TREATY TO BE SIGNED FRIDAY, 27TH

SIGNING OF DOCUMENT WILL PROBABLY REQUIRE AS MUCH AS TWO HOURS TIME

CEREMONY TO BE SIMPLE—ALLIES WILL SIGN FIRST

German Delegation Will Arrive in Versailles Early Friday. Headed By Hermann Mueller, New German Secretary. Seals Have Already Been Affixed

Unofficially, Friday afternoon has been set for the ceremony of signing the peace treaty of the allied and associated powers on behalf of Germany.

While the German plenipotentiaries have not yet been announced, advances received from Weimar are to the effect that they will arrive in Versailles Friday morning.

M. Clemenceau will open the ceremony with a brief introduction. No speech is expected from the Germans. William Martin of the French Foreign Office, as master of ceremonies, will then carry the treaty to President Wilson and the Premiers, who will sign it at their seats.

After the treaty is brought back to the signature table, the names of the other delegates will be called and they will advance and sign.

It is expected that the signing will require two hours. The seals of all the delegates will be affixed in advance; many of them are already in the hands of the Foreign Office.

President Wilson is using the President's seal, which is an eagle, with the words, "Seal of the President of the United States."

Some of the seals supplied by the delegates are merely monograms, unadorned, in striking contrast to the elaborate coats of arms supplied by Premier Paderewski of Poland and other European officials. The French treaty experts regard the Chinese and Japanese seals as the most artistic. These are chiefly the names of the delegates in Oriental letters, and are adorned with flowers and quaint figures.

The expectation was that strictly personal seals would be used, but, like President Wilson, M. Vandervelde, representing Belgium, is using an official seal—the Belgian coat of arms encircled by the words, "Minister of Justice."

The German delegates will sign after the allies.

The order in which the allied delegates will sign after the signatures of the President and Premiers are attached will be according to alphabetical order of the names of the countries they represent. When the signatures are completed, the entente party will emerge on the terrace at the side of the palace, where all the

great fountains will be playing in the gardens.

Hermann Mueller, the new German Foreign Secretary, will head the German delegation to sign the peace treaty, la Liberte says.

"We have waited forty-nine years for this moment!" exclaimed Premier Clemenceau as he opened the dispatch announcing that Germany would sign the treaty, at the meeting of the council of three yesterday afternoon.

"For forty-nine years," he continued, "the mailed fist of the reitire (German trooper) who has governed Germany has menaced the world. Whether the man's name was Bismarck or William II, it was still the same reitire of the Middle Ages surrounded by soldiery and drunk with pride.

"Be careful; keep your powder dry. Be careful. Remind the world that it is living on a barrel of that powder.

"This reitire's dogma is that right is right, that a State's only obligation is its own interest, that treaties do not exist when they clash with the interest of a State, and get rich by any means. We know from witnesses who were at the side of William II, that when he learned of the Sarajevo tragedy, he who posed as a conspirator of the peace cried:

"The hour has struck. Now we shall see what an army is!"

Work on the Austrian peace treaty was resumed by the council of three today. The completion of the document to be presented to the Austro-San delegates is desired as speedily as possible and work on it is expected to be pushed energetically. In this process financial experts were called before the council at today's session.

The Turkish delegation, which appeared before the council of ten June 17, sent the council today a detailed memorandum which it promised at that time to draft. This memorandum gave at length the plea for the continuance of the old Turkish Empire, which was orally before the council at the hearing last week. The memorandum states that the Turkish Government is prepared to recognize the independence of Armenia and to grant some form of autonomous Government to Palestine and Arabia under Turkish governors.

MAYOR'S WEED CUTTING PROCLAMATION IS ISSUED

Proclamation by the Mayor of the City of Lubbock:

By virtue of an order of the City Commission of the City of Lubbock, Texas, upon recommendation of the Health Officer, and as a matter of civic pride, I, C. E. Parks, mayor of said city of Lubbock, do hereby declare Friday, June 27th, 1919, from the hours of 8 a. m. until 5 p. m., a holiday for the express and sole purpose of cutting weeds and removing trash and filth from your property. This means your place of residence, and business premises as well, also, any other property, either improved or unimproved you may own. In view of the unfortunate circumstances that the city has not the money with which to pay for the weed cutting, through no fault of the administration, every good citizen is called upon to take his hoe and cut and pile up all the weeds and other things to be removed from your property.

