LUBBOCK, LUBBOCK COUNTY, TEXAS, THURSDAY, JUNE 10, 1920

NUMBER 50

FARMERS NATIONAL BANK BOUGHT

BUSINESS OF THE BANK, ASSETS AND GOOD WILL IS BOUGHT BY THE SECURITY STATE BANK & TRUST CO.

TRANSFER MADE THURSDAY MORNING OF THIS WEEK

Building of the Farmers National Bank is Retained and Will Likely be Converted into a Mercantile Building. Officials of the Absorbed Bank Have Not Made Known Future Plans

The Security State Bank & Trust Company Wednesday evening of this week consummated a deal whereby the assets of the Farmers National Bank become the property of the Security State Bank & Trust Company. As their announcement of the transaction appears in another part of this paper, the accounts after being verified by the customers of the Farmers National Bank will be handled by the Security State Bank & Trust Co.

The Farmers National Bank was organized with a capital stock of \$50,000 about three years ago. William M. Peck, capitalist of Concordia, Kansas, has been president of the bank since its organization and L. T. Martin active vice president. Mr. Martin attended to the business of this institution since its organization. Early last year Mrs. John J. Noone, niece of L. T. Martin and daughter of the bank's president, came here and since has been acting in the capacity of assistant cashier. During the summer last year, Mrs. Noone's husband returned from duty abroad with the army. While in the army Mr. Noone was commissioned a Captain and participated in some of the hottest battles of the Meuse-Argonne offensive. Directly upon entering Lubbock, Mr. Noone was elected to the position of cashier and has been acting in that capacity since. Mr. Noone has been active in organizing the local camp of the American Legion and has the honor of serving this Post in the capacity of Commander since its organization and has faithfully helped in making a great organization of the local Post. Mr. Martin has been active in all civic enterprises and has served as a member of the Board of Directors of the Lubbock Chamber of Commerce for three years. Mr. Peck, although not a resident of Lubbock, has boosted for Lubbock and the South Plains for several years and is a great believer in the future possibilities of this section. Mr. Peck is one of the men who believes that a railroad connection between Lubbock and Silverton would be one of the best sources of development of Lubbock and this territory.

The buyer of the Farmers National Bank, the Security State Bank & Trust Company, was organized a short time after the Farmers National Bank, with a capital stock of \$100,000. Its officers are C. E. Maedgen, who came here from Temple, and a man who has had years of experience in the banking business before coming here; J. O. Jones,

WHERE SHALL THE NEGROES BE LOCATED?

Quite a commotion was started among the white people, who own property in the southeast part of town, when it was learned this week that town lots were being bought in that part of the city by the colored people with a view to building homes thereon. This, of course, affects the price of property for many blocks around, and the white folks of that part of town who have homes there do not appreciate the location of the colored folks in that part. This will be the case in any part of town that the colored folks might be put, and we do not know just where to suggest that they be located. We understand that the colored folks prefer to be allowed to reside across the railroad track from town somewhere, and now is the time to decide this matter definitely, and if necessary the people of the town should contribute enough money to assist them in locating in some part of town that will be the most satisfactory to them and the public in general. There is not a portion of the town that we know of that they could be located in without depreciating the value of some property, and every fellow naturally wants it to be some one else's than his. However, the longer this matter is put off the harder the problem will be to solve, there should be some understanding arrived at so that the colored folks will know exactly what is expected of them. They are preparing to have churches and a school this fall and they are preparing to spend their money and they should know where they can spend it without the likelihood of being molested, enjoined, etc. This is a matter that the Chamber of Commerce and the City Commission might take up and even though legal actions are not necessary or permissible, they might at least act as a medium through which the matter can be brought to a mutual agreement, and the question settled. The colored folks are here and here to stay. They must have churches, schools and homes, and we should see to it that as long as they behave themselves, that they get the proper attention, and are dealt with fairly and in a friendly manner.

MR. AND MRS. JUDD CALLED TO BEDSIDE OF RELATIVE

A. Judd and wife left today for Cookeville, Tenn., in response to a message that Mrs. Judd's father was seriously ill with paralysis. Mr. and Mrs. Judd expect to be out of the city until September. Enroute home they will come by way of Wellington, Ill., and visit their son, Newt, a few days.

The keynote of the Chicago Republican convention seems to be "down with everything approved by Wilson."

Mrs. M. C. Benson and daughter, Miss Fice, will leave Monday for Mineral Wells, where they will visit with relatives and friends for several weeks.

Mrs. Dick Free of Plains, is spending a few weeks in Lubbock visiting with friends and acquaintances.

TEXT OF GOVERNOR'S OFFICIAL PROCLAMATION

Austin, Texas, June 7.—The text of Governor Hobby's proclamation, placing Galveston under martial law, follows:

"Whereas, The congestion in the movement of commerce through the port of Galveston is preventing the receipt of goods by Texas merchants and threatening the outward shipment of Texas crops, almost ready for market, and this condition has reached proportions affecting the business interests and material welfare of Texas and the property rights of citizens; and

"Whereas, This condition has heretofore caused acts of violence on citizens of the State, and there is now imminent danger of insurrection, tumult, riots and breach of the peace, and serious danger to the inhabitants and property of citizens in the territory hereafter described; and

"Whereas, Sec. 19 of Art. 1 of the Constitution of Texas provides in part that: No citizen of this State shall be deprived of life, liberty, or property except by the due course of the law of the land; and

"Whereas, Sec. 10 of Art. 4 of the Constitution charges the Governor with the faithful execution of the laws of the State; and

"Whereas, Sec. 7 of Art. 4 of the Constitution of the State declares the Governor shall call forth the militia to execute the laws of the State and suppress insurrections.

"Now, therefore, I, W. P. Hobby, Governor of Texas and commander in chief of the military forces of the State, do, by virtue of the authority vested in me under the Constitution and laws of this State, declare that the conditions above described are clearly violative of the Constitution and laws of this State, and that by reason of which the conditions contemplated in Art. 5892 of the Revised Civil Statutes of Texas, 1911, exists in the following described territory, to-wit:

"The city of Galveston, the port of Galveston and all water fronts and bays, including the causeway and Virginia Point of the mainland of Galveston, Pelican Island and such portions of Bolivar Peninsula as are situated in Galveston County, and all water fronts and bays adjacent thereto, and I do declare martial law in said territory, effective at 12 o'clock, 7th day of June, A. D. 1920; and I hereby direct Brigadier-General Jacob F. Wolters to assume supreme command of the situation in the territory affected, subject to orders of the Governor of Texas, the commander in chief of the military forces of this State, as given through the Adjutant General."

"In testimony whereof, I have hereunto signed my name and caused the seal of State to be hereunto affixed at my office at Austin, Texas, this 7th day of June, A. D. 1920, at 10:30 o'clock p. m.

"W. P. HOBBY,
Governor of Texas."

Governor Hobby gave out the following statement:

"I regret the necessity of sending troops to Galveston. The question is whether the best interest of the State shall be served or whether that interest shall be subordinated to a local controversy. Any issue with respect to labor organizations or open shop organizations is not involved, and I stand ready to protect either or both within the law, and so long as that protection is not incompatible with the public welfare. The channels of trade affecting the life of the business of the State and affecting the living conditions and the occupations of all the people must be kept open, and I shall exert the full limit of the State's power to accomplish that purpose. The supreme sovereignty of the State will be maintained at any cost. If commerce is not resumed now, and if freight is not moved without interruption, the responsibility will rest with the carriers. It will not be the fault of the State."

PARK COMMITTEE WILL BUILD BASEBALL PARK

The committee appointed by the Lubbock Chamber of Commerce to affix permanent improvements on the County Park grounds has assured the Elks Lodge that they will build a permanent ball park within the county park grounds. This decision of the park committee was made Wednesday night. Work will start immediately on the grounds and it is expected that by next week the local team will have an ideal place to perform. The Elks will build the grandstand and put other improvements on the park grounds. Plans were being made to build the ball park south of town and money was being secured with which to finance this project. However, after the offer was made by the park committee, it was decided upon to accept.

DAUGHTER OF MISSIONARY VISITING IN LUBBOCK

Miss Mabel Taylor of Waco, daughter of Mr. and Mrs. Z. C. Taylor of Corpus Christi, who lost their lives last year in the storm in that country arrived here recently and will spend the summer in Lubbock. Miss Taylor's father was a missionary 28 years in South America and had moved to Corpus Christi to retire. She is a cousin of Walter E. Taylor, local architect.

CHAS. MIDDLETON IS NOW PIERCE OIL AGENT

Chas. S. Middleton, well known commission dealer of Lubbock, and one of the pioneer residents of Lubbock, has recently accepted the position of agent in Lubbock for the Pierce Oil Company. Mr. Middleton took charge of this business the latter part of last week. R. K. Howard, former agent for this company will remain in Lubbock we are informed.

LUBBOCK DEFEATS PLAINVIEW BY SCORE OF 2 TO 1

Probably one of the fastest games ever staged on the South Plains was played Wednesday afternoon by Lubbock and Plainview. Those who attended this hotly contested game and who are acquainted with first class baseball, say that for amateurs, Wednesday's game leads.

Base ball fever is running high in Lubbock at the present time and for this reason there was a good crowd if not the best crowd out this year at Wednesday's game. Plainview's reputation for having the leading baseball team on the plains served to arouse more than usual interest. Plainview, as Lubbock fans can vouch, has reason to be proud of her team and it was only after ten innings of real baseball in which time one or more errors made by Plainview's team, that Lubbock got away with Wednesday's game. Lubbock's boys are just beginning to find out that they can play ball and are going at it with more confidence of winning. It was the confidence in their ability to handle the ball that went far in winning a good game.

Nothing can be said of the batteries for the two teams more than both did all that were in their power to win and went through the entire nine innings without an error marked against them. The pitchers for both sides threw each ball with intentions of the batter missing and the catchers wouldn't have erred for money. Real class infielding and outfielding was done. There was not enough clean hits made in Wednesday's game to speak of, yet the men displayed much ability in hitting the ball without control.

Plainview scored one in the 4th inning. Lubbock scored one in the 7th inning. Errors and good hitting put two men on bases for Lubbock in the last half of the tenth inning. Ethridge got a good clean hit and stopped the game.

Karr, catching for Lubbock, had his aim right Wednesday on the bases. Every ball thrown by him was perfect. Bassenger made them think the ball was going home and caught a good first base. The runner was told to go to the bench. Bassenger takes the game easy and fools many with his "dinky" wind-up. When the 7th inning rolled around, Bassenger had gotten in fairly good pitching way and the longer the game went the better he became. (Some remarks that in an eighteen-inning game Bassenger could make the big league.) Arrest Pearson, although one of the youngest men on the Lubbock team, knows baseball and is on the job from the time the game starts till the last decision. Wayland Sanders don't know how to miss a wild throw to first. In Wednesday's game he attempted getting on top of a runner to reach a high ball. He got it. Sylvan Sanders, playing second base for Lubbock, goes out into right and left field for flys into home for bunts and gets them too, also he can't refuse to steal a base and is one of the best base runners on the team. Ethridge digs the ball out of the sand on shortstop and knows the first baseman has a glove. Left fielders and center fielders for Lubbock were on their toes all the time but got few chances to display their work only at the bat. Pearson and Ethridge got the pinch hits of the game Wednesday. Old man hard luck was against Lubbock's sacrifice hitting Wednesday, although the batters made a sacrifice hit can be expected and stays awake.

FORMER BANK OFFICIALS WILL VISIT NORTH

L. T. Martin, former vice president of the Farmers National Bank, which was sold this week to the Security State Bank & Trust Company, will leave in a short time for Portland, Ore., he informs us, to be present at the Shriners' meeting. Mr. Martin after attending this meeting will return to Lubbock and will continue to make this place his home.

Mr. and Mrs. John J. Noone who also were officials of the Farmers National Bank, will leave shortly for a visit to Denver, Colo. They have not definitely decided where they will locate permanently, but state that they will likely make their home in Denver or Kansas City. Mr. Noone will possibly enter into the banking business in one of the above named cities.

J. A. HODGES WILL BUILD LARGE BRICK BUILDING

One of the largest business establishments in Lubbock will result when the building 50x125 feet of J. A. Hodges is completed on the East side of the square. Contract was awarded recently, we are informed to contractors Walker and Royalty and work will commence immediately. This building will be adjacent to the W. S. Hodges grocery and together with the present space it will give Mr. Hodges a 75 foot front. A large archway will connect the Mr. Hodges will carry a complete stock of general merchandise.

CROP CONDITIONS ARE POOR IN DALLAS COUNTY

The Dallas News of today is responsible for the statement quoted from J. A. Moore, assistant county agricultural agent, that crop conditions in Dallas county are far from promising this year. Wheat acreage is reduced practically to half as compared to that of last year. Corn is late, much of it having to be replanted and cotton fifty per cent under normal.

FRANCE BAKER, PRESIDENT OF THE CITIZENS NATIONAL BANK OF THIS CITY, LEFT LAST SUNDAY MORNING FOR KANSAS CITY ON A SHORT BUSINESS VISIT.

Mr. Baker returned home Wednesday night.

TO COMBINE CELEBRATION DATES

EVENTS USUALLY SCHEDULED FOR JULY FOURTH WILL BE HELD IN AUGUST IN CONNECTION WITH CONVENTION

LUBBOCK WILL ENTERTAIN FIREMEN ON A BIG SCALE

A Big Line-Up of Prizes Will Be Necessary For The Competing Events And Lubbock People Will Be Asked To Furnish Them, As Well As Bear Expense of a Three Days' Entertainment

There are at least fifty or more progressive, live towns in West Texas that will be represented by public-spirited men—men who appreciate progressiveness in a Firemen's Convention in Lubbock the 22nd, 23rd and 24th of August. Lubbock, "the convention city of West Texas," has been selected as the place for this convention which is placed here vitally important to the Panhandle Association of Volunteer firemen. Lubbock has decided to visit with neighboring towns on the 4th of July and throw its energy in the three days set aside to entertain visitors from all over West Texas. It is the plans now that together with the convention work that will be done here there will be a kind of "Lubbock 4th of July." That means that entertainment of the nature that pleases will be furnished every hour to visitors to the convention. It also means that instead of only entertaining the visiting firemen an invitation will be extended to every person who claims West Texas as their home to come to Lubbock on those days, witness the feats of the firemen and enjoy the entertainment at the expense of Lubbock.

"We must make a great success of this convention," says Lubbock Fire Chief. He says that during the years of drought and war that the association suffered and nearly became paralyzed. Our Fire Chief believes that the very soul of the Panhandle Firemen's Association is now at stake and in the hands of the citizenship of Lubbock will it survive or die. Lubbock is known by having done wonderful things. Thus she is expected to do more than the ordinary in August. There is no occasion on the calendar for Lubbock this year and one is nearly as important as the other as far as the city of Lubbock is concerned. They are: The Firemen's Convention and the Lubbock Fair. Both of these occasions should be so handled by Lubbock's great people that when the record for this year is complete we will have the

SENATE VOTES TO CHANGE SUSPENDED SENTENCE LAW

Austin, Texas, June 7.—Reconsidering their action for a second time today, the Senate called from the table and finally passed a bill providing that the suspended sentence law shall not apply in cases of persons over 25 years old convicted in felony cases. The bill was finally passed in the morning session, the vote reconsidered and action on the bill postponed indefinitely, and later called up and passed during the afternoon session.

A bill was finally passed allowing corporations to act as general commercial and custom brokers in this and foreign countries.

Final passage was given the Witt bill providing that written consent shall not be required to adopt a child where the parents have abandoned it for three years or more. Senate bachelors discussed the bill more than the married men.

Senator Hertzberg introduced a bill increasing the maximum amount of pay received by bailiffs to \$4 a day for riding bailiffs and \$2.50 for other bailiffs, and providing that Deputy Sheriffs shall not serve as bailiffs.

W. G. MCAODOO TO BE NEXT PRESIDENT, LOVE PREDICTS

Forecasting the election of a Democratic President and the nomination of William G. McAdoo at the national Democratic convention in San Francisco, Thomas H. Love yesterday declared that "the next President of the United States is not likely to be the nominee of a national convention which was opened with the reading of a typewritten prayer."

With the forty votes of the Texas delegation to the Democratic convention pledged to Mr. McAdoo, the nomination of the former Secretary of the Treasury was a foregone conclusion, Mr. Love said.

"The result of the recent primary convention in Texas proved this is not a Republican year," Mr. Love said. "This was corroborated by the lack of enthusiasm which characterized the first session of the Republican national convention as reported in the press."

Mr. Love, national committeeman, will leave Dallas this afternoon, and after a short business trip in St. Louis plans to arrive in San Francisco on June 23.—Dallas News.

HARVEST HAS BEGUN; LARGE CROPS REPORTED

Deatur, June 9.—The average for wheat in this county will probably be in the neighborhood of 12 bushels per acre, is the report in the wheat belt.

Claude, Texas, June 9.—At an enthusiastic meeting of farmers here a branch of the National Wheat Growers' Union was formed. The object is to forward the interests of the farmers who expect to have wheat ranging from fifteen to thirty bushels per acre. They also anticipate a bumper oats crop.

SYLVESTER, TEXAS, JUNE 9.—DURING THE RECENT RAINS IN THE UPPER REACHES OF THE CLEAR FORK OF THE BRAZOS MUCH LOWLANDS IN THIS SECTION WERE INUNDED, CAUSING CONSIDERABLE DAMAGE FROM EROSION. LITTLE ACREAGE HAD BEEN PLANTED TO COTTON AT THE TIME, SO THAT THE DAMAGE TO THE CROPS WAS ONLY NOMINAL.

A crop survey of this section shows cotton on the uplands to be better than in most parts of the West at this season of the year. Considerable cotton has already been chopped and there is now a demand for choppers.

Justin, Texas, June 9.—There will be a small harvest of winter grains around Justin, compared with 1919. The farmers who planted grain are busy harvesting. The oats and wheat are much better than expected after so much wet weather.

Denton county has received more rain this year than for a number of years and the outlook for cotton and feed crops around Justin is better than a few weeks ago.

Justin, Texas, June 9.—There will be a small harvest of winter grains around Justin, compared with 1919. The farmers who planted grain are busy harvesting. The oats and wheat are much better than expected after so much wet weather.

So far the republican convention at Chicago has failed to arrive at anything definite toward the nomination of a man for president. It seems they are having a hard time finding one that will win.

