Insurance Promises From Strangers Should Be Checked

By John T. King

Heavy growth from the abundant spring rains with the recent dry weather has caused much of Sutton County foliage to become powder dry. Hunters should remember to have extra care with fire to prevent damage to range land.

And in case you need to know which direction is south, a Boy Scout will tell you to point the hour hand of your watch at the sun. Halfway between the hour hand and the numeral twelve is south.

The National Council of Churches, hoping to send new members to Sunday worship, has bought hours of radio commercial time. The listener hears a short comedy sketch between pastor and straying sheep followed by a brass band and a chorus singing, "Doesn't it get a little lonely sometimes, out on that limb, without Him?"

If you think time hasn't changed the style of writing used by the pioneer editors take a look at the following obituary that was rather typical in some of the newspapers in the 1800's.

Herman Jones Dead

Just as the clock was striking six a.m. Friday the 20 the spirit of Hermon Jones who was the son of Thomas and Almada Jones took flight.

Hermon was just closing his 14 year and was attending school at Valley Head staying at the home of the writer.

That dread disease appendicitis claimed his body as victim and through all of his suffering he never murmured nor complained.

Hermon was a loyal member of the Baptist Church at Bankhead a consistent Christian young man, to be present and heard him talk and see him breath his last was enough to make one say, Oh that my death might be like his.

One by one he called his relatives and friends and asked them to meet him in the sweet bye and bye. He put them on notice that he would be watching for all of them. The Christian religion was so deep seated in his soul, that during his sickness he opposed the use of intoxicating drink to relieve his suffering.

He was so considerate of his parents and friends that he suppressed any words that would distress them until just before he died. The evidence he left is like wireless Telegraphy. The message read Hermon was gone to rest. Parents cheer up Hermon is where there is no suffering from pain no more calling for water, water, water. No more smoothing, just watching for papa and mama, Ernest, Fred Eldridge, Emma, Hardie, Joe, and all good friends. He told us all that he was unable to pay us for our kindness during his sickness but he left the matter with God to settle.

His remains were laid to rest in the Bankhead cemetery near his birth place and home on Lookout mountain.

By his Uncle Charlie.

MYF Unit Stales Initial Meeting

The first 1965-66 meeting of the Methodist Youth Fellowship unit will be held Sunday, August 5, at 5:30 p.m. at the First Methodist Church.

Grady Roe, president of the organization, urged everyone from junior high age to graduate Seniors to be present at this regular organizational meeting. Refreshments will be served.

Elderly people should beware of offers being made in the wake of Medicare passage, warned Albert Everett, administrator at Hudspeth Memorial Hospital.

At least two cases have been reported in Sonora where a salesman, misrepresenting a legitimate company, made off with premiums.

Everett said that prospects should call the insurance company's home office collect and verify the salesman and the benefits promised before taking out a policy with a stranger. He said that buyers should be especially careful when coverage was excessive in relation to the premium or where 100% coverage is offered.

"None of the Medicare programs go into effect before July, 1966, and anyone trying to collect money at this time for any purpose whatsoever in connection with Medicare is bound to be a fraud," warned Senator Walter Richter of Gonzales, in connection with two "enrollment" incidents at Dallas.

N. Rousselot Named Booster Club Head

Norman Rousselot was elected president of the 1965-66 Booster Club at the club's first meeting of the school year Monday night.

Other officers include James Trainer, vice-president; Warren Hemphill, secretary-treasurer; hold-over directors, Louis Perez and W. W. Renfro; and new directors, John Mittel and Dick Street.

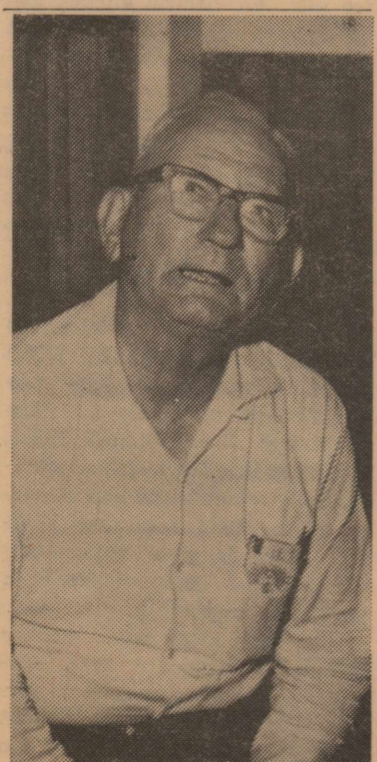

Coach Jerry Hopkins discussed the general outlook of the Bronco football season. He reported that more than 90 boys were out for football this year, including the varsity, "B", and junior high teams.

The club set its membership goal at 250 for this year.

Although the club's regular meetings are scheduled for each Monday night following a Bronco game, the next meeting will be held Tuesday night, Sept. 7, in the school cafeteria since Sept. 6 is Labor Day.

SCOUT LEADERS TO MEET

Mrs. Joy Smith, Girl Scout field representative from San Angelo, will give a training session for leaders Wednesday, Sept. 8, in the Scout house at 10 a.m. All Girl Scout leaders are asked to attend.

OWNER OF THE SONORA NEW ERA, a newspaper here from 1911 to 1917, was Christian Myers, now of Baytown. Seventy-three-year-old Myers paid Sonora a visit during the Jubilee. Myers first came to Sonora when he was 17, anticipating a good bit of growth in the town. He left with the first group of soldiers from Sutton County to fight in World War I.

Broncos Open Grid Season Against Punchers Friday

By Gary McGilvray

The red and white of the Sonora Broncos will be flashed for the first time Friday night September 3, at 8 p.m. in Bronco Stadium when Sonora will face the Mason Punchers in a non-conference game to kick off the 1965 football season.

The Broncos scrimmaged with Del Rio last Friday night in Del Rio, and according to Jerry Hopkins, head coach, the Broncos looked "real good."

Sonora played excellent defense and Del Rio never got within scoring distance. The Broncos scored the only touchdown of the game when quarterback Bill Glasscock threw a scoring pass to freshman back, Ed Lee Renfro.

