.

She is well informed in the work and no doubt will make a success in her new field.

She went by her home to visit with her people before going to South Texas. She said it will be a long way to go home for a visit from there, but not much further than from Dickens County.

Roy Ward, of McAdoo, was transacting business and talking with friends here Saturday.

### Program Outlined For Armistice Day

The following is the program outline for Armistice Day observance in Spur. Invitations have been sent to Legion Posts and schools at Paducah, Matador, Floydada, and Crosbyton, and to all schools in Dickens and to Girard and Jayton to join in with the Boyd M. Williams Post and with Spur schools in this program.

The parade will start about 9:30 in the morning from the corner of Sixth Street and Burlington Avenue, at the City Light plant. It will go north on Burlington to the Hill Top Grocery, and then go over the hill to the Charles A. Jones Memorial Stadium. It is expected that all Spanish American War Veterans and all World War Veterans will remain in a body at the stadium.

Song—America sung by everybody.

Invocation by C. V. Allen.

Song—God Bless America, sung by schools and accompanied by Spur school band.

Address by Hon. George W. Dupree of Lubbock.

Taps.

Program to close by twelve o'clock noon.

2:30. Football Game, Paducah Dragons vs. Spur Bulldogs.

### Spur Citizens Contribute Bricks To Museum

The last of the week a number of Spur citizens contributed bricks toward the construction of the West Texas Museum building on the campus of the Texas Technological College at Lubbock. There is still needed 38,000 bricks to complete the building and people will be sending them in, and you will miss the privilege of getting in on this fine movement.

### MASONIC MEETING NOVEMBER 14

The Spur Lodge No. 1023, A. F. & A. M. will hold a regular meeting in the hall Thursday night, November 14. All contest chairmen are asked to be on the job and be ready with refreshments. The losing teams will pay for the refreshments. There are four contest teams and the two losing pays for an oyster supper for those present.

There were 85 present at the last regular meeting, and work in two degrees was conferred.

### The Great American Motion Picture

#### HERE WAS A MAN!

Brigham Young led his 20,000 followers across 1800 miles of wasteland! On the shores of Utah's Great Salt Lake he built one of the world's famous cities! He had 27 wives and 47 children! His riding and marksmanship were legend! Strikingly handsome, he was a giant in stature and strength! His was a valiant spirit that helped make this nation great!

#### ANNIVERSARY FOR DAUGHTERS OF 1933 STUDY CLUB

The daughters of the 1933 Study Club celebrated their sixth anniversary October 15 with a banquet in the Home Economics laboratory having as their guests their adopted mother of the 3 Study Club. The mothers entered into the living room and were received by a receiving line made up of the officers of the Junior Club and their sponsor, Mrs. J. H. Swan. The living room was decorated in green and white, the Club colors. On the table was a beautiful white cake bearing in green the words, "6th Anniversary of Daughters of '33 Club. Each girl found her adopted mother and escorted her into the beautifully decorated dining room which was decorated with dahlias. The place cards were green and white.

After each one had found their places at the table, a toast was given by the president of the president of the Junior Club, Belva Swan. The leader for the evening was LaVoris Lee. The roll call was a tribute to their adopted mother by the girls.

The history of the Club was given by Belva Swan who related the high lights of the Club from the organization in '34 up to the present meeting. Jean Engleman sang several popular songs and was accompanied by Melba Lewis at the piano. The leader held a questionnaire which was very interesting to all.

The menu consisted of fruit cocktail, green peas, salad, Baked chicken, dressing and giblet gravy, peas, potatoes, hot rolls, butter, ice cream, cake and coffee.

Each member and mother were as follows:

- Beth Arthur, Mrs. O. C. Arthur
- Margie Bell, Mrs. W. F. Gilbert
- Muriel Whitwell, Mrs. M. T. Steel
- Norma Denson, Mrs. C. S.

#### 1933 STUDY CLUB

The 1933 Study Club met Tuesday, October 15, in the home of Mrs. C. S. Thompson. The president, Mrs. J. C. Ramsay, presided over a short business session. The Halloween theme was used throughout the program for the afternoon led by Mrs. O. C. Arthur.

