School Board Hires New Superintendent

The regular meeting of the Board of Trustees of Sonora ISD was held on Monday, October 10, 2011. The meeting officially began at 5:30 p.m. in the Vocational building. Board members present were Chris Berry, Erin Burnham, Jesse Bustamante, Dawn Cahill, and Jerry Jimenez. After Superintendent Gibson gave the invocation, Board President Cahill congratulated the Bronco Band for the superior rating they received at the San Angelo Marching Festival. Jerry Jimenez made the motion to approve the consent agenda and Jesse Bustamante seconded. The motion passed with a 4-1 vote (Chris Berry was the dissenting vote). After the board listened to a presentation by Stefanie Taylor concerning the District improvement plan for 2011-2012 they unanimously voted to approve the plan.

Dawn Cahill opened the public hearing concerning

the School FIRST Rating. Mr. Gibson and Diane Jacoby reviewed the Sonora ISD School FIRST Rating stating Sonora had earned a Superior Achievement rating (the highest possible rating) with a score of 73 out of possible 80 points. They explained the School FIRST Rating is a rating of the school's financial integrity. Mrs. Cahill closed the public hearing.

Mr. Gibson then described the duties and members of the 2010-2011 bond proposal committee. Each board member is to give Mr. Gibson two names prior to the next meeting for prospective members of a capital projects committee. This committee will be created at the next board meeting. Its purpose will be to evaluate capital project needs and come to the school board with recommendations. Gibson went on to report that two companies have come to see the current science labs. They

will be providing quotes for the cost of updating the two science labs at middle school and two labs at high school. No quotes have been received at this time. He then gave information concerning the condition of

Deer and Drought Workshop Held In Sonora

SONORA - The Texas AgriLife Extension Service will conduct the multi-county Deer and Drought workshop from 8:30 a.m.-noon Oct. 28 in the Sutton County Civic Center in Sonora.

The program is being offered by the AgriLife Extension offices in Sutton, Crockett and Schleicher counties.

Pascual Hernandez, AgriLife Extension agent in Sutton County, said the importance of hunting to the region and the lingering statewide drought prompted the need for the workshop.

"The ongoing drought has impacted not just livestock, but wildlife and the hunting season as well," Hernandez said. "The dry La Nina system that we're told is in place again this fall will mean more stress to an already stressed wildlife population."

Speakers will present information on the condition of the deer herds, fawn crops, turkey hatch and give their predictions for the upcoming season, he said.

"They'll also discuss which primary-preference plants for deer and turkey were absent this year, what secondary or lesser-preference plants they had to make use of, and how that change may have impacted their body condition and possible trophy status."

Hernandez said other presenters will discuss ways to meet the nutritional needs of wildlife on marginal rangelands and the most successful practices for conserving wildlife habitat during drought.

"The final topic will provide more details on the ever-growing impact of feral hogs and the best methods to control them as well as an explanation of the new Feral Hog Abatement Program," he said.

Speakers will include Dr. Dale Rollins, AgriLife Extension wildlife specialist at San Angelo; Mary Humphreys, Texas Parks and Wildlife Department biologist at Sonora; and Dr. Charles "Butch" Taylor, superintendent of the Texas AgriLife Research Station at Sonora.

Three Texas Department of Agriculture continuing education units will be offered for those with a pesticide applicators license.

Individual registration is \$10 due by Oct. 24 to the AgriLife Extension office in Sutton County.

For more information and registration, contact Hernandez at 325-387-3101, p-hernandez@tamu.edu

Broncos "Surprise" Armadillos 51 to 23

By Ray Glasscock

"In a district full of dynamic, versatile athletes, it'll be the overlooked Armadillos that prove steady play wins," predicted the forecasters at Dave Campbell's TexasFootball.com. Dave Campbell picked San Saba to win our district based on the fact that San Saba returned their entire offensive and defensive lines. Throughout the first seven weeks of this season, the "experts" on most of the football Internet forums have dismissed the accomplishments of the Broncos. As I was videoing the game and listening to the San Saba radio station, the announcers kept saying how surprised they were at the speed and quickness of the Broncos. Many times they commented that they knew the Broncos could score, but they were almost continuous in their praise of the speed, quickness, and toughness of the Broncos' defense.

