NUMBER 50

Dickens To Hold Armistice Day Celebration

The citizens of Dickens are making arrangements for an Armistice Day celebration November 11. They are planning to make the program county wide and want everybody to feel they have an invitation to be present. The exercises will be held on the west side of the Courthouse on the lawn.

Rotary Club To Hear Pupils Today

At the regular meeting of the Rotary Club at noon today, pupils from each school will give numbers on the program. The pupils at East Ward school will give a Spanish dance and song. Two little girls will give this number: Patsy Hyatt and Helen McDaniel. Mrs. E. A. Brashear, a former dancing teacher at Lubbock, has been assisting with the coaching of these girls, and this number is going to be good. Their vocal selections will be the "Boogie Woogie Song."

Bulldogs To Meet Matador Friday Nite

The Spur Bulldogs will meet the Matador fast line at Matador Friday night, October 11. The Bulldogs made an excellent showing in their game against Olton September 28, and since that time have been doing some excellent work. The Bulldogs are going to Matador tomorrow night with a strong determination for a victory for their first conference game.

Some Pumpkin

Mr. and Mrs. J. L. Turpen, of Palo Pinto, who were here last of the week visiting relatives and friends, exhibited a very good sized pumpkin for West Texas production. It was 30 1/2 inches long and 18 inches in diameter with an estimated weight of 110 pounds. It was by odds the largest pumpkin we have ever seen and the writer was reared in a country where pumpkins grew.

Back Home Again

Judge H. A. C. Brummett has purchased the Mack C. Harkey residence in Dickens and has moved into it. Mrs. Brummett, who has been living in Lubbock assisting the boys through Texas Technological College, has moved back to Dickens. She is in charge of the home and is making the Judge know who is boss.

U. S. Army Wants More Men

According to reports recently sent out by the Army Recruiting Station at Sweetwater, the various quotas for men in Hawaii and in the Philippine Islands lack several applicants of being filled. The following in Hawaii unfilled the first of this week are listed as follows: Infantry, 4; Field Artillery, 3; Coast Artillery, 2; Quartermaster, 1.

Four Generations Present

There was a meeting of the family at the home of Mr. and Mrs. H. R. Witt at Calgary last week in which there were four generations on each side of the house present. Mr. Witt's mother, who was present, is past 91 years of age.

Cotton Insurance Based Lint Yield

Determining an average lint yield premium rate per acre for every cotton farm in Dickens county is the first task to be accomplished under the cotton crop insurance program, Joe Rose, chairman of the Dickens county AAA committee, has announced.

Robert Dale Stewart Hurt in Tractor

Robert Dale, eight year old son of Mr. and Mrs. Frank Stewart, was painfully injured in a tractor Monday afternoon. It appears that Robert Dale was returning from school and was riding on a tractor accompanied by some little friends. A sprocket wheel caught his trousers and pulled him into the sprocket and mangled his left leg very badly. The limb was bruised and cut below the knee and on the thigh muscles.

Junior High School P. T. A. Meeting Tuesday Afternoon

The next meeting of the Parent-Teacher Association for the Junior High School will be held next Tuesday afternoon at 3:30 o'clock. The meeting will be held in the Junior High School building and it is the hope of the officers that all parents who have children in that building will attend this meeting.

Eagles Scout Badges Presented Oct. 23

A special convocation of the South Plains Scout Council will be held at the Lubbock High School building Thursday, October 23. Dr. James E. West, Chief Scout Executive of America, will be present and make the presentation of Eagle Scout badges to all Eagle Scouts who have been recognized by a Court of Honor.

Singing Convention Well Attended

The singing convention held at Dickens last Sunday was outstanding in attendance. The large auditorium of the High School could not accommodate the people. Dinner was served at the noon hour, and hot coffee was made at the school building.

Spur F. F. A. Holds Meeting

The Spur F. F. A. held its second meeting of the school year, October 6, 1941, at 7:30 o'clock in the Vocational Agriculture room. The main purpose of the meeting was to initiate the Green Hands.

Dickens Schools To Give Benefit Program Tonight

The pupils of the Dickens schools are sponsoring a benefit program at the school auditorium tonight. They have engaged Mondro, the magician, who will give his acts in legerdemain which always keeps a crowd on their toes.

Homemaking Pupils In New Work

The Homemaking Department always endeavors to give the students practical work. At this time the second year classes in that department are studying meats and their various uses. The preparation of meats for food is a very interesting study and the pupils seem to be getting a thrill out of the work.

