NUMBER 19

LUBBOCK CITY SCHOOLS AT THE TOP

THE CITY SCHOOLS ARE TAUGHT IN THREE SPLENDID BUILDINGS CONVENIENTLY LOCATED

MORE THAN 1300 WILL ENROLL THIS YEAR

The Fine Equipment in Lubbock Schools and the Proficient Management has Placed Our City Foremost in Educational Advantages Among South Plains Schools.

(By R. Kenneth Evans.)

One of the first questions taken into consideration by the prospective resident of any city or community is the efficiency of the school system. It is hard to insure his children and especially his own, with children of the city. If the school facilities are what he deems well equipped and up to the standard then he immediately loses interest in that community as the average parent of today realizes that one of the most important things for a young man or a young woman to possess in this day and age is an education which will equip them to meet the hard battles and struggles of life after they are thrown on their own resources.

For a city of its size Lubbock ranks at the top for maintenance of adequate school systems in the state. The State Board of Education has given the city and county this ranking which alone should set at ease the mind of any prospective resident as to the efficiency of the school systems. The city school system in Lubbock is maintained far above the average of schools in cities of this size. The residents take a vital interest in the maintenance of adequate school facilities and are rightfully proud of the standing this system has maintained.

To begin with there is no question more important in the maintenance of such a school system as Lubbock possesses than the employment of competent instructors. In the city schools all teachers are experienced instructors, who have spent many years in training for the positions which they hold. There is no teacher employed in the schools who possesses a lower grade certificate than a first and all high school teachers, with the exception of one, possess permanent state certificates. All except two are university graduates and the high school maintains twenty and one-half units affiliation with State schools and Southern colleges.

The High School is the principal school, naturally of Lubbock, although this institution is properly supported by ward schools which teach the lower branches. A regular music course is taught in connection and grade and reports are issued from this department every six weeks the same as the High School. Four units in Spanish are taught which equal the Lubbock schools a ranking equal to that of San Antonio and these are the only two schools in the State maintaining these units. Every pupil attending the high school must have a minimum of five subjects and make a general average of 85 with no branch under a grade of 70 for promotion to a higher grade and for graduation pupils must have eighteen units credit.

The high school course consists of algebra, geometry, solid geometry and trigonometry in the mathematics branches and English two years, rhetoric two years, literature four full years, science, physical geography, physiology, physics and chemistry. Ancient, Medieval, Modern, English and American history, as well as four full years manual training and four full years domestic science, these latter studies being elective, one branch however being compulsory.

There are now plans on foot for the installation of a commercial course consisting of typewriting, shorthand, bookkeeping and other commercial studies. These departments will be installed as soon as funds are available.

G. N. Atkinson is principal of the High School this being his twelfth year in such capacity. He is exceptionally proficient in this class of work and was a student of the State University, having completed all the work in English but lacking four courses in mathematics and science to receive his A. B. from this school. He teaches under a permanent State teachers certificate.

M. M. Dupre, the city superintendent of schools, is serving his sixth year in this capacity. Mr. Dupre is a graduate of the Ohio University and holds two permanent State certificates, one on examination and one granted him on the strength of his degree from the Ohio university. He takes great pride in the efficiency of the city public school system and is an untiring worker to maintain it to its present enviable standing of efficiency in the educational world.

The grades taught in the High School are from the eighth to the twelfth inclusive while the grades from the primary up to the eighth are taught in the other two school buildings maintained in Lubbock. The school enumeration for last year in the city of Lubbock was 1088 and this year at the beginning of the school term the enrollment was 1,600 but this will increase to 1,300 in a short time.

The High School building is a two-story brick structure with basement and is keeping with the efficiency of the system. This building

was erected at a cost of approximately \$25,000 and furnished at a cost in excess of \$5,000. It was carefully designed from the standpoint of sanitation, convenience and conducive to the good health of every student being preserved. The top floor of the building is devoted to reference rooms, laboratories, stage and auditorium and extra class rooms. The reference room or library room contains an extensive line of reference books, desks for pupils and reading tables. This department was equipped and fitted at a cost of \$1,500.

The auditorium room, on this floor has a seating capacity of 500 with desk and bench seats and a large stage for entertainments or public gatherings. Two eleventh grade rooms are also maintained on this floor and where a class reaches an enrollment of more than thirty pupils a division is made. The text book library room is also maintained on this floor and is used for free State text books. A complete stock of all different grades books is carried for this work. In the machinery and the physics and chemistry laboratories are fully equipped with benches, tables, etc., at a cost of approximately \$1,000 and with apparatus for experimenting purposes.

On the lower floor the superintendent's office and five recitation rooms are maintained with two freshmen class rooms, one sophomore room, one senior room with book-keeping room in connection and one auxiliary room.

In the manual training department are four divisions from freshman to senior. This branch is made elective, lectures being given one each week and four days shop work a week making up the course. There are sixteen benches provided, fully equipped for this work. In the machinery and lathe room a modern planer, lathe, bench saw, all driven by electric motor, are provided.

The Domestic Science department is also maintained in the basement of the high school building. The equipment is standard and up to date in this department, consisting of sixteen one-burner gas plates and marble topped square table with lockers under each burner fully equipped with dishes, etc. One large oil range, cupboards, silverware, china and all equipment necessary for the teaching of table setting and cooking, as well as a Hoosier cabinet well stocked with ingredients for cooking, complete the equipment.

In the sewing room four New Home drop-head sewing machines are provided with two large mirrors, six lockers for equipment and large cutting tables and chairs. The cost of the equipment for the manual training and domestic science was in the neighborhood of \$3,500 and is far above the average maintained in high schools in the State. The balance of the basement is devoted to the boiler room and store rooms. The entire building is well lighted and ventilated.

The primary building and music building a two-story frame structure containing eight rooms is located near the high school. Six classes with an enrollment of 270 pupils are taught in this building. The first and second grades are taught here with three divisions to each grade. Two rooms of the building are devoted to the teaching of music with a piano in each room. Private lessons in piano are also given here under the supervision of the school. This building cost in the neighborhood of \$10,000 and the equipment in excess of \$1,200. It is steam heated, well lighted and ventilated.

The George M. Hunt School, the other building in Lubbock, making up the educational facilities, is a two-story modern brick structure with basement and cost in the neighborhood of \$40,000, the furniture costing \$4,000. There are thirteen rooms in this school employing thirteen teachers. The grades taught are from the third to the seventh inclusive. The third grade has three divisions each and the fourth grade three divisions each, while the fifth, sixth and seventh grades have two divisions each. The State regulated course of study is taught throughout this school. Four of the instructors employed hold permanent State certificates and all others hold first grade State certificates. E. R. Haynes, who was formerly county judge of Lubbock county, is the principal of this school, this being his second year. He holds a permanent State certificate and has been an influential factor in the development of Lubbock City's school system and takes much interest in the maintenance of its high state of efficiency.

This building is well lighted and ventilated throughout with automatic ventilating system, giving fresh air and expelling the four air from each room. Drinking fountains are maintained on each floor while a locker for each teacher and cloak rooms, and lunch racks for pupils are provided. The top floor of this building is devoted to seven rooms for class rooms 60 pupils to each room

with a music room in each end of the building each room equipped with a piano. Large closets are maintained on each floor.

The lower floor of this building is devoted to three office rooms and six recitation rooms, one library room, one ladies office and the superintendent's office and principal's office. The library is exceptionally well equipped with books of all kinds for the use of both the teachers and pupils.

The basement of this building has not been completed but when it is will have kitchen and boys and girls separate dining rooms. Pupils will be able to buy their dinners at school for a small sum which will be one of the few schools in this section of the State maintaining such a service. The domestic science room is well equipped with the necessary stoves, ranges, etc. A shower bath room for boys and girls separate with large modern boiler room.

Lubbock County Schools. The county schools are maintained with the same efficiency as the city schools and includes two districts in Hockley and Cochran counties respectively. This phase of the school system will be taken up and thoroughly exploited in next week's issue of the Avalanche.

Approved, GEO. W. BRIGGS, Secretary Chamber of Com.

MAY CELEBRATE NOV. 11 BY PICKING COTTON

Next Tuesday, November 11, Armistice Anniversary day, may be celebrated by the business men of Lubbock by closing their places of business, going to the country with cotton sacks and help the farmers gather their crops. At least that is the only plan of celebrating at this time. Mr. Noose of the Farmers National Bank is planning on calling a meeting for that date for the purpose of perfecting the organization of an American Legion in our city.

"If we celebrate this day in any form," says Ura Embry, of the C-tizens National Bank, "we should all close and go to the cotton patches." The farmers of our country have had a hard time in the past few years, more so, probably than other business vocations. They sent their boys to the army they bought liberally the Liberty Bonds and thrift stamps and are now in a position to be put back on their feet with fine crops of this year, if they can successfully harvest it.

LUBBOCK COUNTY FAVORABLE FOR COUNTY PARKS

Incomplete reports from nearly every voting precinct in the county shows that the people of Lubbock county are in favor of the tax for creating a fund to establish county parks. The commissioners were vested with power to levy and assess not exceeding 5 cents on the one hundred dollars valuation of property in the county, in the election Tuesday. Three remaining precincts in the county have not been heard from, being, Carlisle, Idalou and Vaughn, but parties acquainted with these communities feel assured of their favorable outcome. Monroe, the last rural precinct heard from, voted two to one in favor of the park tax. Lubbock cast 136 votes, 115 of which were favorable for the tax, or nearly six to one. Slaton voted more than two to one against the tax, casting 34 against and 16 for. Shallowater voted more than two to one in favor of the parks. No election was held at Grovesville, Abernathy, New Hope, Bledsoe or Slide.

Every amendment to the State Constitution in the State election carried by a large majority in Lubbock county, however, many were defeated over the State.

RECRUITING OFFICER GETS 72 MEN IN FIVE MONTHS

Lieut. L. L. Kotzebue and six men all of the 19th Infantry stationed at Fort Bliss, El Paso, Texas, arrived in our city yesterday afternoon and will spend several days here trying to get recruits. Lieut. Kotzebue has been in our city several times during the past few months and is pretty well known by many here. He has been out after recruits for the past few months with his men, and has secured only seventy-two men, that is doing good though, according to Lieut. Kotzebue, because of the many jobs open at this time in Texas. Every branch of service is needing recruits, according to the Lieutenant and they are trying hard to secure men. They will remain here at least four or five days and will try to communicate with anyone wishing to enter the service.

"My office, on the streets, will be open during the next few days both day and night."

LUBBOCK COUNTY SHERIFF AT BEDSIDE OF HIS FATHER

Chas. A. Holcomb received a message last Monday from Stamford, Texas, stating that his father, aged eighty years past, was seriously ill in a sanitarium in that city. Mr. Holcomb left that day for Stamford. No word has been received here since Mr. Holcomb left regarding the condition of his father. He is expected to return home today.

MARRIAGE LICENSES ISSUED HERE RECENTLY

The following parties were issued license for marriage here recently: Miguel Rodriguez and Juana U. de Flores. J. C. Foreman and Odessa Conner, of Idalou. Robert L. Adams and Miss Edith Jackson. Wesley Williams of Lorenzo and Miss Viola Thorp, of Slaton.

LOST HOME AND TWO CHILDREN SUES FOR \$51,000

A rather unusual suit, involving a community co-operative business and a tragedy, with a hint of some of the problems growing out of the Great War, and in which local attorneys are interested, has just been filed in Castro county. The Plainview News of last week carried the following account of the matter, which is said to substantially cover the case.

John McCormick, a prominent Castro County citizen, has entered suit in the district court of that county for \$51,000 damages, citing as defendants twenty-five persons connected with the co-operative colony at Nazareth, in the eastern part of Castro county, west of Tulla.

"He alleges in his petition, so we are informed, that a can of kerosene which he bought from the co-operative store, was really gasoline, and that it exploded while one of his children was kindling a fire in a stove last April and burned the house two of his small daughters perishing in the fire.

"Nazareth colony is a co-operative community of German Catholics. There are, we understand, about fifty families, and they are thrifty and peaceable, and clanish. The whole social life of the colony centers in the Catholic church, and the priest is the leader of the people. They own and conduct a store co-operatively. They buy their farm implements and other supplies together, and often in carload lots. They are said to hate German autocracy and militarism, and during the war always subscribed their quotas to liberty bonds. Red Cross and other war activities the first day. A former Tulla lawyer declares that none of the members have figured in courts.

"It is said that Mr. McCormick was a member of the county council of defense, and some suspicion that because of this fact he made enemies of some of the Nazareth colony, and that the sale of the kerosene was a deep plot. But the Germans say that the oil was bought wholesale in Plainview for kerosene, and that it was bought by Mr. McCormick a month before the holocaust, and had nearly all been used up.

"The case will come up for trial at the next term of the Castro county district court in Dimmitt, and will be followed with interest."

NEWS ITEMS FROM THE ROPES COMMUNITY

Mr. Wesley Reed brings out a lot of prospectors twice a week in this neighborhood, and show them what the ropes we produce on and old land too, and on most every trip a sale of land is made.

H. H. Timmons sold his cotton crop at twenty-five dollars per acre. Land sells from twenty-five to thirty-five dollars per acre in this community. You see this land paid for itself in one year, where is there a better place for a farmer.

T. J. Price and wife spent Saturday night and Sunday at the home of their son, Lenae.

Solan Cowan carried a bale of cotton to Lubbock Monday.

Lenae Price sold one bale of cotton last week.

Mr. Lowe took several bushels of sweet potatoes and turnips to Lubbock Saturday to sell.

J. R. Evans has let the contract to Higginbotham and Harris Lumber Co., of Brownfield, to ship his lumber for his coal and grain house at Ropes and work will begin soon.

Ropes needs a lumber yard very bad to fill orders for houses to these new settlers that have bought land around Ropes.

Mr. and Mrs. Lynn are visiting their daughter, Mrs. George Carter, for a few days.

Claude Peeler and wife and the Ardis young people were in town Saturday trading.

Leo Cowan is picking cotton in the Acuff community this week.

We have had several pretty days the last week and the farmers have been very busy cutting their crops and picking cotton.

Mr. A. W. Blankenship and family were out at the farm Saturday picking cotton.

A nice rain fell Monday night. We were not needing it and farmers had rather had a norther. This will stop field work for several days.

Misses Fay Timmons and Mattie Earl Ardis from Terry county, will attend our school here until their school commences, which will be the first of January, at Meadow.

Our new brick school building is almost completed, and to say the citizens are proud of it is putting it mildly. As soon as the school furniture arrives and can be put in school will commence in the new building. Our school board selected a nice lot of school furniture, which cost twenty-five hundred dollars.

MORE CARS NEEDED TO CARRY CHILDREN OUT

"We needed many more cars at the school buildings this morning," says Mr. Briggs, secretary of the Chamber of Commerce, who is helping haul the school children out to the cotton fields. This morning many of the cars were forced to haul seven and eight children, and some made the second trip in order to get them all out. Those that are in a position to help the children get out to the fields should be at the school building at seven-thirty and back to the fields at five. Several hundred bales will be saved by the children and it means many dollars to our country.

Joe Hilton, manager of the Cadillac Garage, left Wednesday evening for Kansas City, Mo., the trip being made in a car.