The Broncos received the opening kickoff. The Armadillos disrupted the first series by effective blitzing and forced the Broncos into their first three and out since the Forsan game.

After a Clayton Parks' punt, the Dillos started on the 50 yard line. On their second play, Ryan Pannell handed off to Zack Davis on the counter play and he gained 30 yards to the Broncos' 20 yard line. Three plays later, Word Hudson intercepted Pannell in the end zone and returned it to 25 yard line. After a five yard run by Zach Badeaux, Imoni Cross ran wide from the "wildcat" formation and sped down the right side line for a 70 yard touchdown. Kade Wimberley (Mr. W) kicked the PAT and the Broncos led 7 to 0 with 7:35 left in the first quarter.

"I have heard about this Imoni Cross. He runs like a quarter horse, can cut on a dime, and give you a nickels change!" commented the San Saba radio announcers. Later in the game, after a hard hit on a Dillo receiver by Dallas Payne, they commented, "That hit was a slobberknocker!"

The Armadillos started their next drive at their 15 yard line after Jesus Vasquez and friends stopped the kickoff return. The first two runs lost yards. This led to more compliments from the announcers. "We can't really tell who made the tackle for the Broncos, as there are so many white shirts on each tackle. On most plays, there are three Broncos standing and the other eight are getting off our runner." After completing a pass short of the first down, the 'Dillos had to punt and they intentionally kicked it out of bounds keeping it out of Cross's hands.

The Broncos started their drive at their 42 yard line. After one first down, the Dillos' defense stepped up and stuffed some Bronco running plays. Then Parks rolled to his left and threw to Cadesman Pope. The smaller San Saba player committed pass interference, and the penalty kept the drive alive at the San Saba 35 yard line. Parks made the play of the drive when he rolled to his left and was about to be sacked for a loss when he spun away from the tacklers and started back to his right. He spotted Hudson open and threw to him. Hudson almost scored as he was pushed out of bounds inside the five yard line. On the first play of the second quarter, Badeaux scored from one yard out, as all he had to do was follow Kyle Patlan and Damon Evans into the end zone. Mr. W kicked the PAT and the score was 14 to 0 with 11:55 left in the second quarter.

Once again, the Bronco special teams stopped the San Saba returner short of the 20 yard line. Two running plays lost yardage under several Bronco tacklers. Pannell dropped to pass, and Pope hit him as he was trying to pass. The ball popped into the air, and Payne grabbed it for the easiest pick six of his career. After Wimberley's PAT, the Broncos led 21 to 0 with 11:22 left in the second quarter.

Hagen Kennedy led the Bronco tacklers as the San Saba return man was stopped at the 21 yard line. Pannell attempted two passes. One was dropped as Hudson closed for the kill, and Cross leveled the other receiver causing him to drop the ball. On fourth down, the ball was centered over the San Saba punter's head. The punter attempted to kick the ball out of the back of the end zone, but he whiffed. The Broncos just missed recovering for a touchdown, as the ball went out the back of the end zone. Blake Esparza was credited with the safety, and the Dillos were now down 23 to 0 with 9:27 left in the second quarter.

One minute and 27 seconds later, Cross scored on a 33 yard run, and Mr. W kicked the PAT for a 30 to 0 lead with 8:00 minutes left in the first half.

San Saba responded with a nice drive of their own marching

Donations are accepted
 (suggested donation for Seniors is \$2.00; \$5.00 for under 60 and all other meals-to-go).

Death Notice

Sonora-Patsy M. (Pat) Day, 69, of Sonora died Thursday, Oct. 13 in San Antonio. Funeral services will be Monday, Oct. 17 at 1:00p.m. in First United Methodist Church in Sonora. Burial will follow in Sonora Cemetery. Survivors include son Ricky Day of San Angelo, daughter Tracy Konvicka of Pipe Creek, Brothers Harold Clifton of Midland, Ted Clifton of Early, and Donnie Clifton of Ranger, sisters Shirley Hamlin of San Angelo and Judy Tidwell of Dallas.

