TWO CAN

Nowadays almost every project, nearly every activity is completely and complexly organized. We are so organized that sometimes we begin to believe that no civic project may be undertaken without a half dozen meetings, the appointment of a committee, a wad of motions, and an election or two.

It is indeed refreshing to have this thinking overturned and see that two individuals can accomplish wonders.

Mrs. J. T. Sellman and Mrs. A. W. Awalt became concerned about our "Sunken Garden," the lot between Sonora Men's Store and the Courthouse. Without doubt it had become a weedy, littered eyesore.

The potential beauty of the spot is obvious.

The priceless old live oak trees and the slope of the land deserve to be graced by flowers—not by unwanted mail thoughtlessly discarded.

The attractiveness of the whole town is affected by the appearance of this spot almost in the center of town.

Mrs. Awalt and Mrs. Sellman did not stop by deploring the appearance of the lot. They and several boys have been working almost every afternoon clearing, cleaning, and planting. We can already see a great improvement.

And the women interested a number of other persons in supporting the project.

We send Mrs. Awalt and Mrs. Sellman a sincere "Thank you" and urge the community to continue supporting the project.

Letter to the Editor

Our sunken garden—by this I mean "Sonora's Sunken Garden."

Mrs. Sellman had the idea that since the disbanded Garden Club had put all the good dirt in there, that something might be done with this unsightly corner.

She got me interested; so I gave it quite a bit of thought, and in the meantime read an article in the Reader's Digest, "What You Can Do With an Hour a Day."

I fell upon the idea of seeing if some of my neighbor boys wanted to work if we could get the means to pay them.

Mr. Westerman told us if we could get the boys, he would pay them. John King said he would help; so I decided to see others that might like to donate to the project.

The City has been very cooperative, and we appreciate that a lot.

So far, so good. If anyone has time, energy, or money, we are open to suggestions, for this is Sonora's little park. We just hope it can be something that everyone can enjoy before too long.

We only gave it a little push.

These are the names of those who have donated: Cecil Westerman, Devil's River News, Neville's Department Store, The Rattliff Store, Home Hardware and Furniture, Sonora T.V. Service, Labenske Style Shop, Sonora Gas, Sonora Men's Store, Ruth Shurley Jewelry, Davis Insurance Agency, George Wynn Insurance Agency, Sonora Electric, Elliott Chevrolet, National Building Centers, Sonora Food Locker, A. E. Prugel, First National Bank, and Mr. and Mrs. W. L. Davis.

And the boys who so willingly helped us are Barry Black, Wayne Dietz, Wendell Dietz, Monte Dillard, and Mike Holly.

So far we have spent \$17 for labor and \$255 for flower seed. We hope no one will have to regret having donated to the cause—just help us keep it going.

Hippopotamus ivory is denser and whiter than elephant ivory.

LANTANAS, pyracanthas, a rose bush, a bed of zinnias, marigolds, larkspur, balsam, day lilies, and three beds of cannas with rock borders have been added to the "Sunken Garden" in downtown Sonora by Mrs. A. W. Awalt, Mrs. J. T. Sellman, and their helpers. The pres-

ent improvement, as well as the promise of future beauty, may already be seen. Thorp's Laun-Dry has donated a trash can to the project, and a number of other merchants and individuals have contributed. The City has installed a hydrant and has hauled away trash.

Officer Expects Long Inspection Lines

"Many motorists are going to be caught in long lines, before April 15," said Leo E. Gossett, commander of the west Texas region of the Department of Public Safety today.

"The period set by law for securing the 1965 inspection sticker ends at midnight, April 15, and there can be no extension of the deadline," Gossett pointed out. "Any Texas motorist whose vehicle does not display the new sticker after April 15 is subject to arrest by any sheriff, deputy, city policeman, or by officers of the Department of Public Safety."

The 49-County Midland Region of the Department of Public Safety has 533,810 registered vehicles, with 325,366 inspected as of March 15.

