

Broncos Stomp Red Devils In Season's Fourth Victory

by Gary McGilvray

The mighty Sonora Broncos rolled to their fourth straight win in as many outings in the 1965 football season as they defeated the Rankin Red Devils by a score of 25 to 6 last Friday night in Rankin.

Sonora began the scoring in the first quarter as they had ended just one week before in a game against Iraan by grinding out the yardage on the ground. The final plunge for the first TD was made by quarterback Bill Glasscock from only a few inches out. The two point conversion attempt was blocked.

The Bronco defense showed its stuff once more in the game with Rankin as they allowed only three first downs, two of which were brought about by penalties. Tackle Carl Teaff led the defense in forcing the Red Devils to punt seven times.

The Broncos switched from grinding out yardage on the ground to quick passes for their second score which was made on a 25-yard pass play from quarterback Laney Cook to halfback Eddie Howell. There was no extra point.

The final score of the first half was set up on two crucial passes from Cook to Noe Chavez, and the final 18 yards were covered by another TD pass to Howell. The extra point was blocked.

With the score 18-0 at half-time the Broncos relaxed during the third quarter and lost the ball several times on interceptions which occurred close to the goal line.

The final Bronco score was set up on a 16-yard pass from Cook to end Mike Wuest on an important fourth down play. Two plays

later Cook pushed the ball over the goal line from the one. Wuest kicked the extra point.

Rankin's only score came after an offensive mistake rather than defensive. With a little over a minute left in the game Sonora was forced to punt from deep in their own territory when a bad snap from center caused the kicker, Wuest, to fumble the ball which Rankin recovered on the one. Rankin then scored with 46 seconds left in the game.

The Broncos have won two consecutive games in District 8-A competition and are half a

game behind Eldorado who has a 3-0 record in district play.

This Friday the Broncos will meet the Sanderson Eagles at Bronco Stadium, the game beginning at 7:30 p.m. The Eagles are winless in the 1965 season having scored only six points in five games. The Broncos should have no trouble in defeating Sanderson.

Eldorado, the district leaders, will be playing the third place Big Lake Owls. The winner of this game will probably be a major contender in the District 8-A race.

HALFBACK NOE CHAVEZ (44) is on the receiving end of a 12-yard pass from Laney Cook (11) in last Friday night's football game against Rankin. This pass was completed during the Bronco drive for their third touchdown. Sonora won this game by a score of 25 to 6.

AN EXTRA POINT is being kicked by Mike Wuest (81) as the ball is held by Bill Glasscock (10) in the game against Rankin. The entire

Bronco line holds back the Rankin defenders. Other identifiable Broncos are Eddie Howell (40), Carl Teaff (71), and Noe Chavez (44).

BY PROPOSED AMENDMENTS

Land Board Continued, Medical Law Altered, 2-Year Term Extended

(Editor's note: The following analyses of Constitutional Amendments has been prepared to aid you in becoming a better informed voter. Source of information was the Texas Legislative Council, Lieutenant Governor Preston Smith, chairman. We urge you to study the following analyses and those to be published in the future and vote November 2.)

AMENDMENT NO. 2

This proposed constitutional amendment authorizes an additional \$200 million in bonds or obligations that may be issued by the Veterans' Land Board, and continues the program for eight years after the sale of the bonds authorized. It also increases the maximum rate of interest on all bonds issued from 3 1/2 to 4 1/2 per cent, and it increases the maximum amount which can be paid for land.

Background

From the time of the Texas Revolution veterans of military service have been reimbursed with land since it was the cheapest and most sought-after commodity in the state.

After World War II, Texans expressed their gratitude to servicemen in the Veterans' Land Program. As the public domain for land grants was long since exhausted, a liberal credit program for the purchase of land by veterans was instituted.

The Constitution now provides that after December 1, 1965, all moneys collected on maturing bonds shall be deposited in the General Revenue Fund. Thus the Veterans' Land Program dies then if the proposed amendment fails.

Arguments

For:

1. The Veterans' Land Program has not only given the state an opportunity to aid Texas veterans but it has boosted the economy. Failure of the amendment will result in reduced business activity—lawyers, abstract companies, and real estate dealers will be affected, as well as the economy as a whole.

2. The program is without cost to the taxpayer. In fact, the difference in interest paid on the bonds and that received from the veteran puts the program on the credit side.

3. Although the program is in its 16th year, it has not as yet been able to provide equal opportunity for nearly all the one million eligible veterans to purchase land.

1. It is not a function of state government to engage in the loan business. The program in this respect may be considered unfair to private enterprise.

2. During the years the program has been in operation, it would seem that all veterans with a desire to participate have had sufficient time and opportunity to make application for these funds. For many the availability of "cheap money" tends to invite purchase of land they neither need nor plan to use.

3. It is time to bring the recurring requests for increased funds in carrying on this program to a halt. The program started with \$25 million in 1946 and was later increased to \$200 million. If the present amendment is a

Funeral Rites Held For Mrs. Sprinkle

Mrs. Jim Sprinkle of Winters, sister of Louis Powers, died after a brief illness in Winters Municipal Hospital Wednesday, September 29. She was 64 years old.

Services were held Friday in Spill Memorial Chapel with burial in Lakeview Cemetery.

Mrs. Sprinkle was born August 8, 1901, in Brown County and moved with her parents, F. M. Powers and the late Sally Powers to Runnels County when she was three. They moved to a farm west of Winters.

Later they moved to the Pumpfrey community where Mrs. Sprinkle lived until 1947, when she and her husband moved to Winters.

She was married to Jim Sprinkle September 22, 1919, at Winters. After moving there she devoted the following 12 years to nursing, working as a practical nurse at the Winters Hospital until her retirement in 1962.

