### AN AMERICAN TRANSPORT IS SUNK

FIRST GREAT DISASTER TO AMERICAN TROOPS SINCE SHIPMENT TO EUROPEAN BATTLE FRONTS BEGAN

### CARRIED 2179 SOLDIERS

Nineteen Hundred or More Have Been Rescued and Accounted for and it is Believed that Few Were Lost, Though Official Reports Have Not Been Received in Washington Yet

Washington, Feb. 6.—Nineteen hundred and twelve of the 2179 American officers and men on board the Cunard liner Tuscania, torpedoed and sunk in the war zone, were reported accounted for in a dispatch to the state department tonight from the American embassy at London.

Washington, Feb. 6.—The Cunard liner Tuscania, carrying 2,179 American soldiers, has been torpedoed and sunk off the Irish coast, but official reports late tonight said 1,912 of the officers and men had been saved and indicated that the list of rescued might prove even larger. The troops, composed chiefly of detachments of Michigan and Wisconsin national guardsmen, were traveling on the Tuscania, a British vessel, under convoy of British warships. A brief dispatch to the war department from London early tonight announced the disaster and reported the landing of only 1,100 survivors. This was made public shortly after 10 o'clock and for more than two hours it was feared that probably 1,400 men, including members of the liner's crew, had gone down.

#### Troops Aboard

Headquarters detachment and companies D, E, and F, of the 20th Engineers, 170th Engineer train.

107th Engineer train.  
107th Military Police.  
107th Supply Train.  
No. 100 Aero Squadron.  
158th Aero Squadron.  
213th Aero Squadron.  
Replacement detachments No. 1 and 2 of the 32nd division.  
Fifty-one casual officers.

The 32nd division is composed of national guard troops from Michigan and Wisconsin. The division trained at Camp McArthur, Texas.

#### Ports of Landing

Buncrana, at which survivors from the Tuscania were landed, is located on Lough Swilly on the northern coast of Ireland, 12 miles from Londonderry. Lough Swilly is a long, narrow bay running in from the Atlantic ocean.

Larne, where other survivors were landed from the vessel, is on the northeast coast of Ireland, 23 miles from Belfast. It is a north channel port. The approximate distance by water between the two ports is one hundred miles.

#### The Lost Vessel

The Tuscania was a British passenger and freight steamship of 14,348 tons gross register. She was built at Glasgow in 1914, and was owned by the Anchor line.

### MRS. SARAH J. CHASE DIED LAST SATURDAY

Last Saturday morning at seventy-three, Mrs. Sarah J. Chase, aged 78 years, five months and sixteen days, mother of Rev. J. E. Chase, pastor of the First Christian Church here, died following an illness of a number of days, caused from pneumonia.

Funeral services were held in the First Christian church at 1:30 Sunday afternoon, after which the remains were accompanied to the cemetery by relatives and friends of the deceased and family and laid to rest. The family has the heart felt sympathy of this community.

### Wm. G. RUSSELL IS BACK FROM EL PASO

Wm. G. Russell returned last week from El Paso, where he has been for some time. It will be remembered that he became involved in some trouble out there which resulted in his killing a man by the name of Qualey. The grand jury returned a verdict of guilty and the court refused Mr. Russell bail, but the case was taken to the higher court and bail was allowed in the sum of \$25,000, which was promptly given and Mr. Russell released to return home. The trial is set for the latter part of March.

J. E. Alexander was in the city this week loading his "big Ford truck" with supplies and building materials for the ranch. He reports that his cattle went through the recent severe weather without any loss, which was very fortunate indeed.

W. M. Groves of Forney, was here this week looking over the Lubbock country.

### SEVEN LUBBOCK MEN TO BE CALLED THIS MONTH

The Exemption Board expects to be called upon to supply the remainder of Lubbock County quota from the first call which will be seven. This call according to newspaper reports will likely be about the 23rd of this month. These men have already been examined and qualified, and have only to receive their notification for appearance to put them on the way to the training camps. The first call took all men up to call number 242, and the men to go will be in numbers included in this bunch.

### WALDO MICHAEL IS NOW IN FRANCE

F. E. Michael is in receipt of a letter from his son, who is now in France. He is a member of the U. S. Marine Corps, and is delighted with his surroundings, and reports a pleasant trip. He would appreciate a letter from his friends and his address is as follows: Pvt. H. W. Michael, 81st Co. M. G. Bat. U. S. Marine Corps, America Forces in France. This is the first letter Mr. Michael has had from him in two months.

### JUDGE WORKS ADDRESSED LUBBOCK AUDIENCE SUNDAY

Judge Works, of Amarillo, who is Conference lay leader of the Northwest Texas Conference, Methodist church, addressed audiences of Lubbock people at the Methodist church last Sunday afternoon and night, in the interest of the laymen's work in this section. His addresses were both heard with much interest.

### BIG FIRE DAMAGE THIS MORNING

TAILOR SHOP OF J. WOODIE HILL, DRUMMOND-HOPE ELECTRICAL COMPANY AND LUBBOCK NEWS STAND SUFFER

### J. C. PHILLIPS BUILDING DAMAGED CONSIDERABLY

Losses Are Only Partially Covered By Insurance—Fire Originated in the J. Woodie Hill Tailoring Establishment by an Explosion Two Employees Were Severely Burned

This morning at about ten o'clock fire was discovered in the building occupied by J. Woodie Hill Tailor Shop, Drummond-Hope Electric Co., and the Lubbock News Stand, formerly occupied by the Leader. The Lubbock fire company responded promptly and did some very effectual work, which resulted in extinguishing the flames before the entire contents of the building were destroyed.