Eggs At 50 Cents Per Dozen Next Week

A great number of people have brought in eggs and have applied them on their subscription renewals at 50 cents per dozen this week, and a number have stated they hoped the time would be extended another week in order for them to catch up with their renewals to the Dickens County Times. By reason of this, the time is being extended another week, making the closing date Saturday, October 19. The Dickens County Times from now until that date, inclusive, will allow fifty cents per dozen for good hen eggs on subscriptions.

Bowling Alley In Operation

Lonnie Lewis and Willie McComb has secured a lease on the Nellie Davis building by the City Hall and has opened a nice bowling alley. Large balls are being used and people are having a gay time in bowling contests. A number of young ladies are enjoying the game and more are talking about trying their luck to see how much skill they can exhibit and how much physical strength they can develop.

Two Cars Collide; Lady Injured

Mr. and Mrs. O. K. Boswell and baby were in a car accident Monday night and all were injured. Mrs. Boswell being painfully hurt. They have been picking cotton on Mrs. D. H. Dunn's farm in Croton community. During the inclement weather last week they had gone to their home at Tye for a few days and were returning Monday night to resume cotton picking Tuesday.

Walter Pidgeon, playing the six-foot Texan, Sam Gladney, seems somewhat at loss with the dainty porcelain cup offered him by Greer Garson in this scene from "Blossoms In The Dust", new Technicolor production showing at the Palace Theatre Sunday and Monday and Preview Saturday night. The two are starred in the stirring drama in which Miss Garson enacts a role inspired by the life of Edna Gladney of Fort Worth, Texas. What Father Flanagan has meant to boys, Edna Gladney has meant to homeless babies in her battle for those dear little bits of humanity who come into this world unwanted.

East Ward School News

The pupils of East Ward held a cake walking program at City Hall last Saturday from five o'clock in the afternoon until eight in the evening. They had excellent results and netted between \$12.00 and \$13.00. The pupils and Mrs. Wadzeck extend their appreciation to Mrs. S. E. Boothe, Mrs. C. H. Elliott, Mrs. E. H. Henderson and Mrs. Buel McDaniel for their assistance.

There has been a Cub Pack organized at the East ward and their meeting time is Friday afternoons from 3:15 until 3:45. They held their first meeting Friday afternoon and there were 15 excellent Cub prospects present.

The East Ward Parent-Teacher membership drive is on at this time. The various rooms are being organized for the work and quite a lot of interest is developing. The drive will continue through next week and a report will be made when it has closed as to the winners and other interesting facts.

Mrs. C. M. Cravey, who has been teaching Fourth Grade at East Ward, left last week for Lubbock where she has accepted a position in the Lubbock City schools. Mrs. Henry Gruben has been serving as supplementary teacher for the Fourth Grade.

The chapel program last Friday consisted of a number from each room of the school. The program was greatly enjoyed by those present.

The Rhythm Band has made a selection of uniforms for the year, and parents have been informed of the colors and styles. The parents make the uniforms for the members of the Rhythm Band. Mrs. Engleman and Mrs. Patton are in charge of the work.

The Third grades have been studying about animals in their geography work and hope to finish the subject this week. They have ordered a film from the library of the Texas Technological College and hope to show it on their new projection machine this week.

Miss Evelyn Pickens and her pupils will give the chapel Program Friday afternoon at 1:30 o'clock. Parents have a cordial invitation to enjoy this program.

Workers Conference Well Attended

The Workers Conference of the Dickens County Baptist Association was held with the Bethel Church in Spur last Thursday. The meeting was opened with a song service led by Bob Allen, and the devotional was conducted by J. T. Campbell.

Rev. H. L. Burnam spoke on the doctrine of the Holy Spirit, and Rev. Dock Love had as his subject "The Holy Spirit Working with Christians."

The conference sermon was preached by Rev. Alfred Richards at 11:30. Lunch was served at the church at the noon hour and a great friendship hour was enjoyed.

The first hour after lunch was used by the meeting of the associational board and the W. M. U. workers. The business part of the meeting was conducted at that time.

Rev. R. M. Parsley, of Plainview, spoke on the Holy Spirit in Missions, and Rev. C. R. Joyner brought an address on the principles of the church. He substituted for Rev. Ponder who could not be present.

The next meeting will be with Duncan Flat Church.

Chevrolet Adds Service Ment To Assist In Defense

Extension of service facilities, expansion of service personnel, and the establishment of a Military Mechanical Service Department within Chevrolet's service organization were announced here today by William E. Holler, general sales manager. Appointment of 17 service managers for military duty swells the total of such advisors to 26, Mr. Holler said.