Thank You Note

Irene Gomez and family would like to thank everyone for their prayers, flowers, cards and food while she's recuperating from surgery. May the Lord bless everyone.

St. Ann's Church Festival Enjoyed by All

Submitted

On Sunday, October 9, St. Ann Catholic Church of Sonora held its Fall Festival at the Civic Center. Parishioners and visitors alike were served a delicious meal of barbecued brisket, homemade turkey sausage, and all the trimmings.

There were many activities to keep both young and old alike entertained. One of the most popular was the Silent Auction. Game booths, country store, cake walk, plant booth and more helped to make a fun day with friends and family. Thank you to everyone who helped make the festival a success, whether by your hard work or your presence.

Winners of the raffle are \$500 gift cards—Tibba Edmondson, Sonora; Ziah Smith, San Angelo; and Emily Banda, Sonora. \$250 gift card winners are Oscar Trevino, Ft. Worth; Kristy Sanchez, Sonora; Andy Colinga, San Angelo; and Lana Hirt, St. Lawrence. Winners of the quilts are Linda Hernandez, Sonora; Alicia Salazar, Sonora; and Nora Dominguez, Sonora who won two.

Annual Deer Distribution Program

Submitted

The Sonora Ministerial Alliance will be conducting its annual deer distribution program this fall during the whitetail deer hunting season.

In past years literally tons of nutritious venison has been shared with residents of Sonora and Sutton County through this program.

Anyone who would like to receive a deer may request one by calling the office of the Sutton County Justice of the Peace, 387-3322; or by calling The Church of the Good Shepherd at 387-2616.

Deer to be delivered will be field dressed. Individuals receiving the deer will have to process the deer themselves or arrange to have the meat processed.

Hunters wishing to donate deer to this program may do so by dropping off their deer, properly tagged, at Sonora Deer Processing on Glasscock Street or at Mathews's Processing and World Class Taxidermy on Hwy 277 N.

Deer will normally be distributed on Tuesday afternoons during the deer season by volunteers from the participating churches of the Ministerial Alliance.

Home Canning and Food Preservation

Adapted By: Kelly L Thorp
County Extension Agent -FCS
Texas AgriLife Extension-
Sutton County

An abundance of home grown fruits and vegetables often triggers the desire to can foods at home. While this can be a fun and rewarding way to keep foods long after the season ends, care must be taken to assure that foods canned at home are safe to eat.

Following research-based methods and using tested reci-

pes are just things to consider when canning foods at home. Not all recipes for home canning have been tested for safety. Sources of tested recipes include the National Center for Home Food Preservation (<http://www.uga.edu/nchfp/>), USDA, and manufacturers of home canning equipment and supplies. Recipes from cook-

books, out-dated Extension publications and the Internet should not be used.

Using the right equipment when canning also is important. Some foods can be preserved using a water bath canner but others must be processed in a pressure canner. If the right canning method is not used, then the finished product could make people very sick. Also, make sure that the equipment you have is in good working order. Experts advise that dial gauges on pressure canners be tested annually to make sure they are accurate. In addition, canners should be checked to make sure they are in good working order.

There are many other aspects to canning that one needs to consider, including jar size, headspace, and recommended processing (canning) times. All of these can influence the safety of the final product. The last thing that we want to do is tell someone that the food they have just spent hours canning has to be thrown away or redone. However if one did not use a tested recipe, if unsealed jars were not identified within 24 hours after canning, or if jars were not processed properly (i.e. using a water bath canner instead of a pressure canner) we may have no other choice. Nobody likes to throw food away but nobody wants to get

sick (or worse) from eating unsafe food.

Texas AgriLife Extension is offering a basic food preservation and canning workshop on November 10th and November 17th the Civic Center 1:30-5:00PM. The workshop will be hands on and is a two day series that will provide up to date information on water bath canning, pressure canning, freezing, and drying. The cost is \$35 which covers supplies and your own copy of the publication So Easy to Preserve. Registration is limited to 10 participants since it will be hands on. To reserve your spot call the extension office at 387-3101.

