Indians run to state track championship

Mark Young and Stephon Brockington won gold medals and the two relay teams came in second as the Haskell Indians won the Class 2A track championship in Austin Saturday.

It was the first team state championship in any sport in Haskell's history and climaxed one of the school's finest years in athletics.

Young repeated as state 800-meter champion, turning in a time of 1:55.9 to add a second gold medal to his personal collection.

Brockington took first place in the 200-meter run, posting a time of 21.7. (He was third in state last year.)

As satisfying as those two individual victories were, it took a couple of fine performances by the 400- and 1600-meter relay teams to give Haskell 52 team points, six more than runnerup Mart's 46.

Brockington ran on both the relay teams and Young ran on the 1600.

The sprint relay team ran a 42.3, just behind Mart's 42.2. Rodney Johnson, Fred Shaw and Derrick Billington, along with Brockington, comprised the team.

The 1600 relay team of Louie Torres, Brockington, Shaw and Young posted a 3:20.2 time, just behind Buffalo's 3:20.1.

Haskell went into the 1600 relay, the meet's final event, trailing Mart 46-36 and needing at least a third-place finish to take the championship since Mart did not have a relay team.

The second-place finish gave the Indians their 52 points, while Mart remained at 46. Buffalo came in third with 33 points while Eastland and Groveton tied for fourth with 26 points each.

The state title by the Indians completed a clean sweep of championship meets. The Indians had won both the district and regional meets.

Maiden relay team takes third at state

The Haskell Maidens' 1600-meter relay team took third place in the state track meet in Austin Saturday.

The team of Sheree Dumas, Leiza Morales, Regina Dever and Teresa

Unger ran the mile in 4:00.3.

Another Maiden winner at state was Dever, who took fifth place in the 400-meter dash with a time of 58.9.

Numero Uno

Proudly proclaiming themselves as No. 1 after winning the state track championship in Austin Saturday are these Indian team members. From left they are Derrick Billington, Fred Shaw, Coach Jimmy Lisle, Stephon Brockington, Rodney Johnson, Louie Torres, Josh Reid, Mark Young and Johnny Billington.

Party to honor champs

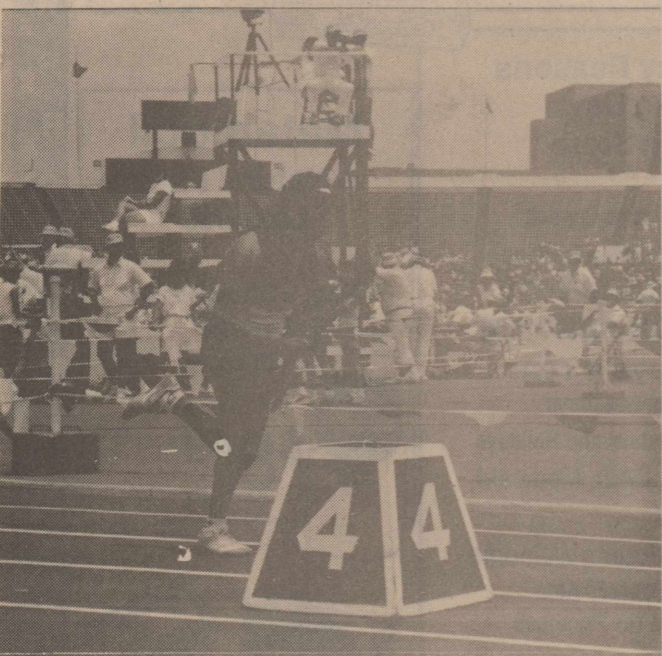

Haskell's state championship track team will be honored with an ice cream party Friday evening at the City Park, courtesy of The Haskell

Free Press.

Serving begins at 6 o'clock.

All Indian fans are invited to attend. There will be no charge.