COAL STRIKE WENT ON SATURDAY

COAL MINERS ALL OVER THE UNITED STATES QUIT WORK NOV. 1 IN COMPLIANCE WITH STRIKE ORDER.

DEPARTMENT OF JUSTICE REFUSES CONFERENCE

Labor Leaders will Have to Appear in Court to Answer Charges Against Them for Violation of Laws Regulating Organized Labor and Production of Necessities.

Last Saturday, November 1, the big strike of coal miners went on notwithstanding that President Wilson announced that the strike was a violation of the laws of the United States regulating organized labor, and for nearly a week now the mines have been closed down, with the exception of a few independent mines throughout the country.

The Government took charge of all coal in transit at the time the strike went into effect and coal merchants who were expecting the arrival of car loads of coal were disappointed and many towns are in a very bad fix for fuel, even now, and winter has not begun.

The following from Washington under date of yesterday intimates that the Government is holding out firmly against the labor leaders and propose to fight it out in the courts as to the legality of the strike, and refuse to hold a conference on wage scales until this point is settled:

Washington, Nov. 5.—Organized labor's proposal for ending the coal strike through withdrawal of injunction proceedings against officers of the United Mine Workers of America, was rejected today by the department of justice. The government answer to the union suggestion, advanced by Samuel Gompers, president of the American Federation of Labor, was given by Assistant Attorney General Ames, who declared the strike in itself was a violation of law and that as long as it continued the only place to fight it out was in court.

Labor leaders, visibly disturbed by this refusal, agreed with the operators on one important point—that the statement of the government's position swept away all hope of immediate settlement of the strike involving more than 400,000 soft coal miners in 28 states.

The restraining order issued by

Federal Judge Anderson, at Indianapolis last week was made returnable on Saturday. Counsel for the miners will go into court that day and ask for dismissal of all proceedings.

One of two things will happen: The court, according to officials here, either will grant the plea of the miners or issue a permanent injunction, carrying with it a mandatory order to John L. Lewis, acting president of the miners organization to call off the strike.

Whatever the court does, it in itself is expected to be the next important move bearing on the question of settling the strike.

Representatives of the miners and other labor leaders emphasized today that withdrawal of court proceedings would bring peace to the coal fields within 48 hours.

Lewis' statement that the miners would be willing to negotiate a new wage agreement "without reservations" meant, they said, that the slate would be wiped clean, and demands for a five day week and a six hour day, together with a sixty per cent wage increase, withdrawn. But labor leaders declared there was no hope of miners returning to work in a body until the new wage agreement had been ratified.

President Wilson, sick in bed, yet mindful of the serious conditions confronting the country with a protracted strike, issued orders giving fuel administrator Garfield authority to regulate price, distribution and shipment of all fuel, including anthracite. This action restored all powers vested in Dr. Garfield during the war. The fuel administrator was in conference continually today, checking up on the coal supply and arranging with Director General Hines of the railroad administration for its distribution where most needed.

SUMMARY OF THE COAL STRIKE SITUATION

These are the outstanding facts concerning the coal strike and what led up to it:

United Mine Workers of America, meeting at Cleveland on September 23, sounded the first strike alarm by declaring the war time wage agreement ended on November 1.

Executive officers, charged with the duty of negotiating a new agreement, were declared to stand out for three demands, and if not granted, to issue a strike call for more than 400,000 soft coal miners in 28 states. These demands were:

A five day working week, a six hour day, and a wage increase of 60 per cent.

At scale committee meetings at Buffalo and Philadelphia miners and operators threshed over their differences without peaceful settlement. Representatives of the miners contended that the demands were not arbitrary, that the sixty per cent wage increase was a basis for negotiation, that a six hour day meant actual time the miners were to work underground.

The miners insisted on a five day week, they said, because there were not four days' work a week the year round for each miner. They contended by limiting each miner to five days they would be a more equitable distribution of the work. The leaders denied that it was the beginning of a nation-wide campaign for a shorter working schedule.

After failure of the two sides to get together the strike order was issued and Secretary of Labor Wilson, acting by direction of the president's cabinet, immediately called into conference the heads of the mining and operating associations.

The final proposal was made by President Wilson. It suggested negotiation without reservation, submission of questions still in dispute, with the failure of negotiations, to arbitration, and continued operation of the mines, pending final settlement.

The operators, as set forth in a statement by Secretary Wilson, accepted the offer in its entirety; the miners accepted the offer of negotiation, and "held the other two for consideration later."

This, as explained by Secretary Wilson, abruptly ended the conference.

The miners, in the series of conferences, charged that while the war time agreement still bound them to work at the old war time wage scale, it removed restrictions on the war price of coal and permitted operators to charge what they pleased. This, they declared, had led to profiteering.

An appeal to the miners by President Wilson and announcement by Attorney General Palmer that the strike would be considered "illegal" failed to bring about the rescinding of the strike order.

Mrs. John Simpson and Mrs. Charles Murray, are visiting with Mrs. Rex Lotzspeich in Crayston this week.

NEW HOPE NEWS FOR THE PAST WEEK

Rev. C. E. Lynn filled his regular appointment Sunday morning and also in the afternoon.

School started Monday morning with Misses Beulah Evans and Maggie Bounds as teachers.

Misses Loula Kate Wylie and Beth King visited in the Cowart home Sunday.

Miss Effie Eoff left last Thursday for Winters, Texas, where she will teach school.

A large crowd of the New Hope, Union and Woodrow young people attended the Halloween party at the home of Mr. and Mrs. E. J. Cowart last Friday night. All report a splendid time.

Miss Vinetta Eoff is suffering from a very sore finger at this writing.

Miss Gertrude Teal and Mr. Lois Rogers of the Union community attended church at New Hope Sunday morning.

Mrs. M. Keesee and children visited in the Eoff home last Wednesday afternoon.

Mr. Eiland Ribble attended the party at Mr. Cowart's Friday night.

Mr. and Mrs. R. Huber were shopping in Lubbock Saturday afternoon.

Mrs. S. D. Stewart and children visited in the Pate home Sunday afternoon.

Mr. Cecil Richardson attended the singing at Union Sunday afternoon.

Mr. J. R. Reid has sold his farm to some parties in Montague county. We are glad to have newcomers in our community.

Mr. and Mrs. S. P. Eoff visited Mr. and Mrs. S. D. Pate Sunday afternoon.

A few of the New Hope young people enjoyed a singing given by Miss Roberta Johnson of the Union community Sunday night.

Mrs. Wesley Phillips and children visited in the Pate home late Sunday afternoon.

Mr. Horace Smith and two of his friends, of Posey Switch, attended church at New Hope Sunday afternoon.

Mrs. S. P. Eoff and daughter, Miss Vinetta, were in Lubbock Monday afternoon.

Next Tuesday night, November fourteenth is social center night. Everybody is invited to come.

TERRY COUNTY HAS PATENTURE FOR MANY CATTLE

According to Clint Rambo, county tax assessor of Terry county, who has been here a few days this week, Terry county has fine pasturage, probably the best in its history, for ten thousand head of cattle. Mr. Rambo accounts for this by the years of drought that has caused many to be shipped out and the fact that nearly all the ranges are now leased subject to sale. "These ranges are selling too," says Mr. Rambo, "and for that reason the cattlemen will not buy the stock to pasture, fearing their land would be sold and they would be caught with the goods and no place to put them."

Mr. Rambo was accompanied here by his wife. They returned home Wednesday afternoon.

A gift to be prized need not be elaborate, expensive.

What counts more is the personal thought, the thoughtful care that enter into the selection of it.

If you particularly want the gift to be personal, intimate and endearing, you will find no better place than this store for your selection.

Miss Grace Andrews, formerly of Colo., is here this week visiting with this city, but now living in Denver, friends and acquaintances.

BONHAM MAN THINKS SOUTH PLAINS COMING COTTON CO.

The South Plains country will be the coming cotton country of the south, thinks G. H. McDonald, of Bonham, Texas, who was here a short time the latter part of last week.

"Cotton is the world's one crop that increases the value of land more than probably any crop," says Mr. McDonald in speaking of the comparison of land prices with that of his country. Mr. McDonald says that cotton was the cause of land values being as high as they are now in his country. He cites us to the fact that poor land—that is much poorer than found here, sells regularly in his country from \$125 to \$175 per acre with average improvements. Mr. McDonald says these lands are not as good as we have on the South Plains, and on account of the big difference in the prices by reason of cotton, that was forged forth as a great crop in his section. However, he says now, that many back-sets have come to the farmers who attempt to raise cotton in the Bonham country and corn is beginning to be the main crop, this feed bringing much smaller profit per acre than cotton. "The South Plains land is a veritable cotton country, embracing the ideal soils that will make this crop one of the foremost in Texas in this section." In a few years Mr. McDonald predicts that in cases of real estate transfers we will become accustomed to prices such as they have in the Bonham country. Mr. McDonald also thinks we have the best opportunities to offer for land investments of any country in Texas at this time and also predicts a great influx of people to come and buy this year.

Mr. McDonald was here as you would suppose prospecting and only had a few days to look around. On account of pressing business matters at home he left Saturday morning. He will return, he says, probably within ten days.

NOTICE OF TRUSTEE'S SALE!

THE STATE OF TEXAS,
County of Lubbock.
WHEREAS, on the 13th day of June, A. D. 1917, John R. King and wife, Alta D. King, did execute and deliver to me, A. W. May, Trustee, a certain material man's lien deed of trust which is recorded in Volume 2, Page 84 of the Mechanic's lien records of Lubbock County, Texas, on Lots numbered 11 and 12 in Block No. 35 in the Original Town of Lubbock in Lubbock County, Texas, together with the improvements thereon, to secure the payment of the following described note, to-wit: One note for \$400.00 dated June 13th, 1917, executed by John R. King and Alta D. King, payable to the order of the Cicero-Smith Lumber Company at Lubbock, Texas, in monthly installments of \$35.00 per month, due on or before the 13th day of each and every month thereafter, the first installment to fall due on the 13th day of July, 1917, with interest on the principal at the rate of 8 per cent per annum payable annually as it accrues; and providing that failure to pay any installment of said note or any installment of interest when due shall at the option of the holder mature the whole of said note; and further providing that in the event default is made in the payment of any part of said note or interest thereon and the same is placed in the hands of an attorney for collection that ten per cent, additional shall be added as a collection fee; and further providing that said note was given for lumber and materials to be furnished by the Cicero-Smith Lumber Company to John R. King and wife, Alta D. King, for the erection and completion of improvements to be added to and made a part of the frame dwelling house located on the above described lots and that a material man's lien had been given and created against said property and improvements to secure the payment of said note and

WHEREAS, the Cicero-Smith Lumber Company is still the legal

holder and owner of said note and lien securing same and default has been made in the payment of same and since the maturity thereof said note has been placed in the hands of an attorney for collection and the principal, interest and attorney's fees due thereon is long past due and unpaid and said John R. King and wife, Alta D. King have failed and refused and still fail and refuse to pay same or any part thereof except \$15.00 paid thereon on Sept. 20th, 1918, and

WITNESS MY HAND, This first day of November, A. D. 1919.

A. W. MAY, Trustee.

MR. PROGRESSIVE FARMER

April, 1883, I started Farm and Ranch, I believed then, although their number in Texas was not very numerous, that the progressive farmers and livestock breeders would patronize a real farm and livestock paper, serving faithfully their interests at all times. I was not disappointed in my conclusions.

Many who became subscribers with that first issue have continued to read Farm and Ranch without missing a number. I value very highly their continued loyalty and faith in Farm and Ranch, and leave it to them and to the many who have since become patrons and friends, to say if I have kept faithfully my promise to make the paper a powerful, consistent supporter of the best interests of the people whose patronage I have asked for and received.

Farm and Ranch was, at first, published only once a month, later twice a month. Now it is a big illustrated weekly. It has been, at all times, clean, interesting, instructive and reliable. In these I know I have not at any time failed.

Now, after thirty-seven years, always personally on the job, it is my ambition to have every man in Texas who has faith in farming in its different branches become a subscriber to Farm and Ranch.

Send me your subscription, and if, after reading Farm and Ranch each week for three full months you are not satisfied that you are getting even more than full value for the subscription price, write me and I will return the full amount immediately.

You who do not know Farm and Ranch, I refer to your neighbor who

is already a subscriber. On my proposition—your money's worth or every cent of your money returned—I ask your subscription.

The subscription price of Farm and Ranch is two (\$2) for three years—156 copies. No subscription is taken for a less amount and time.

Please send your subscriptions direct to Yours faithfully,
FRANK P. HOLLAND, Publisher,
Dallas, Texas.

P. E.—I want a responsible, active representative in every locality. Write me for my special proposition. (16-4)

C. R. Russell and family recently arrived in our city from Hill County and make their home in the future.

Dick Howard wants to sell you gas and oil. Phone 29. 181f

Bain Wagons

We are receiving a new stock of the old reliable Bain Wagons. In this shipment we have just the right sizes for your farm use, equipped with the long, cotton frame bed. Also, we have the "BAIN SPECIAL" with the 36 inch front wheels and the 44 inch rear wheels and 3 inch tire.

This is one of the most popular size wagons and is used by more people on the farm than any other size wagon on the account of the wagon being low and convenient to load. Cut felloes and fully warranted to be made of first class materials.

See us early before this shipment is all taken up. We are having another car to follow this one but it will not reach us before the last of September.

Every Visit to Our Yard Makes a Friend

Lubbock

A FEW LOCAL NEWS ITEMS FROM TERRY

The Herald.
W. K. Dickinson shipped two cars of cattle and Morton J. Smith one car from Seagraves this week. We were informed that this just about winds up Mr. Smith's cattle in that part of the country, but Mr. Dickinson is constantly buying as well as selling and keeps near the same number of cattle on hand all the time. All these cattle were bound for the market. Mr. Dickinson offered us a free ride to Fort Worth with his, but we had to tell him that we did not have enough winter clothes to get that far from home.

J. H. Hall, of this city has secured the mail contract from Lubbock to Brownfield and back six days in each week, at an annual consideration of \$4,492.00 and will take over the route tomorrow, the 1st. Mr. Joseph Oliver Joplin, of Slaton, Texas, has secured the contract from here to Tatum, N. M., and return each day at an annual consideration of \$8,745.00, beginning the 1st of November. We certainly are in hopes that the new men will give us good service, as that is something that we have not had in about two years. So here is hoping.

Judge W. R. Spencer, of Lubbock, was down this week getting things in shape for holding the fall term of District Court, beginning next Monday. He says that court was a very slim matter this time at Plains. The Grand Jury only reported one bill of indictment, and only one criminal case was tried. One fellow was given a suspended sentence for a few years for alleged theft of a hog.

W. J. Williams, of northeast Texas, a brother-in-law of W. M. Parks, of near Gomez, has purchased 400 head of cattle from Scudday & Lane and leased two sections of land to run them on. This means that Mr. Williams will become an actual settler.

We understand that W. M. Parks has purchased a herd of cattle, and will run them on the grass where they are now located.

R. H. McCormach has been engaged by Ross Renfro to build an extensive addition to his residence, formerly the Barclay property, in the extreme edge of town. After these contemplated improvements, this will be one of the most desirable pieces of real estate in town.