"May we encourage all motorists, who have not had their vehicles inspected, to have this done immediately as some of the inspection stations are already becoming crowded?" Gossett asked.

New Long Distance Telephone Benefits Slated by Company

New terminology and new benefits related to long distance calling will become effective April 1, according to information released this week by General Telephone Company of the Southwest.

The new terms describe in a more uniform manner when rates are effective and are as follows:

Day rates refer to long distance rates in effect from 4:30 a.m. to 6:00 p.m. Monday through Friday.

Evening rates refer to rates in effect from 6:00 p.m. to 8:00 p.m. and all day Saturday.

Night rates are rates in effect from 8:00 p.m. to 4:30 a.m. Monday through Friday and all day Sunday.

Night rates are the least expensive, while evening rates are lower than day rates, according to a company spokesman.

Income Tax Q and A

Q - I've been told that students can reduce their taxes by taking the new minimum standard deduction. Is that so?

A - Yes it is. Under the previous law, a student or any other single person had tax to pay when his income reached \$675. That allowed their \$600 exemption and the standard deduction.

Under the new tax law, a single person with less than \$900 in income will owe no tax. He is still allowed the \$600 exemption and now gets the minimum standard deduction of \$300 since it results in a lower tax than the 10% deduction. The tax tables are based on the deduction that gives the lowest tax.

\$500 for married persons filing separately and \$1,000 for single persons or married couples filing jointly.

Q - I just finished working out my 1964 tax return and find I owe more this year than I did last year. Why is this, when we were supposed to have received a several billion dollar tax cut?

A - The 1964 Revenue Act reduced all individual income tax rates. If you will check the return you filed last year, if your income was about the same for both years, you'll probably find that your total tax liability was greater in 1963 than it is for 1964.

However, you may find that your withholding in 1964 did not come as close to meeting your total tax liability as it did in 1963. For this reason, you may think your tax bill is higher when it is actually considerably lower.

In Texas after golf beer's the one... for good taste, good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's great to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

The reduction in interstate rates to be effective April 1 was announced earlier this year by the Federal Communications Commission and involves lower station-to-station day rates for calls over distances in excess of 600 miles, with the maximum rate being \$2 for a coast-to-coast station-to-station day rate call.

E. H. Danner, president of General Telephone Company of the Southwest, pointed out that the \$1 maximum rate for 3-minute station-to-station interstate night calls was extended on February 1 to cover more hours during the week.

"In fact," Danner pointed out, "the telephone industry, along with many other industries, has

been able to consistently lower long distance rates because of technical advancements and improved operating efficiency. For example, in 1915, a coast-to-coast long distance call cost \$20.70."

Outstanding Field of Three Year Olds Offered in South Texas Derby at Goliad

The 1965 South Texas Derby with an estimated purse of over \$10,000 will offer an outstanding field of three year olds, say officials of La Bahia Downs in Goliad. The Derby trials were scheduled for April 3, with the finals being run April 10.

Many of the big 1964 Quarter Horse Futurities were won by entries in the South Texas Derby. These entries include Bayou Bar, owned by Bill Taylor of Chouteau, Oklahoma, winner of the National Quarter Horse Futurity; Big Johnny Cake, owned by Larry Gorman of Warner, Oklahoma, winner of the Illinois State Futurity, Ozark Futurity, and South East Oklahoma Futurity; Decketta, owned by W. W. Wilson of Washington, Oklahoma, winner of the \$302,000 All-American Futurity, and the Midway Downs Futurity; Hi Dividend, owned by B. F. Phillips of Dallas, winner of the Goliad Futurity and the Del Rio Futurity.

Other outstanding three year olds include Lady Gates II, owned by Mrs. N. W. Gates of Batesville, and Panama Chick, owned by William Petru, of Shriner, who dead-headed for first in the Alamo Quarter Horse Futurity; Lalito Canales, owned by Ed Canales of Premont, winner of the Endurance Sweepstakes at Columbus, and Sagey's Folly, owned by John A. Bauchman of Seguin, winner of the West Texas Futurity in Sonora.

