Dickens County War Board Organizes

The Dickens County War Board held a meeting Wednesday, February 4, in Dickens for the purpose of setting up a County Agricultural War Organization.

The meeting was called to order by Chairman Joe M. Rose. The group sang America, led by Cecil Ayers. Following the song Mr. Rose told the group that WE WERE AT WAR in no uncertain terms and Oscar Kelley informed us that a large number of Dickens County boys were already on the firing lines or in training camps. He further stressed the fact that many more Dickens County boys would be needed before the war is over.

Charles Taylor gave us the production goals and pledged production for dairy products, poultry products, swine, beef, sheep, and gardens set up for the Dickens County Farms. He reminded us that our armies and our allied armies must eat and must be clothed. Our industrial workers must not grow hungry. It is the responsibility of the farmers to see to it that sufficient food and fiber is grown to meet all our needs as well as the needs of our allies.

Mack Woodrum emphasized the importance of our meeting our County Quotas. He outlined the proposed County Organization which would set up a small War Board in each community. This community War Board was to be composed of a chairman and two other members from each of twenty one communities. This set-up would enable the County War Board to contact practically every farmer in the county in a minimum length of time. Through this organization we hope not only to reach or exceed our county goals, but be in a position to furnish the State War Board with any information it may require. The present tasks before the Dickens County Farmers are: Collection of Scrap Metal, Waste Paper, Burlap, and worn out tires. Immediate repair of farm machinery; and the meeting of our pledged production goals.

Mr. J. A. Scofield, District Extension Agent, made an appealing talk on United Effort to do our part toward winning the war.

Following these talks, Mr. Rose named the Chairman of the community War Boards and charged them with the responsibility of putting the job over in their particular communities. The representatives of the various agencies in the county were invited to assist by calling to the attention of their clients the job to be done and to encourage their clients to do their part.

First Aid Class to Start in Spur

A group of Spur citizens met Monday night, February 16 and made plans to start a standard course in First Aid (sponsored by the American Red Cross). So far there are about 35 signed up for the course.

Dr. Hughes assisted by Perry Davis of West Texas Utilities and Mr. Jackson our highway patrolman, are going to have charge of the instruction.

The class will get under way just as soon as the books get here. All persons interested in taking their course, see Rev. Ramsey or Spencer Campbell.

Notice will be given when the class begins.

Miss Kanna Stephens Goes to Austin

Miss Kanna Stephens, who has been Junior Welfare Worker in Dickens County for several years, has tendered her resignation to accept a place as Field Worker with the State Department of Public Welfare. Miss Stephens left Tuesday for Austin where she was scheduled to report Wednesday for a few days training period for her new work. The Department has not designated to her where she will be located, but it will not be long before she will know.

Her place as Junior Welfare Worker in Dickens County has not been filled yet. This is done by competitive examination and applications may be made to Mrs. Johnnie Weaver, Welfare Department Supervisor at Spur.

Billie Gayle Howard, daughter of Mr. and Mrs. Howard, born January 8, made her first trip down town Tuesday and was quite a center of attraction.

All Teachers Re-Elected at Patton Springs

At a recent meeting of the Board of Education of the Patton Springs School, all the teachers were re-elected for another term. Superintendent Logan Cummings was elected to a new three year term, while principals J. W. Adams and Robert Percival were given two year contracts.

Teachers elected for another term are: Edward White vocational agriculture teacher, Miss Alma Rhea Eades, homemaking teacher, Irvine Scribner, English; Mrs. Logan Cummings, social science; J. B. Kirkpatrick, band and public school music; Miss Aileen Campbell, language arts in the grades; Mrs. J. B. Kirkpatrick, social science; Miss Foy Heathington, fourth grade; Miss Jack Powell, third grade; Mrs. J. W. Adams, second grade; and Mrs. Sallie Jackson, first grade.

Mrs. Brady Thomas was elected to teach creative arts in the grades, a place left vacant by the resignation of Miss Faye Robinson who was elected to teach the same work in the Vernon City Schools.

Members of the Board of Education are: John Norris, president; D. W. Sims, vice-president; Harry E. Bennett, secretary; C. O. Middlebrooks, Ted Goodwin and V. S. Ford.

Contributed.

Be On Guard For Black-Out

There will be a general black-out call for Dickens County before a great while. This order has been issued and people should get ready for it. This means that all lights must be extinguished in business houses and in homes, or the windows and doors to be blinded until a light cannot be detected.

This will be a Civil Defense project, and people who do not cooperate will greatly endanger their homes and business houses if a light can be detected during the black-out period.

Baptist Take Notice

Rev. W. N. Clark, of Plainview will preach at the First Baptist Church next Sunday morning and evening. Be there. Sunday School at 10:45 new time, preaching at 12:00 and 8:30 new time. Young people's work at 7:30.

By Chairman of the Board.

Crop Loans Available For Farmers

Crop production, vitally important this war year, is being financed by the Emergency Crop Loan Section of the Farm Credit Administration through loans to farmers in need of credit assistance. These loans usually known as "seed loans", are the oldest form of Federal aid to farmers in producing crops, having been successfully administered by this pioneer agency for many years.

In addition to cash crops, this bureau has always urged its borrowers to follow a balanced program with ample acreage of feed and food crops. planting a home garden has been a prime requirement in securing a loan but this year the growing of a bigger and better home garden is being emphasized more than ever before, according to W. E. Farwell, Regional Manager of the Dallas Emergency Crop Loan Office, which administers these loans in Texas.

"Not only is this verbally impressed by our Field Supervisors and application writers but every check disbursed to a borrower is accompanied by a message on this subject printed on orange paper which cannot be overlooked," says a recent statement from Manager Farwell. "Food for Victory is far more than a slogan. Without another year no one in America will need to be convinced of this. With our organization it is receiving top consideration now during the planting period," the statement concludes.

D. H. Sandidge, who supervises these loans in Dickens County, states that applications for "seed loans" and also for loans to purchase feed or produce feed for livestock are being made at his office, Gabriel Building in Spur. Advances are made for seed, fertilizer, feed and necessary incidental expense. Eligibility rules are the same as in the past according to the supervisor.

Espuela Golf Assn. Elect Officers

The Espuela Golf and Country Club held a meeting at the Spur Security Bank Tuesday evening and transacted business relative to starting the golf season at Spur. Annual dues were set at \$10.00 per year to be paid on or before May 1. Members may pay in two installments if they desire, paying \$5.00 on or before April 1, and the remainder on or before May 1. Green fees were set at fifty cents for the first nine holes and twenty five cents for each additional nine holes all played the same day. Green fees does not apply to local people.

