

THE LUBBOCK AVALANCHE

VOLUME XIX

LUBBOCK, LUBBOCK COUNTY, THURSDAY, DECEMBER 5, 1918.

NUMBER 23

LUBBOCK TO ENTERTAIN VISITORS

SCHOOL TEACHERS FROM FIVE COUNTIES WILL BE WITH US FROM DECEMBER 16TH TO 20TH.

TEACHERS IN ANNUAL DISTRICT INSTITUTE SESSION

Prominent Instructors From Various High Institutions of Learning Will be Here and Conduct Various Topics to be Discussed at This Meeting. Several Hundred Will Attend.

For several years the teachers of a number of counties have joined in an annual District Institute, and the interest has been growing with each session, and additional counties have been falling in line with the Lubbock District, until the meeting this year will compose the teachers from Crosby, Garza, Lubbock, Lynn and Terry Counties; and there will be between two and three hundred teachers from these counties in attendance besides a number of teachers from other parts of the state.

Prof. M. M. Dupre of the institute says:

"Lubbock must care for these people. Mr. Atkinson, principal of the High School, assisted by a committee of teachers will secure boarding places for the out-of-town teachers. All those who can board or room one or more of the visitors please Mr. Atkinson, giving the number, and the charges for each person. The teachers expect to pay for rooms and board, but please remember they are getting very meager salaries, and would appreciate very reasonable charges. Help us, citizens of Lubbock, to make Lubbock the educational center of the South Plains."

The program and instructions have been sent to each teacher and we reproduce same for the benefit of their friends and the public in general:

Conductors: M. M. Dupre, Lubbock; W. T. Bowers, Post.

Director: Dr. H. T. Musselman, Dallas.

Secretary-Treasurer: Miss Mamie Klett.

Executive Committee: Judge A. R. Anderson, Garza County, Judge Pink L. Parrish, Crosby County, Judge J. H. Moore, Lubbock County, Judge W. W. Price, Terry County.

Entertainment Committee: G. N. Atkinson, E. R. Haynes, Misses Cecile McCrummen, Cora Johnson, and Elsie Arnns.

Conductors: High School Section, Dr. Musselman; Intermediate Section, Dr. Davis; Primary Section, Miss Lora B. Peck.

The Committee who had the arrangements for the District Institute in charge decided to adopt the plan of the more progressive states in their institute work.

Three of the leaders in educational work of the State have been secured to conduct the three sections for the entire week:

1. High School Section—Dr. H. T. Musselman, Editor of the Texas School Journal.

2. Intermediate Section—Dr. E. E. Davis, of the Educational Department of the University of Texas.

3. Primary Section—Miss Lora B. Peck, Primary Supervisor of the Houston Public Schools.

We have arranged for two general sessions of forty-five minutes each, and four sectional meetings of one hour each for each day of the week. This will give a very busy day to everybody.

The expenses of the Conductors of the different sections will be quite heavy and the committee thought that the teachers would prefer to pay a small fee and get the very best talent, and have a real live school of methods than to have the old-time "rehearsed" so we have figured that it will cost each of us one dollar and fifty cents, which every teacher will be expected to pay to the Secretary-Treasurer on the first day of the Institute.

The committee on entertainment will secure boarding places for all teachers, but a card a few days in advance of the opening would save much worry after reaching Lubbock. Address either member of the committee, tell your wants and boarding accommodations will be secured.

Bring your note book and come prepared to make this week the most valuable of your professional career. Should you forget your note book, the Secretary will furnish you one when you register, as we want every teacher to be prepared to do the very best work possible.

C. D. SHAW DIED HERE WEDNESDAY AFTERNOON

C. D. or Chester Shaw, as he is more commonly known, died here Wednesday afternoon at about one o'clock, at a local sanitarium, of pneumonia, following an attack of flu. The announcement of his death came rather as a surprise to the majority of people, as but few knew that he was sick, and his death cast a gloom over the community.

For years Mr. Shaw has been an honorable citizen of the plains country. He ripened into manhood in this county, married a plains girl and enjoyed the blessings of a happy home for several years. He owned and operated a stock farm in the vicinity of Abernathy, and was among the staunch citizens of the community.

The remains were taken charge of by the Robinson Undertaking Company and prepared for burial, as soon as his relatives, who are scattered over Texas and New Mexico, can come here for the funeral.

The Odd Fellows lodge at Abernathy, where he was a member at the time of his death, will have charge of the funeral, assisted by the local lodge, where the work was conferred upon him some years ago, and of which lodge he was for a number of years a faithful member.

The funeral will be held tomorrow afternoon.

36TH DIVISION RETURN TO FT. WORTH FOR RELEASE

Washington, Dec. 4.—Thirty camps were designated by the War Department today as demobilization centers to which enlisted men are to be transferred for discharge from the army.

The camps include Beuregard, Louisiana, and Pike, Arkansas; MacArthur, Bowie, Travis and Logan, Texas, and Funston, Kansas.

The designation of Camp Bowie as a demobilization center, as stated in the foregoing dispatch, means that the Thirty-Sixth Division will be returned to Fort Worth for the men to be discharged.

REGULAR ARMY TO BE INCREASED TO 500,000

Washington, Dec. 2.—A regular army of approximately 500,000 men is provided for specifically in estimates submitted to Congress today for the fiscal year 1920, beginning next July 1. Detailed items on the pay of the army show that in the total of \$1,922,000,000 asked for, exclusive of the fortification estimates, provision is made for the payment of 21,259 officers and 382,667 men of the line and approximately 130,000 noncombatant troops with the requisite staff officers.

DISABLED YANKS BE PAID DURING RE-EDUCATION

New York, Dec. 3.—Soldiers disabled during the war will be paid sixty-five dollars a month during the period of their re-education, which will be directed by the federal board for vocational training, Dr. Proser, director of the board, announced today.

He said the government had authorized the board to make this payment with an additional ten dollars if the soldier has dependents.

Messrs. R. J. Frye, J. S. Magill and J. W. Ryan, of Plainview, Texas, spent several days in our city in the interest of the O'Keefe-May Oil Company, who have holdings in the Burk Burnett oil field.

Mrs. Dr. Greer who was operated on last Monday at the Lubbock sanitarium is reported much better. Her many Lockney friends will be glad to know that she will soon be with them.—Plainview News.

IMPORTANT COURT NOTICE

On account of proclamation by health officer restricting public gatherings the following announcement is made necessary:

The jury for week commencing Monday, Dec. 16th, will report Monday, Dec. 30th.
The jury for the week commencing Dec. 23rd, will report Monday, Jan. 6th.
The jury for the week commencing Dec. 30th, will report Monday, Jan. 13th.

W. R. SPENCER,
District Judge.

Correct—Attest:
SAM T. DAVIS,
Clerk of District Court.

65TH CONGRESS THIRD AND FINAL SESSION BEGINS

Washington, Dec. 2.—The sixty-fifth congress began its third and final session today with many important matters before it. These include solution of the railroad problem, the army and navy programs, reconstruction legislation, retrenchment in government expenditures, war-revenue legislation, woman suffrage and the Colombian treaty.

In view of President Wilson's statement in his annual address to congress today that he does not expect conclusion of peace until spring, leaders tonight expressed doubt whether the present senate, which expires by limitation next March 3, would be called upon to act on the peace treaty.

Chairman Hitchcock of the senate foreign relations committee said he expected several treaties would result from the Paris conference—a general treaty ended the war, but with specific, separate treaties dealing with important matters like freedom of the seas and a league of nations.

While the peace negotiations are proceeding, extended debate in the senate, on all phases of the question involved is expected by leaders. Senator Hitchcock explained tonight that in this way the senate's views can be given to the conference.

LUBBOCK SCHOOL WILL GET STATE AID MONDAY

The following letter has been received by the County Judge from State Superintendent W. F. Doughty under date of November 29th:

"Applications for State Aid of certain of your districts have been received and conditionally approved as indicated below:

Center District 2	440
Grovesville District 4	350
Bledsoe District 5	350
Caldwell District 6	350
Vaughn District 9	400
Monroe District 10	400
Canyon District 11	500
Shallowater District 17	400
Idalou District 19	400
New Hope District 20	300
Woodrow District 21	300
Carlisle District 24	200
Hardy District 26	350
Petit District 30	500

The approval in each case is as liberal as funds available will permit. In fact if your applications had been received one day later, I am of the opinion that the funds would have been entirely exhausted."

This does not represent the final amount that each school will get, as that will be determined by the State Rural school inspector when he comes.

Two other applications were sent in later than these above shown and these have not been reported on by the State Superintendent, they were Union District 3 and Posey District No. 15.

J. L. CALDWELL INJURED IN AUTO ACCIDENT

J. L. Caldwell was quite seriously injured in an auto accident last Thursday. He is in company with his family were driving in a Ford east of the Canyon, when the car skidded and turned over, throwing the occupants out and severely injuring Mr. Caldwell. His injuries consist of several broken ribs and other bad bruises. He was brought to the West Texas Sanitarium where he is doing as well as can be expected considering the nature of his injuries. Fortunately his wife and two children escaped without any injury to the children and Mrs. Caldwell received only a few slight external wounds.

LUBBOCK-SLATON OIL COMPANY OPENS OFFICES HERE

The Lubbock Slaton Oil Company have opened offices in Lubbock and are now offering stock for sale in their holdings in the Burk Burnett field, and they are meeting with unusually good success. The company is capitalized at \$50,000 and is offered by the following: R. J. Murray, Slaton, President; W. J. Ryan, Vice-President; B. R. McWhorter, Lubbock, Secretary; C. L. Adams, Treasurer.

Mrs. Jno. Cline and daughter, Miss Freda Boyd, returned home Tuesday from Fort Worth. They attended the Billy Sunday meeting and report a very pleasant trip.

PRESIDENT IS NOW ON HIGH SEAS

AND SAYS HIS PRINCIPAL OBJECT OF VISIT TO EUROPE IS TO BE SURE MILITARISM IS ABOLISHED.

GREAT DEMONSTRATION MADE AS HE LEFT NEW YORK

He Sailed on the George Washington, Formerly a German Passenger Ship, Under Naval Convoy. Two Other Representatives From the States are On Board with the President.

New York, Dec. 4.—Bound on a mission, the principal objects of which are the abolition of militarism and the attainment of a just peace, Woodrow Wilson, first president of the United States to visit Europe while in office, was tonight speeding across the Atlantic toward France to attend the greatest international conference in history.

On the transport George Washington, one time German passenger liner, manned by a navy crew and with deck guns ready for action, and accompanied by a naval convoy, the president left New York harbor today amid a demonstration without parallel in the history of the port.

The president took his place on the flying bridge as the great ship moved down the bay. River craft and ships of many nations dipped flags and tooted whistles and thousands of persons bade him God speed in cheers and flag wavings from skyscrapers and piers.

Off quarantine, where Staten Island throngs waved and shouted a second farewell and monitors, gunboats and anti-aircraftmen at Fort Hamilton joined in saluting gunfire, the George Washington met its ocean convoy, the superdreadnaught Pennsylvania and a quintet of destroyers. With her official consort and ten other destroyers which joined the fleet for a cruise to the limit of American territorial waters, the George Washington disappeared over the eastern horizon shortly after noon.

Mr. Wilson left his native shores, according to persons who conferred with him before the George Washington sailed, determined against militarism in any form. He feels that the crushing of Prussian militarism is part of his plan for the future peace of the world, these informants said.

Aviators Cheer President. Mrs. Wilson, together with the wives of Secretary Lansing, Ambassador Davis and Italian envoys are members of the George Washington's passengers.

Many Distinguished Persons. The liner's passenger list contains a group of prominent names, probably without parallel for any single voyage in the annals of shipping.