Lyric Theatre

A MONUMENTAL THRILLER THAT WILL STARTLE AND THRILL THE WORLD "THE LOST CITY"

Unquestionably the master achievement of the serial screen—a tremendous spell-binding adventure of the African Jungle, in fifteen episodes of the most amazing and unbelievable situations ever recorded in films.

"Realism" has been injected into this sensational story from the start of the first episode until the very conclusion of the fifteenth.

No time is lost in the introduction. From the time the picture starts the excitement begins. Fast and furious come the unusual and exciting adventures of the entire serial, climax after climax, crowding one another out, until the spectators find themselves wondering what new thrill it is possible to conceive that has not already been inserted into this strange story. Never have the lovers of photoplay been offered such a genuinely thrilling and exciting story, and never has such a story been so realistically produced.

WATCH FOR DATE

O. C. Lloyd of Vernon, who has property in Lubbock county, is here this week looking after his business interests.

Walter Royalty, agent for the Dodge automobile in Lubbock is in Dallas this week looking after business matters.

NOTICE TO THE PUBLIC

JONES BROTHERS

THE C. A. M. A. WILL COME THROUGH LUBBOCK

The posting of the highways in and out of Lubbock has been made possible by the following public-spirited concerns:

Magnolia Petroleum Company, filling station; Bradley Auto Company; Martin Baking Company; Joe Hilton, garage.

These firms are recognized Circle Dealers in Lubbock, having become members of the Circle Automobile Men's Association of America, a national organization whose duties are to post the highways of the United States, and to protect the tourist against overcharge and poor service from dealers enroute. The C. A. M. A. no doubt will have other lines representing them in Lubbock later on, at which time all will be listed in their Circle Route Directory. The C. A. M. A. is a recognized division office of the National Highways Association of Washington, D. C., and its officers are directors of the Federal Highway Council. It is pledged to support good road movements, and is receiving the hearty cooperation of Chambers of Commerce and automobile clubs all over the country.

The highways will be posted with attractive white and black everlasting mile posts, which can be easily seen at night, showing the name of the next town with mileage thereto, with symbols indicating road conditions ahead of the traveler. Forks of roads will be taken care of in like manner, showing exactly where the tourist is at all times.

Circle route directories and log books will be distributed in Lubbock by the above-mentioned dealers. These books show all the roads leading off the main highways at various points, the maps show different routes, and the names of circle dealers in each town and city listed therein with their telephone numbers, so that the tourist can quickly get in touch with them in case of breakdowns, accidents, etc.

A "Safety First" campaign is being put on nationally by the C. A. M. A. through the schools in various towns and cities, teaching the children that in learning the alphabet the first three letters, A, B and C, are to be impressed upon them as standing for "Always Be Careful." Short talks are now being made in various schools and films are being put out showing the dangers of crossing streets, giving illustrations of the wrong way and the right way of crossing. This will be impressed upon the school children that it will unquestionably be the means of saving many lives.

Texas, Oklahoma, Arkansas, and New Mexico are being posted very rapidly, and will be almost completed during the year, when other states will be covered in the same manner, making a continuous Circle route, and tourists are guaranteed a square deal, standard merchandise, and no overcharge by patronizing Circle dealers. They are also cheerfully furnished with road conditions and local information by calling on members of the C. A. M. A. A. The "Circle Sign" stands for "Safety when you travel and protection when you stop."

Mr. and Mrs. H. E. Miller, Louie F. Moore and wife, Melvin Walker and wife, Earnest Bailey and wife, Misses Exa Rankin, Marian and Gladys McSpadden, George and Funk Earns, spent last Sunday at Two-Draw lake near Post. They report a splendid trip, fine swimming and boating at the lake.

Electric Fans and Stoves

WESTINGHOUSE FANS—In cubical inches of moving air, surpass.

WESTINGHOUSE STOVES—For convenience, beauty and cleanliness will please the most exacting.

YET YOU WILL FIND THEY COST NO MORE THAN THOSE OF LESS EFFICIENCY. We make these claims after years of actual experience with most all electrical appliances. We can show you in a short time why it will pay you to buy the Westinghouse electrical goods—THE BEST.

CANYON ITEMS OF THE PAST WEEK

Mr. and Mrs. Will Kimbell and family spent several days visiting relatives at Amarillo. They like the country around there fine.

Quite a number from here attended the singing at Slide Sunday. Everyone reported a good time and a good dinner.

Bro. Stricklin gave an excellent talk to a very large crowd Sunday afternoon.

Miss Karin Fowler from New Hope was the guest of Miss Helen Forbes Saturday and Sunday.

Miss Cecil Harry from Abernathy spent Saturday and Sunday with Miss Truie Thompson.

Mrs. Richardson from California, came in Thursday to spend several weeks with her sister, Mrs. W. S. Wagner, and brothers, J. H. and T. S. Moore.

Mrs. Otis Taylor's sister came in Friday to visit for several weeks.

Mr. Barker's son has returned from Oklahoma, where he has been visiting for several weeks on account of his health.

Mr. Wardlow Alvie from the Woodrow community spent Sunday with his uncle, Mr. Clarence Jacobs.

Miss Theola Crawford gave a slumber party to her friends Saturday night. Those present reported a nice time.

Mr. Dye is going to give a singing school some time in the near future, and every boy and girl that lives close and can come will help out in the singing very much. We need some good singers at Canyon.

Mrs. Will Green is trying to get up a music class. It would be a grand thing if everyone could play some kind of an instrument.

Miss Helen Barnett and Mr. Geo. Bonhour were quietly married in Lubbock Thursday. Their many friends wish them a long and prosperous life together.

Mr. and Mrs. Hinson are the proud parents of a fine baby girl.

Misses Halsey and Thelma Hinson were visiting several of the club girls last week.

Mr. John Crim has bought a new two-row Go-Devil.

Mr. Hunter has purchased the Estes place.

The Social Center met Friday night with a very large crowd and an excellent program was rendered.

Mrs. Richards called on Mrs. H. P. Webb and Miss Helen Barnett Monday afternoon.

Mrs. T. Crim visited Mrs. C. C. Forbes Monday afternoon.

Mr. and Mrs. T. S. Moore were Lubbock visitors Saturday.

Mr. Otis Taylor is planning to build a new house on his farm.

Come to Lubbock.

ASPIRIN

Name "Bayer" on Genuine

"Bayer Tablets of Aspirin" is genuine Aspirin proved safe by millions and prescribed by physicians for over twenty years. Accept only an unbroken "Bayer package" which contains proper directions to relieve headache, toothache, earache, neuralgia, rheumatism, colds and pain. Handy tin boxes of 12 tablets cost few cents. Druggists also sell larger "Bayer packages." Aspirin is trade mark Bayer Manufacture Monosodiumacetate of Salicylicacid.

SOCKHOLDERS MEETING MONDAY WAS FRUITLESS

Because there were less than 51 per cent of the \$10,000 South Plains Fair Association represented at the special meeting called for Monday evening, nothing was done. However, a meeting was called for Wednesday and instructions to a committee made that either the stockholder in person or proxy be present. The purpose of this meeting was to perfect an organization by election of a Board of Directors for this year. This board would then make application for charter and elect its president and other officers. It is imperative that many at the meeting Monday afternoon that this organization be created quickly and work started toward preparation for the great South Plains Fair.

Servant Girl Wouldn't Go In Cellar, Feeding Rats

Mrs. Tepper, Plainfield, N. J., says, "Rats were so bad in our cellar the servant girl wouldn't go there. Bought some RAT-SNAP and it cleaned all the rats out." RAT-SNAP prevents odors. Comes in cake form, destroys rats and mice. Absolutely no mixing. Cat/oz dogs won't touch it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Cole-Myrick Hardware and Implement Co., and City Drug Store.

B. N. Wheeler of Idalou, candidate for Commissioner of Precinct Number 3, was a business visitor in Lubbock the first of this week.

Dr. J. T. Hutchinson of the Lubbock Sanitarium, left the first of this week for a short business visit to Galveston.

City Marshal Morris visited in Plainview and Amarillo the past week.

- For Public Weigher, Precinct No. 2: T. W. COVINGTON, Slaton Tex. (Re-Election Second Term.)
- For Public Weigher, Pre. 3: L. E. HAMLIN, Idalou, Texas

DIRECTORS FOR FAIR ASSOCIATION ELECTED

The meeting Wednesday morning at nine o'clock of the stockholders of the Fair Association resulted in the election by proxy of a board of directors for one year. George W. Briggs acted as temporary chairman. A motion was made by M. M. Dupre that the association be known as "the Lubbock Fair Association" instead of what had been offered, the "South-plains Fair Association." Although objection was raised on the grounds that the association would probably draw a larger territory into competition than if known otherwise, however, the objection was raised and a second made to Mr. Dupre's motion. The vote was unanimous in favor of the association to be known as the Lubbock Fair Association. A motion followed that a nominating committee be appointed by the chairman to select from the list of stockholders men who would work and be active as a board of directors. The motion carried and Mr. Briggs elected for the nominating committee: Roscoe Wilson, E. L. Klett and L. C. Ellis. This committee withdrew from the auditorium until selection had been made. In the meantime discussion on the plans of the park committee's work was made. The nominating committee presented the names of O. L. Slaton, Dr. I. E. Barr, Clark M. Mullican, M. M. Dupre, A. V. Weaver, George W. Briggs, E. A. Morgan, H. W. Stanton and D. N. Arnett, Jr., as a Board of Directors. A motion was made that the recommendations of the nominating committee be accepted, which resulted in their being elected as a board. The \$10,000 stock of the Lubbock Fair Association will be used in constructing suitable buildings for display of the products.

"LUBBOCK WOMEN SHOULD WATCH THEIR HUSBANDS"

According to a well known man in Lubbock, the ladies of the homes of Lubbock are very careless about their husbands. He thinks that they should have them return all ice cream packers at once to the Lubbock Sanitary Creamery so other good ladies could have delicious cream—ice cream. 501

Mrs. W. B. Downing was here the latter part of last week from Brownfield, visiting relatives and friends for a few days.

General Pershing will ask retirement from the army within the next few months. He says he desires something more active.

NEW HOME NEWS OF THE PAST WEEK

Rev. T. H. Brabham filled his regular appointment at New Hope Sunday.

Misses Neva and May Cowart were in town Saturday afternoon.

Mr. and Mrs. Gus Haven and children were in town Saturday.

Mr. Clarence Emms visited home folks Sunday.

Mr. Ealy Eoff attended the party at the home of Mr. and Mrs. Luther White, of Lubbock, Saturday night. He reports a splendid time.

Mr. and Mrs. T. J. Richardson and little son, Glenn, were in Lubbock Saturday.

Mrs. Mamie Wylie and daughter, Miss Loula Kate, were in town Saturday afternoon.

Quite a number of the young people attended the party at the home of Mr. and Mrs. Kinkler Saturday night. They report an enjoyable time.

Misses Ettie and Lorena McDale of the Canyon community, are visiting at the home of their grandparents, Mr. and Mrs. S. P. Eoff.

Mesdames S. D. Pate and L. C. Boyd have as their guest their grandmother of Van Zandt county.

Mr. S. P. Eoff and sons, Calvin and Ealy, were in Lubbock Saturday.

Mr. and Mrs. W. D. Dryden and children were in town Saturday afternoon.

Miss Blanche Emms was in town Saturday.

Mr. and Mrs. Moss and daughter, Miss Vada, of Lubbock, visited at the home of Mr. and Mrs. S. P. Eoff Sunday.

Mr. W. W. Nunley and daughter, Miss Githie, visited Mr. and Mrs. W. D. Dryden Sunday afternoon.

Mesdames Bourland and Barber's brother and family of Eastland county, visited them last week.

Mrs. T. A. Battin visited Miss Githie Nunley Tuesday afternoon.

Miss Vinetta Eoff was in Lubbock Saturday.

Mr. A. Emms was in town Saturday.

Mr. Roberts was in town Saturday.

Miss Loula Kate Wylie visited Miss Githie Nunley Tuesday.

Mesdames Pate's and Boyd's uncle and aunt of Van Zandt county, are visiting them this week.

Mr. S. P. Eoff was a business visitor to Lubbock Tuesday.

Mr. S. D. Pate was in town Thursday.

Miss Blanche Emms was in town Friday.

NATURE TELLS YOU.

As Many a Lubbock Reader Knows Too Well. When the kidneys are weak, Nature tells you about it. The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ills. Doan's Kidney Pills are for disordered kidneys. Ask your neighbor. People in this vicinity testify to their worth.

John Brown, Snyder, Tex., says: "I was troubled with too much uric acid in my system about some time ago. I had a frequent desire to pass the kidney secretions, which were scanty and caused a lot of pain. I felt pretty bad off until I heard of Doan's Kidney Pills, which I took and I am glad to say I received wonderful relief. Doan's regulated the kidney action and made me feel better in every way."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

FORMER CONVENTION BALLOTING RECORDS

A glance at convention records since Lincoln was nominated in 1860 discloses the unusual prospects for the present one. In those conventions the balloting was as follows: 1860—Lincoln, 3 ballots. 1864—Lincoln, 1. 1868—Grant, 1. 1872—Grant, 1. 1876—Hayes, 7. 1880—Garfield, 36. 1884—Blaine, 4. 1888—Harrison, 8. 1892—Harrison, 1. 1896—McKinley, 1. 1900—McKinley, acclamation. 1904—Roosevelt, acclamation. 1908—Taft, 1. 1912—Taft, 1. 1916—Hughes, 3.

THREE TERRY COUNTY MARRIAGES LAST WEEK

(Terry County Herald)

Key-Rodgers
S. H. Key and Mrs. Susan Rodgers both of Gomez, were married at that place last Sunday at high noon. The ceremony was performed by Rev. Baughman, of this place. Mr. Key is one of the best known farmers of this county, and a splendid citizen in every sense of the word. Mrs. Key is a splendid lady as were all the pioneers of Terry county, for like her husband few people preceded her to Terry.

Jones-Barton
We learned this week that Mr. Earl Jones of Gomez, and Miss Ethel Barton, of Lubbock, were married at the latter place last Sunday. Mr. Jones is one of the most highly respected young men of Terry county, and has only recently been discharged from the army artillery. Mrs. Jones also has many friends here, having formerly lived in Brownfield with her parents. She is a young lady of refinement and beauty.

Parish-Fleming
Mr. Parish of Erath county, and Miss Letha Flemming of the Dumas community were married at the court house Wednesday afternoon of this week, Judge R. L. Graves officiating. While we are not acquainted with Mr. Parish, his wife is regarded as being a lady of refinement. The Herald extends congratulations to the three happy couples at once and the same time.

SOME PEOPLE RETURNED PACKERS TO CREAMERY

"There were a few packers returned to the Lubbock SANITARY Creamery," says the management. "Yet," he continued, "there are also many of the LUBBOCK SANITARY ICE CREAM PACKERS lying idle (maybe) in the Lubbock homes that we are actually afraid that many good people will be forced to do without delicious ice cream some of these old hot days." 501

EDITOR'S WIFE AND LITTLE AVALANCHES VISITING

Mrs. James L. Dow and son, Harold, and daughter, Bunnie, left Wednesday afternoon for Colorado City where they will be joined by Mrs. Dow's sister, Miss Emma Dorn, and together will visit relatives in Birmingham, Alabama, Augusta, Ga. and Columbia, South Carolina. They will be away a month or six weeks.

Mrs. John Raymer of Brownfield, who is a candidate for the office of Treasurer of Terry county, was here the first of this week visiting with relatives.

The prohibition amendment and the enforcement act were held valid by the unanimous decision handed down by the supreme court last Tuesday.

PROCEEDINGS IN THE HOUSE OF REPRESENTATIVES

Austin, Texas, June 7.—The Bonham bill, providing aid to the city of Rockport in construction of sea walls and shore protections by donating and granting them their ad valorem taxes for a period of twenty years, was passed to engrossment in the House.

The Fly bill, which will allow the majority of freeholders in any county to petition the County Commissioners' Court to prevent horses and animals from running at large was passed to engrossment.

The John Davis (of Dallas) bill allowing incorporated cities of more than 50,000 the right of placing the salaries of city or corporation Judge not to exceed \$4,000, City Attorney not to exceed \$6,000 and Auditor not to exceed \$4,000 was passed to engrossment.

The Nordhaus bill providing for increased compensation of County Auditors in counties of 40,000 or having a tax valuation of \$40,000,000 was killed.

The Morris (of Montague) bill allowing expenses not to exceed \$50 per month for automobile services of Commissioners to be paid by the county was killed.

Representative Satterwhite introduced a bill authorizing permits to lease State river beds for the purpose of prospecting for oil and gas.

Representative Thomas introduced a bill providing for the emergency appropriation out of the general revenue fund for the several State institutions and departments of the State Government, amounting to approximately \$700,000. The appropriations committee reported favorably on the bill.

Committees today reported adversely on the Smith (of Hopkins) bill permitting the son of a Confederate veteran to become superintendent of the institution and favorably on the Richards bill granting permission to expend \$50,000 of the funds of the Board of Prison Commission for the use of the State railroad.

Oh, yes, the high cost of living will come to an end in time. Death claims us all.

THE LUBBOCK AVALANCHE
Published Every Thursday by
THE AVALANCHE PUBLISHING CO.
(Incorporated)

JAS. L. DOW Editor and Gen. Mgr.
Entered at the Postoffice at Lubbock, Texas,
for transmission through the mails as
second class matter.

We congratulate the Lower House of Representatives for having voted down a bill which proposed legalizing of boxing in Texas.

The Seminole Sentinel reports that crop conditions are most favorable in that section of the country. The recent rains have started things to whooping.

The Plainview Herald recently reported that some of the wheat farmers of that section have contracted their entire crop for \$2.75 and some as much as \$2.85.

The Lynn County News says a commercial club will be organized in that city. No town can make progress as it should without the aid of a live commercial club.

Lubbock is going to get very weedy again this year. It would be a good idea to employ some one with a mowing machine to keep them cut down. Let the property owners bear the expense and the city manager or an assistant superintendent the job.

The Panhandle and South Plains will have to be contented with remaining in the Mountain Time Zone for awhile longer at least. The Interstate Commerce Commission has refused to place us back in the Central Time Zone, where we formerly were before the late new zones became effective. It is not at all satisfactory but guess we will have to put up with it.

