MASONIC PUBLIC INSTALLATION

LARGE CROWD ATTENDS INSTALLATION CEREMONIES AT THE MASONIC HALL LAST TUESDAY EVENING

A. B. SPENCER OF CROSBYTON INSTALLING OFFICER

Assisted by Local Members. Ceremonies Were Public And a Number of Visitors Enjoyed Exercises—Blue Lodge, Royal Arch Masons and Council Participate

Three orders of the Masons held a public installation of officers at their hall in this city last Tuesday evening, and there was a large number present, the hall being well filled.

A. B. Spencer, of Crosbyton, acted in the capacity of installing officer, he being a member of Amarillo Lodge No. 731, Amarillo, Texas. S. C. Wilson was marshal and Jno. R. McGee chaplain. It was indeed a very enjoyable affair.

The following officers were installed for the ensuing year.

Yellow House Lodge No. 841 A. F. and A. M., installed the following officers for the ensuing Masonic year, on Tuesday evening, June 24, 1913. Roscoe Wilson, Worshipful Master; R. J. Hall, Senior Warden; C. E. Hunt, Junior Warden; E. Y. Lee, Treasurer; J. W. Lamb, Secretary; Jno. R. McGee, Chaplain; W. H. Flynn, Senior Deacon; Joe Boyd, Junior Deacon; Sam T. Davis, Senior Steward; R. H. Martin, Junior Steward; R. A. Sower, Tiler.

Lubbock Chapter No. 248 R. A. M. installed the following officers for the ensuing Capitular year, on Tuesday evening, June 24, 1913: L. H. W. Terry, Excellent, High Priest; Joe Boyd, Excellent King; E. Y. Lee, Ex-

cellent Scribe. J. W. Lamb, Secretary; R. J. Hall, Captain of the Host; Sam T. Davis, Principal Sojourner; B. P. Hopkins, Royal Arch Captain; Chris Harwell, Master of the 3rd Veil; Kinch Carter, Master of the 2nd Veil; R. A. Sower, Master of the 1st Veil; R. H. Martin, Guard.

Lubbock Council No. 183 of Royal and Select Masters, installed the following officers for the incoming year at their hall, Tuesday evening, June 24, 1913:

W. H. Flynn, Thrice Illustrious Master; Chris Harwell, Right Illustrious Deputy Master; Kinch Carter, Illustrious Principal Conductor of Work; E. Y. Lee, Treasurer; J. W. Lamb, Recorder; R. J. Hall, Captain of the Guard; Joe Boyd, Conductor of the Council; R. A. Sower, Steward; B. A. McLarry, Sentinel.

This was one of the most enjoyable occasions that the Masonic fraternity has engaged in at this place and the attendance was most gratifying to the local members.

Lubbock Masons as well as the people in general are proud of the Masonic order of Lubbock and they have one of the nicest halls and are as well equipped for doing any kind of work as any lodge in the state.

BAPTIST MEMORIAL SERVICE

Tribute to the Memory of Former Pastor of the Baptist Church at This Place

Memorial services were held at the First Baptist church, of Lubbock, on Wednesday evening of this week in memory of Jno. A. Arbuckle, a former pastor of this church.

At the usual hour for prayer meeting service, the church was reasonably well filled with those with whom Brother Arbuckle had labored and loved for more than two years, and a goodly number of our brethren from the other churches, also came to pay this tribute of respect to our departed brother. After a few selections were sung, Brother Overton led in prayer.

At the request of our Pastor the writer conducted the services and after a brief statement relative to the life and labors of Brother Arbuckle, read the 15th chapter of the 1st Corinthians.

Brother Elliott, pastor of the Cumberland Presbyterian church led in prayer.

After which quite a number of talks were made recalling the life of this good man, and commending it to those present.

There tributes were paid to his memory by Judge Jno. R. McGee, Rev. J. L. Elliott, Rev. G. B. Overton, Mrs. Ed Vaughn and E. L. Klett. Each talk was filled with sadness, yet the spirit in which they were breathed, came as a benediction to those present.

Two old songs, special favorites of Brother Arbuckle, during his life, were sung, they were "We'll Work Till Jesus Comes" and "I am Bound For the Promised Land."

While this service was very sad, it proved to be a great spiritual uplift to those present.

The services were concluded with a benediction, by Rev. L. T. Grumbles, pastor.

JNO. W. BAKER.

Holbrook Indicted

The grand jury after thorough investigation returned a bill Tuesday against H. M. Holbrook charging him with murder in the charge of killing E. L. Crosser last week. His attorneys applied for habeas corpus proceedings and he was placed under a \$10,000 bond to appear at this trial, which was set for Thursday. As we go to press we learn that the trial is set for Friday morning. At this trial the evidence will be thoroughly sifted out and the judge will fix the defendant's bond according to what he gets out of the evidence, for his appearance at the regular trial which will likely not be had at this term of the court.

Card of Thanks

We wish to express our heartfelt thanks for the many acts of kindness and sympathy shown in the illness and death of our dear little son and brother.

Words can not express our appreciation of the love and assistance to us and baby.

May God's choicest blessings help and sustain you all.

Mr. and Mrs. F. E. Craig and family.

Mrs. C. W. Alexander entertained the ladies of the Baptist church at a delightful social Wednesday afternoon. The hours were spent sewing on pretty articles for the bazaar to be given later on. Dainty refreshments were served by the hostess. —Marfa Society Correspondent to El Paso Times.

Hall Robinson came up on the Wednesday morning train and joined his wife and baby who have been visiting here the past week.

TO GOOD ROADS MEET

Large Delegation From North Plains and New Mexico Joined by Lubbock Delegation

Tuesday morning six autos bound for San Angelo drove into town and stopped a few minutes at the garage taking on more oils, gas, etc., and the party which was composed of a bunch of enthusiastic boosters visited a number of the business firms of our town, met our people and showed that they were whole-souled in the mission that they were going on.

The party was increased by four at this place. Tubbs Brothers putting a car into service and a representation of four hustlers were soon on their way to the seat of the good roads convention at San Angelo. This bunch of boosters are gone to make an effort to secure the auto highway from the Gulf to Colorado, and they are determined to land it through their respective town if enthusiasm will have any effect upon the committee that selects the route.

The party when it left Lubbock was composed of the following people as nearly as we could get the names. One car from Trinidad Colorado bearing the following: C. J. Samuels, E. J. Welch, J. Rice, Victor M. Fears, H. E. Wiley and E. C. Sperry.

Two cars from Amarillo bearing: C. O. Wolfin, Thos. Currie, Seth Holmes, Frank White and Clarence Jones.

One car from Eaton, N. M., with T. W. Conway, A. J. Whitcomb and J. Conway, on board.

One car from Plainview carrying E. E. Roos and O. B. Brown.

One car from Clayton, N. M., bearing R. T. Monaski, N. E. Charles, Geo. P. Couch and O. F. Trombs.

One car from Lubbock, on board, Albert Taylor, R. I. Tubbs, S. J. Winn and B. O. McWhorter. They left Lubbock about nine thirty Tuesday morning and expected to reach San Angelo some time during Wednesday morning.

Fourth of July

We the undersigned merchants of Lubbock agree to close our respective places of business all day, July 4th, 1913, and we take this means of advising our customers to make their purchases on the 3rd covering their wants for this day.

We will thank our customers to help us get this holiday.

Magnificent Rains

This county received splendid rains this week and the farmers and ranchmen are feeling good. There is now a fine season in the ground—better than for a number of years, and crops are getting a splendid set off. Range conditions are getting all right and the general condition of the country is good.

J. R. Lanier is now making Carbon his home, and ordered the Avalanche sent to his address at that place this week.

JULY 7 BIG DAY

IT'S FIRST MONDAY TRADES DAY AND YOU WILL WANT TO COME AND SPEND THE DAY WITH LUBBOCKITES

LARGEST CROWD YET IS EXPECTED HERE THAT DAY

Retail Merchants' Association Have Mapped Out Program for the Day — Big Bargains Will Be Offered by Merchants and it Will Pay You to Come a Long Distance to Attend

The entire South Plains and territory, has been blessed with magnificent rains the past month. The people are all feeling good. They are all thankful for the great blessings showered down upon them in the shape of a splendid precipitation that has soaked mother earth and put the soil in better shape for raising crops this year than for a long time before, and they are going to come here next First Monday, July 7th, and enjoy a day with their neighbors and the people are going to come from far and near to buy supplies and avail themselves of the great bargains that our merchants are preparing to hold out for them on that day.

Lubbock has the reputation of doing big things and she can always be depended upon to do a little better every time. The

past six months these monthly trades day occasions have been highly satisfactory, they are alike beneficial to buyer and seller, and where mutual benefits abound, there happiness always is found.

Come to our town. Watch the steady advancement of our city. Nothing like it in the South Plains and it will be an inspiration to you to watch the progress that is being made.