Mason, who blanked the Broncos 24 to 0 last year in Mason, will have five lettermen returning, but Coach Hopkins feels the teams are pretty evenly matched.

Head Coach Raymond Rapp of the Mason Punchers said that the thing that would hurt the Punchers most would be the lack of experience and depth. And Sonora's defense has the ability to take advantage of these weaknesses while the offensive team proved its ability against Del Rio.

Sonora has been working out twice daily for the past three weeks and should be ready for the game after their scrimmage Friday night.

In district competition, the Broncos are rated to wind up fifth in most pre-season predictions for District 8-A, mostly due to the feeling that inexperience at the quarterback slot will hold the team down. The team has other ideas, however, and two promising quarterbacks, Bill Glasscock, who saw action last year, and Laney Cook, will guide the team throughout the season.

Ahead of the Broncos in the pre-season ratings are Reagan County, ranked third in the state, with their big fullback, Don Childs, back again this year; Iraan with 14 lettermen returning; Eldorado; and Ozona.

The underrated Broncos have 13 regulars back for action this year along with several promising freshmen.

Finishing out the District 8-A predictions will be Rankin, sixth; Junction, seventh; Sander-son, eighth; and Menard, ninth.

There are 23 players out for the team with an average weight of 165 pounds.

The roster for the 1965 Sonora Bronco football team is as follows:

Mike Wuest, Mario Sanchez, Grady Roe, and Nino Perez, ends; Carl Teaff, Jimmy Trainer, Al Letsinger, Louis Wardlaw, and Monte Dillard, tackles; Brent Johnson, Alex Castro, and Jessie Villarreal, guards; Joe Moore and Bert Bloodworth, centers; Stan Bundy, Eddie Howell, Jerry Shurley, El Lee Renfro, and Noe Chavez, halfbacks; Mike Gosney and Ben Perez, fullbacks; and Bill Glasscock and Laney Cook, quarterbacks.

BRONCO SEASON TICKETS STILL BEING OFFERED

A season ticket holder can arrive right at game time and still be assured of a good seat, and if there is a play-off here, he can exercise his option for this same reserve seat, said Rex Lowe concerning the Bronco season football tickets now on sale at the superintendent's office.

The five season tickets for home games are \$6.25. The Broncos play Mason here Friday at 8 p.m.

SONORA BRONCOS HARD AT WORK. After three weeks of practice twice a day and after downing Del Rio in a scrimmage last Friday night the Broncos appear to be in good condition for the season opener with the Mason Punchers Sept. 3, a non-conference game.

Masons Schedule Workshop Sept. 13

A workshop has been scheduled for officers and members of Masonic Lodges in this area at 7:30 p.m. September 13 in the Masonic Hall here. Officers of Ozona, Eldorado, and Sonora lodges are especially invited.

The workshop is part of a statewide, semi-annual program authorized by the Grand Master of Masons in Texas, J. Carroll Hinsley of Austin. The program is conducted for nearly 1,000 Texas Masonic Lodges with a membership of 250,000 men. The Masonic Order is the state's largest fraternal organization.

The purpose of the workshop is to enable Masons to study common problems of Masonic Lodges and their operations. The workshop will be conducted by E. J. Humphreys of Del Rio, who is with the Producers Wool and Mohair Co. and is chairman of Masonic Workshop Area F-5.

Grand Master Hinsley stressed the importance of attendance by all Lodge officers and emphasized that other Masons are welcome.

Enrollment Down

School enrollment is down to 840 compared to last year's 872, said Rex Lowe, superintendent of schools Tuesday. Although he expected more late registration, Lowe said the figure was the lowest in several years.

High School had 208; Junior High, 142; L. W. Elliott, 256; Central Elementary, 234; Elliott Kindergarten, 24; and Central Kindergarten, 21 at Tuesday's count.

Tourney, Supper Set

The Sonora Golf Club's Annual Club Tournament will be held Sunday and Monday, Sept. 5 and 6. Trophies will be awarded to flight winners, runners-up, and consolation winners of each flight.

The tournament will be climaxed Monday evening, Labor Day, with an all-club fried chicken

supper. Golfers will be charged \$5 which will include entrance fee and Monday evening meal for themselves and their families. Non-golfers will be charged \$2 per family.

Tournament entrants must either play a nine-hole qualifying round Saturday or turn in a qualifying score to the pro-shop by 6 p.m. Saturday. Golfers who are playing for medalist honors must play Saturday.

Tournament play will begin Sunday at 1:30 p.m. with a nine-hole match play. Monday's schedule finds two nine-hole match plays, one at 9 a.m. and the other at 1:30 p.m.

Immediately following the tournament Monday, an annual meeting of the club's members will be held to elect six new directors.

Donors of trophies for the Annual Sonora Golf Club tournament include the following:

Medalist trophy, First National Bank.

Championship trophy, Neville's Department Store.

First Flight winners' trophy, Foxworth Galbraith.

Second Flight winners' trophy, Home Hardware.

Third Flight winners' trophy, Westernman Drug.

Championship runner-up trophy, Elliott Insurance.

First Flight runner up trophy, Davis Insurance Agency.

Second Flight runner up trophy, Big Tree Restaurant.

Third Flight runner-up trophy, Twin Oaks Motel.

Consolation Championship trophy, Hill's Shell Service Station.

First Flight consolation trophy, Western Motel.

Second Flight consolation trophy, Ratliff Store.

Third Flight consolation trophy, Thorp's Laun-Dry.

LABOR DAY PLANS TOLD

All downtown merchants, excluding the grocery stores, will be closed Sept. 6, Labor Day. Foodway, Piggly Wiggly, and Modern Way will remain open.

Labor Day also marks the first holiday of the 1965-66 school year.

Special Election Slated

A special election for voting on an amendment to the state's constitution will be held Sept. 7 from 8 a.m. to 7 p.m. in all four county precincts.

Voters will either vote for or against a constitutional amendment increasing the membership of the state Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator.

Polling places for the precincts are as follows: precinct one, Courthouse; precinct two, wool-

house; precinct three, Cedar Hill; and precinct four, Owensville.