Tom May shipped 1000 head, and Milton Good and W. B. Downing about 300 and 200 head respectively, of spring lambs Tuesday morning, to parties in the San Angelo country. Altogether there was about 1600 head of them, and they were in splendid shape.

Mrs. Trimble and daughter of Seminole, passed through here on the train yesterday on their way to the Lubbock Sanitarium, where the former may undergo an operation.

J. H. Rhea and family are back in Lubbock after a few months absence. He says he is back to stay this time. Lubbock is a mighty good place to stay but a very poor place to be "from."

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 50c per bottle.

BIFF!

Stop jolting Liver and Bowels with violent drugs, but take "Cascarets."

"Dynamiting" bile out of your system with calomel and other sickening purgatives is all wrong. Salts, Oil, and Cathartic Waters act by flooding the bowels with the digestive juices which are vital to the stomach. Cascarets are different. They act as a tonic to the bowel muscles, which is the only sensible way to relieve a bilious attack, a sour, acid stomach, or constipated bowels. There is no gripping or inconvenience. You naturally return to regularity and cheerfulness. Cascarets cost very little and they work while you sleep.

REV. HUGHES TO CLOSE WORK AT RALLS SUNDAY

Ralls Banner.

Rev. H. L. Hughes will close his ministerial work in Ralls Sunday, and announces that he will preach his farewell sermon on that day. He and Mrs. Hughes are preparing to answer the call that came from Macedonia in the olden times, "Come over and help us," and their next work will be among those whose steps are directed along the slippery road of heathenism in far away Japan. To make a change like this requires supreme self-sacrifice, and an abiding faith in Christ and the cause for which he died, that stands out as a light in the dark places, and gives courage and renewed hope to the weak and doubting, for know ye that no young man forsakes his native land, and takes up his abode in a strange country, among a strange people of an entirely different race—worshippers of idols, many of them deeply hostile to the christian religion, for the purpose of leading them from the dark realms of heathenism into the blessed light that is shed by christianity, without his inspiration comes from something more than human, and when a man like Bro. Hughes voluntarily does this it sets in motion an influence, the power of which can hardly be estimated. And that the going of Bro. Hughes and his good wife among the heathen will result in untold benefit to them cannot be doubted, for they carry with them Faith, and the power of Faith cannot be estimated. Don't fail to go out and hear him Sunday, as it will probably be the last time you will ever have the opportunity.

Regulate the bowels when they fail to move perfectly. HERBINE is an admirable bowel regulator. It helps the liver and stomach and restores a fine feeling of strength and buoyancy. Sold by All Druggists.

STERLING CITY MAN BUYS HEREFORD CATTLE HERE

A. E. Ballou, cattleman of Sterling City, purchased two hundred high grade Herefords this week from J. S. Johnson. Mr. Ballou will ship these cattle to his pasture near Sterling. "Range conditions were never better in our country," says Mr. Ballou, "and most all the ranges will be stocked with cattle for winter pasture."

MR. STOCK SALESMAN.

The opportune time to sell our stock to a certain class is leads that has the money that we will furnish is NOW.

Agents are making from \$150.00 to \$200.00 per week. Write N. B. Knight, Fiscal Agent, 908 Commerce St., Houston, Texas; for full particulars.

Charles W. Vaughn was down from the farm Monday, rustling some pickers to help gather his cotton crop.

**WINTER CARE OF FARM
MACHINERY**

The time will soon be at hand when the major portion of the farm machinery will be laid up for the winter, and it is a matter of considerable importance as to whether this expensive equipment will be well cared for, or left out in the weather until next spring.

All machinery should be housed for the winter, and beside this there should be a thorough inspection given each machine before it is put away. All broken parts should be noted and repairs ordered now, so that there will be no delay when the machine is again needed. All bearings and working parts should be

well cleaned and then oiled to prevent rusting. All loose bolts should be drawn up tight, and minor repairs made at once.

If it is impossible to house the machinery, protection should be taken against undue exposure to the elements. Machines should be well covered with a canvas, after being oiled, or a wood frame covered with tarpaper provided to cover the working parts.

A little care at this time will do away with a great deal of trouble in starting out next season.

The Agricultural Engineering Department of the Agricultural Extension Service, University of Missouri, has blueprints of two very serviceable types of implement sheds. These blueprints are listed as C-27, and C-56, and may be had for ten cents each. Address the Mailing Room, College of Agriculture, University of Missouri, Columbia.

BOOST THE PAINTING CAMPAIGN

The paint and varnish industry of America is setting out on a "Save the Surface" campaign. It is of course

to the interest of the various companies represented to put this campaign over in good style, but it is of great interest to the man who has buildings on his farm to help them put it over.

The loss from unprotected surfaces whether they be surfaces of iron, wood or other material is very great and can only be estimated, but it is certain that the loss is far out of proportion to what it would be if proper protection were given the surfaces.

Nothing improves the appearance of any farm building more than a good coat of paint, and nothing will add any more to the life of a building. The slogan, "Save the Surface and you Save All," has been adopted by the campaign leaders and it is a hint to all thrifty farmers to add years to the usefulness of their buildings and make them pay interest on the investment over the maximum period of time.

GET BUILDING PLANS NOW

The time for building on the farm will soon be at hand, and it would be well to begin considering the types of buildings best adapted to particular needs. Extension Circular No. 69 of the University of Missouri College of

Agriculture, Columbia, gives a list of available blueprints, and a brief description of each plan. The plans best adapted to one's needs may be chosen from this circular. The Agricultural Extension Service has carefully prepared these blueprints and many hundreds of plans are being sold to farmers of Missouri, and of other states each year.

Better clean up or get ready to dig graves. There will be more sickness in Lubbock this winter than ever known if there is not a decided change in sanitary conditions in our town and that soon. With all this damp weather, stagnant pools of water in the streets and alleys, vacant lots, etc., there is no way to avoid an epidemic of sickness, except to clean up.

The damp weather has possibly prevented several very disastrous fires in our town by keeping the weeds in condition that they will not burn readily, but the damp weather and the weeds will not prevent an epidemic of sickness that is liable to start and can be traceable to these two things. We cannot control the damp weather, but we CAN remove the weeds if some one with authority will sound the call to duty.

There seems to be no movement started yet to remove the hazards that the State Fire Commission complains of. If this is not done before another report is made, there is sure

Money to Loan on Homes

MAN IN CUSTODY HERE STOLE CAR 3 YEARS AGO

A man, whose name we were unable to learn, is being detained here in the Lubbock County jail, charged with the theft of a car from Ralls about three years ago. We are informed that the man says he took the car as far as Amarillo and left it there. He was found in Colorado and was accompanied here the latter part of last week by the Crosby county sheriff.

A letter received recently from Mrs. F. F. Mays to Mrs. G. C. Barrier, stated that Mrs. Mays was enjoying her visit with relatives in Henderson county very much and that they were having more rain there than we have had in this section, which must be a great deal.

LIBERAL RESPONSE TO RED CROSS SUBSCRIPTIONS

Dallas, Tex., Nov. 3.—Evidence of the support of the Red Cross Roll Call is reaching the State headquarters from all sections of Texas. Throughout the district chapters have reported since the opening of the campaign on Nov. 2 a ready response on the part of citizens when asked to renew their subscriptions of last season or become a member of the American Red Cross for One Dollar. The campaign will be concluded on November 11th.

No single dollar spent individually can accomplish a small percentage of the benefits that the Red Cross dollar does, because of its splendid organization and means of reaching those who are in need. It has come to the attention of Red Cross chapters every where that many people do their sole contributing through the Red Cross because of its means of reaching those actually in need.

The Red Cross is not asking contribution for 1920. It is asking in the furtherance of its peace time program nothing more than "a heart and a dollar." It wants the support of its members as well as it does the membership fee for it realizes that without that co-operation its funds will avail it nothing.

President Wilson, Secretary of State Lansing, Secretary of the Interior Lane, Vice President Marshall, Governor Hobby, the American Legion and countless thousands of others have given the Red Cross an indorsement. The work it contemplates at home is held to be equally as important as that rendered in war time.

Memberships can be secured thru the local chapters or Red Cross officials or from the State headquarters of the Red Cross in Dallas. W. H. Prather of Dallas is Roll Call Director.

SGT. McPAUL BACK FROM OVERSEAS SERVICE

Sgt. Eddy McPaul, formerly of Terry county, arrived in our city this morning, having recently been discharged from army duty. Sgt. McPaul enlisted in the army here about two years ago and spent about seven months in France and ten months in Germany with the Headquarters troop of the 3rd army. He will visit with relatives and acquaintances a few days in Terry county and leave for points in western New Mexico to visit with his mother and brothers.

Forrest Robbins spent one day this week in Lorenzo, attending to business matters.

Regardless of the difference in profit involved we do not recommend substitutions.

Our chief aim is to sell you what you want, as you want it.

You can confidently rely on the quality, the purity, the accuracy of handling of each purchase made at this store.

Sanitary Market

H. W. Sims, Proprietor

Lubbock, Texas

HOMESEEEKERS

When we placed our MEADOW FARMS on the market about a month ago we intended to sell all of them to farmers from the black land sections which we are doing. Numbers of them have bought and more are coming this week and next.

WE WERE MUCH PLEASED

however, when some Crosby County people came over and bought some of this land and stated to us THAT THEY BELIEVED THE MEADOW SECTION CONTAINS THE BEST LAND ON THE PLAINS AND THAT THE DEVELOPMENT IN THAT SECTION IS PROGRESSING SO RAPIDLY THAT WITHIN A YEAR THEY EXPECTED TO REALIZE A PROFIT ON THEIR LAND IF THEY WANT TO SELL.

KEEP YOUR EYE ON MEADOW

The development at Meadow has so far exceeded our expectations that we would raise the prices of our lands there but for the fact that it would be acting in bad faith with those to whom we have offered to sell.

We have been assured that a lumber concern will place a yard at Meadow before January 1st. We believe a bank will be placed there at an early date—a prominent banker is working up such an organization. We have been assured that a gin will be built at Meadow in time for next season's cotton crop.

With such prospects for the early development of the Meadow country do you not agree with us that land there will be selling at much higher prices within a year from now? Do you not believe with us that when the twenty-four farms we have placed on the market are improved that business enterprises will locate at Meadow and that this will stimulate increasing values?

What has happened at Lorenzo, Ralls and other small communities will happen at Meadow.

We still have a number of choice tracts unsold. The prices run from \$32.50 to \$35.00 per acre for unimproved tracts. We have one 475 acre tract nicely improved left, at \$35.00 per acre.

We are asking for a very reasonable cash payment and are giving 10 years time at 7 per cent interest on the balance, making the notes on or before.

If you have sold a farm and have some cash, or if you are a tenant and want a home and have enough cash to make a payment, we are ready to show you these farms and to assist you in getting located.

LUBBOCK SCHOOL OUT TWO WEEKS AFTER COTTON

At the request of a signed petition gotten out by Ura Embry Monday morning the board of trustees of the Lubbock City Schools agreed to suspend school for two weeks, commencing Tuesday morning. This petition was signed by practically every business man of our city, and is the result of the very bad weather that has prevailed here for the past six weeks or more that has hindered the gathering of cotton so that it was thought something had to be done and done quickly.

It is estimated that there is now twelve thousand bales of cotton open in our county at this time, that needs gathering; these twelve thousand bales are probably worth on the market today \$2,400,000, and that with the aid of the four hundred and fifty school children that will pick every suitable day it will only be a matter of a short time until this important crop is gathered.

The school children are gathering at the different buildings in our city; according to their grades when in school, and are being carried to the farms by the business men in automobiles, who are charging nothing for the time and expense. There is altogether about twenty-five children in eighteen different squads, under the supervision of their teachers. The plan was made that teachers be with the children during the cotton-picking. These teachers will be paid three dollars per day for their services while out. Their business will be to see that the children do their work right and to look after scale weights for them.

The farmers have agreed to pay the children three dollars per hundred pounds; the child furnishing his or her own lunch. Many of the farmers who live near town and need the services of the children will come to the school building for them. The business men are arranging to have many cars at the school house to help carry the children out. They will arrive at the school house about seven o'clock every morning. At five o'clock and not later these cars will be taken out to the farms for the children.

Farmers are hurrying into town since hearing of this plan and are eagerly waiting for the boys and girls to reach their fields. One farmer who came into the Chamber of Commerce office Monday in a terrible hurry, said he wanted fifty; then scratched his head and wanted to know how many could come, their sizes, sex, etc. Mr. Briggs who has

 You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.
GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.
GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.
 The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.

THAT GOOD OLD TASTE

You're going to get old-fashioned Country Made Syrup—the kind with that GOOD OLD TASTE!—once more. 'Way down in the Louisiana cane fields they're busy now, making—

REAL Country Made SYRUP

The Crockett & Weil Kind

There's no other syrup near so good as Country Made—the Crockett & Weil kind. No factory syrup can duplicate its delightful flavor, or its wholesomeness. It is syrup like grandfather used to make, and like Southern farmers make today—pure cane juice in an open evaporator, cooked 'till it trickles off the strainer in a ropy, golden stream.

—and it's real food, too!

Crockett & Weil's Country Made has something beside the taste, too. It is real food! It contains 58.1 per cent digestible sugar—FOUR TIMES the FOOD VALUE of ordinary compound syrups!

Put in your order now for Country Made—But be sure and say: "The Crockett & Weil Kind."

(There are no more so-called "country-made" syrups now! You must demand the genuine.)

BREAKS A COLD IN A FEW HOURS

"Pape's Cold Compound" instantly relieves stuffiness and distress

Don't stay stuffed-up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all grippa misery. The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without resistance, tastes nice, contains no quinine—insist upon Pape's!

Will Elkins, cattleman of the Midland country was here a short time the first of the week attending to business matters.

Phillip Wise, of Bonham, Texas, who recently bought land in our county was here a few days the latter part of last week looking after his interest.

"Kellogg's Korn Krisp---Corn Flakes---in the Green Package"

K!-K!-K!

—If you've tried the rest—
 now try the best

"Comparisons are odious"—
 only to the inferiors

CONTRAST the tough, leathery, limp, flat, varying taste of other thick corn flakes with crackling, krispy, always toothsome, plump, golden, delicious, brown

Kellogg's
 (Roasted)

KORN KRISP

Contrast the slack, loosely, carelessly-filled packages of substitutes with the

Full, conscientiously-packed, waxtite, goodness-preserving package of

Kellogg's
 (Roasted)

KORN KRISP

The Price Is the Same

But the difference in package and flavor is all in favor of

Kellogg's
 (Roasted)

KORN KRISP

Prove it to your own entire satisfaction. You and your family enjoy a big, generous package at once. If you don't then vote Kellogg's Korn Krisp best, your grocer will give you your money back.

A. V. WEAVER WILL SPEND WINTER IN OMAHA, NEB.

A. V. Weaver, commission dealer of this city, returned home last Friday night from Omaha, Neb., where he has been the past few weeks attending to business matters. We are informed that Mr. Weaver will leave some time next week for Omaha, and that his family will accompany him there. They are intending to spend the winter in that city. Business matters that demand the attention of Mr. Weaver is the reason we are informed, for the move.

In damp, chilly weather there is always a large demand for BALLARD'S SNOW LINIMENT because many people who know by experience its great relieving power in rheumatic aches and pains, prepare to apply it at the first twinge. Sold by All Druggists.