With the president are two of his fellow delegates to the peace conference—Secretary of State Robert Lansing and Henry White, former ambassador to France and Italy, who will join Colonel E. M. House and General Tasker H. Bliss in Europe. Guests of the chief executive included the French and Italian ambassadors, John W. Davis, newly appointed ambassador to Great Britain; high naval and military officers, representatives of various government departments and a staff of specialists to advise the American peace commission on problems political, economic, trade and racial characteristics of nations affected.

Governor Hobby Says Texas As May Be Kept Clean. Austin, Texas, Nov. 27.—Governor Hobby, in addressing the Rotary Club at a luncheon given in his honor, declared:

"We made Texas clean for the period of the war and we must keep it clean in times of peace." A significant statement made by the Governor was that while it was not his purpose to talk politics, he did desire to say that the people should permit no backward step in the matter of special and moral reforms effected by the last Legislature for the period of the war.

97TH DIVISION AT CAMP CODY ORDERED DEMOBILIZED. Camp Cody, N. M., Dec. 2.—Brig. Gen. James R. Lindsay, commander of Camp Cody, announced today that the Ninety-Seventh Division had been ordered demobilized. The base hospital and a few other necessary units are to remain intact for the present, it was announced. Troops from Minnesota, Oklahoma, Nebraska, New Mexico and other Western States have been training here.

Two Ladies Elected To Office in Young Co. Graham, Texas, Dec. 2.—The newly elected county officials of Young County took office this morning, Miss Etna Wilkinson, who will be County Superintendent of Education, and Mrs. Julia Baynes, who will serve as County Treasurer, will be the first women to hold office in this county.

M. A. Moses, of Ralls, came in Monday from a trip north and was developing a good case of flu, so he took the serum treatment at the sanitarium and continued his journey home Tuesday. Mrs. Moses came over to meet him.

Mrs. T. E. Payne and baby, of Justiceburg, are in the Lubbock Sanitarium suffering with the flu.

GET READY FOR THE RED CROSS MEMBERSHIP DRIVE. Beginning with December 16th a drive for membership of the Red Cross will be started over the entire country. Even though the war is over, there will be need for Red Cross work for some time to come.

Last year Lubbock County enrolled over 1800 members at a dollar a member. This year the county should do even better. Every man, woman and child should be a member of this great organization. So when this drive begins, let everybody get their dollar ready, for the solicitors will be after you. KEEP UP YOUR MEMBERSHIP IN THE RED CROSS.

THE WEATHER FOR PAST WEEK HAS BEEN COLD

The weather in this part of the country for the past week has been cold. There is still snow on the ground in places from the fall over a week ago, and it has been freezing and below the freezing point every morning the past week. No snow or rain the past week, and the snow has melted and soaked into the ground which will benefit the farms considerably.

**GERMAN ARMY IS BEING
RAPIDLY DEMOBILIZED**

All-German soldiers with the exception of the classes of 1898 and of 1899 are being discharged as fast as possible according to reports reaching the American third army. These two classes will be held in service until Field Marshal Von Hindenburg sees fit to discharge them.

The schedule of demobilization in Germany is carried out as rapidly as the troops reach their various headquarters.

More than a million and a half of prisoners of various nationalities have been released by the Germans, according to estimates based on reports received by the American third army.

Of this number approximately 250,000 will pass through the American lines and will be fed by the American troops. Most of the quarter of a million prisoners are French, English, Italian and American soldiers.

**BREWERS WON'T CONTEST
BREWING BAN AT PRESENT**

Newark, N. J., Nov. 30—The brewers of the country will make no effort at this time to have the ban against brewing lifted, according to a statement made tonight by Christian W. Feigenspan, president of the United States Brewers Association. "Not much can be accomplished so far as I can see," he said, "because Mr. Hoover is in Europe. I don't think it will be possible to make any test of the prohibition law while the war is in progress. It is a war measure, and I have no doubt of its constitutionality."

**FIRST BODY OF
U. S. TROOPS RETURN**

New York, Dec. 1.—The British steamship Mauretania, returning to the United States with the first large body of American overseas troops, anchored in Gravesend Bay at 7:40 o'clock tonight. She was met by navy and army tugs. She probably will remain at her anchorage until early tomorrow morning, when she is expected to dock at Hoboken.

The navy tug, it was reported, had been ordered to meet the Mauretania to bring ashore Admiral Henry T. Mayo, commander of the Atlantic fleet, who was returning from England as a passenger. The army tug, it was said, had orders to bring ashore an army officer of high rank.

Aboard the Mauretania, as announced recently by General March, chief of staff, are several thousand members of the Air Service who were stationed in England. The ship also carried a number of casualties.

When the transport docks at Hoboken relatives and friends of those aboard will not be allowed on the pier, according to a recent announcement by Brigadier General G. H. Mannus, embarkation officer at this port.

Hospital Ship Brings Wounded.

New York, Dec. 1.—The men who helped pay the inevitable price of victory in the great war are coming home, but there will be no parades for them, no avenue between lanes of cheering hero worshippers.

The hospital ship Northern Pacific docked at Hoboken tonight with 1,100 wounded soldiers and marines on board, including forty officers. She steamed slowly through the Narrows after dark, hours late because of heavy head winds.

For the returning heroes there was none of the martial pomp which sent them away. A few of the "walking wounded" lined the rail as the vessel came abreast of the Statue of Liberty and there was a feeble cheer as Barthold's emblem of freedom welcomed them to the harbor.

On the way in they passed the giant Mauretania, at anchor in Gravesend Bay, crowded with the troops returning from training camps in England.

Five hundred of those aboard the Northern Pacific are badly wounded, but most of the others were able to hobble about the ship on the voyage across.

The work of removing the wounded to hospitals will begin at 8 o'clock tomorrow morning. The Red Cross has mobilized every available ambulance to carry them.

The passage of the Northern Pacific with its freight of wounded was the roughest the ship has encountered during its year and a half in the transport service of this country.

Opportunity is Knocking!

It is claimed that opportunity knocks once at every man's door. Today opportunity is knocking at the door of every man in Texas and the great Southwest. The oil industry is the biggest, safest and altogether best investment that any man can make and the opportunities are before you. Read every word of our advertisement and see if we cannot interest you. This is a home company. We ask you to keep home money at home. **WE ARE NOT A WILD-CAT NOR A SPECULATING CONCERN.**

We Offer You an Investment in Money Making Property---Read:

OUR PROPERTY—Five acres about 1-3 mile Southeast of Burkburnett Townsite. With production on three sides, and a deep test going down on the fourth side, and being on the Main Dome and in direct line with the best wells in the field, such as the Fowler, Harvey, Staley, Big Pool, and Smith well it is one of the most attractive propositions in the field today.

OUR PROPOSITION—We have a capital stock of \$50,000.00 and sufficient land for four drill sites, but \$50,000.00 will not buy the lease and drill four wells, but it will buy the lease and drill one well. We propose to put down one well 2000 feet or to satisfactory production, and equip it from this production we propose to pay dividends every thirty days, if there is sufficient for a dividend, until all the stockholders have received their money back. After that, if it is satisfactory with the stockholders we propose to keep back one dividend for the purpose of putting down another well and so on until we have four wells on the tract.

WHAT WE CAN EASILY EXPECT—Pipe line reports showing the receipts from thirty-one wells in Burkburnett field, show a daily production of from 300 barrels to 1685 barrels, or an average of practically 600 barrels daily production.

Taking the average well and it will more than pay back each stockholders money every sixty days. Take the minimum well and it will more than pay it back in Ninety days.

Some Interesting Figures

from United States Census showing wealth produced per capita:

Farming	\$ 297.00
Forestry	435.00
Manufacturing	764.00
Mining	910.00
Oil	1000.00

Did You Know

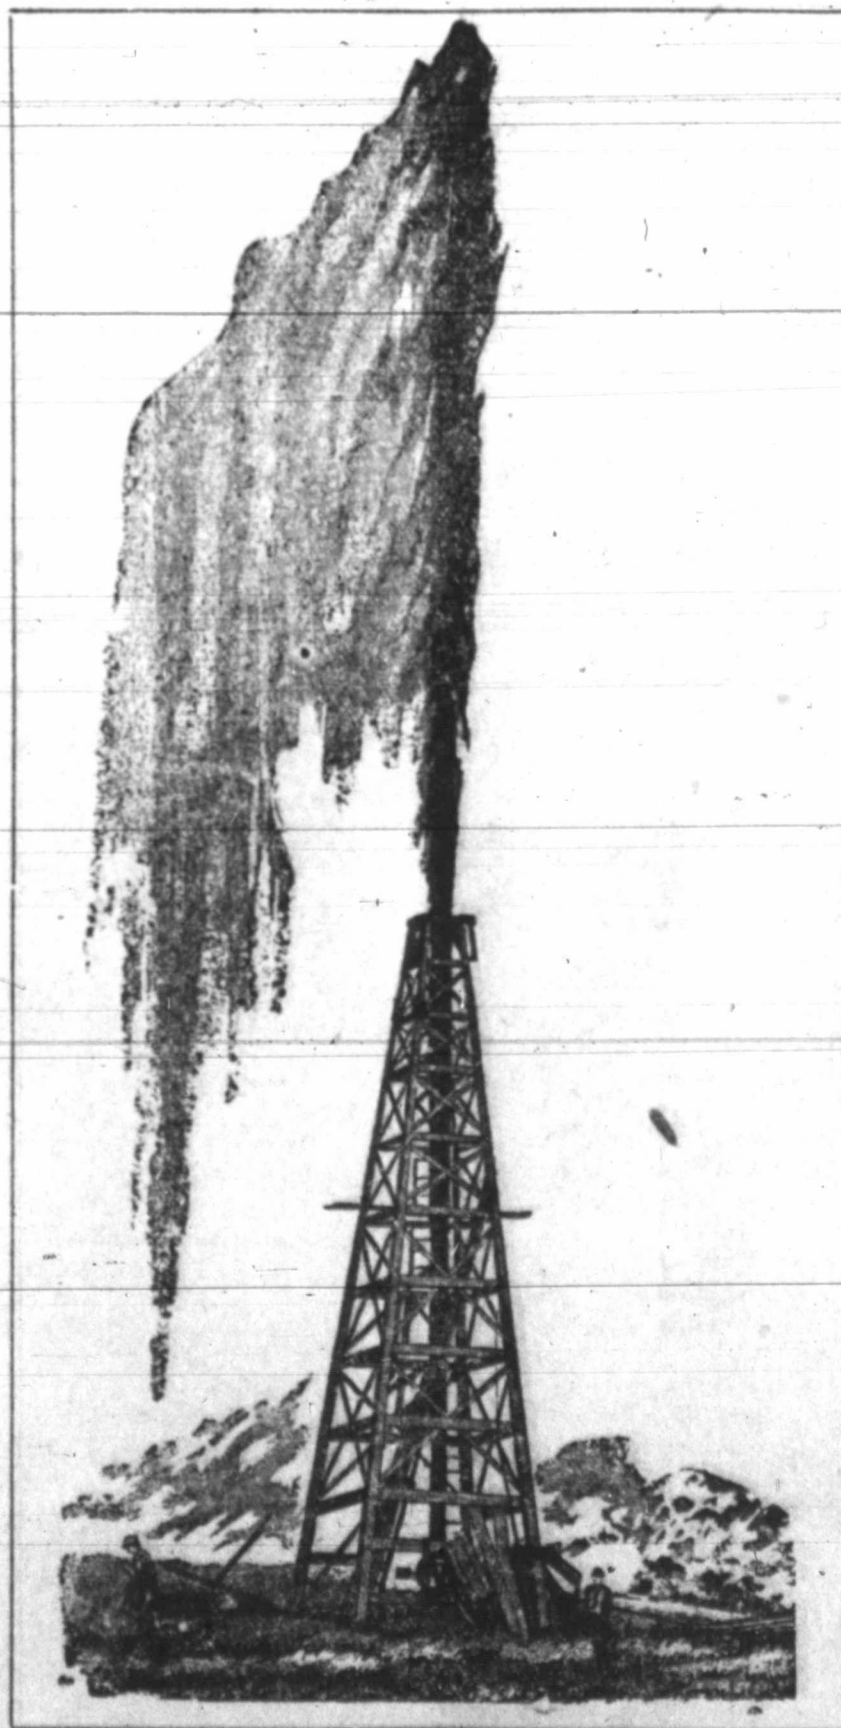

that the average returns from oil investments are:

- 30 times as great as from National Banks
- 60 times as great as from railroads
- 18 times as great as from Insurance
- 14 times as great as from Lumber Industries
- 10 times as great as from manufacturing

F. M. Butler, bank clerk at Floydada, Texas, and his mother invested \$250.00 in Fowler No. 1, at Burkburnett, and it is reported that they have refused \$37,500.00 for their interests.

