NUMBER 13

## GERMAN CIVILIANS ARE EVACUATING

### AMERICAN ARTILLERY FIRE CAUSES GERMANS TO LEAVE THE METZ SECTOR AND SEEK SAFER QUARTERS

## ALLIED ARMIES CONTINUE TO GAIN ON ALL FRONTS

### While Nothing More Than A Strong Artillery Fire Has Been Reported From The American Sector For Several Days Big Activities Are Expected At Any Time

Amsterdam, Sept. 25.—It is announced that owing to the long range bombardment of Metz and other places preparations are making for the expeditions excavation of civilians and movable property from places within range of such guns when the evacuation becomes necessary, says a dispatch received here from Berlin.

The war situation for Wednesday is summarized by the Associated Press as follows:

The Teutonic allied forces in Macedonia and Turkey still are in flight before the armies of the entente, while on the highly important St. Quentin sector in France the British and French armies after hard fighting have drawn more closely their lines in the investment of the town on the northwest, west and south. The stubborn resistance of the Germans, in defense and in counter-attack. Here, except to impede the progress of the men of the armies of Field Marshal Haig and General Debeny.

In Macedonia the Bulgarian and German troops still are faced with disaster; in Palestine the remaining Turks seem to have scarcely a chance to escape from the British forces and friendly tribesmen were closing in upon them east of the river Jordan. More than 40,000 prisoners and 265 guns have been taken by the British and yet General Allenby's appetite for further emoluments from his hard campaign has not been satisfied. Gauged by the swiftness of the strikes Allenby is delivering, it is his purpose absolutely to overwhelm the Ottoman.

And the fulfillment of his plans seems appreciably near.

In no less critical situation are the Germans and Bulgarians in the Macedonian theatre. Here except immediately on the Bulgarian frontier where the mountainous country gives them ground for strong resistance to the invasion of Bulgarian territory through the passes the Bulgarians and Germans everywhere are in rapid retreat before the Italians, Russians, Greeks and British. Rent in twain at several points the enemy forces are bewildered and operating as separate units.

Respectively on the western and eastern flanks the Italians and the Greeks and British are fast throwing forward their lines in endeavors to envelope the enemy, while in the center, where the Serbs have driven their sharp wedge toward Lishtip, there is no lapping notwithstanding the difficult territory that is being encountered.

Rear guards of the enemy, armed with machine guns, are but little delaying the men whose task it is to reclaim their kingdom.

As yet there is no news of great activity in Albania, but a resumption of operations there in conjunction with those in the east apparently cannot long be delayed.

On the French front the British have taken the village of Selency, a scant two miles from the western environs of St. Quentin, and both the British and French and troops north and south of this line have driven further wedges into the German front. More than a thousand prisoners and many machine guns have been taken by the British in these operations. Numerous strong counter attacks were delivered by the enemy, both at Selency and at Gricourt, but Haig's men put all of them down, with heavy losses to the Germans.

The Germans have also reacted strongly in the region lying west of the Chemins-des-dames, endeavoring to regain the territory held by the French as a menace against both the Chemins-des-dames and the Laon sectors. Here the enemy was beaten off.

Good weather has prevailed in the American sectors on the Lorraine, but nothing has occurred there except the usual bombardments and resumption of aerial activity on a great scale. Advances from Berlin are to the effect that there is much perturbation in Germany over the long distance guns of the Americans, which are shelling the areas behind the German line. The advices say that preparations are being made for the expeditionary evacuation of the civilians from Metz and other places within range when such a move becomes necessary.

## 1,750,000 MEN HAVE BEEN SENT TO FRANCE TO DATE

Washington, Sept. 21.—Striking proof that the German power is fast crumbling came today in the announcement by General March, chief of staff, that the news from all battle fronts was "continuously good," and that 1,750,000 American troops have now been embarked for overseas service.

Just six months ago today the enemy flung his full military power against the British lines in Picardy in the great drive that was to end the war in a smashing victory. Today he was fighting desperately to hold the tottering Hindenburg line, the defensive system from which he struck that blow and back into which he has been hurled. Side by side, British, French and American armies have broken definitely the German offensive power, in official opinion here. Already the American forces in France are more than half as strong as the whole German army and the tide of American fighting men toward France is continuing at an even pace.

Answering questions regarding specific American units, General March said the 114th Engineers of the 39th Division (Arkansas, Mississippi and Louisiana National Guard troops) has just landed in France.

General March said the 90th Division (Texas and Oklahoma National Army troops) is in the Vosges, while the 36th (Texas and Oklahoma National Guard troops) is in a training sector with the French.

No commander has yet been selected for the 18th Regular Division, which still is in this country training at Camp Travis, Texas.

## SPANISH INFLUENZA CASES BREAK OUT IN 25 CAMPS

Washington, Sept. 23.—Spanish influenza has made its appearance in at least 25 army camps over the country. The surgeon general's office announced tonight that the total number of cases has increased 20,211, including 2,225 new cases reported today.

Seven camps reported influenza for the first time today. Camp Ledia, Washington, reported 22 new cases today.

The epidemic continues most severe at Camp Devens, Mass., General George said. The total number of cases reported from this camp up to noon today was 10,700. Camp Dix with 1,897 cases, is second. At Camp Devens the number of pneumonia cases is high, 424 new cases having been reported during the last four days.

Influenza cases reported in Western camps, excluding camps reporting today for the first time: Logan, Texas, 175; Funston, Kas., 181 and Travis, Texas, 37.

## GOOD LUCK GROCERY STOCK BURNED FRIDAY

Friday morning between eleven and twelve o'clock the store of J. A. Hodges, where the Good Luck Grocery Store was being operated by Mr. Hodges, was discovered to be afire. The alarm was turned in promptly and the fire department got busy. By the aid of small chemical fire extinguishers the flames were kept within the building till the fire department arrived, and a good flow of water was turned on the burning building.

The entire front of the grocery store was burned out and the stock is an entire loss, and the building is very badly damaged. This store is next door north of the Avalanche building, and with the wind fanning the flames toward it was feared for a few minutes that the Avalanche office and the Cicero Smith Lumber Company would be destroyed, but thanks to the fire department and the splendid equipment of the City and the fire water pressure, we are here to tell the story, with only a very slight damage to our building. About thirty feet square of the north side of the building will have to be replaced.

It was anxious time with the Avalanche force, and they worked heroically to save the plant, and it made the management think even more of them than we did before, if that be possible. We also take this opportunity of thanking the telephone operators for their quick report to the fire department and for the prompt response of the fireboys. It was a good piece of work on their part, and the people of Lubbock should appreciate their efforts and give them unlimited support in every way possible.

We also appreciate the many telephone calls that came to the office when it was all over, expressing the anxiety of our friends as to our safety, and the many expressions of delight that the "Old Avalanche" was saved.

## AN ENJOYABLE TRIP TO ESTACADO LAST SUNDAY

Six car loads of people left here Sunday morning for Estacado to spend the day, taking their lunch. The occasion being a visit to the old homestead of a number of the members of the party. The party consisted of the several Hunt families and their relatives with a number of friends, including the Ferguson and Docum families from Pueblo and Colorado Springs, Col., respectively, they having formerly lived in that community. A full report of the trip will be given by a member of the party in next issue of the Avalanche which will be a very interesting story.

## NEWS ITEMS FROM THE UNION COMMUNITY

Mr. B. G. Sherrord returned from Amarillo last Saturday.

Mrs. L. M. Teal and three daughters visited Mrs. Moody Forgey, of Lubbock last Thursday.

Mrs. Williams visited Mrs. Z. P. Copp Thursday.

Mr. T. B. McDonald and family visited Mrs. George Pilly, of Wilson Saturday night and Sunday.

Miss Rhoads is the guest of Miss Vera Shipman this week.

Mr. Lois Rogers started to school at Slaton last week.

The school is going nicely here at Union. Several new scholars have enrolled since school began.

Mr. J. R. Miller of Rule, Texas, visited his daughter, Mrs. Milt Sharp the past week. He says there is no crops of any kind in Haskell County this year. He bought his stock here to get grass for them. He says Lubbock looks good to aim. Mr. Jim Cross, of Rule, also visited in the Sharp home the past week.

Mrs. Z. P. Copp and daughter, Miss Lida, and Mrs. Bud Copp visited Mrs. Huber Sunday afternoon.

Messrs L. M. Teal and Bud Copp made a flying trip to Brownfield Sunday.

Mr. and Mrs. Griffin and Mr. and Mrs. Sharp were guests of Mrs. Wilkie Sunday.

Miss Ester Young gave the young people an entertainment Saturday night.

Miss Art Arty Champion visited Mrs. Pierce Sunday.

Miss Corine Witt moved from Mr. Griffin's to Mrs. Young's this week.

Mrs. Copp and daughter were the guests of Mrs. Teal Tuesday.

Mr. Albert Mothes has begun picking cotton this week, and several will begin around here next week.

The singing at the school house was well attended Sunday night.

Mrs. Joe Teal and children, or idalou, visited Mrs. L. M. Teal Saturday night and Sunday.

## OUR LIBERTY BOND QUOTA \$150,000

### THE FOURTH LIBERTY LOAN DRIVE BEGINS IN EARNEST SATURDAY, SEPTEMBER, TWENTY-EIGHTH.

## SCHOOL DISTRICT QUOTAS TO BE APPORTIONED TODAY

### The Sales Committee Together With Representatives of The Various School Districts Will Meet This Afternoon and Agree on The Amounts for Each District and We will Publish same in Next Week's Paper.

The amount of Lubbock County's Fourth Liberty Loan quota which is \$150,800, was received by the committee today, and the campaign will begin in earnest Saturday, to raise entire amount as quickly as possible. The drive will close October 19th, and it is expected that within this time this amount will be fully subscribed. This is the largest amount that has ever been given Lubbock, but it is much smaller in proportion to the amount of the total loan. The total loan is for six billion, while the third loan was three billion and our quota was \$140,000, which shows that the committee that set the amounts was indeed very conservative in making the demands for this county, and we should show our appreciation of their consideration of our condition, and shower down the entire amount even before the closing day of the campaign. It is our duty and we should never hesitate to do the things that is right and proper for us to do.

**Terms of Sale of Fourth Liberty Loan**  
Washington, Sept. 23.—All terms of the fourth Liberty loan, except the size and the maturity, were announced today by the treasury. The amount probably near \$6,900,000,000, was decided on, but announcement was withheld.

The interest rate will be 4 1/4 per cent, the same as that of the third loan. Bonds will be dated October 24, five days after the close of the subscription period and the first interest payment will be made next April 15, and will be for the 173 days intervening. Thereafter, semi-annual payments will be made October 15 and April 15. On a \$50 bond the first interest coupon will be worth \$1.01 on \$100, \$2.02 and higher multiples accordingly.

Both coupon and registered bonds will be issued in denominations of \$50, \$100, \$500, \$1,000, \$5,000 and \$10,000. The \$50,000 and \$100,000 bonds will be registered only.

Since the latest maturity periods of the first, second, and third loans were 30, 25 and 10 years respec-

tively, it was considered probable that the maturity of the fourth loan will be either fifteen or twenty years. Ten per cent of the subscription will be required as the initial payment on the fourth loan. Twenty per cent will be due as installment, November 13, December 21 and January 13, and thirty per cent January 30. Terms of loans were communicated today to the bureau of engraving and printing and within a few hours 500,000 finished bonds were ready for shipment. The bureau plans to print 35,000,000 separate bonds for the fourth loan, with a larger production of baby bonds of the \$50 denomination than in previous issues, in anticipation of a multitude of subscriptions from persons of small means.

The following committees have been named for the near approaching drive:

Roscoe Wilson, Chairman, A. B. Conlay, L. T. Martin, W. F. Schenck, Jno. F. Turner, E. L. Klett, J. E. Vickers, J. O. Jones, W. D. Mayfield, C. E. Maedgen, W. S. Posey, Geo. C. Wolfarth, Sam Arnett, W. A. Bacon, Dick Arnett, J. L. Dow, Geo. W. Briggs, Chris Harwell, Percy Spencer, F. M. Maddox, Mrs. F. W. Boerner, Mrs. F. V. Brown, Mrs. John Penney, Mrs. W. B. Powell, Mrs. J. H. Moore, Mrs. Van Sanders, Mrs. R. A. Sowder, Mrs. J. E. Vickers, Miss Della Wilkinson, Miss Della Easter, of Lubbock; L. B. Seaton, Shallowater; J. P. Webb, Canyon; J. R. Reed, New Hope; S. S. Rush, Acuff; Ward Crim, Monroe; B. F. Struve, Center; W. O. Sheeley, Grovesville; H. H. Nixon, Slide; J. H. Burroughs, Carlisle; R. A. Baldwin, Sub-chairman; R. J. Murray, Allen Payne, W. H. Ragsdale, L. P. Loomis, J. H. Teague, Sr., S. S. Forrest, Mrs. Dr. S. H. Adams, Mrs. R. E. McCarty, Mrs. Les Green, Slaton. The publicity committee, composed of Jno. F. Turner, Chairman, J. L. Dow and L. P. Loomis will handle all publicity matters connected with the campaign under the direction of the general committee.

## SHALLOWATER SCHOOL AND COMMUNITY NEWS

The local Red Cross Club met at Mrs. Mahoney's the 19th.

Mr. and Mrs. Sears entertained the young people at their home last Saturday evening.

Grandmother Blockmon, who has been ill is now recovering.

Mrs. G. W. Davis, from Southland spent Saturday and Sunday with the family of F. A. Sims.

Mr. and Mrs. Emmett Wright are visiting Mr. and Mrs. L. Hardy.

Last Sunday the young people took their lunches to the Reynolds's place, where they served a real picnic supper.

Fred Davis has returned to his home in Southland to fill out his questionnaire.

Mrs. Browning, music teacher for the Lubbock schools, visited the Misses Crump Sunday.

A new little girl has come to live in the T. C. Calley home. VOLLIE Y. L. is the euphonious name given her. A program will be rendered at the school house Friday night, the twenty-seventh inst. The pupils of Mrs. Sears will play the principal parts of the program.

The time of the year has come when more interest will be taken in literary and social center programs, and it is probable that ours will be reorganized soon for another year's work. The programs during the last year were not so good as they should have been, for many thought it could get along without their helping. But the prospects are more favorable now, and if every one will do his or her duty every time good programs will be a certainty and the social center and literary society programs will be worth while.

Several children are out of school picking cotton. While it is very unfortunate that they are compelled to miss so much school it would be more unfortunate if there were no crops to gather. These are unusual times and unusual sacrifices must be made. Work on our new school house was

delayed awhile last week. Some needed material had failed to arrive. Two more cars of sand and a car of lumber came in Sunday and work was resumed with some additional help Monday.

Patrons and all others interested in the welfare of the school should visit the school and observe the work being done. If everything is not as you think it should be, ask the teacher for an explanation and then feel free to offer any suggestions that may be thought helpful. If the school is doing good work, praise the teachers and pupils and encourage them.

If you have never visited your school you do not know your school as you should, you have not helped and encouraged the pupils and teachers as you might have done. Visit your school now. The teachers expect you and will welcome you.

One hundred thirty-eight registered in Gaines County and the Sentinel adds: Of this number 11 were 18 years of age, six 19, four 20, one 21, one 24, one 25, six 32, ten 33, thirteen 34, ten 35, eight 36, twelve 37, eleven 38, seven 39, thirteen 40, ten 41, five 42, six 43, seven 44 and five 45.

Geo. W. Briggs attended a joint meeting of the State Council of Defense and the War Work at Sweetwater, which met there early in the week.

Benediction.

Miss Bernice Kimbro left this week for Chicago where she will enter the University of Chicago for the term.

Miss Kimbro was accompanied by her brother, Kenneth, who will enter Stanton Military Institute, at Stanton, Va., for the coming term.

George Reed came home from Matador this week to run operation in a local sanitarium. He was afflicted with appendicitis. We are glad to report his improvement. He is a son of H. B. Reed and wife.

Jno. Yarbrough is here this week visiting his family for a few days. He is employed in some of the government work at Houston.

The news from abroad is certainly encouraging. But it is not yet quite time to beat shields into plowshares and swords into pruning hooks.

## Gentry Brothers Trained Animal Circus will exhibit in Lubbock on October 5th.

This will be the 32nd annual tour of this popular firm and many improvements have been made in their already excellent show. An entire wild animal circus has been added since its last appearance in this city and a stirring new patriotic spectacle will also be seen here for the first time. The Gentry Brothers program has always given the best of satisfaction in this city. In fact, it would be almost impossible to devise a cleaner, pleasing and interesting exhibition that the one given under the Gentry Trade Mark. The street parade this year is said to surpass all former efforts and to be longer and better than previous years.