"Roll Call"—"A Halloween experience." Mrs. J. L. Koonsman told about the "Origin of Halloween." Mrs. E. H. Boedeker told "The Legend of Sleepy Hollow."

At the conclusion of the program a session of "Fun and Frolic" was directed by the leader.

#### PATTON SPRINGS PUPILS ATTEND VERNON MEETING

The Patton Springs Chapter of Homemaking was represented at the District Meeting at Vernon by Johnnie Ruth Belsher, President; Ada Lou Robinett, Vice President; Jean Byars and Mrs. Joe Jeffers. Mrs. Joe Jeffers is the Patton Springs instructor of Homemaking.

#### PARENT-TEACHER MEETINGS TUESDAY

The Parent-Teacher Associations of Spur will hold their meetings next Tuesday, November 12. The first meeting will be at the East Ward school at two o'clock in the afternoon. A fine program will be rendered.

The Parent-Teacher Association of the Grammar School will meet next Tuesday afternoon at three o'clock. This group has a fine program outlined, and would like to have a number of parents present to enjoy this program.

The High School P. T. A. will meet at the high school building in the evening about 7:30 o'clock. A good program will be given at that time and some excellent talks on school and community interests will be made.

Parents really should attend these Parent-Teacher meetings as they give the parents a real contact with the school work and the purpose to be acquainted.

#### TYRONE POWER IN SCREEN EPIC

Darryl F. Zanuck Awards Top Role In "Brigham Young" To Screen Star Who Has Made Mark In "Big" Films

Tyrone Power has carried on the traditions of the "family of actors" in which he was born. Always an accomplished player, versatility has been the key note of his meteoric screen career. From his first role in "Girls' Dormitory" in 1936 he made sensational progress until today his "star" is firmly established in the Hollywood firmament.

When given the starring role in Darryl F. Zanuck's production of "Brigham Young, by Louis Bromfield, Power made the most of his opportunity to add another to his long list of memorable screen characterizations. It marked his fifteenth appearance in a stellar role.

In "Brigham Young," the 20th the Palace Theatre. Preview Saturday, Sunday and Monday, Nov. 10-11. Power is starred as Jonathan Kent, Mormon scout. Linda Darnell, and Dean Jagger as Brigham Young, head the fine featured cast.

The volume of fan mail following his appearance in "Girls'

Dormitory" put Power immediately into a top role. He played opposite Janet Gaynor in "Ladies In Love." After that came his famous part as Jonathan Blake in "Lloyds of London."

With his popularity mounting by leaps and bounds, Power was well on the way towards stardom. After "Lloyd of London" came three exceptionally fine films—"Love Is Not," "Cafe Metropole" and "Thin Ice," with Sonja Henie.

Darryl F. Zanuck's outstanding production, "In Old Chicago," afforded Power a new type of role. His characterization of O'Leary, the dashing political leader won the acclaim of the critics. It was that film which established Power

as a "big" picture star. Since then he has played only in top budget pictures.

Power scored a hit in "Alexander's Ragtime Band," which swept the nation with his nostalgic music and stirring story.

Power did another complete reversal in his next screen venture. Starred in the historical film, "Suez," he portrayed Ferdinand de Lesseps, the canal builder.

"Jesse James" followed and brought to the screen the exploits of the colorful and daring Missouri outlaw. From that success Power went on to win new laurels as Major Safi in "The Rains Came" as the college-boy turn-

ed gangster in "Johnny Apollo." In view of Powers brilliant record it was only natural for Darryl F. Zanuck to cast his most magnetic star in his most ambitious undertaking — "Brigham Young."

T. L. Dozier, of McAdoo, was attending to business matters in our city Saturday.

Bryan Hinson, of Roaring Springs, was in our city Monday greeting friends and looking after business matters.

J. P. Goen, west of Dickens, was in town Saturday attending to business affairs and talking with friends. Mr. Goen stated a nice shower fell at his place last week.