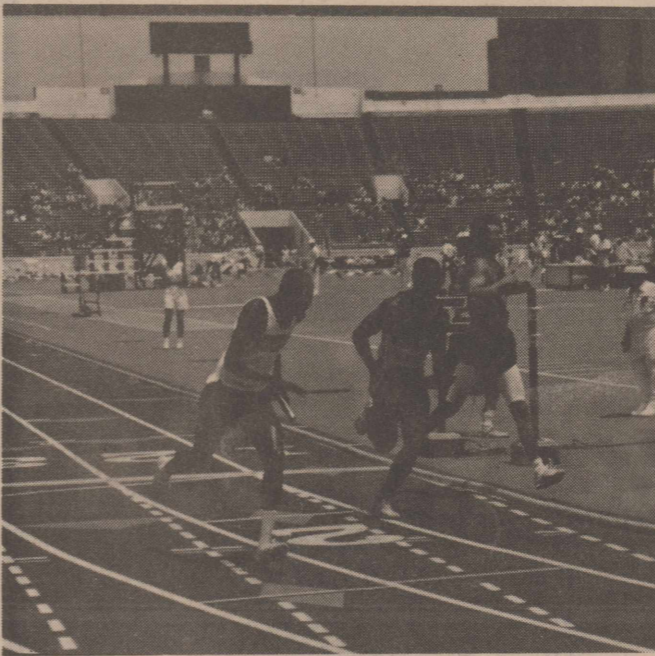

Mile relay team ices victory

Louie Torres

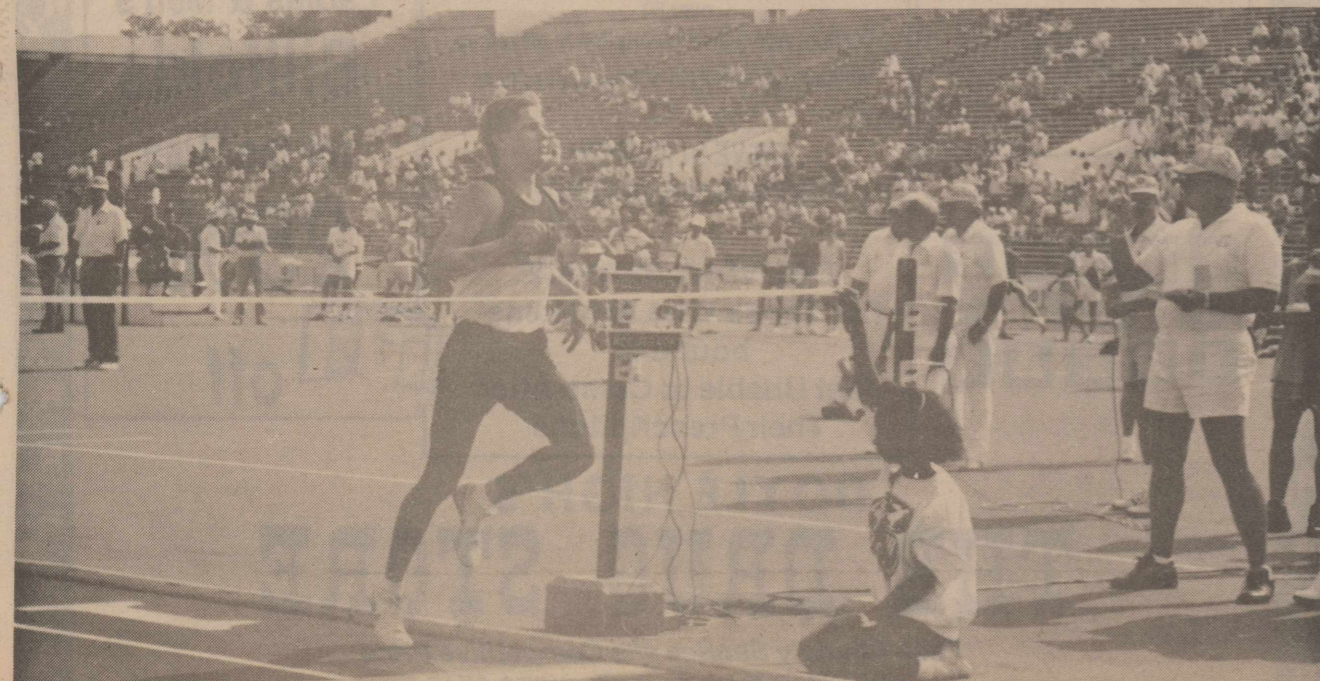

Stephon Brockington

Fred Shaw

Mark Young

Mark Young hits the tape ahead of the field to chalk up his second state 800-meter championship in the state track meet in Austin Saturday.

Stephon Brockington comes in first in the 200-meter dash at the state track meet in Austin Saturday.

--Rice Springs Care Home--

By Judy Wolsch
Activity Director

Residents of RSCH enjoyed special occasions last week during National Nursing Home Week.

Bro. Randolph Wilson and the Presbyterian church started off the week with enjoyable Mother's Day services. On Monday the Methodist ladies of Haskell held their monthly services.

On Tuesday, Christine read the "Black Stallion." Wm. Hodge brought an inspiring message on Tuesday afternoon. On Wednesday, the Sagerton Lutheran ladies came along with Mel Swoyer for the weekly sing-along and held a fellowship afterwards.

On Thursday, residents played "The Price Is Right" game. The difference in prices on items was amazing. One fellow thought by now a deck of cards should cost about \$25 instead of 49 cents.

On Friday, residents enjoyed a morning nature walk and seeing all the different color roses blooming around the building. Special Olympics were held in the afternoon. Ethel Bradford won first in the basketball game, Georgia Fouts and Laura Overton tied for second and Rosa Weaver and Edna Collins tied for third.

In ring toss, Ethel Bradford again

won first, Georgia Fouts second and Rosa Weaver third.

The Tic Tac Toe game had some of the same winners. Edna Collins was first, Rosa Weaver second, Laura Overton and Georgia Fouts tied for third. Several other residents were right behind the winners and received bananas for a job well done.

We welcome Gladys Watson, Ava Dulaney and Mildred Rossier to RSCH.

Eager Housewives program on beef

The Eager Housewives Extension Homemakers Club met Tuesday night, May 10, with five present.

Lou Gilly, county extension agent-home economics, gave the program on "Dynamic Beef: Lean and Safe."

Members voted to sell ice cream during the Frontier Days parade on Thursday afternoon to help raise money for the 4-H scholarship fund. Each year the club gives \$150 to go with the \$350 given by the Haskell County Extension Homemakers Council to a senior 4-H member who will be attending college in the fall. Kay Smith served refreshments

John Snyder and Connie Turnbow

Turnbow, Snyder to marry July 16

Jean Turnbow of Haskell has announced the engagement and approaching marriage of her daughter, Connie Lynn, to John Byron Snyder, son of Mrs. Beth Snyder and the late B. E. Snyder of Albany.

The bride-elect is a graduate of Haskell High School and received an associated applied science degree in dental hygiene from Amarillo College. She is employed with Dr. W. C. Pierce of Abilene.

