SONORA, SUTTON COUNTY, TEXAS, FRIDAY, NOVEMBER 13, 1931

NUMBER 2

Game Abundant As Hunting Season Opens November 16

Season to Last Until December 31 in the Hill Country

Sportsmen will be greeted with an abundance of game in the hill country according to reports from several counties in the principal points in the deer and turkey area lying south and east of Sonora. The 1931 hunting season opens on November 16, lasting until December 31 in most sections of the state.

Turkey and deer will be included in the full time above, with the exception of black-tail deer, on which the season west of the Pecos river lasts only until November 30.

The bag limit on deer is two bucks in a season, but only one buck of the black-tail and mule deer west of the Pecos. The turkey limit is three gobblers. Deer must have pronged antlers. San Saba and Harrison counties are closed both on deer and turkey.

Fee charges will remain the same as in former years in spite of recent reports to the contrary. No license is required for hunting in the county of residence. State residents, hunting out of their own county must pay a license fee of \$2. Out-of-state sportsmen are required to pay a license fee of \$25 to hunt major game (deer, turkey, bear). License must be carried on the person at all times, since game wardens ask to see such license in making investigations.

Hunters in this area are warned to observe signs on state game preserves, since hunting thereon is strictly forbidden. A large portion of Sutton county ranch lands are in game preserves.

It is unlawful to shoot from, along, or across a public highway. It is also unlawful to kill a female of either deer or turkey. It is likewise unlawful to remove evidences of sex from a deer carcass or skin.

Deer cannot be called with artificial calls, with the exception of the rattling of deer horns. Deer cannot be kept on cold storage for more than ten days following the close of the season. Deer cannot

Free Play For December To Be English Comedy

Thirteen Dramatic Club Chooses "Peg O' My Heart" For Presentation

"Peg O' My Heart," by J. Hartley Manners, a clever three-act comedy combining a charming English background with a deal of Irish wit, was chosen by Thirteen Dramatic Club at its regular meeting Monday evening as the play which it will present free of charge early in December.

The play comes highly recommended by the fact that it enjoyed a run of 600 successive performances on Broadway during its first season, after which Laurette Taylor, a great favorite of New York theater-goers, took it abroad and brought the total of performances up to over a thousand during its run in London. In all, the play has totalled about 10,000 performances.

The club will go into rehearsal for the play next Tuesday evening, with Mrs. George Baker directing. The date of the presentation will be announced next week.

Entertainment at Monday night's meeting consisted of an amusing one-act skit entitled "How We Got the American Flag," presented by Miss Lena V. Stokes and Preston Praetor, assisted by John Eaton and Jodie Trainer.

Guests at the meeting were Miss Ruth Whitaker, of San Angelo, and Mrs. George Baker.

Refreshments of coffee and sandwiches were served by the Misses Hazel Edwards and Jessie Louise Evans.

ARMISTICE DAY IS QUIETLY OBSERVED

The 13th anniversary of the signing of the Armistice which halted the World War was observed in Sonora Wednesday with little ado.

Business houses in the city were closed, and Sonora people spent the day here and in various nearby towns. There was no organized program to mark the day.

George S. Allison was in town Tuesday from the ranch.

Sol Mayer Heads Reorganized San Angelo National

Stock Quota of Depositors Finally Subscribed; Bank Will Open Within Three Weeks

Sol Mayer, San Angelo capitalist and ranchman, and former Sutton county resident, and at present owner of extensive land interests in this county, has agreed to take the presidency of the reorganized San Angelo National Bank.

The completion of the stock quota decided on for depositors of the bank has been reached, and final plans are now underway for the re-opening of the major West Texas institution within three weeks, probably about December 1.

The San Angelo National, long a powerful unit in West Texas' financial structure, was closed about six weeks ago, after a steady stream of withdrawals had removed over \$900,000 from the bank within three weeks.

Since that date committees of San Angelo business men have been busy in getting subscriptions of new stock and in getting depositors signed up for a share purchase and withdrawal agreement in case the bank could be re-opened.

R. A. Hall, for the last ten years vice president of the bank, and previous to that time a cashier for many years, has agreed to accept an active vice presidency in the bank for a period of two years.

A fitting celebration is planned for the Saturday night preceding the bank's opening.

Broncs to Tangle With Menard Team

Game Will Be Close, With Slight Odds on Sonora Opponents

The Sonora High School Bronchos, mired in the cellar in the western division of the district 12 high school football race, will attempt to elevate themselves a step when they meet the Menard Yellowjackets on their opponents' gridiron Saturday.

The Bronchos, defeated in their last three conference games, may surprise the dopesters and outfight the Menard contingent, but local followers believe it unlikely that the dope bucket will be upset this week.

Menard, with a 6 to 0 victory over Eldorado in a second game between the two teams, has been playing a good brand of football, defeating Junction by a touchdown recently and whipping the Brady Bulldogs by a three-touchdown margin.

Sonora will be handicapped with injuries to a number of players. All will likely be in condition to start the game, but former injuries will make it hard for Hill, end, Kring, fullback, and Archer, quarter, to give the best account of themselves.

Personals

Herman Diebitsch, of San Angelo, was a Sonora visitor Monday.

T. L. Benson, of San Angelo, was in Sonora Monday to attend commissioners' court.

Mrs. Lillian Allison, of the ranch, spent several days at her home in San Angelo last week.

The Misses Vivian Ball, Lucille Dubois and Elizabeth Francis spent Saturday in San Angelo.

Mr. and Mrs. R. E. Duncan accompanied by B. Allan, of Miles, visited Villa Acuna Sunday.

R. A. Duncan, of Waco, who is connected with the Cameron Lumber Company, spent Monday in Sonora.

The Misses Thelma Rees and Loula Belle Caldwell spent the week-end in San Angelo visiting Miss Caldwell's grandmother, Mrs. L. D. Briggs.

Mrs. Bryan Hunt and her baby son, James Theodore, came in from the ranch Tuesday morning for a visit here with her parents, Mr. and Mrs. Theo Savell.

E. N. McNutt and daughter-in-law, Mrs. L. W. McNutt, and her son, Howard, of Amarillo, are here for a visit with Mr. and Mrs. W. R. Gilliam.

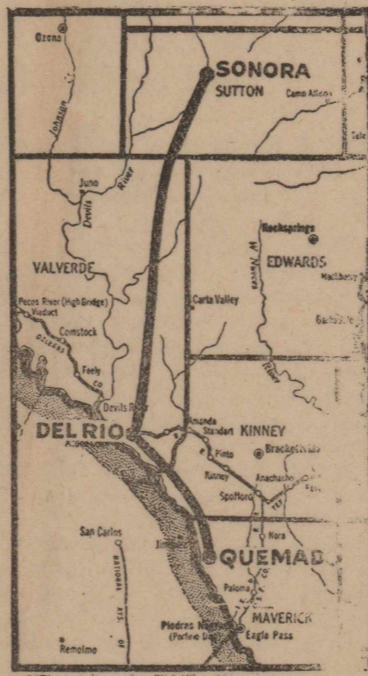

Wool Week Successful Here

An American Warwick

Colonel Edward M. House, at 73, is back at his old trick of Presidential-making. He is now busy promoting Governor Roosevelt as a Presidential candidate.

New Rail Line

Del Rio and Northern Railway, charter for which has just been approved, will extend from Sonora south to Del Rio and Quemado.

Ozona Lions Are Too Strong for Sonora Bronchos

Saturday Game Ends in 24-6 Win for Ted White's Felines; Sonora Weak at End

Although outplayed in the first half by the Sonora Bronchos, the Ozona Lions came back in the second half with greater strength and carried things all their own way, scoring three touchdowns in the last two quarters to break a first period deadlock. Both teams scored in the first quarter, although neither was able to convert.

Sonora, making 5 first downs to 4 for the Ozona boys, appeared to be the better team in the first half, but in the last both offense and defense collapsed, and superior reserve strength and stamina gave the Lions a hard-earned victory.

Sonora was unable to complete a single first down in the last half, while Ozona was making nine, to give the Lions a total of 13 during the game. The Bronchos' passing attack, usually a dangerous threat, failed to function, and more passes were caught by Ozona players than by the intended Sonora men.

Sonora Fumble Hurts

A costly fumble on the Sonora 15-yard line gave Ozona an early break and a touchdown resulted after about three minutes of play. The Sonora lads received though, and straightway gave a clever exhibition of how to execute a spin play. In three downs they covered 65 yards and scored a touchdown.

Grimland Named Justice of Peace

Commissioners' Court Hears Request for Home Demonstrator

J. E. Grimland, Sutton county deputy tax collector, received appointment Monday by the commissioners' court of the county to the office of justice of the peace, made vacant by the recent death of S. H. Stokes. Mr. Grimland once before held the office by appointment.

The county heard the request of a committee of Sonora women for the establishment of the office of county home demonstration agent in Sutton county. No action was taken on this matter however, since it came in too late to be considered in preparing a budget for the coming year. The matter was tabled until the meeting on the second Monday in August, 1932, at which time the budget for 1933 will be prepared.

The appointment of H. E. Sharp, Eldorado, as inspector for scabies at the Sonora shipping pens on the Panhandle and Santa Fe was extended until December 15. It is thought that by that date the intrastate shipment of sheep from Sonora will have been completed.

The meeting began Monday and lasted over through Tuesday.

Local Briefs

Spend Armistice Day At Ranch

The members of Thirteen Dramatic Club were guests of Mr. and Mrs. Roy Baker at their ranch home Armistice Day. The club enjoyed a delicious dinner at noon and spent the remainder of the day in various forms of recreation.

Son to Mr. and Mrs. Smith

Mr. and Mrs. H. S. Smith, formerly of the Texas station six miles north of Sonora, are the parents of a 7½-pound son, whom they have named Hollis S., jr., born October 29 at the home of his grandmother in Uvalde, according to announcement cards received here by friends of the couple.

Local Men to Big Bend

A group of Sonora and Camp Allison sportsmen leave today for the Dead Horse Mountains of the Big Bend section of Texas on a deer and bear hunt. C. W. Adams, Camp Allison; Wilburn Gardner of Junction, A. B. Brady, of the Humble "B" station, and Alfred Schweining of Sonora plan to visit Mr. Adams' son, W. J., who is living in an isolated section of the mountains near the Rio Grande. According to Mr. Adams, the section abounds in game.