Mrs. Sprinkle was a member of the Pumpfrey Baptist Church.

Survivors include her husband; a son, J. T. Sprinkle Jr. of Winters; a daughter, Mrs. Douglas Colburn of Winters; her father, F. M. Powers of Christoval; four grandchildren; six sisters, Mrs. H. B. Scoggins of Ballinger, Mrs. Elmer Curry of Irving, Mrs. Grady Clark of Denver, Colorado, Mrs. Virgil Lindley of San Antonio and Mrs. Wayne Pickett of San Angelo; four brothers, Powers, Ted Powers of Morgan Mills, Tom Powers of Ozona, and Gordon Powers of Urbana, Illinois.

R. R. Trainer Dies Here

Funeral services for Reginald Ralph Trainer, Sonora Post Office employee for 19 years and scoutmaster of the Sonora Boy Scouts, were held Wednesday morning at the First Baptist Church. The Rev. Rodney C. Dowdy officiated.

Burial was in Sonora Cemetery with arrangements by Ratliff-Kerbow Funeral Home.

Mr. Trainer, 46, died in the Hudspeth Memorial Hospital at 2:30 a.m. Monday, October 4, after a two-week illness.

Born in Sonora December 2, 1919, Mr. Trainer was a life-long resident here. He was married to

E. Sawyer Elected 5-Year Director

Edwin Sawyer was re-elected Tuesday to a five-year term as a district supervisor of the Edwards Plateau soil conservation district. He has served as representative of Zone 2 since the district was organized in 1948.

Other four landowner supervisors include Fred T. Earwood, Frank Bond, W. B. McMillan and Joe B. Ross.

Miss Nancy Long July 19, 1947, in Sulphur Springs.

Mr. Trainer was a deacon of the First Baptist Church and a member of the Masonic Lodge. A veteran of World War II, he served in the European theater.

He is survived by his wife, Nancy; a son and a daughter, Jimmy and Regina Ann, both of the home; his mother, Mrs. R. D. Trainer; one sister, Mrs. A. F. Moffitt of Newllano, Louisiana; and two brothers, J. D. Trainer and Sanford "Bo" Trainer, both of Sonora.

Pallbearers included Leroy Whitworth, Marion Elliott, Francis Archer, Tommy Smith, Herbert Fields, Jo Hardgrave, Wesley Sawyer, and G. C. Allison, all of Sonora.

Elliott Purchases Butane Business

Marion Elliott recently has purchased the butane business from Joe Nance and Sonora Gas Company and has named it the Sonora Butane Company. Elliott plans to dispatch butane from the Humble Warehouse soon.

Robert "Ruggie" Wilson Jr., formerly with Sonora Gas Company, will be the company's truck salesman and R. G. Nance will be working with the company during the change-over period. They will be aided by the Humble Warehouse employees for expanded service.

The Sonora Butane Company's office temporarily will be at the same location as the Sonora Gas Company with the same telephone number.

Chevrolet Showing Scheduled Thursday

Marion Elliott of the Elliott Chevrolet Company says that starting Thursday the new 1966 Chevrolets will be on display. He urges everyone to come down and take a look at the new Chevrolet models.

Refreshments will be served and favors will be given all day Thursday, added Elliott.

1st Grade Teachers Give P-TA Program

Mrs. Margaret Barker and Mrs. Autrey Bridges, Central Elementary first grade teachers, demonstrated first grade teaching methods at the first regular meeting of the P-TA Tuesday, October 4.

Mrs. Herbert Fields spoke on her trip as a delegate to the National P-TA Convention in Albuquerque, N.M.

The P-TA's president, Mrs. Bill Morriss, announced that the District Fall P-TA Workshop would be held here October 12 at 9:30 p.m. in the Central Elementary auditorium.

Mrs. Jerry Baldwin's third grade furnished cookies at the meeting.

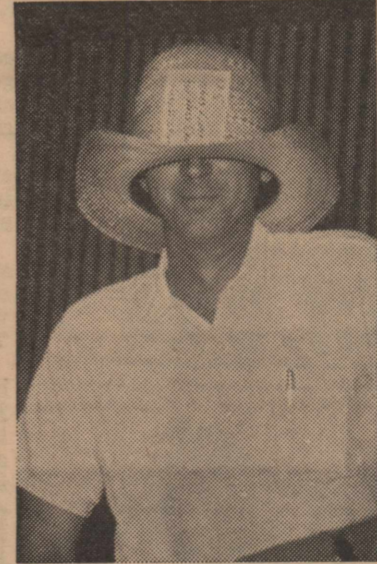

Booster Club Sees 2 Football Films

Members of the Booster Club viewed the Sonora-Rankin football film and a film sent by Humble Oil Company entitled "1964 Highlights of the Southwest Conference" at their regular meeting Monday.

Approximately 30 members attended the meeting which is held every Monday following a football game in the school cafeteria at 7:30 p.m.

WILL THE REAL HOSS CARTWRIGHT PLEASE STAND UP. This hat, which was donated to the Lions Auction by the Ratliff Store and bought by Boyd Lovelace, center, for West Texas Utilities Company, has a history dating back all the way to the Diamond Jubilee. A salesman from the American Hat Company of Houston was in the Ratliff Store before the Jubilee when Jack Kerbow, right, mentioned that Hoss Cartwright might attend the celebration. The salesman said that he would have a hat made especially for Hoss to be presented to him if he came to the celebration. Since Hoss did not come, the hat was donated to the Lions Auction. Which leaves one to wonder, to whom does the hat really belong—Hoss Cartwright, The American Hat Company, Boyd Lovelace, Jack Kerbow, West Texas Utilities, the Ratliff Store? Charles F. Coombes Jr., left, of the West Texas Utilities in San Angelo and Ralph Finklea, background, don't seem to be bothered by the hat situation.

