## Parent-Teachers Association Meet Jointly

The two Parent-Teacher organizations in Spur schools started the year off Tuesday evening with a get-together meeting and social. There was not much business session as the main object was to introduce the plan of work for the year and get acquainted.

Robert King, High School Principal, made some very fine introductory remarks, stating how the P. T. A's can be of assistance to the pupils and teachers, and he emphasized that parents should learn to know the teachers of their children. He introduced the High School teachers in order that parents might know them. He then asked Robert Williams to introduce the teachers in the Junior High.

Mr. Williams acquired the privilege of introducing Miss Lawless, who is instructor of Public School Music in all the schools. Then he introduced the literary teachers.

Mr. King then introduced Mrs. Wadzeck, who in turn introduced the teachers at East Ward school.

Mrs. Paige E. Gollihar, president of the Junior-Senior High PTA made a short talk stating the theme of the work for the year and then introduced the officers and standing committee for the year. Mrs. O. L. Kelley, who is president of the East Ward PTA introduced the other officers and standing committees of that organization.

After the business session the meeting was turned into a social hour at which time all present enjoyed simple games. Miss Morrisette was in charge of the social hour and she made the time enjoyable to everybody.

The next meeting of both PTA's will be Tuesday afternoon, October 13, at 3:30 o'clock. Parents are urged to attend the PTA meetings.

## Patton Springs To Have Lunch Room

Arrangements have been made for the Patton Springs Schools to have a lunch room again this year. The School Board has purchased two new Butane cook stoves, and the lunch room is to be newly furnished with quite a lot of equipment. Also, the room is to be refurnished and made more attractive.

In speaking of the lunch room, Supt. Adams stated that the set up is to be one of the best in this part of the state. He said the room will be adequate to take care of about 225 pupils each day. There will be from five to six lunch room workers to take care of the work. This problem of capable help has always made the school lunch room a great problem. W. P. A. certified labor will be used.

In the event that the school is dismissed for a time for cotton picking, the lunch room will be established immediately after the school reassembles from the cotton picking period.

In speaking of the school, Mr. Adamse spoke highly of the cooperation of the parents and school board, and stated the school is going forward in a great way.

### HIGH SCHOOL PUPILS ASKING TO WORK

High School Principal Robert King announced this week that a number of High School pupils had expressed a desire to work their odd hours of the afternoon and Saturdays for people. Mr. King said that if any one needed a High School boy or girl would get in touch with him at his office that he would send such student to them. Mr. King is getting a list of all the boys and girls who desire to work, and the type of work they want to do, and is in a position to send any one a school student on short notice. Phone him if any one should desire this assistance.

C. Dopson, of Dry Lake community made a trip to San Angelo Sunday and Monday.

## City To Buy Airport Grounds

The City Commission met with a number of citizens Wednesday afternoon to discuss buying grounds for an airport. Dr. Brannen acted as chairman of the meeting and asked Secretary Truman Green to explain the matter to the body. Mr. Green in a short way stated what could be done and Dr. Brannen then asked the opinion of a number of citizens about the matter.

Everybody seemed to be in favor, and the vote was unanimous to buy the field. The field is to consist of 200 acres of land located just south of Spur on the highway and is being acquired very reasonably. Those present voted confidence in the City Commission and told them to go ahead and make the deal.

This is one very fine movement on the part of the people of Spur as airplanes are coming, and any town without an airport will be a Back number soon. The site can be had now.

## May Get Message To Missing Soldiers

Instructions from Washington has come to the Dickens County Red Cross Chapter stating that messages for men reported "missing in action" in the Far East but yet listed as prisoners of war now are being accepted by the county Red Cross Chapter.

These messages will be forwarded on the exchange ship "Gripsholm" which is expected to sail from New York soon. Messages will go to International Red Cross Committee's delegate in Japan, who will make every effort to see that the messages are delivered if the men are in Japanese prison camps. This effort to communicate with missing men in the Armed Forces has been made necessary because of Japan failing to supply complete lists of American Prisoners of war.

Relatives and friends wishing to contact men reported missing in action, but not yet officially reported by the enemy as prisoners of war should contact Mrs. Kate Senning, Home Service Secretary. You should be able to give complete information on the missing man, including name, number, rank military unit and last known address. The message must be filed on Red Cross Form #616 and limited to 25 words.

For prisoner officially reported by the Japanese, regular letters may be sent through the Prisoner of War Mail, on which information may be obtained at any post office. It is not necessary to use Red Cross message form in these cases.

Leave your list with Postmaster Arthur at the post office or with A. C. Hull at the Red Front Drug Store. Mr. Hull said there is a possibility of the farmers securing around 500 pickers through this method.

