Joe Franklin Pettit Drowns in Tank on Ranch

Joe Franklin Pettit, 19, son of Mr. and Mrs. Oscar Pettit, 10 miles northwest of Spur, was drowned about four o'clock Sunday afternoon while swimming in a tank on the Rafter-J Ranch. Joe was accompanied by Sammy Graves to the tank which is located on the eastern side of the ranch and had gone into the tank about three o'clock in the afternoon. They swam back and forth across the tank two or three times and then rested for quite a while.

The two young men started to swim back across the tank and Sammy made his way across with no difficulty. He looked back and saw Joe swimming with his face under water which is not out of the ordinary for boys while swimming. Sammy observed him turn toward the dam and swam to it and then turned back toward the center of the tank. Soon he went down and never came back up.

The body was recovered about six o'clock in the afternoon by a number of Boy Scouts who had been trained in health and life saving. Artificial respiration was applied but the boy's heart failed to respond. Dr. Standifer was present and advised the Boy Scouts that life could not be restored under the condition.

Funeral services were held at the First Christian Church in Spur Monday afternoon at three o'clock. Rev. R. C. Brown, the acting pastor, was in charge of the services. Interment followed in Spur cemetery with Curry Funeral Home in charge of arrangements. Active pallbearers were: Sammy Graves, Doty Graves, Edd Franklin, Gerald Patton, Corbet Roberson, Bill Chambless. Flower bearers were: Doris Anne Chambless, Geneva Byrd, Byrdan Roberson, Betty Lynn Brown and Euna Fawyer.

The deceased is survived by his parents, Oscar and Lucy Farmer Pettit, and one sister, Miss Gladys Pettit. He was the only son in the family.

Farm Ownership Loans

Long-term, low-interest loans with which tenant farmers may buy farms of their choice are being made by the Farm Security Administration. Applications are being received at the Farm Security office located in Spur, Texas from your King and Kent counties agricultural agents.

Tenant farmers, share croppers, and farm laborers are eligible for these loans, although preference is given to families which have an adequate supply of livestock and equipment. Both white and Negro farmers may receive these loans.

Farmers choose the farms they hope to buy and are not restricted to those which are fully improved. The loan may include funds to repair or build the home, barn, and for other improvements. Only family-size farms may be bought, however.

These loans bear three per cent interest and are repayable over a 40-year period. Often payments amount to no more than the farmer would have paid as rent. An added feature is the variable payment plan, under which payments are larger in good years and smaller in poor ones.

Applications are being received at the Farm Security Administration office in anticipation of funds being made available for this purpose by Congress.

RETURNED HOME MONDAY

S. R. Bowman, who had been in the Nichols sanitarium at Savannah, Mo., returned home Monday. After careful examination the doctors reported that Mr. Bowman had been affected with a malignant tumor on his right breast, but that it is no longer malignant and that it is no longer malignant.

The doctors stated that it would require a long time for the wound to heal since the X-Ray treatments had burned the flesh so deep.

Mr. Bowman was accompanied to Savannah by his daughter, Mrs. Granville B. Whittle of Madill, Okla., who is still here with him.

Rev. and Mrs. W. B. Vaughn and Mrs. W. Y. Higgins, of Matador, were in our city Wednesday greeting acquaintances and trading.

Transfers Must Be Looked After at Once

Applications for transfers of children from one school to another must be made within the next two weeks, says County Superintendent O. L. Kelley. No transfers can be granted after Thursday, July 31.

Mr. Kelley announces that he will be on the streets of Spur each Saturday in this month to accept applications for transfers. All school children desiring to transfer from one school district to another, can do so by seeing him in Spur on Saturdays, or by making application at the office of the County Superintendent in Dickens any day before August 1.

Dickens County Suffers Legislative Blow

229 Texas counties, including Dickens, are the victims of the Legislature's failure to re-enact the appropriation phase of the Texas road bond assumption law. This will cost the 229 counties a total of \$9,554,025.14 next year.

Dickens County's loss from the fund will be \$11,751.53.

In addition to the above, the failure of the Legislature to re-enact the lateral road fund law will mean an additional loss of over five thousand dollars. The loss by failure to re-enact both phases of the assumption law will be a total of \$17,414.52 to Dickens county.

The money for this participation is available from the one cent of the State's four cent gasoline tax and since the State has participated in bond assumption for the past eight years, a severe blow is given the 229 counties relying on such aid.

O'Daniel Gains 254 Votes in Count

In the final official check up of votes in the race for United States Senator which was made by the State Election Board Monday, Governor O'Daniel made a gain of 254 votes an average of one for each county in Texas. The count made on two candidates, the Governor and Representative Lyndon B. Johnson, was to make sure and official the final results.