A widow lady in Snyder, Texas, invested \$600.00 in Oil and has been offered \$9,000.00 for her holdings.

The Burkburnett field is practically five months old, and already some of the stock is worth four and five to one.

The Big Pool Oil Co. of Burkburnett has just declared a 100 per cent dividend, and will drill another well from profits already received.

Operating in the Wonderfield of Burkburnett---An Extraordinary Opportunity to Make a Profitable Investment---No Speculative or Gambling Element in it.

We ask you to carefully consider our proposition and write us at Lubbock or call in person at our office. We will be pleased to go into details of the matter at any time and if we did not have the fullest faith in what we are selling we would not offer these shares for sale. Come to see us or write.

BARRIER BROS. DRY

BROWNFIELD

LUBBOCK

This is to be the Title of the Big New Company That is to be Formed About

Barrier Brothers stock of goods at Lubbock will be consolidated with roomy and modern building. This will be a move that will mean an economy in operations of both old concerns.

CLOSING OUT SALE!

STARTS SATURDAY, DECEMBER 7th, CLOSES TUESDAY DECEMBER 24th

To Our Customers and the Entire Public:

Already plans have been consummated by which this stock will be consolidated with that of the worthy and growing chain of stores known as **BARRIER BROS.**, located at Lubbock, Brownfield and Floydada. The Lubbock Dry Goods Co., will retire. Both the Lubbock Dry Goods Co. and Barrier Bros. Stocks here will be reduced, and the new firm will continue in our present place of business.

To do this a **Vast Amount of goods Must be sold** in order that the room may be adequate. There remain but **fifteen business days** in which this **must be done**, as this store will be closed on Dec. 26 to take stock. Evidently this means that **all previous prices will be greatly lowered**. Profits and present day costs will be disregarded, forgotten—because the goods **must be sold in a few days**.

Speaking conservatively and sincerely, as we have ever striven to do, we say to our friends, **NOW** is an **exceedingly rare opportunity** in which to buy whatever you may need for fall and winter, and even later, at prices which **cannot be surpassed anywhere at this time**.

We haven't the space, and deem it unnecessary to quote prices on every article. The few prices quoted below may be considered as an index to those that prevail throughout our **entire stock** which is yet complete and comparatively unbroken.

Make a list of what you want for months ahead and **come early** for that will insure the best selections. We shall make but few, if any, new orders.

Remember that all through this great closing out or dissolution sale, every purchaser will be entitled to 100 votes for every dollar bought, and 300 votes for every dollar paid on notes or accounts.

Also that no "Approval" sales will be permitted, because we are retiring from business. Goods accompanied by the sales ticket and in good condition may be returned and exchanged for other merchandise, but no money will be refunded. But positively no goods will be exchanged after the close of business Dec. 24, our last business day.

We are making our **Last and largest** division of profits with our patrons, and for this reason, and others stated above, we cannot accept "approval" sales or make any refund of money. We have only 15 more days, Dec. 7 to 24, in which to sell, and hence all sales must be **SPOT CASH**.

Instructions for Mustering Out Soldiers are Given

Instructions for the final payment of officers and enlisted men were received at Camp Bowie Wednesday morning. All preparations have now been completed for the demobilization of the troops. The telegram from the War Department giving the order to muster the men out is expected hourly.

Enlisted men discharged or otherwise separated from active service by organizations or detachments under orders for the demobilization of the present army will be given final pay, except as otherwise provided on the Regular Army payroll. Enlisted men discharged individually or discharged with an organization who for some reason cannot be paid a final pay on the payroll, will be furnished with final statements covering the final pay as usual.

Travel pay at the rate of three and one-half cents per mile will be paid as follows:

Men who have enlisted in the Regular Army or men who have enlisted in an organization of the National Guard after it had been called into Federal service, will receive pay to cover travel to the place of acceptance for enlistment.

Send Selectives Home.

Men who have been inducted under the Selective Service Regulation to the place of induction.

Men who belonged to the National Guard prior to its being called or drafted for active Federal Service as members of such a National Guard organization—to the home rendezvous of the organization with which they reported for the present tour of Federal service.

Men who have been furloughed from the Regular Army to the reserve, from which they are called to active duty and are now furloughed to the reserve or discharged—to the place at which they received the call or notice requiring them to report again for active service.

Men of the Enlisted Reserve Corps who were called to active service and relieved from active service and placed back in the reserve for an inactive status, or discharged—to the place

at which they received the call to report for active service.

Men will be paid full travel pay due them notwithstanding that they may not be paid in full or that stoppages exceed the total amount otherwise due them.

Reduced Fare Provided.

Under regulations issued by the United States Railroad Administration, tickets will be sold to discharged officers and enlisted men from place of discharge to place to which they are entitled to travel pay at two-thirds of the regular rate authorized for travel in a day coach.

If officers and enlisted men travel in Pullmans, they will be required to pay regular surcharge applying to commercial travel. The sale of tickets at reduced rates will be restricted to between the points stated above and receipt will be required from each man who purchases such reduced fare tickets. Such tickets will be purchased only at place of discharge and only upon date of discharge.

War Risk Insurance allotments and Class I allotments (which include Liberty Bond allotments to banks other than the Secretary of the Treasury) in case of officers, enlisted men and nurses, will not be pro-rated, but will be discontinued as of the last day of the month preceding the month in which separated from the active service unless separated on the last day of the month, in which case such allotments will be discontinued upon the date of separation. Such allotments will be advised by commanding officers to arrange with banks regarding future payments.

Check Officers' Accounts.

Officers actually holding commissions in the Reserve Corps, if discharged, are entitled to pay to include date of discharge and to travel pay at the rate of 4 cents per mile. This they will receive before leaving post or camp. Reserve officers ordered to their homes to stand relieved from active service, are entitled to pay to include date necessary to reach their homes and to mileage at 7 cents per mile. Reserve officers returned to an inactive status may be paid final pay due them before leaving camp if they can reach home on the date their relief at the post or camp becomes effective.

The following classes of officers will upon separation from active service be paid by the quartermaster at the post or camp the final allowances and pay due them:

Officers who have not been accountable or responsible for the public funds or property.

Officers who, having been accountable for public funds, receive complete clearance therefrom from the accounting officers of Treasury Department.

Officers who, having been responsible for public funds, have received complete clearance therefor from the office or officer to whom responsible.

Officers who, having been accountable for public property, have received complete clearance therefor from the auditing bureau to which such property pertained.

Officers who cannot furnish certificates as to final non-indebtedness will not be paid final pay at time of separation from active service, but will before leaving post or station prepare their final accounts. Officers who are discharged, who are precluded from drawing final pay at place of discharge, if they desire, he paid travel pay of 4 cents per mile.

Attention is invited to the ninety-fifth article of war, under which men who while under military service defraud the government, may after discharge be apprehended and tried by court-martial. Action may also be taken in the Federal Courts.

SHE KEPT THEM ON THE JOB

FIVE PERSONS NAMED TO REPRESENT UNITED STATES

Washington, Nov. 29.—The representatives of the United States at the peace conference will be: President Wilson.

Robert Lansing, secretary of State.

Henry White, former ambassador to France and Italy.

Colonel E. M. House.

General Tasker H. Bliss, representative of the American army with the supreme war council at Versailles.

This announcement was made today at the White House. In the absence of any official explanation it was assumed that the president goes as president of the United States and that Secretary Lansing, Mr. White and Colonel House and possibly also General Bliss will be delegates with ambassadorial rank.

It was recalled that the president's announcement that he would go to France "for the purpose of taking part in the discussion and settlement of the main features of the treaty of peace," and that it was not likely that he could remain throughout the sessions of the peace conference and that he would be accompanied by delegates who will sit as the representatives of the United States throughout the conference.

The White House announcement tonight follows:

"It was announced at the executive offices tonight that the representatives of the United States at the peace conference would be: The President himself, the Secretary of

State, the Hon. Henry White, recently ambassador to France, Mr. Edward M. House and General Tasker H. Bliss.

"It was explained that it had not been possible to announce these appointments before because the number of representatives each of the chief belligerents was to send had until a day or two ago been under discussion."

White House officials would add nothing to the formal statement, and no one professing to be in the confidence of the president would talk. There was only one surprise in the statement—the appearance of the name of General Bliss as one of the representatives. It had been taken for granted that the general military representative of the United States on the supreme war council would take part in the discussions at Versailles, but the general idea had been he would be attached to the delegation in a military capacity just as Admiral Benson probably will be present as spokesman for the navy in the great naval problems to be solved.

Germans are Abandoning Much War Material

Our troops have finished the second stage of their journey to the Rhine. Our front rests today across the Meuse at Huy, nineteen miles east of Namur, and beyond this vague line, which passes through a Huy street with busy shops, is the neutral zone of ten miles, crossed only by white-flagged envoys of the opposing armies.

It has been a journey of absorbing interest from Charleroi and Nivelles through Namur to the Meuse, and up the winding valley hemmed in by tall gray cliffs, past picturesque villages and ancient castles to the citadel of Huy. The roads are strewn with the wreckage of the German army in retreat and burned and broken transport lorries strewn in muddy ditches, while guns lie rusting on battered carriages, the playthings of little children.

Ambulances and staff cars, bearing the crest of a ruined empire, rest where they were abandoned by the straggling rear guards, and black cross airplanes, arranged in orderly rows, confront our passing troops at Nivelles. The battlefield of Quatro Bras is a park of surrendered limbers and ammunition wagons and ungainly motor vans, shod with iron, and old tunics peep out of the mud. Metal helmets the most useless possession of the German army, roost on fences and farm gates, and pave the way trod by the British infantry.

Chaos in German Ranks.

Chaos, ruin and utter abandonment of all order and discipline are unmistakably revealed in the strange medley of broken machinery of war.

Our soldiers stare wonderingly at the debris in their paths. The mind of men could not have conceived a more fantastic picture of defeat than this, and each additional mile seems to multiply on every hand the evidences of utter disintegration which has been the fate of the war lords and their all-conquering host.

Near Namur one dump alone fielded 1,300 machine guns. One hundred and sixty airplanes lie in a single field.

The Germans appear to have thrown down everything, like men who were tired of useless burdens. Villagers pulled up lorries at cafe doors, drank heavily and ironically presented to the cafe keepers their wagons as souvenirs of their stay. Then they would join the ragged pilgrims afoot in the greasy mud.

Guns were mostly dumped at railroad stations, but many were thrown alongside felled trees which line the highway. Horses were tied to carts overlaid with luggage. Nothing remains of many lorries but the blackened iron framework and piles of charred wood.