It is the intention of the Merchants' Association to make these Trades Day events so interesting to you that you will not let anything hinder you from being present every month and participate in them.

Read the ad on another page of this issue, it tells you what is going to happen, and there will likely be much more arranged for before the date rolls around. Come to Lubbock July 7th.

REV. ARBUCKLE DEAD

Died at his Home in Haskell Texas After Several Days Illness Caused From Paralysis

Many of our people were made sad Wednesday morning when the information came over the wire that Rev. Jno. A. Arbuckle, pastor of the Baptist church at Haskell and for over two years pastor of the church at this place had died the evening before, about fifteen minutes after four o'clock.

A message was received by Jno. W. Baker, president of the First National Bank at this place Sunday afternoon to the effect that Bro. Arbuckle was dangerously ill and little hopes entertained for his recovery, and although the message of his death was not wholly unexpected still it brought that sorrow that only the death of a dear friend can bring to us.

Rev. Arbuckle was about 60 years of age and had been active in the ministry of the Baptist church for about thirty years and was looked upon as one of the most able preachers in the Baptist Ministry. He was well liked in this community and during his two years of faithful work in the church here made lasting friends of not only his own denomination, but of all others, who regret exceedingly to learn of his death.

He leaves his wife and seven boys to mourn for him.

The information was that his remains would be laid to rest in the Haskell Cemetery at 4:00 o'clock today.

The Avalanche joins the large circle of friends here in extending condolence to the bereaved family.

Mrs. Birdwell and little son, who have been visiting at the home of C. B. Kilgore, the past week returned home Wednesday afternoon. They live at O'Donnel.

AMES PORTABLE SILO

Everything Ready For the Manufacturing of Silo Recently Patented by Mr. Ames

Some weeks ago mention was made in these columns about the Portable Silo which J. W. Ames of the firm of Ames & Co. of this place, is the inventor. In our rounds this week we learned from Mr. Ames that the Texas Portable Silo and Lumber Company have perfected arrangements whereby the silos will be manufactured, and they are now offering them for sale.

Mr. Ames stated to the reporter that he is receiving many inquiries from all parts of the country relative to his silo, but he has promised the home people the first chance to get them, and as stated in his advertisement in another part of this issue, he is going to supply the local demand first, before even taking orders for any elsewhere.

Mr. Ames' silo has been on exhibition in this city for some weeks and those who have seen it are most favorably impressed with it, and there will likely be a large number of them purchased in this territory.

Ames & Company purpose to give \$100 in cash to competing parties among the first twenty-five or more, who show the best results from feeding out of this silo, and the terms of the contest may be named by those contesting.

H. N. Smith was in from his farm southwest of town this week and authorized the Avalanche to state that he had a dandy good rain.

R. D. Looney accompanied by his mother Mrs. M. Looney and sister Mrs. H. P. Cole went to Plainview the first of the week to visit Mr. Looney's brother.

C. L. Adams of the Guarantee Abstract and Title Company is attending the meeting of Texas Abstracters at Dallas this week.

LITTLEFIELD TO CELEBRATE

Arrangements are Completed and Great Preparations are Being Made for July Fourth

Littlefield, Lamb county, June 23rd.—Final arrangements have been made for the program at Littlefield July 4th at which time the formal opening of the town and advent of the railroad into Littlefield will be celebrated with an old-time barbecue. In addition to the barbecue which will be served at noon on July 4th there will be a big round-up; bronco busting exhibition; tournament in which the successful contestant will receive a residence lot as a prize; base ball game between Lubbock and Richland, N. M., teams; races by noted horses; music by the Cowboy Band of Lubbock; and various side shows, cold drink stands, etc. Special excursion rates of one and one-third fare have been granted on all railroads. Special schedule from Lubbock for the occasion will be installed. Trains will leave Lubbock at 8 a. m., returning, will leave Littlefield at 7 p. m. The people of the Plains country who expect to come over on the 3rd, must come prepared to camp as the hotel accommodations at Littlefield will be inadequate to care for the great number that are coming. Come, be one of the thousands who will be welcomed to the new town on the glorious Fourth.

Mrs. I. W. Duren, of Amarillo is the guest of Mrs. W. S. Palmer this week.

EXCURSION TO LITTLEFIELD

Santa Fe Will Run Excursion Trains to and From Littlefield Next Friday

According to the present schedule of the Santa Fe Littlefield will have splendid train service to their Fourth of July Celebration. Station master Ewing informs us that on the morning of the fourth there will arrive from the east a special train composed of fifteen coaches from the eastern part of the state. This train will arrive in Lubbock about 5:30, the passengers will breakfast here and leave at 7:00 o'clock for Littlefield.

On the evening of the 3rd a string of prospectors will be pulled down to Lubbock in seven or eight special coaches by the regular train. These people will remain in Lubbock over night and will be hauled out by the local that will leave Lubbock at 8:00 on the morning of the fourth, both trains will return the evening of the fourth to this place, and will take their departure for home from this point.

County Judge Neil, of Brownfield passed through the city Tuesday enroute home from Hermleigh where he had been visiting relatives for several days.

Owen Ratliff of Fort Stockton, brother-in-law of Mrs. C. W. Ratliff, of this city was here Wednesday enroute to Littlefield, on a prospecting tour.

LUBBOCK, TEXAS, THURSDAY, JUNE 26, 1913

TOO LATE

The future of the Review depends on our advertising patronage. We have done all we can do. We are now making a last appeal. Unless there is a change for the better, we will have to "silently fold our tent and steal away" to greener fields. We are running our business almost at an expense, but have done so with the hope that Crosbyton would some day wake up to the fact that advertising is essential to the maintenance of the trade. But they don't seem to look at it that way. Crosbyton Review.

People are by a newspaper like they are by their fellowmen. They wait till the hearse is bearing them off to the solemn city of the dead before they awake to the realization that deceased was a "good man." They are profuse in extending sympathies to the family and heaping of floral offerings upon the casket of the dead man.

In the case of the Review, Mr. White has been giving the people of Crosbyton and Crosby county an extraordinary fine weekly paper ever since he first started his presses in Crosby county, and a greater part of the time the patronage has been exceedingly light, except may be from one or more strong firms, who have borne the brunt of nearly everything that has come along. The masses have not supported the Review like they might have and should have, and hence the little clipping above from the Review.

There are other newspaper men in this part of the Plains that will be making the same preparations some day if the local merchants continue to send out of town for their printing and the lawyers and real estate men insist on using engraved or embossed stationery, which the local printer cannot produce on account of the great cost of preparing his office for the work. Better use printed stationery and let the local printer do the work, rather than to attend the funeral of a once good newspaper that you let go to the bad on account of starvation.

THE CIVIC LEAGUE

It has a name that sounds good. But when that is said it is about all the vitality that it possesses. Last Saturday was the time for its regular semi-monthly meeting and three were present, when it takes seven to make a quorum.

Nothing was done. Nothing will be done as long as this lick is kept up. If we are going to have a civic league, then let us have one that is worthy of its name. Not a meeting held in June at all, the busiest month that the organization should have had. Many things should be done—things that must have attention now or let go by default.

The 5th of July is the date for the next regular meeting. Let us not let this one pass without having a good attendance and be prepared to act upon matters of great importance. If we expect to accomplish anything with this organization we are going to have to wake up, get a hustle on and get things to going.

The man who sets with expectant countenance and idle hands waiting for prosperity to jolt up against him, and ask to be taken in over night, bids fair to be disappointed again. There was never a time yet when prosperity was looking around for furnished rooms in the house of any person on record. Prosperity is not that kind of an animal and no man should sit with his mouth open waiting for the morsels of the succulent article to drop into it. He will catch nothing but a few unsatisfactory flies, and perhaps a bad cold. The man who is really desirous of cultivating the acquaintance of the illusive creature will have to put his hustling clothes on, as heretofore, and get up and dust.

Lubbock painters seem to have about all they can do these days and as a result many of the Lubbock residences are putting on a very attractive appearance. A little paint helps a great deal.

The fellow who does not keep a 2x4 lawn in a decent condition is the fellow who deals out advice as to how the half section farm should be run.

Lets make some arrangements to have the Lubbock Cemetery taken better care of. Its a shame to let things rock along as they are now.

It is a peculiar disposition some people have to lie around town and beat their grocery and dry goods accounts and not pay their house rent rather than work and make an honest living, at good wages.

We haven't much use for the quitter. The most of us hate him like sin; But another chap makes us more bitter. The chap who's afraid to begin.

The fellow who keeps a spot about four inches square warmed every day on the curb of the cement sidewalk is the fellow that starts the Kalamity howl and complains the loudest at the way the government is being run and tells how the tariff should be regulated.