Election judges for precinct one are Jimmy H. Harris, presiding judge, Ralph Mayer, James Stewart, and Mrs. Raymond Morgan. Precinct two judges are presiding judge, Sears Sentell, and Hub Hale, Leon Neely, and Mrs. Harold Friess. Mrs. Lester Shroyer is presiding judge for precinct three, assisted by Mrs. Gene Adams. Precinct four presiding judge is Philip Jacoby, assisted by Nolen Gibbs.

Mrs. R. C. Vicars, presiding, John McClelland, and Jack Kerbow are absentee election judges. There have been no absentee votes cast yet.

THE BEAUTIES AND THE BEASTS. Cancan girls Karen Davis, left, Diana Black, center, and Kay Campbell, right, pose outside the

"Jersey Lily" on the Courthouse lawn with the Frontiersmen, shoot-out artists from Corpus Christi, who performed during the Jubilee.

AMENDMENT MERITS APPROVAL

There are urgent reasons why Sutton County people should vote Tuesday, September 7, for the constitutional amendment to increase the State Senate from 31 to 39 members.

This amendment is of great importance to Texans in rural areas and small and medium size towns.

Unless the amendment is approved, the remaining alternate will be the adoption of another re-districting plan which would take away voting strength in most of the small and medium-populated counties of Texas and add to the voting strength of urban areas. Under this plan, Houston would get three additional State senators, Dallas two, and San Antonio one. This result would be accomplished by expanding the senatorial districts in sparsely populated areas.

The present size of the state Senate was set when the present constitution of 1876 was drawn. At that time there were 26,000 Texans per senator; now there are 309,022 per senator. Only one state, California, has more people per senator than Texas. With a 39-member Senate, each Texas senator would still represent an average of 245,633 people.

Should the amendment fail to pass, the alternate plan for 31 senatorial districts will be in effect in 1967. Under that plan our district (No. 25) will be expanded into an area of 44,321 square miles, an area larger than any of 17 states, including Tennessee, Ohio, and Virginia. It will be larger than the combined area of New Hampshire, Massachusetts, New Jersey, Hawaii, Connecticut, Rhode Island, and three Delawares.

The jumbo district would be 400 miles across

at its widest point, and to visit all the 21 counties, a person would have to travel 1,100 miles.

Without doubt, we would be left without adequate representation.

A senator simply cannot communicate effectively with his people when they are scattered over such incredible geographic areas.

Further, such huge districts would include widely varying interests so that senators would be unable adequately to represent the multiple needs of their constituents.

On the plus side, approving the amendment and adding eight Senators would provide workload relief and should thereby increase efficiency. The Senate works through committees, and each member now must serve on from 10 to 14 committees. As a result, he can't attend all meetings, can't inform himself on all legislation he must act on.

The editor of the Abilene Reporter-News wrote recently in recommending the passage of the amendment, "Finally, and the factor of most direct concern to West Texas, the larger Senate would best preserve a voice in the Senate for rural Texas in this area of urban sprawl. Our present districts in this area could be preserved largely as they are, while the cities are given the representation the federal courts say they must have.

"This amendment is a constructive proposal for better government that is in the best interests of the state at large. It calls for no partisan cleavage. It is a valid and necessary action to keep Texas government representative and responsive in this era of greatest growth."

Castro, Sanchez to Play Ball for C.J.C.

Two Sonorans expected to play on the Cisco Junior College football team are Pat Castro, returning letterman, and Arturo "Square" Sanchez, a freshman student.

Cisco Junior College will open its 1965 grid season on Sept. 11 against Ranger Junior College in Ranger, head coach and athletic

director Jim Puryear said. Workouts for 65 prospective team members, including 15 returning lettermen, began Sept. 1.

Mrs. A. S. Ethridge of San Antonio and Mrs. Cloma McDonough of Brownwood, father and sister of Mrs. Beal Freeman, were visitors in the Freeman home recently.

Add Eye Appeal
Wet the rims of a glass for cold beverage and dip in crushed peppermint candy. It's tasty as well as pretty.

Clusters of fresh berries or assorted melon balls make wonderful garnishes for sandwich loaves, salads or roasts.

Thread a long wooden pick with marshmallow chunks, cherries, grapes or melon balls. Use this as a stirrer for frosty beverages.

Here's a new note for iced coffee: instead of using cream, stir in a scoop of coffee ice cream. If you like it spiced, sprinkle with cinnamon.

Use 1/4 cup apple, currant or mint jelly with an equal amount of lemon juice and 1 tablespoon worcestershire sauce. Use this for glazing lamb chops during the last half of their cooking time.

Try adding 1/4 cup of red cinnamon candies to your next apple pie, mixing it with apples, sugar and butter. It will give the apples a pinkish glow.

Helen's Favorite: Spiced Green Beans
(Serves 4)
2 cups cooked or canned green beans
3 slices bacon
3 tablespoons bacon drippings
1 tablespoon chopped onion
3 tablespoons vinegar
1/2 teaspoon salt
Dash of pepper
Saute bacon and then break into pieces. Saute onion in drippings until yellow and tender. Add vinegar and seasonings and blend. Add bacon and green beans and heat through.

LAND BANK LOANS

Loans designed to meet the greater demands of land owners during these changing times are Land Bank loans.

We make them in this area and will be pleased to explain to you how one may well be the answer to your loan needs.

JEANNE FELTON, PRIDE OF THE YUKON, hammers out a tune on her rinky-tink piano. Jeanne was a center attraction at the recreated Favorite Saloon during the celebration.

WHAT A CELEBRATION! Mellanie Moody, daughter of Mr. and Mrs. Deral Moody of Angleton, appears to be "Jubiled out." Mrs. Bud Smith provides what seems to be a very comfortable resting place.

Proposed Lodge Nears Organization Goal

The organization committee for the proposed Sonora Elks Lodge has moved nearer its goal and at its meeting in Sonora on August 23, could see the close of the petition for the new lodge.

It is required to have 100 names, either Elks in good standing at some other lodge, former Elks who have dropped their membership, or new applicants for membership. The committee is within reach of this goal.