A cavalry detachment of fifty Uhlans rode quietly across the Meuse bridge out of Namur this morning in the direction of their own lines, between an escort of Canadian troopers. Not a sound was heard in the crowded streets as they followed the flapping white flag; almost as big as a table cloth. The men looked very smart and the horses extremely fit. Obviously they had been picked for this visit to the enemy, and by the looks of them, one might have judged the German cavalry arm as strong and efficient as in the early days of the war.

Few Germans Seen.

On the whole, our men have seen very few Germans. Many outpost detachments, which were supposed to remain until our patrols arrived, have slipped away and left the guns and wagons they guarded to the care of the villagers. Every German seems anxious to get across his own frontier as quickly as possible. Their

rear guards have been withdrawn some miles beyond the fixed-neutral zone.

I was told that the last German left Liege yesterday. Returning British and French prisoners whom I met near Huy today said that mixed processions of infantry and artillery were marching haphazard with a strange mixture of transport, live stock and commandeered vehicles of all kinds, and was hurrying through Vorviers, a Belgian frontier station beyond Liege, into German territory.

The British advance to Namur and the Meuse has been an almost uneventful series of marches through joyful towns and villages. Everywhere the Belgian population is extending us a warm and hospitable welcome. The blight of the war rests lightly on towns like Namur and Huy. Here the people tell me frankly that they have not been short of provisions.

"We have not suffered physically, only mentally," said one business man. "Food in plenty was to be had at high prices."

YANK PRISONERS IN GER- MANY WILL BE RELEASED

An American liner will sail from a French port in a few days for Rotterdam, Holland, where it will take on board 96 American officers and 2,000 men who have been prisoners of war in Germany.

They will be taken to France before being brought to America.

It was announced officially recently that the number of Americans taken prisoners by the Germans was about 2,100.

THE LUBBOCK AVALANCHE

Honor Roll of the Lubbock Public Schools

This is very much delayed, but the "flu" is to blame. For a pupil to get on this list, he must have been neither tardy nor absent and made a general average of ninety. Parents, if your child's name is not on the list assist him in getting it there next time.

First Grade Honor Roll.

BARRIER BROS. DRY GOODS COMPANY, INC.

As per announcement in this issue Barrier Bros. have bought out Lubbock Dry Goods Co., the present stockholders of the Lubbock Dry Goods Co., however, retaining a good portion of stock in the new concern. The two stocks will be consolidated about Jan. 1st, and Barrier Bros. will continue in charge.

All three stores of the Barrier Bros. will be under one corporation and will continue to run at this place, Brownfield, and Floydada. C. Barrier will be general manager and manager of the Lubbock store, while H. Barrier and Paul will be manager at Brownfield and Floydada, respectively.

The Lubbock store will soon be located in a large, modern building with steam heat, and all other conveniences of an up-to-the-minute department store. There is no better location in Floydada than the store there has, but while the store in Brownfield is well located, it is looking for larger quarters.

Barrier Bros. are merchants of no small repute, having run as many as three stores in the east before locating on the plains. There are six of the brothers, S. C., R., A. B., Bob and Cliff (who are in France) and Paul. There are more growing up. They have been here something more than a year, and have been getting their share of the business right along. G. C. is only 34 years of age, and with all the boys of such good substantial business qualities we predict for them and the outside capital interested with them wonderful success.

FRED PRESTON WAS ACCIDENTALLY SHOT TUESDAY

Fred Preston, of Abernathy, was brought to the Lubbock Sanitarium Tuesday suffering from gun-shot wound. He had just the day before received by mail some kind of wolf gun, a contrivance to set so that when the wolf touched the bait a gun would shoot him. He took the trap out early Tuesday morning to set it and in some way it was discharged accidentally, the ball going through the abdomen from the front. He walked a mile to a neighbor's and had them bring him to town. It is thought he will likely make a fair recovery.

GERMAN GOVERNMENT WILL INVITE PRESIDENT WILSON

The German government will invite President Wilson to visit Germany while he is in Europe says the Berlin Lokal Anzeiger.

WILLIAM HUGH TAYLOR DIED FRIDAY MORNING

W. H. or "Hugh" as he was more commonly known died Friday morning at his home on West Postoffice street. His death came rather suddenly caused from heart trouble. For some months past he has been suffering from occasional attacks, but had for sometime been doing nicely, and his sudden demise was rather a surprise to his many friends and associates here.

Funeral services were conducted at the home by Rev. J. T. Griswold assisted by Rev. J. E. Chase, and the remains were laid to rest in the Lubbock Cemetery Saturday afternoon. His three daughters were present at the funeral, as was also his brother.

REMOVAL NOTICE.

Our office near the Avalanche and Heim's tin shop will be closed after December 15th and all business done at our brick store near the city water tower. Please keep this in mind and remember us for the lines we sell.

Special Session of Commissioners Court Met Monday

The County Commissioners Court met in Special Session Friday, November 29th, and transacted some business that came before the court at that time, among the items being transacted was the purchase of a span of mules for the County Farm. They were bought from W. G. Sherrod at \$325.

Motion was made and carried that the Sheriff's exofficio salary be placed at \$500 per year. This is a little less than half what it has been in the past.

Monday the court met again and the following bonds of the incoming officers were approved:

- J. H. Moore, County Judge and County Superintendent, \$3,000
- Jno. R. McGee, County Attorney, \$2,500.
- R. C. Burns, County and State Tax Assessor, \$15,000.
- C. A. Holcomb, Sheriff and Tax Collector \$50,500.
- E. C. Fain, Justice of the Peace, \$1,000
- W. M. Haddox, Sheep Inspector, \$1,000.
- L. O. Burford, Commissioner Pre, \$300.
- M. E. Merrill, Commissioner Pre, \$100.
- P. von Rosenberg, Commissioner Pre, \$300.
- H. D. Talley, Commissioner Pre, \$300.
- A. L. Harris, County Surveyor, \$5,000.
- Sam T. Davis, County and District Clerk, \$8,000.
- Mrs. Mary F. Hinton, County Treasurer, \$25,000.
- W. S. Clark, Public Weigher, \$2,500.

Charlie Pierce, Constable, \$1,000. J. L. McCulloch, who was elected to the office of Public Weigher did not accept the office and W. S. Clark was appointed by the court to this office. Mr. Clark has been acting in this capacity by appointment for several months.

The report of W. H. Flynn was received and accepted and the following order in connection with this report appeared on the minutes of the court:

Whereas, the auditors report submitted to this court shows that W. H. Flynn, Tax Collector, has collected a larger per cent of commission on certain taxes, than he is entitled to under the statute, and as he admits that this was done under a custom set by his predecessors, and a misunderstanding of the law, which excess he is willing to pay into the County Treasurer; but

The said W. H. Flynn protests certain parts of the report and thinks that he is not entitled to pay the figures shown by the auditors report, and

The Commissioners Court being of the opinion that it is to the best interests of the county to settle the matter, a compromise is entered into by the said Flynn as Tax Collector and the Commissioners Court acting in behalf of Lubbock County, whereby

The Court has accepted fifteen hundred (\$1500.00) Dollars in full settlement from the said Flynn, and hereby release him and his bondsmen in full, in so far as concerns the said auditor's report.

It was the order of the court that the \$1500 received from Mr. Flynn, be placed as follows: \$644 credited equally among the common school districts of the county and the balance \$856 to be placed to the credit of the general fund.

The report of C. A. Wolton, butcher, was received and approved.

Upon motion the court accepted the proposal of A. O. Harper and Company to install the Block system of keeping land records in this county, according to the terms of the contract on file.

Motion was made and carried that the salary of the County Judge be raised to \$1800 per year beginning the first of February, 1919.

Court adjourned by motion with four days per diem allowed each member of the court.

The regular monthly session will begin Monday, Dec. 9.

LOCAL ITEMS FROM THE LAMESA REPORTER

John Tomkins of Lubbock was here on business and registered at the Commercial Hotel.

J. A. Beard, mail carrier from Loop to Lamesa, started back home on Monday, but after going some distance discovered the snow was too deep for him to complete his trip, so he came back to town.

Mr. Adams died 9 miles east of Lamesa of tuberculosis and his remains were laid to rest on Wednesday afternoon. He came here for his health but was too late. He is the father of Mrs. Weatherly. We extend our sympathy to them in their sorrow.

Chris Harwell is attending the Grand Lodge of the Masons at Waco this week.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a loss of hair and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

LOCAL ITEMS OF THE WEEK FROM IDALOU

The young people of Idalou spent a very delightful evening Friday the 15th at the home of Miss Masyne Martin. "42" "Flinch" and music were the enjoyable features of the evening. Those present were Miss Blanche Bean of Lubbock, guest of honor, Misses Amanda Bean, Viola Robinson, Pearle Lambert and Viola Lambert, Messrs. James Gassaway, Herbert Teal, Willie Lambert and Mr. Herbert Martin, of Lubbock, brother to the hostess. Such an enjoyable time was had by all. It is hoped that Miss Martin will entertain again soon.

A called meeting of the Social Centre was held at the school house Thursday night, and new officers were elected. Mr. Sherrod was elected president, Miss Martin secretary, and Misses Bean, Robinson and Martin were appointed program committee. The Idalou people are looking forward to a good program sometime in the near future.

Mr. Herbert Teale was seen on the streets Wednesday with a very happy smile on his face. He stated that he had sold two rabbits to B. N. Wheeler for 12 1/2¢ apiece and was going to buy himself a flivver—what ever that is—on the installment plan. Misses Bean, Robinson and Martin made a flying trip to town Saturday.

It was indeed with sad hearts that we learned of the death of Mr. Roy Brown last week. Roy had entered the service about six months ago and given his all for his country. He sailed for France about two months ago and died of bronchial pneumonia about a fortnight later. We cannot now know why so pure and noble a character should be called out in the very flower of young manhood, to cross the dark river alone and leave his sorrowing loved ones behind, but some day we shall know and understand. Roy's many friends extend their heartfelt sympathy to and share the grief of his heartbroken father, mother, sisters and brothers. May the Heavenly Father comfort and strengthen you in your severe affliction is our earnest prayer.

Quite a few men enjoyed hunts of the canyon Thanksgiving day.

Messrs. Lassiter and Hutson were in town Wednesday meeting friends and gossiping about the weather.

Mr. Jerry Smith, who has been in Virginia the past few months returned home last week. Of course he could remain away from the Centre of the Anniverse no longer.

Mrs. Kelly is spending several days with her daughter, Mrs. Thatcher at Lorenzo.

Mrs. Sherrod is visiting her mother at Ralls.

The Idalou community wishes to have a Christmas tree Christmas eve night. Let's all "fall in" and help.

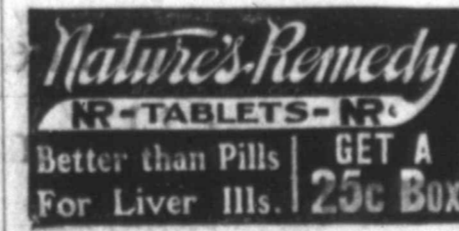

This is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body. The result is weakness, headaches, dizziness, coated tongue, irritable liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, sallow complexion, pimples, skin disease, and often times serious illness.

Ordinary laxatives purges and irritate the bowels, discolored and the like may relieve for a few hours, but real, lasting benefit can only come through the use of medicine that tones up and strengthens the digestive as well as the eliminative organs. Get a box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right again you need not take medicine every day—on occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well. Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

THE FARMER MUST HAVE RUGGED HEALTH

Many Break Downs and Failures Due to Exposure and Hard Work

Catarrh in Some of It's Many Forms Claims Thousands

Even farm families had its medicine cabinet and in almost every case will be found a bottle of Dr. Hartman's World Famous Peruna. For coughs, colds and catarrh it is invaluable. It is used and indicated in all cases of catarrhal inflammation and congestion whether of respiratory organs, stomach, bowels or other organs of the body.