Smith To Display New 1966 Pontiacs

New 1966 Pontiacs will be on display at Smith Motor Company Thursday, October 14, says Tommy Smith. And the new Buicks will be on display next week, he added.

Smith invites everyone to come in and inspect these new cars. Refreshments will be served Thursday.

FIRES ARE FAILURES

Every hour fire destroys or damages 67 American homes.

Every hour and twenty minutes, one person—most frequently a child or elderly person—dies in a dwelling fire.

These figures, from National Fire Protection Association research, are the measure of our failure to heed fire hazards, and the measurable result of our failure to correct them.

There is no mystery about the causes of most home fires. A carelessly discarded cigarette is left to smolder in an over-stuffed chair, a portable oil heater is refilled while burning, electrical circuits are overloaded and overused, uncleared rubbish becomes a breeding place for fire.

The causes of most fire deaths in homes are no mystery. They occur when the simple rules of

safety from fires are violated—smoking in bed leaving children alone in the house, neglecting to teach youngsters that matches and lighters are not playthings.

A critical failure is being unprepared for fire emergencies in the home—no family planning of escape routes, no periodic family fire drill to make sure that both adults and children can act quickly and without panic.

Fires represent failure.

Fire Prevention Week, October 3-9, is a time to recognize this fact, and to act—to remove hazards, to reform habits.

Your actions and attitude now can make you and your family safe from the tragic consequences of fire in the months ahead.

NURSING HOME NECESSARY, BENEFICIAL

The primary concern of a nursing home in Sonora would and should be the care of elderly citizens from Sutton County and the surrounding areas who do not need hospitalization but do, however, need limited care.

Nevertheless, it would be senseless to ignore the other consequent benefits that a nursing home would bring to Sonora.

The home would undoubtedly boost Sonora's economy by adding another payroll to the town. The home would naturally need countless supplies that would be purchased here and resi-

dents of the home would have visitors who would take advantage of Sonora's motels, cafes, and places of interest.

A nursing home constructed to state requirements will bring tax dollars back into the community.

The possibilities are endless, but the main thing is, Sonora needs such a home to help provide care for the many recipients of old age assistance in this county and in the combined counties of Crockett and Schleicher.

Wonderful garnish for chicken platters are prunes, soaked and pitted, wrapped in lean bacon and broiled.

Make some creamed chopped spinach, seasoned with nutmeg or buy the frozen spinach souffle. Place in bottom of buttered casserole, top with frozen fillets of sole and bake in a moderate oven about 25 minutes or until fish is flaky. Mmmmm, it's good!

Baked apples make wonderful cold weather desserts. They're a good place to use up those odds and ends of marmalade and jam as stuffing.

Have you tried creamed chicken or turkey on waffles? It's a good team with fruit salad and a desert of custard.

Cubed potatoes boiled and served with a sour cream and dill sauce is very special when you want to do something special with 'taters.

Place some whole spices in a bag and simmer with pineapple juice. Serve in mugs with cinnamon stick stirrers for that cup of something hot when folks come in from out-of-doors.

Uncommonly good cooks use clean, modern gas

Why does gas cook cleaner? When you turn off a gas range it's off. Cooking stops. There's no hangover heat to cause scorching, burning and boilovers. Broiling is cleaner, too, because you can keep the broiler door closed. The flame consumes the smoke. And with a gas range, all burner parts can be washed easily. Even the oven and broiler doors come off on many models. Uncommonly good suggestion: see the modern gas ranges now on sale at your favorite Gas Appliance Dealers — or Lone Star Gas. Roe-ing Around

by Grady Roe

You may remember that in our last thrilling episode Sweet Sal had been tied to the tracks in front of an on-coming train by Black Bruce, who had then fled. Now to the final part of this thrilling episode.

"Arrrrgh," Sweet Sal screamed. "Help." Casey saw what was happening and jumped onto a handcart, which was standing nearby and began to pump the handle like mad. But it didn't do much good. An old-timer shook his head and said, "You're supposed to have it on the tracks, son."

"Oh," said Casey sheepishly. "Would some of you fellas help me with this? My girl friend is about to get run over by a train, and well, I'd like to save her."

Some of the men lifted the cart and put it on the tracks. Once again Casey began to pump like mad. The cart started to gain speed, and Casey was on his way! But, it was easy to see that the train would reach Sal before Casey would! Sal began to get a little worried, and tried to get loose, but Bruce had tied an official Brownie Scout Double Knot, which can only be untied by the cookie of the same name.

I take you now to the cab of the train and the engineer, who had no idea what was going on. He was just chugging along nicely, minding his own business, when he noticed that up ahead there was a fork in the tracks (if you are expecting me to make a terrible pun about how it was left there by some kids on a picnic, along with a jar of pickles, you are mistaken, besides this is a type of fork where two roads branch off from one road, and not the kind you thought I was gonna make a pun about . . . so there!). He knew nothing about the fork, and in a panic tried to decide which track to take. Luckily, Sweet Sal lay on the other side of the fork, instead of in front of it, which gave her a 50-50 chance. The engineer, however, still couldn't decide what track of the fork to take.

So, how are we gonna get Sal out of this one? Will the engineer make the right decision? Well,

you'll never believe what's gonna happen. I thought about letting Sal get run over by the train, but that would be mean, and besides, the heroine always has to live, and besides, it would be awfully messy.

Well, it just so happened that two stockholders of the railroad were looking the train over, and playing a game of Twenty Questions at the same time to amuse themselves. The one who was guessing (the name the other one thought of was Ringo Star) asked, "Is this person a male or female?"