Banquet Wednesday Night Climaxes Big Program

National Wool week, designated to begin Monday of this week, has been the occasion of numerous means of increasing attention of Sutton county people to the importance of the industry, both nationally and locally. The drive has been declared highly successful here from every standpoint. Much interest has been manifest in the occasion by civic, social and business groups.

An ambitious program of publicity for wool was climaxed with an especially arranged banquet held Wednesday night in the basement of the Methodist church. With every possible expense removed by donation the entire proceeds of the banquet, expected to total about \$40, will be placed in a special fund to be used in purchases of Christmas presents of wool for needy children of the town.

Wool Tallies Used

The influence of wool week was felt in appointments at parties during the week, in the show windows of local stores, at the luncheon of Lions Club, and in the chapel exercises at the Sonora schools, in addition to the special banquet.

Specially printed wool week tally cards, bearing the name of the hostess at each party, were supplied ladies who entertained during the week by the Sonora Wool and Mohair Company.

Wool week placards and cutout designs were employed in decorating show windows of the dry goods and apparel stores of the town.

Wool Talked at School

The major portion of the Lions Club luncheon was devoted to discussion of the woolen industry, past and present, by Judge L. W. Elliott and C. H. Evans, manager of the Sonora Wool and Mohair Company. The same two gentlemen addressed the students and faculty of the Sonora school Tuesday morning.

Reports of progress being made were filed by wire each night, telling the national wool week committee in New York of Sonora's

(Continued on page 8)

Thirty Cars of Sheep Shipped Out on Tuesday

Sol Mayer Sends 2800 to Saragosa; Mears and Wilkinson 3703 Lambs to Hereford

Thirty cars of sheep, a full trainload, left Sonora Tuesday in the only sheep shipment of the last week.

Sol Mayer sent 2800 head of Sutton county lambs to Saragosa, in the irrigated district of Reeves county, where they will be placed on feed. Mr. Mayer is doing the feeding.

Mears and Wilkinson shipped a bunch of 3703 lambs to Hereford, Texas. These lambs were sold to George A. Nash.

Sam Karnes shipped 1463 head which were sold to Ray Willoughby. B. H. Yeager, Brownwood feeder, was shipped 1000 head by Duke Wilson and 439 head by J. A. Martin.

Mrs. Nannie B. Wilson shipped 423 head to the Fort Worth market, while John A. Martin shipped 261 to market and John A. Martin, jr. shipped 64 head to the same destination.

MARTIN HOUSE HURT SLIGHTLY IN BLAZE

Slight damage to the roof and to the ceiling resulted from a small fire at the house occupied by Mr. and Mrs. Russell Long and owned by Mrs. John A. Martin in south Sonora Saturday morning.

The fire was started by a defective flue, being discovered at 7:45 o'clock. The Sonora Fire Department answered the call immediately and prevented the blaze from spreading.

The chief damage resulted from having to chop through the roof in order to get water on the fire surrounding the flue.

There was no damage of household furnishings.

Lee Aldwell, of San Angelo, was a Sonora visitor Tuesday.

Mr. and Mrs. Tom McKee and little daughter, Mary Dale, and Miss Alma Ory were San Angelo visitors Friday.

Del Rio Railway Committee Coming to Sonora Monday

President Picnot Will Tell Lions of Plans for Road

A committee of Del Rio citizens, appointed by the Del Rio Chamber of Commerce, will accompany T. N. Picnot, San Antonio engineer, and president of the newly organized Del Rio & Northern Railway Company, to Sonora Monday, where the group will meet with the Sonora Lions Club.

It is the plan of the group for Mr. Picnot to tell the Lions club and business men of Sonora plans of the company regarding the proposed railway from Sonora to Del Rio and on south from there to Quemado, in the irrigated district of Maverick county.

The committee appointed by the Del Rio Chamber of Commerce to accompany Mr. Picnot includes the following: L. Russ, L. R. Millican, C. B. ("Dutch") Wardlaw, E. K. Adams and E. F. Measles.

The organizers of the new company were given the endorsement of the Del Rio Chamber of Commerce at the last meeting of that body.

The new company, formed some 5 weeks ago, was granted a char-

ter by the attorney general's department of Texas, with capital stock named as \$132,000. It immediately filed an application with the United States Interstate Commerce Commission for a hearing to secure permit for building the road, which would traverse a ranch region of this section, connecting with the Panhandle and Santa Fe here and with the proposed line of the Winter Garden Railway company at Quemado. The route of the line is shown in the map reproduced above.

Plans are being made to secure a maximum attendance of Sonora Lions to hear the discussion of the new line.

The Rev. E. P. Neal addressed the Rev. W. P. Neal addressed members of the Methodist Young People's Organization Sunday evening at their regular meeting on the subject, "World Peace."

Officials Inspecting Highway

E. P. Arenson and Dewey Bollinger, both of San Antonio, surveyors for the State Highway Department, and A. F. Moursund, San Angelo, and O. B. Kercher, Austin, highway inspectors, arrived Tuesday to inspect work recently done near here.

A. J. Faught Is First Tax Payer for 1931; B. M. Halbert Second

A. J. Faught, Sutton county ranchman, was the first Sutton county taxpayer to contribute to the revenue of the county, state and school district for 1931. Mr. Faught paid his taxes in full to J. E. Grimland, deputy tax collector, on Thursday, of last week.

A few hours later in the day B. M. Halbert, sr., likewise paid in full.

On Friday Ed Mayfield paid his

own taxes as well as those of his father, J. W. Mayfield.

B. M. Halbert, jr. was the first Sutton county voter to secure poll tax receipt for the year of 1932.

Mr. Grimland expects to virtually complete posting of notices to taxpayers during the current week. He received the completed assessments from the office of George J. Trainer last week.

INSTALLMENT TAX PAYMENT ENDS NOVEMBER 30; PAYMENT OF HALF THEN 7 MONTHS ON BALANCE

Confusion in the methods of payment of 1931 taxes has been common since the passage by the Texas Legislature of a split payment plan.

Although the plan was definitely announced, much confusion and doubt as to its interpretation still remain.

Taxes for 1931 may be paid in two ways; either by the new split payment plan or as in years before, in the latter case payment in full must be made on or before January 31, 1932.

In the former case, one-half must be paid on or before November 30. Payment of one-half then requires payment of the other half on or before June 30, 1932, without penalty

of interest. Failure to pay the half when due, on June 30, will invoke a penalty of 10 per cent, with 6 per cent interest per annum from that date until payment is made.

Should a taxpayer fail to pay half before Nov. 30, then the entire amount will be due on Jan. 31, 1932, and in case payment is not made then the tax will become delinquent, with the penalty listed above (10 per cent penalty, and 6 per cent interest until paid).

Taxes due the city of Sonora may be paid in exactly the same manner. Poll taxes must be paid when other tax is paid, but unless the poll tax is paid before Jan. 31, the voter will lose the right to cast a ballot in the many political contests of 1932.

Home Economics Girls Continue in Food Projects

Students Plan and Serve Two Model Dinners to Friends at Practice House

Members of the three Home Economics classes at the high school continue to enjoy their food projects at the practice cottage. The girls in Home Ec. II last week learned to make yeast breads, and a visitor at the cottage after school hours would have found them anxiously watching miniature loaves of bread in the oven or sampling white or graham rolls. This week they have been baking cakes, which will be followed by cookies, pies and other fancy foods.

The girls in Home Ec. II were occupied last week with the planning and serving of dinners. On Monday night, Nov. 2, the Misses Pauline Turney and Dee Trainer served a six o'clock dinner which they had planned and cooked, to six guests in the dining room of the Home Ec. cottage. The colors, yellow and black, were employed in dining room decorations. Yellow chrysanthemums and the light of yellow candles added beauty to the table appointments. An appetizing menu of fruit cocktail, pork roast, sweet potatoes, corn fritters, pineapple cheese salad, hot rolls, orange whipped gelatine, chocolate cocoanut cookies and cocoa—served at an estimated cost of about forty cents per person—was enjoyed by the following guests: The Misses Alice Sawyer, Josie Barrows and Ethelda Heflin, and Harold Friess, G. W. Archer and Cleveland Jones.

On Tuesday evening, Nov. 3, the Misses Alice Sawyer, Ethelda Heflin and Josie Barrows served a dinner of their own planning and preparation to six guests in the cottage dining room. A color scheme of orange and black, reminiscent of Hallowe'en, was used in the dining room with a bowl of orange zinnias, flanked by tall orange candles, serving as an attractive table centerpiece. The menu, which figured practically the same cost as the one previous, consisted of fruit cocktail, roast chicken and dressing, mashed potatoes and gravy, scalloped corn, golden glow salad, hot rolls, pumpkin pie and hot chocolate with marshmallows. Guests at this dinner were the Misses Loreen Moursund, Maurine Phillips, Dee Trainer and Pauline Turney, and V. J. Glascock and Harold Friess.

Dance Floor Has 800 Ball Bearings

El Paso Club House First in Southwest to Use Idea

El Paso dancers and visitors in the city are enjoying the latest thing in dance floors—a ball-bearing dance floor, according to the El Paso Times. The floor, the first of its kind in the Southwest, is one of the features of the new \$150,000 Elks' club building.

Mounted on 800 balls, the floor is large enough for 300 couples. A special resilience given to the floor by the ball-bearing method of mounting, prevents a large amount of fatigue to dancers.

The new Elks club building has been characterized by architects as the most modern club building in this part of the United States. A complete gymnasium with a regulation size basketball court and indoor baseball diamond, air cooling, running ice water, electrical announcing system, wired radio, roof garden, bowling alley, sun parlor, and indirect lighting are included in the innovations.