I believe every good citizen will agree with me that our present unsightly condition of lots and streets is a thing to humiliate us, and further, that most, if not all, will be willing to devote the hours named to bettering the appearance and future health of our city.

For such purpose, I ask that every business house in the city be closed during the hours named; it is for the common good.

Witness my hand and attested by the City Secretary and Seal of the City, this 23rd day of June, 1919.

C. E. PARKS, Mayor, City of Lubbock.

Attest: E. C. PRIEST, Secretary, City of Lubbock.

LUBBOCK BOYS OF THE 90TH DIVISION ARRIVING HOME

Many of the Lubbock boys are coming in this week, who saw service with the 90th division. Among those who arrived here this week were: Ernest Conley, son of A. B. Conley Jr., who was with the 345th Field Artillery; M. B. Carr, with Co. F, 315th Supply train; Corp. Jos. Self, with Co. E, 315th Ammunition train; John Atkins, son of T. M. Atkins, and Riley Wood, with 315th Supply train.

"General Pershing certainly must have forgotten us," says one of the boys, "for, after spending one hundred and ten days fighting on the front in the St. Mihiel and Argonne sectors, we then had to remain an army of occupation in Germany."

When the armistice was signed, word reached some of the boys of this division, they had just crossed the Meuse and were encamped in one of the swamps. "We were then in German territory and we found pieces of tar paper that they had used for their bed, and when we camped in this swamp we used the paper for the same purpose. It was some sight when we got word that night of the signing of the armistice. Lights began to flash, skyrockets were sent up, in fact it was a happy bunch."

COMPANY E. 360TH INF. LOST 66% PER CENT

Bruce Spencer arrived home the latter part of last week from overseas service with the 90th division.

He was in the 360th Infantry, with Company E, which lost 66 2/3 per cent of their men in the engagements on the Meuse-Argonne. Bruce was slightly wounded by shrapnel, but kept going just the same.

Mr. Spencer and his wife, who has been employed with the Citizens National Bank since his absence, will leave in a few days for a short visit with relatives in Jones and Jack counties.

RESERVATIONS BEING MADE NOW FOR THE FOURTH

Already the hotels of Lubbock are receiving letters asking that reservations be made for rooms and accommodations, from the towns all over the South Plains. It is expected that every room in these hotels will be reserved before the end of the present month. Of course arrangements will have to be made for those who will be unfortunate in getting hotel accommodations.

FIFTEEN YEAR OLD BOY KILLED BY LIGHTNING

News came to Lubbock this week of the death of John Sanders, fifteen year old son of J. L. Sanders, of Lorenzo. Young Sanders was shocking wheat when struck by lightning, dying instantly from the shock. His remains were prepared and shipped by the Robinson Furniture and Undertaking Company. Burial was had at Santo, Texas, Wednesday.

AIRPLANES FROM TALIAFERRO FIELD INVITED HERE 4TH

Through the local Chamber of Commerce, the Committee on arrangement of the program to be given here July Fourth, have invited two airplanes here for an exhibition.

Although it is not known as yet, whether the planes will come we have many reasons for thinking that they will. The government has allowed the planes to go to different points over the state recently in search of recruits for the aviation branch of service, and it is thought that with the possibility of getting recruits here July the 4th, that the planes will come.

Later: The following letter has been received, since above article was written: From Headquarters Air Flying School Secretary, Chamber of Commerce Lubbock, Texas:

Dear Sir: Replying to your letter addressed to the Commanding Officer with reference to sending an airplane to Lubbock over the coming 4th of July, I am directed to inform you that weather permitting an airplane, two if possible, will be sent to your city for your celebration.

It is requested that an appropriate field be marked and that we be notified of the location of the field with reference to your city and the marking placed on it.

Yours truly THEODORE E. SMITH, JR. 1st Lt. A. S. A., Executive Officer.

J. C. PHILLIPS DIED HERE WEDNESDAY EVENING

Jos. C. Phillips, born December 6th, 1854, died at 10:20 p. m. Wednesday, June 25th, at his home two miles southwest of Lubbock.

Deceased had been in bad health for nearly twenty years. He came to Lubbock ten years ago from Coleman county, and invested in much of the town property here and also a farm near town. For the past several years his health has been such as to prevent him from entering into active business.