The fire originated in the workshop of the tailoring department of Mr. Hill's store, caused by an explosion of some kind, which caused the flames to spread rapidly.

Rufus Sowell and another employee of the Hill Tailor Shop were very badly burned about the face and arms, but not seriously, we are told.

The loss falls heavily upon all of the occupants, as well as the owner of the building, Mr. J. C. Phillips. Although we have not been able to get an estimate of the losses, we know from the general appearance of things the fire, smoke and water damage will amount to almost the total amount of the value of the stocks.

Mr. Hill occupied the back of the building and about three-fourths of the front half, the Lubbock News

Stand the front of the east half of the building and Drummond-Hope and Grover Merrill the west part of the building. Mr. Hill did a large tailoring and clothes pressing business and many suits of clothing belonging to various people in Lubbock were in the building to be pressed and cleaned, and many of them will be entirely lost. The Lubbock News Stand had just recently moved out of the Merrill Hotel into this building and had quite a large stock of magazines, tobaccos, etc. Drummond-Hope Electric Company carried a large stock of electrical supplies, and repair equipment, all of which was badly damaged by both fire and water. Grover Merrill had an office with them and had many valuable books and papers there, that are more or less damaged.

Mr. Phillips will sustain considerable loss on the building. He carried only \$3,500 insurance, which will likely not repair the damage.

Mr. Hill we understand carried \$800 on his plant which will not begin to cover the loss.

Drummond-Hope were partially covered by insurance, the amount we failed to learn.

### LUBBOCK BOY WRITES PRIZE-WINNING ESSAY

The Fort Worth Star-Telegram recently inaugurated an essay writing contest in which it offered prizes, payable in thrift stamps to the school children writing the best essay on Thrift Stamps and Certificates and it is with pleasure that we learn that a Lubbock boy, Ewell Leon Hunt, the 12 year old son of Mr. and Mrs. A. L. Hunt was winner of first prize out of Tarrant County contestants which was a \$5 Thrift Certificate; and here is the essay that won the prize:

"The majority of American citizens do not realize the part that America must play in this struggle for the overthrow of 'Autocracy.' It means that every true patriotic American must do his bit to help out in this war for 'Humanity and Freedom.' If France, in the thickest of the fight, is needing more supplies to keep up her armies, if England is suffering for want of more food, if Belgium must have our assistance, and if Italy is striving to keep out the invader without food and clothes sufficient to keep them in comfort, then should not we do everything possible to help our allies?"

"Thrift means to be economical. To be economical is that any one of us must never waste food of any kind."

"Never leave a crumb on your plate, never throw down a piece of bread, eat less wheat bread and more corn bread, always do on the least amount of sugar possible."

"Join the Red Cross and give every nickel possible to Uncle Sam in some way."

"Our soldiers must be fed, our allies are needing our help, and in reality the turnout of this war is depending on America. The war is fierce. The war means the sacrifice of many precious lives to make the world safe for 'Democracy.'"

"Then if thousands and thousands of the young, best developed sons of America are giving their lives for their country's sake on a foreign battlefield, then should not we, here at home, back them up? Buy Thrift Stamps and War Saving Certificates if you want to help win this war."

A. B. Conley, Jr., has discontinued his Lockney store and the goods are now being received at the Lubbock store. Mr. Conley has proven himself a Lubbock booster and the concentration of the Lockney stock with the immense lines already displayed in the Lubbock store proves his confidence in this section of country.

### NEWS ITEMS OF INTEREST FROM GOMEZ

Gomez, Feb. 4.—Geo. McWhorter came in the last of the week bringing Miss Jewell Nichols home and on Sunday morning, left for his home in New Mexico, accompanied by his wife and little son.

Mrs. Early Key of Tatum, N. M. visited her parents here Mr. and Mrs. A. P. Moore last week.

A. V. Taylor of west Terry received news from Borden county last week that his aged mother was quite seriously sick with pneumonia. He left immediately for Borden county.

Jim Moore went to Lubbock last Thursday returning Friday.

Mr. McCoy of Lubbock, spent last Thursday night in town the guest of Mr. and Mrs. Jim Moore.

Dr. Summit, of Plains, visited his family here last week. They did not move to Plains a month ago as we reported they would, because they could not get a house to move into.

Prof. Bishop and wife went to Tahoka, last Saturday. Prof. returned that evening, but Mrs. Bishop will remain there until after son leaves for a war training camp, her oldest son is now at Camp Travis, and this one just now 21 years old has volunteered and is going now.

Preaching at the Baptist church here last Saturday afternoon by the pastor Rev. Vinson. After church services the Red Cross held a business meeting at the church.

Mr. Frank Mosier, whom we reported as quite sick with pneumonia out at Walter Gainers, last week, is much better at this writing.

A letter to the home folks from Dr. Summit's son in France states that he had been in a battle in the western front, and ended with the statement, "I was one of the lucky ones, to come out unhurt."

C. H. Grollman and wife and W. L. Barnes, of the Leader, left this week for the northern and eastern markets. They will visit St. Louis, Chicago, New York, Boston and Mrs. Grollman will visit home folks at Norfolk, Va., before returning home. Messrs. Grollman and Barnes will be away about a month.