J. P. Bridges, of Post City, passed through here last Saturday enroute to Terry county, to visit with relatives.

A. C. Pendleton, of Plains, Youkum County, was here one or two days the first of this week transacting business.

Amarillo's new daily newspaper will be started sometime in January, we are informed by Eugene Thompson, of the Southwestern Paper Co., who is in our city today. Mr. Thompson is to be manager of this paper. He informed us that construction on their fine building is now in course and about forty thousand dollars

worth of machinery has been purchased. The new daily will use the United Press service, we are informed.

L. C. Campbell, of Littlefield, stopped over one day this week en route home after visiting with relatives in Post City for a few days.

BERT DAVIS' PLAYERS HERE ALL NEXT WEEK

This organization, while perhaps new to most of the residents of Lubbock, is known and liked all over the eastern part of the state where it has played for the past four years. And still, there are several members of this company who have played Lubbock before, not only once, but several times and when the show comes in Sunday, you watch and see if there isn't several familiar faces—in fact, favorites and people you can call by their first names. Eddie See which gives concerts that are well worth your time on the main street daily and the orchestra gives fifteen minute concerts every night just before the curtain rises.

The opening play is one of the very latest stock releases, and the management is positive that you have never seen it before unless in a large city and at a price more than three times what you will pay here and the title is "The Boy Who Came Back," it being a four act pastoral comedy drama and a story of the oil fields.

The tent is absolutely water proof and will be heated with six big coal stoves.

The doors will be open at 6:45 and the curtain will rise at 7:45 prompt. The prices of admission are adults 33c, children 15c, which includes your war tax. The ladies will be admitted Monday night absolutely free upon the payment of a three cent war tax.

Don't fail to hear the band concert next Monday afternoon at 4:00 o'clock on the main street. 191p

FINAL VOTE ON TREATY SET FOR NOVEMBER 12

Washington, Oct. 31.—Formal negotiations for an early final vote on ratification of the German peace treaty were launched today in the senate.

Proposed that a final roll call be taken on Wednesday, Nov. 12, was made by Chairman Lodge of the foreign relations committee, while Senator Hitchcock of Nebraska, the administration leader, presented a counter proposal to limit to fifteen minutes each senator's debate on all questions beginning next week, but without a definite date for the ratification vote.

Both proposals, submitted formally in writing, went over without discussion until Monday, the senate adjourning tonight until Monday without reaching a vote on any of the pending amendments.

Confidence of acceptance by all republicans of his plan to dispose of the treaty November 12 was expressed by Senator Lodge.

"SYRUP OF FIGS" IS LAXATIVE FOR CHILD

Look at tongue! Remove poisons from stomach, liver and bowels

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear. Mother! You must say "California"

A GOOD RECORD FOR LIFE INSURANCE COMPANIES

During the past ten years, according to Bradstreet's, there have been over 100,000 commercial failures, with liabilities of over \$1,600,000. During the past ten years 600 banks and trust companies have closed their doors with liabilities of over \$380,000,000. During the past ten years there have been railroad receiverships, with stock and bond issues involved, of over \$600,000,000, while of life insurance it can be said that for more than THIRTY years (three times as long) there has not been one failure of an old-line life insurance company which has been conducted on the legal reserve basis.

Unlike most other investments that pay a fair rate of interest and depreciate in value from use, life insurance pays a good rate of interest and increases in value. Stocks and bonds often fluctuate. Often a defective title ruins an individual mortgage, a policy is secured by a multitude of bonds and mortgages. The mortality among people is large, but among investments it is still larger. Most investments are expectancies, while life insurance is a certainty. Real estate has made thousands rich, but it has also made millions poor. If the wealthy men have brains enough to accumulate wealth, they have brains enough to invest it, and they are the largest insurers. It is easier to accumulate an estate thru the aid of life insurance than by any other way.

U. S. FLEET TO BE BIGGEST IN WORLD IN NEXT YEAR

Washington, Nov. 3.—Predictions that ships flying the American flag will be almost equal in tonnage to those of Great Britain by the end of 1920 were made in the senate today by Senator Jones of Washington, Republican, chairman of the senate commerce committee, in introducing his bills proposing an alternative for the permanent federal ship building policy.

Both bills were referred to the commerce committee for future consideration. With prospective completion of the government's war ship building program by Dec. 31, 1920, Senator Jones said, the United States, including coastwise vessels, would have a mighty fleet of 18,000-000 tons, nearly the same as that of Great Britain, and that the two nations would control about two-thirds of the world's tonnage.

SOCIETY NOTES

Hallowe'en Entertainment.
The Hallowe'en Entertainment given at the Woodmen Hall Thursday night by the Woodmen and Circle members who invited their families was most successful and will remain a pleasant memory in the years to come. The hall presented a very ghostly appearance with spooks appearing at different dark corners. The evening's program was interspersed with music by an orchestra, with Adelaide Summers at the piano. The first march bringing the masked persons into line, Rev. Collins was chosen as master of ceremonies. The so-called celebrated Mrs. Divorce was introduced; the comical reading and impersonation was enjoyed to the utmost.

A duet by Mesdames Heim and Starcher which wished for all good luck and long life who would seek to know their destiny, placed the fortune teller in her booth. The other booths were opened, the first representing Heaven and presided over by an angel who served you with heavenly food. The next was earth and a very practical person served you with sandwiches. The last booth was hell and satan served you with appropriate hot chili. While inspecting the extremes of climate, the black cat's tail was placed out of range of its natural position so many times we did not wonder at the bewildered look in its eye.

A lot of wasted efforts used in trying to blow out the flame on a lighted candle amazes one when they realize the effect of total darkness.

Every person loves mystery and the desire to peep into the future or unravel the past lures many to take a turn at the wheel of fortune. Different types of hands denoted dispositions obstinate or serene, change of occupation and travel. Others have had serious experiences lately which have made them see things differently and know just who their real friends are. Some will have a sudden rise in fortunes but are slaves to habit and fond of home life. Many were generous and sympathetic and love to study human nature. Many fortunes were left untold and to those we wish good health and happiness. The committee on arrangements have the thanks of the entire membership for success was due to their efforts.

A supper of pumpkin pie, coffee, and hot chocolate was served in the dining room.

Sovereign.

Birthday Party.
(Delayed)
Little Miss Edith Hicks was hostess to a number of her young friends on her birthday last Wednesday. The Hallowe'en spirit was observed. Much to the surprise and enjoyment of the children, they were met at the door by an old witch and were escorted through the house where they found black cats and "spooks" in every nook and corner. Games and stories were enjoyed, then came a contest of guessing who the "spooks" were, and in which Sam T. Davis Jr., was winner. In an apple contest, the children had their hands tied behind them and tried to bite apples which were suspended from the ceiling, and in this Lawrence Green was the lucky one. The children then matched partners with numbers and marched into the dining room where they were served cake, hot chocolate and fruit. In the center of the table was a lovely birthday cake, glowing with eleven shining candles. Little Miss Edith was the recipient of many beautiful presents and the children had a "wonderful" time. Those present were: Norma and Mabel Henry, Georgia Hufstедler, Eunice and Bessie Holcomb, Edna Mae Ingram, Mary Lou Bayless, Fannie O'Bannon, Virginia Esley, Alma Mullins, Vera Mae McClary, Freddie Lee, Alyne Arnett, and Edith Hicks, Lawrence Green, Max Davis, Sam T. Davis Jr., Edward Allen, Spence Hufstедler, Miss Delma Speed and Mrs. Guy Hufstедler.

Contributed.

Party.
Mr. and Mrs. Hal Bradley entertained with one of the loveliest "42" parties of the season. Hallowe'en was suggested in the house decorations, in the costumes of the guests, who came in sheets and tall caps, and on the score cards and talley sheets. In one room was seen a witch's cauldron presided over by an imposing personage who stirred the mixture and produced amusing fortunes. The "pot of gold" of the foot of the rainbow was found here. In the "42" games which followed, Mrs. James Kimmel made high score. At the conclusion of the games, the hostess, assisted by Mesdames J. T. Woodriddle and John Penney served a mock course of corn bread and lemonade. Then after much laughter a course consisting of nut sandwiches, fruit salad, hot coffee, with whipped cream and angel food cake was served to Messrs. and Meses. Fred Oliver, L. T. Martin, C. E. Maedgen, Paul Connally, James Kimmel, W. C. Rylander, Frank Maddox, L. D. Rankin, R. A. Sowder, S. Lester Gunn,

Fred Boerner, E. L. Robertson, and Mesdames J. L. Chase, W. F. Schenck W. L. Barnes, John Penney, J. T. Woodriddle and J. T. Hutchison.

The most enjoyable dance of the season was Friday night at the Elks' hall when the Episcopal ladies entertained. The hall was decorated in black and gold, the Hallowe'en colors. The Lubbock Orchestra, the best on the plains furnished delightful music for twelve dances and four extras. Delicious iced punch was served by Miss Delia Wilkerson. Mrs. Morton J. Smith made an effective gypsy, who told wonderful fortunes. It is hoped that this affair will not be the last, and that the ladies will receive encouragement to give another.

Party.
Miss Alma Spikes entertained a few of her young friends with a Hallowe'en party Friday night. The guests were dressed as ghosts. After various games had been indulged in the party dispersed to meet again the next day and pick cotton at the Waters farm. Those who enjoyed this occasion were Misses Fay George Yarna Wilson, Willette Waters, Elizabeth Robbins, and Alma Spikes.

Wesley Class.
The members of the Wesley class of the Methodist Sunday school were entertained by Mrs. H. W. Sims on Thursday evening. After performing various and difficult "stunts" until a late hour, doughnuts, ham sandwiches and hot tea were served to twenty-eight guests.

1916 Needle Club.
Mrs. H. M. Sims entertained the 1916 Needle Club Thursday afternoon with Mrs. Baker as assisting hostess. After the usual pleasant conversation and needle work, fruit salad, angel food cake, sandwiches, and hot chocolate were served to eight guests.

Senior League Party.
The Senior Epworth League was royally entertained at the home of Mrs. H. W. Sims Friday evening. A Jack-O'-Lantern on the porch gave the guests a hospitable welcome. After all arrived they were entertained with the thirteen "stunts", namely, "Pare of Apples," "tell the tale," "raisin rush," "peanut jobb," "beau agrava," "apple duck," "poor donkey," "pumpkin pie picture," "apple antics," "peanut pitch," "peanut roll," "don't fail to see red bats," and last, but not least the guests were taken upstairs where they received their reward and had their fortunes told by a witch. Pumpkin pie, cake

and hot chocolate were served to thirty-two guests.

Another lovely Hallowe'en party was at the Tom Arnett home Friday night. The house was charmingly decorated in colors significant of the season. The guests were all sheeted and masked and much fun was had in guessing one's identity. In a vocal duet, Mesdames Heim and Stanton invited the ghosts to have their fortunes told. At the conclusion of the song, Mrs. George Morris, as an effective gypsy entered the room and told glowing fortunes. Another feature of the entertainment was the Bluebird room. One entered a room where the lights burned low and pitifully and awful groans were heard from the unhappy victims who hung by their hair from the ceiling, apparently, and crepe paper blood trickled slowly down. At the close of this delightful occasion, hot chocolate and cake were served to a large number of guests.

The Eastern Star held its regular meeting Tuesday night and it was one of unusual interest. Mrs. Gussie Cannon the delegate to the Waco convention, gave a good report of her visit and this was a source of enjoyment. One of the members, Mrs. Hargis, will soon leave for her home in the Malay Peninsula. At the close of the meeting, hot tea and sandwiches were served.

Mrs. J. A. Jordan returned Tuesday from a visit with relatives and friends in Fort Worth, Dallas and Austin.

Mrs. S. H. Arnett returned this week from Louisiana, where she visited her mother, who is ill.

Mrs. R. T. Tubbs entertained the members of the Intermediate League at the home of Mrs. Joe Baldrige Friday evening. The time was pleasantly spent in games, Hallowe'en jokes and stories, and then the guests enjoyed pop-corn, peanuts and apples.

Mrs. Virginia Stringer visited relatives near Shallowater last week.

Mr. C. W. Mallard returned last week from Georgia, where he attended a Confederate's Reunion.

Mr. and Mrs. W. R. Humble were among the number who attended the box supper in Shallowater.

Miss Grace Andrews is with her aunt, Mrs. R. A. Barclay and friends in the city. Miss Andrews formerly made her home here and her many friends are glad to see her again.

Mr. and Mrs. Hall Robinson, of Tahoka, visited with relatives here Sunday.

Miss Edith Carter, and grandmoth-

er, Mrs. Dean, left Saturday for Abilene where Mrs. Dean will remain and Miss Edith will visit for a few days.

Mr. and Mrs. W. D. Mayfield, of Abilene, were here Sunday, the guests of relatives.

Potts Robinson is visiting friends and relatives in Lubbock.

Friends of Mr. and Mrs. B. H. Rhea, are glad to welcome them to our city again.

Haden Bateman and wife, of Canton, Texas, passed through here the first of the week enroute to Yoakum county. Mr. Bateman has accepted a position in that county as manager of the Standford Brothers ranch.

W. C. Rylander, District Manager of the Kansas City Life Insurance Company of this city, left Wednesday afternoon for Plainview where he will remain for a short time.

Women!

Here is a message to suffering women, from Mrs. W. T. Price, of Public, Ky.: "I suffered with painful... she writes. 'I got down with a weakness in my back and limbs... I felt helpless and discouraged... I had about given up hopes of ever being well again, when a friend insisted I

Take

CARDUI

The Woman's Tonic

I began Cardui. In a short while I saw a marked difference... I grew stronger right along, and it cured me. I am stouter than I have been in years. If you suffer, you can appreciate what it means to be strong and well. Thousands of women give Cardui the credit for their good health. It should help you. Try Cardui. At all druggists. E-73

Dr. A. R. Ponton returned from New York City last Friday night.

STRIKE AT THURBER MAKING WORK CONDITIONS BAD

According to R. T. Hale, of Thurber, Texas, who has been employed on the T. & P. mines at that place, the sympathizers and strikers are making working conditions bad. Only recently a strike was called in that city by the teamsters of which Mr. Hale was a member. Mr. Hale got a job driving a car for a few days or until the grievance was settled. After going back to work a short time, preparations were being made for all to walk out on the strike order of the big mining federations called for last Friday night. Mr. Hale became tired of these orders and conditions which made working bad, and with his wife came through here last Saturday enroute to Lorenzo, to help gather the enormous cotton crop of that section, predicting "a strike to be called by the pickers as soon as he secured a good paying job."

A tight feeling in the chest accompanied by a short, dry cough, indicates an inflamed condition of the lungs. To relieve it buy the dollar size BALLARD'S HOREHOUND SYRUP; you get with each bottle a free HERRICK'S RED PEPPER POROUS PLASTER for the chest. The syrup relaxes the tightness and the plaster draws out the inflammation. It is an ideal combination for curing colds settled in the lungs. Sold by All Druggists.

S. S. Denman, traveling representative for the H. C. Burt & Co., dealers in Road Bonds, etc., of Belton, Texas, and a cousin of John M. Denman, of the Lubbock State Bank, was here a short time the first of this week looking after business matters for his company.