The Avalanche is pleased indeed that there is now an organization in the city to look after the needs of those who are in need of assistance, and to whom these people can go without parading themselves before the general public, and too we are glad there is a place where beggars can be sent to obtain the things they are really in need of. This has been a matter that the business men and general public has been confronted with for some time, and many times we have contributed to parties who we felt like were really not in need, but rather than turn a needy person down, contributed some to all. If every business man will keep posted as to where to send these people, and not contribute anything only through the Red Cross committee, there will be better results from what we give and suffering humanity will be relieved and the donors will be saved a great amount of worry and needless expense. Let every citizen of the city of Lubbock contribute regularly and liberally to the upkeep of the Red Cross, that our needy may be amply cared for.

LUBBOCK MAN SEES SNOW IN DAY'S RIDE

J. C. Hornsby of the Hornsby-Robbins real estate firm of this city, who has been in portions of Central New Mexico on a short business visit, left Capitan in the White Mountains Tuesday morning and arrived in Lubbock Tuesday night. Mr. Hornsby says that the White mountain peak on the east side was covered with snow when he left. He also says that range conditions are excellent and stockmen are feeling good over their prospects.

C. G. Shultz of Rising Star was a visitor to Lubbock Tuesday and Wednesday of this week.

WOULD RIDE THE NEWSPAPERS

The Lamesa Reporter is not in favor of giving state candidates any free publicity, and we are right with him. Here is what he says on the subject and there is reason to his argument too:

"The various candidates over the state are asking the papers to make an announcement for them free of charge. Wonder if the editor had a case in court if these gentlemen would defend him free of charge? We have an idea no. Wonder if they will ask the hotels to entertain them free while they make the campaign? Well, who ever heard of such a thing. Well, the only reason they ask the papers to work for nothing is because there are yet suckers in the paper business. We try to make our living out of the paper business and we do not understand that we are under any more obligations to furnish candidate with free advertising than the hotels are to furnish free entertainment. All of it saves the candidate expenses. If a fellow don't want to or isn't able to defray his expenses it is just as well for him not to run. It suits us for him to stay out of the race."

NEWS ITEMS OF INTEREST FROM TERRY
The Herald:

Rev. Durham of Gatesville, came in last week and went over to Plains where he received a call from the Baptist church at that place, and in addition will likely accept the principalship of the school there.

Miss Ina Howard, granddaughter of Uncle Bill Howard of the Needmore community happened to a very painful accident one day last week that cost her one of her fore fingers. It seems that she was dropping watermelon seed while planting cotton on a riding planter when the planter passed over a rough place and she decided that she was about to fall and of course caught the first object in sight, which happened to be a cog wheel. The finger was so badly crushed that the local physician decided to take it off when she was brought to town.

Terry county was well represented at the meeting of the Churches of Christ with the local congregation last Sunday, and a most enjoyable day was had. There were several on hand from Tahoka as well as from Gomez, Meadow and Tokio, and it was planned to make the next meeting with the church at Meadow, the fifth Sunday in August an even better day, as their protracted meeting will be in full swing on that date. Gomez made a strong bid for the next meeting, but when Meadow mentioned that their protracted meeting would be on at that date, Gomez conceded the meeting to her sister church.

Will Adams has sold his interest in the Brownfield Hardware Co. to W. B. Downing and they are at present invoicing the stock preparatory to the transfer. Mr. Adams has been in the hardware business here for several years and has made good. We did not learn what he intends to follow in the future, but believe he has no intention of leaving old Terry. Mr. Downing was already engaged in the implement business, and the hardware business is only another step in this business. Mr. Longbrake will hold his interest in the store, and of course be actively engaged in the business.

Harry Ribble of Lubbock has located in Lockney and will work with the Norris Brothers in contracting and building. Mr. Ribble is an architect also. He will assist the Christian College congregation in their song service as leader.—Lockney Beacon.

HOBBY ASKS \$5,000,000 TO SUPPLEMENT SCHOOL FUND

Austin, Texas, June 7.—Governor Hobby sent another message to the Legislature today urging a \$5,000,000 appropriation to supplement the available school fund so as to increase the per capita allowance \$4 and \$1,000,000 for the higher institutions of learning. This, he says, can be done without increasing taxes or creating a deficiency in the State treasury. He submits a statement of treasury conditions as compiled by the State Board of Control, which shows an estimated cash balance of \$8,021,753 on Aug. 31, 1921. He says that with increased oil taxes and a State ad valorem tax rate of 35c instead of 30c the balance on the date indicated will be about \$9,500,000.

The hooting of President Wilson, by the republicans in their convention at Chicago, merely goes to show how low politics will drag otherwise respectable men. Just ordinary respect for our fellow man would hardly permit such an act.

NEWS ITEMS FROM THE SEMINOLE SENTINEL.

With conditions already fine for the ranchmen and farmers of Gaines county, the prospects for one of the best years in the history of this section of the plains was made more promising with the rains of the past week. Some portions of the county received only light showers, while others report as much as two inches of rain.

Mr. and Mrs. F. W. Denham, accompanied by their daughters, Misses Freda and Lula, came down from Lubbock Thursday to visit friends here for a few days.

Foy Proctor was here the first of the week from Midland looking after ranch interests east of town. He expects to bring in 1800 steer yearlings from near El Paso in the next few days.

Mr. and Mrs. C. E. Slaton and little daughter, accompanied by Mrs. N. H. Stone, will leave Sunday for a few days visit with Mr. and Mrs. W. R. Slaton at Hartley.

Harold Griffith, after a brief visit with homefolks left Monday for Lubbock, where he holds a responsible position with the Rix Furniture and Undertaking Company. Harold recently took the examination before the State Board at Waco and was awarded a diploma as a licensed embalmer.—Big Spring Herald.

Mr. Rex Lotspeich, who has been visiting in Tennessee and Virginia, returned the first of the week. He was joined here by his wife who visited in Hereford, Amarillo and this place during his absence. They returned to their home in Crosbyton Monday.

A Good Shave is a Pleasure

The cost of shaves is the same or about it in all the shops of Lubbock. It is the same with hair-cuts. But you can not sincerely say that the quality of shaves and hair-cuts, etc., are the same. Therefore because it costs no more for good work than work that is less pleasant, we invite you to—

**LUBBOCK CROP PROSPECTS
BETTER THAN 1919**

Lubbock county and the South-plains is in a better condition at this period of the growing season than the fine year of 1919, according to the farmers who were here Saturday. Last year the farms of Lubbock county were thoroughly tilled, something which could not be said of the two or three years preceding 1919. When the rains came last year every available power was used to rush planting—some being planted real early and other fields late. This resulted in much of last year's crop having to be replanted. Hundreds of acres of cotton that was planted last year never grew to a good stand and this was replanted to small grains. This year the stand of cotton is as good as possibly could be. Most all the cotton land is in a fine state of cultivation which is shown by the fact that very few weeds are growing in these fields. A bigger percentage of the crops of Lubbock county is being planted to cotton and gin men who are alert to the amount of cotton planted, state that no less than a third more acreage is planted to cotton in this county than last year. Winter wheat is growing 'better than any year before" think farmers of the Shallowater community. There was more acreage planted to this crop, especially in the west and northwest portion of the county, than any preceding year. Corn as the next largest crop is said to be growing fast—much of it two feet in height at this time. The west and northwest portions of the county have had recent rains which will practically insure a good yield of wheat and other small grains. No portion reported is in need of rain at the present time.

**HOW TO LOWER YOUR
MEAT BILLS**

Hints from the Department of Justice.

Specialize in Buying Meat and Save Money.

The housewife of the present generation and particularly of the past year or so, during which money has been rather plentiful, has been demanding meats from one or two cuts of beef; that is, cuts from the loin for steaks and cuts from the ribs for roasts. This has created a tremendous demand for the loins and ribs, leaving an oversupply of the major portion of the carcass, which the retailer must dispose of at a disadvantage, owing to the lack of demand.

If Mrs. Housewife would take more interest and specialize in her buying, and would read carefully the articles that have been and are being published, calling her attention to the cheaper meats, she would realize a substantial saving. She would soon become convinced that there is exceptionally good meat in the round, rump, plates, chuck, etc.

In the olden days Mrs. Housewife would call for a chuck steak, round steak, as well as an occasional porterhouse. Mrs. Housewife now knows only one steak, and that is the porterhouse, which is naturally the most expensive, as it is the most called for, and it logically must stand the extra expense. It is the world old law of supply and demand.

How many housewives know that from the chuck they can get steaks, boiling beef, pot roasts and steams? The carcass (excepting the loins and ribs) contains meats that are just as appetizing, delicious and nutritious as the more expensive cuts, which are the ribs and loins. Unfortunately, however, custom recently has dictated that the ribs and loins be considered the more popular, hence the cheaper cuts have really gone out of their own.

A few years ago the average housewife usually called for a chuck steak or round steak as a matter of course. In fact, it was the daily diet and one seldom thought of ordering sirloin or porterhouse steak, except on special occasions. A good comparison would be that of ordering chicken or turkey for every day of the week just because it happens to be a "treat" or a special delicacy, and if chicken or turkey were thus ordered the outcome would simply be higher prices, due to the demand being larger than the supply.

The round makes wonderful steaks and pot roasts. It represents approximately 23 per cent of the entire beef carcass, and the chuck represents approximately 34 per cent. The loins represent 17 per cent and the ribs 9 per cent, and of the entire carcass there is actually less than 5 per cent porterhouse steak, 3 per cent of cub steak and about 9 per cent of sirloin steak.

Among the many appetizing uses of the chuck are roasts, steaks, pot roasts, stews, boiling beef, pot pie meat and hamburger, with the fore shank for soup meat and soup bones.

There has lately arisen such a remarkable demand for one or two expensive kinds of meats that people who formerly were entirely satisfied with what represents the less expensive portions never even think of calling for them. At the same time they continually complain of their meat bills without stopping to analyze the reason.

"Is that the best you have?" seems to be the by-word. The more it costs the more people want it. The less expensive (although often very good articles), go begging. If a dealer has to buy a certain portion of the cheaper articles along with his good articles and he cannot sell the cheaper ones, YOU pay the price for what he is obliged to lose. The same applies to meats. The butcher pays a certain price for the cattle and he must get that price out of them. If the demand, as stated above, all runs to one or two different cuts, those cuts that are in demand must make up the loss on so-called cheaper meats, while if there was an equal selling distribution on the entire carcass, there would not be so much complaint of the high cost of meat.

Every housewife personally should make inquiries of her butcher as to the different cuts of meat.

Chopped Beef Au Casserole
1 1/2 pounds clod of beef, ground.
1-2 can tomato relish.
Tabasco sauce.
1 can beets.
Mix chopped beef with tomato relish. Add 1-4 teaspoonful tabasco sauce (more if desired). Season well with salt. Put in glass casserole and bake two hours, basting frequently with a high quality of table sauce. A few strips of bacon across the top of any meat loaf adds to its richness and improves flavor. Serve garnished with beets, quartered. Serves 5 people.

COLORED BAPTISTS DESIRE YOUR ATTENTION

Whereas we, the colored people of Lubbock, wish to be properly understood relative to their church improvement. We take this plan of advertising. There is only one truly organized church in town of our race, as there is scant enough to support it at present. We have out 7 canvassers asking for aid to repair our house. There is some canvassing going on in the name of the church that is out with self interests at heart. Such canvassing is high class stealing and is not with us at all since we had rather have an honest dime than to have a stolen dollar. With respect to our colored Methodists, they are using our houses with a welcome of all. We are proud of their efforts now. A two fold obligation is ours, as we are to have a school which we so much appreciate and our house is too small. This of course makes us beggars in this case. These are the names of our solicitors:

Number 1, Effie Foard; Number 2, Renah Moore; Number 3, Albarter Sims; Number 4, Myrtle Johnson; Number 5, Edna Ridge; Number 6, Charlie Lancaster; Number 7, Quitman Pearce. These are the ones to give to to help us; to give to others is giving to individuals themselves. Done by the order of the church. J. G. JACKSON.

CARD OF THANKS

To the many friends who were so kind and thoughtful during our recent sad loss, and for the beautiful floral offerings, we wish to extend our heart-felt thanks.

A dime spent in PREVENTION of an ailment is better than a dollar spent in CURING it.

We sell LITTLE preventatives that ward off BIG ailments.

The Red Cross Pharmacy

"THE STORE THAT HAS IT" LUBBOCK, TEXAS

O. E. Sears, local real estate dealer, who has been in northeast Texas for several days visiting with relatives, returned to Lubbock Tuesday morning.

Raymond Sims of Gomez, Terry county, passed through here Monday morning of this week enroute to Canyon where he will be in attendance at the summer normal.

Joseph Weldon Bailey has again entered the field seeking the nomination for the office of Governor of Texas. He made his first speech since the steam roller flattened him out, at Atlanta, Texas.

John L. Ely, cattleman of Redland, N. M., accompanied by his wife, are here this week visiting with friends and transacting business.

Some Good Bargains In Refrigerators

Rats—every rat or T-SNAP omniscient. Don't of rats, first one. Sold Myrick Co., and

SHALL GAMBLING BE PERMITTED AT BALL GAMES?

The statutes of the state of Texas state plainly that it is a violation of the law to bet on the result of a base ball game or a foot ball game, yet in the game here yesterday, between Lubbock and Plainview, it is stated that thousands of dollars were put up on both sides. Are Lubbock's law-abiding citizens going to stand by and let this kind of work go on? Some of us would like to raise boys who do not gamble, but its going to be a mighty hard job, if at every ball game that come along wide open gambling is going to be allowed. There is no use to have a law without it is enforced. There is evidently a rich field of labor for the next grand jury in Lubbock.

S. E. Cole, of the Cole-Myrick Hardware Company of this city, accompanied by his wife, left Wednesday night for Arkansas, where they will spend several weeks visiting at their old home with friends and acquaintances.

Dr. I. E. Barr of the commission firm of Barr and Middleton, is serving on the Federal grand jury this week in Amarillo.

Mrs. Chas. I. Bedford and little son, Chesley, of Plains, are here this week visiting with relatives and friends.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength by weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

EVANT, TEXAS.—"I have used Doctor Pierce's Favorite Prescription. I was run-down and suffered from functional disturbances but 'Favorite Prescription' regulated me. I was so nervous I was miserable and could not sleep at night when I began to use the Prescription. I had not taken a whole bottle until I could sleep well and got as stout as I ever was. I keep a bottle of 'Prescription' on hand and when I work and get tired I take a dose and it strengthens my nerves."—Mrs. GEORGIA DEMKUS BERRY

SOCIETY NOTES

By Mrs. R. M. Kimmell
Phone 707

Social
Mrs. O. L. Slaton will entertain the Auction Bridge Club on next Tuesday.

Mrs. Winn Entertains
Saturday evening was delightfully spent by a small crowd in the home of Mrs. Frank Winn.
Dancing to Victrola music was the delight of the occasion. Iced punch was enjoyed throughout the evening.

Elk Dance
Saturday evening was thoroughly enjoyed by a large crowd in the Elks Hall. Dancing was enjoyed until a late hour.

K. K. Club
The members of the K. K. Club enjoyed last Tuesday with Mrs. John Jarrot as hostess.

The house was called to order by the president for a short business meeting and by a vote of the club it was decided that through the summer months their meeting hours will be from 9 to 11:30 a. m.

At the noon hour the hostess served a delicious luncheon and the afternoon was spent in playing Auction Bridge.

Mrs. Geo. Wicker of Eastland was a guest on this delightful occasion.

Methodist Sunday School Party
Mr. Henderson's class of boys delightfully entertained Mrs. Griswold's class of girls on last Tuesday evening in the attractive home of Mr. and Mrs. Sam T. Davis.
The home was artistically decorated in cut flowers and excellent music was enjoyed throughout the evening. Each guest was given a card with the name of an animal written upon it and was asked to form this animal with chewing gum which proved to be great fun. Mr. Moore winning a sceptic doll as high score prize and Mr. Henderson won a whistle as second prize. Various other games and contests were enjoyed.
Delicious iced punch was served throughout the evening and near the close delicious cream cones were enjoyed.

Saturday evening, June 5, will be long remembered by Miss Deema Bradley and her many friends. Mrs. L. E. White opened the doors of her home to these youngsters, honoring Deema's fifteenth birthday.
Various childish games were played on the lawn. Mrs. Summers sang and played the piano in her usual sweet way, which was enjoyed by young and old.
Near the close of the evening they were invited into the dining room where a beautiful birthday cake holding fourteen pink candles awaited them. After the honored guest had blown the candle lights out, a delicious refreshment course of cream and cake was enjoyed by sixty friends. At eleven-thirty they returned home after having spent an enjoyable evening.—Contributed.

Wednesday Afternoon Club
Wednesday afternoon was unusually pleasant for the members of the Wednesday Afternoon Club, in the

attractive home of Mrs. Karper with Mrs. Klett as joint hostess.

The usual needle work and conversation furnished a good time and near the close of the afternoon delicious cream, strawberries and cake were served to Mesdames Cosby Thomas, Thompson, Rouse, Wilson, Bacon, Atkins, Hopkins, Bowen, Maddox, Wagner, and Miss Mary Tinker of Monmouth, Ill., and Mrs. Klett and Mrs. Karper.

The next meeting will be with Mesdames Eastin Wolfarth and Fred Thomas in the home of Mrs. Wolfarth.

Barnett-Bohner Wedding
One of our first June weddings, and also one of the prettiest weddings of the season was that of Miss Helen Barnett and Mr. George Bohner.

The wedding ceremony, in which the ring ceremony was used, was performed by the Rev. W. A. Bowen at the Baptist parsonage, Thursday, June 3rd, 1920, at high noon. Only the near relatives of the bride and groom were present.

Immediately following the ceremony the wedding party went to the Hotel Merrill where the sister of the bride had made arrangements for the dinner.

The bride is the sister of Mrs. H. P. Webb. For the past five months she has been teaching school in Lubbock county, and has made an admirable record in school room work. Her participation in educational, social and religious activities has proven to us the purity and height of her character. Her host of Lubbock friends shall miss her, and send with her their heartfelt wishes for a most happy married life.

The bride spent her early high school days in the Lubbock high school. From here she entered the high school at Plainview. After graduating from that school she spent one year in Baylor College and graduated from the West Texas State Normal College last Spring.

The groom is the son of Mr. W. H. Bohner, of Olton, Texas. He is a young man of an excellent character and high social standing. Since his return from service over seas, he has been tending to his property in Olton.

Mr. and Mrs. Bohner left Thursday evening for their home in Olton where they will be at home to their many friends.—A Guest.