J. T. Lofton, was here the first of this week, looking after business interests in the South Plains country.

J. M. and T. B. Yates, of Clayton, N. M., were business visitors in our city the first of this week.

J. C. Holland of Sweetwater, was among the business visitors here this week.

## Food Will Win the War

JOHN R. MCGEE, County Food Administrator

Continuing the train of thought in the article of last week we must keep in mind the great efforts our Government is making in the warfare in which we are now engaged, and further if we can get our eyes open to the many patriotic appeals that are floating on every passing breeze to soften our callous hearts and bring us to a realization of the true situation now confronting us as a nation, as a people collectively and personally as individuals. Individual responsibility has not yet fully dawned upon many of us. Some of our families have sipped from the cup of sorrow already, but comparatively speaking, only a few have felt the pangs of woe in having their loved ones taken away probably never to return, or if they do return, will come back to us disabled and crippled for life. Many, many thousands of our noble young men who go to France will never see the beloved shores of home land again. Many of them have already been buried beneath the sod of European soil. Probably five hundred thousand have already passed over the sea and landed safely on the shores near where the fiercest battles ever known in the history of the world are raging night and day. Only within the last few days eighteen ship loads of our soldiers were safely landed on the shores of France. Nearly a million more are ready to go as soon as transportation facilities can be provided. Within the next few months more than a million of our noble young manhood will be

face to face with the enemy in that awfully bloody conflict. Have you a son or near relative over there on the way to that far off land of carnage and death? Some of you have sons and near relatives who are at least on the way to that place of all places to the American heart at this time. All of you have friends and neighbors who have sons and near relatives who are now on the way, or will soon be passing on to that realm from whose home many of them will never return to greet and gladden your face again. Many thousands of fathers, mothers, sisters, brothers, sweethearts, and others near, will keep bitter tears of grief before this conflict is over. Already one Lubbock county lady is mourning the loss of a beloved brother who gave his noble young life for the honor of his country. How many others there may be, this writer is not informed.

Is there a man or woman who law-

fully tread the American soil today who cannot or will not gladly and with wholeheartedness render whatever service in his or her power to help on the cause in this mighty effort for our Government is putting forth to win this war? To ask this question ought to be to answer it. But it does not in many instances. Many of our people, may it be said, with regret and sorrow, are ignorant, blind, indifferent, greedy as hungry hogs, and care nothing for their fellows or their country, so they can by fair or foul means get what they want to eat. This class, or these classes, we are proud to say are hopelessly in the minority, but there are too many of them among us, few as they are. Many of our good people have not yet lived long enough, or have not read enough of the current news of the day, to get their eyes and ears open to the real situation now confronting us as a nation and as a people, individually and collectively. We live off here far remote from the danger zones and too many of us seem to think that there can never come a day when our lives, our liberties, our homes, our fair country and nation, can ever be endangered. Let us now begin to face about and correct those false notions if we entertain them. Let us never lose sight of the fact that the ambition of the Kaiser and his military party is world-wide in its sweep. Lore America is in the world and therefore America is within the sweep of that unholy ambition. Will you or will you not do now your duty to avoid so great a catastrophe? The duty now upon us to do with our might whatever our good President asks us to do. If any of you should not know what your duties are in this day of enlightenment and the many appeals that have been made to you get the necessary literature and read and read and keep on reading. Also confer with your better informed neighbors. Eliminate waste as much as possible in your homes. Observe the wheatless and meatless days of each week; observe one wheatless meal each day; observe porkless day on Saturday of each week. Eat all the food necessary for your bodily strength and wants, but diversify your foods so that you can observe the days mentioned. Diversification is good in farming and it may be in eating. Try it.

Respectfully,  
JOHN R. MCGEE,  
County Food Administrator.

Editor of the Avalanche, together with the newspaper fraternity of this section of the State, regrets to learn of the death of the wife of Thos. T. Waggoner, editor of the Claude News, which occurred in Saint Anthony Sanitarium, Amarillo, last Tuesday. Our deepest sympathy goes out to the bereaved husband.

### YOUNG MAN KILLED IN AFFRAY SUNDAY NIGHT

Price B. Stewart, aged 20 years, was killed by a stab with a knife which penetrated his heart Sunday night about 9 o'clock near the corner of Fourth and Lincoln Streets, Amarillo. Clyde Kidd of near the same age, was arrested shortly after the affray and is held in the county jail charged with the killing.

Travis Shaw at one time a citizen of Lubbock, now of Canyon, was here this week.

### BIG INCREASE IN POLL TAX PAYMENTS OVER LAST YEAR

We called at the tax collector's office this week, and found that there was quite an increase over last year in the payment of poll taxes in Lubbock and attached counties. Collector Flynn gave us the following list by precincts, which however, does not cover the exemptions over or under the poll tax age; these will run the total as estimated to over two thousand voters in Lubbock and attached counties:

Precinct 1	320
Precinct 2	125
Precinct 3	60
Precinct 4	284
Precinct 5	315
Precinct 6	8
Precinct 7	39
Precinct 8	77
Precinct 9	83
Precinct 10	40
Precinct 11	92
Precinct 12	28
Precinct 13	35
Precinct 14	17
Precinct 15	20
Precinct 16	36
Precinct 17	49
Total	1628

This is an increase of several hundred over last year, and shows that the Lubbock country has not only held her own through the last year of dry weather and war conditions, but has still pushed forward and showed a good report for herself.