The prospective bridegroom is a graduate of Albany High School and attended Cisco Junior College. He is self employed with John Snyder Oil Field Parts and Service and in ranching.

The couple will exchange vows on Saturday, July 16, at the South Pioneer Drive Baptist Church in Abilene.

Frontier Day parade

College students to register

Registration for summer classes to be offered in Haskell by Western Texas College will be from 6:30 to 8 p.m. next Thursday (May 26) in the elementary school cafeteria.

Classes will begin June 1 and end July 29. Classes will meet from 6 to 10:10 p.m. one night per week.

Students are asked to bring their current Texas driver's license or voter registration card as proof of Texas residence. Tuition and fees can be paid with Visa or Mastercard. Textbooks will be sold at registration.

Courses on the summer schedule are:

- Computer Science 238.
- English 131, 231 and 232.
- Government 231 and 232.
- History 131 and 132.
- Mathematics 132 (intermediate algebra).
- Mathematics 002 (developmental math).
- Mathematics 133 (college algebra).
- Psychology 231.
- Speech 131 and 232.

All are college credit courses and fully transferrable with the exception of Math 002. Students who have completed their junior year in high school may enroll in the courses with written permission from their high school principal and a parent.

Students enrolling for math courses will be required to take pre-entrance tests. The tests will be given at registration and will require a minimum of 30 minutes.

Western Texas College has given this pre-entrance test to students on its main campus for the past year in response to state requirements. Texas will be requiring placement testing for students enrolling in math and English courses starting with the 1989 fall semester.

Additional information about the Haskell classes may be obtained by calling Bill Blakely at 864-2891.

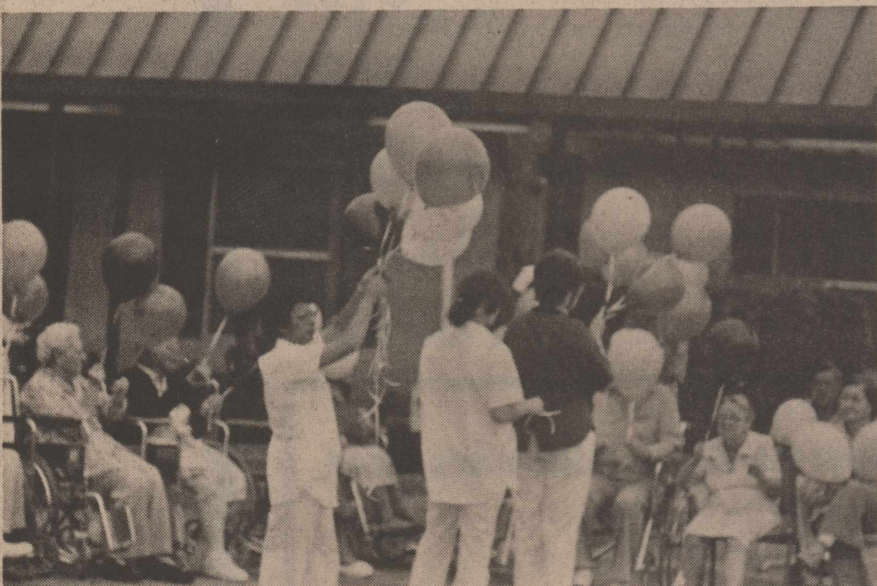

Scout car wash to be Saturday

Boy Scouts of Troop 136 will have a car wash in Haskell Saturday.

The car wash will be from 8:30 a.m. until 3 p.m. on the parking lot of the First United Methodist Church.

Cars will be washed and vacuumed for \$5. Vans and trucks will be \$7, or donations will be accepted.

Funds raised will be used to help the troop re-charter in June and to help toward the purchase of a bus in the near future.

Balloon release

Residents at Haskell Nursing Center prepare to release balloons last Wednesday. Balloons contained the names of the residents, who hope to hear from people finding the balloons. The balloon release was one of the activities at the home last week in observance of National Nursing Home Week.

THE HASKELL FREE PRESS

Medicare regulations affect doctors, too

Hospitals aren't alone in their confusion in deciphering and following Medicare regulations.

Doctors have their problems, too. Dr. Wayne Cadenhead gives an example:

"Except in unusual circumstances (who knows what they are?) patients are allowed only four reimbursable doctor visits per month. Unless the doctor has the patient sign a form saying the service may not be covered by Medicare, the doctor has to pay back any payment he collects if it is later determined the patient has exceeded his allowable four calls.

"The doctor has no way of knowing how many doctors a patient

has seen before."

Medicare fees are set at allowable charges. These are set forth in a publication listing each doctor's maximum allowable acceptable charge (MAAC). The charges are determined by what the doctor was charging in previous years.

In the case of the Haskell Clinic, the fees were frozen at the fees prevailing in the period from May through July 1984.

Although Medicare allowed a 75-cent increase in the charge for an office call in 1988, Dr. Cadenhead points out that clinic overhead (mainly supplies) increased \$26,000

between 1985 and 1986. Malpractice insurance premiums increased 50 percent during the same period and another 100 percent in 1987. Except for the recently approved 75-cent increase, office charges remain fixed.

Dr. Cadenhead also points out that in the last six months, the clinic staff has spent six hours in meetings, plus \$200, attending sessions dealing with Medicare's "myriad of unending, confusing edicts." Another \$670 was spent for a consultant to "help us understand and deal with MAACs and billings."