A Tableau Wedding
Thursday morning, June 10th, at nine o'clock, a beautiful home wedding was solemnized in the home of Mr. and Mrs. W. H. Meador, when their daughter, Willie Kate, was given in marriage to Mr. Fred Schmidt of Slaton.

The decorations of carnations and smilax added grace and beauty to the occasion. Pink being the color scheme was very effectively carried out. Preceding the ceremony an excellent musical program was rendered by Mr. and Mrs. Wallace Clark of Canyon.

The tableau was formed underneath a bower of smilax and carnation and the impressive ring ceremony was used with Rev. W. A. Bowen officiating.

The bride was given away by her father, with Mr. Elkinson of Slaton acting as best man and Miss Mary Meador, sister of the bride as maid of honor. Mrs. Meador wore a navy blue suit with harmonizing accessories, wearing a lovely corsage bouquet of white Killarney roses and sweet peas. The maid of honor was becomingly dressed in a blue organdy with Venetian lace trimmings, carrying a bouquet of pink Killarney roses.

The bride is an accomplished musician and an attractive young lady. She has been principal of an Amarillo school for the past five years. The groom is a prosperous young business man, being a railroad employee.

Mr. and Mrs. Schmidt left on the noon train for California, where they will spend a month after which they will return to Slaton to make their home.

Among the out-of-town guests were Mr. and Mrs. Schmidt, and Miss Violet Schmidt of Kingsbury, Tex.; Mrs. E. W. Henderson and Mr. Robert Lee Henderson of Memphis, Tex.; Miss Elizabeth Nixon of Amarillo, Tex.; Mr. and Mrs. Wallace Clark of Canyon, Mr. Tommy Clark of Canyon, Mr. Howard Trigg of Amarillo and Miss Frances Wright of Memphis, Texas.

Mr. and Mrs. G. K. Watkins Entertain
On Friday evening, June 4th, 1920 Mr. and Mrs. G. K. Watkins were the most pleasing host and hostess to the members of the Cumberland Presbyterian Christian Endeavor, also a number of other young people.

he beautiful home two blocks south

The beautiful Watkins home two blocks south of Broadway was attractively arranged for this occasion. Lovely baskets of roses and ferns were artistically arranged, thus adding grace and beauty to the rooms.

After the crowd had assembled and had received a cordial welcome by the host and hostess, the following program was carefully followed:

First, three minute conversation. Subject—Why are good men hard to find? Penalty, facing the corner for three minutes.

Second, introduction to Blarney Stone by Misses Groce and Watkins.

Third, piano solo by Miss Julia Jennings.

Fourth, reading by Miss Lena Pierce.

Fifth, "When the last string broke"—Miss Grace Watkins.

Sixth, the game "choosing a wife."

Seventh, ancient maiden's prayer" by Miss Berta Lou Groce.

Eighth, a game, "I sail my ship."

Ninth, piano solo by Miss Zela Mae Pierce.

Tenth, "asking her—papa"—G. K. Watkins.

Eleventh, piano solo by Mr. Lawrence Gelin.

The crowd, after being exhausted with so much fun and jollity, was overjoyed when the news came to find partners for eats.

Miss Berta Lee Groce of Holdenville, Oklahoma, assisted her aunt, Mrs. Watkins in serving a dainty ice course to Misses Jennings, Collins, Bacon, Carter, Slover, Earhart, Dresser, Pierce of Clovis, N. M., N. M. Dresser and Mrs. Joe Earhart; Messrs. Matthews, Levy, McCaslin, Thaxton, Crew, Gelin, Hering, Groce, Collins, Claude, Jap and Earl Martin, Earhart, Dresser and Dr. Council.

At eleven o'clock each one present arose to their feet and together beautifully quoted The Lord's Prayer, thus ending a perfect evening and the guests departed, declaring that never before had they had such a grand and glorious time.—A Guest.

SOCIETY PERSONALS

Mrs. P. J. Connally and son, Milton, have returned home after a visit to friends in Midland, Texas.

Mr. and Mrs. D. L. Connally and children of Rosebud, Texas, are the guests of Mr. and Mrs. P. J. Connally.

Miss Marjorie Varnell of Texas, has returned home after visiting relatives here.

Mr. Lawrence Gelin has returned to his home in Dallas after visiting his parents in this place.

Miss Zela Mae Pearce of Clovis, N. M., was the guest of Miss Gladys Collins last week.

Little Kate Boyd of Boyd ranch, was the guest of Evelyn Porter last week.

Miss Opal Ellis has returned home after a year in Sullins University in Virginia.

Mesdames J. T. Griswold and R. I. Tubbs are attending the annual meeting of the Northwest Texas Conference of the Womans Missionary Society in Amarillo.

Miss Maggie Hensley left this week for Canyon where she will attend the summer normal.

Miss Valentine Crawford of Big Spring visited relatives in Lubbock last week.

Dr. Atwood of Plainview was the guest of Rev. and Mrs. W. A. Bowen Monday.

Mr. C. R. Ballenger returned home Sunday from Tulia with his bride.

Mr. and Mrs. C. C. Pearson are visiting in Colorado Springs.

Dr. H. W. Virgin will speak at the Baptist church at 7:45 Friday evening. Every one is cordially invited.

Mrs. Rhea and Miss Regina Rhea are attending the annual meeting of the northwest Texas conference of the Womans Missionary Society in Amarillo.

Miss Fanny Posey is attending the Canyon normal at Canyon.

Miss Irene Lowrey is visiting in Brady.

Mr. Latimer Murfee, who has been attending Cumberland University in Tennessee, has returned home.

Miss Vera Murfee, who has been visiting in Abilene, has returned home accompanied by her little niece Ethel Vera Murfee.

Miss Beulah Dixon from Baylor College, Belton, Texas, is home for her vacation.

Mesdames W. S. Scudday of Brownfield and J. C. McCaslin of Abernathy are the guests of their mother, Mrs. Dixon, of this place.

Mrs. Geo. Wicker of Eastland is the guest of her sister, Mrs. Nell Wright.

J. W. Gordon was in from the ranch Thursday.

"TENDERFOOT" PULLS BADGER FOR THE TOWN BOYS

"A supposedly "tenderfoot" was supposedly framed for an old time badger fight Tuesday evening. The fightingest dog in Lubbock was brought out and a large crowd gathered. Whispers and giggles by the town boys "apparently" amazed the "supposed" tenderfoot. Everything in readiness the word of pull him out was passed and out came a genuine badger. After due deliberation on the part of both dog and varmint, caused by the uproar made by the town boys when the real thing was pulled, a good fight ensued, resulting in the death of the badger.

Mrs. E. Y. Lee returned this week from a visit of several weeks with relatives in New Mexico.

"AFRAID THERE WILL BE AN EXTRA CHARGE"

One man walked sheepishly into the Lubbock Sanitary Creamery recently and gently set a cream packer down. He thought that maybe there was an extra charge for returning the packer. However, the management filled a cone full of delicious ice cream for the accommodation. 501

Miss Maggie Hensley, accompanied by Miss Valentine Crawford of Big Spring, left Monday for Canyon, where they will attend the summer term of the normal.

Mrs. Ollie Whipp, and daughters, Ethel, May and Peggy, are in Lynn county this week visiting with friends and acquaintances.

MICKIE SAYS

Lubbock's night watchman arrested three young boys, hardly in their teens, this week and landed them in the county jail to await word from the boys' parents. It is supposed that the boys were run-a-ways. One boy claims he is a son of the fire chief of Ward No. 7, in Fort Worth. A message has been sent, we are told, to the boys' parents, asking them for disposition.

Mrs. H. L. Hicks who has been visiting in Dallas with relatives and acquaintances, has returned.

COMPLAINT IS MADE ABOUT ORNAMENTAL POSTS

The Avalanche received in the nature of a complaint a letter from someone, we do not know who, as he did not have the nerve to sign his name, or even give us any means of identification, that a number of people bought ornamental light posts through the city commission or the city council as it was then, with the understanding that these posts were to be erected by the city and light furnished over the street lighting system lines, but so far no posts have been put up, and no action seems to have been taken in that direction. The Avalanche does not know anything about the deal, more than has been told us, but if people have invested their money and received nothing in return, we believe that the commissioners of the city government should take the matter up at an early date and make some kind of satisfactory arrangements with those who have their money invested.

PAT NEFF TO VISIT LUBBOCK SOON

It is reported that Pat Neff, candidate for Governor, will address the people of Lubbock, in behalf of his candidacy the latter part of this month. Mr. Neff has quite a strong following here, and will no doubt be heard by a large number of people.

NOTICE TO HORSEMEN

The black percheron stallion known as the Newton horse, will stand at my place one mile northeast of Monroe. Fifteen dollars to insure living colt. T. W. McNeely, Lubbock, Tex. 501p

The Roscoe Wilson building, which is now under construction on West Broadway, is rapidly taking form and within a short time will be completed.

NATIONAL DEBT IS BEING REDUCED

Washington, June 9.—Secretary Houston, writing today to the bankers of the country, declared that the completed operations of the Treasury for the fiscal year ending with this month "should show little, if any, deficit, the Government having about balanced its budget, current receipts against current disbursements for the first full year, after the fighting stopped."

"Though the first quarter showed a deficit of about \$770,000,000," Mr. Houston said, "in the second quarter there was a surplus of over \$150,000,000, in the third quarter there was a surplus of nearly \$400,000,000 and the fourth quarter should also show a surplus."

"The total gross debt of the United States, which on June 30, 1919, amounted to nearly \$25,500,000,000 and on August 31, 1919, reached nearly \$26,600,000,000, had been reduced on May 31, 1920, to less than \$25,000,000,000. The floating debt outstanding (loan and tax certificates, which on June 30, 1919, amounted to over \$3,250,000,000, and on Aug. 31, 1919, to nearly \$4,000,000,000, has been reduced on May 31, 1920, to less than \$2,850,000,000."

"The reduced ordinary and public disbursements, have made possible a very important reduction in the balance in the general fund, which has been applied to reduction of the debt."

The Secretary declared that both gross debt and floating debt would be further reduced by the retirement of nearly \$1,000,000,000 in Treasury certificates about July 15. Most of this will be paid in taxes falling due this month, but to meet the balance and to provide for current requirements of the Government up to July 15.

NOW IS THE BEST TIME TO BUY WINTER COAL

This is the time of year to play safety first in the matter of filling your coal bin, and not only fill them but be sure you have enough to supply you through the winter. There is a strong likelihood of the price of coal being much higher a few months later than at the present time, and even if the price is no higher, it is almost sure to be hard to get. There is still a great scarcity of cars and there will likely be a congestion of freight shipments, caused by strikes and other things that will affect the coal supply very materially. We expect that most of us said that we would not let this happen again last winter when the town was out of coal and could not get but 500 pounds at a time and then have to scramble for that, but we soon forget, and a reminder at this time might do you good. Buy now, if possible, what you will need for the winter and prevent as much as possible a recurrence of last winter's suffering on account of the scarcity of fuel.

GAINES COUNTY COURT HOUSE LOOMING UP

According to parties here from Seminole, Gaines county, the new court house now under construction is looming up rapidly. It will be one of the nicest houses of its kind and size in the west when completed.

The Avalanche job department printed a lot of programs for the closing exercises of the Abernathy high school. They had some real interesting programs during the past week, which were the closing events of a most successful school term. Rev. Griswold preached the sermon to the graduating class there last Sunday at eleven o'clock.

W. W. Furgeson, of near Idalou, was here the first of this week, and had us print a large number of big circulars advertising an auction sale at his farm on June 16. He also placed a large ad in the Avalanche announcing this sale.

Exceedingly heavy rains were reported in parts of New Mexico Wednesday and the passenger train over the main line was delayed several hours on account of wash-outs in that section.

Rev. D. C. Ross preached at the Methodist church last Sunday at eleven o'clock hour, in the absence of the pastor, who was in Abernathy.

Riley Duff, formerly a citizen of Lubbock was here today visiting with old friends and transacting business.

Ray Brownfield and father-in-law Mr. Fyeatt, were here from Terry county Wednesday transacting business.

L. J. Mathis, grain buyer of Lorenzo, was here Thursday a short time transacting business.

BOLLWORM BILL IS NOT CHANGED

Austin, Texas, June 9.—After an all-day discussion the McDowra or committee substitute regulated zone bill was passed to engrossment today without its opponents being able to make a dent in it. A number of efforts were launched to amend and even swamp the bill, but it stood up by decisive votes and is now ready for final passage. The committee amendments were adopted yesterday providing for emergency quarantines and inspections and today its friends prevented the opposition from changing it. On final passage a two-thirds vote is required to amend, and thus there is slim prospect of it being changed before it goes to the Senate. This is the pink bollworm bill which the Federal Horticultural Board refused to consider even for purposes of discussion. Its basis was the Careton-Wolters bill.

Representatives John Davis of Dallas and Satterwhite of Carson offered an amendment which would strike out the whole of the McDowra bill, substitute the present statute, and make an appropriation of \$550,000, of which \$50,000 was to be spent in administrative work and the remainder to be expended in remuneration to farmers whose crops were destroyed or who were prohibited from growing cotton. The fight over this amendment continued for more than two hours and finally, by a vote of 55 to 49, it was tabled.

SNYDER IS TO HAVE A NEW GIN THIS YEAR

Snyder, June 10.—The State Gin Company is preparing to tear down its old plant and build a new modernly equipped gin. The capital stock has been increased from \$3,500 to \$10,000.

The Methodist revival commences the 20th of August. Evangelist Moore of the South Georgia Conference, will hold this meeting. The Baptist revival meeting starts next Sunday. Rev. B. W. Vining of Corsicana will preach.

Jackson Brothers have established a new office in the building formerly occupied by Heim's tin shop. The front of the building is used for the Jackson office and the rear is being used by Mr. Heim.

C. P. Smith, pioneer citizen, died at the home of his son in Seminole last week, at the age of 79 years. He was one of the early settlers in Borden county, and resided there for many years.

Those who would be candidates, such as District Judge, Clerk, and Representative, must have same filed with the various clerks this week. Candidates for county offices have more time, however.

H. W. Sims, of the Sanitary Meat Market and Grocery, who has been spending a few days in New Mexico, returning, is back on the job again at his market.

Pink Parish, ex-county judge, of Crosby county and C. W. Mitchell, now sheriff of that county, were here this week transacting business.

E. B. Green is in Wichita Falls this week attending to business matters. He will likely return home the latter part of this week.

J. A. Rix returned the latter part of last week from a visit to Big Spring. He was accompanied to Lubbock by his little nephew.

CROPS ARE GOOD IN VICINITY OF TEXLINE

Texline, June 10.—Crops in this part of the county, and in Union county N. M., are looking fine. Most of the farmers have a good stand, and so far as we can learn, very few will have to replant. An unusually large acreage has been planted to Indian corn.

One of the three days in August when Lubbock entertains the Panhandle Firemen's Convention, will be set aside for a real celebration in which every person on the South-plains is invited to spend as Lubbock's guest.

D. J. Broughton, one of the pioneer men of Terry county and who has in the past served that county in the position of County Clerk, has recently announced for the office of County Judge.

Several parties of Lubbock were in Slaton this afternoon attending the baseball game between Slaton and Brownfield. Reports reach us that Brownfield met a disastrous defeat at the hands of the Slaton team by a score of 12 to 2.

Quite a number of people from Slaton, Ralls and towns south of here were in attendance at the ball game Wednesday between Lubbock and Plainview.

Rev. Hankin of Lorenzo, was here Thursday looking after business matters.

W. P. Florence of Slaton was here one or two days this week visiting Lubbock people.

Harry Allen of Brownfield is here this week receiving treatment for his eyes.

A game of baseball is scheduled here next Sunday between Ralls and the Elks team.

JUDGING TOWNS

Towns, like folks are judged very much by their appearance. It has not been long since people in general ever thought of cleaning up a town. One family would keep their place clean and the next would let theirs go. The idea was, "It is nobody's business how I keep my place." But the time has come when it is everybody's business how we scatter disease and breed disease germs. A few years ago, no woman ever thought of cleaning up any part of the town but her own yard. But times have changed, and today most women feel interested in the sanitary conditions of the whole town or city or community in which they live. For no matter how much one woman may scrub and clean, no matter how perfectly she may keep house, just as long as there is one fly in the town or one trash pile to scatter disease, her family is not safe.

Then there are other things besides health to be thought of in a crowded community, and women today are taking their place in shouldering the responsibility and the work of civics in all our cities, and as a result our towns are not only being made better places in which to live but thousands of women are being developed into more useful women and their lives have become of more vital importance to their town. It is just such a group of women as this that wake up.—Phebe K. Warner.

FIVE NEW STATE BANKS AUTHORIZED TO DO BUSINESS

Austin, June 2.—Certificates of authority to do business in Texas have been granted by the State Banking Board to five new State banks, as follows:
First Guaranty State Bank of Sanger, capital stock, \$20,000.
Broadus State Bank of Broadus, capital stock, \$20,000.
Guaranty State Bank of Cooperas Cove, capital stock, \$25,000.
Farmers and Merchants State Bank of Iredell, capital stock, \$40,000.
First Guaranty State Bank of Medicine Mound, capital stock, \$15,000.

LUBBOCK UTILITIES PROVING SOURCE OF REVENUE

The large 200-horse power Fairbanks-Morse engine for the city's light and power plant has arrived and is being installed. When this power is added to the present source Lubbock will then have a light plant provided with ample power to care for the extensions already made and the many extensions being sought. Three engines of 100 horse power each are being used at the present time, but these were insufficient to furnish light to the lines now building.

The public utilities of the city of Lubbock have been operated only about two years. For the first six or seven months these utilities about paid the cost of operation. Their development and extension was badly handicapped by the war conditions and were of course held back in revenue bearing. At the present time the power and light plant has 650 or more customers in Lubbock. A very large percentage of the business houses as well as the residents are customers of the municipal plant. Last month the city's light and power plant brought in a revenue of approximately \$2,200. About \$1,100 of this amount was net profit to the city. This is the largest single month's business done by the city since it operated its plant. This will give a good idea of the revenue that should be derived from the municipal plant when the new machinery is installed and the many extensions made.

Wonderful improvement has been made on the sewer and water system of Lubbock. Like the power and light plant, however, the growth of the city has been greater than the extension of water and sewer lines. To care for this growth the city will install another pumping station and dig another well which is thought will supply Lubbock people with all water necessary for some time. Waste water passes into the Lubbock septic tank at the rate of about 200 gallons per minute. Water passing

through this tank leaves it 96 per cent pure as shown by recent tests made at Austin. After leaving the first tank the water is filtered through five feet of small rock and a layer of brick and is absolutely clear as crystal.