Lions Roar

Submitted

Our program this week was Bill Sawyer of Sonora Caverns. He discussed the formation of the many caves in our area and new theories concerning how they formed. He also spoke of research going on in the caves. One interesting thing was how climatologist can do analysis on the formations which will reveal the climate of the earth as these formations were developing. The darker parts of these formations indicate a tropical climate while another color indicates a hardwood forest. A lighter part represents our present climate.

Oct 18 Lion's District Governor, Lee Sigler of Brownwood will be our program.
 Oct. 25 Red Ribbon Week Program
 Upcoming Activities:
 October 18th will be our 74th Annual Auction, which is our major fund raiser and the fuel which sustains our many activities for the year. It begins with a meal in honor of Preston Love and George Wallace. Following the free meal the auction begins. It is always a lot of fun. Auctioneer Preston Faris always has something going which makes the evening fun. The next Mom's Night Out prior to a home football game will be Friday evening, October 21st and it is prior to the game with Ozona.

October 21 and 22, Sonora and our Lion's Club will host the District Cabinet Meeting. Lion's from all over our District will come to visit and conduct District business. Jimmy Cahill is opening his Game Ranch for sightseeing for members of our Club and the District Officials. The bus will leave the Steakhouse about 6pm the evening of the 22nd. Local members who want to make the tour should let Sam Kent know.

Thanks:
 Lion Don Gibson expressed his appreciation for the support that Downtown Lion's Club has been to him and to Sonora ISD. Don announced that he is retiring and that a new superintendent will soon be taking his place. Don reports that he has enjoyed very much his time in Sonora. He said that when he came there was a working fund of 15 million for Sonora ISD and despite the expenditures of the field house, air conditioning, etc for the district he will be leaving with 13 million in the fund.

Oil & Agribusiness

What To Feed Deer During Drought?

By Pascual Hernandez,
Sutton County Agricultural
Extension Agent

The most obvious impact the drought has had on deer concerns the lack of forb production. Generally, forb availability and quality is high during spring and early summer and declines during late summer. This year, however, there was no forb production during the spring or summer. This is a critical time period for females producing and raising fawns, when their protein requirements are relatively high. Adults can make do on poorer forage, but if does can't get adequate nutrients, fawn survival is low. This prompted some folks to feed their deer year-round.

Shelled corn is highly palatable to deer and thus millions of pounds of "deer corn" are sold every year. However, you should avoid using corn to fill a large portion of the deer's diet because it's basically a source of starch, or energy, and it's quite short on protein and mineral content. As white-tailed deer are ruminants, their digestive system requires at least an eight percent protein level to enable the rumen's digestive bacteria to break down the plant material for further digestion. So the question, then, is what and how much to feed.

To help answer some of those questions, The Texas AgriLife Extension Service will offer a "Deer and Drought" Workshop on October 28th at 8:30 a.m. at the Sutton County Civic Center.

Speakers will present information on the condition of deer herds, fawn crops, turkey hatch as well as an outlook on the upcoming season. They will also discuss which primary preference plants of deer and turkey were absent this year, what secondary or lesser-preference plants they had to make use of, and how that impacted their performance. Ways to meet the nutritional needs will be offered as well as the most successful practices for conserving wildlife habitat. The final topic provides more details on the ever-growing impact of feral hogs and control efforts.

Educational sessions begin at 9:00 a.m. Topic order is: Hunting Season Outlook & Management Strategies, Meeting Deer Nutritional Needs During Drought, Conserving Wildlife Habitat, and Feral Hog Abatement Program. The cost is \$10 by October 24th. Three C.E.U.s will be offered for those with a pesticide applicator license. Call the Sutton County Extension Office at 387-3101 for more information.

Game Warden Field Notes

Busted by a cell phone: Travis County Game Wardens Christy Vales and Braxton Harris were checking dove hunters on Sept. 2 in a field adjacent to a residence and noticed two hunters. After checking the first hunter, they were unable to locate the second hunter they saw earlier. Shortly after driving the outer parts of the field, they found the second hunter crouched down in the tree line. When asked to produce his hunting license, he said his wife had just bought it that day and it's up at the house. The wardens loaded the hunter and his birds up in the truck and took a ride to the house. The wife of the hunter stepped out with an online purchase receipt for his hunting license. The wardens noticed the time of purchase on the receipt and asked to see the hunter's cell phone. Based on the time the hunter called his wife and the time on the receipt, the wardens could tell that the hunter had his wife buy his license just as the wardens pulled into the field. The hunter admitted to hunting without his license hours before the wardens arrived. Citations were issued and seven doves were seized.