#### LARGE TRUCK CAPSIZED; NO ONE INJURED

A large transport truck loaded with calves turned over at the junction of highway 70 and 82 at the northwest corner of the square at Dickens Monday of last week. The truck was traveling south on highway 70 and attempted to make the turn to go west on 82 and the load shifted too much to the left side of the truck, causing it to lose its balance. The truck was moving rather slowly, possibly not more than ten or fifteen miles per hour, but the calves shifted when attempting to make the turn.

The calves were spilled out and made a get away, scattering all over the townsite of Dickens. However, they were rounded up and were loaded out Tuesday morning. None of the calves were injured, and the driver escaped injury. There were about 50 calves in the load.

### Red Cross To Start Membership Drive Of County

The members of the Dickens County Red Cross Board held a meeting at the City-County Library Monday afternoon to discuss matters relative to making the Red Cross Membership drive. John C. Ramsay presided at the meeting, and the following named members were present. C. R. Walthall, Joe Long, Neal A. Chastain, Mrs. Kate Senning, George S. Link, E. H. Boedeker, M. C. Golding and W. D. Starcher.

O. L. Kelley and Roy Stovall were elected members of the Board during the meeting.

J. C. Ramsey, Carl Arthur, E. H. Boedeker, Mrs. Kate Senning and George S. Link were elected by the Board to be the Executive Committee to look after such business as needed immediate attention at time when the County Board could not be in session.

Mr. Ramsey announced that Miss Luckett, regional director of Red Cross work wanted to meet with the County Board and the various Red Cross chairmen the last of this week. It was first agreed to have her be here Thursday night, but after talking with her, she stated she could not arrive here for that time. It was finally decided that the members of the County Board, the community Red Cross chairmen and other workers would meet with Miss Luckett at the Methodist Round-up Friday evening at 7:30 o'clock.

C. R. Walthall, Membership Chairman, stated that it would be

five yards. Spur completed pass and Lester Ball raced 30 yards for another counter. Spur converted making the score 20 to 0 for the Bulldogs.

Crosbyton received at their 30-yard line. Crosbyton lost three yards and gained four. Failed on pass. (Quarter) Crosbyton punted to Spur's 18-yard line. Spur gained five yards and five yards for first down. Spur lost four yards and then lost ball on fumble.

to have a float in the parade Monday representing the Red Cross organization. He was placed in charge of that work.

It was voted to ask the City Federated Clubs to assist in the Red Cross membership drive, giving them an opportunity to help raise the county membership quota. It is going to require the assistance of everybody this year in order to raise the quota. However, it is thought that no one should turn down an opportunity to become a member of the American Red Cross as the people of this county have been helped so liberally by that organization. One year the Red Cross assisted people here to the amount of about \$18,000.00, and surely, no one would want to forget an organization that did so much.

The regular drive will start next Monday, Armistice Day, and it is the hope of the County Red Cross Board to complete the work all over the county next week. The minimum membership fee is one dollar, but many people do, and many more should pay more than that amount into the funds. Half of the dollar membership remains in local funds to assist needy local people. If any one should pay two dollars for mem-

bership, then \$1.50 remains in the local funds to assist local people who are unfortunate. And who knows who may need that help before another year?

A committee was appointed to secure Red Cross workers during the drive. The committee was composed of C. R. Walthall, E. H.

Boedeker and Mrs. Kate Senning. They may contact some of the people at once, and you should deem it a privilege to work for so great an organization as the Red Cross, an organization that has never turned down any worthy opportunity to assist suffering humanity.

**WRITES TO PARENTS FROM THE NAVY**

Below is a letter written by Ross Battles to his parents, Mr. and Mrs. Sam T. Battles, who live about ten miles northeast of Spur. Young Battles is a member of the crew of the U. S. S. Indianapolis, and is in the Philippine Islands, or was when the letter was written. We publish the letter in order that his many friends may learn about him.

U. S. S. A. Indianapolis,  
 Pearl Harbor, T. H.,  
 17 October, 1940.

Dearest Mother and Dad:—  
 I am just getting ready to go out to sea again for about a week and before we leave I'll write a few lines and get this and a letter. Rose has written in the mail.