Smoked walls and curtains mean expense. Prevent this loss by using Cole's Hot Blast Heaters. They do not smoke. Cole-Myrick Hardware and Imp. Co. 191

LUBBOCK, TEXAS

CITATION BY PUBLICATION

THE STATE OF TEXAS.

To the Sheriff or any Constable of Lubbock County—Greeting:

You are hereby commanded to summon B. M. Mimms, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District; to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court House thereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919, the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 21st day of October, A. D. 1919, in a suit numbered on the docket of said Court, No. 1275, wherein Mattie Mimms, is Plaintiff and B. M. Mimms, is Defendant; the nature of plaintiff's demand being as follows:

That plaintiff has been an actual bona fide inhabitant of this state for more than twelve months, and has

resided in this county for more than six months.

That the plaintiff and defendant were lawfully married in Martin County, Texas, on December 30, 1906.

That the defendant, the said B. M. Mimms, left the plaintiff on September 23, 1915, with the intention of abandonment, and has abandoned her for more than three full years prior to the filing of this suit.

Wherefore, Plaintiff prays that defendant be cited to appear and answer this petition, and that she be granted judgment dissolving the bonds of matrimony existing between plaintiff and defendant, and that she be divorced from the defendant, and for such other and further relief, general and special, in law or in equity, to which she may be entitled, etc.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Lubbock, Texas, this 21st day of October, A. D. 1919.

SAM T. DAVIS, Clerk District Court, Lubbock County, Texas. (Seal) (17-4)

NOTICE OF SHERIFF'S SALE.

H. N. Anderson No. 1163 vs. Mary Reynolds Moore, et al.

In the District Court of Lubbock County, Texas.

Whereas, by virtue of an order of sale issued out of the District Court of Lubbock County, Texas, in a judgment rendered in said court on the 10th day of June A. D. 1919, in favor of H. N. Anderson vs. Mary Reynolds Moore for the sum of One Thousand Five Hundred and Ninety-seven Dollars and Twenty Cents (\$1597.20) with ten per cent per annum interest thereon from June 10th, 1919 and cost of court and for foreclosure of deed of trust on the hereinafter described property against Mary Reynolds Moore, U. G. Moore, Mary Louise Reynolds, Nellie Reynolds, O. C. Belt, W. D. Crump, N. R. Porter and M. E. Merrill, No. 1163 on the docket of said court, I did on the 22nd day of October, A. D. 1919 at One (1) o'clock P. M., levy upon the following described tract of land situated in Lubbock County, Texas, and belonging to the said Mary Reynolds Moore, to-wit:

An undivided one-half (1/2) interest in and to Lot No. 2 in Block No. 135 in the original town of Lubbock, Texas, together with all improvements thereon; and on the 2nd day of December, A. D. 1919, being the first Tuesday in said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M., at the court house door of said County in Lubbock, Texas, I will offer for sale and sell at public auction for cash all of the right, title and interest of the said Mary Reynolds Moore, U. G. Moore, Mary Louise Reynolds, Nellie Reynolds, O. C. Belt, W. D. Crump, N. R. Porter and M. E. Merrill in and to said property.

Witness my hand at Lubbock, Texas, this 22nd day of October, A. D. 1919.

JEWELRY STORE AT RALLS BURGLARIZED LAST THURSDAY

Goods amounting to about \$700 in value, were taken from a jewelry store at Ralls last Thursday night. Sheriff Mitchell of Crosby county wired to Sheriff Holcomb here to arrest a young man that was coming here on the train Friday morning. The arrest was made, but upon advice later he was turned loose. He went back to Ralls Saturday morning we were informed, to appear against another man charged with the theft.

REBELLION IN STOMACH

"Pape's Diapepsin" at once ends indigestion and Sour, Acid Stomach

Lumps of undigested food cause pain. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just take a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the pain, acidity, indigestion and distress. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless stomach antacid is Pape's Diapepsin, which costs so little at drug stores.

PHILIPPINE MERCHANT VISITING RELATIVES HERE

C. N. Hodges, brother of J. A. Hodges and Mrs. R. A. Holland of this city, accompanied by his wife and his wife's sister, Miss Era Higdon, arrived in our city Tuesday from the Philippine Islands. Mr. Hodges has been in business in the islands for several years. His brother, who was here a few months ago, is also in business in the islands. Miss Higdon's home is in Hunt county. She has spent about one year in the Philippines visiting with her sister. She will proceed to her home in Hunt county from this city in a few days. Mr. and Mrs. Hodges will also visit different points in the State before returning to the islands. Mr. and Mrs. Hodges have with them here, two Filipinos, one boy and one girl who are their servants. The boy may remain in the States we are informed, and attend an American school. He will probably go to some school in Dallas.

J. M. Reed, of Coleman, is here this week visiting with his son, J. R. Reed, and transacting business.

WELL KNOWN MINISTER WILL GO TO JAPAN

Rev. H. L. Hughes, pastor of the Methodist church of Rails, was here one day this week visiting with friends. Rev. Hughes will sail from San Francisco the 24th of the coming January for Japan, where he will serve his church as missionary. Rev. Hughes is well known in the Plains country, having held the position of pastor in the counties of Andrews, Terry and Crosby, during the past few years. Rev. Hughes, before coming to the Plains country, attended the Southern Methodist University of Dallas and while in that city was pastor for the Methodist church. He is a young man who has a great influence for good, as shown by results that he has made during his stay in the different places. Rev. Hughes will attend the District Conference meeting in our city which convenes here next week.

J. G. Stearns and wife, of Brownfield, were in our city one day this week, shopping and attending to other business matters.

More Chickens, Turkeys and Eggs Wanted

SLIDE HAPPENINGS FOR THE PAST WEEK

Cotton is opening fast these sunshiny days, but we had another rain last Monday night.

Mr. B. T. Sumner and wife and daughter, and Messrs. J. B. Nail and D. W. Ellison, were at town the first of the week.

J. N. Moore and Johnnie Wilson, each carried a bale of cotton to town first of the week.

Billie McChristian from near New Home, was at the store Tuesday.

Mr. Cane has bought the J. B. Nail crop. He will move there the first of the month.

Mr. Berry Sooter was at the store Tuesday.

Grady Harrist carried two bales of cotton to town Monday afternoon.

Simon Stubbs was at the store Tuesday evening.

Mr. S. L. Williams from Lakeview, was at the store last Wednesday.

T. J. Davis carried a bale of cotton to Lubbock Wednesday morning.

P. P. Posey carried a bale of cotton to Slaton last Wednesday.

Mr. W. D. Arnett and wife and baby went to Amarillo the latter part of the week.

Lee Jarvis was at the store Wednesday afternoon.

A Baptist Missionary from the Brownfield, Slaton, and other communities, will preach at the Slide school house the 9th of November. Everybody is invited to come and bring someone with you to hear the new missionary preacher.

Donna Millsap spent a few days first of the week at C. E. Moreman's.

Mr. Clyde Gibson was at the store Thursday.

Mr. C. E. Moreman was down in the New Home community Thursday morning.

Mr. Verdie Ater and wife, from Lakeview passed through the community Friday enroute to town.

Mr. Todd and boys from New Home were at the store Friday.

Mr. J. B. Nail came home Thursday after staying a few days at Lubbock with his brother, Mr. Monroe Nail.

Mr. Jim Izard from New Home, passed by Friday going to Lubbock.

J. W. Moore carried a bale of cotton to town Friday.

Mrs. J. J. Carr from New Home, was at the store Friday.

Mrs. Jim Mabray and son, John, motored to town Friday afternoon.

W. B. Copeland and Lonnie Williams were in the Lakeview and New Home communities Friday afternoon.

Mrs. J. O. Gresham kept store for R. J. Murphy Monday.

Mr. W. H. Arnett received a telegram Monday morning stating that Mr. Arnett's grandmother had died.

J. H. Reiger and wife visited their

Letter No. One

Why do men need more Life Insurance today than they did three years ago?

Because it costs more to live, and if YOU want your wife and babies to have as many good things to eat when you are GONE, as while you are here, then you had better increase your Life Insurance.

HOW MUCH SHALL I TAKE? Well, you had better double or triple.

Just go to the Grocery Store and ask the price of Flour, Sugar, Coffee, Bacon, Hams, Dried Fruits, Apples, Oranges, Butter and Eggs, and you will KNOW why you need more Life Insurance.

Also call at the Dry Goods store and ask for a pair of Silk hose for the fifteen year old daughter. Before returning to your home, enquire of the Undertaker what a first class outfit for you, will cost the Widow you leave.

The purchasing power of ONE-DOLLAR is less than FORTY-FIVE CENTS now as compared with three years ago.

Why will sincere, honest, thinking men refuse to act while they can?

Kansas City Life Insurance Company

W. C. RYLANDER is District Manager

Lubbock, Texas

COTTON

The great cotton crop of the Plains is ready for the markets of the World.

This institution is ready, also, to the full limit of its resources to assist the farmers of this community on any of their marketing problems during the busy days that are before us all.

Any assistance we may have rendered to you in the past has been cheerfully extended as an expression of our unbounded faith in you and in the wealth-producing farms of our community; and, now that you are about to be rewarded for your months of toil, and your cotton money is beginning to come in, we shall take it as evidence of your appreciation of the assistance we have given if you will place your deposits with us.

Your success is our success.

Let's co-operate with each other.

The Citizens Nat'l Bank

LUBBOCK, TEXAS

son, C. L. Reiger, Monday.

My, how nice the sun does look after so much rain.

Mrs. DePriest, of New Home, was shopping at Slide Monday.

Mr. R. M. Foster is on the sick list this week.

Mrs. R. M. Foster happened to a very painful accident Saturday while trying to crank her jitney the crank flew back and hit her arm breaking one bone.

The pie supper at Slide Saturday night was well attended and a good amount of cash was received. The money went to help furnish the parsonage at Wilson.

Joe Bailey Reiger visited at Slaton Friday.

C. L. Reiger has purchased himself a new Ford.

My, my, the people of Slide feel sort of elevated since we have a nice new Dodge truck to carry the mail from Lubbock to Brownfield.

The Magnolia car was out at Slide Monday.

Jack White of the Lakeview community was shopping at Slide Thursday.

W. B. Copeland and family, and R. W. Harrist all went to Grassland Sunday to attend Methodist conference.

J. O. Gresham and wife spent Saturday night and Sunday with Verdie Ater and wife.

C. E. Moreman and wife took dinner with Mrs. M. L. Williams Sunday.

Pen Posey and family spent Sunday at the home of J. B. Nail.

Miss Wonna and Villa and Leonard Davis, all attended Sunday school at New Home Sunday.

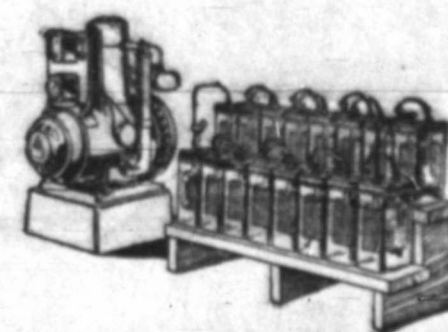

I now have a partner, who is a highly qualified drugless practitioner, which will give me more time to devote to each of my patients. We are in rooms seven and eight, Burrus Bldg. We have a car for all calls, day or night. Phone 540. Dr. M. T. Council, Chiropractic Masseuse.

(191)

Jackson Brothers recently sold their one hundred and sixty acre farm out three miles southwest of town to Chas. S. Inman for a consideration of \$10,000.00.

Clint Rambo, tax assessor of Terry county, accompanied by his wife, came to our city the first of the week. We are informed that Mr. Rambo will receive treatment in a local sanitarium for a few days.

AGENT LUBBOCK, TEXAS

MOLINE PLOW CO. KNOWS LUBBOCK'S A HUMMER

Lubbock Chamber of Commerce, Lubbock, Texas.

Gentlemen: Your letter of October 23rd, taking up with us the matter of locating a branch house at your point is the first we have heard of it and we do not know how it could be possible that any such report could get out, because there is absolutely nothing to it.

We did figure with a party or two about going into business at Lubbock, but have never figured on opening up a branch house out there.

We are in receipt today of four other letters covering the same subject from your town, and to say the least of it, you certainly have a live bunch out there and we just want to place our OK on your full and complete enthusiasm regarding such matter. With this spirit existing we do not see anything else but a good, big town out of Lubbock, Texas.

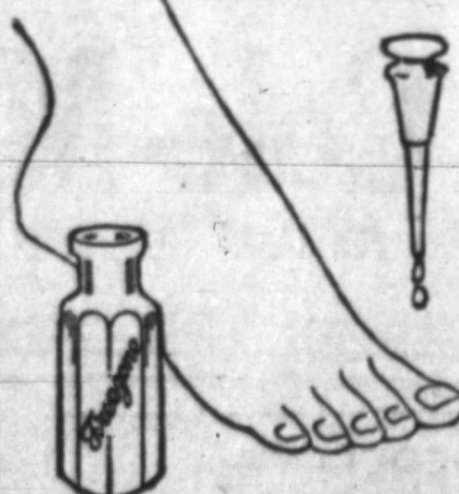

We are sorry that you have been misled regarding our opening a branch house at that point.

Yours truly, Texas Moline Plow Company, By C. B. Marsby, Manager.

The Quinine That Does Not Affect the Head because of its tonic and laxative effect. LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause drowsiness nor tingling in head. Remember the full name and look for the signature of E. W. GROVE, Inc.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Frezzone on an aching corn, instantly that corn stops hurting, then you lift it right off. Yes, magic! A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.

BETTER BUY COAL NOW

There is every indication that there will be a great scarcity of coal before the winter is well begun. Better buy now what you will need for winter use. We have plenty of Grain, Salt, Hay and Feed Stuffs for sale. See us about grinding your feed.

Renown Canned Corn

Finest Product of the Maine Fields
where the Best Food Corn Grows

All Renown products represent the best to be had, but none more so than Renown Canned Corn. All varieties of Renown Corn come from Maine, for the soil and climate of that far northern state produce—by long odds—the most delightful sweet corn in the world.

Three Varieties—Equally Good

There are three varieties of Renown Canned Corn, all of them equally pleasing in quality and flavor. Renown Maine Sweet Corn, with all the flavor of fresh roasting ears, is the white corn of the group. Golden Bantam Corn, sweet as honey, distinctive in flavor, fresh and tender always, is the golden corn of the trio. Fritter Corn, the granulated extract of Maine Sweet Corn, is the third. This is a new Renown product, one destined for great popularity.

Boren-Stewart Company

NOTICE OF ELECTION.