These three year olds will be vying for top honors in the Derby and will also attempt to break

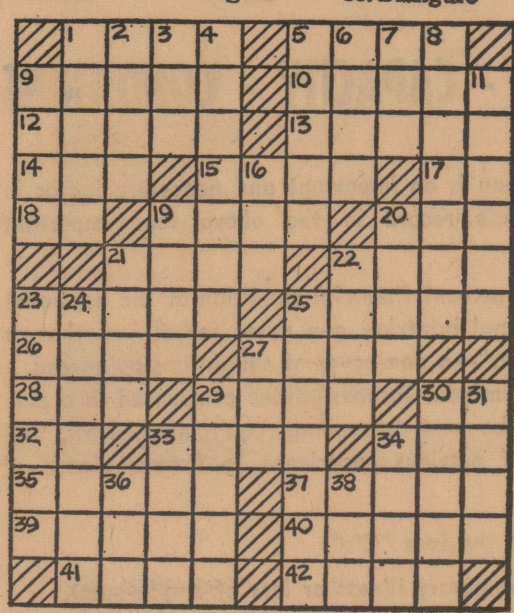

the record of Go Galla Go, owned by B. M. Taylor of Weatherford. Go Galla Go, won the 1964 South Texas Derby with a performance of 18.26 at 350 yards, the track record at La Bahia Downs, for that distance.

GREEN NEWS

By Wanda Cahill
The Men's Invitational Tournament is history now, but one thing is for sure... it was a huge success. We filled up and had to turn away golfers! Everyone seemed to enjoy our course and they were amazed at its improvement over last year. Our tournament committee needs a pat on the back for doing an excellent job on this tourney. . . . it's a whale of a task.

I think the men came out well ahead, and I know the auxiliary cleared around \$330 from the food, tickets, etc. It was a lot of work, but as always, our members really put out. . . and the result was a most successful tournament plus a little money in the bank.

The auxiliary wants to thank George Barrow for the Mido watch he gave away to the golfer who got nearest the hole on number 9. But, to be eligible, the golfer had to have bought a ticket from the ladies for a golf ball if they hit the green. As you can see the lure of the watch boosted our sale of ticket greatly! By the

way, Batts Friend, one of our own golfers won the watch.

We are most proud of J. W. Neville for winning runner-up in the championship flight. He had to go into a sudden death play-off against Sonny Perez from San Angelo to do. . . which he did on number 3.

Bobbie Fawcett, Marilyn Bloodworth, Lunetta Morgan, Sammie Espy, Pauline Thompson, Ernestine Hext, and Wanda Cahill went to the ladies one-day play at Del Rio Saturday. Lu won low net in her flight. She was the only one of us who played well. . . the rest of us almost ran out of golf balls. . . they are all in the San Felipe Creek! But, we had a good time, and we are looking forward to the Del Rio women coming to our tourney, which is Wednesday, April 21. Don't forget, gals, it's bridge and golf.

CROP Supervisors Hear Annual Plans

District supervisors of the Christian Rural Overseas Program heard the results of last year's efforts and plans for 1965 at a training session in San Angelo April 1.

Among those attending was the Rev. Arno Melz, supervisor for Sutton, Schleicher, Crockett, and Edwards counties.

Melz said that one of the most gratifying developments in the program was a shipment of food to Chile after the recent earthquake. He said the food had been designated for a different program but immediately was made available for disaster victims. Other food will be collected for the original program.

St. John's Slates Holy Week Activities

Monday, April 12, through Saturday, April 17, there will be morning prayer at 8:30 a.m. Monday through Wednesday at 7:30 p.m. there will be holy communion.