We are just plugging away out here, don't like this place any better than we did the Philippines but I guess Rose has already told you that much. I don't like the ship I am on either or the job I have now. I work in an office where there are about 20 men in and all of them are hard to get along with. I am going to try to get a job ashore. There is going to be a new Air Station built out here and I will have a chance to get duty there and I surely hope I can. Then I will be at home every night, in fact if I can get the job, the Government will furnish us a house to live in. That certainly would help too because we have to pay 30 a month unfurnished out here. We had to buy furniture and everything is high as the dickens. I don't want Rose to know about me trying to get the new job so she will be surprised if I do get it.

Don't know about the war. It looks like we will have to go over and kick the stuffing out of the Japs before its over. I know by what we learned while we were in China, that the U. S. can beat Japan up without half trying. Everybody has already taken more off them than they should and its time some country stopped them before they do get powerful enough to do some real damage. If this country don't re-elect Roosevelt for president it surely will be crazy. He is, in my estimation, one of the best the U. S. has ever had and his defeat for another term will almost mean the destruction of our freedom and possibly our country.

That's enough of politics and wars. I don't know when we will get to come back to the States. Its so close there and still so far away. Only takes about five days to get to San Diego but it seems that the Navy is just about out here to stay. We are much better off than many of the Sailors though. Lots of them are out here and aren't able to have their wives and children with them. That's very hard on them. Some of the fellows have been out here a year and its been that long since they saw their family.

I must hurry and get this in the mail and I'll try to write some more while we are out here this week. I surely wish you could see Dianne. She is just like a doll, smart as a whip and as full of mischief and jolly as she can be.

Love, Ross

**ACTIVITIES OF HOMEMAKING**  
 The Homemaking Classes of Spur High School will act as hosts to an area meeting March 1, 1941. A meeting of this nature was held at Vernon last Saturday and a number of the Homemakers of Spur Schools attended, as did their instructor, Miss Ethel Greene. There were 546 guests present at the Vernon meeting. The theme of the day was "A Homemaker's Place in a Democracy."

The Homemaking Department is acting as hostess in an entertainment of the F. F. A. boys at the High School tonight (Thursday). The theme of this meeting is "Thanksgiving."

Why celebrate Thanksgiving will be discussed by Bobbie Lou Waters.

How is the Day Determined will be told by Betty Weaver.

How to Carve the Turkey, by a F. F. A. Boy.

Recreation will be direction by Melba Lewis.

**Terracing Demonstration**

Last Saturday morning approximately 100 Dickens County farmers saw eight tractors constructing terraces on the Neal Chastain farm north of Spur with the aid of eight different types of farm plows and terracers. This demonstration was sponsored by the Soil Conservation Service and the local County Agent.

The Model A Farmall tractor drew a single bottom mold board plow and surprising enough built quite a satisfactory terrace 13-in. in height and better than 40 feet in width. There were two Model B Farmall tractors pulling a one way disk plow with rubber tired wheels and a 6 foot Corsciana terracer. There were three Model H Farmall tractors pulling a 18 inch mold board plow with a wing extension, a 8 foot Corsciana terracer and a rotary freso. We had a Ford tractor pulling a 16 inch mold board terrace plow. Each of the above pieces of equipment built a satisfactory terrace varying from 50 to 75 rounds.

This demonstration proved quite conclusively that it is possible to build satisfactory terraces with this light equipment if one is willing to spend the necessary time at the job. Most farmers of today have either a farm tractor or teams available for their use which can be used during the slack season of the year for the construction of terraces. If one has his own power and labor available, he can terrace his farm with a relatively small cash outlay. Best results were accomplished when the height was built up gradually along with the width. In this manner one can build a terrace wide enough that he can work with any type of equipment he may have on his farm and of a sufficient height to control the average rainfall.

Anyone interested in getting detailed information on the construction of these terraces may do so by contacting Mack Woodrum, County Agent, or E. D. Cook, in charge of Soil Conservation Service in Spur.

The plows and part of the terracers for the demonstration were furnished by local implement dealers.

**1941 COTTON MATTRESS PROGRAM**

The mattress material for the 1941 Mattress Program has been received and applications are ready to be filed for mattresses by low-income rural families.

The following are the rules of eligibility for participation in the program.

