LUBBOCK, LUBBOCK COUNTY, TEXAS, THURSDAY, OCTOBER 2, 1919.

NUMBER 14

## BANKERS WOULD HELP SAVE CROPS

C. E. MAEDGEN, PRESIDENT OF SECURITY BANK ADDRESSES LETTER TO BANKERS ON MARKET CONDITIONS

## FAILURE TO HELP FARMERS WOULD BE DISASTROUS

A Great Amount of Feed Stuff Will go to Waste in Fields if Farmers Are Forced to Sell at Prevailing Prices, as They Cannot Afford to Gather Crops at the Present Cost of Labor.

The following letter written by Mr. C. E. Maedgen, who is president of the Security State Bank and Trust Company of this city and is also a member of the Agricultural Committee, Texas Bankers Association:

Lubbock, Texas, Sept. 26, 1919.

To the Bankers, 7th District, Gentlemen:

Texas Bankers Association.

While I do not believe that there is any combined effort being made to depress the values of farm products below the cost of production yet the recent decline in the market on the grains produced in the Panhandle and West Texas has practically brought about this condition.

There will be a great amount of money received and increased deposits in the banks.

It should be the purpose and intention of the country banker of this district to stand with the farmers and help them hold their crops for higher prices. It is my intention and determination to help them hold these crops until they are offered, at least, the cost of production, and the cooperation of the other bankers of this district is earnestly solicited in this respect.

Yours very truly,  
C. E. MAEDGEN.  
Seventh District Member, Agricultural Committee, Texas Bankers Association.

At the present time the farmers are being offered \$12.00 to \$14.00 a ton in the head for Milo Maize and Kafir Corn—two of our essential crops—and they are paying from \$4.00 to \$5.00 a ton to gather these crops. These prices leave the farmers only about one-half what they should receive when measured in proportion to the value of other necessities. The farmers have produced these crops on high cost values and should receive, at least \$15.00 a ton net, after paying the cost of harvesting. The result of these low prices is that there is now a tendency upon the part of the farmers to gather only such parts of these crops as they actually need and then to turn livestock into their fields. If this is done it will result in an enormous waste.

Labor is scarce and the wages paid for farm work are high, and at the present market price of feed stuff, the farmer cannot afford to pay for gathering the grain and sell at prevailing prices as he would lose money in the transaction. If ways and means can be worked out that the farmer can save the products of his farm and market at a more favorable time and under better conditions, there would be thousands of tons of maize and kindred crops gathered where under the present conditions will be allowed to go to waste in the field, or be pastured by cattle, which is a very wasteful method of feeding.

It is my opinion that immediate action should be taken to conserve and protect our large grain crop, either for increased values, which are sure to come, or for the production of more beef, pork, mutton and poultry on the farm. If the farmers in this section do receive a reasonable return, on a basis of the high cost of production, for their grain crops

Mr. Maedgen surely should have the hearty cooperation of those who are in position to help to tide the producers over this troublous period, and we believe his letter will have the desired effect.

## LIST OF SUBSCRIBERS OF THE ADVERTISING FUND

At the request of a number of citizens, we are publishing a list of the subscribers to the Advertising Fund, to be used in carrying an exhibit from Lubbock County to the State Fair, and also, if possible to the Texas Cotton Palace at Waco. The subscription has not yet been completed, however, this is to the best of our knowledge a complete list of subscriptions to date. If you have subscribed, and your name has been omitted, you will confer a favor upon this office by advising us of the same.

## DECLARES WASTE IN WEAR AND TEAR WILL KEEP ROADS

"Every foot of public highway in Texas could be permanently paved and maintained out of the waste in wear and tear to the transportation equipment of the public if there were means of capitalizing this waste," A. C. Baldwin, manager of the good-roads amendment, declared in a recent address at Austin.

In substantiation of this statement, Baldwin used Travis County as an example, showing \$5,500,000 would pave and permanently maintain every foot of road in the county. At 5 per cent interest, it would require approximately \$687,000 a year to pay the debt in ten years. This amount would be saved in the operation of motor vehicles of the county alone, he declared.

## SNYDER MAN WILL HAVE MUSIC STORE HERE

J. D. Boyd, well known music dealer in our city this week looking for a business location. Mr. Boyd has been in the music business for more than twelve years, most of the time at Snyder. A year or two ago he went to Grandview and entered business. Mr. Boyd thinks there is a great future for our city and wants to get in on the ground floor.

## SAILOR WITH MUCH EXPERIENCE VISITS SOUTH PLAINS

Teddy Poore, formerly a resident of the South Plains, where he lived for more than ten years, has recently returned to this country after six years experience as a sailor. Teddy made thirteen round trips across the Atlantic in the last two years, and has seen nearly every port in foreign lands and spent some time in all foreign countries. Teddy says "of all the countries that I have ever seen or been in I like the South Plains the best and had rather live here than any place on the globe." Teddy has been visiting with old acquaintances in Terry county for a few days, also with his little son in East Texas. He will stay several days in our city visiting with friends and may make this place his permanent home.

## CLOVIS LADIES BAND ENROUTE TO FLOYDADA

Twelve young ladies and three young men, comprising the Clovis band, stopped over here a few hours Wednesday enroute to Floydada, where they have an engagement to furnish music for the Floyd County Fair. The band played several pieces in our city while here and received many compliments for its good music.

It is remarkable that such a good band would be kept going in that city on account of receiving no support from the town. We were informed by a member, that each of the fifteen who belong furnish their own instrument, and pay the instructor who secures engagements over the country to furnish music. The proceeds from these different engagements is divided among the members. This band was organized about five years ago with thirty-two young ladies of Clovis as members, since that time many of the ladies have married, moved away, etc., until they only have twelve remaining of the original crowd.

## MRS. MEDLOCK'S FATHER SERIOUSLY ILL AT HENRIETTA

Mrs. J. A. Medlock received word from relatives at Henrietta that her father, C. Briley, was dangerously ill and advised to at once proceed to his bedside. She left last Thursday, and information from her since arriving there is that his condition is unchanged.

## GEORGE C. WOLFFARTH JR., DIED WEDNESDAY EVENING

George C. Wolffarth Jr., born in Lubbock county May 13, 1901, oldest son of Mr. and Mrs. George C. Wolffarth, of this city, died in a local sanitarium Wednesday evening at 11:20, October 1, 1919.

The deceased, born in Lubbock county, was one of the best known young men in this section of the country. Death came, following an illness of several months. While the deceased and his mother were visiting in Carlsbad, N. M., the first part of the summer, he was stricken with appendicitis and underwent an operation in a Carlsbad sanitarium. His condition was such that the parents thought best that he be brought to local physicians for later treatment. Some few weeks ago he was operated on the second time on account of complications which developed after the first operation. The best surgeons and physicians to be had in what they could to save the young life, although hopes for his recovery had been doubtful for several days.

Father of deceased is one of the best known pioneer cattlemen and bankers on the South Plains and was also county clerk of this county in earlier days. Deceased survived by mother and father, two sisters, Bernice and Dorothy, four brothers, Herbert, Irving, Dwight and Donald.

Funeral services were held this afternoon at 3:30 o'clock at the Methodist Church, conducted by Rev. J. T. Griswold, pastor of the Methodist church of this city, and interment made immediately following.

The Avalanche joins with the many friends of this family with condolence in their great loss of son and brother.

## LOCAL BASEBALL FANS GET WIRE REPORTS

Much excitement has been displayed in our city this week regarding the outcome of the Texas Baseball Series, which was played by Fort Worth and Shreveport. Several of the baseball fans of this city, contributed to a fund, to pay for reports on the games by Western Union. Thus Lubbock received the news that Shreveport won the Texas series in yesterday's game, a few minutes after it had finished.

The World's series commenced yesterday between Cincinnati and Chicago, playing the first game at Cincinnati. Wire reports are also being received here on these games. Cincinnati won in the first game played of the World's Series, played at Cincinnati yesterday. These fans propose to get wire reports of the Sunday games, by each play.

## CHARTER SECURED FOR TOYAH VALLEY RY. COMPANY

Austin, Texas, Sept. 29.—Articles of incorporation of the Toyah Valley Railway Company, with headquarters at Maverick Springs, Culbertson county, were approved today by the attorney general's department, capital stock \$150,000. This corporation proposes to construct a line of railroad from Orla, on the Santa Fe in Reeves county, in a southeasterly direction to the holdings of the Toyah Valley Sulphur Company, at Maverick Springs, a distance of seventeen miles. Incorporators: Seaton Keith, San Angelo; J. A. Daniel, Ben Palmer, of Pecos, and others.

## ABILENE MEN STOP HERE ENROUTE TO ROSWELL

B. F. Bennett, Secretary of the City of Abilene and Judge Overshine, County Judge of Taylor County, stopped over Tuesday of this week in our city. These gentlemen were enroute to Roswell, N. M., to attend a meeting of the Ozark Trail Association which will be held there the latter part of the week.

## MANY ARE INJURED IN WRECK NEAR FOARD CITY

San Angelo, Sept. 30.—Ten or twelve persons were injured in a wreck on the Orient northbound passenger train Sunday, according to belated news reaching here. The wreck occurred near Foard City. Three coaches and the engine tender were turned over. No one was reported fatally injured.

## WEATHER REPORT FOR THE MONTH OF SEPTEMBER

The following is summary of the weather conditions prevailing during the month of September, 1919:

Maximum temperature 97 deg.  
Minimum temperature 49 deg.  
Mean temperature 71.3 deg.  
Mean normal temperature 69.19 degs.  
Departure from normal 2.11 deg.  
Maximum relative humidity 100 per cent.  
Minimum relative humidity 45 per cent.  
Mean relative humidity 72.16 pct.  
Total wind run for month 4769 mi.  
Normal wind run for September 4969 miles.  
Departure from normal 200 mi.  
Average hourly run of wind 6.62 miles.  
Number of clear days 12.  
Number partly cloudy days 9.  
Number of cloudy days 9.  
Precipitation for month 5.7 inches.  
Normal precipitation for September 2.64 inches.  
Departure from normal 3.06 inches.  
Total precipitation Jan. 1, to October 1, 23.72 in.  
R. E. KARPEN, Supt., Experiment Station.

## CINCINNATI WINS FIRST GAMES OF SERIES

Cincinnati won the first two games of the World's series played yesterday and today at Cincinnati against Chicago. The score yesterday was 9 to 1, today it was 4 to 2.

## LUBBOCK SENDS NEARLY \$2000 TO STORM DISTRICT

Lubbock is doing great work in the way of contributing to the storm stricken section of our State this week. Up to date nearly two thousand dollars has been donated to the storm sufferers. Of this amount one thousand was donated by the local Red Cross Chapter, through their executive committee out of the funds of the treasury; one hundred and fifty dollars was donated some few days ago by the school children of this city. The local lodge of Elks and Odd Fellows each donated \$100, and the A. F. & A. M. \$75.

Through the leadership of C. E. Park, City Mayor, Neil Wright and Dr. Barr, and canvas of the business district of our city resulted in a donation of \$350 Tuesday. There are other contributions being made daily we were informed by the mayor, and the total donation will reach the two thousand dollar mark before the end of this week.

The Executive Committee of the Red Cross say they have left in their treasury nearly twenty-five hundred dollars or to be exact \$2300. And very little of this money being used at this time. Thus they thought their donation of \$1000 was appropriate at this time.

## MANY PEOPLE UNABLE TO SECURE LIVING QUARTERS

This week many people who came to our city with the intention of renting houses so that they might enter their children in Lubbock's schools returned home without securing same. Many of the towns on the South Plains are unable to take proper care of the increased number of pupils in their schools. Therefore they are coming to our city seeking places to live.

There are a few rent houses in the city at the present time, but something essential to the place is missing in the general run of rent houses left. Some are without water, while many are those in number which could be the expenditure of a few dollars be put into condition to occupy, that are not so at this time.

## F. F. MAYS SAYS FISHER COUNTY IN FINE SHAPE

F. F. Mays, of the Barrier Bros. Dry Goods Store, of this city, who returned last Sunday morning from a short business trip in Fisher county, looking after his property interest, says that county has the best of prospects for gathering a large yield of cotton this season. There are also good crops of maize and kaffir and other feedstuff.

Mr. Mays also visited a short time in Dallas while away, returning from that place.

## LUBBOCK OFFERING BEST MARKET FOR COTTON

In conversation with several parties who are in a position to know the cotton market, this week, we find that Lubbock is offering the best market for cotton of any place in its territory. This week there has been about eighty bales ginned in our city and about sixty of this amount were sold directly after ginning. The lowest price recorded this week in our city is thirty-three cents, and the highest paid this week for strict middling was thirty-three and one-half. This morning middling cotton sold on the grounds for 33 1-2 per pound. Other places in this territory are paying about 32c per pound, as we have been told.

## LORENZO COMMUNITY GATHERING COTTON CROP FAST

Since the pretty dry weather started the first of this week, people all over the country are rushing cotton gathering. At Lorenzo Wednesday there was twenty-two bales ginned and sold, while many bales were brought in the two preceding days. The highest price paid this week at Lorenzo was 32c.

## TROY MAN BUYS FINE LUBBOCK COUNTY FARM

C. A. Bass, of Troy, Texas, who has been in our city for several days prospecting, bought a fine one hundred and sixty acre farm near the Canyon school house and will move to it in the near future to make his home. Mr. Bass was accompanied here by Mr. Little, of Troy, who returned home today.

## J. W. STRATTON AND FAMILY LEAVE FOR EXTENDED VISIT

J. W. Stratton left this morning for Tiabun, N. M., where he goes to look after his property interest. Mr. Stratton will be in that town a few days, from there he will go to Arkansas to join his wife and baby, who also left this morning for a visit with relatives. Mr. and Mrs. Stratton will probably be out of the city several months.

## ERIC POSEY WILL SOON RETURN TO LUBBOCK

Information has been received here that Eric Posey is back on American soil and will be discharged soon. He will visit some of the northern cities for a few weeks, after which he will return to Lubbock, to make his home again.

## CLAUDE MEDLOCK IS BACK IN UNITED STATES

J. A. Medlock is in receipt of a telegram from his son, Claude, who has been with the expeditionary forces in France for some time, that he was back in the United States and would be discharged soon. Claude has been with the motor supply train.

## CHARITY ORGANIZATION IS NEEDED

LUBBOCK WILL NO DOUBT HAVE MANY THE COMING WINTER WHO WILL HAVE TO HAVE ASSISTANCE

## DEMANDS WILL BE HEAVIER THAN EVER THIS WINTER

Cost of Living, Rent, Etc., Will Tax the Uncertain Income of Laboring People Who Have Not Made Provisions for Emergencies Should Sickness or Continued Bad Weather Come.

While we are helping the needy and storm sufferers elsewhere, we should also begin thinking about the needy of our own city. There will develop many cases for charitable consideration in Lubbock before the winter is well entered into as is always the case in towns of the population of Lubbock and for that reason we bring this subject to your mind early in the season. Last year we had many cases, and there was a shortage of funds at the time available for that work, which worked a hardship on those who were looking after the needs of those unfortunates who had sickness in the family and their means of provisions stopped.

This winter will likely bring a greater demand than ever before in the history of the town as the cost of living is extremely high, groceries, clothing, fuel, etc., will cost a great deal and those of limited means, depending upon a weekly pay check or day laborers who might have nothing laid up for emergencies will be placed in embarrassing circumstances no doubt before the winter has gone very far.

## L. P. ADAIR DROWNED IN LAKE WORTH

A solitary boatman in the middle of Lake Worth was heard to cry out and then was seen to leap overboard at dusk Sunday. He did not reappear.

The boat drifted to the west shore and was found Monday morning. On the back of an envelope found in the boat was scribbled this message: "Good-by, old world, I am gone, Notify."

The name of L. P. Adair, Lubbock, Texas, was the address on the envelope. It contained a letter written Sept. 7, by George H. Barrows, County Clerk at Lovington, N. M., advising Adair that his case in court was set for Sept. 15. The letters might have been left in the boat by the stranger or by someone else—the police have no way of telling.

Police took steps Monday to drag the lake for the body.

## USE DYNAMITE TO CLEAR LAKE MYSTERY CASE

Police searchers will use dynamite this afternoon in Lake Worth in an effort to determine whether the lone boatman who was seen to jump overboard at dusk Sunday was drowned. Grappling hooks dragged by motorboats Monday afternoon and Tuesday morning failed to develop a trace of the body.

The case accumulated additional mystery Tuesday.

Police investigators have been unable to find anyone who knew the man, L. P. Adair, whose name appeared on letters found in the boat from which the man is said to have jumped.

"He did not seem to have any fishing tackle and I wondered what he was up to," a fisherman told the police. "He passed by me just after I had let a big fish escape from my line. The man shouted to me: 'You set that one set away. Better luck next time.' Then he rowed on down the lake."

The police intend to send telegraphic inquiries to points in New Mexico about the man whose name was on the letters found in the empty boat.