The chairman of the organization committee, John A. Martin, Jr., said, "We must have good representation from Ozona and Eldorado at this time and the prospects for a strong Elks Lodge within this three-town complex looks very good." He went on to say, "Since the Elks Organization is deeply interested in youth work, they will look forward to youth work in the entire community."

In order to step up their preliminary work on the lodge and try to have it instituted in October, the men at the last meeting voted to hold their meetings every Monday evening. Interested individuals who would like to be Charter members of the Sonora Lodge are invited to attend these meetings at 8 p.m. at the parish house, St. John's Episcopal Church, or they may contact Mr. Martin, Travis Glasscock, or N. J. "Hut" Moore for information.

Mrs. Bobbie Baker and children of Dallas, Mrs. Nettie Phillips of El Paso, and Sam Freeman of Junction visited recently with Mr. and Mrs. Beal Freeman.

42 Fun Club Meets In Loeffler Home

Mr. and Mrs. S. M. Loeffler entertained members and guests of the 42 Fun Club with a barbecue lawn supper at their ranch home Thursday, August 26. Members' prizes were won by Mrs. M. C. Scott and Leon Neely, while guests' prizes were won by Mrs. Ervin Willman and T. R. Coker. Mrs. Coker won the women's bingo prize and M. C. Scott won the men's bingo prize. Louie Martin won the 84 prize. Other members present included Mr. and Mrs. A. W. Awalt, Mr. and Mrs. W. O. Crites, Mrs. Martin, Mrs. Neely, and Mr. and Mrs. Lano Thompson. Ervin Willman was also a guest at the party.

Mrs. John Franklin Howell Jr. and children, Jack, Lesley, and Clem returned to Amarillo last Thursday by way of Big Spring, where they visited Mrs. Howell's parents, Mr. and Mrs. H. W. Smith. Lesley remained with her grandparents in Big Spring and returned to Sonora with her father for a week's visit with Dr. and Mrs. J. F. Howell and Charlie.

When air movement is less than one mile per hour it officially is designated a calm.

Total atmospheric pressure on your body is between 30 and 40 thousand pounds.

J. A. Becomes Tangled In Statistical Muddle

Editor's note: The Devil's River Philosopher on his bittered ranch on Devil's River gets twisted up in some statistics this week, his letter reveals.

Dear editor: The main thing you can say for statistics is that they furnish work for the people who compile them.

A couple of items I read in a newspaper last night got me to thinking about this.

One said that the government now considers a man is living in poverty if his income is below \$3000 a year, but it didn't say whether it was talking about a man and his wife living in a house in the country with a garden and an income of \$2995 a year, or a man in the city with \$2995 and ten kids and two brothers-in-law. Maybe both of them are poverty-stricken, but one of them sure is more stricken than the other.

The other statistic said it has now been established that the average hospital stay is only half as long as it was 25 years ago. The average stay in 1935 was 14 days and today it is 7.7 days.

The group putting out this statistic said the reduction was due to better medicines, new equipment and improved treatment.

What the statistic failed to mention was that the cost of a hospital stay has more than doubled in 25 years.

There is no doubt that medicines, equipment and treatment have improved, but I was thinking, you reckon the fact it costs twice as much now has anything to do with a man's cutting his hospital stay in half?

Now a good man at statistics could take this and figure out that if you double the costs of hospitalization you half the length of stay, then if you double the cost again you half the length of stay again, so that finally, if you got the cost high enough, nobody would show up at the hospital and the statistical news could be announced that for the first time in history nobody is

Accent on Health

Sound Health Aids Pupil's Adjustment

Early this fall more than 240,000 young Texans will be entering public schools for the first time.

The child's adjustment will be more rapid and satisfactory if he starts his school life in good, sound health.

Have your family physician or local clinic give your child a complete physical examination including an eye check. His teeth should also be checked by the family dentist. If these examinations show there are ailments or defects that can and should be looked after, then follow the doctor's and dentist's advice and have them corrected.

It's likely that your child has already been immunized against certain of the childhood diseases such as diphtheria, whooping cough, and smallpox. If not, have it done immediately either by your doctor or by the local health clinic. If all immunizations have been done previously, make sure your child gets the necessary booster dose.

Insist on your child's getting regular and sufficient hours of sleep to help him enjoy school. He needs 10 to 12 hours of sleep in a quiet, darkened room with an open window to build up his energy and offset his tiredness.

Proper nutrition is very important. When school starts, allow

enough time for a wholesome breakfast. A good breakfast includes citrus fruit or juice, milk, whole grain cereal or bread, eggs or bacon or both.

Lunch and dinner should be leisurely meals. The new adventure of school is a pretty fast pace, but mealtime offers an opportunity for the family to pause and relax together.

Also, nearly every school district in Texas requires proof-of-age for the first year students in the form of a certificate of birth.

You may obtain a copy by sending a dollar and a half plus the name of the child, the date of birth, the place of birth, and both the father's and mother's names to the Records and Statistics Section, Texas State Department of Health, 410 East 5th St., Austin, Texas. (A feature from Health Education Division, Texas State Department of Health.)

Mrs. Summers Welcomed at Luncheon

Mrs. W. R. Summers was honored with a luncheon Tuesday, August 31, by Mrs. Sam O. Dunn and Mrs. G. E. Shaffer. The luncheon was in the Dunn home. Those present included Mmes. Ray Shelton, Byron Smith, James Hough, Ben Dunlap, T. C. McCutchen, Charles Land, Walter Trees, Albert Sykes, Andy Wright, and Pete Thompson.

Mrs. Summers moved to Sonora August 19 with her husband and three children, Kathy, 4, Al-

1945 Grads Meet At Finklea Home

Members of the 1944-45 Sonora graduating class and families met at the Lawrence Finklea home Saturday, August 21, for a class reunion.

Those present included Mrs. Duane Prater and children of Comanche, Mr. and Mrs. Carroll Flanagan of Aledo, Mrs. Frances L. Munson and children of Dallas, Mr. and Mrs. Don Nicholas of Houston, Mr. and Mrs. Sid Awalt and children of San Angelo, Mr. and Mrs. Jim Martin and children of New Mexico, Mrs. Lloyd Kirkpatrick of Uvalde, and Mr. and Mrs. J. W. Pepper Jr. and Mary of Canyon.