Physicians are reimbursable for only one nursing home visit per

month per patient. Dr. Cadenhead says that if a doctor sees more than one patient on a trip to a nursing home, the doctor is paid at a lower rate although each visit does count toward the once-a-month allowable. Any subsequent visit during that month is not covered by Medicare.

All lab work is now done on assignment. The lab is told what to charge. No leeway is given for location or ease of having tests done. "In our lab this has been a financial hardship," said Dr. Cadenhead. "Purchases of new equipment that would be a great benefit to our patients have been indefinitely

postponed due to Medicare's changing moods on what will and will not be paid for. It's difficult to plan for the future when rules and reimbursements change monthly. With each change the confusion increases."

What disturbs Dr. Cadenhead most is the fear that medical services are being lowered simply because the government cannot deliver on the promises made to the elderly.

"Instead of bowing out and leaving private enterprise alone, the government insists on commandeering control and lowering standards," he said.

Graduation party plans progressing

Indications are that Party 88, a graduation night event for Haskell County high school and college age young people, will be a success. Many groups and individuals are involved in planning the event, scheduled for Friday, May 27, in the Haskell Civic Center.

The Rochester stage band gave a benefit concert May 17 with the concession stand open to raise additional funds. Coordinating efforts in Rochester are Sandra Fry and Sharon Mullino.

The Rochester stage band will open Party 88, providing music from 10:30 to 10:50. Triple Shot from Stamford will play the duration of the party. A game room and all-night movies will be available.

Hamburgers will be cooked to order by members of the Haskell Kiwanis Club from 11 p.m. to 1 a.m. Haskell Lions will serve breakfast at 4 a.m. Cost of the Civic Center is being borne by Haskell National Bank.

The Rule Chamber of Commerce, Farmers National Bank and the Rule Lions Club are among other generous donors. Lou Landes is collecting Rule donations.

Weinert clubs and individuals can contact Wanda Hester for information or donations.

A contributors' list is being

prepared of donations received by Wednesday, May 25. The list will be given to all attending the party. To be included on the list, contributors should make their donations early.

Those who wish to contribute but have not been contacted should call Nelda Lane at KVRP or Charlyce Henry. Arrangements will be made to pick up cash or prize contributions. "Every gift, large or small, is appreciated," said a spokesperson.

Mike Guess president of school board

Mike Guess was elected president of the Board of Education in a meeting last Tuesday which saw the swearing in of new board members.

Roger Moeller was named vice president and Hollis Calloway was elected secretary. All officers, along with Pat Henry, are holdover board members.

New members sworn in after a canvass of the election were Terry Blanks, Bill Perry and Anita Perry. They succeed Brian Burgess, Wayne Cadenhead and Bill Thomas.

In addition to electing new officers, board members reviewed a number of board policies dealing with class size, evaluations, appraisals and eligibility.

A short executive session to discuss personnel was conducted, but no action was taken.

Pressure canner testing

Would you like to have the gauge on your pressure canner tested for accuracy?

You may do so by bringing your canner lid by the county extension office in Haskell, 101 S. Ave. D, between 3 and 5 p.m. Tuesday (May 24).

The testing will take approximately five minutes.

State winners

The Haskell Maidens' 1600-meter relay team took third place in the state track meet in Austin Saturday. Members, from left, are Sheree Dumas, Leiza Morales, Regina Dever and Teresa Unger.

Hundreds expected for Sagerton event

Sagerton's population will increase by 100 to 300 next week when former residents return for homecoming. The celebration is planned for Saturday and Sunday, May 28-29.

A special invitation to the ninth homecoming is being given to former teachers.

Registration will begin at 1 p.m. on Saturday. Bus tours will be given in the afternoon, and light refreshments will be served at 6 p.m. Visiting and viewing of the exhibits will comprise the evening program.

Sunday morning, residents and former residents may attend the churches of their choice. Lunch will be served at noon. A short program will follow, climaxed with the crowning of the 1988 homecoming queen.

No tickets will be sold for the dinner, but donations will be accepted. Contact Mrs. Charles Clark in Sagerton for reservations.

Sagerton is planning a community clean-up day this Saturday, May 21, in preparation for the homecoming.

Sales tax collections increase

Sales tax collections in Haskell are up by 5.38 percent over what they were a year ago.

The city's latest check from the state comptroller was for \$21,462.76. This compared to \$18,159.05 received last year for the same period.

For the year to date, Haskell has received \$67,747.58, compared to \$64,287.31 for the same period in 1987.

Checks reflect the one-percent city sales tax collected by the state.

Rule received a check for \$3,463.31, bringing its collections to date to \$11,667.85, more than 25 percent more than the \$9,308.33 collected at this time last year.

Also receiving checks this month were Rochester, \$1,203.64; Weinert, \$740.12; and O'Brien, \$266.82.

Combined, the five Haskell County communities have collected \$83,605.96 this year, an increase of 4.97 percent over the \$79,647.92 collected last year.

Scout drive over the top

SME drive chairman Ed Walling has announced that Haskell County has raised 108 percent of its goal for the Northern District of the Chisholm Trail, Boy Scouts of America.

Haskell was the first town in the district to reach its goal.

Haskell's goal was \$2,600. Walling said \$2,808 was raised.

Walling expressed his appreciation for all the support. He especially mentioned the Rotary Club, Lions Club and Kiwanis Club for their help in making the sustaining membership drive a success.

Band concert to be tonight

The annual all-band Spring Concert will be tonight (Thursday) at the Haskell Civic Center. It begins at 7 o'clock.