He is survived by two sons, O. R. and J. A. Phillips, two daughters, Mrs. J. L. McCulloch and Miss Atha Phillips, and his wife, and two cousins Harvey Hicks and H. W. Pennington; one nephew, Will Bond, all of whom reside in Lubbock.

Funeral services were held at 2:30 this afternoon at the Church of Christ, conducted by Elder Luff Sanders and interment made in the Lubbock Cemetery.

TEAM FROM EL PASO TO PLAY BALL HERE JULY 4TH

A message was received by the manager of the Lubbock baseball team, late Wednesday evening, stating that the Fort Bliss recruiting team would be in Lubbock July 4th, 5th and 6th.

These boys are with the 82nd Field Artillery, stationed at Fort Bliss, El Paso, Texas, and are sent here as a method of recruiting the army. Lieutenant Barnes is manager of the team.

WOOL GROWERS JOIN THE ASSOCIATION HERE

Although the shearing time is now on, and many of the South Plains sheep and wool growers are shipping their wool in every day to the Association's warehouse in Lubbock, there are several men of the towns north of Lubbock who are just now asking to become a member of the association.

One gentleman from Plainview, only recently joined the association here, and will ship about seven thousand pounds of wool to the warehouse some time this week.

FORMER LUBBOCK BOY WINS D. S. C. MEDAL

Friends and acquaintances of Lieut. E. B. Porter, formerly of Lubbock, but now in San Saba, Texas, visiting with his parents, will be glad to learn of his winning a Distinguished Service Cross, for gallant service Lieut. Porter was in command of Co. H, 142nd Infantry, 36th division, and saw service on the Meuse-Argonne.

LUBBOCK BOY GOES TO COLLEGE STATION

Ad Clark left the first of the week for College Station, where he will enter the State Agricultural and Mechanical School. We understand he will take a special course in cotton grading.

VERY LARGE ATTENDANCE EXPECTED

EVERYTHING INDICATES THAT FOURTH OF JULY CELEBRATION WILL BE ATTENDED BY RECORD CROWD

THE PROGRAM IS ALREADY COMPLETED FOR THE DAY

People Have Signified Their Intention of Coming from a Great Distance and Sleeping Accommodations Will be Taxed to the Utmost to Take Care of our Guests That Night.

A very large crowd is expected at Lubbock at the Fourth of July celebration. Every indication justifies this belief. Every letter from friends and relatives from abroad brings word that we may expect them here for that occasion. They are coming from all directions and from a very great distance to help us celebrate the Fourth and the return of our soldier boys home from overseas and the training camps.

The committee has finished the program which follows and will fill the day full of entertainment of a variety that is sure to touch every class of people who will come:

- 9:30 A. M.—Music, by Lubbock's own band.
- 10 A. M.—Soldiers parade.
- 10:30 A. M.—Address of Welcome, Memorial Address.
- 11:30 A. M.—Ball Game—Fats vs. Leans.
- 12:30 P. M.—Dinner, free to everyone.
- 2:00 P. M.—July Fourth Oration.
- 2:30 P. M.—Boxing Match.
- 3:00 P. M.—Roping and Miscellaneous contests.
- Ball Game—Lubbock vs. Ft. Bliss Airplanes.
- 6:00 P. M.—Water fight and other demonstrations by the Local Fire Department.
- Dancing at the Pavilion all day and evening. Music by Lubbock Orchestra.

If you have not already made arrangements to attend this great celebration, begin now to arrange matters to spend the day in Lubbock. Make this a day that will be remembered for many years on account of its pleasing features.

There will be many people who will be compelled to remain in our city overnight—more than the hotels can accommodate and those who have spare rooms and beds should let the committee know about it so they will be in position to provide more beds for the people. Of course they expect to pay for them, but it is just a matter of furnishing accommodations to those who come.

If the present arrangements materialize there will be two airplanes during the day to give exhibitions of flying and this feature alone will be well worth coming a long way to see. We believe that the day will be so full of interesting events that we can safely say that it will be one of the most enjoyable ever witnessed anywhere on the plains.

The big free dinner event will be interesting to all of us, and the committee is well pleased with the donations of meat already received, but will appreciate other offerings along this line. They would like to get all the meat donated if possible, and if you have not contributed anything yet, see the committee on arrangements at once and make your contribution to them.