On Maundy Thursday at 7:30 p.m. St. John's Church will have holy communion and stripping of the altar. At 12 p.m. on Good Friday the church will have evening prayer, Litany and ser-

Mrs. Harris Fetes 7-11 Bridge Club With Spring Party

Mrs. Jimmy Hugh Harris followed a spring motif in entertaining the 7-11 Bridge Club at the Holiday Host Restaurant Monday night. Decorations in pastel colors included Easter egg table markers and spring flowers.

Winning spring flowers as prizes were Mrs. J. L. Steed with high score for club members and Mrs. Nolan Johnson with high score for guests. Mrs. W. T. Black received the slam prize, and the traveling prize went to Mrs. Tommy Smith. Bingo winners were Mrs. John Tedford for members, and Mrs. Joe Nance, guests.

Other members attending included Mmes. Albert Everett, Ralph Finklea, Bill Morriss, Dickie Street, Jerry Hopkins, Albert Ward, Bobby Granger, and Jim Holley of Eldorado.

Four Large C's

CHARACTER - CAPITAL - CAPACITY - CONDITIONS

The credit report from your local bureau is an important and necessary factor in factually giving the credit applicant's record in the above four important characteristics.

It gives the past record as well as the present financial condition of the applicant and—in addition, tells what the personal interview can never reveal—whether or not the applicant is a chronic "defaulter"—a non-payer of obligations as agreed. You cannot get away or move away from your responsibilities contracted in a previous residence. Character is perhaps the most demanding requirement of all. This can easily be verified by a check of previous experience in former places of residence.

Credit is still extended on the basis of the four "C's":

- Capital—his ability to withstand temporary illness or loss of employment.
- Capacity—his earning power to service the debt.
- Conditions—the economics of the area or industry in which he is employed.
- Character—or lack of it, generally is proven by the antecedent information covering a three-year period of time.

Can you qualify with the Four "C's"—so important to your credit rating?

Remember: "YOU RUN DOWN YOUR CREDIT, WHEN YOU RUN UP YOUR BILLS."

By Carol Hopf

The "end of school rush" has begun. Now that we have been entertained by the Junior-Senior banquet and from the rest of the school year will fly by. The seniors of '65' extend special thanks to the class of '66, their sponsors, and room mothers for such a nice banquet and dance.

We really enjoyed the food and the entertainment—from the mints to the Last Will and Testament of the Class of '65. Somewhere in between, we were well-entertained by the Four Play-Boys of Broadway at the barber-shop—Bill Glasscock, Grady Roe, Eddie Sawyer, and Mike Wuest. Grady's mother, Mrs. Roe, accompanied them at the piano. All during the program, flash bulbs and other objects such as mints went sailing through the air.

The Prophecy really gave cause for laughter and a few red faces. From my position at the table, those who boasted the reddest faces as a result of the Will, were Bill Glasscock and Mr. Behrens.

The District Literary Meet is over again for another year, and members of the graduating senior class of SHS captured four first place medals. Cindy Galbreath won first in girls' poetry interpretation, Carol Hopf placed first in the girls' prose reading, Carla Whitworth captured a first in girls' extemporaneous speaking, and Bill Elliott won the number sense contest. Shelley Morriss and

Thurston McCutchen, beginners from the junior high set, placed third in junior declamation. The first place winners will enter regional competition in Lubbock on April 24.

It seems that while the group was waiting for the bus to take us home from Ozona, we were witnesses to a strange sight. Irene Davis, Peggy Grobe, and Carol Hopf were victims of a group of beard-painting artists. Their carefully, but forcefully, penned beards, moustaches, and scars were applied unmercifully by John David Fields and Gary McGilvray.

Bryan and Cathy Grelle have moved out of town to live on a ranch. That means lots of good things like peace and stuff, but it also means no more fast trips to the Dairy Mart, getting up extra early to ride the bus to school, and a few more horrible things.

Cee Wee Johnson, a sophomore from Colorado Springs, Colorado, has moved to Sonora to live with her grandparents. Cee Wee, who is not new to Sonora people, is well-known for her grand sense of humor. She enjoys riding her horse, and she plans to try out for cheerleader and speech events for next year. Welcome home, Cee Wee!