Third Bi-Annual Oil & Gas Trade Show in Ozona

Submitted

The third bi-annual South West Texas Oil & Gas Trade Show will take place this week in Ozona.

The event will kick off with the "Pump Jack Open" golf event at noon today (Oct. 19) at the Ozona Country Club. This will be followed by a welcome barbecue dinner hosted by DCP Midstream from 5:30-7:30 p.m. at the Fair Park Pavilion. The dinner is BYOB and winners of the golf tournament will be announced.

On Thursday (Oct. 20), the trade show will open at 9 a.m. and go until 6:30 p.m. at the Fair Park Convention Center. Ozona High School students will be visiting the show throughout the day. Concessions will be provided by the Ozona Community Center.

A networking luncheon will be held from 11:30 a.m.-1 p.m. at the Fair Park Convention Center. That evening a dinner featuring Texas Land Commissioner Jerry Patterson will be held at 7:15 p.m. at the Civic Center. Patterson will speak on oil and gas activities, status of the EPS and the USFWS Species Listings, agriculture in Texas versus oil and gas and future Texas energy sources.

On Friday (Oct. 9), the trade show will run from 9 a.m.-2 p.m. with concessions by the Ozona Community Center at the Fair Park Convention Center.

For more information, call the Ozona Chamber of Commerce at 392-3737.

BRONCO SPORTS

The Bronco Report

By Coach Sine

Junior High Football at home this week vs Ozona, two games! 7th Grade Colts at 5:00, 8th Grade Colts to follow!!!

The Freshmen and JV will combine to take on the Lions at Ozona with kickoff being set at 6:00!

Friday night is RED OUT OZONA and The Broncos host the Lions at 7:30!

Thanks to all of you that traveled to San Saba to support the Broncos last Friday!!!

Football is broken up into four phases:

Offense-Defense-Special Teams and Fan Base! Please keep doing your part and we will continue to work to take care of ours!!!! Bronco Nation is alive and well!

BEAT OZONA!!!!!!!!!!!!!!!

Broncos Surprise Dillos: Continued from Front

to a first and goal. But the Bronco defense stepped up and forced a turnover on downs. San Saba got the ball back as Parks threw his second interception of the season. On third and long, 6' 3" Luke Cox grabbed a pass over 5'4" Ryan San Miguel giving the Dillos a first and goal. They scored on a dive up the middle and, after the PAT, the score stood 30 to 7 with 2:15 left in the first half.

It didn't take the Broncos long to respond. Badeaux had a 30 yard kickoff return. Edward Garza got around the left end for a 15 yard gain. Parks threw deep to Hudson who did his patented leap over the defender to catch the pass. Then he threw the defender to ground and walked into the end zone completing a 42 pass play for a touchdown. Mr. W kicked the PAT, and the score at the half was 37 to 7 in favor of the Broncos.

In the second half, San Saba scored on a trick play. Pannell handed off to a runner who was going to his right. The runner stopped and threw back to Pannell who scored. After the PAT, the score stood at 37 to 14 with 11:11 left in the third quarter.

San Saba attempted an on-sides kick after their score. The ball was kicked at their

Junior High Volleyball Playing Well

The junior high 8th grade volleyball is playing some good volleyball. They just need to learn how to finish games. The Lady Colts jumped on the visiting Crane volleyball team and dominated the 1st game 25-12. Jill Buitron served 8-9 with 3 aces to lead in the victory. The second and third games were very exciting and competitive, but the Lady Colts came up short 20-25 and 20-25. Overall, Sonora had 5 kills, 10 aces and served 76% (45-59). Tyler Hampton hit on 7-7 attempts and Victoria Acosta finished with 9-11 serves. The 8th white team had two exciting games verses Crane losing both. McKenzie Murphy paced the Lady Colts in their spirited battle. The district tournament is this Saturday in Grape Creek.