BRADLEY-FORT BLISS PLAY 13 INNING BALL GAME

The 82nd Field Artillery recruiting team, of Fort Bliss, won the game from the Bradley team played at Lubbock Monday afternoon, June 23rd, in the thirteenth inning, score being 9 and 10. Roger Pierce was the umpire.

The battery for the Bradley team was: Harry Burrus, Humble and Hunt, pitchers and DeLong, catcher.

The Fort Bliss battery: Barnes, Higgins and Ricker, pitchers and Tice catcher.

The score was tied in the seventh inning, standing Ft. Bliss 7 and Bradley 4. Humble at the bat drove a clean hit over center field, bringing three men in.

The first half of the ninth the recruiting team ran two scores. The game tied again in the last half of the ninth by two scores by Bradley. Four innings were then played with Fort Bliss in on the last half making one score.

The game was played on the track grounds southwest of the High School building. It was a good clean game and Mr. Bradley is to be congratulated for getting together the bunch that he has now. No doubt after a few games are played he will have the fastest team on the plains. The Fort Bliss boys had the advantage of thorough practice, having played several games since leaving El Paso.

The recruiting team left Tuesday morning for Slaton where they played that morning, from there they go to Sweetwater and San Angelo, and possibly Big Spring. No recruits were taken from Lubbock.

MANY PARTIES ARE ENROUTE TO NORTH PLAINS

The harvest of wheat is expected to begin immediately on the north plains. On account of the scarcity of labor many people from the lower counties are passing through Lubbock each day enroute there to help. Among those who came through here this week were: Ben Yates, Doc Key, and Ira Jones, all of Terry county.

DR. PEEBLER ON VACATION IN CALIFORNIA

Dr. O. F. Peebler left Wednesday morning for Long Beach, Calif., where he will join his family in a few weeks' vacation. Mrs. Peebler and children have been out there several weeks. The many friends of the doctor wish for him a very enjoyable vacation, which he so justly deserves, after months of strenuous practice.

NEGRO SHOTS SELF MAY NOT RECOVER

John Ford, a negro, attempted suicide late Tuesday evening by shooting himself with a 32 automatic pistol, bullet penetrating the left lung, at the servants house of W. B. Atkins in this city.

The negro was employed by the Robinson Furniture and Undertaking Company. An employee of this company thinks that despondency, caused by the absence of the negro's wife for several days, was the reason for his act.

Attending physicians say he is in a very serious condition, but may recover.

CORPORAL LUTHER E. HENDERSON RETURNS HOME

Corporal Luther E. Henderson, brother of J. E. Henderson, returned home Thursday morning after serving with the 11th Supply train in the 31th division.

Mr. Henderson enlisted in July, 1917, with a company organized at Abilene. He was sent to Camp Bowie and placed with the 36th division, where he remained for some time in training, then sent to France.

He was discharged from the army about ten days ago, and stopped over at Ft. Worth and Abilene a few days visiting with relatives and friends.

DR. JNO. NORRIS MOVES TO TULSA, OKLA., THIS WEEK

Dr. John Norris and wife left Monday afternoon for Tulsa, Okla., where they will make their home in the future. They will go by way of Oklahoma City, and visit with their son a few days enroute to Tulsa.

REVIVE THE RURAL SUNDAY SCHOOLS NOW

If the Sunday school has been allowed to die down, there should be no further delay in re-organizing it.

In our concern for the mental development of our children, we should not forget the need for moral training also. In the writer's neighborhood a boy who was to have graduated at the high school last month—a bright boy in his books—spent the commencement period in jail, having entered a store at night and killed its owner only a few weeks before. Proper moral training had not accompanied his mental training.

Every father or mother should ask himself or herself if the Sunday School is not needed to supplement the training given in home and public school. And even if a boy learned nothing useful in Sunday School, it might still be worth while for him to go simply because the Sunday school offers an opportunity for him to meet other boys and girls in the right environment and under wholesome influences. The average boy who has nothing to do from sun up to sundown every Sunday is pretty likely to get into mischief.

The moral and spiritual benefits of the country Sunday school, therefore, should alone insure efforts to utilize and strengthen it while the social and intellectual advantages which it offers may also be not improperly considered. The Bible is one of the world's supreme pieces of literature, and to study it Sunday after Sunday will contribute not a little to anybody's mental growth and equipment.—The Progressive Farmer.

And Give Puncture-Proof Service

We have joined the ranks of over 1,000 progressive dealers who are offering puncture-proof tire service and a 50% economy in tire expense to every motorist—and we are proud to announce it.