County Clerk Davis issued the following marriage permits: S. A. Stephens and Margaret Stockham; Frank E. Matthes and Tomnye E. Thomas. The latter couple were here today, procured their license and returned to Slaton, where they were married by the pastor of the Baptist church.

Mrs. Pearson and daughter, Mrs. Clifford Russell, returned to their home in Ochiltree county this week. They visited at the home of Mrs. Pearson's brother, Raleigh Martin while in the city.

Jack Tubbs and wife and little son, "Billie" have moved back to Lubbock from a stay of several years at Ricardo, N. M.

In this issue we have an ad from the H. E. Miller Grocery telling you of their new location where Davidson used to be. Read their ad.

Your Money Should not be Neutral; Enlist It In The Fourth Loan.

Enlist as our Soldiers Do. Buy Bonds and Keep Them.

# Calling Your Attention to Our Compounding

is an evidence of our fitness to be your apothecary. We have pure drugs and careful prescriptionists and you are sure to get what the doctor orders. We are also pleased to call your attention to a complete line of sundries and everything that you expect when you enter a first class drug store and you are invited to visit us.

Lubbock, Texas

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get small bottles of Dandruffine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandruffine.

Just one application dispels the beauty of your hair, besides it immediately dissolves every particle of dandruff. You cannot have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fanish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Dandruffine from any drug store and just try it.

Now the horse will again come into his own. During the gasless period he will be Sunday best.

### GERMANS FIRE ON RED CROSS; KILL 8 AMERICANS

With Americans, Lorraine, Sept. 20.—Eight Americans were killed when clearing a hospital hit by a German shell Wednesday night. The majority of those killed were privates who had been recently gassed. A large Red Cross against a field of hospital so that German observers would know it was hospital. Officers say the Germans deliberately fired as there are no woods near where troops might be concealed.

Washington, Sept. 20.—President Wilson today proclaimed Saturday, October 12th, the four hundred and twenty-sixth anniversary of the discovery of America, as Liberty Day. The President called upon all citizens to celebrate it to stimulate generous response to Fourth Liberty Loan.

Bonds speak louder than words.

### HOME SERVICE SECTIONS TO EXPLAIN CHANGES

It is highly essential that every soldier's and sailor's family should clearly understand the changes in the law and in the government procedure which will affect the amount of the checks which they will receive from the Government after August 1st.

There is no change to Class-A Dependents of men getting \$30.00 and allotting \$15.00. If an enlisted man whose pay is \$30.00 a month has allotted to his wife and children only the amount required by law, there will be no change whatever in the checks which they have been receiving from the government. The man must continue to allot \$15 from his pay and the government will continue to allow \$15 additional to the wife and the same amount as previously for each child.

The amount which every man is now required to allot to his wife and children, irrespective of the amount of pay which he is receiving, is \$15. For each man getting over \$30 this will be a reduction. If he wishes to continue to contribute to his wife and children the same amount as before, he may make a new allotment for the difference through the War Department or Navy Department. Thus, for example, if he had formerly allotted \$48 to his wife and children and wishes to continue to do so, he must make a new allotment of \$3 through the War or Navy Department, as the Bureau of War Risk Insurance will in the future handle only the \$15.00 compulsory allotment. Prompt notice of these facts has been sent to men in all branches of the military and naval service, but it will, of course, require some time for the new forms to be executed and returned to Washington. Many men may decide that they do not wish to continue to allot as much as before. In such cases the Government cannot compel them to keep up the former allotments, and the family may receive only the minimum compulsory allotment of \$15 and the same government allowance as before.

In many cases men have made allotments to parents, brothers or sisters through the War Risk Insurance Bureau, but have not requested the Government allowance, either because these relatives were not dependent upon them, and, therefore, not legally entitled to the allowance, or because although dependents they did not understand that he could obtain the allowance for them by requesting it. In either case, the relatives will no longer receive the allotment through the Bureau of War Risk Insurance. If the man wishes them to continue to get the allotment, he must make a new application through the officer having his accounts, which will then be paid by the War or Navy Department. If he decides that he does not care to do this, these relatives will cease to receive any payments whatever.

If such a relative should deem himself entitled to the Government allowance by reason of dependency, he can only secure it in the future by asking the man to discontinue his allotment through the War or Navy Departments for instance, and to make application to the Bureau of War Risk Insurance stating that he wishes to make an allotment which will carry an allowance with it.

Relatives or friends of enlisted men not included in Class A (wife, child, or former wife divorced, who has not remarried and to whom alimony has been decreed) or in Class B (parent, brother, sister, or grandchild) to whom allotments have been made,

will continue to receive them through the War Department or Navy Department as previously. Allotments to such persons were never handled by the Bureau of War Risk Insurance and no change is contemplated in this regard.

If a man desires to continue allotments which under the new plan can no longer be made through the Bureau of War Risk Insurance he must make the allotment through the appropriate officer who has charge of his accounts, and it will be paid through the following offices:

In the Army, through the "Office of the Quartermaster General, U. S. Army, Washington, D. C."

In the Navy, through the "Navy Allotment Office, U. S. Marine Corps Headquarters, Washington, D. C."

In the Coast Guard, through the "Captain Commandant, U. S. Coast Guard, Washington, D. C."

In some instances, however, relatives of a soldier or sailor may find that their man in the service has not taken the necessary steps outlined above to see that his people at home continue to receive the same payments as formerly, through the War or Navy Departments instead of through the Bureau of War Risk Insurance. In such cases, the relatives should write him urging him the necessity of taking the necessary action. It is a matter which lies purely in his discretion. He is under no

compulsion from the government.

It is also of the greatest importance that soldiers and sailors and their families should be inspired with confidence that if distress results in any case by reason of these changes in governmental procedure, the Red Cross Home Service stands ready to relieve it. Where necessary to prevent hardship, the Red Cross will make payment from its own funds until the government checks arrive. Relatives of enlisted men should not regard this as charity, but as part of the responsibility which the Red Cross has assumed for maintaining the morale of American soldiers and sailors by instilling them with confidence that their families will not suffer for the necessities of life during their absence.

If the enlisted men desire to make an allotment to you in addition to the amount he is compelled to allot in order to obtain the Government allotment must be made through the War Department, Navy Department, Coast Guard of Marine Corps, and not through the Bureau of War Risk Insurance. The making of this additional allotment rests entirely with the enlisted man. If you have any information that he has made such an allotment, and you do not receive it, inquiry in regard to it should be made of the Quartermaster General, U. S. Army, Washington, D. C.; if the man is in the Army; the Navy Allotment Office, Washington, D. C.

if he is in the Navy; the Paymaster, Headquarters, U. S. Marine Corps, Washington, D. C., if he is in the Marine Corps; and the Captain Commandant, Coast Guard, Washington, D. C., if he is in the Coast Guard.

It does the work, use SANOL ECZEMA REMEDY. Get rid of those Black Heads, Pimples, or Rough Bumpy Skin. Have skin smooth. Cures any case of Eczema. Is pleasant to use. A trial will convince you. 50c and \$1.00 at the drug stores. 8-52

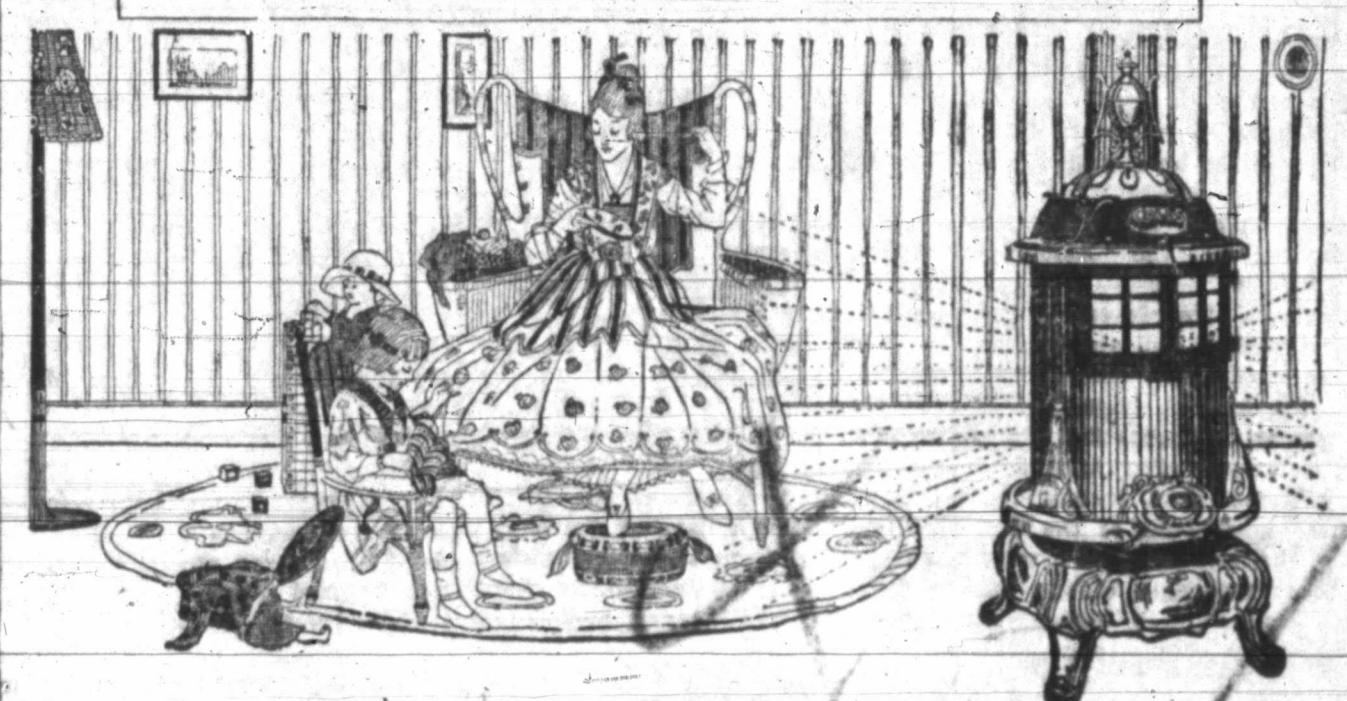

### LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream you can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into 2 bottles containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiteners and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

#### DISSOLUTION NOTICE

On and after October 1st, 1918, the Lubbock Buick Company is dissolved by mutual consent. Every person indebted to the said firm are requested to come in at once and settle or make arrangements for their debts. After October 1st, 1918, R. I. Tubbs will be sole owner of the business and responsible in every way for all obligations.

Signed:  
J. H. MOORE,  
R. I. TUBBS

The soldier who deserts, and the person who will not pay his War Savings Stamp pledge are birds of a feather.

#### GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out. His little bowels without stopping, and you have a well pleased child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

#### OLLIE WILKISON WELLS PLEASSED WITH LOCATION

Ollie Wilkison writes from New Mexico to change his address to Haven, N. M. He writes in part: "I got moved in good shape and received cattle and ranch the 16th. And everything is looking fine here. Grass is headed out all over my pasture and I am sure proud of my deal. May come back to old Texas when my lease is out, as I never bought any land here. I bought 250 coming three year old heifers, all white faces, and fat enough for beef. There is not a prettier bunch in this country anywhere."

In considering the question of peace by diplomacy we must remember that howitzers and machine guns are the peace arguments best adapted to the understanding of Germany—and she is likely now to get enough of both to convince her.

The more bonds you buy the fewer boys will die.

#### NOTICE OF SALE OF REAL ESTATE

A. F. McDonald, et al. vs. W. H. Bramlitt, et al. In District Court of Lubbock County, Texas. Whereas, by virtue of an Order of Sale issued out of the District Court of Lubbock County, Texas, on the 28th day of August, A. D. 1918, on a judgment rendered in said court on the 28th day of July, A. D. 1918, in favor of A. F. McDonald against W. H. Bramlitt for Four hundred and eighty-eight dollars and ten cents (\$488.10) and interest and in favor of John E. Bacon against W. H. Bramlitt as principal and J. A. Wilson as endorser for Eighteen hundred and thirty dollars and forty cents (\$1,834.40) and interest, No. 1172 on the Docket of said Court, I did on the 3rd day of September, A. D. 1918, at 1 o'clock P. M. seize and levy upon the following described tract of land situated in Lubbock County, Texas, to-wit: That part of Survey Number Nine (9), Abstract Number Eighty-one (81), Certificate Number Thirty-five (35), Seale & Morris Grants, Block B, described as follows, to-wit: Beginning between highway and sixty-five (65) feet West from the Northeast corner of said survey Nine Block B for the Northwest corner of this tract; thence South two hundred eight and seven-tenths (208.7-10) feet; thence West two hundred eight and seven-tenths (208.7-10) feet; thence East two hundred eight and seven-tenths (208.7-10) feet in the place of beginning, and all improvements thereon; and on the 1st day of October, A. D. 1918, being the first Tuesday in said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the court house door of Lubbock County, Texas, at Lubbock, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said W. H. Bramlitt in and to said property. Witness my hand this 3rd day of September, A. D. 1918.

W. H. FLYNN, Sheriff of Lubbock County, Texas.

#### NEWS ITEMS FROM THE RALLS BANNER

Loyl Rippey, one of Uncle Sam's worthy soldiers, in training at Camp Travis, has been here several days on furlough, and he and Miss Estelle Payne, beautiful and accomplished daughter of Mr. and Mrs. S. U. Payne, surprised their many friends last Friday night by heading the gentle whispings of Cupid and entering into the bonds of wedlock. Rev. Isenhower performing the ceremony at the Baptist Church. Mr. Rippey left next morning for Camp Travis where he will be joined in a short time by Mrs. Rippey. Many friends extend congratulations and hope that all the blessings which come to wedded love may abide with them through life.

Hill Richards and Miss Pauline Johnson were married Thursday evening at the Methodist parsonage, Rev. Hughes officiating. Shortly after this marriage was solemnized, Loyd Brown and Miss Erma Glasson appeared at the parsonage and were married by Rev. Hughes. These worthy young people have the best wishes of many friends.

Joe Betts, of Spur, was in Ralls Wednesday prospecting. Mr. Betts tells us that the crops in his part of the country are almost a total failure, and that the people are having to leave there in search of work, and that the majority of them are coming toward the plains. This is, without a doubt the garden spot of West Texas, and the people are fast coming to that conclusion and are, if it is possible, leaving the drouth stricken sections behind. Of course, we do not mean to say that we have not had a drouth here, but the impression we do mean to leave is that it is not half as dry here as in other portions of the country.

Crop conditions have not materially changed at this writing from what they were last week. There has been no rainfall, but a brisk norther blew up Sunday, cooling the air considerably and making overcoats and fires comfortable. Cotton is opening and we expect gins to be running on full time the next few days. Crops for the present year have done about all that can be expected. The price of everything produced will be high, and most farmers on the Plains will be able to get by.

Mr. and Mrs. M. A. Gideon and son went to Lubbock Wednesday for the purpose of meeting his mother, Mrs. C. F. Gideon, of Bronte, who was enroute here to visit her son and daughter, Mrs. T. R. Butler.

On September 12th, 717 registrants were enlisted for service, subject for classification.

#### BIG SURPRISE TO MANY IN LUBBOCK

People are surprised at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler's ONE SPOONFUL flushes the ENTIRE bowel tract so completely it relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. The INSTANT pleasant action of Adler's surprises both doctors and patients. It removes foul matter which poisoned your stomach for months. B. P. Hopkins, druggist. 12-1.

"The King of France, with twenty thousand men, marched up a hill and then marched down again." Does not the old nursery rhyme recur to us when we think of the immense cost and effort of the German drive this year, and the fact that they are now pushed back to their original line?

For Foch and freedom: buy bonds.

#### BIG WATERMELONS GROWN ON THE SOUTH PLAINS

J. Q. Robinson, a few miles south of Slaton, had a load of watermelons in town Saturday that created a lot of comment. The melons of the entire load weighed from 45 to 55 pounds each; no little ones in the bunch. The load weighed 1,525 pounds.—Slatonite.

Some of the finest watermelons one ever saw have been raised in Lubbock county this year, and without irrigation too. We could send some of those fellows who have been telling such scare stories about the drouth west melons that would make their eyes pop out in amazement—bigger melons than they ever saw in their life, without they have been to the west.