JH Last Home Game

The 7th grade Lady Colts had their final regular season game Monday night in Sonora against Crane. The Black team started the night off. They came out slow serving 40% and lost the first game 8-25. The Lady Colts did not let that discourage them and came back in the second game serving 78%. They were winning most of this game with some power serving from Sky Jennings and April Fraire. Bianca Fay had a huge block while Sky and Bethany Aguero each had a kill. With the score being tied at 24-24 the Lady Colts couldn't quite hang on an lost 24-26. These young ladies will be traveling to Grape Creek on Saturday for the district tournament where they will play at 11, 12 and 2:00.

The Red team played their last game of the season with only 6 girls. With some power serves from Catharen Zook, Sylvia Salazar, Marlene Ortiz and Rosa Araujo the Lady Colts couldn't hang on and they lost both games 14-25 to make their final record 1 and 3. These girls have come a long way and will begin preparing for basketball.

- Red Team**
- 2 Katelynn Thorp
 - 5 Catharen Zook
 - 11 Autumn Ayala
 - 13 Sylvia Salazar
 - 15 Marlene Ortiz
 - 25 Rosa Araujo

Broncos Surprise Dillos: Continued from Front

40 yard line, and it had such a spin on it that it went out of bounds at their 40 yard line. After a five yard penalty for illegal procedure, the Broncos had a short field. Badeaux gained 17 yards on a run. Parks threw to Hudson who showed that he can also give change for a dime as he caught the ball near the 15 yard line. He head faked to his right, broke back to his left, and raced into the end zone for an 18 yard touchdown pass play. Mr. W remained perfect, and it was now 44 to 14 with 10:13 left in the third.

At 7:59 left in the third, San

Miguel got his revenge. He picked off a Pannell pass and returned it 51 yards for the last Bronco score of the game making it 51 to 14.

Both teams let the reserves get some playing time, and the Dillos scored a touchdown and a safety in the fourth making the final score 51 to 23.

This week the Broncos return to Bronco Stadium to take on the Ozona Lions. Be sure and come to the game to watch the Broncos extract a pound of flesh from the Lions!

7th Grade Colts Sack San Saba 28-6

The 7th Grade Colts have continued their winning streak. This past week the team traveled to San Saba for their second district football game and won by a score of 28-6. The team put up a complete game by doing well in all three phases of the game. The defense only gave up only one touchdown, special teams did not make a mistake and offense continued by scoring over 20 points. Michael Solis got the colts on the score board first by running from 20 yards out for the first six points. The point extra pass from Noah San Miguel to Raully Biera was no good and the colts led 6-0. The score was set up by good defense by Angel Deluna, Kadé Creek, Michael Mungia and Liam Yourgalite. On San Saba's next possession the armadillo scored on ten yard run by their quarterback. The score was now all knotted up 6-6. The colts received the ball and drove ten yard and then Noah San Miguel finished the drive with a 50

yard touchdown run. The extra point run by Noah was also good. The colts led now 14-06. The kickoff team composed of : Grady Bush, Rafael Mendoza, James Telles, Henry Ramos and Halston penned the armadillo on their end of the field. The defense squad played hard the last three minutes and did not allow a score. The defensive line of Dakota Castro, Esteban Marin and Issek Hernandez made a stop to give the ball back to the offense. The offense with only second left got to work. With a couple of runs and with a timeout, the team planned their next score. The offense came out and with only two seconds left Noah San Miguel hit Michael Solis in stride to score right before half-time. The two point run by Henry Ramos was good and the score was 22-6 in favor of the colts.

The defensive team of Ariel Lugo, Oscar Ortiz, Carter Zook, Andrew Martinez and Isiah Lira played great defense the entire second

half. The offensive squad was able to move the ball and was able to score in the second half. The score was set up by a 50 yard run by Ariel Lugo. The score was made by Raully Biera from two yard out. The two point pass attempt by Grady Bush to Henry Ramos was no good and the team led 28-6. The team kick-off and was able to hold San Saba to no points. The offense quarterback by Kade Creek was able to move the ball. Creek had a crucial 20 yard pass to Henry Ramos to get a first down. The next several plays were led by Grady Bush at quarterback and Taylor Sanchez, Dakota Castro, Erik Lopez and Tate Shannon opening him up huge holes. With seconds left the team ran the victory play to win the ball game. The team stands at 5-1 with their only loss to TLC 8th grade team. The team will host the Ozona Cubs at Bronco stadium on Thursday @ 5:00 p.m.