Less than three years ago Charles C. Gates, E. M., invented the tire which gives this service and economy and is now revolutionizing the whole tire business.

It is oversize—and sold under a stronger guarantee than the tires you have been using.

It is guaranteed puncture-proof.

It costs only 1/2 as much.

Over 350,000 motorists, including the largest business houses in the country are now using these tires and endorse

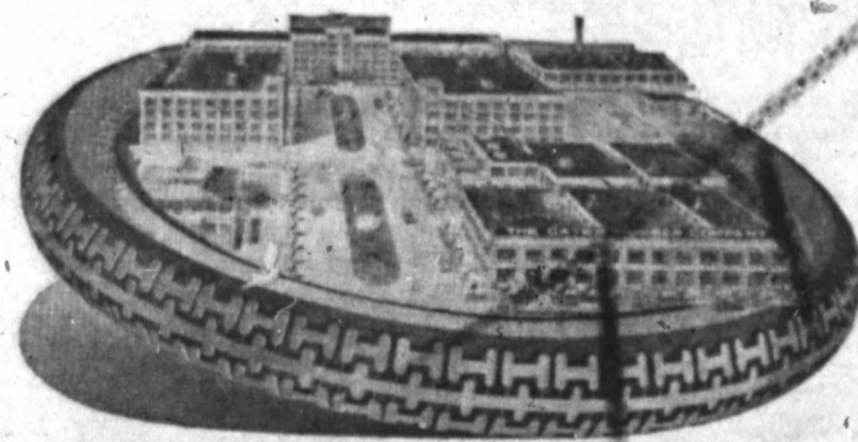

them. No stronger testimonial could be offered.

These motorists are saving one-half on the original cost of their tires, and are getting 10,000 to 15,000 miles of service: puncture-proof service—guaranteed!

You, too, are entitled to this service and saving, and we are prepared to give it to you.

This tire embodies a scientific principle which is so simple that when you see it you will say just as hundreds of other motorists have, "Why didn't someone think of this before?"

Let us show you these tires—Gates Half-Sole Tires, that are oversize and puncture-proof, and yet cost you only one-half as much.

SOME LOCAL ITEMS FROM THE BROWNFIELD HERALD

We understand that Mr. J. W. Youngblood underwent a very delicate operation for stomach trouble at the Lubbock Sanitarium Sunday morning, and it is thought that he will recover.

A phone message to Ray Brownfield from Lubbock, Wednesday, was to the effect that Monroe Telford, better known as the "Big Chief" had landed in that city. Monroe was one

of the first batch of boys to leave here from Terry county for Camp Travis, and a great welcome was waiting for him when the next train came in. Big Chief tried to volunteer, but was turned down from some cause at Fort Worth, but got a lick at the Huns through the draft anyway.

Almost every time the train pulls out of Brownfield these days the baggage cars are loaded with chickens, eggs, cream and other eatables for the city folks, and we understand that this is the case in nearly every plains town with railroad facilities.

As stated in last week's issue that Prof. Farrer of Lorenzo was here to secure the superintendency of our schools, we are able to state this week that he closed a deal with our trustees, and will move his family here as soon as possible to take up the work. Prof. Farrer is regarded as one of the best school men on the plains, and we are glad our trustees were able to secure his services.

A message from Lubbock Wednesday

afternoon was to the effect that Mr. J. W. Youngblood whom it was reported elsewhere in this paper as having undergone an operation at Lubbock, Sunday, was doing as well as could be expected, though he was not out of danger. They reported that they would let the folks here know if he got any worse, but no notice to that effect had come in yesterday at a late hour.

Born to Mr. and Mrs. Joe J. McGowan, a boy on the 16th. Of course he is going to be one of the future attorney's of this city.

A letter from W. E. Lyon, president of the Lubbock district, who is attending the Centenary Meeting in Columbus, Ohio, says he is having a great time. He says Columbus is truly a city of trees, but it is certainly a hot place and some of the good old Texas Breeze would be very much in place.