Attending from Sonora were Mr. and Mrs. Gene Wallace, Mr. and Mrs. Tommy Smith and family, Mr. and Mrs. Bud Halbert, Mr. and Mrs. Glen Richardson, Mr. and Mrs. Rex Lowe and family, and Mrs. Vernon Cook.

Mrs. Finklea served dips, chips, cookies, and tea. Children of the classmates swam in the Finklea pool.

Ranchmen Alerted To Poison Danger Of Prussic Acid

Each year animals in the area are lost after grazing on sorghums, Sudangrass, Sudan, sorghum hybrids or Johnsongrass. The cause may be prussic acid poisoning, says D. C. Langford, county agent.

These grasses contain a glycoside, which may break down into prussic acid in the digestive tract of the animal. The poisonous material is most likely to be present in young, immature stands, or in second growth following periods of drought or mechanical harvesting. There is also danger in the fall, following the first frost, reminds Langford. Cattle are more susceptible to the poison than sheep or goats. Horses and swine are rarely injured. An affected animal may stagger and act sleepy before suddenly dropping dead. Severe muscular twitching sometimes occurs. Death results from suffocation, since the poison prevents the exchange of oxygen from the blood to the tissue.

A drench of molasses diluted with water may help a poisoned animal, but a veterinarian should be called at once to give additional treatment. To prevent prussic acid poisoning ranchmen should not allow stock to graze at any time until growth reaches at least 18 inches or graze regrowth that has been stopped by lack of moisture, frosted pastures, or regrowth after a frost.

Forage containing prussic acid can be fed safely if it is cut and allowed to cure completely in the field, or if it is put up as silage and not fed for several months, the county agent notes. Mature plants with few suckers are seldom dangerous if growth has been normal. Grain sorghum or Sudan stubble regrowth grazed in late fall can be dangerous. A good way to check grazing safety is to turn one or two low-grade animals into the field and watch them for a day or two. Be sure water is available to them, or the symptoms may be delayed. If the test animals remain healthy, it's probably safe to turn the main herd into the pasture, Langford says.

General Telephone Plans New Method Of Billing Calls

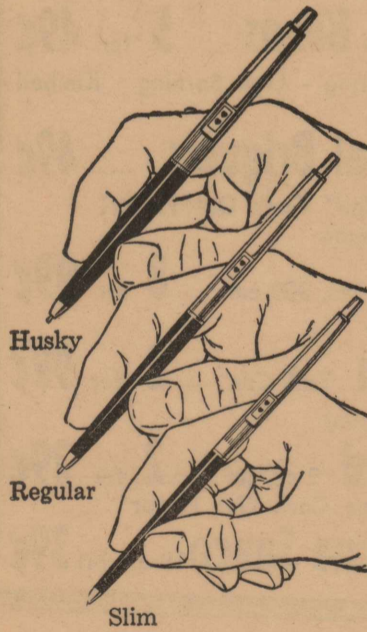

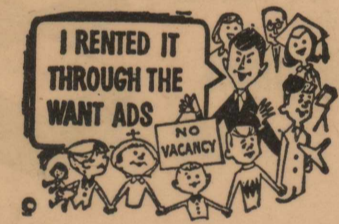

A faster, more efficient method of recording information on long distance telephone calls is being phased into operation in General Telephone Company's traffic office in San Angelo, which serves the Sonora exchange.

Called "mark sense" ticketing, the new procedure is described by district manager, Roland McCullough as "... a purely automatic operation once the record of the long distance call has passed from the operator's hands."

Although there will be no immediate visual evidence of the service improvement, the change ultimately will result in a faster, and more efficient means of recording information on long distance calls, McCullough stated.

When the changeover is complete, customers will receive itemized statements listing each long distance call instead of the original record of the call as recorded by the operator. "You might call it the completion of a cycle," McCullough said.

"Some years back, customers received only itemized statements of long distance calls. Then, the original records of long distance tickets were enclosed with statements. Now, we are going back to the practice of itemizing each call. This time, of course, the itemized statements will be prepared from information fed into a computer.

THE NEW PAPER-MATE PROFILE TRIO

NOW! PICK THE PEN TO FIT YOUR GRIP! In writing, the grip makes the difference! Now Paper Mate brings you three different shaped pens—one designed to fit your grip. Husky Grip—a sturdy pen with real heft and weight. Regular Grip—the popular pen with weight and grip most people want. Slim Grip—a slender pen with a trim look and feel. Each pen, \$1.95.

But the big show was Saturday

Uvalde, Aug. 29, 1965

Dear Editor:

The Sonora Diamond Jubilee by now is recorded in Sonora's history book and what a page it is. Did one ever see community cooperation more manifest? I accepted the general chairmanship of this fantastic program knowing that I would have nothing to do, that it would be my privilege to stand around gloating with pride observing the citizenship functioning as committed citizens, and what a wonderful job they did.

The over-all cooperation throughout the county was wonderful, the participation of the men in the beard contest was flabbergasting; the participation of the ladies in the pioneer attirement program was stupendous, everybody did their part, plus I am truly proud of Sonora, Sutton County and its citizenship.

To call names is dangerous, for fear of omitting some, however, I am going to take the risk by calling some names, citizens who did far more than their committee appointment called for. I first want to compliment all our committeemen, especially the chairmen. They did a splendid job—the Pageant Committee, the Sunday Camp Meeting committee, the Parade Committee, the Barbecue Committee, the Downtown Dance Committee, the Reception, Hospitality and Registration Committees, the Museum Committee, and all. There was not a weak link.

I would thank the Executive Committee as a whole but particularly its president, Geo. Stewart. Did you ever see one person who could do so many things so efficiently, all at the same time and with such grace and poise? It was an inspiration to watch him function. Then I would call the name of Mac Bundy. I even tried to talk her out of having a pageant. Her greatest contribution, however, was in the field of publicity and promotion. She did a wonderful job in this field as the readers of every Texas daily, most weeklies and many radio and TV stations can attest to.