## WOULD REDUCE MEAT PRICES IN AMARILLO

Amarillo, Texas, Sept. 29.—Recently three prominent Amarillo cattlemen made an open offer to supply their retail meat dealer with dressed meat at the rate of 9c a pound, with the understanding that the buying public would be asked to pay from 12c to 20c a pound for this meat. And while at this time no deal has been closed, making it possible for the citizens of this city to secure meat at a fair price, it is understood that several parties are negotiating with the cattlemen and that in all probability such a market will be established in this city in the near future.

After this offer was made ranchmen in other sections discussed the possibilities of such institutions, and will no doubt offer similar contracts. Senator John W. Kendrick of Wyoming, author of the bill to regulate the packers today endorsed the plan of the Amarillo cattlemen to supply beef to markets at a reasonable price. Senator Kendrick said that he would make a study to determine the feasibility of the Amarillo plan as a Nation-wide move.

## ENGLAND UNDER FOOD RATION DUE TO R. R. STRIKE

London, Sept. 29.—London today faced stricter food rationing than for a year. It is roughly estimated that there is a 14-week food supply in the country, if it is conserved. The military initiative was slack again in evidence.

W. J. Burke and wife, of Floydada were in town this week visiting and attending to business matters.

## TRY TO FIND MAN

"I looked just in time to see him jump into the water," said Well. "We were about 200 yards away then and we rowed to the spot as fast as we could. It was dusk but I could see fairly well. There was no sign of the man anywhere. We rowed around and around looking for him for a long time. I noticed there were some papers in the boat and I thought I had better leave them until I notified the police."

Well got lost in his search for the man in the water and it was nearly midnight before he got his bearings and reached the bridge.

## SEE ROWING ABOUT

An old negro, known as Spec, told Little that while fishing off of Goat Island late in the afternoon he had seen the stranger rowing around a few hundred yards away.

Other letters found in the boat indicate that L. P. Adair has a wife, mother and younger brothers and sisters living at Plainview, N. M. Adair had written the county clerk at Lovington, as to the date of a case in court.

"I want to be there on time," he wrote. Barrows answered on the bottom of the letter that the case was set for Sept. 15.

There was one letter from Adair's wife and two from a sister. Police find nothing in these letters to indicate a suicide. All described a happy home life at Plainview, but begged Adair to write more often.

For instance, a letter from his wife told Adair that the lrouth had been broken, the maize was in bloom, the first patch of corn had been cut and the family was eating roasting ears out of the garden.

The letters from the sister, Jaunita Katherine Adair, are interesting. "Old Brownie had a little calf and just for 'meanness' we named him 'Chesley Patton,'" she wrote. Patton, she indicated was a friend of Adair's and is now at work in the Burkbursett oil fields.

"But don't say anything about us

MADE BY SCOTT & BOWNE, MAKERS OF SCOTT'S EMULSION

### CIVIL WAR IN ITALY DECLARED IMMINENT

Alarmist reports are current in Rome, one of them being that a civil war is imminent.

On the one side would be the Nationalist and Militarist factions, opposed by the Socialists. Several generals are credited with the intention of heading the Militarist faction, with a view to controlling the government, it being said they believe that the weakness of those in power since the armistice caused the present deadlock.

Some of these generals already have been mentioned as being in league with Captain Gabriele D'Annunzio before the Fiume raid, to overthrow by force the Nitti cabinet and replace it with a military dictatorship. Men now numbering one million are on strike and dissatisfaction is growing with the constantly increasing cost of living.

Stop coughing! you rack the lungs and worry the body. BALLARD'S HOREHOUND SYRUP checks irritation, heals the lungs and restores comfortable breathing. Sold by All Druggists.

### WEST TEXAS FREIGHT BLOCKADE PREDICTED

Austin, Texas, Sept. 25.—The Railroad Commission today issued notice of hearing for Saturday, Oct. 4, to be held in Fort Worth in the Auditorium of the Chamber of Commerce, to consider the protests and complaints filed by the West Texas Chamber of Commerce through its general manager, Porter A. Whaley. Mr. Whaley's letter to the commission complains of the railroad service in West Texas in a number of particulars and predicts a gigantic blockade within thirty or sixty days unless something material is done to relieve the situation. The letter reads as follows:

"I have been instructed to advise you that a meeting of the executive board of this organization was held at Fort Worth Sept. 18, with representatives present from various parts of West Texas, including both the oil and agricultural regions. The following was brought out at said meeting:

"1. Present passenger traffic between Fort Worth and Ranger is so great that there is a practical breakdown of the service, almost daily persons being compelled to stand up in coaches all the way from Ranger to Fort Worth, and often times conductors refuse to take additional passengers at Ranger.

"2. There has grown up a practice at Ranger, Wichita Falls, Eastland, Burkburnett and elsewhere in West Texas, of shippers having to pay switchmen, trainmen and traffic men tips or fees, in order to secure cars, have cars spotted or secure adequate service. We request that you place such matters before the United States Railroad Administration and then to the United States Courts for consideration and action. It is claimed that this practice is responsible to the extent of from 25 to 75 per cent of present traffic congestion and delay.

#### Blockade Predicted.

"3. The estimated sorghum grain crop of West Texas, now being gathered is over 60,000,000 bushels, and the estimated cotton crop is over 1,250,000 bales. Over the whole area of West Texas approximately 20 per cent of the wheat crop is yet to be hauled. It is believed that a gigantic blockade of traffic in West Texas is bound to result within the next thirty to sixty days unless efforts are made directly to the United States Railroad Administration at Washington for the allocation to West Texas of not less than 20,000 freight cars and of a vast increase in motor power. And we respectfully request that you place this matter before said United States Railroad Administration.

"4. The congestion of freight at Wichita Falls and other points in Wichita County can, in our opinion, best be solved by the appointment of a terminal traffic manager at Wichita Falls to have supreme control of handling said traffic; also in our opinion the traffic congestion in the Eastland-Stephens County district can also best be handled by the appointment of a traffic terminal manager for that district; and we therefore respectfully request that on our behalf you make application for the same.

"5. We protest vehemently against the blanket embargo along the Fort Worth and Denver City Railway, and request that your commission consider the same. We call your attention to the fact that embargoes are being threatened at various other terminal centers outside of the oil belt in West Texas.

"6. The banks and other commercial interests of West Texas who have loaned millions of dollars to produce, handle and market the grain crops now about ready to move, must have a relaxation in credits, which is possible only through the moving of the crops to market with the least possible delay.

"7. We believe one way to assist in handling of freight at congestible points is through the use of depots heretofore closed. At many points where there were several freight depots later combined into one there is already a growing congestion.

"We consider this whole matter so serious that by unanimous vote of our executive board the writer was instructed to take it up directly with you. If you desire hearings, etc., at any time, we shall undertake to have shippers and commercial interests of West Texas represented. We do not know whether this is necessary or not, but we do believe that prompt action is imperatively necessary, and pray for the same."

Neuralgia of the face, shoulder, hands, or feet requires a powerful remedy that will penetrate the flesh. BALLARD'S SNOW LINIMENT possesses that power. Rubbed in where the pain is felt is all that is necessary to relieve suffering and restore normal conditions. Sold by All Druggists.

O. L. Roberts, of Paris, Texas, who has been near Falls visiting with relatives and acquaintances a few weeks is here this week receiving medical treatment for his eyes.

A. B. Conley Jr., returned the latter part of last week from a short business trip to Wise county.

J. H. Kemp, of Hereford, was here last week visiting at the home of Mr. and Mrs. A. J. Hicks. Mr. Kemp is a brother-in-law of Mr. Hicks.

Mr. and Mrs. W. C. Mathis, of Brownfield, were here the first of the week, making preparations for making their home in our city.

## Shropshire Racket Store

### 4th ANNIVERSARY

Will be celebrated Oct. 18 thru Oct. 25th. Watch the Avalanche for the many live specials I'll have advertised.

Many articles in the holiday line will be displayed during our sale.

Merchandise is scarce, so the early buyer is the wise buyer this year. The one who waits until the last day to buy cheap holiday goods as some have done in past years, may not get it at any price, as some lines will no doubt be sold out before Xmas Eve.

REMEMBER OCT. 18

**COLE-MYRICK HARDWARE AND IMPLEMENT COMPANY**

**Everybody's Attention**

has been called to the remarkable fuel saving secured with Cole's Original Hot Blast Heaters. Coal prices are high—why be a slave to an extravagant heating plant or stove that is a demon for fuel.

*Join now in the great army of satisfied users who have found relief from high fuel bills with the great fuel saving*

**COLE'S Original Hot Blast Heater**

Burns cheapest coal clean and bright. Uses any fuel

Everybody is searching for a way to save fuel and food. Here's your opportunity to cut your coal bills square in half and gain a perfectly heated home as well. Investigate now. Our Store is Fuel Savers Headquarters.

No. 112

**ALABAMA FAMILY ARRIVE TO MAKE HOME HERE**

C. M. Tucker and family, of Alabama, arrived here the first of the week to make their permanent home. Mr. Tucker and wife were here about two months ago prospecting and liked our country so well that he returned for his family after spending only one or two days here. The trip was made from Alabama in their car. Mr. Tucker has several children that he will enter into Lubbock schools.

W. M. (Mourv) Lewis and family passed through here the first of the week enroute to Gallup, N. M., where they will visit a few days. Mr. Lewis has recently disposed of his property near Ralls and his trip to New Mexico is more of a prospecting trip than a visit.

**APPLES! APPLES!**

I have a car load of apples for sale. See them at the Cash Dry Goods Store.

**AUTOMOBILE COMPANY ORGANIZED IN LUBBOCK**

An automobile company was recently organized in our city. This company proposes to handle and distribute the "Texan" car, a product of the Texas Motor Car Company of Ft. Worth. Also they will handle the "Little Motor Kar" another product of Texas. This company will be known as the Texas Motor Sales Co., with F. N. Payne, of this city, as manager.

Mr. Payne has one car for demonstration purposes in the city now, this is the Texan. He will probably receive a carload of these sometime this week. He will represent the sale of the Texan car in eleven counties on the South Plains, being Lubbock, Hale, Crosby, Cochran, Hockley, Terry, Lynn, Gaines, Yoakum, Garza and Dawson. He will also sell the Little Motor Kar in seven of these counties. Mr. Payne has been unable to receive a demonstration car of the last named, but is expecting one any day.

The Texan is a four-cylinder car, light, and looks like a car well worth the money asked. The Texan is a product which is being assembled in Fort Worth where the factory and general offices are located. The capital stock of \$2,500,000 is held by citizens of this State mostly. To the stockholders a reduction of 15 per cent in the price of the car is made.

The Little Motor Kar, assembled in Texas by the Little Motor Kar Company, is also a Texas product and are being made to sell from \$300 to \$750. This company proposes to erect their own foundry to make parts in this State.

A building has not yet been secured for the company here, although several are being considered, also the erection of a modern brick is being seriously considered to house the company.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS.

To the Sheriff or any Constable of Lubbock County, Texas, Greeting:

You are hereby commanded to summon Mary J. Niblick and husband, John Niblick, Elizabeth E. Morrison, a widow; Hattie E. Obenauer and husband, Phillip Obenauer; David E. Studebaker; William J. Vesey; Margaret Vesey; Sallie Vesey Max and husband, C. A. Max; Dick M. Vesey; David S. Vesey; Catharine Vesey, and William J. Vesey, Jr., by making publication of this Citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the Seventy-second Judicial District; to appear at the next term of the District Court of Lubbock County, Texas, to be held at the Court House thereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919, the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 15th day of August, A. D. 1919, in a suit numbered on the docket of said Court, No. 1265, wherein George C. Wolffarth and Eastin Wolffarth are plaintiffs, and Mary J. Niblick, John Niblick, Elizabeth E. Morrison, Hattie E. Obenauer, Phillip Obenauer, David E. Studebaker, William J. Vesey, Margaret Vesey, Sallie Vesey Max, C. A. Max, Dick M. Vesey, Catherine Vesey, David S. Vesey, and William J. Vesey Jr., are defendants, the nature of plaintiff's demand being as follows: Plaintiffs sue the defendants in trespass to try title for that tract of land situated in Lubbock County, Texas, being Survey 15, Block A, Certificate issued to T. T. Ry. Co.,

**"SEE ME BEFORE YOU DIE"**

More people can afford to buy Life Insurance today than ever before in the world's history; and more people need it, appreciate it, and are buying it. No longer need our country have its appalling and disgraceful record of 3,127,000 widows over 65 years of age, 33 per cent of whom lack the necessities of life and 90 per cent its comforts; 7,000,000 women compelled to earn their own living; 1,900,000 children from 10 to 15 years of age working for their living who ought to be in school; 1,000,000 dependents and delinquents in public institutions. A great part of this condition can be and will be eliminated by means of life insurance.

**CHILICOTHE LADY DIED AT LOCKNEY THURSDAY**

Mrs. Sina Martha Childress, age 59 years, was found dead in her bed at the home of her son in Lockney on Thursday morning. She had gone to bed the night before apparently in good health, with a small granddaughter, and evidently died very quietly of heart failure early in the night, so the doctors said. The next morning the family did not disturb her until late, as they thought she was merely asleep.

She lived at Chillicothe, where her husband is, and was on a visit to her son. Undertaker Garner went over and prepared the body for shipment to Chillicothe.

**FLOYD COUNTY GRAND JURY RETURNS INDICTMENTS**

District Attorney Hatchell has returned from attending district court in Floydada. The grand jury has adjourned after being in session only three days, and after returning one indictment for felony and twelve for misdemeanor.—Plainview News.

## SOME GUY.

Some guy has had a free ride given him in an auto out south of a north-east Texas town and one of the paragraphs describing that free ride, which was probably infrequent with him is this:

"This trip was indeed a revelation to the writer having come from West Texas, where farms are scarce and

prickly pear and mesquite beans are the chief products."

Well, that is some funny guy making that sort of talk. This morning's Katy train brought about 200 people from near where he lives and they are going to pick cotton, not prickly pears; and they will not be afflicted with prickly heat, and they will not have to be fed on prickly ash bitters, like soup is put into an invalid. They have quit the beaveries of northeast Texas to come to God's own chosen land, where humans eat the honey from the honeycomb, leaving the mesquite beans for the prairie jackasses and the ignorant guys who think them edible, and they will "bean" you if you tell it otherwise!

Forty cotton pickers arrived from Fannin county yesterday, also.

Who is this escaped "writer" from West Texas?

Few ever leave here, he they writers or pikers, or just hot-air merchants like this one seems to be. We cannot recall any man that is missing. We have visited the jails, synagogues, crap dives and had good representatives to visit, the 1000 hale-to-the-acre cotton fields, not Northeast Texas buzz fuzz patches and if there is a man missing or overboard, he has not been reported.—Stamford Leader.

## EAST TEXANS SEEKING EMPLOYMENT IN WEST TEXAS

Scores of persons hunting cotton picking have been coming from East Texas to Abilene during the past few days. The delayed Westbound Texas & Pacific train Thursday morning brought a hundred or more. Many of them are men whose cotton crops in East Texas have been failures.—Abilene Reporter.

And they came from the east, where crop failures are never known, where the wind never blows a dust storm and where the rain always comes just when it is needed, where the crows never howl, where no prairie dogs dare inhabit and jack-rabbits do not care to live.

Last year when the west was suffering from the severe drouth those East Texans made a great ado about the West and pitied us people out here, and wondered why we would stay in such a God-forsaken country, and now they are coming to the very same spot on the map that they wrote such appalling stories about to get work, and make enough money to go

back and plant another crop next year.

The Jackboro Gazette and the News of that place have consolidated, and the Gazette survives. For many years the two papers have struggled along, eeking out an existence, changing owners several times, and at last they have come to realize that two newspapers in a town the size of Jackboro is a nuisance instead of an advantage. This is true in many towns larger than Jackboro, and in fact is such in most any town with less than ten thousand population, and then two weeklies are of practically no benefit to the town, but a burden to the business men who advertise in them both, doubling their advertising expense to cover the same territory. Jackboro should now support a live newspaper, and the Gazette should become a strong factor for the upbuilding of that town.

With this issue of the Avalanche, Elmer Conley, son of A. B. Conley Jr., of this city, will become a reader. Elmer is attending the Powell Training School preparatory to entering the Southern Methodist University at Dallas.

The Avalanche is in receipt of the fall catalogue of the San Angelo Fair and Carnival, which will be held October 28 to November 1. This promises to be one of the greatest fairs of the history of that country.

## CENTER NEWS ITEMS OF THE PAST WEEK

The farmers of this community are very busy these days, when they can be, for the rain, gathering their crops. Some have begun picking cotton.

Grandpa Emery moved his house off the R. H. Haney place onto the half section just to east of Mr. Haney, which belongs to Mr. Eugene Emery. They have a beautiful location and it certainly helps the looks of the place.

School is progressing very nicely, but we are very sorry to say that several of our best students are having to stay out to work. Everyone is very anxious to get the new books.