The official check up was directed by Secretary of State William Lawson. Governor O'Daniel was present and looked on. Attorney General Mann, who is a member of the State Board, was not present but was represented by Assistant Attorney General Grover Sellers.

The final count gave O'Daniel 175,590 votes and Johnson, 174,279. O'Daniel will officially be declared the United States Senator elect to go to Washington at once.

Spur Boy on Team at Coaching School

PLAINVIEW, July 15.—(Special) West Texas football fans will have a preview of the popular fall sport August 29, when picked teams from Class A and Class B high schools will perform as the closing event of the annual Plains Coaching School which opens here August 25.

From towns over a wide West Texas territory, football stars who are winding up their high school careers are being invited to participate in the All-Stars classic which will bring the school to a fitting culmination.

Among the athletes who have already accepted an invitation to perform here is Ross Culbert of Spur, a back, who will play on the East squad.

The group of high school stars will be divided into two teams, the East and the West. The East team will be coached by Marty Karow, coach of the mighty A. & M. College backfield while the West will be tutored by Del Morgan, new Texas Tech grid mentor. These two outstanding coaches will conduct the football school for approximately 100 high school athletic directors who are expected to attend.

In addition to playing in the game Friday night, August 29, the boys are to demonstrate during the week various plays and formations that arov and Morgan will present at the school.

Mrs. Marlin Traylor, of Artesia, N. M., spent Sunday night here with her parents, Mr. and Mrs. J. H. Clay.

Organization for The Collection of Dickens County Old Aluminum for National Defense Aluminum Week Headed by Judge Boedeker

Judge E. H. Boedeker has been called upon with the cooperation of the Commissioners to organize machinery for participation in the nationwide movement to collect scrap aluminum for National Defense Purposes. Judge Boedeker states that plans are well underway and he hopes that Dickens County will lend its support to this movement.

The government needs all discarded or used aluminumware that can be spared without replacements from homes, institutions, business houses, and industrial plants. For example, if a house wife has some new and some old aluminumware and has other types of pots and pans and kettles which she can use in place of the aluminumware, she should donate all of the aluminumware that she can spare; but she should not give away anything that would require her to purchase new utensils.

July 21 to 29 inclusive have been designated as the collection days. County depositories for scrap aluminum will be located at the Court House, Dickens, Texas, and the City Hall at Spur, Texas. There may be some local depositories in the various communities if the persons herein-after designated in the various communities so designate.

The persons chosen to carry on the work are: E. H. Boedeker, chairman; Mack

Woodrum, secretary; Commissioners Court.

McAdoo: R. R. Wooten, Austin Rose, M. A. Graham.

Duncan Flat: Joe Rose, Bud Smiley, Fred Henry.

Afton: Jesse Powell, Kelly McAllister, Clark Forbis.

Prairie Chapel: Richard Varnell, Henry Goodwin, F. L. Byars.

Dumont: Boy Hand, Emmitt Parks, Floyd Forest.

Wichita: Lee Mims, T. S. Lambert, George Pierce.

Croton: R. E. Rogers, A. J. Richey, Ted Goodwin.

Dickens: Casey Aldredge, John Sharp, Buster Arthur.

Espuela: Luther Karr, W. F. Foreman, R. C. McMahon.

Dry Lake: Jeff Smith, W. A. Johnson, Albert Powers.

Soldier Mound: Horace Wood, David McAtee, John Bachman.

Red Mud: W. F. Ragland, Jr., Bill McArthur, Oscar McGinty.

Red Hill: Elmer Shugart, Tobe Westfall, Clyde Horn.

Duck Creek: Walter Driggers, Jesse Hagins, Jess White.

Highway: Forest Martin, Ben Schuessler, C. A. Denson.

Twin Wells: C. F. Waters, Joe McDaniels, W. K. Walker.

Spur: Dr. M. H. Brannen, T. E. Milam, O. C. Arthur.

Dickens County Old Settlers Picnic

The citizens of Dickens are working every day now to give the early settlers of Dickens County a good time at the annual picnic which will be held July 31 and August 1. They have lined up a number of horses and expect to have some good horse races during the two days.

The old folk will be given a dance on the Court House lawn each afternoon and evening. There will be seats placed under the trees and in shades where people may rest and talk with friends.

Each citizen of Dickens County who has lived in the county consistently for forty years and longer will be given a golden colored ribbon badge which will entitle them to all the entertainment and shows free.

An Old Fiddlers' contest will be conducted each day. There will be plenty of music all the time, and plenty of good cool water to drink free.

The D. S. Dudley Shows and rides will be on the grounds again this year. Rides for everybody and shows that will entertain.

Prizes will be offered for the oldest settlers attending the picnic.