Local dealers in automobiles cannot supply the demand. "No cars and can't get them" is what the dealers are crying. J. B. Earhart, agent for the Oldsmobile cars and trucks, left Monday morning for a short visit to Amarillo with intentions of securing a few cars to supply the over-demand in Lubbock. Mr. Earhart returned Tuesday.

W. D. Winn of Terry county, who has been in Central Texas for several days attending to business matters, passed through here Wednesday morning enroute home.

After Sickness

when the body is weakened, the best restorative is an easily assimilated tonic-food. **Scott's Emulsion** is the favorite nutrient recommended by physicians as a means of re-establishing strength. **Scott's always nourishes and vitalizes.**

Mrs. A. J. Clark left last week for Abilene where she will spend several days visiting at the home of her son, Hugh.

That New York magistrate who sentenced a man to take a bath must have had a revengeful feeling toward a perfectly innocent tub.

CANYON NEWS ITEMS OF THE PAST WEEK

Miss Helen Barnett returned to her home last Thursday. Friday night was a very successful social night for Canyon, as everyone who was asked to render a part on the program was present and did their part, which was enjoyed by everyone, especially the singers. We hope to have them with us again.

Miss Gladys Jackson of Ralls, Texas, is spending the week end with Miss Viola Williams.

Miss Nora Sawyers entertained with a party Saturday night. Everyone reported a nice time.

Miss Eva Bevels had the misfortune of falling and painfully injuring her left jaw bone and eye. This is the second accident of this kind that has happened to Eva since her return home. A few weeks ago she was thrown from a car and seriously injured, which she had recovered from only a short while ago.

Miss Julia Richards gave a party Saturday night. Every one present reported a very nice time.

Miss Katherine West spent last week with her cousin, Miss Theo Crawford.

Miss Johnnie Fowler of New Hope spent Saturday night with Thelma Thompson.

Miss Allene Baker spent the week end with Miss Eva Bevels. We are very sorry that Miss Viola Williams will have to undergo an operation next week for appendicitis but she has our greatest wishes for a very successful operation.

W. P. Webb was in Lubbock Thursday.

H. M. Williams and family were in Lubbock Saturday.

Miss Theo Crawford gave a slumber party Saturday night. They all reported "the time of their young lives."

Misses Viola Williams and Gladys Jackson were the guests of Mrs. Raymond Pinkerton Saturday.

Miss Nora Sawyer was a Lubbock visitor last week.

Mr. Barnett was in Lubbock Saturday.

Misses Maude and Ora Hufstader were in Lubbock Saturday shopping.

Mrs. Green of Lubbock will teach our music and voice class at the school house and would like very much for everyone who could take to come to the school house Tuesday evening. She would appreciate every pupil as she is a blind lady and her talent for music and voice is great.

Misses Gladys Jackson of Ralls and Viola Williams spent Sunday afternoon with Miss Eva Bevels.

Mr. and Mrs. Nix and children, Mr. and Mrs. Crawford and children went to Plainview Saturday.

Miss Cecil Harry of Abernathy, spent Saturday night with Truie Thompson.

WOULD VISIT EVERY HOME IN LUBBOCK

"If we only knew," says a well-known man of Lubbock who has a great business, "exactly the homes that have our ice cream packers we would go and get them and return them to the Lubbock Sanitary Creamery. 501

SANITARIUM

FEES

20.00
3.00
60.00

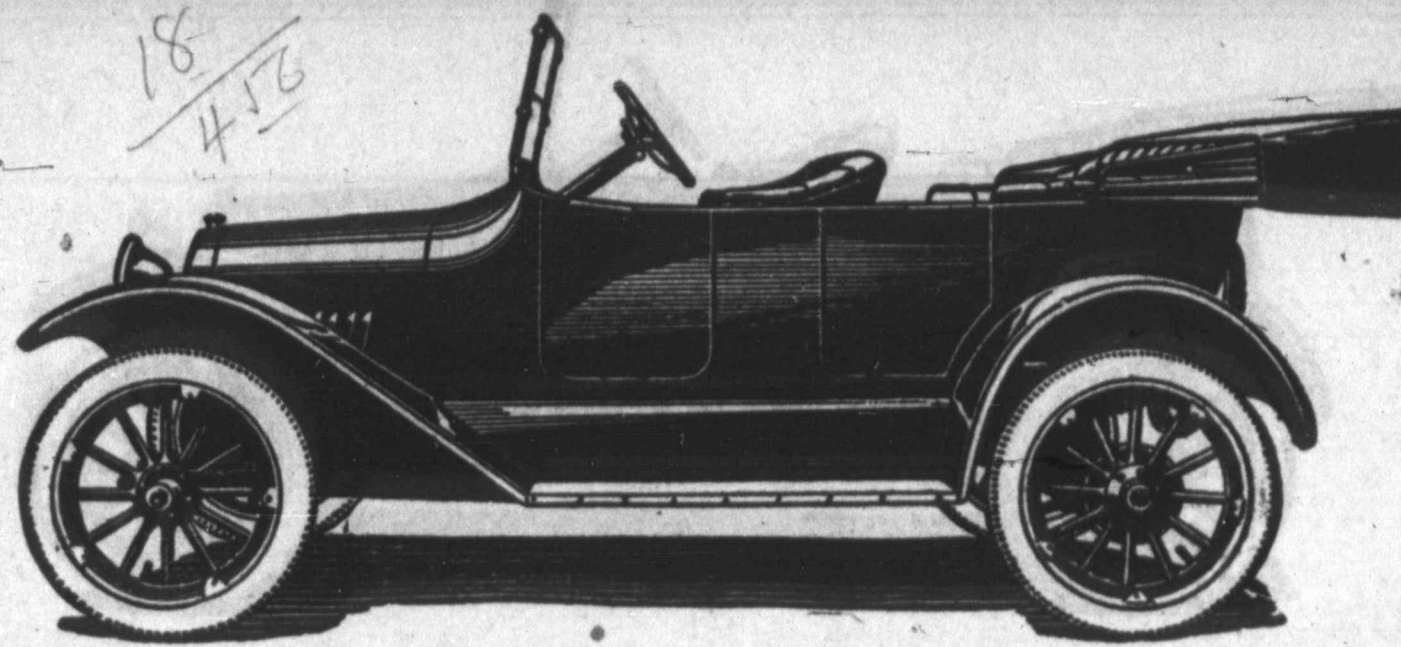

Reports have been persistently circulated the past few weeks that the Lubbock Sanitarium has raised its rates.

The facts are, that our rates have not been changed since last September. Our rates today are the same as they have been for eight months. This rate is six dollars per day, which includes room, board and usual nursing.

Our fees for operations are just the same as they have been ever since the institution was built and are the usual fees charged everywhere for such work.

Our many satisfied patrons all over the country will testify to the above facts.

ANOTHER BIG ADVANCE IN CATTLE; HOGS HIGHER

Kansas City, June 7.—Following last week's advance in cattle prices which amounted to 75 cents to \$1.25 killers were in the market good and strong and paid a further advance of 25 to 75 cents today. Heavy steers sold up to \$14.60, yearlings up to \$14.50 and Arizona yearlings up to \$14.00. Heavy cattle were the highest since March. Hog prices were up 15 to 25 cents, top \$14.35, and sheep and lambs sold readily at stronger prices.

Today's Receipts
Receipts today were 9,000 cattle, 9,000 hogs, and 5,000 sheep, compared with 11,000 cattle, 14,000 hogs and 8,000 sheep a week ago, and 10,600 cattle, 15,900 hogs, and 11,300 sheep a year ago.

Beef Cattle
Trade in beef cattle today presented extreme activity at 25 to 75 cents higher prices. The average gain was 50 cents. Prime 1422 pound Nebraska steers sold up to \$14.60, yearlings up to \$14.50, and fed Arizona yearlings up to \$14.00. The bulk of the heavy steers sold at \$13.25 to \$14.00, and are \$1.50 higher than a week ago. Moderate receipts and a general advance in beef prices in the East is reviving the cattle market. Only scant supply of fed cattle will be offered in the next thirty days. Texas grass fat cattle are selling at \$9.75 to \$12.00. Cows and heifers were 25 to 50 cents higher. Heifers in mixed yearlings sold up to \$14.50. Bulls and veal calves were strong.

Stockers and Feeders
Demand for stockers and feeders is increasing under higher prices for fat cattle, and thin cattle are selling more readily now than for some time past. Today some fleshy feeders sold up to \$12.50, while most of the good thin feeders brought \$9.50 to \$11.00. Stockers sold at \$7.50 to \$10.75. Trade in stock calves continues dull.

Hogs
Having fallen to the lowest position of the year, at the close last week hog prices today started a general rebound with a 15 to 25 cent advance. Shippers were back in the competition owing to a better demand for fresh pork. The top price today was \$14.35, and the bulk of the hogs sold at \$13.75 to \$14.25. Pigs were quoted strong to 25 cents higher, \$11.00 to \$12.25.

Sheep and Lambs
Demand for sheep and lambs showed a more active turn though prices were not notably higher. The bulk of the offerings came from Texas and Arizona. Spring lambs sold at \$15.25 to \$16.50, clipped lambs up to \$14.60, plain wethers \$8.50 to \$9.50, and yearlings \$12.50.

Horses and Mules
Trade in horses and mules continued about the same as it has been for some time past. Inquiry for good fat grades was fairly active.

DISTRICT COURT ADJOURNED UNTIL JULY 26TH

District Court, which was to have been started in Lubbock June 7th, has since been postponed until after the primaries or July 26th. Because the farms of the county needed attention at this time is said to have been the reason given by Judge Spencer in postponing the court.

Jurors who were summoned for the first week of court will now be summoned to appear July 26th. And the others accordingly.

If you have the itch, don't scratch it. It does not cure the trouble and makes the skin bleed. Apply BAL-LARD'S SNOW LINIMENT. Rub it in gently on the affected parts. It relieves itching instantly and a few applications removes the cause thus performing a permanent cure. Sold by all druggists.

John C. Scudday, Terry county cattleman and his son were here Tuesday and Wednesday attending to business matters.

SLIDE HAPPENINGS OF THE PAST WEEK

The farmers are all still busy with their crops. A shower of rain would be appreciated.

Mr. Geo. Henderson and family, Mrs. J. J. Nettles and son, Lloyd, passed through the community the latter part of the week enroute to Lubbock.

Mr. B. M. Moore and wife spent Friday with Mr. Moore's parents.

Mr. and Mrs. N. H. Cromer opened the doors of their home on last Friday evening for an enjoyable time to the people that like to dance. There was a large crowd present. A number of young people from New Hope and also from Lakeview and all spent an enjoyable evening and reported Mr. and Mrs. Cromer enjoyable hostesses.

Mr. B. T. Sumner and wife and Jim Mabry were in town Saturday. Mr. T. J. Davis left Saturday for Amarillo where he went to meet his wife who was returning from a trip to Pauls Valley, Okla.

Misses Irene and Olga Cromer visited their brother and family last week returning home Sunday.

A number of the young people from Woodrow were at the store Sunday.

The ball boys practiced last Sunday afternoon.

Misses Leafy, Eunice and Goldy Depriest, Messrs. White, Sanders and Benton from New Home were in the community Sunday.

W. B. Copeland and family attended church at Lakeview last Sunday.

Leona Sumner came home last Saturday from Canyon to spend a few days with home folks.

There was a dance given at Mr. S. N. Moore's last Saturday night and a number of the young people attended and all reported an enjoyable time.

Miss Lola Mabry was the guest of Miss Ruth Moore last Saturday.

The second ball nine from Slide went down to New Home last Saturday and played the score being 15 to 19 in favor of New Home.

Miss Frances Wilson came in Saturday from Estacado where she has been visiting her grandmother and other relatives for a few weeks.

Mrs. W. M. Chatman and family visited at Wilson from Saturday until Sunday afternoon.

Mrs. Jim Mabry and children motored to town Monday.

Mr. Jim Izzard passed through the community Monday enroute to Lubbock.

Messrs. J. M. Stamford and C. L. Rieger were in town the first of the week on business.

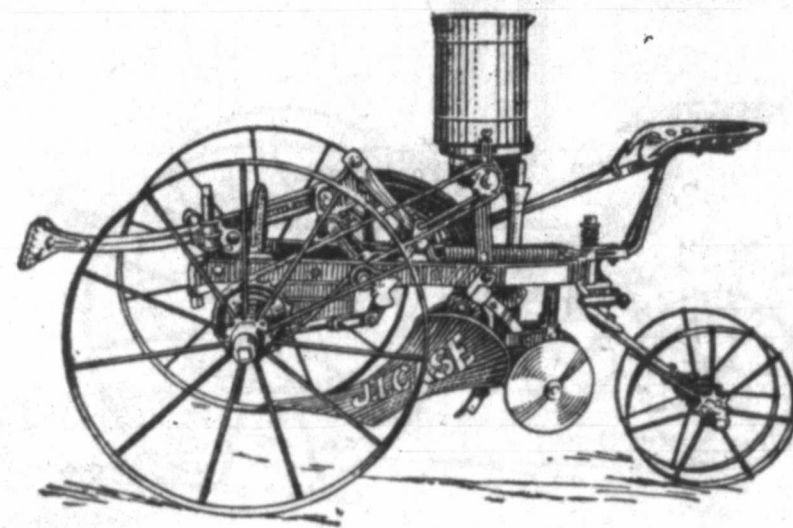

Mr. Pete Caraway is in the community for a few days.

Friends and acquaintances of Mrs. W. H. Wilkison will be glad to learn of her improvement which has been steady since she underwent an operation in the Lubbock Sanitarium the latter part of last week.

T. C. Greenhill of Amarillo was in the city the latter part of last week, looking after business matters.

J. I. Case Implements and Wallis Tractors

Two important helpers on the farm. We have a full line of the famous J. I. Case Implements, and this is the first time this famous farm implement has ever been sold here.

We want you to see the model B and the non-skid lister on the floor. These two listers furnish you a great many features and adjustments that is not acquirable on any other lister, easily adjusted and much lighter of draft than thought for.

We also have the new seat guide cultivator with four and six shovels, which is a wonder in the construction and operation of cultivators.

WE ARE EXPECTING THE EARLY ARRIVAL OF A BIG STOCK OF ELECTRIC RANGES.

General Contractor and Builder Lubbock, Texas

AUTOMOBILE DEALERS SELL \$390,000.00 IN HALF YEAR

Every automobile dealer in Lubbock is crying for cars. "If we could only get them we could sell plenty." Yet figures we have before us are startling in view of the fact that these dealers have thus far been handicapped in their sales. Not less than \$390,000.00, according to the figures given to us by the respective dealers, has been invested in automobiles since the first day of January this year, through the Lubbock agencies. What would it have been if all dealers had been sufficiently supplied?

From the best source obtainable we find there has been two hundred and seventy-five cars of the fifteen different makes sold in Lubbock by Lubbock dealers since January 1st, 1920. The average price paid for cars is slightly more than \$1400. The lowest price is \$730 and the highest \$5,900.

The various makes of cars sold respectively since January and the approximate price paid for them are: Fords, \$39,768; Overland, \$43,022; Chevrolet, \$37,170; Buick, \$38,240; Studebaker, \$4,445; Maxwell, \$2,560; Cadillac, \$11,600; Dodge, \$39,900; Oakland, \$11,200; Cleveland, \$41,210; Chandler, \$27,770; Oldsmobile, \$24,360. (About \$40,000 is allowed for Hudson and Essex sales, as information was not obtainable at the time on exact amount, although these figures are more apt to be below the real amount than above.)

There were 36 Overlands sold; 19 Nash; 8 Oakland; 26 Cleveland; 13 Chalmers; 42 Chevrolets; 20 Buicks; 8 Studebakers; 38 Fords; 2 Maxwells; 1 Chalmers; 30 Dodges; and 2 Cadillac cars included in the sales since January. These figures included touring, sedans, coupets and the innumerable other names of types of automobiles.

There is not a dealer in Lubbock who is apparently satisfied with the cars he receives and none who receives enough to supply the demand. With the present outlook for prosperity over the Southplains who can tell the amount of business that will be done in the next 6 months if these dealers can get the cars? The Ford agency has now 140 orders for cars unfilled.

State of Ohio, City of Toledo, Lucas County, ss.

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. DEATHS

Teddy Wicks, age 2 years, 8 months and 29 days, son of Mr. and Mrs. L. A. Wicks of Ralls, died in a local sanitarium Tuesday following an illness that extended over several days. The body was taken to Ralls Wednesday morning and interment was made in the Ralls Cemetery Wednesday afternoon.

BOY DROWNED IN RIVER NEAR PECOS

Pecos, Texas, June 9.—Farmers above Pecos are fighting tonight in an effort to divert the waters of the swollen Pecos River into the irrigation canals and lower the river sufficiently to find the body of 7-year-old B. C. Gentry Jr., who was drowned while swimming this afternoon.

The family came to Pecos during the oil boom and lived in a tent. The mother is now in a Dallas hospital. More than 100 persons are searching the river tonight.

Mrs. P. G. Selman and children are visiting for a few weeks in Roaring Springs, with her sister, Mrs. Jenks Penney.

Mrs. Murphy Luna of Plains, is here this week visiting with her mother, Mrs. W. J. Luna.

CONSERVATION CLUB DEPARTMENT

New Hope

Miss Halsey met with us May 19, at the school house and we organized a canning and poultry club. The following officers were elected:

President, Lillie Cowart.
Vice president, Lathie Bevers.
Secretary, Elsie Wilke.

We had our next meeting at the home of Lathie Bevers, June 4th. All the club members were present and every girl gave a report of her work. The poultry club members have quite a number of chickens hatched off. The canning club members have their tomatoes up and growing nicely.

Miss Halsey gave us an apron pattern and every girl cut herself out an apron.

We are going to have our next meeting at the home of Elsie Wilke July 2.

—SECRETARY.

The court of criminal appeals has held that the tick eradication law is faulty and incomplete as provisions requiring dipping of cattle and the law is practically inoperative.

One thousand feet of new hose for the Lubbock fire department has been ordered and is expected to arrive almost any day.