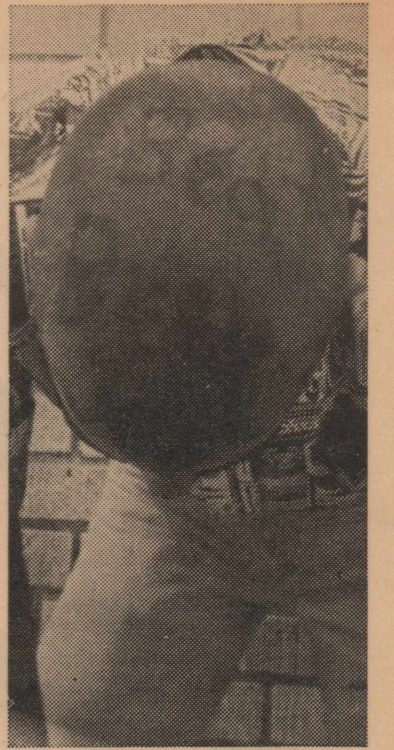

"I'm not sure, but if I said male, I imagine that would put you on the right track," came the reply. As he finished this sentence, the two men entered the engine's cab, where the engineer was still trying to make up his mind, and part of the last sentence drifted over to him.

"What?" shouted the engineer.

"Right track," said the stockholder, and with that, the engineer swung the train over onto the right track. Sal, believe it or not, had been tied to the left track, and was safe.

But what of Casey? Well, remember, I imagine that would put you on the right track," came the reply. As he finished this sentence, the two men entered the engine's cab, where the engineer was still trying to make up his mind, and part of the last sentence drifted over to him.

JERRY SHURLEY, who might be more noticeable on the Bronco football field due to a slight alteration in his hair style, displayed his school spirit before the Bronco-Iraan game two weeks ago. He pointed Beat Braves on his newly shaved head. The Broncos beat Iraan 30 to 6.

FOR SALE 265 CHOICE TO FANCY REGISTERED ANGUS BULLS BRED RIGHT, PROGENY TESTED, AND IN PROPER BREEDING CONDITION. READY TO GO.

You did not have any trouble getting a calf crop when you bought Lemley bulls, better try them again.

Since 1961 I have been selling my registered Angus bull calves right off the cows from \$250 to \$450 each at weaning time. Last year because of the surplus of bulls and depressed cattle prices I did not sell the calves and now they are really big, long, deep-bodied coming two-year olds. Just ready to go do a job for you.

There is going to be a shortage of bulls this year so you better come early.

Bulls wintered on oats, summered on sudan and for sale on a first come first serve basis—cheap without a lot of excess feed.

THESE BULLS CARRY OUR USUAL GUARANTEE

We will take your old bulls in trade.

IS TEXAS A PARADISE FOR DEADBEATS?

SOME SAY "Texas is a Deadbeat's Paradise."

Why? Because, they say, there is little recourse if a debtor does not want to pay a creditor.

Some states have laws that permit a creditor to force-by-law an employer to withhold a portion of an employee's wages each pay period to satisfy a debt.

In Texas, we have no such law . . . therefore, our state is called by some—a Deadbeat's Happy Hunting Ground.

We have within the Credit granting industry, our own laws—laws that prevent a large percentage of bad debt losses, if properly used. A Central Intelligence Agency, we have—where records are kept . . . records that reveal the paying history and the ability to pay of prospective customers within our trade area.

This agency is known as The Credit Bureau and is affiliated with some 2,000 like agencies throughout the world . . . thus is equipped to gain the paying record of any new-comer to the trade area.

With this information so easily obtained by the credit grantor . . . just by picking up the telephone, why should it be necessary to get laws passed so that such a law can be used to correct our own credit granting mistakes.

Are you a member of your Credit Bureau? Are you availing yourself of this service in your community?

Ask yourself, "Am I doing my part in my community of merchants to beat the deadbeats?"

Miss Cooper Leads SWTSC Strutters

The Strutters of Southwest Texas State College are being led this year by Debra Cooper, 1963 graduate of Sonora High School.

The daughter of Mr. and Mrs. Roy Cooper of Kerrville and the granddaughter of Mr. and Mrs. Alfred Cooper, Miss Cooper is a junior at the San Marcos College. She is one of two captains of the 70-member precision dance team.

Another Sonora High graduate, Jan McClelland, is a member of the Strutters, who performed at SWTSC football games. Miss McClelland is the daughter of Mr. and Mrs. John McClelland.

A highlight of the year for the Strutters will be their appearance December 5 at the Houston Oilers-Buffalo Bills professional football game in Rice Stadium in Houston. The game will be televised in color.

With performances slated at each SWTSC football game in San Marcos and three other games, the dance unit is planning a different routine for each performance.

Mrs. McMillan Set To Speak for WSG

Mrs. Norris McMillan of Mason will discuss the United Nations at a meeting of the Wesleyan Service Guild Monday night, October 11.

All Methodist women are invited to the meeting at 7 p.m. in the fellowship hall of First Methodist Church.

Mr. and Mrs. T. R. Coker and Teddy attended the funeral of a cousin, Proctor Rogers of Harper, Sunday.

Mrs. Blanche Awalt of Brady visited last week in the home of Mr. and Mrs. A. W. Awalt.

MISS DEBRA COOPER

YOUR MINISTER SAYS

by the Rev. Arno Melz
Not forsaking the assembling of ourselves together, as the manner of some is. Hebrews 10:25

Occasionally someone or some group will express alarm because such a small percent of our citizens attend church. This is especially surprising because such a large number claim to be Christian. This is hard to explain because God encourages and commands us to hear His Word. Church attendance is an opportunity to learn more about God's love and to be strengthened in

faith through Christian fellowship.