Local Boy Goes Into U. S. Air Service

According to a report in the Corpus Christi Times, Thomas V. Schockley, Jr., son of T. V. Schockley, who owns a nice farm north of town, has joined the U. S. Air Service and has been stationed at Corpus Christi.

Young Schockley registered in Dickens County last October but beat the Selective Service to the job by volunteering into the Air Service. For several months he has been taking examinations and studying on the various departments of the U. S. Air Service and was sworn into service July 3.

He was due to go in the call from Dickens County, July 9, but was already in the service when his call came.

Mr. Schockley is a fine young man and people will hear of his advancement in the U. S. Air Service before he returns. He has a good educational foundation and is a student which will enable him to build rapidly.

Mrs. W. F. Watts, who has been confined to her room on account of a broken hip, is in the Hendrix Memorial Hospital at Abilene. Her room's 206 in event any friends desire to write to her. Mrs. J. H. Dobbins, a daughter, is with her at this time.

Fred Clay, of Graham, spent the first of the week here visiting his parents, Mr. and Mrs. J. H. Clay.

Mrs. Ralph Parsons, of Calgary, are the proud parents of a baby girl born Wednesday.

Truett Hutto Suffers Gun Wounds

While in chase after a dog Saturday afternoon, Truett Hutto was shot in the face with a small caliber gun. Mr. Hutto and Max Ward were after the dog which ran into a culvert across the street. Mr. Ward was at one end and Mr. Hutto at the other end of the culvert. Hutto attempted to look into the culvert to see if the dog was there, and at the same time Ward shot from the other end.

Hutto was struck in the forehead at the inner corner of the left eye with one part of the bullet and just below the left eye with another part of the bullet. It was first thought the eye had been destroyed, but it seems now there might be a chance to save it. Mr. Hutto went to Lubbock where he consulted with Dr. Sandifer, an eye specialist, who attended the wounds, and Tuesday morning the Doctor seemed a little more optimistic about the condition.

Start Now to Prevent Typhoid Fever

There seems to be quite an incentive toward typhoid fever at this time. People are asked to secure typhoid fever serums which immunizes for a period of two to three years. Also, the drinking water should be boiled before drinking. It is not a good idea to cool water with ice as many times, ice may be infected with typhoid fever bacilli. Keep homes securely screened against flies as flies are great carriers of typhoid fever germs. You are admonished to secure typhoid serum at once as no one knows when they are going to become infected with typhoid fever germs. Your family physician will administer the serum at a very small charge. We hope you will use this precaution as there are some cases of typhoid fever in the community now.

P. C. NICHOLS, M. D. County and City Health Officer.

Singing in Spur Sunday Afternoon

The Dickens County-Girard Sing Song will meet at the First Christian Church at Spur, next Sunday afternoon beginning at 2 o'clock. This promises to be one of the best singings we have had. We are expecting singers from Dickens, Kent, Stone-wall, Motley, Crosby, Cottle and Lubbock counties. You will miss a real treat if you fail to attend this singing.

Don't fail to hear the Pickering Family who are daily singers over station KFYO, Lubbock. We have their promise of being present next Sunday. Be sure to come and bring the entire family.

FAY MIDDLEBROOK Secretary.

Library Committee Meets

The Advisory committee of the Public Library of Dickens County met July 10, at the Library.

Mrs. Brannen, acting as chairman, appointed Mrs. Senning, Mrs. Thurmond Moore and Mrs. Oscar Kelly as a nominating committee to submit a ballot of officers for the ensuing year at the regular meeting on August 7.

Book cards outstanding on the State books were examined so that the committee might assist in getting in all of the books. Motion carried that the committee see that lost or damaged books are paid for.

The chairman reported using 50¢ from the Fines Bank to buy postal cards to send to those having overdue books. Action approved.

Mrs. George Glover moved that the committee sponsor a large game party for the benefit of the library the third week in September. Motion carried.

Mrs. F. W. Jennings was appointed chairman of the Benefit Party, with instructions to select as many helpers as she needs.

It was voted to have the Library Tag Sale Saturday July 12; since it was not held on the fifth, due to the July fourth confusion. Mrs. Glover reported receipts of \$9.45 from the last Tag Sale.

Mr. and Mrs. J. A. Douglas, of Ft. Worth, spent the last of the week here visiting in the homes of Mrs. Douglas's brothers, Fred Arrington, Roy Arrington and L. C. Arrington.

Dennie B. Clay Killed in Army Service

Mr. and Mrs. J. H. Clay received a message Sunday that their youngest son, Dennie B. Clay, had met an accidental death in army service in the Hawaii Islands. Young Clay was a technical sergeant in the intelligence department of the army, and how he met death is not known. A letter is reported to be enroute from the War Department which will explain the incident, but it may not be received for several days.