Miss Mirion Perkins was seen in these parts Monday morning.

Mr. H. Habbinga and son, Dick, bought some hogs one day last week, near Petersburg.

Edgar Abney has been transacting quite a lot of business the past week. He sold a span of mares, and a span of young mules.

Mrs. Eddie, of Bledsoe, visited her daughter, Mrs. George Burns, of this vicinity Sunday.

R. H. Haney and wife were the afternoon callers of Mr. and Mrs. Earnest Jones Sunday.

Mr. Julian York and Miss Hazel Greig, of Badger Lake, were callers of this vicinity Sunday afternoon.

Some of the young people of this community were in Abernathy Sunday afternoon. They also attended the singing at Mr. Richard Niel's near Abernathy. They all report a real nice time.

Mr. Daniel Myers and family were in Abernathy Saturday.

Miss Elizabeth Goebel was in town shopping Saturday.

Mr. M. Goebel has had a new roof put on his house.

The teachers seem to be very anxious to see their new house nearing completion.

Mr. B. A. Myers spent from Wednesday until Tuesday with friends at Canyon. He reports a real nice time.

Earnest Jones made a purchase of a \$140 Jersey cow one day last week from E. A. Abney, of Badger Lake.

Miss Vera Perkins spent the weekend with parents of Badger Lake. She reports a splendid time.

R. H. Haney purchased another Jersey cow one day last week.

There were several from this community who attended the sale east of Abernathy last Friday.

Mr. and Mrs. Carl Allen were transacting business through these parts Friday.

J. C. Henderson and son are drilling a well for grandpa Emery this week.

Mr. Richard Nice and family visited friends of this section Sunday.

Mrs. George Burns was ill last week, but is better at this writing.

Edgar Abney is fixing to fence off a hog pasture. He hauled a load of net wire home from near Monroe one day last week.

Mr. Bill Emery has been helping his father fence his farm and move his house this week and the latter part of last.

The party at George Burns' was enjoyed by several last Thursday night.

Mrs. A. W. Jones and daughters left for Canyon last Friday, where they will attend the Normal this term. We were very sorry to see them leave, but are proud to know that they are planning for higher things than they can accomplish here.

Little Miss Eugenia Emery is spending a few days with her Uncle and Aunt, Mr. and Mrs. R. H. Haney.

Mrs. W. A. Dunn was in Lubbock shopping one day last week.

Mr. Roy McNeely and family have moved to Coleman county, Texas, where they will probably make their future home.

## NEWS ITEMS FROM THE CANYON COMMUNITY

The weather has not been very favorable the past few weeks for crop gathering.

Mr. and Mrs. West, from Lubbock, and son, Clement, spent Sunday with Mr. and Mrs. G. T. Crawford.

Mr. and Mrs. Fletcher Richardson and mother, left Monday for California to make their home. We regret very much to give this family up, but we wish them much good luck and happiness in their new home.

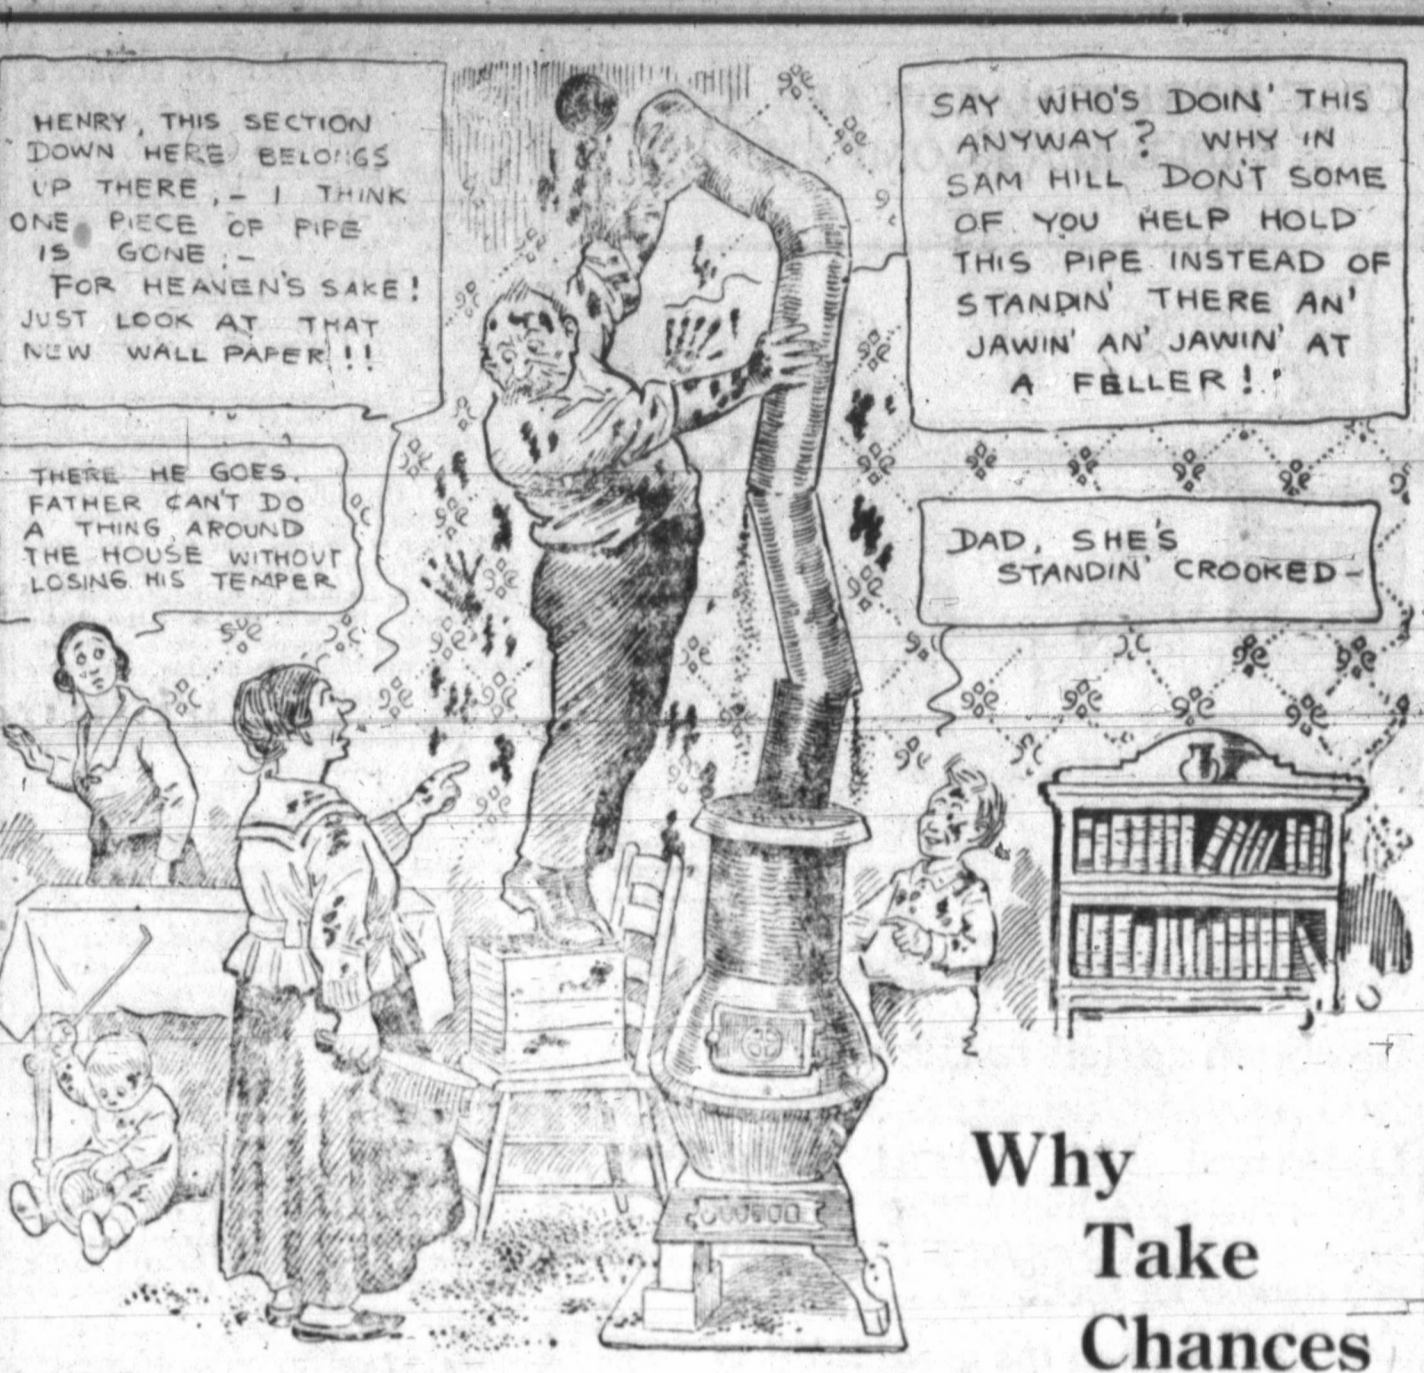

Mr. John Beville was hurt last week while heading make. He is getting along nicely at present.

Mrs. H. M. Williams suffered severe pains Monday from her ankle.

Mr. E. C. Barnett is putting some improvements on his farm.

Mr. C. C. Forbes is trying to run a race with his fellow farmers. He has out three bales of cotton and sold. He will be through and help his neighbors out of trouble.

Quite a number from this vicinity attended the fair at Lubbock last Saturday. Little Goldie Potts was

HENRY, THIS SECTION DOWN HERE BELONGS UP THERE. I THINK ONE PIECE OF PIPE IS GONE. FOR HEAVEN'S SAKE! JUST LOOK AT THAT NEW WALL PAPER!!

THERE HE GOES. FATHER CAN'T DO A THING AROUND THE HOUSE WITHOUT LOSING HIS TEMPER.

SAY WHO'S DOIN' THIS ANYWAY? WHY IN SAM HILL DON'T SOME OF YOU HELP HOLD THIS PIPE INSTEAD OF STANDIN' THERE AN' JAWIN' AT A FELLER!!

DAD, SHE'S STANDIN' CROOKED.

Why Take Chances

Of a family quarrel, besides a severe test of your patience and religion in trying to use an old stove and a lot of old, bent, rusty pipe? You can probably save money, too, by getting a new stove now, and you're sure to save a lot of muss and dirt and trouble. And besides, think of the happiness and satisfaction that comes from nice new equipment.

Then, too, there is the saving in fuel—an important item. Keep the family warm and they won't eat so much. Heat is food in the winter time.

Allen Salaer, of Laména, underwent an operation in a local sanitarium the first of this week.

### HIGH SCHOOL NOTES

By David Benson.  
On Thursday, September 25, there was an election of officers to establish the athletic association of L. H. S. The officers elected were as follows:

Prof. W. M. Slagle, President.  
Nolan Hart, Secretary.  
Miss Thurman, Treasurer.  
Mary Dickinson and Nolan Hart, yell leaders.  
Ethel Caldwell and Gerard Lokey, assistant yell leaders.  
The school adopted new colors which were purple and gold. The athletic association will be represented by these same colors.

Tuesday morning as a token of best wishes the Senior Class presented the Freshman class with a yellow and white kitten, representing their colors, as mascot of that class.

The school is preparing a football field at present and with the aid of a Fordson by courtesy of the Bradley Auto Sales Co., are getting along very nicely and when completed will have one of the best fields in West Texas.

On Saturday, October 4, Lubbock High is to meet Plainview High, in a game of football at Floydada. The boys have been having unexcelled practice with two teams out every afternoon.

It is widely thought among Lubbock students that Plainview has a defeat facing her.

The Twentieth Century Club met in the auditorium in regular session and had an historical lesson on the French Revolution. At this meeting three of the members resigned.

### IN THE DISTRICT COURT OF THE UNITED STATES FOR THE WESTERN DISTRICT OF TEXAS, AT AUSTIN

In the matter of G. D. Patterson, Bankrupt. In Bankruptcy No. 797. To the Creditors of G. D. Patterson of Taylor, Williamson County, and District aforesaid, a bankrupt:

Notice is hereby given that on the 30th day of September, 1919, the said G. D. Patterson was duly adjudged a bankrupt, and that the first meeting of his creditors will be held at my office at Austin, Texas, on the 22nd day of October, 1919, at 10:00 o'clock A. M. at which time the said creditors may attend, prove their claims, appoint a trustee, examine the bankrupt, and transact such other business as may properly come before said meeting.

Austin, Texas, this September 30, 1919.  
D. K. Woodward, Jr.,  
Referee in Bankruptcy.

### NEWS ITEMS FROM THE WOODROW COMMUNITY

It is getting winter time again I believe, and it seems as though the rains are over.

Cotton picking has about taken the day around here. There has been several bales taken to town.

Mrs. Marcy's brother and family are visiting her this week.

Mrs. G. M. Eubank and Willie May McClure came home Friday and stayed until Sunday.

Mr. and Mrs. Brown went to Lubbock Sunday to see their little son, who is in the sanitarium there. He is getting along fine.

Mr. and Mrs. H. C. Beavers visited their mother, Mrs. Gill, Sunday.

Miss Ruby Marcy spent the day with Zelma Alvey Sunday.

Our Sunday School had just about gone dead when one of our S. S. men suggested reorganizing so next Sunday everybody is urged to be present to reorganize the Sunday School.

Mr. and Mrs. A. V. McCarty visited Mr. and Mrs. T. B. Morris Sunday afternoon.

Mr. G. M. Eubank and Lloyd Teal were callers at the Morris home Sunday afternoon.

The singing at Mrs. Marcy's Sunday night was enjoyed by a good crowd.

Mrs. Clay Bevers spent Monday night with her mother, Mrs. Gill.

We welcome all the people who are moving to our community and wish more would come. We think we have one of the finest communities in Lubbock county.

Messrs. Ross Renfro of Brownfield and J. C. Keller, of Plains, were business visitors here Tuesday and Wednesday.

**DR. VINSON EXPLAINS PROPOSED AMENDMENTS**

Austin, Texas, Sept. 28.—Dr. R. E. Vinson, president of the University of Texas, in a statement in regard to the proposed educational amendment to the Constitution, which is to be voted on by the people of Texas at an election to be held Nov. 4, pointed out briefly the benefits that would come to the educational system of Texas from the adoption of the pending proposition. He summarized the things that will be accomplished by the amendment as follows:

1. Divide the University and A. & M., as these two institutions are in fact.
2. Remove the constitutional prohibition preventing the Legislature from making appropriations for permanent improvements.
3. Authorize the University board of regents to issue bonds upon University lands, the income from which will pay off these bonds and will, therefore, not cost the taxpayers of the State one cent.
4. Give constitutional standing for the various State normals and the College of Industrial Arts in Denton.

The only place in which the University and A. & M. are joined is in the Constitution, according to Dr. Vinson, and the passing of the proposed amendment will remove an anomalous situation, and give it a constitutional aspect.

The removal of the prohibition and the empowering of the Legislature to make permanent improvements in the University will make the State's foremost educational institution the peer of its kind in Texas as well as in the Southwest.

The State normals and the College of Industrial Arts at Denton are not provided for in the State Constitution and can be abolished at will by any Legislature with the people of the State being powerless to raise a restraining hand.

The passage of the amendment will make these schools constitutional and outside the pale of legislative action, but exclusively within the control of the voters of the State.

**GREENVILLE MAN HAS FIRST GOOD SLEEP IN MONTHS**  
J. T. Lamm, of Greenville, Texas, and son, W. A. Lamm, arrived in our city this week. Mr. Lamm will probably remain here throughout the winter. He has asthma and has been visiting in several sections of the State this summer for relief. The past few weeks he has been at San Angelo but was advised to come to Lubbock. Mr. Lamm says that his first night in Lubbock was the best night's rest he had during the whole year.

When your food does not digest well and you feel "blue," tired and discouraged, you should use a little **HERBINE** at bedtime. It opens the bowels, purifies the system and restores a fine feeling of health and energy. Sold by All Druggists.

**JOHNSON GETS DRUBBING FOR HIS TREATY STAND**

Washington, Sept. 27.—Senator Johnson, Republican, California, is asked in a telegram signed by a number of judges, state officials and business men of California to withdraw his opposition to ratification of the peace treaty. The telegram made public here today by League to Enforce Peace said: "We have heard the President's message on the peace treaty and the League of Nations. We have also considered carefully all the objections offered to ratification. The issue is the most important presented to the American people since the Civil War. Far above all personality of partisanship we are convinced that the treaty should be ratified without amendment or reservation. Peace and peace on a permanent basis of open arbitration, inquiry and discussion before resort to war is vital to the welfare of the American people and the welfare of the world. America must not be false to herself and refuse such a peace except for the most weighty reasons. The objections to ratification are not weighty and should not hold up that. We appeal to you to withdraw your opposition. We are confident that in this we speak for an overwhelming majority of the people of California and that your present position does not represent them truly."