Pursuant to an Order of the City Commission of the City of Lubbock, Texas, it is ordered that an election be held within said city of Lubbock, on the 1st day of December, 1919, at the Office of the City Secretary of the City of Lubbock, Texas within the usual hours, to determine whether or not bonds of the said City in the sum of One Hundred Thousand (\$100,000.00) dollars shall be issued, for the purpose of paving and permanently improving of streets within the said City of Lubbock; said bonds to be in denominations of One Thousand dollars each, to bear interest from date of issuance at the rate of not exceeding 6 per cent per annum, payable semi-annually on the First day of each December and First day of each June thereafter until such bonds have been retired, and if, at such election, it shall be determined by a majority vote of the properly qualified property tax paying voters voting at such election that such Bonds shall be issued, that it shall be the duty of the City Commission of the City of Lubbock, Texas, to levy a tax sufficient to meet the interest, as it accrues upon such bonds, and to provide a sinking fund to retire such bonds at their maturity; said bonds shall be payable at Forty (40) years from their date, with the option of the City to retire all or any part of such issue at any interest paying time ten years after issuance, upon giving sixty (60) days notice at the places of payment of such bonds of intention so to take up, and J. D. Wood, L. H. W. Terry, and H. K. Porter, are hereby appointed as Judges, and are hereby appointed as clerks of such election; and those favoring the issuance of such Bonds shall have written or printed upon their ballot, the words "For the issuance of \$100,000.00 paving Bonds and levy of tax to meet interest and sinking fund," and those opposing the issuance of such Bonds shall have written or printed upon their ballots, the words "Against the issuance of \$100,000.00 paving Bonds and levy of Tax to meet interest and sinking fund."

And I, C. E. Parks, as Mayor of the said City of Lubbock, Texas, hereby direct that Notice of said Election be published for thirty (30) days immediately preceding the same in some newspaper published in the English language within said city, and has been so published for more than one year preceding the date of the first publication hereof, and also by posting up written or printed notice thereof at three (3) public places within this city.

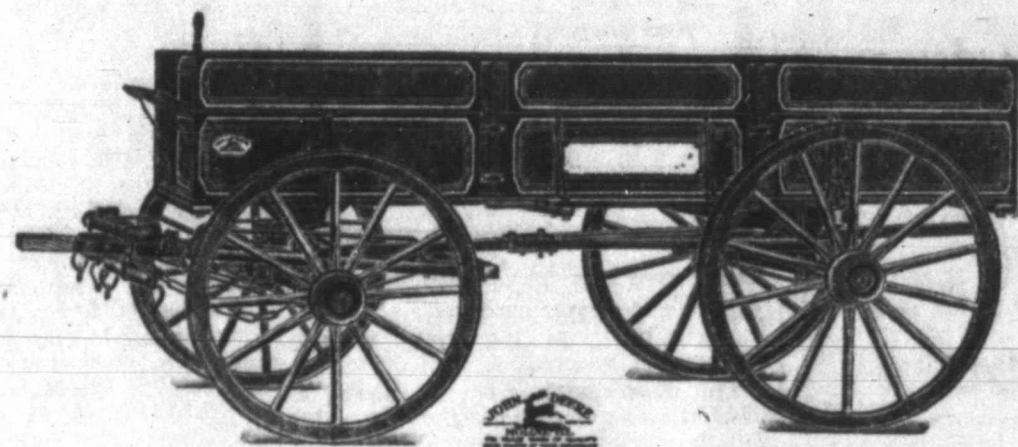

In Testimony Whereof, I have caused these presents to be attested by the City Secretary of the City of Lubbock, Texas, and the Corporate Seal thereof, this 28th day of October, A. D. 1919.

C. E. PARKS, Mayor,
City of Lubbock, Texas.
Attest: J. R. GERMANY, City Secy.
(Seal) City of Lubbock, Tex.

The following resolution was introduced, and upon motion, was duly passed:

IT IS ORDERED that an election be held whereat the property tax paying voters of the City of Lubbock, Texas, may determine whether or not bonds in the sum of Fifteen Thousand (\$15,000.00) Dollars shall be issued for the purpose of improving, repairing and extending the light and power plant of this city, said bonds to be in denominations of One Thousand (\$1,000.00) Dollars each, and shall bear interest from date of issuance at the rate of six per cent per annum, interest payable semi-annually on the first days of January and July of each year thereafter, payable at forty (40) years from their date, with option of the city to retire any or all of such bonds at any interest paying date after ten years from date of issuance, and if said vote be in favor of the issuance of such bonds, a tax will be levied sufficient to meet the interest accruing thereon, and to retire such bonds at their maturity; said election to be held on the First day of December, 1919, at the office of the City Secretary of the City of Lubbock, Texas, in the said City of Lubbock; J. D. Wood, L. H. W. Terry, and H. K. Porter are hereby appointed to hold such election. Those

desiring to vote in favor of the issuance of such bonds shall have written or printed on their ballots the words "For the issuance of \$15,000.00 light and power bonds," and those desiring to vote against the issuance of such bonds shall have written or printed on their ballots the words "Against the issuance of \$15,000.00 light and power bonds."

The Mayor of this City is directed to give the proper notices of this election by having a properly certified copy of this resolution published in some newspaper as is required by law, and posting up legal notices of such election.

THE STATE OF TEXAS.

City and County of Lubbock.

We, C. E. Parks, as Mayor, and J. R. Germany, as City Secretary, do hereby certify that the above and foregoing is a true and correct copy of the Resolution passed by the City Commission of the City of Lubbock, Texas, October 28, 1919, relative to order for an election to determine if light and power bonds in the sum of \$15,000.00 shall be issued by this City.

In Testimony Whereof, Witness our official signatures, attested by the Seal of said City, this October 29th, 1919.

C. E. PARKS, Mayor,
City of Lubbock, Texas.
J. R. GERMANY, Secy.,
(Seal) City of Lubbock, Texas.

The following resolution was introduced, and upon motion, was passed:

IT IS ORDERED that a proposition be submitted to the properly qualified property tax paying voters of the City of Lubbock, Texas, at an election to be held at the office of the City Secretary of the City of Lubbock, Texas, on the 1st day of December, 1919, to determine whether or not bonds of this City shall be issued in the sum of Ten Thousand (\$10,000.00) dollars for the purpose of repairing, rebuilding and extending the waterworks system of this City, said bonds to be in denominations of One Thousand (\$1,000.00) dollars each, to bear six per cent interest payable semi-annually on January 1st and July 1st of each year, due and payable at forty (40) years from date of issuance, with the right of the City to take up and retire any or all of said issue at any interest paying date after ten years from date of issue if a majority vote in favor of the issuance of such bonds,

a tax will be levied to pay the accruing interest and create a sinking fund to retire such bonds at their maturity. J. D. Wood, L. H. W. Terry and H. K. Porter are hereby appointed to hold said election, which shall be held conformable to the laws of the State of Texas. Those desiring to vote in favor of the issuance of said bonds shall have written or printed upon their ballots the words "For the issuance of \$10,000.00 water system bonds," and those desiring to vote against the issuance of such bonds shall have written or printed upon their ballots the words "Against the issuance of \$10,000.00 water system bonds."

The Mayor of this City is directed to make and publish the proper notices of such election, in conformity to the laws of this State, by publishing and by posting up copies of this resolution.

THE STATE OF TEXAS.

City and County of Lubbock.

We, C. E. Parks, as Mayor, and J. R. Germany as City Secretary, do hereby certify that the above and foregoing is a true and correct copy of the Resolution passed by the City Commission of the City of Lubbock, Texas, October 28, 1919, relative to order for an election to determine if water system bonds in the sum of \$10,000.00 shall be issued by this City.

In Testimony Whereof, Witness our official signatures, attested by the Seal of said City, this October 29th, 1919.

C. E. PARKS, Mayor,
City of Lubbock, Texas.
J. R. GERMANY, Secy.,
(Seal) City of Lubbock, Texas.

The following resolution was introduced, and was ordered adopted.

RESOLVED that Section 30 of Article IX of the Charter adopted at the election held in this city on the 27th day of December, 1917, by the voters thereof, be so amended as to hereafter read:

Section 30.—The Mayor shall give an official bond in the sum of Five Thousand (\$5,000.00) Dollars, and each commissioner shall give an official bond in the sum of Twenty-five hundred (\$2,500.00) dollars, and the person exercising the duties of City Tax Collector shall give an official bond in the sum of Ten thousand (\$10,000.00) dollars, and the City Secretary shall give an official bond in such sum as the commission may, from time to time, prescribe. All

bonds referred to in this charter shall be made payable to the City of Lubbock, Texas, and shall, in each instance, be conditioned for the faithful discharge of the duties of such office or employee, and for the faithful accounting of all moneys and things of value coming into the hands of such officer or employee. All such bonds shall be procured from some regularly accredited surety company, authorized to do business under the laws of the State of Texas, and the premiums therefor shall be paid by the City of Lubbock; provided, that the commission may require official bonds from any other appointive officer or employee of the City in such amounts and conditions as they deem best for the efficiency of the public service. All official bonds shall be approved by the Commission and filed and recorded with the person exercising the duties of City Secretary.

And an election is hereby ordered to be held at the office of the City Secretary in the City of Lubbock on the 1st day of December, 1919, wherein the properly qualified voters may determine if such proposed amended Section shall be adopted; those desiring to vote in favor of such amendment, shall have written or printed on their ballots, the words "For the amendment to Sec. 30 Art. IX of the City Charter regarding official bonds," and those opposing such amendment shall have written or printed on their ballots, the words "Against the amendment to Sec. 30 Art. IX of the City Charter regarding official bonds." J. D. Wood, L. H. W. Terry and H. K. Porter are hereby appointed to hold such election. And the Mayor shall give the statutory notices thereof, by publishing a copy of this resolution as provided by law.

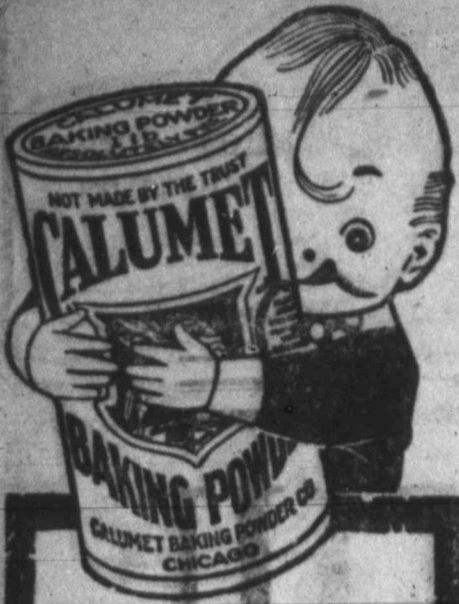

THE STATE OF TEXAS.

County and City of Lubbock.

We, C. E. Parks, as Mayor, and J. R. Germany as City Secretary, do hereby certify that the foregoing is a true and correct copy of the resolution duly passed by the City Commission of the City of Lubbock, Texas, relative to amendment of Art. IX Section 30 of the City Charter.

Witness our hands and the official seal of the City of Lubbock, Texas, this October 29, 1919.
C. E. PARKS, Mayor,
City of Lubbock, Texas.
J. R. GERMANY, Secy.

Well "Armed"!

When company comes there is no time to waste—no chances to be taken—so mother sees that there is always a can of

CALUMET BAKING POWDER

on hand. Cakes, pies, doughnuts, muffins and all good things to eat must be dressed up in their best taste and looks.

Then, too, her reputation as a cook must be upheld—and she "stakes" it on Calumet every time. She knows it will not disappoint her.

Order a can and have the "company" kind of bakings every day.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

You save when you buy it. You save when you use it.

HIGHEST QUALITY AWARDS

CATTLE SALES AND DELIVERIES MADE THIS WEEK

The commission firm of Barr & Middleton report the following sales and deliveries made this week: Shipped from Tiaban, N. M., 800 head of steer calves bought for J. B. Chilton, of Comanche, Texas, and shipped to his ranch near Lamesa this week; 150 steer yearlings received for S. C. Arnett of this city and shipped here this week. 150 head received for W. E. Dickinson Sr., and shipped from Tiaban to his ranch near Searaves, Delivered to Chas. Donald of Hereford, two thousand calves bought in this country.

CAMPAIGN INAUGURATED AGAINST COTTON PESTS

College Station, Texas, Oct. 31.—The ravages of insect pests in the cotton fields and the consequent loss has been an expensive lesson to the Texas cotton farmer. It would be futile to attempt to express the extent of the damage in monetary terms, but it is a safe prediction that much more consideration will be given preventive measures in the future.

Through the medium of publications and the efforts of specialists and county agents much information has been distributed on this subject during the past few years, while the co-operating newspapers of the State have rendered every possible assistance. At a meeting of the District Agents and Specialists called by T. O. Walton, Director Extension Service A. and M. College of Texas, for the consideration of farm problems, it was disclosed by reports from every section of the country where season permitted and proper precautionary methods had been carefully observed that from one-fourth to one-half bale to the acre would be made, whereas, in neighboring fields where such precautions had been neglected or improperly observed the yield was practically nothing.

In discussing this matter Mr. T. O. Walton said that after consultation with W. B. Lanham, Assistant Director in Charge of Specialists, M. T. Payne, State Agent in Charge of Demonstration work, and A. P. Swallow, Entomologist, it has been decided that since cotton is the largest and most extensive crop in Texas that the work of the entomology department should be devoted in a large part to cotton insects during the coming year. In carrying out this work it has been decided to start at the base of insect control measures by inaugurating a State-wide fall clean-up campaign. It is estimated that nearly two million boll weevils are produced by one pair of boll weevils from early spring until October 1st. This fact indicates the necessity of destroying all hibernating weevils possible. This clean-up campaign has been started through the community councils and through farmers interested in insect control measures. We feel that a county-wide demonstration of this kind will not only show great results in the reduction of insect pests during the coming year, but will also increase the yield considerably and permit the farmers of the community to see for themselves the results of such demonstrations when properly conducted, and learn something of the difference in results as contrasted with methods practiced in a careless slipshod manner. In fact the success of any method depends upon its correct application. The measures recommended as fall insect control methods are practically the same as those demanded by good farming, such as fall plowing, destruction of the remnants of old crops, cleaning fence rows and corners, destruction of weeds, etc.

It has also been considered advisable to establish demonstrations in dusting for the boll weevil. This work will be carried on under the direction of A. P. Swallow, Extension Entomologist, in the same manner it has been conducted in Mississippi, Louisiana and Texas. Ten counties have been chosen with one demonstrator in each county, who must be a farmer raising a pure strain of cotton, who will furnish the

SOUTH IS TURNING AGAINST CALOMEL

Mr. Dodson, the "Liver Tone" Man, responsible for Change for the Better

Every druggist in town has noticed a great falling off in the sale of calomel. They all give the same reason—Dodson's Liver-Tone is taking its place.

"Calomel is dangerous and people know it." Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much but if it fails to give easy relief in every case of liver sluggishness and constipation, just ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day.

When You Think of Hot Blast You Think of COLE'S

It was Cole's who twenty years ago invented the now famous system of Hot Blast Combustion.

It was Cole's who coined the words—Hot Blast and the words—Air Tight.

It is Cole's who have built up a world wide reputation for fuel saving (actually amounting to thousands of tons of fuel yearly).

It is Cole's who are willing and anxious to put their solid reputation behind a guarantee for positive fuel saving.

It is Cole's who are offering you this beautiful Down Draft Range with the same Air Tight and Hot Blast principles of construction that are found in Cole's Air Tight and in Cole's Hot Blast Heater, coupled with an oven construction, warming closet construction and choice of materials and design, superior workmanship, and finish such as are found in no other moderate priced range.

Remember—when you think of Hot Blast, you think of Cole's. When you think of Cole's, you know that that is the stove you want. Also when you think of Hot Blast and Cole's, think of us.

We have this Cole's Down Draft Range

Have You the Borrowing Habit?