When people are questioned who do not attend church regularly one of the first comments we hear is: there are too many hypocrites in the church. This comment shows that there is a real misunderstanding of the purpose of going to church. It may happen that those who attend are as confused as those who do not attend as to what the purpose is.

You might wonder why church members are called hypocrites? It seems that non-attenders expect those who do attend to be perfect and when they see them do so wrong during the week they call them hypocrites. The fact is that church attendance does not make the people perfect. People go to church because they realize they are sinners and need God's forgiveness. Church attendance and hearing God's

Mr. and Mrs. Peter W. Bretsky Jr. Married In Double Ring Ceremony in New Haven

Mr. and Mrs. Peter William Bretsky Jr. are at home in New Haven, Conn., after their marriage Sept. 18.

Miss Sara Su Stewart and Mr. Bretsky were wed in double-ring rites in the First Methodist Church of New Haven with the Rev. Wallace T. Viets, pastor, officiating.

The bride is the daughter of Mr. and Mrs. James N. Stewart, and the bridegroom is the son of Mr. and Mrs. Peter W. Bretsky of Easton, Pa.

Attending the couple were Miss Sharon Werner of Detroit, Mich., maid of honor, and Steven M. Stanley of Gates Mills, Ohio, best man.

The bride chose for her wedding a white wool sheath dress with a matching jacket with three-quarter length sleeves. She wore a white pillbox hat and an orchid corsage.

After the ceremony the couple left for a wedding trip to Toms River, New Jersey.

The bride was valedictorian of

the Sonora High School graduating class of 1960, and she received her bachelor of science degree from Southern Methodist University. At S.M.U. she was historian of Alpha Lambda Delta and vice-president of the Geology Club. She was elected to Phi Beta Kappa. She attended S.M.U. on a National Merit Scholarship and was an Honorary Woodrow Wilson Fellow. She received a National Science Foundation graduate fellowship.

Mrs. Bretsky is now a graduate student at Yale University, where she is secretary of the Dana Club.

Bretsky received his bachelor of arts degree from Lafayette College and his master of science degree from S.M.U. He also is continuing graduate studies at Yale.

Pharaoh's Gold Purse Accessories

Made of beautiful non-tarnish DuPont Miracle "Mylar" on heavy "expanded" Vinyl — a handsome and durable material. Designed and nicely made to please your discriminating customers.

Cigarette case, change purse, specs case, tissue holder and many others at prices starting at about \$1 at the Ruth Shurley Jewelry.

Word does encourage the person to better his life, but even Paul admitted the good I would, I do not. God's Word commands us to be perfect, but it offers us forgiveness when we fall short.

All the citizens of Sonora have one thing in common, all are sinners. If you disagree John calls you a liar. The difference is that some have found God's love and forgiveness some have not. This forgiveness is available for all.

Go to church this Sunday and learn God's love, or better yet take down your Bible today and read about this great love. Remember when you neglect hearing God's Word, God has not forsaken you, you have forsaken God. Amen!

Mr. and Mrs. T. R. Coker and Teddy attended the funeral of Mrs. W. A. Bannowsky in Junction Friday.

ROYCE MIEARS is the biggest man in the Bronco line up, weighing in at a little less than 300 pounds. He is a sophomore and plays defensive center for Sonora.

ED LEE RENFRO is the leading scorer for the Broncos so far this year with 30 points to his credit. Ed Lee is a freshman and his prospects look good for the coming years.

BERT BLOODWORTH, a junior, starts at center for the Broncos and has done a fine job throughout the year. Bert plays on both offense and defense.

Deborah Wardlaw Wins Certificate In Miss Teen Meet

Mr. and Mrs. Jamie Parker are parents of a daughter, Kathryn Leighton, born September 21. She weighed 8 pounds, 6 ounces at birth.