The election of officers and three directors then took up the attention of the meeting. Everybody wanted to be president in a negative manner and the honor was thrust upon a member finally.

Harvey Holly was elected president, and Ernest George was elected vice president by unanimous votes. F. F. Vernon was elected secretary and treasurer. Three directors elected were C. E. Fisher, T. C. Ensey and O. C. Thomas. The remaining four directors are W. T. Andrews, B. Williamson, Dick Speer and Neal A. Chastain.

The various committees are to be appointed by the officers and directors. Usually a director becomes chairman of some committee, and the vice president is chairman of the membership committee. These various committees will be announced later.

Tire Rationing Board In Session

The Dickens County Tire Rationing Board will be in session at the Court House at Dickens today at 9:00 o'clock to consider claims for tires. This body is soon to become the County Rationing Board and will be in charge of all rationing projects in the county including sugar and others.

Services at Episcopal Church Sunday

Rev. John A. Winslow, of Lubbock, will conduct services at Trinity Chapel Episcopal Church in Spur Sunday afternoon at 3:30 o'clock central war time. The public have a cordial invitation to attend these services.

Mr. and Mrs. Bill Rhodes and daughter, Beverly Anne, have moved to our city from McKinney. Mr. Rhodes is to be the assistant manager at the Palace Theatre relieving Johnny Hopkins who is leaving for Army service.

Register For Civil Defense Work Saturday

All citizens in Dickens County who expect to assist with the Civil Defense Program are requested to register Saturday, February 21, at various places designated. Judge E. H. Boedeker, who is chairman of the County Civil Defense program, is asking the cooperation of everybody in the county up to the age 65 and possibly older.

The purpose of this registration is to get everybody classified in order to know just where each person can work. It is hoped that every person in the county who might be able to do Civil Defense work will register.

The following places have been designated as registration points:

- Spur, at the City Hall with Dr. Brennan in charge
- Dickens, Commissioners Court Room with C. A. Alldredge in charge.
- Afton, at the Gin office with Byron Haney in charge.
- Glenn, at the Gin office with F. F. Henry in charge.
- McAdoo, at Brantley's Store with N. L. Fox in charge.
- Men who are registered in the Texas Defense Guard are already considered in Civil Defense work and probably will not need to register. However, it will not be out of the way for them to register.

Masons to Hold Washington Birthday Services Monday

The Spur Masonic Lodge will have its annual Washington's Birthday observance Monday, February 23rd, at 8:30 p. m. (Central War Time) at the Lodge Hall. This meeting will be open to all Masons, their families, and their friends. The committee has endeavored to secure a program which will be in keeping with the spirit of Washington, and every Mason is urged to be present on this occasion.

REAL PICTURE YOU'LL LIKE

You will miss a real treat if you fail to see Sargeant York at the Palace Theatre this afternoon and night. Sargeant York is not a fictitious character, but a real soldier in the service of our country. It is the story of a Conscientious Objector becoming a real soldier. Be sure to see this fine picture tonight.

Money Received on Road Bonds

E. H. Boedeker, County Judge, reported the last of the week that quite a nice little sum of money was received from the State Highway Department on bond refunding for Dickens County. The last Legislature passed a bill which practically cut the bond refunding amount for Dickens County to about half its original amount. However, the amount received last week which was \$1,433.25 was in addition to the regular amount.

This was to apply on refunding the bonds voted by the county to build what is now highway No. 70 (formerly 18) and No. 80 (formerly 24). The state took over these highways and used the road beds built by bonds voted by the county back in 1917.

The Senate passed a bill to eliminate all of the refunding act, but the House stood pat and a compromise was made whereby about half of the first funds are now being paid to the counties having road bonds prior to the year 1939. It meant a loss to Dickens County of about \$6,000.00.

New Home Demo Agent for Dickens

At a recent meeting of the County Commissioners Court it was voted to continue the work of a County Home Demonstration Agent in the county for another term of two years. Miss Fae Bass, formerly of Graham, has been selected by the Extension Service to be the new Home Demonstration Agent for this county. Miss Bass has been assisting in this work in Young County the past 18 months and is rated as one of the best in the work. She is a graduate of the University of Texas with a Bachelor of Science Degree, majoring in Home Economics work.

She will begin her duties next Monday.

Officers' Contact Meeting Here Sat.

The Officers' contact meeting for the 41st Battalion of the Texas Defense Guard will be held in Spur starting Saturday evening about 7:00 o'clock, war time. The chief subject for discussion will be plans of maneuvers and other important activities.

There will be a second session Sunday morning before church hour, and then all the members will attend preaching services at the Presbyterian Church.

Maj. V. H. McClintic, Commander of the 41st Battalion and his staff, and all officers of the four companies in the Battalion will be present. A third session will be in the afternoon Sunday.

Save Your Old Metal Tubes

The Drug Stores are asking people to save their old metal tubes in which they buy tooth paste and shaving creams and other materials and bring them in. There is a box prepared to receive these articles and they are valuable to the government as they are almost all tin. Take these to the drug stores. Watch for further announcements.

Homemakers Hold District Meet Here

More than 100 Future Homemakers of Texas were assembled at Spur Saturday for a district conference. The general theme was "What Future Homemakers can do for Home Defense." Sue Fowler, of Jayton, was the presiding officer at the meeting. The program started with registration with representatives from the following towns:

Ralls, 9; Spur, 25; McAdoo, 5; Peacock, 22; Girard, 14; Crosbyton, 5; Jayton, 30; Patton Springs, 12; Dickens, 12. Lorenzo and Robertson were not represented. The above registration showed 129 in attendance at the meeting.

The program started with a sing song led by Sue Fowler. The address of welcome was made by Better Miller of Spur, and the response was given by Polly Harvey of Dickens. Martha Apple, of Jayton, discussed the effect of the Defense Program on eating habits.

Girard Chapter held a panel discussion on How the Defense Program affects clothing. Patton Springs Chapter presented a skit on the Defense and luxuries. The Chapter at Peacock gave an entertainment in the form of a reading. Winona Reynolds, of Dickens, discussed the effect on standards of living, and Joyce Simpson of Ralls spoke on Good Morals during the Defense program.

Elizabeth Hamsay, of Spur, discussed bonds and stamps. Entertainment by Crosbyton Chapter was a trio composed of Norma Jean Crump, Barbara Young, and Mary Jean Fulkerson. They were accompanied by Mrs. Wiley Curry. Estelle McLaughlin of McAdoo, discussed Future Homemakers and Red Cross. Mrs. O. A. Lively led the practice on area songs.