Of course, your good neighbor don't object to loaning you a bowl of sugar, a cup of lard or a "makin's" of coffee in a pinch; but when it comes to the good hammer and saw, the chisel or step ladder, the hose and lawn mower, the tack puller or the target rifle; well, to say the least it's apt to get tiresome.

Now our store offers almost a sure cure for this borrowing habit.

necessary machines and poison as well as keep the required records on the demonstration. Up to the present time it has not been deemed advisable for the Service to encourage work of this kind until the U. S. Department of Agriculture and the Experiment Stations have proved the possibility of success under Texas conditions. This has been clearly demonstrated and we are now able to give the farmers the benefit of this information. In addition to these projects this service has reserved forty per cent of the time of the specialist to be devoted to emergency work and we hope to be able to render a great deal of assistance this year should the emergency arise.

S. H. BARKER INJURED AT GIN WEDNESDAY

S. H. Barker, a farmer who lives a few miles east of this city suffered a very painful accident Wednesday afternoon and narrowly escaped death when he was caught between the rafters of a shed at one of our gins and his wagon. There was a big crowd at the gin and Mr. Barker was told to drive under the shed. The wagon had a high load on it and Mr. Barker stooped to miss the rafters as he drove under, but when the wagon struck higher ground it caught him and threw him against the wagon seat and broke two ribs. Mr. Barker had his neck caught and only by a providential drop of the wagon helped him to pull loose.

Mrs. M. V. Brownfield is here this week attending the bedside of her sister, Mrs. C. R. Hubble, of Terry county, who underwent an operation in a local sanitarium Wednesday. Mrs. Hubble's husband is here also.

Mrs. J. R. McPike, of Ralls, underwent an operation in a local sanitarium Tuesday.

Miss Pearl Powers, of Lorenzo, was here Monday shopping and visiting with friends.

Mr. and Mrs. R. K. Howard and baby are visiting with acquaintances in Farwell and Texico this week.

E. O. Welch, of Lockney, is receiving treatment in a local sanitarium this week. Mr. Welch will probably undergo an operation.

H. G. Brown, of Slaton, is in a local sanitarium receiving medical treatment and may undergo an operation this week.

George Green, of the Mallet ranch was here one or two days this week attending to business matters and visiting with relatives.

Miss Jewel Nichols of Brownfield, passed through here Tuesday enroute to Comanche, where she will visit with her father for some time.

The Attorney General has ruled that a majority of votes cast for the amendments voted on last Tuesday is sufficient to carry them, regardless of the light vote cast as compared with previous elections.

Noah Bell, of Terry county, was in town Wednesday trading and transacting business matters.

Messrs. S. A. Feavy, H. V. Elkington and L. O. Nell, of Slaton, were here one day this week transacting business.

Lane Barton, of Seminole, brought two of his children, Mildred and Avery to a local sanitarium this week for operations.

Such a Change

in feelings and looks! "After suffering pain, feeling nervous, dizzy, weak and dragged down by weaknesses of my sex—my eyes sunken, black circles and pale cheeks—I was restored to health by the Favorite Prescription of Dr. Pierce." So write many women. Changed too in looks, for after taking Dr. Pierce's Favorite Prescription the skin becomes clear, the eyes brighter, the cheeks plump.

Druggists sell it in tablets or liquid. It's a woman's best temperance tonic, made from wild roots.

WHISTLER, ALA.—"I was bothered with headache and headache and was not able to do my work until I tried Dr. Pierce's Favorite Prescription, and I can say I am now able to do all my work, such as cooking, washing and ironing, and even cutting wood, where before I used this medicine I was almost an invalid and did not care whether I lived or died."—MRS. ELIZABETH CANOVAS, Carr Street.

LOCAL ITEMS FROM THE CARLISLE COMMUNITY

We are having some real pretty weather the last few days and every body is busy picking cotton.

Mr. and Mrs. Randolph and Mrs. Dean were in town shopping Saturday.

Miss Dora Casey came out home and spent Saturday night and Sunday.

Misses Jewel Dalley, Stella and Osie Guthrie, were in town Wednesday shopping.

Miss Artie Bond took supper with Miss Susie Moore Sunday night.

Mrs. Guinn and daughters, Misses Georgia and Jewel were in town Saturday.

Rev. D. C. Ross preached his last sermon here Sunday, this being the end of the conference year.

Velma Dalley spent Sunday with Ellouise Jones.

Miss Bettie Spence, Messrs. Craig Bond and Hurschel McDuffee, took supper with Miss Ettie Heffington Sunday.

Mrs. Essie Brown was in town Saturday.

Jim and Clara Moore spent Sunday at their father's, J. B. Moore.

Mr. Sol Rollins spent Sunday with Matt and Oather Moore.

There was singing at Mr. Dalley's Sunday night. There was a large crowd and good singing.

Mr. Clayton has moved back to town. We regret to see them leave the community.

C. W. Mallard returned the latter part of this week from attending the Confederate Reunion and reports a great time.

GETTING ON THE MAIN LINE FOR FUTURE BUSINESS

The Conner-Mathes Battery Co. of this city is opening another house in Lockney—this giving them three stations as they have houses here and at Lubbock. They have the Willard battery, and may open stations at other points on the Plains.

McClusson-Armstrong Rubber Co. of Plainview are opening a tire and vulcanizing business at Lubbock, with Jewell Patton as manager. They will carry a big stock of tires and accessories and maintain a service station.—Plainview News.

These gentlemen no doubt want to get on the main line and build up a trade where there is a sure enough railroad center. Lubbock is recognized by all to have the best railroad outlets of any South Plains city, and people are seeing more and more every day that Lubbock is the coming city of the South Plains.

IMPORTANT MEETING OF WOODMEN OF THE WORLD

There will be held at the Woodmen of the World hall next Monday night at 7:30 o'clock, and the report of the representative who attended the Woodman meeting at Dallas will be read. The new rate questions will be discussed, and will be of much interest to every Woodman. A large attendance is hoped for, and it will be very much to your interest to attend.

If you need a loan on your farm see Spikes and Lewis. They are prepared to make you a loan at current rates without any extra charges. You will receive every dollar for which you give your note. See their ad in this issue. 191

Mr. and Mrs. G. F. J. Stephens have for their guests this week Mrs. Stephens' uncle and aunt, Mr. and Mrs. J. M. Benison, of Conway, Ark. Mr. and Mrs. Benison will probably remain here two weeks or longer.

Thomas E. Lokey has recently resigned his position with the Rix Furniture and Undertaking Co. of this city. Mr. Lokey will leave the latter part of this week for El Paso where he will visit a few days.

HAIR FALLING? HERE IS WHERE IT SHOWS

Don't worry! Let "Danderine" save your hair and double its beauty

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Your hair will grow strong, thick and long and appear soft, glossy and twice as beautiful and abundant. Try it!

SIFTING THE MARKETS

CAPT. HOMER T. MERRILL RETURNS FROM SERVICE

Capt. Homer T. Merrill, youngest son of Mr. and Mrs. M. E. Merrill of this city, arrived here the first of this week, after receiving an honorable discharge from government service.

Capt. Merrill organized Company C of the 142nd Infantry and left our city as commander of this company in September, 1917. After reaching Camp Bowie, where he remained in charge of this company for a short time, he temporarily held the office of Summary Court officer, for Co. C. Later he was transferred to the cavalry, where he remained for some time or until he was transferred to the aviation section. Here Captain Merrill received training as a flyer. After remaining in this service a while he was stationed in old Mexico as a government officer.

Captain Merrill says "he is glad to be back into civilian life."

LUBBOCK COUNTY SINGING CONVENTION AT BLEDSOE

The Lubbock County Singing Convention will meet at Bledsoe school house the fifth Sunday in November, 1919. Everybody invited to come and bring a well filled basket. We invite all classes to be with us that day, and we especially invite the classes from the adjoining county. Remember the date, November 30, 1919. Secretary.

COTTON CLASSING BUSINESS HAS GAINED 100 PER CENT

The best estimates obtainable at this time is that for every day this week, between one hundred and forty, and two hundred bales have been ginned and marketed in our city. Cotton prices are steadily rising; middling selling at 40 and a few points above on the average this week.

Since the past few days of dry cool weather the cotton has opened and the grade is improving. More than one thousand bales or nearly fifteen hundred bales have been classed by the Government Cotton Classifier. Nearly every mail is now bringing samples from towns in adjoining counties to the Classifier, among those being, Floydada, Crosbyton, Lamesa, Brownfield and many more. Farmers of Abernathy are sending many samples in and receive this service.

The classing business has gained 100 per cent over the past few

Rix Furniture & Undertaking Company

While the above name is new to some of the people living in this section, this firm is composed of a family that has been living in this part of the country for over thirty years. This business was started fifteen years ago in Big Spring, the first building occupied being a small wooden shack 20x40. Today it consists of two modern stores located in Big Spring and Lubbock. The Big Spring store covers 13,500 square feet while the Lubbock store occupies the new Jones building of over 6,500 square feet. Their warehouse facilities gives them an additional 15,000 or a total of over 35,000 square feet of floor space.

While the business is incorporated, it is still a family affair—consisting of three brothers, H. L., W. W. and J. A. Rix, the father, B. C. and sister, Ruth Rix. H. L., the oldest of the brothers, started the business. All he had at the beginning was nearly ten years experience as a clerk in a mercantile business and plenty of nerve. His total assets were \$1000 in borrowed money. Today the capital and surplus of the company amount to \$60,000. As the business grew, other members of the family were taken in. H. L. Rix manages the Big Spring store and J. A. Rix is in charge of the Lubbock business. In every successful business there must be a financier and that place in this concern is filled by W. W. Rix. His experience was gained in fifteen years service with the First National Bank of Big Spring.

While the success of this concern can be attributed to team work, (each member of the firm doing the work for which he was best fitted), a great deal of credit is due to the personality of the founder, Harvey L. Rix. It is an easy matter to find people all over the Plains who, when the name Rix is mentioned, will say "Any kin to Harvey Rix. Sure I know him—bought all my furniture from him fifteen years ago."

The first year's business of this firm, which was formerly conducted under the name of H. L. Rix & Co., amounted to about \$15,000, all of the work being done by two people. The business this year will amount to approximately \$250,000—and there are now twenty people employed to handle this volume. There is one noticeable feature about their employees and that is their loyalty; in fact, it seems like one big family. One novel instance along this line is the fact that at one time five members of one family were employed by the Rix Company.

One of the principal features of this concern has been their idea of not confining their efforts to a single community. Long before the time of automobile trucks the country surrounding Big Spring was served with a wagon and team. "Dick and Coley" the faithful old black team, have made many a trip fifty and sixty miles delivering a piano, sewing machine or phonograph to some out of the way place. When autos became more popular, this firm was the first in this part of the country to take advantage of this method of serving their customers.

This concern has enjoyed the reputation of always doing its part towards building up the community in which it has done business. One noticeable feature along this line was when it was quite a task for the farmers to get their products to town. Quite a number of them had cream, eggs and chickens to dispose of, but had not means of bringing these things to a market. In order to relieve this situation, the Rix Company purchased an automobile truck and added a man to their payroll whose business was to make regular trips thru the country gathering up these products. All of this was handled at exact cost to the farmers. To ascertain whether or not this was appreciated, all that is necessary is to ask any of the Howard County farmers of those days.

With an institution doing as large a business as the Rix Company, it is necessary to turn some of the departments over to the employees, and it may be said that the employees of this concern are given every opportunity to show that they are capable of responsibilities, but there is one department that is always given the personal attention of the managers, and that is the undertaking end of the business. H. L. and J. A. Rix are both licensed embalmers, with years of experience, and they both feel that this is one part of the business that deserves their personal supervision. This department in the Lubbock store is said to be one of the most modern and best equipped institutions of this kind in Texas. The fact that they have nearly \$10,000 invested in hearses and ambulances goes to show that they believe in sparing no expense to give their customers the best service possible.

Some concerns are contented to take what comes to them in the way of business, never making an improvement of any kind in the way of store facilities or equipment. This is not true of the Rix Company, as it has been their policy since the establishment of their business to never be contented with what they have done in the past, but to be always striving to out-do their past record. During the past year this concern has sold goods in over twenty counties, this outside business being handled with a fleet of six automobile trucks. It may be said that their decision to establish a business in Lubbock is the direct result of securing business by this method. Their volume of business in the Plains country reached such a magnitude that it became essential to establish a base of operation in this part of the country. Their up-to-date store on Broadway is the result.

There is a motto hanging in the Lubbock office that tells the story of this progressive concern—it is a quotation from Edmond Burke that reads: "Applaud us when we run, console us when we fall, cheer us when we recover, but for God's sake, let us pass on."

The NEW EDISON

"The Phonograph with a Soul"

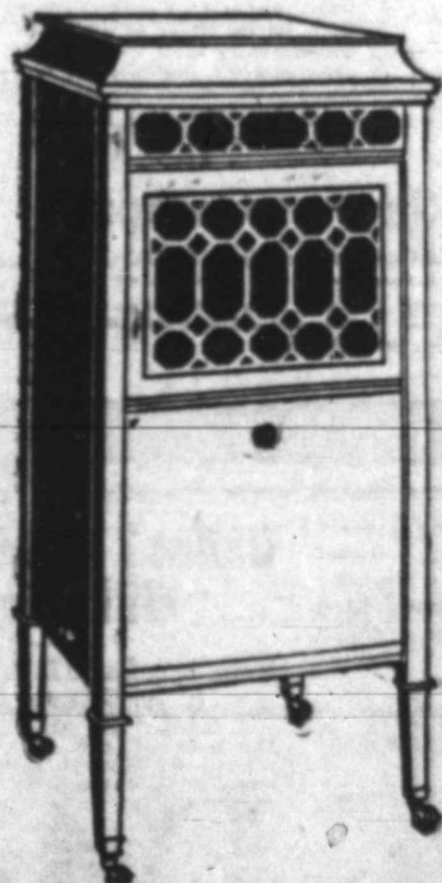

Why be satisfied with a machine that reproduces music in a cold, mechanical way when you can have an instrument that RE-CREATES music which cannot be distinguished from the original?

You can't tell the difference between the living artist and the New Edison—but don't take our word for it. Just send for the booklet "What the Critics Say"

—it proves that what we say is true. Here is a sample, "The car could not tell when it was listening to the phonograph alone, and to actual voice and reproduction together. Only the eye could discover the truth by noting when the singer's mouth was open or closed."

—New York Evening Mail.

No matter how skeptical you may be all doubt will be swept aside once you hear the marvelous New Edison at our store.

Mr. Groce and Mr. Bledsoe, E. S. Middleton, Messrs. Dr. Ponton and Midmen of the South Plains are of being fair-minded, L. C. ACT QUICKLY

Do the right thing at the right time.

Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective.

Plenty of evidence of their worth in this vicinity.

Mrs. J. G. Davis, Colorado, Texas, says: "I have used Doan's Kidney Pills off and on for several years, whenever I have needed them, and nothing has ever done me so much good. At times my back was weak and ached and I could hardly bend down or lift anything. My kidneys acted irregularly and I had dizzy spells. Doan's Kidney Pills have never failed to relieve me. They have helped me when other medicines have failed."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Elder Liff Sanders of Lockney was here the first of the week visiting with friends and attending to business interests.