### City Vote Shows Increase

The city collector's records also shows an increase over last year, the figures being as follows: Last year, 415; this year, 458. Lubbock continues to come along in good shape, and is holding her position as the city of the greatest importance, of and South Plains town.

Mr. and Mrs. H. H. Hull and Mr. Charley Haus, of this city, motored over to Lubbock Friday to visit Mrs. Haus, who is in the sanitarium there. Mrs. Haus was operated on two weeks ago for appendicitis. The News is glad to report her condition better and joins with many friends in wishing that she may return to her home soon—Lamb County News.

A. B. Conley, Jr., and wife leave this week for Saint Louis and Chicago to make purchases for spring and summer needs. They will be away about two weeks.

### TELEPHONE COMPANY WILL ISSUE NEW DIRECTORY SOON

The Southwestern Telephone and Telegraph Company at this place is preparing to issue a new directory. The local manager informs us that their business has been holding up splendidly and the number of phones this month will show a nice net gain. Though telephone materials of all kinds are hard to get, they have the assurance that this exchange will be able to secure a goodly number of new phones each month, and will use them to the best advantage in giving those phones who apply for them.

### COMMUNICATIONS ARE FILED FOR THEIR TURN

We have quite a number of communications on file that we are forced to leave out on account of lack of space. These communications will appear in their turn, and according to their importance and general application, and you should not grow impatient should they not appear the week they are turned in. We have some that are unsigned, and no marks of identification about them. These we will not publish until we know the author, and cannot return them to the writer for the same reason. All communications must be accompanied by the name of the writer, and should be written on one side of the paper only.

## Delivery of Goods Discontinued

By degrees from day to day we are reminded that our country is at war with all that war means. The necessity for economy in a wider range—in new and different channels—is obvious to all. The fact, now generally conceded, that this war will be won as much by the energy, economy and sacrifice of the civilian at home, as by the valor of the soldier at the front makes it the duty of those, like us, who are immune from military service willingly to sacrifice in all the ways suggested by those in authority. It is now the policy of the Government to restrict the cost of local deliveries in its aggregate cost as far as possible. To this end a plan has already been found by which all or most of the deliveries in town will be made by one company. The charges for this service is to be paid by those who make the purchases.

For the REASONS ALREADY STATED, we have decided that ON AND AFTER FEBRUARY 1ST, AND UNTIL FURTHER ADVISED WE SHALL MAKE NO FREE DELIVERIES. When requested, we will arrange to have special packages delivered at the expense of the buyer. We believe it will be found that deliveries will be restricted to a minimum.

### Please note the following Special Discounts which will prevail until further notice

Of course this means closer prices for the customer. We expect to make PRICE CONCESSIONS FAR IN EXCESS OF THE COST OF DELIVERY.

10 to 25 per cent off on all men and boys winter work Coats, Mackinaws, Overcoats, Suits, except "Style Plus," Caps and Hats, except Stetsons.

On all other articles, staple dress goods, domestic, hosiery and on purchases of one dollar and upwards, five cents discount on the dollar or a charge of 95 cents on the dollar. Thus by our customers making their own deliveries a substantial saving will be made when aggregate for the month is considered.

We have adopted this plan for two reasons: (1) Because it is in line with suggestions from the Government; and (2) with the aim of rewarding our customers amply for any inconvenience to which they may be occasioned. We trust we may have the hearty co-operation of all our customers to the end that the patriotic purposes back of this experiment may be successful and promote our common interests.

#### NEWS ITEMS OF INTEREST FROM THE SLATONITE

The funeral for D. W. Rhoads, baker for Fred Harvey, who suicided in Slaton on Jan. 21 by swallowing strychnine, was held from the First Baptist Church of Slaton last Friday afternoon at 3:30 o'clock and interment was made in the city cemetery. The services were conducted by the Rev. F. A. Whiteley. C. H. Rhoads, of Cherokee, Iowa, a brother of the deceased man, attended the funeral.

Daniel W. Rhoads, was born at Reading, Pa., on Dec. 29, 1876. His father was of English descent and his mother German. He owned considerable stock in various mining and oil projects and was not financially embarrassed at the time of his death. He had been in failing health for some time and it is supposed that his mind became affected, and this was responsible for his taking his own

life. In this condition of mental irresponsibility his fancy fastened itself upon a young lady, and when she frankly told him that she did not care for him he ended his life. There was no censure placed anywhere; the affair was looked upon as an unfortunate incident.

It was Mr. Rhoads' request that he be buried in Slaton, and that his flag be flying to the breeze from the top of the flag pole at the time of his funeral. He was a good baker, and a good citizen, and his loyalty to Slaton, his deep patriotism to his country and his love for the Stars and Stripes will ever live as a shroud of honor to his memory; and Slaton will ever hold in fond remembrance the virtues of this unassuming gentleman, while we bury his imperfections beneath the clod that rests upon his bosom.

Sergeant Henry C. McGee of Co. C, 111th Eng. at Camp Bowie and Miss Marie Henry of Slaton were united in marriage at Austin on Jan. 21, 1918.

The Western Telephone Company hung 2,000 feet of the new fifty-two wire cable Monday. The cable was placed on Texas Avenue and on Garza Street, between the Square and the Santa Fe round house.

We have received notice from the Postoffice Department, Division of Rural Mails, that Chas. S. Inmon has been appointed as Rural Carrier over Slaton Rural Route No. 1, which takes effect Feb. 4th. The civil service examination was held at Lubbock, Texas, on Aug. 23, 1917.