Sergeant Clay enlisted in the army July 17, 1936, and lacked one week of having been in service five years. He spent three years in the Coast Guard service and has been in the present service for some time. He was married last February to a lady in Honolulu who was American born, her people living in California.

Sergeant Clay moved to Spur when he was only two months old. He was born at Terrell, Okla., August 11, 1916, and the family arrived in Spur October 11 of the same year. He grew to manhood here and graduated from the Spur High School with the Class of 1934. After completing his high school course he went into service just a few days before he was 20 years of age.

He was scheduled to go to Washington, D. C., to take a course in the work in which he was engaged. He was building up very rapidly in his department and had a great future.

According to information received by his father, J. H. Clay, the body will be shipped back to America and interment will be in Spur cemetery some time in the future.

The deceased is survived by his widow, parents, four brothers and three sisters.

Band Tax Gets Majority of 23 Votes

In the special election held Tuesday to decide "If Spur shall maintain a municipal band," the people voted "For" by a majority of 23. There were 221 votes cast during the election and 122 was for the band and 99 against.

J. I. Mecom served as election judge and Mrs. F. F. Vernon and Mrs. Charlie Powell were election clerks.

Only qualified property tax paying voters were eligible to vote in the election.

State Selective Service Issues Twentieth Call

State Selective Service headquarters today announced the Army's twentieth call on exas for 160 negro selectees, to be inducted on July 17.

When this call has been completed, Texas will have 31,964 men actually in training under the Selective Service training and Service Act, according to General J. Watt Page, State Director.

Gross quotas for the States, General Page said, have been readjusted and from time to time will be recomputed so that the actual requirements of the armed forces may be filled promptly and at the same time, no State or Local Board will furnish a disproportionate share of men to the land and naval forces.

General Page pointed out that a quota is not a requirement that must be filled by any given date, but rather a "bank account" upon which the armed forces may draw from time to time. The latest adjusted gross quota for Texas, determined on the basis of date available May 15, 1941, is 136,488 men. Against this number in addition to the 31,964 inductees, Texas is credited with 80,140 members of the armed forces, which includes those who entered the service before the first registration date last October as well as those who have volunteered under Selective Service, General Page said.

M. C. Golding and Dick Speer left Tuesday morning for Ruidoso, N. M., where they both are building summer cabins.

Mr. and Mrs. A. L. Spraberry, are the proud parents of a baby girl born Wednesday. Mother and baby are doing nicely.

Seymour's Cowboy Reunion Opens July 24 for Two Days

With the 1941 Seymour Cowboy Reunion and Rodeo, July 24-25, still more than two weeks in the offing, finishing touches are being put on what promises to be the fastest rodeo program and most varied list of attractions ever seen in Seymour.

The program of rodeo events finds calf roping, saddle bronc riding and steer riding the same as in 1940. The ribbon roping contest of last year has been replaced with a faster bell roping contest; and bareback bronc riding is a brand-new event. The cutting horse contest will again be held the morning of the second day. An innovation is that all contestants in roping events will rope during the day, ten in both calf and bell roping at the afternoon show and the balance between shows. At the night performance the ten fastest ropers in both events during the day will compete for special added purses.

An increased prize list is found in all events, with special added prizes in addition. The handsome purses are expected to attract a record number of contestants.

Several special attractions are being arranged for the rodeo shows, which will be held at 2:00 and 8:00 p. m. both days on the dustless turf arena on Fair Park hill.

The Baylor County Old Settlers' Assn. will have its annual meeting the morning of July 24, according to President I. O. Newton. Secretary R. O. Tolson states that more than 700 invitations have been mailed to pioneer residents of this section, and that most of them are expected to attend.

Downtown parades each day, dances each night, sponsors' contests, chuck wagons, and many other features will round out the full program in Seymour, July 24-25.

Among the needs of the East Plains are combines and hoe hands. A number of farmers have grain ready to harvest and have been unable to get a combine. With so much rain, hail, worms and rust, the wheat has been damaged greatly, but farmers are anxious to save what grain there is. The weeds have never done better and there is an over production of them with a shortage of hoe hands. The largest per cent of all row crops have been planted and are up and growing. Due to so much rain all crops are late this year.

Joe Franklin Pettit Drowns in Tank on Ranch

Joe Franklin Pettit, 19, son of Mr. and Mrs. Oscar Pettit, 10 miles north-east of Spur, was drowned about four o'clock Sunday afternoon while swimming in a tank on the Raftier-J Ranch. Joe was accompanied by Sammy Graves to the tank which is located on the eastern side of the ranch and had gone into the tank about three o'clock in the afternoon. They swam back and forth across the tank two or three times and then rested for quite a while.