THE DEATH OF REV. J. A. SWEENEY

Rev. J. A. Sweeney was born May 29, 1870, and died February 28, 1919. He had good, religious training in youth. In early manhood he professed religion and joined the Methodist Church. He was licensed to preach July 31, 1902. Dr. Paul Whitehead was the presiding elder. He attended school at Sunnyside Academy, also Macon College, at Bedford City, Virginia. He supplied the Stanton River Circuit. He was married to Miss Annie Daniel in 1893. To this union was born one daughter, Hattie Odell, who is now the wife of Rev. B. W. Wilkins, of Lorenzo, Texas. Mrs. Sweeney died August, 1895. Rev. J. A. Sweeney came to Texas in 1903 and entered Clarendon College. The latter half of this year he supplied Stratford work and in November he joined the old Northwest Texas Conference at Mineral Wells and served the following works: Gomez Mission, 1903-1905; Stanton and Lamesa, 1905-1906; built the Stanton church, 1906-1907; Lamesa Mission and built church and parsonage, 1907-1909; Westbrook, finished the church and paid debt, 1909-10; Bovina, built church, 1910-14; Hale Center, built church, 1914 and 1918; Lockney Station in November of 1918. He was stationed at Aspermont. He was married to Miss Pearl Lide, November 13, 1906, and to this union were born two children, Frances Elizabeth and John Alexander Sweeney. Brother Sweeney was one of our best men. He was thoroughly consecrated, did good, faithful work and was loved by all. He suffered much. I asked him about his departure. He said to tell the brethren that he loved them. He did not need to tell us—we all knew that he loved us. His was a glorious triumph. He died as he lived, with unlimited faith in God. He was patient in all his suffering. When his companion and loving friends did all that could be done he quietly passed away on February 28, 1919. Several preachers came to the funeral. We laid him to rest in Stamford Cemetery. At the District Conference the preachers raised a fund to put up a monument at his grave. The monument is up. Truly a man of God has gone to be at home with the fathers. To loved ones I would say: Serve on and by and by you shall meet your loved one. —J. T. Hicks, in Texas Christian Advocate.

SHALLOWATER ITEMS OF GENERAL INTEREST

There will be a Box Supper at the school house Saturday night, June 28. Cream will be sold also. Money is to be raised to make final payment on our new piano.

The Social Center met again last Saturday night. Rain prevented many from attending. Our next meeting will be held Saturday night, July 5th. An interesting program is planned, including a debate on the question: Resolved, that the Union of the Hardy, Grovesville and Shallowater schools is both desirable and practicable. The people of each district are cordially invited to come out and hear the reasons for and against the proposition.

The Badger Lake baseball team failed to appear at the appointed time, so our plans for a game with them were a disappointment.

The last two meetings of the Ladies Club were held in the homes of Mesdames E. Wright and H. Gaither, respectively. Both of these meetings were devoted to the making of a quilt which the ladies intend to sell.

Mr. O. Connell has been appointed Justice of Peace and Mr. H. Gaither constable of this place.

The farmers of our district have made some fine grain crops and the harvesting of wheat and oats is under headway. There are bright prospects for a good cotton crop, too. Shallowater wants a gin, needs a gin, must have a gin, if the cotton is to be handled most profitably.

Mr. O. Connell has purchased a motor truck which he will use in his business.

Mr. L. B. Seaton, now of Littlefield, was here Tuesday.

There was singing at the home of Mr. and Mrs. Denton Sunday evening.

Mrs. E. A. Armstrong of Amarillo and her two sons, Roy and Max, are visiting friends here.

Last week Mr. and Mrs. Mullican left for Dallas, where they expected to meet their son, Major Mullican, from France.

Mr. and Mrs. O. Stringer and Mrs. O. Connell motored to Lubbock Sunday afternoon.

Mrs. Oliver Oldham is visiting her mother in Abilene.

Mr. and Mrs. Newt Ester, of Lubbock were here Sunday visiting with friends and relatives.

Mrs. Tom Hendricks and little son are spending the summer with her parents, Mr. and Mrs. J. O. Oldham.

It seems 'strange' that all young people come to believe in themselves. But so it was with Mr. Alton Hardy and Miss Nora Blackman. They believed they could 'make each other's life "one grand sweet song"'. In consequence to this conviction this young couple motored to Monroe and were married there by Rev. Oliver Oldham Sunday, June 22nd. Like themselves, we believe their life together will be most happy and successful.

The adoption of the Prohibition amendment to the State Constitution marks the successful culmination of fifty years of ardent temperance propaganda in Texas, and as the historian of the Dry Movement, I am claiming a little space in your columns to invite your readers to join us in a Prohibition Sing-Song, Sunday, July 6, to celebrate this notable event.