Under the supervision of Ed Hedner, national director of service for Chevrolet, these 26 service experts have been stationed throughout the country wherever army camps are located. Their principal duties will include consultation with army unit commanders in the field on problems pertaining to Chevrolet military vehicles, assisting army personnel in

You Are Invited To Sheppard Field Jubilee

Citizens of Dickens County were extended an official invitation this week to join Wichita Falls and their friends in celebrating two days of history-making fun, frivolity, and frolic during the Sheppard Field Jubilee, October 17-18.

The invitation was issued by Jack C. Barnard, president of the Wichita Falls Jubilee Association and chairman in charge of arrangements for dedication of Sheppard Field, the army air corps' new \$18,000,000 technical training school.

During the Jubilee, Northwest Texans and citizens of Southern Oklahoma will have their first opportunity to see the inside of Sheppard Field, the world's largest air corps technical training school.

Army bombers, powerful pursuit ships and training planes will be stationed at the field during the celebration. Mass flights of military planes will be one of the features of the observance.

In addition there will be music by military bands, one of the most spectacular parades ever staged in the Southwest and two full days of street dancing, square dancing, rodeos, Indians, horse shows, old fiddlers' contests fun, frivolity and frolic.

McAdoo Eagles Win Second Victory . . .

The McAdoo Eagles defeated the Dickens Owls at McAdoo Friday, September 26, to the tune of 19-0. It was a good game from beginning to end.

McAdoo's first tally came in the second quarter when Roy Allen picked up a fumble and scored. In the third quarter Austin Rose, Jr., passed to Bertrand Robertson who scored. Robertson then plunged over for the extra point.

Austin Rose, Jr., received a lateral in the third quarter and went over for the Eagles' third counter, making the score 19-0.

Line-Up for McAdoo was: ends, Davis and Allen; center, McWilliams; quarter, Rose; half, Neff, fullback, Robertson.

Dickens: Ends, Nolan and Futch; center, Edwards; quarter, R. Futch; half, Joyner; fullback, Youngblood. McAdoo played Patton Springs at Patton Springs Friday, October 3, at two o'clock, and won 24 to 0.

CITIZENSHIP CLUB

Our third meeting held September 25 was called to order by the president. We sang our club song, "God Bless America" and then had the minutes read for the last meeting, and then the reports of the committees which were all very good.

Mrs. Newman made a motion that we have a Halloween Party and the motion carried. Inez made a motion that we have partners and dress just alike, and this motion carried. The meeting was turned over to the program chairman. We enjoyed the program very much. Then we adjourned.

Our next meeting will be October 9.

WOMEN'S COUNCIL MEETING

The Woman's Council of the First Christian Church met in the home of Mrs. Cecil Fox Monday, October 6. The topic of study was "Challenge to Christians." Mrs. McGee was leader and discussed "Democracy as Equality."

"Agents working for Democracy" was given by Mrs. Giddens. Mrs. Dickson discussed "The Cause of our Undemocratic Ways." The gulf between our Christian idols and the way we live, giving basic solutions.

The hostess, assisted by her daughter, Cecilia, served a refreshing salad plate.

STUDY CLUB MEETS WITH MRS. CHARLIE POWELL

Mrs. Charlie Powell was hostess to the 1933 Study Club on Tuesday, October 7.

Fifteen women answered the roll call by telling of a "Distinguished Mural Painter."

The program study for the afternoon was "American Murals," with Mrs. J. C. Ramsay leading. She discussed the topic, "Mural Decoration by Augustus." This was followed by a prayer given by Mrs. C. H. McCully on "Murals in Library of Congress." Charlene Powell favored the group with a piano selection, after which the hostess served a delicious salad plate with coffee, to the members.

THE TWENTIETH CENTURY STUDY CLUB

Time: 3:00 p. m., Tuesday, October 7.

Place: Mrs. J. A. Koon's residence. Program: The Rights of an American Citizen.

Leader: Mrs. O. L. Kelley.

In the absence of the president, Mrs. George Link presided at the regular meeting of the Twentieth Century Study Club in the home of Mrs. J. A. Koon, Tuesday, October 7. The club voted to buy two United States Defense Savings Bonds; to have at least five members attend the Club Institute of the Seventh District of Texas Federation of Women's Clubs at Levelland, October 17; to cooperate with the City Federation in its banquet October 28 and to subscribe 100 per cent to Texas Federation News.

A most interesting program followed the business session. Mrs. B. F. Hale conducted a quiz on "I know my rights," in which she asked such questions as "What is meant by the Bill of Rights? What are the four freedoms of the Bill of Rights?" Enthusiasm ran high when such questions as "In how many states may a woman obtain a divorce of non-support? How many states are a wife's earnings not her own?" were discussed.