Mr. Wood, Temple of 300 Lincoln Ave., Delaware, Ohio, suffered for years with inflammation of the mucous linings of the stomach and bowels. According to his own story he did not eat a meal for five years without distress. He says: "I am a farmer and must be exposed to all kinds of weather. After years of suffering, a druggist recommended Peruna. I took all together five bottles and am a well man. Formerly, I could not do a day's work. Now, farm work does not fatigue me in the least. Peruna is the best medicine and tonic on the market. It not only strengthens my admittance for it, especially for catarrh and colds."

PRESIDENT SAYS IT'S HIS DUTY TO GO TO FRANCE

Washington, Dec. 2.—In an address to Congress in joint session today President Wilson formally announced his intention to go to Paris for the Peace Conference, saying the Allied Governments have accepted principles enunciated by him for peace and it is his paramount duty to be present.

The President said he will be in close touch by cable and wireless and that Congress will know all that he does on the other side.

Referring to his announcement that the French and British Governments had removed all cable restrictions upon the transmission of news of the conference to America, the President said he had taken over the American cable systems on expert advice so as to make a unified system available.

Seeks Co-Operation.
 He expressed the hope that he would have the co-operation of the public and Congress, saying through the cables and wireless constant counsel and advice would be possible.

Much of the address was devoted to the railroad problem, for which the President said he had no solution to offer. He recommended careful study by Congress, saying it would be a dis-service to the country and to the railroads to permit a return to old conditions under private management, without modification.

The President declared he stood ready to release the railroads from Government control whenever a satisfactory plan for readjustment could be worked out.

Expects Peace By Spring.
 The President said he hoped to see a formal declaration of peace by treaty "by the time Spring has come."

No definite program of reconstruction can be outlined now, Wilson said but as soon as the armistice was signed, Government control of business and industry was released as far as possible. He expressed the hope that Congress would not object to

REPORT OF THE KANSAS CITY MARKET

Kansas City Stock Yards, Dec. 2.—Cattle receipts were 27000 head, market steady to strong, nothing choice included, some fairly good steers at \$15.50. Hog supply was 21,000, market 10 to 15 higher, top \$17.75. Sheep and lambs 16,000, market steady, top lambs \$15.00, ewes \$9.15.

Beef Cattle.—The Thanksgiving holiday broke the stride of the cattle market last week and steers last 25 cents, cows 25 to 50 during the week. There is a good demand today and prices are strong, trade active and prospects good for the balance of the week. Receipts today do not include any prime cattle which are quotable up to \$19.25 or possibly a little more, but contained some short fed steers that sold at \$14 to \$15.50 with some late arrivals possibly up to \$17.50. A fairly liberal number of western cattle are coming but beef steers were only fair to good quality and sales in the last week have ranged from \$12.25 to \$15.35, western cows \$7.25 to \$11.50. Best heavy native cows bring \$12 and canners are higher today at \$5.25 to \$5.75, veal calves \$11 to \$13.50.

Stockers and Feeders.—Good kinds are holding up steady but medium and common stock steers accumulated last week and sold at bargain prices at the finish and range stockers and feeders bring \$7 to \$11.50, best native stock steers \$12.50, feeding steers \$10 to \$13.50, common stock steers \$6.50 to \$7.50.

Hogs.—The market is able to take care of liberal receipts at all points at firm prices. Packers made strong competition today for offerings and the market finished 10 to 15 cents higher than the opening, best heavy hogs brought \$17.70, medium weights \$17.75, lights \$17.65, bulk of sales \$17.25 to \$17.65. The market is running along very evenly average prices changing less than five cents from day to day during the last week which is an ideal condition for country buyers to operate under. Chicago reports a run of 49,000 today and top price there \$17.80. Stock pig trade has been resumed here in improved winter quarters, sales at \$12 to \$14.00.

Sheep and Lambs.—Receipts were liberal and while some good strings of westerns were included there was a heavy supply from local feed lots. Fat lambs range from \$14.25 to \$15, feeding lambs \$12 to \$14, a good many ewe lambs here today around \$15.50. Fat sheep are stronger today best ewes \$9.15, choice yearlings up to \$11.75.

J. A. RICKART, Market Correspondent.

MATADOR IN THE GRIP OF INFLUENZA

Matador, Texas, Nov. 27.—There are twelve or fifteen new cases of influenza in Matador, and at White Flat, ten miles north, there are over 100 cases. The two physicians here are both ill. A doctor from Floydada came over yesterday afternoon to care for patients here. Yesterday afternoon a mass meeting was held and it was agreed to close all business houses except from 9 to 4 o'clock. Drug stores will not remain open, but will be ready to fill prescriptions. School was closed for the third time and all public gatherings prohibited. The situation is serious.

W. E. Cope left Tuesday for Fort Worth to spend awhile with his daughter and family, Mrs. Neves. He says he is going to attend the Billy Sunday meeting also. He will likely spend the greater part of the winter in Fort Worth, and had us send the Avalanche down there for a year that he may keep up with the happenings of the City of the Plains, for he is not leaving here, but merely drifting about a bit during the winter months.

Sam Caldwell and Hugh Mann returned home Wednesday morning from the army training camps, where they were getting ready to go over and give the kaiser a good thrashing, but as he yielded to his superiors before they got ready to go, they have returned home to take up their work again among their old friends and associates. The Avalanche is pleased to welcome them back.

Ugh! Calomel Sickness; Salivates! Please Try Dodson's Liver Tonic

I am sincere! My medicine does not upset liver and bowels so you lose a day's work.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your

druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children as well.

SUGAR RESTRICTIONS HAVE BEEN RAISED

County Food Administrator, Judge Jno. R. McGee informed us this week that he has been notified that restrictions have been raised on sugar, and purchasers may now buy as much as they desire, and without a card but in making this announcement it is requested that the people be as economical as possible with sugar and for awhile at least limit themselves to four pounds per member of the family or as near that as possible, that there be no sugar famine result as a result of the raised restrictions. Hotels and restaurants are requested to keep their purchases down to four pounds to each ninety meals served if possible. There are no restrictions, but as a patriotic duty, the people are requested to do this.

ELDER A. B. MORRIS HAS PASSED AWAY

Elder A. B. Morris, age 72, a well known and highly respected citizen of Oxford died Saturday morning at his home on Second South Street, acute indigestion being the cause of his death. Mr. Morris was born near Lexington in Holmes county. For the past 52 years he has been prominently identified with the Primitive Baptist Church as a minister. He served 25 years as Moderator of Hopewell Association, and for more than half a century he has been a citizen of Lafayette county, having lived in Oxford for the last fourteen years. Mr. Morris enlisted in 1863 as a Confederate soldier and was mustered out in 1865 after the close of the war. He was married to Miss Anner Pyron in 1866, and to this union nine children were born, eight of whom survive him, with his aged companion. The boys are Messrs. William Morris of Lubbock, Texas, Charles E. Morris of Marietta, Okla., James A. Morris of Birmingham, Ala., and Walter E. Morris, of Castle Rock, Colo. The girls are, Mrs. Mattie Wilson, Mrs. Laura McCharen, Mrs. Annie Boone of Oxford, and Mrs. Carrie Clark of Memphis. In the death of Mr. Morris the church has lost one of its ablest ministers and the county and town a noble citizen. We extend condolence to the bereaved family and friends. Friends came from different parts of the county and Memphis, Taylor, Water Valley, Coffeetown and Grenada to attend the funeral of their beloved pastor A. B. Morris. Lieut. A. T. Wilson was called from Camp Shelby to attend the funeral of his grandfather, Elder Morris. Hon. H. Hudson, of Memphis, spent the week-end with his parents, Mr. and Mrs. McCharen to be present at his grandfather's funeral, Elder Morris. Mrs. John Clark who was called to the bedside of her father has returned home. Mr. Walter Morris, of Colorado was called to Oxford to attend the funeral of his father, Elder A. B. Morris, also Mr. Charlie Morris of Marietta, Okla., and Jimmie Morris of Birmingham, Ala. Mr. Bell and wife attended the funeral services of Elder A. B. Morris.—Oxford (Miss. Eagle).

Mrs. Adelaide Summers, Phone 435

Mrs. J. L. Greene gave a Slumber party at the home of her mother, Mrs. W. D. Mayfield, on Postoffice Street Saturday night. Those present were Misses Carey Abney, Marion Conley, Bernice Wolfarth, Winnie Bates, Yancy Lee, Ruby Rogers, of Waco, Rhoda Barrer, Mesdames Howar, Wheelock, and J. D. Simpson and the hostess, Mrs. J. L. Greene. They met at the Manhattan for supper, from there they were entertained at the Lyric the show being "Tarzan of the Apes". At the Elk Hall they danced until they found they were treading, but this did not stop the fun for on arriving at the home of Mayfield, they made vandy and talked until the Slumber party resolved itself into a "Letter Party". Miss Bellah brought four special delivery letters from France, by this time they were very much awake. After the reading of these letters they had chicken breakfast. A "Mock Wedding" then took place over at Mrs. Raymond George's next door. The bride Miss Yancy Lee, the groom Lieut. Carey Abney, Major Coats Simpson, best man, with Chaplain J. Rhea, Greene. The bridal party had a delightful luncheon at the Manhattan at 12 o'clock, took kodak pictures of the crowd and all went to the train. The crowd dispersed at the station, wishing their hostess would call them together every week for such parties.

Mrs. W. E. Bush, assisted by her mother, Mrs. W. A. Coffey of Fort Worth, Texas, entertained the Auction Bridge Club Tuesday at her home in west Lubbock. There were two tables of players. Mrs. Radford won high score. Mrs. Peck of Concordia, Kansas, was the only guest. The club held a business session at which hime committees were appointed to arrange for a party during the holidays. Refreshments of chicken salad, sandwiches of brown bread and butter, coffee and whipped cream were served. Next meeting to be with Mrs. Rix.

On Nov. 23rd Miss Yancy Lee was hostess to a Slumber party. The Manhattan and Lyric is where the girls met. After the show fun be-

gun at the house. Stunts, games, and stories of "when the boys come home" and bridge filled the time. After a few hours sleep and breakfast a Manhattan dinner followed, then Mr. Claude Hurlbut took the crowd out to the home of Dr. and Mrs. Duering to spend the afternoon. Fortunes were told and a feast of apple pie of Mrs. Duering's own making was their farewell treat.

The 42 Club of several years past was called together for a social afternoon Friday at the home of Mrs. Percy Spencer with Mrs. Grover Merrill assisting the hostess. The usual good time was spent in playing forty-two and a salad course was served to those present. Mesdames Peck and Scratchley were the out-of-town guests present.

Mr. Claude Hurlbut, Misses Carey Abney, Yancy Lee, Marion Conley, and Mesdames Wheelock and Mayfield, spent Sunday afternoon at the Dr. Duering home a few miles east of town.

Mrs. H. W. Sims received a message Saturday stating that her mother was very ill, and Mrs. Sims left immediately for Shawnee, Okla.

Mrs. J. H. Turner and two children from Santa Anna, Texas, visited Mrs. Turner's daughter, Mrs. Rob. V. Kimmel, last week.

Mrs. H. C. Duering is home again after a visit of seven weeks with relatives in Austin and San Antonio.

Miss Pearl Webb of Hale Center spent Friday and Saturday visiting friends in Lubbock.

Dr. W. S. Ferguson of Post City visited friends in the city during Thanksgiving.

Mr. and Mrs. Granville Johnson spent Thanksgiving in Colorado, Texas.

The dance at the Elk Hall on Thanksgiving night was well attended.