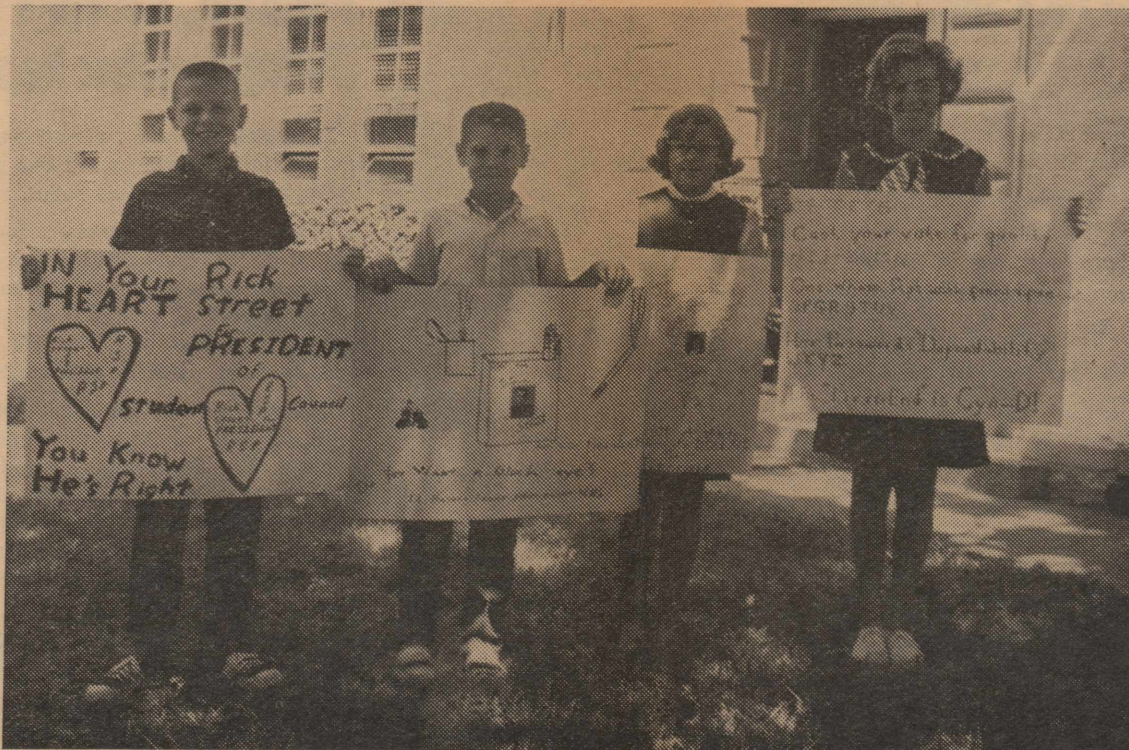

She has three brothers, Mark, 8, and Craig and Gregg, 6. Her grandparents are Mrs. Layton C. Bright of Waco and the late Mr. Bright and Mr. and Mrs. Ray Parker of Odessa.

Great grandparents are Mrs. R. L. Green of Waco, W. C. Bright of Eddy, Mrs. M. D. Cox of Midland, and Mrs. J. E. Parker of Odessa.

Miss Deborah Wardlaw received a certificate of award in the Miss Teenage America contest held in San Angelo last week.

Performing a toe ballet routine, she reached the semi-finals in the competition. She has studied dancing for nine years.

A freshman at Sonora High School, Miss Wardlaw is the daughter of Mr. and Mrs. Louis Wardlaw.

Central Elementary Leaders

Elected recently to head the Central Elementary School student council are from left to right, sixth grader Rick Street, president; fifth grader Steve Street, vice-president; sixth grader Molly Morriss, treasurer; and sixth grader Cindy Hop-

kins, secretary. Fifteen candidates vied for the four offices and a run-off was held for the offices of vice-president, treasurer, and secretary. The student council held its first meeting Monday, October 4.

Teen Scene

By Margaret Bundy

Elections took place last week. Class Favorites were elected; and candidates were selected to run for Halloween Queen, All School Favorites, and Mr. and Miss S.H.S. The senior class chose Mickey Hardegree and Libb Wallace for Class Favorites, Susan Allison as candidate for Halloween Queen, Janie Letsinger and Bill Glascock to run for All School Favorites, and Susan Allison and Eddie Howell to run for Mr. and Miss S.H.S. Junior Class Favorites are Linda McCutchen and Chris Frizzell. Chosen from the junior class as candidates were Yvonne Young for Halloween Queen, Nedra Raye and Laney Cook for All School Favorites, and Brenda McCutchen and Jimmy Trainer for Mr. and Miss S.H.S. Linda McBride and Royce Mears are the sophomore Class Favorites. Kathy Grelle will run for Halloween

Queen, Gail Espy and J. V. Cook will run for All School Favorites, and Tim Thorp and Maxine Davis will run for Mr. and Maxine S.H.S. The freshman class elected Susan Prugel and Lee Bloodworth as Class Favorites. The class elected Deborah Wardlaw as candidate for Halloween Queen, Brenda Browne and Joe Garcia as candidates for Mr. and Miss S.H.S. The G.A.A.'s was formed. Officers for the coming year are president, Brenda McCutchen; vice-president, Cee Wee Johnson; secretary, Elida Chavez; and treasurer, Linda McCutchen.

The Student Council has had something going every week. Last Friday, they had a locker decorating contest. So many were picked as winners, it is impossible to remember them all. Some that really stood out were decorated by Prissy Howell, Sharon Johns, Grady Roe and Roger Kelley, Laney Cook and Chris Berger, Bill Glascock, and Debbie Galbreath. As the locker numbers were called, the owners stood up. No one ever claimed one of the lockers. Debbie Galbreath later found out that she didn't know her own locker!

Kaye Ellis is hobbling around on a broken leg.

Saturday, Eddie Howell and Jerry Shurley went to Austin to watch the ballgame. When they got there, Eddie was so sick with a virus that he couldn't even watch the game. Better luck next time, Eddie.

Several college kids have been home the last two weekends. Carla Whitworth, Kay Campbell, Karen Davis, and Larry Bob Moore were seen at the game with Iraan. John David Fields and Cindy Galbreath were home last weekend.

Chris Frizzell has the word around that he will be leaving Sonora after he finishes six-weeks tests. He is moving to Sterling City. We will all really miss you, Chris.

Glenda Delrie and Linda McBride asked me to put this poem in "Teen Scene" this week. It is dedicated to the football boys.

"My heavenly Father full of Grace,
Bless my boy friend's handsome face,
Bless his heart that beats so fast,
And make it forever last and last,
Bless his hair that always curls,
And may he stay away from other girls.
Bless his hands so big and strong,
And keep them where they belong,
Bless all the boys both short and tall,
But God bless our FOOTBALL BOYS most of all."

BONNEVILLE CONVERTIBLE

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you

other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

GTO CONVERTIBLE

and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers

buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests,

Tempest Customs and Le Mans. V-8's? Up to 360 hp in the GTO. See all the '66 tigers in tiger country today. **Wide-Track Pontiac/'66**

Angelo SS Office To Lengthen Hours Tuesday, Thursday

The Social Security District Office in San Angelo will remain open from 4:30 to 8:30 p.m. each Tuesday and Thursday evening for the next several months, for the added convenience of residents of the area, Floyd B. Ellington, Social Security district manager, announced recently.

Ellington pointed out that it is important for many people to get in touch with the district office to take advantage of the health insurance and other provisions of the 1965 amendments to the social security program.