Mrs. L. D. Ratliff discussed "The State and Its Citizens." The central thought was it is not the government owes me a living, but how much do I owe the government for its protection, its freedom and its way of life.

As a climax to the program Miss Merle Lewis, Speech teacher in Spur High School, presented her students, Misses Ida Lee, Golding and Louise Ince in a dialogue "I am an American" in which a native and a foreign born American portrayed the advantages of being a citizen of the United States.

Mrs. Cliff Bird conducted her regular Spanish lesson. The club will be delighted to receive the Spanish texts which have been ordered so that real progress can be made.

Mrs. Koon served a delightful salad plate to fifteen club members and three visitors.—Reporter.

Senator Connally

Washington, D. C. October 6, 1941. Senator Tom Connally today introduced in the Senate a bill which would double the federal contribution toward Texas old age pension payments.

Under the present act the Federal Government matches the Texas contribution dollar for dollar, but under the proposed Connally bill the Federal government would contribute a little more than two dollars for every dollar contributed by the Texas Legislature.

Under the present act the Federal government would contribute a little more than two dollars for every dollar contributed by the Texas Legislature. In other words, a \$45 Texas pension payment would be possible by the State contributing about \$15 and the Federal government contributing the remainder.

Senator Connally's bill was approved in substance in a recent Senate hearing by Dr. A. J. Altmeyer, the Chairman of the Social Security Board.

Shockley-Browning Rites Read in Bishop

The marriage of Miss Mary Browning, the daughter of Mr. and Mrs. E. B. Browning, to Thomas Valcours Shockley, Jr., the son of T. V. Shockley of Spur, Texas, was solemnized Friday evening at 7:30 o'clock at the home of the bride's parents.

The ceremony took place before an improvised altar formed by ferns flanking the living room fireplace with tall floor baskets of white chrysanthemums at either side. Centering the white mantle background

was fan-shaped arrangement of giant white asters and fern in a long basket.

Preceding the ceremony Miss Elinor McKinney sang "O, Promise Me," with Mrs. W. M. Gourley as accompanist and Mrs. Gourley played the traditional wedding march as the bridal couple entered from the south door.

The Rev. E. Y. Seale, pastor of the Aransas Pass Methodist Church, and a close friend of the bride's family, read the marriage lines.

The bride wore a semi-tailored model in soldier blue wool, fashioned with three-quarter length sleeves and neckline finished with an ornament in sapphire and silver. All of her accessories and her hat with shoulder-length veil were in gona red.

An informal reception immediately followed the wedding ceremony. The refreshment table was spread with linen cutwork cloth with a centerpiece of ping rosebuds in crystal. The bride's cake was in heart-shaped tiers with decorations of sweetheart roses.

Miss Virginia Cage of San Antonio, cousin of the bride, served the cake after the bride had cut the first slice. Mrs. Robert Morgan of Corpus Chris-

ti poured coffee.

The bride attended Southwest Texas Teachers College in San Marcos and Texas College of Arts & Industries in Kingsville, where she received her degree in business administration.

The bridegroom is a yeoman in the U. S. Navy now stationed in Corpus Christi.

After a short wedding trip Mr. and Mrs. Shockley will be at home in Corpus Christi.

Among out-of-town guests for the wedding were Mrs. Lafara Whitenor of Corpus Christi, sister of the bridegroom, Mrs. J. D. Cage of San Antonio and Mrs. Juliette Kellam of San Marcos.

Mr. and Mrs. J. E. Manning entertained with an informal 6 o'clock dinner at their home Friday, honoring Mrs. Manning's sister, Miss Browning, and Mr. Shockley.

Rainbow asters in crystal centered the board and the dinner was served buffet style. Mrs. R. L. Scott of Kingsville assisted in serving.

The guests included the bridal party and immediate members of the family and friends.

Things People Should Know About Social Security

At the end of the first 18 month of operation of the Federal old-age and survivors insurance plan of monthly payments, 9,949 individuals in Texas were receiving checks for insurance amounting to \$161,064 each month, it was announced today by John D. Palmer, manager of the Social Security Board field office at Lubbock. Beneficiaries include retired workers over age 65, aged wives, young and aged widows, dependent children, and dependent parents.

Benefit rolls are growing month by month as more workers retire or die Palmer said.

According to the type of beneficiary, the following payments were made as of June 30, 1941.

Primary (retired workers over age 65) 4,239, drew \$87,137.

Aged wives (wives of retired workers who are over age 65) 883, drew \$9,528.

Aged widows (widows of deceased wage earners over age 65) 146, drew \$2,801.

Widows' current (widows under 65 with dependent children of deceased wage earners in their care) 1,305 drew \$23,914.