- (a) A family consists of two or more persons having a common or pooled income and living together as an independent economic unit in one household, or one person maintaining a separate independent household.
- (b) A low-income rural family is any family which had for the latest preceding calendar year a total income of not more than \$500, plus \$50 for each member of the family in excess of four persons, and which (1) lives in the country or (2) lives in a village, town or city, and derived at least one calendar year from agricultural occupations.
- (c) Total income means the cash income received from all sources or earned and collectible, plus the local market value of unsold farm products raised for or received as payment for services on rent and held for sale minus farm rent paid or to be paid in cash.

Each eligible family may receive one mattress for each two persons in the family, but not to exceed a total of three mattresses. Where one person constitutes a family under the provisions of this program, such person is eligible to receive one mattress. If the family has already received a mattress or has made application for a mattress or the material to make a mattress, under the Cotton Mattress Project, or has received a mattress or the material to make a mattress, under the Cotton Mattress Administration or the State welfare agency, this is to be included in determining the number of mattresses which the family may receive under the program.

Application blanks may be had at the County Agent's Office or the Home Demonstration Agent's

**PEP SQUAD TO SPONSOR PARTY**

The Pep Squad of Spur schools are having a table game party in the High School gymnasium Friday evening, November 8, starting about eight o'clock. Tickets are on sale at this time at 15 cents which entitles the purchaser to a full evening of fun.

Several High School girls will give a short program. High School students and patrons are invited. Games played will be 32, donimo, rummy and donkey.

The proceeds are to be used by the Pep Squad to assist in their work. This organization is very necessary to our football and basket ball teams. Let's be there and enjoy a good time with our high school students.

**SEVENTH GRADE TO GIVE ASSEMBLY PROGRAM THURSDAY**

The Seventh Grade pupils in the Gamma Scholo will give the assembly program Thursday morning, beginning at 11:15 o'clock. Mr. Williams, the principal, will be in charge of this program, and he stated the pupils will do some athletic stunts. They are taking extra time for this program as it will require a great number of pupils doing different things.

Parents and others are extended an invitation to be present for this assembly program Thursday morning. Some room gives an assembly program every Thursday morning, but all seem to think this one is going to be better.

**ARTABAN CLUB HOSTEES 18**

The Artaban Club, which is composed of Homemaking pupils, will act as host to a school of instruction at the High School Monday, November 18. This school is expected to be attended by club officers from the counties of Crosby, Kent and Dickens, taking in all the Homemaking class of all schools in the three counties.

The district director will be present for the meeting.

**FIFTY-FIVE WATER FACILITIES INSTALLED BY SOIL CONSERVATION SERVICE IN KENT AND DICKENS COUNTIES**

The Soil Conservation Service, United States Department of Agriculture, continues to install all types of Water Facilities which provide various means of obtaining water for farm families who have been unable to provide this needed service otherwise. Funds to finance these projects are provided by the Farm Security Administration, United States Department of Agriculture, at Spur, Texas.

All engineering and supervising of construction is furnished by trained men of the Soil Conservation Service, thereby guaranteeing the proper type of this service and without cost to the farmer.

These water facilities include such projects as wells, windmills, overhead tanks, earthen tanks, pipes to houses and gardens, etc.

A recent change in policy has enabled the Farm Security Administration and Soil Conservation Service to guarantee usable water and if no such water is obtained there is no cost to the borrower. For further information apply at the Soil Conservation Service office, County Agricultural Agent, County Home Demonstration Agents, Agriculture Teachers, or the Farm Security Administration office at Spur, Texas.

Mr. and Mrs. Al Bingham, of the Swenson Ranch headquarters were in town Saturday enjoying friends and doing some trading

Office at the present time.

All families eligible to receive a mattress should make application as soon as practical that the program may get under way soon.

**DICKENS SCHOOL NEWS**

The teachers and pupils of Dickens City Schools will conduct a school carnival at the school building Friday night. One of the great events will be the coronation of the carnival queen. The Homemaking Department will serve a Mexican dinner during the evening.

One great feature will be a wrestling contest between Roy Holly and Buck Hawley, both being experience wrestlers. Then there will be several amateur boxing matches.