Woman's Home Missionary Society Korea

Korea, the one time "Hermit Kingdom", now in touch with world movements. The historic "Cho-sen or Land of the Morning Calm" has emerged from the mists of the past as a ward of the race she once helped to civilize. Korea's 84,173 square miles of almost untouched resources are being developed into a new Asiatic potentiality under Japanese tutelage. Japan's recent attitude toward Korea is the natural thing to expect from heathenism when you give it an educated brain and fail to change its heart. The heart of Japan is not different from the unchristian heart of any other people. Japan has already attained in a measure that intellectual culture toward which all the rest of heathenism is striving; and Japan must be curbed or she is a menace. "The Japanese military machine is out-Prussianizing the Prussians." Japan will say she has taken no measures in Korea other than such as her national safety has required. She will say that she has fought two great wars in a quarter of a century, because of the inability of the Koreans to govern and protect their own territory, and that the nearness of Korea to Japan compelled Japan to take control of Korean affairs; that she has improved conditions in Korea marvelously and that materially, at least, Korea is very much better off than she could have been if left to herself. And we must remember that Japan has done many things for Korea in helping her along the road to civilization—still, what is the remedy? The regenerating of Japan will solve it. Some people have the mistaken idea that Korea is almost evangelized. Far from it. While it is true that the Koreans have more readily responded to the gospel than others, it is true also that there are millions of Koreans yet untouched. A population of 17,000,000 and only 300,000 Christian, think of it; Korea's chief hope lies with a new democratic Japan. The Korea of tomorrow will reflect the

THE LEADER,

THE STORE OF THE PLAINS
LUBBOCK, TEXAS.

Build Homes

Great good could be done to yourself and the CITY OF LUBBOCK, if the vacant property owners would build some neat houses on them. It would enable a great many of mighty good people who are wanting to come here to find homes. Also your property is enhanced and the revenue will be more than satisfactory.

If you will investigate the plan whereby I lend money for such purposes you will likely start that house before long.

Nothing could be more convenient than the plan of payment which I make.

Claude B. Hurlbut

City, Farm and Ranch Loans
Citizens National Bank Bldg.
Lubbock, Texas

Japan of today. Thus the missionary problem of Korea is the missionary problem of Japan. A new Christian heart for Japan means a new future for Korea.

The Koreans desire to be independent, but they do not want war. They prefer a peaceful recognition of their rights.

The Mission Study Class will meet Monday afternoon at 3 o'clock in the church parlors and discuss "Tragic Phases of Korean Life."
—Mrs. W. C. Rylander, Supt. Pub.

CITY LOANS

Can make that loan to buy, build or improve your house or business property. Loan payable on easy monthly payments with or before privilege. Claude B. Hurlbut, city, farm and ranch loans. 501

Three divorces were given to Lubbock ladies this week, which appeared on the appearance docket of District Court.

Sheriff Cobb of Gaines county is in Lubbock this week visiting with F. W. Denham, and transacting business.

C. C. Robbins of the Hornsby-Robbins real estate firm, is in Amarillo this week on a short business visit.

I have a good stock of face brick on hand, so you can build that home now if you like. Claude B. Hurlbut. 501

Dick Brownfield and family were here last Saturday transacting business. 501

WHAT IF PEOPLE'S LAUNDRY NEVER RETURNED?

If the laundry should keep your clothes always, you would likely raise sand—wouldn't you? Well, some of you dear readers know that you have an ice cream parlor at your home that is the property of the Lubbock Sanitary Creamery and we're still waiting for their return. 501

Ray Kennedy and wife of Liberal, Kans., who have been here a short time visiting with Mrs. Kennedy's father, W. S. Hodges, returned today.

Lubbock, Texas

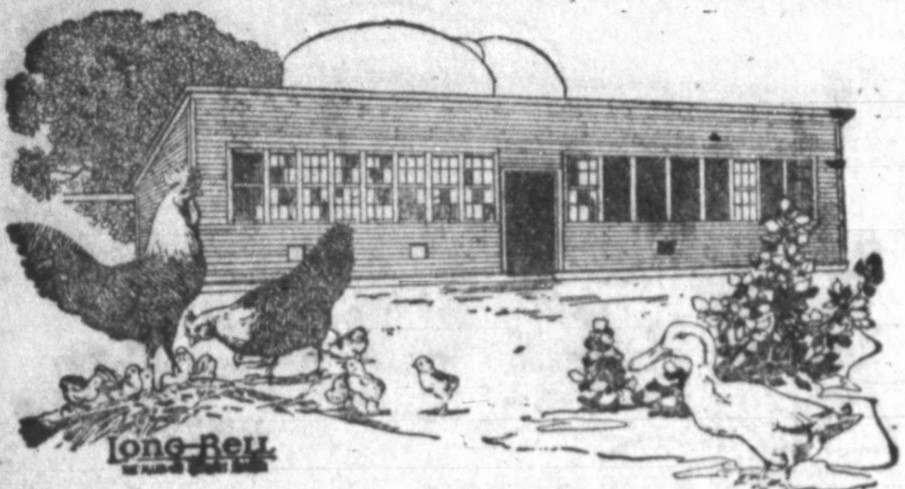

Late reports from Washington place the government expenditures for the year just closed at approximately \$6,750,000,000. This means a per capita expenditure of a little over \$67.00. Have you aided the government to that extent?

College professors tell us that higher education is essential in modern business. But Old Hi Doodle says "it has to have the shine rubbed off with good hoss sense."

SWEET POTATO SLIPS

Plenty of Nancy Hall, home-grown sweet potato slips. Order now. Lubbock Floral. 497

Parties are figuring with the people of Crosbyton on the establishment of a flour mill at that place.

Increase Your Poultry Profits

Weather proof, well ventilated poultry houses keep chickens healthy. A healthy chicken lays more eggs. So the surest way to increase your income from chickens and eggs is to see that the chickens are properly sheltered.

Wood is the best material to use for it's warm in winter, cool in summer and does not hold moisture long. And it's easy to work. In addition to our regular stock of lumber we have some of the well-known Long-Bell trade-marked lumber in various grades.

Let us tell you how to build the right kind of poultry house at moderate cost. Decide to increase your poultry profits.

TRAINING LITTLE CITIZENS

Teaching Thrift to Children
By Charlotte B. Eldridge, Savings Division, U. S. Treasury Department
The parents and teachers of every child wish him to have the benefit of greater advantages than they have had. That is one of the reasons why parents often make great personal sacrifices to educate their children for more congenial work than they themselves have enjoyed and interest in his pupils is one of the few compensations for the trials and insufficient financial returns of a teacher's career.

To make the principles of thrift effective to the child, they must be put into constant practice both at home and in school and must have a direct connection with his daily life. Every educator realizes the tremendous value of teaching thrift and industry to little children both for their immediate benefit and in anticipation of their future success. Parents who have not had a training in personal economy are anxious to have their children realize that the practice of thrift and an appreciation for the value of money are essential to success and self respect. Thrift principles enter into every relationship and problem of daily life.

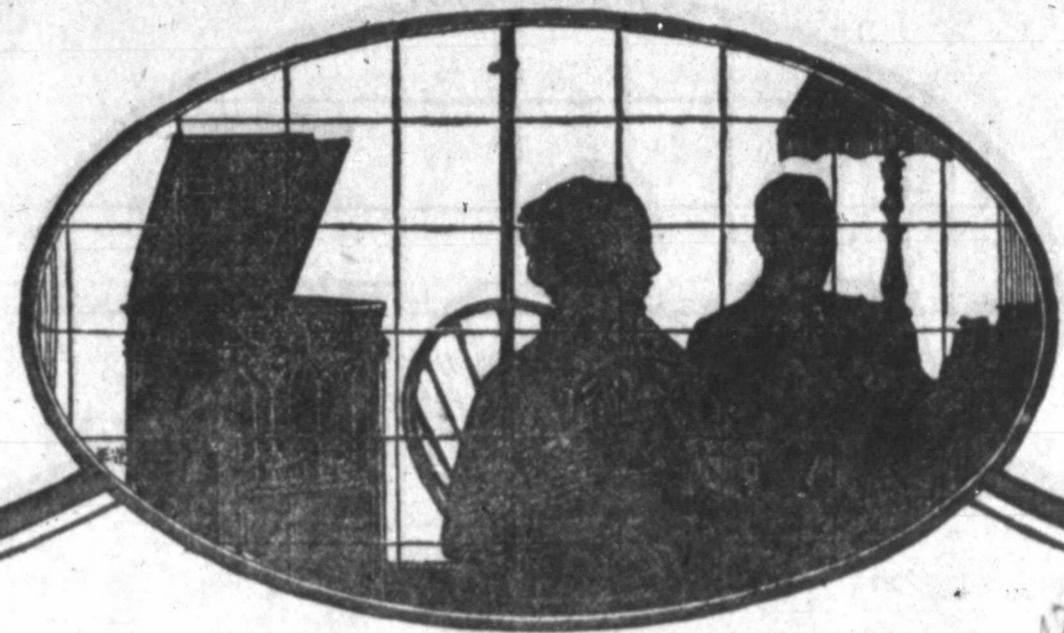

Training in economy is equally necessary for the child of parents in poor or moderate circumstances and for those who are rich. In our complex American life it is possible that the poor child of today may be the rich man or woman of tomorrow, and that the child born with a silver spoon in his mouth may sometime be thrown upon his resources.

It is never too early in a child's training to begin the teaching and practice of thrift. Tales of the habits of animals and insects furnish many examples of this quality. The simple story of the red squirrel will interest any child. Tell him that before cold weather begins the red squirrel builds a comfortable and durable home, that during the summer and fall he gathers nuts and acorns to provide food for the winter time when snow covers the ground. Contrast the habits of the spendthrift rabbit, who saves nothing and who consequently suffers from hunger.

The thrift and enterprise of the bee and the ant may be contrasted with the laziness of the grasshopper and the butterfly. The Book of Proverbs and Aesop's Fables contain many a story which shows the stupidity of extravagance and laziness.

Thrift may also be taught by the careful use of materials, in the school room by economy in handling chalk, clay, paper and other articles, and in the home by careful use of furniture and by the elimination of waste in household necessities such as food, fuel and light.

In every walk through the streets to and from school, material for consideration presents itself. The example of the fire department, a source

Try this better way of listening

Come in and let us give you Mr. Edison's Realism Test.

It's for folks who wonder whether the New Edison gives them all there is in music.

It brings into play your musical taste! Your temperament! Your musical experiences! It makes you forget you are in a phonograph store.

The NEW EDISON

"The Phonograph with a Soul"

Noted psychologists from American universities tried the Realism Test—with amazing results.

You'll find it thoroughly fascinating—and remarkably helpful. We are glad to give it at any time. Takes only ten minutes. So drop in when you are near.

Ask about our Budget Plan. It buys your New Edison without "squeezing" your income.

Efficiency is Acquired Information

WHAT DO YOU KNOW? Recently many magazines have been printing series of questions that the average American should be able to answer readily. Intelligence tests to grade mentality were adopted in the United States Army, and are rapidly being introduced into our public school systems. Many of us, when confronted with these tests, are surprised to find that WE DO NOT KNOW AS MUCH AS WE THOUGHT WE DID. We may have a general idea, but not a definite knowledge.

NELSON'S PERPETUAL LOOSE-LEAF ENCYCLOPEDIA & Research Bureau for Special Information

The New World Reference System

Here is the Nelson's Encyclopedia, that is kept always absolutely up-to-date by means of the Nelson Patented Loose-Leaf Binding Device. It cannot grow old—it is perpetually new. Every six months the publishers furnish 250 or more new pages. You insert these new pages and discard the old, and you have the Encyclopedia of Today constantly keeping pace with the world's progress.

Old encyclopedia methods were perhaps all right when the world was pursuing a normal stride year in and year out, but the New World demands a new encyclopedia. A reference work giving information of the world's affairs can no longer be planned for a decade's use. THE NEW TRUTHS MAKE THE OLD TRUTHS UNTRUE. Of what use is an encyclopedia of a world that no longer exists? The efficient man is the man who knows—the man who has the knowledge of the New World as well as of the past; the man who has the information or knows where to find it.

THE WORLD'S GREAT AUTHORITY

Nelson's Loose-Leaf Encyclopedia is an Authority in the Library of Congress, U. S. Depts. of State, Justice, War, Navy and Agriculture, U. S. War Ships, U. S. Army Posts, Circuit Court of Appeals, Chief Signal Office, Commissioner of Patents, etc., etc.; Statesmen, Diplomats, Scientists, Specialists, Librarians, Universities, Colleges, and Schools, when seeking the most accurate and latest information, depend upon Nelson's—THE WORLD'S GREATEST QUESTION ANSWER.

ACT NOW—Before the advance in price. Because of the abnormal situation in book manufacturing, the great increase in cost of labor, paper, and everything connected with book-making, we are compelled to materially advance our prices without further notice. To take advantage of the present low price and easy terms of payment you must mail the coupon now.

NELSON'S LOOSE-LEAF—THE ONLY ENCYCLOPEDIA TO DATE

Nelson's Reading and Study Courses in UNITED STATES HISTORY, THE WORLD WAR, BUSINESS ECONOMICS, NATURE STUDY, AGRICULTURE, AND HOME ECONOMICS are declared by educational authorities to be equal to a college course and training in each of these departments. By their use a boy can remain on the farm and yet receive all the advantages of a college course in Scientific Farming; a girl may have the services of the leading authorities on household economics without leaving her home; while the professional and business man may receive a business training superior to that which can be obtained from any of the widely advertised business institutes.

EXCHANGE—Send for price list giving amounts allowed for old Encyclopedias to apply as part payment on a new Nelson's Perpetual Loose-Leaf Encyclopedia.

of interest to every child, may be used to show how loss of life and property is prevented. The public cans for rubbish are another public economy, for by their use we decrease the duties of the street-sweeper.

The means of practicing the principles of thrift are numerous. Children may be encouraged to buy the government Thrift Stamps issued by the United States Treasury, or to have accounts in Postal or Savings Banks. Through these channels the systematic saving of money may be brought home to the child in an attractive and profitable way, and the sums so saved conserved and invested. Americans have been called a nation of economic illiterates. They are spendthrifts by habit. It may not be possible to eradicate the vice of extravagance in this present generation, but it can be stamped out of the boys and girls of the future by continued instruction.

The influence of economy is far-reaching, and instruction in thrift is a personal, a municipal, and a patriotic duty which both parents and teachers owe to the children, the community, and the country.

"How We Cleared Our Summer Home of Rats" by Mrs. Perry.

"When we opened our seaside home last May, it was alive with rats. They had gnawed all the upholstery. We cleaned them out in a week with RAT-SNAP. I prefer this rat killer because it comes in cake form, no mixing. Saves dirtying hands and plates." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Cole-Myrick Hardware and Implement Co., and City Drug Store.

A good game of base ball was recorded last Friday when Tahoka and Brownfield played on the Brownfield ground, according to fans of Lubbock who attended the game. Brownfield was winner by a score of 5 to 4.

O. L. Slaton, president of the Lubbock State Bank, who has been in Mineral Wells for a few weeks, returned last Friday.

The Guinea That Does Not Affect the Head

The man who sued a western paper for \$2,500,000 evidently doesn't know much about the price of paper.

Many a man is considered great by his countrymen until his wife spills the beans.

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes.

More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

SOCIALISTS HARD UP.

It would appear that the Socialists are extremely hard up for presidential timber when they have to go to a Federal prison for a candidate. In doing so, the party has openly advocated the overthrow of government and the substitution of radicalism in its "reddest" form. Certainly there must have been other men in the party fully as capable leaders as Debs but the Socialists choose to put themselves on record as endorsing the stand of Debs, probably hoping thereby to make him out a martyr.

It is fortunate that they have taken this stand for no one can fail to see, now, where socialism leads. So long as they were held in check by conservative leaders, many people were misled by their arguments and promises. To try to force such a candidate as Debs down the throats of loyal Americans will automatically separate the "sheep" from the "goats" in the party. It will cost socialism thousands of votes but may bring in to their ranks other thousands of I. W. W. and Bolshevists.

If the Socialists desire to so degrade their party, it is, of course, their own concern. Their action will bring back into the old parties many voters to whom it has revealed the "feet of clay" of the Socialist god.—Southwest Plainsman.

NEWS ITEMS FROM THE CROSBYTON REVIEW

E. A. Fowler of Big Four was in town Tuesday. He has a field of 550 acres of wheat that he tells us is as good or better than it was last year when it made 20 bushels per acre. He also has 200 acres in oats that with another rain will go 70 bushels per acre, he thinks.

Mr. and Mrs. J. Y. Riddle of Ralls, while driving through the canyon Monday from the East Plains, their horse became frightened and Mrs. Riddle got caught in the buggy wheel and her legs and ribs were badly broken. Mr. Riddle also sustained some very bad bruises. They were both carried to the Lubbock Sanitarium for treatment.

L. F. Boyd shipped three cars of exceptionally fine white face cattle to his ranch near Seagraves last week. These cattle had been on grass across the canyon and were in fine shape.

Monroe Robertson came in Saturday from Idalou where he has been superintending the construction of a new gin at that place. The building is about finished, but the machinery has not yet arrived.

Thursday morning, June 3, in the presence of a few relatives and the pastor's family, Miss Sallye Brown of this place, and Dr. R. D. English of Snyder, were united in the bonds of matrimony by Rev. J. B. Cole, pastor of the First Baptist church. Miss Brown is a worthy young lady and has many warm friends in Crosbyton and vicinity. Dr. English is the son of our townsman, Mr. E. English, and is known to many of our people, having visited this place often. After the ceremony the happy couple left on the early morning train on a bridal tour of several days. They will again visit Crosbyton before taking up their residence at Snyder.

Wednesday morning, May 26th at 11:20 o'clock, Miss Dorothy Tarrence and Mr. J. Fred Cole were united in marriage. The ceremony was performed at the Episcopal church by the groom's father, Rev. J. B. Cole, of Crosbyton, Texas. Preceding the ceremony, Miss Ruth Rayburn sang "At Dawning," accompanied by Miss Anna May Tarrence. Miss Fanny Newsom then played Mendelssohn's wedding march and the bride and groom entered, preceded by Rev. Cole. The impressive ring ceremony was used. The bride was charming in a light field mouse suit with accessories in blue, and carried a shower bouquet of lilies and sweet peas. The groom was attired in a suit of dark blue. Only the closest friends of the bride and groom were present. After the ceremony, the bridal party accompanied the young couple to the train where there was the customary throwing of rice and marking of baggage. The bride threw her bouquet just as the train started and Misses Fannie Newsom and Anna May Tarrence caught it. Mr. and Mrs. Cole left for Crosbyton, where Mr. Cole has furnished a home. They will visit relatives of the groom on the way.—Llano News.