The following letter has been received by Mrs. H. D. Smith from her son, Ardon Holmes, who has been a prisoner of war at Shanghai, China.

Dear Mother: I am well and hope you are the same. As you probably know now I was captured at Wake Island, and I am being interned for the duration of the war in Central China. If so, you need worry no more as I am in perfect health and have suffered no injuries during my short participation in the war.

I am very thankful for this opportunity to write. As I don't believe you can reach me with a letter due to poor transportation facilities caused by the war. Give my regards to all my relatives and friends. All my love to, Father Brother and little Sister, Jean. Your loving son, Ardon, Barracks No. 1.

The following persons were designated as honorary pallbearers: Harry Patton, R. L. Collier, W. L. Hyatt, S. I. Powell, Will Suddeth, J. A. Bell, S. R. Bowman and Dr. B. F. Hale.

Mrs. B. F. Hale and Mrs. Dave Wilson assisted with the arrangement of the flowers.

He is survived by his widow, Mrs. Mattie Ramsey, one son (Callie) Ramsey, and one daughter, Mrs. Pauline Jimison, all of Spur. Three brothers: R. M. Ramsey of Brownwood, A. E. Ramsey of Eola, Mo.; and Dr. J. B. Ramsey of Forrest, and one sister, Mrs. H. J. Wilson of Corsicana, still survive. The brother at Brownwood attended the funeral services.

Mr. Ramsey was a native of Tennessee and was born at Kulleoka November 1, 1859. He was a son of R. C. and Adeline Thompson Ramsey, spending his boyhood days in his native state. He came to Texas early in life and became engaged in railroad business, spending nearly thirty years as a fireman, railroad engineer and water engineer, serving most of that time for the Burlington system. He was located at Wichita Falls, Seymour and last at Stamford after the road built through Abilene.

He was married to Miss Mattie Moore at Seymour November 25, 1898. Mr. Ramsey always appreciated his home and when he could be in from runs on the railroad, was always found at his home. Mr. and Mrs. Ramsey moved to Dickens County in March 1916 from Stamford, and have made their home here since that time.

Mr. Ramsey was converted in 1912 and became a member of the Christian Church. He was quiet and reserved relative to his church, but was always a loyal supporter. He was a neighbor to any one who needed his service. He was kind and advisory in his manner, and always appreciated his friends.

## B. A. Crego Painfully Injured

R. A. Crego, of Dickens, was painfully and possibly seriously injured Tuesday morning while attempting to cross the highway near the E. H. Ousley residence. Due to his age both hearing and sight are not as good as they once were, and he did not observe an approaching automobile which struck him.

He suffered a badly broken left limb. Bone below the knee were broken, and it was thought the large femur above the knee was fractured. He received a bad bruise on the left side of his face which caused it to swell quite a lot, and his right hand was skinned some. He was brought to Spur where emergency treatment was rendered. He went on to Abilene where he is to be under the care of Dr. Frank Hodges, a bone specialist. He is resting at the Hendrix Memorial Hospital.

Mr. Crego has been in Dickens a long time and was still very active at the age of 85 years. He is of the pioneer type, and when he left Spur just afternoon Tuesday stated he was not suffering a great deal. Friends hope for his recovery.

Bynum Britton has received his call to report to the U. S. Navy for service and will leave Wednesday next week. Mr. Britton took his examination in Dallas a few weeks ago.

## Attends State Conference At A. & M. College

Last week Fae Bass, Dickens County Home Demonstration Agent, was one of the 572 County Extension Service Agents attending a state conference at A. & M. College. These agents received not only information as to ways and means of carrying on the vital war program, but also a great deal of inspiration from the numerous outstanding speakers there for the occasion. Below are some of the highlights brought out in the meeting.

At the first session of the conference Extension Service Director Williamson stated that the number of people dependent on each American farmer for their existence has risen from four to six, because of the Lend-Lease program. There are probably 175-185 million people looking to the 30 million American farmers.

Miss Mildred Horton, State Home Demonstration Agent and Vice-Director, re-emphasized the fact that the three steps to any demonstration are: 1. the demonstrator learns and does something worth while, 2. he shares this with his neighbor, and 3. he receives recognition and encouragement which leads on to greater accomplishments.

Mr. Reuben Brigham, Assistant Director of the National Extension Service, from Washington D. C., said that four things which are vital to production are machinery, transportation, labor, and health of the family. These must be guarded zealously.

Dr. Robert Sutherland, Director of the Hogg Foundation, University of Texas, praised the Extension Service program and the method of teaching used by it. He named these assumptions upon which Extension work is based: 1. Democracy cannot be taught; but must be experienced, 2. You can't teach character, and 3. Resourcefulness is necessary in time of war or peace.