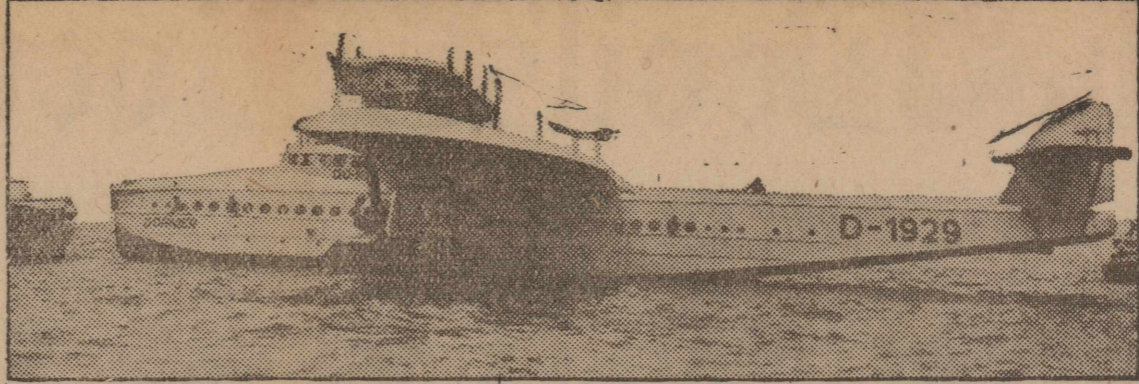

CHURCH TRANSPORTATION OFFERED BY COMMITTEE

Transportation to or from church is offered Sonora residents who have no means of getting to services, following a meeting held Sunday by the executive committee of the Methodist Sunday school Sunday morning.

Mrs. Vernon Hamilton is in charge of the work, and requests that those who would like to be taken to or from church communicate with her either Saturday or Sunday morning.

Largest Ship of the Skies Ever Built

The Do-X completed its Atlantic flight when it alighted in the waters of New York Harbor. The airship carried 72 passengers on its trip to four continents, visiting in turn Africa, South America and North America, after covering a large part of Western Europe at the start. The vessel's carrying capacity can be best likened to that of two Pullman cars, with additional space for dining facilities, lounging and moving about.

Finished Lambs in Big Demand at Fort Worth

Market for Medium Grade Stock Slow; Feeders Urged to Try for Fat Animals

Texas feeders can sell their lambs at Fort Worth at prices that will compare favorably with any market in the country, if the feeders will make their lambs really good, according to Harry Kahn, sheep salesman for the Texas Livestock Marketing Association at Ft. Worth last week.

Mr. Kahn's statement followed the completion of a sale of three decks of fat lambs sent in by F. A. Braden, San Angelo, that averaged 78 pounds and sold for \$5.75. This equaled the Kansas City top on lambs Wednesday, Nov. 4.

Kahn stated that it will be especially important that feeders try to make their lambs good or they may lose money. Since many feeders are feeding lambs this year in order to use up the feed which they have on hand, there will be a larger number of half-fat lambs than usual and naturally the price will be lower than usual, Kahn stated. He added that Texas feeders are often misled into thinking that their lambs are fat and are disappointed when they market them and they do not equal the top prices in the major northern markets.

Medium grade yearlings are finding a very low market all over the country at the present time. It is thought that the number of cattle fed for a short feeding period and marketed after they have made a comparatively cheap gain will be larger than usual this year, due to many new feeders.

By the middle of December practically all of the good cattle will be marketed for the Christmas holiday trade. Some of the cattle that went on feed late in the summer or early in the fall will begin their return to market along in January.

There has been quite a demand for thin cows recently, to go back to the country where there is a lot of roughness. Others expect to pasture such cows on green oat and wheat fields. They can make a fair gain in weight at a very low cost in this way. Strong prices have been paid for this class of cattle by buyers, as against prevailing prices if they had gone for immediate slaughter. The available supply of cheap beef will be increased when these cows return for slaughter. If the return of such cows should prove excessive, that grade of beef would of course sell at low prices and could influence the prices on better grades of beef.

Alien Mexicans Lured By Cotton

Immigration Officers Kept Busy Detecting Offenders

Large numbers of alien Mexicans are being picked up by U. S. Immigration officers, it was revealed in Del Rio last week when three Mexicans were taken from the city jail where they had been placed overnight, for a voluntary return to Old Mexico.

The three men were picked up in the vicinity of Brady, according to government agents. They have volunteered to return to Mexico since it was discovered that they had crossed into the United States without first obtaining head-tax certificates and proper passports.

As Mexicans swarm into the cotton picking belts hundreds of similar cases are encountered weekly, officers said.

San Antonio—Southern Pacific railway ready to begin construction of new line connecting this city and San Angelo.

County Health Board to Meet

Progress During First Month to Be Reported Tuesday Night

The Sutton County Health Board, working in co-operation with the drouth area relief program now being carried out by the federal government, will meet for its second time on Tuesday evening, Nov. 17, at 7 o'clock in the office of Alvis Johnson, county judge.

Miss Lucille Stone, district nurse in a twelve-county area of this section, will be present for the meeting, and will hear reports from the chairmen of various committees working under the direction of the county board.

Since organization of the board a month ago, considerable progress has been made in health education and in the improvement of sanitation within the city.

Almost coincidental with the board's formation, the city of Sonora passed an ordinance requiring that all surface toilets within the city be converted to the pit type.

Armistice Day Begins Fiftieth Red Cross Drive

Dispensing of Relief in Disasters One of Major Duties of the Organization

The fiftieth annual Red Cross roll call began in Sonora and in the entire nation Wednesday, Nov. 11, and the interest of civic organizations in Sonora is being enlisted in the drive this week through the efforts of Mrs. A. J. Smith, county chairman of the movement.

Material provided Mrs. Smith by the American National Red Cross stresses the importance of making this year's roll call, which lasts till Thanksgiving Day, elicit a hearty response, and points out significant facts on the work of its organization in the field of disaster relief.

During the greatest task of the Red Cross, drouth relief begun in Nov., 1930, the following work was done: 2,632,500 persons given food; 508,500 persons given clothing; 605,000 families given garden seed; 184,000 children given school lunches; 62,000 farmers given feed for their stock; 117,000 persons given medical help. Other types of relief were extended where and when required. The greatest good, in the opinion of Red Cross chapter chairmen, and all interested persons, came from the garden seed program.

Fifty cents of every dollar membership received in Sutton county will remain in the community chest for use in charity work here and throughout the county this winter. The other half dollar will go to the National Red Cross.

Del Rio Bank Is Planning to Pay

Depositors' Meeting Is Announced. Will Seek Full Settlement

The First National Bank of Del Rio, closed by action of the board or directors on October 13, has been active in plans for settlement of its affairs, the board announced this week. A meeting of all depositors in the institution is planned within the next week, the announcement states.

E. E. Sawyer, Sonora banker and capitalist, is president of the bank. Following is the statement released:

"We, the Board of Directors of the First National Bank of Del Rio, have been busily engaged since the bank failed to open October 13, in formulating a plan whereby the depositors of said bank would be saved from any loss. At this time we believe we have gotten far enough along with such plan to be fairly assured that it will be carried out, and when adopted the depositors will be protected from loss.

"In making this announcement, we feel it fair to all concerned for us to say that we are having the closest co-operation and assistance of the entire business element of Del Rio and all institutions with which we have done business.

"It is our aim and purpose to call a meeting of the depositors of the bank just as soon as all arrangements are definitely made, whereby the matter can be placed before you in concrete form. This we expect to be able to do in the next 10 to 12 days.

"Yours respectfully, E. E. Sawyer, R. T. Hunnicutt, R. M. Hamilton, J. B. Moore, C. C. Belcher, H. B. Horn, E. K. Fawcett, Dr. H. B. Ross, board of directors."

Dance Is Planned for Thanksgiving

Firemen Announce Affair for Eve of Holiday

After a successful Armistice Dance Tuesday night at the Boy Scout Hall, the Sonora Fire Department, which sponsored the entertainment, announced that another dance would be held in the hall on the night of the Wednesday preceding Thanksgiving.

This week's affair showed a net profit for the department of about thirty dollars.

Keating's orchestra, of San Angelo, featuring Lloyd Grove, famed soloist of the San Angelo Lions Club Cowboy band, furnished music for the dance, and has also been booked for the Thanksgiving affair.

In addition to about 60 paid admissions, donations were received from E. S. Long, Ira Green and W. O. Carroll.

P.-T. A. Program for Entire Year Is Now Completed

Outline of Child Psychology Study Announced Finished By Committee

The year's program for the Sonora Parent-Teacher Association, dealing with the general subject, Child Psychology, is completely made out in advance for the Parent-Teacher season from October to June, according to Mrs. E. E. Sawyer, chairman of the program committee.

Out-of-town speakers during the season will include Mrs. Lois Landrum, of Beaumont, and Mrs. Ira Cain, Mrs. Henry Jackson and E. W. Bode, all of San Angelo. Special numbers for the programs will be given by various classes in the grade school and by members of the faculty and instructors of music in Sonora.

The next meeting of the organization will be next Thursday afternoon at the high school at 3:30 o'clock, at which time the following program will be given: Music, Miss Elizabeth Francis; special number, First Grade; "Being a Parent Is the Biggest Job on Earth," the Rev. E. P. Neal; "Habits," Mrs. W. E. Caldwell; round table discussion, the club; business session. Hostesses will be Mesdames Ira Green, O. L. Richardson and A. W. Awalt.

PERSONALS

E. B. Heinze spent the week-end visiting in Miles.

Miss Inez Teague spent the week-end in San Angelo.

Mrs. Sam Karnes and Miss Nan Karnes were in San Angelo Monday.

The Misses Lena V. Stokes and Babe White spent Saturday evening in Eldorado.

Mr. and Mrs. Otis Murray and Miss Jennie Murray were Ozona visitors Sunday.

Mr. and Mrs. J. B. Webb, San Angelo, spent Tuesday in Sonora. Mr. Webb represents the Red and White stores.

Mr. and Mrs. Jesse Penick and family, and Mr. and Mrs. Russell

NOTICE OF SALE

The State of Texas County of Sutton.

Whereas by virtue of an order of sale issued out of the District Court of Sutton county, Texas, on a judgment rendered in said court on the 8th day of September, A. D. 1931, in favor of Pedro Dominguez and against Sapopa A. Castro and Esperion Castro, in cause No. 774 on the docket of said court, held on the 13th day of October, A. D. 1931, at ten o'clock a. m., levy upon the following described tract or parcel of land situated in Sutton county, Texas, to-wit: All of lot number Three (3) and the south half of lot number Four (4), in Block "A", as shown by the map or plat of the Sinaloa Addition to the town of Sonora, now on file in the office of the county clerk of Sutton county, Texas; and on the 1st day of December, A. D. 1931, being the first Tuesday of said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day, at the courthouse door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Sapopa A. Castro and Esperion Castro in and to said property.