Dependent children 3,338, drew \$37,260.

Dependent parents, 38, drew \$424.

The above figures do not include the claims of persons who were receiving insurance payments during some part of the year which later were discontinued due to death, return to vocer employment by retired workers, earning in covered employment by other beneficiaries, marriage of widows and young people, and attainment of age 18 by dependent children.

It was pointed out by Palmer that widows of insured workers may receive insurance benefits regardless of age while they have in their care dependent children of the wage earner under age 18. Dependent children also receive payments in case the insured worker either dies or retires.

Two Spur Students In Hardin-Simons

Student body at Hardin-Simons University, largest for a fall semester since 1929, has gathered for the Golden Jubilee year at H-SU from 103 counties in Texas, 22 states, and one foreign country—Ireland, Dr. W. R. White, university president, said today.

From County Down, in Ireland, Melville Chatfield traveled 5,000 miles to attend Hardin-Simons. A sermon by Dr. W. B. Riley, of Minneapolis, he heard in Belfast five years ago, caused Chatfield to come to America for his college career, he said.

Largest out of the state contingent is from New Mexico, with 17. Other state delegations are Arkansas, 6; Arizona, 9; California, 3; Oklahoma, 8 Colorado, 3; Illinois, 4; South Carolina, Missouri and Mississippi, 2 each. Nine other states have one student apiece.

Hardin-Simons' home county, of Taylor, with Abilene, have the largest county delegation, with 222. Jones County is next with 88. Student president is Riley Brooks, of Midland, member of the Cowboy Band.

Dickens County students at Hardin-Simons this year are LaVerne W. Burks, sophomore, daughter of Mr. and Mrs. W. N. Burks, and Pauline Joyner, daughter of Mr. and Mrs. C. R. Joyner. Miss Joyner is a junior. Both are from Spur.

A WORD OF APPRECIATION

We wish to thank our many friends and loved ones for their assistance during the illness and death of our dear husband, son and father. Their kindness and words of consolation meant so much to us in our great sorrow. Words fail us in trying to express our appreciation to each and every one who had any part in the time spent at the funeral home. Also, for preparing the beautiful flowers. And last, but not least, for the nice food which was brought to our home with your presence, and such sweet words of comfort have all had a part in making our burden lighter, and with a heart full of love for you all we can look up and say, "Father, Thy will be done, and not ours." May heaven's richest blessings be yours. Mrs. Carroll Shoults and family. Mr. and Mrs. G. W. Brubbs and family.

The widow's benefit is three-fourths that of the wage earner's and the child's benefit is one-half. The monthly payment of wives and to dependent parents is one-half of that of the wage earner's primary insurance payments. Dependent parents receive payments only in case the wage earner dies and leaves no widow or unmarried children under age 18, Palmer stated.

Mr. Palmer has headquarters at Lubbock and visits our county every two weeks. He is keeping in touch with the situation here and desires that people know the facts about their social security.

JOB'S FOR TOMORROW

The chemical laboratories of the petroleum industry are now laying the foundation for industries of the future. Out of their research are being created new products and more efficient ways of making old ones. Synthetic rubber, plastics, explosives, basic chemicals and scores of other essentials developed in petroleum laboratories are already being made on a commercial scale.

These scientific discoveries of materials vital to peace-time needs, as well as National defense, are opening up new fields of industrial activity. Texas as the leading oil State is playing an important part in the creation of these new American enterprises. As a result, many young Texans now preparing themselves in our schools and colleges will find places in the industries resulting from this research.

If you want hearty adventure, lots of laughs and plenty of action, the Palace Theatre has it this Friday and Saturday with a twin bill of Western out-door action and a comedy feature. The scene above shows Ray Corrigan, John King and Max Terhune as the