The public is invited. There will be no admission charge.

--Haskell Nursing Center--

By Jo Fischer
Activity Director

We would like to say thank you to all the volunteers who helped make National Nursing Home Week a big success. A special thank you to Vivian Shaw and Kathern Mitchell for serving our guests at open house and to our state representative Rick Perry for stopping by to visit.

Our balloon lift off was lots of fun. All of our residents were outside in the parking lot to release their balloons. It was a beautiful sight. We are a little disappointed that we have not heard from anyone finding a balloon.

We celebrated Mother's Day with a Coke float party. Each lady in our home was presented with a corsage. Ann Sinclair came and entertained us at the piano.

Our nurses and nurses' aids were also honored on Nurses Day with corsages. Our nurses are very special people and give many tireless hours of service to all our residents.

Our flower planting project is being enjoyed by many of our residents. If there is a flower lover out there who would like to come and join our project we would love to have you.

We have had many visitors over the last couple of weeks. We welcome Dan and Lucille Booe and their family to our home.

Those visiting with us were Karen White of Graham with Alvin Koonce; Joy and Audrey Spalding of Hamlin,

Peggy and Rolland Rose of Abilene with Pauline Williams; Clyde and Maxine Newberry of Lubbock, Quida Wilson of California with Eunice Newberry.

Tinker Carmack of Wichita Falls, Steve and Peggy Cline of White Oak, David and Kay Lisle of Rule, Kendall and Dorothy Carmack of Rochester, Carlos and Tammy Carmack of Breckenridge with Doc and Vannah Carmack; Karen Johnson, Earlene Lewis, Marcus Johnson with Fannie Wilson.

Junior and Sallie Camp of Colorado City with Roy Oliphant; Edna Fouts and Gene Brown of Eagle Lake with Lucille McCurley; Martha Martinez and Clara Martinez of Munday with Ninfa Aldaco.

Margaret Duffie, Lorene Henson with Fannie Wilson; Thelma Byrd of Electra with Lucille Booe; Neta Turner with Elvie LeFevre; Billy Walker of Dallas, Mary Seney of Minden, La., Arthur Cameron of Tyler, Mr. and Mrs. Arthur Cameron Sr. of O'Brien.

Softball players

All softball players participating in the summer league are asked to be at the softball field Monday night (May 23) to help get the field in shape for the beginning of the season. The season will begin Tuesday, May 31.

Jack and Letha Isbell

Isbell couple to celebrate 40th

In honor of the 40th wedding anniversary of Jack and Letha Isbell, their children and grandchildren invite all of their friends and neighbors to join them at a reception on Saturday, May 28.

The reception will be from 2 to 4 p.m. at 910 N. 3rd St. in Haskell.

Jack and Letha were married May 29, 1948. They have lived in Haskell County since that time. Jack was employed by Anderson Construction until 1975 when he began his own oilfield construction company.

Their children and their spouses include Dorothy and Doug Chesnut of Marlow, Okla.; Tony and Becky Isbell and Johnny and Betty Isbell of Haskell; and Dale and Linda Isbell and Alvin and Valarie Isbell of Loving, N.M.

Jack and Letha also have 14 grandchildren: Allen and Donna Chesnut of Haskell, Anthony, Jackie,

Jason Chesnut of Marlow, Okla., Tonya, April, John Isbell, Stephanie, Lesli Isbell of Haskell; Brian Cook, Angela Isbell, Jessica, Rebecca and Teresa Isbell of Loving, N.M.

Dalyn Gilly advances to state

Dalyn Gilly of Haskell won first place in the public speaking contest of the area II FFA convention in San Angelo Saturday. She will compete at state during the state FFA convention in July.

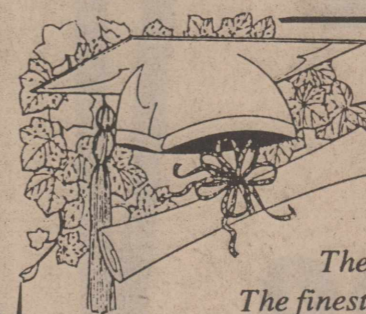

The Lone Star Farmer degree checking was held and the following Haskell FFA members' applications were approved at area and forwarded to state: Gia Henshaw, Penny Peden, Brad Bevel, Dalyn Gilly and Derrick Billington.

In the FFA scholarship competition, Steven Klose is a finalist and will be interviewed at Austin in June. The top 100 finalists will be in competition for 80 scholarships ranging from \$500 to

\$10,000. San Antonio Stock Show will award 10 \$10,000 scholarships and the Houston Livestock Show will award 50 \$8,000 scholarships.

TAX PLANNING

Written By
Richard E. Rodgers, CPA

PAYROLL TAX CHANGES FOR 1988

Here are some important 1988 payroll tax changes:

1. The federal unemployment (FUTA) tax rate for 1988 remains at .8% (.008). Employers should not use the .006 rate shown in the January, 1988, Circular E (Employer's Tax Guide) and other IRS publications.
2. Employers are now required to withhold social security tax and pay the employer's share of social security on wages paid to their children aged 18 and over and wages paid to a spouse.
3. Premiums on group term life insurance in excess of \$50,000, which are includable in an employee's income, are now also subject to social security taxes.
4. Employers must now pay social security taxes on cash tips reported to them by their employees.
5. There is a new test for determining when farm wages are subject to social security taxes. The former 20-day test is eliminated. It is replaced by the "\$2,500 test." If the employer pays at least \$2,500 in a year for all farm labor, wages paid to all farmworkers will be subject to social security tax. If the \$2,500 test is not met, the old \$150 per employee test continues to apply.
6. Employers should be aware that employees are not required to submit a new W-4s for 1988, but some will do so if changed circumstances necessitate an adjustment in the amount withheld from their wages.
7. Employers must send the IRS copies of Form W-4s from employees who claim more than ten exemptions or who claim exemption from withholding and their wages normally exceed \$200 per week. No other W-4s are to be sent to the IRS unless the agency specifically requests them.