At the noon hour a play period was directed by Mrs. Dorris Foreman. The business session took up the election of officers as follows:

- President—Martha Apple of Jayton.
- Vice president—Marie Powell of Patton Springs.
- Secretary-treasurer—Patsy Turpen of Spur.
- Reporter—Larne Robinson of Jayton.
- Parliamentarian—Beth Arthur of Spur.

Song Leader—Ann Mae Webb of Song Leader—Anna Mae Webb of The next meeting will be held at Dickens with the Pioneer Club as host. The date will be announced by the Pioneer Club.

The meeting closed with a song "Sing Your Way Home" directed by Sue Fowler.

Sponsors who attended the meeting were: McAdoo, Mrs. George M. Archer Peacock, Miss Evelyn Walkup Girard, Mrs. Louie Jeffers Crosbyton, Miss Amy Kerr Jayton, Mrs. Opal Jones Dickens, Miss Neta Polk Patton Springs, Miss Alma Rhea Eades Spur, Mrs. Ethel McArthur

Laundry Being Remodeled

The Jim H. Smith Helpy-Self Laundry on North Parker Avenue, is being remodeled and made more commodious. A new drying room is being built on the west end of the main building in order to give people more advantage of getting their laundry on damp days. Also, quite a lot of new machinery, including a new mangle, is being installed. The laundry will be equipped to do finish work along with the Helpy-Self service.

Luther Henderson will be the manager, and they expect to be able to give the people service next Monday.

Spur Cagers Placed Fourth

Spur's High School basketball team did not make such a bad record for the season as they placed in fourth rank for the season. There are seven teams in the conference with Floydada, Ralls, and Matador at the top in the order named. Spur followed Matador for the next in rank.

The indoor rifle range for the local Texas Defense Guard is now complete says Capt. Jack Christian. At a meeting tonight (Thursday) a schedule will be worked out and members will be given an opportunity to fire a few rounds.

Spring and Summer Markets at Lubbock March 7-9

Dates for showing spring and summer merchandise in the Western Wholesale Market have been set as March 7, 8, and 9. O. J. Sexton, new president of the market association, said this week.

Announcement of the event, and invitations to attend have been sent to over 1500 retail clothing and ready-to-wear merchants in 80 West Texas and 10 New Mexico counties.

Advance reservations for space in the market, to be in Hotel Lubbock, indicate that over 175 separate lines of seasonal merchandise will be displayed, according to M. D. Fanning, association secretary. The market facilities will be filled, Fanning said. At least 1,000 buyers are expected to attend and check the showings.

Feature entertainment for market visitors will be a buffet supper-dance in the evening of March 9.

"Since the Lubbock comes in the period between the showing in Fort Worth and Dallas, both of which are in January, and Easter," Secretary Fanning points out, "merchants who order 'fill ins' and other items at this market can get delivery on such orders in time for the Easter trade."

There was a tremendous amount of buying in Fort Worth and Dallas

markets, according to Tom Pendergraft, manager of Hotel Lubbock, who, with Fanning, attended those showings and contacted exhibitors in regard to their showing here.

Manufacturers and wholesalers in January markets in Fort Worth and Dallas were all optimistic regarding their ability to make quick deliveries on much of the merchandise they were offering the retailers, Pendergraft reports.

Sexton succeeds I. A. Stephens as president of the Western Wholesale Market association, Newton S. Walton is the new vice president. Directors include retiring president Stephens, Arlie Crites, C. D. Doggett, Luther Godwin, A. A. Goldstucker, Irving L. Jones, Morris Levine, J. J. Moise, Ernest T. Pope and Sam Rosenthal.

Then they went en masse to the home of Mrs. L. R. Barrett at 4:30 where Mrs. Dee McArthur was hostess to the group, where a delicious refreshment plate was served and a large Valentine with lollypops were plate favors.

Those present were: Mesdames L. R. Barrett, R. L. Benson, C. V. Allen, C. O. Fox, Floyd Barnett, Clark Lewis, A. G. Dunwoody, J. C. Payne, Walter Carlisle, B. T. Moore, M. J.

Matador Ranch Furnishes Historical Information

A truckload of Matador ranch records, now in the hands of W. P. A. copyists in Fort Worth, form the basis for the most complete record ever assembled on the early history of the Texas ranch country. Original manuscripts, which include 36 record books, journals, ledgers, payroll books and brand books dating back to Oct. 15, 1885, and up to 1917, have been assembled from libraries at the University of Texas, Texas Technological College and the Denver headquarters of the Scotch syndicate which owns the Matador ranch.

Transcription of the records into seven typewritten copies was made possible by a special research grant to Texas Technological College for purchase of 1,775 reams of paper, 950 boxes of carbon paper and 675 typewriter ribbons. Salaries are being paid by the Federal government. William L. Strauss, technician for the statewide library project, is in charge of the work which will require the services of five typists for a period of two or three years.

Original manuscripts and one copy will be placed in Texas Tech library for use of research students in history, sociology, economics, agriculture, and English. Copies will also go to the University of Texas library, and the Library of Congress, to ranch officials and to three other research libraries to be designated later.

"The old-time cowhand carried his records in his head," Dr. W. C. Holden, project adviser, says. "Hence we are indebted to the syndicate land and cattle companies for the only complete records of early ranch history."

Three Americans first established a company for ownership of the Matador ranch in 1881—H. H. Campbell, S. W. Lomax, and a Colonel Brittain. In 1883 they sold out to the Scotch syndicate which still has its headquarters in Dundee, Scotland, and operates the Matador ranch as a branch office.

Junior Fat Stock Show, Lubbock April 6

Arrangement of details for the 12th annual South Plains Junior Fat Stock show in Lubbock April 6, 7 and 8, are progressing rapidly, according to Clyde G. Tatum, executive committee chairman.

Prize money totaling \$600 will be offered to 4-H club and vocational agriculture class members in 27 West Texas and three New Mexico counties. The area and prize money are the same as in 1941, Tatum said.

Competing in the show will be pigs, calves and lambs shown by the club and vocational agriculture boys. The show will be staged at the Panhandle South Plains Fair plant in Lubbock and available for use of the boys will be the four new barracks, mess hall and recreation building on the fair grounds. These buildings were formerly used by the CCC company located in Lubbock and since abandoned by that unit they have been acquired by the fair association and put in shape for use by exhibitors.