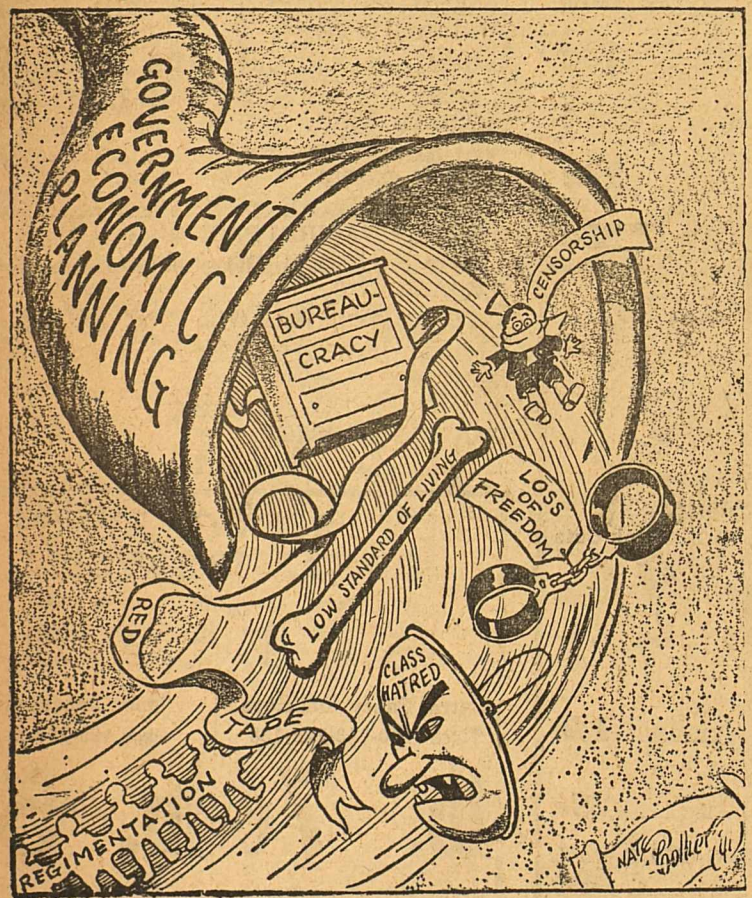

Three Mesquiteers in "West Of Pinto Basin." The other half of the twin bill features Wayne Morris, Irene Rich and Tom Brown in "Three Sons O' Guns." And Buck Jones is on the program in another thrilling chapter of "White Eagle."

These Clouds Mean Defense

Clouds arise as American farmers increase the fertility of their fields by sprinkling them with lime. Clouds arise as American soldiers increase their skill through artillery practice. Both fertile soil and skilled gunners are vital to the nation's defense. American farmers last year, cooperating with the AAA Farm Program, applied nearly six million tons of lime to their soil, enough to have powdered the face, at the rate of a ton per acre, of every acre of cropland in Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, and Connecticut.

ISM HORN OF PLENTY

Biggest Livestock Show In History

Nation-wide in scope and appeal, the 43rd annual American Royal Live Stock and Horse show took definite form this week when entry tabulations indicated a record breaking number of show animals will be listed from twenty-eight states—from West Virginia to California and from Michigan to Texas. The Royal will be held in Kansas City October 18 to 25. The entries are paced by all-time highs in the swine show where the number of head show a spectacular 45 per cent increase over last year. The Hereford show will be the largest in the past nine years while Aberdeen-Angus entries are approaching the largest number in the breed's American Royal history. Shorthorn

entries are 50 per cent greater than last year. Milking Shorthorns, a new division this year, will be represented in an unusually strong show, officials said. Sheep, draft horses and mules will equal last year's entries. Over 2,000 cattle will be entered in the carlot fat and feeder cattle division. Total animals to be shown at the Royal will be nearly 6,000. "The response from stockmen everywhere has been most gratifying," Harry Barby, the Royal president, said. "Livestock is the nation's principal source for 'new wealth' and its importance during the present national emergency cannot be overestimated. This year's American Roy is an example of what stockmen are doing to meet the emergency's requirements." Numerous educational and entertainment features fill the Royal's pro-

WALK OUT

A Highway Patrolman

It takes a lot more than a uniform, a badge and a pistol to make a Texas Highway Patrolman. At 6 a. m. each week day a bugle sounds in the big dormitory at Camp Mabry and 93 student Patrolmen roll out. By 7 o'clock they've dressed, had roll call and 15 minutes of calisthenics, and are ready for breakfast. From 8 o'clock until noon they are drilled in a host of subjects presented through lectures and classroom demonstrations by instructors who are nearly all members of the Department of Public Safety. The studies range from history and geography to traffic control, psychology, criminal identification and investigation, criminal law and procedure, court demeanor, investigation of simulated crime scenes, and even a mock court trial. Divided into four khaki-clad platoons, they spend an hour in snappy military drill on the big parade grounds before lunch. This teaches the cadets discipline, self-control and coordination, it was pointed out by State Police Director Homer Garrison.

The roar of motorcycles, the crack-spit of pistol and rifle fire, the glistering of perspiring bodies growing tough under rigorous physical training, and the increasingly fluid diction of embryo public speakers mark the afternoon sessions. Next in order come one-hour periods each for recreation, dinner, and first-aid training. The grind ends at 8 p. m. after a two-hour study period, and then there's a free hour before taps is blown at 10 p. m. The cadets entered school Sept. 1 after making the highest grades in statewide competition. Although each was examined by a physician before submitting his application, 12 of the first appointees were rejected when State Police doctors subjected them to a physical examination said to be as tough as the one given U. S. Army Air Corps cadets.