Established April 1905

Club has program on beef

Josset Extension Homemakers met at 2:30 p.m. on Tuesday, May 10, in the home of Eral Bevel. The hostess read an interesting and humorous article concerning "How one can tell when she is a senior citizen."

After the meeting was called to order, the TEHA prayer was said in unison. Fourteen members answered roll call by naming a "cut of beef." There was one visitor present. Helen Owens read the "Thought for Today" concerning food waste.

The minutes of the April 19 meeting were read and approved as read. A treasurer's report was given by Hazel Thomas. A letter was read from the third grade classes of Haskell Elementary to Martha Toliver, club

president, thanking both her and the club for their part in obtaining and planting shrubs.

Dorothy Trussell gave the council report. She reported the council will host a fabric sale in August, date to be announced later. The club will sponsor the Red Cross bloodmobile in July and October. Each club member was asked to donate \$5 to fix the ramp for the handicapped at the northwest corner of the block where the home demonstration office is located. Eral Bevel made a motion and it was seconded that this money be taken out of the club bank account and that members will donate \$5 later if needed.

A program entitled, "Dynamic Beef: Lean and Safe," was given by Mrs. Lou Gilly. Lean beef offers fewer calories and more nutrients than many cuts of meat and should be listed in each well-balanced diet of those who are "watching their calories." The program was very informative and was enjoyed by all present.

Refreshments were served by the hostess. The door prize was won by Margaret Wall. There will be no June

meeting. The July 12 meeting will be in the home of Reatha Mullins when she will show some tapes on weight control.

Round Table held May 10 in Stamford

Northern District Round Table was held May 10 at the First United Methodist Church in Stamford.

An opening of a Living Circle was led by Mary Dewey of Haskell.

The Scout section of the meeting was led by Bob Oatman. The Cub and Webelo section was led by Charlotte Arendall. Slides from the Haskell Scout Show were shown.

A closing of a human rope chain and the reading of the Scout oath in Spanish and English was presented by John Sanchez of Stamford. Refreshments were served by Mary Dewey.

Leaders present included Di Andrea Priddy, Jerry Priddy, John Sanchez, Stan Clayton, Mary Dewey, Stanley Morton, Wallar Overton, Kenny Thompson, Cindy Landreth, Marsha Simpson and Thomas Goule.

Students to give recital Saturday

Mrs. James Sinclair will present Missy Demel, Leigh Ann Reel, Marie Gonzales and Halee Walton in recital on Saturday.

The recital will begin at 7:30 p.m. at the Paint Creek Baptist Church. Friends and families are invited to attend. Refreshments will be served.

Beta Chi chapter members spring meeting in Aspermont

Beta Chi Chapter of Delta Kappa Gamma Society International met in Fellowship Hall of the First United Methodist Church in Aspermont for the last spring meeting on May 14. Old Glory and Aspermont members were hostesses for a delicious salad luncheon.

President Christie Stapleton called the meeting to order and thanked the members for the cards, calls and flowers she received because of recent surgery. The minutes of the April 17 meeting were read by Mary Martin, who substituted for secretary Shirley Sloan. Treasurer Margaret Chafin did not report. The business session ended with Mrs. Stapleton thanking the officers and committee members who have served during her biennium. Lillian Logan, acting for Maribeth Williams, presented the Beta Chi 1988 "Woman of the Year" achievement award, a beautiful red rose, to Mrs. Stapleton.

Marie Ward, research chairperson, presented a paper and comments concerning the proper way to wear the Delta Kappa Gamma key. It is worn over the heart with nothing else above. It may be worn at all professional and society meetings and at other times also. It is often an entry to a new group or situation. "The used key is always the brightest" said Ben Franklin.

For the Founders Day observance, Mrs. Ward listed the names and gave a brief statement about the 12 international founders. Dr. Annie Webb Blanton invited 11 of her

professional college and public school teachers to Austin, Texas, May 11, 1929, to establish the society. Today a key woman teacher or a woman friend of education is invited and elected to membership. Mrs. Ward also added the two Alph (Texas) state honorary founders, Dr. Eula Lee Carter, who was Beta Chi's "skipper" in 1936, when 15 teachers from Haskell, Knox, Stonewall and Throckmorton counties became charter members, and Dr. Clara M. Parker. Mrs. Ward introduced to new members two volumes on the society's history. She concluded by reminding members of their rich heritage. "They threw us a torch. May we never let it fall."

Linda Edrington, ceremonial chairman, conducted the installation of officers for 1988-1990. Each outgoing officer, or substitute, read a brief biographical sketch of the incoming officer and then presented her a lighted red candle from the table with Delta Kappa Gamma decorations.

New officers are Jackye Leonard of Rule, president; Willie Dippel of Old Glory, first vice president; Jo Cox of Haskell, second vice president; Adrian Brothers of Knox City, recording secretary; and Alice Jones of Rule, corresponding secretary. Margaret Chafin remains the treasurer.