Dated at Sonora, Texas, this the 13th day of October, A. D. 1931.
1-3tc B. W. HUTCHERSON,
Sheriff, Sutton county, Texas.

Little Donates Wool Blankets

Governors and Senators to Be Given Gifts of Gratitude

Blankets of pure virgin wool, manufactured from choicest fleeces of his 1931 clip will be presented by Andrew Little of Emmett, Idaho, the nation's largest wool grower, to governors and senators of western and middle states in appreciation of their proclamations and endorsements of National Wool week, Nov. 9 to 14.

As a gesture of appreciation on behalf of all wool manufacturers, four hundred pounds of Idaho territory wool from the Little ranch were shipped to the Chatham Mills at Winston-Salem, N. C., for making into blankets by that company without cost.

The Andrew Little flock, from which the fleeces came, comprises the largest single-owned herd in the nation and produces in the neighborhood of one million pounds of wool per year.

Long and son were visitors in Villa Acuna, Sunday.

Mr. and Mrs. E. F. Vander Stucken left Monday for San Antonio where they will be for about a week while Mr. Vander Stucken attends to business in the city.

Emil Vander Stucken, of San Angelo, spent Saturday here visiting his parents, Mr. and Mrs. E. F. Vander Stucken and inspecting his ranch, the old White Headquarters Ranch.

The Misses Johnnie Allison and Lone Reagan attended the football game in Ozona Saturday and remained until Sunday afternoon, the guests of Miss Allison's sister, Miss Norine.

The Misses Loreen Moursund, Johnnie Allison and Maurine Phillips spent Tuesday night and Armistice Day at the J. S. Glascock ranch, the guests of Mr. and Mrs. Glascock and family.

Mrs. Henry Wyatt and small daughter and Mrs. George Lehne and daughter, Miss Lillie Margaret, and son, George, of Fort McKavett, were visitors in San Angelo Saturday with Mrs. R. F. Halbert.

Miss Bernice Martin, of Temple, who has attended Mrs. W. P. McConnell, jr. since her operation at Temple some weeks ago, accompanied Mrs. Will Wilkinson to San Angelo Sunday, returning to Temple from there. Mrs. Wilkinson will remain in San Angelo for several weeks.

M. A. Jones Leaves Sonora

Mr. and Mrs. M. A. Jones and their little daughter, Cathryn, left Wednesday morning for Baird, where Mr. Jones will be located in the jewelry business, exchanging fields with George Barrow, formerly of Sonora, who returned here Monday and opened a jewelry business in the A. & W. Drug Store

where he had a similar business some time ago.

THE CROSS OF MERCY

The American Red Cross has administered first aid in scores of domestic American disasters. It has gone to the rescue of flood sufferers, of tornado victims, and of those beset by various problems caused by drouth.

Were Sonora to be the unfortunate recipient of any one of many disasters, the Red Cross would be right on the ground immediately, administering aid and material help. The Red Cross will likely respond to half a hundred insistent calls for aid within the next year, basing an estimate on the amount of work done in previous years.

The sole source of income for this worthy organization is through its annual membership drive, with a fee of only one dollar.

In addition to building a fund for national relief in time of distress, the dollar contributed to the Red Cross drive is divided equally with local charitable agencies. Fifty cents of your membership fee will remain right here in Sonora for local work. The other half will go to assist peoples who might be less fortunate than we—or, if we be the victim of misfortune, they will be returned to assist us.

Get your dollar redy for the workers who will call. Fortify the Red Cross . . . the cross of mercy.

A TWO BILLION DOLLAR INDUSTRY

Wool, chief interest in the business life of the Stockman's Paradise, assumes an important position in national American industrial circles.

Since the days of the Roman empire, and even farther back, as far as history goes, wool was man's first material used in weaving. It has served many purposes, one of the most famous of which was that to which it was put by Jacob, famed patriarch of the Old Testament. Jacob, to secure the birthright which rightfully belonged to his older brother, Esau, placed a sheep skin over his arm, and letting his blind father, Abraham, feel the wool, deceived the old gentleman into thinking that he was Esau. Abraham, stroking the wool covered arm of Jacob, gave him the blessing, thinking that it was being bestowed on Esau.

Judge L. W. Elliott, in addresses before the Sonora Lions Club and the Sonora public schools, told of the spread of wool growing in the United States. According to his address, the first sheep were brought to the United States in 1609, being landed in Virginia. They were introduced to the western states in 1849, being carried to California in the great gold rush.

Prior to the Civil War sheep raising and wool production was confined largely to states of the middle west and the Atlantic seaboard. After the war it gradually spread to southwestern states, in some areas ousting the cattle as the principal stock.

With total annual consumption placed at 600,000,000 pounds there appears little reason why wool prices should not be more favorable to the grower. National Wool Week, concentrating public attention on the use of woolens, and particularly of domestic woolens, should increase consumption and materially affect the market price.

"Devil's Dream"

(By W. E. James)

In the world's broad field of battle,
In the bivouac of Life,
Be not like dumb, driven cattle!
Be a hero in the strife!

—H. W. Longfellow.

It is a curious fact of human nature that we forget the best in our fellow men, while a single stain of scandal clings to our memories forever.—Bruce Barton.

Ageing adds to the quality and flavor of liquor but puts whiskers on jokes. Here are two known to be forty years old, and goodness knows when they were first told:

ANOTHER HOTEL ITEM

The proprietor with the aid of his chief clerk, is preparing a bill for a guest who is getting ready to leave. "Have you observed," he asked of the clerk, "that No. 20 during his stay here invariably took a look at the thermometer every morning?" "Yes, I noticed that," replied the clerk. "Very well; put down 'for use of thermometer, two dollars.'"

IN THE LONG SCRATCH

"Mother," said the small son, "what did the doctor say it was we had?" "The seven years' itch, son." "Goody, goody," cried the young fellow, highly elated, "only six years, eleven months and twenty-nine more days scratching!"

Headline in the Snagtown Torchlight—"Small Boy's Dream of Happy Hallowe'en Smashed to Smithereens By Modern Sanitation."

Two-Gun wants to know now that dairymen have begun charging to account the non-return of milk bottles, what are the elect going to do for something in which to ferment the grapejuice.

Col. Esaias Izadias Whiffletree has been confined to his room the past week, due to a broken mirror. The colonel says he has always heard that seven year's bad luck follows the breaking of a mirror, but never took any stock in the saying until last week when he dropped his wife's favorite hand glass and ruined it.

Two-Gun Ike has bothered his head considerably the past week over a problem he is seeking to solve for one of Sonora's prominent professional men. The question asked: "After a man carries his wife's letter in his pocket for two weeks, which is the safer—give it to her, or tear it up?"

Wait for 'A' FLYER IN PORK," new serial story to appear in this column soon.

"LYRICS OF LIFE"

By Dustin Austin, Sonora

WHEN I'M WITH YOU

If I could speak in silvery tones
With words of golden hue,
And tell aloud with eloquence
The love I have for you,
There is a chance that I could woo
Your heart toward mine to turn,
And thus achieve the paradise
For which I ever yearn.

If I could vocalize my thoughts
Close to your ardent ear,
And with poetic metaphors
Your sterling charms endear,
It may be I could warm your heart
And make you love me too,
But alas! I am stricken dumb
Whenever I'm with you.

Grower Suggests More Help for Lamb Club

Prices Helped By Advertising Says A. Henderson

A West Texas sheep grower, Arthur Henderson, of Van Court, recently came into the office of the Texas 'Eat More Lamb' Club with questions in his mind and earnestness in his eyes.

"How's the 'Eat More Lamb' Club? How are the growers supporting it? Say, I want to do what I can to help this movement along. I am convinced. I know."

"I sold 2,600 sheep on June 1, for \$4.60 at Fort Worth, and here the other day I sold 846 head of the same sheep at an average of \$3.16 per head. It seems to me that the demand previous advertising has created, together with low prices is slowing up, and we have to continue to push lamb or it will fall behind."

"Here's a little placard for advertising I jerked from the wall of a hotel room where I stayed. It struck my eye, because on it was recently written in ink a sentence advertising lamb: 'Our lamb steaks are cut from selected corn-fed lambs.' This was written in between another advertisement for a different kind of meat. Only recently has this hotel featured lamb at all, and now it is a member of the 'Eat More Lamb' Club. Sol Mayer, back from the north, said that a cafe owner in St. Louis told him that he is selling three times as much lamb this year as last and attributed that to the advertising of lamb. I know this advertising is worth something."

"While I was in Fort Worth I went to various commission firms that deal mainly with sheep. All are heartily in favor of this movement, and agree to give substantial donations averaging around \$100. I learned also that the packers have already agreed to give 25c per car of livestock to promote the consumption of all meat. However, lamb is not well enough advertised yet to make the general public think of it when meat is brought to mind. This is the sheep producers job—that is, make the public think of lamb."

"I see that the banks are helping the lamb club, too, as are the railroads, who have agreed to feature lamb on their dining car menus. Wool co-operative associations, wool warehouses, and business firms are aiding the club also. It seems that business firms more readily understand how vital and beneficial a movement of this sort is. They are more familiar with the value of advertising."

"It is easy to see that the 'Eat More Lamb' Club movement has already proved itself of benefit. In all the western sheep-raising states some form of club is working to enlist the growers in this organized effort to promote the consumption of lamb. The newspapers have readily given their assistance. Here

is a comment appearing on the editorial page of a leading West Texas newspaper:

"There are plenty of examples of what co-operation and group action will do. One of these is in the lamb market where the demand has risen while that of some other meats has fallen off during the last year. Certainly this can be credited to no other factor than the Eat More Lamb movements that have been carried on in Texas and other western states."

"The lamb movement cannot claim all the credit for the 14 per cent increase in lamb consumption over previous figures. Low prices must receive a large share of the credit; however, the advertising by the lamb club has had a far-reaching effect and the benefits are self-evident."