**NEWS ITEMS FROM THE TERRY COUNTY HERALD**

M. V. Brownfield informed us this week that there would be an oil driller here in the near future to put down a deep test in the neighborhood of this town. Mr. Brownfield and the gentleman have been negotiating for some time and this is the climax to the dealings. We understand that drilling will likely start in the next month or six weeks, and will be a real deep test. We will give our readers further information as it comes to us.

J. C. Bond, one of the most successful farmers of the county, who lives in the Union community, was in one day this week and reported that he was going to sow some wheat this fall. He says they raise wheat on much sandier land than his in Childress county. He says there was a little flaw in their building plans of their new \$15,000.00 school building that has to be cleared up before the building can go on, but as soon as that is fixed, and material can be had, their building will be started.

Mrs. J. W. Spear came in on the train Monday from Lubbock, and had in her charge the editor's little daughter, who will be placed in the care of Mrs. W. C. Smith until her mother is able to come home. Mrs. Spear reports that all the Terry Co. people in the sanitarium are doing very well. We are glad to announce that the local Baptist church has at last secured a pastor in the person of Rev. J. E. Anderson, of Waco, Texas. He and family arrived last week, and it is said that not only the church of that faith, but the entire town will be benefitted by the addition of this excellent family.

Both our road graders started up again this week after being idle for two or three weeks undergoing repairs. They were put to work on the Lubbock road again, and that highway will be put in excellent condition in the next few weeks if the weather will permit.

Wormy children are unhappy, puny and sickly. They can't be otherwise while worms eat away their strength and vitality. A few doses of **WHITE'S CREAM VERMIFUGE** performs a marvelous transformation. Cheerfulness, strength and the rosy bloom of health speedily return. Sold by All Druggists.  
The Commissioners Court of Jones County at its September term discontinued the appropriation for defraying the county's portion of the salary and expenses of the County Demonstration Agent, and Mr. Latham, who has been supervising the work there has tendered his resignation. It is stated that this act of the Commissioners Court was done against the desires of practically all the prominent farmers of that county.

## THE ECLIPSE MILL

Is the Mill for You—It is the Cheapest Pumping Power on Earth

Sold for 50 years—some of them erected 38 years ago still running. When you consider the life of an Eclipse mill it is certainly economy to buy one. Many ranchmen have used the Eclipse mill for years and it is no trouble to find mills which have been used for 10 to 20 years and good for many years to come.

The Eclipse is made from the best material that can be gotten, true to pattern, so that they are perfectly balanced. They have few working parts to wear out. The fans in the wheel are wider than any others, hence have more wind surface, consequently more power.

If you want satisfaction and service, you want the Eclipse.

### CARLISLE NEWS OF THE PAST WEEK

People are behind with their work since we are having so much rain. Mr. J. B. Moore was in town Thursday. There was singing at Mr. Homer Guinn's Sunday night. A large crowd attended and good singing was had. Misses Susie Moore and Jewel Dalley, and Mr. Oather Moore all took supper with Mrs. Claud Brown Sunday. Miss Georgia Guinn spent Sunday with Misses Arna Bond and Southworth. Mr. Bush and family spent Sunday afternoon with Mr. Bailey and family. Arrie Bond and Miss Lillian Haner and Mr. Hardie Willard took supper Sunday with Miss Ada and Mr. Other Altman. Messrs. Jim Matt and Clara Moore spent awhile Sunday with Mr. and Mrs. Jones. Mr. Otis Guinn visited his father and mother Saturday night. Mr. J. W. Randolph was called Saturday to the bedside of his mother, who is not expected to live. Miss Bettie Spence had her tonsils removed Saturday. Mr. and Mrs. Fred Self spent Sunday with Mr. Self. Mr. Judson has moved back to our community. Mrs. McDuffee is visiting relatives at Rails this week. Mrs. Brown spent Sunday with Miss Ettie Heffington. A. L. Gurley of Wichita, Kansas, passed through here Wednesday of this week enroute to Terry county and other parts of the South Plains. Mr. Gurley is still optimistic regarding the development of the potash industry on the south plains.

### FOR LUBBOCK'S THEATRICAL GOERS

Never has there been an opportunity offered to the lovers of good theatrical productions of Lubbock where they could have a few of New York's best come to their own town, as is now at their door. The attractions put on by the united efforts of Lubbock's people and Chas. F. Horner's Dramatic Production Assn., is something that the Lubbock folks are proud of, and they are showing their appreciation by supporting it. Almost every seat is sold now. W. S. Farris, who represents the Horner Dramatic Association, is well pleased with the efforts put forth to make this a success. He mentions that it will mean much, not only to Lubbock, but the other communities, also the Horner people, for every community to get hold of this great opportunity, whereby it will become a permanent affair like the Horner Chautauqua. Mr. Farris says it is Mr. Horner's desire to give his patrons the things they like, and he considers nothing too good for them. These season's entertainments have developed from the different communities' hunger for this class of attractions, and it is only through the co-operative plan that this hunger can be satisfied. Mr. Farris mentions that at the way it has started in all the towns that success is assured everyone associated with it. Mr. Horner, with the assistance of his New York office, has given his personal attention to the selecting of the casts of each play and has spared no effort to make it a success from his standpoint, putting a great deal more money into it than he ever expected to. While Mr. Horner was satisfied

with his selections he felt he would like to have other opinions as to the casts, and during the rehearsals he had several old and experienced theatre men visit them. They included playwrights, stage directors and actors, and without exception they all were surprised at the quality of the people and the type of production that they had gotten together.

### NEWS ITEMS FROM THE CROSBYTON REVIEW

Rev. I. A. Smith returned last week from Lynn county where he conducted a revival meeting. He reports a good meeting, and as evidence of the fact that he lived off of the fat of the land while there he brought back three watermelons that weighed 71, 72 and 78 pounds each. Joseph M. Taylor and two sons, Edward and Luther, arrived on Tuesday evening's train from Clovis, N. M., where they have been visiting. Mr. Taylor says crops in that country are fine, that corn is making 40 bushels per acre and beans all the way from 150 to 400 bushels. W. M. Dorsey, who has just sold

Mr. Lawson and Todd, from near New Home, were at the store last Monday morning.

Mr. T. F. Williams was over at Meadow Sunday.

Mr. Townsend and wife were the

## CONVINCING ARGUMENT

(Copied from Prudential Weekly Record).

"Say, Mr. Prospect, if you had One-Hundred dollars in your clothes and were assaulted by a highwayman who desired to relieve you of your money, you'd fight like a tiger to save it, wouldn't you? If the honor of your home were attacked, you'd do the same. And yet some day you are going to be assaulted by a highwayman, GRIM and DETERMINED, the old chap with the hour glass and scythe, and struggle as you may, you can never prevail against his onslaughts. You may stand him off and beat him back for awhile, but sooner or later he will get you, and get you good. He'll stop all your power to earn money, and unless you have laid up a competency, your loved ones left behind will be penniless. Death may come at any time, and in any way."

NOW is the time to get ready to give him the laugh."

"Men Always Die at the Wrong Time"

### Kansas City Life Insurance Company

W. C. RYLANDER, District Manager

LUBBOCK, TEXAS

guests of C. E. Morman and family last Sunday.

Mrs. Dee Moore spent last Monday with her mother-in-law, Mrs. J. W. Moore.

Mrs. M. L. Williams and wife enjoyed playing "42" with Mr. T. T. Lindsey on last Sunday night.

Mrs. R. M. Foster was the guest of Mrs. Frank Williams last Sunday.

Mmes. R. V. Ater and B. B. Ater, from Lakeview, were at the store Monday.

Mr. Chester Hubbard and wife, Mr. T. J. Davis and R. J. Murphy, were in Lubbock Tuesday.

Gilbert Northam and brothers, from Lakeview were at the store Tuesday.

Mr. W. D. Arnett went to Sweetwater Saturday to carry his mother. He returned home Sunday morning.

J. W. Moore was at town Tuesday.

LESLIE DOTSON CHARGED WITH THEFT FROM BANK

Leslie Dotson, son of D. A. Dotson, formerly a citizen of this city, was arrested the latter part of last week at Amarillo charged with theft of \$3100, from the Black Water Valley National Bank, of Muleshoe. The theft is said to have been made about the first of August.

Mr. Dotson, we understand, was tried for theft last year at Abilene, and received a suspended sentence of two years. He also was released on a two year suspended sentence at Clovis, some time back, following a trial for theft.

Mrs. A. B. Ellis wishes to announce she will take a limited number of piano pupils, \$5.00 per month. Beginners a specialty.

14-1

REAGAN COUNTY SEAT WILL NOT BE MOVED TO BIG LAKE

San Angelo, Texas, Sept. 27.—By a vote of 32 to 30, the people of Reagan County have determined that the county seat shall not be removed from Stiles to Big Lake, the county's chief railroad point.

### LOCAL ITEMS FROM THE LYNN COUNTY NEWS

Messrs. Ovid Luallin and Roscoe Roberts came in the latter part of the past week from Marfa, Texas, where they had been employed the past few months. They are old Tahoka boys and their friends are glad to see them back home for a while.

P. L. Fletcher, of Big Spring, wire chief for the Western Telephone Co. is in Tahoka this week taking the place of W. M. Harris, who is taking his vacation. Mr. Fletcher was formerly at Slaton, with the same company.

Mr. and Mrs. A. D. Shook, and little grandchild, Adella Shook, came in

Monday. Mrs. Shook and Adella had just returned from points in New Jersey and other states of the Union, where she had been for the benefit of her daughter, Miss Mildred. They came home by way of Waco, Texas, and were accompanied by Mrs. W. J. Patton, of that city, sister of Mrs. M. M. Herring, of Tahoka. Mr. and Mrs. Shook and grandchild, left yesterday for Desdemona to spend a few weeks.

S. R. Hatchett and A. R. McGonagill closed a deal this week whereby Mr. Hatchett becomes the owner of 26 head of white face cows and calves. Terms private. Mr. Hatchett will run the cattle on the ranch of J. E. Katner this winter.

Rainfall amounting to 1 3/100 in. had fallen over Lynn County up till seven o'clock Thursday morning, making a total precipitation of four and three hundredths inches within the past ten days.

### NO EPIDEMIC IS YET THREATENED ON COAST

Austin, Texas, Sept. 27.—While sanitary conditions in the storm-swept section of the Texas coast are still bad, no epidemic is threatening and health authorities have hope of being able to clean the territory before health of the survivors is seriously affected, says State Health Officer C. W. Goddard, who returned from Corpus Christi last night.

The water supply, sewerage and garbage disposal in Corpus Christi has been taken care of, continued Dr. Goddard; and all animal matter has been disposed of.

### HOUSES BEING CONSTRUCTED ON FARMS NEAR SLATON

M. D. Jones of Slaton, was a business visitor here Tuesday. Mr. Jones says that much improvement in the way of new dwelling houses is being made in his community. Most of the new dwellings are being erected on the farms. Many of the larger farms have been sold and divided. There is occasionally new residence buildings being erected also in the town of Slaton, but on account of being unable to secure the services of carpenters many buildings that would be in course of construction are being delayed.

## I WANT A LIST OF YOUR FARMS AND RANCHES

I am now ready to sell your farms, ranches and city property. I have good connections in the Ranger Oil Fields and have the men ready with the cash to buy your land. Looking for a bunch most every day. My partner lives in Gorman, gets the buyers and brings them direct to me and all we want is just a chance to show your land and we will sell it for you from one acre up to twenty thousand.

Have good oil royalty to trade or if you don't want that we can get the cash for you. I have sold several thousand acres in past month to oil men and my list is getting low and want to have a good list to show these men when they get here.

Send in your list early so as you will be one of the first to sell your land.

I also make farm and ranch loans. I do my own inspecting, thereby saving you the time of waiting for an inspector to come here from a distance. Eight per cent interest and liberal prepayment options.

### CITATION BY PUBLICATION

THE STATE OF TEXAS,  
To the Sheriff or any Constable of Lubbock County—Greeting:

You are hereby commanded to summon Mary M. Conklin, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District; to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court house thereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919 the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 24th day of September, A. D. 1919, in a suit numbered on the docket of said Court, No. 1272, wherein J. F. Conklin, is plaintiff; and Mary M. Conklin, is defendant; the nature of plaintiff's demand being as follows:

That plaintiff is an actual bona fide inhabitant of Texas, and has been such inhabitant for more than twelve months next preceding filing this suit, and he has resided in Lubbock county more than six months next preceding the filing of this petition in this cause.

That on February 18, 1913, plaintiff was married to defendant and lived with her until April 15, 1917, when defendant abandoned plaintiff, since which time, plaintiff has not seen the defendant. That defendant was guilty of cruel treatment and outrages toward plaintiff of such a nature, as to render their longer living together as husband and wife, wholly unupportable. That defendant has no love for plaintiff, would not consent to his company and refused to be a wife to him, or to attend to her household duties, and would not cook plaintiff's meals, and would leave him without knowledge or consent of plaintiff, not returning until late hours at night, and would refuse to tell plaintiff where she had been or what she had been doing. That defendant is a woman of violent temper, and without cause and on slightest pretext, would fly into a rage and threaten to cut plaintiff with a knife or strike him with any object she could get her hands on. That defendant persisted in associating with persons of low morals, and bad reputation in the community, in which they lived, knowing such persons to be of such reputation, and over the objections of plaintiff, would bring such persons into his home. That defendant, clandestinely and without the knowledge of plaintiff and while he was away at his work, left him, under circumstances of a suspicious character, and plaintiff has not seen her since and never has known since she left, anything of where she is. Plaintiff prays

### Their Best Peanuts Go Into this Jar

Texas-grown Spanish and Virginia Peanuts, recognized as the finest grown in America, are blended in wholesome Renown Peanut Butter—a delicious food, indeed!

And only the best grades of both are used, for the house of Boren-Stewart pays a bonus price in both markets in order to send the very best grade to its peanut butter plant.

And that Renown plant would appeal to the food connoisseur; a sun-lit building where cleanliness is a natural law and where well-paid, conscientious employees produce a peanut butter that is superior in quality to any other brand.

Peanut Butter is one of America's accepted foods. Wholesome and nourishing, it has a taste that appeals—particularly to young folks. With Renown Brand at your grocer's you may use all you want with an absolute assurance of uniform quality. Renown is packed in sealed glass jars (with every bit of air excluded by a special vacuum process), guaranteeing freshness, purity and flavor at all times.

**RENOWN COFFEE**  
Arabian Mocha, Genuine Java and seven other good coffees well blended. You can buy no better coffee than Renown.

**RENOWN TEA**  
Has its delicious flavor from famous imported teas of British India and Ceylon. Comes in air-tight tins. Convenient sizes.

Don't neglect this important work. The school meets at 10 a. m. Sundays. At 11 o'clock the pastor will speak on "Light on Life's Afflictions." Perhaps you may need just such a message as this.

The Young People's Union was organized last Sunday and will meet each Sunday at 4 p. m. We expect to make this one of the best services of the day.

"Shall we Still Believe that Old-Old Story that We Learned at Mother's Knee, the Story of Heaven?" This will be the subject for the evening service.

W. A. BOWEN

Rev. and Mrs. Bowen were given a delightful surprise last Thursday night in the form of a pouncing. A large crowd met at the Baptist Church and Rev. from there to the home of their pastor and wife, carrying many expressions of their love and esteem in the form of groceries, canned fruit, preserves, etc. About thirty people were present and many who were not there sent a substantial remembrance.

The Odd Fellows entertained with an elaborate affair at the W. O. W. hall Tuesday night. The orchestra discoursed sweet music during the evening and Rev. Collins of the Cumberland Presbyterian church and Judge J. H. Moore were the speakers. Last, but not least, the guests were conducted into the dining hall, where they found the tables filled with everything good to eat. Everyone present enjoyed this occasion to the utmost.

## MONEY TO LOAN ON HOMES

I will loan you the money to buy, build or repair residence or business property, with on or before prepayment option, easy monthly payments.

Misses Maggie Mallard, Rhoda Barrier and Ouida Easter, went from Barrier Brothers Dry Goods Company's Store here, to Floydada to assist in their store there during the fair. There will be quite an event in the dry goods store there by Barrier Bros. and the Martin Dry Goods Co., holding style show Friday evening.

E. H. Lyon, son of Rev. and Mrs. W. E. Lyon, arrived in Lubbock Monday, after having served a number of months with the U. S. Navy.

E. A. Worden, retired capitalist, of Dallas, spent one or two days this week in our city attending to business matters.

**NOTICE TO REAL ESTATE DEALERS:**

This is to notify all real estate dealers that my farms are off the market, to be governed accordingly.—JOHN H. MOORE. 14-1

T. A. Locklear, of Norton, N. M., is here this week, visiting his daughter, Mrs. John Pettit. Mrs. Locklear has been here several weeks. Mr. Locklear says there is a great scarcity of labor in New Mexico, and there is a great deal of feed stuff going to waste in the fields.