7th Grade Colts Sack San Saba 28-6

Last year the San Saba Armadillos outscored this year's 8th grade Colts by 38 points and blanked them on the score board. This year however the Colts were ready to come out firing and give San Saba all they could handle. After San Saba scored on their opening drive taking up all but 3 minutes of the first the surprised the Colts with a short kick and recovered it to start their second drive. After using up most of the quarter the Dillos scored again to take a 16-0 lead. The Colts recovered the next kickoff and began a scoring drive of their own. After a reverse pass from Tanner Myers to Jonathan Martinez of 30 yds, Myers connected again this time to Louie Castro for a 15 yard gain down to the 5 yard line. On the very next play with some great block-

ing from James Freeman, Damien Garza, and Adrian Diaz, Myers hit Jerrad Willey for a 5 yd touchdown. Myers added the 2pt conversion with blocking from Sergio Solis and Qualey Shane. After another scoring drive by the big Dillo 8th graders, the Colts took over and only used one play to score again. Myers hit Martinez on an out route and with some down field blocking from Michael Campos and Trent Harriss, Martinez took it to the end zone. Right before half Castro took a pass from Myers for 50 and a score but it was brought back after a penalty. After half time Myers hit Diaz for a 13 yard gain. On the next play Myers took the ball himself for 30 yards and then connected with Castro on the next play to set up the Touchdown. With David Torres walling

out the defenders Myers was able to hit Jonathan Martinez for the next Colt TD. The 2pt conversion was no good but was still a good run by David Gonzalez. With some good defense being played on the next series, with Garrett Jaeger and Arturo Lopez having some good tackles on the Dillos, the Colts were fired up waiting to the ball back. When they did they wasted no time scoring as Myers connected with Castro one more time for a 63 yard TD aided by JD Garza and Adrian Garcia blocking down field. Castro added the 2pt conversion to give the Colts 28 points. The Dillos ran the clock out to make the final 44-28 in favor of San Saba. A well played game by both teams, but the Colts showed they were hungry to get that next victory. They'll be ready for Ozona!!!

Public Notice

PUBLIC NOTICE OF INTENT TO INCREASE RATES

West Texas Gas, Inc. ("WTG" or "Company"), hereby gives notice to the public that on or before September 30, 2011, it filed with the Railroad Commission of Texas ("Commission") and the twenty-eight (28) Cities it serves ("Cities"). Statements of Intent to Increase Rates (Statement of Intent") for all WTG's gas distribution customers in the State of Texas which includes the incorporated and environs areas surrounding the twenty-eight (28) cities of Balmorhea, Cactus, Canadian, Canyon, Claude, Dalhart, Darrouzett, Devine, Eden, Farwell, Follett, Groom, Higgins, Junction, Kermit, Lubbock, Menard, Miami, Mobeetie, Natalia, Paint Rock, Shamrock, Somerset, Sonora, Stratford, Texhoma, Texline and Wheeler, and the rural or unincorporated areas of sixty-eight (68) Texas counties including Andrews, Armstrong *(Goodnight), Atascosa, Bailey, Bexar, Brewster, Briscoe, Brown, Carson, Castro, Cochran *(Bledsoe), Coleman, Collingsworth, Concho, Crosby, Culberson, Dallam *(Kerrick), Dawson, Deaf Smith, Dimmitt, Donley, Floyd, Frio, Gaines, Gray, Hale, Hall, Hansford, Hartley, Hemphill *(Glazier), Hockley, Hutchinson, Jeff Davis, Kimble, Kinney, La Salle, Lamb, Lipscomb, Lubbock, Lynn, McCulloch *(Lohn), Martin, Maverick, Medina, Menard, Moore *(Etter), Ochiltree *(Famsworth, Waka), Oldham, Parmer, Pecos *(Coyanosa, Imperial), Potter, Presidio, Randall, Reeves (Saragosa), Roberts, Runnels, Sherman, Sutton, Swisher, Terry, Tom Green *(Christoval), Uvalde, Val Verde, Wheeler *(Allison, Briscoe), Wilson, Winkler, Yoakum and Zavala *(La Pryor) Counties, Texas. The Statement of Intent filing made by WTG seeks to increase rates to offset increased operating expenses. The proposed increase will take effect on or after November 5, 2011.