One of the entertainment features of the show will be a combination parade and high school band contest. A committee headed by Ray Farmer is developing this affair and will announce the program for it shortly.

In addition to the prize money, exhibitors will derive several thousand dollars from the sale, at a premium, of exhibited livestock at an auction the last afternoon of the show.

Bronze plaques will be presented the owners of the grand champion pig, lamb and calf by J. D. Jenkins Lubbock jeweler. This will be the second successive year Jenkins has made such presentations. The Texas Swine Breeders' association will present a trophy to the owner of the grand champion pig, and possibly other special awards will be arranged, Tatum asserted.

The complete program of the show will be provided all county agents and vocational agriculture teachers soon. Counties from which entries will be accepted for the show are: Curry, Roosevelt and Lea, New Mexico; and Parmer, Castro, Swisher, Briscoe, Bailey, Lamb, Floyd, Motley, Dickens, Crosby, Lubbock, Hockley, Cochran, Cottle, King, Yoakum, Terry, Lynn, Garza, Kent, Stonewall, Gaines, Dawson, Borden, Scurry and Andrews, Texas.

Thomas and Dee McArthur. The next meeting will be at the home of Mrs. C. O. Fox February 25, with Mrs. M. L. Thomas as hostess. All members will bring wool scraps, needles and wool thread.—Reporter.

Notice of Competitive Examinations

The Department of Public Welfare announces a competitive examination for County Case worker's position in and for Dickens County.

The job involves determining eligibility for WPA employment, selection of boys for teh CCC and certification of person eligible for Federal Surplus commodities. The applications will be available at the local office of the Department of Public Welfare in Spur, Texas, and office of the County Judge in Dickens, Texas. The closing date for the acceptance of these applications will be Tuesday, February 23, 1942, at five p. m. Applications must be filed with the Area Supervisor at the State Department of Public Welfare Office in Spur, Texas, not later than the above time and date. All persons applying and meeting the minimum qualifications will be required at the Area office, Department of Public Welfare, Wendell Building, Spur, Texas, on Saturday, February 28, 1942 at ten a. m. (central war time) for the written examination. Those persons not meeting the minimum qualifications for this position will not be permitted to take the examination.

The minimum qualifications for this position are as follows: Successful completion of 2 years of study in an accredited college or university; or a combination of education and experience determined to be equivalent, substituting 1 year of successful, full-time, paid employment in a social work capacity in a public or private social work agency determined by investigation to have maintained high standards of work and supervision during the period of the applicant's employment therein, for each year of the required college education.

Applications should be mailed to: Mrs. Johnnie M. Weaver, Area 32, State Department of Public Welfare, Spur, Texas.

Miss Janice Garner Weds Leon Isaacs

Mr. and Mrs. Jess Garner announce the marriage of their daughter, Janice, to Leon Isaacs of McAdoo. The ceremony was performed at the home of the pastor of the Presbyterian Church in Albany January 13. Their only attendants were Mr. and Mrs. Benny McWilliams.

The bride looked lovely in a navy suit with a pink blouse and black accessories.

The bride is a graduate of Spur High School with the class of 1940. The groom is a graduate of the McAdoo High School with the Class of 1939.

The couple are at home to their many friends at Jayton where they are managing the Hill Crest Cafe.

School Children to Model Airplanes

Texas school children today received an important war assignment—the construction of 20,000 model aircraft for use of military forces and civilian defense.

Dr. L. A. Woods, State Superintendent of Schools, said the request came from the Navy Bureau of Aeronautics through the U. S. Office of Education, with notation that the planes be built to scale in order to make them adaptable for such military training purposes as recognition, range estimation, and determination of cones of fire.

The project involves the construction of approximately 50 types of planes, including those of the United Nation and of the Axis countries. The models are to be constructed according to plans and specifications to be furnished by the Bureau of Aeronautics. The smallest model will have a wing span of 5 1-2 inches, the largest 25 inches, while the majority of the models will have less than a 12-inch wing span. Models will be constructed of wood such as white pine, poplar and bass.

In order to complete the job with the greatest speed possible, and in order that the largest number of individuals may have a part in the program Woods said an effort would be made to see that students in all public and private high schools and vocational schools have an opportunity to participate. He said Texas has more than 350 public schools with shop facilities, and in addition to these schools, clubs, and service organizations interested in being of assistance should contact the State Department of Education in Austin.

"Texas school not only are equipped with instructors, student personnel, tools and other facilities for the construction of these model aircraft," Woods said, "but their participation will result in a number of educational values which could not be acquired in any other manner. For example, students will acquire skill and technical information in the making of model aircraft and will also be supplied with approved plans and specifications for

THE average price increase for a moderate cost adequate diet for a family of four, for one week, has increased 24 per cent in the past year, according to the National Dairy Council. The foods chosen were based on dietary standards set up by the Bureau of Home Economics, United States Department of Agriculture. The prices were from the Bureau of Labor Statistics, United States Department of Labor, Washington, D. C.

Average price increases of each group of foods were computed from the latest retail prices in 51 cities compared to the same period of the previous year. The smallest price increase, 9 per cent, was for flour and cereals. Milk was the next smallest with an increase of only 15 per cent. The price increase for fats varied from 16 to 63 per cent with an average of 32 per cent. Among all fats butter with 16 per cent showed the lowest increase.

McAdoo News

Rudolph McLaughlin, son of Mr. and Mrs. Charlie McLaughlin, died of double pneumonia in a Lubbock hospital January 31. He was 19 years of age at the time of his death. He had been in ill health for a number of years, having undergone several operations in a Lubbock sanitarium and had received treatment from several specialists in different states. He had his last operation two or three months ago and was able to be up and about until he developed pneumonia.

Rudolph was a good Christian boy and was brave and patient through all the years of sickness. The large number of friends from far and near who attended his funeral and the beautiful

floral offering proved, to some degree, the many friends he had.

Funeral service were held Monday February 2, in the McAdoo High School auditorium. Services were conducted by Elder G. W. Brewer of Lubbock. He was buried in McAdoo cemetery with Curry Funeral Home in charge of arrangements.

His 1938 classmates of McAdoo High School were pall bearers and flower girls.

He is survived by his parents, Mr. and Mrs. Charlie McLaughlin, and four sisters: Wanda, Estelle, Charlotte and Juanette all at home.

Among friends from a distance who attended the funeral services were: Mr. Smith, a former superintendent of McAdoo school, and Mrs. Smith, of Plainview; Henry Elder, a former yo-

educational agriculture teacher at McAdoo, now of Lubbock, and a number of students at Texas Technological College.