If you have objected to the number of drives which have seemed to come in immediate succession, try what a few driveless Sundays will do to remedy the trouble.

#### CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati man tells how to shrivel up corns or calluses so they lift off with fingers.

Ouch!!! Ugh!!! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority who claims that a few drops of a drug called frezone, when applied to a tender, aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says frezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of frezone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have frezone tell him to order a small bottle for you.

Freemen buy bonds; slaves wear them.

# To Arms, Citizens!

The immortal words of the French battle cry of freedom ring out again today to the American Nation.

We are called upon to take up arms and fight to the death--if need be--for Freedom, Justice and Those Things that make life worth living. In this profound crisis is the test of Citizenship.

The highest form of duty is to fight with our armed forces--to have enough to eat, enough to wear, a few dollars in your pocket, and to devote the balance of your earning power--your life if need be--as an offering to your country. The next best form of duty is to stay at home and produce--allowing yourself enough money to purchase the bare necessities of life and to conduct business essential to the war, to devote the balance of your earning power to your country in the form of subscriptions to Liberty Loans.

## One or the other Duty You Must Assume!

If you can bear arms you will do so. If you are unable to bear arms you will supply the money and materials for those who can--you will enable them to bear your arms for you.

### Mangled and Gassed Yanks Tell of Battle at Chateau Thierry

Paris, (by mail).—If there is yet an American who does not hate the Hun, he or she should have seen the first trainload of American wounded that arrived here from Chateau Thierry. Torn and mangled by shell, with eyes red and swollen and inflamed from the noxious gases the "Kultur" exponents were the first to give the world, with noses and ears shot off, their bodies raked with machine gun bullets and racked with pain, they came.

They were boys from home. For over two years I have seen French, Belgian and British wounded. I have seen them grit their teeth and die without a murmur, but nothing brought home the war in the way that first train of wounded from the last offensive did. They were more badly cut up than the victims of the first German onslaught. There were more of them and they hadn't been able to receive the care of the first American units that were thrown into the great battle.

Here and there a form with a blanket drawn over the head indicated a young lad who had made his last journey during the long, weary ride in from the front. In a compartment with a number of French wounded was a 19-year-old boy from Chicago. He was all alone and surrounded by men who could not speak his language. He was in the most terrific pain, but managed to keep down the slightest groan. Nothing could have drawn a whisper from him before his French comrades in arms.

**Comfort Wounded**  
A red cross doctor asked him if there was anything he wanted.  
"Just a drink of water, please," was the low answer.

He got it. The doctor asked if there was anything else he wanted. The boy wanted to be turned on his side. With a machine gun bullet through his leg and a wound that had scorched its way across his lips, to say nothing of an injured arm, he was perfectly incapable of helping himself.

The doctor turned him on his side and then discovered the lad had had nothing to eat for thirty-two hours. Unfortunately he was only one of many in the same fix. The Red Cross did its best and soon had what emergency food it had in the hands of those who were still able to use them. The more seriously injured, of course, were the first to be removed by the long line of waiting ambulances.

Before the train pulled in the ambulances were drawn up and waiting. So was a small crowd. As the first ambulance quit the station the crowd started to cheer. There was a dough-boy on the front seat with the driver, one arm in a sling, the other stuffing a sandwich into his mouth. He waved the sandwich in acknowledgment, while a contented look came over his drawn and tired face.

**Crowd Watch Men.**  
The crowd increased as the ambulances formed almost a continuous train. Words of sympathy were heard on all sides not unmingled with fears as the flower of Young America that had marched forth so valiantly a few short months before was painstakingly transferred to the hospitals.

At the end of the procession came a cortege that the crowd grasped the meaning of in a moment. They were ambulances, but their destination was the cemetery and not the hospital. The women wept openly and crossed themselves, while the hat of every man in the crowd came off in a respectful salute to the dead.

The sight was one, to wring the heart; but the indomitable spirit of

America bobbed up whenever a man able to talk above a gasp was found. Many of the wounds were from shrapnel. Where they were not really serious their possessors told the tale of what they had been through.

It was 5 o'clock in the morning of July 15 before the platoon to which Louis Cook of Rayville, La., belonged saw the Germans approaching.

"Our officer just yelled, 'Let's get 'em boys' and we started after them," said Cook. "The Heines were coming up on the south bank of the Marne and there were only eight of us to about sixteen of them, but we sure cleaned out that first batch. My pleasure ended right there, though, for a piece of shrapnel banged me in the left arm and it was back to the woods for me. But, believe me, my company did its share in driving the Huns into the river."

**Took 500 Prisoners.**  
If any one wants to know why the Americans were at first driven back from the river bank, they are hereby referred to Lonnie Shelton of Burdine, Ky. Shelton's unit alone took over 500 prisoners when the Americans returned to the counter attack, and but for the fact that a number of them were knocked out, as Shelton was, they would have still been going.

"They knocked us back at first by the most terrific barrage I ever saw turned loose, but we didn't stay back long," declared he. "We got the order to counter attack and the way we waded back into Mr. Boche was something to write home about. I've never seen such a bunch as we had. They advanced yelling like hell, bayoneted and shot down every Heine that didn't know enough to get out of the way. Those guys could never beat America in a thousand years, and tell 'em I said so."

Kentucky had another man in that same scrap who didn't know when to quit, even after a piece of shrapnel had cut a nasty gash in his right leg. He's Arthur Baker of Doorway, "Kaintuckee," and he had just gone into line with his company when the ball opened. The barrage got him, but didn't put him out. A little later, when the Germans came over to see about it, Baker was still on the job, working his gun for all he was worth. When the Americans had to go back Baker was so exhausted he couldn't retire. His comrades picked him up and carried him.

**"Camouflaged" Huns.**  
"Heinie" tried out one of his favorite stunts of dressing up some of his soldiers in French and American uniforms, according to Antop Zolnowski, of 2848 South Turner Avenue, Chicago.

"We saw ten men on the edge of a little wood a little distance away, eight of whom were in French uniform and two in American. We yelled to them to come over and join us. They advanced a few paces and then opened fired on us."

Zolnowski smiled rather unappetizingly as he patted a right arm that bears a machine gun bullet.

"They didn't last long. We made one dash for them. Not one of 'em got away. They were Germans all right. There was another group coming up. I got a private and then the officer in charge sailed into me. I tried to shoot him with my rifle, but it was broken. I got him all right, though."

The Chicagoan seemed inclined to end the conversation there.

"How'd you get him?" I asked, after a little pause.

"Just turned the butt of my gun around and clubbed him on the head with it," replied Zolnowski in the most matter of fact tone.

When the Americans came back at them it didn't take long to clean every Dutchman out of their territory, declared Elmer Sturtz of Wellsburg, Pa. Before he got a Mauser ball in his right shoulder Sturtz had the extreme good fortune to see two pontoon bridges the enemy had thrown across the river destroyed by the accurate fire of the American artillery.

They were filled with Germans, too. Some of them were coming, but there were others who seemed very content to be going. Two shells from American six-inchers lit squarely over the bridges. There was a terrific report followed by an inferno. Both bridges crumbled in the middle. Both were crowded beyond their limits. Bits of Germans came raining down for almost three minutes, according to the spectator, while from the rivers the wild cries of the injured and drowning made a picture Sturtz will always carry with him.

For a few minutes the river was literally choked with bodies. The Germans were at last moving on Paris, but in a way they had hardly reckoned.

**Texan Was Brave.**  
Between puffs of a cigarette, the first he'd had in a day, Frank Hogan, of Galveston, Texas, confirmed Sturtz's story of the wholesale drowning of the enemy. The Texan was working a Stokes gun a hundred feet from the southern bank of the river when the first waves of field-green began to cross.

"You can't say enough for those artillery guys," he said, as he tried to twist into as comfortable a position as a wounded thigh permits. "Ten minutes after the orders had been telephoned to the batteries they had a perfect range on that river. While we were pouring bullets into the Heines the guns got their numbers with both small and large shells. At the spot where we were stationed I reckon there must have been 3,000 of the Fritzies got across the river. They didn't all go back. Fact, I don't think there were hardly any of that bunch that'll go back to Germany. We captured over 1,500 ourselves and killed easily 500. The rest were trying to beat it back to the other side when our shells hit their bridges."

A Pittsburg, N. G. Rameno, who was injured in the arm by a piece of shrapnel, says there's one American sharpshooter that made a record anyone might be proud of during the first of the mixup. While the German engineers were trying to throw their first pontoon bridges over he picked off twenty-eight of them with his rifle. I couldn't get his name, but he already wears a sharpshooters medal. He deserves another.

Lots of soldiers believe in "hunches."

James L. Paul of 730 Spruce Street Philadelphia, does and it's a fortunate thing for him that he played his. With a comrade Paul was in a dugout during the barrage. Shells were landing all around. Finally one blew in the entrance, so Paul decided their dugout was becoming a little too warm. He waited for a short lull in the terrific firing and then darted for another shelter. He had not gotten fifteen feet away from the dugout when a big one scored a direct hit on it. His companion was killed, but Paul escaped with a wound from a splinter that will keep him out of action for several weeks.

Columns could be written about the troops. Every man tries to outdo his neighbor in deeds of valor, it would seem at first glance. But it isn't that at all. It's the spirit of the American Army and the best soldiers in the world.

Buy Liberty Bonds and Keep Them.

### SOME SACRIFICE

George Pattullo, noted author and correspondent, who will shortly be at the Western front, has given to the people of Texas a story of the last sacrifices of a soldier—the buying of a Liberty bond and the giving up of his life.

The story is contained in a pamphlet issued by J. W. Hoopes, executive manager of the Fighting Fourth Liberty loan campaign. Copies of the pamphlet are being mailed to the public.

Mr. Pattullo's story follows: "The American troops were about to take over a sector of the Toul front last January, directly opposite Montsec—facing the famous St. Mihiel salient, which General Pershing flattened out the other day. This was the First Division, also the first time Americans had appeared in the line as fighting units; their previous experience having been in rest areas for training.

"The night before they went in a considerable number of the men wrote letters home. Everybody was nervous, naturally. They had heard and read so much of the horror of trench warfare, and now they were heading into it. So their thoughts turned home.

"The captain of a company showed me a letter which came to him for censorship. The writer was a Sergeant, an old regular who had been out of the army for years, but returned at the first call of his country to arms.

"He had a wife and little son, and he was telling them goodbye. In it he said his regiment was about to enter the trenches and there was a possibility that he might be killed.

"In every line you could see that he had a presentation; in every line you could feel the love of wife and child tugging at his heartstrings. Very simply, he counseled her about the upbringing of the boy. 'Try to educate him good, and if I should never get back, remember my last request was to raise him honest and ready to die for his country if it should ever need him to.'

"Then he told her what arrangements he had made to provide for them—what pay was coming to him, how much she might expect from his insurance. Lastly he told her that he had subscribed to a Liberty bond.

"Well, they went in, and five days later he was killed.

"That old Sergeant, with a wife and child, and less pay than a laborer can make these days, bought a Liberty bond—and then he gave his life.

"What will those give who don't have to shoulder the pack and rifle? What will they give who don't have to go into the mud of the trenches? What will they give who can stay at home while men such as that are fighting for us?"

"Words are so futile. It seems monstrous that they should be needed in this crisis. We are nearing the top of the hill, and if ever there was a time when every man of us should put his strength to the wheel it is now."

Just now it requires about 1,500,000 pounds of fresh beef a day to feed the American Army in France, besides proportionate quantities of other meats, canned goods, potatoes, vegetables, bread, coffee and other foodstuffs, all laid down in France and all ready at the dot. And Uncle Sam is managing it all.

An army cannot march nor fight without its home support. Think of what the army is doing in France. Remember that, we at home are its support, and subscribe to your limit for the Fourth Liberty Loan.

### City of Metz is one of Germany's Strongest Fortified Cities

Metz in the past two weeks at least, eyes of the Army has been in the of the fact that the people, because are driving in that and his men, is believed by many, and it soldiers will attack this the U. S. time in the very near future some it is quite natural that we should learn something about that particular place. The Associated Press of a few days ago gave out the following information regarding this place which will be of interest to many of our readers especially those who do not have an opportunity of getting magazines or the daily papers:

Offensive operations toward Metz strike at one of the most important German bases in the West. The city and the twenty-eight encircling forts comprise what has been regarded as one of the most formidable fortresses in the world. Metz also is the center of important iron fields, which before the war supplied France and Germany with more than two-thirds of the ore used in their iron manufactories.

Metz is on the Moselle 10 1/2 miles west of the French border. The city lays astride the Moselle river as well as on both sides of the Sille. Part of the city is on islands in the Moselle. To the east, north and northwest are the iron and coal fields of French and German Lorraine. Deprived of these fields Germany could not conduct the war another three months, it is asserted.

The chief iron field of the Rhine district is that of Lorraine, including the Bassin de Briey, (the center of which is the little village of Briey,) the greatest iron-producing region in the world. It is located mainly in Alsace-Lorraine and overlaps into Belgium and Luxemburg. It extends along the Franco-German frontier for thirty-five miles, almost up to Pont-a-Mousson.

Germany's possession of the major portion of this productive area followed the signing of the Treaty of Frankfurt in 1871. Previous to the present war Germany obtained from the mines on her side of the frontier, 21,000,000 tons of her total annual production of 28,000,000, while France got 15,000,000 out of a total production of 22,000,000.

Since her occupation in 1914 of the mines on the French side of the frontier Germany has added to her mineral wealth the 15,000,000 tons annually obtained by the French, bringing her total production from Lorraine alone up to 42,000,000 tons a year.

The only practical road to this important region, military authorities agree, is the valley of the Moselle. At the head of the valley and barring the way lies Metz, rancoring with Strassburg as one of the two great bulwarks of the German southwestern frontier. Metz, is a city of 60,000 population, its chief industries being the manufacturing of weapons, clothes, shoes and hats.

As a fortress Metz has been important since the Roman era. Since that time it has never succumbed to frontal attack. Its present system of fortifications includes 28 detached forts which encircle the city proper. The outer chain of defenses, built within the last two decades, and undoubtedly perfected since the outbreak of the present war, extend to Toinville on the north, and Gravotte on the west.

West and southwest of Metz the course of the Moselle is lined with high-wooded hills. The German fortress also is protected by heights and woods northward. On the south, however, the terrain, is more open with few hills and little wood.

From the American lines southwest of Metz the nearest forts are Forts Haeseler and de Sommy on the right bank of the Moselle and Fort Kronprinz on the left bank. Fort de Sommy is less than five miles from the French town of Arnaville, on the Franco-German border. The forts surrounding Metz were similar to these forts, however, overcame Metz also is a point on the railway line supply to point man line eastward from Laon, Germany. The fall of Metz, not only probably seal the fate of the iron-ore coal fields, but, through the severance of railway lines, imperil German line west of Laon and thence northward to the Belgium coast. All reports of possible German retirement in the west have indicated that Metz would form one of the bastions of the German defense.

**SOME INTERESTING THINGS ABOUT THE CENTER PEOPLE**  
We are having some very cool nights, which are making the farmers think of Jack Frost, so they are very busy cutting their feedstuff.  
Burr Myers, who has been in training in Calif., at a naval camp, spent from Tuesday until Monday afternoon with his parents, Mr. and Mrs. David Myers.  
Mrs. Velma Tedford has returned to live with her father and sister since her husband has been called to serve his country.  
Robert Myers was on the sick list Sunday. He was greatly missed at Sunday school as he was our secretary and treasurer.  
Mrs. R. H. Haney received a phone message from her sister of Lynn County who was ill and was wanted at once. She was not only suffering the pain of illness but the loss of her son who had been killed in France.  
A nice crowd attended Sunday school Sunday. There were several visitors attended, but we hope to enlist them on our roll next Sunday.  
Our school is progressing nicely and each one is studying very hard as this is examination week. We are very glad to have some of the pupils back again who have been out for several days will be very glad when the crop are all gathered so we will have more regular attendance. We have also organized a literary society for the benefit of the Social Center as well as to train the children and make them more intelligent and brighter men and women. We also have our large flag in the school room. It is very interesting to see the children saluting the Grand Old Flag as they march in.  
R. H. Haney made a business trip to Lubbock Wednesday.  
Elvis Abney was in our vicinity last Tuesday evening on business.  
Carolina Fuchs has gone to Abernathy to live with her aunt, Miss Mettie Fuchs and will go to school there the remainder of the term. Her school mates of Center miss her very much.