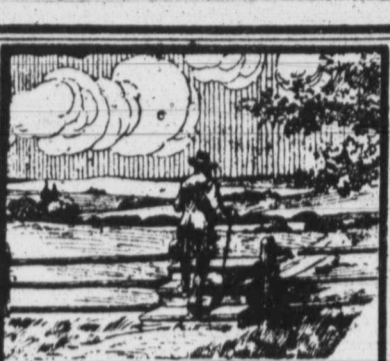

The time of the year has now arrived when every citizen should take pride in making our town beautiful. We are all equally interested in this matter. Every citizen who improves the appearance of his property does not only increase its value, but to a less extent increases the value of every piece of property in town and also makes it a more desirable place in which to live.

RELEASE FOR MRS. MUNCEY

Release of Peters from Floyd County Jail and Mrs. Muncey Will be Sought

Habeas corpus proceedings to secure release from imprisonment of Mrs. Birdie Muncey, charged with killing her husband, J. M. Muncey, at Lockney, May 24, will be held at Floydada next Thursday. Habeas corpus proceedings for Horace Peters, who was arrested in connection with the crime, will be tried at the same time.

Since shortly after the killing, Mrs. Muncey has been confined in the Plainview jail; Peters has been in jail at Floydada—both without the privilege of bail.

Charges against Mrs. Muncey and Peters will be brought before the grand jury at regular session in September. Judge L. S. Kinder says he will not call a special session of the grand jury to hear these charges before the September term unless he is asked to do so by the state.

It is understood that a change of venue will be asked for the trial of both parties. —Hale County Herald.

THE ADVANTAGES OF LUMBER IN BUILDING

of homes are too numerous for anyone to go astray who will but take the pains to make a few comparisons. It is the one building material that has withstood the test of time and homes constructed of wood years ago right here in our town offer indisputable evidence of the durability of lumber. The manufacturers of lumber are entitled to much praise for their untiring efforts to better their products by the installation of improved machinery. What they have done for the home builders in the way of raising grades and quality is readily apparent to our older customers when they compare the stock we handle nowadays with that they bought years ago. There certainly is a big difference and what's nicest about it is the fact that it's most all in favor of the builder. Come in and look our stock over and let's get down to brass tacks.

Neighboring County News

From Our Exchanges

DAWSON COUNTY

Revs. L. B. Gray and J. M. Youre have been preaching to good crowds at the tabernacle every day this week. They are fine gentlemen, able preachers and their influence in Lamesa is sure to be for the good of the community.

J. E. Garland informs us that he and M. C. Lindsey have twenty acres planted to Feterita, the new grain described as a cross between milo maize and kaffir. This, it is predicted by some, will be the standard feed crop for this country.

Postmaster R. E. Simpson is in receipt of a letter from Congressman W. R. Smith, stating that the proposition to establish star route service between Lamesa and Seminole has been taken up with the Postoffice Department. The service asked is badly needed and we sincerely hope it will be established.

TERRY COUNTY

While Leslie Green was returning home from Gomez Tuesday night with a stable team, where he went to carry Will Mathis, in coming down the hill at the draw, a hame-string broke and the team ran away, breaking the tongue and every spoke out of one wheel and bent one axle. Leslie sustained no injuries to

mention, but the horses were practically ruined in running into barbed wire.

We saw the exterior and interior plans of the Brownfield Merc's. new building this week, and we must say it will be modern in detail as well as an ornament to the town. Its exterior will be finished in rock faced metal.

Postmaster and Mrs. E. B. Wright returned this week from Lubbock, where they spent ten days visiting his parents and her sister's, Mesdames Downing and Royalty.

YOAKUM COUNTY

Mr. Jones, from Brownfield, passed Bronco Wednesday with a bunch of cattle which he was moving to Dallas Bros.' pasture forty miles west of Bronco. The heavy rains that fell over that country a few weeks ago have made extra fine grass over all the east plains of New Mexico.

It has been decided to have a picnic and celebration in Plains on the 4th of July. There will be a splendid dinner spread on the ground and a special invitation is extended to everybody in the country to come in and partake of the hospitality of our people on that occasion. In addition to the dinner there will be something on the program to entertain and amuse every one who

attends. These entertainments and amusements will consist of public speaking, base ball, goat and calf roping, horse racing, foot racing, pole climbing, auto racing and various other things. A full program will be published in next week's News, and everybody should turn out and have a good time.

Judge W. R. Spencer, of Lubbock, came in yesterday afternoon and is spending today here looking after business matters. He is accompanied by Mr. Charley Carter and Mr. Wheelock of Lubbock.

D. B. Tingle and family left last Monday morning for Jasper, Alabama, and will be absent several weeks. Jasper is Mr. Tingle's old home and where most of his relatives still live and he will certainly very much enjoy this visit.

J. F. Merritt has bought a herd of about 2000 sheep, which he bought on the north plains, they will be brought to his ranch in the northeast part of this county. He will graze them in his home pasture and in the Cone twelve section pasture.

W. L. Davis, who has charge of the west section of the John B. Slaughter's Yoakum county pasture, was in Plains Thursday and reported that he has just finished helping to dip between 4000 and 5000 cattle at Arthur Cotton's dipping vat. The cattle dipped belonged to John B. Slaughter, Arthur Cotton, J. E. Fitzgerald, Ellington Bros., King Bros., Joe Lane, and several neighbors dipped their milk stock.

GOMEZ

On last Saturday evening, the Odd Fellows and Woodmen with their wives and children, assembled at the school house. An appropriate program was rendered, then came the supper and it certainly was fine. All kinds of meats, cakes, pies, etc.

were brought and not all was eaten, for there was so much it would have taken an army to devour all of it. After supper ice cream was served in great abundance. A large crowd attended. All report a fine time and plenty to eat.

CROSBY COUNTY

The Emma Hardware Company has begun the remodeling of their store on the north side and the same when completed will be 24x98 feet with an 18x20 in the rear. The Emma Hardware Co. is one of the largest dealers in the South Plains.

Pat Murphy has just finished his beautiful Bungalow on the west side and there is nothing better in the country. It is one of the most attractive little homes in our city and we are all proud of it. Wish we had more Pats.

Wm. L. Shelby of Lubbock was in the city this week and while here called at our office and made arrangements for half page ad for their store at Lubbock. This is one of their branch stores, their main business house being a large concern at Roswell.

RALLS COUNTY

W. F. Montgomery, of Cone, was in town Monday trading. He tells us that the Cone church, which was badly damaged by a recent storm, has been repaired. He also says that crops in the Cone country are in splendid condition and the people are prosperous and contented.

M. A. Moses, one of our successful farmers, was in town Saturday looking for cotton choppers. Mr. Moses says that he has a fine crop of cotton, and that his other crops are looking fine. Reports of good crop prospects come from all portions of the Ralls country. The rains always come here at the proper time, and when drouth is spreading desolation and bringing discouragement to other portions of West Texas, the Ralls country is being blessed with refreshing rains and favorable conditions which always assure good crops.

The farmers of Crosby county are the most prosperous of any on the Plains, as the large number who own automobiles will testify. Among those who have recently provided themselves with these modern vehicles for annihilating distance are: Barrett Penney, Jake Wheeler and Mr. Lockwood. They were all purchased at Lubbock.

GAINES COUNTY

S. H. Birdwell sold to Judge W. R. Slaton, this week, 100 head of steer yearlings, to be delivered Friday.

W. H. Birdwell is in the city today from his ranch east of town and states that fine rains fell out there this week. Mr. Birdwell has 175 acres of feed up and ready for plowing and he is very enthusiastic over the crop prospects. He recently purchased a 350 ton silo and will have same put up in time to take care of his crop. J. W. Childers, who lives west of town has also purchased a silo, and a number of other stock farmers will likely take this important step this summer.

W. D. Trimell and son sold 600 two year old steers yesterday to Tandy & Son, of Plains, delivery to be made July 15th.

GARZA COUNTY

Attorney John P. Marrs received a telegram Wednesday from Austin to the effect that the case of C. W. Post against J. E. Ketner and Ed S. Duncan has been affirmed in the Court of Civil Appeals. The case was tried in the District Court at Austin last November, resulting in a verdict in favor of Mr. Post, and this verdict has been approved by the higher court. The case involved a supposed vacancy on the west side of Mr. Post's land of about 2,500 acres, and also affected the boundary of

some hundred or more sections of Mr. Post's land. The court held that there was no vacancy shown, and that the correctness of the surveying and work of Mr. W. D. Twitchell as State Surveyor could not be questioned by the State, after having approved the field notes and survey.

On Monday, June 16th, at the residence of Mr. and Mrs. Ira Weakley, Mr. W. B. Williams

and Miss Helen Cotner were united in marriage, Rev. J. T. Howell officiating. Mr. Williams is a prominent stockman and has many friends in this part of the state. The bride has been a resident of Post City for only a few months but has many friends among our people. She is the daughter of Mr. and Mrs. Edward Knightley, proprietors of the Algeria Hotel.