Ministers Draft Resolutions

At the last meeting of the Minis-
ter's Alliance, which was a called
meeting, with all of the churches in
Spur Represented the following Reso-
lution of Respect was read approved
and adopted. A copy was sent to the
family and one to be published in each
of the local papers.

RESOLUTION OF RESPECT:

In as much as our Christian friend
and brother in the ministry, Rev. C.
R. Joyner, pastor of First Baptist
Church of Spur, Texas, departed this
earthly life Monday February 9th,
1942 leaving a sorrowing family and
a host of friends:

BE IT RESOLVED, that the Minis-
ter's Alliance of Spur, which Bro.
Joyner has served as efficient Presi-
dent and bold leader in efforts to
destroy forces of unchristian nature
in our community, do hereby offer to
the family an expression of our deep-
est sympathy.

AND FURTHER, in appreciation of
his challenging ministry, his daring
courage and zeal, and the inspiration
of his moral strength, we deplore this
our loss of his presence and his
strength from among us. We have
found his goals to be high, his pur-
poses good, and his zeal unflagging.
We shall miss him, and God helping
us, we shall strive to emulate his
ideals for a better moral and Christian
world. We believe he was a good
Christian man.

Sincerely offered by the
Minister's Alliance of Spur, Texas,
February 11th, 1942.

Alliance.

Joyner Family Moving From Spur

Mrs. Ellen M. Joyner and her chil-
dren left our city last week to make
their homes in various places. In
speaking of moving from Spur Mrs.
Joyner stated that she wished she
could remain here as she realized
she had many dependable friends in
our city, but she cannot afford to
keep a home here which would cause
extra expense.

The four daughters left Wednesday
afternoon for their various homes.
Miss Lona Joyner has a position with
the Borden Company at Dallas, Miss
Emma Joyner is teaching in the city
schools at Sweetwater, Mrs. Otha
Barbee and her husband are living in
San Antonio, and Miss Pauline Joyner
is a Junior Student in Hardin-Simons
University.

Mrs. Joyner and her son, Victor,
left Friday afternoon for Sweetwater
to spend the night. Saturday morning
Mrs. Joyner went to Cisco where she
will spend a few days visiting rela-
tives and friends. Victor boarded the
Sunshine Special to return to Sikes-
ton, Mo., where he is in training in
the Air Corps of the U. S. Army.

The Joyner family have been in
our city the past four and one-half
years. The late Rev. C. R. Joyner was
pastor of the First Baptist Church.
Our city is losing some very fine
citizens by Mrs. Joyner and her chil-
dren moving away.

Mrs. Homer Wilson and two sons,
Troy and Curtis, of Los Angeles, are
here visiting her parents, Mr. and
Mrs. S. C. Thomas of Gilpin.

Boys and Dads Enjoy Big Banquet

About 100 Dads and their sons en-
joyed a fine social hour Friday even-
ing at the First Methodist Church.
The ladies organization of the church
served a delicious repast and fathers
had their sons as guests for a good
time.

This was part of the National
Scout Week activities and Jack Chris-
tian, Chairman of the Brakes-Plains
District, served as master of cere-
monies. As the meeting progressed,
fathers were asked to introduce their
guests. A number of men were pres-
ent who had adopted a son for the
evening and gave a boy a good time
along with his pals.

At the last annual meeting of the
South Plains Council, Spur won the
attendance banner for this year. Geo.
S. Link was asked to announce the
winning of this banner and placed it
in the care of Cecil Fox, Scoutmaster
at Spur. Also, Mr. Link was awarded
the Silver Beaver badge at the South
Plains Council meeting, and he was
given a big applause for that. This
award is made on the basis of long
and faithful service in Scouting. Mr.
Link has been in the service the past
fifteen years and has done an untold
amount of work in Scouting. He is
the first and only person in Spur to
secure the Silver Beaver award, and
all feel that his service deserves this
award.

Judge L. D. Ratliff, County Attor-
ney, made the address of the evening.
He started out with the statement
"There are no bad boys," and carried
through on that thought. He said
that if a boy goes wrong in life, it is
the result of the home life and that
Dad is responsible for it. He recited
a number of incidents to substantiate
his talk and every phase of the ad-
dress was logically presented. He told
of many instances that came before
him personally as an officer of the
county. He said he did his best to
keep every boy out of court and to
give him encouragement to go forward
and make a real citizen. His address
was well taken by those present.

Mrs. H. L. Thurston presided at the
piano and Max Ward was song leader
for the evening. Everybody seemed to
enjoy this meeting.

A Fine Bull, But Be Careful

Judge H. A. C. Brummett, of Dick-
ens, has a very fine thorough bred
Hereford bull fourteen months old.
Many people have called to see this
fine baby bull known as Ferdinand,
Jr. This reminds us of a story an at-
torney told one time while he was
campaigning for one of our county of-
fices.

As the story goes; several years
ago one of the ranchmen had pur-
chased a very fine bull and paid sev-
eral thousand dollars for the animal.
People far and near came to see this
fine sire. The owner used the custom
of charging people to see the animal.
So a man asked the owner what he
would charge his family to see the
bull. The owner asked how many
children he had. The man replied 14.
The owner of the fine sire patted him
on the shoulder and told him to take
his entire family right in and he would
not have to pay a penny. "I want my

Gamma ETA Chapter In Session

Gamma Eta Chapter of Delta Kappa
Gamma composed of women teachers
from Cottle, Dickens, Kent, King and
Motley Counties is still growing.

On February 7, 1942, the chapter
met in Jayton, Texas, with Mrs. W.
Williams of Jayton and Mrs. Ross
Wideman of Guthrie as luncheon hos-
tesses. After an appetizing, as well
as an attractive luncheon, Mrs. W.
R. Weaver, of Spur, a member of the
chapter, delivered an inspiring ad-
dress on "Pioneer Women in Edu-
cation."

Mrs. Richardson and Mrs. Hill,
teachers of the Gerald School, were
luncheon guests of the chapter.

Immediately following the luncheon,
Miss Christine Ballentine of the
Junior High School of Paducah, Mrs.
Opal Jones of the Homemaking De-
partment of Jayton, and Mrs. Maudie
Williams of the Roaring Springs

School were initiated. After a short
business session the chapter adjourn-
ed.

Due to the tire situation the tea
scheduled to take place in Spur, May
1, 1942 has been canceled.