Regular morning operation of the bowels puts you in fine shape for the day's work. If you miss it you feel uncomfortable and cannot put vim into your movements. For all bowel irregularities **HERBINE** is the remedy. It keeps the system in fine, vigorous condition. Sold by all druggists.

Sweetness doesn't always behave as it should—look at the price of sugar, for instance.

Heard of the latest popular game in fashionable society? Progressive matrimony.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

Let's settle this right now!

No man ever smoked a better cigarette than Camel!

You'll find Camels unequalled by any cigarette in the world at any price because Camels combine every feature that can make a cigarette supreme!

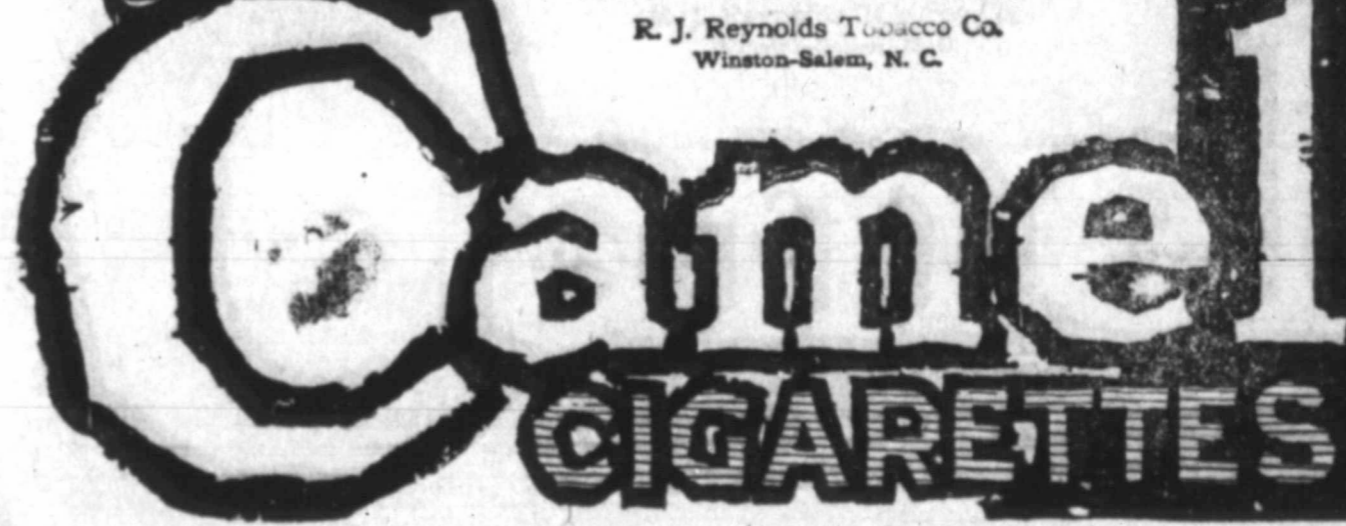

Camels expert blend of choice Turkish and choice Domestic tobaccos puts Camels in a class by themselves. Their smoothness will appeal to you, and permit you to smoke liberally without tiring your taste!

Camels leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

You'll prefer Camels blend to either kind of tobacco smoked straight!

Camels are sold everywhere in essentially sealed packages of 20 cigarettes for 20 cents, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

SLATS' DIARY

Friday—the Teacher was explaining aster ology which is sum kinda science for telling yure forchin by a star & planets and sines and etc. she tuk down my statisticks like wen I was born & all. She looked in a book & then sed You was born under the sine of Taurus the sine of the Bull. Pug Stevens looked at Jane & wunk & she smiled, like as tho they had a joak on sum 1. I let on I dident see them.

Saturday—wen pa went in to the store to by a fishook he seen a ole frend clerking behind the counter pa sed Well well well John & they shuk hans pa sed John I thot you had struk oil down on yure farm & had plenty munny The man which was John replied & sed Bigolly I got to wirk to get munny to pay my income tacks pa sed to me Slats I guess Im lucky because I dont haf to wirk to pay my tacks.

Sunday—All drest for Sunday skool & ma called me back & ast me did I wash my neck I sed no she sed You go wash it. I sed what for I got on my collar. She made me take it off & wash emy how. I hate Sunday. Wish I was a pirate.

Monday—pa's ant which is a ole lady cum to see us & she told pa if he wood quit swaring she wood give him a new set of golf clubs & a golf bag pa explained to her it woddent be no use to him if he had to quit swaring she diddent understand. I did. I am his caddie.

Tuesday—Got my report card today. Skool is out this coming Friday. Grade was low. Ma sed I thot you sed you was a brite skolar I sed I thot I was but they seemed to be a different opinion between me & the teacher. Glad they dont have grading in Sunday skool.

Wednesday—teacher ast Jake why the elafont lives to such a long old age. Jake sed it was becaws his meat is so tuff.

Thursday—ma & pa bot a new bed for me which is very high pa sed it was becaws they slep so sound. If I fall out of it they can hear me. Its so high if I ever do fall out I will be a wake before I lite.

Come to Lubbock.

USL—A Complete battery plus Golden Rule Service

For people who appreciate a good battery and good battery service

To build the best battery it is possible to produce—that's the USL policy. USL doesn't expect to sell a battery to every car-owner in this community, but it does hope to sell batteries to people who appreciate a good battery.

We desire to place our USL Golden Rule Service at the disposal of all battery-owners who appreciate good Service. To them it is not the volume so much as the caliber of the Service rendered. We have solved the problem of good battery service. It is yours for the asking.

GRAIN CROPS DAMAGED BY SEVERE HAILSTORM

Plainview, Hale Co., Texas, June 2.—Considerable damage was sustained by grain growers in the northern section of Hale county yesterday by a heavy hailstorm, which was accompanied by a four-inch rain. In some places entire crops were lost. Approximately 8,000 acres are affected.

SINGING AT CARLISLE

Come to Carlisle school house Sunday afternoon, June 13th, and enjoy yourselves. Prof. T. Q. Dyess, and other good singers will be with us and we will have a good time.

Many people are predicting a panic, but it is useless to get into a panic before it comes.

J. Edd McLaughlin, Jim Brown, J. G. Baffle and William Johnson, all of Ralls, were business visitors to the "Hub of the Plains" the first of this week.

Walter Neves and wife left the latter part of last week for Taylor where they will spend some time visiting with acquaintances and relatives.

GROVESVILLE NEWS ITEMS OF THE PAST WEEK

There was a large crowd at Sunday school Sunday. Bro. Brabham went to Shallowater and failed to fill his regular appointment.

Miss Hester Lewis spent Monday with Una Arnold.

Mr. Arnold and family and Miss Nadine Beason, were visitors at the McCallon home Sunday.

Mrs. Arnold has been visiting relatives at Clarendon this week.

The singing was well attended at Mr. Groves' Sunday night.

Mr. Beason and family spent Sunday with Mr. and Mrs. Frizzell.

Misses Una Arnold and Lucile McCallon were shopping in Lubbock Saturday.

Miss Ara Karr of Badger Lake, is visiting her cousin, Miss Alma Elliott, this week.

Mr. Sheely and family attended Sunday school and church at Shallowater Sunday afternoon.

Mr. Quitman Shaw attended the singing given at Mr. Pierce's Sunday night.

Mrs. Gentry was visiting Mrs. McCallon Friday evening.

Mr. Robinson and son, Ollie, left Thursday for San Angelo, to be gone for a week. He went after his wife and two children.

Misses Kate, Pearl and Mary Thomas were shopping in Lubbock Saturday.

Misses Irene and Elvira Scott were visitors in the Barnett home Saturday night.

Miss Arlene Robertson spent the night with Miss Una Arnold Monday night.

Horace and Anton McCallon returned home Wednesday from Austin where they have been attending the school for the deaf.

Mr. and Mrs. Barnett were visitors in the McCallon home Sunday evening after Sunday school.

Mr. Claude Matheny was a pleasant caller at the Elliott home Sunday afternoon.

LUBBOCK CATTLEMAN PURCHASES A CURTIS AIRPLANE

It might be that because the automobile dealers could not supply the right car at the right time that caused Bob Slaughter, manager of the Lazy S ranch to purchase a three-seated Curtis airplane, or it are not fast enough for Lubbock cattlemen. Mr. Slaughter, according to C. A. Pierce, agent for the Slaughter lands in Lubbock, purchased this plane the first of this week and will likely arrive in Lubbock the latter part of the week. How close will a ranchman live from town with an airplane?

ACUFF ITEMS OF THE PAST WEEK

We are enjoying some beautiful weather since the rains. Everything is growing very fast and the weeds are doing extremely well.

On account of the singing convention Sunday very few were present at Acuff church meeting.

Mrs. Stricklin and daughters took dinner at Mrs. D. Pounds' Sunday.

Mr. and Mrs. P. G. Selman visited Mr. and Mrs. D. Pounds Sunday.

Mrs. Elmer Bush and son, Volney, spent Saturday night with her mother, Mrs. J. J. Baker.

Messrs. and Mesdames J. M. Bloyd and E. O. Evitt and Dewey Dunlap went to Bledsoe Sunday.

Velma and Lois McInroe went to Lorenzo Tuesday morning.

Mr. and Mrs. L. S. Evitt and Mrs. W. D. Davis and Misses Mahon and Darby took dinner with Mrs. G. C. Davis Sunday and report an enjoyable time.

Several of the Acuff people attended church at Idalou Sunday evening.

Mrs. D. Pounds and W. D. Davis spent Thursday with Mrs. L. S. Evitt.

Mr. and Mrs. L. S. Evitt and Mrs. W. A. Davis went to Lubbock Saturday.

Mr. and Mrs. Joe Williams and family visited his brother, Mr. W. N. Williams Sunday.

Mr. and Mrs. Orley Rush attended church at Lubbock Sunday.

Mr. Lee and daughter are out visiting with Mr. and Mrs. W. N. Williams. We understand they intend moving here in the fall.

Emery and Pauline Selman are visiting their aunt, Mrs. L. S. Evitt this week.

Mesdames W. P. and O. E. Rush, and L. S. Evitt, W. A. and E. R. Davis attended the Federation meeting at the court house Saturday afternoon.

We would appreciate a good rain in this part of the country. However crops are looking real well so far.

Mrs. W. D. Davis is visiting her daughter, Mrs. Perney at Roaring Springs this week.

Mr. and Mrs. W. P. Rush were in Lubbock Saturday.

Several of the Acuff people attended singing at Idalou Sunday morning, and report a very pleasant time.

Mr. and Mrs. Elmer Rush and son Volney, took dinner with Mr. and Mrs. L. S. Evitt Sunday.

Messrs. and Mesdames O. E. and W. P. Rush and families attended services at Idalou Sunday morning.

Bro. Stricklin made a very interesting talk at Acuff Sunday morning.

Mrs. Stricklin and family are visiting in Abilene for awhile. They will see Neva, their oldest daughter, graduate while there.

Mr. and Mrs. L. S. Evitt were in Lubbock Saturday.

Sunday is Bro. Taylor's day to preach at Acuff. Let's all come out and hear him.

Mr. and Mrs. E. O. Evitt were in Lubbock Saturday.

G. C. Davis and Bud Lambert went to Lorenzo Monday morning.

Mr. and Mrs. W. A. Davis and children went with Mr. and Mrs. D. Pounds Sunday for dinner.

J. E. Garrison and family and Bill Honey have returned from Abilene where they visited with Mrs. Garrison's sister and family, Mrs. W. D. Mayfield. Miss Eddy Garrison remained in Abilene to visit a week with Miss Evelyn Jones.

Lawrence Gelin, son of Mr. and Mrs. John Gelin of this city, who has been here a few days visiting with parents and friends left Tuesday morning for Houston, where he to Dallas to again take up his work will visit a short time before going in the Federal Reserve Bank.

Messrs. Jim Smith and Noah Bell of the northern part of Terry county, were business visitors here Tuesday and Wednesday.

Joe Hilton of the Cadillac garage, was in the Plainview country the first of this week.

RICHARD L. DOUGLAS RETURNS FROM STATE UNIVERSITY

Richard L. Douglas, who was here last summer in the law office of attorney Roscoe Wilson, returned the latter part of last week from Austin, where he had been the past winter taking a law course in the State University. Mr. Douglas informs us that he will again be associated with Mr. Wilson and will remain in Lubbock until the opening of the next term of school.

The office of Jackson Brothers, feed and coal dealers of this city, is being moved this week from south Cedar Street to near their warehouse near the railroad tracks.

Born last Wednesday afternoon to Mr. and Mrs. Rufus G. Moore, a girl. Mother and daughter are reported doing nicely.

Mrs. Clark Rush left last week for Taylor where she will visit for several days with friends and relatives.

MINISTER AND WIFE OF PETERSBURG BADLY BURNED

Rev. J. W. Brown, pastor of the Methodist church of Petersburg and his wife were severely burned last Wednesday night when a gasolene lamp exploded. Mrs. Brown, it seems in attempting to turn the light down pulled out the small rod which let the gas run outside and the flames downward. The clothing of both caught fire and each were burned severely over the left arm and shoulder. Dr. Overton of the Lubbock Sanitarium, was called to attend the couple. Friday they were brought to the Lubbock Sanitarium, where they are reported to be improving rapidly. Rev. Brown and wife are well known over sections of the South Plains and was at one time pastor of the Methodist church at Abernathy.

"I Got Real Mad When I Lost My Setting Hen," Mrs. Hannan

"I went into the hen house one morning and found my favorite setter dead. I got real mad. Went to the store, bought some RAT-SNAP and in a week I got six dead rats. Everybody who raises poultry should keep RAT-SNAP." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Coleman Hardware and Implement Co. and City Drug Store.

Success is always ready to meet you half way, but it will never cling to your coat tails.

F. M. Maddox and wife went to Post Monday on a short business visit, returning home Monday afternoon. Mr. Maddox reports that they encountered some real muddy roads.

DODSON TELLS THE HORROR OF CALOMEL

You Don't Need to Sicken, Grip, or Salivate Yourself to Start Liver

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous salivator to start liver and bowels.
Here's my guarantee: Ask your druggist for a bottle of Dodson's Liver Tonic and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.
Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling splendid. It is perfectly harmless, so give it to your children any time. It can't salivate.

COMPARATIVE COTTON PRICES NOW AND 1897

J. H. Jennings, local townsman, handed the Avalanche a book which he had kept his cotton accounts in during the year of 1897. Mr. Jennings was then residing in South Texas and was a cotton buyer. We find that 1160 pounds of cotton seed at that time was bought for \$4.06. Today it would possibly sell for nine or ten times that amount. Many bales of cotton bought in 1897 brought the grower \$25 and less, from which the picker got his portion. A bale of cotton now bringing less than \$150 would be considered worthless.

BARRIER-JONES WEDDING AT ROARING SPRINGS

Paul Barrier, member of the firm of Barrier Brothers Dry Goods Co. and manager of the Floydada store, and Miss Euralea Jones of Roaring Springs, were quietly married at the home of the bride's parents in Roaring Springs last Sunday afternoon. The couple left immediately for the mountains of Arkansas where they will spend several days on their honeymoon, after which they will return to Floydada and make their home.

NOTICE!

Have your old floors made new and your new floors sanded, waxed and polished by the new surfacer and polisher, and they will last twice as long. NETTZ, The Floor Man. Phone 382. 501p

Mr. and Mrs. W. J. Elliott, Miss Margaret Elliott, Denna Edmonds, Miss Kelly, W. P. Blukert and Clifford B. Jones, all of Spur, were visitors in Lubbock last Sunday.

SACRIFICES IN WAR ARE FOR COUNTRY

Wichita Falls, Texas, May 30.—Judging from an article in your editorial columns today, some ex-service man has taken exception to your stand on the present bonus question. The writer is 59 years old, tried his best to get into active service during the late war, but was barred on account of age. Had I been allowed the privilege of being one of the fighting defenders of my country I would have considered it the greatest honor in my life. The ex-service man claims to have lost a farm and two of the best years of his life defending his country. Very likely I am at least thirty years his

senior and working on a commission basis (no work, no pay), my yearly compensation during normal times averages three to four thousand dollars.

During the war the firm I was with had to quit business; the next one I was with failed, and the third one I was with worked one-third to one-half time. All firms were in the same line of business and their trouble was due principally, if not altogether, to Government control of raw materials and I figure the war caused a loss to me of at least \$6,000, but I did not then nor do I now utter one word of complaint, for I think every dollar I was deprived of was for the good of my country, and I would consider it an insult to be offered one penny of its return, even though my finances are far from being flush.

No one could have a higher regard for our soldiers than I, but when it goes to asking a bonus for one's patriotic duty I consider it a disgrace to American manhood, and unless the American Legion kills the move themselves it will cause a blot in their history that will never be effaced.

Paying a bonus now, I suppose the next move, on our country having to declare war, will be a demand for so much per for patriotism or we strike, or no tip no service. As for me I have more respect for a professional beggar than any white man or woman who receives a salary and accepts a tip.

Soldiers, do not barter the respect of your countrymen, nay the world, for a few paltry dollars.

I know there are many among you who feel as I do, and to those I most earnestly appeal. Respectfully,

A. H. MANNING.

W. B. Bishop, former principal of the Wilson school, and at one time teacher in the Tahoka school, has recently announced for the office of County Judge and County Superintendent of school of Lynn county, he informed the Avalanche representative last Saturday.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS PHIL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleases to take. 50c per bottle.

Farm Life Being Made Attractive

Solution of how your boys can be contented with farm life will never be entirely made satisfactory. The city life can promise no more real convenience than rural life. If the fathers and mothers on these farms take advantage of the progress being made, they will find that they have neglected to equip their homes with the things that tend to make their homes both pleasant and convenient.

City Conveniences Offered to Farms

Nowadays every farm on the Southplains can be equipped with Phelps Light and Power Plants at a cost negligible to the amount of real comforts and pleasures it returns. Indirectly the equipment of these plants on the farms will be a big factor in whether or not your children are contented.

Why We Offer---

The PHELPS Light and Power Plant

4830
1440

The Phelps light and lower plant, which will cost \$595 installed on any farm, will in return to its owner, give 1500 WATTS OF POWER—enough to light 30 lamps of 50-watt power. It will economically and efficiently run cream separators, washing machines, sweepers, etc., thus providing all electrical comforts of city life. These plants are so equipped and built that they WILL GIVE A MAXIMUM OF SERVICE AT A MINIMUM OF EXPENSE. The fact is: Plants selling for more money than the Phelps light and power plant, deliver about one-half the power.