Although most people are able to visit the office during the day, many find it impossible to do so because of employment or home responsibilities, he added.

The district office will also be open during its regular hours, 8:30 a.m. to 4:30 p.m., Monday through Friday.

Boys to Punt, Pass, and Kick Saturday

Friday, October 8, is the final day for registering in the Sonora Punt, Pass, and Kick contest, which will be held Saturday at the Bronco Stadium.

"Registrations will close Friday evening, October 8," Bell pointed out, "and none can be accepted any later, since we must get everything ready for the program Saturday."

Headquarters for PP&K registration is Sonora Motor Co. Registrants must be accompanied by a parent or guardian. There is no charge and no special equipment is needed. Competitors will vie with others their own age in punting, passing, and place-kicking distance and accuracy. There is no body contact.

Prizes in the Sonora competition include warm-up jackets, helmets, and footballs. There are first, second, and third place awards for boys 8, 9, and 10. Boys 11, 12, and 13 will be awarded gold, silver, and bronze trophies.

Zone winners, determined by comparing scores of all local winners, will meet in a district competition. The 222 district champion boys will vie for 84 area championships. The 84 area winners will meet in division events to determine 12 national finalists.

The national finalists and their parents will go on a "Tour of Champions" to Washington, D.C. This will be followed by a trip to the annual NFL Play-Off Bowl game in Miami, Florida, where national winners in each age group will be determined by a half-time competition.

The program is sponsored nationally by Ford Dealers of America and the National Football League.

Parasites, Coccidia Cause Goat Losses During Summer Reports A&M Geneticist

Extremely heavy parasitism animals need to be treated with sulfa-drugs either added to feed or water.

There are several reasons for the parasite and disease problems, says Dr. Maurice Shelton, animal geneticist at Texas A&M University's Livestock and Forage Research Center, McGregor.

The wet spring was conducive to a build-up of parasites, said Shelton. The dry summer amplified the problem since lack of moisture caused a low quality forage. Goats have been, and are in poor shape and have little resistance to the parasites.

In addition to other problems goat producers have had to face, an unusually large number of predators has caused close confinement of the goats. Confinement many times leads to coccidiosis.

Dr. Shelton advises a three-step program for the control of internal parasites. It is:

1. Treat for internal parasites by drenching as often as necessary. Suggested drugs to use are Thiobenzole and Phenothiazine.
2. Change management procedures. Move the goats to a different pasture if possible and provide supplementary feed of one-half cotton seed meal and one-half grain sorghum. Hand feed at desired level or self feed with salt as a limiter.
3. If coccidiosis is diagnosed,

\$4,524.50 Replenishes Lions' Depleted Funds

ANOTHER BIDDER SPOTTED by Lem Jones, auctioneer at the Lions Auction at the 4-H Center September 28. Herbert Fields, Lions Club president, assists. This event is the main fund-raising event for the Lions Club, when ranchers, residents, and businesses donate merchandise, stock, and other items to be auctioned off at ridiculous prices on the sale evening. This year \$4,524.50 was raised, with more donations expected to come. The funds go into the club treasury which is used throughout the year for such projects as aid to the blind, Boy Scouts, Girl Scouts, the Wool show, 4-H Club projects, and many other community projects. Last year the Club was instrumental in building the new municipal swimming pool, and this year the club paid for an eye operation for a needy Sonora woman.

Job Opportunities Announced by DPS

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced recently that the DPS has job opportunities in the uniformed services for over 70 young men interested in a career in law enforcement.

"The positions include opportunities for advanced education, excellent physical conditioning and a chance to participate in an outstanding public service," Garrison said.

Those who qualify will receive a salary while in training. They will undergo training at the DPS Law Enforcement Academy in Austin, studying such subjects as Texas Highway Law, accident investigation, first aid, professional driving, care and use of firearms, and many others.

"Application for these positions should be made as soon as possible," Garrison stated. "The deadline for applications for our next patrol training school is November 29, 1965."

Full details on qualifications can be obtained from the nearest Department of Public Safety office or any DPS patrolman.

attend and support THE CHURCH OF YOUR CHOICE REGULARLY

PROTECT OUR CHILDREN!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We have newer and finer schools than ever before. This is one of the marks of progress. But another is that we have more and faster automobiles than ever before. So we guard each "school zone" with signs and safety patrols and policemen and volunteers. We do this to protect our children from the dangers of progress, while they are enjoying the fruits of progress. The dangers of progress are not always physical. Many are moral. They threaten the character and faith of a rising generation, caught in the erratic tempo of modern life. Happily, in every community of our land, PARENTS and CHURCHES are joining hands to promote the spiritual development of youth... to protect the souls of our children.

Proposed Amendments... from page 1

dopted, citizens can anticipate new proposals for expansion and extension of the program in the future.

Amendment No. 3

The proposed amendment No. 3 makes two changes in present constitutional provisions which enable Texas citizens to participate in the cooperative Federal-State program of assistance and medical care for certain aged, needy, and handicapped persons.

(from under age 16 to under age 21).
2. The present provision making old age assistance benefits available only to "bona fide citizens of Texas" is changed to include "citizens of the United States or non-citizens who have resided in the United States for 25 years."

Background

The amendment was proposed in anticipation of changes in federal requirements which would be in conflict with present Texas constitutional provisions.

Under proposed federal legislation each state using federal matching funds must conform to

federal requirements in all categories. Therefore if the age brackets are not changed, all federal funds now matching state funds to provide medical care for old age assistance will be withdrawn from Texas on July 1, 1967.