A Womanless Wedding made up of business men of Dickens will be a feature for the evening. The Womanless Wedding is always a screen and produces lots of fun.

**FOOTBALL GAME**

The Dickens Owls will play a six-man football game at New Home Friday afternoon at two o'clock. This is expected to be a good game. The Owls lost last Friday 12 to 6 to the Roosevelt team.

Dickens P.-T. A. is fostering a school lunch room and expect to get it started within next ten day. The project has been approved and everything is ready to go. The school is conducting a linen shower Thursday night of next week to secure linens, dishes and other utensils to be used in the lunch room. The Parent-Teachers Association will hold their regular meeting Thursday night of next week, which will be converted into a real lunch room rally.

The school has purchased a new refrigerator from the Leon Ice Company for the Homemaking Department. This refrigerator has been installed and the school is very proud of it.

Mr. Schott, the Superintendent, announced this week that 104 new books have been purchased for the school library. Most of these will go into the High School, but several volumes are scattered through the grades.

Another fine improvement being made by Dickens schools is the installation of heaters in the school busses. These heaters are being installed this week.

**TRYING TO ELECT QUEEN**

The Grammar School at Dickens are doing their best to get their queen selected as the carnival queen. They have nominated Lois Estelle Meadors who seems to be meeting with very favorable success. The pupils have made a quilt, each pupil contributing a square, and it is now completed and is on display at the Futch Grocery. This quilt will be auctioned off and the money goes to help elect their queen. Send in twenty five cents to Miss Nesman, Grade School principal, and help those children in their queen race.

The Homemaking Department will serve hamburgers, hot dogs, cold drinks, home made candies and other good things at the carnival Friday night. You will want to visit their booth.

A number of the Homemaking Girls went to Vernon last Saturday and attended the regional meeting. They proclaim the meeting to be fine.

Mrs. Lera Mateer of Oklahoma City, is here visiting her mother, Mrs. H. O. Albin and family.

Mr. and Mrs. Herman McArthur of Tatum, N. Mexico, spent the week-end visiting their parents, Mr. and Mrs. Tom McArthur of Red Mud and Mr. and Mrs. H. G. Foote of Calgary. They are doing fine in New Mexico.

Mr. and Mrs. Matt Howell, of Catfish community, were in town Saturday talking with friends and doing some trading.

W. F. Shugart, of Red Hill, was attending to business matters and

# ARMISTICE DAY

NOVEMBER 11 1918  $\equiv$  1940

## LET'S NOT FORGET AMERICA

Twenty-two years ago, in a railroad car in France, a war-torn world was given a new peace—a peace designed to last through all the time to come. It cannot be denied that the clock that struck eleven on that November Monday morning was destined to establish a new order. The new order has come and gone, and today the battlefields of twenty-five years ago no longer lie dormant. War has come again.

Let's remember this day—November 11, 1940—is Armistice Day, the anniversary of the most tumultuous welcome that Peace was ever given. Let's remember the reasons we had for being grateful when Peace came in 1918—the hopes we had, the resolutions we made, the determination in our hearts that such a price would never again be paid. Let's not forget these things.

Let's think of America—the America we built at Valley Forge and Appomattox... the America we found in covered wagon treks across a continent... the America we have molded into the shape of all the things we love.

On this one more Armistice Day let's resolve again that Peace must be America's irrevocable destiny.

Mr. Roberts was born in Marion County, Missouri, August 11, 1889. He was a son of Mr. and Mrs. Robert Barrett. He was married to Miss Mary Jane Ashford in September, 1883, and they spent 58 years together.

He came to Dickens County in 1915 and was associated with Bryant-Link Company many years. In the late twenties he gave up his position with Bryant-Link Company and did not try to work any more.

He was converted when about 25 years of age and became affiliated with the Baptist Church. He lived a devoted Christian life and was faithful in attendance to the services of the church. His life was exemplary in every respect, and he was a student of the Bible.

The survivors are his widow, six daughters: Mrs. Bernice Roberts of Hamlin, Mrs. Cleo Stephens of Ft. Worth, Mrs. Lena Watson King of Dallas, Mrs. Virgle Pharr of Dallas, Mrs. Irene Westbay of

Dallas, Mrs. Rachel Simmons of Spur; four sons: L. R. Barrett of Spur, Tom Barrett of Grapevine, Melton Barrett of Dallas, Dick Barrett of Kingsville.