Stanton Bundy contributed hundreds of hours to this project, on the pageant sets, in publicity and otherwise. Bob Teaff gave many hours, the use of a truck at all times, and was always available when help was needed. James Morris came to town daily and made a hand in setting up the bar, in its operation and in many ways. The Devil's River Ramblers were called upon dozens of times and contributed much to the success of this event.

The Sonora Diamond Jubilee saw every department clicking. The Sunday evening program was wonderful and really set the pace for the week's activities. We heard so many complimentary remarks about the pageant and the local characters made it more enjoyable. The parade was wonderful. Wasn't that VanderStucken entry clever? The barbecue dinner was well prepared and efficiently served. Seemed like old times.

night. Where did all those people come from? It was gratifying that the County and City personnel cooperated so wonderfully, in fact, as did everybody. Those who bought stock in the corporation and contributed that fine meat deserve a big hand.

The big pay-off for me was to hear visitors, old timers, ex-teachers, former citizens, make such complimentary remarks, offering praise for every activity. The visitors lived it up and expressed great joy in having come. In my books it was Sonora's greatest planned program; it brought out the best in community participation, and I am truly proud that I could be present.

Sincerely,
H. V. (Buzzle) Stokes

DEVIL'S RIVER NEWS
Sonora, Texas

I would appreciate it if you could find space in your newspaper to express my thanks to everyone who worked so hard to make the Jubilee Pageant a success. I was impressed with the spirit of cooperation and the willingness to work long hours exhibited by all the men, women, and children who appeared in the pageant proper, and especially by those who toiled so diligently behind the scenes.

My wife and daughters join me in thanking you for the hospitality and many kindnesses you showed us.

Congratulations, Sonora, your 75th birthday—and thanks, again to a wonderful group of people.

Cordially,
Jeff Miller
Jean, Jill, and Jan

To the Devil's River News, Mr. and Mrs. Stanton Bundy, and all the good people of Sonora:

I wish to thank you for the wonderful manner which you received me at your recent Jubilee celebration.

It was one of the most colorful and memorable events of my career and I shall never forget your warm hospitality and graciousness.

I enjoyed every minute I spent with you, and I hope sincerely that we shall meet again, someday.

Thank you. I shall never forget you.

Sincerely, your friend,
Jeanne Felton

Teen Scene

By Margaret Bundy

Well, the time has come. School has actually started. The last thing that was heard before the bell Monday morning was Janie Letsinger saying, "I sure wish school wasn't starting". Several of us are happy about the seventh period study hall. As we walked into the halls, we saw the white-painted lockers. The typing room and the biology room boasted new desks.

A couple of people just barely made it back to Sonora for school. Gail Esby was in Odessa last week for the rodeo finals. Eddie Sawyer flew in from Maine late Sunday.

Martha Love was back in the hospital due to her tonsils, even though they aren't even there. She got out Monday. That's really no excuse for missing school, Martha!

We have three new teachers this year. They are Miss Dolan and Mrs. Stanley. Speaking of teachers, Mr. Behrens wants everybody to come swimming this week.

Several people have been running into the red poles at the Dairy Mart lately.

Larry Mills returned to Alpine last week.

Buzz Phillips has been in town from Fort Worth.

There are several new students in high school this year. One of them seems to be causing a slight argument. It seems that Nedra Raye and Jimmy Trainer have been having long discussions on their relationship to Tom Trainer. Let us know when you get it worked out, Red! Other new students include Martha Scoggins, Sue Middleton, Betty Sue Day, Janice Middleton, and Billy Sam Chadwick.

Drum major Mickey Hardegree reported that the twirlers are really working to get ready for the game Friday. The twirlers are Linda McBride, Janie Letsinger, Shelley Morriss, Susan Prugel, Irene Perez, and Jeana Badillo.

The cheerleaders are also practicing for the game. Linda McCutchen and Susan Allison are the head cheerleaders. The others include Nedra Raye, Maxine Davis, and Prissy Howell.

The football boys scored a victory in their scrimmage with Del Rio Saturday. Here's hoping the same for Friday!!!

Mrs. Shelton Hosts Recipe Simplifies Bunko Club, Aug. 25 Cooking of Doves

Mrs. Ray Shelton was hostess to the Tres Seis Bunko Club in her home Wednesday, August 25.

Miss Vivian Mears won the bunko prize. Winner of the high game prize was Mrs. Walter Trees, while Mrs. Gerald Shaffer won the second high score prize. Mrs. Albert Sykes received the booby prize.

Others attending the party included Mmes. A. H. Adkins, Pete Thompson, Horace Hill, Sam Dunn, Jerrold Duncan, Bennie Dunlap, and Byron Smith.

Mrs. Shelton served her guests cake, coffee, and iced tea.

Mrs. Peggy Henry of the Tyler, Texas Parks and Wildlife Department staff, says that cooking doves is very simple. Her recipe is as follows:

Salt and pepper to taste, sprinkle with flour; heat salad oil in deep skillet, then brown birds on both sides. Add one can of tomato sauce, four medium onions sliced, sprinkle with garlic salt; bring to boil. Now, lower fire, cover and cook over low flame for 30 minutes. Serve in chopped parsley. Allow two birds for each serving.

Stage coaches with the body slung in straps were first built in the 16th century.

42 Club Meets With Mrs. O. G. Babcock

Mrs. Buelah Cook and Mrs. Belle Steen tied for high score for guests, while Mrs. Auther Simmons and Mrs. Karen Peterson tied for high members' score when the Pastime 42 Club met Thursday, August 26. The club met in the home of Mrs. O. G. Babcock. Mrs. Babcock served lemon sherbert and cookies.

The Devil's Workshop

An Idle Mind Column

By Della King

Well, our celebration is over. The bunting is stored away, and the Jubilee Jail is gone from downtown. We've cleaned and returned the vests we borrowed and put the derby away with the "Brothers of the Brush" button, some sheets of stationery, and some pictures.