Arguments

For:
1. The State of Texas cannot finance its entire assistance and medical care programs alone. The withdrawal of federal funds would result in great hardship to participants and final death to the Texas medical care program for OAA recipients, which now provides hospital care and phy-

sician services in the hospital for 230,000 needy aged.

2. The federal tax burden upon Texas citizens will be continued whether or not the proposed amendment is adopted.

Against:

1. Since the cut-off date for matching federal funds is July 1, 1967, there would still be time for the 60th Legislature to pass the proposal and submit it to the electorate should it fail in the current election. It is possible that the Congress would look upon delays of this type as disapproval of the expanded program.

2. Broader coverage included by expanding the age brackets would increase the program costs to the state.

3. Medical programs for indigents are rightly the responsibility of local subdivisions of government.

Amendment No. 4

Proposed amendment No. 4 provides a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and Commissioner of Agriculture.

All of these officers serve two-year terms at present.

Arguments

For:
1. Adoption of the amendment would give the people of Texas more efficient utilization of their state officers. Newly elected officials would have sufficient time to master the functions of office before campaigning for re-election, and incumbents would have time to develop more effective operations to the benefit of the state. The demands of biennial campaigns, in many instances, force a capable executive to spend so much time and energy in campaigning that the talents he brings to his office are lost to the state.

2. The costs of campaigning for office in a statewide race are generally so high that the candidate must either spend his entire salary and savings and possibly accumulate a heavy debt or accept the support of individuals and special interests, in return for which he may be called upon to grant favors. When the term is a short one of two years, finan-

Dates for Hunting Ducks, Geese Set By Wildlife Unit

The Texas Parks and Wildlife Commission set the annual duck season for 40 consecutive days beginning Wednesday, November 24, and ending January 2 and the goose season for 70 consecutive days from Saturday, October 30, to January 12. Shooting hours will be from sunrise to sunset, including the opening day.

The daily bag limit on ducks will be four, not to include more than one mallard and one pintail, and the possession limit eight not to include more than two mallards and two pintails. However, for the first time in several years the previously rigid protection on

red heads was lifted and hunters permitted to fill their legal limits.

Goose limits are the same as previously, with a bag limit of five per day and five in possession. The one white front limit was retained, as well as the limit of two Canadas, with alternate permission to have one white front and one Canada.

Working with a date framework prescribed by the U.S. Department of the Interior, the Commission timed the duck season to include both Thanksgiving Day and the Christmas and New Year holidays. The goose shoot, of course, will also include that period.

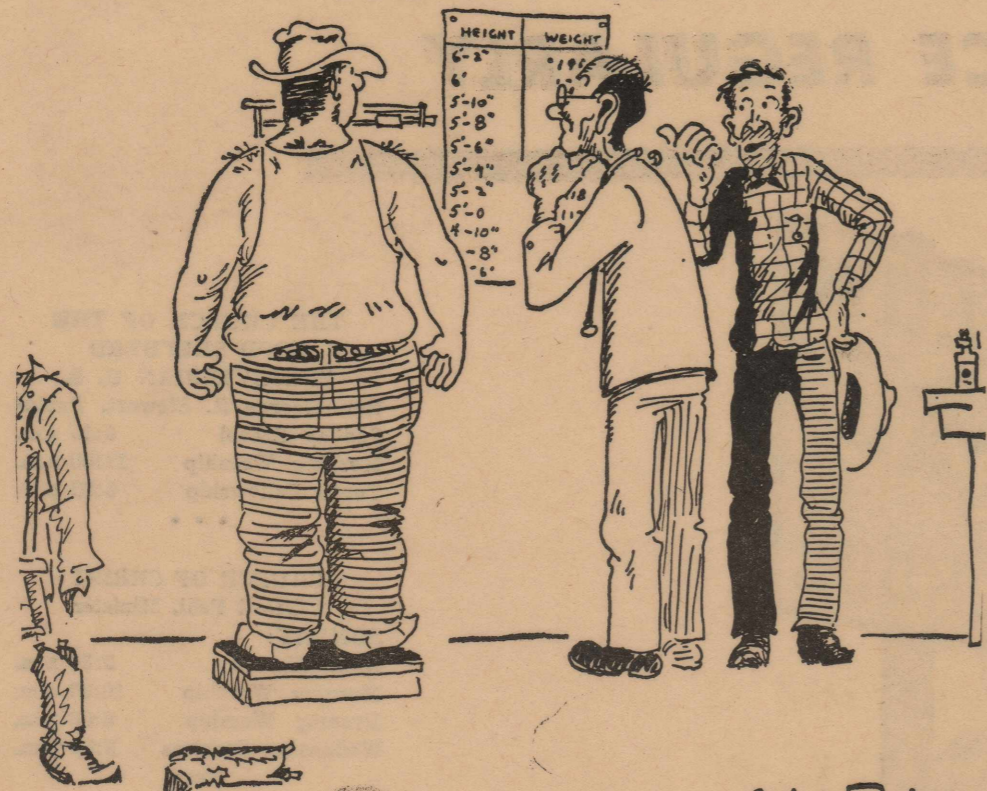

Here is the official text covering the duck limits:

"The daily bag limits of ducks may not include more of the following species than (a) 2 wood ducks; (b) 2 canvasbacks; (c) 1 mallard; and (d) 1 pintail. The possession limit may not include more of the following species than (a) 2 wood ducks; (b) 2 canvasbacks; (c) 2 mallards; and (d) 2 pintails." Hunters thus will be privileged to take their legal limits of those species of ducks not included in the above noted restrictions.

The official proclamation on geese provides: "The daily bag and possession limit of five may not include more of the following species than (a) 1 Ross's goose; (b) in the alternative, 2 Canada geese or subspecies; 1 Canada goose or subspecies and 1 white-fronted goose; or 1 white-fronted goose."