Exclusive Agency in 12 Counties

We know that with the progressive spirit that the Southplains farmers are blessed, that they will equip their homes this year with these plants. THE SIMPSON ELECTRIC COMPANY, OF LUBBOCK, TEXAS, in order to familiarize the farmers of the Southplains with these plants, will keep them in stock, ready for installation on short notice and accessible to investigation.

An attractive proposition is now open to live men on the Southplains who will and can sell to farmers something that they need and something that will merit respect.

LEGISLATURE GIVEN A PURE SEED BILL

Austin, Texas, June 2.—"A pure agricultural and garden seed" amendment to existing laws was submitted to the State Legislature today by Governor Hobby.

The amendment would require proper labeling, prohibition of mixing seeds unless so labeled, defines noxious weeds and foreign matter, provides that a certificate of analysis by the commissioner of agriculture shall be prime evidence in certain cases, and regulate measures of damages. An officer is designated for enforcement of the measure.

A total of 144 bills have so far been submitted to the special session.

When a fellow tries to flirt with a woman she calls him impertinent. If he ignores her she thinks he is indifferent; and if he does both he is a hypocrite. Now what's a poor devil of a man to do?

The Modern Language Association has abandoned simplified spelling, but the great American school boy remains loyal.

Lubbock

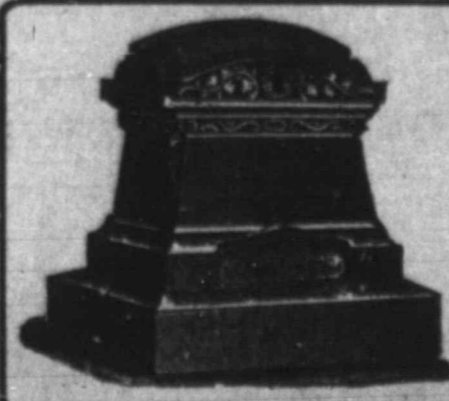

LOCAL ITEMS FROM THE LAMESA REPORTER

Mrs. Gaines, the wife of W. E. Gaines, went up to Lubbock the past week for an examination and it was decided that an operation will have to be performed. We have not heard yet what the result has been. Mr. Gaines went up Sunday.

A very heavy rain accompanied by an electrical storm of considerable severity came up Tuesday night and we had an old fashioned gully washer. Don't see how we could order better crop conditions.

Last Sunday night while Charlie Dunlop and Miss Richardson, who teaches the Klondike school, were car riding they ran into a barbed wire fence and cut both their throats badly. Twenty stitches were taken in Miss Richardson's throat. It seems a road had been closed with a four-wire fence and they did not know it and the car broke three of the wires and the top wire slipped over and caught them. They are doing well now if blood poison does not set up. They are very weak from the loss of blood.

The Indianapolis 500-Mile Race

Gaston Chevrolet

American, driving an American-built Monroe Special car, won the International Motor Sweepstakes, May 31, ON OLDFIELD TIRES.

He is the first winner of this annual event to finish the entire 500 miles without a tire change. He drove at an average speed of 88.55 miles per hour.

Rene Thomas

Europe's premier pilot, driving a French Ballot Special car, finished second to Chevrolet. He also rode ON OLDFIELD TIRES. His entire race was free from tire trouble.

He drove the 500 miles at a speed of 86.95 miles an hour, making precautionary changes at 282 miles while replenishing fuel.

Tommy Milton

American, World's Speed King, driving an American-built Duesenberg car, finished third ON OLDFIELD TIRES. Milton's race was similarly free from tire trouble.

He made one precautionary change at 270 miles, during his midway stop for fuel, and finished with a record of 86.85 miles an hour.

Barney Oldfield

"Master Driver Of The World," built the tires used by Chevrolet, Thomas and Milton.

To the development of these tires, Barney Oldfield had devoted 20 years of study, and more than 500,000 miles of racing and touring.

In "The Battle of the Tires,"

over this historic brick testing ground, victory has been eagerly sought by many tire manufacturers. This year Oldfield Tires fought and vanquished the tires of four companies.

A BURIED CITY IN THE PANHANDLE

(From the Higgins News.)
On the upper reaches of Wolf creek, about forty-five miles northwest of Higgins, is what has been known to the old timers of this section of the Panhandle, as the "Buried City."

It is located on what was the Freyer ranch, now owned by Handy Bros., on an elevated land, about four hundred yards to the south of the creek, and, perhaps about the same distance from cliffs on the south bank of the creek.

Last week Warren K. Morehead, curator of the department of geology of Phillips Academy of Andover, Mass., and a crew of men were digging in the ruins of the "Buried City" and exploring the country round about for whatever could be found that would be of interest to the scientific world.

In all his party of explorers discovered the ruins of twenty-six old time dwellings. Old, perhaps when Columbus sailed across the unknown water of the western sea.

Most of these ruins, which consist only of the lower walls, are located on the Handy place, the rest being scattered along the valley of Wolf creek at widely separated locations.

Beyond locating the ruins at other points the explorers made no excavations at any point other than on the Handy place.

At this point the lower walls of a number of buildings were located, which show their presence only by the upper portion of the walls showing through the short grass, clearly indicating in most cases the outline of the four walls of the buildings.

The largest, a building which was forty feet by seventy feet was explored, and every evidence was found of a very ancient civilization, which may possibly have ante-dated the cliff dwellers.

In this building, in which human skeletons, ancient pottery, bones of animals, and various other things had been previously found, the explorers discovered portions of two human skeletons, some fragments of pottery, flint arrow heads and war points; and several small ornaments made of mother of pearl, beautifully shaped and of excellent workmanship.

In the ruin five "ash-pits" were found, and from these places where the aborigines built their fires, cook their food and warm themselves the bulk of the finds were made.

Professor Morehead says the scientific of these relics were found to establish the fact that these people were of the same "race" as the cliff dwellers, but he does not determine yet whether the ruins of the cliff of Wolf creek are the forerunners of the cliff dwellers or those that came after that race of people.

dock is being repainted.

The Christian church is being painted, which will add much to its attractiveness. Large shipments of brick have arrived for the new Methodist church building and work is progressing nicely. The Oden & Oden Electric Co. have fitted out a nice office in east side of the building occupied by the city Meat Market. The residence of F. E. Weaver in South Slaton is being repapered. New fences are being built about the already pretty home of H. T. Shelby. F. V. Williams, one of the owners of the Movie Theatre, was in Post last Friday and bought brick for the new theatre building soon to be erected by this company. The brick will be delivered by the middle of June

and work will be completed rapidly to completion. The proposed building will be 90 feet by 150 feet and will be thoroughly modern in every respect.

MATERIALS ARRIVING TO START ACTIVE PAVING

Plenty of cement and gravel has arrived in Lubbock recently with which the contractors of the city's paving will start work. The block south of W. S. Hodges, grocery, is now ready for paving of the concrete. It is the intention of the contractors to lay two or more blocks of concrete before the brick. We are informed that the first shipment of brick will arrive here June 15th. Good behavior never gets a man into trouble, but it often gets him out.

NOBLES BROTHERS BUILDING WILL WAIT FOR DECLINE

We are informed that Nobles Bros., wholesale company, which intended building a large wholesale house on their lots directly south of Waples-Platter's wholesale house, will wait for a time on a decrease in the cost of building materials. This building had been contemplated for this year but because of the soaring costs of materials and the scarcity of labor, has been postponed. Mexican oil poured on Mexico's troubled waters only make matters worse. In fact, if there were no Mexican oil, there might not be any Mexican troubles. Stick to the farm, young man, and the money you make will stick to you. The city won't.

Europe is peeved at us because we are not in a mood to cough up any more dough. And we are peeved at Europe because she is not in the mood to pay the interest on what we have already coughed.

The glamor of "votes for women" is beginning to wear off. Elections being held in some of the suffrage states indicates that the fair ones are not appearing at the polls in any great numbers.

Today the art of high finance consists of getting the other fellow's money and keeping out of jail.

The peace treaty, meant as a white hope, seems to have proved itself a white elephant.

NOTICE OF ELECTION

By virtue of the authority vested in me by law, and in accordance with Ordinance No. 186 of the City of Lubbock, Texas, passed and adopted 1st day of June, 1920, I, C. E. Parks, as Mayor of said City of Lubbock, Texas, do hereby order that an election be held within said city on the 5th day of July, 1920, at the office of the City Secretary of the City of Lubbock, Tex., whereat the qualified property tax paying voters thereof may determine: If Serial Bonds of this City, in the amount of \$100,000.00, being 100 bonds of \$1,000.00 each, four being due 1st day of July, 1925, and the next four in each July thereafter until the whole have matured, and being in lieu of bonds of like amount authorized by the voters at an election held within said City December 1st, 1919, for the purpose of paving and permanently improving the streets of the City of Lubbock, Texas, and being for the said purpose of paving and permanently improving the streets of the City of Lubbock, and to bear interest at six per centum per annum, interest payable semi-annually on the first days of January and of July each year after the issuance of such bonds, and if such proposition be approved at such election, a tax sufficient to meet the interest and create a sinking fund to retire such bonds at their maturities will be levied.

And by virtue of Ordinance No. 187 passed and adopted on 1st day of June, 1920, by the City of Lubbock, Texas, it was ordered that the proposition be submitted to the duly qualified voters of this City if Serial Bonds in the sum of \$10,000.00, being 10 bonds of \$1,000.00 each, maturing one each year beginning 1st day of July, 1925, at six per centum semi-annual interest, of this City be issued for the purpose of repairing, rebuilding and extending the water works system of the City of Lubbock, Texas, in lieu of bonds of like sum and purpose authorized by the voters of said City at an election held December 1st, 1919, and for the levy of a tax sufficient to meet the interest and create a sinking fund to retire same at their several maturities. J. F. Bacon, C. S. Jackson and W. S. Clark and J. A. Phillips are hereby appointed to hold such election; those desiring to vote in favor of issuing serial bonds in the sum of \$100,000.00 for paving and permanently improving the streets of this city, in lieu of the option bonds heretofore authorized, shall have written or printed on their ballots: "For the issuance of \$100,000.00 paving bonds maturing serially and levy of tax to meet interest and sinking fund;" those opposed to such proposition, shall have written or printed on their ballots: "Against the issuance of \$100,000.00 paving bonds maturing serially and levy of tax to meet interest and sinking fund." Those desiring to vote in favor of issuing serial bonds in the sum of \$10,000.00 for repairing, rebuilding and extending the water works system of this City, shall have written or printed on their ballots: "For the issuance of \$10,000.00 in serial bonds for the purpose of rebuilding, repairing and extending the water works system and levying a tax therefor;" those opposing the same shall have written or printed on their ballots: "Against the issuance of \$10,000.00 in serial bonds for the purpose of rebuilding, repairing and extending the water works system and levying a tax therefor."

And I direct that notice of such election be given for thirty days preceding same, by causing copies of this notice to be published in some newspaper in this city printed in the English language, and which has been so published and printed for one year next preceding the date of first publication hereof.

In testimony whereof, I have attested these presents and caused same to be signed by the Secretary of the City of Lubbock, Texas, and attested by the Official Seal. This June 1, 1920.

(Signed) C. E. PARKS, Mayor, City of Lubbock, Texas. (Seal) J. B. GERMANY, Secretary, City of Lubbock, Texas. 494

THE WEATHER REPORT FOR MONTH OF MAY

The following is summary of the weather conditions prevailing during the month of May, 1920:

Maximum temperature, 84 degrees.
Minimum temperature, 45 degrees.
Mean temperature, 63.77 degrees.
Departure from normal, 1.79 degrees.
Maximum relative humidity, 82 per cent.
Minimum relative humidity, 16 per cent.
Mean relative humidity, 64 per cent.
Total wind run for month, 6,284 miles.
Normal wind run for May, 7,565 miles.

Departure from normal 1,281 miles.
Average hourly run of wind, 8.44 miles.
Number of clear days, 13.
Number of partly cloudy days, 12.
Number of cloudy days, 6.
Precipitation for month, 2.91 inches.
Normal precipitation for May 1.48 inches.
Departure from normal, plus 1.42 inches.

Start the day right with a cup of RENOWN Coffee.

You want a fresh coffee with that rich, mellow coffee flavor.

Then drink RENOWN. It comes to you packed in air-tight tins, so the fine flavor is retained.

A dated label on each can of RENOWN Coffee guarantees its freshness.

Iced Coffee, served with a tablespoon of whipped cream, is a tempting hot weather drink.

PUBLIC TAKE NOTICE

My pasture is not a pleasure resort. If you could see the number of people that go into my pasture every week, some of them walking, some tearing my fences down going in in cars and wagons; others calling me up every day asking to let them go to spend a day to a week walking up and down the creek keeping my cattle off the water, separating cows and calves, going and coming at night, running calves through the

fences, others only half fastening the gates, and they fall down and other things to mention in this ad would make too much. I have gone the limit. Stay out. I will invite you when I can entertain you. If not invited, don't ask.—Geo. M. Bales.

Roscoe Wilson, local attorney, was in Muleshoe a short time Monday of this week.

Grass hoppers are reported doing a great deal of damage in Hall and Childress counties.

SAYS SITUATION IS NOT ALARMING

One stockman put it this way: "I don't see what the stockman is to do. He can't sell his cattle and the banks won't lend any money. The bottom seems to have dropped out with us, all around." The stockman lately has had a good deal to contend with, a good deal to disturb him in his rosy dreams of affluence as a result of wonderful range conditions. W. F. Scarborough of Midland, an executive board member of the Panhandle & Southwestern Stockman's Association, has had recent correspondence with Congressman C. B. Hudspeth, and we reproduce the latter's latest reply to Mr. Scarborough's inquiry. Congressman Hudspeth writes:

"My dear Mr. Scarborough: "I am in receipt of your kind letter and am this day enclosing you a copy of a letter that I received from Governor Harding of the Federal Reserve Board.

"I strongly advise that you have this letter published in all of the local papers throughout that section, as I believe it will do more to clarify the situation and to increase confidence in the local banks than anything that could be done.

"As Harding stated to me, Mr. Scarborough, I think the fault has been that local banks got scared too quickly. While some member of the Federal Reserve Board may have advised the curtailment of loans, Harding, the Governor General, states to me that he never did advise the curtailment of loans; that there is ample money in the country for all the immediate needs.

"I think an extensive circulation of this letter will do a great deal toward easing up the financial situation.

"I am here to serve you day or night, and urge that you do not hesitate to command me, and if the situation does not get easy, I will get together Senators and Representatives and try to devise some means of relieving the situation.

"Very truly your friend,
"C. B. Hudspeth."

The letter from Governor Harding, the publication of which is recommended by Congressman Hudspeth, is as follows:

"My Dear Sir: "I acknowledge receipt of your letter of the 24th instant, enclosing a telegram from Messrs. Johnson and C. K. of Wilcox, Ariz., in which the suggestion is made that funds be immediately transferred from the Federal Reserve Bank of San Francisco, to the Federal Reserve Banks in the

cattle raising districts for the sole purpose of enabling the latter banks to relieve the situation in the live stock industry.

"The Federal Reserve Banks, as I explained to you when you called on me a few days ago, have been advised of the Board's view of the necessity for sustaining the live stock industry and they have been told that, if necessary they may, by rediscount with other Federal Reserve Banks, place themselves in sufficient funds at any time to meet demands for accommodations made upon them by member banks offering eligible cattle paper for rediscount.

"The Board has not been advised by the Federal Reserve banks in the cattle raising districts that they are in need of additional funds for this purpose nor has any advice come to the Board of the refusal of the Federal Reserve Banks to rediscount eligible cattle paper for their member banks. The Board has, on the other hand, been advised that the Federal Reserve Banks are keeping close watch on the situation and doing everything in their power to be of assistance to the cattle raisers. They are amply able for the present to take care, out of their own resources, of any demands made upon them by member banks for this class of accommodation, and should it become necessary later on for them to rediscount with other Federal Reserve Banks, the transaction would be consummated in the course of a few hours and without their being obliged, even temporarily, to suspend their loaning operations," etc.—Midland Reporter.

LUBBOCK DEALERS CHANGING TO BETTER LOCATIONS

The new home of the Buick Garage, which is one of the largest one-story buildings in this city, is nearing completion and the first of this week the Buick people moved out of the old location to their new home. The Bradley Auto Company is taking charge of the former home of the Buick people and will move much of their material to that building this week. Moore Brothers, harness dealers, moved to the brick building just east of their former location which was one time used as the home of the Lubbock Grocery and later by the Texas Motor Co. The Texas Motor Company now has an office with the Lub-Tex Motor Company on West Postoffice street. We are informed that Darby Brothers' Grocery will move into the building vacated by Moore Brothers and that a real estate firm will occupy the space made vacant by them.

The Lubbock County Singing Convention will be held the fifth Sunday in August, we are informed by the committee attending to that part of the business at Dalou. The last meeting which was declared a great success, was held at Slide. Many people of Lubbock are regular visitors and participants in this convention.

Misses Gladys Collins, and Kate Slover and Mr. Earnest Thaxton and F. W. Groce attended a social at Monroe Tuesday evening, reporting a splendid time.

Imitators of None

Reif's Special is strictly a cereal drink special because old man Reif made it so. Reif's special imitates no brand of cereal drink and is compounded "fire-proof" from all other brands of would-be imitators.

Lubbock, Texas

These be mighty practical days and it's up to every man to keep on the economical side of every proposition. New motor cars are scarce, so make your present car do. And your Ford car will meet all demands if you have us keep it in good running order. Don't monkey with your car. It is a bit of valuable mechanism and ought to be handled by men who know it. Bring your Ford car to us for repairs when needed.

We'll Keep Your Ford Car Going

To Inspire Confidence, in Our Service,

Is our ambition. The fact that each month shows a big increase in business, is evidence that people have faith in our ability to handle their insurance business. Don't forget that we are always on the job.

CAUTION!

If you are approached by investment salesmen who tell you that their proposition is approved by this bank, or that the deals they make will be closed through this bank, put such statements down as—

UNTRUE!

This bank does not, and never has, recommended speculative investments offered by individuals or concerns whose reputations are not established. It will not knowingly purchase notes given for stock subscriptions from individuals NOT KNOWN TO US!