Some people won't even lend their moral support without charging interest on it—they are not city builders.

Burglary is the only business or profession that does not require advertising to make it a success. Catch the point?

Get acquainted with new ideas, new viewpoints, new angles of vision—new people. This is an age of progress. Be not afraid of the new.

While swatting the fly don't forget to eliminate his breeding place. Don't scatter scraps of bread, meat, etc., about the yard. Destroy all such. Starve Mr. Fly out.

In city planning and building don't forget to take into consideration the city useful as well as the city beautiful. We can find no fault with our city in this line. Its built, permanently and wisely. Its a good place to live. Come to Lubbock.

Good roads is one good thing that cannot be overdone. Many people think because the plains are smooth and level that no road work is necessary. This is a mistake however. They are fine compared with roads in some other sections of the state; but they can be made better by working.

Our idea of wasted effort is continually knocking the knocker—forget him, he will soon hang himself anyway. As long as the knocker can get someone to notice him he delights in his wicked ways, but unnoticed he becomes discouraged and soon ceases to knock.

THE LAND RELIEF BILL

Law Requires Governor to Appoint Commission to Appraise Property Sought for Repurchase.

Austin, Tex., June 20.—The first construction of the land relief bill emanated from the Attorney General's office today. The opinion was written by Assistant Attorney General G. B. Smedley and was addressed to the Land Commissioner in answer to queries concerning the new law which becomes effective on July 1.

The law provides that the Governor shall appoint a commission who shall appraise the lands sought to be repurchased where same have been forfeited for failure to pay annual interest. The former purchasers can repurchase same at the price fixed by the appraisers, when certain requirements have been complied with. This is known as the land relief act and was intended for those who lost their school land homes by virtue of protracted drouths and having bid too high for the land in the first instance. The Commissioner of the General Land Office is to be one of the three appraisers. Two phases of the law were discussed by Mr. Smedley.

LIMITATION OF LAND

The first question answered was whether the limitation that public school lands must be within a radius of five miles applies to lands repurchased under this act. The Attorney General held that this limitation applies to all lands repurchased under this act in settlement counties; that is, that in all counties in which, under the existing law, public school lands are sold on condition of settlement all sections repurchased by the former owner, under the right given by the act, must be within a radius of five miles of the home or base sections.

The second question submitted was whether after forfeiture for nonpayment of interest, the owner, at the time of forfeiture, has both the right to repurchase given by the act and the right to reinstate his former sale under the existing law, which provides that whenever land is forfeited for nonpayment of interest the owner may reinstate his purchase by paying the accrued interest, provided the rights of no third person have intervened. The act of the Thirty-Third Legislature provides that an owner of school land, who has allowed his land to forfeit for nonpayment of interest, if he desires to repurchase it under the right given by the act, shall notify the Commissioner of his desire, and that the Commissioner and the other members of the board shall reappraise the land, and that after the reappraisal the former owner shall have a prior right of ninety days in which to purchase the land at the reappraised price.

EXERCISE OF RIGHTS

It was pointed out in the opinion of the Attorney General that if the former owner could exercise either the right of repurchase given by the act or the right to reinstate under the existing law at his option he would have an unfair advantage of other persons who might desire to purchase the land and would be in a position to trifle with the State. For example, such former owner could notify the Commissioner of his desire to repurchase and could thus have the land reappraised, and if it were reappraised at a smaller price than the former price, he could exercise his right to repurchase, but if it were reappraised at a higher price than the smaller former price, he could decline to repurchase and exercise the right to reinstate. The Attorney General held that it was not the purpose of the law, to give the former owner such opportunity, and that as soon as the former owner, under the act of the Thirty-Third Legislature, notifies the Commissioner of his desire to repurchase the land, he has thereby elected his remedy and his right to reinstate no longer exists.

In Memory of Mrs. P. T. Bost

Whereas the Supreme Ruler has in His Infinite wisdom taken from our midst our worthy and much loved sister Mrs. P. T. Bost and whereas the intimate relation held with her in this our Mothers and Daughters Club makes it highly befitting that we record our appreciation of her:

Therefore be it resolved: that the removal of such a noble christian life from among us leaves a vacancy that will be deeply felt by all the members and friends of this club, and prove a serious loss to our community as well as the club.

That with deep sympathy with the bereaved husband and children of the deceased we express our hope that even so great a loss to us may be overruled for good by Him who doeth all things well.

Be it further resolved, that a page of our minutes be set aside to her memory a copy of the resolutions be printed in the county paper and a copy be sent the bereaved family.

Blame Mother for Errors of Children

By Miss Eleanor Sears, Omaha, Nebraska

Every mother who loves her offspring is very desirous of being its guiding influence. A mother who is intelligent will have a special pride in her life's work and will try her best to form good characters in her little citizens. The indifferent mother is responsible for many of the grave errors in childhood, and if the first offense is treated lightly the child will not see why it should not follow its bent. Perpetual watchfulness is necessary to curb all unruly tendencies, that they do not become fixed habits. Conquer deceit, and you have reached the main source of future trouble. When your sensibilities have been shocked by some act of your offspring, try to show the child how grievous was the wrong. If you can get the culprit to thinking deeply you will see that he is really aware of his wrong. This method is all that is necessary for a first offense. If the child loves his parents and sees that he has deeply grieved them, he will not willfully repeat his wrongdoing. If you allow a child too much freedom, it will choose for itself and become the governor of its own habits. Until you know that the mind can grasp the right and wrong you, as guardian, are the responsible party, so do not horsewhip and terrorize until you are satisfied that some of the fault does not lie at your door. If your child should come under the hand of the law for a misdemeanor, do not make him feel that he is a criminal. Help him out of his trouble, and if you feel that you are somewhat to blame, say so, and arouse the honor that is in the child. You will find that he will resent the implication. No nature is wholly bad, and it is our duty to find out the good and foster it.

Mutual Benefits Gained by Saturday Holiday

By THEODORE P. GIBSON
Baltimore, Md.

We may try to find some good reason why more employers do not adopt such a worthy custom as the closing of business at noon on Saturday. Some employers perhaps say that when they furnish steady employment their employes should be satisfied. They may reason that the employes do not have to stand the brunt of carrying on the business, are not worried about the raising of money to meet the payroll and other expenses or rack their brains to find methods to meet competition successfully. This is in a measure true, but it does not prove that their working the full day Saturday will relieve the employer of any of the burdens which are common to any business. I believe the cases are very rare, indeed, where it can be shown that any great loss is occasioned by closing at noon on Saturday. On the contrary, it is plain that much can be gained in things essential to the welfare of the business. The granting of such little courtesies to employes promotes a spirit of respect, good will and a more intelligent interest in the business. Surely the thousands of the most progressive business men who have shown an interest in the welfare of their employes by granting them this favor bear an eloquent testimony to the mutual benefits derived therefrom.

Method for Making Business More Rushing

By F. N. BLANCHARD

The manufacturers and other business men of this country would like to have business more rushing and not so quiet as it is at present. They can easily bring about such a condition of affairs, as it is a simple matter. All they need to do is to increase the wages of the producers so they will have the money to buy back more of the things they have produced. That would relieve the present stringency and times would become easier. Those who own the machines that the workers use for producing certain articles are all the time storing up more and more profits, and as they are in the minority and the workers compose the vast majority, the workers' proportion of obtainable money must necessarily diminish as fast as the wealth of the capitalist increases. When a panic comes the position of the capitalist is somewhat like that of the monkey who put his hand into a jar of nuts and got his hand so full that he was unable to withdraw it. The more selfish and grasping the money kings (and humanity at large) will become the oftener we will have times of depression and panics.

Good Training For Business Is Ignored

By LEWIS NIXON
Farmer Ship Builder, New York

As far as fitting our children for business is concerned, the public schools of the United States are far inferior to those of European countries and far inferior to what they should be. They are particularly deficient in foreign language instruction. The systematic education of 90 per cent. of our public school children ends with their graduation. Commercial methods and foreign languages must be made part of the public school course. A boy or girl of fourteen ought at least to know enough of the social, religious and political customs and the language of the people with whom he may one day have to do business to whet his appetite for more. This is a business age. The average American school boy, after eight years in public school, doesn't know where the principal cities in the United States are located.