While Secretary Baker is in France studying the air craft question it is to be hoped that he will not wish to take a flight in an American plane. He might have some difficulty in finding one.

Corporal Geo. Fitzgerald, of Abernathy, is reported in the casualty list September 19. He died of wounds received in action in France.

# THE FARMERS MONEY

Is coming in now from the sale of his crops and we are giving you every opportunity to buy the best in Dry Goods at before-the-war prices. ### KAISER MAKES A SPEECH TO THE AUSTRIANS

London, Sept. 24.—Addressing Austrian soldiers at Bily yesterday the German Kaiser said:

"You know whom you have in front of you. The Americans promised France to give her back Alsace-Lorraine, which France alone cannot reconquer. The Americans also wish to add big deeds to big words. But you will, with the aid of my soldiers, give the Americans the right answer at the right moment."

Liberty Bond or Liberty Bound, which will you have?

### WILL OUR BOYS RETURN?

By Geo. M. Hunt, Lubbock, Texas

Our throats are on the battle field,  
Beyond the restless waves,  
Where many of our gallant sons,  
Will find their lonely graves.

And while the days and weeks go by,  
Our hearts with sadness burn,  
For well we know our precious boys,  
To us my not return.

The silent stars that deck the sky,  
The sighing winds we hear,  
All bring to us a solemn thot,  
Of those we hold so dear.

We guarded them thru boyhood years,  
And love them now as then,  
But those who pass beyond the Sea,  
May not return again.

When ev'ning twilight fades from view,  
And marks the close of day,  
We then recall their cheerful words,  
Before they went away.

Now loneliness pervades our homes,  
Because of absent ones,  
But they will bravely stand or fall,  
While battling with the Huns.

They will defend the Stars and Stripes,  
As patriotic men,  
And tell us of heroic deeds,  
If they come back again.

They will, upon the battle front,  
Unfading laurels earn,  
Then we should stay the falling tear,  
And hope for their return.

R. I. Durham, successful merchant of Lorenzo, was here Saturday transacting business. He placed an order with the Avalanche for a large number of big circulars, advertising his big sale.

O. G. Kershner is doing some brick work in Lamesa this week.

**Piles Cured in 6 to 14 Days**  
Druggists refund money if PAZO OINTMENT fails to cure itching, smarting, bleeding or protruding Piles. Instantly relieves itching, smarting, and you can get restful sleep after the first application. Price 60c.

### HAVE YOU BEEN SICK?

When you realize the utter weakness that robs ambition, destroys appetite and makes work a burden. To regain your strength nothing has ever equalled or compared with Scott's Emulsion. Its blood-enriching properties give energy to the body while its tonic value sharpens the appetite in a natural, permanent way. If you are run down, tired, nervous, overworked or lack strength, be sure you get Scott's Emulsion today.

### ABERNATHY PEOPLE INJURED IN AUTOMOBILE ACCIDENT

Mrs. R. M. Hester was thrown from their auto this morning at 2 o'clock and suffered a fractured knee cap, and was otherwise bruised and shocked, while she and Mr. Hester were returning home from Amarillo.

Mr. Hester was bruised and considerably shaken.

Rollin Albers, near whose home the accident occurred, brought them to town and Dr. McBride was called and rendered medical aid to the wounded.

A housemoving outfit was left partly across the road about four miles north of town and was not discernible until the car was almost upon it. Mr. Hester, with a rare presence of mind, set the emergency brakes and attempted to miss the obstruction, and lapped but a few inches in succeeding. The heavy timbers struck the car amidship, stripping the running board and back fender. The rear axle was also broken.

### JONES RELEASED ON \$10,000 BAIL AND IS REARRESTED

El Paso, Tex., Sept. 19.—Felix Jones, convicted here of the murder of Thomas Lyons, wealthy New Mexico cattleman and sentenced to 25 years in prison, was today released on bail pending action on his case which is now pending in the court of criminal appeals at Austin. Jones was at once rearrested and taken to Dallas where he is under indictment in connection with alleged train wrecking and the killing of a young woman.

### CLOTHING FOR THE FRENCH AND BELGIANS

Washington, Sept. 21.—The American Red Cross will conduct a clothing drive the week of September 23. It is hoped that at least 5,000 tons of garments will be obtained. It is estimated that 10,000 tons will be needed to clothe the 10,000,000 people in occupied France and Belgium this winter. Every kind of garment for all ages and sexes is needed. Flimsy garments, ball room dresses, high heeled slippers, etc., will not be accepted. The American Red Cross was asked to conduct the clothing drive by Herbert C. Hoover, Chairman of the Belgium Relief Commission, who cabled that millions of men, women and children are facing shame, suffering, disease and some death, for lack of clothing this winter. As in the previous campaign for clothing the garments will be collected by the chapters.

### TWO TURKISH ARMIES ARE IN THE TRAP

London, Sept. 23.—Twenty-five thousand Turkish prisoners and 250 guns had been counted up to yesterday as a result of General Allenby's offensive in Palestine in which the British forces are pushing northward. The Seventh and Eighth Turkish Armies have virtually ceased to exist and the entire transport facilities of these two armies have been captured by the British.

Reports from Palestine say that none of the 40,000 Turks trapped through the seizure by the British of the last of the passages of the Jordan, can possibly get away.

In this issue is an announcement of J. D. Settle. Mr. Settle was formerly a member of the firm of Settle and Twitty. A dissolution notice tells you of a change in business. Mr. Settle is asking a share of your trade. Located in the same place as the above firm. Read his ad.

One of the institutions of the army in France is the traveling bathroom. An outfit that requires three trucks to carry and provides bathing facilities for five hundred men an hour.

### Why Puffer With Corns? Use "Gets-It"

Common-Sense, Simple, Never Fails. You can tear out your corns and suffer, or you can peel off your corns and smile. The "Gets-It" way is the painless way in the world. Two drops.

"Get the Drop" on That Corn—Use "Gets-It" and the Corn is a Goner!"

of "Gets-It" on any corn or salted drop at once. The corn, usually jagged at the tip, so that you can peel it off with your fingers in one piece, painless, has peeled & vanished. Just stuff with "Gets-It" that's all. There's only one corn-peeler—"Gets-It." It's wrapped up in wax with one and held tight. Look! It's coming from irritating sores, it's a real barbaric. Toes wounded by razors and knives, that's butchery, ridiculous, unnecessary, dangerous. Use "Gets-It," the liberty way—simple, painless, always sure. No no chances. Get "Gets-It." Don't be tempted by imitations. See that you get "Gets-It." "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store, MFG by E. Lawrence & Co., Chicago, Ill.

Sold in Lubbock and recommended as the world's best corn remedy by Hopkin's Drug Store; Red Cross Pharmacy; Lubbock Drug Company; City Drug Store.

# It Should Never be Essential for Uncle Sam

to have to urge the people of this greatest of all governments to do their duty. The fourth Liberty Loan Drive will soon be here. Let's line up and back the boys who are winning so gloriously for us on the western front. Uncle Sam needs our help. We must not fail.

## NUMBER AND BOUNDARY LINE OF THE LUBBOCK COUNTY VOTING PRECINCTS

It is ordered by the Commissioners' Court of Lubbock County, Texas, at this August Term of the said Court, A. D. 1918, in regular session, that all the election and voting precincts of said county be and they are hereby recreated and re-established and the boundary lines of each and every one of the said precincts fixed and established as follows, to-wit:

Election Precinct No. 1 shall begin at the center of the Court House in the City of Lubbock; Thence South about five and one-half miles to a point on the South boundary line of Survey No. 8 in Block E, Certificate No. 3-363, Abstract No. 492, equally distant between the Southeast and Southwest corners of said Survey No. 8; Thence West on survey lines about five and one-half miles to the Southwest corner of Survey No. 26 in Block E, 2; Thence North about five and one-half miles to a point on the West boundary of Survey No. 4 in Block E, 2 as originally surveyed equally distant between the Southwest and Northwest corners of said Survey No. 4 as originally surveyed in said Block E, 2; Thence East about five and one-half miles to the place of beginning; and the voting place in said election precinct No. 1 shall be in what is known as said Court House on the first floor thereof in the Southwest corner of said Court House building.

Election Precinct No. 2 shall begin at the center of the Court House in the City of Lubbock and at the Northeast corner of Election Precinct No. 1; Thence South about five and one-half miles on and along the East boundary line of Election Precinct No. 1 as previously fixed in this order; Thence East one and one-half miles to the Southeast corner of Survey No. 7 in said Block E; Thence to the Southwest corner of Survey No. 6 in Block S; Thence East six miles to the Southeast corner of Survey No. 23 in Block S; Thence South to the Southwest corner of Survey No. 5 in Block DT; Thence East two miles to the Southeast corner of Survey No. 3 in said Block I; Thence North about five and two-thirds miles to a point due east of the place of beginning on the East boundary line of Survey No. 43 in Block I and on the West boundary line of San Augustine County School League No. 4; Thence West about nine and two-thirds miles to the place of beginning; and the voting place in said Election Precinct No. 2 shall be in what is known and designated as the Sheriff's Office Room in said Court House, on the first floor thereof, and in the Southeast corner of said Court House building.

Election Precinct No. 3 shall begin at the center of the Court House in the City of Lubbock and at the Northeast corner of Election Precinct No. 1 and the Northwest corner of Election Precinct No. 2, both of which corners are previously fixed in this order; Thence East about four and one-half miles on and along the North boundary line of Election Precinct No. 2, as previously fixed in this order, to the East boundary line of Survey No. 6 in Block A, and to the Southwest corner of Election Precinct No. 7, as fixed in this order; Thence North about four and one-half miles on survey lines to the Northeast corner of Survey No. 45 in Block A as originally surveyed; Thence West about four and one-half miles on survey lines to a point on the North boundary line of Survey No. 9 in Block A equally distant between the Northeast and Northwest corners of said Survey No. 9; Thence North to the Northeast corner of Election Precinct No. 4 as fixed in this order and due North from the place of beginning; Thence South about four and one-half miles to the place of beginning; and the voting place in said Election Precinct No. 3 shall be in what is now known and designated as County Treasurer's Office room in said Court House on the first floor thereof and in the Northeast corner of said Court House building.

Election Precinct No. 4 shall begin at the center of the Court House in the City of Lubbock, at the Northeast corner of Election Precinct No. 1, at the Northwest corner of Election Precinct No. 2, and at the Southwest corner of Election Precinct No. 3, all of which corners are previously fixed in this order; Thence West about five and one-half miles on and along the North boundary line of Election Precinct No. 1, as fixed in this order to a point on the West boundary line of Survey No. 4 in Block E, 2 equally distant between the Northwest and Southwest corners of said Survey No. 4, and to the Northwest corner of said Election Precinct No. 4, as previously fixed in this order; Thence North on survey lines to the Northwest corner of Survey No. 22 in Block JS; Thence East about five and one-half miles to a point on the North boundary line of Survey No. 9 in Block A equally distant between the Northwest and Northeast corners of said Survey No. 9, and to the Northwest corner of said Election Precinct No. 3 as previously fixed in this order; Thence South about four and one-half miles to the place of beginning; and the voting place in said Election Precinct No. 4 shall be in what is now known and designated as U. S.

Agricultural Department Office Room in said Court House, on first floor, Northwest corner of said building.

Election Precinct No. 5 shall begin at the Southeast corner of Lubbock County; Thence West about fifteen miles on and along the South boundary line of Lubbock County to a point where said county line crosses the West boundary line of Survey No. 13 in Block D, Certificate No. 685, Abstract No. 416; Thence North about one and one-half miles to the Northwest corner of Survey No. 14 in Block 20; Thence East to the Southwest corner of Survey 110 in Block 20; Thence North about two and one-fourth miles on survey lines and to the South boundary line Survey No. 76 in Block S; Thence East about five miles to the Southeast corner of Survey No. 60 in Block S; Thence North about four miles to the Southwest corner of Survey No. 23 in Block S; Thence East one mile to the West boundary line of Survey No. 5 in Block I; Thence South to the Southwest corner of said Survey No. 5 in Block I; Thence East about two miles to the Southeast corner of Survey No. 3 in Block I; Thence North about five and two-thirds miles to the point where the South boundary line of Election Precinct No. 8 as fixed by this order crosses the East boundary line of Survey No. 43 in Block I and to the Northeast corner of Election Precinct No. 2 as fixed by this order; Thence East about seven miles to the East boundary line of Lubbock County; Thence South about thirteen miles to the place of beginning; and the voting place in said Election Precinct No. 5 shall be in what is now known as the Office of R. J. Murray in the City of Slaton.

Election Precinct No. 6 shall begin at the Southeast corner of Survey No. 25 in Block D, Certificate No. 1-99, Abstract No. 5; Thence North on survey lines about six and one-fourth miles to the North boundary line of Lubbock County; Thence West about five miles on said county line to the point on said county line nearest to the Northwest corner of Survey No. 24 in Block DT; Thence South on survey lines about six miles to the Southwest corner of Survey No. 24 in Block D2; Thence East about five miles to the place of beginning; and the voting place in said Election Precinct No. 6 shall be at what is known and designated as the Caldwell School House.

Election Precinct No. 7 shall begin at the Northwest corner of Survey No. 48 in Block A, Certificate No. 409, Abstract No. 840; Thence East three miles to the Northeast corner of Survey No. 66 in Block A; Thence South one mile to the Southeast corner of said Survey No. 66; Thence East one mile to the Northeast corner of Survey No. 6 in Block RG; Thence South three miles to the Southwest corner of Survey No. 1 in Block RG; Thence East one-half mile to a point on the South boundary line of said Survey No. 1 in Block RG due North of the Northeast corner of Survey No. 44 in Block I; Thence South about one-half mile to the point on the East boundary line of said Survey No. 44 where the North line of Election Precinct No. 2 crosses said Survey line, as fixed by this order; Thence West on and along the North boundary line of said Election Precinct No. 2, as fixed in this order; Thence South about four and one-half miles to the West boundary line of Survey No. 72 in Block A; Thence North four and one-half miles to the place of beginning; and the voting place in said Election Precinct No. 7 shall be what is known and now designated as the Canyon School House.

Election Precinct No. 8 shall begin at the Southwest corner of Survey No. 1 in Block RG; Thence North three miles to the Northwest corner of Survey No. 5 in Block RG; Thence East three miles to the Northeast corner of Survey No. 11 in Block RG; Thence North to the Southwest corner of Survey No. 157 in Block C; Thence East about five miles to the East boundary line of Lubbock County; Thence South about three and two-thirds miles to the Northeast corner of Election Precinct No. 5, as fixed by this order; Thence West about seven and one-half miles on and along the North boundary line of said Election Precinct No. 5, as fixed by this order, to the East boundary line of Survey No. 44 in Block I; Thence North about one-half mile to the South boundary line of Survey No. 1 in Block RG; Thence West about one-half mile to the place of beginning; and the voting place in said Election Precinct No. 8 shall be what is known and now designated as the Acuff School House.

Election Precinct No. 9 shall begin at the Northeast corner of Lubbock County; Thence South about seven and one-fourth miles on and along the East boundary line of Lubbock County to the point on said county line nearest to the Southeast corner of Survey No. 75 in Block C and to the Northeast corner of Election Precinct No. 18, as fixed by this order; Thence West six miles to the Southwest corner of Survey No. 10 in Block D7; Thence South to the Southeast corner of Survey No. 31 in Block D7; Thence West one mile to the Southwest corner of said Survey No. 31 in Block D7; Thence North to the South boundary line of James R. Robinson Survey No. 33; Thence North about four miles to the Northwest corner of Brown County School Land Survey No. 32 in Block X; Thence East about one mile to a point on the North boundary line of said Survey No. 32 in Block X due South of the Southwest corner of Survey No. 17 in Block D7; Thence North on survey lines about three and one-half miles to the North boundary line of Lubbock County; Thence East about eight miles to the place of beginning; and the voting place in said Election Precinct No. 9 shall be at what is known as the Bledsoe School House.

Election Precinct No. 10 shall begin at the Northeast corner of Survey No. 44 in Block D7, Certificate No. 459, Abstract No. 702; Thence South six miles to the Southeast corner of Survey No. 65 in Block A; Thence West seven and one-half miles to the Northeast corner of Election Precinct No. 4, as previously fixed in this order; Thence North three miles to the North boundary line of Survey No. 35 in Block D3 and at the point on said survey line equally distant between the Northwest and Northeast corners of said Survey No. 35 in Block D3; Thence East two and one-half miles to the Northeast corner of Survey No. 4 in Block D3; Thence North three miles to the Northwest corner of Survey No. 5 in Block X; Thence East five miles to the place of beginning; and the voting place in said Election Precinct No. 10 shall be at what is known as the Vaughn School House.