Mrs. E. J. Hedstrom entertained Friday afternoon from 4 to 6 with a party in honor of Abe Miller, R. L., and Stella Mae Vaughn. The house was beautifully decorated with roses, dahlias and golden rod. The early part of the afternoon was spent in playing the games so dear to the childish heart. Mrs. Hedstrom then served marshmallow sandwiches, cake and ice cream to a number of guests and the three honorees. A delightful afternoon was spent by all present.

Miss Nell Ruth Earnest, assisted by Miss Louise Arnett gave a most delightful dance last Friday night. A Victrola furnished the music and hot chocolate and cake were served to the following guests: Misses Olene Bates, Margaret Robbins, Julia Johnson, Alice Lee, Eunice Smith, Edith Carter, Louise Arnett; Messrs. Newman Boles, Carter Arnett, Arnett Pearson, Hal Arnett, Hamilton de Cardover, Glenn Stricklin, Roe Gardner.

One of the most delightful affairs of the season was the party given by Mrs. D. Robison last Thursday afternoon in her lovely home. Progressive "42" was the diversion offered. The most delicious pineapple sherbet and white cake were served. The following ladies enjoyed this occasion: Mmes. Joe Penney, John Penney, A.

### HÔME DEMONSTRATION DEPARTMENT

To All Members of Canning, Conservation and Poultry Clubs in Lubbock County.

Below is a letter sent out by Miss Neale, our State Home Demonstration Agent. I trust that each of you will read it and find it possible to give one article from the suggested list. If you have anything to offer, send it to my office at once and I shall be glad to send everything to the proper place. Sincerely,  
MILIE M. HALSEY  
Home Demonstration Agent,  
College Station, Tex., Sept. 27, 1919.  
To County Home Demonstration Agents:

Doubtless during the past week your hearts have turned in deepest sympathy to the suffering homeless of the storm stricken area of our Texas coast. Furthermore, we are sure that many of you have already given help both by contributions of money and by personal service. We know from past experience how responsive you are to appeals for help.

In view of the fact that many people on the coast have lost their homes all their household furnishings, and every stitch of clothing, do you not think it would be splendid thing for each of the 15,000 Texas home demonstration club girls and the home demonstration women to contribute something toward the rehabilitation of these wrecked homes? If each one can give only a jar of fruit or vegetables, a pair of stockings, a towel, or an undergarment the aggregate would be a wonderful help.

The Red Cross Relief Committee has expressed gratification at the suggestion of help from the demonstration club girls.

Are you not willing to undertake to interest your club girls in this work and to be responsible for sending the contributions to the relief committee? As you visit the clubs or the individual members, you can easily present this matter to them, and undoubtedly you will find them ready to co-operate with you fully. After you have assembled the contributions at some central place—your office perhaps, it might be a good thing to have a committee of girls from the clubs to assist you in packing.

A telegram from Governor Hobby advises that the contributions be sent to Colonel Jacob F. Wolters, Aransas Pass, Texas. The express companies make no charges for transportation of relief material.

Enclosed you will find a suggestive list of articles that might be donated. You may think of other things that

## LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Frezzone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Frezzone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated. Dick Howard wants to sell you gas and oil. Phone 29. 13tf

would be acceptable.

Our home demonstration agents, club girls, and club women have never failed to rally to such a call as this, and we are sure they will do so now as readily as they did during war times.

Yours for service,  
LAURA F. NEALE,  
State Home Dem. Agent.

List of suggested contributions:  
Pair of pillow slips; sheet; quilt; towel; tea towel; stockings, underwear, baby garments, sweater, pillow; jars of canned fruit, preserves, or vegetables.

Any second hand outgrown children's clothing that is really good.

Give's Tasteless chili Tonic restores vitality and energy by purifying and enriching the blood. You can soon feel its strengthening, invigorating effect. Price 50c.

Messrs. C. F. Stubbs and J. B. Earhart left this morning for a short business visit to Amarillo.

#### The Prosperous Texas Farmer

(By Eason N. Timmons.)

Washington, Sept. 25.—The Texas farmer, his granaries already bursting with the greatest wheat and oat crop in history must now look around for a place to put away his cotton, corn, sorghum, kaffir, peanuts, beans and a dozen other things. The Texas farmer has just had the biggest year of his big life, the department of agriculture today announced and cited figures to prove the fact.

The Texas farmer this year harvested or is harvesting a crop of 120.3 per cent, which means that he raised a fifth bigger composite crop than he ever did before. However, just one state did better and that was Oklahoma which is harvesting a 129.3 per cent crop. After Texas the States with the biggest gain in their year yield are Kansas, Nebraska, Arizona, and New Mexico.

Here are some of the reasons the Texas farmer is wearing his broadest smile and announcing to a world which may have forgotten the fact that Texas is an agricultural State and not all its wealth is in petroleum.

Corn in 1919 has been a 102 per cent crop, against a ten year average of 63 per cent. It will amount to 301,287,000 bushels and on August 1 even the most optimistic report placed the prospective yield at 186,376,000 bushels. In 1918 Texas raised only 69,000,000 bushels of corn.

Oats are a 100 per cent crop, against 66 per cent as a ten year average. The yield in 1919 has been 72,912,000. In 1918 it was 22,197,000. The barley yield this year in the Lone Star State is 481,000 bushels. Last year it was 170,000.

Irish potatoes are 81 per cent of the best crop the state ever had. 3,107,000 bushels will go to market or be consumed by the raiser. In 1918 the yield was 3,300,000 bushels. Sweet potatoes to the amount of 9,212,000 bushels is the Texas yam output. In 1919 the rice crop is 8,474,000 bushels as against 7,840,000 in 1918.

The tame hay crop in 1919 is 1,171,000 tons. Wild hay in 1919 amounts to 258,000 tons as against 134,000 last year. Alfalfa to 202,000 tons as against 184,000 in 1918 is another 100 per cent crop. The grain sorghums amount to 56,687,000 tons, or more than double any other State in the Union and also more than double the Texas 1918 yield which was 24,275,000 bushels.

The apple yield will be 624,000 bushels compared with 273,000 last year.

The Texas broom corn yield is 10,200,000 tons, compared with 19,200,000, a rather startling decrease. Sorghum for syrup amounts to 867,000 gallons as against 458,000 last year, peanuts 11,461,000 bushels as against 7,117,000 in 1918. Watermelons in Texas were a 12 per cent crop. Field beans 88 per cent, field

peas 87 per cent, tomatoes 90 per cent, cabbage 88 per cent and onions 83 per cent.

In the total number of stock hogs Texas showed a decrease, having 1,911,000 as against 2,195,000 last year. Consequently at Chicago, Kansas City, Fort Worth, Omaha and St. Joseph, the principal hog markets there was a falling off in receipts. Wool production amounted to 14,786,000 pounds, compared with 11,800,000 pounds up to this time last year.

The honey crop to this date this year is 96 per cent of the best yield the State has ever had as compared with 74 per cent last year. The pecan crop is 85 per cent of the best year ever recorded, as against 34 per cent last year.

In cotton there is a decrease in acreage and the estimate is that there will be only 61 per cent of a full crop, but this is larger than the 45 per cent crop of last year. Ellis County, Texas, which in 1918 was exceeded only by Bolivar County, Miss. and Orangeburg County, S. C. in the county production of cotton, will again lead Texas counties in production, the estimates show.

Estimates of average prices for the year being received by Texas farmers for their various crops is as follows: Hogs, \$18.50 per hundred; beef, \$8.10; real calves \$10.10; sheep \$9.40; lamb, \$12.20. Wool, unwashed, per pound, 47 cents; milk cows, per head, \$80.50; horses per head, \$104.

Apples, per bushel, 85 cents; peaches, per bushel, \$1.70; pears, per bushel, \$1.70; tomatoes, per bushel, \$2.20; dry beans, per bushel \$4.40; cotton seed, per ton, \$64.80; alfalfa, per ton, \$31.50; prairie hay, per ton, \$12.80; bran, per ton, \$45.20; cotton seed meal, per ton \$66.90.

Corn per bushel \$1.71; wheat per bushel \$2; oats, per bushel 64 cents; barley, per bushel, 88 cents; rye, per bushel, \$1.20; potatoes, per bushel \$2.10; sweet potatoes, per bushel, \$2.19; loose hay, per ton, \$18.50; butter, per pound, 40 cents; eggs, per dozen, 32 cents; and chickens, per pound, 25.5 cents.

#### West Texas Facing Serious Conditions

West Texas farmers face two very difficult problems at this time, the harvesting and marketing of immense crops of cotton and grain, according to Walton Poteet of College Station, who represents the cotton classing and marketing work of the A. & M. College and the United States Bureau of Markets. Mr. Poteet returned yesterday from an extensive trip through the West to visit Government cotton offices at Vernon, Memphis, Lubbock and Weatherford. He also visited Dickens, Crosby and Nolan Counties.

"The cotton and grain crops in the West," Mr. Poteet said, "are very large and far beyond the ability of the labor now on the ground to harvest. Immense stacks of grain are to be seen at every railroad station and on almost every farm, while many thousands of acres of grain sorghum are yet to be harvested. The market for these grains has declined recently to a point well below the cost of production and farmers are faced with the alternative of selling at these prices or taking the chance of losing their grain, as there is not sufficient storage space, nor indeed are there enough railroad cars available to haul it to market.

"Many laborers from other sections are now going to the West to work in the cotton fields, but the supply is wholly inadequate.

"The A. & M. College and the United States Bureau of Markets are aiding farmers in marketing their cotton crop and our offices at Vernon, Memphis, Weatherford and Lubbock are serving not only the farmers in the counties in which they are located, but are extending help to many surrounding counties. It is

not possible for us to respond to the large number of calls to establish offices at other places, but we have arranged to have our central offices at Dallas and Houston render assistance to farmers who are not able to get help through our local offices. They may learn the grade and staple of their cotton by sending samples to our Dallas office at 1307-1308 Southwestern Life Building or to our Houston office at No. 7, Dooley Building. All samples should be drawn from both sides of the bale and identified by the yard or warehouse number.

**Cotton Classing Work**

"In order to receive assistance in marketing, farmers who can not have their cotton handled through our local offices should bulk their holdings in lots of twenty-five or more bales, place the sale of it in the hands of some responsible man and send samples to our Dallas or Houston office. Prompt report will be made of the grade and staple of the lot and advice and assistance given in finding buyers. A better price can be obtained for cotton in large lots than for single bales. Under the terms of agreements with farmers co-operative associations which bear a portion of the expense of this work a charge of 25c a bale is made for the service of classing and assistance in marketing. —Dallas News.

Mrs. A. J. Hicks left Wednesday afternoon for Amarillo, where she will visit a few days with her daughter.

The Abilene Reporter says there are six cases of flu reported in that city.

## People Tell Us Our Store is Different

Of course it's different.

Because it's a SERVICE grocery. It's not just a store where groceries are sold.

It's a place where everything is done to make buying groceries a real pleasure.

A big stock of good things to eat. Courteous, intelligent clerks who understand their business thoroughly. Prompt deliveries.

A telephone that is always open to you.

A place where you can have a charge account for 30 days if you so desire.

A store that sells quality goods which it can recommend without the slightest fear or hesitation.

Our prices are very attractive and the farmers, as well as the city folks, will find it to their advantage to trade with us.

Watch our ads each week we quote subject to market change:

Irish Potatoes by the sack	Smoked Bacon by side, lb.	35c
per pound . . . . . 4c	Cheese per pound . . . .	40c
Dry Salt Meat by side, lb.	2 pkgs. Washington Crisp	25c

We are selling Chase & Sanborn's Coffee while this present stock lasts 10 cents per lb. under the market. This coffee is an item every family should buy, whether they are our customer or not, as the quality of Chase & Sanborn's coffee is beyond question, superior to other brands.

#### 620 DEAD AND MISSING IN RECENT GULF STORM

Corpus Christi, Texas, Sept. 27.—A revised summary of the casualties made public tonight by the bureau of information places the known dead in the vicinity of Corpus Christi as the result of the hurricane and tidal wave which swept over the South Texas Gulf Coast Sunday, Sept. 14, at 320. Of this number 157 were identified, leaving 163 in the list of those still unidentified. The known dead in the vicinity of Rockport, and Port Aransas, is officially given as twenty-five; bringing the death roll in the storm-swept area up to 345. In Corpus Christi alone the list of persons still unaccounted for contains 275 names, making a grand total of 620 for the affected district, including known dead and missing.

T. E. Lokey is spending this week in Terry county attending to business interests of the Rix Furniture and Undertaking Co.

Rev. Underwood, pastor of the Baptist church at Lamesa, was here Monday.

### FARMERS BUY STOCK TO EAT SURPLUS FEED

Snyder, Texas, Sept. 18.—The people here are rapidly restocking with hogs and cattle. C. E. Ferguson has shipped in a car of Jersey cows and calves from Kaufman county. Frank Broomfield and T. W. Gatebert of Dunn, have received by express three registered Holstein heifers from Wisconsin.

Several cars of hogs have been shipped in from East Texas, and were readily bought by farmers who are overstocked with feedstuff.

### "BAYER CROSS"

### ON ASPIRIN

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer which proved to be composed of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

### CITATION BY PUBLICATION

#### THE STATE OF TEXAS.

To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to summon Hazel Everline, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District, to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court House thereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919, the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 11th day of September, A. D. 1919, in a suit numbered on the docket of said Court No. 1268, wherein George F. Everline is Plaintiff, and Hazel Everline is Defendant; the nature of plaintiff's demand being as follows:

That plaintiff has been an actual bona fide inhabitant of the State of Texas, for twelve months, and of Lubbock County for more than six months next preceding the filing of this suit. That on March 2, 1912, plaintiff was lawfully married to defendant, and cohabited with her as her husband until about September 14, 1914, when defendant left plaintiff with intention of abandonment, and did then and there abandon him, since which time plaintiff and defendant have not cohabited as husband and wife, and said abandonment took place more than three full years prior to the filing of this suit. That no children were born of said marriage and there are no property rights to litigate in this cause. Plaintiff prays for divorce from the defendant, costs of suit, etc.

Herein fail not, but have you before said court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Lubbock, Lubbock County, Texas, this 11th day of September, A. D. 1919.

(Seal) SAM T. DAVIS, Clerk, District Court, Lubbock County, Tex. (12-4)

We have a brick storage room for rent. Moore Bros. 13-1

### SCHOOL NOTES

(Delayed from last week)

Monday morning the Reverends Griswold and Collins and Mr. G. K. Watkins visited the school. Rev. Griswold gave a short talk and Mr. Watkins gave two readings. We are having splendid opening exercises this year and would be glad to have more of the patrons visit us.

New pupils are still coming to our school. This week John Ernest Whipp entered the Junior class and Glenn Strickland and Miss Laverna Smithers entered the Sub-Junior department.

The Senior Class organized last Friday afternoon and chose their colors. Monday afternoon they raised their flag over the school house.

Miss Lella Clay visited the Junior class Monday.

This year the school is to have general opening exercises once a week. Mrs. Meskimmings has been elected school pianist and Miss Nickols, song leader.

Monday night the Senior class enjoyed a singing at the home of Miss Irene Lowry. Delicious home made candy was served.

Miss Lella Slagle, a graduate of this high school left Tuesday morning for S. M. U., where she will study music this winter.

Edwin Martin and J. C. Brown, former pupils of this school, left Sunday night for Abilene, where they will enter the Christian College.

Monday morning Mr. Dupre asked for a free will offering for the flood sufferers. The school raised \$150.00 in just a few minutes and this has been sent to them. This shows what kind of pupils attend the Lubbock High School.

The prospects for a good football team are very good this year. Practice was started the second day of school and the boys have not missed an evening except when the ground was too muddy to play on. The team is not very heavy but this is overcome by their swiftness. Prof. Slagle is putting forth every effort to make a winning team out of the bunch and with the right kind of backing he is sure to win. Two games are being arranged to be played in the near future, one with Post City, which is likely to be played in Lubbock. Those coming out are: Arnett Pearson, Cecil Honey, Olen Long, Cecil Long, Will Wheelock, Carlisle Tubbs, Oscar Meredith, David Benson, Leslie Jennings, Roe Gainer, Raymond Woodriddle, Paul Clark, Gerard Lokey, Newman Boles, Marvin Overton, Lester Parks, Spencer Stubbs, Wallace Blankenship, Caleb Burns, Lester Strickle.

PHILADELPHIA MAN IN-QUIRES OF COTTON CROP

The fact that there is a good crop of cotton on the South Plains which will demand hundreds of laborers to gather the crop and the great possibilities offered in the Lubbock Territory is known in Philadelphia, Pennsylvania. The following letter of inquiry to the local Chamber of Commerce goes to show these things are true:

"I see by one of your papers that you want men to pick-cotton. Now, I wished to go to Texas to live as I believe the State has a great future ahead of it. If I go down to Lubbock can I get a job picking cotton? I am 49 years of age, active and alert. I am strictly sober and industrious.