To show their unity, the new officers together lighted a single white taper. The ceremony was concluded with the singing of the Delta Kappa Gamma song. Ellen Rieger accompanied.

Thirty-one members from Hamlin,

Rochester, Munday, Knox City, Sagerton, Old Glory, Rule and Haskell were present.

Car wash

A car wash and bake sale is scheduled from 10 a.m. to 5 p.m. Saturday at the First Baptist Church, 301 N. Ave. E. Donations for the car wash will be accepted. Proceeds will be used to help pay expenses for youth camp.

A SOUND INVESTMENT

Kym Howard gets degree at Texas Tech

Kym Howard, a graduate of Hale High School in Tulsa, Okla., received a B.S. degree in mechanical engineering from Texas Technological University in Lubbock May 14.

She has been employed by General Dynamics, Fort Worth division, and will begin work in the engineering department in June.

Kym is the daughter of Dan C. Howard of Tulsa and the late Betty Jo (Herren) Howard. She is the granddaughter of Mr. and Mrs. Robert W. Herren of Haskell.

Martinez fund remains open

Donations still are being accepted for a fund for Joe Martinez, who is suffering from a brain tumor. Contributions will help defray medical expenses.

Donations may be made at Haskell National Bank (Account No. 84-927-8). The fund was started by Mr. and Mrs. C. E. Gary of Haskell, long-time employers of Martinez.

BEAUTIFY HASKELL TOGETHER

Tuesday: Steak fingers with gravy, creamed potatoes, green beans, hot rolls with butter, sliced pineapple, milk or tea.

Wednesday: Chalupas, grated cheese, lettuce and tomatoes, buttered corn, fruit cocktail (elementary), fruit Jello (high school), milk or tea.

Thursday: Corn dogs with mustard, tater tots with catsup carrot sticks, pears, milk (elementary); pot luck (high school).

Friday: Ham and cheese sandwiches, pork and beans, potato chips, pickle spears, applesauce, peanut butter and crackers, milk (elementary); pot luck (high school).

Band Boosters to elect officers

Parents of band students are urged to attend a brief meeting of the Band Booster Club at the Civic Center tonight (Thursday).

Officers for the coming year will be elected.

The meeting will be held following the band's spring concert, which begins at 7 p.m.

Tumblers competing in Lubbock

Several local tumblers are competing this week in Lubbock at the 1988 World Age Group Tumbling and Trampoline competition.

This is an event held every two years and is sponsored by the Federation of International Tumbling. Two years ago the competition was in Paris, France. The next competition, in 1990, will be in West Germany. This is the first time this level of competition has been in the United States.

Natonia Anderson will compete Friday among some 80 other 11- and 12-year-old girls. Heather Hobgood is competing today (Thursday) in a field of 226 tumblers in the 10-and-under division. Christy Mathis of Rule, Micca Jordan of Hamlin and Rusty Bradley of Knox City also are entered in the competition.

Competitors are given an aesthetic (performance) score and a difficulty score to determine the final score. Only the top six scores in each age group will compete in the finals.

Junior-senior

The junior-senior banquet will be at 7:30 p.m. Saturday in the Civic Center.

140 lb. Baling Twine \$24.95
AST
Hwy. 277 N. Haskell, Texas 864-2642

--Weinert--

By Myrtle Phemister

The weather news is no news! We remain dry, windy and with cloudless skies! Some of the farmers are dry-planting their cotton, hoping to be ready for a rain if it comes, others are baling hay.

Folks are "going fishing", it seems, because the farm work is at a stand-still. With out a "miracle" soon, there will be very little grain to harvest in our area.

Toby and Alice Yates, with Gene and Dorothy Brown of Munday, spent last week touring the Ozark Mountains in Arkansas, with stops at Eureka Springs and Bronson, Missouri. They reported beautiful weather and lots of greenery.

Bob and Crystella Raynes spent a few days in Great Bend, Kansas, where they attended the annual gathering of the Raynes' brothers and sisters. Lois and Harry Robertson, with Mr. and Mrs. Jiggs Raynes and their families hosted the reunion.

Others who were in attendance from Texas included Christine and Buck Roberts and Lou Munzert of Seminole.

Alton and Mildred Sanders were in Abilene on Sunday for a surprise birthday party for their 11 year old granddaughter, Amanda Sanders, of Merkel. The party was hosted by her

parents, Jerry and Joyce Sanders, at Skateway of Abilene. Amanda's brother, Jeremy, had to make a trip to the hospital emergency room on Saturday night with his eyes, but was able to attend the party.

Ed and Mary Murphy with Shanna and Lane were at Lake Brownwood to attend the annual family reunion of Ed's grandfather's family, Mr. and Mrs. Gordon Cross, his mothers' parents.

They did all the fun things that a lake weekend calls for and arrived back home safely.

Sallie Sanders entertained five of her sons and daughters last week and nine of the family members accompanied her to worship services at the Four Square Gospel Church.

Those who came were: Sue and Butch Cox of Daingerfield; Marie and B.D. Kirkland of Ft. Worth; Oman and Wilma Sanders of Coleman; Shorty and Dud Phelps of Haskell; and Jackie and Sandra Sanders with their new-born son, of Cross Plains. Jackie's pre-maturely white hair will cause many to ask if the baby is a grandson! Congratulations, Jackie and Sandra!