DON'T TAKE THE WRONG MEDICINE

If Your Liver Gets Lazy You Need a Liver Tonic, Not Merely a Laxative for the Bowels

Many people take a simple laxative when their liver gets sluggish rather than take calomel, which they know to be dangerous. But a mere laxative will not start a sluggish liver. What is needed is a tonic that will liven up the liver without forcing you to stay at home and lose a day from your business. You have such a tonic in Dodson's Liver Tonic. Dodson's Liver Tonic must be all they claim for it because they guarantee it to take the place of dangerous calomel and agree to hand back the money with a smile to any person who tries Dodson's Liver Tonic and is not satisfied with the relief it gives. Dodson's Liver Tonic is a harmless vegetable liquid with a pleasant taste, and is a prompt and reliable remedy for constipation, biliousness, sour stomach, and the other troubles that come from a torpid liver. Red Cross Drug and Jewelry Store give it their personal guarantee and if you will ask about this guarantee you will protect yourself against imitations that are not guaranteed. Large bottle of Dodson's Liver Tonic is 50 cents.

Church Notes

[We will be glad to make any announcements of Church Service, Programs, etc., in this column free of charge, where no revenue is received from the services.—Editor.]

CHURCH OF CHRIST REVIVAL
The revival services at the East Side Christian church will begin Saturday night before the third Sunday in July. J. A. McCarty, of Killeen, Texas, will conduct the meeting. Mr. McCarty conducted a meeting here some ten or twelve years ago and will be remembered by many of the people of Lubbock.

THE METHODIST MEETING
The first services of the revival series in the protracted meeting of the Methodist church will be held in the tabernacle Sunday at 11:00 o'clock, June 29th, as heretofore announced the hearty-cooperation of all christian people and singers of every denomination are invited to take part in the service.

BAPTIST CHURCH NOTES
It is said that the "June hill" is hard, but we are almost at the top, and feel like congratulating ourselves that we have had so few "breakdowns."

Bro. Grumbles is a valiant soldier and we would that his flock would follow where he leads.

Last Sunday he discussed the constituents of a useful Christian life. We wish every man and woman in Lubbock could have heard him. He sent us home with our hearts chanting "God make my life a little song that comforteth the sad; that helpeth others to be strong and makes the singer glad."

Our Sunday School is steadily increasing. The largest attendance of the year last Sunday.

Judge Klett is growing each day in spirituality and usefulness. We are very proud of our two young Sunday School leaders, Judge Klett and Mr. Mount.

If you are a stranger in Lubbock and have a drop of Baptist blood in your veins don't fail to come and make yourself known. We will give you a warm welcome.

FOUND—Locket and chain on road between Slaton and Lubbock two weeks ago. Owner can describe and claim property by addressing R. B. Kitchen, Slaton, Texas. 51-1tp

Earl Frederick Craig, Saturday morning as time marked the small hours or about 1:00 o'clock, Little Earl Frederick Craig was claimed by the death angel and his soul wafted away to the Father who gave it. This little child was born to Mr. and Mrs. F. E. Craig July 31st 1910 and has been the brightest flower of the household since that date. He was their only son.

Funeral services were conducted at the family residence by Rev. W. M. Lane, pastor of the Methodist church, at ten o'clock and the remains were shipped to Creston, Nebraska, the former home of Mr. and Mrs. Craig and at which place one other of their children rests in the cemetery.

They will be met at that place by their daughter, Lola, who is at present visiting at the old homestead.

This family have the tenderest sympathy of the people of this community in these the saddest hours of their lives.

Civic League Meeting

In another column of this issue will be found an editorial about the Lubbock Civic League in which we touched the members up considerably about the neglect that seemed to be prevalent in the matter of attending the regular meetings and urging that the work be taken up with greater zeal and carried on to the end that we hoped to attain.

Monday the president of the league proceeded to call a meeting, and a small attendance of the membership was had, but anyway several matters of great importance were taken up, and among them the inspection committee was requested to make their first tour of inspection by the first of July or as soon thereafter as practicable. This committee expects to get to work right away, and all those who have entered the contest for the most sanitary homes, yards and gardens, will no doubt be called upon soon and a record will be kept of the improvements of the sanitary condition of the place from that time on to the close of the contest in October.

We will give the names of all contestants next week, and will also give more detailed information regarding what the league is doing.

Shallowater Picnic

The special train for Shallowater left at 9:00 o'clock this morning and was comfortably filled with passengers. It carried the band which will furnish music for the occasion. A considerable number of business men, as well as other people from here were passengers on the first passenger train over the Texico Cut-off to the new town to the northwest of us. Many people went in autos and other vehicles, which will show a good representation of the Lubbock people at the opening of the new town. They all left with the expectation of having a good time, and we predict for them a very pleasant day. The people of Shallowater have made splendid preparation for the entertainment of those who attend.

Lubbock Band Uniforms

This morning was the first time that the Lubbock Cowboy Band have had an opportunity to wear their uniforms, and they look dandy. It makes the band show up in fine shape, and they feel as proud of them as we were of our first pair of red topped boots, some years ago.

The suits are of a dark blue trimmed with black, and caps are of the same material trimmed in gold.

The C. C. C's. Go Fishing

On one Monday morning the Society of The C. C. C's. who are: Mattie Spikes, Floe Benson, Louise Murphy, Elma Pierce, Nell Stubbs, Bernice Wolfarth, Olive and Jodie Tubbs, Yancy Lee, Bernice Kimbro, Fannie B. Carter and Hertha Wilkes asked to be taken to Buffalo Springs to spend the night and have a good time.

Mr. Kimbro, Hamlin, Starlight, Old Hoople and Trigger took the crowd down there.

Mrs. Chas. Pierce, Mrs. Van Sanders and Mrs. Fred Stubbs went as chaperons. Baby Geo., Guy and Chardo Pierce were the only men, Mr. Kimbro having gone back to town. Were we afraid when night came? Just ask some of the boys who came down from town to try to scare us. Those girls armed with sticks, rocks and chips made those boys climb that cap-rock quicker than they ever can again. In fact our swift footed chaperon who suspicioned that it was harmless boys had to call the girls back and help the braves who were getting the worst of the scare.

Then came the war dance yelling, shrieking and last but not least, gymnastics on our beds that we had made on the grass. The most elderly chaperon was just creeping into dreamland when one C. C. C. who felt the "call of the wild" to a great degree came down on hard bones with both feet, was she scared? Did she think there was any danger? Just ask her.

After this the bravest and most youthful chaperon went up on the hill and yelled like a coyote to see if our C. C. C.

could be frightened, but no indeed, their voices alone would stay a lobo wolf.

Our middle aged chaperon may not be afraid of hogs, on the Canyon after dark, but she acts queer when she sees one.

On Tuesday morning it was a happy refreshed crowd, who came home.

A Surprise Wedding

Mr. Louie Shropshire and Miss Bessie Puckett surprised their most intimate friends last Sunday by inviting them to the home of Mr. and Mrs. D. W. Puckett for the alleged purpose of enjoying a dining. Upon arrival there however the invited guests were soon appraised of the fact that there would be a wedding ceremony before the dining.

Mr. L. Shropshire and Miss Bessie Puckett were the central figures of the minute. Mr. Mert Judd was chosen as best man and Miss Glenna Burns as brides maid. Rev. L. T. Grumbles said the ceremony that united them in marriage. After the ceremony which was at 1:30 Sunday afternoon, the wedding dinner was partaken of and was greatly enjoyed by all present.

Only a few very close friends of the family and contracting

parties were present. Mr. and Mrs. W. R. Hampton being the only out of town guests to attend.

Mr. Shropshire is one of Lubbock's most industrious young men, being employed at present with the grocery firm of Martin & Wolcott and is a most deserving young man. Miss Puckett is a daughter of Mr. and Mrs. D. W. Puckett, and has a large circle of friends who wish for her all the pleasure of life, and join us in wishing for the couple a prosperous future.

O. E. Buchanan and Virgil Warren left Tuesday for Brawley California, where they expect to remain for several months, and may locate in that country permanently.

R. L. Knight, of Plains, was here Monday, and loaded his wagons with supplies for his ranch.

Claude Peek and family, who have been visiting in Aspermont the past few weeks returned home Wednesday forenoon.

George M. Arnett made a business trip to Kansas City this week, leaving on the Wednesday morning train.

Hila Boyd was here Tuesday purchasing supplies for his ranch.

SIX HURT IN AUTO CRASH

Two Cars at Big Springs Meet at High Speed and Several Persons Seriously Injured.

Six persons were injured in a collision between two automobiles in Big Springs last Thursday night. The accident resulted when the machines attempted to pass each other.

The injured are: Judge J. B. Littler, broken ribs and badly bruised; J. I. McDowell, president First National Bank, nose broken and bruised on face and body; L. C. Holdslaw and Mrs. Holdslaw; Charles Yarnell and Mrs. Yarnell.

Both cars were filled and the occupants were thrown in all directions. Mrs. Yarnell's little baby was hurled from her arms to the roadside, but escaped without a scratch. Mrs. Yarnell was thrown from the back of the car and rendered unconscious.

The ladies with two exceptions escaped with slight injuries.