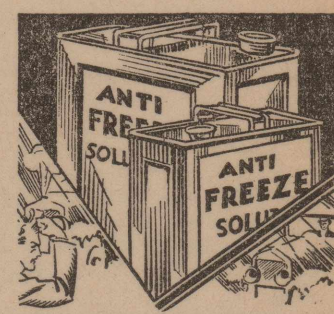

"The growers all join the 'Eat More Lamb' Club on an equitable basis based upon 1c per head of sheep per annum for 5 years. This is fair to all. This money is used in advertising lamb under the supervision of the National Wool Growers' Association. I have seen in the short time that the lamb club has been working, so far, lamb cutting demonstrations teaching the butcher and the housewife how to prepare lamb, heard radio programs, seen newspaper advertising and bulletin displays, and have myself received by direct mail lamb advertising. I know this kind of work is worth something to me, because I sell lamb and I believe such advertising has helped me get a better price for my lamb. It is easy to see that the lamb market has held up remarkably well in spite of a tremendous flow of lambs to market, and I believe the lamb campaign has helped to hold it up."

Football and Pep Squads Are Given Picnic at Ozona

The Sonora football and pep squads were entertained by the Ozona squads at a weiner roast at a park following the Sonora-Ozona football game Saturday afternoon, being served with a delicious picnic supper after which the group enjoyed an informal dance in the ballroom of the Hotel Ozona.

The ballroom was decorated in the colors of both high schools and music was provided by both radio and piano.

A majority of both the pep squad and the football boys attended both functions.

Miss Dee Trainer Is Hostess At An Armistice Dinner

Miss Dee Trainer entertained a group of friends at her home Wednesday evening with an Armistice Day dinner which she had planned in accordance with requirements for Home Economics home project work in connection with her high school course.

Invitations issued to Miss Trainer's guests were of a formal nature, bearing the American crest, and patriotic colors were carried out at the dinner, which was served by candle light.

The hostess was assisted by Mrs. J. C. Trainer, and by her sister, Miss Frances, in serving the following menu: fruit cocktail, turkey and dressing, giblet gravy, creamed peas, wuffed sweet potatoes, combination vegetable salad, cranberry sauce, nut cake and gelatin.

Miss Trainer's guests were the Misses Loreen Moursund, Alice Sawyer, Pauline Turney, and Ethelda Hefflin, and G. W. Archer, Harold Friess, and Lacey Smith.

Mrs. Armstrong Honors Little Son's Birthday

Mrs. W. M. Armstrong entertained seven little folks at her home Friday afternoon from 3:00 to 5:00 with a birthday party celebrating the sixth birthday of her little son, Johnnie Ray.

The afternoon was spent in playing various games, and snapshots of the little guests were taken before the serving of "pink lemonade" and cake. Mesdames H. L. Taylor and C. H. Evans were present and assisted the hostess with ent and assisted the hostess with the entertainment and serving.

Johnnie Ray was wished happy birthday by the following: Mary Jane Evans, Elizabeth and Tina Ann Taylor, Betty Jean Wynn, of San Angelo, Louis Davis, J. O. McMillon, jr., and Ray Wallace Stephenson.

Mrs. S. Baker Is Monday Contract Hostess This Week

Mrs. Sterling Baker entertained the Monday contract club at her home Monday afternoon.

Mrs. A. G. Blanton was winner of high score. Those present were Mesdames Roy Aldwell, J. L. Nisbet, Clara Murphy, A. G. Blanton and Sterling Baker.

H. O. Ward, Ozona ranchman, was in Sonora Wednesday on business.

Social Calendar

JOLLY MUSICIANS' CLUB at 4 p. m. with little Miss Elizabeth Elliott.
 Thursday, Nov. 19
WOMAN'S CLUB at 3 p. m. at the club house.

Library Benefit Is a Delightful Informal Affair

Prizes and Tallies in Keeping With National Wool Week, Used in Evening

The afternoon tea and informal evening given by the Library committee of the Sonora Woman's Club Friday was a delightful affair which was praised by those who attended for its charming informality both afternoon and evening and for the attractive decoration of the club house which provided a lovely background for the occasion. The silver offering taken afternoon and evening was gratifying in its generosity, according to the members of the committee, and will be used to add new books to the library, which is a particular project of the Sonora Woman's Club, having been started in 1920 during the presidential administration of Mrs. E. F. Vander Stucken.

The club house was beautifully decorated with yellow chrysanthemums, and yellow candles and flowers were used on the long serving table at one end of the room where a number of past presidents of the club poured tea in the afternoon and coffee in the evening. The beverages were accompanied by dainty sandwiches and mints at both times. Those who poured were Mesdames Roy Aldwell, Sterling Baker, E. E. Sawyer, Hi Eastland, and Will Wilkerson.

The afternoon program was of a varied nature. The little Misses Katha Lea Keene, Robby Jo Wyatt, and Jimmy Langford charmed their audience with a tap dance executed in farmerette costume, directed by Miss Dora Petmecky and accompanied by Miss Elizabeth Francis. Miss Pauline Turney entertained with a piano solo, after which Mrs. Louis Stuart gave two beautiful violin selections. Miss Edythe Carson gave two delightful vocal selections. Accompanying for both violin and voice was Miss Francis. Mrs. George Baker read "The Last Leaf," by O. Henry.

At the opening of the evening affair Miss Alice Sawyer played a piano solo, Lacey Smith gave a group of violin numbers, and Miss Dora Petmecky gave a vocal solo. Accompaniments were by Miss Francis. The remainder of the evening was spent at bridge and "42." A novel form of tally, contributed by the Sonora Wool & Mohair Company, carried the National Wool Week seal and slogan and the printed name of the Sonora Woman's Club. In keeping with this recognition of a nationally and locally important movement, the Library committee awarded woolen prizes to winners of the evening. The prizes, consisting of woolen tams for the ladies and woolen socks for the men, went to Mrs. O. G. Babcock for high score at "42," Miss Maurine Phillips for high bridge, Sterling Baker for high men's bridge score, and Lacey Smith for high men's "42."

During the serving of refreshments Miss Elizabeth Francis obliged with a number of delightful piano selections by request.

Members of the library committee, who received throughout the afternoon and evening, are Mesdames E. F. Vander Stucken, O. G. Babcock, E. E. Sawyer, W. R. Nisbet, B. M. Halbert, Mrs. W. E. Caldwell, president of the club, also assisted.

Mr. and Mrs. Horace Rees, and two little sons, of Big Lake, spent Armistice Day here visiting Messrs. and Mesdames Robert Rees, Tom Driskell, and Vernon Hamilton, and their families. Mrs. M. E. Holland, mother of Mesdames Horace Rees, Driskell, and Hamilton, returned to Sonora with Mr. and Mrs. Horace Rees, after a visit in Big Lake.

Merrimakers with Mrs. Lem Johnson Tuesday Afternoon

Mrs. L. E. Johnson was hostess to the Merrimakers' Bridge Club at her home Tuesday afternoon, entertaining four tables of members and guests.

A special feature of the afternoon was Mrs. Johnson's use of tallies and score pads bearing the National Wool week seal and slogan, which caused a great deal of pleased comment on the part of her guests. A Wool week poster on the front door greeted the arrivals as they approached the house.

The winners at bridge were Mrs. J. D. Westbrook, high club, and Mrs. Roy Aldwell, high guest.

Guests of the afternoon were Mesdames J. L. Nisbet, Roy Aldwell and Tom Davis. Members were Mesdames B. W. Hutcherson, Ed Mayfield, W. D. Wallace, J. A. Cauthorn, Thomas Espy, J. D. Westbrook, R. A. Halbert, Paul Turney, J. S. Glasscock, Rose Thorp, C. H. Evans, C. S. Keene and L. E. Johnson.

The hostess served delicious refreshments of pumpkin pie with whipped cream, and coffee.

Spanish Club to Give Play

Members of El Circulo Espanol (The Spanish Circle) of the high school are planning to give the play, "Little Red-Riding Hood," in Spanish at one of their meetings in the near future. Characters in the play are Little Red-Riding Hood, Marjorie Chadwick; the mother, Edythe Carson; the grandmother, Ora Altizer; the wolf, James Ed Hutcherson. Familiar American songs are sung in Spanish at the meetings and at the last meeting, Friday afternoon, roll call was answered with Spanish proverbs. The program committee for the next meeting is composed of G. W. Archer, Jesse Green Barton, and Pauline Turney.

PERSONALS

Mr. and Mrs. J. A. Dunn left last week-end for Sedan, Kansas.

G. M. McDonald spent Sunday night at the S. E. McKnight ranch.

M. F. Hamby left Friday for a visit with his daughter, Mrs. Al Stockton at Fort McKavett. He returned Sunday.

Mr. and Mrs. B. W. Jones and their son, B. W., jr., and daughter, Dorothy, of San Angelo, drove here Sunday to visit Mrs. Jones' sister, Miss Mackie Cooper, who recently took a position as operator at the Trainer Beauty Shop.

Mr. and Mrs. W. M. Armstrong left Tuesday for San Antonio, where they expect to spend the week-end, returning Sunday or Monday. Johnnie Ray, their little son, is visiting his grandparents in Eastland during their absence.

Mr. and Mrs. O. V. Mullins and their daughter, Miss Gladys, Miss Ellen Hutcherson, and Orville Sudith, of Eden, spent Armistice Day as the guests of Mr. and Mrs. Richard Vehle and family. Mr. Sudith bought Mr. Vehle's bakery in Eden when he sold out there.

Ladies' Meeting Postponed

Both the Woman's Missionary Union of the Baptist church and the Women's Missionary Society of the Methodist church postponed their regular meetings Wednesday on account of its being Armistice Day. The Baptist group will meet Wednesday afternoon at 3:30 o'clock at the home of Mrs. Woodie Martin to pack a box for the Buckner Orphan's Home at Dallas, as it planned to do this week. The Methodist ladies will meet at 3:00 o'clock at the church Wednesday afternoon for a business session.

Mesdames Sam Karnes and Tom White and the Misses Jamie Gardner and Nan Karnes spent Monday in San Angelo.