Predominantly college men and all between 23 and 35, they come from all walks of life. Among them are a school principal, a football coach, mechanic, ice plant operator, seismograph operator, tax collector, flying cadet, newspaper reporter, accountant, salesman, justice of the peace, and grocery clerk. Few have previous experience in law enforcement, because, as Colonel Garrison says, "the training they receive here is far above anything they've ever seen." And after five weeks of it, the cadets readily agree that Garrison puts it mildly.

Late this month the class will graduate. Farm women's club events, meat exhibits and demonstrations, the "Forum" with its comprehensive schedule of informative programs, industrial and government exhibits and many others are included in the educational aspect of the show. Montie Montana, star Hollywood movie personality, the "Royal Red Rangers," corps of drum majorettes, school bands, parades, the American Royal queen contest and coronation ball are a few of the entertainment highlights. Horse shows are scheduled for every afternoon and evening of the eight days with the nation's top flight horses and riders in spirited competition for Royal honors.

An innovation this year will be the judging of the grand champion steer which will take place at one of the night horse show performances as will the auction sale of principal champions in the steer division, including the grand champion of the show. This will mark the first time such features have been included in the horse show. "The object of these features is to give the largest number of people an opportunity to witness dramatic events," W. H. Weeks, the show's general manager, said.

Dengue Fever; Its Causes

This is the season for Dengue fever, according to Dr. Geo. W. Cox, State Health Officer. Several cases of this disease have been reported to date and no doubt will continue to increase until the first frost. Dengue is characterized by sudden onset, headache, and pain in the back and limbs, especially the joints. The fever is of short duration, but recovery is slow. While causing great discomfort, the disease is seldom fatal. However, the loss of time involved is a great economic factor. One attack is generally followed by immunity for a few years. Dengue fever is caused by the bite of the same mosquito that transmits yellow fever. Those who have not studied the mosquito are unable to distinguish the different species. Even though certain mosquitoes may be incapable of causing diseases such as Dengue or malaria, they are very

much a nuisance. To prevent Dengue fever and other diseases transmitted by mosquitoes, all places where they propagate should be eliminated. All standing water should be drained or oiled, rain barrels screened, and cans or anything that will hold water should be destroyed. Houses should be screened with sixteen mesh screen. Community-wide mosquito campaigns will greatly aid in reducing Dengue fever and add much to the comfort of the citizens.

Wondering about the 1942 cars?

Here is Buick's superb solution to the problems posed by making our national defense, as it should be, industrial America's No. 1 job

BUICK BUILDS FOR DEFENSE

Our assignment: Building Pratt & Whitney valve-in-head aircraft engines for defense use.

IT WAS no time to duck or dodge the facts. So we didn't try. Instead we said — these being the materials critical in the defense program, we'll do our planning for 1942 with that foremost in mind.

Not merely for an "acceptable" car — certainly not for any "ersatz" number.

We had to have a real and representative Buick. One able enough, active enough, durable enough to serve till annual new models are the rule again.

We resolved on a 1942 automobile of such merit as could carry and cherish the Buick reputation without fault until other new Buicks, however far off, could come along to refresh it.

Now we're announcing those 1942 cars. Why waste words telling you how good they are! You can't put language in the gas tank and learn either how many or how enjoyable are the miles you'll get per gallon.

There's a better answer—you drive these cars themselves. Come on, do that! Put your own yardstick on their quality.

It would be a shame, for you and for us, to have you miss the dreadnaught Buick we've built to stand up successfully to the toughest job in years.

No other car has **ALL THIS FOR YOU IN 'FORTY-TWO**

Fully attired in their rodeo regalia, the girls from the Goree State Farm, women's unit of the Texas Prison System, as they appeared at the first opening performance of the Eleventh Annual Texas Prison Rodeo which opened at Prisons Stadium, here Sunday, October 5th.

Dressed in gold satin shirts trimmed in black, khaki riding jodhpurs, black boots and hats to match, with other cowgirl accessories, this unique musical group, the only one of its kind in the world, received a tremendous ovation from the many thousands of rodeo fans as they entered the arena for their musical program. This entertainment group of the Texas Prison System has gained nationwide popularity with country's radio fans through their regular weekly appear-

ance on the prison program "Thirty Minutes Behind the Walls," regularly Wednesday night feature presented by Radio Station WBAP, Fort Worth.