The two young men started to swim back across the tank and Sammy made his way across with no difficulty. He looked back and saw Joe swimming with his face under water which is not out of the ordinary for boys while swimming. Sammy observed him turn toward the dam and swam to it and then turned back toward the center of the tank. Soon he went down and never came back up.

The body was recovered about six o'clock in the afternoon by a number of Boy Scouts who had been trained in health and life saving. Artificial respiration was applied but the boy's heart failed to respond. Dr. Standifer was present and advised the Boy Scouts that life could not be restored under the condition.

Funeral services were held at the First Christian Church in Spur Monday afternoon at three o'clock. Rev. R. C. Brown, the acting pastor, was in charge of the services. Interment followed in Spur cemetery with Curry Funeral Home in charge of arrangements. Active pallbearers were: Sammy Graves, Doty Graves, Edd Franklin, Gerald Patton, Corbet Roberson, Bill Chambliss. Flower bearers were: Doris Anne Chambliss, Geneva Byrd, Byrdian Roberson, Betty Lynn Brown and Euna Fawyer.

The deceased is survived by his parents, Oscar and Lucy Farmer Pettit, and one sister, Miss Gladys Pettit. He was the only son in the family.

Farm Ownership Loans

Long-term, low-interest loans with which tenant farmers may buy farms of their choice are being made by the Farm Security Administration. Applications are being received at the Farm Security office located in Spur, Texas from your King and Kent counties agricultural agents.

Tenant farmers, share croppers, and farm laborers are eligible for these loans, although preference is given to families which have an adequate supply of livestock and equipment. Both white and Negro farmers may receive these loans.

Farmers choose the farms they hope to buy and are not restricted to those which are fully improved. The loan may include funds to repair or build the home, barn, and for other improvements. Only family-size farms may be bought, however.

These loans bear three per cent interest and are repayable over a 40-year period. Often payments amount to no more than the farmer would have paid as rent. An added feature is the variable payment plan, under which payments are larger in good years and smaller in poor ones.

Applications are being received at the Farm Security Administration office in anticipation of funds being made available for this purpose by Congress.

RETURNED HOME MONDAY

Bowman, who had been in the Sanitarium at Savannah, Mo., returned home Monday. After examination the doctors reported Bowman had been affected with a malignant tumor on his right side, but that it is no longer malignant and was dead.

The doctors stated that it would require a long time for the wound to heal since the X-Ray treatments had burned the flesh so deep.

Mr. Bowman was accompanied to Savannah by his daughter, Mrs. Granville B. Whittle of Madill, Okla., who is still here with him.

Rev. and Mrs. W. B. Vaughn and Mrs. W. Y. Higgins, of Matador, were in our city Wednesday greeting acquaintances and trading.

Transfers Must Be Looked After at Once

Applications for transfers of children from one school to another must be made within the next two weeks, says County Superintendent O. L. Kelley. No transfers can be granted after Thursday, July 31.

Mr. Kelley announces that he will be on the streets of Spur each Saturday in this month to accept applications for transfers. All school children desiring to transfer from one school district to another, can do so by seeing him in Spur on Saturdays, or by making application at the office of the County Superintendent in Dickens any day before August 1.

Dickens County Suffers Legislative Blow

229 Texas counties, including Dickens, are the victims of the Legislature's failure to re-enact the appropriation phase of the Texas road bond assumption law. This will cost the 229 counties a total of \$9,554,025.14 next year.

Dickens County's loss from the fund will be \$11,751.53.

In addition to the above, the failure of the Legislature to re-enact the lateral road fund law will mean an additional loss of over five thousand dollars. The loss by failure to re-enact both phases of the assumption law will be a total of \$17,444.52 to Dickens county.

The money for this participation is available from the one cent of the State's four cent gasoline tax and since the State has participated in bond assumption for the past eight years, a severe blow is given the 229 counties relying on such aid.

O'Daniel Gains 254 Votes in Count

In the final official check up of votes in the race for United States Senator which was made by the State Election Board Monday, Governor O'Daniel made a gain of 254 votes an average of one for each county in Texas. The count made on two candidates, the Governor and Representative Lyndon B. Johnson, was to make sure and official the final results.

The official check up was directed by Secretary of State William Lawson. Governor O'Daniel was present and looked on. Attorney General Mann, who is a member of the State Board, was not present but was represented by Assistant Attorney General Grover Sellers.

The final count gave O'Daniel 175,590 votes and Johnson, 174,279. O'Daniel will officially be declared the United States Senator elect to go to Washington at once.

Spur Boy on Team at Coaching School

PLAINVIEW, July 15.—(Special) West Texas football fans will have a preview of the popular fall sport August 29, when picked teams from Class A and Class B high schools will perform as the closing event of the annual Plains Coaching School which opens here August 25.