Methodist Workers Go to Angelo for Conference

The Rev. E. P. Neal, Mr. and Mrs. W. E. Caldwell, Mrs. J. D. Lowrey, and Mrs. Carroll Stephen attended a meeting of Methodist workers of the San Angelo district at the First Methodist church at San Angelo Tuesday when the Methodist program for the year was planned. The Rev. S. L. Batchelor, presiding elder, was in charge. Instruction was furnished in part

by three of the leading state workers: H. M. Ratliff, secretary of education; Horace M. King, secretary of rural work, and R. K. Heacock, secretary of young people's work, all of Austin.

Delegates who studied and attended the luncheon at the church at noon represented Mertzson, Big Lake, Rankin, Ozona, Sonora, Eldorado, Christoval, Eden, Melvin, Brady, Paint Rock, Miles, Water Valley, Knickerbocker, Menard and Junction.

Mrs. Jack Earhart returned Monday night from a week's visit in San Angelo with her mother, Mrs. S. H. Martin.

Koongora Coats in Their Natural State

—Courtesy Farm & Ranch Magazine.

Easy Pleasant Way To Lose Fat

These lovely creatures are prize Angoras on the Henry Malloy ranch at Tierra Alta. From the high quality mohair produced from their fleece Koongora coats are made, resembling genuine cookskin.

How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales today and see how much you weigh—then get an 85 cent bottle of Kruschen Salts which will last you 4 weeks. Take one half teaspoonful in a glass of hot water every morning and when you have finished the contents of this first bottle weigh yourself again.

After that you will want to walk around and say to your friends—"One 85 cent bottle of Kruschen Salts is worth one hundred dollars of any fat person's money."

Leading druggists America over sell Kruschen Salts.—Adv.

Bronchos

(Continued from page 1)

Friess took the ball the first time, making 22 yards at right end. A line play failed to go places, but on the third play Kring took the ball, hid it cleverly, and was through virtually the entire Ozona squad before the ruse was discovered. It was too late then, and he raced 43 yards across the goal without being tackled.

The spin play was the only one that the Ozona boys found hard to solve, and Sonora supporters could not understand why it was not used more extensively.

Sonora Spin Play Works
 To open the game Ozona kicked and the ball was returned to the Sonora 20-yard line. An end run was tried and Ozona was penalized 5 yards for offside. This penalty was one of ten assessed against the Lions for being offside. A line play failed and Sonora kicked to the 50-yard line. A line play and a pass failed for Ozona and Montgomery kicked to Archer on his 10-yard line. Taking no chances Sonora kicked to Montgomery, but Ozona was offside and was penalized 5 yards. Trying a line play Kring fumbled the ball and Schwabe covered the ball for Ozona, 15 yards from the Sonora goal. A center buck failed, and then Cox took the ball 14 yards, to the 1-yard line. Montgomery scored on the next play.

Failing to convert Ozona kicked off, Sonora returning to the 30-yard line. Three Sonora plays failed to gain, but Sonora was given a first down on two offside penalties assessed against the Lions. That began the scoring march. Striking quickly with deceptive spin plays Sonora scored in three efforts, Kring carrying the ball. A kick failed to convert.

First Quarter Close
 Ory kicked off 40 yards and Ozona returned 20. Ozona was penalized 5 yards for offside. A pass was incomplete. A spin play netted 15 yards and first down. A pass from Cox to Montgomery made 4 yards. Archer blocked a second. Montgomery kicked 30 yards to Archer—no return. Friess made 11 yards on a spin. Friess lost 4 at end. Kring failed to gain at tackle. Kring lost 8 yards on a run, and Ory kicked 40 yards to Montgomery, Hill downing him where he stood, as the quarter ended.

Penalties Are Frequent
 Ozona was offside on the first down, drawing a 5-yard penalty. A 2-yard gain and an incomplete pass were followed by a 45-yard punt. Archer returning 10 yards. Kring made 6 through tackle and Friess lost 2; Kring failed to gain and Ory kicked 35 yards, Montgomery returning 10 for Ozona. Following a 5-yard gain, Montgomery made 10 yards and first down. Three Ozona plays netted only 6 yards, and Montgomery kicked over

the Sonora goal, the ball being brought out to the 20-yard line. Friess lost 3 yards and Ory kicked 42 to Montgomery, who made a 1-yard return. On the first Ozona play Sonora drew a 5-yard offside penalty. Cox's pass was intercepted by Kring on the 50-yard line, and he crawled back 5 yards before being stopped. Friess made 3, Archer passed an incomplete pass to Ory, and Friess lost 2 yards. Ory kicked 40 yards to Montgomery, who ran back 25.

Half Ends in Tie
 Ozona made 2 yards and lost 1. Chambers made 7, and Montgomery punted 45 yards to Archer, on his own 3-yard line. Archer made a nice return of 22 yards. Kring made 8 yards on one play and 4 on the next for a first down. Sonora failed to gain. Kring made 3. Sonora was offside and drew a 5-yard penalty on the third down, and Ory then kicked 40 yards to Montgomery, who was downed by Hill.

Montgomery made 2 yards in two plays, and was then thrown for an 8-yard loss by Barton as the half ended. Score: Sonora, 6; Ozona, 6.

Demonstrations and yells by the rival pep squads, both attractively uniformed, consumed most of the interval between halves.

Ozona Scores Quickly
 To open the final half Montgomery kicked 40 yards to Kring, who returned 15. Friess failed to gain, and a pass, Archer to Hill, was incomplete. Ory punted 35 yards and Hill killed the ball. Chandler got loose around left end for 30 yards. Cox made no gain. Montgomery broke through tackle for a 15-yard advance. Ozona failed to gain; then made 2. Ozona made 2 yards and Chandler made a first down. Montgomery scored on a fake play, getting through tackle for about 15 yards. A kick failed to convert.

Friess returned Montgomery's 50-yard kick-off 17 yards. Archer's pass was knocked down. Ory kicked out of bounds on the Ozona 47-yard line. Ozona failed to gain, and then Moore made 3 yards and Chandler made 7 for a first down. Another no gain was followed by gains of 4 and 7 yards, for another first down. Ozona made 4 and Chandler carried the ball for 14 yards and another first down. Ozona made 2, and was then penalized 10 for two offside offenses, Chandler made 12, but a pass failed and the ball went over. Ory kicked from his own 10-yard line, Montgomery taking the ball on the 40-yard line and racing around end for a touchdown. Good blocking by other Ozona players featured the run. Again efforts to convert were futile.

Sonora Lets Down
 Ozona's kick-off went over the goal, but the ball had been touched by a Sonora player, so Friess carried it for a 10-yard return. Ozona was offside on the kick-off and the ball was kicked again, from the 35-yard line. Montgomery kicked 40 yards to Ory who returned 25 yards to midfield. Archer's pass was intercepted by Chandler as the quarter ended.

Ozona made 3 yards, then made 16 for a first down. The Lions drew another 5-yard penalty, and then Montgomery made 7. A 5-yard gain was a little short of first down, and Montgomery kicked out of bounds on the Sonora 12-yard line.

Final Attempt to Score Fails
 Ory kicked 35 yards, but Ozona was again offside. Archer's pass to Kring was incomplete. Ory kicked 35 yards to Montgomery, who returned 20 yards. Ozona made 14 yards in four downs, Chandler made 2 and Cox made 6. Cox went over for a touchdown. Again a kick failed to convert.

Montgomery kicked 50 yards to Kring, who ran the ball back 25. Galyon intercepted Archer's pass on the 50-yard line. Ozona made 2 successive first downs, then made 7 yards on two plays, and got a first down when Sonora was penalized 15 yards for roughing. The Sonora defense tightened and two plays gained only a yard. On a fake kick, a pass was caught in the end zone by Ozona, and the ball was then placed on the 20-yard line in Sonora's possession. Ory's pass was intercepted by Westfall. Ozona made 5 yards on a pass as the game ended, with ball in Ozona's possession just 30 yards from the Sonora goal.

The starting lineup for the game follows:

Sonora, 6	Pos.	Ozona, 24
Logan	Left End	Wilson
Barton	Left Tackle	Baggett
Roberson	Left Guard	England
Smith	Center	Foreman
Glassecock, V. J.	Right Guard	Hoover
Pharis (co-Capt.)	Right Tackle	Robison (Capt.)
Hill	Right End	Moore
Archer (co-Capt.)	Quarter Back	Montgomery
Kring	Full Back	Schwabe
Ory	Half Back	Chandler
Friess	Half Back	Cox

Substitutions follow: Sonora: Jamie Glassecock for V. J. Glassecock; Fields for Archer; Allison for Jamie Glassecock; for Ozona: Childress for Schwabe; Galyon for Childress; Smith for Hoover; and Westfall for Chandler.

Bob Phillips, forman of the George L. Aldwell Sheffield ranch, was in Sonora Monday on business. Mrs. R. A. Halbert spent the week-end in San Angelo with Mrs. W. W. Petty and Mrs. R. F. Halbert.

MASON ROUNTREE WRITES OF FORMER SONORA PEOPLE; HE IS LIVING NOW IN PHOENIX, ARIZ.

Mason Rountree, former Sonora boy and son of former county judge, J. O. Rountree, has written an interesting letter to Steve Murphy telling of a number of former Sonora people.

Mr. Rountree is in business in Phoenix, the manager of the Arizona Collection Service.

His letter, in part, follows: Phoenix, Ariz., Nov. 4, 1931. Dear Steve:

A message from anyone at Sonora is always greatly appreciated, even if it is from "The Devil." A man who lives here and works for my father-in-law stopped over in Sonora sometime ago and of course saw you. He delivered your best regards message, and it made me feel good to know that you had not forgotten me. I also want you to know that Pat Nelson received your message.

I do not hear from Sonora often, and I wonder quite a bit about the old boys and how they are getting along. There are several old Sonora fellows here and I see them occasionally. Dan Parker is here, also Walter Taylor. Walter is in the insurance business and is doing fine. Dan Parker is living easy I suppose, on what he made years ago. There is another fellow here but I can't recall his last name. First name is Bill. He used to work in the store for Felix Vander Stucken. You will remember him as the fellow who helped Judge Woodruff dig into the graves of Doctors O'Tool and McGuire, the time they "died" down there on the Bob Martin ranch. Marvin Hunter was out here last year and he and I had several mighty fine talks about the good old days in Sonora. His brother lives here; is a good friend of mine. I hear from Noah Rose pretty often. He is in San Antonio. He sends me a bunch of his photographs of old-time outlaws and peace officers. Just the other day he sent me a photograph of Pierce Ketton, taken when he was a young fellow. He also sent me one of Bill Carver and the famous Hole in the Wall Gang.