Election Precinct No. 11 shall begin at the Northwest corner of Lubbock County; Thence South thirteen miles on and along the West boundary line of Lubbock County to the point on said county line due West of the Southwest corner of Survey No. 52 in Block P; Thence East to the Southwest corner of Survey No. 52 on East eight miles to the Southeast corner of Survey No. 23 in Block JS; Thence North two miles to the Northeast corner of Survey No. 21 in Block JS; Thence West one mile to the Southwest corner of Survey No. 34 in Block D5; Thence North eleven miles to the North boundary line of Lubbock County; Thence West about seven and one-fourth miles to the place of beginning; and the voting place in said Election Precinct No. 11 shall be at what is known as the Shallowater School House.

Election Precinct No. 12 shall begin at the Southeast corner of Survey No. 20 in Block AK; Thence West about eight miles to the West boundary line of Lubbock County; Thence North about eleven miles to the point due West of the Southwest corner of Survey No. 52 in Block P; Thence East to the Southwest corner of said Survey No. 52 and on East on survey lines about eight miles to the Northeast corner of Survey No. 12 in Block S; Thence South eleven miles to the place of beginning; and the voting place in said Election Precinct No. 12 shall be at what is known as the Carlisle School House.

Election Precinct No. 15 shall begin at the Northeast corner of Survey No. 5 in Block AK; Thence South two miles to the Southeast corner of Survey No. 6 in Block AK; Thence East to the Northwest corner of Survey No. 22 in Block AK; Thence South to the North boundary line of Survey No. 32 in Block 20; Thence East to the Northeast corner of said Survey No. 32 in Block 20; Thence South about three and two-thirds miles to the South boundary line of Lubbock County; Thence West about ten and one-half miles to the Southwest corner of Lubbock County; Thence North about six miles on and along the West boundary line of Lubbock County to the point on said county line due West of the Northwest corner of Survey No. 24 in Block GB; Thence East on survey lines about ten miles to the place of beginning; and the voting place in said Election Precinct No. 15 shall be at what is now known as the Slide School House.

Election Precinct No. 16 shall begin at the Northeast corner of Survey No. 25 in Block S; Thence South four miles to the Southeast corner of Survey No. 60 in Block S; Thence West about five and one-fourth miles to the Southeast corner of Survey No. 19 in Block E; Thence North four miles to the Northeast corner of Survey No. 12 in Block E; Thence East about five and one-fourth miles to the place of beginning; and the voting place in said Election Precinct No. 16 shall be at what is known as the New Hope School House.

Election Precinct No. 17 shall begin at the Southwest corner of Survey No. 6 in Block D; Thence North to the north boundary line of Lubbock County; Thence East on said county line to the point on said county line due North of the Northeast corner of Survey No. 32 in Block C2; Thence South to the Northeast corner of said Survey No. 32 in Block C2 and on South on survey lines to the North boundary line of Brown County School Land Survey No. 32 in Block X; Thence West on survey lines about ten miles to the place of beginning; and the voting place in said Election Precinct No. 17 shall be at what is known as the W. A. Harrol Residence. Election Precinct No. 18 shall begin at the Southwest corner of Survey No. 7 in Block RG; Thence North

about six miles on survey lines to the Northwest corner of the Ignacio Gill Survey No. 34 in Block X, Abstract No. 198; Thence East on and along the South boundary line of the James R. Robinson Survey No. 33 in Block X about two and one-fourth miles to a corner on said line of Survey No. 31 in Block D7; Thence South to the Southwest corner of said Survey No. 31 in Block D7; Thence East one mile to the Southeast corner of said Survey No. 31; Thence North to the Southwest corner of Survey No. 10 in Block D7; Thence East six miles to the East boundary line of Lubbock County; Thence South on said county line six miles to the Southeast corner of Survey No. 81 in Block C; Thence West about five miles to the Southwest corner of Survey No. 157 in Block C; Thence South to the Southwest corner of Survey No. 10 in Block RG; Thence West four miles to the place of beginning; and the voting place in said Election Precinct No. 18 shall be what is known as the Idalou School House.

Election Precinct No. 19 shall begin at the Southwest corner of Survey No. 40 in Block D; Thence North six miles to the Northwest corner of Survey No. 16 in Block D; Thence East nine miles to the Northeast corner of Survey No. 31 in Block X; Thence South three miles to the Northeast corner of Survey No. 44 in Block D7, Certificate No. 458, Abstract No. 702; Thence West five miles to the Southwest corner of Survey No. 8 in Block X; Thence South three miles to the Southeast corner of Survey No. 37 in Block D; Thence West on survey lines four miles to the place of beginning; and the voting place in said Election Precinct No. 19 shall be what is known as the Monroe School House.

Election Precinct No. 20 shall begin at the Northwest corner of Survey No. 25 in Block D2; Thence East five miles to the Northeast corner of Survey No. 3 in Block D2; Thence South three miles to the Southeast corner of Survey No. 9 in Block D2; Thence East one and one-half miles to a point on the South boundary line of Survey No. 99 in Block D equally distant between the Southeast and Southwest corners of the said Survey No. 39; Thence South three miles to a point on the South boundary line of Survey No. 27 in Block A, Certificate No. 2-249, Abstract No. 32, equally distant between the Southeast and Southwest corners of said Survey No. 27; Thence West five miles on survey lines to the Southwest corner of Survey No. 17 in Block D2; Thence North one mile to the Northwest corner of said Survey No. 17 in Block D2; Thence West one mile to the Southwest corner of Survey No. 18 in Block D2; Thence North five miles on survey lines to the place of beginning; and the voting place in said Election Precinct No. 20 shall be at what is known as the Grovesville School House.

Election Precinct No. 21 shall begin at the Northeast corner of Survey No. 12 in Block E; Thence South four miles on survey lines to the Southeast corner of Survey No. 19 in Block E; Thence East to the Southwest corner of Survey No. 76 in Block S; Thence South to the Northwest corner of the J. L. O'Bannon Survey No. 105 1/2 in Block 20 and on South on survey lines to the Southwest corner of Survey No. 110 in Block 20; Thence West to the Northwest corner of Survey No. 14 in Block 20; Thence South about one and one-half miles to the South boundary line of Lubbock County; Thence West on said county line to the West boundary line of Survey No. 28 in Block 20; Thence North about three and one-half miles to the Northeast corner of Survey No. 32 in Block 20 as originally surveyed; Thence West to the North Southwest corner of Survey No. 22 in Block E; Thence North to the Northwest corner of said Survey No. 22; Thence West to the Southwest corner of Survey No. 3 in Block AK; Thence North two miles to the Northwest corner of Survey No. 4 in Block AK; Thence West two miles to the Southwest corner of Survey No. 24 in Block E2; Thence North two miles to the Northwest corner of Survey No. 25 in Block E2; Thence East seven miles to the place of beginning; and the voting place in said Election Precinct No. 21 shall be what is known and designated as the Woodrow School House.

And is further ordered by the court that the territory within the metes and bounds of each of the foregoing sets of field notes, respectively, shall constitute and be an election precinct of Lubbock County, Texas, and all together will be and are the election precincts of the said county.

The Ordinance That Does Not Affect the Head Because of its title and location shall be null and void. THE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor dizziness. Remember the Bull Brand and look for the signature of E. W. GROVE, Inc.

In order to conserve paper the government has limited the usual fall output of novels. We shall not object. Every one who reads the news from abroad realizes that nowadays truth is far more interesting than fiction.

### STOCK LAW ELECTION NOTICE

In pursuance to a petition of more than fifty free holders asking for an election to be ordered held and the order of the Commissioners' Court granting such petition.

Notice is hereby given that there will be an election held on the 18th day of October, A. D. 1918, at the voting places hereinafter named, for the purpose of enabling the freeholders who are qualified voters and reside in the subdivision of Lubbock County, Texas, hereinafter described, to determine whether horses, mules, jacks, jennets and cattle, shall be permitted to run at large in said subdivision of Lubbock County, the said subdivision being here described by metes and bounds as follows: Beginning at the point where the East boundary line of the corporation limits of the City of Lubbock in said county crosses the South boundary of County Commissioner Precinct No. Three of said county; Thence East on and along the said South boundary line of said County Commissioner Precinct No. Three to the East boundary line of Lubbock County; Thence North on and along the said county line to the North East corner of said Lubbock County; Thence West on and along the North boundary of said county line due North of the center of the Court House in the City of Lubbock and to the Northwest corner of said County Commissioner Precinct No. Three; Thence South on and along the West boundary line of said County Commissioner Precinct No. Three to the North boundary line of said corporation limits of the City of Lubbock; Thence East on and along the North boundary of said corporation limits of said City of Lubbock to the Northeast corner of said corporation limits; Thence South on and along the East boundary line of the said corporation limits to the place of beginning; said subdivision being further described as the whole of said County Commissioner Precinct No. Three except that portion thereof lying within the corporation limits of said City of Lubbock; that all freeholders residing in election precinct No. Three outside the corporation limits of the City of Lubbock shall vote at the Canyon School House in election precinct No. 7 in said election; that said election shall be held at Canyon School House in election precinct No. 7; at Acuff School House in election precinct No. 8; at Bledsoe School House in election precinct No. 9; at Vaughn School House in election precinct No. 10; at W. A. Harrol's residence in election precinct No. 17; at Idalou School House in election precinct No. 18; and at Monroe School House in election precinct No. 19, and the poles shall be opened at each of said places for the purposes of voting in said election; the following named persons are appointed managers of said election, each in the respective election precinct in which he shall reside, to-wit, E. C. Barnett, S. S. Rush, W. W. Cotton, W. C. Vaughn, W. A. Harrol, J. F. Bacon and Ward Crim; each of said managers shall appoint two clerks to assist him in holding said election; no person shall vote in said election unless he be a bona fide resident freeholder in said subdivision and a qualified voter in the election precinct in which he resides; all voters shall vote in the election precinct in which they respectively reside, except those residing in election precinct No. 8 outside the City of Lubbock who shall vote at Canyon School House; all votes cast in said election shall be by official ballot, and those voters who desire to prevent the animals designated above in this notice from running at large shall have written or printed on their ballots the words:

For The Stock Law; and those in favor of allowing such animals to run at large shall have written or printed on their ballots the words: Against The Stock Law; and the persons holding such election shall on or before ten days after holding the same make due return of all votes cast at their respective voting places for and against said proposition to the County Judge of said Lubbock County.

J. H. MOORE, County Judge, 12-3 of Lubbock County, Texas.

Wherever the people make their business to do things, it is there that things usually happen. Maverick County has overbought its War Savings Stamp quota already. If we make the war savings campaign our business we will do as well and better.

That auto top can be repaired or made new just right at our store. See us. Moore Brothers. 13-1

For every man, woman and child in Maverick County \$23.55 has been invested in War Savings Stamps. Are we less loyal than they? All together now, let's push our county up where she belongs.

**LUBBOCK LOSES FOOT BALL GAME TO AMARILLO**

The Amarillo football team hit the line hard at the City Park grounds, yesterday afternoon, and the "enemy," the Lubbock High School eleven, was put to a fight. After four quarters of unusually good football playing, the local aggregation under the leadership of Captain Harry Daily came out the winners, 19 to 2, and if they had been kind enough and given another minute's play, the score would have been 25 to 2, as the Amarillo lads had the ball within a yard of another touchdown when the final whistle blew.

Before the game had proceeded five minutes, it was generally believed that the victory would come easy for Amarillo team. Lubbock kicked off, and with the aid of a strong wind from the south, the ball went outside the playing field. The ball was returned to the 20-yard line and the local team by playing straight football carried the ball across the opponent's goal line for the first touchdown within 10 minutes after the initial whistle had blown. Nat Barnes, the husky right half-back, had the honor of making Amarillo's first score of the season. Lawson (Fat) Hayden failed to kick goal, due to having to kick against the wind.

The quarter ended with the ball in the middle of the field. Amarillo began the second quarter by fumbling the ball and missing two or three attempted forward passes, but despite these handicaps they kept the ball and Hayden carried the pigskin across for the second touchdown. As he had the wind at his back this time, he was able to kick goal after his touchdown. That was the end of the scoring in the second quarter.

Between halves, the Amarillo High School boys and girls swarmed on the field and gave a snake dance. There was plenty of rooting, led by yell leaders, George Vineyard and George Thompson. The spectators were so anxious to watch every detail of the game that they continually were encroaching upon the field, and Peter Ansley, head linesman, could keep them off only with threats of penalties.

The Amarillo players became a little careless and were penalized several times for being off side. As a result the number of yards to gain became so great that they failed to make first down for the first time in the game. Lubbock took the ball and executed a beautiful forward pass play for a gain of about 25 yards.

The visiting team was unable to make first down, however, and Amarillo took the ball. The players bucked the Lubbock line hard, and within a few minutes Reeder had gone over for the third touchdown. Hayden's kick was just a trifle short.

Amarillo kicked off to Lubbock. The latter team opened up with several attempted forward passes. The ball during one forward pass play was touched by an opposing player, but the Lubbock player caught the ball and made a substantial gain. Being unable to gain any more, the Lubbock team made a long punt which the Amarillo lads were unable to catch and Lubbock scored a safety which counts for two points.

The quarters were only twelve and one-half minutes long instead of the customary fifteen minutes. The Lubbock team put up a stiff fight and the local boys are anxious to go there for a return game soon. Lubbock has not a regular coach, but Howard Wheelock and Charles S. Lofton, a manual training instructor, have been aiding in the training of the boys.

Both teams were evenly matched in weight, the Lubbock players averaging 145 pounds and the Amarillo players 146 pounds. Big Joe Hess, playing left tackle, was an important factor in the Amarillo victory, he making big holes for the players to carry the ball. Hayden and Barnes both played a spectacular game.

Coach Middleton is well pleased with the playing of the team in its first game and is sure that it will become stronger as the weeks go by.

**Line-up of Teams.**

Amarillo	Position	Lubbock
Ellis	R. E.	Honey
Hudson	D. T.	Wright
Jones	C.	L. Martin
J. Hess	L. T.	Wright
Crosley	L. E.	Wright
Daily (Capt.)	Q. B.	Peatson
Reeder	L. H. B.	Graves
Barnes	R. H. B.	Morris
Hayden	F. B. Spikes (Capt.)	

Substitutes: Amarillo, Dawson, Lubbock, Farrel, Green, Hunt, Brandt, Hutson, Hicks.  
 Referee: Dr. R. P. Percella.  
 Linesmen: Montgomery and Dawson.

Umpire: Spikes.  
 Timekeepers: Middleton and Lofton.—Amarillo News.  
 Notwithstanding the local team lost the first game they are ready for other engagements and with a little more practice will make any of the teams a very strong opponent. The Lubbock boys have plenty pep, and they are going in for hard train-

ing, and when the Amarillo young men come down to play our school boys, they will find a rather different game from what they describe in the above article.

**HOLY CATHOLIC CHURCH**  
 BY REV. H. M. RATLIFF

More and more facts are being brought to light which point unmistakably to a Nation-wide Roman Catholic propaganda. Without a doubt the Catholics in America are putting their best foot forward everywhere possible. This is done in order to gain the unreserved confidence of the people. Only a few days ago representatives of 200 Catholic newspapers in convention in the City of Chicago, laid plans to spend a million dollars in America for publicity. Why the necessity in strenuous war times of spending so large a sum for publicity if not for Catholic propaganda purposes? Our Southern Methodism plans to raise one million dollars this year also, but to what purpose? To cooperate with the Government in aiding our Chaplains, the Red Cross, etc., to the end that we may help win a great victory, and "make the world safe for Democracy." It would be nothing less than treason for us to spend such a vast sum merely to

get before the public, in these days when the highest values of our civilization are at stake. But such is Roman Catholicism. It is her age-long nature to put forward her best things, which may serve as a sop to the public, while secretly she carries forward her insidious designs against the educational, political, and religious interests of the Nation.

Some time ago Patrick Hays, who was at the time auxiliary Bishop of New York, and who is now Bishop in charge of all Catholic Chaplains of America, in a public address, which was printed in the papers, suggested that in order to come to a world democracy, we must return "to the ideals of the medieval days, when the Holy See was the supreme judge and arbiter of the Nations."