Mrs. Holdslaw and Mrs. Yarnell were seriously injured but will recover. One of the cars contained Mr. and Mrs. J. B. Littler, Mrs. F. S. Henderson, Mrs. G. C. Brown and J. I. McDowell.

In the other were Mr. and Mrs. I. C. Holdslaw, Mr. and Mrs. Charles Yarnell and baby, and Johnson Thopp.

G. W. Reeves, brother of Mrs. J. W. Moore, spent a few days out at the Moore farm southwest of town. He is yard master for one of the railroads in Fort Worth and was here to visit his sister.

Seven cars of cattle arrived here Saturday from Dudley Boone's ranch in Haskell county and after unloading, were driven to Hockley county to be placed in Mr. Boone's pasture.

Scott Wolfarth and wife left Saturday for their home at Warren, New Mexico, after spending a few days here trading. The Avalanche will keep them posted as to what is going on in Lubbock.

J. A. Levey of Slaton, who is working with Mr. McDougall on the school building job went home Saturday and spent Sunday with homefolks.

Mrs. A. P. Bracken, who had been visiting relatives in Amarillo, for several days returned home the latter part of last week.

Mrs. Hancock, who has been visiting her daughter, Mrs. Jno. Epley, returned to her ranch near Lubbock, Tuesday. —Stanley Reporter.

TRAINED TO REAR CHILDREN

Branch of Nursing Which Has to Do With Care of Infants Now a Profession.

The branch of nursing which has to do with the care of little children was inaugurated as a profession in England about twenty years ago.

The Nursery college curriculum includes, besides nursery management, domestic work, hygiene and needlework. Of the one year required to complete the training at the Norland institute, thirteen weeks are spent in one of the London children's hospitals.

Children of from one month up to nine years of age are admitted at the Norland institute. These children are, for the most part, the children of officers in the foreign service, widows, colonials, trustees, guardians, people of the theatrical profession.

To those interested in nursery life a visit to the Norland institute is inspirational. Besides the college, with its nurseries, its lecture hall, its workroom, where the uniforms are made and other interesting studies, there is the Norland Seaside nurseries at Bognor, where the children under the charge of the institute may go for rest and change.

MATRON STARTLED GUEST

Gives Vivid Description of Tarkington's Abominable Behavior at a Luncheon.

"Booth Tarkington, now that he has returned to novel writing, is more celebrated and more beloved than ever. At the same time—"

The speaker, a magazine editor, chuckled and resumed: "Imagine my horror when, at a tea at the Colony club in Madison avenue, I heard a young matron, a very pretty and elegant young matron, say:

"Tarkington behaved so abominably at my luncheon! After the oysters he suddenly took a dislike to the butler and the two serving maids. He actually flew at them. He wouldn't let them come near the table. If they ventured to try, he growled dreadfully.

"But there was a platter of cold quail on the sideboard that happened to catch Tark's eye. He seized two of the birds and stalked sullenly off with them to the drawing-room, where he ate them, seated on the floor. He left the bones scattered all over our best Kirmanshah rug. Did you ever hear of anything so awful?"

Here the magazine editor laughed again. "It took me a minute or two to grasp the fact," he explained, "that this charming lady had named her dog Tarkington in honor of our prose master."

LUNATICS RUN AMUCK.

One person was killed and nine others seriously injured by five terrified maniacs released by firemen from an insane asylum in the outskirts of Elvas, Portugal.

Altogether thirty-five lunatics were set free because of fire in the asylum. They rushed howling through the streets for some time. Thirty of them were easily gathered in the municipal building, but the other five secured some iron bars from a scrap heap, and attacked every one they met.

Farmers Will Ask State Aid.
Fort Worth Texas, June 23. — The Farmer's Union of Texas is going to ask the Texas Legislature at the Special Session to appropriate \$25,000 per annum to be expended under the direction of the State Department of Agriculture in promoting, marketing and rural credits according to Peter Radford, president of the Farmers' Union.

"It is as properly a function of government to study and disseminate information and to put into execution plans for the sale of products as it is to teach production," declared President Radford in a recent interview.

"Certainly it is poor statesmanship to follow the crop to the harvest field and there let it rot for want of a market," he continued.

He said the Farmers' Union stands ready to co-operate with the State Government in developing a warehouse system and facilities for the systematic marketing of cotton and to render assistance in marketing all products on a more intelligent and business-like basis, as it would take the co-operation and combined efforts of all to handle the problem.

MR. FARMER

That it is About Time You Were Getting That Cultivator to Cultivate Your Crop?

Better not to wait too long and let the weeds get the start on you. Good cultivation is one of the principal essentials to a good harvest.

The John Deere Cultivator embodies all the latest improvements; the balance frame, levers in easy reach, easily adjustable, light draft. The rigs or beams are as strong as can be built, yet they are light and easy to handle. We have them both with spring trip and break pin, straight and parallel beams. The foot pieces are easily adjustable and any kind of shovel or sweep can be used on them.

We have also the Listed Corn Cultivators (Go-Devils), both with and without side knives. The disc gangs on these "Go-Devils" are easily adjustable with levers. Call at our store and we will take pleasure in showing you any of these plows. Don't forget the place.

Downing & Hill

For Tenderfoot Cowboys.
 We note in an Eastern paper a dispatch from Southwest Texas which relates that there has been posted on a large cattle ranch, a notice for the information of tenderfoot cowboys which we think is worth reproducing. The notice is in the form of a series of questions which are answered in their respective order, as follows:

First—What is a maverick?
 A maverick is a 10 or 12 month's old calf, not marked or branded. The owner has not been able to find it during the roundups. Honest cowmen will brand it in the brand of its mother.

Second—What is a dogey?
 A dogey is a calf whose mother has died through hunger or accident; the calf was young when the mother died and is consequently poor and scrawny. If such a calf is old enough to live, it belongs to the man who owns the range on which it is found.

Third—What is scalding brands?
 To scald a brand is to make a brand look old. The way to scald a brand is to put a wet cloth on the animal where the hot brand is to be placed. The brand will show plain and the hair is not burned.

Fourth—What is sokeing?
 Sokeing is to tie down one or more calves in a secluded spot where honest men seldom ride and if the weather is dry and hot it will only take thirty-six hours lying in the hot sun to soke any calf and after they have been thus treated they will not hunt for their mother again. A calf treated in this manner shows the marks of the rope around its legs.

Calf swipers formerly moved into a box canon and built pastures in which to wean calves, but the calf would bawl for its mother and call them up, and the rustlers are having a hard time getting along.

Rev. Eason, of the Nazarene church, accompanied by his wife and granddaughter Miss Katie Eason left Monday for Plainview. Rev. Eason will preach a series of revival sermons at that place and expects to be absent about two weeks.

Mrs. N. M. George, mother of Mrs. Lee Acuff, and Mrs. O. M. Holland, after four weeks visit in our city returned to their home in Merkel. Mrs. Holland is Mrs. Acuff's grandmother.

Moving to Lubbock

Elder Foy E. Wallace, and family arrived Tuesday from Austin and their household effects arrived Monday. They will make this their future home and although they have not yet procured a residence here, they have a place in view that they will likely occupy for the present. Mr. Wallace aside from his wife and smaller children has two grown daughters who will teach in the public school of this county the coming term, one at Acuff and the other at Canyon. Mr. Wallace is a minister of the Church of Christ denomination, and is said to be one of the strongest men that church has.

Earl Lowe has purchased the West Side Tailor Shop and took charge of same Monday morning.

Mr. Lowe is not a stranger to the people of Lubbock as he has been a citizen of this city before. He has just recently returned from a trip to Rockwall, and believes he is back to Lubbock to stay this time.

A fishing and hunting party composed of W. A. Bacon and family, Geo. C. Wolfarth and family and Sam C. Arnett and family left last Thursday afternoon for the Capitan Mountains in New Mexico, where they will spend several days hunting and fishing.

Small Boy Drowns

Plainview, Texas, June 20.—Merlin, 7-year-old son of E. E. Winn, was drowned while bathing in a tank one mile west of town this afternoon.

His playmates were unable to save him. The body of the boy was not recovered for some time.

M. J. Stimson, of Amarillo, was here Wednesday looking after the interest of the telephone company here. Mr. Stimson is district manager of the Amarillo district of which this is a part.

Melton Showalter and family of Austin, stopped off here a few days this week. They were enroute to Lockney where they expect to make their future home.

J. K. Fullengem, one of Crosby county commissioners, was here Monday looking after business affairs.

Jerry Williams was here Monday from Lamesa shaking hands with friends and talking cattle.

C. J. Deem, of Austin representing the Walter Tipps well machinery company was here this week interviewing the people of this section with a view to selling them some of his well machinery. He was well pleased with the general prospects, and says he expects to make Lubbock his headquarters for the present, and will open offices at this point some time during the year. He expects to do quite a bit of advertising in the local paper a little later on, and will no doubt sell quite a lot of machinery in this territory.