"How many pounds of cotton can a beginner pick per day? Can I soon learn to pick as many pounds as an experienced picker? Would I have any heavy lifting to do? How long does the cotton picking season last? Can I find board and lodging at reasonable rates? Could I live temporarily in a tent near the cotton plantation?"

Awaiting an early reply, I am very truly,  
Chas. W. Barry,  
1016 Callowhill St.,  
Philadelphia, Penn.

# Bain Wagons

We are receiving a new stock of the old reliable Bain Wagons. In this shipment we have just the right sizes for your farm use, equipped with the long, cotton frame bed. Also, we have the "BAIN SPECIAL" with the 36 inch front wheels and the 44 inch rear wheels and 3 inch tire.

This is one of the most popular size wagons and is used by more people on the farm than any other size wagon on the account of the wagon being low and convenient to load. Cut fellos and tully warranted to be made of first class materials.

See us early before this shipment is all taken up. We are having another car to follow this one but it will not reach us before the last of September.

### NEWS ITEMS FROM THE ROPES COMMUNITY

Pike Ardis is working at the Abernathy Ranch leaving his crop in charge of Jack Longley to gather. Mrs. Lee Walker visited Mrs. L. P. Price Sunday.

The board of trustees have employed Miss Lillie Ernest to teach the next term of school at Ropes. School will begin October 6th.

Work has been delayed on the school building for over a week on account of a car of brick being delayed.

There are new prospectors in this neighborhood most every day looking for land. Several deals have been made recently.

Mr. and Mrs. Lynn visited their daughter, Mrs. George Carter, several days last week.

After the continued rains this week every one is anxious to get to work in their fields again. The rains have damaged the grain to some extent.

Mr. Joe Beal had business at Lubbock and remained up there several days.

George Carter sold one hundred sixty acres of land near the townsite to J. R. Evans. The deal was closed Monday.

Lillie Mae Price has returned to Brownfield after staying three weeks with her brother Lense.

A. W. Blankenship, Lense Price and other parties sold a lot of calves to Mr. Johnson. They were loaded out of Ropes Saturday for the Ft. Worth market.

Lorraine Quinn, editor of the Lorenzo Enterprise, was here last Saturday attending to business matters and visiting with home folks.

### TERRY COUNTY HAS FINE EXHIBIT AT DALLAS FAIR

Messrs. W. M. (Bill) Howard and W. D. Winn, passed through here last Saturday morning enroute to Dallas where they will have charge of the Terry county exhibits during the State Fair.

These gentlemen are very confident that they will bring back their share of the prizes. Mr. Howard, one of Terry County's earliest and most successful farmers is a great booster for the South Plains country, coming here many years ago when cattlemen of the country told tales about the scarcity of water, and even going so far as to plow under the few stalks of corn they raised in small patches, so that the master would not know of the growth, according to Mr. Howard's statement. He also has had the Terry county products on exhibit at the State Fair for the past six years and brought home their part of the

### No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

prizes.

A car was chartered by the county to send the exhibit to Dallas. We asked many questions about the contents of the car, enough anyway to know there are prospects for Terry county, again to win prizes. For instance in the car was a melon. I suppose you would call it a large melon; for it weighs about eighty pounds; cotton, maize, corn, cane, feterita, sudan, in fact nearly everything one could imagine in the way of soil products, were in the car Saturday enroute to Dallas.

Sweetwater, Texas, Sept. 17.—Sears & Roebuck have closed a deal with the Sweetwater Transfer Co. for the building on the track west of the Walker-Smith Wholesale Grocery and will take possession at once.

## A Coated Tongue? What it Means

A bad breath, coated tongue, bad taste in the mouth, languor and debility, are usually signs that the liver is out of order. PROF. HEMMETER says: "The liver is an organ secondary in importance only to the heart."

We can manufacture poisons within our own bodies which are as deadly as a snake's venom.

The liver acts as a guard over our well-being, sitting out the cinders and ashes from the general circulation.

A blockade in the intestines piles a heavy burden upon the liver. If the intestines are choked or clogged up, the circulation of the blood becomes poisoned and the system becomes loaded with toxic waste, and we suffer from headache, yellow-coated tongue, bad taste in mouth, nausea, or gas, acid dyspepsia, languor, debility, yellow skin or eyes. At such times one should take a pleasant laxative. Such a one is made of May-apple, leaves of aloe, jalap, put into ready-to-use form by Doctor Pierce, nearly fifty years ago, and sold for 25 cents by all druggists as Dr. Pierce's Pleasant Pellets.

BROCKTON, CALIF.—"For constipation, sick headache, an inactive liver, indigestion and biliousness there is nothing to equal Dr. Pierce's Pleasant Pellets. I have tried other things but like the 'Pellets' best of any."—Mrs. F. CAMPBELL, 329 S. Grant Street.

## MINERS DEMAND 60 PER CENT WAGE INCREASE

Cleveland, Sept. 23.—Demands for a sixty per cent increase in all mine wages, a limit of six hours a day underground, a five day week time and a half for overtime and double time for work on Sundays and holidays and important improvements in conditions of labor, were adopted this afternoon by the convention of the United Mine Workers of America.

The convention then adjourned to await the result of the wage scale conference with the operators of the central competitive district, which opens in Buffalo Thursday. Should a satisfactory new agreement be reached by the representatives of the miners and operators at this conference the convention will be reconvened at Indianapolis to accept or reject it. Should no agreement be reached in time to be ratified and come into effect by November 1, a general strike of all bituminous coal miners in the United States will automatically ensue on that date, which may extend to the Canadian coal fields if the international executive board and the representatives of the Canadian districts so determine.

## COUSIN OF LUBBOCK MAN VICTIM OF STORM

Z. C. Taylor who lost his life in the storm at Corpus, was one of the pioneer settlers of Runnels county. He graduated at Baylor College in 1876 and came to this country in 1879. He was elected county surveyor of Runnels county when the county was organized in 1880. His brother, L. N. Taylor, was the first county attorney, and his father, Colonel B. W. Taylor, was the first county treasurer. In 1881 the general convention of the Baptist Church, which met at Houston, sent Mr. Taylor and his wife to Brazil as missionaries.

The party mentioned above was a cousin of our townsman, Walter E. Taylor.

## KINDERGARTEN HELPS FOR PARENTS

(By Jess Sweitzer Sheaffer.)  
Pets My Children Have Had.

The child on the farm has many opportunities to own pets and to live close to Nature which a child in the city lacks. Nevertheless, there are a number of gentle and very interesting pets which a child in the congested city districts may have.

My children have taken a great deal of pleasure in caring for their different pets—of which they have had quite a variety. The first was a canary. Birds are always a joy, especially the canary, which is quite at home in a cage, and is content with a vessel of pure water and fresh seed each day. His cheery song gives pleasure to the grown-ups as well as to the children.

Then, too, goldfish are a never-ending source of wonder and interest to children. The fact that their environment is so different from our own, and that they live constantly under water will start the child to thinking and asking innumerable questions. The fish need very little care and two or three of them flashing about in a glass bowl are an attractive addition to any room. A small piece of especially prepared fish food broken and dropped into the bowl every other day and fresh water once or twice a week, are all that is necessary for their comfort. Little shells or pebbles which the children may have gathered along the beach in summer can be put into the bowl, although they are not essential. A few water plants are also desirable, and help to purify the water. Our goldfish have thrived for more than two years with very little care.

Our family of guinea pigs were more unusual, and were the cleanest little animals one could find. "Jack and Jill" were the original couple, but the children were delighted, upon going out to feed them one morning, to find three little baby guineas snuggled down in the hay! They were the tiniest, furriest, little babies with the pinkest of pink ears, and just as lively as could be! They varied widely in color, so the children immediately claimed certain ones as their particular property and watched their growth from day to day, with great glee. Their house in the back yard was a small wooden box, about three feet by four. It was partitioned off and covered with wire netting and one-half of it was sheltered from the storms with a piece of oil cloth. Their snug bed of hay was frequently replenished, for they not only slept and burrowed in it, but nibbled at it constantly. They liked cabbage leaves, lettuce, clover and plantain and also relished a cake made of corn meal, salt and bran mixed with water, and baked in the oven till dry.

My children enjoy kittens and Bantam chickens, too, but their favorite pet is a big Scotch collie. He is noble and intelligent, and is their constant companion. A dog not only needs food and water, but also craves kindness and companionship to a greater degree than almost any other animal, and when he becomes attached to his master, is the most dependable sort of friend.

Help to reach all the parents of the country by cutting this out and passing it on to a friend.

## M. H. WOLFE ISSUES STATEMENT ON TEXAS POLITICS

M. H. Wolfe, chairman of the State Democratic Executive Committee, in referring to the new party movements in Texas, said: "My information from every part of the State indicates that the new political movements in Texas are getting no where. It seems sure that all true democrats will be voting at the same old stand next year. When the average democrat hears barkin' on the side of the road all he needs to do is to tap up old Beck and Kit and drive right on. Just drive right on with the old ship of state, she is headed in the right direction and the people are in the saddle. The invisible government in Texas has blown up and life is too short to follow dead ducks. That's all."

## BROWNFIELD GOT ONLY ONE MAIL LAST WEEK

Messrs. J. E. Moore, Garland Jones and Ernest Broughton, from Terry County, were in our city last Thursday attending to business. These men report that on account of the bad roads between here and Brownfield, they have been unable to get the mail through, having received but one mail from Friday to Thursday.

Sow Rye for winter pasture while you can get the seed from the Abernathy Coal & Grain Co., Abernathy, Texas. 13-4

## ABILENE PEOPLE FROM BLUFF WATCH GULF STORM RAGE

Abilene, Tex. Sept.—Rattlesnakes and water moccasins added to the horror and materially increased the death list in the Corpus Christi storm, in the opinion of W. T. Reddell of Abilene, who with his wife, stood on the bluff and watched the great storm wreak its fury upon the town.

Reddell said hundreds of snakes were visible in the water and along the shore line, washed out from the hills of the Neuces river. Many persons are known to have been bitten. He related the story of one man who attempted to climb upon a large piece of wreckage. Several persons already were on the wreckage, writhing in agony and screaming in pain. They had been bitten by snakes. Others who spent a long time in the water or upon wreckage told tales of having fought snakes for hours.

The Abilene man said the storm was indescribable. From their vantage point on the bluff Mr. and Mrs. Reddell saw the whole thing, but like thousands of others were powerless to render aid to the struggling people in the water. Reddell said he saw 200 bodies and estimated the death list will reach at least 700.

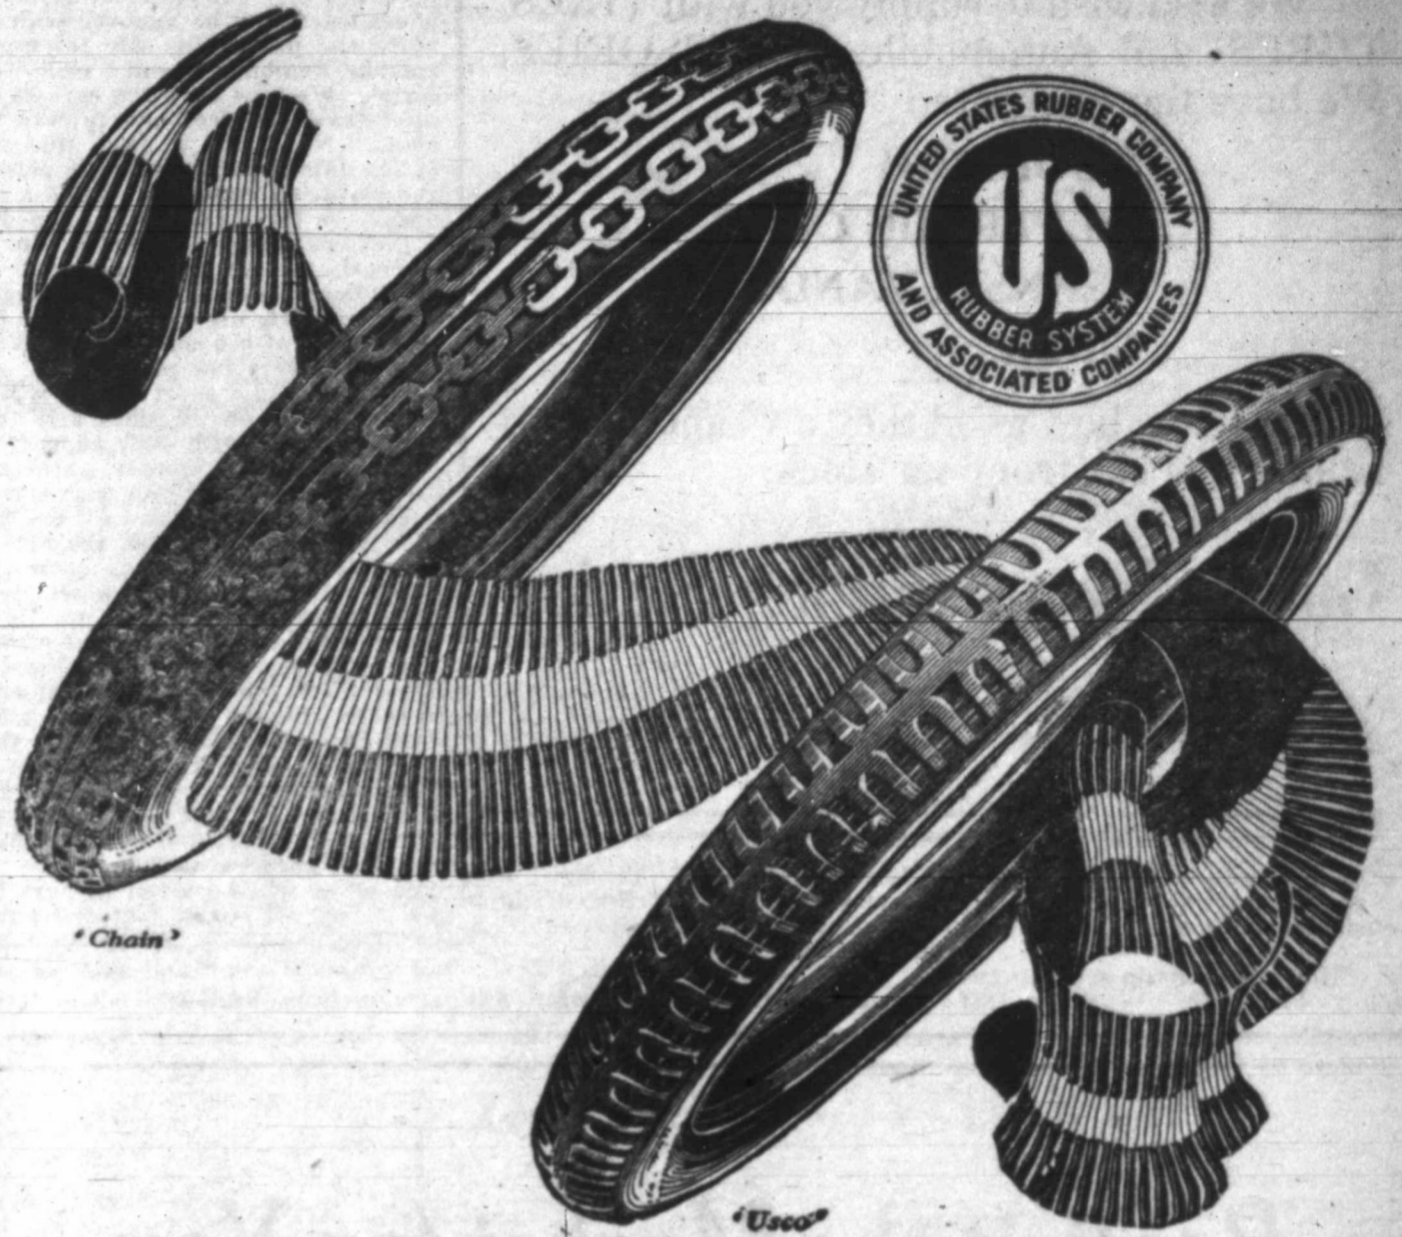

The Abilene couple reached Corpus Christi a few hours after the beginning of the storm.

## BIG SPRING HAS SEVEN INCHES OF RAIN ONE DAY

Roy W. Griffith, of the Rix Furniture and Undertaking Co., of this city, returned Tuesday of last week from Big Spring, where he had been for several days visiting with his parents. Mr. Griffith says the rains have fell generously over the territory between here and Big Spring. One day while Mr. Griffith was in that city, it was reported a rain of seven inches fell, and water standing several inches on the prairies.

Clifford Musgrove and family recently arrived in our city, and will make this place their home. Mr. Musgrove will farm here the coming season.