The school trustees appointed L. P. Loomis, H. W. Ragsdale, and Lee Green as a Board of Equalization for the Slaton Independent School District during 1918. A. J. Payne was elected a member of the board of trustees to succeed J. G. Wadsworth who resigned. Mr. Wadsworth has been secretary of the board for a number of years.

#### COMMISSIONERS' COURT ADDRESS THE PEOPLE

Recent laws have made it the duty of the County Commissioners to investigate and determine whether the owners of land in their respective precincts have complied with the law requiring them to kill or cause to be killed all prairie dogs on land owned by them and to notify the sheriff of any failure to do so. Then it is made the duty of the sheriff to proceed to destroy all prairie dogs on such land and all costs and expenses

to be charged as a lien against the land.

It further provides that if the owner shall fail to pay same within 30 days after notice of assessment it shall be the duty of the County Attorney to bring suit to enforce payment of such costs and expenses, said County Attorney to be also allowed a reasonable fee to be taxed as costs.

The Commissioners have heretofore called attention to this law and have required that land owners proceed to destroy these pests, but little attention has, however been paid to these notices. But unless the land owners of lands on which there are dogs proceed at once to destroy these dogs their names will have to

## Farmers! Attention!!!

The high prices of farm implements make it advisable so far as possible that we make such repairs on our old implements as they might need

We are glad to offer to the farmers or any one wanting repairs, NO MATTER WHAT MAKE, our services to secure just such repairs as they might need. We know from experience that often it is difficult to get repairs for implements not carried by the dealers here and our purpose is to assist any one needing such repairs.

We do not offer this as a matter of profit to ourselves for the profit would not pay for the trouble but we feel it our duty to help in this way which makes a saving thereby preventing waste which we are all striving for in these critical times.

When in need of Emerson Farm Tools, Newton Wagons, Dempster Windmills, Plow Gear and other equipment we shall appreciate your business.

## HEREFORD CITIZEN KILLED WHEN TRAIN STRIKES HIM.

Hereford, Tex., Feb. 5.—Mr. S. S. Morrison, a resident of this city for a number of years, was struck and instantly killed by the morning passenger train No. 21, on the Santa Fe track, at the stock yards crossing about a mile east of town. Mr. Morrison was going to his work, just a short distance from where the accident occurred, and being in a closed car it is thought that he didn't see the passenger train which was a few hours late.

## CONTINUANCE REFUSED IN FELIX JONES TRIAL.

El Paso, Texas, Feb. 5.—Following a decision of Judge Walter D. Howe, overruling a motion for a continuance in the case of Felix Jones, charged with the murder of Thomas Lynn, May 17, three jurors were selected late today to try the case. Attorneys for Jones also filed a motion late today to quash the venire of 500 men drawn for this trial on the alleged ground of improper service. This motion was also overruled and the trial will be held this week.

### The Original Strollers Quartet

This company was organized in 1906 and made its first appearance in towns and cities on the Pacific Coast. Since that time and with only one change in personnel during all the years of their organization, the company has filled engagements in nearly every state of the Union.

These men are not only of first-class ability as singers and entertainers, but they have a high standard of what a lyceum program should be and they work constantly in adding to their program new material and in giving it an artistic finish that has made The Strollers a standard of excellence. People often ask of a quartet: "Is it as good as The Strollers?"

Mr. Ross Crane, formerly president of the International Lyceum Association, wrote the Century Bureau: "The Strollers unquestionably are one of the leading quartets on the platform, both as a singing organization and in their specialty and entertaining features."

Seats will be on sale at Lyric box office Monday afternoon at 2:30. The price of admission will be 25c, 50c and 75c. Curtain at 8:30.

## ORDINANCE

AN ORDINANCE regulating the installation and use of Water meters and Electric meters in the City of Lubbock, Texas, prescribing rules for the installation and use thereof, requiring a deposit with the City by the user, prohibiting using water or electric current without such meter, or meters, and declaring an emergency.

Be it ordained by the Commission of the City of Lubbock:

Sec. 1. That each and every consumer of water or of electric current from the City of Lubbock, shall, before using such water or such current, apply to and receive from the City of Lubbock a meter, or meters, to measure the amount consumed by such person.

Sec. 2. No person shall be furnished any meter by the said City of Lubbock, without having first made with the City Secretary a cash deposit to secure the payment of his monthly bill and reasonable use of such meter based on the following schedule:

For each water meter, \$7.50.  
For each current meter, \$5.00.

Sec. 3. Such deposit shall be held by the City of Lubbock and upon failure of such consumer to pay his monthly bill by the 10th of the month following the accrual of such bill, the City of Lubbock may deduct from such deposit the amount of such accrued water, or current, bill to date of application of deposit to such payment, and remove the meter from connection with the premises of such consumer, who shall not further use water or electric current from the City's plant, or plants, without having first made request for and received from the City, placing his deposit therewith as formerly, another meter.

Sec. 4. Such meters shall be placed at the places on or near the premises of such consumer as shall be designated by the employee of the City charged with the duty of installing same.

Sec. 5. The use of the words "person" and "consumer" herein shall be held to include, the owner, lessee or other person occupying said premises, and includes individuals, associations of persons, whether corporate or incorporate, and every kind and character of consumer of such water or electric current.