To add to their already heavy schedule, these girls, assisted by the Rhythmic Stringsters at Huntsville, will put on a 40-minute musical program at the Wynne State Farm for the benefit of the members of the Fourth Estate who are attending rodeo Press Day at 11 o'clock Sunday morning, October 12th.

Miss Anne Lee and Kelley Marsh Wed

The marriage of Miss Anne Lee and Kelley Marsh was solemnized at the First Methodist Church in Spur at nine o'clock last Sunday morning. J. H. Miles, local Church of Christ minister read the rites for the single ring ceremony in the presence of a well filled church auditorium of friends. W. B. Lee, brother to the bride, gave his sister in marriage.

The bride wore a gown of white taffeta with sweetheart neckline and three-quarter sleeves edged with white velvet ribbon. The fitted bodice was bordered by a peplum edged with white velvet ribbon, and the full skirt extended into a graceful train. The finger tip length double veil of imported illusion was caught to a halo of orange blossoms. She carried a bridal bouquet of white gladioli and garlands of bouvardia.

Miss Regina Lee, sister to the bride, was maid of honor and wore a gown of blue marquisette, and carried a colonial nosegay of pink roses. Her head dress was a quaint brim of matching blue marquisette, trimmed with pink roses. Miss Martha Nichols and Miss Beatrice Spivey, of Lubbock, were the bridesmaids, and each wore a peach marquette and carried colonial bouquets of rainbow asters. Their head dresses were quaint brims of matching peach marquettes trimmed with rainbow asters.

John F. Moore was best man. James Henry Cowan and William C. Starcher were the ushers. Miss Ina Bacon, former teacher in Spur schools, sang "Because" and Mrs. Cap McNeill, teacher of piano, accompanied her and played Lohengrin's Wedding March.

The church was beautifully decorated with wreaths and sprays of white gladioli and California white mums. The background of the altar was greenery with baskets of white mums and gladioli with satin bows and streamers. Tiers of white tapers burned on each side of the altar.

After the ceremony a reception was held at the home of the bride's mother, Mrs. W. B. Lee. The bride's table was laid with an Italian cut-work cloth and ornamented with white chrysanthemums in crystal bowls. White tapers were lighted on crystal holders. An arrangement of white gladioli, white asters and chrysanthemums were used throughout the home.

The bride is a daughter of the late W. B. Lee and had spent most of her life in Spur. She was a graduate of Spur schools also attended A. C. C. of Abilene and then had commercial training. She had been secretary to the active president of the Spur Security Bank for several years. The groom is a son of Mr. and Mrs. J. A.

Funeral For J. S. Hodges At McAdoo

Funeral services for John Selma Hodges will be held at the McAdoo Methodist Church at three o'clock this afternoon. Rev. Berry Baker, of Tulsa, will conduct the services. Interment will be in McAdoo cemetery with Chandler Funeral Home of Spur in charge of arrangements.

Active pallbearers will be members of the Masonic Lodge at Crosbyton where Mr. Hodges held membership. The flower bearers will be members of the Junior Class of the McAdoo High School.

Mr. Hodges passed away about noon Wednesday, the cause of death was carcinoma. The survivors are his widow, Mrs. Dovie Shaw Hodges, seven children: Mrs. Stella Barrow of Clovis, N. M.; Noel Hodges of Maude, Okla.; Mrs. Ila Northam of Amarillo, Vallie Hodges of Quitaque, Raymond Hodges of Clovis, N. M.; Mrs. Juanita Early of Amarillo, Jack Hodges of McAdoo; a step son, Claude Merritt of Tahoka; one brother, Bill Hodges of Lafora. There are 15 grandchildren in the family.

Mr. Hodges was born at Red Bay, Alabama, April 7, 1874, and was 67 years of age. He graduated from Spur High School and then took training in architectural building and now is one of the prominent contractors and builders of this section of the state.

The couple are making their home in Lubbock where Mr. Marsh has employment with the new air field now under construction.

several years ago. He was married to Miss Dovie Shaw at Tecumseh, Okla., December 1922, and the family later moved to Quitaque. He came to McAdoo with his family in 1928 and has lived there ever since.

When he was about 23 years of age he made a profession of religion and affiliated with the Baptist Church. He remained a member in that church until his death. He was a man held in high esteem by all who knew him.

Mr. and Mrs. C. E. McClain, of Catfish community, were in Spur Saturday trading and enjoying friends.

Mr. and Mrs. A. M. Karr and two children, Dorothea Belle and Clifford Dean, and Mr. and Mrs. Ruben Waddell and two children, Ruben Darrell and Jerry Venice, spent Sunday in Rotan visiting their parents, Mr. and Mrs. J. W. Waddell and other relatives and friends.