Marriage licenses were issued the past week to Mr. W. J. Elener and Miss Gertrude A. Pratt, both of Amarillo.

HEALTH TALK

SPANISH INFLUENZA OK

BY DR. LEE H. SMITH.

An old enemy is with us again whether we fight a German or a Russian. We must put up a good fight, and if we keep the system in good condition and throw off the poisons which accumulate within our bodies, we can escape the disease. Remember three C's—a clean mouth, a clean bowels, and clean blood. To care for the system and keep loose, daily doses of a purgative should be taken. Senna of May-apple, cascara, jalap, and castor oil. Peppermint, hot lemonade, freely if attached to patient should be given mustard foot bath. To prevent the pneumonia and influenza, Antric tablets, a drug store, and clean hands with lemonade. Antric tablets were first discovered by Dr. Pierce and, as they flush the bladder and cleanse the kidneys, they carry away much of the poisons and the uric acid.

It is important that broths, milk, buttermilk, ice-cream and simple diet be given regularly to strengthen the system and increase the vital resistance. The fever is diminished by the use of the Antric tablets, but in addition, the forehead, arms and hands may be bathed with water (tepid) in which a tablespoonful of salaratus has been dissolved in a quart. After an attack of grip or pneumonia to build up and strengthen the system, obtain at the drug store a good iron tonic, called "Ironic" Tablets, or that well known herbal tonic, Dr. Pierce's Golden Medical Discovery.

Miss Dolcie Wheeler is promising to become the artist of the school. We have great hopes of her going over to France soon to help replace the art treasures that have been destroyed in the recent war with the Huns.

Recently a stray billy-goat entered Miss Robinson's room and devoured several tablets, a book or two, a pair of gloves, several pocket knives and a gray sweater. Miss Viola was very much distressed over the rudeness of her visitor and we extend our sincerest sympathy to those who lost the valuable property.

Several new pupils entered school last week, among whom were, Marie Simmons, Harlan Holt, Jimmy Gassoway, Eston and Everett Sowder and several others. There is an enrollment of about one hundred and fifteen. We have the pupils, we have the talent and now lets set our hearts upon a new school building and get it before another fall term of school opens.

Three new students were enrolled this morning, Misses Lola Mae, Cora and Eta York. These people live where Mr. Voyles used to live.

Messdames Blake and Stone were welcome visitors in our school last Friday.

The students who have finished the "Arnold's" Primer are very proud of their new First Reader.

Roy Karr visited our school Wednesday.

Miss Martin boasts of a new revolving desk chair, and the school has been provided with a nice new globe new erasers and blackboard.

The intermediate and high school grades have been very busy the past few weeks making doll furniture, aeroplanes, wagons, pictures, etc., to sell for the Red Cross.

THE FLU HITS CITY OF TULIA A HARD BLOW

Since our last publication day Tulia has had more sickness than for many years. The "flu" epidemic has hit this section, and hit hard. It is very seldom that you can find anyone on the streets of Tulia who has not one or more cases in his family.

It is hard to estimate the number that are sufferers from the dreaded disease, some say 300 or more. It keeps all the well ones busy waiting on the sick and then there is hardly sufficient to give them the care and attention they should have.

The schools and all public places were closed last Thursday, and every precaution is taken to prevent the further spread of the disease.

At this writing, so far as we have learned, all seem to be getting along nicely, and not considered seriously ill.

The question, usually asked between friends on the streets is "how many cases have you at your home?" So many are suffering from the dreaded disease that we haven't the time to make personal mention as we would like to do.

Has Suffered Loss of Five Members Of His Family.

Within the past ten days, Mr. T. A. Ross has suffered the loss of five members of his family. As reported in last week's paper he lost two daughters, Mrs. Cora Mae Graham, of Amarillo, and Miss Ruby Ross of this city.

On Sunday, November 24th, at 6:30 a. m., his wife died from the same disease, pneumonia. The following day at 5:30 p. m. his son, Roy Ross, passed away. The funeral of Roy was held at the same hour.

To make the shock even greater to Mr. Ross and family and many friends on Wednesday at 3:00 p. m., his son, Tom Ross, also passed into the great beyond.

This certainly is a great shock to the many friends of the Ross', and the whole town and county will join with the Herald in extending their deepest heartfelt sympathy for all the bereaved families.—Tulia Herald.

ONE OF GAINES COUNTY'S OLDEST CITIZENS DEAD

S. F. Mann, one of the oldest citizens of this county, died at his home four miles west of Seminole, Monday morning. He having been afflicted with brights disease for some time past.

Deceased was 73 years of age, and was a native of Alabama, having come to Texas in 1878, and like many of the old-timers did much to develop and settle this part of the state. The greater part of his life being spent on the Texas frontier. He moved to Gaines county 14 years ago from Colorado, Texas.

Deceased was married to Miss Mary Isaacs in Alabama fifty years ago, from this union six children were born, four boys and two girls.

The funeral services were conducted by Rev. O. B. Annis, pastor of the Methodist church, at 3 o'clock Tuesday afternoon. Mr. Mann having been a member of the above church for forty-three years. The Masons of which he was also a member, took charge of the body immediately following the services at the church, escorting it to the cemetery where he was buried, the Masonic burial services being used.

The many friends of the family, though knowing that Mr. Mann's condition was serious, and rendering every possible service to him in his lingering illness and suffering, are grieved to hear of his death.—Seminole Sentinel.

No Worms in a Healthy Child
 All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Roscoe Wilson is home again after spending several weeks visiting his father at Brazoria, Texas.

IN MEMORY OF PRIVATE RICHARD NEW

Littlefield, Texas, Dec. 1, 1918.

I wish to take this method of thanking each and everyone of my many dear friends who in any way have so kindly remembered me in letters, flowers and kind words of sympathy in my great sorrow in the loss of my beloved husband, Private Richard New, who died of wounds received in action Oct. 16th.

Every word of sympathy and token of love has been appreciated more than words can tell, yet God alone only knows the ceaseless pain in my aching heart for my dear soldier husband that will never come back—to me, who went away looking so handsome, brave and grand. How I clung to his manly form, how I clung to his parting hand.

I wonder if they tenderly buried his fair curly head that was once my pride and joy. I wonder if they paused and dropped on his grave a tear. I wonder if they carved on the wooden cross at his head: Here lies buried a noble boy. It has been truly said death leaves a shining mark. No brighter star ever shone in the galaxy of time than he in his home in the community in which he lived, and now alone all shines from the bloody battlefield of France over our great free beloved America.

No more honorable death can a man die than he give his life for his country and his loved ones. Although the road of life looks long and dark to me without him, with all my once bright hopes now blighted forever, I almost give up in despair, then I think of him so brave, then I mend together the broken threads of life and try to travel on as I think of him so manly, so loyal, so true, so brave, when he faced those murderous guns scattering death and destruction everywhere. Did his brave heart quake with fear? No! No! I say a thousand times no, for it was such as he, brave as a lion, and as true as steel, that had turned the blood-thirsty kaiser from his throne and snatched from his dirty hands the greed of lust. What a blessed thought to know that his brave noble life has not been given in vain, and know that he helped to accomplish what our brave Americans started in to do.

How I had waited and watched for him, longing to hold him again to my heart. But now in France he lies with his blue eyes dim, his smiling lips apart, and I know that Richard will be waiting for me on the other shore, where sad parting comes no more.

His sun of life has forever set. Behind the Western hill, In his train of life He has left a mission to fulfill. May we meet in that beautiful city of gold, Where the Seraphs cease to roll. His Surviving Wife, Mrs. Gladys Parker New.

A TOTAL ECLIPSE

Will occur every time you compare efficiency and durability of Eclipse Windmills with that of other makes. Eclipse Windmills have been sold for 50 years and the universal efficiency and satisfaction they have always given is sufficient proof of their high quality.

Some Eclipse mills erected 38 years ago are still running and performing efficient service.

If your water supply is not sufficient or if you contemplate putting in a new well, now is the time to get things shaped up, during the winter months when you have less to do.

We have a complete stock of mills, pipe cylinders, sucker rod, and all necessary fittings to complete any kind of an outfit you might wish to put in.

It is no trouble to figure a bill and we can tell you just what it will take to complete a first class pumping outfit.

Come in and talk the matter over with us. It is to your interest to get nothing but the best, and it is our business to supply your needs with goods which will best serve you.

Wishing you a happy Thanksgiving.

BAPTISTS EXPECT 5,000 TO ATTEND CONVENTION

The Baptist General Convention of Texas will assemble in the First Baptist church of Dallas at 10 o'clock Thursday morning, Dec. 5, for a five days' session. M. H. Wolfe of Dallas is president and D. R. Pevoto of Dallas and J. L. Truett of White-wright are the secretaries.

Prominent ministers from other States who will address the convention are Dr. W. H. Geiswilt, pastor of the Third Baptist Church of St. Louis; Dr. B. B. Gray of Atlanta, Ga.; Dr. E. E. Dargan of Nashville, Tenn.; Dr. T. B. Ray of Richmond, Va.; and Dr. B. H. Dement of New Orleans.

Mr. Pevoto said that the program would not be made until the convention assembled. He mentioned, however, as some of the more important matters to come before the body, the reports on the home and foreign missions of the Southern Baptist Convention, a report on the Baptist Seminary at Fort Worth, of which the Rev. L. E. Scarborough is president; reports on the Baptist Sanitarium of Dallas and the Baptist Sanitarium of Houston.

The educational situation of the denomination in Texas will also be canvassed and plans will be made to complete the fund of \$1,000,000 which the convention undertook to raise for educational purposes three years ago. Only about \$700,000 of the amount has been subscribed.

The question of obtaining a new State charter for the convention will be taken up during the convention. The convention secured a fifty-year charter in 1860. This charter expired by limitation eight years ago, since which time the organization has existed without legal sanction. It represents more than 3,000 churches, and Mr. Pevoto said that an attendance of more than 5,000 ministers, laymen and visitors is expected.

As a preliminary to the meeting, the pastors and laymen will hold a conference at the First Baptist church at 10 o'clock tomorrow morning.

Mr. Pevoto said that the General Baptist Convention to meet Thursday is a distinct organization from the General Baptist Convention which recently met in Dallas.

Lonnie D. Dolloff, of O'Donnell, Texas, was among those reported as missing in action under date of Nov. 28th. William S. Lane, of Ira, was also reported on the same list as missing.

SANTA CLAUS BRINGS PEACE

As far as we can tell, the peace conference will be getting lined up about Christmas.

You and I might have been born in any epoch. We might have been living in A. D. 1, and have seen the first Christmas. But we didn't.

We have at any rate the privilege of living in 1918, and seeing the greatest of all Christmas's except one.

We must celebrate it as such. And Christmas giving this year must be more than a perfunctory exercise, even though we combine discretion with liberality.

Nothing is ever accomplished by forcing a man to kiss the flag. If he will not honor the land in which he sleeps, eats, earns his livelihood, possesses friends, is amused, protected and himself honored because he is its citizen, only the five-inch toe of a number eleven boot can place him where there is no torch in Liberty's hand and where, by the sweat of his temples and the ache of his back, he can

love the oppression of the world to his heart's content.

Billie Leeman, who for some months has been editor and publisher of the Jackboro News has turned the editorial pen over to one T. E. Bailey of Sherman, Texas, who will proceed to proceed with the News, editorially, printorially and financially, successfully we hope.

PRESIDENT WILSON AND PARTY TO LAND AT BREST

Paris, Nov. 27.—(Havas Agency).—It seems decided that President Wilson will land at Brest, according to the Matin. He will be met there by Stephen Pichon, Foreign Minister, and Georges Leygues, Minister of Marine, who will welcome him in the name of the French Government. They will accompany him to Paris, where President Poincare will await the distinguished visitor, surrounded by all the other members of the Government and chiefs of the allied armies.