Jim Buchannan was through here awhile back and we had quite a talk. Same old Jim, has not changed a bit except looks a little older. I believe he is now located at Bisbee, or at least his wife is there teaching music. I have never seen Frank Salmon, but his oldest son, Rhiney, is assistant attorney general of Arizona. The youngest boy was killed in an auto accident several years ago. He was quite a football star. Jim Alford is still around Bisbee. I have never seen him since I have been here, but saw his nephew, "Little Mack Brown." Saw Boss Parkerson, from Rocksprings, last winter. His brother Fred is deputy sheriff of Pinal county. I see him occasionally. Also saw Dan Cryer, who used to work for Arthur Stuart. He is crippled pretty badly with rheumatism; gets around on crutches.

I hope the depression has not hit the Sonora country like it has some other places. It is not so bad here, but of course there are a lot of belly achers who stand around and cry

hard times, and cuss Herbert Hoover. I can't blame them for that though, even if you are a "dam Republican." Quite a bit of building going on here. Several large business buildings going up, and numerous dwellings.

Several years ago the Rountree family had a reunion at Springerville, Arizona. Pat, Mont and myself met the rest of the bunch there, and we camped together for about ten days. That was a great reunion. First time our family had all been together at one time in over twenty-five years. The "Old Judge" was the life of the crowd.

I just intended to acknowledge receipt of the kind message you sent me, but have written two pages of uninteresting stuff. But I do hope to hear from you again, and wish you would write and tell me about the boys and girls. Sonora is still home to me and I get hungry for some real men and women like we always had in Sutton county, and West Texas in general.

My kindest regards to everyone there, and all the good luck in the world to you.

Sincerely your friend,
—MASON ROUNTREE.

Ballinger Bank Reopened Friday

Replaces Institution Which Was Closed There Oct. 10

The Security State Bank, with E. Shepperd as president, opened at Ballinger Friday morning, replacing the Ballinger State Bank which closed following withdrawals October 10.

The organization of the new institution is as follows: George Holman, first vice president; William Halfmann, second vice president; R. E. George, W. B. Haley, C. P. Shepperd and E. F. Batts, directors with the named officers; T. B. Saunders, cashier, and A. R. Murchison, assistant cashier—the two active officials both being former employees of the Ballinger State Bank.

Owing to the small amount of expected clerical work due to the restricted withdrawal on old deposits, the staff was limited. All depositors with an account of over \$50 agreed to the restrictions which allow two-thirds per cent to be taken out February 15 and an equal portion each following month.

VANDER STUCKEN SALE DECLARED BIG SUCCESS

A two weeks' sale, closing this week-end at the E. F. Vander Stucken Company store, was declared a big success by Lawrence Grimland, manager of the dry goods department at the store.

The sale was entirely successful in that it moved plenty of stock to make room for Christmas merchandise. A steady stream of shoppers visited the store during the entire two weeks, tripling the usual business, according to Grimland.

Wurzbach Is Dead

Congressman Harry Wurzbach, Texas' only Republican congressman, died last Friday in San Antonio. His death came as a result of the effects of an appendicitis operation.

Entire Nation Observes Wool Week Festivities

"All Wool and a Nation Wide" is Slogan Adopted in Big Educational Drive

With the slogan "all wool and a nation wide" as the background of a coast-to-coast campaign, thousands of retail stores, wool growers and wool manufacturers opened National Wool week Monday in a concerted six-day-drive to boost their products.

Backed by governors' proclamations, endorsements of senators and full co-operation of merchants and chambers of commerce, as well as wool growers and manufacturers, Wool week is seeing a determined effort made to educate the public to the virtues of wool.

The program was nation-wide, ushered in with banquets, special meetings and style shows in many cities from New York to San Francisco. In New York, Arthur Hyde, secretary of agriculture and James C. Stone, chairman of the federal farm board spoke Saturday night at a banquet in the Waldorf-Astoria hotel. Mayor James J. Walker of New York City was presented a tuxedo by manufacturers.

While western cities were launching the final drive before Wool week the event was brought into the spotlight at Philadelphia with a great parade of floats, a banquet and a style show.

Throughout the nation, stores emphasized wool clothing and articles during Wool week. Fashion's decree which dictated that wool shall be worn this fall and winter has brought about many new creations for men and women. Stores, featuring these, at the same time conducted educational campaigns with shoppers to tell them of the "no substitute" qualities of wool.

B. Y. P. U. Now Almost A-1 Group

Nearly Twice Required Number Take Manual Study Course

The Baptist Young People's Union, sponsored by Mrs. W. M. Armstrong, has been in existence only a little over a month but has closely approached the A-1 Standard of Excellence outlined by the Southern Baptist Convention for B. Y. P. U. groups. The standard requires that one-half of the total membership take a directed study course, and almost 100 per cent of the membership attended the class held at the church each night last week by Mrs. Armstrong and took the examination on the B. Y. P. U. Manual Monday. Some who were unable to take the course are planning to do so and take the examination soon. Awards for passing the examination consist of diplomas.

At a regular meeting Sunday evening an excellent program was rendered, all parts being given without reference to the B. Y. P. U. quarterly—a point greatly striven for in all model unions. There were fourteen present for the interesting Bible study on the Book of Luke.

A. W. Awalt, jr. Better A. W. Awalt, jr., who has been quite ill at his home for ten days is showing definite improvement this week.

City of Sonora Gets Car The city of Sonora was given a bill of sale to a Pontiac coupe owned by John Mason, Gibson City, Ill., Monday. The car will be sold to defray expense of caring for Mrs. Mason during a fatal illness here and in San Angelo.

TRESPASSING FORBIDDEN My ranch 25 miles southeast of Sonora in Sutton and Edwards counties is posted according to law. All trespassing is absolutely forbidden — hunting, wood-hauling, trapping, etc.—Officer in charge. (47-1-22-32) OSCAR APPELT.

Club to Open Game Preserve

Davis Mountain Ranch Will Be "Game Paradise"

A virtual game paradise awaits deer hunters this year in the Davis Mountains, 55 miles south of Pecos, since the W. W. McCutcheon ranch of some 25,000 acres, located 17 miles from Balmorhea, is to be opened to hunting this year after a ruling which has kept it as a game preserve for 35 years.

The Limpia Canyon Hunting Club has leased the ranch, and it will be open to hunters at the club's fee. W. R. McKay of Balmorhea and Fort Stockton is to manage the preserve this season, after which 10-year rights to the preserve are to be sold.

Deer in the Limpia canyon country may be viewed in groups of 10 to 25 almost any day if driving through the McCutcheon ranch. In addition to deer, the preserve boasts bear and mountain lion. It will represent one of the best deer hunting grounds in the nation this year.

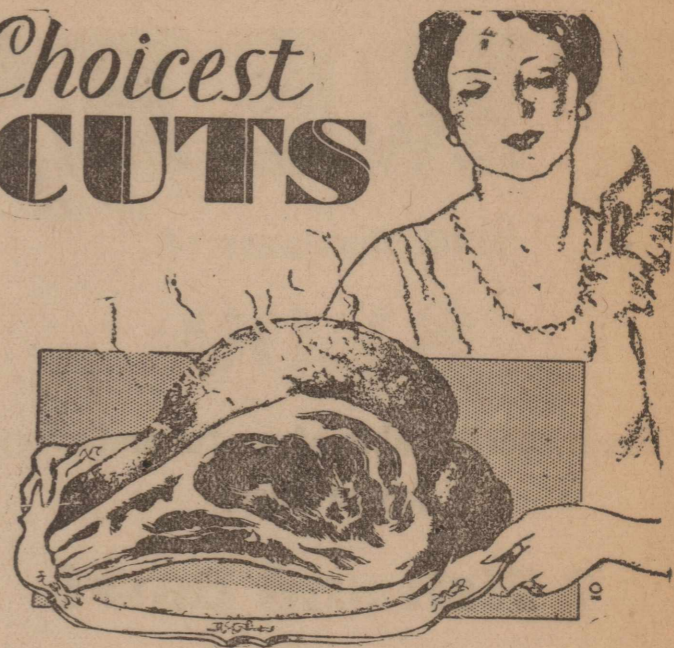

NOTICE

Del Rio and Northern Railway Company hereby gives notice that on October 13, 1931, it filed with the Interstate Commerce Commission at Washington, D. C., its application for a certificate that the present and future public convenience and necessity require the construction by it of a line of railroad extending from Del Rio northerly to Sonora, and from Del Rio in a southeasterly direction to Quemado, a total distance of 132 miles, in Val Verde, Edwards, Sutton, Kinney and Maverick counties, Texas.

DEL RIO AND NORTHERN RAILWAY COMPANY. By T. N. Picot, President.

Miss Cauthorn Home for Visit Miss Mae Cauthorn, who is a student at Baylor University, Waco, spent the week-end here with her parents, Mr. and Mrs. J. A. Cauthorn. (She was accompanied to San Angelo to take her train on Sunday by Mrs. Cauthorn, Mrs. R. A. Halbert and Mr. and Mrs. Fred Earwood.)

W. O. RAY, Manager MRS. TOTSY BARTON, Owner

There is business today --

But you must ask for it through Advertising

Banks today are bulging with money . . . Savings accounts in every large city and in virtually every country town have grown tremendously.

A recent address before the New York Credit Men's Association by Kenneth Collings, vice president of R. H. Macy & Co., one of the world's largest and most important department stores, emphasizes the facts below:

"Though the nation's payroll income has been reduced approximately 11 per cent from 1929.....business has declined far more during this period.

"Our savings deposits during this time have been increased to a figure estimated as high as \$30,000,000, and commercial deposits have increased nearly \$150,000,000. Fundamentals are as they were in 1929; the same productive capacity is here, as is the same or greater ability to consume, based on wealth on hand.....

"It is the business of advertising to get this money circulating. And the companies which today, even in times like these, who are showing gains in volume and profit, or are holding a relatively sound position, are those which are vigorously publicizing themselves and thereby prying dollars loose."