The proposed changes to WTG's tariffs will affect all of the approximately 14,811 domestic and 2,108 non-domestic customers. The proposed rates will increase the Company's annual revenues by approximately \$2,489,741, which represents an increase (including gas costs) of approximately 22.9% (or 50.49% excluding gas costs). This is a major rate increase as defined by Texas law, in that it would increase WTG's aggregate revenues by more than 2.5%. To achieve these increased revenues, the Company proposes to phase in the proposed rates over a two year period. The Company proposes to increase the monthly domestic customer charge from \$9.00 to \$11.27 in Year 1, and to \$13.54 in Year 2. The monthly domestic volumetric charge would increase from \$2.42 per Mcf to \$3.03 per Mcf in Year 1, and to \$3.64 per Mcf in Year 2. For non-domestic customers, the Company proposes to increase the monthly customer charge from \$12.00 to \$15.03 in Year 1, and to \$18.06 in Year 2. The monthly non-domestic volumetric charge would increase from \$2.27 per Mcf to \$2.84 per Mcf in Year 1, and to \$3.42 per Mcf in Year 2.

In addition, the Company proposes to eliminate the Farwell Gas Cost Zone and substitute the West Gas Cost Zone in its place.

In addition, the Company seeks to recover all rate case expenses through a surcharge as allowed by law. The exact amount of rate case expenses and the surcharge will not be known until the case is completed. This notice is given pursuant to the notice requirements of Tex. Util. Code Ann. § 104.103 and 16 Tex. Admin. Code § 7.230. A complete copy of the WTG's 2011 Statement of Intent to Increase Rates statewide is available for inspection in its Midland, Texas office located at 211 N. Colorado, Midland, Texas, 79701 or on the Internet at the Company's website www.westtexasgas.com. Persons with specific questions or desiring additional information about this filing may contact the Company at (432) 682-4349. Any affected person may file comments or a protest concerning the proposed change in the environs rates with the Director of the Gas Services Division, Railroad Commission of Texas, P.O. Box 12967, Austin, Texas 78711-2967 at any time within 30 days following the date on which the change would or has become effective.

Lions Club Auction: Bidding for A Good Cause

The Annual Lions Club Auction was held with much fanfare this past Tuesday. This annual event was able to raise over \$15,000, with donated items ranging from Lessons at the Golf Course to a Shotgun Wedding package (including 1 hour marriage Counseling session).

The year's premier auction item (the mystery package) was sold to the First National Bank for \$1,000.

Continued from Front Page: School Board Hires

the track and the cost of resurfacing the track. He stated we have delayed resurfacing it for two years, and if we don't take care of the track, we will end up having to replace it, rather than resurface it. At the end of his report, Mr. Gibson read his letter of resignation. Mrs. Cahill thanked him for his service. Jesse Bustamante made the motion with a second by Chris Berry to accept Mr. Gibson's resignation. The vote was unanimous.

Dawn Cahill thanked her fellow board members for their time and dedication to the search for a new superintendent. Mrs. Cahill was thanked for her leadership.

The board broke at 6:38 PM and went into executive session to discuss any possible action regarding the lone finalist for Gibson's position. The board reconvened in open session at 7:22 PM. Erin Burnham made the motion followed by a second by Jesse Bustamante to name James Hartman as lone finalist for superintendent. Voting yes were Erin Burnham, Jesse Bustamante, Jerry Jimenez, and Dawn Cahill. Absent were Berry, Pope, and Van Winkle.

Mr. Hartman is the Superintendent at Marion ISD, where in 2010 he was named the Region 13 Superintendent of the Year.

All of us failed to match our dreams of perfection. So I rate us on the basis of our splendid failure to do the impossible.