As the secretary of the temperance department of the Texas Sunday School Association, I am asking every Sunday School in Texas to sing with us on that day, the "hallelujah chorus" given below, and we

shall be delighted to have "ye editor" and everybody else whose heart responds to the sentiment, to either sing it, whistle it, or hum it with us on that day. In the future annals of Texas, May 24, 1919, ought to stand out as the second greatest day in the history of the State—the day on which the people of Texas at the ballot box, pronounced sentence of eternal banishment upon the old tyrant, King Alcohol.

The Whiskey Shops Have Gone. Air—"Battle Hymn of the Republic." (H. A. Ivy)
We've been fighting Rum's dominion in the nation of the free; And we asked for Prohibition in the name of Liberty; Raising high the starry banner, crying, "Down with Anarchy!"

As we went marching on.
Chorus:
Glory, glory, hallelujah; Glory, glory, hallelujah;
Glory, glory, hallelujah, the whiskey shops are gone.
We had lifted up the banner that has never known defeat;
We had burned the bridge behind us, and never would retreat;
We insisted every lover of the country we could meet,
As we went marching on.—Chorus.
We were warring on the Demon that had doomed so many souls;
We were marching to the chorus of the people, as it rolls;
And the enemy we routed, when we met them at the polls.
As we went marching on.
Chorus.

CANDIDATES TO FILL PLACE OF W. S. BELL, ANNOUNCED
Austin, Texas, June 23.—Two House members and a former member late today had announced as candidates for Senator from the Twenty-Ninth Senatorial District, to succeed the late W. S. Bell. W. H. Bledsoe, member of the House from Lubbock County, and J. C. Marshall, member from Hardeman County, have definitely signified their intention of running. W. D. Cope, Assistant Adjutant General, with rank of Lieutenant Colonel in the Texas National Guard, also will make the race. Colonel Cope was a member of the House until he resigned to enter military service. Two other members are known to be considering the race, though they have not authorized definite announcement. They are J. D. Parnell, Wichita County, and W. O. Wright, Archer County. Mr. Bledsoe, who has been one of the administration leaders in the House, made his announcement following an informal conference this afternoon, participated in by a number of House members from the West Texas district.
He was a member of the Thirty-Fifth Legislature and of the present Legislature. Mr. Bledsoe was one of the authors of the State-wide prohibition law and supported submission

of both prohibition and woman suffrage, campaigning for both amendments. He assisted materially in pushing the administration's war measures through the house.
Mrs. C. E. Hunt and children returned the first of the week from Odessa, Texas, where they have been visiting with relatives and acquaintances for some time.
Albert Buchanan of Roswell, N. M., arrived here the first of the week to receive treatment from local physicians. Mr. Buchanan is a brother of Mrs. J. A. Bird of Post City.
Joe Hilton, manager of the Cadillac Garage, is in Dallas this week, attending to business matters.
Lee Quillen, brother of Louis Quillen is in a local sanitarium receiving medical treatment.

Nature and the Indian

The Indian never liked work but he wanted his agave to get well as soon as possible so that she could do the work and let him hunt, therefore he dug up the root for her, that was the remedy for female weaknesses.

Dr. Pierce uses the same root—called Blue Cowhose—in his "Favorite Prescription" which fully combats with the agave that makes more effective.

Women who are worn out, who suffer from pain at regular or irregular intervals, who are nervous or dizzy at times, who do not take that reliable, temperance, heretofore which a doctor in active practice prescribed many years ago. Now sold by druggists, in tablets and liquid, as Dr. Pierce's Favorite Prescription.

Send 10c. to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

JACKSON, Miss.—"Dr. Pierce's Favorite Prescription is a good medicine and I have recommended it many times to women who suffer. This medicine was a great comfort to me after motherhood. The doctor seemed unable to give me any relief or help, but I had very prompt relief as soon as I started to take the 'Prescription.' It cured me of my trouble and restored me to a perfect state of health, and that is why I do not hesitate to speak a good word for Dr. Pierce's Favorite Prescription whenever I have an opportunity."—Miss K.-G. SUTHERLAND, 200 Founders' Street.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place. Calomel is dangerous and people know it. While Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver-sluggishness and constipation, you have only to ask for your money back. Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick-headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine full of vigor and ambition.