Two children, Mrs. Parr and Dick Barrett, could not be present for the funeral.

### Speech Dept. To Give Short Play Friday

"A Fountain of Peace," an Armistice Day play, is to be presented by the Speech Department of Spur schools at the High School auditorium Friday morning. Paul the town's young poet, has been designated to write an inscription on a bronze tablet to be placed in the memorial fountain. He gets his inspiration from passers-by in the park, but turns to the Bible for his quotations.

Paul is characterized by Alfred Elkins, Mary, his friend, by Russell and Ellis Power. The World War Veterans are Orville Finlay and Elbert Garner. Gracie, and office worker, and Nelie, her chum are represented by Virginia Johnson and Velma Nell Glenn. Miss Madison, an author, by Lawrence Lee; Mr. Burton, an historian, by Donald Elrott; Mr. and Mrs. Clayton, an old retired farmer and his wife, are characterized by Matthew Gruben and Peon Morgan. The children's parts are played by Billy Wayne Ryess, Lowell Cato, Marion Speer and Alberta Dunwoody.

### Matador Merchant Passes Away

J. H. Sample, merchant at Matador, died at his residence about two o'clock Wednesday morning. Heart attack was stated as the cause of his demise. Funeral services will be in Matador at two o'clock this afternoon (Thursday).

Mr. Sample is a former business man of Spur, being associated in the grocery business here with his brother, W. W. Sample, in the Spot Cash Grocery. In the spring of 1921 Mr. Sample went to Matador and installed the Spot Cash Grocery there.

He was a man held in high esteem by all who knew him and was always found on the right side of every moral question.

### Will Have Program Friday Morning

All of the schools in Spur, including the Haynes School will assemble in the High School auditorium Friday morning for a patriotic program. The music department is preparing a number of selections for that time and the High School Sextette will give a few selections.

Members of the sextette are: Bertie Bell Glenn, Louise Ince, Jean Engleman, Robbie Hoover, Nona Carol Smith and Gladys Hoover.

There will be other numbers on the program. The Grammar School will join with the High School in this program and will give one or more numbers. The East Ward will do their part also in the program.

The Haynes School will have a section and will also take part in the program.

Parents are invited to be present at the High School auditorium for this program Friday morning from 11:00 o'clock until noon.

### Williams—

(Continued from Page One)

pleting his junior course in law came.

He left for Camp Travis at San Antonio October 11, 1917, and was a Sargeant in Company C, 359 Infantry, of the 90th Division. He entered Fourth Officers training at Camp Pike and was commissioned a Second Lieutenant on the date stated above. He was given the pleasure of a furlough and came home and spent a full month with his parents. During that time he seemed to want to be with them all the time. He returned to Camp Pike and took up his work and was at his post when the tragical malady of influenza and double pneumonia took him down. He served as an officer of the Guard for 48 hours just preceding and rain fell almost incessantly with a cold wind blowing. When relief came it was too late.

His parents received a wire stating his illness. That was the day before many automobiles in this country. They spent all night getting to Stamford to take the train out next morning. Mrs. Williams was ill at the time, but she endured the long hard trip just to see her boy once more. She was sent back to Fort Worth and was placed in a hospital and was there when Lieut. Williams passed away. She never saw him again.

The body was brought back to Spur for funeral services with a military escort. The funeral services were conducted at the parental home the afternoon of October 14, 1918. Interment followed in Spur cemetery.

He was serving as a drill officer at Camp Pike. There were three Lieutenants in the camp. One was the officer of the Day and the other two were Officers of the Guard. Lieutenant Williams held one of the latter stations.

He was offered clerical positions in the camp, and other places of trust, but he wanted to be an outdoor man—be in the service taking his part of the roughs along with the other comrades.