From towns over a wide West Texas territory, football stars who are winding up their high school careers are being invited to participate in the All-Starr classic which will bring the school to a fitting culmination.

Among the athletes who have already accepted an invitation to perform here is Ross Culbert of Spur, a back, who will play on the East squad.

The group of high school stars will be divided into two teams, the East and the West. The East team will be coached by Marty Karow, coach of the mighty A. & M. College backfield while the West will be tutored by Del Morgan, new Texas Tech grid mentor. These two outstanding coaches will conduct the football school for approximately 100 high school athletic directors who are expected to attend.

In addition to playing in the game Friday night, August 29, the boys are to demonstrate during the week various plays and formations that arow and Morgan will present at the school.

Mrs. Marlin Traylor, of Artesia, N. M., spent Sunday night here with her parents, Mr. and Mrs. J. H. Clay.

Organization for The Collection of Dickens County Old Aluminum for National Defense Aluminum Week Headed by Judge Boedeker

Judge E. H. Boedeker has been called upon with the cooperation of the Commissioners to organize machinery for participation in the nationwide movement to collect scrap aluminum for National Defense Purposes. Judge Boedeker states that plans are well underway and he hopes that Dickens County will lend its support to this movement.

The government needs all discarded or used aluminumware that can be spared without replacements from homes, institutions, business houses, and industrial plants. For example, if a house wife has some new and some old aluminumware and has other types of pots and pans and kettles which she can use in place of the aluminumware, she should donate all of the aluminumware that she can spare; but she should not give away anything that would require her to purchase new utensils.

July 21 to 29 inclusive have been designated as the collection days. County depositories for scrap aluminum will be located at the Court House, Dickens, Texas, and the City Hall at Spur, Texas. There may be some local depositories in the various communities if the persons herein-after designated in the various communities so designate.

The persons chosen to carry on the work are:

E. H. Boedeker, chairman; Mack

Woodrum, secretary; Commissioners Court.

McAdoo: R. R. Wooten, Austin Rose, M. A. Graham.

Duncan Flat: Joe Rose, Bud Smiley, Fred Henry.

Afton: Jesse Powell, Kelly McAllister, Clark Forbis.

Prairie Chapel: Richard Varnell, Henry Goodwin, F. L. Byars.

Dumont: Boy Hand, Emmit Parks, Floyd Forest.

Wichita: Lee Mims, T. S. Lambert, George Pierce.

Craton: R. E. Rogers, A. J. Richey, Ted Goodwin.

Dickens: Casey Alldredge, John Sharp, Buster Arthur.

Espuela: Luther Karr, W. F. Foreman, R. C. McMahon.

Dry Lake: Jeff Smith, W. A. Johnson, Albert Powers.

Soldier Mound: Horace Wood, David McAtee, John Bachman.

Red Mud: W. F. Ragland, Jr., Bill McArthur, Oscar McGinty.

Red Hill: Elmer Shugart, Tobe Westfall, Clyde Horn.

Duck Creek: Walter Driggers, Jesse Hagins, Jess White.

Highway: Forest Martin, Ben Schuessler, C. A. Denson.

Twin Wells: C. F. Waters, Joe McDaniels, W. K. Walker.

Spur: Dr. M. H. Brannen, T. E. Milam, O. C. Arthur.

Dickens County Old Settlers Picnic

The citizens of Dickens are working every day now to give the early settlers of Dickens County a good time at the annual picnic which will be held July 31 and August 1. They have lined up a number of horses and expect to have some good horse races during the two days.

The old folk will be given a dance on the Court House lawn each afternoon and evening. There will be seats placed under the trees and in shades where people may rest and talk with friends.

Each citizen of Dickens County who has lived in the county consistently for forty years and longer will be given a golden colored ribbon badge which will entitle them to all the entertainment and shows free.

An Old Fiddlers' contest will be conducted each day. There will be plenty of music all the time, and plenty of good cool water to drink free.

The D. S. Dudley Shows and rides will be on the grounds again this year. Rides for everybody and shows that will entertain.

Prizes will be offered for the oldest settlers attending the picnic.

Local Boy Goes Into U. S. Air Service

According to a report in the Corpus Christi Times, Thomas V. Shockley, Jr., son of T. V. Shockley, who owns a nice farm north of town, has joined the U. S. Air Service and has been stationed at Corpus Christi.

Young Shockley registered in Dickens County last October but beat the Selective Service to the job by volunteering into the Air Service. For several months he has been taking examinations and studying on the various departments of the U. S. Air Service and was sworn into service July 3.

He was due to go in the call from Dickens County, July 9, but was already in the service when his call came.