And we also are saving some wonderful memories of the celebration:

That momentary, last-minute feeling of panic that we would be the only ones in costumes at the gospel meeting, and then the fun of seeing almost everyone else all dressed up, too. Eating fried chicken and deviled eggs with friends around a quilt spread on the Courthouse lawn. And the pure delight of sitting under the trees, listening to a fine speaker, and really singing out those old hymns.

And there was all the whoop-do on the street, the street dance, and the delicious food at the barbecue.

We won't forget the lovely costumes, the interesting antiques that were displayed, or that beautiful bar in the Favorite Saloon.

Or the excitement of seeing the town burning down at the pageant. (The pageant was really something to see, wasn't it? The variety of pace and techniques, the smooth changes from music and dancing to speaking parts, from live-action with old vehicles to films or slides were very professional.)

And George Stewart carrying, worrying, fetching, planning, worrying, running, talking, worrying, splicing, working, and worrying.

Then there was the thrill of seeing that marvelous parade coming down the street with the drum and bugle corps at the head. The horseless carriages with their sparkling brass, the shining buggies, and the floats. And Old Prospector Strickland with his dirt encrusted overalls, his dented tools, and his little burro, all looking exactly like they were heading out for six months in the lonesome hills looking for gold.

And all through the week was a growing feeling of pride. This was our home town, Sonora folks, doing all this. It was Sonora people planning, working together, contributing what they had that made the celebration a success, a real Jubilee.

Mrs. Butler Joins Credit Unit Staff

Mrs. Claudie Butler of Ozona has recently joined the staff of the Sonora Retail Merchants Association.

Mrs. Butler was formerly bookkeeper and office manager for the General Telephone Company in Ozona for a number of years. She has recently completed a course of training in Credit Bureau work.

The Retail Merchants Association plans to be open five days a week, Monday through Friday, 9:30 a.m. to 5 p.m.

Roe-ving Around

By Grady Roe

Well, after almost eight days in space, America's two latest astronauts, Conrad and Cooper, are safely down. This puts America one step ahead in the space race with the Russians. To top our feat, Russia will have to land someone on the moon. I can hear it now:

Cosmonaut Youklevich: Hello? Hello? This is Comrade Youklevich to Ground Control. Come in please.

Ground Control: Reading you clearly, Comrade, where are you?

Youklevich: I am on the moon! We made it!

Ground Control: Well done, Comrade! Give us a report.

Youklevich: Comrades, there are people here! They are about two feet high, have three eyes, a big horn in the middle of their heads, and are a sickly green color. They remind me of Comrade Mother-in-law. The people here have songs, just like at home. My favorite is "Shine On Harvest Earth".

Ground Control: Comrade, that is wonderful! We are now leaders in the space race. Can you tell us—what is the moon made of?

Youklevich: You'll never believe this, Comrades. The moon is made of green cheese!

Ground Control: Youklevich, you have been nipping at the

rubbing alcohol in your first aid kit. It may look like vodka, but it isn't.

Youklevich: Er, uh, Comrades, uh, when can I get back home? I have eaten all the food stored in the plastic bags, and the canned goods are all that are left, and er, uh, no one remembered to put in a can opener.

Ground Control: Youklevich, you are a hero. School children will sing songs about you! We will put up a statue in your honor! Why, if you were here, you could have anything you wanted.

Youklevich: I want down.

Ground Control: Comrade, your 87-year-old mother will have to work in the salt mines only six days a week.

Youklevich: How do I get down?

Ground Control: Comrade, we haven't figured that part out yet. But just think! Now there really is a man in the moon. Stop that crying, Comrade!

Youklevich: You mean I'm stuck up here with no food? No way to get down? Only (gulp) Green Cheese?

Ground Control: Yes. Sorry, Comrade, can we do anything to help?

Youklevich: Yes.

Ground Control: What?

Youklevich: Send me a box of crackers.

Ground Control: Youklevich, you have been nipping at the

attend and support
THE CHURCH OF YOUR CHOICE REGULARLY

In mills and factories across the country, they never stop working. By night as well as by day, the wheels of commerce grind out the goods we need as a nation.

It's a twenty-four hour job, this business of production, and it's a vital job — to you, your family, your town, our whole country. Like most vital jobs, it can't be stopped.

Faith is a vital job, too. It isn't simply something that God gives you, free of charge, on Christmas and at Easter. You have to work for real faith. You have to earn it. You have to keep at it.

Fortunately, to help you gain and sustain this vital faith, you have the Church to guide you. Start attending every Sunday and there absorb the wonders of God's teachings.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday Nehemiah 4:15-23	Monday Psalms 104:24-35	Tuesday Matthew 24:36-44	Wednesday Luke 13:10-17	Thursday John 6:26-34	Friday I Corinthians 3:10-15	Saturday Ephesians 2:1-10

Mr. John T. King
The Devil's River News
Sonora, Texas
Dear John:

I extend my congratulations to you on the excellent Diamond Jubilee edition of the Devil's River News; also to the community and citizens of Sonora and Sutton County on the tremendous job undertaken, and successfully accomplished, in portraying the past as the foundation of the present and for the ambitions of the future.

I should like to congratulate each one personally who contributed so much time, effort, money, ideas, etc. towards making the celebration of 75 History-filled years of "The Stockman's Paradise" such an interesting and rewarding occasion.

It was gratifying to me to sponsor the resolution, adopted by the Senate of Texas last Spring, recognizing this memorable event just concluded.

With my best wishes, I am
Sincerely yours,
Dorsey B. Hardeman

Guests in the home of Mr. and Mrs. Beal Freeman recently were Mr. and Mrs. Ralph L. Miller of Norman, Oklahoma, daughter and son-in-law of the Freemans.

Requiem Mass Held For Mrs. Freeborn

Requiem mass for Mrs. Sher-nephew, Dr. Frank L. Bond of man Freeborn, sister of Mrs. San Antonio. Pallbearers were Virgil Wil-24 at St. Ann's Catholic Church son, Marshall Steeves, Clyde in San Antonio. The mass was King, Henry Hollman, Albert held after funeral services at Por- Baxter, and Oscar Brunner Sr. ter Loring funeral chapel. Honorary pallbearers were Al- bert Steeves III, Jesse Wolfson, Walker H. Barneby, and Thomas A. Bond. Burial was in Mission. It will take twice the normal annual flow of the Colorado River to fill Lake Powell.