Carter and Long sold last week and will deliver to Mr. Wilson of Hereford 375 head of yearling steers. We did not learn the price, but it was most satisfactory to all concerned.

Misses Jessie Woodward and Florence Jackson, who have been visiting at the home of Mrs. C. M. Ballinger the past two weeks left Tuesday for their homes in Coleman.

C. E. Cooper and wife, of LaFayette, Ind., were here the first of the week, prospecting, and we understand were very favorably impressed with the country in general.

Tom Ross and his little daughter, Bessie, of Seminole, were here Monday, and were stopping at the Howard Hotel.

Bud Melton and Stamp Eves, of Lovington, New Mexico, were registered at the Howard Hotel the first of this week.

Attorney Fred C. Pearce, of Plainview, was in the city the early part of the week looking after court matters.

L. S. Kinder, judge of the courts of the Plainview District was here Tuesday looking after legal matters.

A. H. Lindley of Lamesa, one of the leading business men of that place was here the early part of this week.

J. H. Reagan, who is in the garage business in Floydada, was here Saturday.

Mr. and Mrs. W. G. Street, of Littlefield, spent Sunday in our city.

Rev. J. P. Word preached for the people of Slaton last Sunday.

Scott Cochran returned Tuesday from a business trip north.

R. C. Malone was here from Abilene the first of the week.

Resolution of Respect
 To the officers and members of Lubbock Lodge 609 I O O F. We your Memorial committee, beg leave to submit the following report.

It pains and grieves us beyond expression to have to report that since our last meeting, death has come among us and two little darlings have gone to the Great Beyond. There to bask in the sunshine of our Grand Master above. One from our Brother C. A. Holcomb and wife, and one from Brother and Sister F. E. Craig.

Therefore be it resolved that this lodge, extend to these Brothers and their family our deepest sympathy, in this their sad hour. Let us hope, that in the golden summer of another life, they will meet again in a sweet reunion, where sad partings are no more. If there can be a consoling thought, it is that your dear little ones have returned to God who gave them, pure and unspotted from the world's temptations.

Second. That a page in our minutes, be set apart to their memory, and that a copy of these resolutions be furnished each of their families, and a copy to the Avalanche for publication.

With feelings of the deepest sympathy, we are, yours fraternally,

CHRIS HARWELL,

Our Band to Littlefield
 E. M. Taylor, manager of the Lubbock Cowboy Band informs us that they will play a two days engagement at Littlefield, July 3rd and 4th. The band is in good shape now having been strengthened by the re-

turn of some of the old members and they will no doubt furnish first class music for the people who visit Littlefield on that day. They will also play today for the basket picnic at Shallowater. A. L. Davis was here from Littlefield Sunday.

COST OF LIVING GOING UP

Wholesale Prices of Commodities Last Year Higher Than During Past Thirty Years.

Washington, June 20.—Wholesale prices of commodities in the United States last year were higher than at any time during the past thirty years, the United States Bureau of Labor Statistics announced. During the year wholesale prices advanced sharply, especially in the great group of farm products, food, fuel and lighting and metals and implements.

Fuel and light showed the greatest increase over 1911, the average being 9.4 per cent, while coke increased 46.2 per cent and crude Pennsylvania petroleum 21.2 per cent.

Food as a whole increased 21.1, the most pronounced increase being in corn meal, 27.9 per cent, and canned tomatoes, 27.1 per cent.

Farm products increased 5.7 per cent, the principal increase being in cattle, 29.4 per cent, and sheep 24.4 per cent. Metals and implements increased 5.6 per cent, the greatest advance being copper, 31.8 per cent, and spelter, 20.6 per cent.

House furnishings increased from 2.3 to 10.9 per cent and drugs and chemicals advanced 2.2 per cent. Clothes and clothing increased only 0.9 per cent, boots and shoes 15.5 per cent, carpets 9.9 per cent, print cloths 9.3 per cent and leather 9 per cent, lumber and building materials comprising the only group showing a decrease, the decline being 2.1 per cent.

To Prevent Blood Poisoning, apply at once the wonderful old reliable PORTER'S ANTISEPTIC HEALING OIL, a surgical dressing that relieves pain and heals at the same time. Not a liniment. 25c, 50c, \$1.00.

Roaring Springs, the new town in Motley county, on the Quanah, Acme & Pacific railroad, was opened last Saturday and about 3,000 people attended the opening sales of lots which brought from \$2,500 down. This new town is located in a very fertile farming country, which will now be developed, as they have shipping facilities for the first time in this country. Several brick and concrete buildings will be erected at once and what was yesterday a prairie will in a few days be a busy building town. The town gets its name from the "roaring springs," which were famous when the cowman drove up the trail, and where there is still an abundance of soft water for a small city.

HOW TO AVOID PNEUMONIA

Keep Away From Crowds, Especially When Meals Have Been Missed.

Pneumonia is practically a disease of city life and crowded living. With our present knowledge the prospects are hopeful for the control of pneumonia in the future through prevention. This is of special importance to the individual. The avoidance of pneumonia is largely a question of personal precautions that prevent the development of the disease by lessening the predisposition to it. Men in middle life, particularly those about fifty, must learn during unsettled weather to avoid crowds, especially when fatigued and when they have been for a number of hours without eating. Late at night, when for any reason a meal has been missed, crowds are dangerous. If this lesson could be generally learned there would be less pneumonia among the well-to-do classes. The principal danger comes in crowded street cars, which, if possible, should be avoided at rush hours. It needs to be emphasized that the danger from overcrowding is greatly enhanced by fatigue and going without food. In a word, prevention of pneumonia is now much clearer than it was. Like all the other infectious diseases, instead of being a more or less inevitable dispensation, it has come to be recognized as due to certain definite factors which can be greatly lessened by public and individual hygienic regulations. EQUAL RIGHTS AMONG BIRDS

Some Interesting Facts About Warblers Given by Professor Who Has Studied Them.

"The male pine warbler takes no part in the incubation of his young. He believes in equal rights of women, takes no part in the nest building, watches his little wife gather the material and put it together, while he sits on a branch close by, pouring out his love in sweet, delicious notes. It's a case of everybody works but father," said Prof. William Brinckley, discussing Our More Common Warblers in a recent lecture.

"There is no more varied group than that of the warblers. They are divided into two large groups, old world and new world warblers. The old worlders are smaller and more modest in plumage. Anyone who can tell a warbler on the wing is a marvel. The differences of species are very difficult to notice when the bird is flying.

"The only way to know a warbler is to know him from the earliest through the various stages of his plumage, which change as fast as the Paris fashions. Of the wood warbler there are 150 varieties alone. Their territory covers the district between Argentina and Labrador. In North America there are fifty-five varieties. Here they reach their greatest numerical strength. They fly at night and often take a 500-mile trip between sundown and sunrise. They are rapid on the wing and often get ahead of the weather. They are easily harmed by storm; their plumage is quickly saturated with water and they drown."—Milwaukee Journal.

Test The Perfection Sanitary Steam Washer

IN YOUR OWN HOME FREE OF CHARGE

When properly used we guarantee it will do your Laundry perfectly, practically without labor, by steam, automatically forcing sixteen (16) gallons of soap suds each minute through the twill or mesh of the goods, thoroughly cleansing a large tub full in 3 to 8 minutes. It will wash more goods in one (1) hour than can be done in four (4) under the old

method, and save 90 per cent of the work, and 50 per cent on the wear and tear of the goods, 50 per cent of the fuel and expensive laundry bills usually paid out for unsatisfactory washing.

Considering its construction for durability, utility and perfect work, with ease in operation, it is the best and most economical way to solve the problem of the dreaded wash day.

We offer ONE HUNDRED (100) DOLLARS if the above can be proved not facts, or should it fail to defeat any other make of washer when put in actual test.

SALOON PERMIT APPLICATIONS

Cities of Texas Make Requests for Permission to Renew Licenses Before July 11

Austin, Tex., June 20.—Applications for permits for renewal of liquor licenses are pouring into the Controller's office. Of the 4,000 liquor dealers in Texas, about three-fourths of them will have to secure renewals on July 11 next, and before this can be done, a permit must be obtained from the Controller to apply to the local authorities for license.

Some permits are being refused. As to the number of refusals Houston leads, though 50 per cent of its 330 saloons have secured permits. Only 75 of the 375 saloons in San Antonio have so far applied for permits. The record of other cities as follows: Dallas, 217 saloons; 12 permits; Galveston, 200 saloons, about 80 per cent have secured permits; Tarrant County, 182 saloons, 75 per cent have secured permits; El Paso, 118 saloons, 40 per cent permits; McLennan county, 90 saloons, 50 permits; Travis county leads in the activity of securing permits. Ninety of the 100 saloon men have secured permits.