## METHODISTS INAUGURATE WORK AT STATE UNIVERSITY

The Methodist Episcopal Church, South, has entered the field of religious education at the State institutions. This fall the Wesley Bible Chair, founded and maintained by the church, will give courses in Biblical history and literature at the University of Texas. Under new regulations passed by the Faculty and the Board of Regents, full credit is given for this work toward the B. A. degree. This is an important step in educational work for the Church, and the adoption of these new regulations puts the University of Texas in line with the most advanced institutions in the country. Rev. Umphrey Lee has been chosen as Professor in Charge. Announcement of the courses given by the various chairs is now being printed, and may be obtained by writing for same.

## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing the work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, Ohio. 219 E. 12th Street, Toledo, Ohio.

**HOME DEMONSTRATION DEPARTMENT**

**Meat Canning**

From the front and hind quarters cut all meat which may be used for and roast beef and cut it in pieces about the size of the opening of the can and not longer than the can is tall. From the loin or other portions of the beef cut such pieces as you wish to use for steak. Cut steak about the size of bottom of can and then you can secure a nice full pack. After the roast meat and steak have been cut off, put all meat from the bones which can be removed with the knife and put to one side for use in making hamburger and chili con carne. We now have the carcass cut up. Scald the feet and remove the hoofs. Never throw away this part of the animal for it is rich in gelatin and flavoring materials. Build a fire under the three kettles mentioned in a previous lesson. In kettle No. 1 place the fat of the beef or if the meat being canned does not supply sufficient fat, use peanut oil, hog lard or any of the compounds. When this fat is very hot place in it the roast beef. In a short time it will be well browned on all sides and will float. Season with salt, pepper, tobasco sauce, chili powder, garlic and such other spices as you wish to use. Pack it hot into cans and fill the cans with a gravy made from the fat in which the meat has been cooked to which sufficient water has been added to make liquid enough to fill all cans to within one half inch of top. Always leave half inch for expansion. Fry or broil the steak and treat same as roast. Season hamburger to taste, make into small balls not larger than opening in caps, fry until brown on the kitchen stove or in dripping pans. Pack into cans, fill with hot gravy same as for roast and steak. Make chili con carne according to any recipe or as will be given in next lesson. Saw all bones, feet and ankle, leg, ribs, backbone and place in kettle with cold water and allow to cook at simmering heat until all meat has

# AT YOUR SERVICE

Business conditions today demand that banks shall be not only custodians of funds but shall also render the very fullest degree of service in all matters pertaining to financial transactions.

The customers of the FARMERS NATIONAL BANK, for example, come to us for information and advice about their business, their farming problems, their markets, their investments, etc. They avail themselves of our extensive credit information. They bring to us the problems of their loans. They entrust to us the collection of checks, drafts, notes and coupons due them. These are only a few of the many banking services we give our customers.

We invite you and your friends to accept of our excellent banking facilities and connections.

**The FARMERS NATIONAL BANK**  
LUBBOCK, TEXAS  
MEMBER FEDERAL RESERVE SYSTEM

been cooked from bones. Using the meat cooked from the bones and the stock in the kettle to make vegetable soup. The balance of stock in kettle may be strained and thus remove all particles of meat which may be canned as meat loaf. The liquid remaining should be boiled down one-half and canned hot as soup stock.

Use kettle No. 1 for roast beef and soon as steak has been cooked in the house bring it out and place in the same kettle the roast was cooked in and leave it there just long enough to heat it through (not cook) and then pack. The chili con carne is made in the second kettle and the vegetable soup and the third kettle is used for the soup stock. As soon as you are through with kettle No. 1 empty contents in soup stock kettle and do same with kettle No. 2 the plan being to save all flavoring material and bits of meat for vegetable soup and soup stock. Roast beef and steak after capping and tipping should be processed 60 minutes at 15 pounds steam for No. 3 can and ten minutes less for No. 2 cans. Time for vegetable soups and chili con carne will be given in next lesson. After the filled cans have been processed the required time take from canner and test for leaks. Stand them in a row and tap lightly with small stick or piece of metal. If a ringing metallic sound results it indicates good seal but if the sound is dead and dull look for a leak. Then invert and if there is a leak a drop of gravy will ooze out. If the can stands these tests place them in the tub mentioned in a former lesson which has been filled with cold water. This cools the cans and stops cooking. Leave them in the water until nearly cold but remove while warm enough to dry with the heat of the contents. If the can leaks first punch a small hole near the leak and then tip the hole. This hole is necessary for exhausting while the leak is being closed. Place back in sterilizer and reprocess usually ten minutes will suffice. Such cans should be marked and used soon.

Lesson six next week will give tested recipes for the canning of different products.

## Beating the Market for You

If we were to go out today and try to duplicate the fall clothes we've bought for you, we'd have to pay a big advance; at least \$5 or \$10 more a garment.

That's what has happened.

But we bought early and we're going to see that you get the benefit of our early buying. We're basing our prices on what we paid months ago—not on the present market prices.

**Hart Schaffner & Marx**

made the clothes; nobody can make better ones. They're all-wool, carefully made; stylish, guaranteed to satisfy you.

You'd be getting a good big money's worth if we did ask present market prices.

But we're not.

And that makes it \$5 or \$10 better for you.

**A. B. Conley, Jr.**

### ITEMS FROM THE LORENZO ENTERPRISE

While out duck hunting last Thursday with Rex McDaniel, Jim Duncan was accidentally shot. The shot entered at the outer corner of the right eye and lodged behind the eyeball. He was taken immediately to Lubbock and placed in the Lubbock Sanitarium where an eye specialist is attending the patient. Arthur Lay, who has made repeated visits to the sanitarium reports that the doctors think his sight can be saved.

One of the biggest crowds visited Lorenzo last Saturday that has been here in some time. This is one more proof that Lorenzo is popular with the people around it who have trading to do.

Misses Fannie Bell Murphy, Pearl Powers, and Tierce Mathis were in Lubbock Tuesday where they visited at the bedside of Mr. Jim Duncan, who was accidentally shot one day last week while out duck hunting.

Quinn Simpson, who for several months has been cashier of the First State Bank of this place has resigned which will take effect the first of next month. Mr. Simpson will then establish a notary and insurance office in this city. Mr. Joe Brown, former cashier of the Guaranty State Bank of Ralls, has accepted the position and will assume the duties as soon as it is vacated. Mr. Brown comes highly recommended and the patrons of the bank will receive the

same efficient service in the future that it has been their custom to enjoy in the past.

Josh Davis, of near Lorenzo, and Miss Lena Metcalf, of Idalou, were quietly united in marriage last Sunday night. Both are popular young people of their respective communities and the Enterprise with their friends extends congratulations.

Miss Minnie Dell Avera and Lionis Laird were quietly united in marriage at the Methodist parsonage last Friday evening. The wedding was not made known until late Saturday when the newly-wed left for Lubbock where they caught the train for southern points on a honey-moon tour.

T. B. Duggan left Monday morning for a few days visit at Brownfield, Plains, Seminole and Lamesa. He will probably return home Wednesday.

Railway men of England have gone

out on a strike and railroad traffic is practically at a stand still all over that country.

Messrs. Gray Little and Chas. Bass, of Troy, Texas, were prospectors to our country the first of this week.

## People Who Want Only the Best

are satisfied that they can get it with the Bowser System of Dry Cleaning. The best is what your money will buy every time you let the Bowser do your work and we prove it. Bring us the most fragile dresses or the coarsest work clothes. Makes no difference. The work tells the tale. No dust. No dirt. No germs. No unpleasant odors. Phone for the Bowser.

# CALOMEL

Calomel is a dangerous drug. It is mercury—quicksilver; and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work.

## Take "Dodson's Liver Tone" Instead!

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.

# Ford

THE UNIVERSAL CAR

Look out when having your Ford car repaired that the genuine Ford parts or materials are used. There are many "bogus," imitations, or counterfeit, so-called Ford parts of sadly inferior quality on the market. Be warned against them. Buy Ford parts and have your Ford car repaired by the authorized Ford dealer as this is the only way to guard against "bogus" parts. Bring your car to us for service. Come to us for Ford parts. Ours is an authorized Ford place.

## No Bogus Ford Parts Here

### SANTA FE MAY EXTEND SOUTH FROM LAMESA

The Houston Chronicle under date of Sept. 13th, says the Santa Fe is planning extensive extensions. Among these, the Chronicle says, "the Santa Fe also proposes to extend its Lamesa branch line south from Lamesa to Sterling City, about 110 miles."  
 The route in 1908 was surveyed from Big Spring to San Angelo, and the line was completed from Sterling to San Angelo in 1910, leaving the remainder of the route unfinished from here to Big Spring.  
 When this extension is made, it will connect two dead ends of the system and put a current of new life in the system. The towns along the line will be immensely benefitted while the adjacent country will develop on its rich resources.—Sterling City News-Record.

### J. S. DAUGHERTY KILLED BY TRAIN AT FULTON, KY.

Houston, Texas, Sept. 27.—J. S. Daugherty, 70 years old, and for the last twenty-five years a resident of Houston, was killed in Fulton, Ky., by a train this morning, according to a telegram received by Searcy Baker, Chief of Police. Mr. Daugherty at one time had real estate offices in Galveston and during his long and busy career as a real estate man acquired ownership in thousands of acres of farm, ranch, timber and oil lands. He was instrumental in opening up large tracts of acreage and brought hundreds of immigrants to settle in Texas.  
 Mr. Daugherty was quite well known by a number of Lubbock people, having in early years of the settlement of the Lubbock country been the means of locating people in this section.

Attorney V. L. Shurtleff, of Abilene, accompanied by his wife, spent a few days in our city the first of the week visiting with Senator W. H. Bledsoe and family.  
 J. E. Moore, of Gomez, has arrived in our city this week and accepted a position with Nobles Brothers Grocery. Mr. Moore will make this his permanent home.

### You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

**GROVE'S TASTELESS CHILL TONIC** restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

**GROVE'S TASTELESS CHILL TONIC** is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of **GROVE'S TASTELESS CHILL TONIC** has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get **GROVE'S TASTELESS CHILL TONIC** when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

### PANHANDLE WHEAT SAID TO BE ROTTING ON THE GROUND

Washington, Sept. 23.—Letters indicating there were between five and ten million bushels of wheat on the ground in the Panhandle of Texas, rotting for the want of transportation facilities, were laid before the United States Railroad Administration today by Representative Jones, in an appeal to furnish more cars to carry the grain to market. The matter was reported here by L. C. McMurry, president of the Panhandle Grain Dealers Association.

The Railroad Administration has asked the regional directors for the Santa Fe and Rock Island to send more cars to the wheat region, if possible, notwithstanding the car allotment for the Southwestern division has been increased for several weeks. Attention of the Texas representative was called to the congested condition at all of the ports and terminals save Chicago, due to a lack of ships to carry the grain in export.

### DICKENS COUNTY WILL HAVE COTTON CLASSER

Walton Poteet, supervisor of the Extension Department of A. & M. College, of College Station, stopped over here the first of the week en route to Spur. Mr. Poteet will stay a short time there before returning home. His purpose of going to Spur will be for placing a Government Cotton Classer in that county and investigate matters relative to that.

Delco Lights—Monte Bowron Agt.

### DRAMATIC AND OPERATIC PRODUCTIONS HERE SOON

When Charles F. Horner made arrangements with the Lindsey Theatre to present four productions from New York City in Lubbock he assured them both the plays and casts would be first class.

At the time when Mr. Horner was organizing the players for "The Only Girl," "The 13th Chair," "Cheating Cheaters," and "The Gypsy Trail," strike conditions in New York were such that many first class artists were available for the Horner productions. For instance: Mr. Ira Hards, who has been secured for general stage director of the Horner productions, is one of America's foremost stage directors. He has had charge of such New York productions as: "Remnants," "The 13th Chair," "Pals First," and "Sometime." He was with Charles Frohman for ten years.

The fact that Mr. Hards has assumed such an important position with Mr. Horner, is a sufficient guarantee that first class productions exclusively will be presented, for that is the only kind that Mr. Hards directs.

The casts for these plays were organized in New York City by Mr. Horner's New York Branch under his own personal supervision and the leading parts will be played by players who are popular with the theatre-goers of the larger cities.

In this issue of the Avalanche will be found the announcement dates of the four big plays which will be presented at the Lindsey Theatre covering dates in October, November, January and February.

It will be remembered that it was Horner's Chautauqua that was here last summer and attracted such great crowds, and it is known that the characters in these productions are equally as good as any they presented then.

The theatre-going people of this city are fortunate indeed to have these great productions brought right to their door.

### ESTIMATE CASUALTIES OF WAR 322,182

Washington, Sept. 23.—The cost of the war to the United States in man power is now estimated officially as 116,492 dead and 205,690 wounded, a total of 322,182.

### COMPLIMENTARY LETTER FROM CONGRESSMAN MARVIN JONES

Washington, D. C., Sept. 15, 1919.  
Hon. E. L. Klett, Pres.,  
George W. Briggs, Sec'y,  
Chamber of Commerce,  
Lubbock, Texas.

Gentlemen:  
I have just read in a recent issue of the Lubbock Avalanche an account of the open meeting of your organization at which meeting a report was had of the work done by that body as well as some discussion of the plans for the future.

I desire to congratulate you upon the fine spirit of your organization as evidenced by these matters and also on the outlook for the future. Nothing can do more to promote the growth and development of our section of the country than judicious advertising and a proper presentation of the advantages which that section possesses. This applies especially to towns and cities. It goes without saying that there is no better way to interest people than through the medium of a co-operative organization such as yours the members of which work as a unit for a common purpose.

I am very much interested in Lubbock and the surrounding country, not only because its citizenship has been more than generous to me, but also because I am proud of that country and its people, and therefore could not refrain from letting you know of that interest.

Wishing you much success, I am,  
Sincerely yours,  
MARVIN JONES.

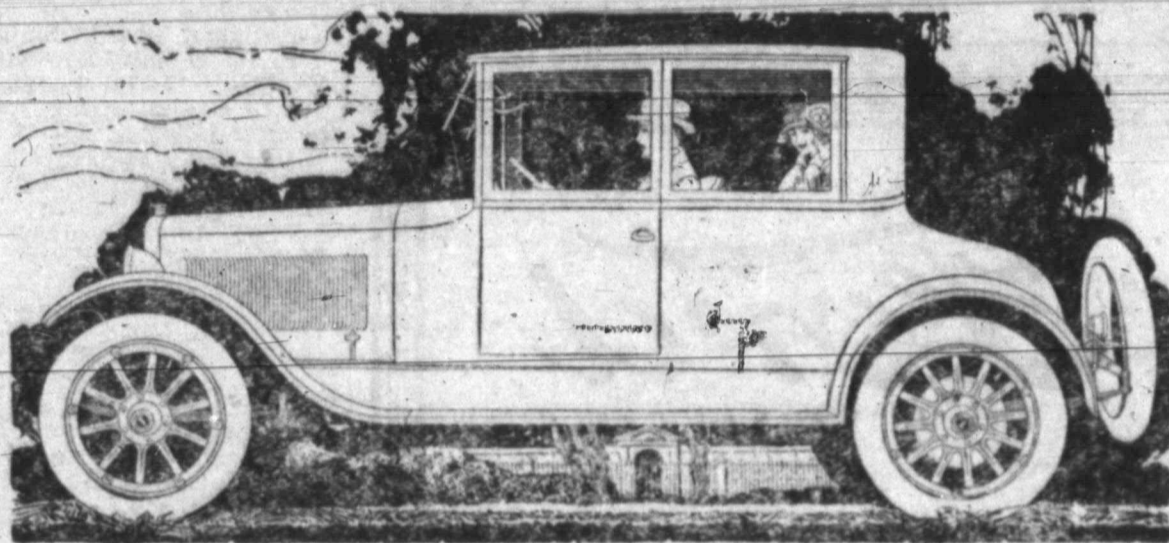

If those who are away over in Washington, D. C., take an interest in Lubbock when they do not have a dollar's worth of property in the city, appreciate the work of the local chamber of commerce, how much more should all of us who are directly interested in every development that will result for good in the community, be willing to co-operate and push ahead, for the success of the Chamber.

## CHANDLER SIX

Famous For Its Marvelous Motor

## A Truly Charming Car, This New Chandler Coupe

SEARCH the whole market of motor cars, you will find no more satisfying closed car of the coupe or victoria type than the new series Chandler coupe. Closed or open, as you may desire or the weather dictate, it is clean and cozy and luxuriously comfortable in all seasons. Upholstered in finest quality silk-plush and with dull silver finish fittings designed in the best of style, there is distinctive character in this car.

The Chandler coupe seats four in perfect comfort, or three when the auxiliary chair is not in use.

Chandler closed cars, because they so clearly express the very best of the coach-maker's art and skill and because they are so fairly priced, will be over-sold throughout the Fall Season.

Despite the largest production in the history of the Chandler Company, the demand for the new series coupe will quickly consume the production for weeks to come. Your early order will be a safeguard against disappointment.