By the time this article is in print we shall be over the worry of six weeks exams, but right now there are workbooks, notebooks and exams to study for.

Junior-Senior Banquet Has Gay Nineties Theme

"The Gay Nineties" was the theme of the Sonora High School junior-senior banquet and spring formal held at the school cafeteria Friday night.

Gary McGilvray, junior class president, was the master of ceremonies at the banquet, and Dick Hardgrave gave the response for the senior class. Bill Glasscock read the senior class prophecy, and Carla Whitworth read the class will.

A barbershop quartet, "The Four Playboys of Broadway," presented a medley of songs. Quartet members were Mike Wuest, Grady Roe, Eddie Sawyer, and Bill Glasscock.

The bandstand was decorated as a barbershop with a striped awning and barber poles. Parasols hung from the ceiling, and

pictures of Gay Nineties scenes were hung on the walls. The Leonard King band played formal held at the school cafeteria Friday night.

Mickey Hardegree was general chairman of the event, and Ray Glasscock was food chairman. Decorating committee members were Cathy Moffitt, Carl Teaff, Mike Wuest, Gary McGilvray, Joe Moore, Freddie Benson, Irene Perez, Gloria Gutierrez, Janice Caveness, Grady Roe, Pat Brown, Jerry Shurley, Libb Mills Wallace, Rudy Bautista, and Ismael Gonzales.

Sponsors of the junior class are Mrs. A. E. Prugel, Miss Janice Abernathy, Smith Neal, and Larry Behrens. Room mothers are Mrs. Allen Roe, Mrs. Gene Wallace, Mrs. Melvin Hearne, Mrs. Charles Sims, Mrs. Stanton Bundy, and Mrs. Lea Allison.

Mrs. Fields Selected Secretary

Mrs. Herbert Fields was installed as secretary of District VI, Texas Congress of Parents and Teachers at the 44th annual spring convention in Ozona March 31.

The newly elected president of the district is Mrs. Boyd Baker of Ozona. Installing officer was the state vice-president, Mrs. John F. Weinzierl of Riverside.

Mrs. Weinzierl also delivered the keynote address on "The PTA—Vision and Projection."

The fall workshop for the district will be held in Sonora, and next year's spring conference will be in Del Rio.

Among those attending the Ozona meeting were Mrs. Bill Morriss, Mrs. Fields, and Mrs. Vernon Cook. Approximately 135 delegates and visitors registered for the conference.

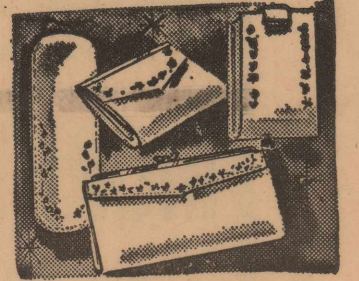

Guests of Mrs. Rena Elliott last weekend were her mother, Mrs. W. T. McQuary, and her sister, Mrs. T. E. Oglethorpe, both of Abilene.

The Devil's Workshop

An Idle Mind Column

By Della King

We have had a number of interesting guests in town recently. Lynda Rhea Allen, Miss Wool of Texas, looked like a pink and white porcelain doll and was as sweet and charming a girl as you have ever met, and Becky Crouch, Miss Mohair, was full of bounce and enthusiasm. Both girls modeled in the Woman's Club style show.

Wearing a knitted coat, Becky said, "This would be a wonderful idea for you knit-wits." She thanked the people in this area who help sponsor Miss Mohair and said that she thoroughly enjoyed telling people in other parts of the country about mohair. "You know up north they think mohair comes from a mo," she explained.

Another delightful visitor we have had was Mrs. Preston Dial of San Antonio. She has more vitality in her little finger than three ordinary people have in their whole bodies. I am sure she never met a stranger. Telling about her travels round the world at the district Woman's Club convention here, she said that she was in Korea when her son was stationed there. "I thought I might see him," she said, "and I prepared how I would greet him. I certainly did not want to embarrass him. I practiced shaking hands and saying 'Hello, Son,' in a very dignified manner."