During the current club year, Gam-
ma Eta Chapter has enjoyed two other
interesting meetings. The first was
held at Roaring Springs, September
2, 1941, with Miss Bessie Mae Smiley
and Mrs. Roxie Lewis as luncheon
hostesses. Due to a storm some of
the members were unable to attend.
A short business session was held.

On November 15, 1941, the chap-
ter met for a Thanksgiving luncheon
in the Coco Cola Club Room of Pa-
ducah. After luncheon the officers for
the next two years were installed as
follows:

Mrs. W. C. Stubbs, Paducah, presi-
dent.

Mrs. G. B. Wadzeck, Spur, vice-
president.

Mrs. Horace Emory, Spur, record-
ing secretary.

Mrs. S. M. Jolly, Paducah, corres-

ponding secretary.

Miss Winnie Shaw, Paducah, treas-
urer.

Even though the distances to be
traveled by the members of the chap-
ter are great, the president hopes to
have at least one more meeting in
the spring.

Your Income Tax

Many farmers will be liable for filing income tax returns and payment of tax for the first time this year. The term "farmers" includes livestock raisers, fruit and truck growers, and operators of plantations and ranches.

Farmers may maintain their records and file their returns of income on either the cash receipts and disbursements basis or on the accrual basis of accounting. A consistent method must, however, be employed. If a cash basis is used, Form 1040F, "Schedule of Farm Income and Expenses," is required to be filled out and filed in conjunction with Form 1040.

Deductions from gross income may be made by farmers as necessary expenses, all amounts expended (other than those constituting capital expenditures) in carrying on the business of farming. Deductions for expenses include such items as cost of feeding and raising livestock (except the value of farm produce grown upon the farm and the labor of the taxpayer); cost of seed, minor repairs to farm buildings (other than the dwelling of the farmer); small tools used up in the course of a year or two; fuel and oil used for farm work; repairs and maintenance of farm machinery; hired laborers and hired machines, and cost of commercial fertilizers the benefit of which is of short duration.

The cost of farm machinery, equipment and farm buildings; amounts expended in the development of farms, orchards and ranches, as well as the amounts expended in the restoration of soil fertility preparatory to actual production of crops and the cost of liming soil to increase productivity over a period of years, are capital expenditures.

Losses incurred in the operation of farms as business enterprises are deductible from gross income. If livestock has been purchased for any purpose, and afterwards dies from disease, exposure of injury, or is killed by order of the authorities of a State or the United States, the actual purchase price of such livestock, less any depreciation allowable as a deduction in respect of such perished livestock, may be deducted as a loss if the loss is not compensated for by insurance or otherwise.

If gross income is ascertained by

TIME WAITS FOR NO MAN!

The farmers of America have a tremendous task before them . . . if our country is to become the "breadbasket of the democracies." To accomplish this herculean job our farmers must be prepared . . . their plans must be made . . . their machinery must be ready. The farm equipment manufacturers, whose dealers are represented on this page, must be able to anticipate the demand for repairs. This means that our farmers must order their repairs now to insure delivery before the Spring rush begins. Meetings are being held all over the country, with local defense boards, county agents and farmers, all stressing the urgent need for ordering repairs now so that vital farm machinery will be ready.

Let us be sure that Dickens county farmers will be ready. Let us bend every effort to being prepared when America's greatest agricultural emergency reaches the field next Spring. Every dealer listed on this page pledges his wholehearted cooperation in furnishing you the repairs needed to produce abundant supplies of life-giving food, which Secretary Wickard says will "win the war and write the peace."

NOW is the time to repair our tools and implements needed so urgently to carry out Uncle Sam's Food-For-Defense program. The distant goal ahead is a better-fed, happier world. No one has so great an opportunity of helping America reach that goal as the farm family-farm families like those living in this community. We can meet the challenge if we don't delay.

Never let it be said Dickens county farmers forget the timeproven truth, "Time waits for no man."

DEFENSE BOARD CHAIRMAN SAYS:

"The Government is taking steps to provide as much steel and other metal as may be needed for all necessary repairs for farm machinery in 1942. To be sure of a supply of all necessary repair parts, manufacturers need to know how much will be required. The only way to be sure of repair parts is to order them immediately. Failure to make repairs now may mean a crop loss later."

Activities in Soil Conservation Dist.

The farmers of the Duck Creek Soil Conservation District were busy establishing soil and water conservation practices on their farms during the past week as a means of meeting the necessity for an increased production of food to win the war.

According to the Soil Conservation Service office in Spur, Texas, terrace lines were run on the following farms: L. L. Slayden, R. M. Hill, C. C. Haile, Henry Elmore, John Sharp, Earl Thompson, R. R. Wooten, Howard Johnston, G. W. Bennett, J. M. Johnston, L. A. Wellborn and W. R. George.

The following farmers were constructing terraces: R. M. Hill, C. C. Haile, Lex Stanford and L. O. Mayer.

COUNTY AGENT MAC WOODRUM SAYS:

Repair, overhauling and ordering parts early for farm machinery under the all-out war Defense Program is not only a good practice for 1942 but an absolute necessity in production and harvesting farm crops under the Victory program when every effort aids our soldiers in arms and builds the defense lines stronger.

Rotary Ann Meeting Well Attended

Rotarians as host to their Rotary Anns enjoyed a very fine meeting at the Spur Inn Thursday night. The Invocation was given by George S. Link. America was given a reading by Judge E. H. Boedeker. The program was of a patriotic nature all through.

O. L. Kelley, County Chairman, spoke on the work of the Selective Service Board, and he brought out many points about the work of that organization. A visit to China was given in the form of a dialogue by Clarence Foreman and Ty Allen. Mr. Foreman spent some years in China as a member of the Marines. This was very interesting.

"Our Gold Stars" was given as a reading by Mrs. John A. Moore, Jr., which was very impressive with a piano accompaniment by Mrs. William Hilly. W. F. Godfrey, chairman of the bonds purchasing committee, gave a very fine talk on "Our War Bonds." O. C. Arthur and G. B. Wadzeck continued this subject by relating how this work is being handled in the local schools. The school children have purchased close to \$4,000.00 in bonds and stamps to date, and keep buying every week.

Charles A. Taylor, Secretary of the County ACA, gave a short talk on how the farmers may assist in the work of winning the war. He stated

the use of inventories, no deduction can be taken separately for livestock or products lost during the year.

that foods are an important feature in the Army and farmers can produce foods. He stated that eggs, dairy products and meats should be produced at a greatly increased production.

Joe M. Rose spoke on the subject "Our Dickens County War Board". He told of the membership and stated some of the duties of that board.