In the San Antonio Express of Sunday, Sept. 1, 1918, there was a dispatch from a correspondent from Rome, which told of the special efforts of the present Pope to secure the right to exchange ambassadors with the different Governments. In this interview is this language:

"One of the dearest projects along this line which his holiness is declared in competent circles to have at heart is to see the apostolic delegate at Washington raised to the position of

a papal nuncio or papal ambassador." "Should the United States consent to having this position raised to that of a nunciature, this would provide for a regular exchange of diplomatic representatives between the Vatican and Washington." These and many other recent utterances indicate the direction of Catholic ambition in the world and in America especially.

In the light of these facts it would seem that nothing which the Methodists could do would gratify and assist the Catholic Church much more than the retention of the word "Catholic" in all of our Churches. They are shrewd enough to readily see that by this means in a score of years of Catholic designs, regarding the Catholic church is worthy of all trust and confidence.

When Catholicism has gained this point, namely the entire confidence of Protestant people, she will already have more than half the battle won. Then, it will only remain to carry in to effect her insidious designs against democratic government, public education, and Protestant Christianity.

After all is said about the meaning of "Catholic," and the history of the word and its associations, the fact besides, that to a great majority of the

people it can have but one reference, and that to the Catholic Church. It was once a good word, but it has been in evil company so long that it is past redemption in a Protestant-Democratic country like America.

**No Worms in a Healthy Child**

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will purify the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Price 25c per bottle.

Your attendance is requested at the farewell performance of the Crickets' Symphony Orchestra. Their concerts will be discontinued for the winter months. The next season will begin in August, 1919, with a large number of new and able performers.

**AN INTERESTING SCHOOL LETTER FROM ACUFF**

The Acuff school has been going a month this week, and both teachers and pupils seem to be enjoying the work very much.

The pupils are attending regularly, and especially this week, for they all wish to make good grades, and have a report that either they, or their parents will be proud of. The

pupils are anxious for the examinations and cannot wait patiently enough until the papers are graded, to see if they have made a good grade.

There are a few that have stopped to work; some to pick cotton, and some to help gather the feed. But will be back in school in a few days. They are missed so much by the remaining part of the school.

Some of the pupils have an attack of colds; but were coming to school just the same.

There will be a box supper at the Acuff school house on Saturday evening at 8:30 and everyone is asked to be present. There will be a small program rendered, before the supper.

The box supper is being given so as to get some pictures for the school and to add to our library.

We will be thankful and greatly appreciate everyone who comes, and helps us in any way.

Everybody is invited to the box supper at Acuff on Saturday, October 5th, at 8:30 P. M.

S. J. Hand was down from Amarillo Saturday to spend the day with his family. He has a job with the railroad company at Amarillo in the car repair department.

# Economy Expressed in Fall Clothes for Men, Women and Boys

## Good Clothes Cost More Today

Everyone knows that and the reason. And now as ever before, the best is the cheapest. Some people may make the mistake of trying to cheapen their clothes by lowering the price paid. In buying suits the question what you get rather than what you pay should be considered. Here are suits of quality and authoritative style, all of which we can recommend.

- For Boys, Perfection Suits . . . . . Price \$7.50, \$10.00 to \$16.50
- For Men, Kuppenheimer Suits . . . . . Price \$35.00, \$40.00 to \$50.00
- For Men, Styleplus Suits . . . . . Price \$21.00, \$25.00, and \$30.00
- For Ladies, Printzess Suits . . . . . Price \$40.00, \$50.00, \$60.00 to \$75.00

Its a good resolution to decide to buy only such suits as you need and to pay only such prices as is necessary to obtain reliable quality in fabric and workmanship—not one cent more. A selection from any of these assures satisfaction in every way! Special Values in Ladies' and Men's Unionalls--Get Our Prices Something New in Ladies' Fall Boots--See Them

**Special Values in Ladies' Waists**

**These are the Wirthmore and Welworth at \$1 and \$2**

They are really worth much more and must soon advance. See them and note the wonderful values. We have others of higher grades.

### Coats and Suits of Great Individuality

You are cordially invited to inspect and try on some of the stylish new Printzess coats and suits which we are now showing. These Garments are decidedly distinctive. They are made of the finest all-wool quality materials and exquisitely tailored. They have a charm and a smartness about them that puts them out of the ordinary ready-to-wear garments. They are such coats and suits as might come from the exclusive ladies tailors of Fifth Avenue, N. Y.

It pays to buy coats and suits that are quality made. They fit better. They look better. They wear better, retain their shape and first appearance.

### Printzess Distinction in Dress and Style Leadership

are known and appreciated every where. Come in see and try the garments on. Do not take our word for it. Then note how reasonable our prices are. Compare them with those of big stores elsewhere carrying lines of the same or like quality

so stylish—very stylish

## RED CROSS ITEMS

Sixty serge dresses for girls age 4 years are being made this week by the local Chapter. These dresses are very plain and quickly made.

Twelve helpless case shirts were sent in by the Canyon Auxiliary. Eight helpless case shirts, 6 chemise for women were sent in by the Bledsoe Auxiliary. Thirty girls chemise, 28 helpless case shirts, 12 comforts kits, 48 sweaters, 66 pair socks were sent in by the Slaton Branch Chapter. This county has completed its quota for the quarter just ending, except in knitted articles. Owing to a scarcity of yarn we have been unable to procure any as yet.

The Red Cross has systemized its work, just as all other government work is systemized, and all chapters are compelled to make all garments according to instructions sent from headquarters. With its millions of members and hundreds of chapters there must be some system to regulate the work.

Many helpers are needed in the surgical dressing room. Some do not seem to realize the importance and necessity of this work. National head-

quarters tells us that we must provide for the wounded if all other work ceases. The work is not hard and able instructors are there each day to assist in every way possible. Those in charge are making a special appeal to the women of Lubbock to give two hours each week to this work.

Throughout the Nation, a collection of second-hand clothes is being taken this week for the refugees of Belgium and France. This county is asked to send 500 pounds if possible. Any garment for men, women and children, both for under and outer wear will be accepted. Those having any to donate are asked to leave them in the Red Cross rooms in the Court House.

Mrs. M. Fulton the Chapter Secretary, has accepted a government position in Washington, D.-C. and left Monday to take up the work there. Mrs. Roscoe Wilson was appointed to fill the unexpired term.

**Greve's Tasteless Chill Tonic**  
restores vitality and energy by purifying and enriching the blood. You can see its strength, color, invigorating effect. Price 60c.

"Action speaks louder than words." The actions of the Allies during the past few weeks have certainly shouted aloud to the world.

## DISASTER HAS OVERTAKEN THE TEUTON ARMIES

The war situation for Monday is summarized by the Associated Press as follows:

Disaster has overtaken the Teuton over all fields.

In Palestine the Turks are all absolutely crushed; in Macedonia the entente forces are harrying their foes and threatening them with similar disaster; in France the British and French troops slowly, but surly, are eating their way into the vitals of the German defensive, the collapse of which would result in independent changes all along the western battle front and in eastern Siberia the Japanese have made additional strides forward in the process of reclaiming that territory for the Russians.

In all theatres of the war the entente allies have the initiative in their hands and are pressing their advantage rigorously. The Germans and their allies nowhere are able to do more than stand on the defensive. And in Palestine and Macedonia, their efforts in this respect have proved sorry ones.

From north of Jerusalem to the sea of Galilee in the territory lying between the river Jordan and the Mediterranean sea, the Ottoman forces have been caught by the swift drive of the British armies and virtually annihilated. Added to the heavy casualties suffered by the Turks, hordes of them were made prisoners and many more are wandering bewildered, without leaders, in the hills, eventually to be brought in to swell the great total. At last accounts more than 25,000 of the Sultan's soldiers and 260 guns and large quantities of war stores were in British hands.

To add to the demoralization of the Turkish morale, allied aviators are carrying out successful raids against Constantinople. Over a front of 80 miles in southern Serbia, from Monastair to Lake Doiran, the entente troops are vigorously assailing the Bulgarians and Germans. Already in the swift drive in the center of a great spearhead has been pushed across the Istipriple road, severing communications between the Bulgarian army northeast of Monastair and that in the Lake Doiran region. Unofficial reports are to the effect that the Serbs have taken between 2,000 and 10,000 prisoners and 120 guns.

In the region between Monastair and the Vardar the enemy troops are in full retreat before the Italians, French and Serbians, while west of Doiran the British are steadily hammering their way forward, driving the enemy northward toward the Bulgarian frontier. Already the enemy line from Doiran to a point west of the Vardar has been evacuated. This force to the north severed, seemingly is in danger of an enveloping movement unless it turns sharply eastward and presses into Bulgaria through the mountains.

Not so spectacular but also vital, have been the operations of the French and British south of St. Quentin to Cambrai. Both the French General Debeny and Field Marshal Haig have won highly essential ground in the maneuvers which have as their objectives the obliteration of the Hindenburg line, the capture of St. Quentin and the turning of the German line at Laon. South of St. Quentin the French have advanced their line to the west bank of the Oise canal over a front of three miles and now completely outflank St. Quentin on the south and La Fere on the north.

Meanwhile Field Marshal Haig north of St. Quentin around the village of Epehy has taken strong positions from the enemy.

In eastern Siberia the Japanese have captured Blagoviestchensk, capital of the province of Amur, and also the town of Alexievsk, where two thousand Austro-German troops surrendered.

## NEWSY ITEMS FROM BADGER LAKE COMMUNITY

Our farmers are very busy putting up their grain and bailing their hay. School is at its best regardless of those who are picking cotton and heading maize.

Mr. and Mrs. E. A. Abney and family spent last Sunday in the Thomas home.

Mr. Riley Stone spent Thursday afternoon with Mrs. B. F. Kendall.

Mrs. Lulu Cone was shopping in town Monday.

Mrs. Garnet Gilliland was shopping in town Tuesday.

J. W. Perkins and family and Mrs. M. D. Newton and children were in town Wednesday.

J. C. Newton was seen on the streets Monday.

J. R. Teague and wife from Burwell, Texas, are the guests of Mr. and Mrs. Cox.

Ola Mae Showalter, was on the sick list Thursday.

Lois Cone and Odel Hightower

spent Sunday with Ruth Newton.

Mr. W. H. Vaughn has returned from Kansas City, accompanied by his son, Dee, who is in the officers' Training School at Ft. Sheridan, Ill.

Mr. Riley Stone has purchased a car.

Miss Millie Halsey will demonstrate canning to the club members and ladies of the community in the home of Mrs. Lulu Cone on the 27th.

We were very sorry to hear of Mrs. Steve Collier being sick again. We certainly hope for her recovery.

Mr. and Mrs. W. D. Haney were callers in the Mrs. Charlie Vaughn home Sunday afternoon.

Mr. and Mrs. Boston and family, Mr. and Mrs. C. Caraway and family and Misses Nora and Fay Sawyers spent Sunday in the Thomas home.

EXPERT OPTICAL SERVICE

**LUBBOCK COUNTY BOYS  
AND GIRLS CLUB**

A Letter From Miss Halsey

Dear Club Members: Our vacation days are over, and most of you are in the schoolroom again. I am glad to have all of you together once more and I hope that we can do some good, profitable Club work from now on.

I understand that the Avalanche is being sent to every school and I want to ask each Club-member to read it every week. We are so busy getting ready for our Club-Fair, on the twenty-sixth of October, that we may not get to see each member before that time but when we have anything of importance to tell you we will tell it through the Avalanche, so be sure to read it.

Of course every boy and girl who joined the Clubs, whether they made a success of their work or not, will consider this their Fair and do all they can to help make it a success. The boys and girls who have raised something to exhibit will get it up in as attractive a form as possible and try to beat other boys and girls in winning prizes.

The Poultry Club Members should try especially hard as they have been asked to send their products to the Texas Cotton Palace at Waco, in November.

The time for completing the Club Record books is October fifteenth. All the boys and girls in the State must complete their books by that time, and Lubbock County boys and girls do not want to be behind with their work. Every record book that was sent out by me must come back to me.

If your garden failed, your chickens died, or you sold them, or if for any other reason you do not need your book any longer, please send it or bring it in now. All who exhibit their products will have their books here with their exhibit and the story of their crop, October, twenty-sixth.

I am giving the girls some recipes for the tomato products they are to put up. Use them now as frost is likely to come soon, then you could not make all the things required for your exhibit.

Let me know at once what you expect to bring, so we will know how many to arrange space for.

**Time Draws Near  
For the Next Liberty Loan Drive**

Are you prepared to do your part?

Winning the war is about the only job that matters now and to win the war we must produce and contribute the sinews of war—MONEY.

The Government expects every citizen to do their duty. A bank account, properly taken care of helps wonderfully. Bank with us.

**The Lubbock State Bank**

County Judge, J. H. Moore transacted business in Austin the first of this week. Your income will probably be subject to taxation for several years after the war. Do not repine, but be thankful that it is large enough for you and for Uncle Sam too.

**CITY AND LAND LOANS**  
I advertise occasionally but make Loans all of the time. I will make 3 inspections in the next 10 days and will be glad to look at your loan at that time. Good terms and STRAIGHT 8 Per Cent interest.  
**Claude B. Hurlbut**  
Citizens Nat'l. Bank Bldg. Lubbock, Texas.

Sincerely,  
**MILE M. HALSEY,**  
Home Demonstration Agent.

**Recipes for Canning 4H Products.**

**Chow Chow**—1 gallon chopped cabbage; ½ gallon chopped green tomatoes; 1 dozen large onions, chopped; 1 dozen sweet bell peppers, green chopped; ½ dozen sweet bell peppers, red chopped; 2lb sugar; ½ cup ground mustard; 1 cup white mustard seed; 2 tablespoons celery seed; 1 tablespoon ground ginger; 1 ounce cloves mashed and tied in muslin bag.

Put each chopped vegetable in separate bowl, sprinkle lightly with salt and let stand over night. Press brine from them. Put vinegar and other ingredients over fire and bring to boil, add all chopped vegetables and boil slowly ½ hour. Pour into a large jar, remove spice bag after three days. After six weeks pack in smaller jars. Club members use the quart Queen jar. Process 30 minutes and seal.

**Sliced Green Tomato Pickle, Sweet.**

1 gallon sliced green tomatoes; 6 onions, sliced (large onions); 1 teaspoon ground black pepper; 1 small red pepper; 2 tablespoons white mustard seed; ½ cup celery seed; 2lb brown sugar; 1 tablespoon allspice; 1 tablespoon cloves, pounded, and tied loosely in muslin bag.

Put sliced onions and tomatoes in separate bowls, sprinkle lightly with salt and let four hours, drain off brine, soak in cold water four hours, drain well, pressing out all water. Put in porcelain kettle, mixing all other ingredients thoroughly with chopped tomatoes and onions, cover with good vinegar and add spices. Bring to boil and cook until tomatoes are tender, not good if they are not tender. Pour in large jar, remove spice bag after three days. Let stand six weeks then pack in quart jars. Process 45 minutes. Continued in next issue.

The War Department has requested the boys' and girls' club of the country to help collect fruit pits and nutshells, the carbon in which is used in making gas masks. Contests have been suggested among the million club members by the United States Department of Agriculture and the State agricultural colleges, which conduct the club work, to see which member, which club, which district, and which State can deliver the largest amount of material in the shortest time. Each member should try to furnish at least 200 peach pits, or 7 pounds of shells—enough material for one mask. Since more and better carbon is secured from the pits of peaches, prunes, and plums than from other sources, boys and girls should make it their special business to see

**Saving Time, Energy and Labor—  
Providing Extra Hours for War Work**

It is every woman's patriotic duty not only to save food but to give a part of each day to some other form of war work. To provide the time, you should have such time-saving, labor-saving kitchen equipment as the Hoosier Cabinet. The Hoosier is becoming more important every day, due to the growing shortage of domestic help, and also the extra service that America must depend on her army of housekeepers to perform—inside the home and out of it.

Hoosier makes that possible by cutting kitchen work in half.

**TRY IT! SUBSTITUTE  
FOR NASTY CALOMEL**

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tonic is taking its place. "Calomel is dangerous and people know it, while Dodson's Liver Tonic is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tonic is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back. Dodson's Liver Tonic is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headaches, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Take Dodson's Liver Tonic and feel fine.

that every home in their community saves the pits of these fruits. They should also visit community and commercial canneries, hotels, restaurants, and bakeries. In addition, seeds should be collected from dates and olives, and shells and whole nuts be saved from hickory nuts, butternuts, English and native walnuts, and hazelnuts. The material may be delivered to the local Red Cross headquarters, which are acting as central stations for collecting and shipping.