NOW HER FRIENDS HARDLY KNOW HER

But This Does Not Bother Mrs. Burton, Under the Circumstances.

Houston, Texas.—In an interesting letter from this city, Mrs. S. C. Burton writes as follows: "I think it is my duty to tell you what your medicine, Cardui, the woman's tonic, has done for me.

I was down sick with womanly trouble, and my mother advised several different treatments, but they didn't seem to do me any good. I lingered along for three or four months, and for three weeks, I was in bed, so sick I couldn't bear for any one to walk across the floor.

My husband advised me to try Cardui, the woman's tonic. I have taken two bottles of Cardui, am feeling fine, gained 15 pounds and do all of my housework. Friends hardly know me, I am so well."

If you suffer from any of the ailments so common to women, don't let the trouble become chronic. Begin taking Cardui to-day. It is purely vegetable, its ingredients acting in a gentle, natural way on the weakened womanly constitution. You run no risk in trying Cardui. It has been helping weak women back to health and strength for more than 50 years. It will help you. At all dealers.

THE P. B. S. S. EMBROIDERY CLUB Wednesday afternoon at 4 o'clock Misses Bertha Bullock and Lorena Glenn entertained the club at the home of Lorena Glenn. Nice music was rendered by Misses Bullock, Jordan and Roy. After working for some time, delicious cream and cake were served. Those present were Misses Nellie Curtis, Myrtle Long, John Roy, Coots Jordan, Vinita Martin. Those absent were Misses Murrel Adams, Alvin Patterson, Jewel Burrus, Bessie Ann, Lilah Porter, Madge Baker.

The Bridge Club met with Mrs. S. P. Robbins last Tuesday and a pleasant time was had. Mrs. Priest won high score. Delicious cheese souffle, saltines and iced tea were served to Mesdames Priest, Summers, Thomas, Posey, McWhorter, Jno. Penney, Moody, Boerner, Powell, Merrill, Faine, Davidson, Wilson, Sowder, Duran, of Amarillo, and Miss Boerner. The next meeting will be with Mrs. Priest.

Mesdames Chase, Rankin and Downing will entertain the Merry Bidders tomorrow.

Mesdames Moody and D. Robinson were hostess for the 1911 Needle Club, June 19. Only a few were present owing to the rainy day. Iced tea and sandwiches were served.

Miss Viola Mobley entertained last Wednesday afternoon from two to six o'clock. After enjoy-

ing such games as are entertaining to children of her age for some time, the following enjoyed refreshments of punch, cake and plums; Fern Wheelock, Ouida Carter, Liela Roberds, Leon Burns, Freda Spikes, Flo Benson, Opal Ellis, Wauneta Miller, Elma Pierce, Nancy Lee, Olive Michael, Alline King, Lillie Rich and Alta Wood.

Mrs. W. S. Palmer will entertain Saturday afternoon in honor of her guest, Mrs. Duren, of Amarillo.

The "24-42" Club is meeting with Mrs. J. S. Johnson, assisted by Mrs. Quick this afternoon.

THE RIPLEY EMBROIDERY CLUB The club met June 19th with Mrs. Brown.

In spite of the sick list and a bad day, there was a good crowd. Mrs. Brown served cake and ice cream to the following: Mesdames Vance, Denton, Wright, Hill, McCrummen, Misses Stokes, Crump, Hill, Garrett, Wright, Johnson, Cecile McCrummen, of Austin, and Mary Hanen, of Midland, last but not least Messrs. J. M. Wright and W. C. Brown.

The next meeting will be with Mrs. W. D. Crump, July 3rd.

Rev. Young, of Dallas, representing the Southern Methodist University, which is being built in Dallas, preached to a splendid congregation last Sunday at the eleven o'clock hour, and took a subscription for the building fund of that school, and secured about \$1300.

Dr. J. D. Davis, of Roby spent a few days here, the first of this week.

Queer Names of Texas Towns

What's in a name? A rose by any other name would smell as sweet.

Those are the words of the great bard whose name is known throughout the civilized world, and for most purposes they make a statement which is substantially correct. There are exceptions to the rule, however, and naming of Texas towns especially the smaller ones, is one of the exceptions.

There are hundreds of smaller towns in the State of Texas which have the queerest names, and every name has a meaning. Of several of the better known towns the circumstances surrounding the establishment of the village gave rise to the name. Or perchance those patriotically inclined gave the village name of some illustrious person in history, as Crockett, Bonham, Houston, Rusk, Bowie, etc. But there are those which have names selected, it would seem because of the oddity.

Take, for instance, Razor, in Lamar county. This is undoubtedly the little village where the barbers come from or at least the name would imply as much. Too, the packers must come from Bacon in Wichita county, the telegraph operators from Telegraph in Kimble county, the telephone operators from Telephone, in Fannin county. If these things are true in these instances, then some of the nerviest people in the world come from Cheek, in Jefferson county.

The quiet, peaceful ones come from Placid, McCulloch county; the jolly, jovial, funny fellows from Jolly, in Clay county and those religiously inclined would be found to have once lived in Blessing, Paradise, Angeles, Eden, Glory, Grace, Bishop, Elysian Fields or Sublime. The financiers, no doubt, came from Dime Box, Cash, Silver City, Gold, Cost, Commerce, Bonus, Mellin, Divide, Profit, Richland, Security or Golden, while the noisy persons came from Call, Echo, Auto, Baby Head, Bluff or Bragg.

Some of the happiest persons in the State were no doubt born at Happy, Joy, Sweet Home, Gay, Bliss, Blythe, Holiday, or Lark, and it is reasonable to suppose that those matrimonially inclined came from Ringgold, True, Comfort, Bliss, Bells, or Reno. Possibly some one has been wondering where all the successful men came from, but the problem is easily solved when it is remembered in Texas are the towns of Worthy, Industry, Energy, Grit, Ginger, Thrift, Merit and Rising Star. Undoubtedly these are the places where the successful men originated.

Perhaps, too, the clothiers come from Coats in Taylor county; the Irish from Erin in Jasper county; the Chinese from Orient in Tom Green county; the beginners from Novice, in Coleman county; the babies from Nursery, in Victoria county; the haughty from Pride, in Dawson county; the hunters from Nimrod in Eastland county; the carpenters from Tool, in Henderson county; and the intoxicated from Rye in Liberty county. It is not known if the lid is on Rye, but if so there is Sherry in Red River county, which has a little flavor and one can go to Dripping Springs in Hays county. From these he might drop to soda in Polk county for a sweet bottle of red pop.

At the first blush it would seem that most successful base ball

players would come from Slide in Lubbock county and that the best salesman would have his home in Sample in Gonzales county. Some of the proud folks possibly came from Peacock in Stonewall county, and a good many of the fast base runners from Run in Hidalgo county. The mud-slinging politician, while plentiful, and especially on election years, may come from Mud in Travis county.

The dudes came from Dressy in Callahan county, the royalty from Duke in Fort Bend county, or from Crown in Atascosa county. Those wanting to fight came from Scrap in Red River county. The democrats from Democrat in Comanche county, while the cold-natured undoubtedly came from Chilly, Polar, Winters, Frost, Cross or Blue.

From Sunny Side comes the person who is always smiling and from Harmony comes the person who never disagrees with any one.

The supply of fruit comes from Apple Springs, Orange, Plum, Raisin, Peach, Pearland, Satsuma and Alberta, while many of the flowers are found at Rosebud, Blooming Grove, Clover, Magnolia, Shamrock, Verbena, Woodbine, Holly, Palm and Ringgold.

Not all the wood or lumber of the states comes from Cypress, Lone Oak, Oakville, Oakfrost, Pine, Atwood, Cottonwood or Mesquite, nor all the birds from Canary, Quail, Crow, Falcon and Swan.

Some of the hardest towns in the state are Flint, Pebble, Stonewall, Rockwall and Stony. The most blustery town in the state must be Cyclone, and the gentlest one imaginable is Zephyr. The last of all and the last of all things is Finis over in Jack county. - Galveston Tribune.

Boys Accidentally Shot

Two little boys of Joe Green were accidentally shot in the hand yesterday while playing with a shot gun. It seems that the larger boy was playing with the gun which was thought to be empty, and pulled the trigger when his right fore finger was over the muzzle. The shot tore off the finger and several shot took lodgement in the smaller boy's hand who was sitting near. A party of neighbors and friends had gone down to the cap rock to gather plums and were fixing to start home when the accident occurred. They notified Dr. Overton as soon as they could get to a telephone and he met them on the way with his car and brought them to town arriving here about twelve o'clock in the night. The wounds are not serious at this time and it is hoped that they may soon recover. Mr. Green is the son of Mr. M. Green who lives near Canyon school house.

The Avalanche is in receipt of a season ticket to the Panhandle Exposition and Fair Association at Clarendon, Texas, that will be held July 2, 3, 4, and 5, 1913.