Mr. Shockley is a fine young man and people will hear of his advancement in the U. S. Air Service before he returns. He has a good educational foundation and is a student which will enable him to build rapidly.

Mrs. W. F. Watts, who has been confined to her room on account of a broken hip, is in the Hendrix Memorial Hospital at Abilene. Her room is 206 in event any friends desire to write to her. Mrs. J. H. Dobbins, a daughter, is with her at this time.

Fred Clay, of Graham, spent the first of the week here visiting his parents, Mr. and Mrs. J. H. Clay.

Mrs. Ralph Parsons, of Calgary, are the proud parents of a baby girl born Wednesday.

Truett Hutto Suffers Gun Wounds

While in chase after a dog Saturday afternoon, Truett Hutto was shot in the face with a small caliber gun. Mr. Hutto and Max Ward were after the dog which ran into a culvert across the street. Mr. Ward was at one end and Mr. Hutto at the other end of the culvert. Hutto attempted to look into the culvert to see if the dog was there, and at the same time Ward shot from the other end.

Hutto was struck in the forehead at the inner corner of the left eye with one part of the bullet and just below the left eye with another part of the bullet. It was first thought the eye had been destroyed, but it seems now there might be a chance to save it. Mr. Hutto went to Lubbock where he consulted with Dr. Sandifer, an eye specialist, who attended the wounds, and Tuesday morning the Doctor seemed a little more optimistic about the condition.

Start Now to Prevent Typhoid Fever

There seems to be quite an incentive toward typhoid fever at this time. People are asked to secure typhoid fever serums which immunizes for a period of two to three years.

Also, the drinking water should be boiled before drinking. It is not a good idea to cool water with ice as many times, ice may be infected with typhoid fever bacilli. Keep homes securely screened against flies as flies are great carriers of typhoid fever germs. You are admonished to secure typhoid serum at once as no one knows when they are going to become infected with typhoid fever germs. Your family physician will administer the serum at a very small charge. We hope you will use this precaution as there are some cases of typhoid fever in the community now.

P. C. NICHOLS, M. D. County and City Health Officer.

Schools Asked to Use 12-Grade System

At their regular meeting in June the County Board of Education approved of a 12-grade system of schools for Dickens County, and is requesting all schools to adopt this system as soon as they can. The new grade is being added in the first three grades and will not affect any pupils from the fourth grade up.

In the future pupils will do eight years of elementary school work and four years of high school to prepare them for college entrance. This will necessitate four years in Primary grades, four years in Grammar school grades and four years in high school. Pupils will enter high school from the eighth grade instead of from the seventh grade as has been in former years.

The field of work will not be extended any further. The grades will be given another year to complete the present outline of work.

County Court in Session Next Monday

The County Court at Law will convene at the Court House next Monday, July 21. Edwin H. Boedeker will be the presiding judge and County Attorney L. D. Ratliff, Jr., will represent the State in all criminal cases.

There are four criminal cases under bonds that will come up this term of court. One is a charge of violation of liquor laws and three are hot check cases. There are quite a number of civil cases to be called this term.

It is doubtful if a jury will be empaneled for the first week of court. A jury may be summoned for the second week.

MAKING CHECK-UPS AT THIS TIME

The AAA division of the County Agriculture Department has a number of workers out this week checking up on compliance with the government farm program. It is understood there are very few cases where adjustments need to be made.

Farmers and farm operators are asked by the County Agriculture Committee to cooperate as best they can in order that the full compliance check up may be completed by the workers the first visit out.

George S. Link, Jr., went by air to New York and has returned so quickly that his closest friends knew nothing of his airplane trip. George S. is like the "Flying Avenger". You never know where he is going to land. So if you hear a sudden rush of wind you may know he is leaving town again.

Dennie B. Clay Killed in Army Service

Mr. and Mrs. J. H. Clay received a message Sunday that their youngest son, Dennie B. Clay, had met an accidental death in army service in the Hawaii Islands. Young Clay was a technical sergeant in the intelligence department of the army, and how he met death is not known. A letter is reported to be enroute from the War Department which will explain the incident, but it may not be received for several days.

Sergeant Clay enlisted in the army July 17, 1936, and lacked one week of having been in service five years. He spent three years in the Coast Guard service and has been in the present service for some time. He was married last February to a lady in Honolulu who was American born, her people living in California.

Sergeant Clay moved to Spur when he was only two months old. He was born at Terrell, Okla., August 11, 1916, and the family arrived in Spur October 11 of the same year. He grew to manhood here and graduated from the Spur High School with the Class of 1934. After completing his high school course he went into service just a few days before he was 20 years of age.

He was scheduled to go to Washington, D. C., to take a course in the work in which he was engaged. He was building up very rapidly in his department and had a great future.