In a demonstration on "Producing Clean Milk", two 4-H Club boys from Taylor County gave the requirements for producing clean milk as: clean cows, correct equipment, cleanliness in handling, sterilized utensils, and cooling the milk rapidly.

## FIRST PRESBYTERIAN CHURCH

John C. Ramsay, Minister  
The following is the schedule at this church Sunday, September 27th.  
10 a. m. Sunday School, Cap McNeill, Superintendent

11 a. m. Morning Worship and the Word. Message: "Joseph, the Man of Destiny"

2:30 p. m. Outpost Sunday School, followed by the bi-monthly Preaching Service

7:45 p. m. Kingdom Highway League, Geneeta Dement, President  
8:30 p. m. Evening Worship and the Word. Message: "The Devout Christain and a Warring World".

Along with 40 Protestant denominations this church will observe United Religious Education Advance Week. This begins Sunday, September 27th, and closes Sunday, October 4th. Beginning a four year campaign this will mark the kick-off to increase the Sunday School enrollment and girls in every Southern Presbyterian Church, along with all the other denominations. It is challenging to think that this movement, planned many months ago, is fearlessly undertaken, during the peak of the country's war effort. History bears out the fact that many of the world's greatest religious movements have been started during national war or disaster crises. The most distinguished religious statement of the Methodist, Baptist, Episcopal, Disciples, Christain, Lutheran and Presbyterian churches have, in their national councils, chosen to launch this plan to reach the other half outside of any Sunday School or any religious organization at this time. Culminating the launching these 40 denominations have designated Sunday, October 4th, as world Communion Sunday. Surely the world at it's worst should have the church at it's best.

Consequently in keeping with this campaign, the Spur Presbyterian Church plans the following Approaching week:

Monday, September 28th, 8:30 p. m. Joint Meeting of the Bench of Elders and the Board of Deacons at the Manse.

Tuesday, September 29th, 8 p. m. Interdenominational Young People's Program and Recreation at the 1st Christain Church. This was planned and approved at the last Interdenominational meeting held Sept. 1st. All young people of various churches are invited to be present.

Wednesday, September 30th, 7:45 p. m. Congregational All Church Night. Every family is asked to bring a covered dish so that the whole church will eat together. This will be held thru the courtesy of the officials in charge at the Red Cross Building, located on the same street and 4 blocks west of Safeway Grocery Store.

Thursday, October 1st, 8:30 p. m. Sunday School Workers and Young People's Council at the Church.

Sunday, October 4th, 10 a. m. Sunday School Rally Day. This will be followed at 11 a. m. by World Communion and appropriate Mess-

## Farm Security Program On Wartime Footing

Returning this week from Lubbock where he attended a District Meeting of the Farm Security Administration, Roy L. McClung, Supervisor of the Federal Agency, said the Farm Security Administration's program has been placed on a wartime footing.

"Every activity of the Farm Security program will be considered on the basis of its contribution to the nation's war needs," he said. "This means that food production comes first and that we will do nothing which does not contribute directly to the Food for Freedom program."

Of special interest to Dickens Co. farmers was Mr. McClung's announcement that loan funds are immediately available for food and feed preservation needs this fall and for food and feed production operations next spring.

"Farm Security," said Mr. McClung, "has the responsibility for giving the needy, low income farmer a chance to participate effectively in the nation's war effort. With our help he can make a valuable contribution to America's food production program. Without our help, his strength and power will be wasted."

"We have instructions," he continued, "to begin making loans immediately and to dig deeper than ever before in order to help the greatest number of farm families."

With the prospect of serious shortages in certain foods, the nation must depend upon the small farm operators to utilize their full labor and skills if the United States and the other United Nations are to pull through the present crisis to victory."

Dickens County farmers may obtain complete details about the FSA's wartime lending program by contacting Roy L. McClung, R. R. Supervisor, at his office in the Bank Building at Spur, Texas.

age.

Miss Ruby McDurmon, Director of Religious Education for Ft. Worth Presbytery, has been invited to make her first visit to Spur and to speak on several occasions at the Presbyterian church. She has been invited to make the Rally Day address and to be the principal speaker at all Church Supper, Wednesday night, September 30th.

The public is invited. Every loyal Presbyterian, who has been busy during the past several weeks in the red and blue contest making house to house visits and inviting new recruits, is asked to cooperate to the fullest. Every teachable child and adult, not now attending any Sunday School or Church, should be reached.