R. E. Dickson was program chairman for the evening and all of the talks were on helps to win the war.

This is the first time there has been a Rotary Ann meeting in which Rotary Anns did not have a part on the program. Mrs. George S. Link was asked if she were going to grow a garden this year, and she stated "No, I am going to let my husband do that." Mrs. Link is knitting.

Virden-Cornett Nuptials

Miss Willie Belle Virden, daughter of Mr. and Mrs. J. E. Virden of Winters, became the bride of C. J. Cornett at the home of her parents Sunday morning. The simple ceremony was read by the Reverend Pat Brown in the presence of members of the family.

Sister to the bride, Mrs. R. E. Johnson, was matron of honor and Mr. Johnson served as best man.

The bride holds a B. A. and M. A. Degree from Hardin-Simmons University and taught several years in Runnel County. Also, she taught several years in the Patton Springs school. For the past three years she has been teaching English in Merkel High School.

The groom is the eldest son of Mr. and Mrs. Joe Cornett, early settlers of Dickens County. He is now employed at the D and W Tire Company at Abilene.

ESPUELA HOME DEMONSTRATION CLUB

The Espuela Home Demonstration Club met with Mrs. Harold Karr February 13, 1942. Miss Perrin gave a very interesting talk on "Child Training."

The Club will have an all day meeting at the home of Mrs. W. A. Harris for the purpose of making an afghan for Red Cross February 27, 1942. The Club also voted to remember each of the boys who are in training camps from our community with a gift box. The "Surprise Package" which contained a beautiful apron was won by Mrs. John Sharp.

A delicious refreshment plate was passed to the following members and guests present:

Mrs. Pearl Morgan, Mrs. F. B. Crockett, Mrs. Roy Johnson, Mrs. S. L. Benefield, Mrs. John Sharp, Mrs. Harold Karr, and Mrs. T. C. Sandlin, guest, Miss Perrin, Mrs. Britton and Miss Wilma Morgan.—Reporter.

Lesson Seventeen--Subjunctive or "Doubt" Form of the Verb

Buenos Días, Señores y Señoras.

¿Cómo están ustedes? Yo creo que ustedes pueden hablar mucho español ahora.

Tengo gusto (I am glad) de hablar español con ustedes porque el español es muy importante para toda la gente.

You should now be able to understand these simple sentences. It is easier for you to understand (comprender) than it is to speak (hablar). With practice in understanding, speaking (hablar) becomes easier (más fácil). Fácil is easy.

The opposite is difícil (difficult). Yo creo que el español es más fácil que el inglés. ¿Sabe usted que es lo contrario (the contrary or the opposite) de "fácil"? Usted puede responder (answer) "Si, señor, lo contrario de "fácil" es "difícil".

In our last lesson we had some exceptions to the few rules that we have learned, like the words "la mano" and "el idioma"; words that have difficult endings like ciudad, doctor, gente, and importante. ¿Sabe usted qué significa (signify or mean) la palabra ciudad? ¿Puede usted formar una frase (form a phrase or sentence) con la palabra "ciudad"? Yo creo que sí, Usted puede decir "La ciudad es muy grande" ó "Yo creo que la ciudad es muy grande", ó "Yo creo que la ciudad de Corpus Christi es muy grande y muy bonita."

We had, also, the word "lápiz", aencil; the plural "lápices". La palabra lápiz es una excepción (exception). Yo creo que es muy fácil de aprender (to learn) para ustedes. Lápiz es singular y lápices es plural. ¿Sabe usted cual (which) es el plural de la palabra "idioma"? El plural de la palabra "idioma" es "idiomas."

We have just one more form to learn in our short course in Spanish. It is not very difficult and not so common. It is a sort of special form that we use whenever we are in doubt. Somewhat like the expression "may" in English when we say "I may speak Spanish." We might say in English, "I may speak Spanish next month", "Probablemente yo hable español el próximo mes". This form of hablar, you see, is used whenever we are in doubt. It is also used where we have an indirect command like "El señor dice que (says that) usted hable español" or "El señor quiere (wants) que usted hable despacio" (slowly). It may be used, also, in direct orders just as when we say in English "Open the door!" or "Speak Spanish!" ¡Hable español! For the first group of verbs like hablar, we use here the ending "e" and for the second and third groups we use "a"; so we have the expressions "Yo hable," "Yo coma", "Yo viva," or "Usted hable", "Usted coma", and "Usted viva". When we say "nosotros", we add the "mos" like "Nosotros hablemos", "Nosotros comamos", and "Nosotros vivamos."

Ahora tenemos algunas (some) frases:

1. Cuando hable usted español, puede ganar más dinero.

Salary of CCC Trainees Changed

J. S. Murchison, executive director of the State Department of Public Welfare at Austin, has just received a wire from the Director's Office in Washington, that the pay for members of the CCC has been changed as of February 1, 1942.

"For several years the members of the CCC were paid \$8.00 cash, sent \$15.00 home and saved \$7.00" said Mr. Murchison. Effective this month changes allow the boys to get \$12.00 cash, send \$10.00 home and save \$8.00. This is, of course in addition to the food, clothing, medical attention and training all members of the corps receive."

Mr. Murchison observed there is a great need for applications for the CCC. Texas is being called upon for over 3,000 new men this month, and every boy who desires to make application should do so at once. The enrollment will be February 20. Applications should be made to the local office in each county of the State Department of Public Welfare. For Dickens County that office is in the Wendell building in Spur.

"There are 8,000 Texas boys in the Corps now," said Mr. Murchison. This

2. Hable usted español lo más posible.

3. El señor dice que usted hable español porque no sabe inglés muy bien.

4. Si usted gusta puede hablar con mis amigos.

5. Yo creo que toda gente en América debe (ought) hablar inglés y español.

Si usted tiene tiempo, puede formar frases con estas (these) palabras:

1. Dices 2. Porque 3. Cuando 4. Gente 5. Mis amigos.

There will be a reserved section for all groups if they care to sit together. Bring your flags and other banners. This is a time that we all should be thinking more about patriotism and what it means. Come and worship with us. The boys in the camps, and on the firing lines are doing their part, but there is a very important part for all to play. We must keep the home fires burning for

is the smallest number in nine years of its existence". Mr. Murchison stated. "But we are glad there is so much employment in Texas that these boys must remain at home. However, the training in national defense work is being increased in all camps and our boys are leaving camps to take good jobs in civil employment every month—out cooks, bakers, truck and tractor drivers are especially in great demand."