According to information received by his father, J. H. Clay, the body will be shipped back to America and interment will be in Spur cemetery some time in the future.

The deceased is survived by his widow, parents, four brothers and three sisters.

Band Tax Gets Majority of 23 Votes

In the special election held Tuesday to decide "If Spur shall maintain a municipal band," the people voted "For" by a majority of 23. There were 221 votes cast during the election and 122 was for the band and 99 against.

J. I. Mecom served as election judge and Mrs. F. F. Vernon and Mrs. Charlie Powell were election clerks.

Only qualified property tax paying voters were eligible to vote in the election.

State Selective Service Issues Twentieth Call

State Selective Service headquarters today announced the Army's twentieth call on exas for 160 negro selectees, to be inducted on July 17.

When this call has been completed, Texas will have 31,964 men actually in training under the Selective Service training and Service Act, according to General J. Watt Page, State Director.

Gross quotas for the States, General Page said, have been readjusted and from time to time will be recomputed so that the actual requirements of the armed forces may be filled promptly and at the same time, no State or Local Board will furnish a disproportionate share of men to the land and naval forces.

General Page pointed out that a quota is not a requirement that must be filled by any given date, but rather a "bank account" upon which the armed forces may draw from time to time. The latest adjusted gross quota for Texas, determined on the basis of date available May 15, 1941, is 136,488 men. Against this number in addition to the 31,964 inductees, Texas is credited with 80,140 members of the armed forces, which includes those who entered the service before the first registration date last October as well as those who have volunteered under Selective Service, General Page said.

M. C. Golding and Dick Speer left Tuesday morning for Ruidoso, N. M., where they both are building summer cabins.

Mr. and Mrs. A. L. Spraberry, are the proud parents of a baby girl born Wednesday. Mother and baby are doing nicely.

Mr. and Mrs. J. A. Douglas, of Ft. Worth, spent the last of the week here visiting in the homes of Mrs. Douglas's brothers, Fred Arrington, Roy Arrington and L. C. Arrington.

Seymour's Cowboy Reunion Opens July 24 for Two Days

With the 1941 Seymour Cowboy Reunion and Rodeo, July 24-25, still more than two weeks in the offing, finishing touches are being put on what promises to be the fastest rodeo program and most varied list of attractions ever seen in Seymour.

The program of rodeo events finds calf roping, saddle bronc riding and steer riding the same as in 1940. The ribbon roping contest of last year has been replaced with a faster bell roping contest; and bareback bronc riding is a brand-new event. The cutting horse contest will again be held the morning of the second day.

An innovation is that all contestants in roping events will rope during the day, ten in both calf and bell roping at the afternoon show and the balance between shows. At the night performance the ten fastest ropers in both events during the day will compete for special added purses.

An increased prize list is found in all events, with special added prizes in addition. The handsome purses are expected to attract a record number of contestants.

Several special attractions are being arranged for the rodeo shows, which will be held at 2:00 and 8:00 p. m. both days on the dustless turf arena on Fair Park hill.

The Baylor County Old Settlers' Assn. will have its annual meeting the morning of July 24, according to President I. O. Newton. Secretary R. O. Tolson states that more than 700 invitations have been mailed to pioneer residents of this section, and that most of them are expected to attend.

Downtown parades each day, dances each night, sponsors' contests, chuck wagons, and many other features will round out the full program in Seymour, July 24-25.

Among the needs of the East Plains are combines and hoe hands. A number of farmers have grain ready to harvest and have been unable to get a combine. With so much rain, hail, worms and rust, the wheat has been damaged greatly, but farmers are anxious to save what grain there is. The weeds have never done better and there is an over production of them with a shortage of hoe hands. The largest per cent of all row crops have been planted and are up and growing. Due to so much rain all crops are late this year.

ENJOYED A GOOD VISIT
Mrs. W. S. Campbell and son, Spen-
cer, last week and part of this week
visiting relatives and friends in Hous-
ton and other points. Mrs. Neitha
Campbell accompanied them and en-
joyed a visit with her brother. She
and Spencer went on to Louisiana
where they visited relatives and
friends.
They returned Tuesday. Mrs. Lillie
Mae Burkhardt, a sister to Mrs. Camp-
bell, and Timmie and Tommy Tigner,
nephews to Mrs. Campbell, returned
with them and will spend a few days
here visiting. Possibly they will go
to Carlsbad to spend a day of two.

**Notice to
Administrators and
Guardians**
The law requires that administra-
tors, executors and guardians of es-
tates file annual reports. Unless
you are exempt by law from filing
such, Judge E. H. Boedeker requests
that you do so because the law de-
mands that an annual report be filed.