Sec. 6. The City Secretary shall

issue to each such person obtaining a meter a receipt for the deposit so made, which shall specify the date, kind and number of meter and premises where used, and shall keep a record of such deposits and receipts issued; any person desiring to cease connection with water, or electric current, may surrender the receipt herein mentioned, or produce satisfactory evidence of its loss, unnegotiated to subsequent owner of the premises, and procure a return of that portion of his deposit not consumed by rentals.

Sec. 7. Any person now using water, or electric current, from the City of Lubbock, not now metered, shall, within 30 days from this date, make application to the City Secretary for the installation of such meter desired and required by this Ordinance, making the required deposit as mentioned in Section 2, and a fail-

ure so to do shall work a forfeiture of present connections with the City's wires and mains, and after such time shall not use water or electric current from the City, except as otherwise herein provided.

Sec. 8. The fact that the City is now extending its water mains and light and power lines creates an emergency, so that this Ordinance shall pass and become effective at once, as is provided in Sections 16 and 17 of Article IX of the City Charter, and it shall be effective from and after its passage.

Mrs. W. S. Swan, of Tahoka, spent Tuesday night with Mrs. Ellis. Mrs. Swan had been called to Roswell by the serious illness of her sister.

Mr. Ellis, who was formerly with the Farmers National Bank is making a business trip through Oklahoma this week. He will spend some time at Amarillo while away.

The meeting of the Agile Needle Club which should have occurred last Friday was postponed because of sickness in the family of the hostess. This club will meet at the Red Cross rooms to sew on the fifteenth, inst., and a full membership is wanted on that day.

Mrs. S. P. Robbins entertained the Auction Bridge Club on Tuesday at her home in West Lubbock. Much interest was shown in the game during the entire afternoon and many mirth provoking incidents occurred. The club guests were Mesdames Dick Howard, McClarty, Walter Gillon, Roscoe Wilson and Forrest Robbins. Mrs. O. L. Slaton will entertain this club next week.

A delightful event of the week end was the informal dance given by Mr. and Mrs. L. S. Mast on Friday evening at their beautiful new home. Mrs. C. A. Rush of Sudan was the inspiration of this most enjoyable affair and the sixteen guests who assembled on this occasion were especially enthusiastic devotees of Terpsichore who will long remember the

pleasures of the evening. Dainty refreshments were served.

Miss Adaline Bellah entertained the Peerless Auction Bridge Club last Saturday at her home on West Broadway. Four tables were arranged for the players, who arrived promptly and the enjoyment each was getting from the game was shown by the enthusiasm and laughter which was a marked feature of the afternoon. Oyster cock-tail was served. Mesdames T. H. Ellis and Hoyt Agnew were the guests on this occasion.

The Finance committee of the Red Cross are planning a party to be given at the Elks rooms on the 14th of February. This committee, of which Miss Delia Wilkinson is chairman, is working hard to complete the arrangements this week and have made an effort to secure a day on which no club or organization of any kind meets. The money thus secured will be used for our local chapter in whatever way it is most needed.

The Order of the Eastern Star devote the afternoon of each second Tuesday to sewing for the Red Cross. In the Spring Red Cross Drive, this order donated twenty-five dollars to that worthy cause but at present it does not feel "able" to make a money donation, so a number of the members will meet each second Tuesday and sew, knit or work in the surgical dressing room. At present the W. M., Mrs. W. O. Tubbs has charge of this and will be glad for every member who will do so, to phone her about this work.

Mrs. O. L. Radford was the charming hostess last week of the Auction Bridge Club. The meeting was on Wednesday instead of the regular day, Tuesday, and the cold of that afternoon was brought into sharp contrast by the cosy warmth of the entertaining suite, it would be hard to think of anything more pleasant than playing this fascinating game with congenial friends in such a well appointed home. This club of patriotic women have discontinued refreshments for a time but the meetings are delightful just the same.

Tuesday afternoon the Cemetery Association met at the Robinson Furniture store for a short session. Only a few members were present but enough to carry on the work on hands. A campaign for new members will be instituted soon and this is a branch of work which should go forward at all times. Since the organization of this association—the "silent city" does not look so neglected. Every one in town should assist in every way possible these earnest workers who are quietly doing their best to render less desolate the last earthly resting place of their loved ones.

Miss Lena Pierce celebrated her thirteenth birthday last Saturday with a most delightful party at the home of her parents, Mr. and Mrs. J. P. Pierce on West North Third Street. The hours were from two until four and every moment of this time was filled with mirth exciting games, one of which was a fishing pond, which made a lasting impression on the guests. Various kinds of wafers with a delicious punch was served. The many beautiful presents which Lena received attest her popularity. The twenty-eight guests reluctantly departed when the hours were over, each wishing the hostess a long, happy life.

The 1916 Needle Club met Tuesday with Mesdames C. C. Reed and Ed Twitty at the home of the former. This is always an attractive home but when filled with the congenial friends who form this club it presented the added charm of the friendly interest each member has for the other. A new member, Miss Alvin Patterson, was chosen. Needle work of the daintiest, and yet of a substantial nature, united with the most pleasurable conversation, occupied the club hours. At the close of the meeting a delightful salad

Many of the farmers are preparing the soil for planting time. As your faith is, so be it unto you.

Connie Noble, of Lubbock, visited L. W. Wilke Sunday.

The ground hog says six weeks more winter—we'll be grateful if six weeks is all.

Some of our citizens spent First Monday in Lubbock, and some in Slaton.