One of the foremost savings banks in the country recently made the following statements in a letter to its many depositors: "Wise spending at the right time is as much a part of good thrift as saving all you can when prices are going up. Moreover, judicious spending now will help to set the wheels of industry turning more rapidly and restore employment to thousands now out of work."

Fire Narrowly Averted
Members of the Home Economics classes at the high school and their teacher, Miss Loreen Moursund, had a small fire scare in the H. E. kitchen Monday when the gasoline stove flamed up for several seconds, badly blackening the kitchen walls, when a pipe on the stove became stopped up with carbon. Miss Moursund succeeded in extinguishing the blaze by cutting off air. The stove has been repaired.

W. M. Armstrong Transferred
W. M. Armstrong, who has been located in Sonora for a number of weeks managing the Sunset Truck lines, has been transferred by his company to San Angelo. He and Mrs. Armstrong will leave for their new home November 15. Homer Archie, who will take the position formerly held by Mr. Armstrong, moved here Sunday from Eldorado with Mrs. Archie and their little son.

Wool Week—

(Continued from page 1)

activities.

Banquet Suggests Wool
The banquet held Wednesday night was arranged by Mr. Evans and other officers of the wool company. Food was donated by local merchants, with the meat coming from lambs donated by Sam Karnes, Gus Love and Ed Wilkinson. Ladies donated their services in preparing and serving the banquet. Mr. Evans presided as toastmaster. "WOOL" was spelled in fleece at the head table, and miniature sheep stood at feeding troughs on the banquet tables.

The first entertainment feature was a vocal duet, "A Perfect Day," by Carrie Jacobs Bond, by the Mises Dora Petmecky and Helen Joiner, accompanied by Miss Elizabeth Francis. They responded with an encore, a parody of the Mother Goose rhyme, "Ba, Ba, Blacksheep." Miss Francis had previously given dinner music at the piano.

Halbert Tells of Early Days
B. M. Halbert, pioneer Sutton county ranchman, told of the early days in this area, before the founding of the city of Sonora. He told of selling wool during the Cleveland administration at 6 and 8 cents a pound, and of sheep having been sold in Sonora at \$1 a head.

Mr. Halbert stressed the importance of the spread of sheep and wolf proof fencing, eliminating need for herders.

Little Miss Mary Jane Evans' presentation of "Mary had a little lamb" was drowned in the applause which greeted her appearance.

Evans Discusses Wool Demand
Mr. Evans told of the origin of wool week, and stated that local buying had been highly gratifying. Although the foreign demand for wool is strong, the present demand in the United States has been affected adversely by strikes in mills at Lawrence, Mass., said Mr. Evans.

Ed Mayfield, president of the Sonora Wool and Mohair Company, stressed the necessity for keeping wools clean when sacking them.

Earwood Talks on Mohair
Mrs. Bryan Hunt gave a lively interpretation of "Turkey in the Straw," and Mrs. George Baker gave a reading, a parody on "Mary had a little lamb."

Fred Earwood, famed as a breeder of Angora goats, and nationally known authority of mohair, delivered an interesting address. He exhibited a new type of mohair coat, closely resembling coon skin, and called "koongora." It was Mr. Earwood's opinion that the greatest benefit ever given the industry by the National Wool Marketing corporation was the instigation of wool week. Mr. Earwood stated that the surplus mohair on hand was in much smaller proportion than that of other textiles, and stated that a national mohair week would deplete the entire American supply.

Wade Grimland Visits Here
Wade Grimland, Houston, was in Sonora Sunday for a brief visit with his parents, Mr. and Mrs. J. E. Grimland. He was enroute to Eagle Pass on business for the General Motors Corporation, of which he is assistant zone manager.

Son Born to Brusenhans
Mr. and Mrs. Robert Lee Brusenhan, of Ruston, La., formerly of Sonora, have announced the birth of a seven pound son, Robert Lee, jr., on October 28. Mr. Brusenhan was formerly a prescription clerk at the Corner Drug Store, and also managed the Sonora Drug Company for a time.

To Show "Sporting Blood"
The La Vista theatre will show "Sporting Blood" with Clark Gable and Ernest Torrence on Friday and Saturday nights of this week, according to announcement of Cecil Elliott, of the Aldwell-Elliott company. The show will be the first of a series of week-end pictures to be presented here during the fall. An "Our Gang" comedy will also be shown.

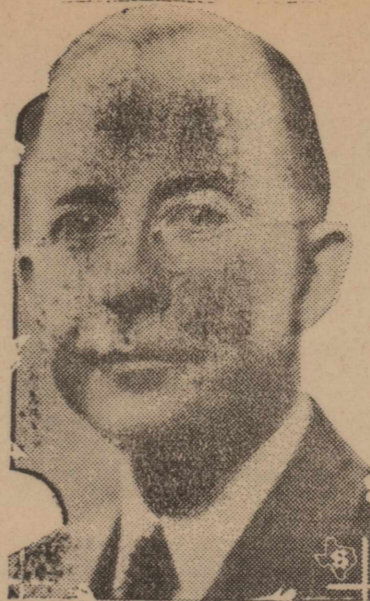

Attend Convention
Mesdames S. T. Gilmore, president of the sixth district of Parent-Teacher Associations, and Ira Shurley, president of the local organization, and Thomas Head, of San Angelo, recording secretary of the sixth district, left Monday morning for San Antonio, where they attended the state convention of Parent-Teacher Associations meeting there this week. They were joined at Junction by Mrs. W. P. Riley, vice president of the sixth district. They will return tomorrow.

Alpine—Work started on new hospital here.

POOR SLEEP DUE TO GAS IN UPPER BOWEL
Poor sleep is caused by gas pressing heart and other organs. You can't get rid of this by just doctoring the stomach because most of the gas is in the UPPER bowel.

The simple German remedy, Adlerika, reaches BOTH upper and lower bowel, washing out poisons which cause gas, nervousness, bad sleep. Get Adlerika today; by tomorrow you feel the wonderful effect. You will say the day you read this was sure a lucky day for you. Corner Drug Store.—Adv. R-2

In Phone War

This is Mayor E. O. Thompson, of Amarillo, who is going to get the phone rates of his city down or not have any phones. When the company refused to reduce the rates, city offices and Thompson's two hotels were the first to have phones taken out. Others followed until now more than 700 phones are disconnected.

Game Abundant—

be shipped without an affidavit that it is destined for the residence of the owner or going to a taxidermist, and that the shipper lawfully killed the game.

The use of headlights in night hunting is forbidden, and the mere possession of a headlight in country where deer are found is a violation.

It is unlawful to use one dog in trailing a wounded deer in virtually all of the counties of the hill country. Before doing so, however, hunters are urged by game authorities to inform themselves definitely on this point.

Road Patrolman Discusses Laws

Ed D. Hinkle Stresses Necessity for Chauffeur's License

Ed D. Hinkle, enforcement officer with the Texas highway patrol body, was a Sonora visitor Monday and inspected a number of local trucks and automobiles, making no charges however.

Mr. Hinkle stressed the importance of securing a chauffeur's license for operating commercial vehicle having over one ton capacity. The license is required of every person who operates such vehicle, regardless of ownership. The license is secured at the tax collector's office in each county. Cars with pick-up bodies do not come under this ruling, however.

Hinkle checked cars for lighting, and stated that regulations requiring cars to have both front lights and a rear light burning would be enforced.

Trucks over 70 inches wide must carry a white light on the left at the front of the body and red light on left rear of the body. Rear view mirrors are also required.

Mrs. John Reilly, of Owensville, drove to San Antonio last weekend and brought home her eldest daughter, Florene, who has been attending the School of the Incarnate Word but whose health has made it advisable for her to discontinue work this year.

Phone 72 for fresh Jersey milk. Fields' Dairy.

TWO KEYS ARE NECESSARY

One of them is kept in possession of the custodian of the vault. You keep the other. Thus your safety deposit box in our 100 per cent safety vault is made doubly secure as BOTH are keys required to open the box. Rentals as low as \$2 per year.

First National Bank of Sonora

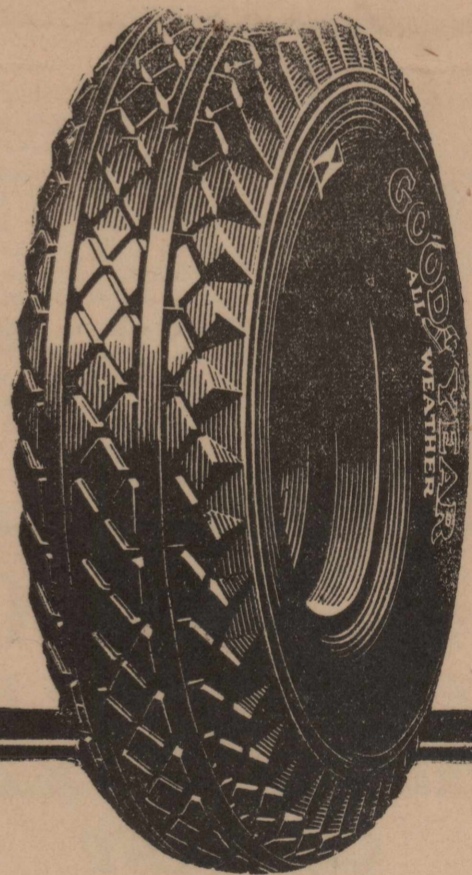

Capital and Surplus \$237,800.00

FIRE DESTROYS BARN OF MRS. W. B. ADAMS

A fire of unknown origin completely destroyed a barn on the W. B. Adams ranch in the Camp Allison community Monday, while Mrs. Adams and Miss Lotia Cosby, school teacher at Camp Allison, were alone in the house. When they noticed the fire, the barn was al-

ready in flames, making the efforts of neighbors futile in an attempt to save it.

Mrs. Adams stated that she had just had 50 bushels of shelled corn raised on the farm put into the barn, and also lost all of her milo maize, cottonseed, harness, and vehicles. The loss was estimated at over \$1,000.

S.A.F.E WINTER DRIVING

Look at those sharp-edged blocks of rubber on the most famous tire tread in the world. They're there to save you trouble; to pull you through slippery ruts; to keep your car under control during the most dangerous driving months of the year. But they can't do this unless you put them on your car now. Come in—trade your old tires for safe, new GOODYEAR ALL-WEATHERS.