### CORPUS CHRISTI IS AGAIN SETTLING BACK TO NORMAL

Corpus Christi, Sept. 23.—The city is fairly settled down today and is recovering from the last week's disastrous hurricane and tidal wave, which drowned upwards of 500 persons and damaged property to the extent of \$10,000,000 to \$20,000,000. Electric light and power service is to be resumed within a fortnight, city officials said today. Gas service is now partly restored. Debris is generally removed from the business district, but still litters the north shore section.

Relief work continued today unabated. The workers are gradually clearing the city of wreckage. The flooded Nueces River is crippling rail communication, and is adding to the difficulty of relieving the situation. Banks re-opened yesterday, relieving the stringent money shortage. A few additional bodies have been recovered. Most of the floaters probably have sunk to the bottom of the bay by now, searchers said.

### "CARRY ON!"

If Constipated, Bilious or Headachy, take "Cascarets"

Feel grand! Be efficient! Don't stay sick, bilious, headachy, constipated! Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and your stomach sour. Why not get a small box of Cascarets and enjoy the nicest, gentlest, laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh pills. Cascarets bring sunshine to cloudy minds and half-sick bodies. They work while you sleep.

Dick Howard wants to sell you gas and oil. Phone 29. 131f

S. P. Fields, of Decatur, arrived in our county a few days ago and has secured a farm which he will cultivate the coming year.

### OVER \$5,000,000 BUSINESS DURING ITS OPENING YEAR

Wichita Falls, Texas, Sept. 7.—Wichita Falls' biggest insurance institution, the Wichita Great Western Underwriters announced Saturday several plans to extend their field of operations to take in several new states. The company which is made up of home capital and which has on its advisory board some of the leading men of Texas in financial circles, expects to bring into local bank deposits through their underwriters, hundreds of thousands of dollars in new capital during their new fiscal year.

The Wichita Great Western Underwriters started in business just a year ago and during the first twelve months, secured on their books, more than five million dollars insurance, with three million dollars more in hand at the close of the twelve months period. The company writes fire insurance on the reciprocal plan, and were able at the end of the year to refund to their policy holders 52 per cent of the premiums paid. According to Mr. Mabry, who is one of the executive officers of the company, this remarkable result was obtained through the careful selection of preferred risks accepted.

The personnel of the institution is well known to the southwest as leading bankers and business men. John S. Mabry and R. E. Huff are managers and attorneys for the company. J. O. Powers is secretary treasurer.

The advisory board is composed of the following prominent Texans:

D. E. Waggoner, president Security National Bank, Dallas.

R. E. Huff, president First National Bank, Wichita Falls, Texas.

J. A. Kemp, president City National Bank, Wichita Falls, Texas.

J. C. Hunt, wholesale grainery, Wichita Falls, Texas.

W. H. Fuqua, president First National Bank, Amarillo, Texas.

R. R. Darrah, manager Magnolia Petroleum Co., Fort Worth, Texas.

P. P. Langford, vice president City National Bank, Wichita Falls, Texas.

C. W. Reid, president National Bank Commerce, Wichita Falls, Tex.

Chas. C. Huff, general counsel, M. K. and T. Ry. Co., also general counsel Federal Reserve Bank, Dallas, Texas.

W. R. Ferguson, president Wichita State Bank, Wichita Falls, Texas.

J. B. Mayfield, president Mayfield Co., wholesale grocers, Tyler, Tex.

C. E. McCutcheon, vice-president First National Bank, Wichita Falls, Texas.

Jno. S. Mabry, manager and attorney Wichita Great Western Underwriters, Wichita Falls, Texas.

### J. C. DUFF ON BUSINESS TRIP TO OKLAHOMA

J. C. Duff, undertaker of this city, left last Sunday morning for Oklahoma, where he will spend a few days transacting business. Mr. Duff will visit one or two days at the Oklahoma State Fair, which is now being held in Oklahoma City. He will also visit other points in that State before returning home, the latter part of this week.

Arnett Bynum, son of A. B. Bynum of Terry county, passed through here last Saturday enroute home, after receiving his discharge from the Navy at Dallas the first of last week. Arnett has served in the navy about two and one-half years, most of the time which was spent on the east coast.

Mrs. F. W. Denham and daughter, Miss Loula, spent last Saturday in Slaton, visiting with relatives.

## Getting Full Value From Your Fuel

### Means Cole's Hot Blast Combustion

(Burning the Gases)

**Cole's Means—** Twenty years of saving coal—actually amounting to several millions of tons.

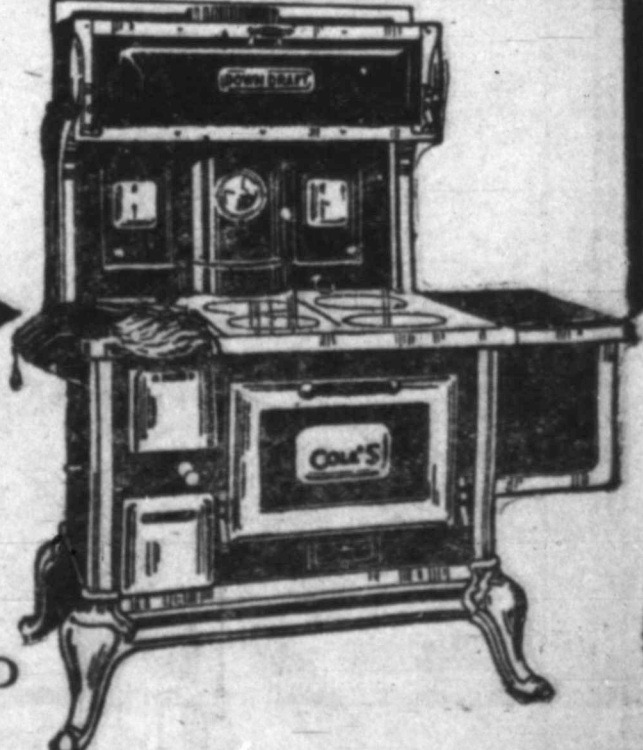

**Hot Means—** Superheated air mixed in the right proportion with the fuel gases, gives a mixture producing a smokeless fire in which all the combustible materials in the fuel are utilized. This is the same principle as found in the automobile carburetor.

**Blast Means—** Driving the superheated mixture downward on a bed of fire where the combustion takes place, producing a sheet of burning gas which is then carried back under all six lids and around and under the oven. This means six hot lids instead of only two; an even baking oven and a clean, sanitary range. It also means cutting a large amount from your present fuel bills.

**Combustion** in Cole's Down Draft Range consumes and uses the gas portion of your fuel, wasting nothing. In other ranges the gas is wasted

and allowed to escape up the chimney. We call it the boss money saver.

We want you to see it, and want to tell you of its many other superior qualities. We now have this range set up. Come in and see why we are so enthusiastic about it.

# Camel Cigarettes

They Win You On Quality!

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigarette after-taste or any unpleasant cigarette odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel blend to either kind of tobacco smoked straight!

Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. *No matter how liberally you smoke Camels they will not tire your taste!*

R. J. REYNOLDS TOBACCO CO.  
Winston-Salem, N. C.

18 cents a package

Camels are sold everywhere in suitably sized packages of 20 cigarettes, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

### WILL URGE INCOME TAX LAW FOR TEXAS

Austin, Texas, Sept. 20.—State Tax Commissioner James A. King has three major recommendations in his annual report, now in course of preparation, the most far-reaching being an income tax law for Texas, largely patterned after the Federal statute, but with many material modifications and exemptions.

"My object is to reach the very large incomes in Texas and compel them to pay a just tax to the State. The law I will recommend will not be designed to get the ordinary salaried and working man. Its purpose will be to reach the incomes of those who are well able to pay the tax and ought to pay the State something on such large amounts. It will not be nearly so far-reaching as the Federal law."

A State Board of Equalization is the second recommendation of the Tax Commissioner. "Texas is away behind most of the other States in this matter," said Mr. King, "for most of the States have a central agency for equalizing the taxes as between the communities. In Texas there is a widely varying percentage of assessment to the real value. It is large in a few counties and goes far down the scale in others. The State Tax Board would be beyond the local influence which often prevent the local authorities from making proper assessments and would enforce the same ratio of assessments in all the counties. It is absolutely needed at this time, in my opinion."

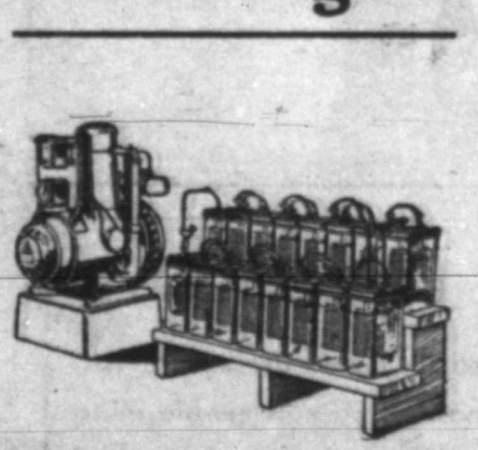

Third and last of the recommendations is the enlargement of the intangible assets tax law to embrace all of the large industrial corporations of the State, including oil producers, oil refineries, pipe lines, interurbans, telegraph companies, express companies, wharf companies, packing houses, street railways and so on.

This is a renewal of Mr. King's recommendation to the Governor made at the convening of the last special session of the Legislature. At present the law reaches only the railroads and bridge and ferry companies.

To cook perfectly and with the greatest economy of fuel and labor, get Cole's Down Draft Range. See them at Cole-Myrick Hardware Co. 14-1

### SECOND OIL WELL MAY BE DRILLED IN LYNN CO.

Last Monday afternoon a meeting was held in the offices of the Tahoka Oil & Gas Co., by several Tahoka and Plainview citizens to discuss the advisability of drilling a new well south of town, and the prospects are good at this time that another well will be drilled within the next few weeks.

The Cowan well has been abandoned and workmen are now engaged in pulling a string of six, ten, twelve and fourteen inch casing, comprising a depth of 2750 feet. This work is expected to be completed by the middle of the coming week.

A private subscription is being circulated to secure sufficient funds to insure drilling the well to the desired depth of 3500 or 4000 feet, and already several thousand dollars has been subscribed by local citizens.

Citizens of Tahoka, as well as Plainview, are exceedingly anxious that a new well be drilled.

New officers will be selected and a new drilling crew engaged to put down the well, when the desired means have been secured to insure the carrying out of present plans.—Lynn County News.

APPLES! APPLES!  
I have a car load of apples for sale. See them at the Cash Dry Goods Store. 13-1

### INDIGESTION GOES, GONE!

"Pape's Diapepsin" at once fixes Your Sour, Gassy, Acid Stomach

Stomach acidity causes indigestion! Food spoiling, gas, distress! Wonder what upset your stomach? Well, don't bother! The moment you eat a tablet or two of Pape's Diapepsin all the lumps of indigestion pain, the sourness, heartburn and belching of gases, due to acidity, vanish—truly wonderful! Millions of people know that it is needless to be bothered with indigestion, dyspepsia or a disordered stomach. A few tablets of Pape's Diapepsin neutralize acidity and give relief at once—no waiting! Buy a box of Pape's Diapepsin now! Don't stay miserable! Try to regulate your stomach so you can eat favorite foods without causing distress. The cost is so little. The benefits so great.

Shropshire Racket Store will celebrate their 4th Anniversary in business Oct. 18 to October 25. Watch for their ad telling about their sale. 14-1

### The Hat That is Becoming

Is the Hat you want, whether it is for yourself or for the little girls, and we particularly pride ourselves in recommending a visit to The Vogue's Millinery department on our balcony, which have been thoughtfully selected with a view to their becomingness in wear.

### START THE SEASON RIGHT WITH THE BEST OF QUALITY

What you buy now you will get a full season's use of. If you get the best in quality, so why wait until later in the season on the chance of the price being a little more or less and half the season gone.

# for FALL DAY

## Here is a True Harvest Opportunity In Fashionable Ready-to-Wear for Women

In every part of our Ready-to-Wear Section we have made special efforts to assemble garments of the better grade at fair prices. You know the scarcity of really good garments, and you know the very high price range to which this scarcity has sent the better grades. Here you'll find the best grades at prices which will satisfy the most economical.

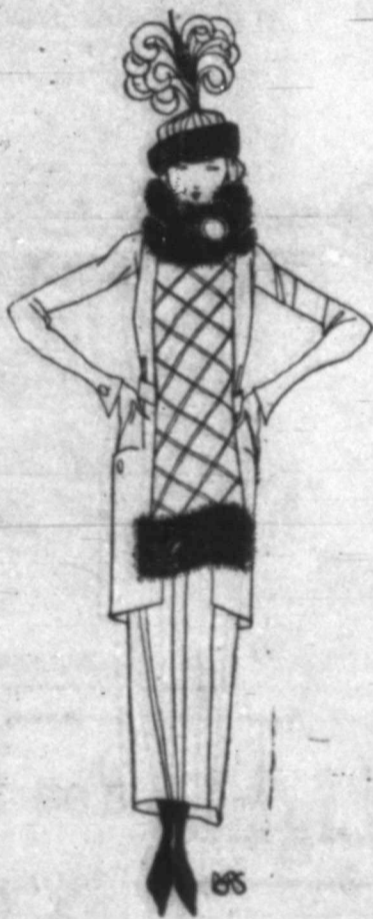

### Embroidered Blouses in Scores of Rich Models

The elegance and beauty of the Embroidery on these daintiest of the season's most stylish upper garments is shown in every blouse in the assortment, which includes both the waist type of blouse as well as the overblouse. The prices are as low as they will be this year and their fairness will be appreciated when you see the handsomeness and quality of the garments.

### Smartly Designed Suits for Fall

Many are tuck-trimmed, others are handstitched effects, fur and braided trims, there are but one of a style and to get perfect satisfaction in fit and becomingness as well as the exclusive wearing of the style, you select, be advised and pick out your suit now.

### Fur Trimmed and Self Trimmed Coats

In all the best liked styles. Some are belted, others are frilled and caped in novel wrap effects, the materials include every desired cloth in every stylish and becoming shade. You will make a mistake to wait longer in selecting your coat for the scarcity of good garments is becoming more acute. This great variety is exceptional and we advise your immediate examination, especially at our remarkably attractive prices. Among the new materials are Silvertip Kersey, Doeskin, Polo Cloth, Plumette, Suede, Pom Pom, O'Bryans Plaid, Chameleon Cord, Duvet de laine.

### DRESSES FOR FALL

Delayed shipments of strictly styled dresses for Autumn wear, which are now coming in enable us to announce what is practically an all new showing of exclusive styles, many of which bring an entirely new type of model for your selection, and all of them give the ultimate last word in correctness and vogue. Prices are exceedingly reasonable.

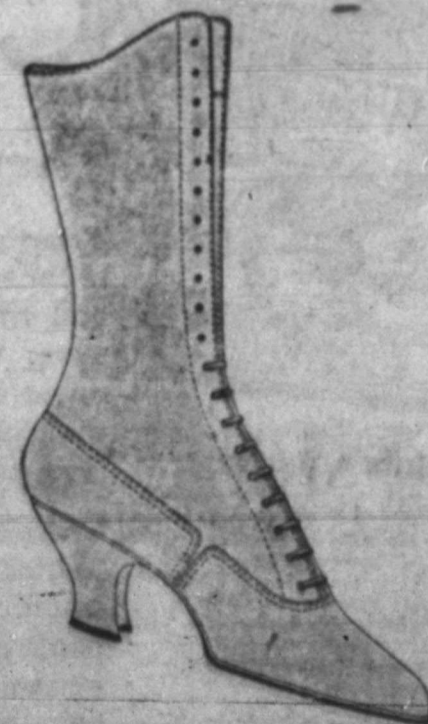

### REMEMBER

That it is Service Which Gives you back your money's worth

Do not put off your buying in the hope of "sale" prices later in the season, for it is very doubtful whether there will be even enough garments of the better grades to go round this year. The highest economy and the lowest price you can pay is to buy now at present prices and get the full worth of your money out of the full season's wear rather than to wait till later when selections will be short and price not much lower.

### Women's Fashionable Footwear at Reasonable Prices

Successful buying in the right markets and at the right times enables us to offer you these correctly styled shoes in models of exceptional grace and leathers of unusual beauty at prices not greater than you would pay for inferior footwear.

### Men's Suits for Fall

"Society Brand Clothes" are of Superior Styles

Note the line of the lapel, the neatness of the seam lines and the neatness of the pockets. Just real good clothes in real good styles for Autumn wear, for the young man and for the man who stays young.

### MOTHERS

Get That Boy His New Suit Now

There is a long hard season ahead and the sooner you have the boys suit in service the more wear he will get of it. We just received a complete line of Boys Suits. It will pay you to look them over.

### The Fashionable Petticoat

We give the same careful selection to our styles in petticoats that we do to our most elaborate costumes, you will find here some of the most stylish of this season's underskirts, and at fair prices too.