#### NEWS OF THE WEEK AROUND CARLISLE

The farmers are busy cutting feed and picking cotton.

They are busy preparing the ground and getting the material for the new school building.

Mr. J. B. Moore and sons, Jack and Oathie were in town Thursday on business.

A number of Carlisle young people took dinner with Miss Grace Fernice Sunday.

Misses Susie Moore Libbie and Eula Belle Lay spent Saturday night and Sunday with Miss Clara Moore.

Miss Cotton was the guest of Mrs. B. W. Casey Saturday night.

School starts at this place October seventh.

Mr. Mallard and family are moving to Kansas.

Mr. James Burdick is working on the Whelan ranch at this writing.

Miss Clara Moore spent Monday with Miss Arma Bond.

Miss Brown who has been visiting in the Self home returned to her home at Rockdale Tuesday.

There was singing at Mr. Homer Guinn's Sunday night. All reported a nice time and good singing.

Judge Spencer, of Lubbock has presided over the court this week in his usual creditable way. We can't figure on the Judges successor. He has been always so fair and impartial in his rulings that he is absolutely not for trade by this district.—Lamesa Reporter.

That auto top can be repaired or made new just right at our store. See us. Moore Brothers. 13-1

Albert S. Darby and wife left for California to be away during the winter. They will be in the Imperial valley.

The More Bonds the Fewer Casualties.

Misses Lena and Inez Crim spent Monday afternoon with Mrs. J. F. Bell, of Lubbock.

Mrs. Warren is visiting her daughter, Mrs. Boman Moore for several weeks.

Mr. Pruitt filled his silo last week.

Mrs. Eoff visited her daughter last Saturday and Sunday.

Bromo and Inez Crim spent Saturday and Sunday with home folks.

The Red Cross will meet at the school house Wednesday, September 25th.

Mr. Winfred Danner and sister, Ruby, moved last week to Oklahoma, where they will join their father. We will miss these young folks from our community, but we hope they will like their new home.

Mr. W. B. Burford returned Monday from Virginia.

School is progressing nicely although some of the pupils are absent helping to gather the crops.

Misses Opal and Lucille Warren from Lubbock are attending the school this year also Miss Hazel Green from Idalou.

Bro. Ross preached to a large crowd at Sunday School Sunday.

Mrs. Sanders from Lubbock spent Sunday with Mrs. Boman Moore.

Mr. H. M. Williams has traded his Studebaker car for a new Maxwell.

Mr. and Mrs. Walton spent a short while with Mr. and Mrs. T. Crim.

J. P. Breedlove is visiting Mr. and Mrs. Crawford.

A quite a number were shopping in Lubbock Saturday.

Mrs. Bobbie Cox is spending this week with her friend, Mrs. Jot Smith at Lubbock, having gone up on Friday.—Lamesa Reporter.

That auto top can be repaired or made new just right at our store. See us. Moore Brothers.

At this season the hay fever virus ceases to be aesthetic. He can't see no beauty whatever in goldenrod.

#### NEWS HAPPENINGS FROM THE CANYON COMMUNITY

Canyon, Sept. 16.—Most all of the farmers are busy gathering their crops.

Bromo and Inez Crim entered the Lubbock High School Tuesday.

Mr. and Mrs. Love moved back to Lubbock last week.

Mr. and Mrs. Crawford and family have moved back to their farm.

Mr. T. Crim and son, Johnnie, made a business trip to Brownfield Tuesday.

Born to Mr. and Mrs. Boman Moore, a son.

Mr. John Allen and family have sold their crop and farm implements and stock. They will visit Mrs. Allen's relatives in Dallas and go from there to California. Mr. Allen's brother will occupy the place where he moved from.

Mrs. J. M. Williams got a telegram that her sister in Oklahoma was not expected to live. Mrs. Williams left at once for her bedside.

Mrs. D. E. Fowler spent Wednesday with Mrs. Thompson.

The Red Cross met at the school house Wednesday but there was no work to be given out to the ladies. The afternoon was spent in pleasant conversation.

We have been having some real cool nights.

School opened Monday morning with a good attendance of both parents and children. The teachers are Mrs. W. B. Burford, Mrs. Bradley, and Miss Francis Jackson. They are going to try to make it a good and successful school.

Misses Lena and Inez Crim spent Monday afternoon with Mrs. J. F. Bell, of Lubbock.

Mrs. Warren is visiting her daughter, Mrs. Boman Moore for several weeks.

Mr. Pruitt filled his silo last week.

Mrs. Eoff visited her daughter last Saturday and Sunday.

Bromo and Inez Crim spent Saturday and Sunday with home folks.

The Red Cross will meet at the school house Wednesday, September 25th.

Mr. Winfred Danner and sister, Ruby, moved last week to Oklahoma, where they will join their father. We will miss these young folks from our community, but we hope they will like their new home.

#### KAISER INSPECTED METZ FORTS JUST BEFORE WAR BEGAN

With the American Armies in France, Friday.—Observations, coupled with statements made by new prisoners, indicate that the Germans are considering the possibility of an American attack toward Metz and in anticipation of it they had tripled the length of their fortifications surrounding the city to a depth of ten miles. A Belgian who said he had been compelled to fight in the German Army and had deserted, gave valuable information to our intelligent officers. He says the people in a vicinity of Metz are moving out of range of the guns. He says he saw a tablet on the wall of a power-house at Metz, saying that Kaiser was there on June 14, 1914. The Germans had inspected the forts to see if they were in good condition, as war was soon to start.

#### GERMANS PRISONERS SAY MUCH UNREST IN ARMY

French Army Headquarters, France, Sept. 24.—The replies of prisoners recently interrogated show that the lack of confidence between the German officers and German soldiers is becoming mutual. The officers say the men think more of their stomachs than their country and men whose loyalty was unquestioned a year ago now are deaf to all patriotic harangues. On their part, the men claim the officers think only of their own safety and leave behind to their fate the rear guards who do not know they have been abandoned by the rest of the forces.

#### RED CROSS WANTS CLOTHES FOR REFUGEES

The Red Cross is calling for five thousand tons of clothing for the Belgium refugees. Lubbock County's quota is a minimum of five hundred pounds. It is a minimum of five hundred pounds. It can be really made of service is asked to contribute. Either bring your bundle to the Red Cross rooms, or notify Mrs. J. S. Johnson, chairman.

This is something that almost everyone can do. Help all you can.

General Foch is personally of small stature, but notwithstanding he is at present the biggest man in Europe.

Dig up the coin and bury the Hun.

#### How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Medicine.

Hall's Catarrh Medicine has been taken by Catarrh sufferers for the past thirty-five years and has become known as the most reliable remedy for Catarrh. Hall's Catarrh Medicine acts thru the Blood on the Mucous Surfaces, expelling the Poison from the Blood and healing the diseased portions.

After you have taken Hall's Catarrh Medicine for a short time you will see a great improvement in your general health. Start taking Hall's Catarrh Medicine at once and get rid of Catarrh. Send for testimonials free.

P. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists.

#### CAL ELKS INVEST \$500 IN FIGHTING FOURTH

The Elks have started the ball rolling in the Fourth Liberty Loan drive, their meeting Tuesday evening Benevolent and Protective Order Elks, Lubbock Lodge No. 1348, and unanimously to invest Five hundred Dollars in Liberty Bonds of Fourth issue. The time of meeting was changed from 9:00 P. M. to 8 P. M. and the meetings will be held Tuesday during the winter months, effective at once.

The House Rules were amended to allow any member to invite any man of this City, under 21 years of age, to attend Special meetings or entertainments given by the Elks.

#### MARY TEACHING AT MRS. BETTY'S HOME

have been teaching primary in my home for several terms. I have given entire satisfaction and if there has been any dissatisfaction I have not heard of it. On the contrary, I have heard quite a deal of praise. If you are interested in this line phone 36. 13-1

#### Are credits or liabilities to our

cry and a glance at our war Savings stamp pledge cards will tell the story to anyone who cares to look us up. We can't pretend; that pledge shows what we have done.

## WHAT DO YOU THINK I OUGHT TO DO?

Thousands of times this question has been asked by people really anxious to find out how much money they ought to invest in Liberty Bonds.

Ask the question of a dozen friends and you will receive a dozen varying answers.

Here is an honest attempt to give a clear-cut answer to the question.

General Pershing's soldiers are allowed enough to wear, enough to eat, and a few dollars weekly to spend on tobacco and little necessities—the balance of their earning power is devoted as a gift to the Government. Here is your standard:

In the matter of saving for the Liberty Loan your standard has been

set. These men who are making it need be the supreme sacrifice for you, for our country and for humanity, have established a clean-cut standard. They have a right to believe that you will allow yourself enough money to purchase the bare necessities of life, and conduct business essential to the war, devoting the balance of your earning power to your Country in the form of subscriptions to Liberty Loans.

A man who gives up salary or income in order to fight for you and yours has the right to expect that you will at least lend as he has given.

The man who endures without complaint the heartache of parting from those he loves, has the right to expect that you will at least sacrifice and save, even to the point of discomfort, in order to supply him with fighting necessities.

It calls for some courage. It means working at some productive essential industry harder than ever before, and the giving up of every luxury. But will you not do these things and do them cheerfully, in order to place at the disposal of our fighting men the very substantial sum you will save by adopting such a course? You will gain mentally, morally, financially.

What Must I do? The yearly income of all the people in this country is estimated at fifty billion dollars.

It has been made clear that twenty-four billion must be raised for war purposes during the next twelve months. It follows that nearly half of our national income must be set

aside for the payment of taxes, and subscriptions to Government loans. Nothing short of the heroic measures of economy and saving called for by the Government will avail measures such as our soldiers have adopted in their complete surrender of self to the cause of winning war.

The man of moderate income have to give or lend to the Government in the form of taxes or subscriptions to the Government Loan about one-third of his income during the next twelve months. Of course the larger the income, the greater the percentage that must be lent given. One-third of their income the share of the average family many will be called upon to do more.

In mathematical calculations is to be found the answer to question "What MUST I do?", by the example of our fighting men to be found our standard, our aspiration and our guide and answer to the question "What You Think I Ought To Do?"

Let us store in our hearts the words of our President:  
"The shadows that now lie upon our path will soon be dispelled, and we shall walk with the light about us if we be but true to ourselves."

Your standard has been set true to that standard. Keep it with your country, your soldier with yourself.

BUY LIBERTY BONDS TO THE UTMOST.

## WHAT ARE YOU GOING TO DO TO THESE BOYS?

The 317 of them who have left Lubbock County, these boys you knew, these boys who left your town, your neighbor's home, to fight in blood and dirt that may be secure.

What are you going to say to their mothers and fathers, their friends and neighbors, who have on flesh of the flesh and bone of bone to stand between you and German fiends that threaten?

What are you going to say to them when they hear you say "Your country needs you" and did not begin to argue about trade conditions; not one

## Living Room Camp Travis Hostess House, San Antonio Conducted by Young Women's Christian Association

That one of the many places established by the Y. W. C. A. where soldiers and relatives can meet in comfort and with convenience. Hostess houses have been established at army camps in various sections of the country, at the request of the War Department, and others are to be erected as soon as possible.

said, "I can't afford to go". They gave up home, loved ones, income and wages, went into hard training, braved submarines, lived in trenches, and when the time came they went against those Germans and covered themselves with a glory that has added a new lustre to the American name and flag.

They did not do it complainingly, grudgingly, as though they were doing someone a favor. No! They went with a smile, they marched with a song on their lips, they bled with a grin, and some—God rest their souls—died like heroes.

Friends and neighbors! Can't you see that we have to support these boys of Lubbock County, these boys of OURS, even if we have to starve ourselves to do it? Argument about this Liberty Loan business is out of the question. Our very sense of decency alone compels us to lend to the uttermost dollar.

## "EXCEPT FOR SACRAMENTAL PURPOSES."

Practically every local option and prohibition bill that is framed throughout the Nation makes an exception for "Sacramental Purposes" in the case of intoxicating liquors.

Prohibition of the liquor traffic has been very largely agitated and advanced by the Protestant Churches of America. This being true is it not high time for these same Churches to give the lawmakers of the country to understand that they have not for years used fermented wines for the Sacrament of the Lord's Supper? It does seem almost outrageous that the Church of Christ should be represented in such a way as demanding this exception in all temperance legislation.

If there are still Churches that insist on having fermented, and hence acidating, wines for the Sacrament, should be absolutely ashamed of selves, and are in need of reformation at this point.

prohibition laws has been a reflection on the churches, and we heartily agree with Rev. Ratliff that it should be protested against by the church people all over the country. They do not use wines of intoxicating qualities and in fact very few churches, who are really lined up against the whiskey traffic use wines at all. We hope to see the day that "except for Sacramental Purposes" will be stricken from the legislative bills.

## LUBBOCK WOODMAN CIRCLE HAS INTERESTING MEETING

To the Editor of The Avalanche:  
Lubbock Grove of Woodman Circle met Thursday night, Sept. 19 with a fairly good attendance. We were glad to note the appearance among us of Mrs. Simmons after a long period of suffering with a broken ankle. A very beautiful service flag had been planned and completed by Miss Maggie Mallard. A standing vote of thanks was proffered her.

Owing to the failure to receive the names of those members who are in the service of Uncle Sam, we were forced to omit this most impressive part of the program which followed after a brief business session.

Those who were privileged to listen to the numbers on this program, class it as one of the best ever offered in the Woodman Hall. We are also convinced beyond doubt that among the people of Lubbock there are some very pleasing personalities.

The opening song "America" was sung by all present. A recitation by Willful Mallard, entitled "The Joy of being in it" was the impulsive comments of a soldier boy who is all American and true blue.

A duet "Three Wonderful Letters" sung by Raymond and Maydine Summers; was sadly sweet and reminds us how very much our boys over there appreciate letters from home and friends.

With thrills of vital pride we listened to a beautiful tribute to Old Glory by Miss Vernon Brown. She responded to an encore by a comic recitation reading "Miss Kate Pinolya" citing an instance of mistaken identity.

A recitation by Mrs. Cauley was a plea for the protection of absent ones somewhere in France. Responding to encore, she repeated the recitation entitled "Laisa. A father's boy who is ever the hero-worshiper."

Mrs. J. F. Bells recitation "The Pool" was a mother's anguished wail for her boy, killed in action, and vain

regrets for the by name applied to him far too often and yet wins victory over her grief when she remembers his bravery. The fact is before us in steadiest reality that such mother's are fighting the hardest battles and they are legion. Responding to her encore she favored us with a recital reading "A Dark Brown Diplomat." A display of diplomacy on the part of the black domestic when her mistress formed an idea that stealth was one of her cook's characteristics and who tried to implicate the cat and mice when about to lose her position.

A group of children sang "The Good Old U. S. A.". Their young voices ringing with true patriotism. A group of grown ups sang "Dixie."

Mrs. Adalade Summers then favored us with several popular selections on the piano.

A supper consisting of cake, sandwiches, lemonade and coffee was served in the dining room before dismissal.

Wilson Reed, of Arnett, Oklahoma, is in a local sanitarium in Lubbock for treatment. He will likely be operated on at a later date. He is a son of H. B. Reed and wife of this city.

While the war is not over by a great deal, conditions are certainly very favorable to the allied armies. Advances on every front has been reported for the past month, and the enemy has been forced to give up much territory, lost many prisoners and thousands wounded and heavy death tolls were taken, at lot which will bring about peace quicker than many have expected.

Bids for peace according to specifications are in order, but we understand that the specifications do not call for a German peace.

Bonds Buy Bayonets.

## Peden Back From Washington Tells of Simplified Program of Conservation and Necessity for Winning the War in 1919

"Washington's definite and positive program is to win the war next year," said Administrator Peden of the Federal Food Administration for Texas, who returned to Houston September 11, after a conference of the 48 State Food Administrators with Herbert Hoover on September 4 and 5. "Every thought, every energy, everybody must concentrate upon that one major operation. All else must be secondary thereto," continued the food official.

"By winning the war in 1919 we may save millions of lives, not to mention billions of dollars and precious treasure; and let us also remember a quick, decisive, complete victory within 12 to 14 months will mean a gigantic advantage in dictating the peace terms of the world, compared with our position at the end of several years more of war.

"Really, there is only one wise, economic, humane thing to do, and that is to get busy (everybody—teamwork of the highest type) and settle the issue next year.

"Mr. Hoover told me in parting he had never before believed we could accomplish this objective so soon, but during his recent trip to Europe he became convinced we could do so during 1919, provided every man, woman and child in the country will see and do his duty thoroughly.

