"Lo, I am with you always, even unto the end of the world." Matt. 28:20

As we approach the New Year we pause to look back on the events of the past year. The year was filled with various happenings, some brought joy and gladness, others sadness or disappointment. We may have been very successful, or we may have failed to reach the goal we had set. The year was full of changes, people married, people had children, and people died. People graduated, people got jobs, people moved.

Each of us were changed in one way or another, each of us became another year older and closer to death.

From past experience we know that the New Year will bring about even more changes.