Survivors include her husband; one sister, Mrs. Bond; and one

Lightning Strikes Mike Dillard Sat.

Mike Dillard, 11-year-old son of Mr. and Mrs. Byerl Dillard, was struck by lightning Saturday afternoon in a vacant lot behind the Sturdivant trailer house.

Saturday afternoon Mike, Tony Sturdivant, and Eddie Sutton were playing in a lot when they heard a clap of thunder and the immediate vicinity brightened intensely. Tony, who was standing close to Mike at the time was frightened and began to run; Eddie, however, was standing at a distance and saw what he thought was lightning hit Mike.

Mike went home and told his parents that he thought he had been struck by lightning. He told his mother that everything got very bright, something seemed to mold around him, he was lifted into the air, and then dropped by the bolt.

He complained of being very hot and his complexion was red. Mrs. Dillard said, however, to the touch, his body was very cold. Mrs. Dillard took him to Dr. Charles F. Browne who confirmed that Mike had been struck by lightning. Mrs. Dillard reported that Mike had suffered no ill effects.

Laff Of The Week

"I trust your wife is still working, Willis—because in two weeks her husband will be unemployed."

Operation Motorcide Scheduled by DPS

"Operation Motorcide will be conducted as a special emphasis program to combat carelessness and willful traffic law violations during the Labor Day Weekend from 12:01 a.m., September 4, through 11:59 p.m., September 6. The DPS will use every means at its disposal to reduce traffic accidents," said Major Leo E. Gossett, commander of the 49-county Midland Region of the Department of Public Safety.

"The traffic violations that will contribute to the majority of the 35 traffic deaths over the Labor Day weekend will be what our patrolmen will be watchful for. All uniformed enforcement personnel will be assigned traffic duties during this three-day holiday in an effort to keep this estimate from becoming a reality. Many public service organizations will participate in an effort to reduce death and injury during this period," Gossett stated.

"If you are planning a holiday trip, may we remind you the most common violations that contribute to traffic accidents are failure to yield right of way, exceeding a safe speed, failure to stop or turn in time, driving while intoxicated, and driving on the wrong side of the road. May we urge you to be a careful, alert defensive driver and not become involved in an accident. A defensive driver does not commit these

violations; neither does he become involved in an accident when others commit them," Gossett reminded.

Letter to the Editor

August 24, 1965

Dear Mr. King, Alvis and I want to tell you how much we enjoyed the Jubilee celebration. We were so impressed with the participation of the whole town and wanted to let everybody know how much fun we thought it was! We are well aware of the amount of planning and effort that went into the pageant and the other activities and would like to take this way of saying "Well done" to all those involved.

Since I grew up in a city and had no "roots" and no kinfolks nearby, Sonora is particularly dear to me. I never get tired of listening to reminiscences of its past. The doings of grandfathers and great-grandfathers, the old pictures, clothes and utensils all fascinate me. Needless to say, I was carried away with the store windows and exhibits.

Now that we are back in Dallas, we are still enjoying the Jubilee edition of the Devil's River News.

Thanks again to everyone for a very pleasant interlude. Dr. and Mrs. Alvis Johnson, Jr. 10642 St. Lazare Drive Dallas, Texas

Minimum Wage To Be Eyed by Cattlemen

Cattlemen will gather soon in the historic streets of Laredo, and a large crowd is expected to be on hand when the quarterly meeting of the board of directors of the Texas and Southwestern Cattle Raisers Association is held in Laredo September 10-11. Headquarters for the two-day meeting will be the La Posada Motor Hotel, which has already received over 100 reservations.

Among the problems expected to be discussed at the meeting are the minimum wage law for agricultural workers, the southwest screwworm eradication program, and statewide cattle thefts. The general meeting to be held September 11 is open to the public, and all persons interested in the cattle business, whether TSCRA members or not, are invited to attend.

The last quarterly meeting of the 13,000-member organization to be held in Laredo was in December 1961. The president at that time was Ray W. Willoughby of San Angelo.

Laredo has been synonymous with cattlemen since the days of the old open-range ballad, "Streets of Laredo." It is the oldest independent city in the state of Texas, and has been under the flags of seven nations—Spain, France, Mexico, The Republic of Texas, the Confederacy, the United States, and the short-lived Republic of the Rio Grande.

This tiny republic came into being January 18, 1840, with Laredo as its capital. It adopted a constitution and flag, elected a president, and organized an army. The capitol building is still stand-

ing, and is now a museum located next to the La Posada Hotel. In 1844, the city was annexed by the Republic of Texas, and in 1845 when Texas entered the Union, the American flag was raised over Laredo.

Public Relations To Be Discussed At Dallas Meeting

What is a "public"? How can an organization determine what people actually think of it? What are the elements of good promotion and publicity?

These and other related topics will be discussed in the Adolphus Hotel in Dallas, September 8-9, when some 50 agricultural credit specialists from 35 Production Credit Associations meet in a public relations conference.

Phil Lane and R. C. Chandler of the Texas Production Credit Association, San Angelo, will be participants in the conference which is a part of the Federal Intermediate Credit Bank's manpower development program. The two-day course is designed to improve public relations in each association, exchange ideas on association public relations, and to explore actual public relations problems.

"We are constantly trying to improve our service to agriculture," said Lane, general manager of the Texas Production Credit Association. "Studying techniques of public relations will help us to do this, now and in the future."

Directors for the Texas Production Credit Association are J. R. Canning, president, Eden; R. C. Chandler, vice-president, San Angelo; J. Burney Ligon, Fort Stockton; E. D. Webster, San Angelo; and Aubrey DeLong, Mertzon.

The association has \$5,500,000 outstanding in loans to farmers and ranchers in this area.

COMMUNITY CALENDAR

FRIDAY, SEPTEMBER 3
8 p.m., Sonora Broncos vs. Mason football game here
SATURDAY, SEPTEMBER 4
2-5 p.m., Sonora Woman's Club Library open