The Community Center met Tuesday night and rendered the following program to a crowded house:

Recitations by Dixie Cromer, Lloyd Batten and Sara Pierce.

Song—Mrs. Hendrix and Lena Sooter.

Recitations by Elsie Wilke, Mitchell Stewart, Lily Cowart, Cluren Boyd and R. Huber.

Song.

Recitations by Angela Wilke, Karl

Ehlo, Burward Kelley and Ewell Pate.

Dialogue—Kent Knox and Cluren Boyd.

Recitations by Curtis Boyd, William Ehlo and Leroy Kelly.

Jokes—Miss Effie Eoff.

Recitations by Lawrence Taylor, Willie Cowart, L. C. Boyd and Kent Knox.

Dialogue—May Cowart and Oneta Pate.

Recitations by Corine Boyd and Eugene Knox.

Dialogue—Six Girls.

Recitation—Wayne Bell.

Dialogue—Golda and Estelle Sooter.

Recitation—Homer Bell.

Journal—Mrs. Hendrix.

This program was followed by a talk on the care of the teeth by Dr. Ferguson and a lecture from Judge Moore on "Thrifty Stamps." Mr. Tackett gave reasons for beautifying the school grounds and L. W. Wilke, C. Boyd and S. D. Pate were appointed to attend to the planting of trees. On motion, it was decided to wait until next meeting for election of new officers.

COM. RICHMOND'S REPLY TO MR. WRIGHT'S QUESTIONS

To Whom it May Concern:

I desire to answer some questions asked by Mr. J. M. Wright in last week's issue of the Avalanche.

In the first place I wish to say Mr. Wright had a perfect right to ask those questions. The County records are open for every citizen in the county and they should keep themselves posted as to how their servants are performing their duties.

In answer to the first question, I will say yes, and then some.

Second:—Yes, and for the benefit of the public will tell you why. The land referred to, lies in the Canyon and wont sell for one-half as much as plains land.

Third:—Yes. The money was spent to improve the roads, but owing to dry weather, you can see the result.

Fourth:—Yes, the money was spent on that road.

Fifth:—Yes; and I voted against it.

Sixth:—Yes; and I voted against it. I would favor all of the proceedings of the Commissioners' Court being published. I would appreciate your advice on any subject at any time.

Respectfully,  
S. A. RICHMOND,  
Commissioner, Precinct 1.

**"A SHINE IN EVERY DROP"**

Black Silk Stove Polish is different. It does not dry out; can be used to the last drop; liquid and paste one quality; absolutely no waste; no dust or dirt. You get your money's worth.

**Black Silk Stove Polish**

is not only most economical, but it gives a brilliant, silky lustre that cannot be obtained with any other polish. Black Silk Stove Polish does not rub off. It lasts four times as long as ordinary polish—so it saves you time, work and money.

Don't forget—when you want stove polish, be sure to ask for Black Silk. If it isn't the best stove polish you ever used—your dealer will refund your money.

Black Silk Stove Polish Works, Sterling, Illinois.

Use Black Silk Air Drying Iron Remover on stoves, registers, stove pipes, and automobile tire rims. Prevents rusting. Try it.

Use Black Silk Metal Polish for silverware, nickel, tinware or brass. It works quickly, easily and leaves a brilliant surface. It has no equal for use on automobiles.

**THE ORPHAN BOY**

I met a little orphan boy,  
One day upon the street;  
And tho his clothes were soiled and torn,  
His face was really sweet.

Where is your mamma little man?  
To him I kindly said;  
And with a tear drop in his eye,  
He answered: "She is dead."

I'm waiting for my papa now,  
I think I'll see him soon;  
I saw him just awhile ago,  
Step into that saloon.

If you will look, you'll see the place,  
It's there across the way;  
My papa leaves me all alone,  
And goes there every day.

**"COLD FRIDAY" THIRTY YEARS AGO REMEMBERED**

Thirty years ago last Monday (14th) is known as "cold Friday."

This blizzard caused great loss of stock as well as of human life. It was just such a storm as we had last Thursday, except that it was mist, instead of dust and snow. "Cold Friday" served to break the great drought of '86-'87, for there was plenty moisture after that date to make the range and good crops. By the tenth of March in 1888, the stock was getting plenty of weeds and in April there was fine grass.

During the year 1888 the people got plenty of prairie hay, only for the harvesting.—Sterling News Record.

Old timers in Big Springs remember "Cold Friday" in 1888; this cold snap making its appearance during the afternoon. A sheep herder was found frozen to death near Sweetwater. The dead body was in an upright position, leaning up against a tree.

On account of a shortage of water along the T. & P. as well as due to the extreme cold, only one train on the Rio Grande division was able to reach a division point on the date of that storm.—Big Springs Herald.

**Junior Membership**  
"Every School a Red Cross Auxiliary and Center for National Service"

This slogan has been adopted for an intensive campaign for the enrollment of all public, private and parochial schools as Red Cross School Auxiliaries, planned for February 12 to February 22nd, from Lincoln's Birthday to Washington's Birthday. This Campaign is one of the results of the recent Junior Membership Conference held at National Headquarters at Washington, January 7, and is to be held throughout the United States under the direction of National and Division Headquarters.