Rub a sore throat with BAL-LARD'S SNOW LINIMENT. One or two applications will cure it completely. Sold by all Druggists.

FARMERS SEND TO LOUISIANA FOR COTTON PICKERS

Farmers of Lorenzo are contributing together and sending a man to points in Louisiana in search of cotton pickers. One man brought back twenty-five last week. The same man returned this week, however, from the Shreveport country with only five men. This man says that there are literally thousands of men out searching for help.

Lorenzo's school has been turned out for some time, but on account of bad weather the children have done very little. The time set for the opening of school is nearing and farmers are still rustling for help.

Mrs. S. H. Holgate of Brownfield, was here a short time one day this week visiting with acquaintances.

Mr. and Mrs. G. R. Ellis, of Lorenzo, were shopping visitors here the latter part of last week.

ASPIRIN FOR COLDS

MISS MAE MURFEE WRITES FROM WASHINGTON

The following letter, though of a personal nature, has been requested published for the benefit of Miss Murfee's many friends in this city. The letter was written to Mrs. J. B. Mobley under date of October 28th:

"I make haste to write you on this one of the most eventful days of my life. Last night I took part in the pageant given in honor of the King and Queen of Belgium and today it was my good fortune to be honored with a very special ticket entitling me to sit in the Senate and listen to the king address that great body and the queen was in the gallery with me and after this speaking was over we went over to the House of Representatives where, he spoke again. I certainly do honor these good people; after this we went down to the theatre and heard Geraldine Farrar, one of the world's greatest singers, and right now a great labor parade is going on right outside my window, while down town is the great flower show of the year given by the Agriculture Department. There are just so many things that I hardly get a minute to call my own, but I just had a letter from mama telling me that you had had an operation and I just had to write you this very day to tell you that I do hope you will soon be strong and well and that I wish you might be here to enjoy some of these wonderful things. I've seen so much, the great Peace Celebration, in which we took part on the Fourth of July, the Receiving of the Marines, so very wonderful. My! My! but I love our soldiers, the coming of our great President home from France and again we were in a pageant for him upon his arrival. Then we saw Gen. Pershing welcomed when he came home and the parade of the First Division—tell Mr. Mobley that I shall never forget the parade of the First Division as long as I live—everything else I've seen or heard fades into insignificance when I think of the faces of those wonderful men who endured so much for their country's sake. It was wonderful beyond description. So far as I know no other Texas girl has seen and heard so many things—I do not know of a one who heard the king today. It has been my good fortune too, to hear so many wonderful preachers and speeches. For instance, last Sunday I heard Gen. Booth, of Sal-

vation Army fame preach a wonderful sermon down at the church of the Epiphany. Every Sunday I hear one or two. The best preacher I have heard has been Campbell Morgan, of London, a Scotchman.

Well, I can't tell you dear friends how much I have heard, Chinese and Japanese and Senators by the dozens on the peace treaty and the League of Nations. If only you and mama could hear some of it. But now I must run to bed and get a little rest for it has certainly been an exciting day. I'm sure you'll never be able to read this letter on account of it.

Do get well and write me a nice long letter and don't forget that I'd love to have you enjoy it all with me for you have helped make me able to appreciate all of it.

With a heart full of love to both you and Mr. Mobley,
Lovingly,
MAE MURFEE.

LUBBOCK-TATUM DAILY MAIL UNDER NEW CONTRACTS

Under the new contract accepted by the Government and effective last Saturday or November the 1st, daily mail service between this place and Tatum, N. M., should serve the territory much better.

Under the old contracts, a line between Lubbock and Plains was maintained daily, that is, was supposed to have been. The carriers of the mail between this point and Plains received less than ten dollars per day for the entire year, or about \$2500. During the past two years or about, these men have failed miserably in giving the territory through which the line passed service. Many times the line was stopped on account of broken-down cars. The money received for the work did not compensate enough to keep the cars in running condition. Several times the contracts were sub-

mitted to other parties who in turn gave no better service than the original carriers. Bitter dissatisfaction by the citizens of the towns served on the line was resulted by the failure of the carriers. Sometimes weeks have passed without mail service to these towns. Telegrams and other communications by these towns have been forwarded to their Congressman, postal and railroad authorities, in an effort to have better service. These appeals have apparently had no effect on the service. The line was then changed, that is, two contracts were posted for bids. One being from this city to Brownfield, and the other from that city to Tatum, N. M. The contract from here to Brownfield was bid on by John Hall of that city and accepted at an average of \$16 per day or more than fifty per cent above the old contract from here to Plains, the exact figures being \$4992 per year. The contract from Brownfield was bid on by a man of Slaton at \$3750 per year. Thus the line from this point to Tatum is on a basis of twice the amount

HAD CHRONIC BRONCHITIS FOR TWENTY-SIX YEARS NOW WELL AND HAPPY THIS IS WORTH READING

The experience of Mr. E. J. Touppalik, 1458 Rose street, LaCrosse, Wisconsin, is chiefly remarkable on account of the length of time he was afflicted.

He writes: "I have been suffering with chronic bronchitis for twenty-six years and every winter I would catch cold and become so hoarse I could not speak for six or eight weeks. I could get only temporary relief.

"This winter I was taken with Grip and was in awful shape. A fellow workman advised me to take PE-RU-NA. By the time I had used three-fourths of a bottle, the hoarseness was gone, also that tired feeling. I am on my second bottle. Hereafter PE-RU-NA will be constantly in my house. It is the best medicine ever put up for the purpose."

For any disease due to catarrh or catarrhal conditions, PE-RU-NA is equally dependable. Coughs, colds, catarrh of the head, stomach trouble, constipation, rheumatism, pains in the back, side and loins, bloating, belching gas, indigestion, catarrh of the large and small intestines, are some of the troubles for which PE-RU-NA is especially recommended.

PE-RU-NA can be purchased anywhere in either tablet or liquid form.

formerly. Mr. Hall has put on a new Dodge Commercial car from here and will run a Ford only in cases where traffic is unusually heavy. He will move here this week to make his home.

THE WEATHER REPORT FOR MONTH OF OCTOBER

A Renown Corn For Every Use

Any well-stocked grocery can offer you a Renown Corn for every use. The three varieties under this famous brand—each good in its own way—will cover the dictates of any group of appetites. And by varying the three, you also have an opportunity to use a delicious, satisfying and economical food as often as you like.

Renown Maine Sweet Corn

is the white corn of the group. It has all the flavor of fresh roasting ears, wholesome and tender. For the ordinary uses of corn, with which every housewife is familiar, Renown Maine Sweet Corn has no equal.

Renown Fritter Corn

is the heart of Maine Sweet Corn, granulated, to be used especially in corn fritters, soups, hot cakes and the like. Fritter Corn is a new-comer to the ranks of Renown, but is due for great popularity. It has a delicate, pleasing flavor that appeals to everyone. On every can, too, is printed a number of recipes for its use.

Golden Bantam Corn

is a real epicurean delight. Honey-sweet, luscious grains, golden in color, fresh and tender, makes it a new kind of corn to the folks of the Southwest. It has its own distinctive flavor, one you'll like quite as well as white corn.

The undoubted quality of all Renown goods finds full expression in Renown Canned Corn, for the policy of the house of Boren-Stewart is to go after the best food products—no matter where they are found—is followed to the letter. Renown Canned Corn comes from Maine, as the best food corn grown in the world is found there.

Boren-Stewart Company

Home Office and Factories: Dallas.

Branches: McAllen, Texas; Fort Worth, Texas; Houston, Texas; San Antonio, Texas; El Paso, Texas; Lubbock, Texas; Amarillo, Texas; Dalhart, Texas; Big Spring, Texas; Slaton, Texas.

Callus? "Gets-It" Will Peel It Off!

Nothing on Earth Like Simple "Gets-It" for Corns or Calluses.

A callus, or thickened skin on the sole of the foot, which often makes walking a misery is of the same nature as a corn. "Gets-It"

Use "Gets-It" and Dance. Even with Corns removes it as easily as it does the toughest corns. By using a few drops of "Gets-It" on the callus, you will be able to peel it off with your fingers. In one complete piece just as you would a banana peel. It leaves the skin free and smooth as though you never had a callus. You need no more fussy plasters, sticky tape, "backpack" bandages, knives or scissors for corns or calluses. "Gets-It" is the national corn remover, the biggest on earth, used by millions. It never fails. You'll work, play and dance at ease in spite of corns. "Gets-It" the only safe, guaranteed, money-back corn-remover, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill.

Sold in Lubbock and recommended as the world's best corn remedy by LUBBOCK DRUG CO.

Martin's Bakery

**Security State Bank &
Trust Company**

Within the past fifteen years, the South Plains has undergone an unprecedented agricultural development. Large ranges that once were the home of unnumbered cattle have given place to smaller ranges, stocked with better herds. Farming has begun to be looked upon as the one leading industry and the South Plains section is promising to be the leader of West Texas.

Seeing the opportunity offered in this section for banking; financing of the new farmers and the smaller stockmen, and an interest in developing this section which offers unlimited opportunities, the Security State Bank and Trust Company was organized.

Probably no other man in West Texas has a better conception of the needs of farmers and stockmen than the president and organizer of the Security State Bank and Trust Company. Mr. Maedgen received an agricultural education at the A. & M. College of Texas and has had a number of years of experience in financing various lines of business and particularly the farmers and stockmen. The banker friends of Mr. Maedgen, knowing his qualifications have seen proper to make him a member of the Agricultural Committee of the Texas Bankers Association.

Mr. Maedgen has been in the banking business a number of years; commencing as one of the men who do the work. Here he learned the fundamentals of the banking business. This experience with that which Mr. Maedgen has had in the agricultural and stock lines, combines to make one of the most helpful men in this section of the country.

The Security State Bank and Trust Company was organized by Mr. Maedgen in 1917, or right in the middle of the worst drouth this section ever recorded. The perfection of the organization of this bank at the time has been hailed as a blessing to the stockmen and farmers of Lubbock County. Mr. Maedgen perfected this bank with the following officers and directors with him: J. O. Jones, vice-president; L. C. Ellis, cashier; Mr. Groce and Mr. Jackson, assistant cashiers; W. E. Bledsoe, E. P. Earhart and Chas. S. Middleton. Messrs. Jones, Bledsoe, Earhart, Dr. Ponton and Middleton are well known men of the South Plains who have the reputation of being fair-minded, progressive citizens. L. C. Ellis, started with the Security State Bank and Trust Company as assistant cashier and by steady application to the bank's interest was promoted only a few months ago to cashier. Mr. Ellis' friendly greeting to all customers or visitors has helped a great deal in giving to the Security State Bank and Trust Company a reputation of dealing as man-to-man with all. Messrs. Groce and Jackson, two young, promising men only entered this institution about four months ago; both having served in the army and come directly here to accept a position with this bank, are pleasant personalities, that too, is contributing to the good feeling the bank is creating and has created.

Here are the names of the stock-holders of the Security State Bank and Trust Company; they are all men who are helping in the development of this section, and men who are interested in the personal welfare of every citizen in the South Plains: J. O. Jones, Q. C. Couch, W. F. Bledsoe, W. H. Flynn, S. D. Stewart, A. R. Ponton, D. Karr, C. E. Maedgen, I. E. Barr, L. C. Ellis, J. L. Jackson, J. A. Hodges, C. L. Quillen, W. S. Wagner, J. H. Lynn, W. J. Seaton, E. P. Earhart, G. T. Crawford, B. W. Casey, J. H. Pettit, W. R. Adams, G. K. Watkins, Chas. Middleton, F. C. Oliver, Frank Ross, W. S. Brogdon, Mrs. Maude Whittington, Mrs. P. von Rosenberg, R. L. Johnson and W. G. Naim.

The Security State Bank is capitalized at \$100,000.00 and has 900 satisfied customers with approximately \$300,000.00 on deposit. This bank in its two years here has made nearly three thousand loans to farmers, stockmen and business men. It is a member of the Federal Reserve System and its deposits are protected by the State Guaranty Fund.

This bank invites the citizens of the South Plains to visit them and investigate their methods of dealing.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lubbock County, Greeting:
You are hereby commanded to summon Richard C. Lake and Thomas B. Tomb, composing the partnership of Lake, Tomb & Company, and the unknown heirs of said Richard C. Lake and Thomas B. Tomb; James Elkins, John M. Elkins, and Morris Brinn, and the unknown heirs of James Elkins and John M. Elkins and

Morris Brinn, by making a publication of this citation once each week, for four consecutive weeks, previous to the return date hereof, in some newspaper published in your county, if there be a newspaper therein published, but if not then in any newspaper published in the 72nd Judicial District; to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court house thereof in Lubbock on the 2nd Monday in December, A. D. 1919, same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said court on the 6th day of November, A. D. 1919, in a suit numbered on the docket of said court, No. 1281, wherein Philip P. Wise is plaintiff and Richard C. Lake and Thomas B. Tomb, composing the partnership firm of Lake, Tomb & Company, and

the unknown heirs of said Richard C. Lake and of Thomas B. Tomb; and James Elkins and John M. Elkins and Morris Brinn and the unknown heirs of said James Elkins, John M. Elkins and Morris Brinn, are defendants; the nature of plaintiffs demand being as follows:

Plaintiff alleges that on November 1st, 1919, he was lawfully seized and possessed of the title to Section 68, Certificate No. 661, H. E. & W. T. Railroad Company, 640 acres of land, in Block 20, located in Lubbock county, Texas, according to the original field notes thereof as recorded in Book 2, page 367 of the Lubbock County Surveyors Records; that on said date the defendants unlawfully entered into possession of said premises and ejected plaintiff therefrom and still withhold possession of said premises to plaintiffs damages in the sum of \$5000.00. Plaintiff prays for his damages, that he recover the title and possession from each and all of the defendants and that writ of restitution issue. Plaintiff also claims and asserts title to said land as described under the Three Year Statutes of Limitations as defined in Article 5672 Revised Civil Statutes of Texas; and also claims under the Five Year Statutes as defined in Article 5674, Revised Civil Statutes of Texas; and also claims and asserts title under the Ten Year Statutes of Limitation as defined in Article 5675 of the Revised Civil Statutes of Texas, claiming title under said statutes of limitation to all land as above re-

"The Store of the Plains"

Lubbock, Texas

To the Farmers of Lubbock County

If you have any notes coming due soon on your land upon which you are paying a high rate of interest, it would be well to call and see me in regard to a loan through the Federal Land Bank. These Government loans are called "Mortgages that never come due." You pay 5 1/2 per cent interest and 1 per cent on the principal each year, making a total of 6 1/2 per cent which automatically pays off your loan in 34 1/2 years time. Think what you could save and besides a Federal Loan on your land will increase its value. If you are a renter and contemplate buying a home we can help you secure it with a Federal Farm Loan.

For further information see me at the Citizens National Bank, Lubbock, Texas.

Write me what you have to sell or wish to buy.

Possibly you owe a few Vendor's lien notes on your land to individuals. Sometimes it is good plan to let a loan company carry them, and use your surplus cash in improving your farm or to buy another one. If you wish to buy land, or if you need a loan on your farm, call and see us. We guarantee you will get in either case what you pay for. Spikes and Lewis. 191