DON'T SELL YOUR CAR WITHOUT RECEIPT FOR LICENSE

Not less than ten dollars nor more than two thousand dollars, or any term less than one year in the county jail, is the penalty for the sale of second-hand cars where the Tax Collector's license fee receipt for the year that the motor is offered for sale is not transferred with delivery or sale of car.

Such is the instructions received by the State Highway Department from C. M. Cureton, Attorney General.

The action of the 36th legislature on the subject is explained by House Bill No. 417, which reads as follows:

Sec. 3a. It shall be unlawful for any person acting for himself or any one else, to offer for sale or trade any second-hand motor vehicle in this state, without then and there, having in his actual physical possession the Tax Collector's receipt for the license fee issued for the year that said motor vehicle is offered for sale." This rule, however, does not apply to those who are dealers in new cars, but only to second-hand cars.

This law becomes effective June the 18th this year.

Jott Smith went over to Crosbyton Monday, looking after business matters.

RECORD YOUR DISCHARGE PAPERS BEFORE LOSING THEM

To the discharged soldiers, we offer the following advice, as given to us from the County Clerk's Office this week:

There is a grave possibility of your losing your discharge papers from various sources. Rats having an appetite for government paper may find it and, then—Fire may destroy the building in which it is at the present, and unless it is in a fireproof vault, its gone—people have been known to mislay papers and never be able to find them again.

There is now a book in the hands of the County Clerk, which is furnished for the express purpose of recording discharge papers. The fee for recording is none. The record is kept in a fireproof vault, and is easily accessible to those who might wish a copy of their records.

The original discharge is returned to the owner as soon as record is completed.

ONE MAN HERE PAID \$125 FOR CARRYING GUN

It only cost one of the men of Lubbock, \$125 for carrying a perfectly neat six-shooter. While you can carry a double barreled shotgun for nothing, we can hardly understand how anyone can afford to take chances on carrying the smaller weapon. Only a few days back our county treasury was "fattened" by a gentleman who wished to have on his person what he thought was a concealed weapon.

From now on, if we have to be protected, lets carry a large sack of rocks and a large mesquite root. Its cheaper.

Mrs. T. H. Polaird returned last Friday from Lampasas, where she has been visiting with relatives for several weeks.

Tobe Marcy was here last Saturday from his farm near Meadow and reports plenty of rain and fine crops.

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

CARLISLE NEWS OF THE PAST WEEK

We have been having so much rain the last week farmers are getting behind with their work.

Iva Witt visited his uncle, Mr. Joe Randolph, of Ralls the last part of the week and first of this week.

Misses Artie Bond and Ettie Heffington attended the club girls short course last week. They say they had a nice time and learned a great deal.

Messrs. Jim Moore and Carroway were out at the Johnson ranch Wednesday night and Thursday.

Mrs. Dean has been sick for the past week.

Mrs. B. W. Casey is said to be improving at this writing.

Miss Eva Bailey spent from Saturday to Monday with her sister, Mrs. Bush.

Mr. and Mrs. Howie came out from town and spent a few days last week with their daughter, Mrs. Jones. Clara Moore spent Sunday night with Miss Ettie Heffington.

Mrs. Bertha Bossey and Mrs. G. H. Hilton, left last Saturday morning for San Antonio and Houston, where they will spend several weeks visiting acquaintances.

Mrs. Ura Embry and little son spent last Friday and Saturday in Amarillo visiting with friends and acquaintances, returning home Sunday morning.

Irvin Gainer of Midlothian, Texas, passed through here Monday enroute to Plains, where he was called to attend to business matters.

TEXAS BANKERS TO HOLD CONVENTION ON SHIP

At the recent convention of the Panhandle Bankers Association, which was held at Amarillo last week, a declaration was made to co-operate with the Texas Bankers Association in their new plans for their convention to be held next year.

It is the intentions and plans of the Texas Bankers Association which was last held at Galveston, to charter a ship for the convention next year. They will reserve all accommodations on board for members only of the Association, until it is fully seen that there will be a vacancy. Then arrangements can probably be made to take along members of the immediate family or friends by paying for their accommodation on the ship.

They will sail for Cuba, enroute there they will hold their convention, and will probably spend two or three days in Cuba, then return home. This no doubt, will be one of the most successful conventions to be held by the association.

Walter Slaton, cashier of the First National Bank of Tahoka, was here a few hours last Thursday enroute home, after attending the Bankers Convention at Amarillo.