Mrs. Cathey carved a three-tier wedding cake representing a bride and groom decorated in gold. As guests called in the afternoon they were served with a piece of the wedding cake and punch. Among friends present during the afternoon were:

Mr. and Mrs. Harvey Holly, Mr. and Mrs. W. T. Andrews, W. L. Hyatt, W. A. Johnson, Mr. and Mrs. Neal A. Chastain, W. S. Leach, W. R. Lewis, Mrs. M. A. Lea, Jr., Kennedy Dale Lea, Mrs. George M. Williams, Mrs. C. W. Barrett, Mrs. H. L. Burnam, Miss Mary Louise Burnam, Mrs. J. L. Mecom, Mrs. Mary Francis, Mrs. C. P. Ensey, Mrs. C. R. Gunn, Mr. and Mrs. T. B. Watson, Mr. and Mrs. R. T. Crawford, Mr. and Mrs. S. I. Powell, Mr. and Mrs. J. Austin, Duffy Dean Austin, Elizabeth Ann Austin, Era Powell, Dollie Powell, M. N. Powell, Mrs. W. B. Bennett, Mr. and Mrs. Leo Petty, Mr. and Mrs. George S. Link, Mr. and Mrs. C. L. Love Mrs. Hill Perry, Mrs. Ann B. McClure, Mr. and Mrs. F. W. Jennings, Mr. and Mrs. W. D. Starcher, Mrs. Eufall Randall, Mrs. Edward Carroll, Mrs. T. H. Blackwell and Ned Blackwell.

Mr. and Mrs. Cathey enjoyed the pleasure of having all three of their children home with them on this occasion. This was the first time all of them had been together in many years.

They came to Dickens County in 1911 and have lived in the county since then, making their home on their farm three miles south of Dickens. They seem to enjoy having their friends call on them Sunday and both seemed as happy as if it had been their first wedding anniversary.

Judge Coombes gave the following toast to their honor:

**TOAST TO FRANK AND ANN**

Over the hills and far away

Is the journey of life ahead,

To setting sun at the close of day

When the western sky is red.

Hand in hand traveling on,

Such happy hours are met,

Miles are past since early dawn,

And youth is lingering yet.

Looking back and reaching noon,

Time has vanished fast;

Meridian coming all too soon,

And life is half in the past.

Afternoon journey is better still,

Joy and sorrow better understood,

Experience adding strength to will,

Much being found of good.

Past and present are seen together

And life is flitting on,

Faith and hope are growing better,

And love is singing a song.

And may the good Lord, ever fair,

His benediction cast

Upon this pair His constant care,

And lead them home at last.

## Spur Bulldogs Win Second Victory

The Spur Bulldogs had a reasonably easy victory over the Rule Bobcats at the local stadium Friday night. Just preceding the game showers fell and continued almost to the time of the first whistle, then ceased and the fans had the pleasure of being out of cars to enjoy the game the entire time.

Rule kicked off to Spur and the ball went down on Spur's 40. Spur made a plunge for five yards and then gained about 20 on an end run. Spur made three and two, then fumbled but regained the ball. Then a forward pass gained them 14 yards and a left run 10 more. Then went through the line for two and then stalled. Wilburn Ball made a determined line plunge and went over for a counter. Conversion was made by a pass from Ball to Wilson and the score was 7 to 0 for the Bulldogs.

Spur kicked the ball and the ball went down at Rule's 38 yard line. Rule made three trials with only five yards gained and punted to Spurs 34. Spur made a four and five and then had a pass intercepted at their 40.

Rule made two and five and then bogged down and Spur took over at the 35. They made four and failed on a pass, lost one and punted to Rule's 34. They made a trial with no gain and then pulled a trick play which placed them at their 40. They tried again with no gain and punted to Spur's 30.

Spur gained 5 and 4 and punted to Rule's 20. Rule made three trials gaining 5 and 2 and then punted. Half called.

Starting the second half Spur kicked to Rule's 28. Rule made 12 for a down, then last four and gained 10, failed on a pass and kicked ball out at 24. Spur made two and 14 for a down, then gained one, two and four, and punted to Rule's five yard line where they stopped the ball for all the gain. Rule then punted out at their 18. Spur made two yards and then Ball made a right end run for 16 yards and goal. Spur converted again using a pass. Score 14 to 0.

Spur kicked to Rule's 40, and from there on most of the time the second string were playing, Walker, Ericson, Morrow and Delisle go back in. Rule made no material gain at any time. Gannon replaces Rankin, Harris replaces Ericson and Ericson relieved Vernon at center.

As the game closed Rule had punted to Spur at their 45 yard line. Officials for the evening were: Referee, J. D. Allen of Dickens; umpire, R. H. Simmons of Howard Payne, and head linesman was L. D. Barker of McAdoo.

Teams—Rule: Barbee and Oliver as ends, Guinn and Ottmers tackles, Kittley and Henry as guards, Townsend as center, Cannon quarter, Laughlin and Brown as halves, and Wilson as fullback. Subs were Brock, Hilcher, Davis, Brass and