### Rural Electrification

Do the people of Dickens County want electricity on their farms? Evidently they do, judging from the rising tide of interest following last week's call. It was impossible for the membership solicitor to visit the entire county the past week, but he will reach all before the time is up. Just make up your mind to have electricity and get our five dollars meter deposit ready. Many farmers are pushing with all their vim and might. They realize that this is their opportunity to brighten the living conditions in their homes and to make farm activities more pleasant.

The task of completing the sign up for the project is not a small one. Help is needed from Spur and other towns of the county. Many, many people in these towns have farms that now form missing links along the line. These missing links are so numerous that they create an unduly heavy load for the resident farmers to try to tie over. This is a county wide project, and its establishment will effect the welfare of everybody living or having property along the line. Then, why not get your farm signed up? Get with your renter and agree on the line-up. Usually the owner wires his farm dwelling and the renter

puts up the meter deposit and pays for the current. Get together and have a definite understanding so that each will know what to do and save much delay and confusion. A second trip to a farm not mean a great deal of time, but a trip to each of forty farms will mean three or four days. Time means a great deal now.

Renters, get in touch with your landowners who do not live in the county. Many of them will want their farm tied onto the line now, for it may cost them heavily to tie on later.

Everybody wants to know how many sign-ups yet are needed to obtain an allotment. This is a little difficult to answer. If the missing links mentioned above are pretty well all filled in, the number yet needed are very few, probably fewer than twenty five for the county.

For signing up see S. L. Benefield, or an of his helpers in each community. He will be in the Directors Room of the Spur Security Bank Friday morning November 8, from nine o'clock until 12:00 o'clock noon. Landowners may call on him during that time.

—The Manager.

### TWO MORE DICKENS COUNTY BOYS ENLIST

The United States Army recruiting station at Lubbock reports that two more men from Dickens County have enlisted in the U. S. Army. Roy C. Fabus, of Dickens, and Mack O. Parker, of Elton, enlisted Tuesday of last week, October 29. Both men were assigned to the infantry at Fort Sam Houston.

The recruiting station at Lubbock reports that there are vacancies in the Army recruiting offices in Lubbock, Pampa, Amarillo, Childress and Plainview in the ranks of Infantry, Field Artillery, Coast Artillery, Signal Corps, Cavalry, Air Corps, Quartermaster Corps, and Medical Department.

The above branches of service are open at this time but the best branches, such as Air Corps, Coast Artillery, and Signal, are selected by the first men, but there are always good selections to choose from at any of these stations.

Mr. and Mrs. W. P. Shugart and Mr. and Mrs. J. L. Wolfe were guests of Mr. and Mrs. W. R. Terry at Rule Sunday.

### Cecil Hugh Meador Proud Owner of Club Calf

"Goen," a 530 pound white face calf has come to dwell in the corral of Cecil Meador in Dickens. His proud owner is Cecil Hugh Meador, a 14 year old 4-H Club boy. "Goen" is the top calf picked from Guy Goen's 1940 calves and is fresh off the range. The first few days of his stay in Dickens he was quite busy getting acquainted with his new surroundings, but he has adjusted himself to his new environment and is now eating the rations recommended by the Club leader, Charles A. Taylor and County Agent, Mack Woodrum. He has promised Cecil Hugh that in return for kind treatment, plenty of the proper feed, and all the fresh water he can drink, to make a good gain and be in satisfactory condition for the stock show in Spur next Spring.

### INTERNATIONAL FAIR AND LIVESTOCK EXPOSITION OPENS NOVEMBER 8

Eagle Pass will entertain the International Fair and Livestock Exposition starting Friday, Nov. 8, and continues four days. This exposition will be products from Old Mexico, Texas and other countries. Headquarters will be in the historic Ft. Duncan Park, and the buildings of Fort Duncan will be used. This fort was established in 1849 as a protection base to the U. S. Army in Mexico. Rodeos will be held each afternoon under the direction of Earl

and Jack Sellers, well-known promoters in Texas, and outstanding riders and ropers will perform. In competition will be the famous vaqueros of Mexico dressed in typical "charro" costumes, who will demonstrate trick riding and roping which has made them famous on two continents.

Quarterhorse races will be Saturday and a fine horse show will feature Monday. Also, a rodeo to Old Mexico and other points of interest will entertain the people.