MOONEY SENTENCED TO LIFE IMPRISONMENT

Sacramento, Calif., Nov. 28.—Governor Wm. D. Stephens commuted tonight to life imprisonment the sentence of death imposed on Thomas J. Mooney, for murder growing out of the preparedness day bomb explosion at San Francisco on July 22, 1916, when ten persons were killed and forty others injured. In a lengthy statement given to the public outlining his reasons for commuting the sentence, Governor Stephens said Mooney's case largely paralleled that of Warren K. Billings, another bomb case defendant, who is serving a life sentence in the Folsom, California penitentiary.

The governor said there were certain features connected with the case which convinced him that the sentence should not be executed. For this reason and because of the earnest request of President Wilson for commutation, he did not believe that the extreme penalty should be paid. Governor Stephens said he accepted "full responsibility for the wisdom and justice of the action."

Governor Stephens said his action was taken after a painstaking survey of the evidence produced at Mooney's trial, but because of "certain new developments following the conviction" which could not be considered by the state supreme court, to which the case has been appealed, he found justification for setting aside the death sentence.

Mooney Protests Action.
San Quentin, Calif., Nov. 28.—Thomas J. Mooney, from his cell in "death row" at San Quentin prison, issued a statement tonight protesting against Governor Stephens' action in commuting his sentence. His statement said in part:

"Governor Stephens, it is my life you are dealing with. I demand that you revoke your commutation of my death sentence to a living death. I prefer a glorious death at the hands of my traditions to a living grave. I want a new and fair trial or my unconditional liberty through a pardon. If I were guilty of the crime for which I have been unjustly convicted, hanging would be too good for me."
In conclusion Mooney appealed to "workers" to continue their interest in his behalf.

Come to Lubbock.

THE CONQUERED FOE.

By Geo. M. Hunt, Lubbock, Texas

'Tis human nature to avenge,
The brutal deeds of Huns,
Who now have met their Waterloo,
By Allies' giant guns.
But many who recount their wrongs,
Would little mercy show,
But hold resentment in their hearts,
Toward "The Conquerer Foe."

To those who would retaliate,
The word revenge is sweet,
But charity should now prevail,
Since they admit defeat.
They have been humbled in their pride,
Their vaunting had to go,
And we should show compassion now,
Toward "The Conquerer Foe."

Vengeance is mine, I will repay,
Said He of Bethlehem,
And to the judgment seat of God,
His wrath will follow them.
But even in a christian land,
The most of us must know,
'Tis hard to palliate their wrongs,
And help "The Conquerer Foe."

And yet it is a christian trait,
To harbor in the soul,
No hatred for the vanquished Huns,
Who failed to reach their goal.
We may condone, tho not forget,
But should no malice show,
And still extend an open hand,
To help "The Conquerer Foe."
—GEO. M. HUNT,
Lubbock, Texas.

If a Man Should Write Old Santa Claus With the Simple Faith That his Children do he would Probably Say Something Like This:

DEAR OLD MAN—

For all these years you and I have been filling the stockings of the universe. You have got a heap of glory out of it, and I don't begrudge you a bit; but if it hadn't been for my little check book they'd have attached your sleigh for taxes.

The folks are going to give me something this year, of course. They always do. But tell 'em, won't you, that I am not collecting curios.

I DO NOT WANT—

A new collar for the dog, a box of flowers, a bottle of perfume or some nickel cigars.

But there are things that I do want. Some of them I must have. If I get them, they will save me money.

Others I should like to have but wouldn't buy for myself. If someone would only give them to me, it would be great.

So, will you kindly give this list your attention, old friend:

I SHOULD LIKE

Some new NECKTIES; nobody ever has quite enough ties 50c to \$3.00.

And some SILK SHIRTS—every man likes to have a few—\$4.50 to \$10.

A BATHROBE would be a big improvement on the one I have—\$5 to \$2.50.

And I never did have a FUR CAP—\$3.50 to \$8.50—Wouldn't one be fine in the car? My HAT is a little behind the times, is soiled and all out of shape. \$3.50 to \$20.

I could be made very happy with a new pair of FLORSHEIM SHOES \$8.50 to \$12.50.

It is about time I had a new pair of GLOVES but unless some one gives them to me I shall probably go on wearing these old ones. \$1.35 to \$5.

Everybody thinks he is harder on SOCKS than anybody else. I am. Some silk socks would certainly come in handy. 50c to \$1.35.

Many a night at home I would be more comfortable in a pair of HOUSE SLIPPERS; I like the leather kinds best. \$2.50.

And if anyone wants to save me a nice bit of money as well as improve my appearance, I am a candidate for a new SUIT of MADE TO MEASURE CLOTHES or an OVERCOAT. HUNT & SON have my measure on file at their store, and if wife only knew, she could have either of them here by Christmas.

Yours hopefully,
A MAN.

P. S.—As you love me, fail not to tell 'em to buy the things in a MAN'S Store.

SPECIAL MEETING OF THE MOSLAH TEMPLE

Moslah Temple, Ancient Arabic Order of the Nobles of the Mystic Shrine, will hold a special business meeting and Ceremonial on Friday, December 13th to give all those an opportunity who were not ready and could not attend the last ceremonial and take the work.

The Ceremonial is held immediately after the close of the Scottish Rite Reunion in Dallas. The election of Officers will be held and installed. George Stapleton of Amarillo is in line of promotion for Illustrious Potentate. He now holds the Office of Chief Rabban. Moslah Temple has quite a large membership in the various sections of Texas and in your town.

Officers of Moslah are contemplating organizing a Shrine Club in your city, and if possible an organizer will be with you in a few days. Those who took the work at the last Ceremonial are pleased and are doing their bit toward making the representation from your town one of the largest. A Novice from your town stands a good chance of winning the diamond ring given to the most popular member of the Class.

Dr. Ferguson of Post, was here for a few days last week, visiting friends in our city and attended Thanksgiving Services at the Methodist church Thursday night.

TEN AERO SQUADRONS HAVE SAILED FOR AMERICA

Notice was received by the War Department of the sailing from Liverpool on Nov. 29 of the steamer Ascanius for New York with 47 officers and 1,427 men, and the steamer Canopic, for Boston, with 54 officers and 1,067 men.

All on both steamers are aero units, except a few casuals and unattached officers.

On the Ascanius are the 349th, 475th, 476th, 326th, 371st, 841st, 335th, 473rd and 832d Aero Squadrons; 5 officers and 15 men, Medical Detachment casuals, and 6 unattached officers.

On the Canopic are the First Handley-Page Acceptance Park, the 211th, 282d and 306th Aero Squadrons; a detachment of the Second Handley-Page Acceptance Park; 3 officers and 12 men, Medical Detachment casuals, and 14 unattached officers.

This makes a total of 13,590 officers and men now en route home from England, representing nearly two-thirds of the total number of American troops in that country when the armistice was signed. The remainder are to return home on several steamers leaving Liverpool this week and next week.

The Canopic is the first ship to sail from England for Boston, the other five being en route to New York.

LOCAL NEWS FROM THE LYNN COUNTY NEWS

The Tahoka Hardware Company under the management of S. A. Richmond, was doing a rushing business the first of the week shipping out stoves to various points in the surrounding country.

County and District Clerk-elect Hall Robinson and family are spending the week in Plainview, Lubbock and other points visiting relatives and friends.

Rev. L. L. F. Parker expects to leave the early part of next week for Dallas, Texas, where he will attend the Baptist General Convention, which convenes in that city beginning December 5th.

Sheriff F. E. Redwine left Tuesday morning for Fort Worth, Texas, where he will enter a sanitarium. Mr. Redwine is suffering a nervous breakdown, and it is hoped he will return at an early date greatly improved.

The Tahoka Oil and Gas Company is progressing nicely with the oil development on the deep test on Cowan well No. 1. The drillers have set the 15 1/2 inch casing to shut off the salt water, and are now going down as hurriedly as possible, working twenty-four hours each day. The machinery is all lined up in good running order, and the only trouble that the company contemplates now is the capping of the big gusher that they expect to bring in.

A good supply of surplus water was found in the Tahoka Public school building last Tuesday morning, the drinking fountain having frozen and bursted the night before, giving several of the rooms on the ground floor a good wetting.

Miss Lottie Boles, our music teacher, went to Lubbock Tuesday in response to a message stating that her sister, Georgia Lee, was stricken suddenly with appendicitis. We trust she will find her greatly improved.

Rev. R. F. Dunn, pastor of the Methodist church, left on the Santa Fe Tuesday morning for Fort Worth and Meridian, Texas. Bro. Dunn will attend the Billie Sunday meeting while in Fort Worth and will also visit with his children who are attending college at Meridian. He will return to Tahoka some time next week.

ENGLAND CELEBRATED U. S. THANKSGIVING THURSDAY

London, Nov. 28.—The American Thanksgiving Day was celebrated today in England as never before. The British people co-operated in the observance of the anniversary and entertained Americans in many places.

Scores of American wounded were conspicuous at the assembly in Westminster cathedral. Special arrangements had been made by the Knights of Columbus to convey the wounded in the various London hospitals in order that they might participate. The ambassadors and ministers of the Allied countries were present, the U. S. embassy being represented by J. Butler Wright, the embassy counselor. High officers of the American and British armies, navies and

air forces attended, as did companies of the Scotch grenadier guards and representatives of other famous regiments.

The Right Reverend Monsignor Howlett, administrator of Westminster cathedral, read an address which identical with one delivered by Cardinal Bourne at Paris. American priests with the army and navy in England officiated. These were the Rev. J. J. Duff of Philadelphia, the Rev. J. Edmanton of Brooklyn, N. Y., and the Rev. Edmund C. Slyn, of South Boston, Mass. They were assisted by the clergy of the cathedral.

At the conclusion of the services the cathedral organ pealed forth "The Star Spangled Banner" and "God Save the King" while outside an American regimental band played martial airs.

PLANNING NATION-WIDE AERIAL MAIL SERVICE

New York, Nov. 27.—Captain Benjamin B. Lipsner, director of the United States Aerial Mail Service, announced here tonight that the War Department turned over to the use of the mail service "hundreds of airplanes."

Captain Lipsner said he was not in a position to announce the exact number, but that machines would be used as rapidly as possible in extending the aerial mail service to all cities of the country. The service anticipates that it will be able to organize its personnel from hundreds of army aviators from the front.

U. S. CASUALTIES TOTAL

262,693 FIGURES SHOW

The traffic on the streets of Slaton became so dense Saturday that accidents were unavoidable. In working through the jam of cars the delivery cars from J. M. Simmons grocery and the Lanham & Smart grocery misunderstood each other's signals and ran together like a couple of war tanks. It was Ford eat Ford. The only casualty list reported to the Red-Cross was two Fords sent to the Green car hospital. The drivers suffered a momentary nervous shock.

So far as we have been able to learn there was not a Slaton boy killed in the war or died from diseases. There will not be a missing face from the ranks of home boys.

U. S. CASUALTIES TOTAL

Washington, Nov. 30.—Four divisions in their entirety and major units of eight other divisions of the American army in France have been designated by General Pershing for an early return home. These troops with other special units, General March, chief of staff, announced today, total 3,451 officers and 79,663 men.

The complete divisions which will return at an early date, General March said, are the Thirty-ninth, Seventy-sixth, Eighty-seventh and Ninety-second. Important elements of the following divisions to return as soon as transportation facilities are available are the Thirty-first, Thirty-fourth, Thirty-eighth, Fortieth, Eighty-fourth, Eighty-fifth, Eighty-sixth, and eighty-eighth.