"We had a large attendance and most interesting conference. Mr. Hoover's recital of details concerning his European trip and his conferences with the Food Administrators of Great Britain, France and Italy was eagerly listened to by all the administrators present. One of the pleasant features of the convention was the presentation to Mr. Hoover by the 48 administrators of a large and beautiful Silver Loving Cup. Mr. Hoover's voice quivered with emotion and his eyes filled with tears as he, in his modesty, expressed his thanks and appreciation.

"Mr. Hoover stressed the fact that while we now have an increase in bread grains in the United States and Canada, there is a marked and serious shortage in fodder grains here and with our allies, and also a shortage in green feeds and hay. The Southern States, especially, and Texas in particular, therefore, are urged this fall to plant larger crops than ever before of stock feed crops, including wheat, oats and rye for grazing purposes.

"The stabilization of cotton seed and cotton seed by-product prices was accomplished after deep study and careful investigation, and not until the planters had requested and the 48 State Administrators approved it. We hope the schedule adopted will meet with the universal satisfaction of all—the farmer, the crusher, the cattleman and all consumers.

"Our total exports to the allies since the Food Administration was established in 1917 now amount to:

330,000,000 bushels of wheat
75,000,000 bushels of barley
40,000,000 bushels of rye
80,000,000 bushels of corn
50,000,000 bushels of rice
320,000,000 bushels of oats
10,000,000 bushels of beans and peas.

"In view of the good wheat crops here and in Canada and with our allies the bread regulations are lifted and wheatless days and meals abolished, except that all—everyone—must use 20 pounds of substitute with each 85 pounds of wheat flour, and the housewife is relied upon to make similar mixture, until she can purchase the Victory Mixed Flour (\$0.20).

"There are now virtually no restrictions upon meat, but our program as clearly outlined by Mr. Hoover, is one of careful economy and no waste. He strongly urges that we:

- BUY LESS
- COOK LESS
- SERVE LESS
- EAT LESS
- WASTE NOTHING and Clean the Plate.

"That's our program. It's short, concise and easy to remember, and not difficult to observe, when we think of our allies and our boys over there making the supreme sacrifice, with 250,000 more brave Americans being added to the number in France each month to fight for the cause of Liberty, Democracy, Freedom and Christianity."

Bar Barbarism by Buying Bonds

### TO ALL WHO HAVE COTTON TO GIN

At the instance of the Board of Directors of the Chamber of Commerce, we have investigated the ginning done by the West Texas Gin Co., and find that the work done is fully up to standard, that the sample is good and that the seed is fully cleaned. We visited other gins in the vicinity and find that the work of this gin is fully equal to these gins.

We made this investigation, owing to rumors apparently being circulated concerning conditions of ginning at the above gin.

Signed,  
A. B. Conley, Jr.,  
H. O. Waters.

September morns and September eves are chilly. Let's go to the movies.

day were Mr. and Mrs. J. B. Nails, J. B. Copeland and family, Mrs. Cordie Copeland and daughter, Lilah.

Mr. W. B. of Lubbock, was a caller in the community last Monday afternoon and went from here to Otis Copeland's to take a piece for his binder.

Mrs. Lolah Grisham is spending the week end with her sister, Mrs. Edd Estes of near Lubbock.

W. D. Arnett is off on an extended trip to look after his cattle. Mrs. Arnett accompanied him to Lubbock.

Robert Ellison returned home Tuesday morning from a trip to Dallas and other points.

### PEOPLE'S FORUM

"Nothing can be truly great, which is not right; nothing can be right that is oppressive."

To the Avalanche:

Man can be a good man and citizen yet not perfect; there is no perfection in this world; none are perfect, no not one. "It is to be lamented, that great characters are seldom without a blot."—Washington.

"Those who boasts of being perfect are perfect in folly. I never saw a perfect man. Faults of some kind nestle in every bosom."—Spurgeon.

"Perfection does not exist; to expect to possess it, is the most dangerous kind of madness."—Alfred Mosset.

"He that seeks perfection on earth leaves nothing new for the Saints to find in Heaven."—F. Osborn.

"This is the very perfection of a man, to find out his own imperfection."—Augustine.

"When you see oppression there

is more than a probability that right is on the side of the oppressed."

"A desire to resist oppression, is implanted in the nature of man."

Oppression and magnanimity counter, and are as far apart as the North and South pole.

The brightest jewel a man can possess is magnanimity; do unto others, (as far as possible) as you would have others do unto you.

Magnanimity is the keynote of brotherhood, good government and citizenship.

It was the magnanimity of our Saviour, that caused Him to suffer as a man; a torturous death that man might be saved. Not by coercion, but by noble impositions.

God created the first man and endowed him with mental facilities to think and reason, as a free moral agent. With only one restraint; and when tempted as to that one restraint, he proved to be ungrateful and imperfect.

During the war between the States I never saw a prisoner mistreated by the brave. The brave are always magnanimous.

The magnanimous never looks far or expect perfection in deviling with their fellows; but there is one thing that they loathe. No matter how plausible the excuse may be, oppression, under the guise of law.

What a vast power and control Mr. McAdoo has over the business affairs of government corporations, and people. Yet there is no complaint from any source: Magnanimity and practical Democracy is the key, that unlocks the puzzle.

GEO. L. BEATTY.

**TO KEEP WELL**  
A Teaspoonful of PERUNA  
Three Times a Day

**Has Never Been Down Sick Since Taking PERUNA**

Read this letter from Mr. Robt. Minnick, Grass Range, Montana.

"In 1909 I was out in Kansas running a threshing engine and the threshing crew had to sleep out of doors. One of the crew brought me a bottle of Peruna. I took one day and I was feeling very ill from sleeping out. I decided to give Peruna a trial and went for a bottle of Peruna and a box of Peruna Tablets, which straightened me out in a hurry.

"I have never been down sick since that time. I do not take any other medicine except Peruna. I always keep it on hand. If I get my feet wet, get a cold, feel chilly, or a little bad, I always take Peruna. People should not wait until they are down sick and then take it, but should keep it on hand like I do and when they feel bad, they should use it."

Recommended for Catarrhal Inflammation of every description.

### MONEY TO LOAN

Farm and city loans—T. B. Dugan, Lubbock, Texas. 41f

Looking back at the French fields the Germans see a flaming sword at the gate of their lost Paradise. They will never enter there again.

### THAT FIGHTING SPIRIT OF THE AMERICAN BOYS

George W. Titus, Y. M. C. A. worker, tells on his return from France, of the fighting spirit of our American boys.

He says "Our boys are so willing to give up the rest and easy time which they have earned by hard work in the trenches that they very often remain at the front and go into action with relief units, sometimes France or British troops, days after they should have been in a leave camp recuperating for another tour of duty at the front. At Soissons many wounded men came back to our field hospital after their own units had retired to the rear.

"It is difficult to understand how this could happen unless one had seen how our fighting men may become separated from their units in hard battles. They go over the top together but after that anything may happen. This it may turn out that when units are withdrawn to make way for relief forces, small groups will become detached from their own companies. While waiting around for some of their fellows the lure of battle will become so strong that they rush back into action with units that they have never seen before.

"In one instance where it was necessary to divide a company that was scheduled for leave and detail half of the men for reserve duty, the captain stated the case briefly and asked for volunteers. Every man in the company volunteered for the service that would keep him near the front."

At Captigny, men were coming out of action practically shot to pieces. But as they lay on their cots in the field hospital they joshed and laughed in spite of the pain they suffered.

"At one moment, a wounded man would groan as a sudden pain darted through his body, and the next minute he would be laughing and saying: 'Gad, did you see those Huns run?'

"Men severely wounded would go unaided to the dressing stations. One man with both arms dangling helpless by his side refused the aid of two stretcher bearers, telling them not to mind him, but to keep on and bring in a man whose legs wouldn't bring him."

Mr. Titus was with a trench mortar battery at Catigny in May when the battery threw 776 big bombs into the village in one day. These trench mortars, which never had been used before by the United States forces, were most destructive and sent the Germans on the run in such a hurry that heavy guns which they had abandoned were found loaded and ready to be turned upon them when the Americans captured the village.

# Announcing the Men's and Boys' Shop's Great Stock Reduction Sale

**BEGINS OCT. 1st--ENDS OCT. 26th**

In view of the present abnormal conditions, we have decided to reduce our stock of *Men's and Boys' Shoes and Furnishings*, which by the way, is one of the cleanest and largest in the Panhandle. After having considered several plans of reduction, we have wound up by selecting one of the most used of them all--by holding a sale. As you know, it has not been our custom to put on sales but we believe that in this instance it affords the easiest and quickest means of reduction and at the same time offers to our customers a *Real Money-Saving Opportunity*. And when we use the term "Money Saving" that is exactly what we mean, in its truest sense, for no prices are being suddenly jumped up on our merchandise just before the Great Sale Starts. *Everything Exactly as Represented*. Prices marked on each article in plain figures. Remember the dates, October 1st to 26th inclusive. And whatever you do don't miss this opportunity to lay in your supply of Fall and Winter Clothes at such an immense saving. Read carefully the following reductions. All articles not mentioned reduced 10 per cent.

## SPECIAL NOTICE

We are requested to announce to the ladies who sent dishes to the Dinner given on Sept. 12, at the Davidson Fed store, that they can get the dishes by calling there and asking Mr. Miller, who is now occupying the building, for them. The ladies wish to thank all who patronized them and also those who contributed in any way to the success of the occasion.

Geo. W. Briggs, secretary of the Chamber of Commerce, made a business trip to Sweetwater and other points last week.

## ....Society Notes....

Mrs. Adelaide Summers, Phone 435

Miss Mattie Pylor was honoree at a delightful 42 party given Friday night at the home of Mrs. J. E. Garrison on Post Office Street. The house was decorated in flowers. There were four tables. Score cards and favors were of patriotic design. At the conclusion of the games ice cream and cake were served.

The Twentieth Century Club was in full attendance Tuesday Afternoon. The subject "John Galsworthy," was well discussed by the President, Mrs. Kimbro, who was leader for the afternoon. An interesting paper written by Mrs. O. D. Hargis was read.

The new ruling made by the Auction Bridge Club changing the time of their meetings goes into effect October first. The members are urged to make note of this and be prompt. They meet Tuesday of next week with Mrs. Roscoe Wilson at 3 o'clock.

Mrs. A. Burrus, of Tennessee, is spending the winter with her sister, Mrs. Ponzini.

Mr. and Mrs. L. P. Ellis, of Lorenzo were guests of Temple Ellis and family Saturday and Sunday.

Mr. and Mrs. W. S. Pengra, of Wisconsin, are here visiting their daughter, Mrs. Geo. W. Briggs.

Mr. and Mrs. L. A. Stearns visited last week with their brother's family, C. H. Burrus. The mother, Mrs. J. R. Burrus accompanied them on a trip to Roswell, N. M. They returned Sunday and Mr. and Mrs. Stearns left Monday for their home in Matador.

Misses Maude Davis and Alma Daugherty, also Emmett Burford, Dewey Farris, Sam Jones, and J. C. Sanders, were among the young people who left last week to enter Abilene Christian College.

Mrs. J. J. Dillon, of Whitewright, Texas, arrived Tuesday to visit with his sister, Mrs. R. M. McCollum.

Mrs. R. A. Sandifer, of Wilson, who has been visiting in Everman, Fort Worth and Colorado, Texas, spent the latter part of the week with her daughter, Mrs. Jno. Agnew and left Monday for her home.

Mrs. Morris and Miss Alice McFadden came up from Slaton Tuesday to look after business matters.

Miss Elizabeth Kendrick, of Hamlin is visiting her aunt, Mrs. Goldsworthy. The name and home place was miss-called in last weeks notes and we correct it this week.

Mesdames E. A. Graham and M. B. Sawyer, of Brownfield, Irving Sprague and Lee Bonner, of Seargraves; Mrs. L. Fowler, Fort Worth; Lieutenant and Mrs. Otho Williams of Amarillo; Misses Joe M. Haynes, Post City; Lola Latham, Plains; C. H. Fortman and wife, Helena, Montana; M. K. Woodruff and wife, Amarillo; registered at the Hotel during the past week.

Mrs. M. M. Dupre and sister, Mrs. J. M. Slagle, left Saturday for Art, Texas, in response to a telegram announcing the death of their aunt, Mrs. Sartain, who died Friday.

Mr. and Mrs. Ferguson, of Pueblo, Colorado, and Mr. and Mrs. Chas. Dookum, of Colorado Springs, left Wednesday for their homes, after visiting friends in Lubbock.

The ladies of the Presbyterian church will give a dollar social at 4 o'clock, October 14th, at the home of Mrs. W. R. Spencer on Broadway. All the members are urged to be present and be ready to tell how her dollar was made.

Mrs. Fulton arrived in Washington, D. C., Thursday morning. She has accepted work with the government. Mrs. Fulton was quite a splendid worker in the Red Cross here, having served as Secretary of the local organization since its beginning. She will be missed in the church and social circles.

Miss May Ellison, station mistress at T. & P. station at Fort Worth, is visiting relatives in Lubbock this week.

## NOTHING ELSE LIKE IT IN LUBBOCK

There has never been anything in Lubbock with the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, ONE SPOONFUL flushes - the ENTIRE bowel tract so completely - it relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. The INSTANT, pleasant action of Adler-ika surprises both doctors and patients. B. P. Hopkins, druggist.

## ITEMS OF INTEREST

### ACUFF FOLKS

We are having some beautiful weather compared to last week's temperature, and the farmers are rejoicing over such weather to gather their crops.

Mrs. Clark Rush was at Mr. S. S. Rush's home the first of the week.

Mesdames S. S. and Elmer Rush left Saturday morning for San Antonio, Texas to visit for some time. Mrs. Elmer Rush will stay with her husband who is in training there and Mrs. S. S. Rush will visit her two daughters, Mrs. M. L. Kelley and Miss Bess Rush who are working there.

Mr. Lee, who has purchased Mr. W. N. William's place visited here Saturday and Sunday and returned home Monday. He was a very welcome visitor at Sunday school Sunday morning.

Little Milton and Mildred Davis are being vaccinated this week, or fear they will have the whooping cough. They took their first serum today.

Come to the box supper October 5th.

Mesdames W. P. Jess and Orley Rush visited Mr. S. S. Rush Monday. Mr. Ashley Davis visited Mrs. W. D. Davis Monday.

Mr. and Mrs. O. E. Rush and daughter, Louis took dinner with Mr. and Mrs. Ashley Davis Sunday.

Mr. R. G. Russ cut feed for Lucus Evitt Monday and Tuesday.

Mr. and Mrs. L. S. Evitt took dinner with Mr. and Mrs. D. Pounds Sunday.

Mr. L. S. Evitt called on Mrs. Eston Evitt Tuesday afternoon for a short while.

We are sorry to report the children of Mr. and Mrs. G. C. Davis are on the sick list this week. Hope soon hear of their recovery.

A. C. Evitt is hauling grain to Lorenzo this week.

Little La Verne Pounds is rapidly recovering from a very severe cold of which she is real proud.

We understand Walter Kimbrell, with several other boys we know, are in New York ready to go over there at a moment's warning.

Mr. Briley, of Lorenzo, formerly of Post, purchased several acres of feed from L. S. Evitt Saturday.

Attention—October 5th there will be a short program and a big box supper at the Acuff school house on Saturday night. Everyone is invited, and boys be sure to bring your pockets full of money, and the girls will have pretty boxes "chuck full" of something real good to eat. Don't forget the date, October 5th. And be sure and come and bring some one with you.

The singing Sunday evening at the home of Mr. and Mrs. L. S. Evitt was quite a surprise. However, all present seemed to enjoy themselves immensely.

Mr. and Mrs. J. M. Boyd accom-

panied by Mr. and Mrs. Eston Evitt, called on Mr. and Mrs. J. W. Dalton Sunday, P. M.

Mr. McCasland and Miss Eoff took dinner with A. M. Evitt and family Sunday.

Orley Rush made a flying trip to Lorenzo Tuesday morning.

Mrs. W. D. Davis and Mrs. D. Pounds motored to Lubbock Tuesday afternoon.

Mr. and Mrs. John Kimbrell and family took dinner with Will Rush and family Sunday.

Mr. and Mrs. J. M. Boyd motored to Lubbock Friday P. M.

W. W. Cotton, of the Becton community, was in Monday and became a reader of the South Plains' big weekly.