Sure we can do it! Old Man Texas has sharpened his pencil. There's a job to be done. Uncle Sam has a war to win and it will be paid for by you and me. Our big job is to meet rapidly increasing federal taxes and buy defense bonds. And added to these are the costs of our local and State governments, including bond issues. The money to pay for them must all come out of the same pocket. To make the bill fit our pocket, we're going to have to cut out some of the things we can do without. Among these are new bond issues, new State and local taxes and nonessential spending in every branch of government. Red Cross Sewing Room Chatter

Miss Eades, Homemaking teacher of Patton Springs High School, is organizing Red cross sewing and knitting in the Afton community and school. All women and girls in and around Patton Springs are asked to register with Miss Eades.

Mrs. W. P. Nugent, Mrs. John Bell and Mrs. F. N. Oliver are knitting socks now.

Each woman is asked to find a space in her yard for a garden. She and her neighbors may have a neighborhood garden on the vacant lot.

Joe Rose, chairman of Dickens County War Board, said, "Everything you raise for your table just leaves that much more on the market for the soldiers." Mr. Rose also suggested that a community garden be

planned for the people in South Spur. It would take very little labor for each individual in the neighborhood to do his or her share spading up, and each family could furnish a package of seed.

West Texas Utilities Organizes Employees

District Manager

Nearly a thousand West Texas Utilities Company employees in 166 communities are getting organized to help lick the Japs and the Germs with dollars—as well as kilowatts.

Results of a survey were announced by District Manager K. K. Francis in which it was learned that 79 per cent of all W. T. Uers. already are buying bonds and stamps.

Hoping to enlist the other 21 per cent in a "Hundred Per Cent Volunteer Club," it was announced that "employees who desire to purchase bonds or stamps on a regular monthly savings basis may make deposits with local WTU cashiers" and that bonds then will be issued when sufficient deposits have accumulated.

Organizations are being formed in the nine districts with the chances described as "good" that 100 per cent of all regular employees will, sooner or later, voluntarily join in a system-

atic purchasing program. A preliminary survey indicated that only six or seven were so far undecided as to their plans, mostly men expecting immediate call to the armed forces or holding part time jobs.

Mr. Francis said that participation will be strictly on a voluntary basis and that the program will supplant a payroll allotment deduction plan.

The company recently announced purchase of \$50,000 in U. S. defense bonds subscribed on a pro rata basis in the various communities it serves.

It also has announced that no payroll deductions would be made since it appeared unnecessary inasmuch as such a large percentage of employees had made their plans to buy bonds and stamps and that the organization would be far above the average in "real support" of the defense program in all the communities served.

The announcement was accompanied by a rush to selling agencies to "catch up" on bond unurchases. One employee, it was learned, drew savings of \$375 from the bank, investing the entire amount in the bonds.

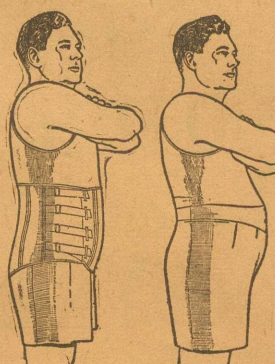

"Including the loyal support of the men and women of our organization, and the \$50,000 subscription by the company, we are indeed proud of the part taken by our West Texas Utilities in the defense program and challenge any similar institution, even a fraction of its size, to surpass our record," Mr. Francis said.

Over 40 employees of the company, he added, now are serving in the armed forces with a dozen others expected immediate call.

Eclipse of the Rising Sun!

● CHALLENGED in two hemispheres, America faces a tremendous test. But the fighters and bombers that will blot out the Rising Sun—the tanks and guns that will help smash the Swastika—are pouring off our production lines.

The biggest industrial job in history is being done because America has the electric power for the job!

The electric industry was ready when the crisis came. The business men who manage the nation's electric companies had built up power reserves in advance—and interconnected company systems so that power could be delivered almost anywhere overnight.

They were ready, too, to meet new demands with new construction. They added enough power in 1941 to light one-fourth of all the homes in the U. S. A.

We're glad that the electric industry has been able to help make Uncle Sam so powerful. We're determined to stick to the job until the blood-red sun has set and a new day follows darkness!

Mrs. Asbury Minerva Meadors passed away at the home of her son, O. P. Meador, Sunday after a long illness. The cause of her demise was cerebral hemorrhage.

The body was prepared for burial and lay in state at the Chandler Funeral Home here until Monday morning when it was transferred to Chico where funeral services were held Monday afternoon. Services were conducted in the First Methodist Church at Chico with the pastor in charge. Interment followed in Pleasant Grove No. 2 cemetery with Alexander Bass Funeral Home in charge of arrangements.

Mrs. Meador was born in Bates County, Mo., February 5, 1869, and passed her 83rd birthday anniversary the fifth of this month. She was a daughter of the late John and Martha Stark Moore, of Missouri. She was married to L. M. Meador while living in Bates County, and the young couple came to Texas to make their home.

Early in life Mrs. Meador made a profession of religion and became a member of the Methodist Church. She was loyal and consistent in her work in the church. Her daily life was a

benediction to all who knew her. She had spent the past six years here with her son, and while the last two years she endured much suffering because of ill health, she always maintained a cheerful disposition and held out a hope in the future to friends who visited her.

She is survived by a daughter, Mrs. J. G. Flowers, of Chico; and a son, O. P. Meador of Spur, with whom she was living at the time of her demise. One sister, Mrs. Lydia Carter, of St. Jo, Mo., still survives. There are several grandchildren in the family and some great grandchildren.

Olin Galloway Goes to Temple

Olin Galloway, who has been suffering for nearly two years on account of an injured spine and other injuries, left Monday by Chandler ambulance for Temple to enter Scott and White Sanitarium. He seemed to have improved some the past two or three months and expressed a desire to go to Temple where he has hopes of receiving treatment which will enable him to recover his health to a reasonable extent.

Learning of his desire the Spur Civic Club sponsored the movement of securing funds for him to make the trip. A committee was appointed to look after the matters and friends were given an opportunity to extend assistance. They made up \$295.52 which amount was sufficient for Mr. Galloway to go to Temple for examination. Mrs. Galloway accompanied him while their three children are at the home of her mother, Mrs. Lloyd, in the Afton community.

Mrs. Galloway stated she wanted to get employment at Temple and work where she could be close to her husband and to assist all she can in bearing his expenses. Mr. Galloway has a great desire to live and has been very brave considering his condition. People who contributed to the fund

made this opportunity possible that he might have a chance to get well.

Mr. and Mrs. Galloway are grateful to their friends for their encouragement and thanks every one.