Jerry and Doris Walker were in Archer City on Thursday night to attend a school play entitled "The Adventures of Tom Sawyer" in which

their grandson Justin Parrott led a leading role.

Justin, and Rance, his brother, spent the weekend with the Walkers in Weinert.

Betty Raynes took her mother, Mrs. Williams, to Tulsa, Oklahoma to spend the weekend with Betty's sister there.

Bobby Raynes with Robin and Renetta, were in Austin for the State Track events.

Several from the First Baptist Church attended the 100th birthday party of the Baptist Women's Missionary Union, hosted at the First Church in Rule on Tuesday night.

Attending from Weinert were Mrs. Donnie Crump, Mrs. R.S. Sanders, Mrs. Bobby Raynes, Mrs. Erma Liles and Mrs. Margurite King.

Floyd and Helen Stout were at the Possum Kingdom State Park last week, and hosted his brother, Clarence and Annie Stout, of Ft. Worth, to a weekend outing.

Floyd and Helen belong to the "Good Sam's" club, and are always involved in doing something nice for others.

Marvin and Myrtle Phemister have returned from a weeks stay in Round Rock, Austin and the Gainesville area. They visited their son, David and Peggy with Greg and Marcus in

Round Rock, and with a grandson Bryan and Rose with Baby Jonathan in Austin and also a nephew, David and Sylvia Sanders, Erin and Rebecca, (son of David Sanders, Myrtle's brother).

They found everyone well, and working, before they left for Gainesville where Marvin enjoyed a visit to his birth-place, "old stompin' ground," the burial places of his grandparents and other kin. He renewed acquaintances with school friends and relatives and attended the Decoration Day services at Mt. Hope Cemetery at Mountain Springs, near Pilot Point. Many of those in attendance were the Phemister relatives, including the Carl Scoggins family; Archie Henry Aiken; and her husband, Raymond; and the noble Henry family. All are former residents here.

Ted and Faye Jetton also attended the services, and later visited with Ted's sister, Vesta, in Gainesville.

We extend congratulations to Pete and Ima Brockett who will celebrate an anniversary this week. And also to our birthday people, a great big "Happy Birthday" to: Mildred Guess, Woody Turnbow and Zachry Wood.

Our little baseball team, the "Astros" are to be commended for winning their game this week. Players are: David Crump, Dusty Yates, Cory Wood, Jessie Castorena, Jeremy Harlan, Timmy Perez, Heather and Heath Guess, and Bobby Carrizales. Coaches are Joe Yates and Bob Wood.

We especially congratulate Perry Patton, son of Floyd and LaRue Patton, who was married recently to Miss Karen Beaty, daughter of Lois Beaty of Munday.

Perry is a 1980 graduate of Weinert High School and is employed at Stewart's Texaco Station in Munday. Karen is a graduate of Munday High School. They will make their home in Munday.

The Weinert Seniors will be

honored on Thursday night with a party hosted by the First Baptist Church of Weinert. Time is 7 p.m., and the place is the Gym of the First Baptist in Haskell.

Baccalaureate services for the 1988 Graduating Seniors will be held May 22nd at 8 p.m. in the Weinert School Gymnasium. Paul Chambers, pastor of the Weinert Foursquare Gospel Church will be the speaker for the occasion.

The Weinert Church of Christ was in charge of the Sunday evening devotional at the Munday Nursing Center on May 15, at 3 p.m. Ted Jetton directed the singing and Roy Phemister brought a lesson on "Prayer" to those in attendance.

Velma Jetton of Haskell with her grandson, Tommy, son of T.W.

Jetton of San Jose, California, were in Weinert and visited with Ted and Faye Jetton on Monday.

T.W. is much improved from the stroke he suffered in December. He is able to walk some with a walker and is learning to adjust to his disabilities. We are happy to hear of his continuing progress.

D.I. and Mattie White were in Ft. Worth for the weekend to attend the Annual High School banquet held for the Graduating seniors, of which their grandson, Todd Hackney is included.

D.I. was involved in a farm accident on Monday, and suffered the loss of a part of a finger. He is recuperating at home after Dr. McSmith sewed the finger back on. Now we will continue our prayers that it will heal.

Have a Nice Day!

Angie Vernon Herren Mullino

We wish to express our sincere gratitude for the many kindnesses shown us in the loss of our loved one - beautiful flowers - food brought to our homes - charitable contributions made in her memory - cards, letters, words and warm hands extended in sympathy - the last tribute and respect paid our beloved one by attending her funeral service.

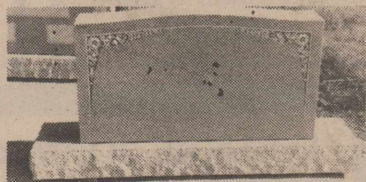

Someone once said that gestures such as these are the greatest compliments one can bestow upon another, for these acts can never be repaid by the one who has departed this life.

We shall forever cherish the kind and caring people of the Haskell community, the place she called "home" for almost a century.

Dear Senior,

Congratulations. You have made it to the top. Your graduation from High School is very near. Many of your friends and relatives are going to reward you for this achievement. To make it easy for them to pick out your graduation gifts, come by and make a selection yourself from our jeans, boots, belts, or what ever you desire. As our gift to you we will take 15% off, then the rest can be paid by your friends and relatives. They can come in and pay whatever amount they wish to spend on you for your accomplishment.

When your gifts are paid for, we will contact you, and you can pick them up.

Again Congratulations,
Heads of Tails Western Wear