A Conference of the Advisory Committee on Junior Membership for the five states of the Southwestern Division will be held at the Statler Hotel, St. Louis, Saturday, January 26th. The object of the Conference is to consider fully the problems and practical questions involved in the organization and administration of Red Cross work in the schools. The following delegates from Texas will be present:

Pres. S. P. Brooks, Baylor University, Waco; Pres. H. F. Estill, Sam Houston Normal, Huntsville; Pres. W. H. Bruce, North Texas Normal, Denton; Mrs. Percy V. Pannbacker, Austin; Mr. W. F. Doughty, State Supt. of Schools, Austin; Dr. W. B. Bizzell, Pres. State Teachers' Assn., College Station.

The Southwestern Division, as you know, passed all other Divisions in the county during the Christmas

Membership Drive. We cannot fall down on such a record, but must help our Juniors to go "over the top" in the same splendid way that the Seniors did in December. Let us put our Junior Membership on a full 100 per cent basis; enthusiasm, energy, co-operation and system will bring the desired result.—MRS. ERNEST R. KROEGER, Director of Junior Membership.

Many women are being urged to take the home courses which are being given thru Red Cross Chapters. These courses consist of Elementary Hygiene and Home Care of the sick, Dietetic and First Aid and are given by physicians and graduate nurses. If the war continues, in the next few months 20,000 American nurses will have been called for military services. Women are urged to equip themselves with such practical knowledge as will enable them to assist the trained workers. They will be called upon to do the nursing in their own homes and in some instances can give assistance in military hospitals. The practical training offered will enable them to be able to give valuable assistance. A class in First Aid is being organized by the local chapter and it is hoped that many will avail themselves of the opportunity and take the course which consists of ten lectures, of one and one-half hours duration.

Box Serial No. 5 of hospital garments was shipped last week. It contained 100 hospital shirts; 25 suits of pajamas and 15 bed jackets. Many of these garments were made by the rural auxiliaries.

The following knitted garments were shipped during the month of January: 59 sweaters, 29 pair socks, 14 pair wristlets, 14 helmets, 13 mufflers, 11 pair thumbless mittens. From Division Headquarters comes the following: "Make two pair of socks to every other knitted article. There is a great dearth of woolen socks which are absolutely necessary to keep the men in health. They suffer with cold feet and have sore throats as a result. If they had warm socks to wear our sick call could be reduced 200 per cent." The chapter now has a good supply of yarn and needles and it is hoped that many will assist in making warm socks for our men.

The Ladies Aid of the Baptist church sewed in the work rooms on Thursday. They will sew on Thursday afternoon of each week.

All workers are requested to wear aprons or wash dresses with a head covering.

The Surgical Dressings room is open every day from 2 to 5 p. m., and on Tuesday from 7:30 to 9:30 p. m., for men and women.

Mrs. Smith of Slaton was a pleasant visitor to the local chapter on

Tuesday. Plans are being made by the Slaton chapter to organize a class in First Aid, also to take up the work in Surgical Dressings. Mrs. Smith is a graduate nurse and will probably be of great assistance in these two classes.

**SHERIFF'S SALE**  
THE STATE OF TEXAS,  
County of Lubbock.

Whereas, By virtue of an Order of Sale, issued out of the District Court of Lubbock County, Texas, on a judgment rendered in said Court on the 2nd day of January, A. D. 1918, in favor of D. M. Jay and against O. H. Murphy for the sum of Ten Thousand Three Hundred Fifteen and 00/100 (\$10,315.00) dollars with interest and all cost, No. 100 on the docket of said Court, and to me, as Sheriff, docketed and delivered, I did, on the 7th day of February, A. D. 1918, at 8 o'clock P. M., levy upon the following described tract and parcels of land situated in Lubbock County, Texas, and belonging to O. H. Murphy, to-wit: The west one-half (1/2) of section No. 32, in block C, certificate No. 93, E. 12 & R. 8, Co., containing 320 acres of land.

On the 5th day of March, A. D. 1918, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the Court House door of Lubbock County, Texas, in the town of Lubbock, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said O. H. Murphy, in and to said property.

Witness my hand, this 7th day of February, A. D. 1918.

**"Who Will Win This Battle?"**

Your kidneys are the filters of the body. If they become inactive and fail to eliminate the waste matter, they are apt to throw the whole mechanism of the body out of order, thus toxic poisons can accumulate in the system and be as deadly as snake venom.

Besides causing the minor ailments of rheumatism, sciatica, lumbago and backache, neglect of the kidneys is apt to develop into most serious diseases, such as diabetes or stone in the bladder.

Rid the body of toxic poisons—clean the bladder and kidneys and cure the twinges of rheumatism with Anurie and you win the battle of life.

Anurie was first discovered by Dr. Pierce, and has benefited thousands of sufferers as well as appeased and eliminated the ravages of the more serious kidney diseases. Now procurable for 60 cents at any good drug store, or send Dr. V. M. Pierce, Buffalo, N. Y., 10 cents for trial package.

SEAGOVILLE, TEXAS.—"I wish to state to those who may have rheumatism that I am 45 years old and have had rheumatism most all my life. In executing my duties as a peace officer of this state in the winter of 1910, I was exposed to some very bad weather, which brought on a very severe attack. In fact, it was so bad that I could not ride horseback, and I was compelled to abandon my duties for awhile. I then began a search for a permanent cure, which I did not find until I learned of Doctor Pierce's Anurie Tablets. I began taking them about 10 months ago and am satisfied that I am cured.

"I wish to say in conclusion that I cannot be loud enough in my praise of Dr. Pierce's Anurie."—I. J. ALLEN.