New figures on the American army casualties announced by the chief of staff showed a total of 262,693, exclusive of prisoners. The total, which exceeds that made public a week ago by 28,000, covers all losses to November 26. The principal change in the revised list is the addition of 13,100 men missing in action. General Pershing, it was said, has thus far forwarded no explanation of the increase under this heading and it was assumed that an error occurred in the transmission of the previous figures. General March explained that the revised figures on prisoners could not be deciphered in General Pershing's message.

The special units to embark soon consist largely of coast artillery brigades and special regiments, many battalions and batteries of anti-aircraft artillery, engineers, trench mortar batteries and a number of other organizations, including aero squadrons.

Orders have been issued, the chief of staff also said, for the demobilization of 649,000 men in the camps and cantonments in the United States. Approximately 46,000 officers and men in the home camps have already been discharged.

By the end of December, General March indicated, probably 150,000 to 175,000 members of the expeditionary forces will have returned to this country. By utilizing a large number of naval vessels, and cargo carriers in addition to transports, he said, the war department hoped in time to provide transportation for 300,000 men a month.

General March gave out amended casualty reports from General Pershing giving the official total to November 26 as 262,723, exclusive of prisoners. The figures on prisoners were unintelligible in the cablegram. General March said the total under this head probably would be practically the same as announced last Saturday.

General Pershing reported the following official casualties to November 26:

Killed in action 28,363.
Died of wounds 12,191.
Died of disease 16,034.
Died of other causes 1,980.

Missing in action 14,290.
Prisoners (unintelligible)
Wounded 189,955 divided as follows: Severely wounded 54,751; undetermined 43,168; slightly 92,036.

SOME WEATHER REPORTS FROM VARIOUS SOURCES

Matador, Texas, Nov. 27.—The ground here is covered with six inches of snow.

Breckenridge, Texas, Nov. 27.—Breckenridge and surrounding country is under a snow blanket.

Cleburne, Texas, Nov. 27.—Rain continued to fall here today. The ground contains more moisture than for years.

Tahoka, Texas, Nov. 27.—About three inches of snow fell here Monday and Tuesday, which will be of great benefit to the wheat crop.

Hillsboro, Texas, Nov. 27.—A slow rain began falling yesterday morning and .56 inch fell up to 7 o'clock this morning. It has been drizzling all day today.

Garden City, Texas, Nov. 27.—Two inches of snow has fallen here since last night and has been snowing heavily all morning. With the snow Sunday night this will make a good season for small grain.

San Angelo, Texas, Nov. 27.—Successful crops of small grains and the best winter pasturage of years are assured by the snows of the last three days. Up to noon Wednesday the total fall of snow here was 6 1/2 inches.

Abilene, Texas, Nov. 27.—Never in the history of the Abilene section has there been such an acreage sown to wheat, and as a result of this week's snow many farmers will plant more, some even doubling their present acreage.

SEMINOLE MINISTER WRITES OF HIS WORK

The Methodist preacher at Seminole writes the Texas Christian Advocate of his work for the coming year as follows:

We are back in Seminole for another year's work. The extremely trying conditions of the country have necessitated the consolidation of the Seminole and Andrews charges, hence this year we have a circuit consisting of three half station, three quarterly points and just as many extra appointments as we care to make. We have heard of things being as broad as they are long, but this charge is broader than long for it is sixty miles wide, but only fifty-two miles long. At any rate, it is broad enough, and for most part (in the sand) it is deep enough. However, our people are proportionately big-hearted and broad-minded, so from most any standpoint we have "a large opening." Our charge, Andrews and Gaines Counties, lies in the extreme southwest corner of the Panhandle; also in the extreme southwest corner of the Northwest Texas Conference. Last year's work was by no means what we desired, yet it was far from a failure. We have ground for hoping this year shall surpass it in every respect. Our people have received us warmly and we feel sure that we shall have their prayers and co-operation in working out the plans of the Centenary, the greatest task of Methodist history. That a great spiritual awakening may be experienced over the entire charge is our ardent prayer.—O. B. Annis.

COMPTROLLER REFUSES TO ISSUE LIQUOR LICENSE

Austin, Texas, Dec. 2.—The first application for a liquor dealer's license since the issuance of the mandate in the case of Ex parte F. Meyer, from Bexar County, wherein the Court of Criminal Appeals held the sales section of the State-wide prohibition law unconstitutional, was received today at the Comptroller's Department. It came by mail and was from Dewitt County.

Comptroller Terrell promptly returned the application, advising that under an opinion of the Attorney General the Comptroller was without authority to issue liquor licenses.

Mr. and Mrs. Sam Weaver are the proud parents of a fine boy born December 2nd.

Our exports since we country entered the war have justified a statement made by the Food Administration shortly after its conception, outlining the principles and policies that would govern the solution of this country's food problems. "The whole foundation of democracy," declared the Food Administration, "lies in the individual initiative of its people and their willingness to serve the interests of the nation with complete self-effacement in the time of emergency. Democracy can yield to discipline, and we can solve this food problem for our own people and for the Allies in this way. To have done so will have been a greater service than our immediate objective, for we have demonstrated the righteousness of our faith and our ability to defend ourselves without being Prussianized."

HOOVER'S MESSAGE IS READ IN AMERICA

Washington, Dec. 1.—America's "food conservation week for world relief" opened today with an appeal from Food Administrator Hoover, which was read in the churches over the country.

Mr. Hoover, who is now in Europe arranging for food supplies for the populations of that country, said the people of the United States now have opportunity for renewed service to mankind by helping through conservation of food here to feed 300,000,000 hungry people in Northern France, Belgium, Central Russia, Southern Europe, Poland and Armenia.

The Food Administrator also discussed the pledge given last summer to the Inter-Allied Food Council by the American Government to meet the food program of the allies, and said the ending of the war does not release the American people from that pledge.

"The same populations must be fed," the message read, "and until another season has passed they can not feed themselves.

"In addition to the supplying of those to whom we are already pledged, we now have the splendid opportunity and obligation of meeting the needs of those millions of people in the hitherto occupied territories who are facing actual starvation. "America, by her participation in the war, has accomplished her objectives of self-defense and vindication of the efficiency of a Government in which the people and the people only, are sovereign. She has established the foundations of government by the people throughout the enemy countries and this is the real bulwark of world peace. We have yet to build up these foundations. No Government nor nation can stand if its people are starving. We must do our part if the world be not consumed in a flame of anarchy."

OFFICERS GIVEN PERMIT TO WEAR UNIFORMS 90 DAYS

Washington, Dec. 3.—Reserve officers were today authorized by the war department to wear their uniforms for three months after their transfer to the inactive list.

The department today rescinded its order requiring soldiers upon discharge to account for all articles of wearing apparel issued by the American-Red Cross and other charity organizations.

LITTLE S. I. JOHNSTON DIED THIS MORNING

S. I. Johnston, son of Mr. and Mrs. Jim Johnston died this morning at an early hour of pneumonia. The little one died at the Lindsey ranch near Post, and the remains were brought to Lubbock on the afternoon train today, and interment was made in Lubbock Cemetery, with services at the grave by Rev. J. B. Cole.

E. B. Penney was up from Abilene the first of the week making formal transfer of his court paraphernalia to his successor in office, E. C. Fain. He reports conditions very encouraging in the Abilene country.

Guy Hufstetler and John Royalty returned Tuesday morning from the Government works in Virginia.

KEPT PLEDGE TO SEND BREAD

American Nation Maintained Allied Loaf Through Self-Denial at Home Table.

AVERTED EUROPEAN DESPAIR

With Military Demands Upon Ocean Shipping Relieved, World is Able to Return to Normal White Wheat Bread.

Since the advent of the latest wheat crop (the only limitation upon American exports to Europe has been the shortage of shipping. Between July 1 and October 10 we shipped 65,980,305 bushels. If this rate should continue until the end of the fiscal year we will have furnished the Allies with more than 237,500,000 bushels of wheat and flour in terms of wheat.

The result of increased production and conservation efforts in the United States has been that with the cessation of hostilities we are able to return to a normal wheat diet. Supplies that have accumulated in Australia, Argentina and other hitherto inaccessible markets may be tapped by ships released from transport service, and European demand for American wheat probably will not exceed our normal surplus. There is wheat enough available to have a white loaf at the common table.

But last year the tale was different. Only by the greatest possible saving and sacrifice were we able to keep a steady stream of wheat and flour moving across the sea. We found our selves at the beginning of the harvest year with an unusually short crop. Even the most optimistic statisticians figured that we had a bare surplus of 20,000,000 bushels. And yet Europe was facing the probability of a bread famine—and in Europe bread is by far the most important article in the diet.

All of this surplus had left the country early in the fall. By the first of the year we had managed to ship a little more than 50,000,000 bushels by practicing the utmost economy at home—by wheatless days, wheatless meals, heavy substitution of other cereals and by sacrifice at almost every meal throughout the country.

In January the late Lord Rhonda, then British Food Controller, cabled that only if we sent an additional 75,000,000 bushels before July 1 could he take the responsibility of assuring his people that they would be fed.

The response of the American people was 85,000,000 bushels safely delivered overseas between January 1 and July 1. Out of a harvest which gave us only 20,000,000 bushels surplus we actually shipped 141,000,000 bushels.

Thus did America fulfill her pledge that the Allied bread rations could be maintained, and already the American people are demonstrating that, with an awakened war conscience, last year's figures will be bettered.

JONES INTRODUCES BILL SO SOLDIERS CAN KEEP UNIFORMS

Washington, Dec. 3.—A bill introduced today by Representative Marvin Jones would permit all discharged soldiers to retain their uniforms. Representative Jones still is a private in the army, but will soon receive his discharge to take his seat in the House. He was present at the opening session today.

A TRIBUTE TO MEMORY OF MRS. H. V. EDSALL

Mary Earhart Edsall was born in Texas Feb. 6th, 1879. Died at Terrell, Texas, Oct. 26th, 1918.

At the early age of nine years, she unreservedly gave her tender heart and life to God and joined the Cumberland Presbyterian church, the church of her parents.

Was married to H. V. Edsall, Dec. the 20th 1899. To this union two children were born, Steven and Eppie. Husband and both children survive her.

Soon after her marriage she joined the Methodist church with her husband.

Her first born, Steven, answered the call of his country and went away from his home at Lubbock, Texas, to attend Military School at Terrell, Texas. While there, he was stricken with influenza. His mother went to his bedside to nurse him back to health. He was soon convalescent.

There were many other young men at the dormitory very ill at the same time. She gave herself, day and night, to them, overtaxed her strength and contracted pneumonia.

She, literally, poured out her life for others. This was her habit. No night too dark or cold for her to answer the cry of need. If in a mansion, cottage, hotel or tent help was needed she was there. She gave her best without money and without price.

She was of a sunny disposition, loving and lovable. As a wife, she was one of the best, as a mother, the gift of God to her children. She loved and honored her Father and Mother who are still waiting on this side of the river and are heartbroken over her untimely going.

She was a faithful member of the church. Her lovely Ranch Home was always open to her pastor and family.

Husband, parents, you miss her, yes, but be true to God and you will soon meet her "Over There."

W. M. LANE,
Her former pastor

BILL SPIKES WOUNDED IN ACTION IN FRANCE

S. C. Spikes received a message from the war department to effect that his son, Will, was severely wounded in battle in France on the 2nd of November. No particulars further are known, but it is presumed that he is convalescent, as no word has been heard from him since. The many friends of the family hope that he will soon be fully recovered and able to return home to friends and loved ones.

CALVIN BAKER DIED AT PARKS FARM

Calvin Baker died of pneumonia at the C. E. Parks farm east of Lubbock Tuesday and was buried in the Lubbock cemetery today. He is survived by his wife.