Well, sure enough she did spy her son one day in a group of several hundred young men. And how did she greet him? "I threw open my arms and said 'BABY!'"

She told that she and her son went to visit a geisha house. "Do you think we can teach them to put their little foot?" she asked her son. He thought they could.

"So we taught them 'Put Your Little Foot' and 'The Eyes of Texas,' and I heard later that we had ruined that geisha house," she admitted cheerfully.

'Magic of Mohair, Wizardry of Wool' Presented at Show

"We hope you have enjoyed this showing of the wizardry of wool and the magic of mohair," said Mrs. W. L. Whitehead at the close of the style show presented by the Sonora Woman's Club April 1 in the fellowship hall of the First Methodist Church.

Mrs. Whitehead was commentator for the event which featured Miss Wool of Texas and Miss Mohair modeling fashions from their official wardrobes.

Miss Wool, Lynda Rhea Allen, was accompanied by her mother, Mrs. Worth E. Allen of Sterling City, and Miss Mohair, Becky Crouch of Fredericksburg, was accompanied by Mrs. James Baggett of Ozona.

The show was directed by Mrs. Vestel Askew and co-ordinated by Mrs. Bill Pfleger of San Angelo, and Mrs. Baggett.

Also modeling were Jo Ann Lowe, Joyce Ibarra, and Diana Black, who showed the garments they made earlier this year for the Make It Yourself With Wool Contest.

Mrs. Whitehead told of the first crowned Miss Mohair, Kathryn Ross, daughter of Mr. and Mrs. Joe Brown Ross, and her mohair crown was shown.

Spring flowers and dyed lamb pelts were used in decorating.

A lamb salad luncheon was served by the hostess committee composed of Mrs. Norman Rousset, chairman, and Mmes. Ben Cusenbary, Robert Kelley Jr., Louie Trainer, Albert Ward, Gray Peoples, Lawrence Finklea, Jamie Parker, Harold Schwjening Jr., Fred Maxey, and Robert Steger.

Mrs. Trainer presented background music at the piano.

STRONG CHURCHES

Make STRONG COMMUNITIES

THE CHURCH FOR ALL • ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

One hundred sixty-two feet high and one hundred forty-seven feet wide Napoleon built his arch of triumph. Proudly it rises above the Place de l'Etoile reminding the world of an Emperor's early victories—and later defeats.

On the road from Bethphage to Jerusalem centuries before there had been another arch of triumph. Nature had fashioned it of palm trees. Beneath their bowing branches the Prince of Peace rode into the city that was to crucify Him.

Jesus, unlike Napoleon, never had need of a gigantic monument to help the world remember Him. The doors of a million churches bespeak His victory. Men pass through them not to gaze upon the majesty of carved stone, but to worship and serve the Son of God.

Napoleon bought for himself a transient glory at the price of other men's blood.

Jesus bought for All Men eternal life—at the price of His Own Blood!

San Angelo Youths Injured in Wreck

Three San Angelo youths were injured in an automobile accident that occurred Sunday morning at 6:55 a.m., 20.3 miles south of Sonora on U.S. 277.

Patrick Lynn Reed, 18, was driving the car north toward Sonora when he started around a curve and the vehicle went out of control, reported highway patrolman Byron Smith, investigating officer at the accident.

He added that the car went off the west side of the road and knocked down two guard posts. When Reed attempted to steer the car back to the road, it rolled on its top and slid across the road into the east bar ditch. The car was still on its top when it came to rest, Smith said.

Samuel D. Thomas, 18, and Nancy Daniels, 19, were passengers in the car at the time of the accident. All three youths were taken to Hudspeth Memorial Hospital to be treated.

Reed and Thomas received minor bruises and abrasions and were released after treatment. Miss Daniels received a broken shoulder blade and was released from the hospital Monday afternoon.
